Fundamental Baptist

We are very grateful for those who attended the Fellowship meeting last Thursday. Everyone present was greatly blessed by the good preaching.  
The Lord continues to bless and we are thankful for the visitors who come our way. We want all visitors to feel welcome to come to any service at our church.  
Psalms 126:3 "The Lord hath done great things for us; wherefore we are glad."

This coming Sunday, June 14, we begin our revival meeting with Rev. Porter McDougal, pastor of the Amarillo Baptist Tabernacle doing the preaching. Bro McDougal is an old-fashioned Bible-believing preacher. Services will begin every night at 8:00 o'clock. Make your plans now to attend every one of these services.

Sunday: Bible school 10 a. m. A class for all ages. Morning worship at 11 a. m. Message by pastor, subject "The Living God."

Young peoples meeting Sunday night at 7:00. All young people are invited to these services. Evangelistic service 8:00 p. m. Message by pastor, "Loving the Present World" Come and hear these messages.

Wednesday: Bible study and prayer meeting 8:00 p. m. We are teaching "The Revelations of Jesus Christ."

Thursday: Teachers and workers meeting at 8:00 p. m.

This church is growing; there is a reason. Come and see.  
Pastor, Cliff McDougal.

Mrs. Gladys McGill, former Eldorado resident, visited briefly in Eldorado recently.

Since returning from a week end family reunion at Hico, Mrs. Elton McGinnes has been on the sick list and has been taking treatment for a severe attack of asthma. Guests in the home have been Mrs. Claude Ditmore of Tennyson, her mother, and Mrs. Raymond Ditmore, her sister-in-law and son Raymond of Longview, who spent the day with the McGinneses on Tuesday.

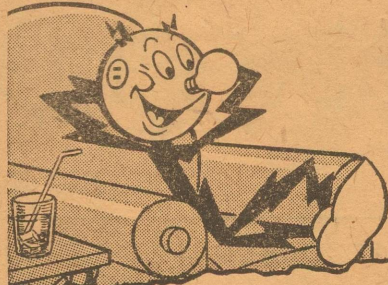

Mr. and Mrs. W. H. Roys of Odessa, former Eldorado residents, are visiting Mr. and Mrs. J. C. Whiteley. Other visitors in the home Sunday were the Tom Carroll family of Ozona.

Visitors Sunday in the Ralph Fowler home were Mr. and Mrs. K. P. Gaunt and son Freddie of San Angelo.

Mrs. Horace Linthicum returned Wednesday from a several day visit in Cisco with relatives.

Dale, son of Mr. and Mrs. Lefty Haynes, has gone to New Braunfels to visit relatives about a month

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car. Certainly it's as distinctively styled as any car on the road—and its beauty carries through into its luxurious, roomy Body by Fisher. Performance-wise, Pontiac is second to none, with power to spare that whisks you through city traffic or cruises with remarkable economy. And Pontiac is a big car, with a long, 122-inch wheelbase.

But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac. Come in and get the facts that prove that dollar for dollar you can't beat a Pontiac!

Dollar for Dollar you can't beat a

### Student Minister Conducts Services At Bailey Ranch

MacDale Farrington, Baptist student minister, and former Eldorado resident, preached at the Bailey Ranch Church on Sunday. A spring graduate of Lakeview High School, he will enroll at Hardin Simmons next fall as a ministerial student.

He was accompanied to Eldorado by his parents, Mr. and Mrs. Floyd Farrington and Jay, and Mr. and Mrs. Floyd Wesley and daughter Kathie, of San Angelo.

The family moved to San Angelo about two years ago.

Mrs. Eugene Gibson, Jr.

### CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 13,960 miles of Gr. Strs., Base & Surf. from U. S. 277 in Eldorado to a point 13.9 mi. Northwest on Highway No. FM 915, covered by S 1588 (1) in Schleicher County, will be received at the Highway Department, Austin, until 9:00 A. M., June 16, 1953, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth, in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of C. C. Stroud, Resident Engineer, Sonora, Texas, and Texas Highway Department, Austin. Usual rights reserved. (June 4-11)

### Wanda Nell Fore Becomes the Bride Of Eugene Gibson

Wanda Nell Fore, daughter of Mr. and Mrs. Albert Fore, was married Sunday night, June 6 at 8:30 in Sonora, to Eugene Vernon Gibson, Jr., son of Mr. and Mrs. E. V. Gibson; the pastor, Rev. J. E. Eldridge, officiating with the single ring ceremony.

After the wedding the couple left on a trip to Norton. They are making their home in the rent cottage on the D. C. Hill place.

The bride received her elementary education in the schools of Dallas, and moved to Eldorado with the family about five years ago. She had finished her sophomore year in Eldorado high school, and plans to complete her education.

The groom was reared here, and attended the schools of this county. He was overseas in the European area, about two years, receiving his discharge from service early this year. He is employed with Republic Exploration Co.

### 42 CLUB MEETS

The Merry-makers' 42 Club met with Mrs. Frank Bradley, three tables playing. A salad plate was served at the close of the games.

Grace Crosby, daughter of Mr. and Mrs. Arch Crosby, is at home from SAC for the summer.

### Bruces Entertain Honoring Their Son And His Bride

Honoring their son and daughter-in-law, Mr. and Mrs. Carl Garnett Bruce, who were married March 21 in Woodville, Mississippi, Rev. and Mrs. Charles Bruce entertained with a reception at the Presbyterian manse Wednesday night of last week.

The couple, who have been students at LSU, in Baton Rouge, came in ten days ago, after an overnight stop in San Antonio, and will spend the summer with their parents at the manse. The groom is employed on the Hixson ranch.

The bride is the former Virginia Roundtree, daughter of Mr. and Mrs. Wm. H. Roundtree of Newell-ton, La.

The 85 callers were greeted at the door by Mrs. James Page, and were then received by Rev. and Mrs. Charles Bruce and the newly-weds, after which they signed the register over which Mrs. A. G. McCormack presided.

Robert Bruce then escorted callers to the yard where they were served refreshments by the women of the church.

Mr. and Mrs. Sam E. Jones, Jr., were hosts at a dinner at a local cafe Friday night, with Mr. and Mrs. Carl Bruce as honored couple, and Mr. and Mrs. Jack Jones as other guests. Earlier in the week Mr. and Mrs. Edwin Jackson honored the visitors with a yard supper at their home, other honored guests being Mrs. F. B. Gunn and her son Alan Tillar.

### BRIDGE LAST WEEK

Mrs. Weatherly Kinser was hostess to four tables of players at a bridge party on the ranch Wednesday morning of last week.

Mrs. Charlie Trigg won high, Mrs. Gerald Hartgraves high guest and Mrs. Troy Kadel bingo. The games were played in the morning after which a luncheon was served.

Mary Sproul, who has been attending school at SAC, has started work as junior clerk at the Lone Star gas office.

Mr. and Mrs. T. H. Alexander have returned from Llano where they attended the Homecoming and visited relatives and old friends.

Mr. and Mrs. W. O. Alexander have returned from a week end visit in Houston, where they attended the graduation exercises at the University of Houston; they were present when Ollie Junior received his diploma, with a major in math. On their way home their

car was damaged at Boerne when it was struck by a car coming onto the highway from a side street, and they had to leave the car there for major repairs.

Mr. and Mrs. Bill McRae and baby have returned to Marfa after

visiting in the home of Mrs. McRae's parents, Mr. and Mrs. Lum Burk.

Mary Helen Thigpen of San Angelo is spending the week with her grandparents, Mr. and Mrs. Jud Brannan.

# More people drive FORD V-8's than all other V-8's combined

AND IT'S STILL THE ONLY V-8 IN THE

LOW-PRICE FIELD! No other engine in the world has enjoyed so much popularity as Ford's power-packed high-compression V-8. Today, 4 out of every 5 V-8's are Ford V-8's. And while other makers are scampering to catch up, Ford and Ford alone offers a V-8 in the low-price field . . . and for hundreds less than most sixes.

Fifty Years Forward on the American Road

### FORD'S V-8 IS THE SAME TYPE OF ENGINE

### AMERICA'S COSTLIEST CARS ARE SWINGING TO!

Six more makers in the last five years alone have switched to V-8 power in their most expensive models. Yet Ford's been offering this same type of V-8 power for over 20 years! What's more, Ford gives you your choice of Fordomatic, Overdrive or Conventional Drive—the widest choice of drives in the low-price field!

### FORD'S V-8 GIVES MORE "GO" PER GALLON!

Whether you choose Ford's 110-h.p. V-8 or the 101-h.p. Mileage Maker Six, your engine lives on a lean diet. For both offer the gas savings of Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gas . . . "regular" at that! See and Value Check Ford's "Worth Mores." You'll agree Ford's worth more when you buy it, worth more when you sell it.

FORD'S BUILT OVER 13 MILLION V-8's

Mace-Stanford Vows Exchanged In Eldorado

MRS. ALBERT STANFORD  
... Eldorado bride

—Photo by Scherz

Miss Iretta Faye Mace, daughter of Mr. and Mrs. J. H. Mace, became the bride of Albert Lowe Stanford, son of Mr. and Mrs. Truett Stanford, in a quiet home ceremony Saturday evening at the residence of the bride's parents. The Rev. Clifford Nelson, family pastor of the couple, now of Brownwood, officiated at the double ring ceremony before an arch of greenery and cut flowers in pastel shades. Tapers in candelabra completed the altar decorations.

The bride was given in marriage by her father. For the ceremony she wore an ice blue dress of imported embroidered organdy, with full bouffant skirt and fitted bodice. She wore long white shirred gloves, and a white rolled brim hat with matching embroidery and nose length veil. Her bouquet was of gardenias and stephanotis.

The bridesmaid, Betty Sue Williams, wore a dress of yellow embroidered organdy, with full skirt scalloped at the hem, revealing a flounced skirt. Her flowers were orchid and yellow glads.

Flower girl was Paula Jo Mace, sister of the bride. She wore pink nylon designed with full skirt and fitted bodice. Her flowers were also yellow and orchid glads.

Truett K. Stanford was best man for his brother and Jack W. Stanford, another brother, was candle-lighter and usher.

Jerry Lynn Pennington read the Lords Prayer, and Mrs. Jerry Pennington received guests at the door. Pianist was Mrs. John Stigler.

After the ceremony, which was attended by about 35 relatives and a few close friends, the bride's parents entertained with a reception. The serving table was laid with linen and centered with summer flowers. Grete Mund and Betty Sue Williams served the tiered cake and punch, and Ebba-gene Blaylock registered the guests.

The couple left immediately afterward on a wedding trip to Ruidosa, New Mexico. For traveling the bride wore a blue linen dress with white accessories and a gardenia corsage.

The young couple have rented a Shugart apartment, and they will make their home in Eldorado, where the groom is an employee of Ohio Oil Company.

Both of the young people were reared here and are graduates of Eldorado High School. The bride completed two years of college as a home ec major at Texas Tech, where she was a member of the American Home Economics Ass'n. The groom received his degree in petroleum engineering this spring from Texas Tech, where he was a member of Alpha Phi Omega and the Double A Association.

Among those here from out of town were Mr. and Mrs. Raymond Allsup of San Antonio, Mr. and Mrs. W. B. Means and daughters of Houston, Mr. and Mrs. Joe T. Lawrence of San Angelo and the Tom Kents of Alpine, who have been guests in the home of the Truett Stanfords.

DANNHEIMS HONORED

A buffet supper given by relatives at the family home honored Mr. and Mrs. L. T. Dannheim on their birthdays Saturday night. All of the children were present, also a number of other friends and relatives.

Present were: Mrs. Minnie Gage, Mr. and Mrs. Harvey Dannheim and children Noel, Sammie and Marlyn, Mr. and Mrs. Warren Reeves, Clarice Dannheim and Bobby Hurst and Jay Farrington, all of San Angelo; Mr. and Mrs. Mora White of McCamey, Lawrence Dannheim and Nell Williams, Mr. and Mrs. Henry Speck, Jr., and Connie Sue, Mr. and Mrs. Henry Speck, Sr., Mr. and Mrs. E. H. Dannheim and Sherill, all of Eldorado.

L. Moore and his son Henry Moore will go to Austin Saturday to attend the Watson Brothers dispersion sale of their Angus stock.

Mrs. P. W. Hazelwood has been on the sick list but is improving.

Jane Mund and R. B. Cooper of First Baptist Church, are attending the Baptist camp at Ridgecrest in North Carolina, for two weeks.

Mr. and Mrs. Tyrrell Conway have had as guests Mr. and Mrs. Paul Schmidt of Bartlesville, Okla., and Mr. and Mrs. A. F. West and two sons of Borger. The visiting women are Mr. Conway's sisters.

The Presbyterians had a social hour Sunday night in the church dining room, where ice cream and cake was served. All of the circles of the women's group met Monday — Circle No. 3 at Mrs. Pat Enochs and 1 and 2 at Mrs. Bert Page's.

RUBBER STAMPS with the words "Past Due—" etc., carried in stock at Success office, price \$1.00. Other rubber stamps ordered custom made.

Cotton Classing Advantages Told

Farmers get better prices for their cotton when they know three things before going to market, according to H. J. Maatejowsky, head of the Abilene Cotton classing office, U. S. Dept. of Agriculture.

He named grade, staple length, and knowledge of local price quotations. Then he explained that farmers armed with these facts are in a position to demand fair value, whereas those who only know that they've got a bale of cotton to sell are likely to get paid less.

There's a simple way for farmers to get this information, he pointed out, and at no cost. They can sign up with a Cotton Improvement Group under the Smith-Doxey program. To do this, a farmer must contact his County Agent, the Cotton Classing Office, or his local ginmer.

After his group is organized, the elected group leader files one application with the Cotton Classing Office covering all of its members. "Once this is done," Matejowsky said, "members will get free classing service on all their cotton." And, in addition, they can get USDA's price quotations each week. This service is mailed free upon request.

And when their cotton is classed by USDA, he stated, farmers will get back a green classing card showing grade and staple length. With this card, they can sell their cotton without bothering to submit samples to buyers.

Matejowsky reminded interested farmers to sign up before the deadline date to insure their place in the 1953 program.

Peggy Jo Kirby of Monahans has been visiting this week with Bernell Doyle. She returned to her home today, Thursday.

**CRAIG - PHILLIPS WEDDING HELD ON THURSDAY**

Marianne Craig, daughter of Mr. and Mrs. E. W. Craig, was married at 8:00 p. m., June 4, at the Rock Church of Christ, to John Phillips, son of Mr. and Mrs. Paul Phillips; Marshall Davis, the bride's uncle, officiating with the double ring ceremony. The bride was given away by her father.

The ceremony was performed before the altar, which was banked with greenery, and flanked with tall candelabra holding white candles. Baskets of white glads completed the floral arrangement at the altar.

The bridesmaid was Martha Frances Parker, daughter of Mr. and Mrs. A. R. Parker, and cousin of the bride. Truman Biggs was best man; Pinkney Craig, the bride's brother, and Roger Sofge, lighted the candles and were ushers for the evening.

The bride wore white lace over white taffeta. The wedding gown had high collar, fitted bodice with tiny self-covered buttons at the front, long sleeves pointed at the cuff, and full ballerina length skirt. Her bridal bouquet was of pink rosebuds. She wore a small white hat of lace, and short wedding veil.

Miss Parker's dress was of orchid net over taffeta, with full ballerina length skirt and jacket of lace. Her head dress was of lace with yellow flowers, and she carried yellow glads.

About sixty attended the reception which was held in the club room of the Memorial building. Barbara West served the cake and Frances Parker ladled punch. Juanita Phillips, sister of the groom, registered the guests.

Ruthie Dee Harris played the wedding music. Mrs. Eddie Peel and Mrs. E. H. Nixon sang "I Love You Truly," and as a benediction Mrs. Nixon sang the Lord's Prayer.

After the reception the couple left on a wedding trip to Carlsbad, from which they returned Sunday. They will make their home here for the summer, and next fall will move to Abilene, where the groom will continue with his college work at ACC. During this summer he has employment in Eldorado.

Included with the large number of local relatives and friends who attended the wedding were an aunt and uncle from out of town, Mr. and Mrs. A. C. Craig of Colorado City.

E. H. Coulter is visiting this week with relatives in Tulsa.

**First Baptist News**

We were happy to have in our services this past Sunday the Rev. Clifford Nelson and family. He was formerly pastor of the First Baptist Church. Bro. Nelson is now our District 16 Missionary. The morning message was brought by him and there was one coming by letter. We are glad to welcome into our church Mrs. Gene Boop from the First Baptist Church at McAllen, Texas. Bro. Darwin Welsh, the acting pastor, brought the evening message. There were 204 in Sunday school and 77 in the Training Union hour. Our Sunday school has averaged 227 for the first six months of this year. We are very happy for this record and we believe that it will average higher at the end of 1953.

This is the last week of our Vacation Bible school. Tomorrow night (Friday) at 7:45 we have our commencement exercises for the school. The public is invited to come to this program. A film will be shown at the close of the service. It will be concerned with missions in Africa. The name of the film is "In the Footsteps of the Witch Doctor."

We would remind Junior and Intermediate boys of R. A. camp to be held at Lake Brownwood next week, June 15-18. Parents, be sure that your boy goes to camp. It is an experience in character training that they can not afford to miss. Everything is so organized that your child comes back having had an opportunity to share their experience with others. R. A. Camp fees are \$5.50 which covers registration, meals and insurance.

The following items are to be brought: Mission offering, swimming suits, change of clothes, handkerchief, extra coat or sweater, pajamas for sleeping, toothbrush and paste, 3 blankets or quilts, Bible, flashlight, sheet, a congenial spirit, and a prayer for the success of the camp.

Our summer revival is just around the corner. The date has been set for July 17-26. Bro. J. M. Bradford, an outstanding evangelist in Texas, will come to do the preaching. Bro. Darwin Welsh will direct the music.

Rev. Roy Shilling, pastor of the Methodist Church at Big Lake, came through Monday with young people from his church who were attending camp at Kerrville. Sue accompanied him to Eldorado and spent the day here with friends.

**MUSEUM AT FORT DAVIS**

Of interest to travelers in the southwest is the opening of a museum in a restored barracks building put up in 1854 at Fort Davis. The project is under sponsorship of the Fort Davis Historical Society.

The museum contains many relics of the Fort and other items of interest. Possibly the most interesting is a display of 107 old whiskey bottles. In 1861 a Yankee bartender buried whiskey so it would not fall into the hands of the Confederates and the shipment lay there for 91 years until it was discovered last summer. The bottles have been put on display still covered with dirt and bits of grass. Old Fort Davis is at the outskirts of the highest town in Texas. It is located on the main road from Big Bend National Park to the Carlsbad Caverns, all situated in one of the tourist meccas of the Southwest.

Mrs. Albert McGinnes has had as guests Mrs. Ben Brooks, her mother, of Tennyson, and Sheri Hawkins, a niece, of San Angelo.

**Methodist News**

**Bible School Closes**

The regular morning devotional program was used as the opening numbers at the program presented by the children of the Methodist Church Wednesday night of last week, closing time for the ten-day vacation Bible school.

Each department was represented on the program, which consisted of songs, stories, scripture verses, some of the numbers being in costume. Rev. Doyle Morton opened the program with prayer and congregational songs.

After the program the visitors were invited to the dining room, where the work completed by children in the various departments

was on display. Mrs. Luke Thompson, Mrs. Elmer Peters, Mrs. Ray Tisdale and others served punch and cookies.

The offering taken at the Bible school was sent to the Methodist mission project at Ozona.

Roxa Jean Tinning, Nancy Jo Elder and Donna Beth McCormick are attending the young peoples' sessions at the Methodist camp at Kerrville this week. Rev. Doyle Morton is a counselor for the week. Roxa Jean will attend an officers' meeting, as she is vice president of the MYF.

Mrs. M. O. Kimmey had major surgery Monday in San Angelo and is reported to be doing well. She is in Room 410 at Shannon.

Mr. and Mrs. W. R. Bearce drove to Junction Sunday with their son Bill, 1953 graduate of EHS, who enrolled at A & M Adjunct for the first six weeks. It is understood that he is the first youth from this county attending this school at Junction.

Mr. and Mrs. Wiley Hight spent the week end in San Antonio with Mr. and Mrs. J. C. Boatwright and Mr. and Mrs. S. A. Mask and boys. They were accompanied by a nephew of London.

W. F. Parrent has been released from the hospital in San Angelo and is being conditioned for another operation on his hand. He is staying with his family in Eldorado this month.

**TV NEWS**

What's all this talk about television service, you ask? If you are going to get a new television set, why should you have to worry about service right away? If the thing is going to need fixing all the time, maybe you shouldn't have one at all.

Now that's a good question . . . but it's an easy one to answer, too. Your television set is a very complex instrument—much more so than your radio. Certainly if you get a new television set, a good one like a Philco, whose popularity over the country shows that they have given fine performance, you can reasonably expect that you'll get excellent, trouble-free service for a long time.

But there are a number of things you have to keep in mind. First, the set has to be properly installed, by an expert technician who can adjust it to the receiving conditions of your locality. Secondly, even a new set may have bugs that have to be ironed out—like a new car. You can buy the best car made—and you will still have to take it in for the minor adjustments that become necessary as the car is driven for the first time. These adjustments may be necessary on your TV set, too—and like your car, your set is guaranteed to perform satisfactorily, so you don't have to worry about these initial adjustments—IF you buy your set from a servicing dealer.

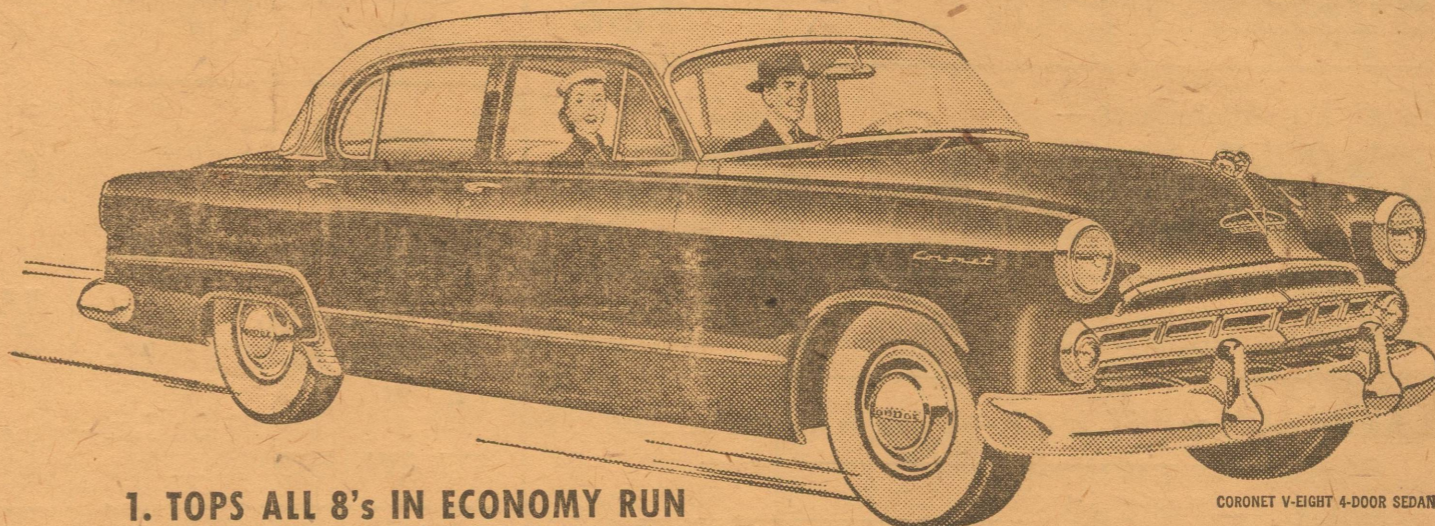

So the point of all this is that service IS important—but not a great worry if you buy from a dealer experienced in installation and service.

### News From Our Neighbors

#### New Baptist Director

James Crow, who is with the music department at Howard Payne college, has begun his duties at the First Baptist church here as educational director. He served for two years under a chaplain while in the armed service in Germany.—Menard News.

#### Site For Manufacturing?

Fort Stockton is one of several sites in the extreme western part of Texas under study as possible site for a manufacturing plant which would use the now useless creosote (or greasewood) plant as a source of raw material in the

manufacture of compressed hard-wood panels (such as Masonite and Prest-wood.)

The Santa Fe Railway's industrial division, as well as the West Texas Chamber of Commerce, had requested information from local sources on such factors as gas, water, and power supply, prevalence of the raw material, labor, supply, and transportation.—Fort Stockton Pioneer.

#### Water Mains Extended

When laying of 4500 feet of six-inch main extensions to the present water distribution system in Ozona, are completed, all sections of Ozona will be provided with better water service and ample fire protection. The extensions are now being laid in three sections of the city.—The Ozona Stockman.

#### Rancher Injured

Robert Kelley Jr., young Sutton County ranchman, was seriously injured Tuesday morning when his horse either threw him or fell with him near Fort McKavett. He was rushed to a San Angelo hospital where an examination revealed five fractured ribs and a severe blow on the head. He also suffered lacerations and bruises.—Devils River News.

#### Washer Load

College Station. For best results in your washing machine, don't overload it with too many clothes or too many large pieces of clothing. Home management specialists for the Texas Agricultural Extension Service say this advice comes as a result of an extensive study made at the Ohio experiment station.

Findings from the study indicate proper loading is important for successful laundering in any washing machine. Research included washing 20,000 pounds of soiled clothes from 32 different families in five different automatic washers and a reliable, well-known conventional or non-automatic washer for comparison. During the study 75 women reported machines that would not remove soil and the

trouble often was found to be overloading. Ten self-service operators reported overloading as their greatest problem with cylinder-type washers.

Manufacturers of the cylinder or agitator-type washers rated the load capacity as 9 pounds and the pulsator washer as 8 pounds. The Ohio study showed that all washers did a better job with a 7½ or 8-pound load. This indicates it is wise to weigh clothes before putting them into the washer until the 8-pound load becomes easy to estimate.

The specialists say the research also indicates a combination of large and small pieces is practical and satisfactory for family washing. Combinations of small items washed well because they could move freely, but a load of sheets, for example, gave trouble. In agitator-type washers a load of sheets could not move freely. They billowed around the agitators, and turned over so slowly that the mechanism seemed to work continuously only on part of the washing.

For best results, the research indicates a typical assortment for an 8-pound load; 2 sheets, 2 pillow slips, 2 bath towels, 2 men's white shirts, 2 luncheon cloths, and about a pound of tea towels or other small items. In the typical family wash there will be two such loads, then a third load of dresses and undergarments, and finally a load of colored or badly soiled items that must be washed separately from the white clothes.

Mr. and Mrs. Tom Kent and son Dan of Alpine spent the week end here, attending the Mace-Stanford wedding and visiting relatives. Mrs. Kent and Dan remained through this week, while Mr. Kent left Monday for his home.

Rev. and Mrs. Clifford Nelson spent the week end in Eldorado with friends.

Mrs. J. S. Pelt and Mrs. C. L. Fortson of Edinburg and daughter Mrs. Jessie Hay of San Bonita and two sons, have been visiting

Mrs. W. L. McWhorter and Mrs. W. T. Whitten.

the twins of Odessa are vacationing here, and visiting Mrs. Stevens' parents, Mr. and Mrs. F. B. Cal-cote.

ELDORADO WOOL COMPANY

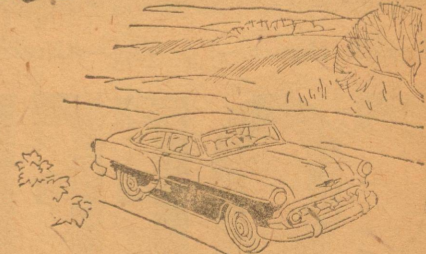

# RECORD-BREAKING GAS MILEAGE

for the driving YOU do!

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money wherever and however you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide\* models—and the advanced 108-h.p. "Thrift-King" engine in gearshift models—deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most—important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

\*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission available on "Two-Ten" and Bel Air models only.
