★ NOSIN... ★
★ With Polly ★

This week has been so much excitement that I find it considerably difficult to settle down to the regular routine of dishing out this same old malarkie... However, here goes... I heard from the pulpit of the Baptist Church Sunday the nicest comments about the Rodeo, no booze, no beer, no bad language, no dirty jokes from the announcer... Then... the friendly foursome from Tokyo, visiting the Ed Hales had many nice things to say about our fine town... They commented on the friendliness of our people... the fine performance of their very first rodeo, and said it was refreshing to see the fine community relationship... And they were openly happy to say they hadn't seen a can of beer, or anyone drinking at the rodeo... Was so proud of these reports...

"nosin"
Mrs. A. C. Barton, who is always a charming lady gave the Japanese lady, Mrs. Bob Lawrence a tour of her cellar, showing her the many canned foods and preserves she had prepared... Many of these foods were unheard of in Japan, so the little lady was loaded down with goodies from the cellar to take back to Japan... Just a sample of our lovely Earth people...

"nosin"
Well, we females have had it... And just to think it went with a sweep of the pen, the contest of half a century... giving gals equal rights to men... Who needs it anyway... Why didn't someone let well enough alone... I for one liked it as it was... When a blush belonged to a lady... a member of the weaker sex... We females were considered a creature to be cherished and protected... What will happen to the sly look... the raised hem... the tilted chin... the swinging gait... the lowered eyes... and the slow soft voice... What gal wants to garb herself in greasy coveralls and study the repair of motors... What gal wants to clean the gutters... What gal wants to be a carpenter... I was completely satisfied to be a poor mistreated female... What was wrong with it anyway... I think we poor American females have for many years had every advantage there is to have... I didn't want to be equal... What gal wants to be equal, just to pay the check when a man takes her out to eat... There's no good in it at all... What woman wants to pay for half a tank of gas... What gal wants to send a man flowers... and occasionally a box of candy... Not me... Another thing that came up recently is that the advertisers are now said to be discriminating against the sex... if for instance, a want ad appears like this: Wanted Young Man to assist manager in Department Store... It should be: Wanted Man and/or Woman to assist a manager in Department Store... So-o-o... You see gals, we are equal... They've sneaked it through in Title VII in the Civil Rights Act... So... Better get out your plow shoes... And kiss those push buttons good-bye. Notellin' what's ahead of us...

"nosin"
I see where the Senate finally passed a bill making it necessary for cigarette manufacturers to have a warning printed on their labels, informing people of the health hazard incurred by smoking... Seems that since they've gone that far out, they might as well go all the way and declare war on all things detrimental to health, like booze, vanilla extract when used as a booze, etc... Personally, I believe by now most people are aware that smoking is damaging to health, but to the disappointment of many, it hasn't seemed to ban the habit... or even slow chain smokers down any... They seem to get a buzz out of living dangerously... Say like for instance, anyone can quit but it takes a HE MAN to face up to lung cancer... Let's hope though that this warning will curb some of the teenage smoking, or maybe future generations will realize that WARNING MEANS WHAT IT SAYS...

Board Adopts Dual Graduation Plan, Special Education Program

A Dual Graduation Plan and a special Education Program for Springlake-Earth School was adopted by the local School Board as they met Monday night in regular session. They also hired three new faculty members before dismissing. The Dual Graduation Plan as well as the Special Education Program is scheduled to begin when the school bell rings in September. Both are tailored to aid students individually. The Dual Graduation Plan is a two-way system set up basically to begin in the Freshman year.

Plan #1 is the College Preparatory plan. This plan being set up with all the basic subjects to meet the requirements for entry into College. This plan requires 2 years of math, 2 of science, 4 years of English, 3 years social studies, 2 years of P. E. and 1 year of health.

Plan #2 is for the Vocational student, tailored to assist students who do not plan to go to college to find a vocation preparatory to making a living upon graduation from High School. This plan consists of 2 years of math, this can be related math courses, 3 years of English, 3 social studies, 2 science, 2 years of P. E. and 1 year of health. With this plan boys will be given a choice of 3 years of Shop or Vocational Agriculture. The Shop is more clearly defined as Industrial Arts, which will include classes in Woodwork, metal work, and electricity.

Girls' Jostling Plan #3 will be given 3 years of Homemaking. Bill Mann, Superintendent, explained, "Before any student is permitted to enroll in the Freshman year for Plan #2, the Vocational Plan, a statement must be signed by both the student and his parents, stating they are in agreement with this plan." He further specified that again at the beginning of the Junior year another such document would have to be signed by students and co-signed by the parents before they could pursue this plan in the Junior year. His thorough explanation of this matter pointed out that the Junior year was the last chance a scholar had to change his mind and still have time to prepare for enrollment in college.

The Special Education Program adopted by the Board recently received approval of the Texas Educational Agency to operate 3 units of Special Education. This is basically a program to aid the mentally slow student. These three classes will be conducted for students from the first grade through the 8th grade. They will be arranged in ungraded rooms according to age groups, allowing no more than 12 students per teacher. These three teachers will have more time to devote to each individual student and at the same time allowing regular classes to proceed without hindrance or drawback from slow thinking students, which has in the past been a drawback. This program is a state program and state financed. There must be a specified number of students to qualify for this program, and something prepared for those students to do once they have become of the age to enter high school. If these students are then unable to reach the high school level of learning, the boys are placed in Shop classes and taught Industrial Arts, while the girls will be taught Homemaking. This program is designed to give each student a greater chance of making a better life for themselves.

The three teachers hired by the Board were, Mrs. Nancy Stanley, formerly of Durant, Oklahoma, Harold Fields of Corona, New Mexico, and William G. Lattimore of Lubbock.

"The trouble with many people in trying times is that they stop trying."

Health Clinic For County To Be Held In Earth

The Young Homemakers Club will sponsor the Texas Migrant's Health Service Clinic, the first meeting of which will be held July 19, from 7-9 p.m. at the Earth Community Building.

"To provide better living conditions for those who need preventative medical assistance, pre-natal care and general health improvements, the state of Texas has started the Migrant's Health Service," according to Dr. C. H. Bausman. "The state has approved the money for vaccines, DPT shots, etc., and preventative medicines only, and a few Migrant Health Nurses, one of whom is Mrs. Mary Miller, of Lubbock, Migrant Health Nurse No. 1. Miss Miller has fifty-six counties to cover. She has started one clinic to date, and will be in Earth accompanied by one assistant, when the clinic has its initial opening here, July 19."

Amherst and Littlefield doctors were contacted. However, Dr. Bausman, who is dedicated to furthering good health, volunteered his services, so the local Young Homemakers Club asked for the clinic to be held here. The Young Women will contribute their services in keeping records, getting the word of the available services to all needy people, etc. Mrs. Neil Pounds and Mrs. Weldon Barton, both of whom are Registered Nurses, will give their professional services. Mrs. Dorothy Woods, Registered Nurse, and Springlake-Earth School Nurse, will also assist when available. Dr. Bausman will meet with the group for the opening meeting, July 19. After that time he will be available by telephone. Immunization for diphtheria, whooping cough, tetanus, polio, and small pox will be given. These diseases are on the increase, and immunization is very important. Services are free of charge, and children, as well as adults, who have not received take advantage of these services. Employers who have families who need these immunizations are urged to encourage their employees to be present at the Earth Community Building from 7 to 9 p.m., Monday, July 19. At 7:30 p.m. a film will be shown with Spanish translations to inform those present on sanitary measures, food and milk preservation, and other health interests. Remember the first meeting of the Clinic, July 19, after which semi-monthly meetings will be held. The public will be reminded of the follow-up dates.

MRS. MARY MILLER

OFF TO CHEERLEADER'S SCHOOL, these lovely young ladies pose for action, prior to attending Tech's Cheerleading School July 25-30. 1st row, Donna Gover, Helen Phillips (head cheerleader) and Linda Packard; 2nd row, Pansy Been, Linda Jordan; 3rd row, Brenda Clayton.

FHA Fund Raising Dinner Scheduled For Sunday

An FHA meeting was held Monday, July 12, in the home of Mrs. Cecil Slover. The meeting concerned the raising of funds for financing Springlake-Earth's exchange student, Caridad Martinez Magpantay, of Batangas, Philippines. The chapter planned a dinner to be served in the Earth Community Building, this Sunday, July 18, from 12 noon to 2:00 p.m. The meal will be prepared and served by the FHA girls, under the supervision of Mrs. Cecil Slover. Tickets will be \$1.00 for adults, and 75¢ for children. The local chapter is in need of \$750. At present time, they have approximately \$350.00, according to Mrs. Slover and they expect some assistance from the Earth Lions Club and the Springlake Lions Club. It is hoped that the community and area will turn out Sunday for this Sunday dinner, and the chapter can earn the money to finance the exchange student, who will be an asset to our school and community. Mr. and Mrs. Ray Stansell are in Tipton, Oklahoma this week visiting friends and relatives.

Family Night At Pool Set For Tuesday

Gene Brock, manager of the Earth Swimming Pool, announces that Tuesday, July 20, will be Family Night at the Earth Swimming Pool, and the pool will remain open until 10:00 p.m., weather permitting. If enough interest is shown to warrant this, Brock stated that it will be tried each week. The pool usually closes at 9:00 p.m., but several families have mentioned that due to their husband's late working activities, the families might enjoy swimming later. There will be a maximum family rate charge of \$2.00 for swimming between the hours of 7-10 p.m.

Cheerleaders Schedule Car Wash Saturday

The Springlake-Earth Cheerleaders for 1965-66 school year will have a Car Wash, Saturday, July 17, at Earth Oil and Gas Co. from 9-12 a.m., and 1-5 p.m. to raise funds for cheerleader's school to be held at Texas Tech College, Lubbock, July 25-30. Money donated for car washing will be used to help finance the girl's five-day expenses in a dormitory on the Tech campus. Approximately 525 girls from all over the United States are expected to attend the school. Local girls who plan to attend are: Helen Phillips, Senior Head-Cheerleader, daughter of Mr. and Mrs. M. R. Phillips; Donna Gover, senior, daughter of Mr. and Mrs. Ray Gover; Pansy Been, junior, daughter of Mr. and Mrs. Dutch Been; Linda Jordan, junior, daughter of Mr. and Mrs. Lewie Jordan; Linda Packard, sophomore, daughter of Mr. and Mrs. James Packard; and Brenda Clayton, freshman, daughter of Mr. and Mrs. Bill Clayton. The girls' new cheerleader uniforms also had to be purchased by their parents. They consist of a white basic one-piece sleeveless top with pleated skirt; a long sleeved gold blouse with white tie, sailor collar, and braid; a sleeveless green and white checked over-blower; a white wool skirt, sweater, and slacks, white and gold sneakers, megaphones and pom-poms, all of which amount to approximately \$75.00 for each girl. Approximately \$50 is needed to finance each girl's participation in the Cheerleader School, so it is hoped that Saturday will be a profitable day for the girls. They have previously performed other jobs, and will continue to do so at a later date to help finance the project. Come by Earth Oil and Gas Co. and let these girls wash your car. Charges of \$1.50 (plus any welcome donations) will be made.

Local Girls Enter Miss Grain Sorghum Contest

Miss Diane Hodge, daughter of Mr. and Mrs. E. H. Hodge, and Miss Janice Cowley, daughter of Mr. and Mrs. Kenneth Cowley are local entries in the Miss Grain Sorghum of the Nation Contest, which will be held Saturday, August 7, 1965 at the Dimmitt High School Auditorium. There is still time, for girls who are interested, to enter the contest, which locally is sponsored this year by the Earth Chamber of Commerce. Entries may contact Phillip Haber, Leroy Wilkerson, or Mrs. Zou Wilson before Monday, July 19. There is still time, for girls who are interested, to enter the contest, which locally is sponsored this year by the Earth Chamber of Commerce. Entries may contact Phillip Haber, Leroy Wilkerson, or Mrs. Zou Wilson before Monday, July 19.

Earth Well Represented In Babe Ruth All-Star Team

Earth's Babe Ruth Baseball Team had a very successful season, with ten wins and two losses. The last week of play resulted in the only losses during the season, with Halfway and Trotter Insurance. A forfeited game was played on June 17 with Earth at first called the winner by a 19-15 score. League officials in Olton announced Babe Ruth all star teams and honored ten boys for outstanding sportsmanship during the baseball season last week in Olton. They were: Gayle Vining, Earth; Charles Fraga, Halfway; Pedro Rivers, Parsons Funeral Home; and Tony Miller, Trotter's Insurance. Named to the Babe Ruth All-Star Team were: Tommy Snodgrass, Bobby Cummings, Tim Matthews, Harley Galloway, and Terry Bridge, all of Earth. Others were Randy Gauthier, Charlie Fraga and Aaron Arthur, Halfway; Joe Dale Chitwood, Garland Huguley, and Charles McClain, Parsons; Dusty Rudd, Lammie McClain, Mike Trotter and Mac Arlbur Thomas, Trotter's. Sonny Hitt, of Earth, was selected as Babe Ruth All Star Coach. According to the Olton Enterprise, "Olton's All Star Babe Ruth baseball team drew a bye in the first round of the regional tournament, slated for Dumas, July 12-23. They will meet the winner of the Canyon Nationals and the Fritch South game at 5 p.m., July 14. If they win that game, the next game is scheduled for 8 p.m., July 17; if they win that game, they will play in the finals at 8 p.m., July 23. If the All Stars lose the first game, they will play again at 2 p.m., July 16. Should they win the second game, they will play again at 5 p.m., July 17. Should they win the third game, they will play again at 8 p.m., July 19.

HERE COMES THE PARADE. Representatives of riding clubs who led the annual Earth Rodeo Parade are left to right, Abernathy, Cochran County Junior 4-H Riding Club, Plainview Hale County Posse, and Cochran County Sheriff's Posse.

"... And I've been here for hours without so much as a nibble!"

BEYOND ALL REASON

Public rebellion against further increases in gasoline taxes--which are always being advocated at the state and federal levels--has reached high pitch. And a few figures explain why.

These taxes cost motorists almost \$20 million a day--\$19.7 million to be precise. During 1965, total gasoline tax collections will be approximately \$7.2 billion, or more than twice the amount collected as recently as 1963. And that isn't just due to the fact that there are many more cars on the road. Since that latter year, the average tax rate on each gallon of gas has increased about 36 percent.

And here's another striking comparison: Collections for only two months of 1965 equal the amount paid in the entire year of 1945.

Few out-and-out luxuries bear a tax remotely comparable to that levied on gas, which is a basic, down-to-earth necessity in this nation-on-wheels of ours. Regular grade gasoline sells for around 20 cents per gallon, plus more than 10 cents in state and federal taxes, along with local taxes in some areas. In other words, it carries a sales tax passing 50 percent.

The tax has grown beyond all reason. Further increases would simply compound a gross injustice.

POOR BARGAIN

Dr. Clare E. Griffin, who is Professor Emeritus of the School of Business Administration at the University of Michigan has published a book called "The Free Society". In a searching discussion of governmental regulation he says this: "The regulated first tolerate and then embrace the limitations of their own freedom. Who then is left to resist the trend? Not the companies, for regulation does for them what the Sherman Act would prohibit if attempted by themselves."

In other words, people representing all the facets of our complex society accept regulation because it seems to serve a material self-interest. That this alleged benefit may be fleeting or illusory is not recognized. And, in the lust for material gain, freedom is sacrificed.

This is how regulation can become an accepted way of life in a nation. And this is the way liberty can be destroyed.

Panhandle Lakes Catch Good Rains

Record high late June rainfall totaling 10 1/2 inches in the Amarillo area has swollen Meredith Reservoir on the Canadian River to 6,413 surface acres, reports the Texas Parks and Wildlife Department.

Most other Panhandle lakes, largely without sufficient runoff since 1961-62 are now full

and overflowing because of recent rains. Lake Meredith, the site of recent walleye releases by the department, is the Panhandle's newest and largest lake. The newest reservoir, destined to cover 20,000 surface acres when full, has already become one of the major centers for water-oriented sports in northwest Texas.

Sunday guests in the home of Mr. and Mrs. Pete Parish were: Mr. and Mrs. John Cornett, Lubbock, Denny, who recently returned from California, and his guest, Jody Brown, from Muleshoe.

THE FRIENDLY LAWRENCE FAMILY from the Far East, saw their first Rodeo Thursday night in Earth as guests of Mr. and Mrs. Ed Haley and family. They are Bob and Wy Lawrence, Steve and Kim.

Director Of Athletics In For East Visits Former Coach After 30 Years

Following 30 years of separation, a coach and his star athlete were united last week when Bob Lawrence, who has spent the past 16 years in the Far East brought his lovely, intellectual Japanese wife and his two well-mannered children to visit Ed Haley and family, of Earth.

Haley had coached Lawrence in basketball, football, and track for three years, beginning in 1931 through 1933. Lawrence was an eighth grade student the first year Haley coached him. That year they captured the State Championship in both football and basketball. Then two years following Lawrence set a record, gaining for himself the National High School High Hurdles Record. This all took place in Anadarko, Oklahoma, where Ed, a young man fresh out of college, held his first coaching job.

Lawrence, who is a Delaware Indian, lived with his parents, but spent many nights with Ed at his apartment in town when bad weather made it difficult to get back and forth to school. He also recalled many long hours spent during the summer months shoveling wheat and oats on the Haley Ranch, which he called his second home.

The association ceased however in 1934 when Lawrence left for Wichita, Kansas where he finished High School.

Following graduation, he enrolled at Notre Dame University in 1936, receiving his BS degree in Education from Notre Dame in 1940. From 1949 until 1950, he served as assistant track coach at Notre Dame. Leaving there in 1950 for Tokyo, where he currently serves as Director of Athletics for the Pacific Air Force in the Far East.

Haley left Anadarko in 1938 and somehow, though Lawrence

has made several trips back to the States, their paths never seemed to cross until last week.

In chatting over recent experiences, Lawrence said last year he had charge of the sales of (\$11,000) dollars worth of tickets for the Olympics, and of course asked Haley why he didn't come over. Haley turned a bit green with envy, not realizing he could have had available tickets. Lawrence said he turned back \$3,000 in tickets due to transportation problems and unfavorable publicity that failed to inform people of desirable reservations available, people stayed away as a result.

Lawrence enjoys his work and the contact he has with the National Sports Federation, therefore he enjoys living in the Far East very much. His teams meet competition with many other teams in the Far East, and he flies with his teams back to the States annually for play-off games in the Western USA. In his position he places many young athletes in colleges in the USA where they are needed.

He likes Tokyo, and all the Far East, but his preference is the Philippines. He likes it best, because he, like all Oklahoma Indians enjoys wide open spaces. In the Philippines there are millions of unimproved acres that can be leased from the government for approximately 2 1/2¢ per acre, in American money. This land can be homesteaded in 10 years if lessee makes improvements on the land.

He told of his school teacher friend who had gone to the Philippines, married a Filipino and went to Mindanao where he applied for homestead for 100 acres each, for himself and his wife. They waded through grasses 8 to 10 ft. tall where blood-suckers were prominent to get to their plateau of virgin soil, but after finally clearing the land, they began a coffee orchard in 1938 and now have a coffee plantation of 50,000 trees and a contract with Chase and Sandborn Coffee Co.

Lawrence, in remembering the Philippines said, "It seems incredible that near some real large cities in the Philippines, in some cases as little as seven miles back in the wilderness there would be head hunters still active in the Philippines."

There are vast parts of the Philippines, according to Lawrence, where civilized man has never set foot. The Moros inhabit part of Mindanao. These people are anti-Christian, they are of the Moslem faith. Occasionally, a doctor and a nurse go back into the wilderness, but they can go only so far. The doctor reported the only signs of civilization he saw on his last trip was a pair of khaki shorts, worn by the old Indian Chief. Where they came from, no one could guess.

Lawrence told more about the Philippines, explaining that a nomadic race of very small people, somewhat the size of Pigmies live on part of the vast acreage of the Philippines. They don't cultivate the soil, they simply burn off the land and stickcom seed in the side of the hills or in the ground, and they call this planting. This group, Lawrence explained, would do almost anything to obtain salt,

In speaking of Tokyo where the Lawrence's reside, he said the Religion was chiefly Buddhism, Voodooism and Shinto, but that actual Christianity had not taken hold much in Japan as yet.

Their two children, Bruce, 10, and Kim, 8, attend Tokyo International Schools, taught by the Christian Brothers of Instruction. These are Catholic Schools. Although their parents are Protestants, they prefer sending their children there, because they feel they are better schools. The school Bruce attends has an all male faculty. He takes French in the third grade. The tuition is \$300.00 a term. A bus arrives for him at 7:15 a.m. and he reaches home at 5:00 p.m. He is so far away from the school, he spends 3 1/2 hours per day on the bus.

Their daughter, Kim has an all female faculty (Nuns). The tuition for her is \$200.00 per term. They are thought to be at least 2 years advanced to our schools in the USA.

In speaking of McArthur and his work in Japan, Lawrence said, "The Japanese had a great deal of respect for General McArthur, perhaps for his judgement and foresight; However, it could have been for his disciplinary acts because the Japanese respect discipline and McArthur was strong on discipline."

Lawrence has jurisdiction everywhere there is an Air Force Base in the Far East, including in these the Philippines, Formosa, Okinawa, and South Korea. He visits each of the bases once every six months. In speaking of Korea he explained all the industry and electric power is in North Korea while the farming and raw materials are all in South Korea.

One of the highlights on this trip to Earth was to attend the 21st annual rodeo, the first rodeo the Lawrence family had ever seen. Each member of the family seemed to enjoy it. Lawrence commented, "Earth should be congratulated for sponsoring this wholesome activity, where young people can participate in this fine sport, it seems like a very fine thing for community relations." He went further in his praise for Earth by saying he didn't see a person drinking, or drunk, or even a bottle of beer in sight, and was truly impressed by the fine little city of Earth.

The family attended the Methodist Church Sunday, and enjoyed so much the relationship of Earth's friendly people. Lawrence, who is in the states buying cattle for his ranch at Anadarko, Oklahoma, plans to come back to the USA within 2 or 3 years and settle on his ranch there in Oklahoma, and bring his two lovely children and friendly little Japanese wife, ("Wy" short for Miwako) to "Okie Land" to call it home.

Baseball Season Nears End

With two more games to play, the Mets are now, and will remain, winners of the pennant for the 1965 Freshmen League baseball season.

Baseball Standings are:
 Mets-9 wins, 1 loss
 Cardinals-6 wins, 4 loss
 Yankees-5 wins, 5 loss
 Red Sox-4 wins, 7 loss
 Giants-2 wins, 9 loss

The season will end Monday night, July 19, when the Yankees and Mets play a make-up game.

Party Line...

Mrs. Nina Messer and Marianne spent the day Tuesday in the home of her niece, Mr. and Mrs. James Lott and family, of Levelland.

Recent guests in the Britt Robertson's home were Mr. and Mrs. Calvin Berry, Seminole.

A visitor in the Elmer Prather home this week was Mrs. Clarence Wade, of Snyder.

Mr. and Mrs. Carl Sanderson visited last weekend with Mr. and Mrs. R. D. Kirkwood in Almagordo, N. M.

Marsha Smith from Texas City will be spending 3 weeks with her aunt and uncle, Mr. and Mrs. Bob Bell.

Mr. and Mrs. C. L. Foshee, Shamrock, visited their son and family, Mr. and Mrs. Dean Foshee last weekend.

CALLING ALL HOME MAKERS

By Wilma Taylor
 SELECTING CHAIRS FOR YOUR LIVING ROOM

Many people select chairs because they are lovely to look at. Others select chairs strictly for comfort. The smart buyer buys chairs that combine both beauty and comfort.

This is not always as simple as it sounds. Generally, the wife will select chairs for design, color and co-ordination with everything else in the room. The husband will want chairs that he can sink into, stretch his legs out on.

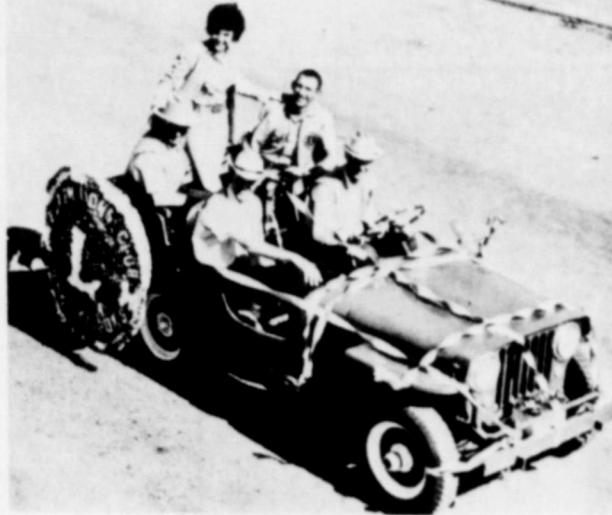

Fortunately, the average living room has room for several chairs that can please all parties concerned. Just like a suit of clothes or a dress, a chair can "fit" the person who is going to use it. That's a good thing to keep in mind when you buy chairs.

Very often chairs are nice when used in matching pairs. This is not only a matter of attractive decor, but has its practical side, too, in making conversation groups. Many people are "more at ease" talking to each other while sitting in separate chairs than they are when sitting together on a sofa.

One of the attractive ways to group a pair of chairs is to use a wedge or pie-shaped table between them. This makes for a curved grouping instead of lining up the two chairs and the table straight against the wall.

We invite you to see our latest selection of living room chairs, and talk over with us decorating ideas on using chairs in your living room to get both beauty and comfort.

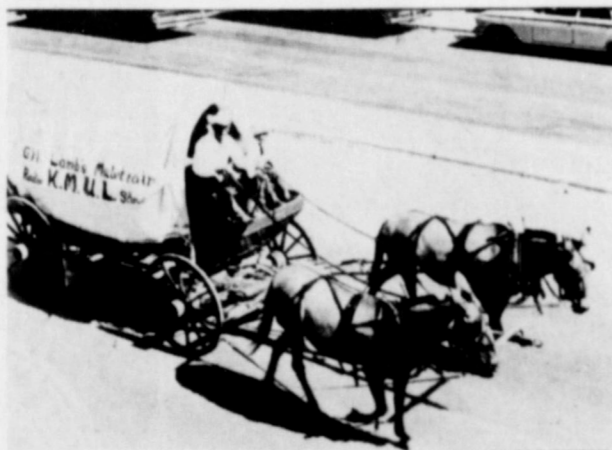

Here at Taylor Furniture you will find a complete line of home furnishings and General Electric appliances, so remember to pay us a visit soon. Taylor Furniture, Earth, Texas.

GLAMOROUS DONNA GOVER, Queen of the Earth and the Springlake Lions Clubs added beauty to the annual Earth Rodeo Parade, Thursday. She is accompanied by Fred Clayton, left, Neil Pounds, right, Norman Hinchliffe, lower left and Roger Haberer.

BOY'S ROOM—Cotton suede sets a rugged mood for this boy's room by W & J Sloane. The red suede spreads are complemented by red handana valances at the windows which are draped with beige cotton suede trimmed with ball fringe.

GIL LAMB'S MULE TRAIN, Radio KMUL Station was present at Earth's Annual Rodeo Parade Thursday to add a touch of the old west and provide music for the event.

RIDE'EM COWBOY, this entry in the bull-riding division of the annual Earth Rodeo, as well as the many other entries thrilled the audience during the three nightly performances.

eliminate a variety of social problems--the plight of the drop-out, the technologically displaced person, the vocationally handicapped, and others. The likelihood of such federal activity diminishing doesn't seem promising unless the private sector of the economy offers some solutions that effectively deal with such problems. Solutions there are--in abundance, but the problem is how to get these private solutions recognized, understood and widely applied.

That's what we are trying to do through STEP (Solutions To Employment Problems.)

Your newspaper can help promote the STEP concept. Your backing will earn your newspaper much more than public commendation. A successful reversal of the "let the government do it" attitude could, in time, show up favorably in your P&L statement and in the strengthening of private enterprise throughout the nation.

Sorghum Midge On The Move

Texas farmers should start looking for signs of sorghum midge, says Weldon Newton, associate Extension entomologist, Texas A&M University. The small orange fly is best seen as it crawls over spikelets of young grain sorghum in early morning. Destroying thousands of dollars of grain every year, midge is

one of the most damaging insects attacking Texas grain sorghum. Usually farmers are unaware of midge until tell-tale "blighted" or "blasted" heads begin to appear. Then it is too late to attempt control, Newton adds.

He explains that sorghum midge whose adults are about one twelfth of an inch long, overwinter as larvae in cocoons which are attached to spikelets of Johnsongrass. About the same time Johnsongrass begins to bloom the midge matures and flies to fields of grain sorghum where heads are beginning to emerge from the boot.

The females deposit their eggs on spikelets of young heads during a four to ten day period following booting. The eggs produce maggots that bore into and consume the internal portion of the seed.

The only economical way to control midge is by destroying the females before they deposit their eggs. This requires precise timing because it must be done during the four to ten day period when adults fly to the young heads.

Many growers choose to apply

insecticides immediately after head emergence if midge damage occurred the previous year. Others prefer to inspect their fields and determine the need for treatment depending upon the number of adult midge among newly emerged heads.

"Research shows that best results are obtained if insecticides are applied when approximately 90 percent of the heads have completely emerged from the boot," Newton reveals. "The application should be repeated after three to five days if adult activity continues."

He says that sevin, toxaphene, endrin, parathion, carbomethion, diazinon and ethion are effective insecticides for sorghum midge control. Farmers should obtain additional information concerning concentration, methods and time of application from their local county agent's office.

The EARTH NEWS-SUN Women's Page

Coffee Honors Miss Kay Settle, Bride-Elect Of Tommy Kellar

A come and go coffee, honoring Miss Kay Settle, of Meadow, bride-elect of Tommy Kellar, of Dimmitt, was given recently in the home of Mrs. Joe Burleson, in Meadow.

Small pink individual cake squares and coffee were served from a table featuring a beautiful floral arrangement, silver appointments, and the bride's chosen colors of pink and white.

Many lovely gifts were received. The hostess gifts were stainless steel cooking ware and money.

White carnation corsages were presented to the honoree, her mother, Mrs. Settle, and the prospective groom's mother, Mrs. Kellar.

Hostesses were: Mrs. Joe Burleson, Mrs. Dub Branch, Mrs. Percy McCallister, Mrs. Curtis Hulse, Mrs. Jay Bartlett, Mrs. Rose Jean Henson, Mrs. D.C. Flowers, Mrs. Ed Jones, Mrs. Homer Barron, Mrs. Alvis Reese, Mrs. Francille Smith, Mrs. Grover Richey, Mrs. Sue Timmons, Mrs. Carrie Mae Warren, and Mrs. Fay Horton.

Gene Browns Return From Canadian Trip

Mr. and Mrs. Gene Brown returned Friday from a four day, all expense paid trip by International Harvester Company, to Montreal, Canada.

They were among the seven (out of 160 approximately) dealers out of the Amarillo District who sold their quota, and were rewarded with the delightful trip to Canada.

Traveling by jet plane, they arrived in Montreal to be entertained and honored for four days of activity. Their hotel was the LeReine Elizabeth, The Queen Elizabeth Hotel, one of the most beautiful in the Canadian city.

Mrs. Brown remarked, "It was a fabulous vacation, strictly entertainment; no business. The French food was delicious, and very little fried food was served. Buffet lunches were held at noon with formal dinners in the evening and they were served so elegantly.

The menus, entertainment, music, etc. were in French. Below the hotel were four stories underground, with two hundred shops, railroads, and entrances to other shopping areas. Across from the hotel was a forty-two story office building. So much construction could be seen everywhere. We toured the new and the old Montreal. The flowers and yards were beautiful, with the massive homes and small, beautifully landscaped yards in the shapes of stars, flags, etc.

A tour of the St. Lawrence Sea-

way was very interesting. We watched the ships as the boats were raised with the water to the river level to 35 feet, then they go out of the canal into the river. We saw a boat from Egypt, and one enroute to Assiut. They trade gift items for our food and wheat. Importing and exporting is a big industry there.

The land resembles the slightly rolling hillsides near Dallas. We visited the Caugnawaga Indian Reservation and church. We didn't see much farming in the area where we were; however there is quite a bit of farming in some sections. A visit to the International Harvester Company in Montreal was very interesting.

The people are 85% French speaking. They are French-Canadian, Assyrian, and Italian. They all speak a little English and seemed friendly, and interested in showing us the sights.

We enjoyed many conducted tours, with guides to explain the places of interest. The Cathedrals, with stained glass windows, statues, and scenes, and pipe organs were magnificent. We visited an island where the 1967 World's Fair is scheduled to be held. They just filled in the river and made an island with bridges connecting it, and that is where the Fair will be held.

The Wax Museum was interesting, with its three dimensional

FHA FLOAT WINS Second in Earth's Annual Rodeo Parade, July 8, when the girl's motto, "Promote International Good Will" was beautifully illustrated and enacted by the girls' dressed in costumes of many countries.

Mrs. Claude Ellis Participating In Religious Campaign

Mrs. Claude Ellis, Earth, will join fifty three other workers from the United States and Canada for a religious campaign in Liverpool, England, July 15-29. The campaign is being sponsored by the Broadway Church of Christ in Lubbock, and Campaign Director William E. Young welcomes the talents of Mrs. Ellis as co-worker for the effort in Britain's great seacoast city.

The evangelistic campaign is a joint project of members of Churches of Christ in North America, Great Britain, Ireland, Scotland, and the European Continent. Daily studies are planned among hundreds of families in Liverpool with evening preaching services scheduled at the British Legion Hall.

Mrs. Ellis will leave with the campaign group from New York's John F. Kennedy International Airport Thursday, July 15, arriving in Liverpool the following day.

"As Seen In Earth"

By: Carolyn Hamilton

The big rodeo weekend, lots of excitement... the floats, the riding clubs, barbecue, all rodeo events... and that dog and monkey performance, a scream!!!

Ross Middleton's fishing hat... All he lacks is a lure or two dangling from the brim... LaDon Herring, reading a card from Jane McCord in Hawaii... Having a wonderful time... Bro. M. B. Baldwin, cowboy in the Earth Rodeo Parade... Quite a sport... Tamara Cowley, that three month old little doll, in the news office Monday... Hooray for the Babe Ruth Baseball team... To Lynn Hamilton, recovering from a tonsillectomy, a speedy recovery... Butch Hamilton, new shoe shine boy at Floyd Houston's Barber Shop... Lovely summer days, beautiful crops, flowers in bloom, and

green lawns... A sign noticed on a Baldrige Bread truck, "BUN-derfull"... Gladys and Bob McCaskill, enjoying their back porch and yard... L. K. Andersons, sipping lemonade last weekend out on their lawn... Pete O'Hairs' boys, with a tent in their back yard, for camping out at home... Rev. Albert Lindley deserves your kindness as he endures those painful vaccinations preceding his Evangelistic Crusade in Mexico City later this month... Mrs. Rick Taylor, a very happy and busy person, as she accompanies her mother and sister from Amsterdam, Holland, to all the planned courtesies... Keep Cool...

Party Line

Mr. and Mrs. Bud Lea and Donita, of Midland, spent several days this week in the home of her parents, Mr. and Mrs. M. W. Messer.

Dinner guests in the home of Mr. and Mrs. Bill Beasley and Pam Tuesday night were Mr. and Mrs. Darrell Sawyer and Carry and Janis Holt.

Lindley Host Official Board With Supper

A backyard hamburger supper was held Thursday, July 8, at the Methodist Parsonage, with Rev. and Mrs. Albert Lindley hosting the members of the official board of the church. Hamburgers with the trimmings were prepared by Rev. Lindley. Homemade ice cream and cakes were served. Approximately eighty five attended.

Following supper, Melodie Brock and members of the senior high department presented a program on folk music. Gary Bulls played several selections of folk music on his guitar. The program was greatly enjoyed.

The Official Board met at the church, while others visited.

Visitors in the J. O. Penley home are there daughter and family, Mr. and Mrs. Trent Davidson, of Philadelphia, Pennsylvania.

Mr. and Mrs. Preston Sampler visited in the Arnold Shelby

Engagement Announced

Mr. and Mrs. Wesley Barnes of Lazbuddie announces the engagement and approaching marriage of their daughter, Maudene to Edward Buchanan, of Paducah, Kentucky.

Maudene is a high school graduate of Lazbuddie and a graduate from Hardin-Simmons University. She was a member of Epsilon Eta Phi National Sorority. Buchanan attended McMurtry College, Abilene, before entering the Air Force. He is now a student at Paquach College.

The couple will exchange vows in the First Baptist Church of Lazbuddie Saturday, September 4 at 5:30 p. m.

Invitations will not be sent out locally but all friends of the couple are invited to attend the wedding and reception. The reception will be in the home of the bride's parents.

home Sunday afternoon.

Mr. and Mrs. Irvin Ott left Monday for Pecos, to be at the bedside of Mrs. Ott's brother, who is seriously ill.

BRENDA TOWNSEND

Betrothed

Mr. and Mrs. E. S. Townsend, R. 1, Dimmitt, announce the engagement and approaching marriage of their daughter, Brenda Kay, to Jimmy Ray Robertson, son of Mr. and Mrs. Britt Robertson, Earth.

Brenda is a 1965 graduate of Springlake-Earth School, Jimmy is employed at High Plains Construction at Clovis.

The couple will exchange vows, Friday, August 20, at 3:00 p. m. in the Sunnyside Baptist Church with Bro. M. B. Baldwin officiating. Everyone is invited.

Bookmobile Schedule

The Texas State Library High Plains Bookmobile will be in Amberst, Thursday, July 15, from 9:15 to 10:15 a. m.; Springlake from 11 a. m. to noon; and Earth from 1 to 4 p. m.

On Friday the Bookmobile will be at the Y-L Community from 9:30 to 10:30 a. m.; Pleasant Valley from 11 to noon and Sudan from 1 to 4 p. m.

Earl Moore Home Scene Of Ice Cream Supper

The Wesleyan Service Guild of the Earth Methodist Church met Monday evening in the home of Mr. and Mrs. Earl Moore for an ice cream supper. Members and guests arrived at the Moore's with homemade ice cream and cakes. The men visited with Earl while the women had their meeting. Attending were Mrs. Beulah Newton, Mr. and Mrs. E. O. Tunnell, Mr. and Mrs. Crill Bulls, Mr. and Mrs. Dutch Been, Mrs. Naomi Burgess, Mrs. Peggy Lindley, Miss Ruby Jones, Mrs. Gladys Goodwin, Mrs. Ida Allen, and the host and hostess.

An inspirational program, "Spiritual Life Within" was presented by Mrs. Burgess.

Dwayne Parish Recieves High School Diploma

Dwayne Parish, member of the local '65 Senior Class, received his High School diploma this week, following completion of his school work, his correspondence work, and taking his final examinations.

Parish received his diploma from D. H. Koeniger, principal of the school.

Parish became hospitalized three weeks prior to the end of school, and was unable to complete his work or take his final exams until he was dismissed from the hospital, following graduation and allowed to recuperate a few weeks.

Parish plans to enroll in an electronics school in Oklahoma City in September.

NOTICE

The FHA girls will serve Sunday dinner following church services, 12 noon to 2:00 p. m., July 18, in the Earth Community Building to raise funds for their exchange student. Tickets are adults, \$1.00, children, 75¢. The public is cordially invited.

A Gift Tea, honoring Mrs. Carol Cole, nee Jan Knight, of Childress, will be given Thursday, July 22, from 4:30-6:00 p. m. in the Price Hamilton home, six miles north and four miles west of Earth.

Any children wishing to join a Jr. Riding Club, come to the Earth Rodeo Arena Monday night at 8:00 p. m.

The Woman's Society of Christian Service will meet at 9:30 a. m. on Thursday. All members are urged to attend.

The Methodist Men of the Earth Methodist Church will meet at 8:00 p. m. Thursday at the church.

Mr. and Mrs. Donald Layman will be honored on their Silver Anniversary with a reception, given by their children, in the L. G. Layman home (Dodd Community) Sunday, July 18, from 2-5 p. m. Friends are cordially invited.

Anita O'Hair To Participate In Dress Review

The annual Lamb County 4-H Dress Revue will be held July 19th, at 2:30 in the Community Center, Littlefield.

Garments and Records are due in the County Home Demonstration Agents office between 9 and 10 a. m. for judging. The public is invited to attend the Revue at 2:30.

Anita O'Hair, a 6 year 4-H member from Springlake, will participate in the revue. She will be modeling a black and white two piece dress. The over-blouse is a black and white sleeveless Thomas cotton, featuring a bow belt. The straight skirt of solid black, is suitable for street wear.

The highest scoring girl from the Junior and Senior division will participate in the District Revue August 12th in Lubbock. Scoring will be on the girl, the outfit on the girl, construction and record.

Judging the Revue will be Miss Gena Brazeale, County Home Demonstration Agent, and Miss Marcheta Wood, Assistant Home Demonstration Agent, Plainview.

Among Those Who Are Ill...

Mrs. M. M. Morris returned to Houston Tuesday for medical tests and observation. She was accompanied by her daughter, Mrs. Joe Chester, of Olton.

Lynn Hamilton had a tonsillectomy Monday morning in the Methodist Hospital, in Lubbock. His condition is reported as improving.

Mrs. Dora Bulls has been ill for the past week. She is at home.

Paul Lindley, son of Rev. and Mrs. Albert Lindley is recovering from a lengthy illness.

Mrs. A. E. Glass, Levelland, is a patient in the Levelland Hospital. She is the mother of Adrian Glass, employee at Earth Oil and Gas.

Biff Belew, son of Mr. and Mrs. Bob Belew, has the mumps.

C. D. Trotter, father of Eldon Trotter, is a patient in the University Hospital and Clinic in Lubbock.

Knight-Cole Vows Exchanged

Miss Chesta Jan Knight, daughter of Mr. and Mrs. L. D. Knight, of Childress, became the bride of Carol Raeman Cole, son of Mr. and Mrs. R. S. Cole in an impressive double ring wedding ceremony at 4:00 p. m., Saturday, July 10, in the Calvary Baptist Church of Childress. Officiating was the minister of the church.

Wedding music was played by Mrs. Cribbs, of Childress. The wedding party stood before the altar at the beginning of the ceremony, as Norman Hemphill sang vocal selections, "Because" and "Love Divine."

An archway of greenery, flanked by three baskets of yellow and white gladioli, and a kneeling bench formed a beautiful setting for the ceremony. The lovely bride, who was given in marriage by her father, wore a white embroidered satin street length bridal gown, with a sweetheart neckline, elbow length sleeves, and bouffante skirt. Her shoulder length illusion veil fell from a tiara of pearls. The beautiful wedding gown was fashioned by the bride with the assistance of her mother. She carried a bouquet of white orchids, and white streamers and a Bible (which was the groom's at an early age) and which was covered with white satin and lace, and the bride's bouquet.

Maid of honor was Miss Doris Carter, of Plainview, who wore a dress of yellow silk, with matching accessories. Jimmy Robertson, of Earth was the best man. Ushers were Wylie Kimbell of Lubbock, and Thomas Bryant of Earth.

Mrs. Knight, mother of the bride, was attired in an ensemble of blue and white, with white accessories. Mrs. Cole, mother of the groom, wore a floral silk

dress with black accessories. Both wore corsages of white carnations.

A reception, following the ceremony, was held in the home of the bride's parents. A three-tiered wedding cake and punch were served by the aunts of the bride. Out of town guests included friends and relatives from Vernon, Weatherford, Denver City, Lovington, N. M., and Earth.

The couple left for a wedding trip to a resort in Missouri. For traveling the bride wore a suit of yellow lace with matching

accessories, and the orchids from the bride's bouquet.

The bride attended Childress High School. She has recently worked as a nurses aide in the Childress Hospital, as part of the Distributive Education program in the Childress Schools.

They are now at home at 718-2nd Street, in Muleshoe. The groom is employed with the High Plains Building Company, of Amarillo, and will be working at Cannon Air Force Base, Clovis. He was a graduate of the class of 1964 of Springlake-Earth High School.

We have the mind of Christ. —(Cor. 2:16)

It is difficult for some people to make decisions. We should be sure that we are not mistaking fear and doubt for wisdom. We have within us the wisdom of the Christ mind. When we need a course of action we should place the matter under His direction, and be led to the right decision.

Lazbuddie News...

By Mrs. C. A. Watson

Lou Venia Williams, formerly of Lazbuddie was feted with a bridal shower in the Muleshoe State Bank Community Room recently. Lou Venia is now employed at the Green Memorial Hospital in Muleshoe. She is the bride-elect of Loyd Garlington. He is employed at Harvey Bass in Muleshoe. The chosen colors of iced pink carried out the decorations in the room. White lace over iced pink covered the serving table. The centerpiece was silver candelabra with pink candles and carnations. Refreshments of white individual cakes with pink icing, punch, nuts, and mints were served. The hostess gift was a tangerine satin bedspread. Hostesses were Mrs. J. W. Casey, Mrs. Larry Roloff, Mrs. W. L. Speck, Mrs. J. L. Phipps, Mrs. Lanelle Spurgeon, Mrs. Charles Bratcher, Mrs. Harvey Bass, Mrs. C. A. Watson, Mrs. Frank McCamish, Mrs. Gid Howell, Mrs. Cleve Bland, Mrs. J. L. Evans, Mrs. Dwayne Morrison, Mrs. B. H. Wagnon, Mrs. L. L. Childs, and Mrs. Garland Grosby.

Mr. and Mrs. Wilcey Moore, Muleshoe feted her brother and sister, Neil Ray Arnold and Beverley Hall with a cookout birthday supper Sunday evening of last week. Arnold and Beverley are twins. On hand for the occasion from Lazbuddie were the Kenneth Halls and the Leon Wilsons.

Mr. and Mrs. E. C. Chitwood, Friona was honored with a picnic cookout supper recently. The supper was at the home of Mrs. Lucy Jones at Friona. The E. D. Chitwood, Jr. family and the J. B. Young family from Lazbuddie attended.

Rev. and Mrs. Calvin Beach and children returned Saturday from a vacation in Colorado. They report the weather nice and cool at points where they vacationed.

Sam Bradley and members of the RA's from the First Baptist Church left Monday for the Plains Assembly Camp near Floydada.

Mr. and Mrs. W. H. Carpenter and Mr. and Mrs. Jimmy Briggs and children returned the last of the week from a vacation and reunion at Estes Park, Colorado. Accompanying them also was Mrs. Frank Hammonds, Farwell.

Mr. and Mrs. Freeman Davis and Mr. and Mrs. Joe Bullock are at Pagosa Springs, Colorado this week, doing some fishing.

Visiting the W. R. Broadhurst family last week were their daughter, Gearldene Dooley and granddaughter, Diane. Weekend visitors in the Broadhurst home were Mr. and Mrs. Hugh Marble from Lockney, Mrs. Broadhurst and Mrs. Marble are sisters.

Birthday Greetings this week go to: Linda Holt, Brenda Black, Marilyn Fred, Marsella Mayfield, Esqueil Echarrin, Gary Johnson, Alton Hartley, and Pat Peterson. Mrs. Kenneth Precure and children returned home last week from a two weeks vacation at Shreveport visiting relatives. The Precures went by train from Muleshoe.

Visitors in the home of the James Harvey's Sunday were Mr. and Mrs. H. A. Harvey, Plainview and Mrs. O. B. Osborn and Pete, from Lubbock. Mrs. Albert Clark and children of Spearman visited relatives and friends in the area recently. The Clarks are former Lazbuddie residents.

Mr. and Mrs. Jim Gorden, Midland have a baby born June 29 at the Midland Memorial Hospital. Gorden is a former Lazbuddie boy. The baby weighed 8 lb. 4 oz. and has been named Mellissa Leigh Gorden. Grandparents are Mr. and Mrs. J. H. Beaty, Midland and Mr. and Mrs. Bert Gorden, Lazbuddie.

Mr. and Mrs. Earl Peterson and family had as guest last week, Bonnie Cartwright, from Artesia. Sunday afternoon visitors in the Charlie Watson home were Mrs. Julie Taylor and sons, Jerry, Don, and Wayne.

Recent visitors in the Orville Burnett home were his parents, Mr. and Mrs. W. E. Burnett, Plainview and his brother, R. J. Burnett, from Cotton Center. Mr. and Mrs. Paul Gleason and children from Odessa were visiting the Truman Gleason family the first of the week. The two Gleason men are brothers.

Mr. and Mrs. Wayne Clark, Loy Dale Clark and Letha Temple attended the district 4-H horse show in Dumas the last of the week. Loy Dale won 2nd

place in halter class of grade gelding, 14 hands and under and 3rd place ribbon in showmanship. Letha was 4th place winner in halter of registered gelding.

Mr. and Mrs. Edd Parker, Terry and Larry from McKinney visited Sunday with the Jack Temple family.

Fishing and water skiing at Almagordo last week were the Olan Ivy family, the Jr. Matreider family, and the Raymond Treider family, Lazbuddie, the Chunky Ivy family from Lamesa, and J. W. Roberts family, Muleshoe.

Mr. and Mrs. Jimmy Seaton and family enjoyed a vacation at Ruidoso last week.

Mr. and Mrs. Rufas Carter was at Mangum, Oklahoma last week attending the Old Settlers Reunion.

The community extends sympathy to the bereaved of little 4 year old John Jacob Evertt, son of Mr. and Mrs. John Evertt, Lazbuddie. The child passed away at the Children's Hospital, Dallas, June 29. Claburns Funeral Home, Friona was in charge of the arrangements.

Travel By Out Of State Visitors Reach New High

More tourists traveling by automobile entered Texas last year than in any prior year in history.

During 1964 automobile visitors to the State added the impressive total of \$524,739,000 to the Texas economy. This was more than enough to rank the Visitor Industry high on the list of the State's most important sources of revenue.

In addition, the Texas Tourist Council estimates that nearly 2.5 million visitors came to Texas by commercial carriers, adding more than \$150 million to the total spent for tourist services.

The Texas Highway Department's annual survey of out-of-state visitors shows 11,757,000 tourists came to Texas by automobile in 1964. The length of the average visitor's stay was 4.6 days and he traveled 1,020 miles while in the State.

Last year the average party consisted of three persons. Average cost per day per person was \$7.57, while the average cost per party was \$23.91. Expenditures per person were up 12 cents per day from 1963.

The Texas Highway Department has long recognized the importance of the travel industry to the State's economy. Through its Travel and Information Division it strives to bring visitors to Texas in ever-increasing numbers. This is done by publicizing the State's attractions and providing information and descriptive literature to prospective visitors. Last year the Department serviced 704,000 inquiries for the traveling public.

Eight Travel Information Bureaus are operated by the Department at key point-of-entry locations and in the rotunda of the State Capitol in Austin. These information centers played host to 492,000 visitors last year, of which 225,000 were from out-of-state and 267,000 were Texas residents.

The hospitality centers provided visitors with current travel information, descriptive literature on points of interest, State Highway maps, information on scenic and historical attractions, special events and state parks. Current road condition information is also made available to the highway traveler at the centers.

During 1964 the Texas Highway Department received via air mail and filled 212,000 requests for all types of information about the State. Some 18,000 of this total were coupons received by the Texas Tourist Development Agency as a result of its media advertising program.

Data covering out-of-state automobile travel to Texas in 1964 were collected and analyzed by the Travel and Information Division of the Texas Highway Department. The sample included nearly 10,000 Texas visitors traveling by automobile. Comments contained on the completed survey forms indi-

PISTOL PACKIN' PARSON, M. B. Baldwin, Pastor of the First Baptist Church of Earth, is shown thoroughly enjoying the annual Earth Rodeo Parade Thursday, as Red Murrell and a future cowboy enjoy the big event.

"GRAND OLE OPRY", Third place Winner, the Beta Sigma Phi Sorority Float, delighted the viewers at the Earth Rodeo Parade Thursday.

ated nearly 92 percent were favorably impressed with the Lone Star State. Things impressing Texas visitors most were: Texas Highways, Texas, Texas and Texas Highway Department Tourist Information Centers. Others of the thousands of comments related to vacation sites, prices, size of the State, Texas attractions and recreational facilities. Only 8.2 percent of the total comments were derog-

atory in nature. An estimated 37 percent were visiting Texas for the first time. Over 52 percent of the total visitors to Texas last year were here for vacations. Some 30 percent were visiting family and friends and 18 percent came to Texas for business reasons. Motels were a heavy favorite for overnight accommodations with 58 percent selecting these roadside facilities. Of the re-

mainder, 20 percent were housed in private homes, 7 percent stayed in hotels, 7 percent camped out and 6 percent had their own trailer accommodations. Two percent of those polled reported no preference. Businesses catering to the basic needs of the traveler are the first to feel the impact of the tourist dollar. However, every segment of the Texas economy benefits as this income spreads

throughout the state in a demand for services, supplies and labor. Last year tourists from all 49 other states came to Texas. Distant California was first in total numbers with 1,786,000. Neighboring Louisiana was a close second with 1,740,000. Oklahoma was third with 776,000. Florida was fourth with 647,000. Department studies indicated the vast majority of Texas visitors traveled by automobile.

The Texas Tourist Council, which is headquartered in Austin, undertook this phase of the study. It polled the various commercial carriers in an effort to obtain information upon which an estimate could be based that would reflect the approximate number of visitors who came by airlines, buses and railroads. Its poll indicated that some 2,461,000 persons used commercial transportation and this group added \$154,771,000 to the

automobile total. The Council reports that Interstate airlines played the most important role of the commercial carriers. During 1964 they brought to Texas 1,770,000 out-of-state travelers who remained an average of four days and spent \$17.50 per day. Another 691,000 visitors came to Texas by bus and railroad. In addition, many visitors came to Texas in 1964 via private craft and commercial ships.

The Jaycee Prize, a choice of several items, listed previously, was won by Joe Lee Campbell.

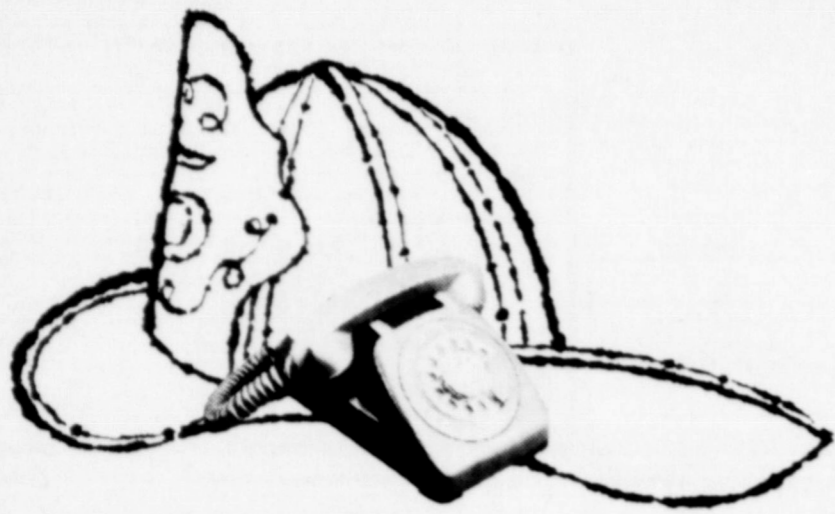

The IOOF Lodge presented their lucky winner with the choice of \$100.00 merchandise from the Western Boot Shop or Unique Fashion Shop.

The Lodge fund proceeds of \$120.00 net, approximately, will go to the Old Folk's Home in Corsicana, Texas, and the Orphan's Home, in Ennis, Texas, both of which are projects of the lodges over the states.

Proceeds from the Jaycee donations which were received on tickets, approximately \$100.00 net, will be added to the general Civic Projects Fund. Also the nightly dances following the rodeo, and given by the Jaycees, added \$300.00 more, approximately to the fund.

A specialty dog and monkey act from Llano, Texas provided hilarious entertainment nightly for the viewers.

COMMUNICATIONS — Your Tool for Progress

In case of fire, this telephone rings the alarm

In many of our towns, fire protection comes from a volunteer fire department. An effective communications system summons these volunteers by ringing all members' telephones at the same time. What's more, it is a distinctive ring which means "FIRE!" and brings firemen on the run. Here is another example of how Communications becomes a Tool for Progress—a communications service of great value to every town with a volunteer fire department. For full information about our many communications services, please call our Business Office.

WIN-FREE \$100.00 DURING THE **Shurfine ROYAL RECIPE SWEEPSTAKES**

\$25,000.00 CASH!

FREE! OVER 140,000 SHURFINE FOOD PRODUCTS

WONDERFUL RECIPES TOO!

HERE'S HOW IT WORKS!
Get your FREE Shurfine Royal Recipe card each time you shop. Collect coupons until you have all three words to complete the phrase "SHURFINE ROYAL RECIPE". Take the winning coupons to store manager and collect \$100.00 if the name of a Shurfine food product appears on a coupon presented same to store manager for FREE product indicated. A blank or illegible card entitles you to another free card.
P.S. Affiliated Food Stores collectively and throughout the Golden Spread are offering FREE \$25,000.00 CASH and over 140,000 FREE Shurfine food products during this promotion. Shop the P.S. Affiliated Food Store displaying the Shurfine Royal Recipe Sweepstakes sign.

YOU CAN BUY THE FRIGIDAIRE **JET ACTION WASHER** with complete confidence!

Automatic Soak Cycle

Greatest invention for babies since talcum powder—it soaks diapers, before wash cycle. Gets diapers cleaner than all-night tub soak. And it takes just minutes. Ideal for other heavily soiled loads.

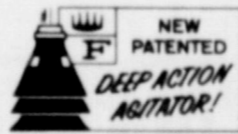

Twice through the soak cycle is all you need to get washable woollens clean—without shrinkage problems!

It's a Frigidaire exclusive—on ALL models!

Automatic Soak Advance

It's non-stop from automatic soak right on through wash, rinse and spin for Custom Imperial models. Put in the laundry aids, set the washer and forget it.

Soil Selector

Some wash loads are heavily soiled, some are normal and others are lightly soiled. All Frigidaire washers provide for all three soil conditions. And you can prolong clothes life, on lightly soiled loads, by not over washing. Some other makes of washers wash all loads the same, regardless of how dirty they are.
