

## FAMINE

BY DAVID HARTMAN

Do we face an extreme scarcity of food? In a land of plenty I cannot imagine it. However, some parts of our world are experiencing famine. Consider this little bit of information from "The Church Around the World" published by Tyndale House:

"Famine in Africa is getting worse. Formerly unaffected areas are drying up. At least nine Christian organizations are pumping money, food, and men into the stricken areas. Meanwhile, the U. S. and U. N. are being charged with 'neglect and inertia' in their response to the disaster... but torrential rains have come to parts of Ethiopia, and flooding has washed out crops planted along the rivers. In Niger, early rains have come... but plow animals have died, seed and grain has been eaten, and without more rain, the crops will not grow.

What about the United States?"

I keep hearing reports of coming food shortages. I can see many factors combining to bring it about. For example fuel shortage, fertilizer shortage, ban of various chemicals to control devastating insects, unusual weather patterns, lack of water with which to irrigate to name a few. Time will tell.

The old Testament prophet Amos predicted a famine of different sort. He said, "The time is surely coming," says the Lord God, "when I will send a famine on the land—not a famine of bread or water, but of hearing the words of the Lord. Men will wander everywhere from sea to sea, seeking the Word of the Lord, searching, running here and going there, but will not find it." (Amos 8: 11-12)

Both kinds of famine is a bad scene. I don't want to experience either one. Maybe we won't have to. Time will tell.

## Earth Chamber of Commerce Directors Making Rodeo Plans

Chamber of Commerce met Friday June 6 at the Wolverine Drive-In for a breakfast meeting. They made plans and appointed committees for the Earth Annual Rodeo, scheduled for July 11, 12, and 13. The Chamber of Commerce will have complete charge of the parade furnishing trophies for Roping Clubs and Jr. Roping Clubs. There will also be cash prizes for floats and bicycle riders. The Chamber of Commerce is asking everyone to dress western for the Rodeo week.

A caravan will visit surrounding areas, Tuesday, July 9, and everyone is urged to come and go with the caravan.

Chamber of Commerce also began making plans for Earth's 50th Anniversary in August. Present for the meeting were: Macky McCarty, president; Billy Moore, Roger Haberer, Norman Hinchliffe, Doug Parish, Allen Griffin, secretary; and Ross Middleton.

There will be a called meeting for all members and interested persons in the near future.

## Boy Scouts Discuss Trip to Palo Duro Canyon

The Springlake - Earth Boy Scout Troop met Tuesday night June 11, from 7:30-8:30 in the East Scout Hut in Earth.

The scouts under the direction of Scoutmaster Jesse Green, started off with a Court of Honor. During this, several members received merit badges for certain activities each had been working on. Those were: Rick Mosely, Gary Mosely, Ray Hill, Glenn Hausmann, Jimmy Robins, Mike Wimberly, and Kenneth Wimberly. Andy Ellis received a scout award for becoming a new member.

After the Court of Honor, the members discussed progress on

the ticket sale they're holding for the driving of the t.v. to be given a way during the rodeo. The sale is coming along fine, but there are still 800 tickets left and if any one wants to buy one contact any boy scout, up until the time of the rodeo. The t.v. is on display at the bank.

The last item of discussion during the meeting was the trip to Palo Duro Canyon the Boy Scouts will be taking. They will be leaving Friday morning at 5:30 a.m. and return Sunday afternoon. This will be a camping out trip.

There were 11 members at the meeting plus the parents.

## Teen Time '74 Scheduled at Baptist Church

The Fellowship Hall of First Baptist Church, Earth, will be swamped with teen agers Monday, June 17. This will be the first session of Teen Time '74 sponsored by the local congregation. Exciting sessions will continue through June 22.

The theme for this year is "Joy in the Christian Life". The Bible study is based on the book of Philippians.

Each evening session begins with supper at 7:00 p.m. Specialty food is on order for two evenings. For example the Monday menu calls for Mexican food. On Wednesday Japanese food will be served according to Food Committee Chairman, Sharon Hamilton.

Johnny Kelley is in charge of recreational activities for the week. These will include volleyball, ping pong, horse shoes, etc.

Exciting and intriguing films will be shown each evening following the recreation period. They will include stirring productions like "In the Presence of Mine Enemies", "The Paul Carlson Story", "The Rapture", and "Fast Way Nowhere."

Teen Time '74 will be climaxed by an overnight retreat at Buffalo Springs Lake, Lubbock, on Friday and Saturday.

The young people will meet on the parking lot of First Baptist Church at 12:30 Friday, June 21, and travel by bus to the lake. Water skiing is on tap for Friday afternoon and Saturday morning. The Friday night schedule will include the Bible study. In place of the film there will be a discussion period. Questions from the question box will be lacked around.

The retreat cost is \$2.00 per person.

All teen age young people from the Earth-Springlake area are invited to Teen Time '74 according to David Hartman, Pastor of First Baptist Church.

## The Paul Carlson Story to be Shown Tuesday

On November 24, 1964, the attention of the entire world was drawn to the name of Paul Carlson, who in the last weeks of his life became a twentieth century symbol of courage and dedication.

Paul Carlson spent years in becoming an outstanding surgeon. Sacrifice and devotion to medicine had prepared him not only for a life of service to his fellow man, but also for a life of economic security. However, Dr. Carlson had learned, at an early age that his life was not his own. It had been purchased by the living God who desires to exhibit His love through believers in the Lord Jesus Christ.

This inspiring story of God's love, meeting the spiritual and medical needs of the people of Congo through Dr. Paul Carlson, has now been made into a 53 minute, 16mm color film which is one of the great missionary films of our times.

Beginning with a dramatic statement of the crisis of the mission fields upon the Christian doctor, and concluding with a widow's prayer with her children, this film makes a stirring impact upon every viewer.

Through the words of family, friends, colleagues, and United States Government Officials, we are able to see Dr. Carlson as husband, father and brother; as co-worker, student, and friend; but more than these we see him as Churchman, witness, and martyr; a man whose life marked him as one upon whom the entire world's respect and admiration had been focused.

That Paul Carlson's death had a tragic dimension is an incapable fact. Having endured many weeks of imprisonment, and having lived under the threat of death much of that time, he was only moments away from safety when a bullet ended his life on a Stanleyville street even as Belgian paratroopers, engaged in a giant rescue operation, filled the sky overhead.

Recognizing that his death was a tragedy, a seemingly senseless waste of human life, should not, however, prevent us from seeing that it was also a triumph. Here, truly, death was swallowed up in victory.

Whether or not the Church is ever worthy of its martyrs is open to question. Perhaps there have been times in its long history

when it has been. When confronted by the kind of devotion, courage, and faith of which Paul Carlson's life was such a moving example, however, we can feel only a sense of unworthiness.

This new film, produced by the Evangelical Covenant Church of America, is being released across the world by Youth Films, Inc., a division of Gospel Films, Inc., of Muskegon, Michigan.

Billy Zeoli, President of Gospel Films, Inc., is announcing the release of the film, said, "In the production of this film, the Evangelical Covenant Church of America has made a contribution of magnificent proportion to the cause of Christ everywhere, and just as rapidly as possible, we intend to make it available to Christians across the world. We are thrilled to have a part in the ministry of this tremendous film which, while honoring a man, will bring glory to God."

... He being dead yet speaketh. --Hebrews 11:4

The PAUL CARLSON STORY will be shown during Teen Time at First Baptist Church, Earth at 9:30 p.m. on Tuesday, June 18.

## Roney Smith's Rites Held Tuesday

Roney Fayne Smith, 42 of Earth died at 10 p.m. on Saturday, June 8, 1974 in the Methodist Hospital in Lubbock.

Services were held on Tuesday, June 11, 1974 at 10:00 a.m. in the First Baptist Church in Earth with Rev. David Hartman and Rev. Bruce Giles of Lubbock officiating.

Burial took place in the Earth Cemetery with Masonic graveside rites under the direction of Parsons-Ellis-Singleton Funeral Home.

Mr. Smith was born in Estelina, Texas on June 24, 1932. Shortly after he moved to Earth. On May 31, 1952 he and Carol Ivy Smith were married in Lubbock, Texas. He was engaged at farming in Earth.

Mr. Smith was a member of the First Baptist Church in Earth and was past Worshipful Master of the Earth Masonic Lodge No. 1277 in 1966-67. He was a member of the Lubbock Scottish Rite; the Plainview Commandery No. 53 K. T.; the Lubbock Consistory L. T., 32nd Degree; and the Plainview Chapter No. 228 R. A. M.

Mr. Smith is survived by his wife, Carol, one daughter, Teri Carol, of Earth; his father, L. T. Smith of Earth and a sister, Mrs. Billie Gwyn Davis of Dimmitt.

pall bearers for Mr. Smith's services were Pete O'Hair, Donald Kelley and Donald Runyon, all of Earth, Leroy Wilkerson of Seagraves, and Joe Young of Muleshoe.

## School Board Reviews Attendance Figures

The School Board met Monday night and opened with a review of the minutes and bills. They then studied the attendance figures and enrollment for the 1972-73 year, and found that the average for students attending that year was 721. The 1973-74 average student enrollment had dropped down to 709 and because of this drop the school lost some of its teachers. The loss of students from 1972 to 1974 was due to the flu epidemic so the Board is making an application for the Emergency ADA.

The Board then decided to set a price of \$3,250 for a pickup for the Ag. Department. This will be used for transportation projects.

Teacher requirement and enrollment were discussed and the Board anticipated federal programs for the 1974-75 year. Although Congress has not taken any action concerning these subjects, the Board members were hoping it would be similar to last year's.

The Board entered into a contract with the Regional Service Center for the 1974-75 school year for films and other teaching materials. This is an action the school has been making for several years.

Next, the Board met with Mrs. Houchin and discussed delinquent tax accounts.

The Lunchroom Financial Report was then reviewed and the Board members found that they were in the black. They also reviewed bids on the roofing of the elementary building and reviewed the Budget Progress Report. The meeting then adjourned.

## Rodeo Queen Contest Scheduled

A long with the rodeo this summer will be many added attractions. One of the main ones will be the Rodeo Queen's Contest. To make this a good and interesting event, we need many girls to sign up and take part.

In order to enter, you need to contact Linda James at 257-3782 or Caroline Stephens at 965-2445. The deadline for entering is Friday, June 14.

Linda and Caroline urge all girls to sign up so we can have a good turnout this year. They have scheduled a Coke party and practice session for all participants of the event.

## Methodist Grade-School Youth Plan Activities, Have Cook-Out

The Elementary 4-5-6 grade youth classes of the Earth United Methodist Church have decided on a summer project. The group voted to start a fund to buy an air conditioner for the older nursery. They have planned to have a Bike-a-thon. Each child will be sponsored by a church member or members contributing money for each mile the youths ride their bikes.

After Day Camp, the group had a cook-out at the Dean Jones home. The afternoon was spent cleaning the parsonage lawn in readiness for the new minister and swimming.

Elected for the summer as officers were President Sue Jones, Vice-President Sammy Ott, Secretary, Stephanie Parrish, Treasurer, Michael Graham, Publicity Chairman, Tamara Jones, and the food committee, Lonnie Neinst, Delwin Bullis, Teresa Ott, and Biff Belew.

## S-E Twirlers Return from Cisco

The 1974-75 Springlake-Earth twirlers attended camp at Cisco this last week. The group of 10 girls left Sunday morning and returned Friday evening.

During the week at camp, the twirlers attended 7 classes a day featuring dance ensemble, strutting routine, and solo tricks. Recreation was held at Cisco Lake.

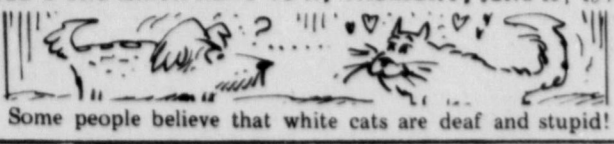

The girls attending were the Springlake-Earth High School twirlers, Debbie Wilson, head twirler, Fonda Goodwin, and Vicki Watkins.

Also attending the camp were Rosie Lewis, Petra Lewis, Tamme Davis, Lesa Pittman, Susan Clayton, Danae Wilson, and Cindy McAlpine, drum major.

The Church of Christ in Springlake started their Vacation Bible School Monday, June 10. The first couple of days they had an average enrollment of 47 children. The sessions last from 8:15 to 9:30 nightly.

**Card of Thanks**

Thank you with all our hearts for your love and kindness, the one thing we each covet, but cannot find words adequate to express how much God's children means to us.

Sunday morning, June 2, I needed to see a Doctor. Paul and Dorothy Wood arose early and without breakfast, went with us, and that was the way Paul's birthday started. During the day I was awoken by a kiss on the forehead, dear little Frankie. She and Bro. David always bring sunshine

into a hospital room. Their prayers lifted me to God, also those of Hershel, Paul, Dorothy and the many others at home, who were doing the same, were so appreciated.

The cards we received from each of you were so wonderful, how much it means one can never explain. Betty and Bill Anderson on vacation, sent back cards and scriptures of much comfort.

Our family, our children my sisters in Oklahoma who called many times, were so filled with love and concern. We thank God for these, and Praise His Holy name that even in this life he has provided us with much love from friends and loved ones, but most of all we have this sweet love and the peace that all is well. That He is watching over each of us and that all things worketh to the good of those who love the Lord and live within his will.

May God continue to give us love for each other and may He shower each of you with untold blessings. May He give us boldness that our tongues will be eager to speak of our love for Jesus and for our fellow man. That our lives may be lived as a little child and his mother working continuously with our hand in the hand of the Savior, with his Holy Spirit in our hearts.

With a heart full of love for each of you,

Polly and Ross Middleton

We would like to say thanks to all that contributed to our money tree. A special thanks goes to the hostesses that made our farewell party a memorable one.

We are enjoying our new home and surroundings but we will never find friends like the ones we found in the Earth, Springlake and Lazbuddie community.

May God bless each and every one of you until we meet again.

The Thomas' J. B., Evelyn, Kristi, Ronnie, and Larry.

I'd like to thank my many friends and neighbors and the P. T. A. for the courtesy shown to me for my reception. I also appreciate the gift I received.

Sincerely Yours,  
Grace Hooley

**Cheerleaders Attend Camp**

Sunday morning, June 9, Mr. and Mrs. James Winder and Mr. and Mrs. Raeford Daniels each carried a car to Cisco to take the 1974-75 S-E cheerleaders to the cheerleading camp at Cisco Jr. College. The girls were Debbie Daniels, Donna Daniels, Melissa Bean, Kelley Haydon, and Renee Winder. The girls will be coming home Friday June 14.

**Vacation Bible School Finishes at Baptist Church in Springlake**

**Elroy Wisian, Jr. Appointed Pastor at Spade**

Mr. Elroy Wisian, Jr. was appointed pastor at the Spade United Methodist Church in Spade, Texas. Making the appointment was Plainview District Superintendent, Carlton Thompson.

Elroy will fill the pastorate of the Spade church beginning June 16. The couple will move to Spade in July after parsonage repair is completed. This will be Elroy's first church appointment.

Elroy is 21 years old son of Mr. and Mrs. Elroy Wisian, Sr. of Springlake. Elroy graduated from Springlake-Earth High School in 1970. He has attended Texas Tech University for 4 years and will graduate in December 1974.

Upon graduation Elroy and his wife will be moving to Wilmore, Kentucky where he will attend Asbury Theological Seminary in January.

**Earth Baptist Church Concludes Vacation Bible School**

The Earth Baptist Church concluded its Vacation Bible School Friday, June 7, with a good overall average of about 104 children attending Monday, June 3 through Friday June 7.

Sessions started at 8:30 a.m. and were over by 11:30 a.m. Many of the classes worked on Bible-centered projects, and

were treated at mid-morning each day with a break for refreshments.

The department of older children helped conclude the week with a special program Friday morning, summarizing their activities for the week. All reportedly had a very good time.

**David Wisian Doing Patrol Work in Muleshoe**

David Wisian, son of Mr. and Mrs. Elroy Wisian of Springlake is doing police patrol work for the city of Muleshoe. He graduated from South Plains in May 1974, with his major in law enforcement.

David started last Monday, June 3, and has 3 different shifts. He works from 3:00 to 12:00 midnight; 1:00 p.m. to 8:00 a.m.; and 5:00 p.m. to

## Street-Winders United in Ceremony in Lazbuddie

Miss Roxanne Street and Randy Michael Winders repeated their vows Saturday, May 25, at 4:00 p. m. in the First Baptist Church of Lazbuddie. Rev. Calvin Beach of Plains, Texas, officiated in the double ring ceremony. Miss Street is the daughter of Mr. and Mrs. M. C. Street Jr. of Muleshoe. The groom is the son of Mr. and Mrs. Dud Winders of Lazbuddie.

The couple stood before a pedestal arrangement of deep pink willow branches and jade palms with a white dove, two pink love birds and twin bouquets of pink gladioli, Fuji mums, and jamestic daisies. Given in marriage by her father the bride wore a long candlelight gown of silk trimmed with tulle lace. The bodice was a full skirt of lace with the high collar of pleated lace. The train was bordered with lace also. Her veil was a mantilla headress of tulle and lace accented with seed pearls. She carried a colonial bouquet of two tone pink roses, miniature sonnets, elegants and bristle fairy.

MRS. MICHAEL WINDERS  
(nee Roxanne Street)

Soloists Ms. Wayne Moore and Terrell and Cloe Mitchell presented musical selections accompanied by Mrs. Marcella Jennings. Guests were registered by Mrs. David Harris.

Ms. Kirby Burch of Lazbuddie, sister of the bride, attended the bride as matron of honor. Miss Donna Herring of Muleshoe was the bridesmaid. The attendants wore hot pink dotted swiss gowns with empire bodices and shepherd sleeves trimmed with white lace ribbons. Cascading hot pink flowerlets in their hair and smaller replicas of the brides bouquet completed their attire.

Jerry Barber of Lazbuddie served as best man. Groomsman was Robert Barber of Lazbuddie. Ushers were Donnie Coker and Kent Winders, brothers of the groom, both of Lazbuddie, John Street and Matt Street both brothers of the bride and both of Muleshoe and Monte Winders of Earth, cousin of the groom.

A reception followed the ceremony in the Fellowship Hall of the church. The brides table was done in pink satin with a white lace table cloth covering. The cake was trimmed with pink roses and topped with the traditional bride and groom with pink daisies at their feet. The center of the table was done with three pewter candle sticks of alternating height with pink candles. In front of each there was a lily of the valley, bow or cluster of pink grapes. The grooms table was done in beige with a silver serving tray and coffee pot. The arrangement in the center of the table was a wooden tub filled with fruit. Serving at these tables were Mrs. Jerry Barber, Mrs. Robert Barber, and Mrs. Joann Rodda.

For a wedding trip to Amarillo, the bride chose a green and white checked pant suit. The couple upon return will reside in Earth. Mrs. Winders is a 1974 graduate of Muleshoe High School and the groom is a 1973 graduate of Lazbuddie and attended South Plains College at Levelland.

The rehearsal dinner was hosted by Mr. and Mrs. Dud Winders in the XIT Steakhouse redroom.

### Scott Lee Receives Award

Scott Lee, valedictorian of the graduating class at Springlake-Earth High School, has been given the Annual Award of the Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced today by Ward Cooksey principal.

Mr. Lee will receive an honorary one-year subscription to The Reader's Digest in any one of its 13 language-editions which he chooses, and a personal certificate from the Editors "in recognition of past accomplishments and in anticipation of unusual achievement to come."

The Reader's Digest Associ-

ation is presenting these awards in senior high schools throughout the United States to the highest honor student of the graduating class.

The award to Mr. Lee who is the son of Mr. and Mrs. Bud Matlock, Earth, Texas, was made possible through the co-operation of Mr. Cooksey and his teaching staff. They selected Mr. Lee to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good-reading after graduation.

## Parish-Weaver United in Candlelight Ceremony

Miss Debra Parish and Steve Weaver were united in marriage in a beautiful candlelight ceremony Saturday June 8, at 8:00 p.m. in the First United Methodist Church in Earth.

Charles Dunnam, pastor of the First United Methodist Church in Earth officiated the double rite ceremony.

The bride is the daughter of Mrs. Vivian Parish of Earth, Parents of the groom are Mr. and Mrs. Tracy Weaver of Petersburg.

The candlelight ceremony was performed before a setting complimented by two five tier candelabras and flanked by two smaller candelabras, accented with yellow papers. The candelabras were entwined with greenery and complimented with yellow satin bows.

Pews were adorned with bows centered with daisies. Yellow candles in the windows were surrounded by greenery, yellow bows and daisies.

Pre-wedding music was presented by Mrs. Randy Washington, pianist, as she played the traditional wedding music and accompanied Mrs. Cecil Slower, soloist, as she sang, "Wedding Prayer," "Twelfth of Never," and "Wedding Song."

The bride given in marriage by her brother, Larry Parish, was lovely in a formal length gown, empire style, with patterned lace. The neckline featured a wedding ring ruffled collar with a yoke of tucks, sheer ganza, and "v"-shaped motifs of chantilly lace and long fitted sleeves of lace and ruffled cuffs. The slim skirt of white sateau was edged with an extra wide flounce of scalloped, chantilly lace which swept to the back forming a chapel length train.

The double tiered, silk illusion veil was edged in wide, floral, chantilly lace and held in place by a silk net queen's crown.

Her lovely bridal bouquet was a long, cascade-shaped bouquet of yellow roses, white marquerite daisies and baby's breath.

For something old the bride wore rings belonging to each grandmother; something new was her wedding gown; something borrowed was her wedding veil, and something blue was a blue garter. She also wore pennies of her's and the groom's birthdates in each shoe, plus a sixpence given to her by Miss Kathy Irish.

Serving as Matron of Honor was Mrs. Randy Dickerson of Lamesa. Serving as brides Matron was Mrs. Larry Parish of Lubbock. Mrs. David Smith of Orange and Miss Carla Heritage of Lubbock served as bridesmaids, and Kitty Boyd of Lorenzo served as Jr. Bridesmaid. Christi Parish of Lubbock served as flower girl.

The brides attendants were attired in formal length, yellow floral, sheer dresses, made in princess style with mandarin collars and short puffed sleeves. The empire waist lines were accented with dainty bows tied in the back.

Each attendant also wore a yellow floppy hat accented with yellow ribbons that formed a bow in the back.

Their bouquets were floral accented with white illusions, yellow satin bows and streamers of yellow and white ribbon. Love knots and white daisies accented the streamers from the bouquet.

Serving as best man was Thomas Wainscott. Groomsmen were Randy Dickerson of Lamesa, Johnny Nott of Petersburg and Bobby Preison of Petersburg, Jr. Groomsman was Darren Parish of Oklahoma City. Ring bearer was Danny Parish of Oklahoma City, and candlelighters were Mr. and Mrs. Kent Parish of Beeville.

Ushering guests were Sam Heard, Doug Roberson, and

MRS. STEVE WEAVER (nee Debra Parish)

Mike Thompson, all of Lubbock. Guests were registered by Mrs. Dewayne Parish.

The bride's mother was attired in a mint green, dacron crepe dress trimmed at the neck and sleeves with iridescent sequin trim. The formal length skirt was gathered on a 3" waistband and topped by a V-top waist with mandarin collar. She wore a corsage of white roses.

The groom's mother wore a formal length, pink dress with sheer sleeves. The V-necked dress was accented with pink lace and heads. The outfit was topped off with a corsage of sweet heart roses.

Immediately following the

ceremony a reception was held in the Fellowship Hall of the church.

Bouquets of the bride's and the bride's attendants centered the table during the reception. The serving table was laid with a floor length nylon table cloth.

The beautiful, yellow, three-tiered wedding cake was topped with white wedding bells and served by Mrs. Bobby Pierson, Mrs. Mike Thompson, Miss Kathy Irish, and Miss Sherry Blackwell. A yellow frosted punch was also served from a crystal punch bowl. Silver table setting was used.

The bride chose a lovely, three-piece green and yellow dacron plaid suit with a yellow

blouse for her going away costume. Accessories were yellow sandals, a yellow, hand-made purse, and a corsage of yellow sweetheart roses.

Sherry Thompson of Petersburg and Dennis Parish handed out rice.

Mrs. Weaver is a graduate of Springlake-Earth High School. She is employed in the Medical department of the Lubbock State School. Mr. Weaver is a graduate of Petersburg High School and a May graduate of Texas Tech University. He is engaged in farming near Idalou and Petersburg.

After the wedding trip the couple will make their home in Lubbock.

## Teri Inglis Honored with Bridal Shower

A shower for Teri Inglis, bride elect of Rick Oldfield was given in the home of Mrs. Marvin Sanders on June 8th from 3:00 to 5:00 p.m.

For the serving table, cake squares and punch were served from a floor length, white lace cloth, with an arrangement of yellow iris and mums, accented with a miniature bride and groom.

Teri's chosen colors of yellow and white were carried out in decoration.

Nesha Lewis registered guests while Becky Pittman, Toni Inglis, Debbie Green, and Becky Smith assisted in serving.

Hostesses were: Connie Sanders, Jane Kelley, Dorothy Wood, Janette O'Hair, Frankie Hartman, Maisie McDonald, Evanel Winders, Mary Foster, Edna Robnett, Clota Bille Kelley, Grace Hooley, Pat Jordan, Bernice Dutton, Helen Hulcy, Gladys Goodwin, Frances Watson, Jerry Hinchliffe, Rowena Cleavinger, Pat Lewis, Bennie Prather, Jo Houchan, Mrs. Bob Boone, Mildred Haley and Barta Beale.

## Party Line

The W. B. Hucks family spent all day Sunday, June 9, visiting Mrs. Huck's aunt and uncle, the E. G. Gardners, at their home in Marton, Texas. Also visiting there Sunday were another aunt and uncle, the Tom Jones's from Hot Springs, Arkansas.

The Duane Jones's of Springlake attended the Regional Little Dribblers' Play-offs in Levelland Saturday night.

## Dunnam Family Given Going-Away Dinner

Members of the Earth Methodist Church gave Bro. Charles Dunnam and his family a going away dinner in the Fellowship Hall of the church Sunday, June 9, after morning services were held.

Bro. Dunnam gave the blessing, and everyone started filling their plates. The delicious

food consisted of many kinds of dishes that the women of the church had brought.

After everyone was seated Bro. Dunnam played a record called "Phone Call from God" by Jerry Jordan. This was an actual phone call from God received by a very nervous and over-anxious man and was given in a comical way.

## Rainbow Girls Meet Wednesday

The regular meeting of the Earth Rainbow Girls Assembly # 156 was held Wednesday morning at 10:00 a.m.

The meeting opened with Donna Green, pro-tem Worthy Advisor and Ann Kelley, Mother Advisor. The girls talked about going to Grand Assembly to be held in San Antonio this year.

After the business meeting the girls enjoyed a luncheon. After eating the girls worked on secret work for attending Grand Assembly.

Those present for the meeting were: Donice Taylor, Pam Eagle, Donna Green, Elaine Bills, Gena Wisian, Mrs. Ann Kelley and Mrs. C. C. Goodwin.

## Charla and Chuck Dunnam Honored with Swimming Party

Charla and Chuck Dunnam were honored Tuesday night, June 11, with a going away party at the Earth Swimming Pool. There was swimming from 8:15 to 10:15, and ice cream was served. Those attending were Craig Holland,

L'Anna Sulser, Clint Dawson, Elaine Bills, Rosie, Lewis, Loretta Bills, Randy Bills, Jill Barden, Kristi Thomas, Carl Sulser, and the honorees: Chuck and Charla Dunnam.

The Dunnams will be moving to Lubbock.

## Clements Host Rehearsal Dinner

A rehearsal dinner for members of the Cleavinger-Clements wedding party was held in the Fellowship Hall of the First United Methodist Church on Wednesday, June 5, at 8:00 p.m.

The serving table was centered with a large floral arrangement in shades of purple and orchid. The dining tables were centered with garlands of boxwoods accented with orchid tulle pom-poms and purple tapers.

The menu consisted of ham, potato salad, baked beans, tossed salad, fresh fruit salad in watermelon rinds, hot rolls, cherry cobbler, coffee, and tea.

## The Rapture Film to be Shown at Local Church

THE RAPTURE, an exciting new color film that deals with Bible prophecy relating to the return of Christ, will be shown

during Teen Time at First Baptist Church on Wednesday June 19, at 9:30 p.m.

This film adds a new dimension to the ministry of David Wilkerson, a phenomenon of our times. Led by God into one of the more difficult areas of this country, he pioneered a Gospel ministry that is now world-wide. Again-led of God he began writing and produced a best seller, The Cross and the Switchblade. Once again--David Wilkerson has added a new field--motion pictures--and THE RAPTURE is the result.

At a time when a number of films are appearing on the subject of the return of Christ, THE RAPTURE is a low-key but highly imaginative portrayal of how a television network might possibly handle the spectacular catching away of millions of Saints with the chaos that would be the result.

A retirement tea was held Sunday afternoon from 3 till 5

p. m. in the homemaking cottage honoring Mrs. Grace Hooley. The local P. T. A. presented Mrs. Hooley with a gift certificate.

The serving table was covered with a white cloth and the centerpiece was a bouquet of white and yellow flowers.

Cake and punch were served to approximately 35 guests by Mrs. Wylene Cleavinger, Mrs. Jo

Eddy Riley, Mrs. Susan Chisum, and Mrs. Sherrie Heydon.

Out of town guests included two sisters, Mrs. Harry Woody, Littlefield, and Mrs. Tena Ruykendall, Morton; three sons, Mr. and Mrs. Bob Mayon, Lubbock; Mrs. and Mrs. Larry Holley, and family, Amarillo; and Mr. Lynn Hooley, Canyon; brother-in-law Mr. and Mrs. V. Mrs. Hooley has taught in S-E schools for 21 years.

are diverse opinions as to the return of Christ, THE RAPTURE is a fairly accurate picture of how the people of science, a liberal clergy, and the news media would react to the sudden and unexplained disappearance of millions of people whenever it occurs in God's chronology of events.

THE RAPTURE, in a very graphic way, reveals the folly of not being ready for the return of Christ whenever it occurs and--after all--isn't that what the Bible is all about?

## Early Detection of Disease Could Make the Difference

Early detection of a disease or a physical problem often can be the difference between a bright future or one filled with continuing medical problems. Texas youngsters--more than 150,000 of them to date--have a better chance of good health through special medical and dental programs carried out by the Texas State Department of Health.

Preventive health services are being given Texas children through an agreement between the State Health Department and Department of Public Welfare. Those eligible for medical screening and dental diagnosis and treatment services are those youngsters on the Welfare Department's aid for dependent children rolls.

It is anticipated that the early detection and treatment of disease in children served by this program will have a significant impact on their lives now and in the future.

The program--called the Texas Medical Assistance Program--is designed to create awareness of existing health care services, to stimulate the use of these services, and to make services available so that children can receive medical and dental care before health problems become chronic and permanent damage occurs.

The dental program concept is to provide eligible children a certain level of dental care through utilization of services

of private dentists in the state. The more than 68,000 children participating in this program have received examinations, preventive care, remedial and emergency dentistry where necessary. A definite freedom of choice on the parts of both the recipient and dentist is strictly maintained. The Department of Public Welfare is responsible for identifying eligible children, obtaining and seeing that dental appointments are kept, and providing local administrative services to the program. The Health Department monitors the statewide program, provides a list of participating dentists for each county, issues and processes dental invoices, and maintains statistical data. The dental program concept is charged with giving "early and periodic screening, diagnosis and treatment" of eligible children below age of 21.

Medical screening, performed by medical screening teams, is

conducted in a different manner under different operational procedures. Teams may be located in a regular Health Department clinic, or they may take a mobile clinic into any locality and set it up in such facilities as a school or church.

A medical screening team consists of a physician, nurse, licensed vocational nurse, clinical attendant, laboratory technician and clerk. A child's medical history is obtained and physical inspection is performed. If physical defects are observed, the child may be referred to a private physician of the parent's choice for diagnosis and treatment.

In the more than 84,000 youngsters screened thus far many physical defects have been found and referred to private physicians for treatment. The most common reasons for referrals are--in order of frequency--abnormal blood (low hemoglobin), visual defects, hearing defects, skin problems, muscle and bone problems, cardio-vascular problems and and psychological developmental problems.

The medical screening teams have operated in 213 of the state's 254 counties, and there's a big job ahead in reaching the 365,000 eligible children in Texas.

Medical screening covers a health and developmental history of the child; a brief family history to check for such conditions as diabetes, tuberculosis, cancer and mental disorders; a physical inspection with emphasis on visual and hearing defects, heart abnormalities, skin diseases and bone problems. Certain laboratory tests also are performed. These include routine urinalysis, blood tests, tests for proper metabolism and skin tests for tuberculosis. Complete records are kept on all recipients.

The Welfare Department makes initial contacts with families, identifies recipients, gets them to and from screening sites, assists with referrals to private physicians and monitors the child's cooperation with the private physician's recommendations.

Through this program, a strong impact is expected on the present and future health of thousands of young welfare children in Texas.

## Immune Response, A Link to Cancer?

The incidence of cancer may be higher among people with deficient immune systems, according to an article in the May 3, 1974 issue of SCIENCE, the weekly journal of the American Association for the Advancement of Science. Further, reports staff writer Jean L. Marx, many researchers believe that and individual's immune response is involved in oncogenesis--the development of tumors.

It is already known that the immune responses of cancer patients are deficient. What is unknown, says Marx in her discussion of tumor immunology is whether or not such deficiencies are the cause or effect of the cancer, and whether the immune system hinders or promotes tumor growth.

The manipulation of immune responses--immunotherapy--may lead to a cancer cure. In order to develop immunotherapy approaches, however, it is imperative that the role of immune systems in cancer development be understood.

All cells carry genetically determined antigens, explains Marx, which are my substances that stimulate an immune response. Normally an individual's immune system attacks foreign antigens from another individual, and not those of his own body.

Scientists now think that most tumor cells carry membrane antigens that differ from the host's normal cells. Proving that these antigens are found only in tumor and not in normal cells is difficult, says Marx. Investigators have found that animals can mount an immune response against tumor cells. In addition others have shown that effector cells--killer cells of the immune system--can recognize and destroy culture tumor cells.

Both concepts underlie the theory of immunological surveillance, which is favored by many immunologists. According to this theory, tumor cells constantly arise in man, but because of their "foreignness," they are eliminated by the immune system of most people. However, if these tumor cells escape undetected, they pro-

liferate, and cancer results. Evidence supporting this theory indicates that the incidence of cancer is higher among people with less effective immune systems. For example, the immune system is thought to deteriorate with age, and the incidence of cancer is higher among the elderly.

If the immune surveillance theory is assumed correct, states Marx, researchers must now explain how cancer cells escape undetected and produce tumors in people with no immune efficiency. Many theories have been proposed, but the

tumor immunology puzzle is still incomplete, concludes Marx. Nevertheless, she says, progress is being made and investigators are hopeful.

## Mint Appeals for Return of the Penny

I'm calling on every American, especially young people to get the penny back in circulation and keep it there. Mrs. Mary Brooks, Director of the Mint, said today, I'm calling on the banking industry to welcome the return of pennies during the month of June. I'm urging schools, churches, charities, retail establishments and others to examine ways and

means to involve their members in collecting pennies for deposit.

The price of copper has retreated, closing at \$1.10 per pound on May 24. There will be no aluminum penny. The 62 billion pennies produced during the past 15 years have no numismatic value and because of the huge mintage they will never attain great value.

Nevertheless, speculators and hoarders of pennies have caused what seems to be a shortage of pennies in certain areas of the country.

But there is no shortage of a supply of pennies.

Creating a shortage where it does not exist can adversely affect every public spirited citizen, taxpayer and conservator of the earth's resources. It is inflationary should merchants start to round off sales to the next nickel due to lack of pennies to make change.

Again, I'd like to emphasize. There are plenty of pennies. But they are in the wrong places.

It is estimated that over 30 billion pennies are in circulation--doing the job for which they were intended. Somewhere in this vast country of ours, however, in excess of 30 billion pennies are in hiding. These are the pennies I'm looking for. They are in dresser drawers, shoe boxes, pickle jars; most anyplace you can think of that will get them out of pocket and out of sight. They are unwanted, unused and unappreciated.

For the Mint to be forced to continue increasing its penny production to meet the current extraordinary demand is wasteful of a natural resource--copper--that cannot be replenished by man. And wasteful of the taxpayers' hard earned money. One billion pennies returned to circulation will save the taxpayers \$10,000,000.

The current price and supply of copper allows us to continue production and distribution of the copper bearing cent. During the past 15 years, the Mint has pumped out over 62 billion pennies using some 202,000 tons of copper in their manufacture.

This year alone the Mint expects to use 33,000 tons of copper in cent production--making about 35 million pennies each working day.

If just 15 billion pennies could be lured out of hiding, the Mint, at current production figures, wouldn't have to make pennies for almost 2 years and it would represent a saving of \$150 million.

Fifteen years ago, the reverse design of the Lincoln cent was changed from wheat to a view of the Lincoln memorial. The Mint produced 25,7 billion Lincoln wheat pennies during a 50 year period.

The Lincoln wheat pennies do enjoy collector interest--some years commanding more numismatic value than others. Rarity is one of the determinants in establishing value of almost any collectible item. Especially this holds true for coins. A general rule of thumb is the lower the mintage of a given coin, the higher the numismatic value. Coin collecting is a very wholesome hobby. I'm happy to have young people looking at their coins.

Sixty-two billion pennies of

identical design, however, can never qualify as numismatic rarities and so cannot ever reach great numismatic value. The true collector knows this and collects only those pennies needed to complete his coin collection sets. The true collector likes bright, uncirculated coins also. Not the dull and discolored ones, unless they are rare.

For every \$25, or more worth of pennies cashed in at a bank, the Treasury Department is prepared to issue a special citation to the individual or group responding to the penny drive.

Obviously, this campaign to get the penny back in circulation will require the cooperation of the banks and others in forwarding the names to be cited for an award to Mary Brooks, Director of the Mint, 55 Mint Street, San Francisco, California 94175.

Truly this is a challenging project for anyone who participates. It will give every American family a chance to help control inflation, protect the environment and cut government expenses.

## Cattle

### Futures are Poor Market Forecasters

"Futures market quotations are poor forecasters of what actual cash livestock market prices will be in the future," warns Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service.

"It can be bad business to use them as an estimate of future price levels."

For example, futures contracts on live beef cattle for June 1974 have sold as high as \$61.75 and as low as \$42.95. That's not much of a forecast, says Uvacek. "If you were feeding cattle this past winter and used the price of \$61.75 as a forecast, you are in a heap of trouble!"

Sound forecasts are available that are based on logical analyses of the economic factors that affect prices. Futures quotations should only be considered as a price agreement

between two traders at that time, and not as a sign of market prices to come, points out Uvacek.

## Law Affects Farm Wages

Recently-enacted federal legislation raised the minimum wage for farm workers who are covered from the present \$1.30 to \$1.60 an hour, effective May 1.

The minimum will increase to \$1.80 on January 1, 1978; and to \$2 on January 1, 1976; to \$2.20 on January 1, 1977; and to \$2.30 on January 1, 1978.

The differential in minimum wage for agriculture and non-agriculture is wiped out by 1978, "points out Kenneth Wolf, economist in agribusiness the Texas Agricultural Extension Service.

The newly-enacted amendments to the Fair Labor Standards Act do not change the exemption of agriculture from overtime requirements or the 500 man-day test for coverage of agricultural employers," Wolf advises each farmer to

**CHEESECAKE FOR SUNNY DAY**—A dessert called Sunshine Cheesecake is hard to resist, especially when it contains such health-giving ingredients as six eggs and a cup of orange juice. Agriculture Commissioner John C. White reminds consumers that fresh eggs remain one of nature's most nutritious foods. Next time try them in this confection that is just right for a summer day.

## ENJOY A GREAT WESTERN TRADITION THIS SUMMER.

Food cooked outdoors over an open fire... is one of the West's great traditions. Fresh air, open flame and the aroma of good, hearty food combine to make a meal an experience.

Start your own cookout tradition this summer... with a convenient, dependable gas grill from Pioneer Natural Gas. You get the same delicious, outdoor taste as with a charcoal grill — but without the fuss and bother.

Chances are you'll be spending more time at home... so why not arrange to make that time more enjoyable with the addition of a gas grill to your patio. Call Pioneer or ask any Pioneer employee for information on a complete line of gas grills.

A gas grill is a natural for the Natural Energy Home.

By moving the cooking to the patio, you move the heat out of the house and thereby ease the load on your air conditioning system. Consequently, a gas grill can save money and conserve energy.

examine his records to determine whether he hired as much as 500 man-days of agricultural labor in any quarter of 1973. If so, the farmer is obligated to pay at least the minimum wage to all labor in 1974.

"Covered farm employees need to keep the new minimum wage requirements in mind in recruiting workers for this summer," adds the Texas A&M University System economist.

Also effective May 1, certain domestic service workers were covered by the minimum wage law for the first time, notes Wolf, in general, such a worker is covered if employed for a total of more than eight hours in a work week, even if the employment occurs in more than one household.

"However, domestic workers are not covered if employed on a casual basis for babysitting or companionship services for individuals who, because of age or infirmity, are unable to care for themselves," explains the economist.

The minimum rate for newly covered domestic workers is \$1.90 an hour. It will increase to \$2.00 on January 1, 1975; to \$2.20 on January 1, 1976; and to \$2.30 on January 1, 1977.

For non-agricultural employees covered before 1966, the minimum wage increased from the present \$1.60 to \$2.00 an hour on May 1. Next January 1 it will go up to \$2.10, and a year later, to \$2.30.
