

NOSIN... With Polly

Everyone seems to be discussing inflation these days, and wondering how and where it will all end. And on the subject of economy, I ran across an editorial from the London Times, that was reprinted in an exchange weekly we receive.

It points clearly the fact that inflation is a world-wide problem not just a problem here in the U. S. A.

The editorial follows: Nobody goes to the ironmonger because he wants a loaf of bread. But a great many of us, troubled by inflation, turn for an answer to the politicians.

I want to suggest that it isn't their kind of problem, that the answer to it (if there is one) will have little to do with new laws and policies. At heart, it's a religious and moral problem; its solution (if any) will be found in the kind of shop kept by priests and preachers and prophets and moralists. At best, politicians and parliaments can mitigate the damage, they can't go to the root of the problem.

What is inflation, after all? It's an economist's word for over-consumption, for living beyond your income, for taking more out of the kitty than you put in. This has become a near-universal habit in "developed" countries, in ours more than most. The fact is that we've all got ideas above our station, we have come to take for granted a quite fanciful and unrealistic notion of the "standard of living" to which we are entitled, as though by divine right. Why shouldn't I have fillet steak for dinner every day? Why shouldn't I have a jet-holiday in Mallorca every year? Why should I work long hard hours at some dreary job, and for a low wage?

Alas, there's no "should" or "shouldn't" about it. The facts of arithmetic are what they are. The world simply can't provide all that many fillet steaks, and its reserves of jet-fuel are running low. There's no question of moral entitlement at any point. Each man is in this world naked and hungry until somebody does something about it, something which will usually be difficult and laborious. No kind of society can be kept in being unless a very large proportion of its people are prepared to work hard at monotonous tasks for a fairly small economic reward. To resent this is to resent the fact that two and two don't make fifteen.

Overlooking these realities and living as a man who inherited a thousand pounds and then proceeded to live it up at a hundred pounds a day, we have built into the structures of our society the deadly sins of pride, envy, avarice, gluttony and sloth. The outcome is what we call inflation, and to help this process along, we have conveniently forgotten two sound old principles, the principle that it is a disgrace, a moral failing, to be in debt; and the principle (long asserted by every Christian moralist) that usury is a sin.

In so far as those two principles return to power, in so far as those five deadly sins are repented, the problem of inflation will simply cease to exist. The only thing that will "save the country" is a revolution of falling expectation; no vote-seeker can afford to be honest about this fact. But no side of industry can afford to be honest about it either; capital, management, labor, they all depend upon our continued addiction to levels of consumption which cannot possibly be sustained. Those five deadly sins are their bread-and-butter and are therefore, inflamed by every advertising campaign, every trade union claim.

We are left with the churches and they ought to be on their own ground here. Can the minister of Christ help us, with leadership and dogma and moral exhortation?

If they cannot, or cannot be bothered, we are in a bad way indeed. The answer to inflation is to be sought in their kind of shop.

Parents in the Dimmitt area have gotten together and taken action in an all-out attempt to stop the availability of drugs in Castro County. They ran a full page ad in the Dimmitt paper to inform everyone in that area of their action.

They have put a \$5000 reward on the head of every drug pusher in Castro County. In one of the toughest anti-drug moves in Texas history. The \$5000 reward is "for information leading to the arrest and conviction of any person or persons making narcotics or prohibited drugs available to minors in Castro County."

Parents there are ready to pay the reward as many times as necessary, until the county is rid of pushers.

The first \$5000 was gathered within 4 days, and pledges are being taken to spread out the expense of future rewards.

While parents are offering \$5000 per pusher, law officers are vowing to prosecute anyone who tries to keep a witness from identifying or testifying against the pusher.

Under the Texas Penal Code, anyone who harrasses, tampers with, takes revenge upon, or attempts to intimidate a witness is guilty of a felony and subject to a sentence of two to 10 years upon conviction.

Prohibited drugs include Marijuana, amphetamines, (speed) various types of tranquilizers, (downers), anti-depressants (uppers), LSD, heroin, hashish, cocaine and other opiates or mind-altering drugs.

Dimmitt as well as many other small towns in the area is reported to have a bad drug-use reputation. Two years ago the director of drug rehabilitation at Central Plains Mental Health center in Plainview, which serves a nine county region including Castro County, reported as many as 80 or 90 percent of all Dimmitt area youths in the Junior high level and older had experimented with "hard" drugs other than marijuana.

We are glad to see Dimmitt on the ball, ready to do something about the drug abuse problem in Castro County. It might be well and good if all towns in the county to become likewise concerned.

We do not know whether or not there is a large number of drug abusers or experimenters in Earth and Springlake. However, if there is we're for not shoving it under the rug, but getting it out in the open and solving the problem as quickly as possible. It doubtless is true "one bad apple in a barrel causes the ruin of many others."

## White Auto Store Opens in Earth Monday, 8 A.M.

Monday, November 25 is a red letter day in Earth, as the White Auto Store in Earth will open its doors for business. Mayor Larry Tunnell will be on hand to cut the ribbon, officially opening the new firm in Earth. The ribbon cutting service will be at 8 a.m.

Virgil Gray, manager of the firm, and Mr. and Mrs. Tom Lively, owners, will be on hand to welcome the people and give them a first hand tour of the new firm.

Work is going on, night and day in order to have everything in readiness for the opening event.

Santa Claus has already been to the store and left loads and loads of toys for Christmas gift-giving.

The store will carry tires, auto parts, large and small appliances and will indeed be an asset to the town, as well as a convenience to the area people.

Everyone is invited to attend the opening day ribbon cutting event, or to drop by anytime throughout the day.

The formal opening event is set for December 5, 6, and 7. Additional details will be available next week on the formal opening.

Mr. Gray, manager of the firm invites area people to come by. He is anxious to get acquainted with all the good folks in the area.

Mr. and Mrs. Gray will move to Earth the first of the year, when the place they have rented becomes available. They will be moving from Olton, where the Gray family has resided for years.

The High Plains Bookmobile was slated to be in Springlake and Earth on November 28, Thanksgiving Day. However due to the holiday the bookmobile

## Evangelist Bill Reese New Minister at Church of Christ

Evangelist Bill Reese, 36, formerly minister of the Cross Plains Church of Christ where he has served for little more than a year, has been secured as minister for the local Church of Christ.

Mr. Reese, his wife Ellen and their three sons John 14, Russell 12 and Carroll 8 years of age moved into the parsonage Friday. Mr. Reese preached Sunday in the local church.

Mr. Reese commented that he would love to be here for a long, long time because already he loved the community, the congregation, and everyone he had met here thus far.

Evangelist Reese is unique in that he knew at the age of 15 or 16 that he wanted to preach the gospel. Many youth are undecided as to what they want to do in life. Mr. Reese said the intense desire to preach continued, and as a teenager he did a lot of preaching in a small country church located in Truby, Texas.

Mr. Reese served as minister for the Early Church of Christ in Early, Texas for a year. He did some part time preaching at the Church of Christ in Elvasville, Texas, and has participated in numerous lectorships in various places.

In 1968 he went to the Midkiff Church of Christ where he served as minister for 18 months. Leaving there he went to Goldsmith, where he ministered to the Church of Christ congrega-

tion in Goldsmith, near Midland, for three years prior to moving to Cross Plains.

The evangelist said he planned to conduct at least one gospel meeting each year if possible.

A native of Anson, Texas Mr. Reese attended school there. In 1963 he attended Ft. Worth

Christian College. In '65 he attended Abilene Christian College one semester. He also attended the West Texas school of Evangelism in Abilene. This is a newly established school to train preachers much about the ministerial work in the Church of Christ.

The boys, John and Russell are seventh grade students and Carroll is enrolled in the third grade.

The Earth Church of Christ has been without a minister since last July. They have been having young preachers from the Sunset School of Preaching to fill the pulpit here.

## Wolverines End Season Defeating Farwell 16-7

The Springlake-Earth Wolverines won a share of the 3A district championship Friday night by defeating the Farwell Steers 16-7.

Hart and Vega shared the championship with the Wolverines as each team lost only one district game.

Hart won the toss of the coin to represent the district in the bi-district game with Petersburg Friday night in Plainview.

The Wolverines first score came in the second quarter with a 10 yard run by Doug Jones and PAT by Andrew Monreal. The Steers only points came soon after with a one yard plunge

by Mike Wood and PAT by Lesley Curtis.

Monreal broke the tie in the third quarter with a field goal from the 25, putting the Wolverines ahead 10-7.

Rodney Geissler sewed the game up in the final quarter when he busted through from the five. Monreal missed the PAT and the game ended 16-7.

The Wolverines had a total of 327 yards rushing and 11 yards passing for a total of 338 yards. The Steers rushed for 160 yards and passed for another 70 yards for a total of 230 yards.

The Wolverine defense also did an outstanding job to complete the season.

## Law Enforcement Officers Busy Trying to Solve Area Thefts

Deputy Sheriff Elmer Hall said late Wednesday afternoon that thieves had carried off tools from Wood-Jordan Equipment company in Earth, and other items from a farm in the Springlake Olton area this week.

Hall stated, the theft at Wood-Jordan took place during the noon hour Tuesday. He explained that a mechanic was working on a tractor located on the west end of the firm's equipment lot. The mechanic left to go uptown for something he needed, when he returned about 30 minutes later the tools he had been working with were gone. The tools were said to be valued at

approximately \$30,00.

Then Tuesday night or early Wednesday morning, Hall said several items were taken from a farm located 5 3/4 miles north, 1 1/2 west of Olton. The place was farmed by Billy Carson and Donny Newton.

Thieves took a 20 gauge shot gun, gas pump and a full set of socket wrenches and extensions from one of the men's pick up. They also stole a set of head phones from the tractor parked near by.

The loss was estimated at approximately \$300. Deputy Hall of Earth and Deputy V. L. Smith of Olton are working on the thefts.

REV. and MRS. DAVID BURUM and DEVRON BURUM

## Rev. David Burum is Baptist Pastor, Will Begin December 8

Rev. David Burum, currently serving as interim pastor for the Immanuel Baptist Church in Duncan, Oklahoma was called Sunday night by the local Baptist church to be pastor here.

Rev. Burum, his wife Becky and two year old son Devron will move into the parsonage on December 5.

Rev. Burum will deliver his first sermon as pastor here on December 8.

Rev. Burum, 25, and his charming wife Becky and their son

were here this past week-end. Rev. Burum delivered both the Sunday morning worship services and the evening service, following the evening service, membership of the church voted by secret ballot. There were 93 votes cast, all were cast in favor of calling Rev. Burum to pastor the church. No one can recall anytime in the church's history that the vote of the entire membership present was 100% in favor of any preacher.

Rev. Burum graduated from Duncan High School in 1967. He entered Southwestern State College at Weatherford, Oklahoma where he studied until '69. He enrolled at Wayland Baptist College in 1969 and received his B. A. degree in Religion in 1972.

In the fall of 1972 he enrolled in Midwestern Baptist Theological Seminary in Kansas City, Missouri. He received his Master of Divinity in Church History and Theology in May of 1974.

He pastored two churches prior to his call here. While attending Wayland College he pastored the Baptist church at Fieldton, and the Lewis and Clark Baptist church in Rushville, Missouri while attending the Midwestern Baptist Seminary.

The young pastor and his wife have been married for the past five years.

Both are natives of Duncan, Oklahoma. Becky graduated from Duncan High in 1969.

ERIGHT JOHNSON-Springlake-Earth high school graduate is a member of the West Texas State University band. The 240 piece band will march from Canyon to Amarillo Saturday, November 23 to raise money to send the symphonic band to Berkeley, California in February.

### District 3A Sets Price of Admittance to Ballgames

All six schools in District 3A were represented Monday at a meeting in Hereford. Purpose of the meeting was to set the price of district dues for schools, also price of admittance to basketball games, etc.

The group set the dues for schools at \$30.00 each. This is used to purchase trophies.

Trophies for boys high school teams will be approximately \$60.00 each. The high school girls trophies will be in the same price range.

The eighth grade boys and girls team trophies will cost approximately \$30.00 each. The group voted not to give trophies for seventh grade games.

Other action taken during the meeting was to set basketball gate prices for high school games at \$1.25 for adults and 75¢ for students.

Admittance to Junior high

### Muscular Dystrophy Fund Drive Incomplete

The Muscular Dystrophy drive in Earth and Springlake is still incomplete, according to Billy Moore, Vice-President of Citizens State Bank.

Moore, stated Friday that \$279.02 had been deposited in the bank. "However, he said, several of the 43 workers involved in the drive have as yet failed to complete their work and turn in their funds." The drive is expected to be

completed before Thanksgiving, and all the funds turned in for deposit. Those who have failed to complete canvassing their assigned area of work are asked to please complete it as soon as possible.

W. C. Maxcey was dismissed from Central Plains Hospital in Plainview Monday.

Glen Branscum is reported to be doing fine. He is a patient in the hospital in Dallas.

## Robbins-Cunningham Vows Exchanged

In an afternoon ceremony at 4 o'clock Saturday November 16, Lynda Gail Robbins became the bride of Gerald Wayne Cunningham of Hereford. Vows were exchanged in the First Baptist Church of Springlake with the Rev. Glen Smith officiating.

The bride is the daughter of Mr. and Mrs. Jim Robbins of Earth. The groom is the son of Mr. and Mrs. Carl Cunningham of Goodland.

The bride given in marriage by her mother and father was escorted to the altar by her father.

She was attired in a street length dress of white satin with a lace overlay. The empire waistline was accented in the back by a bridal bow. She wore a pill box headpiece to which four layers of illusion were attached. Forming her shoulder length veil, she carried a bridal cascade of blue and white carnations accented with white streamers tied in love knots.

Wilma Roberts of Sudan served as Matron of Honor. She was attired in an off-white linen street length dress design with long sleeves. She wore a corsage of blue and white roses. Elaine Hanson of Canyon was

MR. AND MRS. WAYNE CUNNINGHAM  
(nee Lynda Robbins)

bridesmaid, she wore a dark blue two-piece suit complimented by a lovely corsage of blue and white roses.

Serving as best man was David Hall of Texico, brother-in-law of the bride.

Immediately following the wedding, a reception was held

in the fellowship hall of the church. The bride's table was covered with a white floor length tablecloth trimmed in lace. The table was centered with the bridal bouquet, the two tiered white wedding cake was decorated with blue rosettes and topped by a miniature bride and groom under an archway of tiny blue and white roses.

Guests were served cake and punch by Mrs. Wilma Roberts of Sudan and Mrs. Linda Henry of Levelland, sister of the bridegroom.

The bride is a 1970 graduate of Springlake-Earth High School and is presently employed at Jim's Pay & Save in Muleshoe. The groom attended school at Three Way and is currently em-

ployed at Bill James Trucking Company in Hereford.

Following a brief wedding trip the couple will be at home in Earth.

His favorite food is Mexican food and his favorite song is "Delta Dawn." His future plans are to become a truck driver.

The Romans believed that if one of their leaders drove a nail in the Capitol on September 15th, a pestilence could be stopped or a calamity averted.

## Additional Funds Needed for Llano Estacado Museum

Plainview, Special--A renewed fund drive to raise the additional \$100,000 necessary for construction of the Llano Estacado Museum was launched Sunday. The decision to raise the additional funds was made last month by the Advisory Board when bids of contractors exceeded previous estimate.

The original drive conducted in the fall of 1973 by the Hale County Historical Society and Wayland Baptist College successfully raised \$300,000 to match the challenge grant of the Mabee Foundation. However inflation boosted the cost of the museum to \$700,000.

Ground breaking ceremonies were held July 4 on land immediately north of the present Wayland Baptist College campus. In addition to the main exhibit area, the 23,800-square-foot structure will house an area for curation and exhibit preparation, conference rooms, office space and a museum store.

Heading the new campaign effort will be John Skaggs, chair-

man, and Mrs. Jess Wayne, co-chairman. Management advisors for Hale County are Judge Henry Heck and Mrs. J. W. Walker, chairman of the Hale County Historical Society. Serving as management advisors for Wayland Baptist College are Dr. Roy C. McClung, president of the College, and Dr. C. Gwin Morris executive director of the American Studies Institute of the Southwest and chairman of the history department.

HINSON WIFE SENT TO COURT

The home of Mr. and Mrs. Jack Hinson was the scene of an early Thanksgiving get-together honoring their niece Mrs. Neal Griffin of Denver, Colorado on Sunday.

Other guests for the occasion were Mrs. Myrtle Bentley, Mrs. Erma Rhodes and Mable Vore of Amarillo, Mr. and Mrs. Earl Parish and Robin of Dimmitt and Mr. and Mrs. Kenneth Hinson, Kevin and Kent.

## Hartman's Send Greetings From Germany

Dear Ross, Polly and all other Earthites,

Whatever is printable from this letter you may print in the Earth Sun. We received the Oct. 31 and Nov. 7 copies of the paper. It was like a letter from home.

We have written a few folk so some of what I say will be repetitive for some to read. I hope we are beginning to catch up with ourselves. Everyone here says it takes about 2 weeks to get over the jet lag. Since we are 6 hours ahead of Earth, it messes up our sleep pattern etc. However, all this seems to be working out.

There is lots of red tape for a civilian getting settled. Isam Ballinger, missionary in Frankfurt and a German lady in our church have been helping us get registered for our residence visa.

First we had to have a statement from our landlord saying we have a place to live in Germany and that its okay to live in his house. Then we proceeded to the Rathaus (pronounced Rothouse) to get other forms (4 pages) for all 4 of us. Then we go to Gross Geran (something like our county seat) for a physical examination (must be on Friday or Tuesday.) Then we take our health certificates back to the Rathaus and the other completed forms. There they take our passport and completed forms, 2 pictures each of Frankie and I and send these to Gross Geran to be recorded and stamped. Then they notify us when we can pick up the passports and pay our money. Then hopefully we will have our residence visa. The German lady who has been

helping us with these details was amazed at all that had to be done.

We could conduct no legal business until we had registered. Thank goodness the whole registration bit did not have to be finished before we could buy a car.

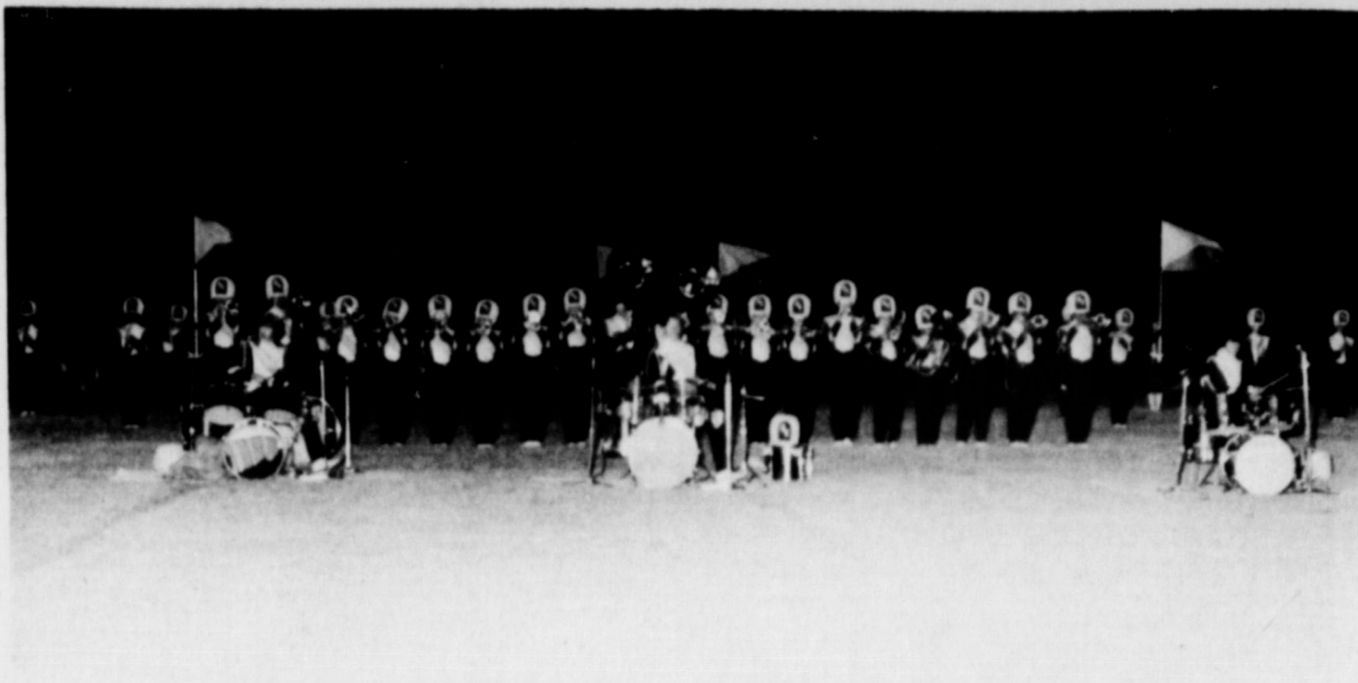

Buying a car also involves red tape. It is further complicated when the salesman does not speak perfect English. Anyhow in two weeks or so we shall find out if we have a car or not. In the mean while I will continue to ride my bicycle to the office three miles away.

It is time for language class so if I may be excused for a while.

Well, class is over. It appears to me I may have to have at least one more lesson in the language. The sun is shining today. This is about the fourth day of sunshine since arriving here Nov. 2.

Shopping on the local economy isn't going to be too much of a problem. Often we can look at the packaging and see what we want. The meat market is where we have trouble. Coffee over here is sky high. Their packaging is less than a pound and it cost 8 DM to 9 DM or \$3.20 to \$3.60 for less than a pound. A 10 oz. jar of instant coffee is 12 DM to 13 DM or about \$4.80 to \$5.20. Having to deal in 2 currencies is a bother. One dollar will buy 2.55 marks. The value of the dollar on the German market has been fluctuating between 2.52 and 2.55. When we change dollars into marks it really hits. We never know what our money is worth.

## Springlake Ex-Grad Regrets Being Unable to Attend Homecoming

November 3, 1974

Dear Friends and Classmates,

Received the invitation today for the Springlake-Earth homecoming. It looks like I'll miss the one this year but am looking forward to future events.

I am attached to Attack Squadron 196 (VA-196) aboard the USS Enterprise, CVAN-65. The "E" is docked at Cubi Point Naval Air Station in Subic Bay, Philippine Islands. We just finished a two week "at sea" period where we conducted all kinds of air operations. Our squadron is flying the A-6 Intruder which is an all-weather

attack aircraft. Thus far I've found flying from a carrier very challenging and rewarding, but I keep hearing a cry in the distance from civilian life.

We return to the States on April 7, 1975 and I'll probably be back in Lamb County during the summer since my in-laws live in Sudan and my parents live in Perryton. Hope to see you then.

On November 8 I'll drink a toast to Springlake-Earth and hope the Wolverines run the Kress Kangaroos right off the field.

Best Wishes  
Arbath Rylant

## XIT Study Club has Thanksgiving Dinner

The XIT Study Club met November 12, at 7:30 p.m. in the home of Mr. and Mrs. Hollis Cain. A delicious Thanksgiving dinner was served to the following members and their husbands, Mr. and Mrs. W. B. Hucks, Mr. and Mrs. Jim Winder, Mr. and Mrs. Earnest Baker, Mr. and Mrs. Ed Jones, Mr. and Mrs. Bill Verden and Mr. and Mrs. Hollis Cain and Suzanne.

Following the meal the men played 42 and visited while members of the club held a brief business meeting. Several items of business were discussed,

one being the need for help at the different rest homes in Lamb County.

The club voted to have a guest speaker on January 7 to get more details on the need for volunteer help to entertain citizens in the rest homes. Anyone interested may call one of the members listed above or come to the meeting on January 7, in the home of Mrs. Bill Verden to hear this speaker.

The next meeting will be December 3, in the home of Velma Baker.

## United Methodist Women Elect Officers

The quarterly meeting of the United Methodist Women assembled in fellowship hall on Monday evening November 18. The business meeting was presided over by the president Mrs. Naomi Burgess.

The main item of business was the election of officers for 1975. The following were elected: President, Mrs. Bessie Cearley, Vice-President, Mrs. Ed Dawson,

Secretary, Mrs. J.J. Coker, Treasurer, Mrs. J. A. Littleton Jr., Program Resource, Mrs. Beulah Newton, Mission Coordinator for Christian Personhood, Mrs. Norman Sulser, Mission Coordinator for Social Involvement, Mrs. Melton Welch.

Betty Sulser and Juanice Glasscock presented a clever skit on Jonah, he being the character

## Clothe Your Child for Identity's Sake

The clothing we wear directly affects how we feel about ourselves, according to Mrs. Dorothy Powell, County Extension Agent.

It's important that children--even preschoolers--develop a positive attitude toward themselves, and their clothing contributes to this.

THE AGENT NOTED THAT carefully selected clothes for the preschooler and elementary school age child help develop

independence, responsibility and self respect. But criticizing a child about his clothes-making him feel they are inadequate leads him to feel self conscious.

These feelings about self often lead to a reluctance to cooperate with others or to contribute and respond to group situations.

MRS. POWELL SUGGESTED YOU consider the following points in choosing back-to-school clothes--the child's comfort and safety;

--the child's individual and changing growth rate; it is often wiser to buy clothes as needed rather than for the entire year.

Mrs. C. P. Parish, program chairman presented the program entitled "The Bible." Roll call was answered by giving a "who's who" in the Bible.

A panel discussion on various translations of selected scriptures was led by Mrs. Sam Cearley, assisted by Mrs. Ray Kelley. An interesting Bible game of assembling books of the Bible was led by Mrs. B. Campbell.

Next meeting will be the Christmas meeting December 12 in the home of Mrs. Sam Cearley. Gifts will be brought to send to the State Hospital at Wichita Falls. Also the members will exchange gifts.

Those present were Mrs. Sam Cearley, Mrs. Marie Ross, Mrs. Carra Morgan, Mrs. C. P. Parish, Mrs. B. Campbell, Mrs. Wayne Rutherford, Mrs. John Laiting, Mrs. R. W. Fanning, Mrs. L. Z. Anglin, Mrs. Ray Kelley and the hostess Mrs. Orteg.

for Bible study early in 1975. Gayle Littleton and Norma Dawson were in charge of a beautiful and impressive pledge service, using slides and items of interest concerning the mission work that our pledges help to support.

Plans are also being made for the church wide women's Christmas party in December.

Refreshments of coffee and cookies closed the meeting.

## HD Club has Program on Today's New Appliances

Members of the Springlake Home Demonstration Club met Thursday in the home of Mr. and Mrs. Ed Biles for a very interesting program on appliances. Mrs. Ed Biles opened the meeting with a devotional entitled "Enoch Walked With God."

Mrs. T. V. Murrell presented the program "New Appliances on the Market Today." She showed pictures of the new appliances and got full details on what each could do.

Mrs. Myrtle Stienbock received the hostess gift.

Refreshments of Jello Salad, Stresuel Cake, Cookies, Coffee

and soft drinks were served.

Those attending were Mrs. Bob Boone, Mrs. T. V. Murrell, Mrs. Hilbert Wisian, Mrs. Herman Cooper, Mrs. Myrtle Stienbock, Mrs. A. Hollingsworth, Mrs. R. W. Fanning and Mrs. Keith Boone.

The next meeting is scheduled for Tuesday November 26, in order that club members can be with their families on (Thursday) Thanksgiving Day. Extension Agent Dorothy Powell will bring the program entitled "How and Why, in Selecting Appliances."

## T&C Study Club has Program on The Bible

The Town and Country Study Club met Thursday November 14 in the home of Mrs. Lottie Orteg.

After enjoying a beautiful covered dish dinner, the president, Mrs. Wayne Rutherford presided over a short business session.

## Booster Club Fetes Coach Phelps on Birthday

The Wolverine Booster Club met Monday night and honored Head Coach Tom Phelps on his birthday. The group sang "Happy Birthday" to him and presented him with a prize pair of steel cleated football shoes.

He gave a brief talk, speaking his appreciation to the Booster Club for the support they had given the team, and to the boys for their attitude during the season.

Coach Karger gave the offense report of the game, and for the season.

Coach West presented the defense report, due to not having the film in time there was no grading of the game.

Coach Karger introduced the boys varsity team for the coming year. This year's team will be: Seniors Junior Saucedo, Lupe Flores and Doug Jones, Juniors: John Cleavinger, Larry Dear, Cliff Wood and Lee Brown, Sophomores: Mark Barton, Terry Hood and Rodney Geisler.

Coach Ramsey introduced the girls varsity players; Seniors: Melissa Been and Donna Daniel, Juniors: La Anna Sulser, Camille Hinchliffe, Sophomores: Cindy Dent, Debbie Daniel and Lydia Smith, Freshmen: Kim Dent, Susan Clayton and Alayne Slover.

President of the Booster Club, John Bridge, speaking on behalf

of the Booster Club said he appreciated the work the coaches and players had done this week.

The Farwell film was shown and enjoyed by the group.

The next meeting during basketball season will be Wednesday December 5 at 8:30 p. m.

Everyone in the area is urged to come out and watch the basketball games and support our teams.

## Earth Shaker Closes Down

The Earth Shaker closed down recently, and according to Dorothy Washington owner-manager, she does not plan to reopen the local entertainment center for young folks.

The Shaker opened up over a year ago under the ownership of Mr. and Mrs. W. E. McDonald, who kept the center open for several months before selling it to Mrs. Washington.

Mrs. Washington managed to open the center each day for awhile. Later she felt it feasible to open it only on week-ends, then a couple of weeks ago she decided to close it down, as the returns from the center did not merit keeping it open.

COACH TOM PHELPS--was all smiles at the end of the game Friday night as the Wolverines finished a very successful season.

## Texas 4-H Youths to Attend National Congress

Texas will be well represented when the 53rd National 4-H Congress kicks off in Chicago December 1. Forty of the state's top 4-H members will be in the delegation of more than 1,600 4-H youth from all 50 states, Puerto Rico and Canada.

"4-H--We Can Make It Happen" is the theme of this year's Congress. The national event is the highlight of the 4-H year and honors those 4-H boys and girls who have outstanding records of achievement, points out George McArthur, 4-H and youth specialist for the Texas

Agricultural Extension Service, the parent organization of the state 4-H program.

Those attending have earned the trip through their 4-H accomplishments as evidenced by record books completed in a wide range of subjects.

Texas delegates will leave from Dallas November 30 following an orientation meeting. The 4-H'er and the program in which he has excelled are listed below.

Rodney Logsdon of Lamb County will attend on the merits in raising and caring for sheep,

## Features of Farm Lease Outlined

A good, well-thought-out written agreement when leasing a farm can often eliminate problems and disagreements between landlords and tenants, believes Dr. Wayne Hayenga, economist for the Texas Agricultural Extension Service.

"A lease should be tailored to fit the farm, the landlord and the tenant," points out the economist with the Texas A&M University System.

Hayenga says the lease should cover such areas as property rights, land use, and livestock production and restrictions, and should have provisions for conserving and maintaining farm resources, sharing of costs and returns, and length of the agreement.

"The agreement should clearly

state the rights, duties and responsibilities of each party and should provide for change and adaptability."

The goal of the agreement should be to provide reasonable returns to both landlord and tenant for the resources provided.

"A good lease provides for the development, improvement and maintenance of the land, buildings, fences and other improvements," notes Hayenga. "It should assure the tenant a reasonable reimbursement for the investments he leaves in the farm when his period of occupancy ends."

Hayenga contends that a rental agreement should have a provision for equitable sharing. "This does not always mean equal sharing. The landlord and

## Band Boosters Vote To Charter Bus For Corpus Trip

The Springlake-Earth Wolverine Band Booster heard reports from various committee chairman at their meeting Monday evening.

tenant should receive an income from the farm in proportion to the amount of total operating expenses each pays."

The economist favors a whole farm income sharing plan rather than one for each crop or livestock enterprise.

on the proceeds from the commission stand.

It was announced that proceeds from the various projects and money in savings came to approximately \$4000.

Another money raising project for the band will be picking up corn which the combine couldn't get, next Saturday if the weather permits.

The group decided to charter a bus and pay for the band students hotel rooms on the Corpus Christi trip. It is estimated that it will take approximately \$2000 to finance the trip.

Two other possible trips to contests the band has been invited to participate in were discussed.

The group also voted to pay \$100 for the band instructor Bill Surface to attend the music festival in Fort Worth.

## School Financing Programs to be Presented in Lubbock

Three meetings have been scheduled by Region XVII Education center to review by the Governor's office for school financing.

The first meeting is scheduled for school superintendents, board members, business managers and state legislators.

Site and date for the meeting is Smylie Wilson Junior High School in Lubbock, Wednesday, December 4 from 2 to 5 p.m.

The meeting will cover weight for weighted pupil approach, new transportation formula and finance concept, how revenue is raised.

At the end of the session there will be a question, discussion and input period.

Meeting No. 2 will be at the same location and date from 7 to 9 p.m.

This meeting is for PT A members, classroom teachers and other interested persons.

The agenda for this group will be the same as the first meeting.

The final meeting will be Thursday, December 5 from 10 a.m. until 12 noon in the Arnett Room on the second floor of the Texas Commerce Bank building

in Lubbock.

This meeting will be for school administrators who desire a follow up of the first meeting with more in-depth analysis of the recommendations as they pertain to the state and individual school districts.

It is very important that everyone who possibly can make these meetings and become involved, as the legislation passed by the State Legislature in the next session beginning January could more than double taxes in our school district.

Dr. Ben Dowd, director of planning, Governor's office of Educational Research and Planning will present the three programs.

## 4-H Club has Program on "Gun Safety"

The Springlake-Earth 4-H Club met November 18 at the Earth show barn.

The meeting was called to order by Jennifer Templeton. The motto and pledge was led by Tommy Graham.

The roll call was answered by stating, "What you would like on Thanksgiving Day."

The program was on "Gun Safety." It was presented by J. P. Peer, from the Texas Wildlife Refuge.

The program also included each member telling the awards received at the Achievement Banquet.

Jennifer Templeton was the Gold Star girl and Dawn Iranscum was named the 4-H'er of the month in the local club.

Dorothy Powell, Lamb County Extension agent reminded every-

one who received a 4-H pin to write a thank you note for it. Also to send a thank you note to Mr. T. L. Timmons, who furnished the meat at the Achievement Banquet.

The Springlake-Earth club also decided to send a gift of \$10.00 to Boys Ranch near Vega.

The local club will have a Christmas skit for their meeting in December.

The inspiration for the evening was given by Michel Graham. The recreation session included games of volleyball.

There were 21 members present and 10 parents.

Refreshments were served by Mrs. Judith Graham, Mrs. Jeanne Clayton and Mrs. Jo Eddy Riley.

The next meeting will be December 16.

## Annual GRAND CROSS OF Television-Stereo COLOR Meeting Saturday Recovered by Hall

The annual GRAND CROSS of COLOR meeting was held Saturday November 12 at the Earth Masonic Lodge at 9:30 a.m. Coffee and donuts were served. Members were seated around tables placed to form a cross. The table was covered in white with streamers the color of the rainbow down the center. The color of the streamers were red, orange, yellow, green, blue, indigo and violet. Candles were spaced at intervals along the streamers. Other decorations used were four small white crosses with the emblem of the color of the rainbow.

The GRAND CROSS of COLOR is an honorary degree given to Masons, Eastern Star and Rainbow girls for exceptional service.

## Hunting Safety Urged as Deer Season Opens

Some millions of American males--along with more than a few females--are taking to the woods this month, firearms in hand, in search of live targets.

These are the hunters among us. His quarry might well be another hunter.

The Texas Medical Association has a note of caution for those who are planning a fall safari into the fields and woods in search of deer and other game. Know what you're firing at before you pull the trigger.

The hunter who blazes away rapidly at everything that moves is a highly dangerous animal.

The wise Texas hunter will be wearing a "hunter orange" vest or, at the very least, a cap made in this glowing bright fluorescent color. The color sends a glowing signal to other hunters, but goes unnoticed by colorblind game such as white-tail deer, which will only be alarmed when it distinguishes motion, sound, or scent.

Each year several hunters re-

turn from fall outings via hearse. Many others return with a load of bird shot or a rifle bullet to be dug out by a doctor. Behind almost every hunting accident

is one cause: carelessness. Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Don't shoot at a hard, flat surface. Glancing bullets can carry long distances. Even a small bore rifle has considerable range. Know where your bullet will stop before pulling the trigger.

Keep guns away from children. Never leave a weapon unattended without unloading it. Store guns and ammunition beyond the reach of youngsters, preferably under lock and key.

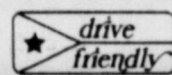

Always carry a gun so that you can control the direction of the muzzle if you stumble. Keep the safety catch on until ready to shoot. Be sure the barrel is clear

of mud, snow or other obstructions. A clogged barrel may burst. Leave your liquor bottle at camp, and wait until you're through with the day's hunting and the guns are unloaded to take that first drink. And don't overdo it. You want to have a clear head for the next day's hunt. Good luck on a successful--and safe--hunt.

For the Reach Out "Celebration Sunday" emphasis 99 attended Sunday School with 22 of that number visitors and prospects. The goal set for the attendance was 115. Several of the regular members were absent. A large percent of those attending stayed for the noon meal and fellowship together. The adult women's class went to the home of their teacher, Mrs. Roy Phelan, so she could be a part of those attending. Mr. and Mrs. Herman Wilson of Amarillo were the only visitors who were from outside the community.

Morrison Gln received its first bale of cotton Thursday. Bob Ott brought in the first few bales this week.

Mrs. Mack Turner underwent minor surgery in Plains Memorial Hospital in Dimmitt Tuesday morning, was dismissed Thursday morning and returned to her classes Friday morning. Rev. Turner was also dismissed Thursday morning.

Mrs. Bill Morgan was admitted to the Littlefield Hospital Tuesday afternoon and underwent minor surgery Wednesday morning. She was dismissed Friday.

Gerald Graham was dismissed from High Plains Baptist Hospital in Amarillo Wednesday.

Mrs. Noah Spencer has been with her father V. E. Bearden of Hart, in Central Plains General Hospital in Plainview much of this week. He is holding his own, but remains in serious condition.

Mr. and Mrs. Cliff Brown returned home from the Bahamas Monday. They toured the Island of New Providence by taxi and by glass bottomed boat, did some beachcombing, wading and shopping as well as sight-seeing. From the top of the water tower they could see all the city of Nassau. The relaxed atmosphere, tropical beauty, and mild climate made it a wonderful vacation spot. The trip was sponsored by Elanco instead of Tide as previously reported.

Mr. and Mrs. Noble Armstrong flew to Houston last Sunday and spent the week with her nephew, Mr. and Mrs. Kenneth Ray Griffin and children.

Floyd Ivey and Mokey Ivey of Olton hunted at broadus, Montana Wednesday through Saturday. They brought home their limit of deer. Elk season had closed. Mrs. Ivey spent Wednesday and Wednesday night in Amarillo with her sister, Mrs. Jewel Barnard. BED JACKETS seem destined to return to popularity this fall, possibly as one answer to how to keep warm during the continuing energy problem this winter.

READ THE LABEL. Federally-inspected prepackaged meats give you the inside product facts on the outside of the package. Information includes the federal inspection legend, name of the product, manufacturer's name and address, new weight of the contents, and a list of ingredients.

ZINC IS A mineral essential to good health. Meats, eggs, seafoods, whole wheat breads, oatmeal and corn are good sources of zinc.

IF PUBLIC transportation isn't available between your home and place of work, try carpooling. You'll save in costs for auto maintenance, and parking fees as well as gasoline.

REDUCE ENERGY consumption in cooking. Use pans that entirely cover the heating element. This way more heat enters the pot and less is lost to the surrounding air.
