ELDORADO, SCHLEICHER COUNTY, TEXAS

THURSDAY, JULY 28, 1949

NUMBER 30

New County Road Is One of Several In East-West System

Assurance that Schleicher county's east-west highway will provide more direct routes to points in East and West Texas seemed certain this week with the announcement of a new Menard-Brady road and a Big Lake to Schleicher County Line road. Announcements of the approval of these routes was made recently in the Brady Herald and the Ozona Stockman respectively.

ENGINEER ANNOUNCES MENARD-BRADY ROAD

District Highway Engineer Leo Ellinger told The Herald Thursday that he was confident that when work started on constructing the five mile extension of farm-to-market road from the Davis school to a point about three miles north of Calf Creek, that funds would be available to continue the road on the 8.8 miles to connect with the road Menard county has built to the McCulloch county line.

This would give Brady an excellent road to Menard, a distance of about 28 miles. Present travel between Menard and Brady via Eden is a distance of about 55 miles.

"I have been requested by the department," Ellinger said, "to provide an estimate on the cost of the 8.6 miles extension to tie in with the Menard road and everything points to this project being completed, once we start work on the five mile strip from the end of the present road near the Davis school. This work is scheduled to get underway in November."

This route will provide Schleicherites and other West Texans with a shorter route to the Brownwood and Dallas-Fort Worth areas.

In reporting on the approval of the route through Crockett county to Big Lake, the Ozona Stockman said:

An extension of the Farm-to-Market Road No. 33, designated some time ago from Big Lake through the Midway Lane oil field to the intersection of Highway 163, is to be extended east to the Schleicher county line.

Announcement was made by the State Highway Department during the past week of designation of this road, a distance of approximately 13 miles, for construction at an early date.

The east section of the road will traverse University land along the south line of the University block in that section of Crockett county.

The Highway Commission's order, designating the new construction, which is to cost approximately \$115,000, is as follows:

"In Crockett County, a Farm-to-Market road from State 163 at intersection F. M. 33 east to Schleicher county line, a distance of approximately 13 miles, is hereby designated subject to the availability of funds under the terms of Senate Bill No. 287 and subject to the condition that Crockett County will furnish all required right-of-way free of cost to the State."

—Ozona Stockman.

Magnolia Field Crew Moves To Ozona

The members of the Magnolia Seismic field crew moved Tuesday to Ozona after working for some time in Schleicher county. The office force is remaining here for the time being.

Those moving were Mr. and Mrs. Floyd McGinnis, Mr. and Mrs. Walter Bohot, David Nash, R. M. Weaver, William Spurgers, John Ochsner, K. D. Boatman, W. O. Rinehart, and G. S. Shults.

NEW FORDS SOLD

Charlie Trigg Motors has sold the following units:

Horace Linthicum, Campbell Drilling Co., Western Drilling Co., new pickups; J. D. Ashmore, coupe; Humble Oil & Refining Co., Seismograph crew (formerly of Ozona and now moving to Big Lake) station wagon; Lewis Stoepfer of Eden, 4-door sedan; Billy Edmiston, 2 door sedan.

Rec White broke his leg Wednesday when a water tank on which he was working fell with him.

TONY KERR KILLS LARGE RATTLESNAKE

Tony Kerr

When a large rattlesnake coiled to strike Tony Kerr, he misjudged his man!

Tony, age 12, was spending the day at Bob Anderson's, and with Mr. Anderson, was working in their garden, when he noticed the large snake. He struck it in the head with his hoe, and finished it with a pick which Mr. Anderson handed to him.

Shortly afterward the snake, Tony, and the pick which ended the story posed for this picture.

Children and Youth Use Memorial Bldg. For Recreation

A good crowd of young people was present Monday night for the regular meeting of teen-agers in their room in the memorial building. The group meets each Monday night for games and each Thursday night for dancing, from 8:00 to 11:00.

Chaperones Monday night were Mr. and Mrs. Gordon Griggs and Mr. and Mrs. Horace Linthicum, and tonight will be Mr. and Mrs. Jerry Pennington and Mr. and Mrs. J. H. Mace.

Games and equipment are still needed for the room, including bridge tables, ping pong tables, and table games. Mrs. Linthicum has stated that she will be glad to pick up equipment if the donor will telephone her.

Younger Group Meets

Over twenty children from the ages of 8 to 12 spent the evening in the young people's room Tuesday night, chaperoned and directed by several mothers. Plans were made for the coming two meetings, with Mrs. Lawrence Steen and Mrs. Pat Tinning in charge of next Tuesday's session, and Mrs. Thomas Richard Jones and Mrs. O. B. Bradshaw the following Tuesday.

The children spend two hours at each meeting, beginning at eight o'clock. Directors announce that there is still need of table games, card tables, and another ping pong table, and that anyone with play equipment which can be donated would find immediate use for it there. All groups using the community room share the equipment.

Leaders of the Tuesday session report that the children were enthusiastic over the evening's entertainment, and urge others to join this group next Tuesday night.

COURTHOUSE PAINTED

The interior of the Schleicher county courthouse is being painted this week, as repairing and renovating of the structure continues. The terrazo floors have been completed and the painting of walls and woodwork is under way. The paint, a light green, is considered to be most restful on the eyes of office personnel.

Some new furniture has been ordered for the building, and a desk, to go in the county clerk's office, has arrived. The various offices located in the court house are still temporarily situated in the memorial building nearby, until renovation is more complete.

VIRGE TISDALE TEST DEEPENED TO 6,000 FEET

Contract has been signed to deepen the old Virge Tisdale test to 6000 feet. This test, known as L. W. Elliott Trustee et al V. G. Tisdale No. 1, had an oil showing at about 2700 feet when it was drilled two years ago. Western Drilling is erecting the derrick, and will start drilling with rotary as soon as the rig can be moved from a Koy test. The Tisdale wildcat is in section 16, block A, about three miles east of Eldorado. Rotary will start down at about 3,100 feet, the point at which the hole was abandoned two years ago.

Southern Minerals Corp. of Corpus Christi No. 1 J. F. Webster was plugged to abandon this week. Pipe was set at 4411 feet, and the wildcat was tested above that point, then drilling to Ellenburger, at about 5100 feet, continued. Though there were two oil showings on drill stem tests, operators could not bring in the oil.

Mechanical trouble has delayed making of hole in Morris & Scherek No. 1 T. R. Henderson, which is down over 5400 feet.

Surface hole is being made on another Ohio location, on Hayden Baugh estate land. Ben Keys has built cattle guards and cleared right of way for this test which is in Sec. 7, block M, two locations west and 1 south of the first test, now a producer making about 40 barrels per day on the pump.

The latest Jess Koy test will, if brought in, extend the Page-Koy producing field by over three-quarters miles to the north. It is nearing pay depth today.

LIONS CLUB MEETS

Don McCormick reported on the progress of the Boy Scout financial drive at yesterday's meeting of the Lions club in the memorial building. Lion McCormick said that \$760.31 had been raised and pledged so far. The goal is \$840.

Jerry Pennington brought up a suggestion that a committee be named to look into the possibility of marking some of the streets in Eldorado. President W. M. Patterson will name the committee later.

County Judge C. L. Meador and C. A. Reynolds, superintendent of schools, reported on the east-west highway and the proposed new school building respectively. These projects will get under way soon.

The high school string band played several selections.

SQUARE DANCE NOTICE

The regular meeting of the Square Dance Club will be held Friday night at 8:00 at the Rock Station.

Mrs. D. M. Powell spent several days in San Angelo this week with relatives.

FIRST OPEN AIR CONCERT IS SUCCESS; PARKED CARS ARE SEATS FOR CROWD

The first band concert at the new memorial building was a decided success, according to C. F. Jones, band director. The forty-piece band was seated on the southeast porch with the audience in cars parked in the driveway and street; the greater comfort of the open air has led Jones to plan other similar concerts.

The band, made up of summer band students and exes, presented a program of marches. A highlight of the evening was a twirling exhibition by Patricia Humphrey, drum major last year, Joyce Burk, drum major for this coming year, and Esther Jones, junior high drum major.

A free will offering from the audience totaled about \$25. Immediately after the concert, members of the Band Parents Club met for a business meeting, followed by a social hour and refreshments. The high school hillbilly band played several numbers.

Summer Term Ends

The concert was the last public appearance for members of the summer band classes, who will have their last class sessions tomorrow. During this week, the members have been taking examinations to determine the personnel of the uniformed marching band for the coming season.

Schedules For Coming School Year Mapped Out at Meeting This Week

Christoval Ropers Defeat Eldorado In Match Sunday

The Christoval Roping team won over the Eldorado ropers by 42.3 seconds, when the two teams met at the Christoval arena Sunday afternoon. The two teams will meet this coming Sunday at the local arena around 4:00, and a small admission fee will be charged to defray expenses.

The Eldorado team consisted of Bill McCravey, Tucker Clark, Bob Skurlock, Jack Jones, Arch Ory, John Ray Powell, and Sam Henderson.

The first jackpot was won by Jack Jones in 16.5 seconds, Clint Edgar of Christoval being second with 17.6 and Bill McCravey coming in third with 18.2. There were seven-teen ropers competing.

Jack Jones won the second jackpot with 16.4 seconds, followed by Lee Williams of Christoval with 16.9 and Jack McClatchey of Christoval with 17.9.

Bing Crosby of Christoval won over John Ray Powell in a matched roping of four calves each, and Jack McClatchey of Christoval beat Jack Jones in the second match of the afternoon.

FIREMEN TIE STATE RECORD IN PRACTICE PUMP RACE

A group of firemen from the local Volunteer Fire Department tied the state record for the six-man pumper race in a practice session last Thursday night. The team was composed of Palmer West, Bob McWhorter, Eddie Brown, Clifford Schooley, Elton McGinnes and A. G. Clark.

The state record is 17.8 seconds. The local team made three runs, or practiced the drill three times, the time in seconds being 24.1, 19.8, and 17.8. The team was practicing in preparation for entering the Hill Country Firemen's Association convention in Sonora on August 9.

TRASH COLLECTION NOTICE

Trash will be collected by city employees Saturday in residential areas south and east of the highway. Trash should be set out in containers which can be lifted by one man.

PASTURE FIRE

Firemen were called out Saturday to put out a grass fire in a field at the T Circle ranch. Reuben Englert lost two stacks of hay before the blaze was extinguished.

Mrs. Henry Mercer was a guest in the home of her son, Dial Mercer, at Sonora this week end.

School board members set the time for school opening and fall and winter holidays, discussed finances and the building program and conducted routine business at the regular meeting of the board of education Tuesday night.

School will open September 5. Children entering school for the first time are asked to present a birth certificate.

Thanksgiving holidays will be November 24 and 25, and Christmas from Dec. 22 to Jan. 2. (Christmas and New Year's come on Sunday.) School will close May 19.

The board discussed the possibility of investing the building bond money for a short period, and voted to invest part of it in 91-day government bonds.

Many Teachers Return

Practically all of last year's faculty will return to Eldorado, unless last-minute resignations are received. If teachers return as indicated, it will be the smallest faculty turnover since the war.

The home making teacher, Mrs. Ted Kirby (Iola Sutton) has asked to be moved to the grades, and will be assigned fourth grade work. This creates a vacancy in the home making department, and there are three other teachers needed, all in the elementary grades—a section of second grade, fifth and sixth grades. The requirement is a degree, and elementary education to meet state requirements.

Thirteen Elementary Grades

It is probable, states Mr. Reynolds, that thirteen sections will be maintained for the elementary grades and one or two more for the primary Latin Americans.

As indicated at the close of school, there will be the following divisions:

First grade	1
Second grade	2
3rd grade (should be divided)	1
4th grade	2
5th grade	2
6th grade	2
7th grade	1
8th grade	2

COTTAGE REMODELED ON T-CIRCLE RANCH

Mrs. Eloise Woodall of San Antonio and her son-in-law, William Cochran of Houston visited recently with the Frank Clarks on the Thomson T-Circle ranch. Mrs. Woodall is one of the owners of the ranch.

Mrs. Woodall is making plans to remodel and enlarge a cottage on the place, for use of the family when they visit there. The three-room cottage will be modernized, and a kitchen, bath, and porch added.

NEW DAUGHTER

Born to Mr. and Mrs. Robert Mather, 4065 Hobart Ave., San Jose, Calif., a girl, Marydel Lee, on July 6 at the Community Service hospital.

The Mathers formerly lived in Eldorado and have two other children, Bob, age 10, and Jimmie, age 6. Mrs. Mather is a sister of Mrs. Farris Nixon and Mrs. Lester Nixon of Eldorado.

Mrs. John Koschak of San Angelo visited here during the week end and took her son, Karl, home. He had been spending part of the summer with his grandparents, Mr. and Mrs. Seth Ramsey, and his great-grandmother, Mrs. J. D. Ramsey.

Mr. and Mrs. Everett Lovelace of Brownwood left Tuesday after a ten-day visit with her parents, the Sam Oglebys. Bob Ogleby, who has been in summer school at John Tarleton, is home for the rest of the summer and will enroll at A&M in the fall.

Guests in the Hanson Nixon home for the week end were Mrs. Nixon's mother, Mrs. W. H. Daniels, and her brother, C. L. Daniels, and family, of San Angelo.

It is expected that primary grades will be maintained, at least for this year, in the Latin American school, for Latin American children.

The elementary building accommodates eight grades. Additional grades will be housed in the high school building. It is planned to use the home ec living room this year for one grade, and the high school library for another—this with existing classrooms made available last year, will mean that there will be four elementary grades on the main floor and one on the second floor of the high school building.

Plans outlined above are tentative, and subject to change if the autumn enrollments differ from last spring's estimates.

Architects for Eldorado's new school building program are now working on plans and specifications to be presented to contractors for bids. When these preliminaries are disposed of, work can start though it may be September before actual construction begins.

Floor plans as presented by the architects have been approved by the trustees, and actual construction awaits disposing of necessary preliminaries.

A detailed report has been mailed to the state listing the school's needs for 1949-50, as requested, and before long the school will know the amount of funds available under the state's reorganized set-up.

The oft-asked question, "What will be done with the old high school building?" can now be answered by board members: the building will be torn down. It is probable that most or all of the building will be used this year, however. What disposition will eventually be made of the material will be determined by the terms of agreement with the contractor, when contract is let, but it is planned to tear it completely down.

Board members, faculty and parents concede that though this may be a difficult year, because of crowding and the fact that the building program will be in progress, it will be easier than it would have been if the high school building could not have been utilized for class work.

BUTANE MEN TO MEET FOR TWO-DAY SCHOOL

E. H. Topliffe of Eldorado is among the butane dealers in south-west Texas who expect to attend the butane dealers training clinic in San Angelo today and tomorrow. Sterling S. Speake, credit training specialist, and Lester W. Grainge, appliance sales training specialist, are conducting the classes which are being held in the Cactus Hotel. Both men are from the University of Texas extension division, and the courses are especially designed for butane dealers and their office personnel.

DAVISES HAVE SON

Capt. and Mrs. Paul Davis are the parents of a son, Tom Stephen, who was born in a San Angelo hospital Monday. He weighed 7 pounds. Grandparents are G. H. Davis of Eldorado and Mr. and Mrs. C. H. Meadows of San Angelo. The couple have one other son, Dickie, age six. Capt. Davis is being transferred to Goodfellow Field as an instructor after a several months period of training at Randolph Field.

NEW DAUGHTER

Mr and Mrs. Herman (Bud) Hopkins are the parents of a daughter, Mary Marsha, born in a Ft. Worth hospital Monday. The baby weighed 7½ pounds. Hopkins is basketball coach in the local school system, and the couple have been living in Fort Worth, where he has a summer job.

Dorr Scherz of Sonora is visiting his grandparents, Mr. and Mrs. L. D. Ochsner, while Mr. and Mrs. Harold Scherz, accompanied by John Ochsner of Eldorado, are on a ten-day trip to points in Colorado. The group will return this week end and George Ochsner, who has been visiting there for several weeks, will come with them.

Thigpen Reunion Held at Tankersly

Several from Eldorado were among those who attended the Thigpen family reunion at Tankersly Park near Mertzon Saturday and Sunday. The group spent the entire two days there, and the various families camped. Present were 52 members of the Thigpen family, and 20 others.

Included in the Eldorado group were Albert and Houston Thigpen and families, Lora May Powell, Retha Nell Lloyd and her guest Jean Davis of Colorado, Rusty Dannheim, and Earl Lloyd; also Mrs. Lilly Foster of Fredericksburg; Roy Thigpen and Ollie Young and families, Mr. and Mrs. Hayden Lewis, Will Kruse and Ted, Clayton and Gwen Cruse and their families, Mrs. May Kruse and two friends and their families, San Angelo; Mr. and Mrs. Earl Thigpen, Odessa, and the latter's mother Mrs. Wilkerson of San Angelo; Jim Thigpen and family of Dehanna, and Floyd and Kenneth Thigpen and families of Littlefield, Mr. and Mrs. Stevie Martin of Menard, and others.

MISSIONARY TO SPEAK AT METHODIST CHURCH

Rev. J. C. Holden, missionary from South America, will speak on missions Sunday morning, August 7, at the Methodist church and at night will show a film taken in South America, and display handicraft of the people he has served.

The picture show in color, "Hills of Haiti", will feature scenes from the Virgin Islands, Puerto Rico, Jamaica, and South and Central America where he has worked at various times.

The pastor, Rev. Roy Shilling and family, will be out of town on a western vacation trip.

All are invited to the service.

Miss Hazel Lockaby of San Angelo spent the day Monday with Mrs. Ray Smith.

Mrs. H. F. Webb spent the past week with her children at Ozona.

Dr. and Mrs. C. T. Womack and son Bill of San Angelo visited during the week end with Mrs. Womack's mother, Mrs. C. C. West.

James Graham Newsome, age 3, son of Mr. and Mrs. Young Newsome, is here with his grandparents, Mr. and Mrs. Carson West, while his parents are moving to Fort Worth, where Mr. Newsome is a geologist with Gulf.

Mrs. J. E. Hill and Mrs. J. A. Neill fished at Buchanan Lake this week end.

Mr. and Mrs. L. C. Scott of Tuscola, Mrs. Earl Yates, and Mr. and Mrs. H. W. Scott and Susie fished near Junction over the week end.

Mrs. Clemens Sauer and children spent from Wednesday to Saturday with Mrs. Sauer's parents in Menard. Mr. and Mrs. Paul Patton of San Antonio were guests there also. The Pattons brought the Sauer family home Sunday, and the group spent the day on the river.

Mr. and Mrs. Clifford Schooley visited relatives at Voca during the week end.

John Stigler attended a school of instruction on the use of the "Watchmaker" in San Angelo last Thursday night.

Mrs. C. T. Sproul of San Angelo is visiting relatives here.

Lloyd Smith has gone to Bethany, Okla. to visit his brother who is ill.

Mr. and Mrs. Grat Edmiston visited her mother, Mrs. J. I. Davenport, in Katemey Monday.

Guests in the Raymond Schrank home this week were Mr. and Mrs. Norman Schrank and three children of Priddy.

Mrs. Dora Oliver has completed a renovating job on the interior of her house, including papering and painting throughout.

Mr. and Mrs. Ray Chadwick of Murr and Bro. and Mrs. Ralph Guage and children were Sunday guests in the Eddie Peel home. Bro. Guage is conducting a revival at the West Side Church of Christ.

Mrs. Eddie Peel and Mrs. E. W. Craig and daughter Mary Ann were visiting and shopping in San Angelo Monday.

Mrs. Joe Reynolds and Miss Grace Reynolds of San Angelo spent the day Tuesday with Mrs. C. M. Reynolds.

Mrs. Lillian Rogers and daughter Ann visited in Fort Worth during the week end, and Mrs. I. M. Picklin, mother of Mrs. Rogers, accompanied them home for a visit here.

Mrs. Felix Susen, who has been staying in San Angelo during the illness of her daughter-in-law, Mrs. Harold Susen, is expecting to return home in a few days.

Mrs. Herman Dacy had as guests recently her mother, Mrs. A. Hurley of Kerrville and her sister, Mrs. Tom Smith of San Antonio. The Dacys have returned from a vacation trip to Clovis, N. M.

E. H. Topliffe and family spent the week end with friends, Mr. and Mrs. O. E. Hugo at Dilley.

Mr. and Mrs. Frank Cramford and children are visiting their son Frank, Jr., and his wife at Big Lake. Frank came for them Wednesday and will return with them Sunday.

Mr. and Mrs. Harris Molar and son and Mr. and Mrs. Floyd Napier and children of Menard visited recently with Mr. and Mrs. L. B. Sheffield.

Mr. and Mrs. Charles Simpson were weekend visitors in Big Spring with Mr. Simpson's parents, Mr. and Mrs. Edward Simpson.

Bro. Ralph Guage is spending the day today with Mr. and Mrs. Aaron Steward.

Jimmie and Bill Womack of San Angelo are visiting with Mr. and Mrs. Charles Simpson on the C. T. Womack ranch.

O. T. and James Conner have returned from a month's visit with their mother at Port Arthur.

Mr. and Mrs. Raymond Lindholm and daughter, Ruby, of Georgetown and Mr. and Mrs. Lowell Griffin and children and Miss Mattie Yarbrough of Kerrville visited Mr. and Mrs. Claude Doyle and family from Friday to Sunday. Mrs. Lindholm, Mrs. Griffin, Miss Yarbrough and Mrs. Doyle are sisters.

Mr. and Mrs. Jamie Lively and baby of Menard are here to visit Mr. and Mrs. Curtis Stockton.

Mrs. Dwight Wiedenmann of Lubbock is visiting her parents, Mr. and Mrs. Ralph McMillan.

Nineteenth Reunion Of McClatcheys Is Held At Coleman

The Coleman Park was the meeting place for 86 members of the McClatchey family at their reunion 23 and 24. Coleman was designated at the meeting place for next year, which will be the 20th reunion for the group.

Present were: Eldorado, Mr. and Mrs. W. H. McClatchey and Mr. and Mrs. Jack McClatchey; Wink, Mabel McClatchey and Mr. and Mrs. D. A. McClatchey and Billy; Coleman, Mr. and Mrs. Henry Newman, Mr. and Mrs. J. A. McClatchey, and Mrs. J. T. Laird and Lynn; San Angelo, Mr. and Mrs. Frank Newman and Frances and Gene Newman, Mr. and Mrs. Ray West, Dorothy and Ralph; Bangs, Mr. and Mrs. Talmadge McClatchey and Joel, Mr. and Mrs. A. J. Martin, Mr. and Mrs. Wylie McClatchey, Mr. and Mrs. Stafford Stevens and Betty Lee and Wanda June, Mr. and Mrs. Pete McClatchey and Lynda Carol, Mr. and Mrs. S. E. McClatchey, and Mr. and Mrs. Avery Stewart; Ticham, Mr. and Mrs. Joe Stacy, Zonelle and Martin; Santa Anna, Mrs. Jack Dockery and John Wesley, Linda Ray, Mr. and Mrs. Hilburn Henderson, Naomi and Donna, Mr. and Mrs. A. J. Lindley, Mr. and Mrs. B. Featherstone, Mr. and Mrs. James D. Rice, Glen Wyndell; Temple, Mr. and Mrs. Glynn McClatchey, and Kenneth; Lubbock, Mr. and Mrs. Earl McClatchey, Mary Glen and Peggy; Brownwood, Mr. and Mrs. Travis McClatchey, Minnie McCormick; Colorado City, Mr. and Mrs. Cecil McClatchey, Tommy Leigh and Mary Beth; Marfa, Ann Menzie; Cumbly, Mr. and Mrs. Clarence Colten; Rising Star, Mr. and Mrs. John Nunley; Novice, Mr. and Mrs. Bob Featherstone and Tye.

VACATION BIBLE SCHOOL INCLUDES TWO GROUPS

The Presbyterian vacation Bible school which is being held this week at the church has been well attended, with 20 to 25 children present each day. Mrs. John Williams and Mrs. Edwin Jackson are in charge of the group.

Mrs. Pete Ringle is in charge of a vacation Bible school sponsored by the Presbyterian church, which is being held in the negro community this week. This group is also having 20 to 25 children in attendance.

The Presbyterian Auxiliary met Monday at the church with Mrs. Georgia Gillespie as program leader. Mrs. Sam Oglesby and Mrs. Edwin Jackson, hostesses, served a salad plate and iced tea to nine.

METHODIST CIRCLES MEET

The Lydia Circle of the Methodist WSCS met last Thursday in the home of Mrs. D. E. DeLong, with Mrs. Frank Van Horn, chairman, in charge. Mrs. Graf gave the devotional and Mrs. Keno Ogden led the study. The hostess served ice cream and cake to six members.

The Dorcas circle met last Thursday in the R. J. Alexander home, with Mrs. Alexander giving the devotional and Mrs. Delbert Taylor leading the study. Cake and ice cream was served to ten, including one new member, Mrs. Sandy Donaldson, and one guest, Mrs. W. F. Wyatt.

Mr. and Mrs. W. G. Blackmon have gone to Wyoming to visit his brother, Tobe Blackmon, who was seriously injured in a car wreck and was not expected to live.

Washington News Letter

By Congressman O. C. Fisher

A two year "trial run" on three farm products, wool, eggs, and potatoes, of the controversial Brannan farm program, was voted down by House last week. Instead, the present farm price support program was continued for a year, with cottonseed and mohair added.

At the same time the House voted to repeal the Aiken flexible price support system scheduled to go into effect next January.

The bill now goes to the Senate Committee on Agriculture, where hearings on a future program have been conducted, and the question of whether a new or changed farm program will be enacted at this session will depend on what the Senate does about it.

Of particular significance to our district was the addition of mohair to the list of commodities upon which the Secretary of Agriculture would be required to apply a support program. Under present law, such support is permitted but the Secretary has refused to provide any relief. Therefore, it has been apparent for some time that if our mohair industry was to be provided any aid under the farm program it would have to be made mandatory.

Several months ago Ernest Williams and Jake Mayfield, Secretary and First Vice President respectively of the Sheep and Goat Raisers Association, came to Washington and we made an appeal to the committee on agriculture to include mohair in any new legislation to be reported. Largely through the efforts of Rep. Bob Poage, a member of the committee, mohair was added and was included in a new bill.

The new bill, however, was defeated on the floor of the House last week, and the Gore substitute was adopted, continuing the present laws for another year. But I offered an amendment on the floor to the Gore substitute to have mohair included in the present program, and it was unanimously adopted.

It is impossible to know what price mohair will be supported, if the bill is finally enacted. Under the bill as passed by the House, the ceiling price would be 90% of parity, or about 60c per pound average. The exact figure would have to be set by the Secretary of Agriculture and would undoubtedly be considerably lower than the 90% ceiling.

Climaxing efforts that have been going on for two years, the agreement whereby the Pedernales Electric Cooperative will be divided and made into two co-ops, was finally approved the other day by Claude Wickard, the REA administrator.

The dividing line between the two will follow in general the division line of the 21st Congressional district with the Pedernales group operating principally in the district formerly represented by Lyndon Johnson and now by Homer Thornberry of Austin.

The Pedernales co-op had simply grown so big it was unwieldy. Until the division was made, it was the biggest REA co-op in the Nation. Much of the credit for finally getting the split concluded is due Arthur Stehling of Fredericksburg, attorney for the Pedernales.

It is believed that the new Central Texas organization will be able to serve better in the area it will cover, and more attention can be given to expansion to provide added service at reasonable rates

to more and more farm and ranch families. The headquarters of the Central Texas unit will be at Fredericksburg.

Of interest to farmers are two new bulletins the Department of Agriculture has recently published dealing with grain storage. One bulletin, No. 2009, is entitled "Storage of Small Grains and Shelled Corn on the Farm," and the other, Farmers' Bulletin 2010, "Storage of Ear Corn on the Farm." These two bulletins contain the latest information on storage structures and storage and conditioning of grain, and will be sent by me to any who request them.

Billy Williams, son of Mr. and Mrs. J. Tom Williams, who had a tonsillectomy recently, was in San Angelo Monday for treatment.

Mr. and Mrs. Aris Carr and Pam, Dr. and Mrs. L. R. Bailey, and Mr. and Mrs. Glenn Parker had a picnic supper near Christoval Sunday.

Mrs. M. L. Williams of McCullough county, Mrs. Mason and Mr. and Mrs. M. L. Leddy of San Angelo came to Eldorado Sunday in the Leddy plane for a visit with Mrs. J. M. Christian, Mrs. Allie Sweet and other relatives. Mrs. Williams remained until Wednesday and the others returned home the same day. The trip was the first plane ride for Mrs. Mason.

Mmes. Roy Andrews, Clyde Galbreath, Frank Spencer, Henry Mund, and P. W. Hazelwood visited Mrs. Joe McDonald from Sunday to Tuesday in Fredericksburg.

Several from Eldorado attended the meeting of the Sonora Square Dance Club at the DeBerry home last Friday night. They included Doug Yates, Mr. and Mrs. Carrol White, Mr. and Mrs. Horace Linticum and Prissy, Bill and Mary Lee Gunstead, Mrs. Happy Kerr, and Mr. and Mrs. Aris Carr. Linticum was caller for the evening.

Pat Humphrey and Jackie Henderson were guests at a birthday party for Joe DeBerry in Sonora Saturday night, and the group attended the country club dance.

The Palmer West, L. Steen, and S. D. Harper families visited in Merdard Sunday with the Bill Murchisons.

T. J. Bailey and family of Ozona visited relatives here Sunday. On Wednesday they left for Arizona to visit Mrs. Bailey's sister, Mrs. Oscar Gibson.

Mr. and Mrs. Sam Long and two children of San Angelo visited in the Russell Donaldson home Sunday. One of the Long children, who had polio recently, has completely recovered from the disease and was not left crippled.

Mr. and Mrs. Milton Harris have moved to Alpine, where he will do carpenter work.

Mr. and Mrs. Otto Sauer visited in Doss on Saturday to Monday, and brought home Mrs. Henry Baethge for a two-weeks visit.

Mrs. Bill Gay Kennerly and two sons of Brady spent several days with her parents, Mr. and Mrs. Jess Ashmore. Joe Ingram of Phoenix, Ariz. was another guest in the Ashmore home recently.

Mrs. Leslie Baker, Mrs. Ben Isaacs, Buddy Baker and Wayne Davis were in Arlington recently and visited the campus of ASC (formerly NTAC). Buddy plans to enroll there in the fall. The group also visited Mrs. Bertha Shugart and Mrs. Glenn Spann at Irving.

Mr. and Mrs. Emmett Smith of Bowser were guests of the O. L. Woodwards Sunday.

Mr. and Mrs. Joe Edens entertained the congregation of the Presbyterian church after services Sunday night with a watermelon feast in their home. Miss Betty Miller, sister of Mrs. Edens, was an out-of-town guest. There were about thirty present.

Mr. and Mrs. Verlon Simpson of San Saba were guests in the T. H. Alexander home Sunday.

Texas Rural Youth To Attend State Fair On Special Day

Among special days scheduled for the State Fair of Texas is Rural Youth Day on October 15, when the largest single gathering of farm boys and girls in the nation's history will be honored at the Dallas fair grounds. At least 75,000 boys and girls from all corners of the state are expected to be present.

The youngsters are traditionally given free admission to the Fair, and a free lunch which is provided by Dallas business leaders.

Attendance prizes of \$100 each will be awarded the county 4-H club delegation and the Future Farmer and Future Homemaker chapters which have the highest score, based on the number of members present multiplied by the number of miles traveled to the Fair.

A banquet honoring the 50 outstanding Future Farmers, Future Homemakers, and 4-H Club boys and girls in the state during 1949, will be held in the Texas Room of the Baker Hotel at 7 p. m. Oct. 14.

Other junior events planned for the 1949 State Fair are Junior Livestock Show, Oct. 17-22; Junior Market Turkey Show, Oct. 8-13; Junior Market Broiler Show, Oct. 14-20; Junior Grass Judging Contest, Oct. 19; and State Junior Livestock Judging Contest, Oct. 11.

FBF CLASS PARTY AT ALEXANDER HOME

Members of the FBF (Young Adult) class of the Methodist church met at the R. J. Alexander home last Thursday night for supper and games of 42. Sandwiches, beans, potato chips, cake and ice cream were served to the group, and ice cream was served later in the evening. There were 36 adults and about 20 children present, including several guests.

Mr. and Mrs. J. T. Jackson and Edwin Jackson are visiting in Bertram this week.

MRS. LINTHICUM CHAIRMAN FOR SCHLEICHER COUNTY OF STATE YOUTH COMMITTEE

After receiving a letter from the organization asking her to head the county committee, Mrs. Horace Linthicum has accepted the chairmanship of the Texas Committee for Children and Youth for Schleicher county.

This committee is concerned with gathering facts about Texas children and youth, so that they may make recommendations to President Truman at the White House Conference of 1950. A similar conference of delegates from all of the states is held each ten years, in an effort to evaluate the total welfare of the youth of the country. Among the subjects to be studied by the Texas committee are health, education, child welfare, handicapped children, recreation and juvenile delinquency.

The Texas committee will send out questionnaires to each county chairman in the state, to be filled out by the chairman and her committee. They will be on the subjects outlined in the above paragraph, and it will be the job of the county committee to evaluate that county's care of its children. By studying all the questionnaires, the state committee can make recommendations for improvement at the White House conference.

Mrs. Linthicum and her committee will need the support of all Schleicher county citizens in order to accomplish the job, and the cooperation of all is requested.

WEDNESDAY BRIDGE CLUB

Mrs. Leslie Baker entertained the Wednesday Bridge Club last week in her home with a luncheon and games of bridge. Mrs. J. M. Christian won high and Mrs. Billie Crosbie won the bingo. Mrs. Everett Lovelace of Brownwood was a guest.

Mr. and Mrs. Z. George Shaw of Dallas arrived here Tuesday for a visit with Mr. and Mrs. Edwin Jackson. The couple, who were recently married, have visited in several states.

Pep Squad, Leaders Have New Uniforms For 1949-50 Season

New uniforms have been ordered for the high school pep squad, and new outfits are being planned for the yell leaders and twirlers, as the beginning of the 1949-50 football season approaches.

The new uniforms for the pep squad are being custom made and will be paid for by the school. They consist of a battle jacket and slacks, made of wool and rayon gabardine. The color, a bluish-gray, matches the color of the band uniforms as much as possible, and the battle jackets are trimmed in gold. Forty uniforms have been ordered for delivery in August.

The five twirlers, Nelva June Bolt, June and Jane Craig, Laura Clark, and Ruthie Dee Harris, will wear outfits of white corduroy. They will be made with short full skirt, fitted top trimmed in gold braid and buttons, and long sleeves. They will wear white hats and white boots. Joyce Burk is majorette and will wear a similar outfit with tall white hat.

The four pep leaders are Mary Thompson, Margaret Ellen Edmiston, Kathryn Hall, and Irene Sudduth. They will wear white corduroy street-length skirts, white satin blouses with full sleeves, white corduroy jackets and white shoes.

FIRST BAPTIST CHURCH

Plans are being completed for the summer revival meeting at the First Baptist church starting August 14 and continuing through the 24th.

Dr. A. C. Donath, pastor of the First Baptist church at Conroe will do the preaching. Dr. Donath was formerly pastor of the First Baptist church of San Angelo and before that he was with our Foreign Mission Board in Nigeria Africa for seven years.

Dr. Donath is one of the best pastor evangelists, and in this field his work and record have not been surpassed by any pastor in Texas in our denomination. Furthermore he is among our greatest gospel preachers, and all who will take advantage of hearing him will be inspired and helped.

Our singing will be led by Joe Philbrick, student at Baylor University, who is known for his most efficient and effective work in the field of gospel singing. With these two effective workers to lead us there is no reason why we should not expect one of the greatest meetings that we have had in many years.

Plans are being made to have our evening services on the church lawn by the side of the church. This will give more comfort, and we believe will have some attraction for greater attendance for the evening service.

We are asking all who will to make plans now to attend these services.

We may not recognize it, but our community is no better than our churches make it. You can help in a mighty way to make our churches what they should be, to make a better town and community.

Mrs. John Davis of San Angelo was a recent visitor in Eldorado and Schleicher county.

Sam Oglesby has bought a pearl-gray Mercury 8 from an agency in San Angelo.

From where I sit... by Joe Marsh

For The Ladies: A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' worth. Another was living on bananas and skim milk!

I might have known the missus would get the bug, too, and sure enough the other day she asks me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I says, "the only diet I would ever recommend to anyone is simply moderation. I wouldn't

trust any of those get-thin-quick diets. Simply cut down on desserts, bread, butter, sweets and fats—but when you do, even do your cutting down moderately."

From where I sit, moderation is the watchword. Moderation with food, with smoking or with the enjoyment of a friendly glass of temperate beer or ale. Actually, moderation adds to the enjoyment of just about anything.

Joe Marsh

WMU MEETS

All circles of the First Baptist WMU met at the church Monday afternoon for a program, "Christ Is the Answer in the East." Mrs. Roy Davidson, president of the WMU, was in charge of the business and Mrs. J. C. Linsley, Mrs. Doty and Mrs. Weldon Davis were on the program. Mrs. J. M. Hays gave the devotional. There were 15 members and 10 children present.

MRS. MCGINNES HONORED

Mrs. Sam McGinnes was honored on her birthday when her son, Albert McGinnes and family entertained Monday night. She received a number of gifts, and ice cream and birthday cake were served. Those present were the honoree and her husband, Mr. and Mrs. Floyd McGinnes, Mr. and Mrs. Elton McGinnes and children, Mr. and Mrs. Alvin Farris and the hosts.

BARBECUE SUPPER AND "42" HONOR P. S. DUDLEYS

Mr. and Mrs. C. L. Meador Jr. entertained with a barbecue supper followed by games of 42 at their home last Wednesday night. The party was given in honor of Mr. and Mrs. P. S. Dudley, who were visiting here from Hebronville. Those present were the members of the Merry Makers 42 Club and their husbands.

James McDonald has bought a new English Ford from Love and McDonald.

Mr. and Mrs. Norton Cheek and Kay of Navatosa and Mr. and Mrs. Roy Davidson visited the Davidson's son-in-law and daughter, Mr. and Mrs. Lawton Brevard, at Leveland during the week end.

Mrs. Ray Sherrard and daughter Karen Lea have returned to their home in El Paso after visiting here with Mr. and Mrs. E. H. Coulter.

Personal News Items

Mr. and Mrs. Carrol White visited during the week end with Mr. and Mrs. Clifton Brooks at Mertzon. Mr. White and Mrs. Brooks are brother and sister.

Carpenters are putting up a new garage and building new walks at the McClatchey residence. Some of the old material was salvaged for use in the garage.

Guests in the Ray Bruton home for the week end were Mrs. Bruton's parents, Mr. and Mrs. B. L. Hughes of Brady. Guests Monday and Tuesday were Mr. and Mrs. M. C. Shook and son and Mr. Hocken-smith, of McAllen. Shook and Hockensmith own an airplane which is equipped for dusting cotton, and on Tuesday they gave a demonstration at the W. E. Bruton place. An unusual pet accompanied them from McAllen — Mrs. Shook's pet monkey, Cracker.

Rev. and Mrs. F. E. King have gone to Lovelady to visit relatives.

Mr. and Mrs. Richard Lee Davis, who have been living in San Angelo, visited here recently with relatives. They were moving to Corpus Christi.

Mrs. Bailey Montgomery sustained an operation last Wednesday for a ruptured appendix, in the Clinic hospital in San Angelo. She is doing nicely and expects to be home the last of the week.

Mr. and Mrs. Milton Doyle and children of Roby were guests in the Will Doyle home during the week end.

Kenneth Doyle went to Cross Plains for his wife and daughter, who had been visiting there.

Mrs. Frank Van Horn and Joyce Ann visited Tuesday night and Wednesday of last week with Mr. and Mrs. Pierson Corder in Ballinger.

Delma Logan, who is working for the Franklin Life Insurance Company in San Angelo, spent the week end with her parents, Mr. and Mrs. J. M. Logan. Guests Sunday in the home of Mr. and Mrs. Joe T. Logan were Coke Sawyer and Dorothy Touchstone, also of San Angelo. Sunday afternoon the Joe T. Logans and their guests visited in the J. M. Logan home, and Delma returned to San Angelo with them.

Mrs. G. E. Berry of San Angelo and Mrs. S. E. Harrell of Ciseo spent last Wednesday night with their daughter and niece, Mrs. Horace Linthicum.

Mrs. Pauline Adams, Mrs. John Nealy and son have returned to their home in California after a visit here with Mrs. Jess Koy, Mrs. Ruth Danford and Miss Georgia Springston.

Mr. and Mrs. Gene Koy of Camp Wood visited recently with her parents, the Jess Koy's.

Mrs. Noel Jones and Patsy were in Big Spring Sunday and met Mr. and Mrs. Jimmy Smith and two children there. The group were breakfast guests in the O. Z. Smith home. They spent the day in the park there, and were met by Mr. and Mrs. W. C. Cowger of Lamesa and Mrs. Florence Jones of Abilene. Patsy accompanied her sister, Mrs. Jimmy Smith home for a several-days visit and the others returned home that evening.

Mr. and Mrs. W. D. Dukes and family are visiting in Brownwood and DeLeon. Dukes is a driller in the local oil field and the family are living in the W. F. Edmiston apartment.

Those visiting with Mr. and Mrs. Cut Edmiston at Midland during the week end were Mr. and Mrs. Grover Lee Johnson, Mrs. Bertha Wilson, Mrs. Mary Ann Johnston, and Mrs. Pauline Norton.

Joan Roberts of San Angelo and Mary Lou Dudley of Hebronville have been guests in the C. L. Meador, Jr., home.

The Elton and Sam McGinnes families visited the Sam Lowes in Menard Sunday.

Mr. and Mrs. Albert McGinnes and children spent the week end in Tennyson with Mrs. McGinnes' parents, Mr. and Mrs. Ben Brooks, who were injured in a car wreck last Wednesday night. The couple were shaken up and bruised but were not seriously injured.

Mrs. L. L. Kinser and three daughters and Mrs. Roy Martin and Nancy visited with relatives in Wichita Falls over the week end.

The Allen Kuykendall family visited Sunday in Eden with the Elmer Stephens family. Jean Kuykendall remained for a longer visit.

Mr. and Mrs. S. E. Chapple of Christoval and Mr. and Mrs. Pete McBurnett and Suzanne of San Angelo visited Mr. and Mrs. Wm. Jarrett Sunday.

Mr. and Mrs. R. W. King and Mr. and Mrs. Desmond King and children met some of Mrs. R. W. King's relatives at Buchanan Lake Sunday, and the group had a fish fry and picnic.

Noweita and Hensel Matthews, Mr. and Mrs. Bill Mund, Mr. and Mrs. Jim Hoover, and Mr. and Mrs. Chan Whitten and family have been fishing at Buchanan Dam this week.

Mr. and Mrs. Shook of Eagle Pass, J. E. Bruton of Melvin, and Mr. and Mrs. J. B. Bruton and son Pat of Big Spring were guests in the home of Mrs. Mattie Bruton Sunday.

Mr. and Mrs. J. P. Brevard of Talpa visited Mr. and Mrs. Roy Davidson and others here Saturday.

The W. A. Blaylocks, Billy Frank Blaylocks, and Mrs. R. H. Blaylock spent the week end in Concan attending a reunion of the Blaylock family.

Mr. and Mrs. O. L. Furr and children and Mr. and Mrs. Bill Butterfield and Claudia fished at Fort McKavett Saturday and Sunday.

Mr. and Mrs. Billy Galbreath of Sonora and Mr. and Mrs. Leslie Galbreath were in Christoval Sunday afternoon.

Arch Edmiston and family were Sunday dinner guests in the home of Mrs. W. F. Edmiston.

General Electric Home Freezers are available in either 4- or 8-cu-ft models.

With a General Electric Home Freezer, you can keep 'em fresh, and eat 'em when you want 'em!

Now, you can freeze the fish and game you get (subject, of course, to your state laws) and...

... eat them when you will enjoy them most!

The General Electric Home Freezer is wonderful, too, for freezing and storing vegetables and fruits, baked goods, and ice cream. It's a good way to cut food costs these days!

To get every advantage in a home freezer, get a General Electric. This is why:

Dependable, economical, proved!!

The sealed-in refrigerating system is the same type as that used in General Electric Refrigerators. More than 1,700,000 of these systems have been in service ten years or more.

In repeated laboratory tests, the General Electric Perfect Seal cabinet construction proved so efficient that it kept food frozen for several days after the current was shut off.

General Electric's know-how covers a thorough knowledge of the refrigeration and freezing of foods, born of years of experience in our Food Research Laboratory.

Let us show you the dependable, economical General Electric Home Freezers today.

**COLD CUTS LIGHTEN WORK FOR COOKS
DURING SUMMER CANNING SEASON**

Local house wives during the current hot, dry weather welcome foods which require a minimum of cooking. Many women are also doing canning and find that easy-to-prepare foods make meal planning easier.

Each cook has her own special recipes and menus which she considers time savers. Some of the most popular are listed below.

Cold Cuts
Cold cuts head the list of easy-to-prepare foods for summer weather.

Liver sausage, bologna, salami, veal loaf, head cheese, pimento loaf or minced ham all fit in a menu with potatoes—potato salad, scalloped potatoes or potato chips. The meat and the potato salad or potato chips can be tastily displayed on a platter with edible garnishes of carrot strips, radishes and tomato wedges. Jellied fruit or vegetable salads go equally well with the cold meat.

Or the ready-to-serve meat can be chopped and combined with vegetables in a salad for the main fare of the meal. Bologna is delicious with cooked peas, tomato cubes, lettuce and a tart vinegar dressing. The salad is served on

lettuce or endive with hot butter toast tips.

Refrigerator Sweets

Summer or winter, children like sweets. To answer that demand during summer days make the refrigerator take the place of the cookie jar. With a few minutes notice the homemaker can produce a plate of delicious homemade cookies made to order for summer's iced beverages.

Nut meats, melted chocolate, orange or lemon juice and rind may be added to vary the refrigerator cookies. Lazy summer cooking suggests other non-rolled cookies such as mince-meat, spice or chocolate oatmeal drop cookies and cinnamon or coconut bars.

Other Meat Dishes

Preparing jellied meat salad is one good way to save homemakers from long hours in the kitchen. This substantial main dish can be made early, stored in the refrigerator, and be ready for a meal at any time. Leftover roast is ideal for jellied salads. The cooked meat is combined with plain gelatin; fresh or cooked vegetables may also be added. This dish will keep in the refrigerator for several days.

**Greens Win Favor
Throughout Country**

Two old-time Southern menu favorites, turnip and mustard greens, are winning popularity as a year-round table delicacy and are becoming an increasingly important crop for growers and packers of greens.

Tender young leaves of the mustard and turnip plants, cooked in water with salt pork and pepper pods, have long been traditional Southern favorites but have not been widely known in other sections of the country.

However, crop and canning figures now show that these greens are becoming increasingly available in all seasons, and it is pointed out that the products offer an interesting taste variant and afford much the same healthful benefits as other leafy vegetables.

Can industry figures show that more than 1,500,000 cases of mustard, turnip, and other greens were put up in 1948.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending July 16, 1949, were 26,172 compared with 30,731 for same week in 1948. Cars received from connections totaled 9,160 compared with 10,322 for same week in 1948. Total cars moved were 35,332 compared with 41,053 for same week in 1948. Santa Fe handled a total of 32,366 cars in preceding week of this year.

Mrs. H. M. Stephenson and Mack of Menard visited her mother, Mrs. Rutha Boyer, and other relatives for several days.

Mr. and Mrs. Jack Halbert and Lee Halbert visited recently in Bell county, Temple and Killeen. Mr. and Mrs. Toppie O'Dell of Killeen accompanied them home for a visit, and the group stayed overnight at Buchanan Dam on the way home.

Mrs. Josh Ewing is visiting her son in Houston.

Mr. and Mrs. Frank Hesley and son of Bakersfield spent Sunday afternoon with the C. T. Freibles.

C. A. Reynolds drove to Bowie last week with his wife, who was called there because of the illness of her mother. Mr. Reynolds went on to Gainesville to interview a teacher before returning home.

Two Couples Return From Trip to Canada, East Coast, New York

Returning Tuesday from a three-week vacation trip were Mr. and Mrs. Louis Yaseen of San Angelo and Mr. and Mrs. Jimmie West. Their itinerary included points in the east and in Canada.

Several days were spent in Niagara Falls, and from there they went to Canada, visiting in Toronto and Ft. Erie. While in Ft. Erie they attended the horse races and also saw the sulky races in Hamburg.

The Lions International convention was one of the highlights of the trip. The convention was held in New York. The convention headquarters were in Madison Square Garden. Some of the main sight-seeing events included a baseball game between the New York Giants and the Cincinnati Reds held in the Yankee Stadium, also a forty mile boat ride around New York, Manhattan Island and the Statue of Liberty.

From New York the vacationers went to Washington, D. C. Mr. and Mrs. West had breakfast with Congressman O. C. Fisher. Fisher had one of his office girls, Miss Helen Routh of Ballinger, take the sight seeing party on a tour through all the government buildings and over the city.

On the way home the group visited Mount Vernon, and points in Kentucky and Alabama.

The Wests' children, Barbara and Charles, visited their grandparents, Mr. and Mrs. Ben Meckel of Sonora and Mrs. C. C. West of Eldorado, and their uncle and aunt, Mr. and Mrs. Lavelle Meckel, while they were gone.

News . . . from NEIGHBORS

OZONA PLANS FIRE STATION

Committees representing the Crockett County Community Council and the Ozona Lions Club are carrying out further investigation this week before launching a move to bring to a vote of the people the question of issuing county bonds sufficient to construct a fire station and swimming pool and county park recreation center.

Preliminary sketches and estimates of construction cost have been prepared by John G. Becker, San Angelo architect. The fire station plan calls for construction of an attractive building which would provide a motor room, or space to keep four fire trucks in readiness, an apartment for one paid full time attendant, an assembly room for meetings of the volunteer fire department and a stag room, or quarters where single men might be bunked for fire department duties.

The architect estimated the cost of construction of the proposed fire station at \$24,871.

A preliminary plan and estimate for construction of a 50x100 foot swimming pool in rectangular shape on the site of the present circular tank on water works hill and for filling and surfacing with concrete the surrounding area and providing an open pavilion or shade on the west side of the pool for use of bathers, spectators and picnickers was also presented.

Also included in the preliminary plan for action at this time or later was construction of a community recreation building on the east side of the pool which could be used by the community for dances, parties, games and all public gatherings. —Ozona Stockman.

FINDS OLD TEN DOLLAR BILLS

E. L. Cagle of Sherwood brought two old saddle blanket \$10 bills into the Star office this week. The bills were issued April 19, 1905. Mr. Cagle received them during the World's Fair of 1915. He stuck them in his vest pocket and forgot all about them until last week when he found them again in the old vest pocket. Just as soon as he saw them he remembered where and when he received them. The bills were signed by Ellis F. Roberts, Treasurer of the United States and J. W. Lyons, Register of Treasurer. —Mertzson Weekly Star.

SCHOOL BUILDING, GROUNDS IMPROVED AT EDEN

Considerable improvement in appearance is noted in the barrack buildings moved in last year by the Eden schools as a painting crew has been giving all the wood-exterior buildings an attractive going-over.

The lunchroom building, a brick building with a war-surplus wooden addition, has been painted the same color all over its exterior and has been redecorated inside. The band house, in the southwest corner of the athletic field, and the teachers' residence to the north of the field, have also been painted.

The football stadium seats are being re-painted in advance of the opening of the season. The turf on the playing field is a thick carpet of Bermuda and work has started this week on giving it a thorough watering so that it will be lush and green by the time the playing season opens, and it will be given the necessary care and trimming before that time to make it, as it has been, one of the finest in this area.

Further improvements to be made to the athletic plant include the erection of a concession stand, to be located near the west grandstand. This will be started shortly and is due to be ready before the first home game. —Eden Echo.

Mr. and Mrs. Phil Swatzell and baby Sally of Ft. Stockton have been visiting Mrs. Swatzell's parents, Mr. and Mrs. A. J. Stevens.

Mr. and Mrs. W. S. Carroll had as guests Sunday her parents, Mr. and Mrs. J. M. Clark of London, and sisters Mrs. J. W. Turk and family of San Angelo and Mr. and Mrs. Cecil Templeton. Dorothy Carroll accompanied her grand parents home to spend two weeks.

County Agent News

COTTON INSECTICIDE SHORTAGE CRITICAL

Producers in Schleicher county may find cotton insecticides hard to get in the immediate future. The critical time is here for cotton insects, and it is entirely possible to lose a good crop.

The preferred material for general cotton insect control is 20% toxaphene plus 40% sulfur, or 3% gamma BHC, 5% DDT, 40% sulfur (3-5-40). If these are not available substitutions can be made and results should be fairly good.

Where the boll weevil is the major pest 7-10 pounds of calcium arsenate per acre at five-day intervals will give good control. Alternate applications of 3-5-40 and calcium arsenate will prevent increased aphid populations which might result from using calcium arsenate alone. Calcium arsenate plus 1% gamma BHC will give good boll weevil control and prevent aphid increase.

For boll worm alone, if arsenate alone is used, alternate with 3-5-40 to prevent aphid increase.

When both boll weevil and boll worm are in abundance follow the boll weevil control with an increase in dosage per acre.

FOREIGN MARKET SPECULATIVE, TOO

Have you noticed some of the headlines of the past few days? They read something like this: England is clamping down on dollars —Britain signs trade agreement with Argentina.

These "signs of the times" are important to Schleicher county farmers. The trouble stems from two main sources:

1. Dollars are getting scarcer and scarcer as European countries continue to buy much more goods and services from us than we buy from them. You and I would experience the same trouble if we traded on this basis with each other.

2. Because of wanting to save dollars for purchase, which practically would have to be made in this country and the prospect of increasing the foreign market for goods produced in Europe, which often compete with our own manufactured goods, these European countries are anxious to expand trade with predominantly agricultural countries such as Argentina.

The facts are that Europe can get its supply of farm products outside the United States much easier than they can obtain manufactured non-farm products needed.

NEW FARM TO MARKET ROADS NOT UNMIXED BLESSING, SAYS HIGHWAY ASS'N

Residents of Schleicher county who welcome the announcement of additional farm-to-market roads for this area may be puzzled at the warning received from the Texas Highway Association to drive very carefully on these roads.

The Highway Association has given the following warning: "As rural roads are developed, rural people must remember that a good farm to market road is a sub-standard highway, likely to be narrower and to have sharper turns and grades. Another dangerous factor is the tendency people have to think they have the road all to themselves. This is revealed especially in failure to observe proper precautions at intersections, coming to a full stop and proceeding cautiously when entering a highway."

The Eldorado Success — \$2.00 year

S.C.S. Field Tour At Isaacs Place

A soil and water conservation field tour was held on the Will L. Isaacs ranch last week under the sponsorship of the Eldorado-Divide Soil Conservation District, Mr. Isaacs, and Soil Conservation personnel.

After an explanation of the district program the group looked at a draw and bottomland which was in excellent condition. The better grasses were pointed out and their characteristics discussed.

The next stop was to show the difference between the penetration of moisture on a good cover and a sparse cover of grass. This was shown by an assimilated rain maker. The result was that moisture

penetrated almost four times as deep on the site with good cover as it did on the site with sparse cover.

A temperature reading was made to determine the temperature on a good cover of grass compared to a sparse cover. A difference of 14 degrees was recorded. The conclusion was drawn that after getting moisture into the soil it is important to keep a good cover of grass on the ground to prevent losing so much moisture by evaporation.

Charts were shown and the history of our rangeland was explained. It was first in excellent condition in the beginning, dropped to good condition, then to fair condition, and now a large percent of our range land is in poor condition. This change of course has been gradual and mostly because of mis-

management rather than dry years. After this discussion the group drove over an improving pasture and noted the difference in productivity of different sites.

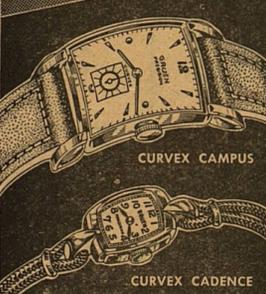

The group then drove over a pasture which had been deferred for some eight or ten weeks. The seeding of the better grasses was discussed, and the difference in the condition of this pasture and the previous improving pasture was brought out by SCS technicians.

Those present were Robert Martin, Charles Simpson, Albert Tisdale, Mrs. Joe Tisdale, Dick Jackson, Mr. and Mrs. Will L. Isaacs, Mr. and Mrs. Rubel Aldridge, and Mr. Isaacs' three grandchildren.
