Juel Montgomery Rites Held Monday

Funeral services for Mrs. Juel Montgomery, 80, who died at 7:25 p.m. Saturday in the South Plains Hospital in Amherst, were held Monday, August 17, at 2:30 p.m. in the Earth Church of Christ. Leonard Harper, minister, and Leonard Tittle, minister of the Amherst Church of Christ, officiated.

Mrs. Montgomery, born January 16, 1890, in Ridgeway, was a member of the Earth Church of Christ. She had been an Earth resident since 1958, moving here from Amherst.

She was preceded in death by her husband, Marlon Ervin Montgomery, on June 4, 1943.

Interment was in the Littlefield Cemetery under the direction of Parsons-Ellis-Singleton Funeral Home.

She is survived by two sons, Hoyt of Kermit and Pat of Littlefield; two daughters, Mrs. David Johnson of Earth and Mrs. Douglas Black of Littlefield; two sisters, Mrs. Myrtle Jones of Frederick, Okla.; 15 grandchildren and 14 great-grandchildren.

Pall bearers were Mrs. Montgomery's grandsons Dewayne Montgomery, Dale Montgomery, Ronnie Johnson, Don Johnson, George Bush and Charles Valentine.

L. T. SMITH and L. K. ANDERSON--local fishermen thought they had snagged a whale this past weekend before they landed this 45 pound catfish. The party were fishing in Kickapoo Lake near Wichita Falls. Anderson's grandson, Sam Andy Kelley of Clovis, assisted the two in landing the big one.

Former Law Officer Injured In Mishap

Clyde Atwood, former Earth deputy sheriff, sustained major injuries recently when he was struck by a falling beam while working.

Atwood, who was taken to Methodist Hospital in Lubbock, suffered injuries including a severed right hand, a crushed pelvis and a major back injury in the freak mishap. It was reported that doctors were able to rejoin the hand but have stated Atwood will experience difficulty in using his right hand and will probably suffer the loss of several fingers.

The former resident is still undergoing treatment at Methodist Hospital and is reported to be making satisfactory progress.

Mother Of Mrs. Bryant Injured In Car Wreck Saturday

Mrs. Dave Buchert of Denver, Colorado, mother of Mrs. Bill Bryant of Earth, was seriously injured in a car wreck Saturday morning, August 15. The accident occurred in Denver. The extent of her injuries were unknown at press time Wednesday, as tests are still

being taken. She is currently hospitalized in the St. Joseph Hospital in Denver. Mrs. Bryant left immediately for Denver and remains at the bedside of her mother.

U. S. postage stamp was approved in 1947.

Russell Wounded In Vietnam

Mrs. Billy Russell of Springlake was awakened at 5:15 Saturday morning to hear the voice of her son, Sp/4 Randall Russell, calling from Tokyo, Japan, after having been wounded in Vietnam on August 7.

Russell advised his mother not to worry, that his wounds consisted of only a compound fracture of the left leg and that it had been, as he put it, "sewed up today."

He also told her he was enroute home and would probably arrive in the States within two weeks. He further thought he would be sent to Reese Hospital in Lubbock for recuperation.

The Russell's were notified earlier that Randall had been wounded on August 7, at 5 a.m. by another son, Rodger who is also serving in Vietnam. He had called to tell them it was not too serious before the government notified them and had them real worried. However, Randall had requested the government not to notify his parents. The two boys handled the very serious problem with kid gloves, as near as possible, to shield their parents from as much

grief as possible. The two brothers have been in Vietnam since December 1, 1969. Rodger has been in service since January 13, 1968, and Randall since July '69.

Angeley Services Held Monday

Funeral services for William A. Angeley, 71, were held Monday, August 17, at 10 a.m. in Artesia, New Mexico.

Local residents attending were Mrs. Bonnie Haberer, Mrs. Jarvis Angeley, E. K. Angeley, C. E. Bearden and Ken Angeley.

Mr. Angeley was a double cousin to the local Angeley family members.

Great Pyramid of Cheops was constructed with 2,300,000 stone blocks, each averaging 2½ tons.

GUEST EDITORIAL

We Had Something...

"I didn't have a very happy childhood--

"But nobody worried very much about it. I was too busy, I guess - cutting lawns, shoveling snow, running errands, delivering groceries for 10 cents a load, selling newspapers, doing house chores, going to school. I passed my grades, too. If I hadn't, I'd have had the hide strapped off me.

"No one concerned himself about my amusements. What fun we had, we made. But if we did any damage-like breaking a window in a ball game-we paid for it by working it out.

"I don't suppose people understood me; but if I had said so, my mother would have asked, 'Why should they?' And no one ever gave a thought to my 'problems.' They were mine, weren't they? Mine to solve. Why should I expect anyone else to bother?

"We never heard phrases like 'standard of living,' 'subsistence level' or 'minimum requirements.' Our standard of living was whatever my father earned. If my father was laid off, we stopped spending on anything but food and a lot less of that. My dad spent every waking hour looking for work-any work. We lived on savings and if things became too tight we'd move in with relatives-or the relatives would move in with us. If there had been no relatives, we'd have gone to the only place left-the County Poor House, but that would have been an admission that we couldn't take care of ourselves.

"I guess we didn't have much. But we had something that was infinitely more important; infinitely more rewarding-we had self-respect, because whatever we had, we earned.

"It seems to me that is why America is the strong nation it is today-and it will stay strong only so long as there are enough Americans more interested in earning than getting."

13 Accident In County Through July

The Texas Highway Patrol investigated 13 accidents on rural highways in Lamb County during the month of July, according to Sergeant Keffer, Highway Patrol supervisor of this area.

These crashes resulted in one persons killed, eight persons injured and an estimated property damage of \$9,543.

The rural accident summary for this county during the first seven months of 1970 show a total of 63 accidents resulting in three persons killed, 31 persons injured, and an estimated property damage of \$49,058.

ated property damage of \$49,058.

School days are here again. The familiar yellow school buses are back on the highways. The Sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Texas has 115 colleges and universities.

MR. and MRS. STEVEN MANN

Mann-Lewis Vows Exchanged

Miss Carolyn Lewis of Carlsbad, New Mexico, and Steven Leo Mann were united in marriage on Thursday, August 6, at 7:00 p.m. in the Fox and Lake Street Church of Christ in Carlsbad, New Mexico.

The bride is the daughter of Mr. and Mrs. Robert Lewis of Carlsbad, New Mexico. The groom is the son of Mr. and Mrs. William L. Mann of Earth.

Bob Connel of Haskell, uncle of the groom, officiated in the double ring ceremony. Mr. Connel sang two songs during the ceremony, "We'll Never Walk Alone" and "The Lord's Prayer."

An archway decorated with greenery and gladioli flanked on each side with a seven tiered candelabra with white candles was the altar setting. Given in marriage by her father, the bride wore a formal gown of chantilly lace with a front panel of silk organza fashioned in an "A" silhouette with camelot sleeves. The back swept into a three tiered train of scalloped lace. Her veil of silk illusion was attached to a headdress of flowers and lace. She carried a bouquet of white pom poms and carnations.

As she was escorted to the altar, she presented her mother a gift, letter and kiss. Coming up the aisle, she presented the groom's mother a gift,

letter and kiss. She carried out the tradition of something old, something new, something borrowed and something blue. For something new was her gown, something old, she wore pennies with their birthdates in her shoes. Something borrowed was a gold chain with a tiny cross centered with a diamond from Miss Janice Trachta, something blue was her blue garter.

Miss Glenda Ann Gilcrest of Lubbock was maid of honor. Miss Janice Trachta of Hobbs, New Mexico, was bridesmaid. Both wore floor length gowns of blue satin fashioned in an empire style with puffed sleeves. Their headdresses were bows of veils of illusion in matching color. Each carried a nosegay of white pom poms edged in blue, set in a lace circlet and greenery with white streamers.

Thomas Mann, brother of the groom, was best man, Jimmy Mann, brother of the groom, served as groomsman. Candelighters were Tommy and Steven Lewis, cousins of the bride. Ring bearer was Ronnie Lewis and flower girl was Rebecca Lewis, cousins of the bride. Rebecca wore a floor length dress of blue and white dotted swiss trimmed in lace and ribbon. Her headdress was made of lace matching that of her dress. She carried a blue and white basket of white pom

Mr. & Mrs. Bill Mann Host At Rehearsal Dinner

Miss Carolyn Lewis and Steven Mann and members of their wedding party were honored with a rehearsal dinner at 8:30 p.m. August 5 in the Century Room of the Holiday Inn in Carlsbad, New Mexico.

Mr. and Mrs. Bill Mann, parents of the bridegroom, were hosts to the dinner.

Special guests were Mr. and Mrs. Robert Lewis of Carlsbad, New Mexico, parents of the bride, and Mrs. O. R. Mann of Idalou, grandmother of the bridegroom, and Mrs. Tommy Lewis, aunt of the bride, and Mr. and Mrs. Theron Jay all of Carlsbad, New Mexico.

Poms edged in blue and white daisies.

Singers composed of Mr. and Mrs. Theron Jay, John Cutler and Miss Cindy Samuels provided the music. They sang several songs while guests were being seated and sang "One Hand, One Heart", "Be With Us Lord" and "The Wedding March" for the ceremony.

Ushers were Tommy Lewis of Carlsbad, New Mexico, uncle of the bride, J. O. Bell of Lubbock and James Satterwhite of Seminole. Miss Roberta Dawdy of Carlsbad, New Mexico, presided at the guest book.

The bride's mother wore a light beige sheath dress with matching accessories. The groom's mother wore a blue two piece suit and matching accessories. Both mothers wore corsages of white pom poms edged in blue.

Immediately following the ceremony, a reception was held in Fellowship Hall of the church. The table was laid with a white cloth trimmed in deep scalloped lace. Crystal and silver appointments were used. The table was centered with a candelabra decorated with white roses and ribbon that held nine tall miniature blue candles and a three tiered wedding cake topped with a bride and groom standing in front of a seeded pearl heart.

The lower Myer's depicted miniature bridesmaids dressed in blue and wedding bells. Refreshments were served by Mrs. Tommy Lewis, aunt of the bride, Mrs. Robert Fox, Mrs. Lyndel Dawdy, Mrs. Joe Griffin and Mrs. George McGonigal.

For the bride's going away attire, she wore a navy and white princess style dress. She wore white accessories and a carnation corsage taken from the bridal bouquet.

Following the reception, the couple left for Niagara Falls and other points of interest. They will make their home in Beaverville, Ontario, Canada.

Grandmother Coffee Fetes Mrs. Edwin O'Hair

Mrs. Edwin O'Hair was guest of honor at a "Grandmother's Coffee" at 10:30 a.m. Monday, August 17, in the home of Mr. and Mrs. Ted Haberer.

The serving table was covered with a white linen cutwork cloth and centered with a lovely pink and white net umbrella with a pink chiffon base. Hanging from the umbrella were tiny packages wrapped in white paper and tied with pink satin bows topped with miniature baby dolls. Tall pink tapers in silver candleholders flanked the centerpiece.

Refreshments of orange juice and coffee were served with buttered pecan, blueberry and

apple-cinnamon muffins. Forty guests attended the event and brought lovely gifts for Lisa, the new granddaughter of Mrs. O'Hair. Lisa attended the coffee along with her mother Mrs. Mike (Brenda) O'Brien of Morton. Other out of town guests included her other grandmother, Mrs. J. C. O'Brien of Morton. Also an aunt, Mrs. N. H. Seed, Jr. of Morton and her great-grandmother Dorothy of Martha, Oklahoma.

Hostesses for the event were Mrs. Norman Sulser, Mrs. E. G. Gaston, Mrs. James Winders, Mrs. Marvin Sanders, Mrs. Bill Anderson, Mrs. Gerald Inglis, Mrs. Guy F. Kelley and Mrs. Ted Haberer.

FINANCIAL FACTS

Have you ever looked at the signatures on your dollar bills? Without those signatures your currency would be worthless. Excepting the first year of printing in 1861, all paper money bears at least two engraved facsimile signatures of Treasury officials. On the 1961 Demand Notes, there are two signatures, but they are those of Treasury employees signing for the officials.

Almost all currency in the series of 1862 through the series of 1923 bears the names of the Register of the Treasury and the Treasurer himself. The only exception is the Federal Reserve Notes of 1914, where the Register's signature is replaced by the signature of the Secretary of the Treasury, the highest official in the Treasury Department. Today, of course, all our currency has the Secretary's and the Treasurer's signatures.

South Plains Girl Wins Rural Electric Beauty Title

Beki Burrous of Falls is the new Miss Texas Rural Electrification. She was selected last week from among six finalists in the contest staged annually in connection with the annual meeting of Texas Electric Cooperatives. Miss Burrous succeeds another South Plains miss, Sheila Poulson of Lorenzo, who crowned Miss Burrous to climax the contest in the Astroworld Hotel in Houston Thursday evening (August 13).

Miss Burrous is the daughter of Mr. and Mrs. Tom Oats. She's 16 years old, the youngest of the six finalists. She's 5'-6" tall, weighs 120 pounds, has brown hair and hazel eyes. She will be a junior in Falls High School this fall where she's a member of the Student Council, Future Homemakers of America, and Future Teachers

of America. She's a member of the Methodist Church. Her hobbies include art, cooking, swimming, and water skiing. Following graduation from high school, she plans to enter Texas Tech University, Lubbock, to study art.

Miss Burrous was sponsored in the statewide contest by South Plains Electric Cooperative at Lubbock, which named her Miss SPEC earlier this year.

Runners-up in the contest were Joy Schelle, a junior at Southwest Texas State University, San Marcos, first; and La Donna Gaye Green of Lorraine, a sophomore at Hardin-Simmons University, Abilene, second. Miss Schelle represented Central Texas Electric Cooperative, Fredericksburg; Miss Green, Lone Wolf Electric Cooperative, Colorado City.

September Draft Call Up For Texas

September draft call for Texas is 704—a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new manpower, mainly from formerly deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all for the Army.

SPRINGLAKE-EARTH WOLVERINES AND COACHES are working hard to get into shape and ready for their first scrimmage game. The Wolverines will scrimmage Silverton in the Wol-

Nuptial Shower Honors Mrs. Gil Vining

A nuptial shower honoring Mrs. Gil Vining, nee Pam Swint, was held Tuesday, August 18, from 7 to 9 p. m. in the home of Mr. and Mrs. Norman Dudley.

The bride's chosen colors of pink and white were used throughout the entertaining rooms.

The table displaying the gifts was accented with a lovely archway of pink net enhanced by delicate pink rose buds encircling a miniature bride and groom.

The serving table was laid with white satin cloth overlaid with white net. The table was centered with a beautiful centerpiece of three large white wedding bells tied with pink satin bows. Flanking the bells on each side were baby pink carnations. The base of the centerpiece was covered in pink net entwined with satin bows. Three long white tapers highlighted both sides of the centerpiece. Clouds of pink angel hair enhanced the arrangement.

White cake squares topped with tiny pink flowers, nuts, mints and pink punch were served from silver and crystal appointments by Kathy Lee, DeAnn Brock, Cindy Barton and Tresea Glasscock.

The honoree was presented with a beautiful corsage of pink roses.

Special guests attending were Mrs. Glenn Vining, the groom's mother, Mrs. Lynda Swint of

Muleshoe, sister-in-law of the bride, and Mrs. Lee Scott of Lubbock, sister of the bride.

Hostesses for the occasion were Mrs. James Busby, Mrs. Donald Kelley, Mrs. Jimmy Nix, Mrs. Norman Dudley, Mrs. Kenneth B. Parish, Mrs. Walter Earnest, Mrs. Robert Bridge, Mrs. James A. Littleton, Jr., Mrs. Norman Hinchliffe, Mrs. Keith Jones, Mrs. Chester Kelley, Mrs. Melton Welch, Mrs. Gene Templeton, Mrs. Jimmy Eagle, Mrs. James Sanderson, Mrs. Carl Jones, Mrs. Tommy Wheatley, Mrs. Jim Stephens, Mrs. Ross Brock, Jr., Mrs. Jerry Kelley, Mrs. Irvin Ott, Mrs. Raybern Ott, Mrs. Ardis Barton, Mrs. Bud Marlock, Mrs. Vivian Parish, Mrs. Jerle Taylor, Mrs. Kenneth Sawyer, Mrs. Frank McNamara, Mrs. Bill Perkins, Mrs. Alvin E. The Women's Mission Society of the First Baptist Church of Earth met Tuesday morning in Fellowship Hall in regular session.

Mrs. Lillie Wuerflein presented the program on Home Mission Study entitled "Non-Restrictive Clientele."

The study concerned the problems the home mission board faces in working with different language groups. Several examples that other churches in the Southern Baptist Home Mission group have used were given.

One church had six language groups attending services. To solve their problem, they used interpreters for each language. Another church had a preacher for their individual language groups. All groups used the same church facilities but met at different hours.

Another church solved their language problem in the same manner the local church is using. The pastors and churches for the different languages are completely separate and the operation of a complete mission church is used.

Dr. Gerald Palmer, secretary of the Department of Languages of the Southern Baptist Home Mission Board, stated that he felt the churches would integrate in the near future. He feels that the churches are ready for the integration, although the language groups are not quite ready for a complete change but that they will be in the near future.

Those attending the meeting were Mrs. Pete O'Hair, Mrs. Price Hamilton and Mrs. Lillie Wuerflein.

Mrs. H. A. Harvey, Plainview, is currently recuperating from major surgery and is reported to be doing fine. She is the mother of Mrs. Elton Schaefer.

Mrs. Deppie Jaquess Honored With Bridal Shower, Friday

Mrs. Deppie Jaquess, nee Gay Upchurch, was honored with a bridal shower Friday, August 14, in the home of Mrs. Paul Wood. Hours for the event were 6 to 7:30 p. m.

The honoree was presented with a lovely corsage of white carnations trimmed with yellow hearts and streamers.

The bride's chosen colors of yellow and white were used throughout the entertaining rooms.

Guests were registered by Miss Petra Lewis from a table enhanced with a tall yellow taper accented at the base with white wedding bells and a yellow rose.

The serving table was laid with a beige brocade cloth trimmed with fringes and centered with a large archway covered in white satin entwined with yellow bows. A beautiful miniature bride doll dressed in a three tiered white lace dress stood under the archway. The base of the arrange-

ment was white net entwined with yellow rose buds.

White cake squares topped with yellow rose buds were served with yellow punch, mints and nuts from silver and crystal appointments. Assisting with the hospitalities were Pat Bryant and Sheila Lewis.

Special guests attending were the bride's mother, Mrs. E. A. Upchurch, and the groom's mother, Mrs. Gerald Jaquess of Lubbock.

Hostesses for the occasion were Mrs. L. G. Layman, Mrs. Lucy Lewis, Mrs. Carroll Blackwell, Mrs. Eldon Davis, Mrs. Marcus Messer, Mrs. Jane Beavers, Mrs. Ray Stansell, Mrs. Bill Bryant, Mrs. Bill Anderson, Mrs. Homer Starkey, Mrs. Pete O'Hair, Mrs. J. B. Thomas, Mrs. Travis Jaquess, Mrs. Raeman Cole, Mrs. Clarence Kelley, Mrs. Paul Wood, Mrs. T. H. Lewis, Mrs. F. W. Bearden and Mrs. Weldon Barton.

Baptist Brotherhood Discusses "Lay Witness Mission"

"Christian Lay Witness Mission" was the program topic as eleven men gathered at 6:30 a. m. Friday in Fellowship Hall of the First Baptist Church of Earth for the monthly Baptist Brotherhood Breakfast.

During the program, a discussion was held concerning the decision the church membership would make during the regular Sunday evening worship services as to whether or not to hold a Christian Lay

Witness Mission at the local church. The fact that the mission program would need the full support of the men of the church was also discussed.

Prior to the program, a delicious breakfast of fried ham, scrambled eggs, biscuits, jelly and coffee prepared by chief cook, Paul Wood, was enjoyed by Rex Clayton, Jimmy Craft, Bill Anderson, Wiley Nelson, Gerald Inglis, Billy Pittman, Clinton Green, Harold Miller, Hershel Hulcy and Bro. David Hartman.

Judy Sanders To Receive Masters Degree Saturday At Tech

Mrs. Sam Sanders, the former Judy Wood, will be among the candidates to receive degrees Saturday night in commencement exercises at Texas Tech. Mrs. Sanders will be receiving a masters degree in education.

Mrs. Sanders is a 1959 graduate of Springlake-Earth and has a bachelor degree in home-

making from Tech. She is presently employed in Lubbock by the Expanded Nutrition Program. The EN program is a government program and requires working with low income families to aid them in proper nutrition.

Mrs. Sanders is the daughter of Mr. and Mrs. Paul Wood of Earth.

Debbie Barton To Receive Degree In Education From Tech

LUBBOCK---Deborah Lynn Barton of Earth is among the group of more than 1,000 students who have applied for degrees at Texas Tech University's summer commencement exercises on August 22.

Dr. Grover E. Murray, Tech president, will deliver the principal address at the 7:15 p. m. exercises in Lubbock Municipal Auditorium.

Debbie, daughter of Mr. and

Mrs. Weldon Barton, will receive a degree in education. Debbie is a 1967 graduate of Springlake-Earth High School.

Mr. and Mrs. C. L. Houchin visited over the weekend in Mountainburg, Arkansas, in the home of Mr. and Mrs. S. W. Hempel.

FREE VACATION PLUS \$500 CASH Door Prize Given At HPRF Field Day

An expense-paid vacation trip for two to Acapulco, Mexico, plus \$500 in cash will be awarded to the lucky High Plains Research Foundation member who wins the door prize drawing during opening activities of the 14th Annual Field Day, September 10.

Sponsors making the trip available are Plainview Co-op Compress, City National Bank and Hale County State Bank.

The drawing will be made during the evening program. Merchandise door prizes also will be awarded.

The Annual Field Day will feature three field stops on the guided tour of Foundation research plots. As an added feature, Dr. Tom Longnecker has announced that Dennis Mooncey, Foundation agronomist, will conduct the Foundation's popular slide program of minimum tillage studies. The slide presentation has been acclaimed by farmers who have viewed the program as stimulating and informative.

This slide presentation will be presented during the afternoon in the Moody building. The minimum tillage program has been viewed by approximately 50 different groups and organizations this past year and continues to hold interest as minimum tillage studies prove to be adaptable to the High Plains, Dr. Longnecker said.

In addition to the Field Day activities, a special Farm E-

quipment Show begins a three-day run at the Foundation on September 10. Some of the latest modern farm equipment will be on display during this special showing.

For Field Day activities, members of area civic clubs have been asked to act as greeters for Foundation visitors. Texas Electric Cooperative, as in many years past, will

provide the speakers roster and public address system for the guest speaker and the Field Day evening program. Baldridge Bread Company will provide the sound truck for tour dispatcher, Ollie Liner, Hale County Agent.

Girl Scouts were organized in 1912.

PVT. E-1 THOMAS SAN MIGUEL

Pvt. San Miguel To Study Electronics

Army Pvt. E-1 Thomas San Miguel, Jr. departed Sunday, August 16, for Fort Gordon, Georgia, where he will undergo ten weeks of extensive training in the field of radio electronics. Thomas arrived in Earth on August 2 to spend a two week's leave in the home of his parents, Mr. and Mrs. Thomas San Miguel, Sr., following

eight weeks of basic training at Fort Ord, California. Thomas, a 1970 graduate of Springlake-Earth High School, enlisted in the U. S. Army on May 27. He stated that, although it meant leaving his hometown and friends, he was anxious to begin his electronics study to prepare himself for further military assignments.

Kelley Stationed In Florida

Marshall Kent Kelley, 18 year old son of Mr. and Mrs. Clarence Kelley, has joined his brother, Freddy, as a member of the United States Navy. He is stationed at the Recruit Training Center in Orlando, Florida, where he will undergo his basic training prior to being assigned further military duty.

Kelley, who enlisted in the Navy on July 11, received his training orders on August 5 at the Naval Induction Center located at Albuquerque, New Mexico. Upon completion of his basic training, he hopes to enter the field of naval aviation.

Kelley is a 1970 graduate of Springlake-Earth High School. The Kelley's eldest son, Freddy, is currently stationed at the Naval Air Station in Alameda, California. Freddy underwent surgery Tuesday, August 18, at the Alameda Naval Hospital for the removal of a cyst. He is expected to be confined for a minimum of 21 days of post operative care. Freddy, a 1966 graduate of Springlake-Earth High School, will receive his armed forces discharge in February of 1972.

L. B. Bowden had a lump on his chin lanced in the doctors office Wednesday. It seemed to be a deep boil. Ed Townsend had a growth removed from his finger Sunday afternoon in the emergency room of the hospital. It was an old injury that suddenly tripled in size.

Several stitches were required to close the place after the doctor had removed some gristle formation and fluid matter.

ALL FISHERMEN ARE LIARS EXCEPT YOU AND ME... Johnny Enloe brought home this 30 pound catfish to prove his point. Johnny caught this "Fisherman's Dream" while fishing at Lake Graham.

Its Auto Inspection Time Again

Another auto inspection deadline is approaching for vehicles with red stickers and the large numeral "9."

These cars, warned Col. Wilson E. Speir, director of the Texas Department of Public Safety, must be reinspected before midnight September 30.

Texas now has a 12-month inspection system. Sticker in the lower left-hand corner of each automobile windshield contains a large numeral showing the month of inspection and expiration.

Speir said cars with red stickers and a number "10" must be reinspected before midnight on the last day of October. Those with an "11" by the end of November and those with a "12" by December 31. Fee remains at \$2, with adjustments or repairs extra if required.

350 To Participate In Boys Ranch Rodeo

An event that began in 1944 to help a group of boys will be held for the 26th year when the more than 350 young cowboys at Cal Farley's Boys Ranch put on their annual Boys Ranch Rodeo over the Labor Day weekend.

Competing with each other, the boys will ride bareback broncs, Brahma bulls, steers, calves and stick horses for the trophies and honors that are waiting for the winners. Every boy at the Ranch has some part in the rodeo, either as a contestant or working as an usher, parking cars, operating concessions or helping at one of the many behind-the-scenes jobs that makes the rodeo the only one of its kind in the nation. "All of the boys have something to do in the rodeo," Ranch president Virgil Patterson says, "and they have been working hard to make it the best rodeo they have ever put on."

A special attraction of the rodeo will be giant-size barbecue beef sandwiches with all the trimmings that will be sold for \$1.00 to those wanting to picnic at the Ranch. This concession will be run by boys learning meat-cutting and cooking for their vocations. Soft drinks, pop corn and other refreshments will be sold by other boys.

Rodeo performances are scheduled for 2 p.m., September 6th and 7th. Tickets for either performances are available in advance at the Boys Ranch office, 600 West 11th Street in Amarillo or write Box 1890. Reserved box seats are \$2.50, general admission is \$1.50 for adults and 75¢ for children. All proceeds are used for the expansion of the Ranch.

MORE CATTLE ON FEED IN TEXAS

The number of cattle being fed for slaughter market in Texas in July was 13 percent above the number of a year ago. The Texas Crop and Livestock Reporting Service reported the July 1 total at 1,353,000 head.

In the 22 major beef feeding states, the increase was only 2 percent. Cattle placed on feed in Texas from April to July increased 10 percent over a year earlier. Cattle marketed for the same period were up by 23 percent.

Texas School Students To See Changes

AUSTIN--More than 2.7 million Texas students soon will be heading back to public schools again.

There will be a lot of changes in store for them, although most probably will fast adjust or barely recognize the differences.

Teachers will begin work a little earlier, and classes in some areas will start earlier. School year will stretch out from 175 classroom days to 180.

Teachers will be on duty 10 more days of non-teaching work for in-service training and to help with school opening and closing.

For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program.

A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying on lectures, preaching and moralizing. Training of local teaching teams in 1,206 school districts is slated to start in September and October.

Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as a proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts at Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (August 21). Hearings may begin Monday.

Party Line
Kathy Lee arrived Friday to spend a week in the home of her parents, Mr. and Mrs. Bud Matlock, before beginning the fall semester of study at West Texas State University in Canyon.

Mrs. Paul Wood, local school nurse, is attending a School Nurses Workshop in Lubbock on August 20 and 21.

Our Tour Of Europe

by Mrs. Johnnie Williams

Half of the fun of any trip is all the planning and packing to go and sometimes I feel that much of the other half consists of the joy of returning to your own home and community. Excitement filled the air at the Lubbock terminal as nine people, with their families to see them off, left for Europe on July 15. With the Rev. and Mrs. Johnnie Williams group were: Lucy Lewis, Earth, Mrs. Doris Pinnell, Adrian, Mrs. Gordon Bain, Mr. and Mrs. John Adamson, all of Turkey, Mrs. Maurine Henderson of Dimmitt and Miss Madeline Bell of Hereford. This group flew Braniff to Dallas and on to New York where we boarded a KLM (Royal Dutch Airline) plane and flew to Amsterdam, Holland. We left Lubbock at 10:20 and arrived in Amsterdam at 8:30 (this would have been 2:30 a.m. in Earth. There is a six hours difference in time). There we boarded a bus similar to the Greyhound here. We joined a group led by three other tour hosts making a total of 44 tourists and a bus driver and a European guide. We began our tour by taking a sightseeing tour of Amsterdam with visits to the famous Rijksmuseum (large collection of Rembrandt's) and a diamond factory. Past the Tower of Tears, Rembrandt's house, before we boarded a glass-topped motor launch for a tour through Amsterdam's canals. After lunch we continued on to our overnight stop near Arnhem, Holland, staying in a new Esso Hotel, comparable to the Holiday Inn in the States. We had been up some 33 hours. Never did a bed look so good!

After a good breakfast the next morning, we left the Arnhem area for the industrial part of West Germany. We proceeded through the Ruhr-district to Cologne, where we

visited the famous Cologne Cathedral which is dedicated to St. Peter and is one of the finest examples of Gothic architecture in the world. It was founded in 1248 but was not completed until 1880. The twin towers are over five hundred feet high. In the afternoon, we continued on to Bonn, seat of the West German Government and the birthplace of Beethoven. We are now in the third day since boarding the plane in Lubbock and we spend the night in a village called Boppard, a lovely riverside resort in the Rhineland. (Next morning we were to be called at 7:30 for we ate at 8:00 and Johnnie and I were called at 6 a.m. by mistake. We dressed and went for a lovely walk along the Rhine banks as steeply as we were). After breakfast we joined our group for a boat ride down the Rhine from Boppard to Rudesheim, some three hours ride. The Rhine is considered one of the most beautiful rivers in the world and we believe it after seeing the Cathedrals, the vineyards, and age old towns and castles that still speak eloquently of a great past. We drifted slowly past the towering Lorelei jutting out into the Rhine. This cliff towers over four hundred feet above the river on the right bank near St. Goarshausen. According to ancient legend, the cliff is haunted by a siren who by her singing entices admiring boatmen into the dangerous rapids at its foot. The band played "Lorelei" and the people sang the word of this sweet song as we passed the famous Lorelei Rock. Getting off the boat at Rudesheim and enjoying a good lunch. This restaurant provided flags for groups of other lands. A Japanese student group ate along side us. We were very proud to have the U. S. flag displayed on our table as they too seem to be proud of the flag of the "Rising Sun" which was displayed on their

table. In the afternoon we continued to the city of Worms, where in his defense before the Diet of Worms in 1526 Luther uttered the stirring reply, "Here I stand, I can do no other, God help me." Saw the great monument to the great men of the German Reformation. Crossed the Rhine and took a short drive to Heidelberg on the Neckar with its famed University and the Mighty Castle looming over the city. Spending the night at Averbacher, a small village town near Heidelberg. On the fifth day of our tour we visited towns along the way toward the Black Forest Region skirting Titisee with its lovely lakeside setting. Entering Switzerland, we reach Zurich, the city wherein under the leadership of Ulrich Zwingli the Reformation began in Switzerland. From there we continue on to Lucerne and spend the next two nights 25 miles up in the beautiful mountains (which we considered the most beautiful we had ever seen, even more beautiful than any we had seen in the States, Canada or Mexico) in the small village of Engelberg. The next day we went down by bus to the city of Lucerne where we enjoyed a typical Swiss lunch with a band playing for us and doing the Swiss yodel for which they are noted. They called for some of the people to help with part of the program and called on Bro. Johnnie first. You should have heard him doing the Swiss Yodel!

On the seventh day we depart Lucerne for a drive through the Alps. First we drive along the Lake of Lucerne to Kussnacht viewing Mt. Rigi and continue on to the Princedom of Liechtenstein and its capital Vaduz for a short stop. In the afternoon we entered Austria and crossed the Arlberg Pass reaching the well known town of St. Anton and on to Innsbruck and crossing again into Germany we spent the night in the famous winter resort town of Garmisch.

On the eighth day we enter back into Austria through the Brenner Pass we reach Italy. In the afternoon we see the strangely shaped mountain peaks of the Dolomites. We arrive late in the day in the city of Venice, the so called "Pearl of the Adriatic Coast", and the home city of Marco Polo. Known also for the city of streets and canals built in the sea. We parked our bus and walked over a bridge crossing a waterway which got us to our street where our hotel was located. To us it was a dirty street and resembling some we had seen on skidrow in New York, but the hotel was nice and the American tourists were as thick as though it was a crowd leaving a Tech football game. A sightseeing visit was planned for us where we saw the Basilica of St. Mark in the famous St. Mark's Square where everyone feeds the pigeons, the Bell Tower with its famous clock which tells not only the hour but the daily position of the sun and moon, also the Doges Palace, the Bridge of Sighs and the Prison which was used until fifty years ago. We visited the famous Venetian glass factory where I bought a tea set and Johnnie said it was my "birthday and Christmas" gift for several years to come. This is the city where you do not take a taxi, but you take a gondola. From here we continue on to Florence, Italy, seeing many of the works of Michelangelo, among these was the famous statue of David. Also we saw the Cathedral Santa Maria, Basilica of San Lorenzo and other famous places of the city. Here we saw a leather

works factory. Leaving in mid-afternoon for Rome. On the eleventh day in Rome we saw the Fountain of Moses, St. Peter's Coliseum, Arch of Constantine, Roman Forum, Palatine Hill, St. Paul outside the city wall and a visit to Vatican City, a state within a state ruled by the Pope. Here stands St. Peter's, largest church in Christendom, the Sistine Chapel with Michelangelo's great masterpieces. Also a visit to the famous library. On the twelfth day we made a visit to the famous old walled city of Tivoli with its beautiful gardens and fountains for leisure. Late in the afternoon, Johnnie, Mrs. Pinnell and I got a taxi and visited the Catacombs which give one a very deep sense of reverence, for here one realizes anew what dedication and sacrifice was made by the early Christians that dared to follow our Lord. The guide reminded us that not only did the early Christians live their Christianity but here was evidence that many of them were persecuted and died for the cause of Christ. This is our heritage! Upon leaving the Catacombs the guide secured for us a car and driver who took us to many places of interest. One was the little small church, La Domenica, where people still worship. This church was reported to be one where Peter in a time of trial and running away from Rome and met the Lord returning to Rome. Here in this encounter Peter found strength to meet the tasks for the remainder of his life. He had bruised his feet on the stones and his footprints are still visible on a square of stone in this small church. We drove out of the city on the Old Appian Way, opened by Aelius Claudius Caecus in 312 B. C. This first Roman road is embellished on either side by tombs, mausoleums, statues. At this time most of this highway is covered with asphalt, but there are a few strips left so that one may see the regional basalt rock. We saw the summer home of the Pope which is built on a hill overlooking a beautiful lake twenty-five miles from Rome. Within a block of this beautiful castle was one of the most poverty stricken areas one could imagine. Returning to Rome we saw the Palace where Mussolini held forth on the balcony. (This entire evening was a highlight of our trip for Johnnie and I.)

On the thirteenth day we left Rome and traveled toward Pisa stopping at Viterbo where we saw the Papal Palace. We reached Pisa in late afternoon and visited the Leaning Tower and the Baptistery. Early departure on the fourteenth day we drive through fashionable resorts and the town of Carrara, famous for its marble, drove through the Po Valley to Milan. We visited the Milan Cathedral, the most ornate and extravagantly decorated of any in the world, often compared to a jewel, and saw the famous Opera House. On the fifteenth day we leave Milan and began the climb toward the summit of the Alps, near the common meeting place of Switzerland, Italy and France. Gradually ascend through the Pennine Alps to and through the engineering marvel of the new Mt. Blanc Tunnel, and across to Geneva. On the sixteenth day we tour Geneva and see the immense monuments of the Reformation, Cathedral of St. Pierre, John Knox Chapel, the famous University founded by John Calvin, the water spout visible for miles, Russian Orthodox Church with its golden spires. The afternoon and evening at leisure. We shopped and in the evening we took a three hour boat ride in the Geneva Lake and down the Rhine. There was a band and much dancing amidst the flow of beer and wine. (The preacher's family and those of his party looked on and admired the lights along the shoreline.) On the seventeenth day we left Geneva and sped toward the French frontier. We saw beautiful mountains along this drive and visited in the city of Dole, the birthplace of Louis Pasteur. Crossed the plains of Central France and saw picturesque villages, lush vineyards and on into Paris. On the eighteenth day we had a full day of excursions of Paris with stops at famous buildings, monuments, the Opera, Eiffel Tower with its famous water fountains given to Paris after the second World War by the U. S. We saw the Louvre containing the original painting of Mona Lisa, Notre Dame Cathedral. Balance of afternoon for shopping. (Our poor feet at end of day)

Early on the nineteenth day we leave for Rotterdam, Holland, which took us across the beautiful country of Belgium. Arriving in Rotterdam we board a plane in late afternoon for London. . . . were we rejoiced to hear English spoken and we felt almost home for we stayed in the beautiful new Kennedy Hotel which was decorated in western style. On the twentieth day we toured London, seeing Westminster Abbey where royalty is wed, and many of the great of England

is buried. Big Ben and Piccadilly fountain, Marble Arch, Tower of London, Hyde Park, Buckingham Palace, Regent's Park where the world famous zoo is located. We saw Hampton Court a half hour drive from London on the Thames. We saw Windsor Castle and many other sites of the great city. One evening a group of us caught the underground (like our subways) and went sight-seeing of the city by night. Visited the site of the Dickens' "Curiosity Shop." Our highlight of London as far as this Methodist parsonage family is concerned was our visit to the Wesley Chapel founded by John Wesley in 1778 to be the headquarters of his ministry. Here is the pulpit from which he preached the Gospel of Universal Grace, here is the quiet room in which he daily prayed, which is called the "power house" of Methodism and here he lies buried in ground that is "holy as any in England." Johnnie stood and read to Mrs. Pinnell and myself the scriptures from this little chapel. We visited the parsonage next door, and saw many of the articles that Wesley used in his every day life.

This was a dream come true for us. We were glad to board a plane on the twenty-second day of our tour to Amsterdam, from Amsterdam to New York and on to Dallas and to Lubbock to a group of anxiously waiting relatives who were no more anxious to see our group than we were to see them. Never did the Lewis clan who came to pick us up ever look better!

A tricycle was made in 1897 which weighed nearly a ton and could carry eight riders.

Producers-Director To PCG To Be Elected August 27

Lamb County cotton producers and agribusiness men will elect a producer-director to Plains Cotton Growers, Inc. in a breakfast meeting called for that purpose at 7 a.m., August 27. In the Crescent House Restaurant, Littlefield. Announcement of the meeting comes from Paul Bennett, businessman director to the 25-county commodity organization, and J. D. Smith, current producer director. Both farmers and businessmen are eligible to participate in the election of PCG directors. Each of the counties in PCG territory has two directors, one a cotton producer and the other a businessman. They serve two year terms, with businessmen-directors elected on odd years.

In addition to the election, the meeting will include a report from the PCG staff on the status of farm legislation in Washington. "There is nothing on cotton's horizon right now of greater importance than getting a cotton program passed," Smith stated, "and every cotton-minded person in Lamb County should be vitally interested in what his cotton organization on the Plains is doing in that regard."

Also urging that all interested people be on hand for the meeting, Bennett said, "Directors to PCG are the men who determine the organization's policy on legislation, re-

search, promotion, finances and other matters which play a big part in determining the future of Lamb County's economy."

Mr. and Mrs. Clifford Bills and girls of Denver City spent Sunday night in the home of Mrs. Bills' parents, the R. S. Coles. They were returning from a week's vacation in the mountains.

Bobbi Parker returned Thursday from Hereford where she had been visiting in the home of her grandparents, Mr. and Mrs. Hubert Parker.
