EARTH, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 17, 1960

8 PAGES

NUMBER 15

Several area farmers and businessmen attended the sugar beet meeting held in the Springlake School Auditorium at 7:30 p.m. Thursday night.

Lee Bennefield, Hereford, President of the Texas Sugar Beet Growers Association spoke to the group on the benefits derived from growing sugar beets and what procedures were needed for area farmers to grow sugar beets.

Bennefield stated that sugar beet growing was very important to the community and Plains area. The beet tops are good for grazing cattle and the cattlemen will pay an average of \$20.00 per acre for grazing. The Beets will yield approximately 20 or 30 tons per acre. Beet sugar is as pure as cane sugar. Around 75 percent of our sugar comes from outside the United States, and it will take two million acres of sugar beets to replace sugar that was transported from Cuba to the United States.

Sugar beets won't grow on dry-land as they need lots of water for growing and must be irrigated often.

It is estimated that the growing of beets increases the value of land as much as \$100.00 per acre.

Other speakers at the meeting were Austin Rose, Jr., Jack L. Kassahn and J. W. Witherspoon, all of Hereford.

A local Sugar Beet Association was organized at the meeting and board members elected.

Those elected to the board were Bob Armstrong, chairman, Melvin Bock, Alton Hollingsworth, "Sandy" Sanderson, Bill Stockard, J. J. Coker, J. A. Littleton, Jr. and George Laing, secretary. A fee of \$10.00 dues per year will be charged for membership. The organization will be called Earth-Springlake Sugar Beet Association.

The farmers in this area are very enthusiastic over this new crop and are hoping to interest all the businessmen, cattlemen and everyone else, in the importance of growing sugar beets in this area. Local farmers seems positive of its becoming a major money making crop for the Plains if enough acreage can be obtained.

Clarence Hamilton was Master of Ceremonies of the local meeting and introduced the speakers. The Earth Chamber of Commerce served refreshments.

Mrs. Caruthers City Secretary At Springlake

Mrs. Marvel Caruthers has accepted the position as City Secretary at Springlake to fill the vacancy created by the resignation of Mrs. James Washington.

Mrs. Caruthers began her duties November 1.

Mrs. Caruthers is well known in the Springlake area having owned and operated a grocery store there for several years.

Mrs. Caruthers has one daughter, Mrs. Norita Campbell, Corpus Christi.

Springlake F. H. A. To Sponsor Bake Sale Saturday

The Springlake FHA chapter is sponsoring a bake sale to be held Saturday, November 19, at the Farmers Union building in Earth.

Funds in the FHA chapter treasury will be used for the FHA banquet and also the FHA chapter will send two girls to the State FHA meeting, which is to be held in Dallas.

The Chapter is also participating in State FHA projects which will be carried out here. They plan to make a State flag and plant red roses around the school property.

At the FHA Chapter meeting Monday the members voted to draw names for their Christmas party. They also voted to send Christmas cards to the Mental Hospital at Wichita Falls.

The girls also chose their candidates for Prince and Princess. They are as follows, Friendliest, Norma Hamilton and Bill Starkey; Most studious, Glenda Williamson and Steve Holt; Happy-Go-Lucky, Sharon Beas and Hal Hudson; Best-All-Around, Peggy Stansell and Dale Dent; Wittiest, Dixie Phillips and Shelby Bozeman; Best Dressed, Norma Hamilton and Jimmy Baldwin. The run-off will be November 28.

After the meeting, refreshments were served in the Homemaking Department.

Among those attending the Sugar Beet Meeting Thursday night were L. T. Smith, George Laing, secretary; Burl Hamilton, J. A. Littleton, Jr., board member and Bill Morris. Others elected to the board but not pictured were Bob Armstrong, chairman; Melvin Bock, Alton Hollingsworth, Sandy Sanderson, Bill Stockard and J. J. Coker.

Casey Jones Opens Pharmacy In Earth This Week

Casey Jones, Pharmacist, has opened a new Pharmacy in the City Drug Store in Earth and has already begun to serve the people of this area.

Mr. Jones has been in the Drug business for many years, having owned and operated Casey Jones Drug in Roaring Springs since 1923 until two years ago.

Jones has been operating Casey Jones Drug, Hart for the past two years.

He is a graduate of University of Texas Medical School, Galveston.

Jones plans to move to Earth as soon as his Drug Store in Hart is sold.

CASEY JONES — Is now serving residents of the Earth-Springlake as pharmacist. The new Pharmacy is located in the City Drug Store, with a full line of drugs. Mr. Jones is a graduate, registered pharmacist and will fill any doctor's prescription.

Earth Lions To Sponsor Scrap Iron Gathering

The Earth Lions Club is sponsoring a scrap iron gathering in the community and surrounding area. This being done in order to help with community projects.

The Lions will begin gathering the iron December 1 and will continue through December 15. Scrap iron may be delivered to Earth Pump and Machine Works.

After December 1 a truck will be picking up the scrap iron in the community.

At the regular meeting of the Earth Lions Club Tuesday, Rev. M. B. Baldwin pastor of the Springlake First Baptist Church was the speaker.

Earth Rebekah's To Sponsor Bake Sale November 23

The Earth Rebekah Lodge No. 139 held its regular meeting Thursday night, November 10 at the IOOF Hall.

It was decided that the Rebekah ladies would sponsor a bake sale November 23.

The sale is to be at Pauls Super Market.

At the regular session of the Rebekah's last Thursday officers were nominated.

At the close of the meeting refreshments of pie and coffee were served to the nine members present.

Americans can save automatically with U. S. Savings Bonds through the Payroll Savings Plan where they work.

NOTICE

The Earth News-Sun will be printed one day early next week.

Anyone with advertising or news to be published in next week's paper is asked to bring it in early.

The public is cordially invited to eat lunch at the Springlake School cafeteria Wednesday, November 23.

A delicious turkey dinner with all the trimmings will be served.

The Springlake School will dismiss school for the Thanksgiving holidays, Wednesday, November 23, at 2:30 p.m. and buses will run at that time. Classes will resume Monday, November 28 at regular time.

C. L. Berry Cub Scout Master has announced that there will be a Cub Scout pack meeting at 7 p.m. Tuesday, November 22, in the junior high study hall.

Everyone interested is invited to attend.

The Wolverine Quarterback Club will meet once each month until school is out. The club has been meeting every Monday night through football season.

Date of the meeting nights will be announced later.

It's Basketball Time at Springlake High School

The Basketball season for 1960-61 began for the Springlake girls November 15 with games against Olton in the Springlake gym.

The A team lost their game to Olton but the B team was victorious in the game.

Girls who are playing basketball this season are as follows: Seniors: Jody Upchurch, Elisa Acevedo, Peggy Stansell.

Juniors: Susie Evans, Julia Chance, Kay McCord.

Sophomores: Hone Angeley, Barbara Barlow, Carolyn Gregory, Ladon Messer, Linda Oden.

Freshman: Janice Henderson, Janice Blackburn, Loy Hamilton, Bobbie Cunningham, Julia Jones, Judy Perkins, June Probes, Francis Wheat.

The Captains are: Elisa Acevedo, Carolyn Gregory and Peggy Stansell.

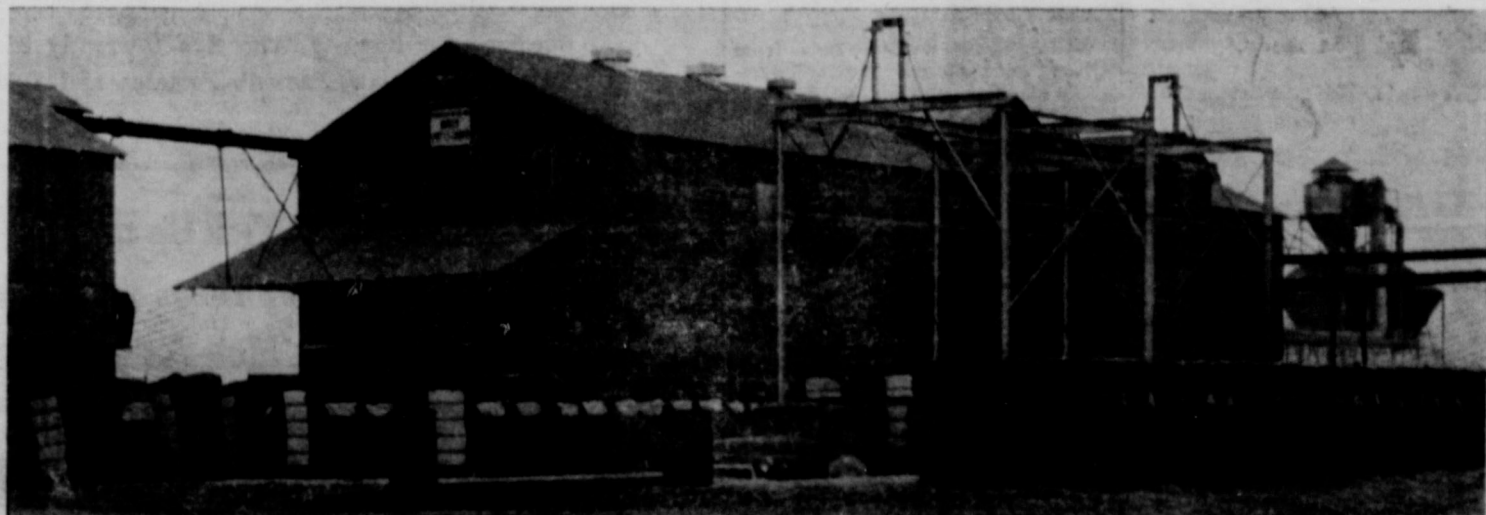

The managers are: Dixie Phillips, Peggy Davis, and Carmelita Webb.

The coaches are: Jodie Mahan and Eldon Davis.

Earth Fire Dept. Answers Call

The Earth Volunteer Fire Department answered a call one mile north and one-half mile east of the city late Sunday afternoon, when a trailer loaded with cotton, belonging to R. J. (Skeeter) Brock caught fire.

Mr. Brock was on the way to the gin when he discovered the cotton on fire. The fire department quickly extinguished the flames without too much damage.

COTTON and MORE COTTON — Is beginning to come in to all the local gins in overflow capacity. Approximately 9500 bales have already been ginned at the gins in the Earth-Springlake area.

Baptist Colored Church Anniversary Meeting In Progress

The members of the Earth Mt. Zion Baptist Church are conducting a seven day meeting in celebration of their Pastor's first anniversary here.

Rev. and Mrs. Johnny McPreston have been with the Mt. Zion Church one year.

The anniversary meeting began Monday, November 14 and will continue through Sunday afternoon.

Services are being conducted at 7:30 p.m. each evening this week.

The Mt. Zion Church has approximately thirty adult members.

Two Auto Wrecks Occur During Weekend in Earth

Deputy V. L. Smith Jr. reported two car wrecks, over the weekend, in and near Earth.

The first of the accidents occurred about 5:20 p.m. Friday, five and one-half miles north of Earth on farm to market road 1955.

Joel Jones, driving a '59 model Ford pick-up and pulling a cotton trailer pulled onto the highway meeting a '55 model Buick driven by John L. Lee, colored farm hand employed by Ed O'Hair.

Lee who was traveling north hit the left rear corner of the trailer, knocking a wheel off the trailer.

The Buick traveled approximately 150 feet and crossed the highway before coming to a stop.

Damages to both the car and trailer were estimated at \$900.00 by Bill Angel, Highway Patrolman who investigated the accident.

Lee was issued a ticket for speeding.

About 7:30 p.m. Saturday night a truck owned by Campbell Gin Company and driven by Mr. Allen Alt the rear of a car parked west of the M. E. Kelley building on the corner across from the caution light.

The impact knocked the car into Lucy Mendez, Richmond, who was standing between the parked car and a truck which was also parked, pinning her between the two vehicles.

She was taken to Dimmitt Hospital by a Singleton Funeral Home Ambulance.

She was treated for minor injuries and leg bruises and released Sunday morning.

It was reported that the truck driver, coming from the east made a short a turn as he turned north.

The parked car was a '56 model Ford owned by H. D. Elmore, Earth.

A broken tail light was the only damage reported to the car. The truck driver was issued a ticket by Highway Patrolman, Bill Angel, Littlefield, who investigated the accident.

Come one-come all to the powder puff football game to be held today (Thursday) at Wolverine stadium, kick off time 2:15 p.m.

The football team will consist of girls from the Senior and Freshmen classes versus the Junior and Sophomore girls all of Springlake High School.

All the high school boys will be in the cheerleaders section cheering the side of their choice on to victory.

The cheerleaders from the high school classes will be selected to lead the group and all will be dressed in girls attire.

Admission will be \$1.00 for adults, 50 cents for High School students and 25 cents through Junior High.

Proceeds from the game will go into the field house fund drive that is being sponsored by the Wolverine Quarterback Club.

Everyone is invited to come out and see these girls play football and the boys cheering them to victory and help in this fund raising project by your attendance.

Jaycees Last Turkey Shoot November 20

The last Jaycee turkey shoot this year will be held Sunday, November 20, beginning at 2 p.m. west of Armstrong Fertilizer Company, on Highway 70.

At last Sunday's shoot, six rounds were shot with eight men shooting each time. Six larger turkeys were given as prizes.

Thirteen members were present at the regular weekly meeting of the Jaycees Monday.

Sunnyside News -

By TEENY BOWDEN

Mrs. J. D. Cox fell in her home last Saturday injuring her hip. She was put to bed and on Monday, since she was no better she was taken to the hospital in Littlefield by ambulance for X-rays. No bones were broken so she was not hospitalized.

Mr. and Mrs. J. Paul Waggoner and family were dinner guests of Mr. and Mrs. E. R. Waggoner in Dimmitt last Sunday.

Mr. and Mrs. E. R. Sadler and Randy visited last Sunday with Mrs. Pearl Sadler in Dimmitt.

Mrs. Charlie Jones of Oton and Sus Jones and Jane Linder of Amarillo visited with Mr. and Mrs. Phillip Jones and family Friday night and Saturday.

Mr. and Mrs. W. M. Wolf from Below, N. M. visited last Sunday in the E. R. Sadler home.

Rev. Murie Rogers, Troy Blackburn, Weldon Bradley, and Alford Crisp attended the Quarterly WMU meeting at the Springlake Baptist Church Monday night.

Slightly voted in the General election Tuesday at Sunnyside. Kennedy carried the box heavily.

Mr. and Mrs. Charlie Hedrick and family were weekend in Turkey for Charlie's annual home-coming.

Mrs. J. Paul Waggoner attended the Eastern Star Banquet in Dimmitt Tuesday night.

The Intermediate G. A's attended a tea in the home of their counselor, Mrs. Troy Blackburn Tuesday night. Sandra Crisp, Wanda Jenkins, Brenda Townsend, Carolyn and Johnnie Ruth Holcomb and Janice were the G. A's who attended. Mrs. J. T. Holcomb, Mrs. Alford Crisp and Mrs. Murie Rogers also attended. Mrs. Rogers installed the officers.

Mr. and Mrs. Cecil Curtis visited in Petersburg Wednesday with relatives. Mrs. Lillian Curtis and Mrs. Quincy Gibson returned home with them and visited until Saturday.

Mrs. Murie Rogers and Mrs. Troy Blackburn attended the W.M.U. Board meeting in Aberrathy Thursday.

Brad Bridges of Earth spent Thursday and Thursday night with his grandparents, Mr. and Mrs. Howard Bridges. Mrs. John Bridges and Bruce also visited Friday.

Christi Byrd spent from Wednesday until Saturday with her grandparents Mr. and Mrs. Buck Moke.

Mr. and Mrs. Weldon Bradley and family and Mr. and Mrs. Tex Conard and family visited in Dimmitt Friday night with Mr. and

CHRISTMAS SEALS, THE GOVERNOR AND MARY ANNE—Christmas Seals have a special meaning to Mary Anne Copeland, 5, of Austin this year since Christmas Seals provide funds to fight tuberculosis—and tuberculosis is the special enemy which took her father away from her last Christmas. She and her father, E. B. Copeland, (left), visited Governor Price Daniel upon the occasion of his proclaiming the period November 14 to December 24 as "Christmas Seal Days in Texas". Mr. Copeland was a truck driver for the city of Austin before he became ill with tuberculosis. Released from a TB hospital in January, he is presently restrained by medical advice from working for more than two hours each day. He is very grateful, however, that he will be able to spend this Christmas with Mary Anne, her mother and two brothers. Governor Daniel recently appointed a statewide committee on tuberculosis to coordinate activities of all organizations concerned with the disease. Said Governor Daniel in his proclamation, "Texas has a vulnerable spot as far as tuberculosis is concerned. This State has not attained relative freedom from the disease as have a few of our sister states . . . Through Texans' purchase of Christmas Seals each year, funds have been provided to aid in research and to improve patient care . . . Therefore, I, as Governor of Texas, do hereby designate November 14 to December 24 as Christmas Seal Days . . . and urge all citizens to make a sound investment in their own and their fellow citizens' health by buying and using Christmas Seals during the holiday season".

Mrs. Roy Lilely and family.

Larry Don Phelon and Eddie Townsend played in the Springlake game between Farwell and Springlake at Springlake Friday night. They lost 42 to 6.

Don Curtis, Charles Axtell, Carolyn Cummings and Wanda and Richard Jenkins were among the Springlake students who marched in the Tech Band Day Program Saturday.

The Sunnyside Store had their Grand Opening Saturday with approximately 150 attending. Among those attending from outside the community included Mr. and Mrs. Alvin Heronema and family from Crane, Texas, Mr. and Mrs. Ercell Keeler of Hale Center, Mr. and Mrs. Joe Birkenfeld of Nazareth, Mrs. Myrtle Wright of Hereford, Cecil Dennis, Mr. and Mrs. G. B. Duncan, Bobby Duncan, Earl Harrison, Thomas Harrison, Mrs. Pearl Sadler, Mr. and Mrs. Elmer Dixon, Mrs. Willie Waggoner, Mrs. Faye Holland, Mrs. W. E. Kirkpatrick and Mrs. Maggie Boren of Dimmitt, Mrs. W. C. Wooden of Springlake, Mr. and Mrs. Buster Sadler and Sammy of Tulsa and Mr. and Mrs. M. H. Fowkes of Fort Isabel. Mrs. Archie Hall of Plainview had charge of a Cloverlake Demonstration. A representative from the Alexander Fruit and Produce Co., from Clovis had charge of the vegetable display. The Dr. Pepper Company sent out an urn of Hot Dr. Pepper.

One hundred and two attended Sunday School with 70 in Training Union Sunday. The Pastor offered his resignation after the morning service to become effective November 27th. He will become the Pastor of the First Baptist Church of Happy after that time.

The Young People and Intermediates had Fellowship in the home of Mr. and Mrs. L. B. Bowden after the evening service.

Mrs. Cleo Smith and children from Oton visited in the home of

Record Christmas Sales Predicted By Magazine

Retail stores are expecting a record two months in pre-Christmas sales, despite recent worrisome trends in other areas of business, according to Changing Times, the Kiplinger Magazine.

But, according to an article in the current issue of the magazine, this year's Christmas gifts probably will be paid for when bestowed, curbing the credit practices of the immediate past.

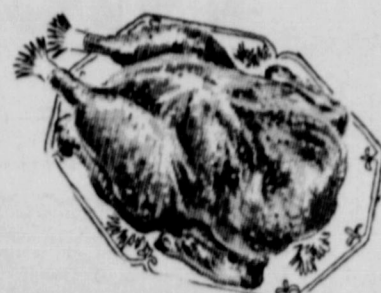

Surveying the outlook for Christmas sales, the magazine found stores around the country reporting stable prices, good quality and ample supplies—and that people have money to spend. What is needed to bring the business in, the editors conclude, is a strong dose of promotion, and that is what the merchants have in mind.

As a result, the magazine predicts there will be a rush of pre-Christmas promotions—prices slashed, great buys in gifts—designed to break down shoppers' caution which has been building up in recent months.

The best buys, according to the article, will be in appliances with prices down and values good. The stores will come up with other good buys, the editors note, but there won't be any bargains in sweaters, gloves, lingerie and other apparel items. Price levels are high on these and not likely to budge for the holiday buying spree.

The magazine notes that the cloudy business weather of recent months will make people leery of running up their indebtedness, and nonpayments are on the increase, causing merchants to be reluctant to give credit too freely. The result of both reactions, the editors state, will be a lot of Christmas presents paid for in cash.

Mrs. Nell Webb and Carmie were in Lubbock Saturday afternoon.

Phone with the built-in switchboard

Here's a phone designed to play a big role in business offices. Right in this single instrument are all the conveniences of a telephone switchboard. Six push buttons give you complete control over all incoming and outgoing calls. You can select any of five lines—talk on one while holding calls on others—"buzz" your secretary—or use the phone as an office intercom. Lights in the buttons tell you which lines are busy, which are free.

Our "phone with the built-in switchboard" is another example of how General Telephone works to make the telephone a more convenient and valuable instrument of communications for everyone. Call or visit our Business Office and learn how little it costs to have the "switchboard" service of a push-button phone.

Hostesses were Mesdames Jack Denham, Leon Smith, Jr., Glen Splan, H. L. Harner, Lee Mason, Frank Edwards, Lacy Hardage, J. B. Young, Jr., H. W. Carpenter, and J. M. Pruitt.

The West Plains Garden Club

LITTLE COLONEL By Bob McKinley

will be held in the home of Mrs. F. A. Grimsley Friday afternoon. The program will be on table decoration.

The H. D. Club achievement day that was to have been held Tuesday afternoon November 15th was postponed due to the death of Mr. Alton Pruitt. The new date has not been set as of this writing.

The Longhorns beat Happy 26 to 6 in their game here Friday night. They will play Groom Friday p.m. at 2:30 at Canyon. King Odie Bradshaw crowned football queen Patsy Marrow at half time. This was the Longhorns homecoming game.

Mr. and Mrs. Alton Morgan of Amherst visited Mr. and Mrs. Paul Templeton and children Sunday.

School Menu

Monday: Beef and noodles, English pea salad, glazed carrots, apricot cobbler white bread, milk.

Tuesday: Meat Loaf, pepi-hominy, chopped greens, jello fruit salad, gingerbread, hot rolls, milk.

Wednesday: Turkey and dressing, candied yams, green beans, cranberry sauce, strawberry chiffon pie, hot rolls, milk.

Boy Scout Round-Up Program Making Steady Progress

The 1960 Boy Scout Round-Up Program is making steady progress in the South Plains Council according to Dr. J. Davis Armstrong, Council Scout Commissioner.

If the present trend continues, the South Plains Council should reach an all time high in the number of boys recruited and served with the Scouting program in the Council.

The Scout Round-Up Program opened September 1 and will close December 15. Round-Up awards have been mailed to over 1,000 new boys and leaders and their recruiters since September 15th.

The boy membership goal for 1960 is 8,328 members by December 15th. The present (November 4, 1960) boy membership is 7,278 boys.

Ten new Packs, Troops, and Posts have been organized since Sept. 1, according to John Lowery, Council Organization and Extension Committee Chairman.

From all indications an additional fifteen to twenty new Scout Units will be organized in the 20-county area of the South Plains Council. Then too, the Explorer Specialty Post being organized before the end of 1960.

The Boy Scouts of America continues to be the largest volunteer program for boys in the world and since it was founded in 1910 there have been over 33 million boys and adults associated and served by this proven boys program.

Anyone desiring information about boys greeting into a Cub Pack (for boys ages 8, 9, 10) or a Boy Scout Troop (ages 11, 12, 13 and older) or an Explorer Post, young men who are 14 years of age and at least in the 9th grade in school, may contact the local headquarter office of the South Plains Council, 2109 Avenue X., Phone PO 2-5289.

Mrs. Dale Wendborn attended funeral services for Charlie Morgan at Wood Funeral Home in Plainview Tuesday, November 8, at 11 a.m.

Mr. Morgan is the father-in-law of the former Joyce (Toots) Wendborn of Earth.

Social Security Rep To Be In Earth Wednesday

The day when a person retires from the job and collects his final pay check or pay envelope can be a time of misgiving for aging worker. He is faced with the need for maintaining a regular income for himself and his household; social security retirement benefits may be the only source of that income.

How long will he have to wait until he receives his first monthly benefit check? The answer to that question is: how long did he wait before making his claim for retirement benefits?

One of the goals of the Social Security Administration is to start the payment of benefits as soon as possible. "To that end," says John G. Hutton, manager of the Lubbock Social Security Office, "we must have the cooperation of the worker who is about to retire." "Don't wait until that day," he says. "Come to the social security office ahead of time and tell us when you are to retire. Also give us your date of birth and social security account number." As an alternative, he suggests that persons who work for a firm that maintains a Personnel Office in form that office of their retirement plans. A Personnel Office

The EARTH NEWS-SUN, THURSDAY, NOVEMBER 17, 1960—Page 3

can furnish the social security office with needed information. The social security office should have this information about one to two months before the worker's retirement date. It will then immediately obtain a statement of the worker's earnings credited to his social security recordkeeping office in Baltimore. With this information in hand before the worker's retirement date, less time will be needed to complete his application for old-age benefit payments when he goes to the social security office shortly before or shortly after he retires. As a result his first monthly benefit check will reach him sooner.

For further information, contact your nearest social security office. A representative of the Lubbock Social Security Office will be in Earth on Wednesday, November 23 at 1:00 p.m. in the Citizens State Bank and will be glad to assist in all matters pertaining to social security.

the BIG CHANGE...

IS TO THE ELECTRIC RANGE!!!

- AUTOMATIC • CLEAN •
- ACCURATE •
- COOL • MODERN •
- LOW COST •
- DEPENDABLE •
- CONVENIENT •

People enjoy talking about their electric ranges — and they'll rattle off reasons for their pleasure at the drop of a hat — or a teacup.

So ask your neighbors who are cooking electrically — (they're all around you) — they'll tell you about one or more — and chances are it'll be more — of the advantages in the headline above.

Be modern — make the big change now!

Mary Roberson Serving On Staff At Naval Hospital

Ensign Mary J. Roberson is now serving on the staff at U. S. Naval Hospital in Portsmouth, Va.

Mary is in the Medical Service Corps in the U. S. Navy. She is the daughter of Mr. and Mrs. William R. Roberson, Springlake.

Ensign Roberson graduated from Texas Tech College, Lubbock before entering the Navy in October, 1959.

Wolverine Band Attends Tech Band Day Saturday

By Evelyn Meadows

Saturday, November 12, the Wolverine Band attended Tech Band Day at Lubbock. The band members dragged themselves out of their beds at an unearthy hour for a Saturday morning and arrived half asleep at the Band Hall at 8:00 a.m. They loaded their tired bodies onto the bus and made a quick trip, with Pat McCord at the wheel, to Jones Stadium. After a two-hour practice with the other sixteen area bands for the half-time show, they enjoyed a well earned meal at Underwood's. Then made a frantic change into their uniforms and went back to the stadium to see the Tech-Wyoming game. At the half, the huge area band formed the word "Tech" and then a double "T". Four numbers, "Hosts of Freedom," "Symbol of Honor," "The Matador Song," and Tech's "Fight Song," were played. We arrived home, tired but happy, at 6:00 p.m. and everyone agreed that it was an enjoyable day. Our sponsors were Mr. and Mrs. Pat McCord, Mrs. Raymond Rudd, and Mrs. Zeph Robnett, and Mr. and Mrs. W. F. Williamson.

Monday, November 14 the band members went to Seagraves where they participated in a marching contest. This was not an interscholastic contest. There the band received helpful criticism for improvement for the interscholastic contest.

Sponsors were Pat McCord and Mrs. Raymond Rudd. The band will participate in the regular interscholastic marching contest which will be held at Brownfield, Tuesday, November 22.

They will be in competition with fifteen other area bands.

Party Line.....

Norman Clayton, ACC student spent the weekend with his parents Mr. and Mrs. F. D. Clayton.

Mr. and Mrs. Jim Nix, Amherst were dinner guests last Thursday, of Mr. and Mrs. R. J. Brock.

Mrs. Zella Welch visited Sunday afternoon with Mr. and Mrs. Dwayne Ham, Muleshoe.

Mrs. Carra Morgan Hostess To Town And Country Club

The Town and Country Study Club met Thursday, November 10 in the home of Mrs. Carra Morgan, with Mrs. Morgan as hostess.

The study was on "Education Through Wellbeing."

A program was presented by Mrs. B. T. Hamilton and Mrs. H. S. Sanders.

Mrs. Hamilton's topic was "Mental Wellbeing" and Mrs. Sanders spoke on "Prayer of Wellbeing."

Refreshments of chicken salad sandwiches, crown salad and coffee were served.

The serving table laid with a white linen cloth was centered with an arrangement of pink and white flowers.

Those present were Mesdames: L. Z. Anglin, B. Campbell, Sam Cearley, Lena Hite, J. L. Hinson, H. P. Hodge, N. Ray Kelley, Carra Morgan, H. S. Sanders, James Winders, and B. T. Hamilton.

The next meeting will be December 8 at the home of Mrs. M. H. Been, at which time a Christmas Program will be presented.

Earth O. E. S. Chapter Observes Birthday

At a meeting Monday night in the Masonic Hall, Earth Chapter of Eastern Star observed its 17th birthday.

Also the Charter members and Past Matrons and Past Patrons were honored.

The hall was decorated with seasonal flowers.

Worthy Matron, Mrs. LaJuana O'Hair gave a most interesting report of her trip to Grand Chapter.

A beautiful and inspiring program was arranged by Mrs. Mildred Armstrong. Mrs. Beth Kelley read a poem and paid tribute by presenting a large white star with silver stars in the center representing each honored guest.

The star was passed each Star Point pinned on an appointment of color appropriate to her station.

The lights were turned out and by candle light the Chapter sang Happy Birthday while a beautiful lighted musical cake revolved to the tune of Happy Birthday.

Cake and coffee was served by Mrs. Zada Anglin and Mrs. Ann Hodge.

Friendship Class Holds Luncheon

The Friendship class of the Earth Methodist Church held their monthly 1:00 o'clock luncheon Tuesday, November 8, in the home of Mrs. Floyd Burgess.

Following the luncheon games of 42 was enjoyed by Mesdames H. M. Secord, Clyde Goodwin, John Welch, J. L. Hinson, Sam Cearley, H. S. Sanders, Milt Ott, Ida Allen, Clarence Hamilton, W. C. White, Crill Bulls, Ray Axtell, L. Z. Anglin and the host.

Mr. and Mrs. John Blackwell, Plainview, visited Sunday afternoon with his parents Mr. and Mrs. Carroll Blackwell.

Women's Page

NOTICE

The Springlake P.T.A. meeting will be held tonight, (Thursday) at 7:30 p.m. in the High School auditorium.

N. F. Cleavinger, Dimmitt, will show film and speak on their trip overseas.

The public is cordially invited to attend.

J. Lynn Stockstill Honored On 12th Birthday Sunday

Jimmy Lynn Stockstill, son of Mrs. Alma Stockstill, was honored on his 12th birthday, with a party in his home Sunday afternoon.

Birthday cake and pink lemonade were served.

The birthday cake, iced in white, and decorated with yellow roses and autumn leaves of brown and green, bore the inscription "Happy Birthday Jimmy."

Twelve candles were also arranged on the cake and twelve guests present, each lighted one candle.

Those present were Pansy Bean, Debbie Barton, Beverly Prather, Calvia, Darlene and Linda Hammons, Hereford; Lonnie Whitford, Tommy Barlow, Danny Haberer, Bobby Glascock, Arthur Ray Haberer and the honoree.

Wolverine Band Host At Party

Members of the Farwell Band were guests of the Wolverine Band at a Coke party in the band hall following the football game Friday night between Farwell and Springlake.

Members of the stage band under the direction of band director Norman Hemphill presented three numbers. The "Mickey Mouse Song," "Embraceable You" and "Night Train."

The Stage Band includes Janette Ray, Glenda Williamson, Ralph Wisian, Camilla Wheatley, Patti Mann, Dixie Phillips, Vicki Coker, Steve Holt, Raymond Jenkins, Janice Cowley, Jane McCord, Cheryl Foster, Jimmy Stone, Freddy Kelley and Pruda Kay Sanders.

Dale's Beauty Salon Open For Business

Dale's Beauty Salon, owned and operated by Dale Wendborn, is now open for business.

The new beauty shop is located at Dale's home, two blocks north of Gatewood Ford Sales.

Dale graduated from Isbell's Beauty School in Lubbock and received her diploma and degree in August. She took her State board test and received her State Board License in September.

Prior to opening her own shop Dale was employed at Littlefield Beauty Salon.

Formal opening date will be announced later.

Party Line.....

Mr. and Mrs. Gus Parish visited Sunday afternoon with Mr. and Mrs. J. T. Gibson, Springlake.

Cathy Lee and Hoyt Glascock were Sunday dinner guests of DeAnne and Chris Brock.

Mr. and Mrs. Posey Cunningham, Dimmitt, visited Sunday afternoon with Mr. and Mrs. R. E. Barton.

Mrs. Iris Montgomery and Mickey of Truth or Consequences, N. M. and Mrs. Mildred Woolley of Hobbs, N. M. spent the weekend with Mr. and Mrs. Wayne Rutherford.

Rev. and Mrs. H. M. Secord attended the Methodist Home Commissioners meeting, of which Rev. Secord is a member, last Thursday and Friday in Waco.

Mr. and Mrs. Bill McBride and children, Big Lake, visited Sunday afternoon, with Mrs. Minnie Pate.

Mrs. Sarah Clark returned home Sunday morning from a four weeks visit with relatives in Amarillo.

Sunday dinner guests in the F. D. Clayton home were Mrs. John Garrett and children, Muleshoe, Mrs. M. E. Clayton, Mr. and Mrs. L. D. Henderson and children.

Melvin Lewis, ACC, spent the weekend with his parents Mr. and Mrs. Virgil Lewis.

Mrs. Gene Brown, Kathie and Dickie spent Friday night with Mr. and Mrs. H. A. Caraway Jr., Lubbock.

HELLO WORLD!

Mr. and Mrs. Dwayne Ham, Muleshoe, announce the arrival of a daughter, Gwendolyn Sue on November 7 at 2:30 a.m. in West Plains Hospital.

The baby weighed 7 lbs. 14 oz. This is the couple's first child. The father is an electrician for R.E.A.

Grandparents are Mr. and Mrs. I. V. Shaddick, Bledsoe and Mr. and Mrs. Ham, East Texas. Great grandmother is Mrs. Zella Welch, Earth.

Runyon Home Scene Of Altrui Junior Study Club Meeting

The Altrui Junior Study Club met Thursday, November 10, in the home of Mrs. Donald Runyon, with Mrs. Clinton Green as co-hostess.

One new member, Mrs. Charles Crable was voted into the club.

The program was on "Learning to Serve on a Jury."

Coffee, cake and mints were served from a table laid with a lace cloth centered with a dried fall arrangement.

Members present were Mesdames, Bob Belew, Lynn Glascock, George Laing, Eugene Lee, Carroll McDonald, Roney Smith, Larry Price, Donald Runyon and Clinton Green.

One visitor, Mrs. Billie Robnett was present.

Mrs. Elvis Hestand and Randy, Mrs. Sidney Foster and Kim, Fortales, N. M. spent Sunday with Mr. and Mrs. B. J. Brockett.

Grandmother Of Local Resident Dies At Amherst

Mrs. Amy Bench, 86, Amherst, died at 8:20 a.m. Saturday in the Amherst Hospital after a lengthy illness.

Mrs. Bench, grandmother of Mrs. A. E. Patterson, was one of Amherst's pioneer settlers.

Her husband, G. A. Bench, preceded her in death twelve years ago.

Funeral services for Mrs. Bench were conducted at 3 p.m. Sunday afternoon at the Church of Christ in Amherst, with Leroy Cowan, Minister of the Church officiating. He was assisted by John Rankin, pastor of Amherst Baptist Church.

Burial was in Amherst Cemetery under direction of Payne Funeral Home, Amherst.

Her grandsons served as pall bearers.

Survivors include three daughters, Mrs. Ethel Kisinger, Graham; Mrs. Ollie Onstead, Littlefield; Mrs. Vera Richards, Plainview; four sons, J. D. Amherst; Ray, Houston; Floyd, Seymour; G. E. Plainview; 19 grandchildren and 20 great-grandchildren.

Other survivors include three brothers, Charlie Neal, Wilcox, Ariz.; Aubrey Neal and Ed Neal, both of Washington, D. C.; and one sister, Mrs. Bela Deal, Caldwell, Idaho.

Funeral Services For C. T. Bradford Field Monday

Funeral services for Dr. C. T. Bradford, 78, Amarillo, were conducted at 2 p.m. Monday in the Earth Methodist Church with the pastor Rev. H. M. Secord officiating.

Pall-bearers were Zeph Robnett, L. Z. Anglin, Herb Wendborn, Crill Bulls, Floyd Burgess and Alvin Kelley.

Burial was in the Springlake Cemetery under the direction of Lemons Funeral Home, Plainview.

Dr. Bradford died at 8:30 p.m. Saturday at his home in Amarillo, after having suffered several strokes recently. He had been in ill health for about two years. He was a graduate of the University of Tennessee and the University Medical School.

Dr. Bradford practiced medicine Mrs. M. H. Brinkerhoff and son, Jimmy, Denver, Colo., are visiting her parents, Mr. and Mrs. L. D. Winders.

Football Squad Served Meal

Members of the Wolverine Football squad and their coaches enjoyed a delicious steak supper at 3 p.m. Friday, November 11, in the school cafeteria.

The menu consisted of broiled steaks, baked potatoes, English peas, tossed salad, fruit salad, ice tea and toast.

Food was prepared and served by Mrs. Fred Clayton, Mrs. David Johnson, Mrs. Marvin Sanders, Mrs. J. E. Shirey, Mrs. Jack Hadaway and Mrs. Raymond Rudd.

The football squad and coaches have been served supper at 3 p.m. on Friday by mothers of the boys throughout the football season. The purpose for this was for the boys to have a well balanced meal to give them good playing strength by playing time at 8 p.m.

Party Line...

Mr. and Mrs. G. E. Thommarson were in Lubbock Tuesday for a medical check-up.

Mrs. Lucy Stafford, Erick, Okla., and Mrs. Dess Stafford, Muleshoe, visited Sunday afternoon with Mr. and Mrs. R. D. Usery.

Mrs. Lucille Price and Mrs. Lena Hite spent the weekend in Amarillo with Mr. and Mrs. Guy Byrd.

Lucille also attended a beautician show.

Mrs. Jean Stephens and Stevie, Lubbock, spent the weekend with her parents Mr. and Mrs. L. D. Winders.

For more than 55 years, having practiced in Fort Worth, Gough, Klondike, Commerce, Amarillo and Burkburnett. He was the first Doctor to practice medicine in Earth, coming here from Commerce in 1928 and was Earth's practicing physician fourteen years.

Due to ill health he retired in 1958.

Dr. Bradford was an only child, whose father was also a Doctor.

Survivors are his wife, Bessie and one daughter, Mrs. Dennis Stubbs, Amarillo.

AMONG THOSE WHO ARE ILL!

Eddie Mitchell, son of Mr. and Mrs. R. J. Mitchell is suffering from a throat infection.

Mary Nell, daughter of Mr. and Mrs. Earl Walker, is ill at her home. She is reported to be bordering on pneumonia.

Mrs. C. F. Wages underwent major surgery at Medical Arts Hospital and Clinic, Littlefield Saturday.

She is reported to be doing nicely.

Mrs. T. T. Nichols has been in Methodist Hospital, Lubbock for the past three weeks.

Mrs. Nichols has undergone major surgery twice during that time.

She is reported to be slowly improving.

James Lee, five weeks old, son of Mr. and Mrs. James Herriage was dismissed Sunday from West Texas Hospital, Lubbock, where he had been a medical patient since last Thursday.

Party Line...

Mrs. J. B. Martin, Tony and Sabrina, Amarillo, visited from Friday until Sunday with Mr. and Mrs. R. S. Cole.

Mrs. W. H. Parish and Mrs. Edna Worley visited from Thursday until Tuesday with their sister, Mrs. Nola Carter, Vernon.

Weekend guests in the Bruce Higgins home were Mr. and Mrs. Eugene Higgins and children, Las Cruces, N. M. and Mr. and Mrs. Doug Higgins, McCamey.

The Doug Higgins, McCamey, Mr. and Mrs. Furchie Riley, Springlake.

Mrs. Jane Beavers returned Tuesday from a visit with relatives in Vernon and in Wellington, Kansas.

She visited her sister Mr. and Mrs. Linton Sullivan in Vernon and was accompanied by the Sullivans to Wellington, Kansas for a visit with Mr. and Mrs. W. W. Laseter.

Annual Football Banquet To Be Held Saturday Nite

The annual football banquet of Springlake High School will be held Saturday night, November 19, in the school cafeteria at 7:30 p.m., sponsored by the pep squad. Gene Gibson, assistant basketball coach of Texas Tech will be the speaker and entertainment will be furnished by local students. Members of the football squad, pep squad, coaches and the Wolverine High School band students will attend.

Baptist Youth Associational Meet Tonight In Farwell

The Baptist Youth Associational meeting will be held tonight (Thursday) at 8 p.m. at the First Baptist Church in Farwell. There will be a panel discussion on the subject "To Court or Not to Court." Expert panelists, B. H. Baldwin, Counselor for Hereford High School and pastor of Frio Baptist Church; Douglas Clark, sociology professor at Wayland College, Plainview, who teaches a course in Courtship and Marriage; and Dr. A. T. Mins, medical Doctor at Hereford, an outstanding church leader and youth speaker, will participate in the discussion.

CARD OF THANKS

We wish to express our deep appreciation to friends for the kindness shown us during the illness and passing of our loved one. May God richly bless each of you in our prayer. The family of Mrs. S. E. Hite

Annual Thanksgiving Dinner And Program At L. C. C.

The Lubbock Christian College will hold its annual Thanksgiving Dinner and Musical Program on Tuesday evening, November 22, on the College Campus. Several hundred persons are expected to attend the event, which in the past has proved to be one of the most popular occasions on the campus. The dinner, which will include turkey with all the trimmings, will be served in the college cafeteria from 5:00 to 7:00 p.m. A charge of \$1.00 per person will be made. Following the dinner, the LCC "Royal Blue" band, under the direction of Joe Lee, and the Community Chorus, under the direction of Wayne Hines, will present a musical program. Dr. F. W. Mattox, President of Lubbock Christian College, will speak at the program. Several area people are expected to attend the dinner and program.

Leon Foster Dismissed From Hospital Saturday

Leon Foster was dismissed from Littlefield Hospital and Clinic Saturday, and is reported to be doing fine. Foster, an employee of Southwestern Public Service Company was involved in an accident on October 15, while working at Plant X. Mrs. Kanytha Avery and children, James and Tammy, Alameda, California are new residents of Earth. Mrs. Avery, daughter of Mrs. Alvin Kelley, is living in the Montgomery house on North east second street.

Edward Wuerflein Ordained Deacon In Baptist Church

Edward Wuerflein, 22 year old son of Mrs. Lillie Wuerflein, was ordained as deacon in the Earth First Baptist Church, November 9, in the Auditorium of the Church. Edward gave his experience in salvation. J. J. Davis gave the charge of deacon to the candidate. Dr. Franklin Swanner, Plainview, district secretary of Missions for district nine delivered the Ordination sermon. Edward led the closing prayer.

Football Season Closed Friday For Wolverines

The final football game played with Farwell, Friday night, November 11, brought to a close the 1960 football season for the Springlake Wolverines. The football boys had a lot of hard luck this year but they really worked hard, along with the coaches and all fought hard to the very end. There were nine seniors on the team this year, who will be missed by all next year. Senior players were Larry Tunnell, Ronnie Johnson, Bill Starkey, Carl Sanderson, Dale Montgomery, Sandy Sanders, Raymond Jenkins, Bob Lawrence and Mike Stockard. Scores in Friday night game were Springlake 6-Farwell 42.

Band Boosters Work In Stand

The Springlake Band Booster Organization was in charge of the concession stand for the last football game of the season Friday night when the Springlake Wolverines met Farwell at Wolverine Stadium. Those working in the stand Friday night were Mr. and Mrs. Marvin Sanders, Mr. and Mrs. W. F. Williamson, Mr. and Mrs. Pat McCord, Mrs. Clarence Kelley, Shorty Barlow, Oscar Scheller, Lester Kelley and Emert Rose. The Band Boosters express their sincere appreciation to each and everyone that worked in the concession stand at the home football games and especially to those that donated homemade cakes, pies, cookies and brownies to the concession stand. Also to the School Board Members for letting the Band Boosters have the stand again this football season in order that the organization might raise funds for the many needs of the growing bands of Springlake Schools.

Party Line.....

Mrs. F. F. Bozeman, Springlake, Mrs. Lewis Faver and girls visited Saturday, in Brownfield with Mr. and Mrs. Wylie Bridges and Mr. and Mrs. Kelley Sears. —PL— Mr. and Mrs. J. W. Estep, Hereford, Mr. and Mrs. Lewis Faver and girls visited Sunday night after church services with Mr. and Mrs. F. F. Bozeman, Springlake.

Final Supper For Football Boys Held Friday After Game

Approximately forty people attended the final supper for the Springlake Wolverines for this season held Friday night at the Earth Community Building. The boys played their last game of the season with Farwell, November 11. The menu consisted of sandwiches, potatoe chips, pickles, celery, carrots, cookies, coffee and iced tea. Parents of the football boys, assisted by some of the Band parents, made a practice of serving the boys after each home game this season. We, the parents, wish to express to the boys our pleasure in having had a part in their entertainment, and have thoroughly enjoyed associating with them.

Earth Baptist Mexican Mission Growing Steadily

The Mexican Mission of the Earth First Baptist Church is reported to be steadily growing in membership. The mission, which began about a month ago, is located two blocks south of the Texaco Station in Earth. Sunday School, morning and evening worship services are held each Sunday and also a training program is being conducted each Sunday. Rev. Joe Garcia, pastor of Springlake Mexican Mission and Mr. Ramon Delgado have been dividing their time in conducting the services. The public is cordially invited to attend these services and all Spanish people are urged to be present for all the services.

Census Bureau To Conduct Sample Farm Survey

The 1960 Sample Survey of Agriculture will be conducted in Lamb county during the next several weeks, it was announced by the Bureau of Census, U. S. Department of Commerce. The 1960 Sample Survey of Agriculture will collect information on ownership and size of farms, acreage and harvest of crops, and livestock production and inventories. Information will be collected also on farm equipment, farm income, construction of new farm buildings, farm contracts, and farm operator debts. This survey will supplement information collected in the 1959 Census of Agriculture. Farms in the county which will be covered in the 1960 Sample Survey of Agriculture were selected at random under the Census Bureau's scientific sampling program to provide a representative cross-section of all farms in the country. Information collected locally will be combined with that collected in other areas of the country to provide national estimates. Local interviews for the 1960 Sample Survey of Agriculture will be conducted by Louise B. McDaniel.

Several Band Members Become Ill Enroute Home

Several members of the Wolverine Band became suddenly ill on the school bus enroute home from Seagraves Monday night. The band students had performed at a pre-contest show in Seagraves at 6:30 p.m. and were on their way home when they became ill between Brownfield and Levelland. The students first complained of abdomen pains, headaches and nausea. They were taken to the Levelland Clinic-Hospital for emergency treatment. All were treated and released to return to their homes but three remained overnight in the hospital Vicki Prather, Carolyn Kelley and Ronnie Williamson. It has not been determined as to the cause of the sudden illness. With the help of Pat McCord, Mrs. Raymond Rudd and older bandmen all the students that were sick received attention and what might have been serious because of panic among the younger band members turned out all right and most of the students that were sick were back in school Tuesday.

Methodist Men Elect Officers

The men of the Earth Methodist Church met recently at the church and elected officers for the coming year. Officers elected were President, Bob Belew, Vice-President, M. H. (Dutch) Been, Secretary-Treasurer, Orville Cleavinger, Program Chairman, C. E. Fox, Project Chairman, W. O. Jones, Recreation Chairman, Lynn Glasscock. The group voted to meet the first Tuesday of each month. The next meeting will be December 6.

BERRY PICKINGS

Misunderstanding is the root to most all of our difficulties in the world today. World peace can only be accomplished thru trust and understanding of people of all race, creed, and color. This can not be a onesided affair but the efforts of many.

Our school grows thru understanding, trust and work of the efforts of all people toward a common goal. That goal should be only that we have the best. People talking without taking the time and effort to find out the truth sometimes cause the destruction of that greatness.

Education takes place when there is mutual respect and understanding between student and teacher, teacher and parent, and parent and child. This is the way of life most of us believe in and desire for our children. This is what makes our schools and America great the desire for understanding and trust.

ARROWHEAD BOOK CLUB ORGANIZED

Mrs. Lott's 6th grade English class organized Monday, November 7, 1960, the Arrowhead Book Club. Some of the books are entitled, *National Velvet*; *Down the Big River*; *Heidi*; *Toby Tyler*; *Cowdog*; *Pippi Goes on Board*; *Boy on the Mayflower*; *Blue Willow*; *Dennis*; *The Menace* — Teachers Threat; *Adventures at Black Rock Cave*; *The Trolley Car Family*; *Mystery of The Haunted Hut*. They were written by various authors.

National Book Week is from November 13th to 19th this year.

THE FIFTH GRADE SPEAKS

On November 4, 1960, Mrs. Morris' room completed work on dried arrangements. These arrangements were made in Art class. The students were graded on their work and immediately made plans for making Christmas arrangements.

Many of the students arrangements were used as decorations for the faculty supper on Monday night.

ART CLASS NEWS

By Rickey Swisa
In Art we made some dried arrangements. Don gave his to Mrs. Sanderson. It was made of some grain, leaves, and some weeds. Some of the leaves were sprayed silver and gold. When the Art students were finished with the arrangements, Mrs. Morris took some of the best ones to High School to be used to decorate for a meeting.

P. T. A. INVITATION

Lonnie Dear
We, the students of Springlake Junior High would like to invite you to the P.T.A. Meeting at the School Auditorium, at 7:30 p.m. Thursday, November 17, 1960.

SPRINGLAKE SEVENTH GRADE BEGINS BASKETBALL

Wednesday, approximately twenty boys of the seventh grade reported for basketball practice under the supervision of Coach Jodie Mahan. The boys will have their first game Monday, November 4, at six in the evening. The game will be played with Muleshoe at the Springlake High School Gymnasium.
The boys have high hopes of having a winning team this season, so let's all come out and see the game.

PAPER STAFF VISITS EARTH NEWS-SUN

By Alice Jaquess
The Springlake Junior High newspaper staff toured the "Earth News-Sun" Friday, November 4, 1960.
Mr. Ross Middleton was our guide. There weren't many questions at first, because we didn't know what to ask. But as Mr. Middleton told us more about the newspaper business, questions were popping from everyone. (Mr. Middleton had quite a hard time after we got started.)
Among the many things that Mr. Middleton showed and explained to us were the Linotype machine, which works kind of like a typewriter, but it types the letters on metal instead of paper; the Printing Press which prints the news on paper; and the machine that folds the paper.
Some of us don't realize how much work there is to do to become a good newspaper man or woman. Mr. and Mrs. Middleton are truly this.

The Springlake Jr High paper staff would like to take this opportunity to thank Mr. and Mrs. Middleton for taking their time to show us how a newspaper is published, for we thoroughly enjoyed it.
In addition to the theory, we have learned Patriotic Songs, Folk Songs, and we are now learning two Thanksgiving songs entitled, "Come, Ye Thankful People, Come," and "Prayer of Thanksgiving."
Soon we will begin work on Christmas music and two-part singing.
All of the students are very interested and co-operative. We hope to have a pitch-pipe and record player very soon since we need them to do with music what we should.

RADAR 'EYES' KEEP WATCH IN ARCTIC

By Elizabeth Goode
This station is called a BMEWS station (for Ballistic Missile Early Warning System). Its purpose is to warn the United States and Canada of a missile attack from the Soviet Union. The radar guard would give us and our defense forces a 15-to-21 minute warning of a missile attack.
A staff of 700 men keeps the radar running around the clock every day of the week. The radar is linked by telephone and radio to our defense headquarters at Colorado Springs, Colorado.

A new kind of fort has just been finished in the Arctic. It is far different from the log stockades that protected early settlements in our country. The new fort is a radar "curtain" at Thule (too'le), Greenland, hundreds of miles from U. S. borders.
This curtain of radar is made up of radar beams that fan out to a distance of 3,000 miles. The radar will be used to watch for missiles.

FIFTH GRADE BAND NEWS

By Debbie Watson
In our Cub Band we have been trying to think of ways to keep our Band Hall clean, and how to make our band a better one.
If any of you would like to join our band, we would be glad to have you. If you can help our band we would like to have you as a band member and Mr. Hemp-hill would like to have people like you. We asked two boys to leave our band if they wouldn't cooperate.

FUN! FUN!

By Peggy Kelley
The seventh-grade classes had a skating party, Tuesday, November 8th at the Plainview Roller Rink. Approximately fifty-two pupils were present. We left Earth at approximately 4:15 and were at Plainview by 5:30. We skated for two hours, then we ate supper at the O. K. Cafe in Plainview.
We appreciate the sponsors for going with us. They are, Mrs. Lott, Mrs. Boone, Mrs. Glasscock, and Mr. Berry. It was a very nice party, and we all enjoyed it very much.

SCOUTS ARE GUESTS OF LIONS CLUB

Den I and II of the Cub Scouts ate dinner with the Lions last Wednesday at the Community Building. There were about thirty scouts present along with Den mothers and fathers. The Scouts enjoyed singing with the Lions, but they especially enjoyed eating with them.
The Cub Scouts gave a program on "Fire Prevention" under the direction of Mrs. J. A. Littleton and Mrs. Melvin Beck.
C. L. Berry and Cecil Slover also attended the meeting.

WHAT A MOTHER!

By Jimmy Lawrence
A baby sardine saw a submarine for the first time. Its mother said, "Don't worry, it's only a can of people."
The entire fifth-grade has begun to sell Christmas Cards.
The prices are approximately one dollar. The cards are very beautiful and have many designs on them.

BASKETBALL SEASON OPENS

Basketball season opens for the Springlake eighth grade girls on November twenty-first. The girls play Farwell in the Springlake High School gym at 5:30 o'clock. The girls have been working hard and they are trying to go undefeated all this coming year. The players are: Beth Dent, Donna Watson, Beverly Kelley, Brenda Townsend, Marilyn Coker, Peggy Upchurch, Pruda Kay Sanders, Aline Powell, Linda Usery, Joan Sanderson, Karen Barton, Pam Beasley, Janis Layman, Sandra Crisp, Oketa Follis, Alice Jaquess, Connie Glasscock, and manager is Sherilyn Sursa.
The public is urged to attend this basketball game and the other games that follow.
There was an inservice training meeting following the supper.

TEACHER IN REVIEW

Our teacher for the week was born in Pierce City, Missouri. She moved to Weatherford, Oklahoma when she was a freshman in High School. She started her college work at Southwestern State Teachers College in Weatherford, Oklahoma. She transferred her college work to West Texas College in Canyon, Texas. She received her B. S. degree and Masters degree from West Texas.
She and her family moved to the Springlake campus twenty years ago. She started teaching the fourth grade and taught two years. Following this she taught social studies, reading and spelling in the seventh and eighth grade. She later moved into the Math field where she still teaches. She and her husband have two children, Mrs. Russell Haberer of this community and Grady Davis of Strawberry Point, Mill Valley, California.
Our teacher is Mrs. J. J. Davis.

5-C NEWS

By Melodie Brock
The entire fifth-grade has begun to sell Christmas Cards.
The prices are approximately one dollar. The cards are very beautiful and have many designs on them.

In Thee, O Lord, do I put my trust: let me never be put to confusion.—(Psalm 71:1)

Those who put their trust in God, completely and without reservation—who say "Thy will, not mine, be done" in wondrous faith, shall evermore be calm and strong, free from doubt and confusion.

MUSIC NEWS FROM THE FIFTH GRADE

In theory, the fifth-grade music students have learned the different notes, how much count each one receives, what key-signature means, and how to sing the musical scale.
In addition to the theory, we have learned Patriotic Songs, Folk Songs, and we are now learning two Thanksgiving songs entitled, "Come, Ye Thankful People, Come," and "Prayer of Thanksgiving."
Soon we will begin work on Christmas music and two-part singing.
All of the students are very interested and co-operative. We hope to have a pitch-pipe and record player very soon since we need them to do with music what we should.

GEOGRAPHY IN MRS. SANDERSON'S ROOM

By Gary Kelley
This week, in geography, Mrs. Sanderson's room has been studying about steamboats. We found that Robert Fulton invented the first steamboat—the Clermont. Fulton sailed the steamboat in 1807.
The last hour of 8-B is Science. It is taught by the homeroom teacher, Mrs. LaVerne Sarradet. For the present 8-B is learning about oil and coal. They learn the formation, locality, and importance of these minerals. 8-B has just finished a study on "Using the Earth's Resources." Everyone agrees that the eighth grade study of science will be better this year than it has been in the past.
Next week is six weeks, and 8-B will certainly be busy studying for six weeks' tests. We all hope that we can make it!

JUNIOR HIGH FACULTY MEETING

Mr. C. L. Berry presided at the Springlake Junior High School faculty meeting, Monday, November 7, 1960. It was decided not to have regular assembly programs but provisions would be made for special programs during the year.
Immediately following the meeting the Jr. Hi. teachers joined the teachers of high school and elementary school for a salad supper in the high school home-making department.

LETTER WRITING PROJECT

Last week the students of the sixth, seventh, and eighth grades wrote letters of thanks to the three companies that sponsor the free book order program in our school.
The sixth grade wrote to the Baldrige Bakery Company, the seventh grade wrote to the Bailey County Electric Cooperative Association, and the eighth grade wrote to the Phillips Petroleum Company.
These companies spend a large sum of money to provide the students of Springlake with book covers. We appreciate it very much.

STUDENT IN REVIEW

Our student of the week comes from the eighth grade. She is in room 8-B and has attended Spring-lake School for eight years. She is in the pep squad, sports reporter for eighth grade paper staff, plays forward in basketball, and she is a librarian. She was on the B-honor roll for the first six weeks. These are some things teachers report about her.
"She contributes a great deal to greatly increased scholastic interest and understanding. She always has a deep consideration of all people-students and teachers."
"She has shown the greatest degree of cooperation and willingness to try the difficult task."
"She contributes a great deal to school classes and basketball games. I am very proud of her and her works."
She is thirteen years old and her parents are Mr. and Mrs. Lester Kelley. She lives four miles north and one and a half East of Springlake. The girl student of the week is Beverly Kelley.

MONEY TALK

By Linda Usery
The eighth-grade classes of Springlake Junior High are making and selling beautiful corsages. These corsages are primarily for Christmas. They are of different shape, sizes, and colors. The money made from them will go into our class fund for the eighth-grade banquet and graduation. We have been working very hard for this money.
We would like to thank Mr. Cecil Slover and Mrs. LaVerne Sarradet for their help and assistance.

MA'S TWENTY-FOUR

By Peggy Upchurch

Our section in review this week is 8-B. It is the home-room class of Mrs. LaVerne Sarradet. 8-B can be proud of the fact that among its members are all of the eighth grade class officers: Danny Byers, President, Beth Dent, Vice-President, Donna Watson, Reporter, and Peggy Upchurch, Secretary.
Each morning 8-B reports to its home room, where the students get their books for the first three hours of school.
The first hour from 9:05 to 10:00 8-B has American History taught by C. E. Fox. The students are now studying early government along with our first presidents and their administrations. Last week 8-B reviewed the political issues in the Presidential campaign and held an election with in the room. Six weeks tests are coming up so the students of 8-B will be pretty busy studying for the test in American History.
From 10:05 to 11:00 8-B girls have Math taught by J. J. Davis while 8-B boys have P. E. taught by Coach Davis, Mahan, and Smith. In math class both boys and girls are studying installment buying. After they take tests over it, and Mr. Davis feels they are ready they will go into something else. In boys P. E. the Coaches are training the boys in basketball. They are teaching the fundamentals of basketball, and they are getting the boys in shape. The girls are continuing to learn and practice basketball. Both boys and girls hope to have a good team this year.
For fourth hour 8-B has Language Arts. Mr. Cecil Slover is the teacher of that class. A unit on "America's Yesterday" has just been finished in the reader. The class is doing research on subjects of importance in American History. One day has been set aside for the students to teach and discuss their material. Soon the class will write papers on "How We Can Be Better Americans." Our study of America will soon be ended, and we shall go back to English.

Baptist G. A.'s Hold Regular Weekly Meeting Wednesday

Mr. and Mrs. Verlon Gilmore and children, Las Cruces, N. M. spent the weekend with his parents Mr. and Mrs. H. J. Gilmore. —PL—
Mrs. James Dempsey and Judy Kay, Lubbock, spent Monday and Tuesday with Mr. and Mrs. Gerald Ingalls. —PL—
Mr. and Mrs. Eugene Foster and Mary, Altus, Okla., spent Sunday with his brother Mr. and Mrs. Leon Foster. —PL—
College students visiting with their parents, over the weekend were, Susann Davis, Linda Rose and Sharon Wheatley, students at West Texas State College, Canyon. —PL—
Also Linda Watkins, who is attending Draughns Business College, Lubbock. —PL—
their sponsor Mrs. Ann Kelley Refreshments of candy and pop corn were served by Mrs. Earl Walker.

How to turn a \$500 raise into a \$1,000 bonus

pretty smart idea to save a raise because it's money you didn't have before and shouldn't miss.

Other advantages of U.S. Savings Bonds

- You can save automatically with the Payroll Savings Plan.
- You now get 3 1/4% interest to maturity (Now every Savings Bond you own — old or new — earns 3 1/4% more than ever before).
- You invest without risk under a U.S. Government guarantee. Your money can't be lost or stolen.
- You can get your money, with interest, any time you want it.
- You save more than money — you're helping your Government pay for peace.

Wishing won't turn a \$5 a week raise into a \$1,000 bonus, but it's easy to do. If you take that \$5 raise and put it into U.S. Savings Bonds you can buy an \$18.75 Bond a month and have money left over. If you keep buying one of these Bonds a month for 40 months you'll have your big bonus — Bonds worth \$1,000 at maturity. It's a

It's the Law in TEXAS

At this time of year, many landlords and tenants are thinking about rental arrangements for 1960. While some operate from year to year on the basis of verbal agreements regulated largely by local customs, written leases are better and may save disagreement and hard feelings between the parties.

Farming is a business and should be conducted in a business-like manner for best success. Rental contracts involve a full year's work by the tenant and possible thousands of dollars for both parties. A few dollars spent on a properly drawn lease is good business economy.

like manner for best success. Rental contracts involve a full year's work by the tenant and possible thousands of dollars for both parties. A few dollars spent on a properly drawn lease is good business economy.

A farm lease is not a simple paper. Printed lease forms often turn out to be traps if not understood, or if not properly executed. A farmer-tenant contract is intricate and of such importance to both parties concerned that amateur draftsmanship is risky.

Fixing of cash rent or designating the length of term are relatively simple. Yet, even in these matters, ambiguity or incompleteness can cause bitter disputes and expensive lawsuits.

A loosely drawn property description may have consequences entirely unintended by either landlord or tenant. Where rent is to be based on acreage, an accurate description is doubly important.

ATTENTION JOHN DEERE TRACTOR OWNERS:

Why pay more for an old-fashioned cotton stripper? This year John Deere users can own a modern and proven cotton stripper. We now have on display a McCormick No. 21 Cotton Stripper mounted on a John Deere tractor. With this machine you can leave your grease gun at the house because there are no places to grease. Old-fashioned chains sprockets, gearboxes, and kickers have been eliminated cutting maintenance cost and down time to almost nothing. Pay less and no longer be penalized from owning the best cotton stripper. Come in today.

In addition, there are legal rules to substitute for some omissions in written leases. For example, a holdover by the tenant may automatically renew the contract if the lease is silent on the subject. It is as important to know the results of omissions as to know the courts' interpretation of the language used.

There are many matters which should be covered by a properly drawn lease. For instance, if a tenant is to farm on a share basis, care should be taken to define what expenses are to be paid by the parties as well as what shares are to be taken out. A lease should cover such things as who is to make repairs, what land is to be cropped, whether the tenant can cut timber, whether loss of a building by fire or other cause frees the tenant, or whether the landlord must accept a sub-tenant.

One great cause of difficulty with leases is blind faith on the part of the persons involved that all differences of opinion can be worked out. Poor memories as to oral agreements can cause disputes between persons even though they are both honest and generous.

Many of the possibilities that should be covered by a properly drawn lease will not occur to inexperienced persons. The renting of land deserves a written contract, and it is a contract too important to be entrusted to anyone other than an expert.

How to save money before you get it

It's easy to spend money when it's in your pocket. And often you spend it for things you don't need. But thousands of Americans have found a way to save money before they get it: U. S. Savings Bonds, on the Payroll Savings Plan. All you do is ask your company to set aside a specific amount from each paycheck. From that moment on it's automatic, and you get the Bonds as they're paid for. There's no easier way to save for the things you want. Why not join the Payroll Savings Plan today?

Some more advantages you might think about

You now get 3 1/4% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than before — in just 7 years, 9 months. Bonds bought before June 1, 1959 earn more, too — an extra 1/4% to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed by the U. S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop — it can only grow. Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace. Every Bond you buy helps keep our Nation and our Nation's economy strong.

Here's how you can reach your savings goal with U. S. Savings Bonds in just 7 years, 9 months

If you want about	\$2,500	\$5,000	\$10,000
each week save	\$5.45	\$10.85	\$21.70

BERRY PICKINGS

Misunderstanding is the root to most of our difficulties in the world today. World peace can only be accomplished thru trust and understanding of people of all race, creed, and color. This can not be a one-sided affair but the effort of many.

Our school grows thru understanding, trusting, and work of the efforts of all people toward a common goal. That goal should be only that we have the best. People talking without taking the time and effort to find out the truth sometimes cause the destruction of that greatness.

Education takes place when there is mutual respect and understanding between student and teacher, teacher and parent, and parent and child. This is the way of life most of us believe in and desire for our children. This is what makes our schools and America great: the desire for understanding and trust.

ARROWHEAD BOOK CLUB ORGANIZED

Mrs. Lott's 6th grade English class organized Monday, November 7, 1960, the Arrowhead Book Club. Some of the books are entitled, National Velvet; Down the Big River; Heidi; Toby Tyler; Cowdog; Pippi Goes on Board; Boy on the Mayflower; Blue Willow; Dennis the Menace — Teachers Threat; Adventures at Black Rock Cave; The Trolley Car Family; Mystery of The Haunted Hut. They were written by various authors.

National Book Week is from November 13th to 19th this year.

THE FIFTH GRADE SPEAKS

On November 4, 1960, Mrs. Morris' room completed work on dried arrangements. These arrangements were made in Art class. The students were graded on their work and immediately made plans for making Christmas arrangements.

Many of the students arrangements were used as decorations for the faculty supper on Monday night.

ART CLASS NEWS

By Rickey Swisa
In Art we made some dried arrangements. Don gave his to Mrs. Sanderson. It was made of some grain, leaves, and some weeds. Some of the leaves were sprayed silver and gold.
When the Art students were finished with the arrangements, Mrs. Morris took some of the best ones to High School to be used to decorate for a meeting.

P. T. A. INVITATION

Lonnie Dear
We, the students of Springlake Junior High would like to invite you to the P.T.A. Meeting at the School Auditorium, at 7:30 p.m. Tuesday, November 17, 1960.

SPRINGLAKE SEVENTH GRADE BEGINS BASKETBALL

Wednesday, approximately twenty boys of the seventh grade reported for basketball practice under the supervision of Coach Jodie Mahan. The boys will have their first game Monday, November 4, at six in the evening. The game will be played with Muleshoe at the Springlake High School Gymnasium.
The boys have high hopes of having a winning team this season, so let's all come out and see the game.

PAPER STAFF VISITS EARTH NEWS-SUN

By Alice Jaquess
The Springlake Junior High newspaper staff toured the "Earth News-Sun" Friday, November 4, 1960.

Mr. Ross Middleton was our guide. There weren't many questions at first, because we didn't know what to ask. But as Mr. Middleton told us more about the newspaper business, questions were popping from everyone. (Mr. Middleton had quite a hard time after we got started).

Among the many things that Mr. Middleton showed and explained to us were the Linotype machine, which works kind of like a typewriter, but it types the letters on metal instead of paper; the Printing Press which prints the news on paper; and the machine that folds the paper.

RADAR 'EYES' KEEP WATCH IN ARCTIC

By Elizabeth Goode
A new kind of fort has just been finished in the Arctic. It is far different from the log stockades that protected early settlements in our country. The new fort is a radar "curtain" at Thule (toole), Greenland, hundreds of miles from U. S. borders.

This curtain of radar is made up of radar beams that fan out to a distance of 3,000 miles. The radar will be used to watch for missiles.

FIFTH GRADE BAND NEWS

By Debbie Watson
In our Cub Band we have been trying to think of ways to keep our Band Hall clean, and how to make our band a better one.

If any of you would like to join our band, we would be glad to have you. If you can help our band we would like to have you as a band member and Mr. Hemphill would like to have people like you. We asked two boys to leave our band if they wouldn't cooperate.

FUN! FUN!

By Peggy Kelley
The seventh-grade classes had a skating party, Tuesday, November 8th at the Plainview Roller Rink. Approximately fifty-two pupils were present. We left Earth at approximately 4:15 and were at Plainview by 5:30. We skated for two hours, then we ate supper at the O. K. Cafe in Plainview. We appreciate the sponsors for going with us. They are, Mrs. Lott, Mrs. Boone, Mrs. Glasscock, and Mr. Berry. It was a very nice party, and we all enjoyed it very much.

SCOUTS ARE GUESTS OF LIONS CLUB

Den I and II of the Cub Scouts ate dinner with the Lions last Wednesday at the Community Building. There were about thirty scouts present along with Den mothers and fathers. The Scouts enjoyed singing with the Lions, but they especially enjoyed eating with them.

The Cub Scouts gave a program on "Fire Prevention" under the direction of Mrs. J. A. Littleton and Mrs. Melvin Beck.

C. L. Berry and Cecil Slover also attended the meeting.

WHAT A MOTHER!

By Jimmy Lawrence
A baby sardine saw a submarine for the first time. Its mother said, "Don't worry, it's only a can of people."

In Thee, O Lord, do I put my trust: let me never be put to confusion.—(Psalm 71:1)

Those who put their trust in God, completely and without reservation—who say "Thy will, not mine, be done" in wondrous faith, shall evermore be calm and strong, free from doubt and confusion.

MUSIC NEWS FROM THE FIFTH GRADE

In theory, the fifth-grade music students have learned the different notes, how much count each one receives, what key-signature means, and how to sing the musical scale.

In addition to the theory, we have learned Patriotic Songs, Folk Songs, and we are now learning two Thanksgiving songs entitled, "Come, Ye Thankful People, Come," and "Prayer of Thanksgiving."

Soon we will begin work on Christmas music and two-part singing.

All of the students are very interested and co-operative. We hope to have a pitch-pipe and record player very soon since we need them to do with music what we should.

GEOGRAPHY IN MRS. SANDERSON'S ROOM

By Gary Kelley
This week, in geography, Mrs. Sanderson's room has been studying about steamboats. We found that Robert Fulton invented the first steamboat—the Clermont. Fulton sailed the steamboat in 1807.

JUNIOR HIGH FACULTY MEETING

Mr. C. L. Berry presided at the Springlake Junior High School faculty meeting, Monday, November 7, 1960. It was decided not to have regular assembly programs but provisions would be made for special programs during the year.

Immediately following the meeting the Jr. Hi. teachers joined the teachers of high school and elementary school for a salad supper in the high school home-making department.

LETTER WRITING PROJECT

Last week the students of the sixth, seventh, and eighth grades wrote letters of thanks to the three companies that sponsor the free book cover program in our school.

The sixth grade wrote to the Baldrige Bakery Company, the seventh grade wrote to the Bailey County Electric Cooperative Association, and the eighth grade wrote to the Phillips Petroleum Company.

These companies spend a large sum of money to provide the students of Springlake with book covers. We appreciate it very much.

STUDENT IN REVIEW

Our student of the week comes from the eighth grade. She is in room 8-B and has attended Springlake School for eight years. She is in the pep squad, sports reporter for eighth grade paper staff, plays forward in basketball, and she is a librarian. She was on the B-honor roll for the first six weeks. These are some things teachers report about her.

"She contributes a great deal to greatly increased scholastic interest and understanding. She always has a deep consideration of all people—students and teachers."

"She has shown the greatest degree of cooperation and willingness to try the difficult task."

"She contributes a great deal to school classes and basketball games. I am very proud of her and her works."

She is thirteen years old and her parents are Mr. and Mrs. Lester Kelley. She lives four miles north and one and a half East of Springlake. The girl student of the week is Beverly Kelley.

MONEY TALK

By Linda Ussery
The eighth-grade classes of Springlake Junior High are making and selling beautiful corsages. These corsages are primarily for Christmas. They are of different shape, sizes, and colors. The money made from them will go into our class fund for the eighth-grade banquet and graduation. We have been working very hard for this money.
We would like to thank Mr. Cecil Slover and Mrs. LaVerne Sarradet for their help and assistance.

MA'S TWENTY-FOUR

By Peggy Upchurch

Our section in review this week is 8-B. It is the home-room class of Mrs. LaVerne Sarradet. 8-B can be proud of the fact that among its members are all of the eighth grade class officers; Danny Byers, President, Beth Dent, Vice-President, Donna Watson, Reporter, and Peggy Upchurch, Secretary.

Each morning 8-B reports to its home room, where the students get their books for the first three hours of school.

The first hour from 9:05 to 10:00 8-B has American History taught by C. E. Fox. The students are now studying early government along with our first presidents and their administrations. Last week 8-B reviewed the political issues in the Presidential campaign and held an election with-coming up so the students of 8-B will be pretty busy studying for the test in American History.

From 10:05 to 11:00 8-B girls have Math taught by J. J. Davis while 8-B boys have P. E. taught by Coaches Day Mahan, and Smith. In math class both boys and girls are studying installment buying. After they take tests over it, and Mr. Davis feels they are ready they will go into something else. In boys P. E. the Coaches are training the boys in basketball. They are teaching the fundamentals of basketball, and they are getting the boys in shape. The girls are continuing to learn and practice basketball. Both boys and girls hope to have a good team this year.

For fourth hour 8-B has Language Arts. Mr. Cecil Slover is the teacher of that class. A unit on "America's Yesterdays" has just been finished in the reader. The class is doing research on subjects of importance in American History. One day has been set aside for the students to teach and discuss their material. Soon the class will write papers on "How We Can Be Better Americans." Our study of America will soon be ended, and we shall go back to English.

The last hour of 8-B is Science. It is taught by the homeroom teacher, Mrs. LaVerne Sarradet. For the present 8-B is learning about oil and coal. They learn the formation, locality, and importance of these minerals. 8-B has just finished a study on "Using the Earth's Resources." Everyone agrees that the eighth grade study of science will be better this year than it has been in the past.

Next week is six weeks, and 8-B will certainly be busy studying for six weeks' tests. We all hope that we can make it!

Hi-Plains Hi-Lights NEWS from the High Plains Research Foundation

Conserving water for future irrigation by draining the playa lakes into the underground Ogallala sand through recharge wells is an increasing practice on the High Plains. The surface water drained by gravity into the sand is thereby stored for future use rather than being lost by evaporation if permitted to remain in the lake.

One of the problems encountered in recharging is the silt in the lake water. Several filtration systems are being tested at the High Plains Research Foundation to determine the most efficient and economical method of silt removal. James Valliant, water engineer, announced.

One system will use 13 sections of porous concrete pipe capable of taking up to 5,000 gallons of water per minute. Each section is 12 inches in diameter and 36 inches long with an intake rate of 385 gallons of water per minute. Sand and gravel covers of different thickness will be used to cover the porous pipe to study the effects of silt in clogging the microscopic holes in the porous pipe.

The second filtration system will use perforated well casing 16 inches in diameter, eight feet long wrapped with fiber glass filter one inch thick.

A third method to be used for silt removal will be an eight foot circular cage of three fourth inch expanded metal with a 7 foot cylinder cage inside. Placidit screen will be placed inside the 8 foot cylinder and outside the 7 foot inner metal circle with 6 inches of gravel between the two cylinders.

The use of chemical flocculant will be continued to precipitate silt in the lake before the water enters the recharge well. A new chemical, M-1583, designed for use in soft water produced by the Dow Chemical Company, is now being tested. This testing will be continued through 1961.

Baptist G. A.'s Hold Regular Weekly Meeting Wednesday Party Line...

Mr. and Mrs. Verlon Gilmore and children, Las Cruces, N. M. spent the weekend with their parents Mr. and Mrs. H. J. Gilmore. —PL—
Mrs. James Dempsey and Judy Kay, Lubbock, spent Monday and Tuesday with Mr. and Mrs. Gerald Ingils. —PL—
Mr. and Mrs. Eugene Foster and Mary, Altus, Okla., spent Sunday with his brother Mr. and Mrs. Leon Foster. —PL—
College students visiting with their parents, over the weekend were, Susan Davis, Linda Rose and Sharon Wheatley, students at West Texas State College, Canyon. —PL—
Also Linda Watkins, who is attending Draughns Business College, Lubbock. —PL—
their sponsor Mrs. Ann Kelley —PL—
Refreshments of candy and pop corn were served by Mrs. Earl Walker.

The Intermediate G. A.'s of the Earth First Baptist Church met Wednesday afternoon, November 9, at the church for their regular weekly meeting.
President, Ollie Pearl Waide called the meeting to order.
Joan Sanderson, program chairman, assisted by each of the girls attending, presented the program "Treasures for a King." The group has been studying South American countries.
The G. A.'s have been working on song books and story books for the Negro and Spanish Missions of Earth as their mission project. The books will be finished this week.
Those present for the meeting were Ollie Pearl Waide, Joan Sanderson, Shirley Walker and

previously mentioned. The meeting was held in the high school home-making department.

How to turn a \$500 raise into a \$1,000 bonus
You can save automatically with the Payroll Savings Plan. • You now get 3 1/2% interest to maturity (Now every Savings Bond you own — old or new — earns 1/2% more than ever before). • You invest without risk under a U.S. Government guarantee. Your money can't be lost or stolen. • You can get your money, with interest, any time you want it. • You save more than money — you're helping your Government pay for peace.

Other advantages of U.S. Savings Bonds
• You can save automatically with the Payroll Savings Plan. • You now get 3 1/2% interest to maturity (Now every Savings Bond you own — old or new — earns 1/2% more than ever before). • You invest without risk under a U.S. Government guarantee. Your money can't be lost or stolen. • You can get your money, with interest, any time you want it. • You save more than money — you're helping your Government pay for peace.

Wishing won't turn a \$5 a week raise into a \$1,000 bonus, but it's easy to do. If you take that \$5 raise and put it into U.S. Savings Bonds you can buy an \$18.75 Bond a month and have money left over. If you keep buying one of these Bonds a month for 48 months you'll have your big bonus — Bonds worth \$1,000 at maturity. It's a pretty smart idea to save a raise because it's money you didn't have before and shouldn't miss.

Here's how you can reach your savings goal with U.S. Savings Bonds in just 7 years, 9 months

If you want about	\$2,500	\$5,000	\$10,000
each week	\$2.50	\$5.00	\$10.00
save	\$5.45	\$10.85	\$21.70

You save more than money with U.S. Savings Bonds

It's the Law in TEXAS

At this time of year, many landlords and tenants are thinking about rental arrangements for 1960. While some operate from year to year on the basis of verbal agreements regulated largely by local customs, written leases are better and may save disagreement and hard feelings between the parties.

Farming is a business and should be conducted in a business-

BANK NOTES by Malcolm

Did you know... THE BIBLE SAYS VINEYARD WORKERS WERE PAID BY THE DAY ONE DEEPERHOUSE — THE NEW TESTAMENT READY PROMPT WHO HAD NO LABORERS BUT EASY ON PICKERS?

DENARIUS

ALL ABOARD! AN ABANDONED RAILROAD STATION IN PENNSYLVANIA WAS RECENTLY MADE INTO A BANK BRANCH BY A LOCAL BANK.

A CAPABLE YOUNG MAN WANTED TO START A HARDWARE STORE, BUT HE LACKED CAPITAL. A LOCAL BANKER HELPED HIM FIND A PARTNER. ONE YEAR LATER, HE HAD ENOUGH MONEY TO BUY HIS PARTNER OUT.

like manner for best success. Rental contracts involve a full year's work by the tenant and possible thousands of dollars for both parties. A few dollars spent on a properly drawn lease is good business economy.

A farm lease is not a simple paper. Printed lease forms often turn out to be traps if not understood, or if not properly executed. A farmer-tenant contract is intricate and of such importance to both parties concerned that amateur draftsmanship is risky.

Fixing of cash rent or designating the length of term are relatively simple. Yet, even in these matters, ambiguity or incompleteness can cause bitter disputes and expensive lawsuits.

A loosely drawn property description may have consequences entirely unintended by either landlord or tenant. Where rent is to be based on acreage, an accurate description is doubly important.

In addition, there are legal rules to substitute for some omissions in written leases. For example, a holdover by the tenant may automatically renew the contract if the lease is silent on the subject. It is as important to know the results of omissions as to know the courts' interpretation of the language used.

There are many matters which should be covered by a properly drawn lease. For instance, if a tenant is to farm on a share basis, care should be taken to define what expenses are to be paid by the parties as well as what shares are to be taken out. A lease should cover such things as who is to make repairs, what land is to be cropped, whether the tenant can cut timber, whether loss of a building by fire or other cause frees the tenant, or whether the landlord must accept a sub-tenant.

One great cause of difficulty with leases is blind faith on the part of the persons involved that all differences of opinion can be worked out. Poor memories as to verbal agreements can cause disputes between persons even though they are both honest and generous.

Many of the possibilities that should be covered by a properly drawn lease will not occur to inexperienced persons. The renting of land deserves a written contract, and it is a contract too important to be entrusted to any one other than an expert.

AUTO WASH
Be the first to enjoy this amazing opportunity. Become part of the MULTI-MILLION DOLLAR AUTO WASH INDUSTRY. Enjoy these advantages as an owner of a coin operated Automatic car wash: no land to lease; no building to buy; no fixed overhead; no labor problem. NO EXPERIENCE NECESSARY. Can be handled part time. How to save money before you get it

It's easy to spend money when it's in your pocket. And often you spend it for things you don't need. But thousands of Americans have found a way to save money before they get it: U. S. Savings Bonds, on the Payroll Savings Plan. All you do is ask your company to set aside a specific amount from each paycheck. From that moment on it's automatic, and you get the Bonds as they're paid for. There's no easier way to save for the things you want. Why not join the Payroll Savings Plan today?

Some more advantages you might think about
You now get 3 1/4% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than before — in just 7 years, 9 months. Bonds bought before June 1, 1959 earn more, too — an extra 1/2% to maturity.
You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.
Your money is guaranteed by the U. S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop — it can only grow.
Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

Here's how you can reach your savings goal with U. S. Savings Bonds in just 7 years, 9 months

If you want about	\$2,500	\$5,000	\$10,000
each week save	\$5.45	\$10.85	\$21.70

Cub Scouts To At Pack Meeting Display Robots

The Cub Scouts, den one, have finished their Robots and will have them on display at the Pack Tuesday night, November 22 at the Springlake school.

Den I of the Cub Scouts met Tuesday afternoon in the home of Mrs. Weldon Barton and finished their Robots and also made outer space helmets.

Eight members were present as was Den mother, Mrs. Melvin Bock and assistant Den mother Mrs. Barton.

Refreshments of Cokes and cookies were served by Mrs. Barton.

Den one will meet Tuesday, November 22 at the regular time at the Earth Community Building.

Den II Meets

Den II Cub Scouts met Tuesday afternoon at the Earth Community Building with eight members present.

This group made space helmets and practiced a Skit to be presented at Tuesday nights Pack meeting.

Jimmy Robins led the flag ceremony, which is a requirement for getting a Wolf badge.

Mrs. James A. Littleton Jr. is Den mother for Den II and Mrs. James Busby is assistant Den mother.

Refreshments of Dr. Peppers were served by Mrs. Littleton.

Den II will not have their meeting next Tuesday, November 22.

Webelos Den Needs Toys

The Webelos Den of the Cub Scouts is asking for toys to be repaired for the needy for Christmas.

Toys are being repaired at the Earth Community Building. Anyone wishing to donate toys may contact Jim Glasscock at Higginbotham - Bartlett Lumber Company.

Mrs. Edwin O'Hair underwent major surgery at Methodist Hospital, Lubbock, last Thursday. She was dismissed Monday and is reported to be doing fine.

Phil Cannon, Littleton, Colo., spent the weekend at home with his family.

Mr. and Mrs. Terrell Paul, Lubbock were supper guests last Thursday night of Mrs. Zella Welch.

REV. MILTON B. BALDWIN

Springlake Pastor To Participate In Foreign Crusade

Rev. Milton Baldwin, pastor of the First Baptist Church, Springlake has been invited to participate in the Scotland Evangelistic Crusade being sponsored by the Arkansas Baptist State Convention for next April. Rev. Lewis E. Clark, of Maple Avenue Baptist Church Smackover, who is directing the crusade, has announced.

He will be among 25 Southern Baptist ministers, most of them from Arkansas, who will be conducting revivals in 25 Baptist churches in Scotland, April 8-15, Mr. Clark reports.

Purpose of the missions will be to strengthen the Baptist work in Scotland, where there are only 153 Baptist Churches, Ministers taking part are being supported by their churches, the churches, in most cases paying their full fare.

The Springlake Baptist Church voted Wednesday night to pay Rev. Baldwin's expenses round trip.

Rev. Baldwin will conduct a revival in the Girvan Baptist church in Girvan, Scotland. He will be accompanied by Mrs. Baldwin, Ted Rowan music director of the Springlake Baptist church will also attend this revival and direct music.

Rev. Lawson Hatfield, of Little

Raby Kellogg Employed In Morton

Raby Kellogg has resigned as service manager at Gatewood Ford Sales and has accepted a position as Fordomatic Transmission Specialist at Mahan Ford Company in Morton.

Raby began his duties in Morton, Monday, November 14.

The Kellogg's came to Earth, in 1949, from Gatesville where Mr. Kellogg was mechanic foreman at Gatesville training school for boys.

He served as Bus foreman for Springlake School two years and was associated with Earth Motor Company nine years.

Raby has had twenty years experience in mechanic work.

The Kellogg's have three children, Rodney, 14, an eighth grade student at Springlake Junior High School; Wanda and Rhonda twin daughters, age 5.

The family will continue to live in Earth until housing facilities are available in Morton.

Evelyn Clayton, student at ACC spent the weekend with her parents Mr. and Mrs. E. C. Clayton.

Rock, Arkansas state Sunday School secretary for the Arkansas Baptist Convention, will conduct regional Sunday School conference for the Scotland churches, which have no Sunday School classes except for children.

Dr. James Luck, of the faculty of Ouachita Baptist College, Arkadelphia, will conduct music conferences to acquaint the people of Scotland with the Southern Baptist graded choir program.

Dr. Erwin L. McDonald, editor of the Arkansas Baptist, in addition to serving as an evangelist will serve as publicity director for the crusade.

Several Baptist Laymen will also participate, giving the American layman's view of Baptist work in America.

Following the crusade the group will make a tour of continental Europe and points in Egypt and the Holy Land. The Crusade members are due to return to the States May 6.

The group will leave New York by British Overseas Airways Corp. flight No. 526, Wednesday, April 5, at 7 p.m. and will arrive in Glasgow at 5:45 a.m. the next morning.

An easy retirement plan for late starters

Even at 47, you can add \$72.50 a month to your retirement income for just \$1.25 a day

Maybe you've put off saving up to now. But, it's not too late to learn a new habit. You can help make your retirement years more pleasant with this simple formula:

Buy one \$50.00 U.S. Savings Bond a month until you're 65 (just \$1.25 a day). By that time you'll have accumulated 213 Bonds.

Now you're ready to start cashing-in a Bond a month. Each Bond you bought for \$37.50 will be worth \$72.50—\$1.93 for every \$1 you put in.

Total Invested: \$ 7,987.50
Total Realized: \$15,442.50

Whatever your age, you'll find Savings Bonds can make a valuable addition to your retirement income. And the sooner you start, the better. Why not today?

SOME OTHER ADVANTAGES

You can save automatically with the Payroll Savings Plan. Tell your company how much to set aside from your pay for Bonds. This way you won't forget to save.

You now get 3 1/2% interest, to maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E

Bonds now mature 14 months earlier than before—in just 7 years, 9 months. Bonds bought before June 1, 1959, earn more too—an extra 1/4% from then to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed safe by the U.S. Government. Bonds are an absolutely riskless investment. The Government promises you the cash value of your Bond will not drop—it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace with every Bond you buy. Peace costs money—money for science, education, military strength. And the money you save helps keep our Nation's economy strong.

Here's how you can reach your savings goal with U.S. Savings Bonds in just 17 years, 9 months

If you want this much income per month	\$36.25	\$72.50	\$145.00
you should save this much per week	\$4.38	\$8.75	\$17.50

You save more than money with
U.S. Savings Bonds
