

Exes Homecoming Queen To Be Crowned October 16

A Homecoming Queen will be named and crowned at the annual homecoming of the Springlake Schools, Friday, October 16, according to the Ex-Students and Teachers Association.

The second event of its kind to be staged at half-time during the Springlake - Sudan football during

a colorful ceremony. **CANDIDATES SELECTED FOR EX STUDENT QUEEN** The three candidates for queen are Mrs. Ann Clayton Kelley, Mrs. Bonnie McNeil Green and Mrs. Lucille Price. An election by secret ballot will be held at 6 p.m. in the school cafeteria.

Identity of the queen will not be known until half-time. **GUEST SPEAKER FORMER SPRINGLAKE STUDENT** Events scheduled are a program from 5-6 p.m. in the school auditorium. Guest speaker will be John D. Wilkinson of Borger, a former Springlake student and a

member of the Wolverine football team. Classes of '29, '39, and '49 will go honored. A supper will be served from 6 to 7:30 p.m. in the school cafeteria to ex-students, teachers and guests. Admission charge will be \$1.00 per plate.

Exes Yearbook of 1959 will be on sale at this time. Coffee and doughnuts will be served to all ex-students and teachers in the school cafeteria immediately following the football game. All ex-students and teachers

of the Springlake Schools, living in the Earth - Springlake area are urged to attend and help welcome the out of town exes. The Ex-Student and Teachers Association ask each ones cooperation in helping to make this a bigger and better homecoming ever to be staged.

A special invitation has been issued to past school board members. The earliest ex-board of trustee member to present will receive special recognition.

The largest number on record is expected to attend this annual homecoming.

C. of C. Membership Drive Gets Underway Wednesday

A Chamber of Commerce membership drive got underway Wednesday morning, following a special called meeting of the Earth Chamber of Commerce membership held at 8 p.m. Tuesday in the community building.

The purpose of the meeting was to kick off the membership drive and appoint various committee members and chairmen for the Chamber of Commerce for the coming year.

During the business meeting the members voted to become affiliated with the United States Chamber of Commerce.

The nine committees appointed are as follows:

- Membership — Marcus Messer, and Harvey Evans.
- Finance — Eldon Trotter, Bernie Sarradet, and Bill Bryant.
- Program — Bill Mann, Golden Ferguson, Paul Wood and Dutch Been.
- Publicity — Ross and Polly Middleton.
- Civic Improvements — Bill Bryant, Carlis Bills, Paul Wood.
- Agriculture — Hershel Belew, Jarvis Anzeley, Golden Ferguson, and Carroll Blackwell.
- Safety — Marcus Messer.
- Welfare — Carroll McDonald, Phil Raught and Carlis Bills.
- Civil Defense — Ross Middleton, and Marcus Messer.

A membership luncheon will be held at noon, Thursday, October 15 in the community building.

All who are not already members of the Chamber of Commerce are urged to attend this luncheon as well as the members.

Teenagers Jailed In Five County Burglary Spree, Bond Set at \$1500

Three teenagers were jailed Saturday following their arrest Wednesday in burglary spree covering five counties. The boys, Bobby Heffington and LaVern Ridley of Littlefield and Raymond Henderson of Muleshoe were jailed and bonds set at \$1500 each. Henderson admitted the breakin at Elroy's 26 Service in Springlake September 27 and also a breakin in Muleshoe, September 13. The boys, two of them 17 and one 18 years old were being held

EX-STUDENT CANDIDATES FOR HOMECOMING QUEEN — One of these lovely ladies will be elected Ex-Student Homecoming Queen at the supper at 6 p.m., Friday, October 16 in the school cafeteria. They are left to right, Mrs. Lucille Price, Mrs. Bonnie McNeil Green and Mrs. Ann Clayton Kelley

Phone Rate Adjustment Proposed At City Meet

Telephone rate adjustments for the Earth telephone exchange was discussed by Bob Saunders, district manager of General Telephone Co. of Littlefield and Roy Priest of Brownfield with the Earth City commission at their regular monthly meeting held Monday night.

A called meeting has been set for Monday, October 26 by the City Commission and General Telephone representatives to set the percentage needed in the new rate adjustment.

The regular meeting was just routine business and bill paying.

Those present included Mayor Marcus Messer, commissioners, Pat McCord, C. P. Parish, Dutch Been, L. S. Griffin, Water superintendent, W. F. Williamson and Mrs. Ruby Anderson, city secretary.

Forger Arrested, Jailed At Muleshoe

A Muleshoe man, Mike Barboba was arrested this week and charged with forgery on two prominent Earth businesses, Brown - White Equipment Co. and Quicksall - Pryor Auto Parts.

The checks, both amounting to \$46.00 each, was forged by Barboba last week.

Bond had not been set Tuesday according to Deputy Sheriff V. L. Smith, Jr.

Join YOUR Chamber of Commerce today — Become a Booster for Earth.

for other breakins in Anton, Shallowater, Littlefield and Sudan, also a car theft in Farwell. Officers said, Henderson later admitted taking a car at Farwell after having trouble with the 1954 model he was driving. Sheriff Dick Dyer said he had warrants for the three boys from Hockley County and expected to get others from Lubbock, Farmer and Bailey County. The haul in the spree included \$90 cash, five pistols, and several cartons of cigarettes.

NOTICE

COMMUNITY SINGING
 Community singing will be held Thursday, October 8 at 7:30 p.m. in the Springlake community building.

The public is cordially invited to attend.

Martin Landers Guest Speaker For Next PTA Meeting

Martin Landers, head of the speech department at Wayland College at Plainview, will be guest speaker at the Springlake PTA meeting Thursday, October 15 at 7:30 p.m. in the Springlake school auditorium.

Mr. Landers' subject will be "Education, whose Responsibility."

The twisters of the Springlake band, and a trio, composed of Linna Lawrence, Sharon Wheatley and Camilla Wheatley will entertain.

There will be a social hour following the program and refreshments will be served.

Fellowship Supper Sunday Will Honor Methodist Teachers

A family fellowship supper honoring the Methodist members of the Springlake School faculty will be held at 6:45 Sunday in the dining hall of the church.

The supper will be served immediately following the 6 p.m. vesper services.

Members are urged to attend and bring enough food for an extra guest.

BUD IRVINE CONDUCTING FIVE DAY GOSPEL MEETING

Bud Irvine, minister of the Earth Church of Christ is conducting a five day Gospel Meeting at Crescent Park Church of Christ in Odessa this week.

Irvine will return Saturday to fill the pulpit at the regular 11 o'clock services, Sunday.

Mrs. Bonnie Haberer Named Red Cross Regional Fund Chairman

Mrs. Bonnie Haberer of Rt. 4, Muleshoe, has been appointed by the National Red Cross to serve as a regional fund chairman in four counties in the western portion of the South Plains.

These counties include Terry, Bailey, Cochran and Yoakum.

Mrs. Haberer has been very active in Red Cross as a volunteer

worker for many years. She is a member of the Lamb County Executive Board and Disaster co-chairman. She is now serving in a greater capacity and over a larger area.

Her duties will be to assist the counties under her jurisdiction with the organization and promotion of the fund campaigns in order that they may be more successful.

Grand Opening of Steam Roller And Mixing Plant October 15

PRINCIPAL SPEAKER — John Wilkinson of Borger, an ex-student of the Springlake Schools will be the principal speaker at the Ex-Student and Teachers Homecoming program at 5 p.m. in the school auditorium, October 16. Wilkinson was a member of the first Wolverine football team. He is now Chief of Police at Borger.

The Earth Elevator is announcing the grand opening of its Steam Roller and Mixing Plant, Thursday, October 15 from 8 a.m. to 5 p.m.

A big day is scheduled with free prizes, free coffee and doughnuts, also free favors for the kiddos.

Registration for free prizes will begin early and continue until 4 p.m.

Time of drawings and prizes are:

- 10 a.m. — Free Ton of Custom Rolling.
 - 11 a.m. — Free Ton of Mixing.
 - 1 p.m. — Free Electric Percolator.
 - 2 p.m. — Free Electric Wall Clock.
 - 3 p.m. — Free Electric Fry Pan.
 - 4 p.m. — Free Sylvania Radio.
- You do not have to be present to win.

Ed Shores, district manager of Raiston Purina Co. will present films on "Effects and Advantages of Feeding Purina Chows." Hal Mayfield of "Purina Visits" of KG NC-TV, Amarillo will be present all day.

Ranchers, farmers, cattle feeders, hog raisers, dog owners, poultry raisers and rabbit raisers are welcomed to get acquainted with the Check - R - Mix service.

The elevator is also operating a Grain Bank. Farmers can estimate their needs for the period from now until next harvest season, you can place the grain in the bank and take it out as you need it. Your grain is covered with insurance. By listing the personnel at the Earth Elevator know when you wish to pick up some of your grain, they will have it steam rolled and mixed with Purina Chows to your specification or to the specification of the Purina Research Laboratories or you can pick it up steam rolled only. They can load either in the bulk or sacked.

The plant is located near the Earth Elevator on North Amherst Road and is the only one of its kind in this area.

Everyone is invited to attend and to remember the date, Thursday, October 15.

Trailer Load Of Cotton Runs Wild Down Main

Mrs. Fox's Mother Dies In Higgins

Mrs. Rhoda Ann Kernes 77, of Higgins, Texas, mother of Mrs. C. E. Fox, died in her home October 1, following a lengthy illness.

Rev. Bridges, of Arnett, Okla. conducted the funeral services Saturday, October 3 at 2:30 p.m. in the Higgins Methodist Church, and interment was in the Higgins Cemetery.

Mrs. Kernes is survived by two daughters, Mrs. Dale Fritz of Higgins and Mrs. C. E. Fox; three sons, Russell of Higgins; Jessie and Clifford of Wichita, Kansas; thirteen grandchildren and three great grandchildren.

Join YOUR Chamber of Commerce today — Become a Booster for Earth.

A trailer load of cotton went out of control, when a pin broke on the hitch, and hit a pickup and then rammied into a city light pole about 6 p.m. Tuesday.

The four wheel trailer of cotton belonged to Doug Parish and was being pulled with a pickup along Main Street, when the pin broke at the dip on Date and Main Street.

The pickup owned by Ed Wheat was parked in front of Barton Bros. Butane Co. on Main Street was hit.

Deputy Sheriff V. L. Smith, Jr. said, "he believed the damages to the pickup would amount to approximately \$150, and the front end of the trailer was broken up. The light pole was scratched. No one was injured in the accident."

GLEN McCLESKY ATTENDING JOHN DEERE SCHOOL

Glen McClesky mechanic at Dent Farm Supply left Sunday to attend a week's John Deere School in Hutchinson, Kan.

Mrs. McClesky accompanied her husband to Hutchinson. They will return home Saturday.

NOT LIKE THE GOOD OLD DAYS — When we gathered a bale a week. This is a 30 bale crew. These 80 Mexican Nationals are gathering cotton for R. C. Davis, Sr., three miles west and three miles north of Earth on the Bill Lee farm. The farm laborers are pulling a 111 acre tract of cotton.

County Wide Farmers Union to Meet Monday

Earth Farmers Union will be hosts to the Lamb County Farmers Union at a county-wide meeting to be held Monday, October 12 at 7:30 p.m. in the Jaycee building to elect local officers and to hear State Farmers Union president, Alex Dickie and state secretary and insurance manager, Richard Alexander speak on new changes in insurance laws, particularly in automobile insurance rates, also in Blue Cross, Blue Shield Group Insurance.

The public is cordially invited to attend.

Funeral Held For Kin Of Local Man

L. D. Daniels, 85, of Seagraves, uncle of J. D. Glenn of Glenn's Drive - Inn died Wednesday, September 30, following a lengthy illness.

Funeral services were held Thursday, October 1 at 4 p.m. in the Church of Christ at Seagraves.

Mr. Daniel is survived by his wife; one daughter, Mrs. Mae Willis of Seagraves; two sons, R. C. of Albany, and Pete of Fort Worth.

Join YOUR Chamber of Commerce today — Become a Booster for Earth.

Conservation, Soil Is Light, Theme of Good Earth Garden Club

The Good Earth Garden Club met Tuesday, at 7:30 p.m. in the home of Mrs. Clarence Kelley, co-hostess was Mrs. C. O. Taylor.

The meeting theme was, Conservation, Soil means Light, presented by Mrs. B. H. Hodge.

Pie and coffee was served from a white linen covered table centered with roses beautifully arranged by Mrs. Melton Welch.

Others who attended were Mesdames E. R. Hawkins, Bruce Higgins, J. A. Littleton, Sr., R. E. Barton, Everett Patterson, Lena Hite, Guy Kelley, Arnold Shelby, Doug Shelby, John Welch, B. Campbell, Marvin Sanders, Ray Kelley, A. E. Wheatley, L. T. Smith and H. F. Hodge.

AMONG THOSE WHO ARE ILL!

Mrs. Nancy G. Patterson has been suffering a sore throat this week. She has remained at home.

Louise Gregory, daughter of Mr. and Mrs. Carl Gregory is receiving treatment at West Plains Hospital and Clinic in Muleshoe for encephalitis. She is still very ill.

Roy Gover, Earth farmer, suffered a heart attack enroute to Muleshoe, Monday afternoon. Gover drove to the West Plains Hospital and asked to see a doctor and then collapsed. He is reported to be resting well.

Dickie Brown, infant son of Mr. and Mrs. Gene Brown was released Friday from the Plainview Hospital, where he spent a night and day under an oxygen tent for a respiratory condition. He is reported improving.

Party Line...

Mr. and Mrs. Soche Haley and Connie of Mountain View, Okla. are visiting this week with Mr. and Mrs. Ed Haley.

Join YOUR Chamber of Commerce today — Become a Booster for Earth.

MRS. BOB BELEW (Mary Kate Ramseur)

Ramseur - Belew Vows Exchanged In Brownfield First Methodist Church

Before a background of candles and standing baskets of blue gladiolus with a spray of blue First Methodist Church in Brownfield, wedding vows of Miss Mary Kate Ramseur, daughter of Mr. and Mrs. Dave Ramseur of Brownfield and E. Bob Belew, son of Mr. and Mrs. R. H. Belew were exchanged.

The Rev. James Tidwell, pastor, read the double-ring ceremony.

A. V. Wall sang "Because," "Ah Sweet Mystery of Life" and "The Lord's Prayer," accompanied by Mrs. Pat Ramseur, sister-in-law of bride, pianist.

Wearing a gown of white silk

peau de sole the bride was given in marriage by her brother, Pat Ramseur. The fitted bodice featured long sleeves that tapered to points over the hands. Motifs of lace surrounded by seed pearls dotted the full skirt, sweeping to a chapel train in the back.

Her fingertip veil of silk illusion draped from a tiara of seed pearls. She carried a bouquet of gardenias surrounded by stephanotis on a white Bible.

Mrs. Roy Gover of Meadow was matron of honor, and Mrs. O. R. Phifer of New Home was the bridesmaid. Both wore identical dresses of blue silk fashioned with scooped necklines and short trains

Women's Page

PHONE 4871

in the back. Each carried a bouquet of blue mums.

R. H. Belew of Earth served his son as best man.

Ushers were Doug Shelby and Joe Cloud. Mr. and Mrs. Phifer were candlelighters and their daughter was flower girl.

Bouquets of the bride and her attendants formed the centerpiece for the reception table in the church parlor, following the ceremony.

The guests were received by the couple and their parents, along with Mr. and Mrs. Pat Ramseur.

Mesdames Dea Parker and H. H. Shropshire presided at the serving table.

For a wedding trip to Ruidosa, the bride chose a suit of blue with a gardenia corsage.

The bride is a graduate of Brownfield High School and was employed at Brownfield State Bank.

The bridegroom is a graduate of New Home High School and attended Texas Tech in Lubbock. Both are now employed at the Earth Gin Co. and are now living on Third Street.

Two Honored With Birthday Dinner

Co-hostess was Mrs. A. K. Shelby.

Those attending were Mr. and Mrs. C. O. Taylor, June and Billy, Mr. and Mrs. Doug Shelby and Mr. and Mrs. A. K. Shelby.

A birthday dinner was held Sunday in honor of Mesdames C. O. Taylor and Doug Shelby, in the home of Mr. and Mrs. C. U. Shelby.

Mr. and Mrs. W. C. White of Springlake left Tuesday for Salem, Ore. to visit Mr. and Mrs. Braxton Dent and family and to attend the wedding of their granddaughter, Linda Gayle Dent.

FLAGG GRAIN CO., INC.

GEORGE BLANTON — Manager

Do You Remember ?

Five years ago this week as taken from the files of The Earth News-Sun.

The two-day Grand Opening for Dent Farm Supply, one of Earth's biggest events in a number of years, was attended by nearly 1000 persons.

Mrs. W. C. Terry, her daughter, Mrs. G. C. Green, and Mrs. R. L. Drake returned Wednesday from Durant, Okla., where they attended the Golden Wedding anniversary celebration of Mr. and Mrs. Aaron Terry.

Until the precipitation increased this week, the Earth Elevator was handling approximately 1,000,000 pounds of grain a day, according to Carrol Blackwell, manager.

Edd O'Hair and family returned home Wednesday with the prize catch of a 54-pound catfish another weighing 10 pounds and several small-size fish.

Mr. and Mrs. Bill Stockard and Mr. and Mrs. James Sanders were in Lubbock Saturday night, they had dinner at the Caprock Hotel, after which they attended the Texas Tech - Oklahoma A & M game.

Mrs. Irvin Ott was honored with a birthday supper Thursday evening in the home of Mrs. Milt Ott.

Mr. and Mrs. Delma McCarty, accompanied by Nelda Roach, Shirley Chaney, Bobby Green and Kay Haberer spent the weekend in El Paso. They visited Macky McCarty and Dudley Roach at Camp Hood, Saturday at noon the boys received a pass and they all enjoyed sight-seeing in El Paso.

Mr. and Mrs. M. E. Kelley attended the Tech - A&M game in Lubbock Saturday night.

Mr. and Mrs. Edd Williams and daughter, Janelle, visited Mr. and Mrs. Raymond Duvall of Bison, Okla., Sunday.

Color printing was used as early as 1457 in Germany.

PORTRAIT OF A CLOWN

"That's Old Weary Willie," says Emmett Kelly, world famous clown, as he makes a comical survey of his likeness in oils painted by the nationally acclaimed portrait painter Dmitri Vail, of Dallas, shown pointing to the canvas. The portrait, the first and only one for which Kelly has ever posed in person, will be shown in the Dmitri Vail Sixth Annual One Man Exhibition of Portraiture in the Lobby of the State Fair Musical Auditorium as one of the outstanding attractions of the Texas State Fair, October 9 to 23.

ure. The elaborate replica of the venerated Nikko Shrine near Tokyo is a "cultural treasure" of the Japanese, cost two and one half million dollars to build, and has been allowed outside Japan for the first time. The only other place in the U. S. it has been shown was at the Oregon Centennial Exposition this summer, where it was the featured attraction.

Another great new feature at the fair is the just completed \$2,000,000 Livestock Coliseum, which will house three big horse shows during the fair. Over 900 entries from 25 states and Canada are listed for the horse shows.

Entertainment attractions at the fair this year include the McGuire Sisters in the "Star Light! Star Bright!" revue with Rowan and Martin in the Music Hall, the all-new 19th edition of the "Ice Capades," the State Fair "Shower of Stars" series of free shows, and the million-dollar Midway featuring "Dancing Waters."

School Menu

MONDAY — Chicken and noodles, buttered green beans, buttered corn, sliced tomatoes, hot rolls, and tapioca pudding.

TUESDAY — Roast beef and brown gravy, creamed potatoes, buttered peas, tossed salad, hot rolls, and devils food cake.

WEDNESDAY — Ham and beans, chopped greens, kraut, carrot and coconut salad, cornbread, and cobbler pie.

THURSDAY — Spaghetti and meat ball, candied sweet potatoes, buttered spinach, beet pickles, and fruit salad.

FRIDAY — Barbecued hamburgers, vegetable soup, lettuce wedges, sliced tomatoes, banana pudding.

Party Line...

Mr. and Mrs. H. A. Caraway, Jr. and family were Sunday guests in the home of Mr. and Mrs. Gene Brown.

PL — Mrs. Stella M. Sutton has returned home after a visit in Dallas and vicinity. Mrs. Sutton is a former resident of Dallas.

CORRECTION — Debra Parish suffered a broken arm, instead of a broken ankle, as reported last week.

PL — Mrs. Mildred Free left Friday for a three week's visit with her mother, Mrs. C. V. Harland in Big Springs.

PL — Recent visitors in the home of Mr. and Mrs. Gerald Inglis were Mr. and Mrs. R. E. Parks of Richmond, Calif.

BANK NOTES by Malcolm

Mr. and Mrs. B. Campbell visited Sunday in Amarillo in the home of Mr. and Mrs. J. C. Owen.

MULESHOE

Nixon - Daniel To Open 74th Annual State Texas Fair Friday

DALLAS — The 74th annual edition of America's greatest fair, the 1959 State Fair of Texas, will open Friday afternoon.

Following the traditional parade through downtown Dallas, which starts at 3 p.m., the ribbon-cutting ceremonies at the main pedestrian gate on Parry avenue will officially open the fair at 3:45 p.m. However, all fairground gates except Parry gate will be opened to the public at 3:30 p.m.

Texas Gov. Price Daniel will

snip the silken ribbon that officially opens the fair, and Vice President Richard M. Nixon will speak briefly. The official party will then proceed to the General Exhibits Building where Vice President Nixon will press a button to open the second annual Texas International Trade Fair.

The SMU Mustangs and the Missouri Tigers open the fair's football schedule with a game in the Cotton Bowl at 8 p.m. Friday. The next afternoon at 2 p.m. is kickoff time for the annual Texas-Oklahoma gridiron classic, which both Governor Daniel and Oklahoma Governor Howard Edmondson are expected to attend.

The State Fair of Texas as usual is loaded with attractions, but there is much more that's new this year. By the time the fair is over, for example, virtually every one of the new 1960 model cars will be on display in the Automobile Show. The Fair show will be the first in the country to show the 1960 cars.

The fabled "Nikko Exhibition" from Japan is another new feat-

Corner on Cotton

BY BOB COLLINS

Search is underway for the 1960 Maid of Cotton . . . the young lady who will offer indisputable evidence of cotton's beauty and utility . . . sponsored by the National Cotton Council, the contest to select the Maid is in itself excellent cotton promotion . . . any young lady is eligible provided she has been born in one of the cotton-producing states, is between the ages of 19 and 25, never been married and is at least five feet, five inches tall . . . the lucky young lady will tour the U. S., Canada and certain foreign countries to promote cotton . . . this year's Maid circled the world . . . selection of the young lady will be made in late December . . . entry blanks are available from the National Cotton Council, P. O. Box 9905, Memphis 12, Tenn.

Surplus Figures
Government money (that's your money) tied up in farm surpluses is down slightly since last November . . . figure is \$8.3 billion as of June 30 . . . but a year ago the figure was \$7 billion . . . of this amount you can charge \$150.6 million to cotton.

Weevil Lab
Should be about 18 months before a boll weevil research lab will be completed . . . will be built at Mississippi State College and will cost about \$1.1 million according to Congressional appropriation.

Cotton & Law
We've heard of a Texas county sheriff who wears only all cotton uniforms and insists that his deputies are also uniformed in only cotton clothes . . . sheriff figures it's only right since most of the voters earn their living growing cotton.

Cotton's Share
Cotton's consumer market decreased some during 1958, but competing fibers and materials were down even more . . . using an equivalent measuring stick, end-use consumption of cotton was down about one per cent and the competition was down about seven per cent.

Cotton Week
National Cotton Week will be May 16-21 during 1960 . . . it's expected that about 200 cities will take in the promotion during this period . . . first Cotton Week was held 29 years ago.

W. T. S. C. To Be Host For High School Students

CANYON, October 6. (Special) — High school students from over the Panhandle and South Plains have been invited to be guests of West Texas State College for "High School Day" October 17.

Highlight of the day, first to be held here at WTSU for many years, will be the football game between West Texas State Buffaloes and Mississippi in the 29,000 seat stadium.

Students attending the special day will be given \$3.00 reserved seats for 40 cents, according to Frank Kimbrough, WT athletic director. The game will be at 5 p.m.

Activities will also include open house tours on the campus, a pep rally preceding the game, dinner in the cafeteria, and a dance in the student union building following the game.

Letters to superintendents throughout the area, with full information about the special day, are being mailed by Dr. Emmitt Smith, coordinator of public services.

Planned for the open house tours are visits to the new fine arts building, library, science building, student union building, museum, church centers, ROTC facilities, and dormitories. Guides for the tours will be students attending WT from the visitors' home towns.

"High School Day" activities will start at 2 p.m., when visitors will gather at the field house. Visiting high school students will be recognized during halftime activities at the football game.

Earth Elevator

Regains Employee

Carroll Blackwell, manager of Earth Elevator reports that Billy D. Jones will be employed at the Elevator again this season.

Mr. and Mrs. Billy D. Jones and children are moving into the M. O. Carter house on North Amherst Road.

Eighth Grade Elect Class Officers For Current School Year

The first meeting of the eighth grade class of Springlake Junior High School was held Wednesday, September 23. The following officers were elected:

Bill Shirey, president; Jerry Beem, vice president; Jan Hay, secretary; Joanie Murrell, reporter.

The class also made the following selections:
Class song, "Graduation Day."
Class colors, "Red and White."
Class flower, "Carnation."

Hobo Day and selling Christmas corsages will be their fund raising projects.

Mrs. Erma Lee Atkinson, sixth grade language arts teacher and Cecil Slover seventh and eighth grades language arts teacher are the eighth grade sponsors.

Mrs. Beasley Accepts Position At Bank

A new employee at the Citizens State Bank is Mrs. Bill Beasley. Mrs. Beasley assumed her new duties in the bookkeeping at the bank, October 1.

Mrs. Beasley was formerly employed as bookkeeper at the Earth Oil and Gas Co. when her husband was co-owner of the company.

Mr. Beasley is now vice president of the Citizens State Bank. They have two daughters, Linda and Pam.

4-H CLUB REORGANIZES, ELECT NEW OFFICERS

The 4-H club held a meeting Wednesday afternoon and elected officers for the year.

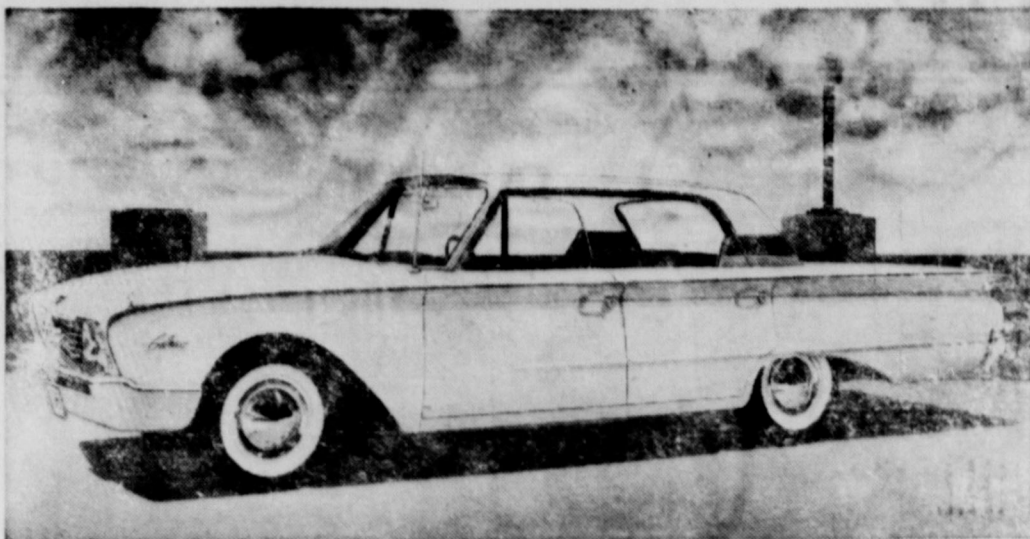

Officers elected were Joan Dawson, president; Karen Jones, vice president; Donna Ruth Grover, secretary; and Debbie Barton, reporter.

There were twenty six members and nineteen visitors in attendance.

Club meetings will be held the first Thursday of each month.

Party Line.....

Mr. and Mrs. W. H. Parish and guest, Mrs. Edna Worley spent Saturday and Sunday with Mr. and Mrs. Billy Joe Fain in Kermit.

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two- or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

H. P. R. F. Field Day Attendance Good This Year

Eighteen hundred fifty three guests attended the third annual field day at the High Plains Re-Foundation, Thursday, September 24.

Fifteen states, Washington, D. C. and Puerto Rico joined representatives from all over Texas for the program. Scientists from nine college extension services were among the guests.

The program started with a meeting of the board of trustees of the foundation, where the budget and research program for 1960 were adopted. Tours started at 1 p.m. and continued until 5:15 p.m. Scientists from Texas Tech, Bushland and Lubbock extension farms and the Foundation staff described the projects underway at seven tour stops. The guides that accompanied each of the 29 tractor drawn wagons included County Agents, Soil Conservation personnel and representatives of fertilizer and chemical companies.

Over fourteen hundred guests enjoyed the barbecue furnished by S. E. Cone and Grady Goodpasture Elevators of Lubbock and Brownfield. Speakers at the evening program included George Mahon, Lubbock; Walter Rogers, Pampa; Congressman from the 18th and 19th Congressional Districts, Frans Moore, president of the Foundation; Harold Hinn, chairman of the board; and Dr. J. H. Crawford, pastor of the First Methodist Church, Plainview. Carl Hill, Jr., Connelly Implement Co., Amarillo, was master of ceremonies for the occasion.

The agricultural machinery exhibit had many new features, including agricultural aviation equipment, flame cultivation and the latest in planting and harvesting equipment.

Businessmen and farmers from the area performed as greeters and hosts, served the barbecue and parked cars.

Party Line.....

Mrs. Gerald Ingis and Virginia Bearden of Littlefield, attended the funeral Sunday for Mrs. H. L. (Cranny) Bridges at the Springlake Church of Christ.

Stephens, Smith Attend School

Houston Stephens, owner of Stephens and Sons Hardware and D. L. Smith, Lazbuddie community serviceman an salesman of Norge Appliances, for Stephens and Sons Hardware, returned recently from Amarillo where they attended the Norge Service School.

Mr. Smith also has his own Norge shop in Lazbuddie.

Party Line...

Mrs. L. Z. Anglin and Mrs. Minnie Pate left Tuesday for San Angelo, to visit relatives. Mrs. Pate will be at the bedside of her sister, Mrs. Myrtle Bland, who has been ill for some time.

Party Line...

Mr. and Mrs. Pat Montgomery were in Lubbock, Monday on business.

Mrs. Pat Smith and Kathy spent the weekend in Hereford with Mr. and Mrs. Harry Smith.

Mr. and Mrs. H. B. Weaver and daughter, Mrs. Lige Griffin of Amarillo made a business trip to Littlefield Monday.

Mr. and Mrs. H. B. Weaver will accompany their granddaughter, Mrs. Bill Reynolds and great granddaughter, Betty of Amherst to Lubbock Thursday on business.

Mr. and Mrs. Carl Richardson and Mr. and Mrs. Bill McCurry of Spade visited Sunday afternoon with Mr. and Mrs. Kenneth Sawyer.

Mrs. W. R. Owen of Sweetwater, has returned home following a two weeks' visit here in the home of Mr. and Mrs. E. Campbell.

Mr. and Mrs. Paul Fry and son of Hooker, Okla. were weekend guests of Mr. and Mrs. O. C. Fry of the Dodd community.

Mr. and Mrs. Jerrel Haberer, and Mrs. Cecil Parish left Tuesday for a few days in Dallas.

DID YOU KNOW . . .

A DOG SHOW WAS RECENTLY HELD IN THE WINDOW OF A NEW YORK BANK. A NOTED FIELD-TRIAL JUDGE EXPLAINED RARE BREEDS & THEIR CHARACTERISTICS.

THE BANK OF OKLAHOMA IS OFTEN CALLED THE "MOTHER OF CENTRAL BANKS" IT SET THE PATTERN FOR BANKING ALL OVER THE WORLD.

A YOUNG CHEMICAL ENGINEER, IN THE BUSINESS OF MAKING SYNTHETIC SOAPS, MUST PRESERVATIVES AND DYE INTERMEDIATES RESEARCHED \$1000 IN 1941 FROM A LOCAL BANK TO FILL AN ORDER FOR THE U.S. NAVY TODAY, HIS SALES EXCEED \$1,000,000 A YEAR.

Springlake Drops Close One To Seagraves 22 To 30

By BUD IRVINE

The fighting Springlake Wolverines dropped a close game to Seagraves 20 to 22 Friday night at Seagraves in a rain storm.

Springlake was not given much of a chance to even give the strong Seagraves a contest, as Seagraves had won three and lost but one game, and had played some Double A schools. Also, Springlake made the trip with only 15 players suited out.

Six of the starters were out. Tom Meser, stellar Springlake end, was sick at home with the virus. Five other starters didn't make their trip due to a disciplinary problem. As the Wolverines drove into Seagraves nobody gave them a chance, hardly, except the coach and the boys themselves.

Even though some of the boys had not played over a couple of minutes this year, and were playing at strange positions, they never gave up and gave Seagraves all the football they wanted. Some of the boys were still suffering from the virus. Add to this the terrible playing conditions due to the rain and you may have an idea how wonderfully well our boys did. They were outmanned, but never outplayed or out hustled.

Added to the above conditions, Springlake got off to a bad start on the opening kickoff. Seagraves kicked off to Springlake to open the game, and Springlake fumbled on their own 41 yard line where a Seagraves boy fell on it. On the first play from scrimmage Joe Faulkenberry, Seagraves outstanding halfback, fumbled through the entire Wolverine team to go 41 yards for a touchdown. The extra points try failed. Shortly afterwards Seagraves took the ball on Springlake's 40 yd. line and march-

ed for another score in ten plays with Faulkenberry scoring from four yards out. This time the Seagraves Eagles made the try for the extra points with their full-back Stephenson running the three yards, making the score 14 to 0 against Springlake in the first quarter.

Having inexperienced players in the Wolverine lineup, you would think the boys would have been down and out, but they weren't. In the second quarter they promptly marched into Seagraves territory and Hal Hudson ran for a touchdown from the 22 yard line, but it was called back due to an offensive holding penalty.

This should have sure "nuff" broken the back of Springlake, but the Wolverines could certainly be called the "fighting" Wolverines as they came back in the second quarter and scored on a beautiful pass play from Robert Cortez to Darrell Barlow for 15 yards and a touchdown. Cortez passed to Bobby Sloan for the extra two points, so the score at half time was Springlake 8 and Seagraves 14.

The Eagles came back in the top of the third quarter, took the opening kickoff and marched 60 yards in seven plays for another score with Moseley going over from the three yard line. Waller carried for the two extra points, making the score 22 to 8, Seagraves.

On the first play from scrimmage after receiving the kickoff Springlake fumbled the slippery ball and Seagraves recovered and went 25 yards in five plays for their final touchdown, and they passed for the two points and the score was now 30 to 8 in the third quarter, and it looked for a minute

The 1960 Ford Sunliner is one of 15 models in the new Ford line which will be introduced October 8 in Ford dealer showrooms across the nation. Featuring the strikingly modern rear deck and flat-wing motif, the new Fords are five inches longer, five inches wider and have more interior leg, hip, shoulder and head room than before. Ford's new integrated design, harmonizing the interior with a single, flowing exterior styliline, is proof that modern styling need not be radical or eccentric.

the third quarter and drove down to Seagraves 7 yard line. The drive was sparked by a beautiful 35 yard run by Norman Clayton who was just barely stopped on the seven. But the Wolverines couldn't push it over and Seagraves took over on downs.

Now it was early in the fourth quarter as Seagraves kicked off and drove down to Springlake's 45 yard line. The Wolverines started another march, and went 55 yards in eight plays, with Hal Hudson going the final two yards for the touchdown. The extra points try failed, so Springlake trailed 30 to 14 in the last quarter, but the Wolverines "evened" through yet. Late in the quarter they recovered a fumble on Seagraves' 17 yard line and scored in seven plays with Clayton going over from the two yard line. Norman Clayton also planned for the two extra points and now Springlake was trailing only 22 to 30 with less than two minutes remaining in the game.

Clayton tried an inside kick on the kickoff and it was a good one, going the required distance, but a Seagraves boy just fell on it, not trying to pick it up. Seagraves then ate up the clock with three quarterback sneaks, with the final score Seagraves 30, Springlake 22.

With seemingly all the breaks against them even before the game

started, the Wolverines played a tremendous game, and all of us from this community who made the trip and saw the game were more than proud of them. It would be unfair to single out one or two boys for fine play, for all fifteen played wonderfully well. However, it was the fine passing of Cortez and Hudson, and the powerful running of fullback Norman Clayton that kept the Wolverines going on the offense.

Clayton was the leading ground gainer of both clubs, and made for a best yardage of his career. He carried 21 times, gained 146 yards for an average of a little over 6 yards per carry.

Amherst comes to Wolverine stadium tomorrow, Friday night, and we are looking forward to a victory by the Wolverines. Let's all be on hand to root our boys on to victory.

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breathtaking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

ents of Mr. and Mrs. Jack Smith, and a friend of the Smiths, Russell Hammock, all of Reed, Okla., spent the weekend with the Jack Smiths. They also visited with Mr. and Mrs. Glen Scott during the week. Mrs. Scott is a daughter of Mr. and Mrs. H. J. Smith.

SCHOOL HAPPENINGS

The High School students attended the Fair at Lubbock Tuesday, September 28.

The Home Ec class III are studying exterior decorating. They have refinished their rooms. The results are very pretty.

The Longhorns penned the Wilson Mustangs 16 - 0.

A meeting of all 4-H members and dads of those boys needing help finding projects for the next spring shows was held in the school auditorium at 7:30 a.m. Tuesday, October 6. Those needing help in finding a lamb, pig or calf were asked to be present.

The next county show date for 1960 have been set for March 11 and 12.

The Lazbuddie School Fair will be held Monday, October 12 in the vocational agriculture department. Entries in crops and vegetables

divisions may be taken to the department between 2 p.m. and 4:30 p.m. Sunday afternoon, October 11. Livestock should be brought in on Monday morning before 9 a.m. on the 12 and are to remain there until 5 p.m.

Crops should be gathered and prepared four or five days prior so they will look their best while vegetables should be gathered a very short time before taken to the fair according to Joe W. Jones, county agent.

He also asked that you check the sheet given you to have the right amount of each entry entered.

SUNBEAMS PROMOTED

Byron Sanderson and Tommy Clayton were promoted to the Beginner Sunbeams, from the three year old Nursery. Mrs. Bryant Hucks is their leader.

Mrs. Bill Clayton is the new 8 year old Sunbeam leader. "World Friends" is the name for their group. Debbie Matlock, La Cretia Washington, Brenda Clayton and Linda Jones are the new group members.

Tips on Touring

By Carol Lane
Women's Travel Authority

All From Oil

I meet thousands of women during my speaking engagements every year and find that most of them, when asked about the oil industry, speak first about service stations that sell gasoline and oil for our cars.

The oil industry, which celebrates its 100th anniversary this year, reminds us that it started out selling kerosene for lamps — but that it now makes more than a thousand products from petroleum, many of them especially important for women.

Oil is used in making synthetic glycerine, which shows up in cigarettes, lipstick, cosmetics, cellophane, leather goods, paint solvents and medicine.

Chemicals made from petroleum are used in plastics for everything from baby bottles to transparent food wrappings to sports cars. New wonder adhesives, which can be used to replace rivets in aircraft, are derived from petroleum.

The anti-freeze that protects your car in winter is made from oil. So are the insecticides that protect crops and the synthetic fertilizers that help the crops to grow. Petroleum is the source of asphalt for roads and synthetic rubber for tires, of fuels and lubricants for high-powered cars, super liners and jet planes.

These only hint at the list. Research has made it possible to turn oil into all these products. And, according to scientists, the work has just begun!

Eye cues

Children do not "outgrow" crossed eyes. To prevent possible loss of sight, crossed eyes should be treated before the child is four years old.

Frequent blinking, rubbing of eyes, attempts to brush away blur . . . over-sensitivity to light . . . excessive squinting . . . stumbling over small objects, may mean your child has an eye problem. (One child in four needs some kind of eye care.)

Glaucoma, a leading cause of blindness, attacks one person in 50 over age 40. These symptoms may mean glaucoma! Frequent change of glasses - none of which is satisfactory . . . inability to adjust the eyes to darkened rooms . . . loss of side vision; blurred or foggy vision . . . vague eye discomfort.

Approximately 900,000 industrial eye accidents occur every year. Proper use of safety glasses at work or in the home would reduce eye injuries by as much as 90%.

Sunglasses should not be worn for night driving. (They do reduce glare but they also reduce your ability to see.)

A thorough eye examination every two years is your best safeguard for protecting your precious gift of sight.

For a free folder on eye health write to Eye Health, National Society for the Prevention of Blindness, 1790 Broadway, New York 19, N. Y.

By Vern Sanford

Hang around a bunch of Texas fishermen long enough and you will hear them talk about "when the lake turns over."

"That is the time for the best catches."

They will explain to you that the lake turns over in the spring and fall because of changes in air temperature. "Heat rises, you know, and when the water at the top of the lake becomes colder than the water at the bottom, the layers of water just naturally change positions."

Actually, what happens is not as simple as all that. To begin with, there are not always two or more layers of cold and warm water.

In the winter and early spring, water circulates at all levels of the lake. Temperature is the same at nearly all depths. Wind and wave action keep the water moving. This situation continues as long as air temperatures are low and there is a fair amount of wind.

The big change begins to occur, usually, in the late spring or early summer.

Actually, there is no "turnover" of the lake's water. What happens is the formation of an upper layer of warmer water (Epilimnion) and a lower layer (Hypolimnion), divided by a thin layer (Thermo-

(line), in which there is a sharp change of temperature.

As summer heat increases, the Thermocline goes deeper. In other words the top layer of warm water becomes thicker as the sun warms the water to greater depths.

Stagnation occurs in the bottom layer when it loses its oxygen, due to lack of contact with the air. Gases then form, with the decay of fish that die and sink to the bottom.

There being no circulation, these gases remain in the Hypolimnion. By late summer this bottom layer is full of poisonous gases and is almost completely lacking in oxygen. No fish can live there. Hence the fisherman doesn't want to work his bait at the bottom of a very deep lake in late summer.

Sometimes fish do venture into the bottom layer. They will do so only because they are pursuing food; chased by predators; or out of pure obstinacy. When this happens the fish are poisoned by the gas, or suffocate by lack of oxygen, or both. Then they rise to the surface quickly.

Sometimes they are found on or near the top, still fresh, but bloated and with eyes bulging because their swim bladders expanded with the sudden rise.

Fishermen take large numbers of such fish in nets. Usually they declare that their appearance on top was caused by the lake "turning over." But you now know the real reason.

It is also said by those fishing in late summer or early fall, that an unpleasant odor on the lake is caused by its "turning over." Again, this is not so. The odor comes when gases from the bottom layer are released through the tall races of dams.

At these periods Epilimnion may extend down to 60 feet. Texas scientists have shown by tests exactly what you would expect . . . the longer and hotter the summer, the thicker the top layer of warm water.

Being a fisherman, you will be guided accordingly. You may not want to fish as deep as 60 feet, but you are safe to conclude that fishing just above the Thermocline will be productive.

It is important to repeat that if you're fishing below the Thermo-

(line you're not going to catch anything.

There are several ways. First, ask your local game warden. He may know. Or when you go to the dock ask the operator if he can tell you how deep the successful fishermen have been working their lures. Or ask your buddy, who caught fish there yesterday. Or use your thermometer.

The thermometer method may be a little trouble, but it will assure you that you have the right depth. Find the level where there is an abrupt change from warm to cool temperature. Then fish above that depth.

"SILVER EXTRACTOR" — That's the name Dave Hawk has given his newest addition to the

**Emerald
Melon Salad**
By Betty Barclay

MELONS are such wonderful menu helpers — and especially delightful teamed with lime-flavored gelatin for a hot weather salad. For instance, cantaloupe or honeydew melon captured in lime-flavored gelatin add a cool and colorful touch to luncheon or dinner. Try this Emerald Melon Salad with its hint of fresh mint to perk up appetites.

Emerald Melon Salad

1 package lime-flavored gelatin; 2 tablespoons finely chopped fresh mint leaves; 1 hot water; 1 cup cold water; 2 teaspoons lemon juice; 1/2 cups melon balls or cubes.

Combine gelatin and mint. Add hot water and stir until gelatin is dissolved. Let stand about 15 minutes, strain, and add cold water and lemon juice. Chill until slightly thickened. Then fold in melon. Pour into 1-quart mold or individual molds. Chill until firm. Cold. For salad, serve on crisp lettuce with mayonnaise. Makes 6 servings.

*Cantaloupe, honeydew, and watermelon may be used.

How To Clean Car Upholstery

Woman's work can be done... and far easier than it used to be. Here are some tips on removing stains from car upholstery:

To get rid of grease and oil stains, cover the area heavily with absorbent powder such as talcum.

Then vacuum. With dry-cleaning fluid and absorbent cloths, clean spot from the outside edge toward the center. If the stains have just been made, soak first with dry clothes, then dry clean any remaining spots.

Loosen chewing gum with cleaning fluid or absorbent rug-cleaning powder. Remove what's left with a knife. Vacuum the powder or go over the spot again with the cleaning fluid.

Spilled ink? Don't use milk! It adds a stain of its own. Sponge first with cool water, blot up spot with dry rags. If this doesn't work, make a solution of one part denatured alcohol and two parts of water. (First test it on a concealed upholstery part to make sure it, too, won't stain.) Then, sponge, dry, rinse, blot. While permanent-type inks never disappear entirely, this method can lighten the stain.

If your puppy had an accident in the car, sponge the area lightly with warm salt water (1/2 cup salt to 1 quart water). Soak dry with rags, rinse, dry again.

Finally, for candy and chocolate stains, use clear lukewarm water. Sponge from outside of spot to center. Soak dry with rags, sponge again with detergent suds, and soak dry.

CARD OF THANKS

I wish to thank each and every one, for the beautiful flowers, the lovely cards and letters I received during my illness. They were deeply appreciated and will always be remembered.

Mrs. Ed O'Hair

I want to take this opportunity to thank our friends and neighbors for their many kindnesses to me and my family during my illness, for the beautiful flowers and many pretty cards I received, and I want to thank Bro. Meadows for his wonderful prayer conducted with the family during the operation and also the many friends that were with family. May God bless each and every one of you all.

Mary Gilmore and Family

and Mrs. Frank Conard and other relatives.

Rev. and Mrs. Murl Rogers and Dutch were in Bethel church in Plainview Sunday in view of a call. Rev. L. E. White of Plainview filled the pulpit in his absence.

The Young adult Sunday School class enjoyed a class dinner at the home of Mr. and Mrs. Hershell Wilson Sunday. Those present were Mr. and Mrs. Hershell Wilson and family, Mr. and Mrs. Noah Spencer and family, Mr. and Mrs. Kobert Paschal and family, and Rev. L. E. White.

The community received 1.75 of rain this week.

Party Line.....

Mr. and Mrs. Keith Chasteen and Keith, Jr. of Blair, Okla. spent two days last week visiting Mr. and Mrs. Kenneth Leonhart and family and Mr. and Mrs. Harold Britton and family and Mr. and Mrs. Raby Kellogg and family.
