

### Schleicher County Oil News

Special from James C. Watson Midland, Texas

Operator is waiting for cement to harden on 5 1/2 inch casing cemented at total depth of 5,874 feet in the Strawn at American Republics Corporation No. 1 H. F. Thomson estate, assured producer in the Huldale-Strawn field of central-north Schleicher county.

A 2 1/4 hour drillstem test was the last made in the prospector. It was taken over the interval at 5857 to 5874 feet. There was a light blow of gas after 33 minutes. Recovery was 30 feet of gas-cut drilling mud. Production was assured at the exploration when flowing oil developed on a drillstem test at 5733-5817 feet. Pay was topped at 5762 feet.

Location is 457 feet from north and west lines of section 82, block TT, TC survey and one location south of Delta Gulf No. 1 Thomson, opener of the field, and 9 1/4 miles north and slightly east of Eldorado.

The Ohio Oil Company No. 1 McIntosh, wildcat in central-south Schleicher county and 10 miles southeast of Eldorado, was to be plugged and abandoned at total depth of 6,930 feet in the Ellenburger. Recovery on a one-hour drillstem test at 6685-6880 feet was 60 feet of drilling mud with no shows. Tentative top of the Ellenburger was picked at 6600 feet.

Ohio's No. 1 Thomson, east offset to the Huldale opener, is coring in a lime section at 5726 feet. It has not been determined whether the lime is of Strawn age or some other formation.

A core was taken from 5676 to 5725 feet. Recovery was 20 feet. No description of the core has been released.

Cooper Gas Company of San Angelo and Shell Oil Company No. 1 Will Loveless, 6,000-foot wildcat to explore the Strawn lime in central Schleicher county, three miles northwest of the Page field, is at total depth of 4956 feet in lime and shale fishing for drill collars.

Drillsite is 2,463 feet from west and 1980 feet from north lines of section 5, block EEE, T. J. Cartwright survey.

C. L. Norsworthy, Jr., No. 1 T. K. Jones, contracted 7,000 foot wildcat in central Schleicher county has been spudded and is now drilling below 255 feet in lime and shale. Drillsite is 1980 feet from north and east lines of section 37, block LL.

### The Military

Walter E. Jones, son of Mr. and Mrs. Noel Jones, was at home during the weekend on a three-day pass from Ft. Bliss, El Paso, where he is with the anti-aircraft, training for a job as tank gunner. He left for camp by bus Monday noon.

(He subscribed for the Eldorado Success just before leaving—"I want to keep up with everyone," he said. It is remarks like that which cause the publisher to stress the importance of reporting all home happenings).

Pfc Junior Williams of Camp Polk came in last week on a ten-day furlough. Because his division, the 45th, is expecting to be moved soon, all of the boys were given furloughs at this time. Junior reports that the 45th—or at least part of it—is to be shipped to Japan, which explains the general granting of furloughs, as the boys do not know who will be shipped out in the immediate future.

Pfc. Olge Halbert is here for a ten-day visit with his parents, Mr. and Mrs. A. J. Halbert.

Sfc Bob McWhorter, Camp Carson, Colorado, arrived home early Sunday morning to visit his mother, Mrs. W. L. McWhorter and his brothers in Eldorado. He is here on a ten-day furlough.

### COMPLETES 33 YEAR AS LIFE INSURANCE AGENT

W. O. Alexander, Eldorado, has spent 33 years under contract to sell Southwestern Life Insurance, the company announced recently. Southwestern cited Alexander as top man on the list of members of the agency force who have represented the company for five years or longer and whose contract anniversaries occur in February.

### NEW DAUGHTER

Born at 12:11 p. m., March 3, a daughter, to Mr. and Mrs. Sam Henderson, Schleicher County ranchers. The baby weighed seven pounds and two ounces at birth and has been named Shane Marise.

Grandparents are Tom Henderson of Schleicher County and Mr. and Mrs. Wood of Cragford, Ala. The young mother is the former Viola Wood, and the infant is the couple's second child; their son Sam Houston, is now three years old.

## County Organizes New Road Building Set-up With Supt. In Charge; New Barn Is Planned

John C. Waldrum

### Promoted Head Coach

John C. Waldrum, better known as Puny, proved to be far from puny when it came to coaching that strong Eagle line this year. In recognition of his competent work, the school board elected him head coach Monday night to succeed Ted Kirby, who has resigned.

In addition to coaching, he has taught biology in EHS, also general science.

A graduate of Sul Ross with BS and MS degrees, he was lineman on the Lobos team four years, was on the championship team, for two years was all-conference lineman, and in 1948 was on the Little American team. He is a graduate of Wink High school.

He has a wife and young child. He was in the Navy three years, serving in Philippines, Guam and Saipan, and received his discharge in 1946.

As line coach he helped the Eagles through one of the most successful football seasons the school has ever had, and the board voted to give him this deserved promotion. Quite a few applications from men in other places were received for this position.

### HIGHWAY CONSTRUCTION PICKS UP WITH APPROACH OF SPRING SEASON

Included in a notice for bids for state highway construction, published in this issue of the Success, is a 15 1/2-mile seal coat job on the Menard highway east of Eldorado. This contract will be let on March 20 at the Highway Dept. office in Austin.

C. C. Strand, senior resident engineer of Sonora, reported Monday that black-topping of highways is held up during the winter months and is resumed after the first of April.

In addition to the seal coat job on Eldorado's east highway, the new highway west of Eldorado will be ready for black-top by April, and if weather is favorable during that month, our west road will be entirely finished to the west county line by the end of April.

This highway is part of a system

that will eventually reach all the way to Big Lake. From Big Lake south into Crockett county a section of highway is already completed. What remains is a long piece of new highway to be built in Crockett county.

The Crockett county project is divided into two jobs—that west of the Barnhart road, and the part east. Construction is now going on, on the west section. Contract will be let this month on the east section, which will connect up with the Schleicher county road.

If everything goes well this entire road should be built and black-topped, and opened for traffic all the way to Big Lake, by fall.

Highway men predict that this road will carry a heavy volume of traffic when it is opened to the public.

medium sized farms, and a large number of people would be benefited if oil should be discovered.

### Deep Wildcat to be Drilled SW of Town

It was announced this week that the R. J. (Bob) Hill ranch will be the location for a 7,700 foot wildcat to be drilled by the Stanolind Co., and to be known as the Stanolind Oil & Gas Co., No. 1 R. J. Hill.

The drillsite will be 660 feet from north and east lines of section 135-A-HE&WT, five miles southwest of the Eldorado Canyon sand pool, and 4 1/2 miles southwest of Eldorado. It will be 4 1/5 miles southwest of Skelly No. 1 J. T. Jackson, abandoned dry at total depth of 7,533 feet Jan. 10, 1948, and almost eight miles west and slightly north of Sorrels Oil No. 1 Mrs. J. E. Tisdale, abandoned dry at 7,026 feet Feb. 17, 1949.

The location will be just off the Bailey Ranch road, about 7 miles from Eldorado. Mr. Hill owns three sections lying in a north-and-south direction. The well will be on the middle section.

This neighborhood is taken up with a large number of small and

### Sul Ross State Band Is Heard In Concert

A sizable and appreciative audience heard the concert of the Sul Ross College band last Thursday night in the high school auditorium here. Conductor of the band is John Carrico, who formerly taught band in the Eldorado schools.

The band featured works by Fillmore, Bach, Frankliser, Holst, Anderson, Walters, Lugg, and Yoder. Especially well received were Holst's "Second Suite for Military Band," and Anderson's "A Christmas Festival."

Four Sul Ross majorettes performed during the rendition of Lugg's "Hoop Dee Doo" polka.

Ralph Pauley, director of the Eldorado High School band, introduced some of the college band's selections, and conducted them in their final offering of the evening, "Ticonderoga March," by Anderson.

Mrs. E. R. Bryant has returned from a ten-day visit in Lubbock with Mr. and Mrs. Earl Bryant. She returned home with Mrs. Luke Thompson Jr. who had been visiting in Claude.

### Ohio Moves More Men To Eldorado

The Ohio Oil Company this week continues to maintain office quarters in three units of Keno's Courts, while new office space is being prepared in the former "Pop" Taylor restaurant building on Main street.

The Ohio No. 1 McIntosh well, 10 miles southeast of Eldorado, has been abandoned as a dry hole and the rig is being moved to the Ohio's lease at Huldale.

Roads have been built to two more locations at this time. A total of 30 tentative locations have been staked by Ohio for drilling, provided they continue to find production.

Drilling Supt. Leonard reports that several Ohio drilling crews have been moved from Iraan to Schleicher County. Some of the men are locating in Eldorado and some in Christoval.

Down at the Santa Fe freight yards the Lane Bros. Trucking Co., has unloaded 10 carloads of pipe for the Ohio Co. The pipe consists of tubing, casing and line pipe. Lane Bros., who work out of San Angelo, have the contract for moving the McIntosh rig up to the Huldale field.

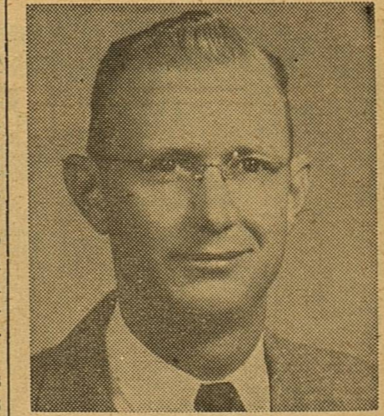

### AWARD BLANKS RECEIVED

The principal of the Eldorado high school has received application blanks for candidates for the 1951 Opportunity Award scholarships at Texas A&M College. Any high school senior with an outstanding record who requires financial assistance to attend college, can secure a blank from his principal.

Fifty or more of the four-year awards, valued from \$800 to \$1600 will be available to winners chosen by the Faculty Committee on Scholarships of the college.

The awards are provided by former students of the college and others. One hundred and eighty students are now at A&M as previous winners. Among them is Tommy F. Green of Eldorado.

The Church of Christ had an all-church dinner Monday night at the home of Mr. and Mrs. Lester Nixon.

R. B. Dooley

Mrs. Madeline Berry

Two representatives of San Angelo College, R. B. Dooley and Mrs. Madeline Berry, have been at the Eldorado high school this past week giving the Kuder Preference Test to the Senior class. This is a phase of the vocational guidance service for high school young people provided without expense by the college, and was brought here Tuesday at the request of Supt. C. A. Reynolds.

As a follow-up and personal counseling service, the college will send Mrs. Berry and Mr. Dooley back to the school here next Monday to talk with each student on an individual basis. They will present each one with a graph showing the results of the test and use her or she can make of the evident preferences shown.

This test is not in any sense an intelligence test or a trial of skills; college officials point out, but it is simply to emphasize the interests and preferences which are so important to every young person in mapping his career.

Mrs. Madeline Berry, who will counsel the girls, is librarian at the college. She is a native of West Texas, and graduated from high school at Sterling City. She received her B. S. degree in Education from the University of Texas, and

has done post-graduate work at the University of Colorado, Texas State College for Women and Texas Christian University. Her Master's degree in Education is from the University of Arizona, and B. L. S. degree from the University of Southern California.

Mrs. Berry has worked in various libraries, supervised amateur theatre work, directed sports and sponsored girls organizations.

R. B. Dooley, who will counsel the boys, was graduated from the Ireland, Texas, high school. He attended John Tarleton State College and was graduated from Texas A&M College. He has a B. S. degree with a major in Agriculture and a minor in Agronomy and a Master of Science degree with a major in Agricultural Education and a minor in Poultry.

High school teaching and one year as assistant professor of Agricultural Education at A&M college have kept Dooley busy since his discharge from military service as a captain. He is in charge of the department of Agriculture at San Angelo college.

With the dormitories accommodating 80 girls and 84 boys, San Angelo College representatives are sure now that the college has more to offer Eldorado high school graduates than ever before.

A county road supervisor has been employed, and a new building is under consideration as a county barn, by Schleicher County commissioners who are preparing to render more efficient county-wide service as this area goes into a period of rapid expansion due to the present new oil development.

Tom Westbrook, a recent employee at Trigg Motors, and a man who has had many years experience with construction and heavy equipment, went to work for the county on March 1st as a road and equipment overseer. Mr. Westbrook will be in charge of all county equipment and responsible for its upkeep and operation. The seven men who operate the county's machines will work under his direction.

### New Barn

One of the most important matters under consideration is the construction of a "county barn" for all of the county road equipment and supplies.

This is a matter that has already been discussed at length and it will be gone into again when the commissioners meet on Monday, March 12, in their regular meeting. Tentative plans are for a good-sized structure to be built on county property just east of the railroad tracks on the Menard road. The building would be large enough to house the various vehicles, and would include a well-equipped garage or machine shop where repairs of all kinds would be made. There would also be a large well-fenced lot for the storage of fence-building and other supplies. Adjoining this piece of land is a 3-acre tract which was recently sold to the State Highway Dept., and on which the state will soon erect shops for their own use.

The county has for some time been renting the large sheet-iron garage building east of the court house for a car barn. Rent on this structure has been costing the county \$900 per year, which amount could be saved and applied to the construction cost of their own new plant.

The county now owns about nine pieces of equipment, which include two DW-10's, 4 maintainers, 2 cats., 1 truck and four pick-ups. A new DW-10 (carryall) is now on order and some of the pick-ups are due to be replaced by new ones. The maintainers are usually assigned one each to each precinct; the rest of the equipment going from job to job as needed.

The county is expecting a go-ahead order any day now on the new Huldale oil field road. When this order comes they expect to throw all of their equipment and men into the job and finish it in a hurry. The job will involve some fence building as well as a road. It has been pointed out that this will have to be a wide, well-built road, because the traffic on it will be very heavy, once it is built.

The seven men who operate county equipment under the direction of Mr. Westbrook, are at present, as follows: J. T. Ottaberry, maintainer operator in Precinct No. 1; Jack Griffin, maintainer, Precinct No. 2; Norman Hodges, maintainer operator in Prec. No. 3; Buster Calcote, maintainer operator in Prec. No. 4; Richard Cheatham, Leo Jeffrey, and D. F. Blair operate the other pieces of equipment.

### Court House Work

The Logan carpenters have been employed at the court house, where some needed improvements are being carried out. Down in the basement shelves have been built on all four walls to provide storage space for various county record books that are seldom used, but must be kept. In the tax collector's office, new counters are being built to provide more work space.

### SHEE NOW 91!

Mrs. Alice Lee Isaacs, long-time resident of Schleicher county, celebrated her 91st birthday, celebrated her 91st birthday at her home in Eldorado on March 1. Her daughter Miss Nettie Isaacs, makes her home with her. Other children are Will and John F. Isaacs, Mrs. Betty Dennison and Mrs. Mabel Stone.

Mr. and Mrs. H. W. Scott and Suzie visited last weekend in Tuscola, with Scott's mother, Mrs. L. C. Scott, who is recovering from a recent operation.

### REV. McCASLAND TO PREACH AT BAPTIST CHURCH SUNDAY

Rev. Paul McCasland of Brownwood will be in charge of both services Sunday at the First Baptist church. He is another in a series of ministers trying out for the First Baptist pastorate. All members and friends of the church are urged to attend.

Muncie Potter is a little improved after spending the past six weeks in a Corpus Christi hospital, undergoing treatment for a back ailment.

### HERE IS SCHLEICHER COUNTY'S 4-H CLUB STANDING IN RECENT SHOWS

Results of the recent shows at San Antonio and San Angelo were announced this week by County Agent W. G. Godwin as follows: County group of 15 fine wool lambs, San Antonio, 50c per lb. County group of 15 cross-bred lambs at San Antonio, 50c per lb. Car lot of 25 fine wool lambs, San Angelo, 50c average. Car lot of 25 cross bred lambs at San Angelo, \$2 per lb. Total premium at San Antonio, \$178. A total of 46 lambs placed in the show at San Antonio. Fourteen placed as individuals at San Angelo.

### 4-H Club Week

"World Understanding is the theme for 4-H Club week, March 3-11. In Schleicher County 45 boys are active in a national program. These young people range in age from 10 to 21 years of age.

4-H Club work is a fine illustration of democracy in action—voluntary membership, voluntary leaders, much free will support. Through local meetings 4-H boys plan their activities, work to-

gether, play together and select their own officers and leaders to help carry out their program of work.

Through carrying out programs of feeding and exhibiting livestock, soil conservation, wool and mohair, grass identification and range livestock production "Ten Guide Posts" to the goal of being good Americans is foremost for each member to understand and follow.

- I. Developing talents for greater usefulness.
- II. Joining with friends for work, and fun.
- III. Learning to live in a changing world.
- IV. Choosing a way to earn a living.
- V. Producing food and fiber for home and market.
- VI. Creating better homes for better living.
- VII. Conserving nature's resources for security and happiness.
- VIII. Building health for a strong America.
- IX. Sharing responsibilities for community improvement.
- X. Serving as citizens in maintaining world peace.

Mrs. Bill Davis and children visited Mr. and Mrs. Aubrey Saunders at Midland last weekend.

**News From Our Neighbors**

**Escape Injury In Crash**

Sixteen passengers escaped injury in the traffic accident in front of the T. J. Moore Lumber Yard Friday morning which marred the long standing safety record of the Kerrville Bus Co.

Minor damage to the bus and \$225 damage to the other vehicle involved, a 1950 Pontiac sedan driven by E. A. Jacoby, resulted from a collision caused by wet pavement. R. L. Shelton of Kerrville was driving the bus.

Both vehicles were traveling east on Highway 290 about 8:00 a.m. Application of the bus brakes as it started to pass the Pontiac which had slowed to turn left into the lumber yard parking space, caused the bus to swing around, sideswiping the car. No one was injured.

Highway Patrolman Joe A. Perry investigated the accident. — Junction Eagle.

**The Fish That Got Away**

Sonnie Noelke, Jr., was in from the ranch Monday after supplies. Sonnie was lamenting the fact he let a big fish get away recently. Sonnie says he caught the fish and he became entangled in moss and weed. He handed the pole and line to his father and he took off his clothes and waded out to get the fish. Just about the time he was ready to reach down his dad gave slack on the line. Mr. Fish gave a flounce and that was all brother. Sonnie very meekly waded back, donned his clothes, and vowed if he ever caught another he would keep the pole and line in his own hands even though he had to keep his clothes on. It's strange, Sonnie, very strange, but the big one always gets away. —Mertzon Weekly Star.

**Sanderson Still Dry**

February closes with the country dry as a bone notwithstanding some local prognosticators' predictions that rain would fall during February. Ranchers are doing a lot of feeding and prospects are that they will have to continue later than was presumed at first. Spring will fail to bring much feed unless there is rain in the very near future.

As this is written light clouds are in evidence but rainfall seems placed for some future date. Feed prices, although frozen, have continued to climb and the ranchmen can't see effects of the price freeze here. —Sanderson Times.

**Burglaries Reported**

City and County law officers reported a busy week Thursday with a fresh outbreak of burglaries and cattle rustling plaguing Brownfield and Terry County.

Police Chief Houston Hamilton said burglars broke into Knight Furniture company Wednesday and stole \$62 following two burglaries night.

Tuesday two men apparently entered Hoy's Flower shop at 310 W. Main through a rear window and stole \$13, of which \$5 was in silver dollars. The same men went in the back of Jim Miller's Service station wash rack at 621 W. Main, broke a knob on a door and when they couldn't get in that way went around to the front and broke a window to enter.

Hamilton said they only got a few rolls of pennies for their efforts. —Brownfield News.

**Posse Appoints Committees**

Committees for the All-Girl Rodeo here April 27-28-29 were named Tuesday night at a meeting of the

Pecos County Sheriff's Posse, which is sponsoring the event. Sheriff Charlie Baker was appointed as a one-man committee to arrange a business men's roping contest.

A new feature of the 1951 show is a consolation prize, donated by Possee President Frank Hinde. To the girl showing the best sportsmanship and having the hardest luck during the meet he will donate a Brahman calf.

The Pecos County 4-H Clubs will have refreshment concessions at the rodeos. —Ft. Stockton Pioneer.

**More Prisoners Escape**

"Excelsior" seems to be the motto of Garza prisoners who keep going upward to make good their escape.

Another hole was cut in the roof of the local jail Sunday night and two more prisoners left that way, about two o'clock. Escapees are Marshall Samuels and J. E. Roberts. They left in Roberts' car, it is assumed.

Monday the commissioners court let a contract for repairing the roof. There have been two other escapes through the roof in the past few months. Commissioners also let a contract for repairing the small jail. —Post Dispatch.

**Big Lake Bank Doubles Stock**

The Big Lake State Bank's recently amended charter, which has received the approval of the State Banking Commission, is now in effect and allows that institution to increase its capital stock from \$25,000 to \$50,000. The capital stock was increased when stockholders voted stock dividends instead of the usual cash dividends. —Big Lake Wildcat.

In a meeting with the Alpine City commission Monday night the Del Rio & Winter Garden Telephone Co. applied for permission to increase its service rates to business and residence phone subscribers in Alpine. Mr. Carlton Sharp, district manager for the company, presented its case.

In asking for the increase for Alpine, the company cites figures of the certified statement, to the government, of receipts and expenditures for the past fiscal year which showed only \$950.97 profit. This is a gain of only .705 of 1%. —Alpine Avalanche.

**Presbyterian Women Meet**

The women of the Presbyterian Church met in regular session Monday. Mrs. Edwin Jackson led the lesson on the Bible study of the book of Hebrews. Six were present.

Mr. and Mrs. Wiley Hight and children have returned from a week end visit in London with Mr. Hight's parents, Mr. and Mrs. J. O. Hight.

**NOTICE**

RENTING

**TRAILER SPACE**

The Eldorado City Council in a resolution at the last regular meeting voted to enforce the sanitary regulations in respect to trailer houses in the city limits of Eldorado.

All property owners who rent space for trailer houses are hereby notified that it is unlawful to run out upon the ground, any sewage or waste water of any kind. Connections must be made to the sewer system or to an approved type of septic tank.

It is pointed out that the property owner will be held responsible for any sanitary violations that take place upon his property.

Inspections are being made constantly and violations will be promptly reported and acted upon.

By Order Of  
THE CITY COUNCIL.

Phone 22981 - - Eldorado, Texas

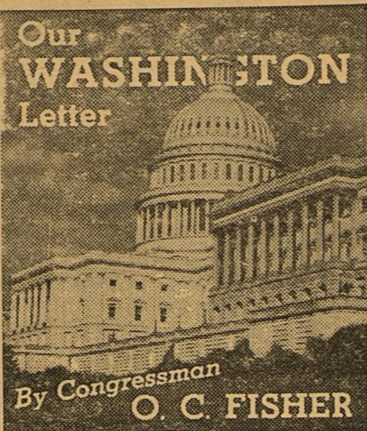

Mr. and Mrs. Will Doyle, Mrs. Ruby Damron and Jimmie Doyle attended funeral services in Lampasas for Tom Baker, a brother-in-law of Mr. Doyle. The H. A. Belks also attended the Baker funeral at Lampasas, then went on to Adamsville to visit Mrs. Belk's sister, Mrs. L. E. Lineley.

Mr. and Mrs. Junior Isaacs and two children of Shell Station at Menard have been visiting recently in the Isaacs and Enochs homes in Eldorado.

Mr. and Mrs. Bob Skurlock, who live on the Jess Koy place, have as a guest for two weeks their nephew, Frankie James Behrens, of Mason.

Mr. and Mrs. John Barrows and Mr. and Mrs. Tex Lang of San Angelo visited here and in Sonora Sunday.

Mrs. Camilla Black Raggio is back home at her Ft. McKavett ranch after a five weeks visit in New York City.

Still marking time until committee hearings are concluded on important measures, the House attended to routine business last week and listened to a special message from President Truman calling for cuts in the huge annual Post Office Department deficit by increasing and adjusting postal rates.

The House tackled that problem last year and succeeded in passing a bill in part modernizing postal rates as recommended by the Hoover Commission. The measure, if it had been finally enacted, would have raised revenues by \$130 million annually to partially meet the \$550 million annual Post Office deficit, the largest deficit in postal history. That bill included no increases for first-class letter mail, air mail, weekly newspapers of less than 5,000 circulation, daily newspapers of less than 10,000, religious publications, bulk mailings of seeds, plants, etc., and money orders.

It costs the Department 2.6 cents per piece to handle penny post cards, causing an annual loss in that item alone of \$57 million. The House bill upped the post card rates to 2c, rates on second class mail were increased by \$15 million, and third and fourth class matter was hiked moderately. Other ad-

justments are overdue, and a new bill on the postal rate subject will probably be before the House before long.

It's easy to preach economy in general terms but it is quite another matter to get specific where particular groups are affected. Not long ago I announced that, in an effort to more nearly balance the budget and pay as we go for national preparedness, I favored cuts on all non-essentials, including retrenchment on payments to farmers and ranchmen for certain range practices such as drilling wells,

brush eradication, etc. However desirable these splendid practices are, this Federal help can be reduced and much of the program can be carried on by individuals and State agencies.

Following my announcement I have received scores of letters from farmers and ranchmen commending me for my stand. The Farm Bureau directors of Tom Green County unanimously endorsed my position.

This is but one instance where savings can be had. There are many other nonessentials that Uncle Sam can cut or reduce during

this emergency when we are faced with higher taxes and a need for more preparedness funds. Unless and until new taxes are voted, a Federal deficit of more than \$16 billion during the next fiscal year is faced, if the President's spending program is permitted.

Mr. and Mrs. Charlie Trigg were called to Clovis, New Mexico recently when Mr. Trigg's brother, Clyde Trigg, of Clovis sustained a heart attack. Mr. Trigg reports that the condition of his brother is serious.

## Brand-new kind of Special Delivery

GET your hands on this strapping honey and hold onto your hat and heart.

For this sparkling new car — and we mean completely new—is the smartest, the richest, the highest-powered automobile Buick has ever provided at its bedrock SPECIAL price.

Literally, everything here is new but the name.

There's a brand-new X-member frame that's brawny and rugged, and a weight saver in the bargain.

There's a brand-new chassis—but still with the buoyant cradling of coil springs on all four wheels, the solid keel of a torque-tube, the soft steady going of Safety-Ride rims and cushiony low-pressure tires.

There's a brand-new body of spacious dimensions and a stunning interior richer than any-

thing in SPECIAL history—a lighter, ruggedly strong steel body in a full array of styles, including a Convertible and Riviera.

Yes, all this and brand-new power, too!

It's wallowing new straight-eight valve-in-head Fireball power from an engine entirely new to this Buick Series—the high-economy F-263 Fireball engine.

With more power to call on, and with less weight to carry, this nimble traveler zooms to new performance even greater than that of most cars beyond its price range.

Better come in real soon and meet this brand-new kind of SPECIAL delivery — and the low delivered prices that go with it.

Equipment, accessories, trim and models are subject to change without notice.

### No other car provides all this:

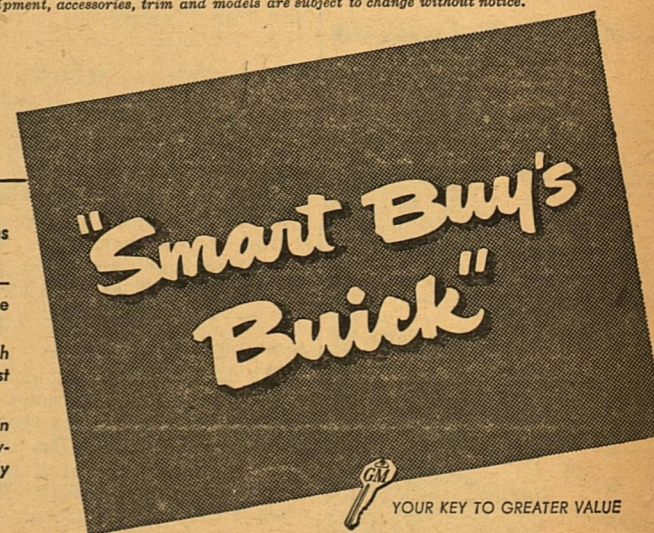

**DYNAFLOW DRIVE**—saves strain on driver and car  
**FIREBALL POWER**—high-compression, valve-in-head engine gets more good from every drop of fuel  
**PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection  
**WHITE-GLOW INSTRUMENTS** — greater clarity at night  
**TORQUE-TUBE DRIVE**—steadies ride, improves driving control  
**DUAL VENTILATION**—outside air fed separately to right or left of front compartment

**4-WHEEL COIL SPRINGING** — cushions ride, saves servicing costs  
**SELF-ENERGIZING BRAKES** — hydraulic—multiply pedal-pressure five times at brake drum  
**DREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepers on most models  
**Plus:** Self-locking luggage lid, StepOn parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

\*Standard on ROADMASTER, optional at extra cost on other series.

### BOXING MATCHES STAGED BY E CLUB

The E Club of the Eldorado High School will present an evening of boxing matches at the high school gym, Thursday, March 15, starting at 7:30. There will be 15 separate contests. Admission will be 50c.

### ON BUSINESS TRIP TO DETROIT

Earl Parker, Dodge and Plymouth dealer of Eldorado, and Raymond Sample, Del Rio dealer, left Wednesday morning by plane for Detroit to transact business at the Dodge headquarters. They will each drive home a new vehicle.

### RELATIVE DIES

W. H. Gill of Eola died Thursday and funeral services were held in San Angelo Friday, with burial in Eola. He was 86 years of age. Surviving are twelve children. Attending the funeral from here Mr. and Mrs. Ray Gill and family, Mr. and Mrs. Charles Gill and baby, Mr. and Mrs. Bill Davis and family and Mrs. Tom Whiteley.

### PRESBYTERIAN SUPPER

A fellowship supper at the Presbyterian Church was attended Friday night by a good number of Presbyterians. An honored guest was the Rev. Bruce, of Kennedy, near San Antonio, who may preach a trial sermon here later. Also a delegation from the church may hear him preach at Kennedy soon.

### Attend Teachers Meeting

The Eldorado school faculty will attend the district teachers meeting, and for that reason there will be no school Friday. The meeting will open Thursday night, and will continue all day Friday. Brownwood is the meeting place.

Miss Joyce Burk of SAC, San Angelo, spent the day here Thursday with her parents, Mr. and Mrs. Lum Burk. She was accompanied by Tootsy McGilvary of SAC, and June Copeland, whose mother was a member of the Swift family, former Schleicher County residents.

Mrs. W. R. McCravey has returned from Clebourne where she attended the funeral of a sister and spent a week visiting there with another sister.

## ★ AL-TRUISMS

—By Al G.

We've been gone a week, and this column was written last week by the daughter, Mrs. William Sauer, who helped on the paper during her mother's absence.

After attending the funeral of our mother, Mrs. Grace Ary, 82, at Guttenberg, Iowa, we went on to Forest Lake, Minnesota, near St. Paul and Minneapolis, for a brief visit in the Ernie Lyon home before starting back. There we had the most interesting experience of being in a blizzard and blinding snowstorm, seeing the snowplows at work on city streets and public highways, riding over "frost boils"—bumps in paving caused by freezing—seeing farmers out with snowplow attachments on their tractors and making paths around their buildings, and observing the snow tires used on cars (these are tires with a sort of knob all over them to give leverage in the snow). It was a most thrilling experience.

And most exciting was getting on the Rocket luxury train at St. Paul, leaving the snow scene behind, and getting off at Ft. Worth 20 hours later and finding everyone without coats.

We do wish we could have brought back some of the surplus water we saw everywhere—the water they waste up there from their fields would grow grass knee deep on many West Texas counties. From St. Paul to Ft. Worth everything looked wet.

—al—

"We'd thought we had enough barn space, but found we haven't," report the C. H. Derricks, who are making arrangements with local carpenters to build a new barn on their place, part of 6-Mile Ranch east of Eldorado. A guest on the ranch this week is Mr. Derrick's mother, Mrs. C. H. Derrick.

—al—

Quite a lot of things happened during the weekend at the W. E. Bruton place. Besides visits from Mrs. Ray Alexander and daughter and Mrs. Ray Bruton and Betsy, which happens quite often, the Brutons lost their rent house by fire. The fire, which seems to have occurred from an oil stove explosion, spread rapidly and the house was gone in a short time. Firemen saved the rest of the property. In spite of the excitement, Mr. Bruton, who has been on the sick list, continues to improve.

—al—

Here's a good recipe:  
Chicken and Rice Mexican

Chicken and Rice Mexican style may be seasoned to your taste—you may add more or less tomato puree, minced green pepper and garlic as you wish—some like it highly seasoned, some like it with only salt and pepper, a dash of tomato puree. But no matter which you prefer you'll be delighted with this method of cooking chicken and rice. The chicken comes out tender and brown—the rice fluffy and dry. Don't forget that keeping the skillet tightly covered during the 30 minutes of simmering is the secret of success.

This is not a dish to reheat—it should be served as soon as it is done— piping hot!

- Ingredients
- 1 frying chicken
  - ½ cup oil
  - 1 cup rice, uncooked
  - ½ onion, chopped
  - 1 clove garlic, minced
  - 1½ cups tomato puree
  - 2½ cups boiling water
  - Salt and pepper to taste
  - 1½ teaspoon mono sodium glutamate
  - ½ cup minced green pepper if desired.

METHOD: Cut chicken in pieces and fry in oil until a delicate brown. Remove from pan. Add the uncooked rice to the oil in the pan and fry until golden, stirring frequently. Add onion, garlic, tomato puree, green pepper and boiling water. Season. Add the browned chicken, and let simmer, covered, for 30 minutes, or until chicken is tender. Do not remove cover. It must steam thoroughly. Serves 4 to 6.

—al—

Over in Ozona there are still reverberations from the town's recent amazing nationwide publicity, as reported in last week's Ozona Stockman:

An 18-year-old Australian girl, Betty Keith, with an address that will give you writer's cramp, wants a "pen pal" from Ozona.

Miss Keith, whose home is in Keiraville, New South Wales, wrote the editor of the Stockman for assistance in putting her in touch with a "pen pal — boy or girl, it makes no difference." Her letter follows:

"I am 18 years old and would not mind if the writer were a girl or boy, preferably about my own age or older, and one who is interested in sports, popular music and exchanging magazines.

"I hope this will not inconvenience you as I saw your name in an issue of "Saturday Evening Post,"

concerning an article on Ozona, which was very interesting, and do not know if it is possible for you to grant my request.

"Wishing the 'Biggest Little Town in the West' every success, I remain yours sincerely, Betty Keith."

For those who might wish to write this girl from "down under" her address is Miss Betty Keith, 21 Breaside Avenue, Keiraville, Via Wollongong, N. S. W., Australia.

—al—

Again grandma to the rescue. Mrs. Rutha Boyer spent the past week in Menard with her daughter, Mrs. H. M. Stevenson and grandson Mack, both of whom have been ill with flu. The family brought her home Saturday evening.

—al—

Mrs. R. W. King has gone to Stratford, to visit her son-in-law and daughter, Mr. and Mrs. A. J. Burk. She left Eldorado last week, and expects to spend the entire month of March there. She made the trip to Amarillo by bus and was met there by the Burkses. Her son-in-law recently moved there from Perryton, purchasing a drug store at Stratford and assuming charge of it a short time ago. Fay will bring her mother home probably some time in the latter part of March.

—al—

It took 67 years for Mrs. C. C. West, 83, of Eldorado, to return to Galveston, after winning a silver medal for proficiency in German at the old St. Joseph school there, but she did so recently with her son-in-law and daughter, Dr. and Mrs. C. T. Womack of San Angelo. She proudly wore the polished medal on her shoulder, although she couldn't find the old schoolhouse.

Mrs. West was written up in a feature story in the Galveston News in connection with her trip. The story pointed out some of the changes in Galveston, including the passing of the old St. Joseph's school. Mrs. West, the former Augusta Hansel, received the silver award when she was 16 years old.

While in Galveston, Mrs. West was accompanied by Mrs. Womack in making the rounds looking for old landmarks and old friends.

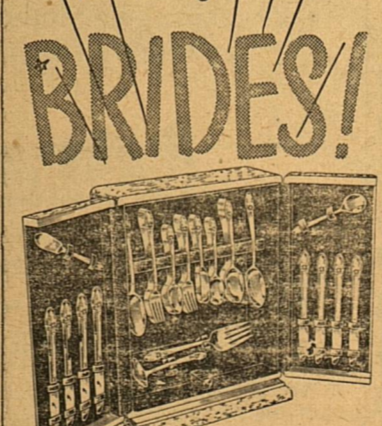

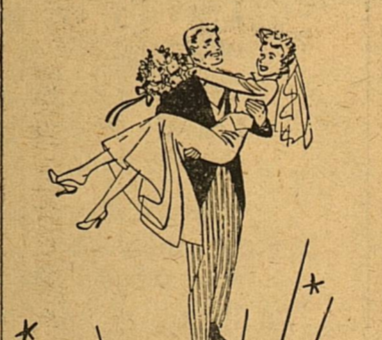

She recognized several points of interest there, but the shopping district had changed completely, she said, and she could not find the places with which she was familiar.

While attending school in Galveston, Mrs. West resided with her uncle, Charles Dallian, a Market street merchant. Her parents who had emigrated from Germany resided near Austin, but she was anxious at that time to continue her studies in Galveston.

Mr. and Mrs. Carrol Sproul and daughter of Menard visited Mr. and Mrs. Bob Sproul and Mr. and Mrs. Dick Bearce Sunday.

Mrs. Oran Enoch's sister from Austin is here, recuperating from surgery.

Mr. and Mrs. Don Farrington of San Angelo were visiting Mr. and Mrs. Bob Sproul and transacting business Monday.

**POST - SCRIPT**

News of houses and the people who occupy them:

Quite a number of Eldorado people are making arrangements for rent property at this time. Some are rigging up space for trailer houses, and others are building small rent units or buying ready-built houses which are moved in.

Mr. and Mrs. "Pop" Taylor apparently don't mind getting "pushed around" by the new oil activity in Eldorado. First came someone who wanted to rent Pop's house, so he rented it out and moved into his former restaurant building on main street. Then along comes the Ohio Oil Co., wanting space for an office, so Pop rents his restaurant building to them, and now he is flying around rigging up a garage building into living quarters, after moving it to a lot at the rear of the Rock Church of Christ.

Gus Love is making arrangements for three living units—one 4-room house, and a duplex. They will be located on the street back of the telephone office.

The experience which the Loves had with their real estate deals Monday shows the current demand for rental units. They went to San Angelo Monday morning, bought the duplex and ordered construction of the cottage, and by night had rented all three. The duplex had been the contractor's home in San Angelo, and is equipped with kitchen and bath fixtures—each of the two units being composed of three rooms. It will be ready for occupancy in a few days. The construction of the new cottage will take a few weeks. The Loves, who already own about a dozen business and residential units, recently purchased the Townsite Company two lots at the rear of their own residence for possible future use.

The Gastons moved from the Love house, known as the telephone house, and new occupants are the Gilbert Lowes, who moved there from the Robert Milligan rent house.

The J. B. Swains moved from the C. F. Jones rent house to another place in the northeast part of town. New occupants of the Jones house are the Earl Hickses, who moved there from an Evans rent house.

John R. Jones has ordered construction of a four room modern cottage, which will be delivered here April 1, and placed on a Jones lot adjoining the house rented by the Van Horns. The Joneses will finish the interior of the house and rent it when it is completed.

The Arch Wooten family have moved to London, and the McKee place which they rented is now occupied by Mr. and Mrs. Noel Jones.

The Davises are moving from the W. H. Joiner rent house to the new Nolen McDonald rent house. The Joiners state that their rent house has been spoken for.

The Vernie Logans have bought the Leo Ivy house, and moved there recently. The Ivys now live in Sheffield.

Arthur Faull has rented out his building to a mud and oil supply company, but retained use of their apartment. Mr. Faull will use his truck in working for the company.

Mrs. Ethel Etheredge expects to move in a week or two from one of the Enochs houses to the cottage which she recently bought from Mrs. Willie Tisdale and moved to a lot in that block.

The house which she vacated has been rented to Johnnie Hawkins, parts man at Trigg Motors. Hawkins, who left this job recently to move to San Antonio, has already returned to Eldorado and to his old job, and will move his family here soon.

Another new employee at Triggs is Noweita Matthews, who began work in the office a few weeks ago.

Wm. Cameron & Co. is working on the foundation for a 28 x 50 ft. warehouse, adjoining the one they already have on the Santa Fe side

track. The new structure will be a storage place for drilling mud.

E. E. Newlin is working on the foundation of a four-room modern house, on a corner lot in the Newlin-Ray Addition. In charge of construction is Edward, Jr., of San Angelo, who is completing work on the foundation today. The frame house will have siding as an exterior finish and sheet rock and textone on the interior. The roof will be of "gravel" and a furnace will provide heating facilities. The Newlins state that they will remain on the farm, and that the new house will be for rent.

Mr. and Mrs. Fred Riley received delivery Wednesday on a ready-built cottage which they have placed on a lot in Campbellite Flat, bought from Mrs. Clotee Spears. It will be rented when completed.

Claude Jeffrey has moved a two-room house from the Calcote place, to his lot in the northeast part of town. He will build an addition consisting of a large room and bath, and renovate the interior of the original house. Jeffrey, who injured his hand in an accident recently, states that he does not know whether he will occupy the house himself or rent it. He is a Stanolind employee from Big Lake.

We're always glad to get this type of letter:

March 1st, 1951  
Dear Mr. and Mrs. Gunstead,  
Please accept my check for the renewal of the Success. I do enjoy getting the paper away from home and so far, but Florida is a wonderful place to spend the winter and I like it down here so much. The check for \$2 is for a year—keep sending it 'til I let you know when I am coming home.

Sincerely,  
Mrs. Rex McCormick  
2502 Ponce de Leon  
West Palm Beach, Fla.

Weather report: No rain, of course. Fruit blossoms are coming out everywhere, probably too early. Early blooming shrubs are in full blossom too. Everyone is out cleaning up their grounds, planting and re-planting shrubs, watering everything. Business is brisk in town on sale of garden and yard implements.

And it's getting HOT. 'Twas 75 at bedtime last night. This is the third consecutive day for high temperatures.

The Eldorado Success has had the air conditioner on—guess other folks have too.

**Personal News Items**

The Jerry Pennington family spent the day Sunday in San Angelo with Mr. and Mrs. M. L. Young and family.

EASTER PLANTS arriving March 22—Easter lilies, hydrangeas, tulips and others. Eldorado Flower Shop.

Mr. and Mrs. T. J. Bailey of Ozona visited Sunday with Mr. and Mrs. A. J. Roach and were dinner guests in the Roach home.

Mrs. J. S. Pelt and Mrs. C. L. Forston are here visiting Mrs. W. L. McWhorter and other relatives in this city. They live in Edinburg.

Rev. and Mrs. Krueger attended Fundamental Baptist fellowship meetings this week in Abilene. They were accompanied to Abilene by Mrs. Jerome Mitchell, who visited her brother, W. A. Hughes and his wife there.

Mrs. Ellis Carter of Sanitorium spent the weekend here with her sister-in-law, Mrs. Jerome Mitchell and her family.

Mrs. James Carroll of Talpa is here because of the illness of her mother, Mrs. John Parker, and to assist with marking on the place.

Mrs. Jack Ratliff is on the sick list this week.

Mrs. Willie Tisdale of San Angelo has been on her ranch, assisting with spring work.

Mr. and Mrs. Bert Page spent the weekend with their children in Dallas, and bought some furniture for the house which they recently remodeled and enlarged, and to which they hope to move next week.

**Bride Elect Honored With Bridge Parties By Eldorado Friends**

Ebba Ann Finley, bride-elect of Bobby Barber, was honored with a bridge party Friday afternoon at the home of Mrs. C. C. McLaughlin, with Mrs. McLaughlin, Mrs. Carrol White and Mrs. Leslie Baker co-hostesses.

The bride's chosen colors of green and white were carried out in the decorations and refreshments. The table was centered with an arrangement of white flowers with greenery, and flanked with white candles. The white cake squares were topped with wedding bells, and the ice cream was moulded in the shape of wedding bells.

The hostesses presented the bride with a gift, and Mrs. Joe Ed Hill, winner of high, Mrs. J. Williams, of second high, and Mrs. Archie Mittel of bingo, also presented their prizes to the honoree. Included with the nine tables of players and other guests were several from out of town.

Attending were Meses. Joe Ed Hill, Billy McCravey, James Page, Pat Enochs, Jack Montgomery, Henry Speck Jr., Carrol Sproul of Menard, Weatherby Kinser, Jack Hext, Ray Hudgens, John Williams, Jess Walston, Dwight Wiedenmann, Luke Thompson;

W. R. Pearce, Frank Clark, Pat Finley, Walter McGregor, Sam Oglesby Jr., Elizabeth Powell, Jimmie West, Arch Mittel, Edward Meador, John Miller, Gus Love, Van McCormick, Ben Hext, O. Teel, V. G. Tisdale, R. A. Evans Jr., Robert Maginot, and H. T. Finley and the honoree.

From San Angelo; Meses. L. T. Barber, Chris Dosse, J. C. Crosby.

Miss Finley was honored by the Slam Bridge Club of which she is a member, at their regular meeting Tuesday at the home of Mrs. Weatherby Kinser, with Mrs. Billie McCravey a co-hostess. Miss Finley was presented with two gifts, one from the club and one from the hostesses.

After the luncheon, bridge was played at three tables, Mrs. Jack Hext winning high, Mrs. John Miller high guest, Mrs. Jo Ed Hill traveling, and Mrs. Wilson Page, bingo.

Present were: Guests, Mrs. Sid Rogge of Sonora, Mrs. Robert Bradley, Mrs. Dwight Wiedenmann, Mrs. Reuben Englert, Mrs. Henry Speck Jr., Mrs. John Miller.

Members, Meses. J. E. Hill, Bill McCravey, Pat Enochs, Sam Jones, Jack Hext, Wilson Page.

Two parties honoring Miss Finley are to be held this week in San Angelo.

**O. E. S. TO MEET**

Regular meeting of the Order of Eastern Star will be held Monday, March 12, at 7:00 p.m.

Mr. and Mrs. E. E. Newlin drove to Kerrville early this week with Mrs. Newlin's mother, Mrs. O. A. Marsh, who is nearly 91, and who expects to visit relatives there after spending the past few weeks with the Newlin family.

**DAR Program Given On State of Texas**

The DAR met in regular session Tuesday afternoon in the club room of the Memorial Building, with the social committee hostesses. Mrs. John Alexander presided, Mrs. J. E. Tisdale, chaplain, offered prayer and led devotionals, and the club gave the flag salute and sang the national anthem.

The subject for the afternoon was Texas. There was a panel discussion on Texas defense, after which Mrs. J. E. Hill gave a paper on songs, stories and legends of Texas.

The tea table in the basement dining room was decorated in the St. Patrick motif, and cake and coffee was served to Miss John Alexander, and Meses. Mary Davis Coupe, Elizabeth Powell, V. G. Tisdale, J. E. Tisdale, J. E. Hill, Luke Thompson, and L. M. Hoover.

**PROGRAM, TEA, PLANNED AT METHODIST CHURCH**

Plans for a program and tea to be given next Tuesday afternoon at 2:30 at the Methodist Church were announced this week by the Woman's Club. Mrs. J. W. Walker, of Plainview, will speak on the United Nations.

Guests at this meeting will be members of the D. A. R. and the Junior Woman's Club, and others, it was stated.

**DORCAS CIRCLE MEETS**

The Dorcas Circle of WSCS met at the church with nine attending, also six children. Mrs. Wiley Hight was hostess for the afternoon. The lesson from the mission book was led by Mrs. Gordon McDonald, after which the hostess served a refreshment plate.

Mrs. R. A. King went to Brady Monday morning, to attend the funeral that afternoon of Johnnie Wall, an old friend of the family.

The grandchildren of Mr. and Mrs. Eddie Peel, Dudley, Donna and DeWayne, of San Angelo, spent the weekend here with the Peels, who took them home Sunday afternoon.

Brother Travis Williamson was a visitor Monday in the Eddie Peel and Perry Johnson homes.

The children of Mr. and Mrs. Roy Phelps, Kenzie, Mickey and Terry, have all been sick with measles.

Mrs. W. H. Joiner has been sick with flu, but is able to be up.

A guest in the home of her cousin, Mrs. R. A. King, and other Eldorado relatives, was Mrs. F. J. Harris of Brady, who has returned home.

**BIRTHDAY PARTY**

Mrs. David Meckel entertained Wednesday night with a canasta party honoring Mr. Meckel on his birthday. Coffee and cake was served at the close of the games, to Mr. and Mrs. Bud Davidson, Mr. and Mrs. Orval Ramsey, and Mr. E. Tisdale, chaplain, and the Meckels. Mr. Meckel is a Cameron employee.

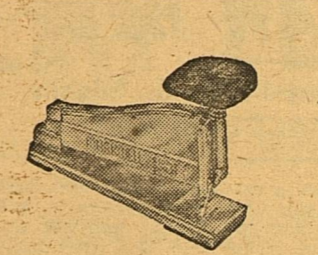

Mr. and Mrs. E. H. Topliffe left Sunday for Austin, on business. They stopped overnight at Marble Falls to visit Mr. Topliffe's parents, Mr. and Mrs. R. J. Topliffe, and the children, Martha Ellen and Myrta Ann, spent the day Monday with them.

EASTER PLANTS arriving March 22—Easter lilies, hydrangeas, tulips and others. Eldorado Flower Shop.

**Poison Ivy**  
Poison ivy can be helped by washing the affected parts with water and strong soap.

Steel can be rolled up into strips as thin as .0015 of an inch.

**Densely Populated**  
Haiti, one of the Central American republics, is the most densely populated independent nation in the world.

Stapling Machines which use the standard 1/2-inch staple. For Sale at SUCCESS OFFICE

**Miss Jorgi Lagow Is Party Honoree**

Mr. and Mrs. Lester Nixon entertained with a party on February 28, honoring their daughter Jorgi Lagow, on her fifteenth birthday. The affair came as a complete surprise to the honoree, who had been invited to accompany the group to the Memorial Building, after the meeting at the Church of Christ, and there she was greeted with the "Happy Birthday" song.

The evening was spent at canasta and "42" and dominoes. Jorgi blew out all of the candles on the cake which was served with ice cream. A number of gifts were received by the honoree.

Present in addition to the family were Esther Jones, Joan Trentham, Dorothy Carroll, Nell Williams, Sandra Nixon, Cynthia Reynolds, Carolyn Ratliff, Ruthie Dee Harris, Marianne Craig, Misses Poppel and Sikes, Roger Sofge, Harry and Durward Rutland, Pinkney Craig, Frank Edmiston, W. A. Smith, Truman Biggs, John Phillips, Roy Williams, Raymond Mittel, Elton Harris, Fred Gillaspay, Jimmie Doyle.

**WSCS MEETS**

Nineteen members of the Woman's Society of Christian Service of the Methodist church met Monday afternoon in regular session. The meeting was opened by singing of hymns followed by sentence prayers.

The Circle counts were figured for the past four months on attendance as follows: Dorcas, 43%; Circle 1, 33%; and Lydia, 50%.

Treasurer, Mrs. Walron, reported a balance in the treasury of \$88.56. Mrs. Davis read a letter from the Woman's National committee of SAVE, and motion was made and carried to send \$5 to that organization. Motion was also made and carried to fill out and mail reports after each third monthly meeting.

Appointed to the nominating committee for the coming year were Mrs. D. E. DeLong, Mrs. Luke Thompson, and Mrs. Marie McGinnes.

The Lydia circle had charge of the program.

**MERRYMAKERS MEETING**

Three tables played "42" when the Merry-makers met Wednesday at the home of Mrs. L. M. Hoover, with Miss John Alexander as hostess. One guest, Mrs. Wallace Price of Dallas, was included with the players. The Easter theme was carried out in the decorations and a salad plate was served. The next meeting will be March 22, at the home of Mrs. Ernest Finnegan. The club meets regularly on the second and fourth Thursdays.

Mrs. W. D. Price, Sr., has been visiting in the W. D. Price home this week.

THE ELDORADO SUCCESS

Mr. and Mrs. Dan Adams and Mrs. N. G. Hodges fished at Herbert Miers Fishing Lodge Sunday.

Mr. and Mrs. W. O. Alexander returned Sunday from Houston, where they visited their son Ollie Junior.

Tom McGraw spent the weekend with his sister Mrs. Gus Short who is convalescing from an attack of pneumonia at her home in Winters.

Mrs. Fred Gunstead returned Friday evening to Eldorado, after an eight-day trip to the Middle West, where she was called to attend the funeral of her mother, Mrs. Grace Ary, 82, at Guttenberg, Iowa. From there she went to Forest Lake, Minnesota, to visit Mr. and Mrs. Ernest Lyon.

E. T. Johnson, son of Mr. and Mrs. T. W. Johnson, visited here this past weekend.

—Eldorado Success, \$2 per year.

**When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP**

If Your System Lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jiminez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jiminez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jiminez's statement: "My son Floyd was very subject to colds. He's eleven years old, and he was run-down, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Floyd Jiminez

Men, women and children of all ages are praising HADACOL for supplying Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron which their systems lack. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you too, if you suffer such deficiencies.

Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

**Veteran Questions**

Q. I saw a house I'd like to buy with a GI loan, but the selling price is a good deal higher than VA's appraisal of reasonable value. Will I be able to get a GI loan anyhow?

A. No. The law prohibits GI loans being made on property where the selling price is higher than the VA appraisal.

Q. While in service during peace time, I was disabled as a result of an aircraft accident. At the time of the accident, I was on duty as a flight engineer on the plane that crashed. If I am awarded disability compensation by VA, will the pay be at wartime or peacetime rates?

A. The answer to this question depends upon the conditions under which you were serving at the time. Wartime rates apply to all service-connected disabilities resulting from conditions simulating war or extrahazardous conditions. Peacetime rates if these conditions are not met.

Q. I was awarded disability compensation a year and a half ago, and only recently someone told me he thought I should be getting more. Is it too late to appeal my disability rating?

A. Yes. Ratings must be appealed within one year after they

were determined by VA. However, you may file a new application for increased compensation.

**Personal News Items**

Volley ball girls have been making trips to Sonora, Ozona and Big Lake, to play.

Mrs. Leonard Lloyd accompanied the home making girls of the school and their teacher, to the home ec district meeting at Abilene Thursday.

Mrs. J. M. Logan is on the sick list.

Mr. and Mrs. C. L. Martin and Mrs. L. L. Kinsler were in Whiteface last week because of the illness of Mr. Martin's sister.

Mr. and Mrs. W. G. McAlpine and Fay and Juanita, met Mr. and Mrs. Wesley McAlpine of Fort Stockton Saturday afternoon in San Angelo, and were joined there by relatives from Brady, and all had a picnic and family get-together at the park.

Mrs. Leon Younger of Snyder left Tuesday for her home, after spending several days with her mother, Mrs. W. H. McClatchy.

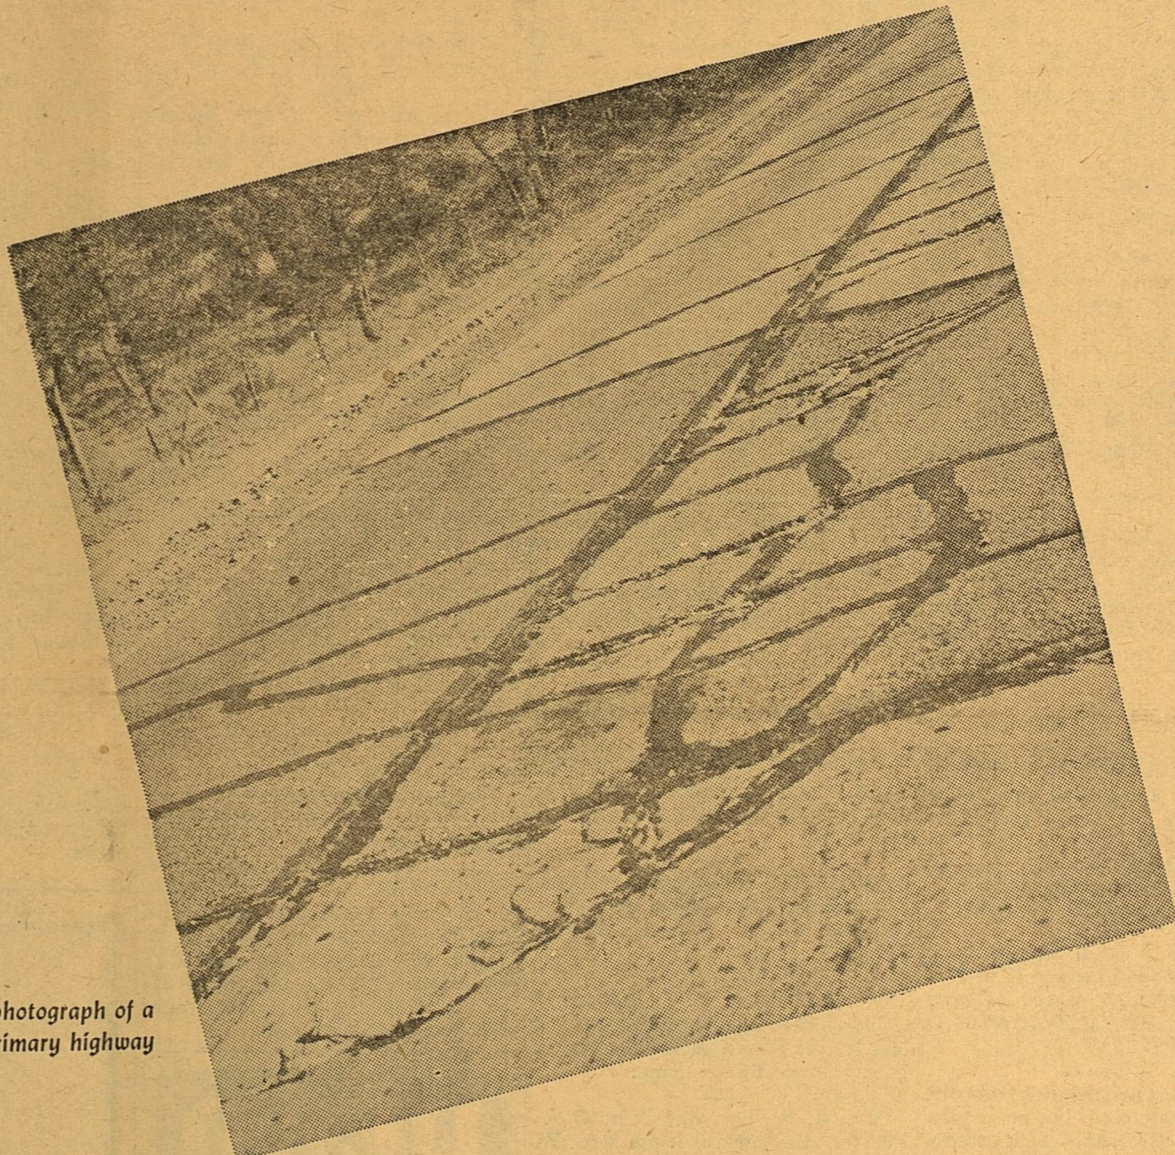

Mrs. O. H. Luedecke, Mrs. Jerome Mitchell, and Mrs. Alvin Farris spent Thursday in Fredericksburg.

C. E. Trotter and family of Ozona spent the day Sunday with his sister Mrs. Richard Cheatham and her family in Eldorado.

Mrs. Howard Belcher and her children visited her sister, Mrs. Geneva Johnson at Abilene last weekend.

Recent photograph of a Texas primary highway

**\$115,282,344**

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show **\$115,282,344** was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . .

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

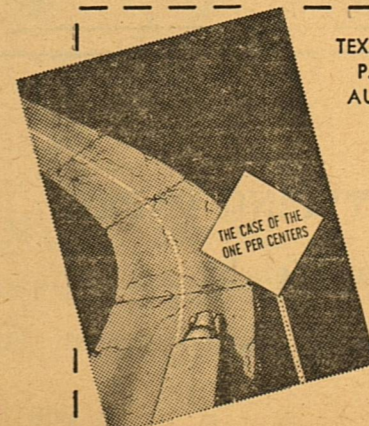

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

**THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!**

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Centers," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.

Mrs. Billy Whitley accompanied her husband to Eldorado Monday for a day's visit with her parents, Mr. and Mrs. Wyndell Hall. The Whitleys live in Ozona, and Mr. Whitley drives here each day to his work in the oil fields.

The W. G. Godwin family have been visiting relatives in San Angelo while Mr. Godwin has been attending the stock show.

Mrs. Ray Boyer attended the band clinic in Brady Saturday, and on her way home she and two children stopped in Eden for a week end visit with relatives. The Don McCormicks and Charlie McLaughlins were other parents who attended the clinic.

Mrs. R. C. Edmiston of Terminal and her father Will Cloud and a niece Elizabeth Cloud of San Angelo spent the week end in the Wilson and Johnson home. Elizabeth, who is a great grand daughter of Mrs. Johnson, spent most of the week here.

The J. D. Ashmores had as guests this week their son-in-law and daughter, Mr. and Mrs. W. E. Terry of Seymour.

Louise Kuykendall, who is employed in Ft. Worth, spent the week end here with her parents, Mr. and Mrs. Allen Kuykendall.

Mrs. Pat Finley and Mrs. Horace Linthicum are hostesses this noon at a luncheon, honoring Ebba Ann Finley, bride elect of Bobby Barber.

David Kuykendall has been out of school several days because of illness.

Mr. and Mrs. Tom Whiteley spent Monday and Tuesday in Junction with his brothers, Joe and Frank Dave.

W. of San Angelo, to FM Hwy. 853 in San Angelo; From Eldorado to 14.441 Mi. East of Eldorado; From Schleicher County line to Menard on Highway No. U. S. 67 and S. H. 151, covered by C 76-8-8; C-77-6-17, C-396-3-4 & C-396-5-4, in Reagan, Tom Green, Schleicher and Menard Counties, will be received at the Highway Department, Austin, until 9:00 A. M., March 20, 1951 (and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of T. J. Kelly, District Engineer, San Angelo, Texas, and Texas Highway Department, Austin. Usual rights reserved. (Mar. 8-15)

**NOTICE OF INTENTION TO APPLY FOR PASSAGE OF LOCAL LAW**

The following bill will be presented to State Representatives W. R. Chambers, Harley Sadler, Rubin Senterfitt, Arthur Gromatzky, T. M. Collier, L. W. Pearson, Callan Graham, W. H. Rappy and Senators Pat Bullock, Carlos Ashley and Dorsey B. Hardeman for introduction at the regular session of the 52nd Legislature.

A bill to be entitled **AN ACT** granting the consent of the State of Texas to the acquisition by the United States of land in the State needed for programs and works of improvement in the interest of soil and water conservation and food control; providing that this Act shall apply only to that portion of the Colorado River Watershed and its tributaries from the mouth of the Concho River to and including the San Saba River and lying within Tyler, Callahan, Eastland, Comanche, Mills, Brown, Coleman, Runnels, Concho, McCulloch, Menard, Schleicher, Sutton, Kimble, Mason, and San Saba Counties and declaring an emergency.

J. C. Dibrell, Jr., Chairman, Middle Colorado Soil Conservation Districts Association.

Mr. and Mrs. William Sauer returned to Brownfield Sunday afternoon. Mrs. Sauer had been visiting in the Gunstead home a week, and her husband came Friday night. The couple visited also in the home of Mr. and Mrs. Otto Sauer and other Schleicher County relatives during the weekend.

W. R. Massey, nearly 79, of Robert Lee, is still very seriously sick.

according to report from his son-in-law and daughter, Mr. and Mrs. George Williams who visited him Saturday and Sunday. They had been called there Saturday when he took a turn for the worse, but reported him a little improved when they left Sunday evening.

The Sandy Donaldson family spent Sunday at San Angelo with the Wallace Longs.

Marshall Bailey of Midland and Mr. and Mrs. T. J. Bailey of Ozona visited during the weekend with relatives in Eldorado.

Mr. and Mrs. Sid Rogge and daughter of Sonora visited recently with the latter's parents, Mr. and Mrs. Bob Bryant.
