MRS. HANNON DIES WEDNESDAY AT WEST HOME

Mary Fannie Hannon, mother of Mrs. Carson West of Eldorado and of J. E. Hannon of Vernon, died Wednesday morning, September 12, 1951, at the home of her daughter here. She had been in failing health for about five months, and part of that time was confined to her bed. On Friday she sustained a stroke, which, with an attack of pneumonia, proved fatal. She was born on July 13, 1859, making her over 92 years old at the time of her death this week.

Funeral services were held Wednesday afternoon at 5:00 at the Ratliff Funeral Home, conducted by the Rev. Roy Shilling, pastor of the Methodist Church of Eldorado. Pall bearers were Rex Dullmig, Palmer West, Jesse Ashmore, Jim Hoover, Clyde Keeney and E. W. Brooks.

Music was rendered by a quartet composed of Mrs. L. V. Newport, Mrs. W. H. Hale, Roy Shilling Jr., and Ervin Mund, with Mrs. Ernest Hill at the piano; songs chosen were "Have Thine Own Way, Lord," and "Beautiful Isle of Somewhere."

The body was taken to Pampa for interment in the Pampa Cemetery, beside the body of her husband, who died there in 1913. There will be brief committal services at the grave there, Friday morning at 9:00.

Mary Fannie Crook was born in Alabama, July 13, 1859, second of the Crook children, and one of several who were at home with their mother while their father was away from home for four years as a soldier in the Confederate army. She had many interesting stories to tell her family about the war and reconstruction years, which she remembered clearly.

She received her schooling when a child in Alabama, but lost her mother during her childhood years, and had to help with the rearing of the younger children. It was during that time—34 years ago—that she joined the Methodist church, remaining a faithful member during all of her long life.

On November 10, 1881, she was married to George R. Hannon. In 1896 the family came to Texas, living at first at Henderson, then at Coleman, and later at Pampa, Mr. Hannon farming at those places.

In her later years she lived with a granddaughter, Mrs. James Adanson, in Edwards County, moving to Eldorado in March to make her home with her daughter, Mrs. Carson West.

Surviving are the two children mentioned above, four sisters: Mrs. A. S. Weir of Wills Point, Mrs. T. S. Wade and Mrs. Clare Thompson of Ft. Worth, and Mrs. Fred McNeil of Crockett; one brother, James Crook of Muskogee, Okla., five grandchildren and five great grandchildren.

Forrest Runge Attends Funeral Of His Mother

Mr. and Mrs. Forrest Runge have gone to Galveston to attend the funeral of Mr. Runge's mother, Mrs. Anita Paula Runge, 82, prominent Galveston resident. Her death occurred at 4:25 Tuesday morning.

Funeral services were held Wednesday at the home at 1301 Mark J. Street, the Rev. Edmond H. Gibson, rector of the Trinity Episcopal Church, officiating, and burial was made in the Episcopal cemetery.

The widow of Louis H. Runge, pioneer businessman of Galveston, she is survived by three sons, Forrest of Schleicher County, H. E. of Greenville, N. C., and Louis of Galveston; a brother, John W. Focke of Galveston; a sister, Mrs. E. Maury Robertson of Galveston; eight grandchildren; two great grandchildren.

The couple lived on the Los Moras Ranch in Menard County for twelve years after their marriage, and in 1898 they moved back to Galveston.

BULLS SOLD
George Tisdale reports the sale of a number of bull calves to different parties recently. Arch Binge of San Angelo bought three; Mr. Kerr of Miles, one; Jess Walston, ten; Mr. Waddell of Rocking Chair Ranch, six; T. L. Whitley of Barksdale, two; Eldred Roach of Pandal, two; Ben Hext, one; and Walter Powell, one. Jack Grafa of Rocksprings bought one older bull, and two other older bulls were sold to Jim West of Eldorado.

Tisdale recently bought 300 head of aged ewes from P. K. McIntosh at \$12.50 per head.

Arthur Mund went to Fredericksburg on business during the weekend.

Oil News

By James Watson
Midland

Two new producers from the Pennsylvania lime were officially completed during the past week in the Huldale Pennsylvania field in central north Schleicher County.

Those two new oil wells give the field 17 completed producers. American Republic Corporation No. 4 H. F. Thomson estate on the southeast side of the field was the 16th producer completed.

The Ohio Oil Company No. 12 H. F. Thomson estate is the 17th completed oil well in the Huldale field. It is 1,718 feet from south and 3,469 feet from west lines of section 81, block TT, TCRR survey.

That well reported a daily potential of 444 barrels of oil, flowing through a 1/4 inch choke. The production came from perforated sections at 5686-5704 feet and at 5711-22 feet. The 5/8 inch casing is cemented at 5799 feet. Total depth is 5801 feet. The perforations had been washed with 500 gallons of mud acid. Gas-oil ratio was 560-1. Flowing tubing pressure was 625 pounds. Casing pressure was reported to have been 70 pounds. Top of the lime is at 5495 feet. Top of the porosity is at 5643 feet and the top of the pay is at 5686 feet.

Ohio is preparing to start drilling at once on its No. 9 H. F. Thomson estate. It will be 1618 feet from north and 467 feet from west lines of section 81, block TT, TCRR survey. Rotary rig is now being put in condition and operator expects to be making hole before the end of the week.

It will be a north offset to the same company's No. 10 Thomson, a completed oil well and it will be a long stepout to the south from Ohio No. 4 Thomson, a dry hole between the Huldale and the North Huldale field.

Standard Oil Company of Texas is moving rotary rig to the location of its No. 3-1 Mittel. It is an east offset to Wesley W. West No. 1 Mittel, recently completed flowing discovery in the central-north part of Schleicher County.

Drilling at the Standard of Tex. project on the Mittel is due to start immediately.

Wesley West No. 2 Mittel is drilling below 3600 feet. Pan American-Mittel below 1100.

Hiawatha Oil & Gas Co., and Dan Auld No. 1 Jeff Harkey, wildcat, seven miles east of the North Huldale field, is bottomed at 6047 feet in barren Ellenburger dolomite. Operator was preparing to abandon the prospector.

G. W. Strake No. 1 Mrs. C. R. Judkins, nine miles east and slightly south of the Page field, had progressed below 1678 feet in shale and anhydrite and was drilling deeper at last report.

Los Nietos No. 1 McBurnett, another east Schleicher wildcat, 5 miles east of the Page field, had reached 4660 feet in shale and anhydrite and was making more hole.

The Grey Wolfe Co. No. 1 Mrs. W. F. Edmiston, wildcat in the center of the northeast quarter of the northeast quarter of section 34, block K, GH&SA, cemented at 409 feet. Trucker has moved a rotary from a Toenail test—four truck loads arriving on location on Tuesday evening and the rest Wednesday. This test is 16 1/2 miles southeast of Eldorado.

SKELLY TO DRILL AGAIN IN FIELD NEAR ELDORADO

Skelly Oil Co. has staked location for No. 4 Mary L. Jackson in the Eldorado field in Schleicher County 2 3/4 miles northwest of Eldorado.

The scheduled 4,500-foot test will be 1,650 from the north, 990 feet from the west line of section 41, block LL, Sallie Renshaw survey. It will be a north offset to Skelly No. 2 Jackson and a west offset to Skelly No. 1 Jackson, only producers in the field, each with a daily allowable of 40 barrels, on the pump. Production in the field is from the Wolfcamp between 3,550 and 3,600 feet.

Lorraine Dildine, who is suffering with a brain tumor, has improved considerably, according to reports from her parents, who state that she is looking forward to seeing her new nephew in San Angelo, and also visiting with an old friend, John Journey of Johnson City, who will be here next weekend when she celebrates her 16th birthday Sept. 17. The parents report that Lorraine has been able to speak a few words every day for several weeks. She has been very seriously ill all summer.

CITY IS HOST TO CONCHO ASSOCIATION

Thirty-eight men were served barbecued chicken, with the City of Eldorado as hosts, when the Fort Concho Sanitary Association held their regular monthly meeting here Monday night.

Present for the occasion were the water and sewer operators and some city officials. Representatives were in attendance from San Angelo, Winters, Big Lake, Ozona, Robert Lee, McCamey and Eldorado.

Representing the host city were L. B. Burk, city water superintendent, Carrol Ratliff, mayor, and C. C. Henderson, Sam Oglesby, W. M. Patterson and Gus Love, councilmen.

Using as their theme the providing of better water supplies, and better methods of financing same, speakers presented concrete suggestions for coordinating of efforts.

Marvin Nichols, Ft. Worth engineer, was the principal speaker. He suggested that towns pool their efforts and their resources, and thus give their patrons larger supplies of water at smaller cost.

Garland Franks, city manager of San Angelo, was one of the out-of-town visitors for the occasion. Johnnie Williams of San Angelo, water superintendent of that city, was group leader in charge of the program, and W. D. Waggoner of Winters, Association president, was in general charge. J. P. Burden, city engineer of San Angelo, was another dignitary from out-of-town who was present at the meeting.

During the business session, Ozona was selected as the host city for the next meeting, which will be on the second Monday in October.

Willoughbys Attend Brady Dedication

Mr. and Mrs. Jim Willoughby went to Brady Sunday to attend the dedication services for the educational building of the First Christian Church. The furnishings were given for the building by Mr. and Mrs. W. N. White in memory of Mrs. White's parents, Mr. and Mrs. E. E. Willoughby.

The furnishings for the assembly room in the new building were an exact replica of the furnishings in the main room of the church—but all were in miniature—creating an effect that is most impressive, state those who attended the services Sunday.

Well Qualified Principals On the Job

W. J. FRAKER
High School Principal

A broad background of education and experience—devotion to their particular fields—and thorough training for their positions in the Eldorado schools, characterize the two principals who devote full time to their administrative jobs.

Wyndell Hall, principal of the growing elementary school, is starting out on his sixth year as principal here. He was born in Arkansas, lived in New Mexico while the family was homesteading there, moved with them to Oklahoma, and has lived for some time in Texas.

He attended East Central State College, at Ada, Okla., attended summer terms at the Texas and Oklahoma Universities, received his BA at Abilene Christian College, specializing in speech, English, and social science, and was awarded the Master's degree last summer at Ross, where his thesis subject was on Schleicher County's schools.

He came to this city from Washington, Okla., where he taught high school English; before that he taught in the high school at Frederick, Okla., and was elementary principal at Grandfield, Okla., and in a school near Paul's Valley, Okla., and also had experience in Bell County.

ICE HOUSE SOLD TO ED HICKS IN RECENT DEAL

The local ice house business changed hands during the past week, and a new owner is in charge, according to announcement made by the men involved in the deal.

Ed Hicks, local resident, has bought the business from Paul Phillips, and took over Thursday of last week after completing details concerning the sale.

Mr. Phillips, who has been helped in the business by members of the family, is carpentering, and Mr. Hicks takes over after having been employed in several local business establishments. Both men have been residents of the city a number of years.

Work On Drive-In Is Well Under Way

The screen tower for the new drive-in which Delbert Edmiston is building is being erected, and workmen state that a start will probably be made later this week also on the projector house and concession stand. County maintainers have been working the land on which the car stalls will be located, and fencing has already been receiving the attention of the building crew.

Edmiston changed his mind recently about the location of the drive-in and instead of building it on county land which he expected to purchase, is locating it across the road, on a six-acre tract leased from the Annie Miller Estate.

Edmiston named his theater before he started construction. Honoring the football team, he is calling it the Eagle Drive-in.

DISASTER COUNTIES LISTED

Nine West Central Texas counties have been designated a disaster area because of the prolonged drought, the Agriculture Department notified Sen. Tom Connally this week.

The counties are Comanche, Brown, Coleman, Runnels, Concho, McCulloch, Mills, San Saba and Menard.

The designation as a disaster area means that farmers in these counties can apply for loans from the Farmers Home administration to carry on their operations.

Mrs. Gene Horton of Ft. Worth came in Saturday for a visit of about two weeks with her daughter Mrs. Jo Ed Hill and her family.

Pep Squad, Band, Will Accompany Eagles To Llano Game Friday

The Pep Squad and Band will accompany the Eldorado Eagles to Llano this Friday night for the first game of the season. The band, with Mr. Charles Ludwig as director, and the pep squad, with Mrs. Wayne Griffin in charge, were practicing formations on the local football field this afternoon, putting finishing touches on Friday night's half-time show.

A bonfire and rally will be held tonight at 9:00 on the northeast corner of the courthouse block. Those in charge said that the band and pep squad would parade at that time, and that the public was invited.

Coach Waldrum announced a change in the starting line-up. Frank Edmiston was found ineligible to play the first two games, since a player must be in school a year in order to be eligible for play.

Revised line-up follows: Truman Biggs, center; Winfield Fry and David Powell, guards;

John Phillips and Lynn Griffin, tackles; Roger Sofge and James Logan, ends;

E. H. Nixon, fullback; Sam Whitten, quarterback; Pinkney Craig and Bobby Galbreath, fullbacks.

Coach Waldrum said that in defensive play Bill Cheek would play end instead of Logan. Captains are E. H. Nixon and John Phillips.

Band In Good Shape

Mr. Ludwig reports 38 in the band, in addition to five twirlers and three flag bearers, and the drum major, Marianne Craig.

Twirlers are Esther Jones, Mary Lou Alexander, Margaret Edmiston, Helen Morgan, and Ruthie Dee Harris. Drill master is Derl Griffin, assisted by Fred Gillaspay, Arnold Clark, and Myrl Sudduth.

Thirty-Five In Pep Squad

Mrs. Griffin announced 35 girls in the pep squad, including Lola Beth Ballew, Faye Davis, Retha Nell Lloyd and Betty Marie Yardley as cheer leaders.

Others are: Oretta Powell, Wilma Jean Lloyd, Jonnie Rae Whitten, Margaret Faulk, Ruth Roberts, Patsy Kinser, Jo Ann Trentham, Bessie G. Thigpen, Helen Williams, Clarice Dannheim, Pat Holden, Anna M. Renobato, May Runge, Ann Rogers, Juanita Phillips;

Lupe Morales, Clara Munoz, Grace Crosby, Fern Parrent, Dorothy Carrell, Sue Holmes, Frances Baugness, Patsy Taylor, Glowanda Jeffrey, Shirley Faulk, Suzy Linticum, Nancy Posey, Colleen Hicks, Sherry Atkinson, Glynita Griffith, Martha Dell Williams.

Junior High Game Announced

Coach Miers Johnson, who has charge of the Junior High football team, announced the first game of that age group will be Thursday, Sept. 27, when the Ozona team will come over. The next game after that will be with Sonora.

First Meeting of P-TA Set Tuesday Night

Edward Meador will speak on "Do We Know Each Other?" at the first meeting of the new year of the Eldorado Parent-Teacher Association, scheduled for next Tuesday night at 7:30 in the school auditorium. Music will be furnished by the Eldorado Quartet and refreshments will be served by the executive board.

The executive board met Sept. 10 in the home of Mrs. Marvin McCamus, president of the local PTA.

Mrs. Edwin Jackson, president of 6th district of PTA, announces the state convention of Parents and Teachers will be Nov. 14-16 in Dallas, and has urged that a good representation from Eldorado attend.

LIONS TO ENTERTAIN SCHOOL FACULTY OCT. 15

The date of October 15 has been selected by the Lions' Club for entertainment of the school faculty. The program committee is at work on the plans for this event, and will have more details to announce within the coming few weeks.

ATTEND DROUTH MEETING TODAY IN AUSTIN

Two men from Schleicher County left early this morning for Austin, to attend the meeting requesting better freight rates in the drought area of the state. W. G. Godwin, county agent, and Jess Koy, prominent rancher, will represent Schleicher, joining with other representatives of dry Southwest Texas in asking for emergency relief.

The meeting opened at 10:00 this morning, in the office of the railroad commission.

GOOD RECORD IN FIRE LOSSES IS ESTABLISHED

Olin Culbertson, secretary of the State Firemen's Association, commends Eldorado for its excellent record concerning fire losses since 1923. In writing to Palmer West, local fire chief, Culbertson said:

"This is a most wonderful record and I am sure your citizens will be justly proud and appreciative of what has been done by the department. This statement shows what a tremendous business investment the fire department is to your city."

The record is as follows:

Catholic Church Is Renovated, Grounds Improved

The Spanish and English mission Catholic Church is undergoing renovations, with members of the church furnishing the labor.

The work planned includes improvements on interior and exterior of the building, and extensive work on the grounds. A new foundation has been built, and the church building has been turned to face north, and is already on its new foundation. Painting and other improvements are planned for the interior, and the exterior will also be painted and repaired. Gas will be installed.

Improvements on the grounds will include building of curbs, filling in the grounds, and sodding and landscaping of the yard all around the building. There will also be a new front porch on the north, and sidewalks around the building.

Our Lady of Guadalupe Church was built in about 1924. It serves the Latin American Catholics and other Catholic families in this area, the Sonora priest coming to Eldorado each Sunday to administer mass.

Because the building was not ready for use last Sunday, Mass was held in the home of the A. J. Roach family.

Mrs. Wilson's Sister Dies At O'Donnell Monday Morning

Mrs. Annie Eaker, age about 75, sister of Mrs. L. T. Wilson of this city, died after illness of many weeks' duration Monday morning at O'Donnell. Funeral services, held at O'Donnell Tuesday, were attended by the deceased's niece Mrs. Marvin Logan, Mr. Logan, and Delma of Big Lake, also by a sister, and brother-in-law, Mr. and Mrs. J. M. Doyle of Mason, who were visiting here in the Logan home when the news of her death was received.

She is survived by 12 children, several sisters and brothers, and a large number of grandchildren and great grandchildren. Mr. and Mrs. L. T. Wilson are visiting in Concord, California, with three children, the M. V. Deatons, the Joe Clevengers, and Lewis Wilson, and were notified of her death by telegram Monday.

The Eakers had 14 children—at one time when the parents and the 14 children had a family reunion, the event was publicized as "16 Eakers under one roof." The couple later lost two grown children, and Mr. Eaker has passed away.

Mrs. Eaker had been in failing health all summer. Two weeks before her death, the Marvin Logan family and Mrs. Wilson had visited her upon her return home from the hospital.

Mr. and Mrs. Billy Whitley and baby of Sonora visited Monday with Mr. and Mrs. Wyndell Hall.

C. E. Gary To Head Methodist Men Group

An organization known as "Methodist Men" which will be chartered and affiliated with the General Board of Lay Activities of the Methodist Church, was set up at a meeting at the local church in Eldorado on Monday night.

Present for the meeting were Bill Warner of San Angelo, district lay leader, and Dist. Supt. Brucks. The group of about 25 were served a generous country ham supper topped off with apple pie, which was prepared by one of the circles of the WSCS.

Mr. Warner described the purposes and workings of the proposed organization—and helped in setting up a slate of officers. Elected were:

C. E. Gary, president;
Jerry Pennigton, first vice president;

L. V. Newport, second vice president;
Elton McGinnes, sec.-treas.;

Fred Gunstead, reporter.
Regular meeting time was set for the third Monday night in each month—the next regular meeting being scheduled for Monday, Oct. 15.

Committees on membership, attendance and programs are being worked out, and charter memberships will be held open through the November meeting.

The Albert Thigpens have had as guests Mr. and Mrs. Harold Rieber and three daughters and James Tschardt of Hondo.

The Eddie Peels spent the day Sunday in San Angelo with Douglas and his family.

The O. E. Deal family spent Saturday night and Sunday in Abilene with Mrs. Deal's parents.

Mr. and Mrs. D. F. Milligan spent Sunday here with Mr. Milligan's brother and sister-in-law, Mr. and Mrs. Robert Milligan.

First Baptist News

We were proud of our Sunday School and Training Union attendances Sunday. There were 201 in Sunday School and 69 in Training Union. The Sunday School went 16 over its goal and we certainly can reach our goal of 185 average attendance for September. Let us each keep working toward that goal.

Pastor's subject for Sunday morning will be, "Choosing Life's Best Values." If you are a Baptist and are looking for a church home we invite you to come visit with us and meet our people and consider us as the church for your church home while you are in Eldorado. If you have no church preference won't you come and worship God with us. We indeed strive to be the Friendly Church with a Spiritual Program."

We welcome the many visitors that were in our services Sunday. We trust that our services were such that you will wish to come our way again. Our Sunday School begins at 9:45 and Morning Worship hour is at 11:00 a.m. Training Union is at 7:00 p.m. and evening worship at 8:00. You are always welcome to any and all of our services.

Several of our fine young people were absent Sunday. We missed them, but we know that they will be happy in their school work. Next Sunday we will miss two more as Betty Sue Williams will be going away to resume her studies at Baylor University, and Iretta Faye Mace will begin her work at Texas Tech. We hope for each of them a happy and profitable year.

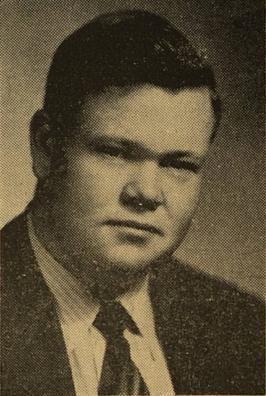

The pastor and membership join in wishing for the boys and coaching staff of Eldorado High school a successful season. We trust that you play them all hard and clean and always be on the top side in all the scores, especially those that really count.

We feel that here are some important dates for all of us to remember. Thursday and Friday, September 13 and 14, the 61st annual meeting of the Concho Valley Missionary Baptist association will be meeting with the Lake View Baptist church in San Angelo. September 24 our big and important meeting of the brotherhood, all of the men of our church. Bro. J. Ivey Boggs will speak to our men. Brother Boggs is our State Brotherhood president and the originator of the man and boy movement. All of our men are urged to come and all visitors are welcome. Sept. 26 through Oct. 7 is the date for our Fall revival. Oct. 14 our church will celebrate its golden anniversary. Busy and good days ahead. Let us make them great for the Lord.

Mr. and Mrs. Byrd White spent Saturday night and Sunday with a daughter and her family at Iraan.

MYRTA BOB HARPER

JOHN THOMAS ALEXANDER

YOUTH ATTEND CONVOCATION AT PURDUE U.

Two young people from the local Methodist Church attended the national convocation of Methodist youth which 4800 delegates attended at Purdue University. Several hundred adults were also present to assist with accommodation of the young people who came from all states in the Union.

Representing the Eldorado Methodist Church were Myrta Bob Harper, younger daughter of Mr. and Mrs. S. D. Harper, who will start to college this fall, and John Thomas Alexander, who is still in high school here.

Both of the young people are active in the work of the Methodist Church, and both have held responsible positions in the youth organizations of which they have been members.

Miss Harper gave her report concerning the convocation, at the regular church service Sunday night. She told of the impressiveness of the Purdue campus, of the number of cafeterias required to provide food for over 5000 people, of the various outstanding speakers who addressed the entire assembly, of the discussion and interest groups in which they enrolled, of the exhibition folk games, drama productions, recreational meetings, and bedtime prayer services.

John Thomas Alexander took some films while he was at the convocation, and will show them at the night service next Sunday night.

The young people made the trip in a special train which made up at Houston.

Why Do The People Of God Suffer?

"For even hereunto were ye called: because Christ also suffered for us, leaving us an example that ye should follow his steps."

This sets Christians apart from the world more than any one thing and we thank God for the privilege of suffering with him. —Romans 8:17.

The world thinks, because they do not read his word, that Christ does not suffer any more since the day of his death on the cross; but that is a mistake for we suffer with Him.

Notice in Romans 8:17 that the verse says children, then heirs, heirs of God and joint heirs with Christ, if so be that we suffer with him, that we may be also glorified together.

Wonderful words of grace penned by the Spirit of God. First we are children and heirs and whatever Christ inherits from the Father, we (the suffering ones) will inherit with him and God will glorify us together with Christ. "Come and go with us." —F. H. Pryor, Pastor, Fundamental Baptist Church.

Mrs. Tom Henderson and daughter Jackie drove to Lubbock Sunday, and Jackie enrolled at Texas Tech for her Freshman work. Mrs. Henderson remained for several days before returning to the ranch in Schleicher County.

Guests in the home of Mr. and Mrs. Wiley Hight Saturday afternoon and Sunday were the latter's parents, Mr. and Mrs. J. T. Boatright, and grandparents, Mr. and Mrs. J. A. Slade of Coleman, and a sister, Mrs. F. A. Mask and husband and children of San Antonio.

Jack Jones of Denton, accompanied Mike Henderson home last week for a week's visit, and returned Wednesday to his work at North Texas, Denton.

Mr. and Mrs. Stewart Davis and Jerry Donaldson visited during the weekend in San Angelo with Billie Jo and Mary Jane Moore, and were joined there Sunday evening by Mr. and Mrs. Milton Harris.

Methodist Youth At Sub-District Meeting

About ten of the Methodist young people from Eldorado, with Rev. and Mrs. Roy Shilling and Mr. and Mrs. L. B. Sheffield as chaperons, attended the program of the sub-district MYF Sunday afternoon in San Angelo.

First Church of San Angelo was in charge of the program, opening with devotionals, and showing a picture, "In His Name."

Glenn Weimar of Sterling City, son of the pastor there, reported from the youth conference which he had attended at Purdue University, and Marilyn Scott, president of the group, reported from the Mount Sequoia meetings which she had attended.

Recreation followed, led by First Church and refreshments were served. The next meeting will be at Trinity, the second Sunday in November.

J. L. Neill, Jr., who lives at Silver City, N. Mex., where he is employed with the World Wide Engineers Services as field engineer, has been visiting his parents, Mr. and Mrs. J. L. Neill.

Young People Take Corp. Communion

Five young people from this county were with the group of younger members taking corporate communion at St. John's Episcopal Church in Sonora Sunday morning.

The young people from here, all of whom have been confirmed, are Trudy and Bill Gaynor, Cora Lee and Fred Barrett, and Mae Runge. The men of the church served breakfast to the group after the communion service.

Eldorado adults there, in addition to the young people mentioned above, were Mr. and Mrs. Bobby Oglesby, Mr. and Mrs. Sid Gaynor, and Mrs. Forrest Runge, all of whom are members of the church.

Best way to get a move on

ASK any GMC owner about hauling performance. But he's not just "riding an engine." He'll tell you the way his GMC shoulders the load, year after year, is proof of perfect teamwork of axle, chassis and frame—truck-engineered to outlast anything on the roads today.

Want to profit by the same long-time benefits of GMC's truck-building experience? Let us recommend the right combination of hauling performance to fit your particular needs. For GMC's are made in the widest variety of engine-chassis-axle combinations, from ½ to 20 tons.

Doyle-Cunningham Wedding Is Monday at West Side Church

In a ceremony at 10:00 Monday morning at the West Side Church of Christ, Miss Betty Mae Doyle, daughter of Mr. and Mrs. W. C. Doyle, became the bride of Marvin Joseph Cunningham, Jr., evangelist in the Church of Christ, whose home is in Dallas.

Edwin Davis Murr was the officiating minister, and for the service he used the double ring ceremony.

The bride was given in marriage by her father. Her ballerina length dress was of white satin, with imported Chantilly lace trim; a lace yoke topped the fitted bodice and empire style sleeves. She wore a short veil with seed pearl cap. Her flowers were gladioli, which topped the white prayer book which she carried.

The bride's only attendant was Marva Ann Cunningham, sister of the groom. She wore a ballerina length dress of pink satin and net. The groom's father attended his son as best man, and ushers were Paul Bates and Myrl Sudduth.

Reception Follows

A reception was held after the wedding, at the home of Mr. and Mrs. C. C. McLaughlin. Pianist for the morning was Miss Mae Ellington. Mrs. Lum Davis served the tiered wedding cake and Mrs. Richard Davis of Alpine served punch. Mrs. Kenneth Doyle registered the guests.

In the house party also were: Mrs. H. T. Finley, Mrs. Seth Ramsey, Mrs. Leslie Baker, Mrs. Carroll Ratliff, Mrs. Ruby Damron, Mrs. J. C. Doyle, Mrs. C. C. McLaughlin.

Immediately after the ceremony the couple left on a ten-day wedding trip to Colorado, after which they will be at home in Dallas. When the couple left Eldorado the bride was wearing a wine gabardine suit, with navy accessories.

Bride Reared Here

The bride was reared in Eldorado, and was a student in Eldorado High School at the time of her marriage. The groom was reared in Dallas, graduated from Sunset High School, and is now a Church of Christ evangelist. While the newlyweds claim Dallas as their home they will be on the road much of the time in evangelistic work. The first meeting which is on their schedule is at Artesia, New Mexico, later this month.

Attend Wedding Here

Here from out of town for the wedding were Mr. and Mrs. M. J. Cunningham, Sr., Marva Ann Cunningham, and Evelyn Baker, Dallas; Paul A. Davis, San Angelo; Mr. and Mrs. Richard L. Davis, Alpine; Mr. and Mrs. Ollie Murr, Junction; Mr. and Mrs. Ray Doyle and Cathey, Christoval; and Paul Bates, Eldorado, Ark.

Gift Tea Saturday

There were 75 callers at the gift tea, which honored Miss Doyle Saturday afternoon from 4:00 to 6:00 at the C. C. McLaughlin home. Hostesses were Mrs. McLaughlin, Miss Chris Enochs, Mrs. James Williams, Mrs. Seth Ramsey, Mrs. Lum Davis, Mrs. Perry Mittel, Mrs. Leslie Baker, Mrs. John Williams, Mrs. H. T. Finley and Mrs. Dick Bearce.

Guests were greeted by Mrs. W. C. Doyle, mother of the bride-elect, Miss Doyle, and Marva Ann Cunningham of Dallas, sister of the groom, in addition to the hostesses mentioned above.

Jane Belk and Sue Shilling presided at the bride's register, and Carolyn Ratliff, Marianne Craig,

Easy Makes His "Cat" Tread Lightly

Driving home on Three Ponds Road yesterday, I was flagged down by Easy Roberts' boy Skeeter. "Take it slow," he advised. "Dad's crossing this road with our tractor, just beyond the bend."

Around the curve I saw why Skeeter stopped me. Easy had laid two rows of old truck tires across the road, and was driving his new "Cat" tractor over them!

"More trouble this way," Easy explains, "but it does keep those tank tracks from tearing up the asphalt when I have to cross over to our other fields. After all, the

Lola Beth Ballew, and Martha Dell Williams served. The dining table was centered with a bowl of white mums and blue satin ribbon, carrying out the bride's colors of blue and white. The cake squares were iced in white.

A large assortment of gifts was presented to Miss Doyle, and displayed on several tables in the reception rooms.

BARBECUE FOR VISITORS

Four commanders who had occasion to stop at San Angelo to transact business at Goodfellow, were entertained in Eldorado with a picnic supper at the home of Mr. and Mrs. Palmer West and stayed overnight at the DeLong residence. The men were: J. H. Morehouse of Lexington, Md.; J. T. Blackburn of Virginia Beach, Va.; Bob Townsend of Harlinger, and "Jig" Cain of Tulsa.

Present for the barbecue were others from out-of-town, Mr. and Mrs. Cassius Taylor and daughter and Oscar Wright of Sonora, and Mrs. Homer Wolfe of Falfurrias, and also several families from Eldorado.

Mrs. S. D. Harper and Mrs. Wolfe met the men at Goodfellow and S. D. Harper took them back to the field the following morning.

Bridge Luncheon

Mrs. Edward Meador and Miss Edda Lou Meador entertained at a bridge luncheon beginning at 12:30 Friday noon. Included with the luncheon guests, besides the seven tables of players were Mrs. D. E. DeLong and her guest, and Mrs. Claude Meador, and Mrs. Ralph Fowler.

High was won by Mrs. Leslie Baker, second high by Mrs. Henry Speck Jr., low by Mrs. Jack Jones, bingo by Mrs. Elizabeth Powell and traveling by Mrs. Billie Crosby.

BACK FROM CALIFORNIA

Mr. and Mrs. J. E. Conner, who live in Kingsville, where the former is head of the history department at A and I College, and the former's sister, Mrs. J. L. Neill of this city, have returned from a vacation trip to California. On their way they stopped at Silver City, New Mexico, to visit J. L. Neill, Jr., and went on through Arizona to California.

At Menlo Park, near Stamford, they visited the John Conners' youngest son, who lives there with his wife and baby, while he takes post graduate work in old languages at Leland Stanford. They took in all of the sights at San Francisco, the famous Redwood Forest and the Golden Gate Bridge, and many other places of interest. They report a good trip, low gas mileage on their car, and no car trouble of any kind.

They left Eldorado on Sunday, August 26, and returned home through Los Angeles, Phoenix, and Gallup. They report rain even in desert country and the hottest weather of the trip between San Angelo and Eldorado. They were away from home 15 days; mileage, over 4,000.

MRS. LOVE ENTERTAINS

Mrs. Gus Love was hostess at a bridge luncheon at her home Tuesday noon. There were six tables of players, and two additional luncheon guests, Mrs. H. T. Finley and Mrs. Happy Kerr.

Mrs. Carol White won high, Mrs. Archie Mittel second high, Mrs. Leslie Baker slam, and Mrs. Seth Ramsey bingo.

D. A. R. TO MEET

The DAR will hold the opening meeting of the year on September 20 at the home of Mrs. John Luedecke, with Mrs. Luedecke and Mrs. Bailey Montgomery hostesses. The lesson will be led by Mrs. Mary Davis Coupe, that being Constitution Day. The meeting will open at 3:00 p. m.

WOMAN'S CLUB OPENS YEAR WITH COFFEE

Thirty women were present when the Eldorado Woman's Club held the opening meeting of the 1951-52 club year Tuesday morning. The coffee was held under auspices of the hospitality committee, with Mrs. Marvin McAngus, Mrs. M. G. Holcomb and Mrs. Edgar Spencer as hostesses, in the club rooms of the Memorial Building.

Mrs. L. D. Christian was program leader and members answered roll call with "parliamentary don'ts."

Mrs. Edwin Jackson, club president, greeted the group as they started on the new club year, and in her message she pointed out that the club was an adult education group, judged by its programs. For that reason, she stated, it is important that all strive to improve the community.

She urged cooperation of each member in carrying out the theme of the year for Sixth District: The American Home, citadel of spiritual living. She listed as new projects club ethics, youth conservation, and safety. She concluded her address with this plea: With perseverance and determination we can go far.

Beautification and library committee chairmen made their reports, and delegates to the Safety Clinic which they had recently attended touched on highlights of the meeting.

Guests were Mrs. T. E. Holcomb and Mrs. Joe Edens.

BIRTHDAY PARTY

Honoring her daughter, Sherry Diane, on her second birthday, Mrs. Earl Yates entertained with a birthday party at her home Saturday afternoon. Favors were balloons and airplanes.

Ice cream and cake were served the following: Susie Scott, Nancy Jo Thompson, Lee Edward and Monroe and Debbie Dacy, Cliff Schooley, Stevie Fogelsong, James Earl Parker, Tanya Yates; Mrs. Luke Thompson Jr., Mrs. Clifford Schooley, Mrs. B. K. Fogelsong, Mrs. E. H. Sweatt, Mrs. E. H. Sweatt Jr., and Mrs. C. L. Martin Jr.

Mr. and Mrs. Frank Van Horn have returned from a ten-day vacation trip to San Antonio, Corpus Christi and Pedra Island. They report that they caught no big ones, but lots of little ones, mainly at Corpus and on San Pedra. They also report that they enjoyed the cooler weather and that the entire vacation trip was a very pleasant experience. Mr. Van Horn is head mechanic at the Eldorado Motor Co.

GRANDDAUGHTER HONORED IN LABOR DATE FETE

Miss Eva Jewell Isaacs, 18-year-old daughter of Mr. and Mrs. Robert F. Isaacs of Austin, was recently named queen for Labor Day festivities in the capital city.

Miss Isaacs is the granddaughter of Mr. and Mrs. Will Isaacs of Eldorado, and great granddaughter of Alice Lee Isaacs, also of Eldorado.

Miss Isaacs finished Austin High School. The queen's crowning and a dance closed the day which opened with a 100-car parade through downtown Austin on Monday, Labor Day, morning.

Mrs. Fred Watson and her grandson, David Spurgers of San Angelo returned Thursday from a visit with Mrs. Watson's mother at Kilgore. They report a pleasant visit but the weather hot.

Coralee Mebane has returned from a visit with her sister at Fredericksburg, where she was convalescing from a broken arm. She returned to her nursing duties at Holcomb Clinic Monday.

Because of the remarkable improvement made in the condition of Lorraine Dildine, Mrs. George Williams, who had been nursing her for three weeks through pneumonia and comatose condition, is no longer needed on the job, and has been at home since Thursday.

Gift Tea Honors Miss Laura Clarke

Nineteen friends of Laura Clarke were hostesses at a gift tea Thursday afternoon in the Presbyterian reception rooms, from 4:00 to 6:00. Guests were received by Mrs. Frank Clarke, mother of the honoree, Laura Clarke, her grandmother, Mrs. Beasley of Waco and Mrs. Joe Berger of Sonora.

The serving table was centered with cut flowers in the bride's colors of yellow and white. The yellow mums were interspersed with white carnations; the white cake was served with punch, mints and nuts.

Ebba Gene Blaylock registered guests the first hour and Mary Sproul the second. The school sextette sang, and a number of other high school friends of the honoree were in the house party, also Marilyn Mittel, daughter of Mr. and Mrs. Ben Mittel of Sonora.

WATERMELON PARTY FRIDAY AT EDDIE PEEL RESIDENCE

The Eddie Peels entertained a group of friends Friday night with a watermelon party on their lawn. Present were the host and hostess, and Mr. and Mrs. Shorty Doyle, Mrs. Lillian Rogers and Ann, Mr. and Mrs. Charlie Sudduth and the Rance McDonalds. The men played canasta while the others visited.

TRENTHAMS ENTERTAIN

The J. R. Trenthams, who live in the Estes rent house in the east part of Eldorado, entertained the Rock Church of Christ members with a party at their home after church Sunday night. The group visited and were served refreshments, about 40 attending.

Pauline Nixon and Frank Franklin of San Angelo were weekend guests of Mr. and Mrs. Robert Nixon.

Mrs. Dena White had as a guest recently her daughter, Mrs. M. Baker, and Ralph Joseph of San Antonio.

E. E. Newlin spent the weekend at Belton where he attended a family reunion.

USDA's Programs To
Get Discussion

COLLEGE STATION—Farmers
and other persons interested in the
welfare of agriculture and farm
life will have opportunity this sum-
mer to express their opinions about
programs and policies which affect
the farm family.

The State Agricultural Mobiliza-
tion Committee headed by B. F.
Vance, chairman of the State PMA
Committee, is in charge of the re-
view program in the state. Chair-
men of county Mobilization Com-
mittees along with other commit-
tee members will handle the pro-
gram in the counties. The purpose
of the review program is to get
from farm families their sugges-
tions on how services rendered by
State and Federal agencies to fam-
ily farms can be improved.

Meetings will be held in the coun-
ties and communities of the state
during the next several weeks and
through these meetings farmers
and others will be given ample op-
portunity to express their views
and to make recommendations for
improving existing services.

According to Vance, the United
States Department of Agriculture
thinks the family farm is so vital
to the economy, prosperity and mi-
litary defense of the nation that it
is reviewing current farm pro-
grams and activities to make sure
that they are serving the farm
family well. They also believe that
improvements can be made and that
local discussions will bring them to
the attention of the Mobilization
Committees.

Many family farms, which repre-
sent an estimated 98 percent of
America's farms, are too small, too
poorly equipped or too lacking in
essential resources to supply the
families who operate them an ade-
quate income, says Vance. There is
a real need to provide these farm
families with better opportunities
to improve their livelihood and to
make a greater contribution to the
nation's agricultural output. Even
the most productive and efficiently
operated family farms could make
improvements if proper guidance or
aid were made available to the farm
families who operate them.

The Department of Agriculture,
points out Vance, is desirous of ad-
apting future policies to the needs
and recommendations of family
farms. It is therefore, he adds, im-
portant that all interested persons
attend one of the meetings or else
send their suggestions to the local
county Mobilization Committee.

A summary of the recommenda-
tions from each county will be sent
to the State Committee and the
county reports will then be consol-
idated into a state report which will
be sent to Washington. The Farm
Family Review Committee of the
Department of Agriculture will in
turn study the state reports and
make final recommendation to the
Secretary of Agriculture.

Vance says this is democracy in
action. He adds if democracy is to
be a continuing source of hope to
rural people elsewhere in the world,
democracy must then continue to
advance in rural America. Progress
in agriculture must be continued
and he says no person is in a better
position to make recommendations
for this progress than the man or
family who operates a farm.

People Move Out—In!

Henry McCrary, who sustained
a neck injury when working here
for an oil company, is still unable
to work, and moved Wednesday
back to Rusk, his former home,
after about eight months' residence
in this city. His family consists of
his wife, his daughter Mrs. Sibyl
Harbour and her son Joe. Mary
Smith is taking Mrs. Harbour's
place as clerk at Deal Drug.

New renters in the apartment
which the McCrarys vacated are
Mr. and Mrs. Travis Weatherly,
who had been living in a Gus Love
duplex. Mr. Weatherly a mechanic
at Tisdale Chevrolet, has been liv-
ing here only a few weeks. The
apartment which he vacated is now
occupied by the Weatherly's daugh-
ter and her family, Mr. and Mrs.
Sam Rice and four-months-old son.
Mr. Rice was formerly self employ-
ed at Kansas City, Mo., but his
business was damaged by the
floods, and he came to Eldorado to
drive a truck, moving here Friday.

Potassium Cyanate
Crab Grass Killer

COLLEGE STATION — Crab
grass is being eradicated from the
Bermuda grass turf on the football
field at Texas A&M College by
spraying with potassium cyanate.

The Bermuda grass is expected to
make a cover on the field by
September that will compare with
the playing ability of A&M's full-
back, Bruis'n' Bob Smith. The im-
proved condition of the field has
resulted from turf management re-
commendations given by Dr. J. R.
Watson of the A&M Agronomy De-
partment.

Last spring, the field was aerat-
ed and fertilized with a liberal ap-
plication of turf special fertilizer.
It was seeded to Bermuda grass
and a good cover had developed by
July.

However, the Bermuda stand was
badly infested with crab grass, a
species that dies out during late
summer and leaves bare spots in
the field cover. Dr. Watson recom-
mended spraying the field three
times with potassium cyanate at 7
to 10-day intervals.

"Potassium cyanate is the most
effective material against crab
grass in all stages of development,"
said Dr. Watson. "Bermuda is dis-
colored by the crab grass killer,
but it turns green again in four or
five days."

The crab grass killer is being
applied at the rate of three and
two-tenths ounces of actual potas-
sium cyanate in eight gallons of wa-
ter per 1,000 square feet of ground.
On an acre basis, eight pounds of
actual potassium cyanate are re-
quired in 400 gallons of water.

One teaspoon of liquid soap must
be added for each gallon of the
spray as a wetting agent to make
the spray stick to the grass leaves.

Potassium cyanate is available in
91 and 55 percent pure forms. The
55 percent form already contains
the wetting agent. Usually, the ma-
terial cannot be obtained locally,
but must be ordered from a com-
pany that handles turf supplies.

"Dr. Watson cautioned, "It is ab-
solutely essential that good, uni-
form coverage be obtained with the
spray so there will be no spots of
crab grass left."

BIG NEED ANTICIPATED
FOR '51 COTTON CROP

Consumption prospects, together
with the commodity loan program,
make it neither wise nor necessary
for the cotton farmer to dump his
crop at depressed price levels dur-
ing the abnormal pressure of the
current harvest season, Harold A.
Young, president of the National
Cotton Council, said today in a mes-
sage to producer-delegates of the
industrywide organization.

The Council president emphasized
that the demand outlook is still
just as strong as was anticipated
at the time the government re-
quested a 16,000,000-bale cotton
crop last December.

Department of Agriculture fig-
ures, he said, point to a domestic
consumption during the coming
crop year of 10,500,000 bales and
exports of 5,500,000 bales, giving
a total disappearance of 16,000,000
bales.

"With consumption at such lev-
els, a crop of 17,000,000 bales indi-
cates a carryover on August 1,
1952, of 3,200,000 bales, as com-
pared with a carryover of 6,346,000
bales on August 1, 1950," Mr.
Young said. "The carryover on
August 1, 1951, was 2,000,000 bales,
the smallest in 25 years.

"These figures give every reason
for confidence in cotton's stability
throughout the season ahead, pro-
vided an orderly flow of bales into
the market can be maintained dur-
ing the harvest period."

The federal commodity loan pro-
gram offers the major opportunity
for orderly marketing of the 1951
crop, Mr. Young said, pointing out
that conditions prevailing this fall
are identically those for which the
program was created.

PERIODIC INSPECTION
OF MOTOR VEHICLES
IS REQUIRED BY LAW

NEW YORK — Periodic inspec-
tion of motor vehicles to provide
greater traffic safety for drivers
and pedestrians is now required of
one of every four vehicles in the
nation, according to a study made
by the Association of Casualty and
Surety Companies as the inspection
movement approached the begin-
ning of its 25th year this fall.

After standing still for more
than a decade, periodic inspection
made one of its biggest forward
strides this year, the Association
said, when West Virginia and Tex-
as joined 12 other states and the
District of Columbia in requiring
regular examination of automo-
biles, trucks and busses for faulty
brakes, lights and other equipment
known to cause accidents.

With nearly one-third of all the
states now demanding regular in-

NORTH CONCHO DAM TO BE DEDICATED

SAN ANGELO—Formal dedication ceremonies will be held for the North Concho Dam and Reservoir at San Angelo September 16 on the eve of the 15th anniversary of the San Angelo flood.

Ceremonies will mark the completion of a 16-million-dollar flood control dam for the Upper Colorado River Authority at the northwestern edge of the City.

State and federal dignitaries are expected to attend the dedication which will be held on the down stream side of the dam at 2:30 p. m. Tour of the seven-mile dam is planned to climax the ceremonies.

The dam will create a permanent lake covering 5,440 surface acres. It will hold 114 thousand acre feet of water, of which 80,400 acre feet will be subject to gravity flow diversion through conduits placed in the outlet works.

Construction of the dam began in May, 1947, when a construction company started on the earth embankment. A project of the U. S. Corps of Engineers, the dam was constructed for flood control and water conservation.

The Military

Tommy Green, who graduated at A & M in June, has reported for active duty with the army at Ft. Sill, and will be with the field artillery.

Howard Parker of Fort Hood spent the weekend with his mother, Mrs. Mabel Parker.

Captain and Mrs. G. E. Henderson and two children, Gerald Edward, Jr., 5, and Claude Douglas, 11 months, are visiting in Eldorado with his parents, Mr. and Mrs. C. C. Henderson, and sisters Mrs. Roy Phelps and Mrs. Bill Oglesby.

G. E., who graduated from high school in 1940, was in service during World War II, and remained in the air corps after the war closed. He has been stationed in Japan over three years. The family arrived in San Francisco Monday morning at 8:00 by boat, visited G. A.'s brother Jim and his wife, in San Francisco a day, and left for Texas by plane Tuesday morning at 7:00, arriving in San Angelo at 10:50 Tuesday night. They were met there by the Hendersons, Oglesbys, and Phelps. The family here had not seen Gerald's younger child. Captain Henderson expects to be stationed somewhere in the States.

Starved Land Doesn't Produce

COLLEGE STATION — Plants need plenty of the right kind of food in order to thrive and produce profitable yields. It is not possible, says E. A. Miller, Extension agronomist of Texas A&M College, to produce good crops unless sufficient amounts of the right plant foods are available, regardless of how good the seed or cultural methods used.

In addition to the plant food, plants also need a good home in which to live and lots of water to drink. Miller says, one of the best ways to provide these important items is to feed the land by planting inoculated and fertilized legumes. Legumes not only furnish plant food — especially the high priced and badly needed nitrogen they get from the air—but also make a better home for the plants that follow them. The action of the organic matter supplied by legumes when plowed under improves the the tilth of the soil, increases bacterial action and provides more water by increasing the water holding capacity of the soil.

Miller points out that the test of any program aimed at increasing crop yields and farm profits comes with results and cites as example of research findings and hundreds of Extension Service demonstrations as proof that it pays to feed the land. Cotton yields on the Texas Agricultural Experiment Stations at Nacogdoches and Tyler were increased by more than 100 pounds of lint per acre and corn yields doubled when planted following inoculated and fertilized hairy vetch.

At the Temple Station in the blackland area, cotton, following Hubam sweet clover, which was harvested for seed, produced a five year average of 315 pounds of lint per acre as compared with a yield of 165 pounds per acre from cotton grown continuously without clover. The yields of corn, oats, barley and wheat following clover were also increased. County agents, Miller adds, report similar results from the farm demonstrations they have supervised.

Aside from increased yields, certain of the legumes also provide the best known method for controlling cotton root rot. The use of sweetclover in the rotation plan for the farm is Miller's suggestion for controlling this disease. The recommended varieties are Hubam, Madrid and annual yellow blossom —the latter mainly in South Texas and the Gulf Coast prairie.

Hairy vetch, Willamette vetch, winter peas and other legumes also increase yields and reduce root rot losses but are not as effective on blacklands as sweetclover. This may be due, says Miller, to the fact that the clovers with their extensive and deep root system opens up the soil and this in turn permits better soil aeration, allowing faster and deeper water penetration, in addition to adding nitrogen and organic matter. This leaves the soil in a very favorable condition to produce.

Now is the time, says Miller to secure the necessary legume seed and fertilizer that will be needed to put in the legume crop. He suggests that soil samples be taken from the fields in which legumes are to be planted and sent to the Soil Testing Laboratory at College Station for an analysis. The analysis and recommendations from the laboratory are a mighty good foundation on which to start a soil building or improvement program and Miller suggests to farmers and others who are interested in starting such a program that they contact their local county agent for information in soil testing and legume varieties for section of the state.

Help Prevent Fires For Good Of Soil Saving of Crops

For the good of the soil, as well as preventing the loss of grazing crops, it is the obligation of everyone to help prevent destructive fires during the current drought emergency. All available range and pasture grasses and legumes are badly needed now for livestock feed, says A. W. Crain, associate extension pasture specialist of Texas A & M College. In addition, he emphasizes need of protecting the soil.

A vegetable cover, points out Crain, is protection against soil erosion. It forms a cushion to absorb the beating and washing from heavy, driving rains. This cushion or mulch also absorbs moisture very rapidly and allows for deeper moisture penetration into the soil. This residue of vegetation also replaces deficient organic matter

which Crain says, is common to most Texas soils. The addition of organic matter helps to improve the physical and chemical condition of the soil and if this cover is lost by fire, the soil as well as the livestock suffer.

Crain urges that in areas where there still is a good vegetative cover, every possible means be used to keep out fires. He adds serious erosion losses, from wind or water, can occur where large areas are burned over.

Crain emphasizes that plants now are in a very critical condition due to drought and hot weather and that many of them will be killed if subjected to fire.

He says there is no practical way to police the pastures and range lands of the state but urges every citizen to make it his business to see that the already short supply of forage is protected. Many stockmen have already been forced to sell a part or all of their livestock and this, in the months ahead, will have its effect upon the meat supply of the nation. It does not make any difference whether you live in the city or country, he says you still have a stake in preventing grass fires. So, for the sake of the soil, and to preserve the short supply of livestock feed and to insure a good growth of grasses and legumes when the rains do come, let's do our bit to prevent needless fires, says Crain.

Mr. and Mrs. H. A. Belk have had as guests their brother-in-law and sister, Mr. and Mrs. Riley Houston and son of Paint Rock.

Neighboring Schools Off To Good Start

Schools in the vicinity of Eldorado are already in session, according to reports in newspapers printed in those towns.

The Eden Echo reports that Eden schools had an opening enrollment of 400, with H. J. Sanders heading the school system. One vacancy on the faculty existed on opening day. The school reports 104 in high school and 296 in the grades.

The Junction schools opened Wednesday of last week with a full faculty. Figures on enrollment on the opening days were not available Thursday when the Junction Eagle was printed.

Fort Stockton opened last week with an opening enrollment figure of 1172—a gain of 83 over last year. Of these, 269 are from the 8th grade up.

At Alpine, 100 more pupils than last year are reported, and an opening enrollment figure of 944. The major school units of the city were reported crowded.

Mertzon opened Monday with a total enrollment of 240, and of these, 51 were in High School.

Sterling City opened last week in a new and remodeled building, after some of the school had been meeting last year in churches, community center and courthouse, and the school gym.

Bronte enrolled 324 students on Tuesday, the opening day. This represents a gain of 7. The high school alone had 69 on opening day.

The Reagan County school system at Big Lake opened Tuesday morning with a total enrollment of 660 pupils, an increase of about 50 over last year. Thirty-one Seniors are enrolled, the largest senior class in many years.

Mason schools enrolled 790 on opening days last week, a gain of four over last year. There are 613 in the elementary grades and 166 in high school.

Robert Lee opened Monday with a school assembly and registration. Enrollment is about normal, with more students expected.

Opening enrollment at Menard was 523, representing a loss of seven over last year. The high school is larger than last year. There are 30 in the Senior class.

Readers of Success will remember that the opening enrollment here was 503—a gain of 55 over last year. Twenty enrolled in the Negro school.

Ozona opened Tuesday with an increase in enrollment of 67 over

last year. The school enrolled 378 in all, including 106 in the high school, an increase of 19 there. There are 142 in Junior High, and 47 in kindergarten. Of the teachers on the job, 22 are new.

At McCamey, 859 enrolled, a gain of 60 over last year, all of the gain being in the elementary schools.

Opening day enrollment last week at Rocksprings was 281. Some improvements in the school plant have been made.

Mrs. Dora Oliver had as a guest her sister, Mrs. J. H. Huffstetler, who spent a day with her last week. Her home is in San Angelo.

Mr. and Mrs. Albert McGinnes had as weekend guests Mrs. McGinnes' brother Bill Brooks and his wife and daughter Beverley of San Angelo.

Mr. and Mrs. Elton McGinnes spent the day Sunday in Menard with the Willie Lowe family. Three of the group were celebrating September birthdays.

Guests of Mr. and Mrs. Burl Woodward Sunday were the latter's parents, Mr. and Mrs. Walter Grosshans, of Miles.

Mary Hoover spent the first part of her vacation here with her parents, Mr. and Mrs. L. M. Hoover, then went to Miami, Florida, to visit a former room mate, Miss Bennie Hart, now a Delta airline hostess there. Mary also expected to visit Mr. and Mrs. Jim McWhirter, at Miami, before returning to her duties as airline hostess in Dallas. Mrs. McWhirter is the former Dorothy Jean Burk.

Guests of the Andy Nixons were Mr. and Mrs. Woodrow Herbert of San Angelo, who spent Sunday here.

The D. C. O. Wilsons have had as guests, Mrs. Wilson's sister, Mrs. Wesley Henrich and her family of Kermit.

Gertrude Sauer returned to San Angelo early this week after spending a week with her parents, Mr. and Mrs. Otto Sauer on the farm.

Mrs. Ben L. Isaacs has been visiting Conn Isaacs in Big Spring. Mrs. Bertha Shugart is visiting in the home with her and the Jack Shugart family, who are occupying the apartment during construction of their new house.

Beer Election

Qualified voters in Justice Precinct No. 6 will go to the polls Saturday, Sept 8th, in London Community Hall, to determine whether or not the sale of beer should be continued.

A petition presented the Kimble Commissioners Court previous to an order for the election was prepared and presented by a group desiring the discontinuance of sales.

Other attempts in previous years have been made to "vote the precinct dry." As usual a great deal of interest is being manifest in the election. —Junction Eagle.

Eden Youth Killed

Following an Associated Press dispatch Saturday from Anchorage, Alaska, of a bomber crash and a story in the Sunday morning edition of the San Angelo Standard-Times, first word was received here of Don R. McNair, Eden airman, as being one of 10 service men killed or missing in the latest of a series of disastrous Alaska air crashes.

It is understood here that notification was delayed when the original telegram was lost en route.

The Navy privateer, on which Airman McNair died, ripped into the side of a mountain at about 700 feet sea level. It was on a route flight from Adak and in its last report two hours after take-off, told of a 300-foot ceiling, some clouds and fog, but a visibility of two miles. —Eden Echo.

Lower Rates Sought

A hearing on petitions which will seek to have freight rates lowered on feed shipments into Menard county will be held at Austin next Thursday morning at 9 o'clock.

Lower rates on such feed would save many dollars for local ranchmen and stock farmers who have been severely hit by the drought, and for this reason it is hoped that a large delegation from Menard will attend.

A recent meeting with railroad representatives at Fort Worth was unsuccessful. The meeting Thursday will be held with state railroad commissioners. —Menard News.

Church Crusade On

Roll call for all members of the Methodist, Baptist, Presbyterian, and Christian Churches in Big Lake this coming Sunday will mark the opening day of the eight-week "Christ Centered Crusade" which is being launched by these four churches. This crusade is being launched in an effort to create more interest in church attendance. —Big Lake Wildcat.

New Church In Use

Rev. J. E. Fuller announced this week that services will be held Sunday in the newly completed Methodist Church here. These will be the first services in the new building.

Rev. Fuller said that all work is completed in the church except hanging the lights in the Sanctuary and that these fixtures have not yet arrived. They are expected soon and will be installed as soon as they arrive.

Formal opening of the new building will be held later in the fall. Fuller invited the public to attend services there Sunday. —Bronte Enterprise.

Special Edition Planned

Forty-one hundred magazine sections of The Avalanche will be completed next week, with sufficient number bound to go out to each subscriber with the regular mailing. Other mail copies will follow on the day after. Several large bundle shipments will go out during the following week, as the force has time to complete the binding, trimming and wrapping.

Local people, who ordered extra copies, may start picking up their copies Friday morning, Sept. 14.

This magazine, published on the 60th anniversary of The Avalanche, will have a digest of the history of Brewster and Jeff Davis counties, the towns in the counties, the industries, place names, and points of interest, in addition to what has built these counties and will continue to build them. —Alpine Avalanche.

New Church For Stockton

The beautiful new First Baptist Church, with interior construction complete, will be dedicated by special services planned for Sunday during the period of its revival meeting.

The outside of the new church was completed a year ago, and the interior has been finished in recent weeks under a new contract with Cecil Sullivan. Beautiful new pews are in place in the spacious auditorium and first services will be conducted there Sunday. —Fort Stockton Pioneer.

Scarcity of Birds

Dove hunters around and near Sanderson have reported a noted scarcity of the game birds since the season opening Saturday afternoon. No explanation, however, has been offered for the lack of the prey. —Sanderson Times.

New Ratliff Store

The Ratliff Store officially opens for business today in its new home, a handsome single story concrete tile building at the corner of Con-

cho and Main. The building was recently completed by Mrs. C. E. Stites, owner, at a cost of approximately \$20,000.

The original Ratliff Store, which was at the same location as the new store, was opened here in 1946 in the building formerly used by the City Motor Company.

The move into the new home was started with an open house last night and a four-day sale begins today. —Devil's River News.

Incendiary Fires?

Two grass fires, about five miles apart and burning simultaneously, believed of incendiary origin, were extinguished at about noon Tuesday when the Ozona fire truck made a run to the scene.

The first fire was about five miles south of Ozona and had almost burned out by the time the truck arrived. It was quickly extinguished and the truck went to a second fire about ten miles out. Earl Baggett and several helpers were at this blaze with power sprayer and had almost brought it under control. —Ozona Stockman.

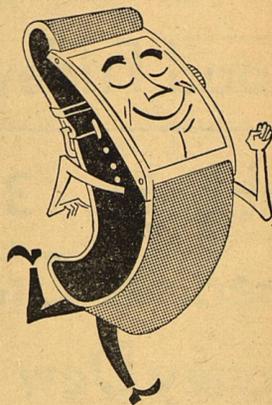

Mrs. J. D. Ramsey and Seth spent the day Thursday in San Angelo.

Mrs. E. E. Newlin and Mrs. Fred Yvonne spent the weekend in Big Logan and daughters Charlene and Spring with relatives.

"I took the
Blindfold Test

—that new Dodge Oriflow Ride, sure opened my eyes!"

Says DANIEL F. HOWARD, JR., at New York City, "The Blindfold Test convinced me! The new Dodge Oriflow Ride really levels out the worst kind of bumps and ruts," continues Mr. Howard. "No ride has ever been so smooth."

Come in! Try it!

FEEL HOW NEW ORIFLOW RIDE MAKES
ROUGHEST ROADS BOULEVARD-SMOOTH!

Here's something new and wonderful in riding smoothness you notice from the very start!

Blindfolded you ride over a bumpy road. You're told the ruts are there — but you don't feel them!

Gone is the pitch, bounce and jar you experience in other cars as the new Dodge Oriflow Ride levels out the rough spots. And with

blindfold off you'll be amazed you traveled over such bumps and chuckholes.

Words alone can't tell it all! That's why we invite you to take this daring "Blindfold Test" today.

You could pay up to \$1,000 more for a car and still not get all the extra roominess, ease of handling, famous Dodge dependability!

The big, dependable

DODGE

Drive it 5 minutes...and you'll drive it for years!
