

Junior High School Declamation Contest To End March 17

Final judging in the junior high declamation contest will be held at a program to be given on the evening of March 17, at which time the contestants will recite their poems and receive awards.

The top boy and top girl will each receive a loving cup, and the top boy and top girl in the other two grades will be presented a medal. There will be three impartial judges for the event.

Students in the sixth, seventh and eighth grades are participating in the contest. Eliminations this week were held to decide the two top boys and two top girls in each grade; these twelve students will compete for the prizes.

The public is invited to the program March 17 which will decide the winner. Several musical interludes will be given by the school music department.

1950-51 School Census Now Under Way

Work is under way on the school census for the 1950-51 session, with city and school officials cooperating in the compiling of statistics.

All children who will be six before September 1, and who are not over 18 years of age, will be included.

March 1 to April 1 is the time set for the census. Some information blanks have been sent home to parents by children who are in school, and other parents will be contacted by A. J. Atkins.

Any families who are not contacted by the above methods are urged to see A. J. Atkins at the city hall, or telephone Supt. C. A. Reynolds, so that the school census may be accurate and complete.

Mrs. W. J. Humphrey Attends Funeral Of Brother

Mrs. W. J. Humphrey received word Monday morning that her brother, Fred Wilson of El Paso, had died in a Los Angeles hospital. She accompanied her sisters from Corsicana and Baytown to El Paso Tuesday to attend the funeral services.

Wilson, a survivor of the Bataan death march and several years in a Japanese prison, had never completely recovered his health after the war. He was about forty years of age at the time of his death.

For some time after his capture by the Japanese, his family believed him dead. After his liberation he returned to the States and re-enlisted in the Army, serving in Germany and in Louisiana before his transfer to Ft. Bliss. He became ill while at Ft. Bliss and was moved to the army hospital in Los Angeles, where his death occurred.

He is survived by his wife, and his parents, Mr. and Mrs. W. C. Wilson, all of El Paso, and several brothers and sisters including Mrs. W. J. Humphrey of Eldorado.

Military funeral services were held Wednesday in El Paso with interment there.

Mrs. Lum Ark is taking care of Mrs. Humphrey's small children during her absence.

Mrs. P. F. Case has been ill in the hospital here for several days.

\$320,000 REA Construction Program Approved

The Southwest Texas Electric Co-Op office at Eldorado this week received telegrams from Washington stating that approval had been granted for a \$320,000 loan for new construction in this area.

The telegrams which came from the Texas U. S. Senators, read as follows:

Southwest Texas Electric Co Op:
REA advises approval of \$320,000 loan to your Co-Operative for extending distribution lines in Tom Green, Schleicher, Irion, Crockett, Sutton and Menard counties. — Tom Conally, USS.

Southwest Texas Electric Co-Op:
Rural Electrification today approved loan of \$320,000 for your co-operative to be used for building 300 miles of new distribution lines to serve 160 additional rural customers. Regards.—Lyndon B. Johnson, U. S. S.

While there are six counties included in this extension program, it is understood that most of the mileage will be constructed in Menard, Sutton and Crockett. This contract will get under way and most likely will be completed during the present year.

4-H CLUB BOYS WIN HONORS AT STOCK SHOW

Members of the Schleicher county 4-H club won a number of places in the San Angelo Fat Stock Show during the week end.

In the Corriedale division for 4-H boys, the local contestants placed high. In the Corriedale ewe lamb division, Truett Kent Stanford won first, Donald Parks won second, Gary Parks won third, and Jack Stanford won fifth.

Jack Stanford won first and Truett Kent Stanford won second in the Corriedale buck lamb division.

The champion ewe lamb prize went to Truett Kent Stanford, while Jack Stanford's lamb was champion buck lamb.

David Powell and Ronnie Mittel exhibited fifteen fat lambs. These sold for 37½¢ to the Eldorado Wool Company.

Charles Jackson exhibited an Aberdeen-Angus calf weighing 810 pounds which sold to the West Texas Utilities Company for 51¢.

In the breeding Aberdeen-Angus division, Charles Jackson exhibited the second place yearling heifer and the third place bull calf.

Volley Ball Team Wins 2 More Games In District Play

Eldorado's volley ball team chalked up two more victories in district games during the past week.

Friday night the team played Ozona in the Ozona gymnasium. The A team won 28-22, rallying in the last half of the game after trailing 14-10 at the half. Mary Thompson was high point man with 7 points. There was no B team game.

Eldorado defeated Sonora at the local gymnasium Tuesday night by a score of 38-19. Nila Barclay was high point man with 12 points. In the B team game, Sonora won 32-21. Laura Holcomb being high point man with 6 points.

Games scheduled for next week include a district game with Big Lake there, on Tuesday.

SCHOOL RECEIVES DESKS

Eldorado's grammar school has received a shipment of three dozen new desks. They have been in use in a number of rooms in the elementary building, being moved from room to room as needed. It is planned to use the desks in the new school building when it is completed.

W. W. Jackson, Schleicher Rancher, Dies Tuesday

Funeral services were held Wednesday afternoon at the Cumberland Presbyterian Church in Bertram for Willie Wood Jackson, 53, who died here Tuesday morning. Rev. O. C. Gibson, pastor of the church, officiated, and interment was in the Liberty Hill Cemetery.

Pallbearers were Jess Walston, Pat Finley, Ernest Finnigan, Jerry Pennington, Lewis Whitten, and Len Alexander, all of Eldorado.

Mr. Jackson, who was born July 22, 1896, in Round Rock, had been a resident of Schleicher county for thirty years, and was in the ranching business here.

He is survived by his parents, Mr. and Mrs. J. T. Jackson; two brothers, J. T. Jackson Jr. and Edwin Jackson, both of Eldorado; and one sister, Mrs. Curtis Stockton, of Christoval.

Former Pastor's Son Dies In Amarillo

Word was received here Thursday night that one of the sons of Rev. and Mrs. A. J. Quinn of Amarillo, former Eldorado residents, had died in Amarillo Thursday. Forrest Alexander, neighbor and close friend of the Quinns, made the telephone call to Eldorado.

The boy was Judson Taylor Quinn, second son of Rev. and Mrs. Quinn. He was about sixteen years of age, and died of diabetes. He had had the disease for some time, and had been critically ill for about six weeks.

He is survived by his parents, two brothers and a sister.

The Quinns lived here about twelve years ago. Rev. Quinn was pastor of the First Baptist church for three years. He is now district missionary for the Panhandle area, and the family are making their home in Amarillo.

TRACK TEAM TO ENTER MEET AT WATER VALLEY

A track team from the Eldorado high school will participate in a track meet to be held at Water Valley on March 18. Coach Ted Kirby will take a junior and senior team, a total of approximately 20 boys, to the meet.

Track boys are now working out daily. Some, who have been in training for about a month, are in pretty good shape, says Kirby, while others, who have been participating in basketball or who have been out with illness, are just beginning their training.

Local Men Attend REA Convention

Don McCormick, manager of the Southwest Texas Electric Co-Operative, Inc., and Joe B. Edens, treasurer of the organization, are in Chicago this week attending the national REA convention.

The two men made the trip on a special train which left Fort Worth Sunday morning. They expect to return to Eldorado this week end.

School Gets Check, Letter From Regional Tournament Director

Supt. C. A. Reynolds has received a check and letter from the director of the regional basketball tournament which was held in Brownwood recently.

Eldorado's basketball squad was one of the fifteen participating teams in the tournament. Profits from ticket sales were divided equally among these teams; the local school received a check for \$52.00.

The letter reads as follows: Superintendent, Eldorado High School, Eldorado, Texas. Dear Superintendent:

I am enclosing a check which is your rebate from our tournament. I wish that it could have been larger, but I do understand that it is the largest one that has ever been rebated. Of course it takes a lot of money to go very far when you divide it fifteen ways.

The tournament was one of the nicest we have ever had. I have never seen better sportsmanship displayed by both boys and coaches than I saw in this meet. I think it speaks well for both coaches and superintendents when they send out such fine young men to represent their schools. To me it proves that they are interested in building good citizens as well as basketball players.

We hope we will have the pleasure of having your fine team and coach back with us another year.

Sincerely yours,
J. H. Shelton, Regional Director

Rehearsals Begin For Grade Operetta

Work is under way at the local school on an operetta to be given by the fourth, fifth and sixth grade students on April 28. Miss Lucille Farmer, music teacher, and Mrs. Troy Erwin, physical education teacher, are in charge of the production.

"Tom Sawyer" is the operetta which will be given, the songs and dances carrying out the familiar story. Principal characters are R. J. Alexander, Tom; Jimmy Burnett, Huck Finn; Mary Tisdale, Becky; and Gay Nell Belk, Aunt Polly.

School Lunch Menus For Next Week Are Announced

Menus for next week at the Eldorado school lunch room have been announced as follows:

Monday: Macaroni and cheese, cream potatoes, green beans, lettuce and tomato salad, bread and butter, half pint milk, spice cake.

Tuesday: Red beans and tamales, cream corn, mustard greens, potato salad, bread and butter, half pint milk, peach cobbler.

Wednesday: Meat loaf, glazed carrots, black-eye peas, buttered potatoes, bread and butter, half pint milk, doughnut.

Thursday: Chicken and dressing, buttered potatoes, English peas, carrot and apple salad, half pint milk, ice cream.

Friday: Roast and gravy, whole grain corn, creamed potatoes, mixed green salad, bread and butter, half pint milk, apple pie.

Big Spring Show To Be Held March 14-16

The 13th annual Howard county FFA and 4-H Club Fat Stock Show will be held in Big Spring March 14, 15, and 16. The event is sponsored by Big Spring Jaycees.

Club boys and girls will exhibit steers, lambs and capons in competing for prizes in three weight classes for steers, 2 classes of lambs and 2 classes of capons as well as special showmanship prizes. The show is held in the 4-H club buildings at the air base. The sale is to be conducted Thursday, March 16 at 7:30 p. m.

The fire department was called out today to put out a grass fire north of town.

ANNOUNCES FOR RE-ELECTION FOR COUNTY JUDGE

C. L. Meador, Jr., this week authorized the Success to announce his candidacy for re-election to the office of County Judge, subject to the Democratic primary, and submits the following statement for the consideration of the voters:

"I hereby announce myself as a candidate for re-election to the office of County Judge of this county for another two year term. My past experience and co-operation with the numerous members of the Commissioners' Court whom I have served with during my six elective terms has through our combined efforts led to considerable improvement in buildings and a system of roads that are exceedingly good considering the amount of income a small county receives for this purpose. The Commissioners' Court of this county has during the above tenure of office been successful in securing a total of \$475,000.00 (less engineering cost) in appropriations from the State Highway Department for the construction of a road from East to West across this county.

"The first section of this road west from Eldorado to the Crockett county line is now under construction and location has been made for the last 14 mile section of this road which is set up for completion over a period of two years beginning Sept. 1st, 1949. Plans are being prepared on this last section of this road, and every effort will be made toward the completion of this last project during the balance of the present year.

"When more state funds become available to the counties of Texas I will do everything possible in securing appropriations for a much needed road from Eldorado to Mertzon and other school bus and mail route connections with this new highway across this county.

"There are of course many other matters of vital interest to the taxpayers of this county which are too lengthy to be mentioned in this announcement. Most of you know how I stand on all questions affecting the welfare of the people of this county, and should you see fit to re-elect me to another term of this office I assure you that every body will receive the same courteous consideration that I have extended to all who came before the Commissioners' Court in the past, or visited in the office of the County Judge of this county."

BAND ATTENDS CLINIC

Eldorado high school band students participated Saturday in the second annual band festival and clinic at Brady. Forty-three students, Gordon Griggs, C. F. Jones, and Mrs. Edgar Spencer made the trip.

NEW LIGHTS INSTALLED

The First Baptist Church this week is having new fluorescent lights installed throughout the auditorium, in readiness for services Sunday. The job was initiated by the men's brotherhood.

E. C. Moak, field representative of Red and White, is here for several days during the remodeling at Parker Foods, Inc.

Mrs. Fred Gunstead sustained a gouter operation Monday morning in the Clinic Hospital in San Angelo, and is doing nicely.

Teachers To Attend Annual Convention; No School Friday

All teachers in the Eldorado school system will attend the annual convention of the Mid Texas Education Association, to be held in San Angelo tonight, tomorrow and tomorrow night.

There will be no school Friday, announces Supt. C. A. Reynolds.

Three general sessions are scheduled for the Association, with an outstanding speaker at each. The first session, which begins Thursday evening at 6:30, will feature Dr. H. Roe Bartle, president of the board of trustees at Missouri Valley College. His subject will be "Red Blooded Education Will Save America."

Second session will begin at 9:30 Friday morning. Dr. Willis A. Sutton, past president of the National Education Association, will discuss "What Is A Teacher?"

Dr. Henry Hill, president of George Peabody, will address the group at 7:30 Friday night on "Artists in the Classroom." This meeting is the third and last general session of the convention.

Friday afternoon numerous sectional meetings have been scheduled.

J. B. Merrill, who is president of the Mid Texas Association, is superintendent of schools at Stephenville. The Association is composed of 21 counties. All sessions will be held in the municipal auditorium in San Angelo.

Honor Students Are Announced

Honor roll students for the fourth six weeks period have been announced as follows:

Fourth Grade (Mrs. Robinson): David Steen, Bobby Williams, Bob Burns, Clyde Wilkinson, John Mack Fry, Cecil Walston, Becky Mund, Pat Perry, Mary Young, Christobel Sauer, Monetta Bradshaw.

Fifth Grade (Mrs. Burns): John L. Dickens, Barbara Faught, David Kuykendall, Barbara Rutland, Jimmie Wayne Harris, Jimmie Dell Williams, Janelle Turnbow, Jo Ann Walston, Thomasyne Jones, Curtis Stockton, Hortensia Vasquez, Avelina Burrola, Kenneth Pennington, Bobby Ann Wilkerson, Ellen Wheeler, Charlene Logan.

Fifth Grade (Miss Lightsey): Ann Ballew, Mary Tisdale, Herman Phillips, Jimmy Whitten, James Lee Swain, Jimmy Carroll, Herma B. Whitten, Shannon Barclay, Ferrin Holcomb, Hubert Hight, Charles Griffin, Dale West, Mike Vianueba, Shirlene Goode.

Sixth Grade (Mrs. Griggs): Melba June Wilkinson, Ila Jean Boyer, Pablo Burrola, Dwain Eubanks, Bernell Doyle, Joe Burns.

Chili Supper Monday For Lions Club

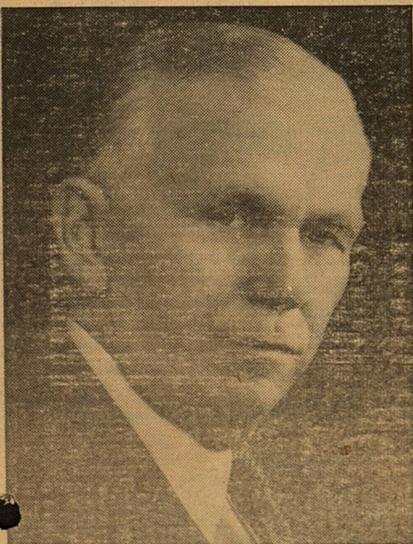

Losers in the Lions club membership contest will entertain the winners with a chili supper Monday night, March 13, at 7:30 in the memorial building.

Basketball boys and their coaches will be special guests. All Lions are urged to be present.

DUST STORM, NORTHER HIT SCHLEICHER COUNTY

Schleicher county received its share of the dust storm and mild norther which blew over west Texas early in the week. Winds of 25 to 30 miles per hour were reported, and visibility was cut sharply due to swirling dust.

An Important Message from General Marshall

A STRONG RED CROSS means a stronger America.

With its host of volunteers the Red Cross brings relief to the victims of disaster . . . gives comfort to the hospitalized soldier and veteran . . . helps relieve the anxieties of the serviceman and his family . . . provides, in many communities, life-giving blood to the sick and injured.

Each year the millions who need help and the millions who want to help are brought together through the Red Cross.

This voluntary effort in behalf of our neighbors strengthens the fibres of democracy.

So I ask you to respond to the call for help this year as you have always responded before—with a kind and generous heart.

George C. Marshall

You, too, can help through
Your RED CROSS

First Baptist WMU Has Mission Program

A program on home missions was given when women of the First Baptist WMU met at the church Thursday for an all-day session. A covered dish luncheon was served at noon.

Mrs. E. W. Perry, Mrs. L. T. Wilson, Mrs. J. M. Hays, Mrs. E. W. Mund, and Mrs. Ed Finnigan were leaders for the program entitled "On Our Doorstep." A map of the Southern Baptist convention was on display during the study. The group made an offering for home missions.

There were 23 women present.

Bykota Class Elects New Officers

New officers were elected when the Bykota class of the First Baptist Church met Monday night at the home of Mrs. L. D. Mund.

New officers include Mrs. Walston, substitute teacher; Mrs. Howard Belcher, president; Mrs. Walter Roy Davidson, vice president; Mrs. Joe Wagley, secretary; and Mrs. Lilburn Hazelwood, social chairman. Mrs. Roy Davidson is teacher for the class.

Cake and coffee were served.

Mrs. Johnny Isaacs and Lyndon Isaacs of Cody, Wyoming are visiting relatives here.

Suzie Scott Honored On 5th Birthday

Suzie Scott was honored on her fifth birthday when her aunt, Mrs. Earl Yates of San Angelo, entertained with a party February 24. The guests had an Easter egg hunt and were served ice cream and birthday cake.

There were fifteen guests present.

FIRST GRADE TO GIVE PLAY FOR PTA MEETING HERE

Miss Thelma Ellington's first grade will present a play when the PTA meets on March 21 at 3:15 in the school auditorium. "Teamwork Between the Child's Education and Health" is the subject of the afternoon meeting.

All of the first grade students will take part in the play, which carries out the Mother Goose theme. Riedale West of the fifth grade will be Mother Goose. The children will be in costume and will appear before an appropriate backdrop.

Mrs. Essie Martin Clancy of Los Angeles, Calif., spent the week end with her sister-in-law, Mrs. Pat Martin.

BUY your driving accessories at Shaw's Gulf, and add to your driving comfort on those week end trips.

News From Our Neighbors

New Mexican Church
Dedication ceremonies and services, marking the beginning of a project to build a \$20,000 Mexican Baptist Church, were held Sunday afternoon. The new church will be built on the site of the old one. About \$2,000 has already been contributed to the fund. —Devil's River News, Sonora.

City Delivery Investigated
H. G. Hubert, local postmaster, informed the Jaycees last week that he has been advised by postal authorities that inspectors would be in Junction in the very near future to determine whether house delivery mail service is to be approved. The Jaycees are striving to complete the installation of street markers and the painting of all posts this week. When this is completed work will begin on the numbering of all business firms and residences and the distribution of house numbers. —Junction Eagle.

Kimble A&M School Planned
After years of talking and planning by A&M officials and Kimble citizens, the donation of a 411-acre site and an appropriation by the State Legislature, concrete evidence that the Kimble A&M project is to become a reality soon went on display Monday.

Complete drawings of the construction to be started on April 1st and later proposed construction are on display in the post office windows.

March 24 is the date set for the awarding of construction contracts. Bids will be received on the general construction contract until 2 p. m., Thursday, March 16, 1950. Cody Wells, A&M contract engineer, who is here this week, announced several weeks ago that the school will be ready for opening on Aug. 1, 1950. —Junction Eagle.

Post To Have Paving
Contract has been let for 14 miles of paving and bids are being asked for two more projects in Garza county. Work is to begin in two or three weeks on the Precinct 2 paving job.

Construction includes grading, construction of culverts, base construction and asphalt surfacing of West Main street and a cross road connecting the Tahoka highway with main street and 10 miles in the county southwestward to the oil fields. —Post Dispatch.

Drilling On School Land
Preparations are being made for drilling the first well in the city limits on the school property adjoining the high school building. Comanche corporation has the lease.

Abstracts are being made on the high school block, the block west and the two blocks south. —Post Dispatch.

Blackwell Depot Burns
The Santa Fe depot at Blackwell burned to the ground Saturday morning about 3:30 o'clock. Agent R. T. Whitehead discovered the fire when he went to meet the 4 o'clock northbound train. An empty box car, behind the depot, also burned.

Faulty wiring was blamed for the fire. The mail that arrived in Blackwell on the southbound night train was destroyed by the fire but no freight was lost.

The Blackwell depot was built in 1909 but had been remodeled a few years ago. —Bronte Enterprise.

Dam Hearing Scheduled
A conference which may determine whether or not there will ever be a dam across the Colorado River near Robert Lee is scheduled for Monday at Big Spring.

At that time representatives of Odessa, Big Spring, Midland, Snyder and other cities in that locality are to consider the West Texas Chamber of Commerce Bureau of Reclamation program. —Robert Lee Observer.

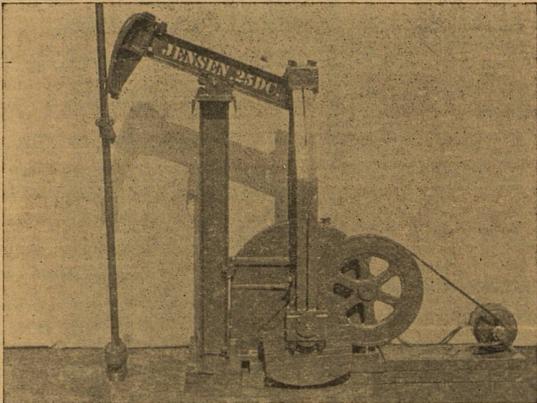

Benefit Program Given
The Federated Women's Amateur and Style show held in the grammar school gym last Friday night drew a capacity crowd, with a \$350.01 collection. The group presented the show for the benefit of the community center project. —Menard News.

Cornerstone Ceremony
A large crowd witnessed the laying of the cornerstone of the First Methodist Church's new building Wednesday afternoon. All the business houses in town closed in observance of the occasion.

Work is progressing satisfactorily on the building, which when completed will cost approximately \$56,000. It is hoped that it will be finished by the end of the conference year in May. —Big Lake Wildcat.

New Fire Equipment
Property in Ozona and Crockett county soon will become much safer from destruction by fire.

A new fire engine, one of the finest pieces of fire fighting equipment to be had, was delivered here late last week by the Burk & Sims Fire Equipment Company of San Antonio. —Ozona Stockman.

**Pump Handle Pete sez:
TWO THINGS I TAKE FOR GRANITE**

One's Maw, 'cause when a feller's been hitched as long as I have it just gits to be a habit. . . and the other's my Jensen Pump Jack. I don't have to worry about my Jensen for months on end—just a little grease and oil now and then. It just keeps right on pumpin' day in and day out, supplying me with plenty cheap, dependable water. Jensen Pumpers are ruggedly built for years of pumping performance with low operating and maintenance costs. And they'll pump all the water you need for as little as seven cents a day on any well 100 feet or deeper.

If you want to be able to take a dependable water for granite. . . and fer dang little money. . . why not see your Jensen dealer? You'll be mighty glad you did.

TELEPHONE TALK and TAXES

In spite of its day-in-day-out usefulness, the Federal Government insists on taxing telephone service as much as 25%. This is higher than the 20% tax on luxuries.

Long distance calls costing 25c or over are taxed 25%. The Federal tax increases the cost of local service by 15%. Other forms of telephone service are taxed from 8% to 25%. This excise tax is imposed directly upon you. Your telephone company, at its own expense, acts as a tax collector.

These excise taxes are in addition to corporation income taxes and other taxes which the company pays to the Federal Government either directly or indirectly.

We are sure that your Senators and Representatives in Congress would welcome your views on this continued peacetime tax of a necessity.

The Eldorado Success is authorized to announce the following names of candidates for office, subject to the action of the Democratic Primaries in July, 1950:

FOR COUNTY JUDGE
C. L. MEADOR, JR.
For Re-Election

FOR SHERIFF—
E. H. (Greasy) SWEATT
For Re-Election

FOR CO. TREASURER—
MRS. MABEL PARKER
For Re-Election

FOR CO. CLERK—
H. T. (Dogie) FINLEY
For Re-Election

FOR CO. CLERK—
W. A. SCHULLER
A New Man For A Change

FOR COMMISSIONER (Precinct No. 1)
A. J. HALBERT
For First Term

FOR COMMISSIONER (Precinct No. 2)
L. G. (Grat) EDMISTON
For Re-Election

FOR COMMISSIONER (Precinct No. 3)
CARROL WHITE
For Re-Election

FOR COMMISSIONER (Precinct No. 4)
H. A. BELK
For First Term

DAR Meets Tuesday With Mrs. Powell

The Eldorado chapter of the DAR met Tuesday afternoon in the home of Mrs. Elizabeth Powell, with Mrs. Mary Coupe as assisting hostess.

Mrs. J. E. Tisdale, chaplain, read the scripture and led in prayer. The group sang the national anthem and recited the salute to the flag.

Miss John Alexander, regent, presided at the business session. It was voted to send a cash donation to two of the DAR-approved schools, Tammassee school in South Carolina and Kate Duncan Smith school in Alabama.

Mrs. Joab Campbell was leader for the program. Mrs. J. E. Tisdale discussed "Human Conservation Through Approved Schools" and Mrs. Ernest Hill gave "Necessity of Modern Methods in Conservation."

Cake and coffee was served by the hostesses to Miss John Alexander, Mrs. L. M. Hoover, Mrs. Joab Campbell, Mrs. John Luedicke, Mrs. V. G. Tisdale, Mrs. Joe B. Edens, Mrs. Ernest Hill, and Mrs. Luke Thompson, of Eldorado; Mrs. Stephen Perner and Mrs. L. B. Cox Jr. of Ozona, members; and one guest, Mrs. Max Schneeman of Ozona.

GULF tires, tubes and accessories and that Good Gulf Gas at Shaw's Gulf Station.

Mr. and Mrs. Floyd McGinnis of Lovington, N. Mex., spent the week end with his parents, Mr. and Mrs. Sam McGinnis.

You can depend on us for a good wash and grease job on your car. We're well equipped for the work.—Shaw's Gulf.

Lester Henderson has sold 122 ewes and lambs at \$135 a pair, to Lester Nixon.

Lovely Permanents For Lasting Beauty

It's hard to describe the wonderful feeling of a lovely new permanent. But it's easy to see the beauty and charm it adds to your appearance. For long lasting hair beauty why not plan on having a new permanent soon? Call us today for an early appointment. We know you'll be thrilled with the results.

TEXAS INDUSTRIAL WEEK—Governor Allan Shivers (seated) is shown signing a proclamation designating April 1-3 inclusive as the first annual "Texas Industrial Week." Present for the ceremony in the Governor's office are officials of the Texas Manufacturers Association. Left to right: T. J. Butler of Austin, director; Ed C. Burris of Houston, executive vice president; Robert E. Clements of Amarillo, president; H. P. McKenna of New Braunfels, director; W. D. Johnson of Austin, director; Hugh Burdette of Pampa, regional vice president; O. K. Black of San Antonio, regional vice president; and Harry Pickoff of Taylor, director.

U. of T. Research May Help Hay Fever, Other Allergies

West Texans may consider themselves particularly unfortunate if they are suffering with a "respiratory allergy"—hay fever, asthma or hives. Winds and dust in this area only aggravate their ailment.

A research discovery by University of Texas scientists, however, may be helpful in discovering the cause of their allergies and thus paving the way for a cure.

The process, allowing physicians and researchers to watch actual allergic reactions on living human tissue, was developed by Drs. J. M. Rose and C. M. Pomerat.

The technique may be used to find what causes a person's allergy by testing his sensitivity to possible irritants, and to find new allergy-stopping drugs.

In testing a sufferer, minute pieces of tissue are clipped from his nose with little discomfort. They are kept alive in a chick embryo fluid culture.

Scientists introduce a possible irritant in the culture and use a special-phase microscope to watch for an allergic reaction. If the tissue swells and stops living on the culture, the cause of the patient's discomfort is found.

New drug cures may be discovered by checking their effectiveness in stopping allergic reactions started on tissue samples.

Do not let rich land wash away—save the soil.

"Go ye into all the world and preach the gospel!"—Mark 16:16.

Worship With
THE WEST SIDE CHURCH OF CHRIST
SERVICES SUNDAY 11 A. M.; 7:00 P. M.
Come, let us reason together. . .

HOW MANY CHURCHES DID CHRIST BUILD?

Matt. 16:18

During Christ's personal ministry here on the earth he foretold of the Kingdom he would establish, or the church He would build. We read in Matt. 16:18 "And I say unto thee that thou art Peter and upon this rock I will build my church; and the gates of hell shall not prevail against it." I desire to emphasize his statement, "MY CHURCH" and that it is in the singular form meaning just ONE. How does this conform with our present day status of a multiplicity of CHURCHES, more than one? It certainly isn't in keeping with Bible teaching that just one church was built.

Hear the Apostle Paul in Ephesians 4:4: "There is ONE BODY and one spirit even as ye are called in one hope of your calling." What is the body? In Eph. 1:22-23 we have our answer, "And hath put all things under his feet, and gave him to be the head over all things to THE CHURCH, WHICH IS HIS BODY, the fullness of him that filleth all in all." Again in Colossians 1:18, "And he is head of THE BODY, THE CHURCH. . ." These two passages of scripture inform an honest man what the body is. We have learned that it is the church. Therefore since Eph. 4:4 says that there is one body, and the body is the church, we must concede that there is just ONE CHURCH.

We realize that many, many denominational churches and preachers teach every day that you may be a member of any church you so desire. Such a statement is false and very misleading to one who desires to fear God and keep his commandments. There is no such thing as a denomination of the church Christ built. Denomination means a sect, class, or division. In the early church Paul condemned

Hexts Entertain Night Bridge Club

Mr. and Mrs. Jack Hext entertained the Night Bridge Club with supper and a party Wednesday night at their home.

Mr. and Mrs. Billy McCravey won high, and Ray Tisdale and Mrs. Thomas Richard Jones won bingo. There were five tables of bridge and one of canasta for the evening.

Mr. and Mrs. Lamar King of El Paso are spending several days with their uncle and aunt, Mr. and Mrs. B. E. Moore.

Not forsaking the assembling of yourselves together"—Heb. 10:25

ed the church at Corinth because there was division among them and he charged them to "speak the same thing, and that there be no division among you, but that ye be perfectly joined together in the same mind and the same judgment." Do all denominations speak the same thing? Are they all joined together in the same mind and same judgment? They certainly are not! We must concede then that they are not all a part of the ONE CHURCH and that people in all "churches" cannot be saved. Division is sin and is condemned by God. Those that cause division will be lost eternally. If all denominations are a part of the ONE CHURCH why don't they speak the same thing? Thus we have our answer, "How can two walk together except they be agreed?" The true church that Christ built all speak the same thing and are united. There is no division among them and they speak where the Bible speaks and are silent where the Bible is silent.

In conclusion we quote some passages of scripture telling us that Christ just built one church. (1) "There is one body. . ." Eph. 4:4, (2) the body is the church, Col. 1:18, Eph. 1:22-23, hence just one church. (3) "The Lord added to THE CHURCH such as should be saved." THE means one. (4) "I will build my church," Matt. 16:18. Christ said he would build just one church. Just because there seem to be many churches today claiming to be the one Christ built, does not mean that man has the authority to build churches for himself. The blood of Christ alone can save us from our sins. I Jno. 1:7, Christ alone shed his blood and purchased his church. Christ's church alone can save. Let us all strive for the one body, the church, that we might be saved eternally some day.

Next Week: The Name of the Church.

"The Churches of Christ Salute You."—Rom. 16:16.

Kenneth Isaacs has mumps.

Cotton Labeling Program Popular With Texas Farmers

Almost two out of each three bales of cotton ginned in Texas the past season ended up receiving a green tag. This tag signified that the bale had been classed by the USDA's Production and Marketing Administration and on the tag were figures showing the grade and staple length of the bale.

A total of 109,763 Texas cotton producers participated in the program. In addition to the classing service, they also received the market news service without charge. The information that each cooperating farmer received enabled him to know what his cotton was worth on the market and put him in a better position to bargain for the highest prices offered.

According to John L. McCollum, manager, PMA's southwest area cotton branch, USDA, Dallas, the Smith-Doxey Act was passed in 1938 to encourage farmers to grow improved varieties of cotton adapted to their soils and local conditions. The program provides free classing and market news service for all farmers who belong to organized Smith-Doxey groups. Cotton classing offices at Dallas, Abilene, Austin, Corpus Christi, Galveston, Houston and Lubbock graded 3,696,511 bales the past season. The offices operated under the supervision of McCollum.

He reports that 1,148 cotton improvement groups were organized in Texas and their members planted all but about 11 per cent of the state's 1949 cotton acreage. County agricultural agents had a great deal to do with the organization of the cotton improvement groups in the counties and Fred C. Elliott, extension cotton work specialist and F. E. Lichte, extension cotton gin specialist both of Texas A&M college, worked with the cooperating groups on the state level.

McCollum reports that 13 per cent more farmers were members of cotton improvement groups in 1949 than in 1948 and that only about one-half of the 1948 season's crop was graded as compared to the two-thirds for the 1949 season.

—The Eldorado Success, \$2.00 year.

A & M Specialist Gives New Varieties Of Vegetables For Spring Planting

Schleicher county residents who are making plans for spring gardens should be interested in new varieties of vegetables developed recently.

Plant breeders have been busy during the past few years working to develop new and to improve existing varieties of vegetables both for the home garden and the commercial grower. Tests have been completed on many and seed producers have increased seed supplies to the point where they are now available for widespread distribution.

John E. Hutchison, associate extension horticulturist of Texas A&M College, says many of the new varieties haven't been tested in Texas but in other areas have shown exceptional promise. The new bush bean, Top Crop, is such a variety. It is said to be a heavy yielder, and is good fresh, canned or frozen. Another new bush bean that has shown well in tests so far is the Contender.

A new pole bean is the Stringless Blue Lake variety. Home gardeners in areas where cabbage can still be set might like to try the new Early Round Dutch variety. It has shown up good in trial plantings in Texas. For the home garden only, try a few hills of a new cantaloupe—Smith's Perfect.

Two new cucumbers are avail-

able. Earliest of all is a pickling variety and Palmetto is best for slicing and is mildew resistant. Excel is a new onion that was partially developed in Texas and in early trials has looked very good. Pontiac, red, and Sebago, white, are two new Irish potatoes. The Murff Bush Porto Rico sweet potato has been tested in field plantings in the state with good results.

A new squash which Hutchison says is very good is called Uconn. Two heat resistant tomato varieties are the Red Cloud and Summer Prolific. Both have been grown in Texas with good results. The newest tomato is called Sunray. It is recommended for home gardeners who want a wilt-resistant yellow variety. It has relatively few seeds, rather firm flesh, is medium in size and has the typical tomato shape—a slightly flat sphere. Sunray may be grown in home gardens in any part of the United States where other tomatoes are grown.

Try a few hills of the new Congo watermelon in the garden. It's also a good commercial variety.

Of course, the gardener will not be able to try all of these new varieties this year, but if you have room for just a few of the more promising, give them a trial. Give them good care, control the insects and results should be good.

Facts Given On Crop Allotments By Cong. Fisher

By Cong. O. C. Fisher

So far as our district is concerned, the best news on Capitol Hill last week was in the Senate. The House bill to amend the cotton and peanut acreage allotment law was passed. The Senate changed the House bill considerably, however, and at present a conference committee is trying to work out a compromise. Briefly, the Senate version provides that no individual farmer shall have his cotton acreage cut below 60 percent of the average acreage in cotton and war crops during the three year period of 1946-47-48. The House bill put that minimum at 70 per cent. And the House provision to the effect that no farmer could be cut under 50 per cent of any one of those three years was stricken out in the Senate.

I am hopeful the conferees will insist of restoration of the 50 per cent provision, and be able to get it put back in. The Department of Agriculture informs me that under 50 per cent provision our district would be entitled to 40,539 additional acres, whereas under the 70 per cent provision (cut by the Senate to 60 percent) we would get only 19,739 additional acres.

Here are a few examples of how the 50 per cent provision would benefit a few of our individual counties: Coleman county would get 12,405 additional acres under the 50 per cent gadget and 3,003 under the 70 per cent gadget. Concho county would gain 2,050 acres under the 50 per cent, whereas the 70 per cent gadget would add only 965 acres.

The 50 per cent feature would give Lampasas 766 acres, whereas the 70 per cent figure would add only 80 acres. McCullough county would pick up 8,050 acres by the 50 per cent factor, whereas the 70 per cent provision would mean only 2,512 additional acres. In Tom Green the 50 per cent gadget would add 2,296 more acres, and the 70 per cent would mean only 1,296 more acres. Coke county, however, would add more acres under the 70 per cent provision with 2,702 acres, and the 50 per cent gadget adding only 1,913 acres.

The House voted to admit Alaska to Statehood, but not with my vote. There were many reasons why I couldn't endorse Alaskan statehood at this time. The territory, it seems to me, hasn't advanced far enough for that. When I was in Alaska in 1948 the general election there had just been held. The newspapers were playing up the fact that in a heated election a total of around 18,000 votes had been cast! And there are only 90,000 people there, a good many being Eskimos who take but little part in government. Moreover, 90% of the land is owned by Uncle Sam and up to now there has been very limited homesteading. I visited the Matanuska project and was told that out of the original 140 homesteaders in that resettlement experiment, only 20 remain today. A good many GIs have settled up there and the country has great possibilities. But at present the time is not ripe for Statehood, as I see it.

Senator Lyndon Johnson says he would welcome application from young ladies in our district to fill a vacant stenographic position in his office.

Starchy Residue

Use the water in which you have cooked rice to starch collars, lace edgings and all small dainty things.

Illinois Butter

Illinois moved up to sixth place among the states in butter production in 1944 and produced nearly 5 per cent of the nation's output.

Gov. Shivers Lauds Special Session

Governor Allan Shivers, reporting to the people of Texas on work of the special session of the Legislature which ended last week, declared that the purpose for which the session was called had been fully accomplished.

The session was convened to raise money to operate the state hospital system during the next fiscal year and to finance a long-range building program for the institutions included in the system. The Governor reported that the Legislature made \$21,000,000 available for operating the system and established a building fund of \$5,000,000 a year for seven years.

"As a result of this progressive step," Gov. Shivers said, "our state hospitals will be places where sick people can be brought back to mental and physical health—rather than unsafe, unsanitary places of confinement where they exist without much comfort and without much hope of permanent cure."

"Thus the 51st Legislature, already distinguished as a Legislature that has attempted to give Texas one of the finest school systems in the U. S.; that was the first Legislature to provide for a system of rural roads; and a Legislature that made a long step toward the control of juveniles delinquency, has now crowned its record with this humanitarian legislation of enduring merit and continuing benefits."

Money to finance the program will be raised through an increase of one cent per package in the cigarette tax and in slightly increased levies on beer, wine, whiskey, natural resources, public utilities, insurance companies and other items included in a tax bill passed in 1941.

The purpose for which the lawmakers were summoned was carried out in the first 24 days of the session, the Governor said. The remainder of the 30-day session was devoted to passage of other emergency legislation.

"These additional acts mean," Gov. Shivers pointed out, "that from now on, we will be protected by more stringent and comprehensive laws against sex crimes; that telephone service will be easier to secure in the rural areas of the state; that the search for a cure for cancer will be accelerated at the M. D. Anderson Hospital in Houston; that our battle against federal control of our tideland will continue unabated, and that the legal status of many newly created or consolidated public school districts over the state has been established."

The Governor declared that the session's record provides "conclusive proof" that business methods will work in government.

"The success of this session is a tribute to the business approach to governmental problems," he said.

He explained that the accomplishments were made possible, first, by vision; "a grasp of the problem and a conception of the solution"; second, by orderly planning, participated in by a wide segment of the state's population, and, third, by "the cooperative action of the Legislature, the administration, the State Hospital Board and all the individuals, groups and organizations that had interested themselves in the program."

Governor Shivers said this formula was submitted to the people of Texas "as a sound basis for present and future operation of our state government."

Elast Ground Corncobs

Ground corncobs have been adopted by the navy as the standard soft grit for the air-blast removal of carbon and oil deposits from airplane engines.

Use Of Iodized Salt Recommended

Many people think of iodine as a brown liquid and a mighty good disinfectant rather than an essential food. Small but steady quantities of iodine are needed by the body for normal growth and development, healthy skin and hair, mental alertness, and physical vigor as well as a preventive for goiter.

The simplest, most practical and least expensive way to make sure that all people, especially growing children, have the iodine they need is the use of iodized salt.

Fruits and vegetables grown on iodine-rich soil, seafoods and some drinking water contain iodine but many people lack these sources. There are many large areas in the nation that are deficient in iodine and it must therefore be supplied by other means.

The USDA, the U. S. Public Health Service, physicians, nutritionists and other groups concerned with national health are cooperating in a campaign to increase the use of iodized salt.

Homemakers should look for the word "iodized" on the container the next time they buy salt for this is their assurance that they are getting health protection for their families. Only one part of iodine in 10,000 parts of salt is needed for protection and this small addition does not increase the cost.

Iodine is essential for a healthy thyroid gland which in turn affects the growth and general well-being of the body. Iodine hunger is the cause of much fatigue among adolescents. The use of iodized salt in areas where goiter was prevalent has proved a most effective means of preventing the disease.

Iodine is naturally present in salt from the ocean and in many local salt deposits in the earth but is lost in refining. Returning iodine to salt is similar to enriching flour.

Personal News Items

MRS. J. B. MONTGOMERY, deputy grand matron for District 5, Sec. 2 of the Order of the Eastern Star, paid her official visit Tuesday night to the Big Lake Chapter. Accompanying her were Mr. Montgomery, Mrs. Fred Watson and Mrs. J. A. Neill.

Guests in the J. C. McCoy home over the week end were Mrs. McCoy's brother, Milton Holloway of Zephyr, her brother-in-law and sister, Mr. and Mrs. Harvey Wain-scott and son, also of Zephyr, and another sister, Mrs. Earl Windom of Brownwood. The group also visited Mr. and Mrs. J. O. Whiteley Sunday afternoon.

Hints For Washing, Caring for Nylon Materials Suggested

Washing nylon is a simple process which can be accomplished quickly because soil is washed off the fabric, not out of it.

Nylon's ability to resist stains and dirt makes soaking and long, hard washing unnecessary and perhaps harmful. Machine washing of nylon garments should be limited to two or three minutes.

Hot water and soap do not affect the nylon fabric but finishing compounds and color may be harmed by extremely hot water or strong soaps.

Bleaching, bluing and starching are unnecessary when washing nylon, because nylon fabrics retain their fresh, crisp look if thoroughly rinsed — and weak chlorine or hydrogen peroxide bleaches should be used only if all other efforts to remove discoloration have failed.

Most stains on nylon can be removed with plain soap and water.

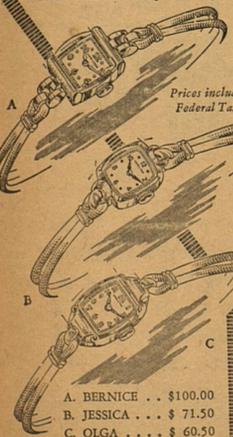

NEW DAUGHTER

Mr. and Mrs. Lester Nixon are the parents of a daughter born last Wednesday in a San Angelo hospital. The baby has been named Laura Sue. Grandparents are Mrs. Paul Nixon of Eldorado and Mrs. W. R. Barr of Wichita Falls. The couple have two other children, Georgia, 14, and Reginald, 6.

HOWARD McDANIEL

Thank You

After operating the Eldorado Ice House for a period of two years I wish to announce that I have sold the business to Howard McDaniel.

I would like to take this opportunity to thank all of my customers for their patronage during this time, and hope that you will be equally as generous to my successor.

Thanks again for all past favors.

HOWARD BELCHER

Statement of a Harris County automobile dealer on file at Humble Oil & Refining Company, Houston, Texas

"I recommend Humble's Esso Extra gasoline for every new car I sell."

it's the only gasoline I've found that gives knock-free performance in high-compression motors "

Humble Esso Extra was the first gasoline made for the high compression engines of post-war cars.

And this automobile dealer's comment is

typical of thousands received by the Humble Company from users of Esso

Extra gasoline throughout Texas . . .

Try Esso Extra in your car—

fill up at the Humble sign in your neighborhood, and you'll agree it's

a gasoline made-to-order

for today's automobiles.

FIRST BAPTIST NEWS

A program on faith was presented when the men's brotherhood of the First Baptist Church met in regular session Monday night. There were 23 present. Glenn Biggs, Lilburn Hazelwood, Ervin Mund and Bill Rountree took part on the program. Refreshments were served.

Rev. and Mrs. Jim Hays attended a workers' conference Tuesday at the Lakeview Baptist Church in San Angelo.

Seventeen men from the local brotherhood attended a father-son meeting in Sonora Tuesday night, sponsored by the Sonora Baptist brotherhood. The Eldo Quartet furnished special music for the meeting.

Circle 1 of the WMU met in the home of Mrs. E. W. Perry this week. Mrs. Joe T. Logan reviewed the last two chapters of the mission book, "The Prophet of Little Cane Creek." There were 8 adults and 4 children present.

Circle 2 met with Mrs. Truett Stanford, with 8 members and one guest, Mrs. Floyd Spurgers, of San Angelo, present. Mrs. J. B. Montgomery reviewed the mission book.

Mrs. J. A. Whitten was hostess for circle 3. Mrs. J. M. Hays gave the book review, and Miss John Alexander read the scripture lesson. There were 9 present.

Circle 4 met in the home of Mrs. Carrol Ratliff, with 6 present. Mrs. Ratliff reviewed the study.

Circle 5 met with Mrs. Roberson. Mrs. Weldon Davis, president of the WMU, opened the meeting with prayer. Mrs. George Williams gave the devotional and Mrs. Ed Finnigan presented the mission study, followed by the closing prayer by Mrs. J. H. Wagley. There were 10 members and 2 visitors present.

Mrs. Rex McCormick had as Sunday night supper guests her niece, Mrs. Guy Wheeler of Menard, and her sister, Mrs. Charles Carver of Enid, Okla.

Mrs. Barkley Uses Easter Seals

Cheryl Ann Chisholm, 6, who has had cerebral palsy since birth, presents the first sheet of 1950 Easter Seals to Mrs. Alben Barkley, wife of the Vice-President. The 1950 Easter Seal campaign, which runs from March 9 to April 9, is sponsored in this state by the National Society for Crippled Children and Adults through its state society and local affiliated units.

Bailey Ranch WMU Has All-Day Meeting

In observance of the Week of Prayer, members of the Bailey Ranch WMU met at the church last Thursday for an all-day meeting. An offering for home missions was taken, and a covered dish luncheon was served at noon. Those on the program were Mrs. Laymon Hazelwood, Mrs. Carl Stevens, Mrs. Alfred Stevens, Mrs. Edgar Spencer, and Mrs. Emil Dannheim. There were six adults present.

WELFARE COMMITTEE

New officers for the Schleicher Co. Welfare Association were reported last week, and an error was made in the names of the investigating committee, according to the secretary. Corrected, the committee is: Don McCormick, chairman, and Palmer West and Lum Davis.

METHODIST SERVICES
Special communion services for Sunday are announced at the Methodist church. The communion, at the 11:00 hour, will be in keeping with the Lenten season. All members are especially urged to attend. Evening services will be at 7:30. The last quarterly conference will be held April 18. The conference year closes in May.

You Can't Match a Frigidaire Electric Range!

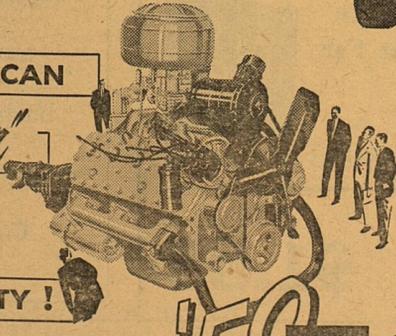

West Texas Utilities Company

THE one fine car
IN THE LOW-PRICE FIELD

You'd never guess from the low price tag what a store of quality this '50 Ford offers

YOU CAN EVEN "hear" ITS QUALITY!

FORD'S 50 WAYS NEW
Quality feature after feature puts the '50 Ford so far ahead of its class! ... take the 13-way stronger "Life-guard" Body ... the "Fashion Car" styling—now more beautiful than ever ... the big car "feel" of Ford's improved "Mid Ship" Ride.

AND QUIETER, TOO!
Ford's 100-horsepower V-8 shows its authority in power, yet keeps its voice down to a refined whisper. And new "sound conditioning" keeps road noises out, too. You're even insulated from bumps by Ford's "Hydra-Coil" and "Para-Flex" Springs. Best of all Ford's powerful V-8 sells for hundreds less than most "sixes."
