ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, MARCH 5, 1953

NUMBER 10

Deep Test Set Within Mile Of City Limits

A deep test, close to the city limits, which has been in the making for about six months, was announced this week and operations are expected to get under way at once.

B. L. McFarland, Inc., and Texas Crude Oil Co. of Fort Worth have filed application to drill their 1-45 Perry Mittel, a wildcat, one mile north of Eldorado in Schleicher County.

The test will be drilled with rotary to 8,000 feet. Drilling will begin immediately.

Location, on a 160-acre tract, is 660 feet from the north and west lines of the northeast quarter of 45-LL-TCRR.

The prospector is two miles southeast of the Eldorado field which produces from the Wolfcamp at about an average depth of 4,109 feet.

It is two miles northeast of Stanolind 1 West abandoned, April 29, 1952, at 3,250 feet.

Carter & Carter No. 2 Webster, Schleicher County's latest Ellenburger discovery, was shut in while flow lines were being installed for potential test.

The wildcat flowed 9,000,000 cubic feet of gas and 70 barrels of oil daily on production test. The flow was through a choke of unreported size and from two sets of perforations, at 4700-4730 feet and 4618-44 feet. The intervals had been washed with 1,000 gallons of mud acid and 5000 gallons of regular acid.

Location of the new field opener is 660 feet from north and east lines of survey No. 1, Block A-1, and 25 miles east of Eldorado.

Robert W. Berry and others. No. 1 A. B. Thomerson and others, wildcat in northeast Schleicher County, and indicated strike from the Strawn, was making hole below 5330 feet in line. This indicated discovery and new field opener took a drillstem test from 5298 to 5315 feet. Tool was open two hours. Gas surfaced in 48 minutes. Recovery was 20 feet of oil, 230 feet of oil-cut mud, 180 feet of brackish water and 30 feet of salty, sulphur water.

Previous tests in the Strawn, from 5272 to 5300 feet and from 5221 to 5260 feet, developed gas and oil with no shows of water. Location is 660 feet from north and east lines of section 65, block H, GH&SA survey.

Sinclair Oil & Gas Company has reported completion of No. 1 Southland Royalty Company in the ever-growing Huldale field in north central Schleicher County.

The oiler was finished for a daily flowing potential of 232 barrels of 41-gravity oil through a 3/8 inch choke and perforations at 5608-5634 feet. Pay was treated with 250 gallons of mud acid and 1000 gallons of regular acid. Gas-oil ratio was 1870-1 and tubing pressure 410 pounds. Casing pressure was 125 pounds.

Location of the new oiler is 1700 feet from south and 467 feet from west lines of section 54, block M, GH&SA survey.

Humble Oil & Refining Company No. 1 Mrs. Olivia Spencer, wildcat in southwest Schleicher County, 16 miles southwest of Eldorado, has developed shows of oil and gas on a drillstem test in an unidentified section of the Pennsylvanian. The project was tested from 6740 to 6760. Tool was open 77 minutes. Recovery was 50 feet of slightly oil and gas-cut mud. Location is 1980 feet from north and 660 feet from east lines of section 176, block A, HE&WT survey. Operator was preparing to core ahead.

There was considerable activity in royalty sales on property near this well during the past. Prices are reported as high as \$250 per acre.

Humble No. 1 Brooks, steppout to production on the south side of the Huldale field, flowed 108.87 barrels of oil in 12 hours on production test through a 16/64-inch tubing choke. Tubing pressure was 280 pounds.

Production was from perforations at 5660-5704 feet. The project was still flowing to test. Location is 550 feet from south and 750 feet from east lines of section 83, block LL.

Humble No. 2 Annie May Brooks, new project at the south side of the Huldale field, was drilling below 1010 feet in red beds. This

new test is being drilled 1630 feet from south and 750 feet from east lines of section 83, block LL, GC—SF survey.

Phillips Petroleum Co., will drill its 1 Harkey one location east of Tucker Drilling Co. 1 Harkey, discovery well of the Butler (Canyon) field.

Sinclair 1 Thompson swabbed perforations between 4,440-4,414 feet and made only load water, no shows. Preparing to fracture.

Sinclair 3 McClatchey, 119 feet, redbeds.

D. E. Vasser 1 Meador, 4,119 feet, shale.

WILDCAT

Roece Oil Co., of Ft. Worth has filed application to drill its 1 R. M. Thompson Jr. et al, a 7,000-foot Ellenburger wildcat, seven miles south of Eldorado. Drilling with cable tools is now under way.

Location, on a 960-acre tract, is 660 feet from the north and west lines of 70-A-HE&WT. It is 3 and 3/4 miles north of the Brushy Top field of Sutton County.

MONTH OF MARCH OFFERS BIG LIST OF SPECIAL DAYS

In case any reader of this paper gets bored during the month of March, and thinks he would like to take off from work and celebrate something—there's something to get excited about every day of the month. Here is the list:

March 1, Red Cross Fund campaign, all month. Theme: "Answer the Call—Give to the 1953 Red Cross Fund."

March 1-7, Texas Public Schools Week.

March 1-7, Save Your Vision week.

March 2-9, National Advertised Brands week.

March 2, Texas Independence day.

March 5-April 5, Easter Seal campaign. Slogan, "Easter Seals Help Crippled Children."

March 6, Alamo day.

March 6, First automobile appeared on streets of Detroit in 1896.

March 7-15, National 4-H Club week. Theme, "Working Together for World Understanding."

March 7-14, National Smile week.

March 8, Farm day.

March 9-18, American Toy Fair.

March 10, Salvation Army established in America in 1880.

March 10, Telephone first used, 1876.

March 12, Girl Scouts Birthday. Slogan, "Girl Scouts—A Growing Force for Freedom."

Friday, March 13, Feature lucky buys.

March 15, Income Tax day.

March 15, Clean-up, Paint-up, Fix-up season starts.

March 15-21, Wild Life week.

March 15, Campfire Girls birthday week.

March 15-22, National Tobacco week.

March 16, Irish Linen week. Slogan: "Irish Linen for the Queen and Yod."

March 17, St. Patrick's day.

March 18, Midnight Ride of Paul Revere, 1775.

March 20, First day of Spring.

March 20-27, Jewish Youth week.

March 29, Palm Sunday.

March 21, First day of Pass-over—Jewish holiday.

ATTENDS BROTHER'S FUNERAL

O. L. Woodward was in Brownwood Saturday to attend the funeral of his brother A. H. Woodward, whose death occurred there Friday. His age was 58, and his death was caused by a heart attack.

Other relatives attending from here were Mrs. Pat McAlpine, Mrs. Jim Smith, and Mr. and Mrs. M. H. Woodward. All went to Brownwood Saturday morning, returning home after the funeral that afternoon.

Friends of Mr. and Mrs. Arthur Montgomery of Van Horn, former Eldorado residents, will be interested in learning that the couple have a new daughter, their third child, born February 11, in an El Paso hospital. She weighed 6 1/2 pounds at birth and has been named Candy Joan.

Herb Petry is Speaker At Monarch Night Sponsored By Lions

Palmer West, Lions' Club president, was in general charge and H. T. Finley was toastmaster when the Lions and their ladies observed Monarch Night Thursday night in the Memorial Building.

Miss Lucille Farmer led the group in a sing-song and the school sextette sang two numbers. Mrs. John Stigler and Miss Farmer were pianists.

Toastmaster Finley recognized the Monarchs, and announced that May 23 will be charter night. Announcement was made that the Lions would be invited to attend the formal opening of the Bailey Station at a date to be designated soon.

Ernest Hill of Eldorado, Mrs. Herb Petry of Carrizo Springs, Deputy Tiny Lucas and International Councillor Buzzie Stokes of San Angelo were among the visitors introduced.

The principal speaker was Herb C. Petry, former Lions' International president, who commended the club for their 25 years of service to the community, and for the worldwide influence which they have exerted as a part of the larger group.

He mentioned the fact that he had visited Lions Clubs in 33 countries, and that he had found everywhere that working toward a common goal helps to keep the clubs active and interested.

The program followed the banquet which was served at long tables, decorated with gold candies tied with purple ribbon, yellow glads centering the speakers' table.

About 90 were in attendance.

Two New Employees For R. E. A. Office

Louise Kuykendall, daughter of Mr. and Mrs. Alan Kuykendall, is new clerk typist at the office of the Southwest Texas Electric Co-Op. She received her business school education in Fort Worth and was employed there until recently.

Another new employee for the Co-Op is Roy Crider, new lineman, who came here with Station Construction last year.

Both of these are additional employees, reports Don McCormick, Co-Op manager.

SPRING EVENTS

March 1, School Census starts.

March 1-7, Public Schools week.

March 8-13, Presbyterian revival.

March 15-22, Rock Church of Christ revival.

March 20, Senior play.

March 27, PTA District spring conference.

April 4, School Board election.

April 5, Easter.

Easter weekend, Senior trip.

Easter holidays, April 3-6, Friday through Monday.

April 7, City election.

April 13, District court.

May 22, Graduation.

Mr. and Mrs. T. A. Smith, who moved to Austin recently, came in during the week end for their furniture. The T. H. Alexander house which they had been renting, was occupied by Mr. and Mrs. Sanders, here with Pan American, who have recently moved to a Crosby apartment—and the Alexander house is now occupied by Mr. and Mrs. S. W. Frisbee, also here with Pan-American.

Deadline Saturday For Entries In City Election; School In Market For 2 Board Members

School News

The Eldorado Schools have been honored this week by many visitors and are expecting a record attendance to the program Friday evening at 7:30 bringing to a close the Texas Public School week. It is very appropriate that Public School Week should coincide with Texas Independence Weew, for freedom can not long endure unless people are educated to enjoy and preserve it. Good schools are the only insurance of democracy.

The program Friday evening will consist of: Welcome by Superintendent T. E. Holcomb, musical numbers by the Eldorado Band and Elementary Chorus under the direction of Mr. Ludwig and Miss Lucille Farmer; a one-act play by the speech class under the direction of Miss Waldine Midgett.

Mrs. Robert Baker resigned her position as 4th grade teacher in the Eldorado schools effective as of March 2nd. Mrs. Baker will assist her husband in caring for the affairs on their ranch. The 4th grade vacancy has not been filled as of this date.

The District meeting of the Texas State Teachers Association will meet in Brownwood on March 12 and 13 and the Eldorado Schools will be dismissed on the 13th (Friday) so that faculty members may attend this professional meeting, according to Superintendent T. E. Holcomb.

The Eldorado Girls' Volleyball team meet the Ozona girls here Thursday night, March 5 at 7:30 for the first game of the season. Returning lettermen are Esther Jones, Fae Davis, Captain, and Carolyn Ratliff. Other members of the team are Mae Runge, co-captain, Jo Ann Trentham, Barbara West, Shirley Faulk, Margaret Faulk, Colleen Hicks, and Martha Dell Williams.

The girls were presented at a high school assembly Wednesday afternoon at which time they presented the mascot "Sparkplug." Following the presentation members of the faculty engaged the girls in a short game.

Tuesday night March 10 the girls meet the Sonora girls at 7:30 here. The girls then journey to Ozona and Sonora on March 17 and March 27 respectively to finish out the season.

The public is cordially invited to come and support the girls. Admission is 15c and 25c.

The High School track team will participate in the Comanche Relays at Ft. Stockton Saturday, March 7th. The team will leave Eldorado around 6:00 a.m. Saturday. Boys participating in track are: Pinkney Craig, Frank Estes, Lynn Griffin, Jack Stanford, Billy Gene Edmiston, Jerry Pennington, Bill Holcomb, Raymond Mittel, Buddy Bruce, Monty Hill, and Bob Ratliff.

The events each boy will enter are as follows:

100-yard dash, Raymond Mittel.

220-yard dash, Raymond Mittel, Jack Stanford.

440-yd. dash, Jerry Pennington, Lynn Griffin.

880-yard dash, Pinkney Craig, Frank Estes.

Low Hurdles, Pinkney Craig.

High Hurdles, Bill Holcomb.

1 Mile Run, Billy Gene Edmiston, Bob Ratliff.

440-yard relay, Jack Stanford, Jerry Pennington, Lynn Griffin, Frank Estes.

1 Mile Relay, Jack Stanford, Jerry Pennington, Frank Estes, Pinkney Craig.

Field events:

Shot Put, Jerry Pennington, and Lynn Griffin.

Discus, Frank Estes, Lynn Griffin.

Broad Jump, Jack Stanford, Pinkney Craig.

Pole Vault, Billy Gene Edmiston.

High Jump, Billy Gene Edmiston and Jack Stanford.

The Eagles will be competing against 28 West Texas high schools in the events.

Mrs. Mary Ann Johnston is expecting to have an operation performed on her leg which was broken in a fall at her home some time ago. The family are awaiting word from Grover Lee Johnson, whose schooling ends on the 6th, and who may be able to get home with Tommie Lee for a visit after that time.

As the Saturday deadline approaches for filing for city mayor and aldermen places, there has been one name withdrawn and another added, but aside from this one necessary change, there is likely to be no contest in this local election, which will be held on the first Tuesday in April.

Ray Hudgens, alderman for the past two years, has been notified by his company of a transfer to Midland, and has withdrawn his name from the city ticket as a candidate for re-election. His place has been taken by Jerry Pennington, manager of the West Texas Utilities Co. Mr. Pennington served for a number of years as a member of the school board, from which he retired two years ago.

The city's official election notice appears again on page five of this paper, with the above corrections included.

TWO SCHOOL BOARD MEMBERS TAKING OFF

Two new members will have to be produced for the coming school board election on Saturday, April 4.

S. D. Harper and Dee Love, incumbents, whose terms expire next month, were contacted by the writer and both have stated positively that their names will not be on this year's ballot.

For the benefit of those who may want to have their names appear on the school board election ballot, we reprint the simple instructions given in past years—

Leslie Baker is the assistant secretary of the school board. He is the person who prepares a copy of the ballot and sees to having the ballots printed a few days before the election. You simply turn your name in to Mr. Baker about ten days BEFORE the election date. That makes the deadline March 24.

Bailey Station To Be Renamed For Eldorado

Changing of the name of the Bailey pumping station south of town to Eldorado Station appeared accomplished this week when Palmer West, president of the Eldorado Lions club, received a letter from Shell to that effect.

The change of name was a Lions club project undertaken last fall with the appointment of a committee to look into the matter.

The million-dollar Bailey Station, now nearing completion, is on the Rancho pipeline which will carry crude from the McCamey area to Houston.

The letter to Mr. West was as follows:

Shell Pipe Line Corporation
Shell Building
Houston 2, Texas
February 27, 1953.

Mr. Palmer West, President
Eldorado Lions Club
Eldorado, Texas

Dear Mr. West:

We have delayed a reply to your letter of December 17, 1952, regarding the petition to Shell Pipe Line Corporation to change the name of Bailey Station to Eldorado Station in that it was necessary to contact and obtain approval of the various participants of the Rancho Pipe Line System to make this change. This procedure has been accomplished, thus the name of the new station will be changed to "Eldorado Station" effective July 1, 1953.

Yours very truly,
Shell Pipe Line Corporation
By C. E. Dolhonde
Area Manager
Texas-Gulf Area

LIONS CLUB

A joint meeting with the Sonora Lions club will be held Tuesday night, March 17, by the Eldorado Lions and their ladies, it was announced at yesterday's meeting. The meeting, in the high school cafeteria in Sonora, will take the place of the regular noon meeting on March 18, it was stated.

Rev. Charles G. Bruce discussed his recent trip east. At the directors' meeting it was decided that the club would dispose of the roller skates. A number of factors brought about this decision.

Mrs. H. S. Terrill of Springfield, Massachusetts, left Tuesday for her home, after visiting in the home of her daughter Mrs. Samuel Bishop, renter in one of the Mund houses.

First Baptist News

We were encouraged with the increase in attendance this Sunday. We had 236 in Sunday school and 84 in training union. We trust that the sickness is about to finish and that we can all be back in our place and be hitting the 250 mark again soon. We welcome into the fellowship of our church Miss Louise Kuykendall, and Mr. and Mrs. Harvey Speer. We were happy

to have the visitors in both our Sunday school and our worship services. You will always find a warm welcome at the First Baptist Church just as you will at every church in Eldorado. Go to the church of your choice, but be sure you choose to go to church.

We have been having a good time this week studying the book of Philippians. If you haven't taken advantage of this opportunity yet there are still two more nights. The study will close tomorrow night. We have had many of our people studying, but had hoped that many more would take the book. These classes have been meeting from 7:00 to 8:15 each evening with our pastor teaching this Bible study.

We had 37 attending the associational youth rally at San Angelo last Saturday evening. This group brought back the banner. While there we had the privilege of hearing a wonderful music program presented by the choir of Howard Payne college. While there our young people's sextette was auditioned by Dr. Garrett, head of the music department at Howard Payne. The girls are to go to the college and sing at their chapel program, at the request of Dr. Garrett. This is quite a privilege and honor for our girls' sextette.

Don't forget that March 15th will be Christian education day. Our message for the morning worship hour will be brought by Dr. Nat Tracey of the Bible department of Howard Payne college. Dr. Tracey will be speaking in the interest of all of our colleges. And for all of our universities. For any man who isn't big enough to speak for all the causes of Christ isn't big enough to speak for any of them. Make your plans to be in this fine service Sunday, March 15.

The Concho Valley Baptist Associational Workers Conference will meet at the First Baptist Church of Christoval, Tuesday, March 10. This will be an evening meeting, and we hope that many of our people will be able to take advantage of the nearness of this meeting and attend in good number. If you desire to go to this meeting and will take your car, or if you need a ride call 23331 and we will arrange for you.

Notice the change in time of our evening services beginning this Sunday evening, March 8th. Training union will begin at 7:00 p.m. The evening worship service will begin at 8:00 p.m. All the morning services will remain the same. Sunday school at 9:45 and morning worship services at 10:50 a.m. Our pastor will preach at both services next Sunday. The morning message will be on the subject, "Power for Attainment." The evening message will be on the subject, "Breaking Bad Habits." It Is Later Than You Think!

Vacation Bible School time is drawing near. If you will work please turn in your name to either Brother Welsh or Brother Nelson. We wish to secure all of our departmental workers as soon as possible. We will need 50 workers as a minimum. Is there any legitimate reason why you cannot help?

Missionary On Furlough Addresses Local Church

Rev. Jack Looney, returned missionary from Brazil, will speak at both services Sunday at the Fundamental Baptist Church, and again Tuesday night, on the work which he and his wife are doing in the foreign mission field. The night services start at 7:30.

The Looneys work mainly among the Indians in the region of the upper Amazon, where they were the first missionaries, and Rev. Looney will show pictures which they took in Brazil.

Mrs. Looney did not accompany her husband to Eldorado because of illness. The couple are on furlough from their work.

The general public is cordially invited to attend these services and gain first-hand report of the church in the foreign field.

Calvary Baptist News

Men from the Calvary Baptist Church met on the site of the new church Monday and staked off the location. Much of the material is on the ground, and work on the foundation is expected to start this week.

Mrs. Alvin Farris was hostess to the Calvary Baptist Missionary Society at the regular meeting of the group Tuesday. Mrs. Zida Williams will be hostess next week. The women are studying the book of John, under leadership of Mrs. F. H. Pryor.

ROCK CHURCH OF CHRIST

We will have a gospel meeting March 15-March 22. Services will be at 7:30 each evening. Raymond De Spain of Blanco, Texas, will do the preaching. We extend a cordial invitation to everyone to attend every service. Come and bring someone with you. You will hear the gospel preached in its purity.

This coming Lord's day we will have Bible Study for all ages at 10:00 a.m.

Worship service will be at 10:55 a.m. The sermon topic will be, "How To Have A Successful Meeting."

We will have a class for the young people at 6:30 p.m.

Evening service will be at 7:30. Women's Bible class Monday afternoon at 3:00.

Devotion service Wednesday evening at 7:30.

—Quentin A. Dunn, Minister

FIRST BAPTIST CIRCLE

Mrs. W. N. Ramsay reviewed the mission study book when Circle four of the First Baptist church met at the home of Mrs. Allen Kuykendall with six members attending, Monday afternoon.

Mrs. George Williams presided during the business session. The next meeting will be the third Monday, with Mrs. Jess Thompson as hostess.

WOMAN'S CLUB MEETING

Mrs. Virge Tisdale will be hostess to the Woman's Club on March 10 at her home in Eldorado. All members are urged to attend.

Mrs. George Williams returned Saturday from California, where she spent three months with her daughter and her family. She stopped on her way home to visit Mr. and Mrs. Jim Cheek at Tucson. She reports driving through two snowstorms on her way back to Texas.

Twenty relatives, all Brutons, representing half of her family, gathered at the home of Mrs. Mattie Bruton, to spend the week end together. Present were Mr. and Mrs. Willard Bruton of Dallas, Mr. and Mrs. J. A. Bruton of Itasca, Mr. and Mrs. F. E. Bruton and Mr. and Mrs. C. A. Bruton of San Angelo, and Ray and his family, Mr. and Mrs. C. O. Bruton and Mr. and Mrs. W. E. Bruton of Schleicher County.

Mrs. J. B. Christian has been visiting for several days at the Brady Hospital with her mother, Mrs. Ellen Williams.

Mr. and Mrs. John Williams spent Monday and Tuesday at the Fat Stock Show in San Antonio.

Guests of Mr. and Mrs. James Williams were Mrs. Williams' brother-in-law and sister Mr. and Mrs. Elmer Hill of Rogers, who were here Sunday.

Visitors in the J. Tom Williams home were Mr. and Mrs. W. W. Beheler and daughter Barbara, James Reader, and Fay Williams, of San Angelo.

Mrs. Frank Van Horn has been on the sick list but is improving. Her mother Mrs. Fannie Fury of Christoval has been staying with her.

Mrs. Katie Harris of Eastland, formerly of Christoval, visited here with a friend, Mrs. Frank Van Horn.

Brownwood, Texas Day phone 5299 nite 6979

"Wife Wrethband" SAYS

Proper electric wiring pays its way: in safety, in convenience, in saving later costs.

Take time to make a wiring diagram of your electric circuits. Are they overloaded? If you are building new farm buildings, plan for future needs. Save steps with well planned lights and switches, and reduce chore time with properly lighted work areas.

It is cheaper to install good, adequate wiring than to replace wiring later for heavier loads. Be sure circuits are carefully planned for safety in the milk house and other areas where there are damp floors. Use vapor proof electric fixtures in dusty feed rooms and hay mows. Remember, a yard light not only adds to safety but provides a friendly welcome.

Talk to your co-op and your wiring contractor. They can help you. If you do any home wiring be sure it is inspected. Safety first.

The Service of "Mr. 4%" is reflected in

Jefferson Standard's 46th Annual Report

MORE PROTECTION FOR MORE PEOPLE. Jefferson Standard during the past year continued to grow in stature and in usefulness to the insuring public. New life insurance placed by the company's fieldmen in 1952 exceeded \$153 million, a 20% increase over 1951. Insurance in force reached a new high of \$1,136,600,000, a gain of \$97 Million for the year.

Today Jefferson Standard is providing a measure of financial security for more than 350,000 policyholders in 29 states, the District of Columbia, and Puerto Rico.

Payments to policyholders and beneficiaries during the year just closed amounted to \$13,500,000, bringing total payments since organization of the company to \$226 Million.

Assets of the company increased by more than \$28 Million to a year-end total of \$324,852,407. Investment earnings were maintained at a high level throughout the year, and Jefferson Standard for the sixteenth year leads all major life insurance companies in rate of interest earned on investments.

"WHO IS MR. 4%?"

Mr. 4% represents the Jefferson Standard

Jefferson Standard, now guaranteeing 2½% on policies currently issued, has never paid less than 4% on policy proceeds left on deposit to provide income. Four per cent is the highest rate of interest paid by any major life insurance company in America!

Mr. 4%, a welcome visitor in the homes and offices of thousands of policyholders, is pointing the way to extra income through 4%. His friendly counsel is helping policyholders and beneficiaries use life insurance more effectively—the Jefferson Standard way.

For Example

On a \$10,000 life insurance policy, interest income at 2½% amounts to only \$250 per year . . . at 4% it amounts to \$400 per year—\$3,000 more income over a 20-year period!

Jefferson Standard's investment record is outstanding in the life insurance industry. The company's excellent earnings rate makes it possible to provide extra income dollars to the policyholder or beneficiary. For 46 years Jefferson Standard policies have never paid less than 4% interest on proceeds left with the company to provide income.

Let Mr. 4% Serve You

Small wonder, then, that more and more people are turning to their local Jefferson Standard Mr. 4%. Jefferson Standard policy dollars are larger. Keep in touch with your Mr. 4%—he's a good man to know.

TUESDAY BRIDGE

Mrs. Wm. Lindsey was hostess to the Tuesday Bridge Club at her home this week. High club was won by Mrs. Gerald Hartgraves, low by Mrs. Bob Page, traveling by Mrs. Paul Page, and bingo by Mrs. James Page.

Mr. and Mrs. James Alexander have moved out to the T. H. Alexander place.

Recipe of the Week

Lemon Pork Chops With Pepper-Rice Rings
 4 loin, rib, or shoulder pork chops (about 1 1/2 pounds)
 1/2 teaspoon paprika
 1/2 teaspoon salt (for chops)
 Dash of pepper
 1/2 cup raw rice
 1 medium onion
 4 thin onion slices
 1 large green pepper, cut cross-wise in 4 thick rings
 2 1/4 cups (1 No. 2 can) tomato juice.
 2 teaspoons sugar
 1/2 teaspoon chili powder
 1 bay leaf, finely crushed
 1 teaspoon salt (for tomato juice).

Trim excess fat from chops; slash fat edges 1/4 inch apart. Rub with paprika, salt (for chops) and pepper. Rub heated large skillet with piece of cut-off fat; brown chops slowly on both sides. While chops brown, parboil rice in boiling salted water for 5 minutes; drain, reserve for filling pepper rings. Cut one slice from center of onion; separate into rings; reserve for garnishing chops. Chop remaining onion; combine with reserved parboiled rice. Add lemon slices and onion rings to chops in skillet. Arrange green pepper rings around chops; fill with rice-onion mixture. Season tomato juice with sugar, chili powder, bay leaf, and salt; pour into skillet to depth of 1/4 inch. Simmer, covered, 1 hour, or until chops are tender. Add remaining tomato juice, as needed, to keep liquid 1/4 inch deep during entire cooking time. Arrange chops on heated platter; transfer rice-stuffed pepper rings to platter with pancake turner; spoon tomato pan gravy over chops and rice.

Fundamental Baptist

Everyone is rejoicing over the way the Lord poured out His blessings in all services last Lord's day. We praise God for those coming forward in both services. May each one of us continue to pray and stay humble. We know that God will continue to bless if we will do this.

We are happy to report the Lord's blessings on the Saturday afternoon Bible study hour for the children. Mrs. McDougal reports that the attendance is growing and the children are showing a greater interest in the study of God's word. This hour is spent in studying the Word of God and not an hour for play. If you are interested in your child learning they will be welcome in this service. All children are welcome to come and study God's word with us.

This coming Sunday, March 8, we will have in our services Bro. Jack Looney. Bro. Looney and wife are with the Association of Baptists for World Evangelism, and have just recently returned from South America. The Looneys were located in the Upper Amazon region in Brazil. They were the first missionaries to go this far up in this region. They spent over three years here and will have much to tell about the work there. Pictures will also be shown of the people they worked with. Bro. Looney will also be with us Tuesday night, March 10, and will tell more about the work and show more pictures. Everyone is invited to attend these services. You can't afford to miss hearing the testimony of this man of God.

All young people are invited to our Bible study and fellowship hour every Sunday evening at 6:30 p.m. Our young people are showing a greater interest in these meetings and how we praise God for this! They will soon go to Colorado City to take part in the youth fellowship meeting in the Bible Baptist church there, the second Friday night of this month.

Schedule of our services:
 Sunday: Bible school 10:00 a.m., Morning worship 11:00 a.m., young people's meeting 6:30 p.m., evening services 7:30 p.m.
 Wednesday: Prayer meeting and

Bible Study 7:30 p.m.
 Saturday: Bible Study Hour for children, 3:00 p.m.

Sunday night we will have a baptismal service for there are several awaiting baptism. Last Lord's day two followed their Lord in baptism. We rejoice when we see these things.

Acts 2:24, "Then they that gladly received his word were baptized, and the same day there were added unto them about three thousand souls."

LIBRARY NEWS

We now have Texas Almanacs covering the years from 1945 through 1952.

The 30th Anniversary copy, of Reader's Digest Reader was given recently by a friend.

Mr. E. W. Brooks gave us eight mysteries in January.

New Guild books are: Desiree, by Selinko; The Sojourner, by Raylings; and Thunder Hill by Nicholds.

Mrs. C. E. Love donated Now or Never, by Coles, last month.

Children's books added recently are: The House of the Swan, by Coatsworth; Secret Cargo, by Pease; The Purple Tide, by Silliman; Blue Ridge Billy, by Lenski.

Texas SENATOR Views the News

Lyndon B. Johnson, Senior Senator from Texas, presents his personal comments on matters affecting Texas every two weeks. His news letter, mailed direct from Washington, will be a feature carried in this column.

Dear Folks: Congress is getting around to the so-called tidelands issue again and we hope that this year we can finally get justice for our State. Hearings are going on before the Senate Interior and Insular Affairs committee and with luck we should have a bill on the Floor before very long.

It's hard to find an issue that has been so confused by propaganda and wild claims as this one. Sometimes it is impossible to keep all conflicting statements straight. I think that as Texans we ought to take care of this one once and for all.

In the first place, the argument has nothing to do with the "tidelands." The real issue is the so-called "submerged lands" under the water below the low tide mark. We Texans claim those submerged lands for a distance of ten and one-half miles (three marine leagues) out from the shore line.

That claim goes back to 1836 when Texas fought to win its independence from Mexico. Once we were an independent Republic, our legislature set our boundaries seaward at a point beginning three marine leagues from the mouth of the Rio Grande and continuing along the shore line to a point three marine leagues from the mouth of the Sabine River.

When we decided to enter the United States nearly a decade later, we had a public debt of about \$10,000,000. We offered to turn our public lands over to the United States if it would pay that debt. This offer was turned down so we reversed it and offered to pay our own debt if the United States would let us—as a state—keep our public lands.

That offer was accepted and written into the Annexation Agreement by a resolution of Congress. We paid our public debt and nothing has happened since then to

change the resolution of annexation. It has never been repealed or amended by Congress.

For nearly 100 years, nobody questioned that the obvious fact that our public lands included the submerged lands ten and one-half miles out to sea. That was the position taken in one court decision after another. As late as 1945 the Interior Department took the position that the submerged lands just off the shore belonged to the states.

But about that time, some Federal officials realized that there might be valuable oil in the sub-

merged lands. They entered suit and finally got a Supreme Court decision that the Federal Government had "paramount rights" in the matter. They did NOT—as some people claim—get a decision that the "title" belonged to the Federal Government. The Supreme Court refused to pass upon that question.

What we are trying to do now is to get the title cleared up and the rightful ownership of Texas confirmed. It is an issue that means a lot to us. The revenues from such lands are set aside for the education of our children and they

are important. But even more important is the question of justice to Texas. There are so far greater questions involved in this issue than mere money. Those lands are ours by solemn and binding agreements. Our title has been confirmed by Treaty, by Congressional resolution, and by Court decisions dating back over the years. We cannot permit them to be taken away at the last minute. We of the Texas delegation are determined that Texas shall receive its just due. We will fight this out to the end and I believe we will win.

Eldorado Presbyterians Plan Church Revival

The Synod of Texas of the Presbyterian church will engage in a simultaneous evangelistic campaign during the month of March. One half of the Presbyteries will assist the churches in the first area during the week of March 8th through March 15th and then the second area will be in campaign during March 22 through 29.

The Eldorado Presbyterian church had made all plans for their services to be conducted by the Rev. O. L. Savage of Killen, Tex. On Tuesday of this week word came to the local minister Rev. Charles Bruce that Rev. Savage had been taken with a heart attack and would not be able to attend. Since the other ministers of the state were otherwise engaged Rev. Bruce has decided to go on with the original plans and bring the messages himself. The services will begin with the morning service on Sunday, March 8th and continue through Friday evening, March 13. The services will begin at 7:30 each evening.

We invite the friends of our church to worship with us during these days. If there are those who have no church home in Eldorado we will welcome them to the warmth of our church fellowship. During this church year which closes March 31st the church has enjoyed the best year in its history. A cordial reception awaits your attendance.—Pastor.

DESK SIZE blotting paper—Twenty cents.—Eldorado Success.

Ladies' Auxiliary Of Fire Department Sponsors Get-Together

The Eldorado Volunteer Fire Department Ladies' Auxiliary entertained with a get-together Tuesday at the Fire Hall with 27 present. Cake, coffee, and cocoa was served. The Auxiliary will meet every first Tuesday at 7:00 p.m.

Officers are: Mrs. Lum Davis, president; Mrs. A. G. McCormack, and Mrs. Roy Andrews, social committee.

Ladies' races were practiced with Mrs. Roy Andrews making time of 2.5 seconds.

Rev. Bruce gave the devotional. Guests other than members were: Mrs. Charles Bruce, Gus Love, Jan Davis, Roy Lynn Love, and Linda Bess Love.

Ray Hudgens was granted a 90-day leave of absence, and B. L. Blakeway conducted the firemen's business meeting.

Mrs. Meador Re-Elected Methodist WSCS President For New Year

The Lydia Circle had charge of the program when the circles of the Methodist WSCS met in joint session Monday afternoon. At the conclusion of the program, cake and coffee was served from a dining-table covered with a green cloth, and centered with white flowers flanked with white candles. The St. Patrick theme was also carried out in the cake, which was iced in white and trimmed with a shamrock design.

New officers are:
President, Mrs. W. F. Meador;
Vice President, Mrs. Ben Hext;
Recording Secretary, Mrs. Elton McGinnes;
Promotion Secretary, Mrs. Ken Ogdin;
Treasurer, Mrs. Ralph Fowler;
Secretary of missionary education, Mrs. Luke Thompson;
Secretary of Christian Social Relations, Mrs. Lawrence Steen;
Secretary of Student Work, Mrs. Wiley Hight;
Secretary of Youth Work, Mrs. S. D. Harper;
Secretary of Children's Work, Mrs. Albert McGinnes;
Secretary of Spiritual Life, Mrs. Doyle Morton;
Secretary of Literature and Publications, Mrs. W. G. Godwin;
Secretary of Supply Work, Mrs. E. G. Donaldson;
Secretary of Status of Women, Mrs. Harold Hunt.
Mrs. Ray Tisdale will review a book at a later date in March.

BRIDGE LUNCHEON

Mrs. Seth Ramsey was hostess to the Wednesday Bridge Club with a luncheon at the home of Mrs. C. C. McLaughlin yesterday.

High was won by Mrs. Jimmie West and bingo by Mrs. Elizabeth Powell.

Mr. and Mrs. Guy Spinks of Almond, Arkansas, are here visiting Mr. and Mrs. Sam McGinnes. Mrs. Spinks is Mrs. McGinnes' sister.

Mrs. Roy Glascock and baby of Sonora visited home folks Wednesday.

New Babies

Friends here will be interested in learning that there are two new babies in the family of Mr. and Mrs. A. G. Taylor, former Schleicher county residents. A little boy was born to Mr. and Mrs. Taylor and the couple's daughter Patsy and her husband also have a new son—the babies (who are uncle and nephew) arriving one day apart. The families live at Morton.

Born, Thursday morning, at 2:00 in the hospital in Sonora, a daughter, Kathie LaVerne, to Mr. and Mrs. Bill Grant. The baby weighed eight pounds and two ounces at birth. Grandparents are Mr. and Mrs. W. F. Parrent of Eldorado and Mr. and Mrs. J. W. Grant of Marysville, La., and a great grandparent is J. R. Griffin of this city.

The Military

John Thomas Alexander, who recently enlisted in the Air Corps, has sent his address to home folks: A/B John T. Alexander AF18428781, Flight 134 Sqd. 3703, Lackland AFB San Antonio, Texas.

Glyndon Aldredge sailed Tuesday from the West Coast, with Okinawa his destination. He was scheduled to reach there on the 17th.

Roy Williams, son of Mr. and Mrs. Cecil Williams, is completing his boot training this week at Camp Pickett, Virginia, and is expected home probably Friday. Roy, who is in the medical department of the army, may know his new assignment this week.

Jimmie Woodward, who is with the Navy, was with his ship in the Korean area for three months, and has asked for shore duty when the ship goes to Hong-Kong.

El Dorado D.A.R.'s Win Commendation On Scrapbook Neatness

The state scrapbook material submitted by the El Dorado Chapter of DAR was one of two in the state cited for commendation, when the state convention met in Fort Worth last week.

All of the scrapbook material submitted by DAR chapters in Texas are combined into a state scrapbook to be entered in the national contest—Texas won first with its scrapbook last year.

Delegates at the state convention representing the El Dorado Chapter were Mrs. J. E. Tisdale and Mrs. John Luedecke, and pages who attended the regents were Mrs. Horace Linthicum, who plans to attend the national convention also as a page, and Mrs. Jerry Hartgraves.

The four DAR women went to Fort Worth Tuesday of last week and attended the entire convention, headquarters for which were at the Texas Hotel; they returned home Friday after the closing of the convention at noon.

A high point of the convention was an address by the national regent, Mrs. James R. Patton of Columbus, Ohio. Visiting state regents were there from Oklahoma, Missouri and Louisiana.

Mrs. Doyle Honored On 70th Birthday

A surprise birthday party honored Mrs. Will Doyle Sunday night, about 50 relatives and members of the West Side Church of Christ, gathering at the home in celebration of her 70th birthday.

The hostesses were Mrs. D. E. Roach, a daughter, of California; Mrs. L. R. Damron, another daughter, of Eldorado, and Mrs. Claude Sloan, a friend of the family.

The group spent the evening singing and visiting and the hostesses served refreshments. The children also presented Mrs. Doyle with a floor lamp and two vanity lamps.

DESK SIZE blotting paper—yellow, red, blue, brown, green. Twenty cents.—Eldorado Success.

News From Our Neighbors

More Water Assured

They are, too, doing something to improve Llano's water supply. At long last the LCRA sent a crew of men to Llano Monday to work on the dam and put the hydro generating plant at the south end of the dam in operating condition. They are working on the three intake gates, through which the water flows from the lake into the plant and then into the river below the dam. It is believed that with the opening of these gates much of the silt above the dam will be washed out. It is understood that the plant will be operated to produce extra electricity for the LCRA system, if it can be reconitioned satisfactorily. The plant has been shut down for about three years. This action by LCRA was taken after Mayor H. J. Hoerster had written the Authority about the water situation here.—Llano News

Pictured In Life

Local readers of Life magazine last week were interested in a picture of Dr. Edwin McDaniel shown at work in a Presbyterian hospital in northern Siam. He is a brother of Dr. J. D. McDaniel of Robert Lee. The picture was used in an article, "America and Asia," written by Life's editor in chief, Henry R. Luce, who recently made a tour of the Asiatic countries.

The McDaniel brothers are sons of medical missionaries, who spent a great portion of their lives in Siam. The Robert Lee doctor was also stationed there after the war, but returned to the States because of his wife's health.

Dr. Edwin McDaniel, a younger brother, for the past 4 1/2 years has been in charge of a Presbyterian hospital in northern Siam.—Robert Lee Observer.

Car Theft Discovered

Arrest of a 16-year-old Mansfield, Ohio, youth by Sheriff V. O. Earnest and Deputy Billy Mills this week may lead to the arrest of at least four members of a gang of car thieves who have been operating from Chicago to Texas.

The youth, Philip Green, was arrested here in a stolen car which he confessed he stole in San Antonio. The youth presented a driver's license bearing a Latin American name and on questioning by officers confessed that the license belonged to a friend and that he had stolen it. He named four men who he said had stolen cars all the way from Chicago to Texas and had just recently stolen a Cadillac convertible in San Antonio.—Ozona Stockman.

RED TRIUMPH CERTIFIED SEED POTATOES

SOIL CONSERVATION DISTRICT NEWS

J. FORREST RUNGE CHAIRMAN, CHRISTOVALE
E. E. FOSTER SECRETARY, KNICKERBOCKER
B. E. MOORE MEMBER, ELDORADO
FORD BOWLWARE MEMBER, CHRISTOVALE
BEN HEXT MEMBER, ELDORADO

Farmers in the Eldorado-Divide Soil Conservation District are getting ready to hold the maximum amount of the drought breaking rains when they come. Level, closed end terraces, designed to hold all or most of the water on the land are being constructed by a number of district cooperators.

Level terraces were recently completed on R. A. Schrank's cropland 4 1/2 miles northwest of Eldorado. The level terraces, with ends closed, were constructed by Vernon and Laymon Hazelwood. With the completion of the level terraces on his farmland, Schrank has applied all soil and water conservation practices planned for his place. Conservation practices previously applied are: Contour farming, stubble mulching and proper use of rangeland.

W. R. Bearce had 3.6 miles of level, closed end terraces constructed on his 210 acres of cropland last month.

Since Bearce's cropland has very little fall per 100 ft. each 58 acres of cropland required only 1 mile of terraces.

H. A. Belk is having all the level terraces, with ends closed, constructed on his 96 acres of cropland, 14 miles northwest of Eldorado. The 96 acres of cropland has been in cultivation only a few years. Belk is having the terraces constructed before soil is lost by water erosion as well as conserving the water when it does rain.

Terraces are being constructed with whirlwind terracers and a Texas terracer.

District cooperators are you receiving your Soil Conservation District Magazine, "Soil and Water"? This magazine is owned and published monthly by the association of Texas Soil Conservation District Supervisors. It is an interesting magazine carrying conservation news and development from over the entire state.

Quotes from "Soil and Water." "If you know the fertility of the soil of a given community, then you know the kind of people to be found in that community."

"There are at present almost 1 1/4 million active district cooperators who farm 322 million acres—or more than one-quarter of all the agricultural land in the U. S."

"Had you ever thought that it is man's plow that has made the waters of our rivers thick with mud, leaving behind acres of barren sub-soil?"

"The soil is a part of a farmer and ranchers capital, it should be treated as such."

Eloise Midgett, of Denton, was in Sonora during the week end to enter the Interscholastic speech tournament, and then came to Eldorado to spend until Monday morning, with her sister Waldene Midgett, teacher in the Eldorado school system.

Mr. and Mrs. J. W. Reese of Ballinger spent the weekend with Mr. and Mrs. Pete Ringle. Mrs. Ringle's brother Ray Reese of Bastrop came after his wife and daughter who had spent two weeks here.

—We have in stock wax leaf lagustrum, nandina, pyrocantha, Italian cypress, boneta, and other shrubbery. Also roses, dahlia bulbs and variety of bedding plants. — The Eldorado Flower Shop.

Drouth Cuts Production Of 1952 Home Gardens

COLLEGE STATION — The shortage of moisture—natural and supplemental—was the number one problem faced by home gardeners and home horticultural producers last year. In many areas of Texas moisture conditions did not warrant planting and supplemental irrigation was not possible because of the short supplies.

According to the horticulturists of the Texas Agricultural Extension Service, the number of home gardens in the state dropped to 442,155 as compared to more than 581,000 in 1951. The specialists point out, however, that the percentage of gardeners using recommended kinds and varieties of vegetables adapted to their areas and supplemental commercial fertilizers increased by some 10 per cent. These two factors did increase both quality and production of home gardens.

Despite the drouth, the horticulturists say, certain vegetable crops gave unusually good returns. The onion crop in the Winter Garden-Rio Grande Valley areas, where new and better adapted varieties were introduced by the Texas Agricultural Experiment Station, was particularly good. Generally, the watermelon crop also paid good dividends due to the favorable marketing situation. The crop, however, in many areas was cut by the drouth.

Supplemental irrigation was successfully used in areas where water was available. Watermelon production was increased at the Sweet Potato Investigations Laboratory near Gilmer from 9,720 pounds of marketable melons an acre to 19,640 pounds an acre through the use of two applications of three-acre inches of water on June 26 and July 14. Some growers, say the horticulturists, planted too extensively for the amount of water available and the results were disastrous. They caution that farmers must plan carefully their farming operations when supplemental irrigation is to be used.

The drouth and a mild 1951 winter which delayed foliage of deciduous fruit trees cut last year's fruit production to a low level. The introduction of adapted varieties capable of producing high quality

fruit, believe the horticulturists, will aid in solving the foliage problem and they expect, if weather conditions are favorable in 1953, a large increase in the number of fruit trees planted.

Increases were noted during the year in the East Texas area in the number of market enterprises. Rapid expansion, say the horticulturists, is taking place in the area where the producer-handler associations are working together in the growing and marketing of their products. From estimates based on seasonal prices, truck and carlot movements, East Texas growers received \$40 million for their products in 1952 as compared with \$25 million in 1951. The expanded marketing facilities are credited with helping increase the grower returns.

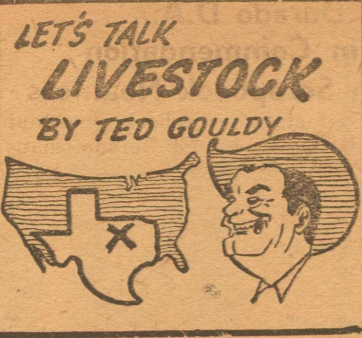

The horticulturists say that demonstrations were supervised by county extension agents in 100 counties covering every phase of commercial truck production and that attendance at Experiment Station field days, orchard schools and other Extension sponsored horticultural meetings was above that for similar training meetings in previous years.

Mr. and Mrs. A. B. Calloway of Eunice, New Mexico, left Tuesday for their home after a visit with Mr. and Mrs. Troy Kadel. The women are sisters.

Courts For Stockton

Fort Stockton's greatly stepped up construction program was given further impetus this week with beginning of a new \$75,000 20-unit tourist court being built by Mr. and Mrs. R. A. Bishop on a site one block south of Highway 290 and 67 on Spring Drive.

The Bishop project will be known as Spanish Trail Lodge and will be operated personally by Mr. and Mrs. Bishop. Chester Ritchie of Brady is the building contractor. Living quarters for the owner, an office and lobby will be provided in addition to the 20 modern units, each with adjoining garage. The court will be of cinder block construction, with red brick wainscoat, and with upper portions of the outside walls stuccoed white. Red tile roofs will match the brick wainscoat and complete the contrast. — Fort Stockton Pioneer.

FORT WORTH—Fat lambs advanced at Fort Worth in the opening session this week, reflecting the strength of the dressed meat trade for that item in the Eastern states. Feeders were steady to weak, and yearlings and older sheep were in small supply and drew firm prices.

Most classes of cattle and calves ruled steady, except fed steers and yearlings, which sold weak to 50 cents lower. Heavier weight steers were under the most pressure. Stocker trade was extremely narrow again.

Numerous shipments of cattle afflicted with hyperkeratosis (X-disease) were again in the run and sold for immediate slaughter.

Good and choice fed steers and yearlings cashed at \$19 to \$22.50, a load of 1,230-lb steers from Jim Hubbard at Lancaster at \$21, and some 811-lb. cattle from M. E. Harrison of Buyers at \$19.25. A load of 1,029-lb. steers from Throckmorton sold for \$20.25. Two loads of Oklahoma steers drew \$22.25. Common and medium offerings sold for \$12 to \$19, some shells for less.

Fat cows sold from \$14 to \$16, with canners and cutters mostly from \$10 to \$13.50, some old shells for less. Bulls drew \$10 to \$18. Good and choice fat calves bulked at \$19 to \$22.50 and plain and medium kinds sold from \$13 to \$19, with culls around \$10 to \$13. Stocker calves were quotable around \$23 down, and yearlings around \$22 down. Stocker cows sold from \$12 to \$18.

Good and choice fat lambs bulked at \$19 to \$22, a load of woolled lambs at 104 lbs. from the L. R. Allison Farms, Tornillo (El Paso County) at \$22. Clipped lambs with No. 1 and No. 2 pelts bulked at \$19 to \$20, some 105-lb. lambs from L. A. Bryson, Rochelle, at \$19.50. John H. Thaxton, San Saba, had 200 clipped lambs at \$89 lbs. at \$20. Stocker and feeder lambs drew \$17 to \$20. Yearlings and two's sold from \$13 to \$17.50 and a few old wethers cashed at \$7 to \$10. Aged wethers drew \$12 down. Old bucks drew \$6.50 to \$8.

Mrs. Ben Isaacs returned late last week from Houston, where she had been staying with her sister, Mrs. J. C. Myrick of Brady, who has been quite ill in a Houston hospital.

Health Talk Stresses Need Of Cooperation In Care Of New Baby

Parents want their children to get a good start in life. A young couple having their first baby can't be too careful, it seems, in seeing that he has the right diet, the right layette, and so on.

Teamwork of the parents will make adjustment to the newest member of the family smoother. Being the family breadwinner isn't enough for Father. His interest in the baby, which should have begun early during his wife's pregnancy, contributes to his mental health, as well as hers. It enables him to make the most of the mutual emotional attachment between him and his son or daughter and eases some of the strain brought on by the extra work and responsibility from his spouse's shoulders. Any clumsiness in handling the baby when he first begins shouldn't discourage him. It won't be long till he's a quick change artist with a diaper, head man of the nursing bottles, and a whiz at bathing the baby, and with his growing skills will come chances (made by him, if need be) for boasting about his offspring.

Father's help with household chores, as well as baby care, will be doubly appreciated by Mother while she is getting back on her feet. For awhile she'll need plenty of sleep and rest and a minimum of housework and running up and down stairs. Also she'll need to follow the diet prescribed by her physician to be sure she gets the right kind and amount of food. He may advise certain exercises as well. Too many visitors may prove tiring to the Mother and a source of infection for the baby.

The new Mother will want seriously to consider her doctor's recommendation to nurse her baby. Because of her general health or other factors she can't control, she may not be able to, of course. However, breast milk is better than artificial milk because it is nearly always the right strength, amount, and temperature; it is perfectly clean; and it helps the baby during the nursing period to share her immunity to certain "catching" diseases. The period for which the baby may be breast fed may average as long as eight or ten months. Even while being nursed, he may need a bottle occasionally, and towards the end of the nursing period, he is gradually weaned to the bottle and the cup. The right formula and feeding schedule is worked out by the doc-

tor in cooperation with the parents. When the baby is small, everything used to measure, mix, and give bottle feedings must be sterilized; later, ordinary cleanliness is all that is necessary. Soon after birth, the infant begins taking sterile water several times a day at times not conflicting with the nursing schedule. Later, other items such as orange juice, cod liver oil, and cereal are added.

For a short while, how to hold the baby may worry the first-time parents. The American Red Cross teaches the three following methods in its baby care classes:

To lift the baby, grasp the feet at the ankles with one hand, placing a finger between the ankles, and lift the baby's buttocks slightly. Slip the other hand along the back to support the back and head with the fingers spread, then gently lift and shift him into your arms, still supporting the head and back.

To carry him using only one arm, lift and swing him into the crook of your arm, so that he faces you and his hip rests on yours. His head and shoulders are securely supported by your arm and out-

spread hand. In handling a baby, three essential points to remember are: (1) support his back and head at all times, (2) lift him gently, avoiding sudden motions, and (3) maintain a secure but gentle grasp.

Suzy Linthicum of Texas Christian University, Fort Worth, will come home Friday and while here will consult a doctor concerning her leg injuries which she received when her horse Sis fell with her on the slick paving at the Fat Stock Show in San Antonio. Prissy will ride Sis in the Fat Stock Show at San Angelo this weekend.

Mr. and Mrs. Ralph Waldron and Robbie, who moved to Fredericksburg last year, are moving back to Eldorado soon. Mr. Waldron is a Shell pipeline employee.

Other names may be added to the above list by filing with the undersigned on or before Saturday, March 7, 1953.

City of Eldorado, Texas

By A. J. Atkins, Secretary.

**THE STATE OF TEXAS
COUNTY OF SCHLEICHER**

No. 782 — In the 51st Judicial District Court of Schleicher County, Texas.

To the Honorable District Court of Schleicher County, Texas:
Now comes Esse Jones, hereinafter called plaintiff, who resides in the said Schleicher County, Texas, complaining of J. B. Jones, hereinafter called defendant, whose residence is unknown, and praying for a divorce, for grounds shows the court the following:

On or about the 26th day of January, 1948, plaintiff was duly and legally married to defendant in the County of Schleicher, State of Texas, and continued to live with him as her husband, until about the 1st day of January 1950. Plaintiff is and has been for more than 12 months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said County of Schleicher, where this suit is filed, for a period of six months, next preceding the filing thereof, having become an inhabitant of said state in 1915, and a resident of said County about 1946.

At all times, while married to the defendant, plaintiff has conducted herself with propriety, doing her duty as a wife, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions and conditions on defendants part.

Defendant has disregarded the solemnity of his marriage vows, and his obligations to treat plaintiff with kindness and attention, within about 19 months after their said marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued until their separation on or about the 1st day of August, 1949. On divers occasions, while plaintiff lived with defendant, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff, of such a nature as to render their living together insupportable; defendant on different occasions threatened to beat plaintiff and addressed to her opprobrious epithets and threats of personal violence. On or about August 1, 1949 defendant left plaintiff and went to San Antonio and has not paid any living expenses of plaintiff. Plaintiff is now working and paying her own support.

There were no children born of the marriage of plaintiff and defendant.

There was no property acquired between plaintiff and defendant during the marriage.

Wherefore plaintiff prays that defendant be cited to answer this petition; that on final hearing plaintiff have judgment of divorce, dissolving the marriage between plaintiff and defendant, that plaintiff have such other and further relief as the court shall deem proper to grant.

T. P. Robinson, Jr.
Attorney for plaintiff,
Eldorado, Texas

Esse Jones vs. J. B. Jones

In the 51st Judicial District Court of Schleicher County, Texas.

T. P. Robinson, Jr., attorney for plaintiff in the above-entitled cause, being duly sworn, says that the residence of defendant is unknown, and that said attorney for plaintiff, the party applying for citation for service by publication has attempted to obtain service on defendant, but that the residence of defendant is unknown, and that after due diligence such plaintiff and affiant, have been unable to locate the whereabouts of such defendant.

Wherefore he prays that citation be issued for service by publication.

T. P. Robinson, Jr.
Attorney for plaintiff.

Sworn to and subscribed before me, by the said T. P. Robinson, Jr., this 26th day of February, 1953, to certify which, witness my hand and seal of office.

J. P. Enochs
(SEAL) (10-11-12-13)

**CITATION BY PUBLICATION
THE STATE OF TEXAS**

TO: J. B. Jones, Defendant,
Greeting:

You are hereby commanded to appear before the Honorable 51st District Court of Schleicher County at the Courthouse thereof, in Eldorado, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 26 day of February A. D., 1953, to Plaintiff's Petition filed in said court, on the 26 day of February A. D. 1953, in this cause numbered 782 on the docket of said court and styled Esse Jones, Plaintiff, vs. J. B. Jones, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same ac-

ording to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Eldorado, Texas, this the 26 day of February A. D., 1953.

Attest: J. P. Enochs, Clerk,

**THE STATE OF TEXAS
COUNTY OF SCHLEICHER**

No. 783 In the 51st Judicial District Court of Schleicher County, Texas.

To the Honorable District Court of Schleicher County, Texas:

Now comes Frances Madeline Chandler, hereinafter called plaintiff, who resides in the said Schleicher County, Texas, complaining of T. P. Chandler, hereinafter called defendant, whose residence is unknown, and praying for divorce for grounds shows the court the following:

On the 22nd day of November 1952, plaintiff was duly and legally married to defendant in the country of Old Mexico, and continued to live with him as husband and wife at Eldorado, Texas, until December 12th, 1952.

Plaintiff is, and has been for more than twelve months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said County of Schleicher where this suit is filed, for a period of six months, next preceding the filing hereof, having become an inhabitant of said state on the 8th day of December 1934, and a resident of said county in April 1948.

At all times, while married to the defendant, plaintiff has conducted herself with propriety, doing her duty as a wife, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions and conditions on defendant's part.

Defendant has disregarded the solemnity of his marriage vows, and his obligations to treat plaintiff with kindness and attention, and within two weeks after their marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued until their separation on the 12th day of December 1952. On divers occasions, while plaintiff lived with defendant, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff, of such a nature as to render their living together insupportable. On the 1st day of December 1952 defendant was cruel to plaintiff and threatened her and addressed her with opprobrious epithets. Defendant left plaintiff on the 12th day of December 1952, and plaintiff has not seen nor heard from him.

There were no children born of said marriage to plaintiff and defendant.

There was no property acquired between plaintiff and defendant during the said marriage.

Plaintiff desires that her maiden name of Frances Madeline Doran be restored to her.

Wherefore plaintiff prays that defendant be cited to answer this petition; that on final hearing plaintiff have judgment of divorce, dissolving the marriage between plaintiff and defendant, that plaintiff's maiden name of Frances Madeline Doran be restored to her, and for such other and further relief as the court shall deem proper to grant.

**THE STATE OF TEXAS
COUNTY OF SCHLEICHER**

No. 784 In the 51st Judicial District Court of Schleicher County, Texas.

To Said Honorable Court:

Miss Elizabeth E. Miller, a feme sole, acting for herself and as attorney in fact for all the heirs of the F. S. Miller, Estate, complaining of the Orient Land Company, their heirs and assigns, defendants, for cause of action would respectfully show the court the following:

That the address of Elizabeth E. Miller is Dallas, Texas.

That the address of defendants are unknown.

That plaintiffs are the owners and holders in fee simple of the tract of land in Schleicher County, Texas, being 173 acres of land in Survey 47, Abstract 410, H. E. & W. T. Ry. Co. Survey. That plaintiffs and their predecessors in title have owned and paid taxes on said land for a period in excess of thirty years.

That defendants, by Plat dated November 8, 1910 recorded in Volume 8, Deed Records of Schleicher County, Texas, dedicated forty acres of land in the Northwest corner of Survey 47, Abstract 410, into what was known as the Orient Land Company Addition. That said forty acre tract of land is annexed, enclosed, and under the same fence with said 173 acres owned by the F. S. Miller Estate.

That defendants have never paid the taxes on said forty acres of land.

That plaintiffs for a period in excess of thirty years, have had said forty acres of land under their fence and have cultivated and enjoyed the use thereof openly and adversely to every person.

That plaintiffs have paid all back taxes on said forty acre tract of land.

Plaintiff specifically pleads the ten-year statute of limitation and prays that defendant be cited to answer this petition, and that plaintiff have judgment giving him title to the Northwest forty acres of land out of Survey 47, Abstract 410, H. E. & W. T. Ry. Co. Survey, and for such other and further relief as they may be entitled to either at law or in equity.

T. P. Robinson, Jr.
Attorney for Plaintiff
Eldorado, Texas

Elizabeth E. Miller, et al vs. Orient Land Company, their Successors and Assigns, in the 51st Judicial District Court of Schleicher County, Texas.

T. P. Robinson, Jr., attorney for plaintiff in the above entitled cause, being duly sworn, says that the residence of defendant is unknown, and that said attorney for plaintiff, the party applying for citation for service by publication has attempted to obtain service on defendant, but that the residence of defendant is unknown, and that after due diligence such plaintiff and affiant, have been unable to locate the whereabouts of such defendant.

Wherefore he prays that citation be issued for service by publication.

High School Junior Weds Local Youth

Miss Ann Rodgers, daughter of Mrs. Lillian Rodgers of this city, was married February 26 in San Angelo to Derl Griffin, son of Mr. and Mrs. Jack Griffin of this city. The couple were married at the North Side Church of Christ, by Travis Williamson, minister of the church. For the ceremony the bride wore a green velveteen street length dress and her corsage was of white carnations. The bride was a member of the Junior class, but does not plan to continue with her schooling. The groom, graduate of Eldorado High School and for a time a student at SAC, San Angelo, recently returned from service with the Army. They are at home in an apartment at the Rodgers residence in Eldorado.

Donald Dannheim To Wed California Girl

The engagement and approaching marriage of Vonnie June Faber and Donald R. Dannheim has been announced by the bride's parents, Mr. and Mrs. Richard Faber of Stockton, California. The wedding date has been set for March 8. Donald, who is stationed at the Alameda Naval Air Station has two years to serve before his discharge. He is a son of Mr. and Mrs. E. H. Dannheim. Miss Faber is a graduate of Edison High School and Stockton College, and has been a Pacific Telephone Company employee. She received her elementary education in Orland. Mr. Dannheim is a graduate of Eldorado High School.

Mrs. T. E. Carson of Brownwood, a daughter of Mrs. A. H. Green of Eldorado, is in Memorial hospital in Brownwood recovering from injuries received when struck by a car Sunday night. Mrs. Carson was struck as she was leaving her car to go to church, it was stated, and she received a broken pelvic bone and a number of bruises.

R. V. Gunn, here with R and R, working on the Webster test, has moved with his family from the Riley house to another location out of the county.

TEACHER SALARY PROBLEMS STUDIED BY GOVERNOR

(NOTE: The Governor of Texas says our school teachers must have a cost-of-living increase in pay. The problem is finding the money. His plan, as presented to the Legislature recently, is outlined in a series of articles of which this is the second.)

Texas' budget is a billion-dollar baby. But it doesn't have much spending money.

The State budget for the next two years is around a billion dollars.

But five out of every six dollars already have been promised one way or another.

The Legislature can spend only the money in the general revenue fund, or in sight during the next two years, which now is about \$176 million. Because of decreasing oil production, it may drop sharply in the next few weeks.

What happened to the other millions? They are either in special funds, for special purposes, or already allocated for specific State services.

The trend in financing our State government in recent years has been toward the emphasis of the special funds and allocations, with the result that the general revenue fund has dwindled.

In a recent series of articles I discussed two of these special funds: (1) the available school fund, which is paid out to school districts on the basis of school-age population and (2) the Gilmer-Aikin or minimum foundation fund, which supplies enough money to guarantee every child in Texas a minimum standard of schooling.

There is an allocation of \$35 million a year for assistance to the old people, the blind, and to dependent children.

Another \$15 million goes into a special fund each year for farm-to-market roads under the Colson-Briscoe program.

We have a large—though not large enough—State highway fund. The money for teachers' retirement also comes by special allocation.

So the general revenue fund has been shrinking in proportion to the

State's total budget, because many allocations have first access to the tax money collected by the State.

Out of the present modest portion—\$176 million or less—the Legislature must cover all general services of the State.

Higher education, including all State-supported colleges, universities, and junior colleges, must be paid out of the general revenue fund.

The money for upkeep of State hospitals and special schools must come out of that same \$176 million.

So must the funds for operation of the courts, from the district level on up.

The same is true of any capital improvements, such as State office buildings, prison system buildings, or additional State hospitals—that is, hospital building costs above the \$5 million a year provided by a special tax.

Even the expenses of the Legislature must come from the general revenue fund.

The financial tasks of the Legislature are further complicated by the fact that the government of Texas is now operated on a strict pay-as-you-go basis. This policy rigidly limits appropriations to anticipated revenues.

The Texas Constitution, Section 49a, Article 3, sets forth this requirement in detail:

"It shall be the duty of the Comptroller of Public Accounts in advance of each regular session of the Legislature to prepare and submit to the Governor and to the Legislature upon its convening a statement under oath showing fully the financial condition of the State Treasury at the close of the last fiscal period and an estimate of the probable receipts and disbursements for the then current fiscal year. There shall also be contained in said statement an itemized estimate of the anticipated revenue based on the laws then in effect that will be received by and for the State from all sources showing the fund accounts to be credited during the succeeding biennium."

The Constitution goes on to require that, "save in the case of emergency and imperative public necessity and with a four-fifths vote of the total membership of each house, no appropriation in excess of the cash and anticipated revenue of the funds from which such appropriation is to be made shall be valid."

When the Comptroller finds that an appropriation bill exceeds the estimated revenue he must return it to the house where it originated and in such a case the Constitution prescribes that "the necessary steps shall be taken to bring such appropriation to within the revenue, either by providing additional revenue or reducing the appropriation."

The Comptroller has estimated that there will be available, during the next biennium, about \$176 million in the general revenue fund. The Legislature must bring all general service expenditures within this figure—or find more money.

That is why, when the public school teachers requested a \$600-per-month increase that would cost the State approximately \$67 million in the next biennium, I raised the question of where to find the money. That \$67 million would represent nearly 40 per cent of the entire general revenue fund.

It is the Legislature's responsibility and prerogative to determine how much we shall spend for what, and who shall pay for it. It is the Governor's responsibility to recommend a program and a plan of financing it.

In my message to the 53rd Legislature when it convened January 14, I made these specific recommendations of expenditures: State departments, \$41,618,484; higher education, \$72,896,438; state hospitals, \$44,313,692; the judiciary, \$6,976,050.

I also suggested that funds in

addition to those already earmarked for State hospital construction be provided, on an emergency basis, for a tuberculosis hospital building program costing \$6,725,000.

At that time I pointed out that these items, totaling \$172,529,664, plus legislative and other necessary expense, would virtually wipe out the general revenue fund.

Naturally there may be some inclination to cut these figures I have suggested—but my recommendations themselves represent a considerable paring from the amounts the agencies concerned would have liked to have.

The main source of the general revenue fund is the omnibus tax. Of it, the major portions are from production taxes on basic material like petroleum, natural gas, and sulphur, and from special sales taxes on automobiles, beer, liquor, and cigarettes.

I have suggested that, if the Legislature decides to seek additional revenues to finance State government, it consider levying more taxes on "long-line" natural gas transmission lines.

The people of Texas have shown so much interest in the financial operation of the State that I thought a detailed report on some of the problems your Legislators and your Governor are facing would be of interest.

A fast-growing population, a rapidly expanding economy, and the general pressures of world and national events are challenging our State.

All of us, whether elected officials or private citizens, must work together to meet these challenges and to live up to the great traditions of Texas.

Runge Is On Program At San Angelo Meeting

Forrest Runge was on the program at the meeting of the Tom Green Historical Society Thursday night in San Angelo. The program featured information which would be of interest to the Society's guests, a group of German visitors from abroad, who were sight-seeing and also making a study of the United States.

In his talk, Mr. Runge gave the visitors a resume of early history, and especially mentioned the part played by German immigrants who were early settlers in this part of Texas.

Howard Franklin, new Shell employee, is hoping to move his family here from LaGrange. He is looking for an unfurnished house.

Mr. and Mrs. Olge Halbert and Mr. and Mrs. O. L. Woodward spent the day Sunday at Upper Lake fishing.

Gertrude Sauer of San Angelo spent the weekend here with her parents Mr. and Mrs. Otto Sauer.

Guests of Mr. and Mrs. Ernest Thompson last week were a nephew, Howard Lyons, of Huntington, West Virginia, who was on his way to Midland on business, and cousins, Mr. and Mrs. Oney Law and Walter Law of Fairmount.

Ronnie, five-year-old son of Mr. and Mrs. James Masey, has been hospitalized for several days because of a neck injury, sustained when he fell. A number of Eldorado relatives have been visiting him at Clinic Hospital.

How to Keep Your Telephone From Being "BUSY" . . . Doing Nothing

Always replace your receiver carefully. If your receiver is not replaced properly your telephone is just as "busy" as if you were actually using it. This is equally true on a party line and private line. Calls can't come in to you—and, if you're on a party line, your neighbors can neither make nor receive calls.

So please try to hang up carefully, and see that your telephone receiver is always properly replaced. It means better service if you do. . . .

Ford sets the style for '53

It's lower-looking, longer-looking, wider-looking . . . and Ford's Crestmark Bodies are the most beautiful in any low-priced car—best built, too!

It's hard to believe that Ford is one of America's lowest priced cars when you see that huge, curved one-piece windshield . . . and those smartly styled interiors, blended with outside colors! It's even harder to believe when you take a Test Drive and feel the comfort of Ford's amazing new Wonder Ride.

It will stay young for years! Yes, years from today, your '53 Ford will command admiring glances. For it's styled ahead—and built for keeps. Your eyes will tell you the quality of the beautiful Baked Enamel finishes . . . finishes that will keep their new-car complexion for years. Your fingertips will tell you that there is seamless construction where many other cars have seams. Bodies are hull-tight to seal out weather, dust and noise.
