NOSIN... With Polly

Remember the TV program years ago entitled "You There" in which news- men, selecting a particular reviewed its history to forth a pictorial story as supposed it might have attempted to persuade the viewers, "You There!"
Easter Cantata Sunday at the United Methodist Church was one of the best I ever had the privilege of attending. It was so real in detail, the selection of music was great and the singing beautiful; the background music was so well done one closed their eyes it was though "You Were There."
Indeed beautiful to see

churches work together in harmony and in one accord to bring to the public such a lovely cantata.

Seems like state and national politics is getting off to a booming start and interest is soaring especially in Texas since the Bank Stock Fraud. It will be interesting to see what happens in the primary election May 6.
Bonnie Haberer, who was once a Ben Barnes supporter, has had the opportunity to meet and talk with Dolph Briscoe at a coffee in his honor at the Norfleet home in Olton. After talking at length to Briscoe about various state and national affairs, she said she was favorably impressed.

April Cancer Crusade Month

The American Cancer Society during the month of April, will discover other techniques in saving the lives of other cancer patients.
Mrs. Jim Lewis of Kerrville has been named the 1972 Texas Crusade Chairman and Texas has set a crusade goal of \$4,000,000 for 1972.
Mrs. M. H. Been and Mrs. Truman Stine have been named chairmen of the cancer crusade at Earth and Mrs. James Sanderson and Mrs. Wayne Davis will head the crusade at Springlake. The Pleasant Valley Social Club will be responsible for the crusade in that area.
The three combined areas have set a goal of \$1,600 to be raised April 19 in a door to door canvassing campaign.

Drumettes Teams Named

Two girls will begin practicing in Little Drumettes basketball Friday.
The newly organized organization are Mrs. Ed Lewis, president; Mrs. Drane Jones, secretary; Mrs. Donald Clay- layer agent; Mrs. Wayne and Mrs. Don Taylor, patron; and Mrs. Sam Bar- and Mrs. Jim Winder, up.

Springlake Elections Held Saturday

Eighteen Springlake residents cast their votes in the Springlake city elections held Saturday. Each of the seven candidates in the election received eighteen votes and there were no write in votes cast.

Those elected as aldermen were W. B. Hucks, Phil Neinaast, N. O. Drake, David Metcalf, and G. H. Miller.
Earl Watson was elected as city marshal.
Election officials were W. C. White and Ralph Rudd.

Residency Law Invalid

The decision of the United States Supreme Court in Dunn V. Blumstein has invalidated state laws which require more than 30 days residency in the state or locality in order to be eligible to vote.
The Texas law has now been enjoined by a federal court in the case of Whatley v. Bull- ock which was decided on March 31, 1972.
Persons who have resided in the state and locality for 30 days and have been registered for 30 days prior to the election in which they wish to vote are now eligible to vote in state and local elections. Persons entering the state may register to vote immediately upon their arrival.

FOR CLEAN UP CAMPAIGN?

The arrival of spring and weather, vacant lots, and even yards are being taken over by litter that is carelessly discarded by human beings about the city of Earth as throughout the nation.
It is expected that the local organizations will soon be planning another clean up campaign in which local residents will generously participate.

Junior Class Orders Senior Rings

Fifty-three members of the junior class at Springlake-Earth High School were busy Tuesday morning placing orders for senior class rings.

A ten dollar deposit was required as a down payment on the rings priced at \$29 for boys and \$25.30 for girls.

According to school policy, the ring cannot be definitely ordered until three weeks before school is dismissed so the orders taken Tuesday will be mailed to the company which manufactures the rings at the proper time. The reason the school has such a policy is that they may be certain a junior class member will have earned the proper number of credits to be classified as a senior the following year.

Jerry Been Completes Tour Of Duty In Vietnam

Spc. 4 Jerry Been, the son of Mr. and Mrs. M. H. Been, recently returned to the United States after completing a ten month tour of duty with the United States Army in Vietnam.

He first served with the 16th Combat Aviation group at Chu Lai, Vietnam, working in communications and piloting helicopters. Been was stationed at Chu Lai for four and one half months. When he was schedul-

ed to leave the base he was presented with a bronze star. He was stationed next at Camp Evans located thirty miles south of the DMZ. There he served with the 3rd of the 187 Infantry Air Mobile Airborne Unit for over a month.

The last four months, Been was in Vietnam, he was stationed at Cam Rauh Bay with the 54th General Support Group. He was involved in intelligence work.

Been stated that he mainly worked with units standing down U.S. units coming home. He also stated that all three units he served with in Vietnam have been pulled out. Been said that a great number of men are returning home and there are only three main bases in use in Vietnam. The only remaining infantry is the 1st Cavalry, besides special units. Asked his opinion of Army food, Been stated that it was

JERRY BEEN

all right under the circumstances, but he did not like sea rations.

His opinion of the general wartime conditions is that under the circumstances they are real good except in the northern territories.

He said that nearly all the Vietnamese people he came in contact with had lived with war time conditions all their lives and some of the people liked the United States and some did not.

Been entered the Army October 7, 1970, and completed basic training at Fort Ord, California where he also received 10 weeks of AIT training.

He was then stationed at Fort Gordon, Georgia, for advanced AIT training before being sent to Chu Lai, Vietnam.

He and his family will reside in Earth until his plans for the future are definite.

Mrs. Alice Martin was dismissed from the Deaf Smith County Hospital at Hereford Tuesday. She recently underwent gall bladder surgery.

Technical Sergeant Kenneth L. Martin and his family of Great Falls, Montana, are enjoying an extended visit with his mother and sister, Mrs. Alice Martin and Mr. and Mrs. R. S. Cole. Martin recently retired from the United States Air Force after serving twenty-one years.

Guests in the L. D. Winders home Sunday were Mr. and Mrs. Jim Winders, Mr. and Mrs. Dudley Winders, Mr. and Mrs. Cliff Layman, and Mr. and Mrs. Gene Faulkner and children of Lubbock.

Sign of Good Breeding

Pioneer brand grain sorghum varieties have bred-in yield potential to help farmers get the most from their good management even in the face of adverse weather, insects, or plant disease. Also, the genetic inheritance of every Pioneer hybrid is unique. Each variety is bred to bring out the special traits necessary for maximum performance in the area where it is to be grown.

Your Pioneer dealer has many varieties bred to help farmers on the Plains turn in top yields. Some of these varieties are:

Pioneer Brand 820: shows its potential on irrigated land — performs well under stress — excellent standability — MDM resistant — 144-day maturity

Pioneer Brand 828: outstanding yielder — stands and threshes well even after freeze or snow — hard grain holds quality — MDM resistant — 144-day maturity

Pioneer Brand 846: excellent drought resistance — consistent high yields — MDM resistant — 134-day maturity

Pioneer Brand 833: yields along with 820 — excellent thresher — 140-day maturity

Pioneer Brand 8417: new yellow endosperm variety — full, open heads — good standability — easy thresher — MDM resistant — 135-day maturity

Days to maturity is an averaged figure, which is affected by weather and other variables.

GOOD YEAR OR BAD YEAR, YOU'RE BETTER OFF WITH PIONEER.

DON BRESTRUP, of Allen Yokum & Don Brestrup Farm near Fieldton averaged more than 8200 pounds of grain per acre with Pioneer brand 820 hybrid grain sorghum. In spite of an unusually wet harvest season, Mr. Brestrup was impressed by the standability and yield of his 820. This year he plans to triple last year's acreage of Pioneer brand 820.
