Gospel Meeting To Begin Sunday

A gospel meeting is slated for September 5-8 at the Church of Christ in Earth, George Stanley Devoll of Lancaster, Texas will conduct the 4 day meeting.

Morning and evening services will be held each day. Morning services are set for 10

o'clock daily and evening services will begin each evening at 7:30 p.m. with the exception of Sunday evening when services will begin at 6 o'clock. Mr. Devoll is the first minister to ever serve the Earth Church of Christ, when the congregation was started here in 1950. He served one year

here and resigned to go elsewhere in 1951. This is the third gospel meeting that Mr. Devoll has held at the local church since '51.

Everyone is cordially invited to attend any or all of the services during the four day meeting.

CHIEF DIPPER-UPPERS... are pictured dishing out the hash as folks file through two never ending lines. Over 1200 plates were used to feed the folks who filed through Saturday at the free fish dinner in the park.

1150 Attends Free Fish Fry Saturday

The free fish fry held in the City Park in Earth Saturday, was a smashing success, with approximately 1150 people in attendance. The event is sponsored by the Earth Chamber of Commerce and individual businessmen.

The delicious dinner was served as two long lines of people filed by the tables of food to have their plates filled, then go find a picnic table, a blanket spread on the grass or seat themselves in chairs under the trees to eat.

The Freedom Singers from the First Church of the Nazarene in Plainview, entertained folks with a program of spiritual music.

The fellowship, food and musical program was delightful.

Committee Meeting Today

The Lamb County Family Living Committee will meet (today) Thursday, September 2 at 12 o'clock noon at the Pizza Inn at 1908 Hall Avenue in Littlefield.

Mrs. Dorothy Powell, County Extension Agent urges every member of the committee to be present.

Local PTA Officers Plan Enchilada Supper

The officers for Springlake-Earth Parent Teacher Association were installed Tuesday, August 31, by Mrs. Marvin Sanders.

The 1976-77 PTA officers are: Mrs. Melvin Chisum, President; Mrs. Ray Joe Riley, Vice President and Program Chairman; Kenneth Hill, Secretary; Mrs. Dave Koontz, Treasurer; Mrs. Bryan Dutton, Parliamentarian; and Mrs. Danny Byers, Historian.

Following the installation services, officers discussed plans for the annual PTA sponsored Mexican Supper to be held September 10 in the S-E

cafeteria. Serving will begin at 6:30 and continue until gametime, 8:00 p.m. This will be the first home football game and everyone is invited out to enjoy a delicious meal and exciting ballgame with New Deal.

Prices for the Enchilada Supper are \$2.50 for adults, \$1.75 for students and \$1.00 for children 12 and under. The menu will include meat enchiladas, beans, tossed salad, tostados, cherry cobbler, tea or coffee. All 1976-77 Springlake-Earth PTA members will receive a 50¢ discount on their meal price. PTA memberships

will be sold at the door.

The PTA officers urge each parent to join and participate in the Parent Teacher Association. By doing so, he or she will add to the effectiveness of the PTA unit and the achievement of the Springlake-Earth Schools.

Mrs. Norman Gleavinger of Dimmitt was admitted to the Dimmitt Hospital Tuesday. She is the mother of several children, three of which live in this community. Mrs. Ed Dawson, Orville and Ronald Gleavinger.

400 Attends 50th Anniversary Of Baptist Church

Approximately 400 people attended the 50th anniversary celebration of the First Baptist Church in Earth Sunday, and had dinner in the fellowship hall of the church. Every pew in the church auditorium was filled and three youths were seated in the balcony.

Rev. David Hartman of Alpine, delivered the first sermon of the morning, followed by Rev. M. B. Baldwin of Irving near Dallas.

Special singing by the choir and by former music directors was enjoyed at intervals during the day.

Two charter members of the church, the only two now living, were present and were introduced. They are Mr. and Mrs. A. S. Mize of Route 2, Luckney.

There were former church members attending from every decade since the church's origin in 1926. It was indeed a most wonderful time for everyone in attendance to again fellowship with those who had moved away and had returned to celebrate the 50th anniversary event and the burning of the mortgage note on the church.

those of past and present membership.

Arrangements of cut flowers and potted plants were placed in the auditorium and in the

windows of the fellowship hall. Wives of former pastors were given potted plants and former pastors were each presented plaques for their service to the church. Bill Anderson, a deacon, presented the plaques.

Following lunch an audience of between 250 to 300 people

assembled in the auditorium to hear Rev. Bruce Giles, Rev. G. T. Jordan and Rev. Earl Landtroop deliver sermons.

Also to hear the special music brought by various music directors, choirs and individuals. Preachers had through their sermons touched on the value of letting the Lord have His way in each life, on love, unity, working together, praying and following the directions of the Lord, as the remedy for success in any task, be it building a church or in living life day after day.

A brief time was used for testimonies by those in the audience, and the program concluded about 5 o'clock. Folks then were invited into the fellowship hall for coffee and cake before departing for their homes.

The 50th anniversary is indeed a day to long remember, for the Lord was present and seen to it that everything went off in perfect order. The theme "To God be the Glory" was embedded in the hearts of those attending for each realized that without the Lord as leader through the years, life is meaningless.

Mrs. Madean Clayton of Lubbock attended the 50th anniversary of the First Baptist Church.

Mrs. Dorothy Powell, County Extension Agent urges every member of the committee to be present.

NOSIN... With Polly

"My Cup Runneth Over," for indeed it was one of those week-ends that will long be remembered. First, we had dinner with the Hershel Hulcys, who had as their special guests Rev. and Mrs. David Hartman, Andy and Denise. Next came the fish fry, where we visited with many folks whom we hadn't seen for years. Many of these had arrived to attend the 50th anniversary of the First Baptist Church, the following day.

Saturday night we, along with several other couples gathered at the Pete O'Hair home for refreshments and a time of visiting with the David Hartmans, who now reside in Alpine, where he serves as pastor of the First Baptist Church.

Then came Sunday, and what a day it was!

We went to the church early that morning, along with 400 other people, and didn't get back home until after 5 o'clock. It was a glorious day of rejoicing which is impossible to capture with pen and paper.

We saw the John Lawrences, whom we hadn't seen for years. We met the only two living charter members of the church, who were still going strong, steadfast in the Lord. There were many, many folks who had returned home for the event. It was delightful indeed, to recall faces from the past years.

There was preaching, praying, singing, testimonies, tears, laughter and rejoicing. In all, the scene was "Love" and the presence for the Lord was great.

ple waiting to get inside the church. He had to admit that the scene was partly due to the fact that folks had to stop to register.

The sermons were excellent, they bordered on the thought, that all things are possible if the Lord is the core. They brought in the need for love, unity, prayer and seeking the Lord's will for our lives. All these things are necessary to build a church, or to succeed in life.

"To God be the Glory" was the theme and surely every heart must have been in tune, for there was love, praise and rejoicing in every neck and cranny of the building from wall to wall. Surely Heaven came down and Glory filled my soul, as well as others in attendance.

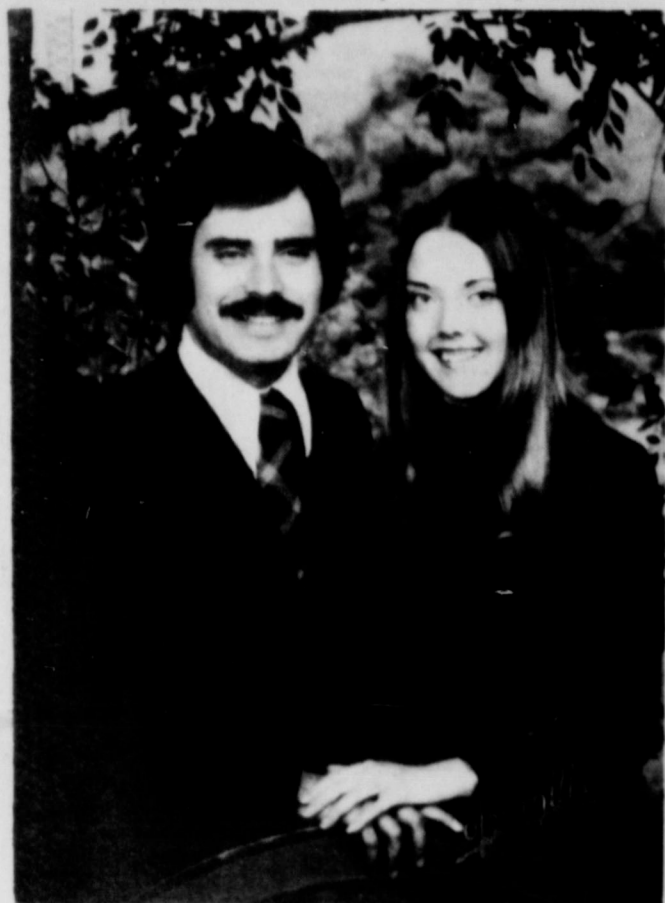

Rev. Bill Watson seems to be set on doing away with himself. He had a rough go of it not long ago as a result of sheer exhaustion.

Then last week he went fishing. He has fished since he was 5 years old, but this time he did it different. He got a fish hook stuck in his cheek and had to have it cut out. A tetanus shot followed, and he soon went into high fever.

Bro, Bill, you're loved in the community, go light on yourself for awhile, okay?

"The world is so full of a number of things that it's hard to keep up payments on them."

Schleusing - Kniffen Wed Sunday

Baskets of white gladiolas, blue carnations, a memory candle and grandmother's open Bible on the altar completed the setting for a beautiful wedding at 2 p.m. Sunday, August 29 in the First Baptist Church of Springlake, uniting Miss Jo Ellen Schleusing, a student at Mary-Hardin Baylor at Belton, Texas and Sp/4 David Terry Kniffen of Wertheim, Germany. Rev. Glen Smith, pastor of the church officiated the double ring ceremony.

Parents of the couple are Col. and Mrs. Carl Schleusing of Stuttgart, Germany and Mr. and Mrs. Clent Kniffen of Springlake.

Mrs. Jerry Hoover played traditional musical selections for the wedding.

The lovely bride, given in marriage by her grandfather, Charles Sagebiel of Llano, Texas, was adorned in a white satin peau de soie gown designed in princess lines that flowed into a chapel length train. Inserts of organza ap-

pliqued with lace and pearls were scattered over the lovely gown. The high neckline and yoke of organza was edged with lace and pearls. The long satin sleeves that dotted with appliques and edged in scallops. Matching lace appliques were scattered over the chapel length veil of tulle which was attached to a bandeau of peau de soie, embedded with seed pearls. She carried a white carnation bridal bouquet enhanced with blue and white lace and ribbons, with long satin streamers of blue and white.

Mrs. Rita Hale, Sonora, Texas, sister of the groom, served as matron of honor, Jeffrey Edwards, Cooper's Cove, Texas was bridesmaid and Wendy Marie Kniffen, Springlake, sister of the groom was junior bridesmaid.

The three were groomed in blue floor-length dresses. Each carried a single blue carnation with blue ribbon streamers.

Keith A. Kniffen, Lubbock, brother of the groom, served as best man. Groomsman was Michael V. Hale, Sonora, Texas, brother-in-law of the groom.

Ushers were Lee Brown of Sunnyside and Dan Fleming, Andrews, uncle of the groom. Immediately following the ceremony, a reception and shower was held in the fellowship hall of the church. The two-tiered wedding cake made by the groom's sister was designed with columns separating the layers which were decorated with clusters of blue flowers and green leaves. Lovely white wedding bells topped the cake.

Gale Jones and L'Anna Sulser served punch and cake to all attending. Hostesses for the shower helped in the kitchen.

For a brief wedding trip to the mountains in New Mexico the bride left wearing a beautiful dress with a white background and pastel blue printed design.

After September 6th, the bride will return to college and the groom will return to Germany to complete his term in the Army.

The bride is currently a second year student at Mary-Hardin Baylor, studying to be a nurse.

The groom is a graduate of Jal High School in Jal, New Mexico. He attended Hardin-

Simmons University in Abilene before going into the Army. In March his three year term in the Army as Chaplain's Assistant will be completed. He plans to resume college education and go on to the seminary for the ministry.

Out of town guests attending the wedding were Jay Kay and Wendy Watson, Karen Sagebiel, Gerry and Claude Fuh, Dorothy Sagebiel, Theo and Jeannie Sagebiel, Mr. and Mrs. Danny Fleming, Nathan Crawford, Willie Mosley and Patsy Fleming.

'66 Class Plans Reunion January '77

The 1966 class of Springlake-Earth School is in the process of planning a big class reunion for class members and their families on New Years Day 1977.

Tentative plans are to have a morning coffee for the entire family, followed by a time of visitation for school classmates in the afternoon.

The event will conclude with an evening banquet and program for members of the class and their mates.

Since plans are currently underway it is imperative that members of the class correspond with one of the persons listed below, so that they will know how many to plan for. The four classmates that are gathering the information are Mrs. Nancy Denton, Box 156, Springlake, Mrs. Janey Townsend, Route 2, Box 130, Portales, New Mexico, Mrs. Dwala May, 607 N. Dover, Lubbock, Texas 79416 or Diana Carpenter, Box 302, Earth,

Texas 79031.

Members of the 1966 class are urged to get in touch immediately so plans can be finalized within a brief time and all details worked out.

Layette Shower Honors Shane Darren Ross

A lovely layette shower honored Mrs. John Ross and her infant son, Shane Darren on Saturday, August 28 from 3:00 to 5:00 p.m. The event was held in the lovely home of Mr. and Mrs. Macky McCarty.

The serving table was covered with blue satin overlaid with a white lace cloth. The lovely centerpiece was a floral arrangement of flowers in pastel shades of blue intermingled with greenery, accented with miniature baby boys fashioned as though they were praying. Blue candles flanked the arrangement.

The honoree, Mrs. Ross and her mother, Mrs. Carl Jones were presented corsages designed of baby socks.

Individual cake squares iced in white and decorated with blue baby rattlers were served with blue bootie mints and

Sherbert punch from crystal appointments.

Approximately 25 guests registered. Out of town guests were Mrs. Randal Crawford and Kim of Lubbock.

Hostesses were Mrs. Macky McCarty, Mrs. Gene Templeton, Mrs. Abe Griffin, Mrs. Orville Cleavinger, Mrs. Jack Hadaway, Mrs. E. A. Patterson, Mrs. J. D. Phipps, Mrs. Herb Wendborn, Mrs. Marvin Sanders, Mrs. Donald Kelley, Mrs. Roger Haberer and Mrs. John Bridges.

Others included Mrs. Jimmy Shirey, Mrs. Gene Brown, Mrs. Byrl Hamilton, Mrs. Maude Stout, Mrs. Hershel Hukley, Mrs. Guy Kelley, Mrs. Beulah Newton, Mrs. Lexie Branscum, Mrs. Wendell Clayton, Mrs. Phillip Haberer and Mrs. Jay Winders.

50th ANNIVERSARY CAKE for the church was made by Mrs. Glen Loveless and Mrs. Lonnie Adrian.

House Plant Clinic Set September 16

"Does it seem that your thumb is brown instead of green? Do your plants shrivel up and die when you talk to them? If so, maybe our House Plant Clinic will offer the solution to your problems," said Mrs. Dorothy Powell, Lamb County Extension Agent.

The free House Plant Clinic will be held September 16, from 3-5:00 p.m. and 6:30-8:30 p.m. at the Pioneer Natural Gas Flame Room, Littlefield. Dr. Robert Berry, Area Plant Pathologist for the Texas Agricultural Extension Service, will conduct the House Plant Clinic.

Area residents are invited to come and bring the plants

they need assistance with. Dr. Berry will give suggestions for treating diseased plants or caring for healthy plants. He will also answer questions you may have about house plants.

The House Plant Clinic is being sponsored by the Lamb County Family Living Committee and the Lamb County Extension Service. Education programs sponsored by the Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion or national origin.

Wolverines Meet Amherst In Season Opener Friday, 8 p.m.

The first football game of the season for the Wolverine team is slated for Friday, September 3 with the Amherst Bulldogs. The game will be played at Amherst beginning at 8:00 p.m.

Coach Roland Murray is anxious to pit his men against the bulldogs and observe his speedy squad in real battle.

Coach Murray is hopeful that the quickness and speed that the Wolverines have on their side will in some manner make up for the lack of experience some of the younger boys have had. School spirit and enthusiasm seems to be quite high among local players and the coaching staff.

The local boys and the coaching staff are dead set on giving the Bulldogs a run for their money. So, be there to see the Wolverines in action. Boost their every efforts, there will be a winner. WE WANT IT TO BE THE WOLVERINES. I

Football Contest Begins Today

The annual Earth News-Sun sponsored Football Contest begins in this issue of the paper. So pigskin prognosticators and arm chair quarterbacks, get your official entry blanks and fill them out.

This year the weekly first prize is \$5, a \$3 check goes to the second place winner, and \$2 goes to the third place winner each week.

Cumulative scores will be kept through the season, and the grand prize winner will receive two tickets to the Cotton Bowl game on New Year's Day plus \$25 expense money.

Weekly winners will be chosen according to the total number of game winners guessed. Tie-breaker scores will be used to break ties only. Only one entry is allowed per

person.

Contestants may mail in the entries or bring them by the News-Sun office by 4:30 p.m. Friday. Mailed entries must be postmarked before game time.

See the contest page in this issue, work it out and get a head start on weekly fun and prizes and a trip to Dallas on January 1.

Why Does The Price Go Up?

The rancher or farmer who pays \$2 a pound for a T-bone steak in the supermarket probably can't understand why he only got about 30 cents a pound for his calf, says Buddy C. Logsdon, County Agent for the Texas Agricultural Extension Service.

"First, the animal had to go to a feedlot where he was fed to obtain the grade and weight desired by most retailers. As a 1,000-pound steer, he was probably sold for about \$400. A packer purchased him and found he yielded only a 600-pound carcass. The price for the carcass then was at least 64.5 cents a pound," says the county agent.

"The retailer buying the carcass must then cut and package it for the consumer. Cutting loss along with bone, fat and some moisture are lost during this process so that only about 440 pounds of meat are left for retailing. The cost goes up rapidly to about 91 cents a pound."

When the other costs of slaughtering, transportation, labor, advertising and packaging costs are added, the price goes up to about \$1.40 per pound.

Of course, the \$1.40 retail price is an average for all cuts of meat of a steer. Since the 440 pounds of meat included only about 16 pounds of T-bone steak, it must naturally bring a higher price than the cheaper and more abundant cuts.

"So, the next time you look in shock at the price of a T-bone steak, think of all the steps and people involved in transforming that 1,000-pound live steer into a neatly packaged piece of meat available at the grocery store," notes Logsdon.

Dimmitt Agri-Industries Slates Stockholders Meet Tonight

The annual Stockholders meeting for Dimmitt Agri-Industries is set to begin at 6:30 p.m. Thursday, September 2 in the Gastro County Exposition Building in Dimmitt.

A delicious dinner will be served, beginning at 6:30 p.m. Free door prizes will be presented, and dividend checks will be distributed.

New directors will be elected to serve in the vacancies created by those whose terms will have expired.

All stockholders and their families are invited to attend the meeting.

Families Shut Out of Housing Market

"Rampant inflation has brought clouds over the housing industry," says James Bostic, Deputy Assistant Secretary of Agriculture for Rural Development.

In a recent speech Mr. Bostic noted that in 1950 seven out of ten American families could afford the average new house, but now, "after a quarter century of rising incomes, only four out of ten can." He quoted Federal Home Loan Bank Board figures indicating that the prices of new homes across the country soared 22 per cent in 1975.

Notice Of Board Of Equalization Meeting

In obedience to an order of the board of equalization regularly convened and sitting, Notice is hereby given that said board of equalization will meet in the Springlake-Earth High School Building, Wednesday, September 15, 1976, from 9:30 a. m. till 5 p. m., for the purpose of determining, fixing, and equalizing the value of any and all taxable property situated in the said Springlake-Earth Independent School District until such values have finally been determined for tax purpose for the year 1976, and any and all persons interested, or having business with the said board are notified to be present. Persons not receiving written notice have either been lowered or remain the same.

Done by order of the board of equalization of Springlake-Earth Independent School District, Lamb County, Texas, this 1st day of September A. D., 1976.

Industrial Start-Up Training Programs
Key To Job Creation

More than 2,200 Texans are on the job today because they have the skills required by burgeoning industries across the state, according to Jim Harwell, executive director of the Texas Industrial Commission.

These workers are graduates of Industrial Start-Up Training programs offered through Governor Dolph Briscoe's Job Creation Campaign to make Texas first in economic development.

Training programs are designed to bring underemployed and unemployed Texans up to minimum skills standards for job slots with new and expanding industries. The Industrial Commission and Texas Education Agency work with the industry to outline skills required, and with a local learning institution to design the curriculum. Courses are taught through one of the state's 51 junior colleges, one of the four Texas State Technical Institute campuses or one of the independent school districts.

"The instruction is in fields not covered by the usual industrial arts programs in our schools," Harwell said. "The instructors are often company supervisors with long experience in the field."

Industrial Start-Up Training is funded with appropriations first set aside by the 64th Texas Legislature which gave the Industrial Commission and the Texas Education Agency the joint mandate to provide such training as was necessary to upgrade Texas workers.

State funds are used to pay instructors, maintain special equipment, loaned for the training program and for consumable supplies used by students. The industry pays any wages to the trainee, and may also provide special transportation for employee trainees.

The Texas Employment Commission works with the industry to locate persons interested in the training program. These students begin training with the understanding that they must satisfactorily complete the program, and that the company is not required to hire those who do not qualify for the job. At the end of the training, companies interview, screen and hire or reject trainees as they would any other job applicant.

"Those persons hired by the company are at an entry-level of skill," Harwell said. "The company continues to train them, often for up to two years or more before the trainee can be considered fully productive. The cost to the state is an infinitesimal part of the total cost to the company."

The average training period is five weeks and involves about 30 hours of training. No salary is paid the trainee by the state, so the cost per trainee is approximately \$152. "The return to the state's economy through Industrial Start-Up Training is two for one," Harwell said. "By the time all 50 of the training programs currently on the books are completed, the cost to the state will have been a one-time expenditure of approximately \$1.05 million, but the benefit to the state in new taxes generated will exceed \$1.650 million, and that's per year."

Sewing machine operators are among the most sought-after employees, and seven training programs have been conducted for them. Other skills taught have included machine operators, food processing, pottery making, aluminum production and electric motor manufacturing.

Many industries are enticed to Texas by the productivity of Texas workers, and the availability of a trained work force, Harwell said. Companies choosing to build in rural areas can take advantage of a large labor pool, and the potential of the Industrial Start-Up Training to qualify for the job openings.

General Mills Offers Scholarships

FOR LEADERSHIP IN FAMILY LIVING

College scholarships of \$500 to \$5,000 are available to high school seniors through the General Mills Search for Leadership in Family Living, now in its 23rd year. Invitations to enroll in the program have been mailed to high schools across the nation. Schools new to the program can write the General Mills Search, P. O. Box 1113, Minneapolis, Minn. 55440, for information. The 1976 winner of the top \$5,000 scholarship is a boy, the first in the history of the Search. He is Dan McVicar, Bloomfield, Colorado. Enrollment deadline for the 1977 General Mills Search is November 1, 1976. On Tuesday, December 7, each participating school will administer a 50-minute written examination. Prepared and scored by Science Research Associates, Inc., Chicago, this general knowledge and aptitude examination is the first important step of the scholarship program. From the examination results a General Mills Family Leader of Tomorrow will be chosen for each participating school.

School winners are acknowledged with special awards and their examinations are entered in state competition. Each State Family Leader of Tomorrow receives a \$1,500 college scholarship while every state second-place winner receives a \$500 grant. State winners also earn for their school a 20-volume reference work, "The Annals of America," from Encyclopedia Britannica Educational Corporation. State winners will be the guests of General Mills next spring on an expense-paid tour of Williamsburg, Virginia, and Washington, D.C. A special event of the tour is announcement of the All-American Family Leader of Tomorrow, whose scholarship is increased to \$5,000. Second, third and fourth place national winners receive scholarship increases to \$4,000, \$3,000 and \$2,000 respectively. The General Mills Search, known as the Betty Crocker Search for its first 22 years, is on the advisory list of the National Association of Secondary School Principals.

Attitudes Toward Depression Detrimental To Treatment

About 1,500,000 Americans are currently being treated for mental depression, according to figures released by the Mental Health Association and as many as 8 to 15 million more are estimated to need treatment but are not getting it. "The reason so many depressed people remain untreated," said Carroll B. Bryant, President of the Texas Association, "is the widespread lack of knowledge about the condition. People view depression as a sign of weakness, as a failure to meet the demands of society. The truth is that depression is a condition, a condition that can be effectively treated so that its victims can return to active, productive life."

To support this statement, Bryant refers to a list of prominent figures in history who suffered from depression. Among the familiar names on the list are George Washington, Abraham Lincoln, and Winston Churchill. Important scientists and productive writers and artists are included as well.

"Nobody would call these people weak or incapable of coping with daily life," he said, "but the truth is that at times they were so miserable that they simply couldn't function adequately. Lincoln,

in particular was so depressed that his friends feared he would commit suicide." That fate awaits many depressed people. The Association reports that many of the 35,000 people who take their own lives in the United States each year are depressed. The suicide rate among depressed people is greater than that of the total population. The Mental Health Association has found that "people are beginning to realize that depression is not something to be ashamed of and more depressed people are accepting treatment," Bryant concluded. "If this trend continues we can bring an end to the incalculable misery this condition has caused throughout history."

The Mental Health Association is a volunteer organization funded completely by private donations such as those contributed by local citizens in the May bellringer drive conducted throughout the state of Texas.

Hello World

Mr. and Mrs. Elroy Wisian, Jr., of Wilmore, Kentucky are the proud parents of a daughter born at 5:45 a.m. on Sunday, August 29 in the Central Baptist Hospital in Lexington, Kentucky. The little lass weighed 8 pounds 4 ounces, and is 21 inches tall. She has been named Carla Sherree and is a beautiful addition to the Wisian home. Her grandmother Mabel is already bragging just like all grandmothers do. Grandparents are Mr. and Mrs. Elroy Wisian Sr., of Springlake and Rev. and Mrs. Charles Dummam of Lubbock. Paternal great-grandparents are Mr. and Mrs. Hilbert Wisian of Springlake and Mr. and Mrs. H.E. Scheller of Hobbs, New Mexico. Maternal great-grandparents are Mr. and Mrs. Vernie Dummam and Mrs. Bessie McElroy all of Paris, Texas.

Mrs. Clayton Is Currently Collecting History On Churches

Mrs. Myrtle Clayton of Springlake has accepted the job of collecting history of the 32 churches within the Llano Alto Association. She is doing the work for Wayland Baptist College at Plainview in order that they may have the information for the Library Department of the College. Mrs. Clayton took over the

big task three weeks ago and has been busy collecting data from the churches since that time. She is writing, and calling various church secretaries in order to collect the material. Mrs. Clayton who is always busy, is never too busy to lend a hand to help wherever she is needed.

Fake Fur, Suede And Leather Trims Fashionable

Real leather, suede and their fabulous fakes are continuing as one of the most popular outerwear categories for everyone this fall, Mrs. Dorothy Powell, County Extension agent reports. Current styles feature more detailing and fashionable design variations. Popular colors include buttery tans and earth tones of rust, mocha and brown shades. Real leather and suedes are more expensive than a year ago. Costs for cowhides have risen almost 50 per cent, while sheep, lamb and pig skin costs have remained stable. Sharply soaring costs of real fur, five to 100 per cent higher, and lamb shearing trim will limit their availability except in the more expensive price ranges. Realistic-looking, and more affordable, fake fur trims will be seen in the popular price ranges. Real and fake fur trimmed styles will be more popular than a year ago, as much as one-third of the market. Real leather and suede garments should be well-matched in color and texture. They should be soft enough to conform comfortably to the body during wear. If possible, lift the lining and examine the wrong side of the leather or suede. If it is a different color on the wrong side, any surface scuffs will be visible. Garments should fit comfortably since alterations are

difficult. Stitching cannot be let out without showing. Restitching in the same place weakens it. Care instructions should be followed exactly. Often special procedures for cleaning are recommended. Some fakes are only washable or dry cleanable, not both. Also, it is wise to save all hang tags and the sales slip in case the garment does not perform satisfactorily after following the recommended care instructions and needs to be returned to the store, she said.

CHARTER MEMBERS... Mr. and Mrs. A.S. Mize of near Lockney were present for the 50th anniversary of the First Baptist Church Sunday. Mr. Mize opened the testimony meeting with these words, "I still love 'the Lord,'" as he broke into tears. Mrs. Mize was asked to play the piano for the last song of the day. She arose, and as though 50 years were notched backward on the scales of time, walked to the piano and played "In The Garden". The audience joined in and the meaningful words rolled out in sweet harmony.

Fiesta '76 Benefit Bazaar In Lubbock

Fiesta '76, a benefit bazaar featuring original arts, crafts and other handwork, will be held 9 a.m. to 6 p.m., Saturday, September 11 on the park grounds of the Municipal Garden & Arts Center, 425 University Avenue, Lubbock. The Fiesta is sponsored each year by the Garden & Arts Center's board of directors as a means of raising operational funds for the facility and as an opportunity for artists to show, and viewers to buy, original works of art. Artists and craftsmen from West Texas, New Mexico and Oklahoma will be present, exhibiting thousands of items including paintings and drawings in all media, metal and

wood sculpture, pottery, stained glass, weaving and many other types of creative art. In addition, garden clubs and heritage groups will offer for sale plants and gardening items, home canned pickles and preserves, quilts, needlework, small antiques, barbed wire and other collectors items. In the Center auditorium, the Lubbock Art Association will present continuous art demonstrations and the Texas Fine Arts Association Region 20 will display an art exhibition. Musical groups and square dance clubs will perform during the day. The public is cordially invited to attend.

Party Line

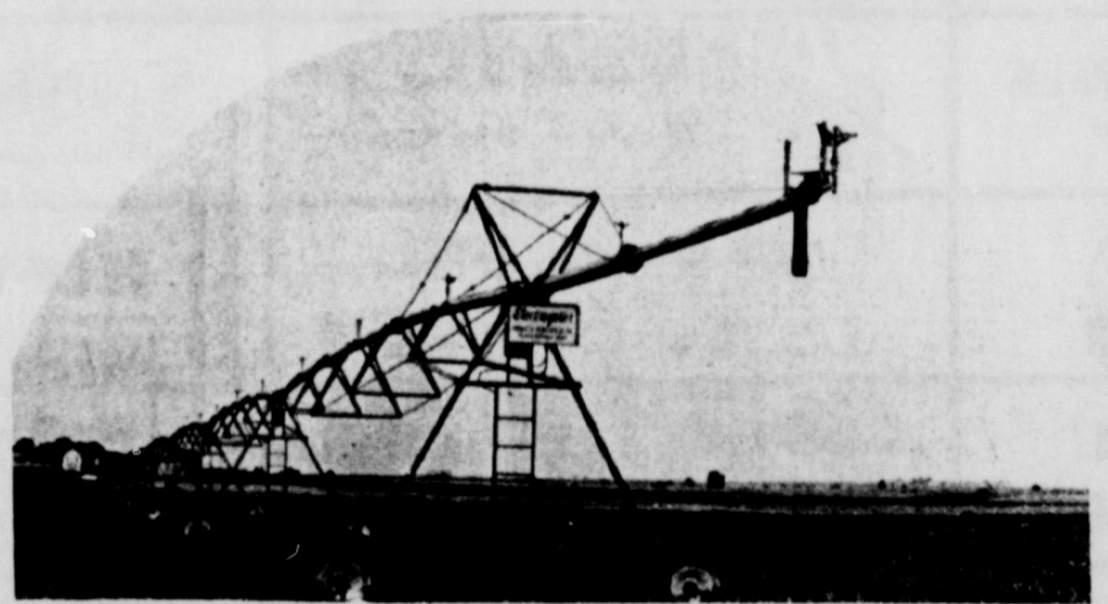

Mr. and Mrs. John Lawrence of Okemah, Oklahoma spent the week-end as guests of Mr. and Mrs. Pat McCord. They attended the 50th anniversary of the First Baptist Church. The Lawrence family were members of the church through the years they resided here. Mr. and Mrs. Lawrence were faculty members of S-E School. Mr. Lawrence was high school principal for several years and Mrs. Lawrence was high school English teacher.

Mr. and Mrs. Leon Foster left Wednesday week for a 10 day vacation at their cabin in Ruidoso. They plan to return home Saturday night.

"Kiss A Baby" Fund Drive Begins September 27

The 1976 Kiss A Baby Week Campaign of the Cystic Fibrosis Foundation begins September 27 and continues through October 1 in the Springlake-Earth and Sunnyside areas, and Chairmen for the three areas are Mrs. Harlon Watson, Mrs. Bill Morris and Mrs. Ricky Byers are asking volunteers to donate their time to fund raising activities.

"I'm looking for people who can give a little of their time so that millions of lung-damaged children across the United States can live longer, more normal lives," said Mrs. Bill Morris of the Lone Star Chapter of the Cystic Fibrosis Foundation.

"Just breathing is a struggle for these kids. They must have constant care and treatment. Some must take as many as 50 pills a day to fight infection and aid digestion, and breathe a medicated mist from a face mask each day."

The much needed funds raised from the campaign will go to support research, care, and education programs aimed at lengthening lives and finding a cure for C/F. These programs include support for more than 100 Cystic Fibrosis Centers across the nation which provide diagnosis, treatment and referral to children suffering from asthma, chronic bronchitis, "childhood emphysema," and recurrent pneumonia, as well as cystic fibrosis.

"In addition to finding a cure for C/F," said Mrs. Harlon Watson, "researchers are hoping to find a test to detect carriers of the C/F gene, and also a method of diagnosing the disease at birth. Early diagnosis and treatment helps extend and improve lives."

"In 1955, when the C/F Foundation was established, most children with C/F died before reaching 3 years of age. Now, more than 50 percent can be expected to live past age 18. But, we want to make it possible for all children with cystic fibrosis to live normal, full lives. Volunteers can help, she added, by giving of their time to support the giving of the most precious gift of all, the Breath of Life.

To volunteer for the Kiss A Baby Campaign, area folks may contact one of the three chairmen listed below: Mrs. Bill Morris, 257-3842, Earth; Mrs. Harlon Watson, 986-2751 Springlake; Mrs. Ricky Byers, 846-2288, Sunnyside.

MOST PARENTS over the age of 55 live a short distance from at least one child, despite the fact that most families move once every 10 years.

"TO GOD BE THE GLORY" ... was the theme for the day long celebration Sunday at the First Baptist Church. Pictured is 71 year old Rev. Earl Landroop; Marvin Sanders, Song leader, Rev. David Burum, pastor, Rev. Bruce Giles and Rev. C. T. Jordan.

Band Boosters Elect New Officers

The Springlake-Earth Band Boosters met Monday, August 30 in the band hall with 25 members present.

Officers for the upcoming year were elected. They include President, Dwane and Yvonne Jones; Vice-President, Bob and Mary Kate Belew; and Secretary and Treasurer, Robert and Juanita O'Hair.

Several committee chairmen were elected. Those elected included band calendar, Lillian Holland, Evelyn Verden, and Gayle Jones. Dinners, Sherry Hayden, Judith Graham, Jo Eddy Riley and Mrs. Gerald Elkins. Projects, Bill Scott, Tommie Bills, and Barbara Lewis.

BAND UNIFORMS MISSING

It was called to the band boosters attention that several uniforms were missing. These have evidently failed to be returned through the years. Band Boosters urge everyone who had students in band to please check their storage areas for any uniform that might not have been returned.

Replacement cost per uniform at present, cost between \$150 and \$175. So, it is important that each family in the school district to co-operate in locating these uniforms. No questions asked.

Band Boosters will meet each first Monday night of each month beginning in October. All Band Boosters are urged to attend the meetings. This

is the year the band will be taking a trip and many projects and hard work must go into financing this year's efforts.

Fire Departments Extinguish Fire

The Earth and Springlake Volunteer Fire Departments extinguished a fire Friday night around 9:45 p.m. on the farm of Mrs. Myrtle Clayton located near Springlake.

The fire burned a pile of fence posts, but would have spread to the big barn and to farm equipment parked near by, had the talented fire departments been unavailable to extinguish the flames.

The fire was reported by someone with a CB radio who spotted the flames. Mrs. Clayton was in the back bedroom of her residence working on church history, when she observed all the traffic at her place and looked out to see the fire department already in action extinguishing the flames.

The fire apparently was started from some of the farm help burning garbage near the barn, which apparently spread to the pile of fence posts.

State Hay Show Offers Varied Program

Not only hay producers but cattlemen and others should find the 1976 State Hay Show to their liking. The show is set for October 2 at the Harold Green Farm on Farm Road 973 east of Austin.

The educational event will have a lot to offer, foremost being the judging of hay entries from across the state. However, other attractions will include an equipment exposition, livestock exhibits, a hay judging contest, various educational booths, and several keynote speakers.

A good hay crop is being harvested throughout Texas, and all producers should make plans to attend the state show and especially to submit hay samples for judging, says Dr. Neal Pratt, forage specialist for the Texas Agricultural Extension Service.

All hay samples must be sent to the Travis County Extension Office by September 15. A protein analysis will be provided so there is no charge for entering the show.

All class winners will receive plaques along with special prizes. The grand champion entry will also receive a special award, notes Pratt.

Actual judging of hay entries will be on October 1. Registration for the State Hay Show will begin at 9 a.m. on October 2, with the hay judging contest coming at 10 a.m. A discussion on quality forage production by Pratt will precede a noon barbecue. The afternoon speaker will be Reagan Brown, special assistant to Governor Dolph Briscoe. Winners in the state show will

be announced at 2 p.m., with awards presented by H. C. Bell of Austin, a member of the Board of Regents of the Texas A&M University System. General chairman of the State Hay Show is Verlin Callahan, with Travis County Extension Agent Gene Sears serving as program chairman.

Hay is an important commodity in Texas, points out Pratt, and currently ranks fifth among all commodities in cash income value. The specialist encourages producers to learn

more about producing high quality hay by entering hay samples in the State Hay Show and also taking part in the show program on October 2.

The gorilla is not a fierce animal. Actually, it is moody, slow and limited in initiative.

**Freddy Kelley
On Dean's List**

WEATHERFORD--More than 300 students are listed on the honor rolls for the 1976 summer semester at Southwestern State University.

Making the President's List, the top academic honor roll, were 89 students with straight A's. Those making the Dean's List had at least a 3.0 grade point average with no D's or F's.

Freddy G. Kelley, son of Mr. and Mrs. Clarence Kelley of Earth was named to the Dean's List.

To be considered for the summer honor rolls at Southwestern, a student must be an undergraduate enrolled in a minimum of eight hours.

**Boys Ranch Rodeo
Set September 5-6**

Two performances of the 32nd annual Boys Ranch Rodeo are scheduled for 2:30 p.m. the Labor Day weekend, Sunday and Monday, September 5 and 6 with approximately 10,000 people expected to drive to Cal Farley's Boys Ranch for the event.

All of the 370 boys of the Ranch will have some part in the Rodeo, with about 150 competing with each other on the Brahma bulls, bareback broncs, steers and calves. The Rodeo is the only one in the nation that has boys as the only contestants riding professional rodeo stock under R.C. A. rules. Top honors of the Rodeo are the titles of Senior and Junior All-Around Cowboys.

The Rodeo is also a traditional homecoming for graduates of the Ranch who are members of the Boys Ranch Alumni Association. Some will travel long distances with their families to attend. More than 3,000 boys have lived at the Ranch since its founding by Cal Farley in 1939.

An added attraction will be bar-b-que beef plates and other refreshments sold by the boys. Reserve box seat tickets are on sale at the Boys Ranch Office, 600 West 11th Street in Amarillo and can be obtained by writing P.O. Box 1890 or calling 806/372-2341. The reserved box seat tickets are \$2.50 and general admission is \$1.50 for adults and 75¢ for children 12-years of age and under.

PVT. FRANK GUTIERREZ

**Rites Held For
Hallenbeck Infant**

Ft. Knox, Ky.--Army Private Frank Gutierrez, son of Mr. and Mrs. Teodoro P. Gutierrez of Hart, recently completed training as an armor reconnaissance specialist under the One Station Unit Training (OSUT) Program at Ft. Knox, Kentucky.

OSUT is a 13-week period which combines basic combat training and advanced individual training.

Students received instruction in the use of various kinds of weapons, maintenance of armor vehicles, map reading, communications, artillery adjustments, and mines and demolitions.

Graveside services were held at 4:30 p.m. Thursday, August 26 in the Earth Cemetery for the infant son of Mr. and Mrs. Tommy Hollenbeck of Earth.

The Rev. David Burum, pastor of the Earth First Baptist Church officiated. Parsons-Ellis-Singleton Funeral Home was in charge of arrangements.

The infant was stillborn at 8:35 p.m. Tuesday in St. Mary's Hospital at Lubbock.

Survivors include his parents; a brother, Gary Thomas Hollenbeck of the home; and a grandmother, Mrs. Elizabeth Mitchem of Houston.

Mr. and Mrs. Johnny West, and Mr. and Mrs. Carl Chancellor of Medford, Oregon were Saturday evening guests in the home of Mrs. Beulah Danforth.

Firemen's Hall Of Fame, Nations First

The State Firemen's and Fire Marshals' Association of Texas announced today that they are launching a 2 million dollar campaign for the purpose of raising money to build an Archives and Hall of Fame in the State of Texas.

The Campaign Chairman is Veteran Fireman, Chief Bloody Rucker, of Killeen, Texas. The State Firemen's and Fire Marshals' Association is celebrating its 100 years of service this year in Texas. In 1896, a beautiful monument was unveiled on the State Capital grounds in Austin, in honor of the Volunteer Firemen who died in the line of duty.

The Board of Directors of the Association, in a recent meeting at College Station, Texas, decided that the time had come to preserve many of the outstanding pieces of equipment and documents. The men of the firefighting force of Texas should be honored with a Hall of Fame, plus a living library of the training

of firefighters and fire protection.

The site of the Archives is to be determined by the site committee. Contributions are being sought from Business, Industry, Foundations, as well as Individuals. There are 16 Divisions of the Association in Texas involving more than 800 fire departments. All gifts are tax deductible.

Headquarters of the Association is located at 1212 Guadalupe in Austin. Campaign telephone is (512) 478-3068.

Party Line

Mr. and Mrs. Bill Damron, Mr. and Mrs. James Petra, Kristi and Kolene of Brownfield were overnight guests in the home of Mrs. Beulah Danforth. They attended the 50th anniversary celebration of the First Baptist Church in Earth, Sunday.

Getting the total in your checkbook to agree with the figures on your bank statement can be either next to impossible or relatively easy. The process of making these figures agree is called reconciliation. Here are some tips to make it simpler.

- 1 - Don't wait around, do the reconciliation the day you receive your bank statement.
- 2 - Take your checks from the bank statement, put them in numerical order and compare them with your checkbook. Mark your checkbook to indicate which checks have cleared the bank (these will be in the statement).
- 3 - Subtract from the balance showing in your checkbook any bank charges or draft payments not shown in your checkbook.
- 4 - Now on the statement, add the total of any deposits you've made which are not shown on the statement to the last balance shown (on the statement).
- 5 - From this new total, subtract any checks written which are not listed on the statement. This should be the same figure as the adjusted total in your checkbook.

If your addition checks out but there is still a difference, come by and we'll be glad to help.
