ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, OCTOBER 1, 1953

NUMBER 40

Two Wells Being Tested Southwest of Eldorado

Interest this week is centering around two wildcats in Schleicher County, both south and west of Eldorado—one a shallow test and the other a deep one.

The Atlantic Refining Co., No. 1 Roberts, in the southwest part of the county, is coring ahead, after a drillstem test Wednesday morning. At 6920 a drillstem test was made, and a 25 foot core taken. Twelve feet of the core was recovered. On the drillstem test gas surfaced in 23 minutes and 45 feet of gas-cut mud was recovered.

The formation is supposedly the Strawn, but there is nothing definite on this today. Coring ahead continues today, and there will probably be another drillstem test. This well is located one section north of Humble No. 1 Spencer, a shut-in gas well. Operators have been banking on No. 1 Roberts being an oil well.

This week end should tell the

story on this wildcat. Much of the interest which centers around this test is due to the fact that smaller holdings in all directions would be affected by the opening of a new field.

SHALLOW TEST

E. O. Meadows of Dallas No. 1 R. M. Thomson, seven miles southwest of Eldorado and alongside the highway, is the shallow well on which testing has been going on all this week. Total depth of the hole was reported as 627 feet. Operators say there were two 6-foot sands just above that depth, which have been identified as the San Andreas sand. The formations were hydrofractured early this week and swabbing has been going on for the last 24 or 36 hours. The fluid recovered was oil and water. At 7:00 p. m. last night operators reported that it was not looking good.

OIL NEWS

JAMES C. WATSON

Midland, Texas

Schleicher County gained another wildcat location this week with the staking of W. W. Murray No. 1 Judkins. The new test is 1980 feet from north and east lines of section 16, block A, AB&M survey and 18 miles east of Eldorado. Site is one and seven-eighths miles south and slightly west of King No. 1 Williams, dry hole at 5990 feet. It is on a farm-out from Standard Oil Company of Texas.

Two more offset locations have been staked to Cox No. 1 Runge, recently completed Strawn reef lime discovery just north of the Huldale field. American Republics will drill No. 1 F. M. Thomson Unit one location west. It is 330 feet from north and 467 feet from east lines of section-80, block M, W. W. Childress survey. It is to go to 5,800 feet.

Hanover Oil Corporation and others of Dallas No. 1 Lulalee Wilson, one location north and slightly west, is 330 feet from south and 66.5 feet from west lines of section 78, block M, GH&SA Survey. It will go to 5,700 feet.

The Superior Oil Company filed application to drill its No. 1-64 A. B. Thomerson one location east of the discovery of the Toenail field of Schleicher County, 15 miles southeast of Christoval. Rotary drilling to 5,500 feet will begin immediately.

The Toenail (Strawn) field of Schleicher County has gained its seventh well and a one location north and west extension on the west side with the completion of Superior Oil Co., 1-65 A. B. Thomerson for a daily flowing potential of 144 barrels of 38.8 gravity oil, no water, with GOR 626-1. Location is in 65-H-GH&SA, 15 miles se of Christoval, over the line in Tom Green County.

A one-location northeast step-out to the Butler (Canyon) field of

northeast Schleicher, MCM Oil Co. No. 1 Jeff Harkey, located in sec. 73, block H, has been completed for absolute daily open flow of 19,100.00 cubic feet of gas and one barrel of 67.5-gravity distillate per 192,857 cubic feet of gas. Production was through perforations between 4755-4759 feet.

In north central Sutton Sinclair will drill its No. 1 Nettie D. Steen as a 7,400-foot Ellenburger wildcat. Drillsite is 660 feet from south and east lines of section 64, block A, HE&WT survey and 6 1/2 miles northeast of Sonora.

Ralph Lowe of Midland No. 1 O'Harrow, wildcat in northeast Schleicher County, has been plugged and abandoned on total depth of 5430 feet in the Strawn reef lime.

Delta Gulf and W. H. Hunt No. 1 R. L. Henderson, wildcat in northwest Schleicher, was making hole below 7,007 feet in lime and shale. Site is 14 miles northwest of Eldorado.

Honolulu No. 2 Tisdale, has been completed for a daily flowing potential of 165.60 barrels of high gravity oil through a 5/16-inch choke. Production is coming from pay above 5763 feet.

Plymouth Oil Co., has filed application to drill a 7,500 foot wildcat in extreme southern Schleicher, 10 miles south of Eldorado, and approximately 330 feet north of the Sutton County line. Rotary drilling, on the 160-acre tract, will begin immediately. Location is 660 feet from the north and 1980 feet from the east lines of 37-A-HE&WT.

The prospector is 1 3/4 miles northeast of the now depleted Brushy Top field and 1 1/4 miles west and slightly south of Sinclair 1 Margaret D. Thompson, dry hole abandoned March 18 at 6771 feet.

Runges Entertain With Big Barbecue Honoring Oil Men

Celebrating completion of the newest Runge oil well, the Edwin Cox No. 1 J. F. Runge, which is located near the Runge ranch home, the Runges held a barbecue at the ranch for Tucker Drilling Co., crews, other oil people, ranch and other county friends Sunday.

Orland Harris served barbecue from his portable barbecue pit to 490 guests, beginning at 5:00 Sunday afternoon, starting time of the barbecue.

The group spent the evening visiting on the large lawn surrounding the ranch house. Included in the group were Mrs. Runge's sister, Mrs. Henry Harrison and her husband and son of Menard, also a number of people from San Angelo, Christoval, Eldorado, and other places.

Among the out-of-towners there were Mr. and Mrs. Aubrey Baugh of Marfa and Mrs. J. B. Sammons of Van Horn. Schleicher County OIC chairman was present to assist in any way possible.

Tax Bills In Mail Today

All property owners in Schleicher County have been made happy yesterday and today by receiving their annual property tax bills from the three taxing bodies—County and State, School District, and City. Tax collectors from all three groups report substantial increases in total valuation.

County and State

The total valuation for Schleicher County is up by two million dollars, with prospects of another increase of three million valuation for next year.

The total County and State valuation this year is \$12,029,451—as compared with about \$10,167,000 last year. Most of this increase is due to oil activities, represented mainly by new producing oil wells.

A general estimate of new wells and other oil property which are the product of activities during 1953 places next year's valuation at an estimated \$15 million. As valuations are made up of property in existence the first of the year, such new valuations as the many oil wells which were brought in during 1953 (and will continue to be brought in until the end of the year), the new Rancho pipe line and Eldorado station, and others, will not be on the tax rolls until the rolls are made up and 1954 bills are mailed out next fall.

School Valuations

The county-wide school district, with a total valuation of \$13,520,893, outranks the county and state as the biggest taxing body of the three. This year's valuation represents an increase of over two million over last year.

The school's valuations will rise next year for the reasons given above for an anticipated increase of another two million. The school is already benefiting by its bigger revenues—and can pay teacher bonuses, and eliminate the crowding which has plagued "poorer" school districts.

City Valuations

An increase of about \$30,000 in the city's tax valuation is reflected in the city's total, which for 1953 is \$1,202,201. The reason for the increase is mainly in new residences and businesses, and installations of various kinds.

The city does not benefit directly for taxable purposes from oil as do the other two taxing bodies—but a general condition of well-being is noted in a town which is surrounded by so much oil activity.

Collections Good

The usual three percent discount on taxes paid in October will be in effect again this year. It is expected to bring in 75 to 80 percent of the taxes within the month. The discount drops to 2 per cent in November, and 1 per cent in December. January payments are net, and penalties apply after the first of February.

E. H. Sweatt, sheriff and tax assessor and collector, states that he has had a large stack of letters from oil companies and others recently, asking for their tax bills as soon as they are available, in order to take advantage of the maximum discount. This seems to be the common experience of tax collectors at this time. A. J. Atkins is handling the taxes for the city and school.

—COLUMNAR PADS FOR SALE at the Success Office.

CO-OP LINEMEN ATTEND STATE SAFETY SCHOOL

Seven linemen from the Southwest Texas Electric Co-Op went to Austin last week to attend a two-day Safety Job and Training meeting, held in the auditorium of the LCRA in that city. 210 men from co-ops of the state were taught use of hot line tools and other phases of routine safety work while they are on the job as linemen.

Attending from here were Elton McGinnes, Jack Logan, A. E. Atkinson, Fred Butler, Doyle Easterwood, Monroe Allen and Roy Crider. They left for Austin Wednesday noon and returned home Friday evening.

Educational Director Will Move To Eldorado

Rev. John Christy is moving to Eldorado October 5, to begin work as assistant pastor at the First Baptist Church, succeeding Rev. Darwin Welsh, who has moved to Trent.

Rev. Christy, who will rent a residence after his arrival here, will be here in time for the services Sunday. He and his wife and two daughters, ages eight and 16 months, have been residents of Justin, where he has been doing similar work.

Rev. Christy attended Southwestern Seminary.

Gus Love Presides At Lions Meeting For Advisory Group

Gus Love, Lions Club chairman of Zone 14B, presided at the first quarterly zone advisory meeting, held here in the banquet room of the Memorial building immediately following the regular meeting of the club Wednesday noon.

Attending the regular club meeting and the zone meeting from out of town were Deputy District Gov. J. W. Jones of San Angelo, Rev. Goldston of San Angelo, E. A. Brodhead and A. E. Prugel of Sonora and Rev. Roy Shilling and L. L. Colvin of Big Lake.

As a feature of the Lions Club regular meeting, Deputy District Governor showed a film on the Lions Convention at Chicago which he had taken.

Mrs. Mace To Head Pre-School Clinic

As chairman of Home and Family Life committee in the work of the Parent-Teacher Assn., this year, Mrs. J. H. Mace will head a "pre-school clinic" for parents of children who will start to school next year.

In the formulating of plans, she states that she needs information concerning the wishes of the parents, and announces that all parents of pre-school children should call her and thus assist in the work of organization of the study group.

To be worked out soon, with assistance of the parents and the Parent-Teacher president, Mrs. Gus Love, are such details as meeting time and type of study course preferred.

The fact that there is no list of pre-school children available makes her task more difficult, and she must depend on parents and friends to report names of children.

Big Lake Owls Fumble to Victory Over Eagles

CONSERVATIONISTS ANNOUNCE TOUR FOR OCTOBER 6th

A soil conservation tour and noon barbecue will be held October 6th at the J. M. Treadwell ranch east of Eldorado. Other ranches in that area will also be toured in order that local persons can see the condition of deferred and light, and heavily stocked pastures.

The tour will be sponsored jointly by the Eldorado Divide and Menard County Soil Conservation Districts, and will be held in conjunction with the election of a Soil Conservation District Supervisor for Zone 5. The election will take place at 2:00 p. m., with the tour scheduled to begin promptly at 9:00 a. m.

Soil Conservation service personnel and cooperators in this district will show why it pays to grow grasses and what rain will do when the soil is in condition to take moisture. A grass and water penetration test will also be observed on the tour.

Everyone present will be able to make the tour, but only persons holding title to farm or ranca lands within Zone 5 will be able to vote. Zone 5 begins at E limit of Eldorado, thence SE along the Eldorado-Ft. McKavett road, then SW to Sutton-Schleicher County. Thence N to NE corner of Schleicher County, thence W to State Highway 30. Thence S along State Highway 30 to place of beginning. Particularly invited to participate in the tour and barbecue are the ladies—rancher's wives, club members, business men and other interested individuals.

ELDORADO CLINIC NEWS

Mrs. John Miller had emergency appendectomy Monday and is doing well.

Russell Sallee broke his leg in an accident Monday and is convalescing at his home.

Mrs. Clarence Wilson had surgery Saturday.

Mrs. B. A. Biggs has been a hospital patient.

A new receptionist at the Eldorado Clinic Hospital is Mrs. Ray Alexander, who succeeds Mary Dell Edmiston whose marriage will take place soon. Mrs. Alexander was checker at the Red and White 2 1/2 years and part time employee five years.

Local doctors have been calling on Mrs. S. L. Stanford, who has a leg injury as the result of a fall in her home recently.

Karl Bauer broke his arm in a fall from a tree Saturday afternoon.

AUXILIARY TO MEET

The Ladies Auxiliary of the fire department will hold their regular meeting next Tuesday night at the city hall. There will be a business session and this will be followed by serving of refreshments.

SCRIPTO Ball Point Pens \$1.00 at the Success Office.

When the Eldorado Eagles met the Big Lake Owls here last Friday night both teams did a lot of fumbling, but Eldorado apparently fumbled most, for they came out on the losing end of a 6 to 0 score. The Eagles played a good defensive game, but they never did generate the steam on the offensive to get anywhere.

It was a defensive toss-up all the way as J. Holmes, Donald Meroney, and C. Martin all played a good game for Big Lake, while Jerry Pennington, Bill Holcomb, and Billy Etheredge led Eldorado.

The only score of the game came in the second period as Donald Meroney pitched out to J. Holmes who ran four yards around end for the touchdown. Holmes missed the try for point and the score stood at 6-0 and remained there.

Eldorado tried a number of passes and nearly every one of them were intercepted.

So far this season the Eagles have failed to make a touchdown but the scores are getting better. The first game was lost to McCamey 58-0; the second, with Fort Stockton was 20-0; and last week's game 6-0 with Big Lake.

IRAAN TOMORROW

Tomorrow night the Eagles journey to Iraan to tackle another tough western competitor. The starting line-up for the Eagles this week will probably be:

| | |
|----------------|------------------|
| Left End | Bill Holcomb |
| Left Tackle | Jerry Donaldson |
| Left Tackle | Sonny Moore |
| Center | Carey Frisby |
| Right Guard | Jimmy Doyle |
| Right Tackle | Jerry Pennington |
| Right End | Curtis Stockton |
| Q. B. | Billy Etheredge |
| Left Half | George Sofge |
| or Bob Ratliff | |
| Right Half | Billy Edmiston |
| Full Back | Jack Steward |

Lynn Griffin is out with a shoulder injury, and Ramiro Minor with a pulled muscle. Coaches McAllister and Warren have been working the team this week on offense and passing.

Friday, October 9 will be an open date, and on Friday, October 16, will come the first district competition when the Eagles play Menard here.

Other Games

Last Friday night the neighboring teams came out as follows:

| |
|-----------------------|
| Ozona 16; Bronte 0. |
| Menard 26; Boerne 0. |
| Junction 13; Mason 7. |
| Melvin 13; Eden 6. |
| Iraan 26; Sonora 12. |

SLEEPING SICKNESS

We do not know whether or not sleeping sickness is prevalent in this county among stock—but we did learn of one recent case. Trixie, little Shetland pony which has been the pet of the J. Tom Williams children and neighbors for eight years was taken to a vet in San Angelo, and the disease was diagnosed as sleeping sickness. Trixie is better today, much to the relief of the owners.

New Babies

Born, to Mr. and Mrs. Norman Faught, at a hospital in Hobbs, New Mexico, at 5:00 Sunday morning, a daughter, who weighed seven pounds and 15 ounces at birth. Grandparents are Mr. and Mrs. John Faught of Mertzon and Mr. and Mrs. Howard Faull of Eldorado, and greats are Mr. and Mrs. J. H. Faull of this city. The Faulls have been spending several days with their daughter Elizabeth and her husband and the new daughter.

Born, September 21, in a San Angelo hospital, a daughter to Mr. and Mrs. Clifford Schooley. The baby, who has a brother, Cliff, age three, weighed seven pounds and three ounces at birth and has been named Lorretta Gay. The grandparents are Mr. and Mrs. Gray Edmiston and Mrs. F. D. Schooley of Eldorado and the greats are Mrs. L. Holloway of Voca and Mrs. J. E. Davenport of Katemey.

Born, Sept. 21, a son, to Mr. and Mrs. Bill McRae at a hospital in Pecos. The couple have one other child, Will, age two. The baby, who has been named Leonard

Burk, has four grandparents, Mr. and Mrs. Lum Burk of Eldorado and Mr. and Mrs. W. C. McRae of San Antonio. Mrs. Burk left Thursday for Pecos for a several-day visit with her daughter Louise and family.

SAFETY SIGNS TO SLOW TRAFFIC AT LOCAL SCHOOL

As a part of the safety program which the American Legion of Eldorado sponsors, two life-size safety signs have been placed on the highway at the school. The signs were ordered by the Legion, and were paid for by Mrs. Boehmes Bakery at San Angelo.

It is the sincere hope of the American Legion that traffic passing the school will observe the signs and help to make the school zone and Eldorado a safer place for children of Schleicher County.

The county tax collector's office this week was in receipt of a check for \$9,600.00 which represented taxes for the years of 1950-51-52 from the University of Texas on lands owned in this county.

Dist. Court Scheduled On Monday

District Court will meet in Eldorado Monday, October 5 at 10:00 a. m., with Judge Joe L. Mays presiding.

Grand jurors are:

| |
|-------------------|
| H. E. Finnigan. |
| H. W. Hunt |
| John R. Jones |
| W. S. McGregor |
| W. F. Meador |
| Jerry Pennington |
| Jack Shugart |
| W. T. Whitten |
| John Williams |
| Sam H. Henderson |
| Howard C. Derrick |
| J. Forrest Runge |
| Carroll White |
| Orval Edmiston |
| W. F. West |
| D. J. Wilson |

Three cases of theft will come before the grand jury and two for burglary in connection with oil field equipment.

Good news, Ma! She's good for another trip to the State Fair of Texas, October 10-25, at Dallas.

News From Our Neighbors

Park Opening Set

At an open forum meeting of committeemen and chairmen and others interested in the operation of concession stands and other activities at the Lions Club public Park celebration Tuesday, final plans were formulated and last minute details were double checked before the big celebration goes into full swing Saturday afternoon at 4 o'clock when concession stands will open for business and the big old style barbecue at 6 o'clock, to be followed by a varied program that will continue throughout the evening.—Eden Echo.

Road Job Let

Centex Paving Company were low bidders on the FM 915 road from 2.0 miles southwest of Mertzon to the Schleicher County line. Bids by the Centex Paving Co., were approximately \$120 thousand dollars. The second bid of \$126 thousand dollars was entered by Barnes Construction Co., who are now building the FM road from Eldorado north. Construction will start just as soon as the State issues work orders. — Mertzon Weekly Star.

Watch For Salesmen

Charlie Young, Chamber of Commerce manager, urges all McCamey citizens to be on the look out for magazine salesmen who claim to be POWs who have recently returned from Korea. Mr. Young stated that magazines should not be subscribed to from these salesmen unless they have a letter clearance from the local Chamber. It seems that week before last a group of people were passing as Korean POWs and selling on the sympathy of the people.—McCamey News.

Truck Accident

Fifteen cows and 10 sheep were killed when a San Angelo truck side-swiped a large pecan tree late Monday night a short distance beyond the Fred Key shop, but the driver, W. D. Latham, Jr., 21, of San Angelo, escaped unhurt.

Mr. Latham, bound from San Angelo to San Antonio, evidently fell asleep on approaching Mason. The cab missed the tree as the truck swerved off the highway, but the sideboards were torn off by the branches and the livestock plunged into a ditch. The truck was loaded with 22 cows and 24 bucks purchased by E. L. Mitchell at the San Angelo auction ring Monday for the Melton Provision Co., of San Antonio. — Mason Co. News.

Auxiliary To Organize

A. E. Bell Jr., commander of the George Scott Post of the American Legion here at Bronte, announced this week that there will be a meeting Tuesday night to organize an Auxiliary unit of the local post.

Bell said that all Legionnaires and their wives are urged to be present. The meeting will be held at 7:30 p. m. at the Legion Hall.—Bronte Enterprise.

Attend Church Meeting

Several Menard persons are expected to attend the northern convocation of the Episcopal Diocese of West Texas when it meets at Kerrville Friday. Churches represented in this convocation are Episcopal churches at Kerrville, Junction, Sonora, Llano, San Saba, Brady, Fort McKavett and Menard. Host church will be St. Peter's at Kerrville.—Menard News.

Pitting Plow Used

The use of a pitting plow on bare, deep flats has proved so successful in holding valuable runoff water on the ground, that the Crockett Soil Conservation District Board of Supervisors has purchased one.

ed a complete set of machinery for the use of Crockett District ranchers. The equipment includes a tractor, pitting plow, and a trailer to transport them on.

As an example of the benefit of using this type plow shown during the recent showers that fell in this area; water penetration was 24 inches deep and deeper in the pitted areas, as compared to only 3/4 inch in non-pitted areas. — Ozona Stockman.

Join Reserves

George L. Spinks and Rodolfo Guadjardo have recently joined the Sonora army reserve unit, Co. B, 830th Engineer Aviation Battalion. Guadjardo is a veteran and holds the rank of corporal. Spinks is a senior high school student.—Devils River News.

Cemetery Ass'n Proposed

A movement, sponsored jointly by the Reagan County Commissioners Court and the Progressive Study Club, is underway to organize a cemetery association, and a mass meeting will be called in the near future for such a purpose. —Big Lake Wildcat.

Electricity For Park

This week Rio Grande Electric Co-Operative began stringing wires on the poles it has set from West Texas Utilities Co's substation just north of the intersection of U. S. Highways 67 and 90 into the park area, and electric power to meet all needs is assured for the Big Bend by Dec. 1, according to Park Superintendent L. A. Garrison.—Alpine Avalanche.

New School?

A group of thirty interested citizens met with the school trustees Tuesday night to discuss the possibilities of getting a new school building for the Robert Lee Independent District. Considerable sentiment for a new building has been expressed and the meeting was called to learn if there was enough interest to warrant going ahead with the proposition.

Practically every person at Tuesday's session felt that a building was needed, that the district could have a new school without raising the present tax levy, and that the ball should be started rolling to give the public all possible information on the subject.—Robert Lee Observer.

Mr. and Mrs. D. C. O. Wilson have returned from a vacation trip of ten days in San Antonio, Fort Worth and Dallas. At Ft. Worth Mr. Wilson attended the 37th roll call of the First Campers.

Mr. and Mrs. Pete Ringle of Schleicher County and Mr. and Mrs. A. L. Ringle of Texon spent ten days fishing at Corpus and other coast towns. They report a good trip and a good catch.

Rev. and Mrs. Clarence Smith of San Angelo were week end guests in the Marvin Logan home.

The Tom Carroll family of Ozona spent the day Sunday with Eldorado relatives.

Jerry Starkey of San Angelo met Monday night with the Lions Club troop committee and the program for the new year was tentatively set up, with a few more workers yet to be secured.

The new Scoutmaster is Herb Howe, young geologist here with Humble, graduate of the University of Louisiana, with a Master's from an eastern school. An assistant will be provided soon.

Dick Preston, as previously announced is Cub Master. Den mothers at this time for three cub packs are Mrs. Edward Meador, Mrs. Forrest Runge, and Mrs. Hollis McCormick, and there are several assistants who will be announced later.

Rev. Doyle Morton is advisor of the Explorer Scouts, with Derl Griffin as his assistant. Those two will work together through the year in carrying out the Explorer program.

From where I sit... by Joe Marsh

One for the Books!

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?"

"It's not for me," she answers, "it's to remind you, and everybody else who asks what it's for, to contribute to the Woman's Club Library Fund. We need \$200 and we figured we'd get more help if we could get people to ask us about it."

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all

fixed up—and there's enough money for some new books, too.

From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors. Like when we start telling them what we think is best. I may like a travel book and a temperate glass of beer while you prefer a cup of tea with your historical novel. Let's both remember not to "put the finger" on the other!

PANSY OWENS WEDS SOLDIER FROM EL PASO

Pansy Owens of Corpus Christi and Pfc Charlie Covey of Ft. Bliss were married in Las Cruces, New Mexico, Sept. 27.

The bride is a daughter of Mr. Marion Owens of Eldorado and Mrs. Marion Owens of Corpus Christi. She is a graduate of Eldorado High School and for the past year has been employed in Okmulgee, Okla., and at the present is residing in Corpus Christi

with her mother, and is employed by the Southwestern Bell Telephone Co., where she is an operator.

The groom attended schools in Comal County and before his induction into the Army October 26, 1952, he was employed by a construction company in Sutton County. He is a son of Mrs. Anne Covey of Sonora.

The couple plan to reside in El Paso after further arrangements are made.

Success, \$2 year — anywhere.

WEDDING IS SATURDAY

Relatives and a few close friends will attend a wedding ceremony Saturday morning at 10:30 at the Church of Christ, when Mary Dell Edmiston will become the bride of Lloyd Baskin.

Miss Edmiston is a graduate of EHS and attended Texas Tech. The groom-to-be was reared in Levelland, graduated from Tech, formerly was located here with Indian Mud Co., and is now a resident of Hobbs, where the couple will live. She resigned recently from her position as receptionist at the Eldorado Clinic Hospital.

Herma B. Whitten, daughter of Mr. and Mrs. Buren Whitten, was ill during the week end and was absent from school Monday.

Mr. and Mrs. Fred Gunstead drove to Robert Lee Saturday morning to attend funeral services for Mrs. A. J. Kirkpatrick, 55, wife of the publisher of the Robert Lee Observer. The funeral was held at 10:00 a. m., at the Robert Lee Methodist Church, and interment was made in the Lawnhaven Cemetery at San Angelo.

Pvt. and Mrs. Grover Lee Johnson and Sgt. and Mrs. H. H. Mowry of Mineral Wells were week end guests in the home of Mrs. Berna Wilson and Mrs. Mary Ann Johnston. The men are stationed at Camp Wolters. Mrs. Mowrey is a German war bride who has been in this country only about seven months. Other guests in the home were Mr. and Mrs. Cut Edmiston and baby of Big Lake, who were here from Friday through Sunday.

Mr. and Mrs. Cut Edmiston drove to Roswell, New Mexico, with Mrs. Pauline Nortman, who returned from there to her home at Phoenix, Arizona, after a several weeks' visit with relatives here.

Relatives from Rochelle, Mr. and Mrs. Arthur McCoy and Grace and Billy visited recently with the J. C. McCoy family.

Albert McGinnes and family spent Saturday and Sunday at Rankin with Mr. and Mrs. Bill Brooks and baby.

Mrs. D. C. Hill has returned from Alpine, where she spent the summer, and will be here for awhile with her daughter Miss Katharine Hill. Mr. Hill, who is a patient in his son's hospital in Alpine, remained there.

Mr. and Mrs. Wallis Cozzens of Midland spent from Wednesday through Friday with Wallis' mother Mrs. Mattie Cozzens and left their daughter Pamela here for a longer visit.

Mr. and Mrs. Albert Fore had as a week end guest their daughter Mrs. Norman Yandell of Kingsville.

O. V. Doty writes friends that he and his family are living at Lawndale, Calif., and that he is doing carpenter work there—also that they like their new location.

Mr. and Mrs. W. H. Graves have had as guests Mrs. Graves' parents, Mr. and Mrs. Floyd Harrison of Uvalde, and all took Sheila to the circus in San Angelo. Sheila accompanied her grandparents home to Uvalde for a week's visit.

The children of the John Millers are staying in Ballinger with their grandparents during the convalescence of their mother, who recently had surgery.

CELEBRATES BIRTHDAY

Mrs. A. E. Kent celebrated her 77th birthday at her home here during the week end. Present for the celebration in addition to the local relatives were Mr. and Mrs. E. L. Kent and children of Monahans, Mr. and Mrs. A. P. Waldrip of Melvin and Mr. and Mrs. W. I. May of Fort Worth, who visited in other homes here also.

ATTENDS TEA OUT OF TOWN

Mrs. Forrest Runge was out of town from Monday through Wednesday visiting Mr. and Mrs. G. J. Eisler at Austin. She attended a tea Tuesday morning at 10:00, given by Mrs. Lou Ellen Rose, introducing Beebee Faulk, who will wed Lt. Patterson Rose October 3 at the First Christian Church in San Antonio. The families are old friends of the Runges.

MERRYMAKERS MEET

The Merrymakers "42" Club met at the home of Mrs. W. H. McClatchey Thursday, three tables of players spending the afternoon at the game. The hostess served refreshments to the group at the close of the afternoon.

LIBRARY NEWS

Some of the newest books added in August are "The Best Man" by Hill; "Seventeenth Summer" by Daly; "With Banners" by Laring; "The Black Stallion" by Farley; "Dolly Madison" by Mousell.

Mrs. F. B. Calcote and P. F. Case each donated a box of books to the library this month.

September guild books are "Life Among the Savages" by Jackson, and "Time and Time Again" by Hilton.

The library committee reelected Mrs. Mary D. Coupe delegate at large at the monthly meeting held on September 4th.

Ten new readers were registered in September.—Library Reporter.

Mr. and Mrs. Peyton Cain of Alpine came through here recently and left their children Beep and Jane with their grandparents Mr. and Mrs. A. J. Stevens while they went on to Austin on a business trip.

Mr. and Mrs. Buster Gunn left Sunday evening for their home at Pearsall, after a week end visit with Mr. and Mrs. Jess Thompson and other old friends here. The two couples spent a night in the home of the Jack Whitneys at Ozona.

Anita Runge phoned recently from New York City to inform her parents Mr. and Mrs. Forrest Runge that she had just returned from her long summer trip to Europe, arriving a day late because her ship was delayed while they picked up 29 ship-wrecked people, victims of a hurricane. She will visit friends and distant relatives in New York State before arriving home, some time next week.

Mr. and Mrs. E. H. Nixon have moved from the Roy Andrews rent house to a Marshall Davis house.

A. R. Parker has returned from a visit with his sister at San Antonio, New Mexico.

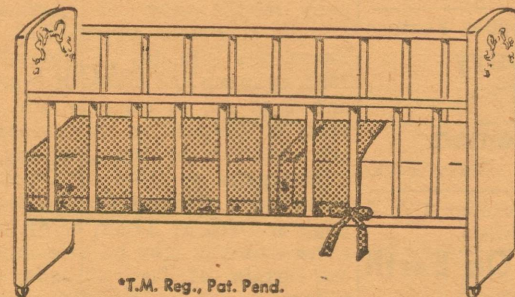

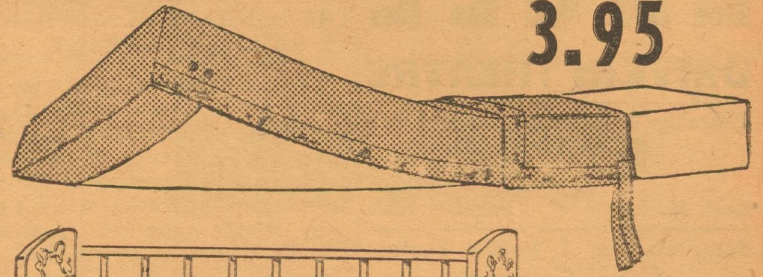

Recipe of the Week

Braised Steak and Onions
1 lb. beef rump or round, cut 1 inch thick
Salt, pepper, flour.
Fat
Water
2 large onions sliced
Season meat with salt and pepper, and sprinkle with flour. Pound on both sides with the back edge of a large knife or the edge of a heavy saucer to help make meat tender. Cut meat into serving pieces and brown in a little fat in a skillet. Add water to ½ inch depth, cover pan and cook very slowly about two hours or until the meat is tender, adding the onions during the last half hour. To serve place the steak on a hot platter and cover with the onions. Make gravy with the drippings. Four servings.

Prescription Pharmacists

To Which Extreme Are You Nearest...?

Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. All these are common sense precautions and intelligent steps in health care, as is the practice of bringing your Doctor's prescriptions to this fine pharmacy.

PRESBYTERIAN NEWS

The Rev. Charles Bruce, pastor of the Presbyterian Church, accompanied by Wilson Page, an elder in the church, were in San Saba Tuesday attending Presbytery. Today a number from the church are in San Angelo attending an area deacon's meeting at a San Angelo hotel.

The church is observing Worldwide Communion Sunday. All members are urged to be in their places and visitors are welcome.

Women of the Church met in joint session Monday afternoon for a study on Christian Education, the lesson being presented by Mrs. Charles Bruce, assisted by Sunday school teachers, Mrs. F. B. Gunn and Mrs. Joe Edens were hostesses during the social hour.

TO THE STOCKHOLDERS OF THE PANHANDLE AND SANTA FE RAILWAY COMPANY

You are hereby notified that the Board of Directors of Panhandle and Santa Fe Railway Company have called a meeting of the Stockholders of the Company to convene at the principal office of the Company in the City of Amarillo, County of Potter, in the State of Texas, the 16th day of November, 1953, between the hours of 8 a. m. and 5 p. m., to consider and act upon a proposition to authorize the execution by the Company of a Mortgage or Deed of Trust to be called a General Income Mortgage or Deed of Trust, or by such other name as may be determined, on certain of its railroads and properties now or hereafter owned, to secure bonds to be issued in series from time to time to be used in paying, funding, or refunding the indebtedness of the Company for bonds assumed by, or for moneys advanced to, it, or for expenditures made on its behalf, for the acquisition or construction of its railroads and properties and additions or betterments thereto, and indebtedness constituting a prior lien on its railroads and properties now or hereafter owned, and to provide funds for the future extension of, and additions thereto, for the reimbursement of its Treasury for expenditures so made and for other lawful purposes; such bonds to be issued at such time, in such amounts, of such series, and at a lawful rate of interest payable at stated periods, to the extent that the net income of the Company may be adequate herefor (except that the installment of interest due October 1, 1955, shall be payable whether or not earned, and that such bonds shall become fixed interest bonds on the first day of January following any default by The Atchison Topeka and Santa Fe Railway Company under its General Mortgage or Adjustment Mortgage, both dated December 12, 1895, and shall continue to be fixed interest bonds during the period of such default), and maturing on October 1, 1955, and to be subject or not subject to redemption, tax free or not tax free, convertible or not convertible into shares of capital stock of the Company, subject or not subject to sinking fund provisions, and containing such other terms and conditions as may be determined or prescribed by the Board of Directors; so limited in amount that bonds at any time outstanding, together with all the then outstanding prior debt of this Company and the par value of its then outstanding shares of capital stock shall not exceed the sum of \$46,400,000 plus the amount expended after December 31, 1952, for the acquisition, construction, or extension of railroads and railroad property, and for additions and betterments to such railroads and properties now or hereafter owned by the Company; such Mortgage or Deed of Trust to contain also such terms and conditions as may be prescribed or authorized by the Stockholders at said meeting; and to authorize the immediate issuance under said Mortgage of two bonds for \$9,000,000 and \$11,984,000, respectively, or such sum not exceeding said amount as may be approved by the Interstate Commerce Commission; said bonds to be dated July 1, 1953.

D. C. O. WILSONS HOSTS TO EPISCOPALIANS OF SEVERAL CHURCHES

Mr. and Mrs. D. C. O. Wilson were hosts to ministers and church members of several Episcopal churches in this area with a barbecue supper Wednesday night at their Coralina Ranch. About 125 attended.

Ministers in attendance included Rev. John Winslow, who serves the Sonora and Junction Episcopal churches, and his family; Rev. Joe Routh, who serves the Menard and Fort McKavett churches, and his family; also Rev. Carter, of the Brady Episcopal church and his family, and Mr. and Mrs. Charlie of their church.

Present also were Episcopalians from Sonora, Junction, Menard and Fort McKavett churches and several from San Angelo parishes, to bring the total to about 125.

A PROCLAMATION

Whereas during the past year fire has taken the lives of some 10,000 of our people and has permanently maimed countless others, and

Whereas the destruction of property by fire has risen to the highest peak in many years, resulting in a monetary loss of nearly a billion dollars, and

Whereas the conservation of lives, property and natural resources is a matter of the utmost importance to our Nation, and

Whereas it has been abundantly demonstrated that fire losses can be substantially reduced wherever people are awakened to the danger,

Now, therefore, I, Dwight D. Eisenhower, President of the United States of America, do hereby designate the week beginning October 4, 1953, as Fire Prevention Week.

I earnestly request all our citizens, during that week, to initiate a year-round campaign in their homes and in their communities against the needless waste of life and property caused by destructive fires. I urge that State and local government, the American National Red Cross, the National Fire Waste Council, the Chamber of Commerce of the United States, and business, labor, and farm organizations, as well as schools, civic groups, and agencies of public information—including newspapers, magazines, and the radio, television, and motion picture industries—cooperate fully in the observance of Fire Prevention Week. I also direct the appropriate agencies of the Federal Government to assist in this crusade against the loss of life and property resulting from fires.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

Dwight D. Eisenhower.

Nat'l Fire Prevention Week Is October 4-10

Everyone in Schleicher County is urged to make careful check of his property in the interest of fire prevention—as one phase of National Fire Prevention Week October 4 through 10.

In the last decade fire has killed more than 100,000 persons and burned or disfigured many hundreds of thousands more.

Each year about 12,000 Americans die needlessly in fire and more than twice that number are severely burned or disfigured for life. Old people and pre-school are the principal victims of fire.

Every day there are 920 home fires—33 deaths by fire—78 store fires—100 factory fires—8 church fires—9 school fires—4 hospital fires.

The combined U. S. and Cana-

dian fire loss total in 1952 was the largest in history—nearly one billion dollars.

Most deaths by fire tragically involve women and children in the home. Many are suffocated by smoke and fire gases without being actually burned. Many deaths are caused by people falling asleep while smoking. Re-entering burning homes to rescue pets or personal possessions is the cause of many deaths.

The eight principal fire causes in the home in order of frequency are: 1. Careless smoking and handling of matches; 2. Misuse of electricity; 3. Defective heating apparatus; 4. Careless handling of kerosene, gasoline and other flammable liquids; 5. Needless accumulations of rubbish; 6. Lighting; 7. Defective chimneys; 8. Children playing with matches.

Farmers Participate

Texas farmers could add as much as \$5,000,000 to their annual gross income by reducing fire losses, an Austin insurance executive says.

Norris W. Parker, manager of the Texas Insurance Advisory Association, a trade association

Foxworth-Galbraith Lumber Co.
ELDORADO, TEXAS

which compiles statistics on fire losses, said that fires in 1952 destroyed at least \$5,000,000 worth of farm buildings and crops. The figures for 1953 may be even higher unless something is done to reduce farm fires.

Nationally, the picture is even worse. Fires across the nation last year cost farmers \$100,000,000.

Three safeguards are suggested by Mr. Parker to help reduce farm fires:

1. Use care and forethought in the construction, maintenance and use of all farm property with a view to eliminating all needless fire danger;
2. Equip farm homes and out-buildings with simple fire-extinguishing equipment to enable individuals to extinguish fires before they reach the serious stage, and
3. Organize farm community fire-fighting brigades equipped more effective equipment than an individual farmer can afford to fight larger fires.

Ft. Worth—Football fans are familiar with the exploits of Slingin' Sammy Baugh who starred at TCU and later with the professional Washington Redskins.

This week at Fort Worth he scored again and probably got a bigger thrill than he did from many of his pigskin heroics. Sammy Baugh took the feeder calf honors with the top load Monday. Baugh ranches near Rotan in Fisher County. He has built a fine herd of Herefords with part of his football earnings. At Fort Worth Monday, he sold a string of calves that included 45 head of steer calves at 524 pounds and \$19 per hundred, best price here in a couple of weeks. The heifers off them sold at \$14.

As September faded and the calendar rolled around toward October, the calf market staged a brisk rally from last week's extreme lows. Most sales were fully 50c to \$1.00 higher than at the close last week and some spots were \$1.00 to \$2.00 up.

Lighter receipts all around the market circle, plus improved shipping and order buyer demand accounted for the better calf market. All sections of the cattle market were stronger, except for yearlings which eased 25c to 50c hundred.

Highly finished cattle were scarce as hen's teeth at Fort Worth Monday, except for scattered boys club calves, a few of those at \$25 to \$26. Other good to \$27 to \$28. Steers and yearlings sold for \$17 to \$22. Most grassers sold from \$10 to \$15.50 with cutter grades from \$7 to \$9. Cows drew \$9.50 to \$12.50 and cutters sold for \$6.50 to \$10. The latter figure reserved for high yielding Brahman and western cutters. Bulls sold from \$8.00 to \$12.50. Fat calves of good and choice grades sold for \$12 to \$14, best heavies \$14 to \$15. Common and medium butchers sold from \$9 to \$11, and culls drew \$7 to \$9. Good and choice stocker calves

sold from \$12 to \$17, a few higher and the top load at \$19. Stocker steers and yearlings sold from \$9 to \$15.50, while replacement cows sold from \$8 to \$12.

Strong shipper demand put a 50c advance on hogs at Ft. Worth Monday, and top hogs sold mostly at \$26. Sows were strong to 50 cents higher at \$21 to \$23.50.

Fall movement of sheep and lambs continued to expand here as 7,700 were reported at Ft. Worth's yards on Monday. Slaughter lambs were strong to 50 cents higher. Fat yearlings were strong. Old ewes lost around 25 cents per hundred. Feeders were very scarce and steady.

Good and choice fat lambs drew \$16 to \$17, and cull, common and medium kinds sold from \$10 to \$15. Stocker and feeder lambs drew \$9 to \$13. Old ewes drew \$5 to \$6.50, some fresh shorn hard culls down to \$4. Old wethers drew \$6 to \$7. Solid mouthed ewes sold for \$7 to \$8. Slaughter yearlings cashed at \$10 to \$12.

A rush of cattle and calves to market on the heels of the first killing frost has market men worried. They are advising cattle men to ship, or plan shipments, so as to get in ahead of this forced rush after a general frost hits. Excessive numbers could mean a bad break in prices and many producers will not be able to postpone shipping after a frost for long.

Some of the firemen and Aux members are planning to attend the Central Texas Firemen's Convention on the 3rd and 4th in Fredericksburg. A list of those attending will be available for next week's issue of the Eldorado Success.

Mr. and Mrs. Walter Barclay and children visited in Richland Springs during the week end.

Mr. and Mrs. O. L. Woodward and Mr. and Mrs. Perry Johnson attended the funeral of Mrs. Rosa Shockley at Barksdale Tuesday. Mrs. Shockley was an aunt of Mr. Woodward and an old friend of the Johnsons.

Mr. and Mrs. (Rita Ann Elder) Dan McWhorter returned Sunday from their honeymoon trip to New Orleans, and are at home in the McWhorter residence near Eldorado.

DESK SIZE blotting paper—Twenty cents.—Eldorado Success.

FT. BLISS TO BE NEW INDUCTION CENTER FOR AREA

Ft. Bliss.—Beginning Sept. 23, Army inductees from New Mexico, Arizona, and Western and Central Texas will report from their local induction centers to a new reception center at Fort Bliss, near El Paso, Texas.

The Bliss reception center has been created as the result of a new Department of the Army policy to process Army inductees directly to training divisions or training centers where they will be trained. The new plan is scheduled to be in full operation here by October 1. It is expected to save time and money by cutting the period of induction processing to 72 hours and by eliminating much transportation cost.

Heretofore, new soldiers from the areas named were received at Fort Sam Houston, Texas, or Fort Sill, Oklahoma, and then assigned to various posts for training.

Under the new plan, the inductee will be sworn in at the nearest large-city induction center and given transportation and meal tickets to Fort Bliss. He will then be given 21 days to attend to personal and business matters, before reporting to Fort Bliss for processing and training.

At the Fort Bliss reception center, which is attached to the Antiaircraft Artillery Replacement Training Center, he will receive an orientation on Army procedure, an initial issue of uniforms, part of his first month's pay, and physical and dental examinations.

He then will go to an RTC training unit for eight weeks of basic training. During this time he is given the Army general classification tests to determine which jobs he is best fitted for in the Army. The first eight weeks of basic training is identical in all branches throughout the Army.

By the close of eight weeks, the men will have been divided into groups by the Department of the Army. For the concluding eight weeks of their basic training, some men will be retained at Fort Bliss for training in Antiaircraft Artillery, while others will be sent to various Army posts in the continental United States for training in other branches of the service. Between the two periods of training, each man will receive two weeks leave. At the conclusion of his 16 weeks basic training, he will be given a permanent assignment.

The Clovis Taylors were among the Eldoradoans who attended the Shrine Circus.

Mrs. Virge Tisdale's Sister Dies Friday

Mrs. Virge Tisdale was called to Del Rio during the week end because of the death of her sister, Mrs. Levi Hinds, wife of a Blue Hills rancher 75 miles from Del Rio.

Mrs. Hinds, age 71, resident of Val Verde County since 1907, became ill at her ranch home Friday. Her husband drove with her to Del Rio, but she died as they reached the hospital late that evening.

Funeral services were held at the First Methodist Church in Del Rio. Included in the large number of relatives and friends attending were Mrs. Tisdale and daughter Mrs. Margaret Tinning, who went to Del Rio Saturday, and Mr. and Mrs. Jerry Hartgraves and Mrs. Lewis Ballew, who went Sunday.

Mrs. Hinds was the former Scottie Lola Ingram. She was born April 14, 1882, in Blanco County, to Mr. and Mrs. W. E. Ingram. In her childhood her parents ranched for awhile in Schleicher County before the family moved to Val Verde County, where she was married to Levi Hinds in 1907.

She is survived by her husband, four sons, Lucious Hinds and Charles Hinds of Comstock, Carol Hinds of Del Rio and Sullivan Hinds of Pontiac, Michigan; two daughters, Mrs. Kenneth Ridley and Mrs. Marion Honeycutt, both of Del Rio; a brother, French Ingram of Del Rio, and a sister, Mrs. Virge Tisdale of Eldorado.

School News

The insurance program offered the students of Schleicher County schools was carried out with a measure of success. About two out of every three students participated in this initial student protection program. The school offers this program only as a service to the students.

The annual pictures have been received by Miss Jewel Shelton, sponsor of the school yearbook, "The Talon." Plans have been made so the students may purchase these pictures but are not obligated to do so.

Students themes on "What The Oil Industry Means to West Texas" have been selected and submitted to the Lions Club committee for consideration. The students are Nell Williams, Janice Cales, Ann Williams, Jorgi Lagow and Glenna Edmondson. The Dramatics Club had their

organizational meeting last Thursday and the following officers were elected: President, Bill Holcomb; Vice President, Myrl Sudduth; Secretary, Ronnie Mittel; Reporter, Jerry Johnson. Club members submitted reports on plays for presentation during the year. The selection of a play was postponed but the club voted to present a three-act play during the fall semester. Miss Waldine Midgett is sponsoring the club this year.

The F. H. A. club met Monday night, September 28, at 7:30 in the high school auditorium for their first night meeting of the school year. An officer of last year, Wilma Jean Lloyd, installed the officers. Each officer lit a white candle for the eight purposes of the F. H. A. The officers wore red or white formals. The red rose, the club flower, was the center piece for the installation service table.

A business meeting followed the installation. President Colleen Hicks called the meeting to order and welcomed all the mothers and club visitors. She then recognized the Club mothers. Old business was brought up and it was suggested that if a girl had not paid her dues as of Monday night and wanted to be in the club, that she should be fined 25c extra. The next meeting at night will be October 12 in the high school. The meeting was adjourned by singing The F. H. A. Prayer Song. All mothers and club members went to the Homemaking lab for refreshments. Mrs. Billy Evans is the club's sponsor.

Eldorado has given the school two school zone warning signs which are placed in the San Angelo highway at the intersection of the north and south sides of the school grounds during school hours. The school administration and faculty ask the cooperation of all local citizens in maintaining a controllable speed in this zone. These signs represent a safety patrol and are about the size of a child. Please recognize them and what they stand for and don't run down a child.

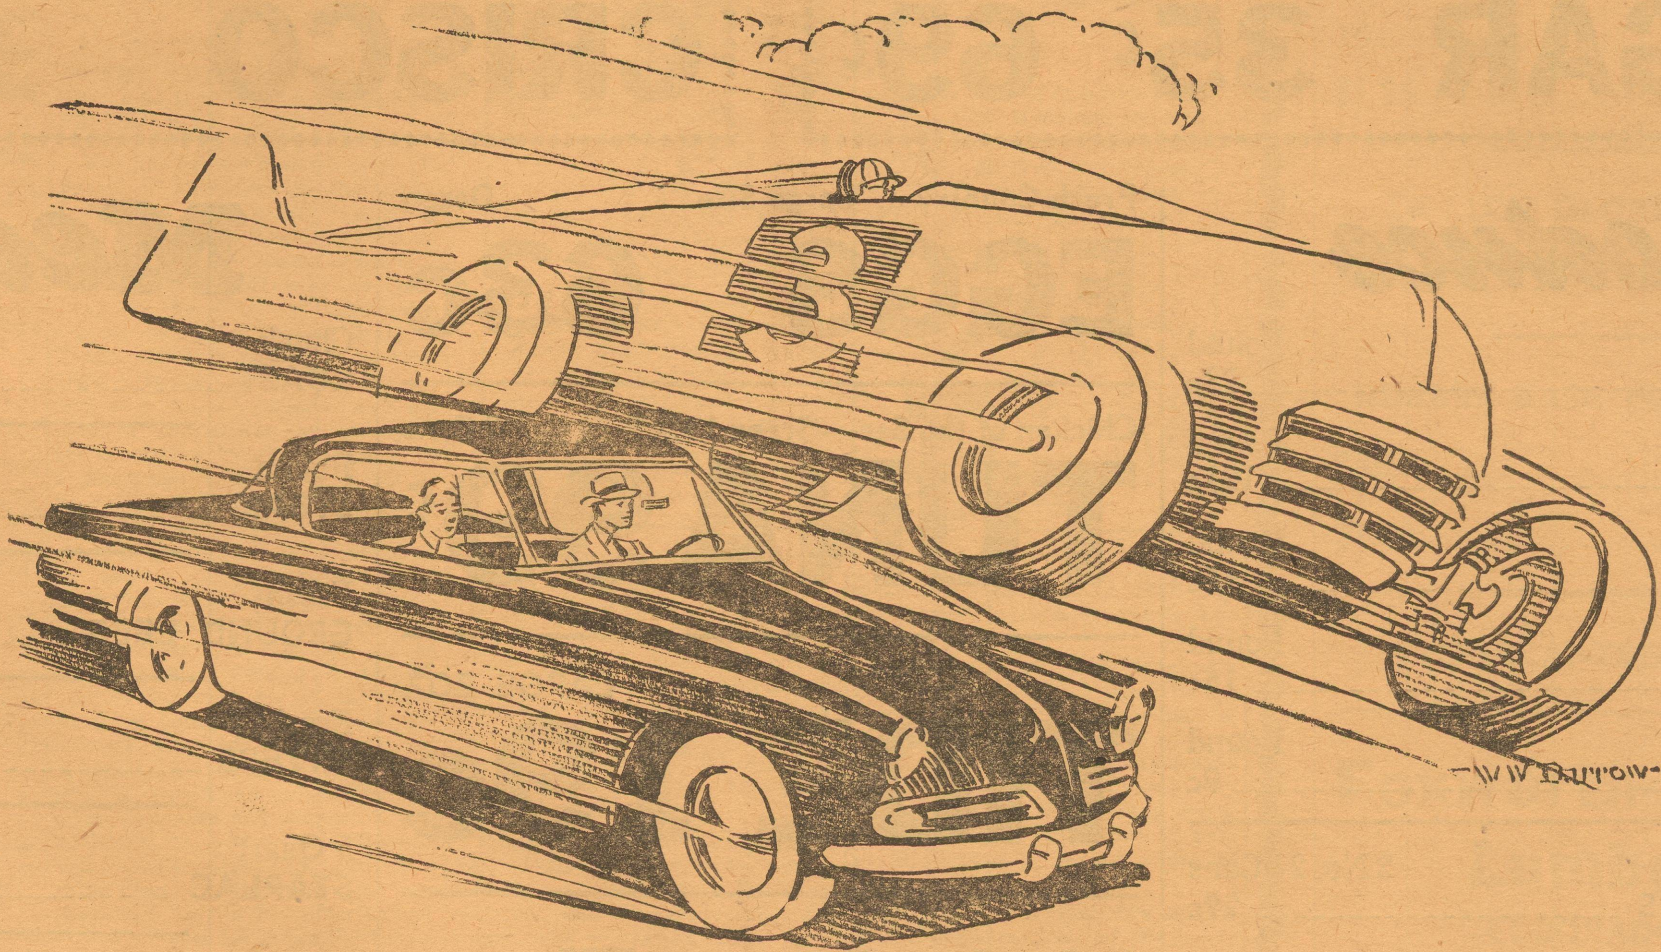

Iraan boosters were in town Tuesday with a program and a delegation of bearded Iraanites, advertising the Annual Old Settlers' Reunion. Several families from here have been planning to attend the reunion which will be Saturday, October 3.

Mrs. Dena White has had as a guest her daughter, Mrs. M. Baker of San Antonio, who arrived here Thursday for a several day visit with her mother.

Weather Clear TRACK ~~FAST~~ *Fatal!*

When racing drivers are out for new speed records, they pray for a clear, fast track.

But those same conditions on the nation's highways produce *different* records—deadly records! Last year 80 per cent of fatal accidents, 26,280 occurred in clear weather on straight, dry roads. Only one answer—too much speed, too little control.

Highways are not raceways, but every road has its dread quota of "race track fringe" drivers. One highway safety authority says: "It is not a question of what is a safe speed—now it is what is a 'survival speed' for the average driver? It isn't up in the 65 miles an hour and plus range, where sustained momentum hypnotizes the senses, where impact is deadly. Now we must slow down to live!"

In the last four years average speeds have been creeping up until more than half of all rural driving, passenger cars and buses, are now exceeding fifty miles per hour with many of them doing well over sixty.

This high speed hysteria must be tamed. It has become a national emergency to be met by indignant public demand for more and stricter law enforcement. Let's stop this losing race with Death!

SLOW DOWN—LIVES ARE IN YOUR HANDS!

Newly-Weds Honored At Tea Saturday

Honoring Mr. and Mrs. Wilson Humphrey, a group of friends entertained with a gift tea Saturday afternoon, Sept. 26, at the home of Mrs. Joe Wagley. Other hostesses were: Mrs. Joe Christian, Mrs. Arch Mittel, Mrs. Kenneth Cheek, Mrs. Truett Stanford, Mrs. Lum Davis, Miss Chris Enochs, Mrs. J. H. Mace, Mrs. W. T. Whitten, Mrs. T. E. Holcomb, Mrs. W. C. Doyle, Mrs. George Cales.

Mrs. Max Henry greeted guests, Mrs. Joe Wagley, Mrs. J. C. Ratliff, mother of the honoree, Mrs. Wilson Humphrey, and Mrs. W. J. Humphrey, mother of the groom, were in the receiving line.

At the register were Mae Runge, Fae Davis and Mrs. Sonny Stanford. Those cutting and serving the cake and presiding at the tea and coffee services were Shirley Sofge, Trudy Gaynor, Martha Dell Williams, Janice Cales, Mrs. Pinkney Craig, and Mrs. Curtis Smith of San Angelo, aunt of the bride.

The serving table was laid with a cloth of cut work, and was centered with an arrangement of yellow glads and gold ribbon. On the buffet and tables in the living room were displayed bowls of yellow rose buds and dahlias. Sixty callers registered in the bride's book.

First Baptist News

The Associational Youth meeting met with our church last Saturday night. There were quite a few over one hundred in attendance. The attendance banner was carried to Immanuel Baptist Church in San Angelo this month. The Association elected officers for the new year and two of our young people were elected. Jack Wayne Stanford was elected president and Jerry Perry elected vice president. This puts the responsibility of a good year on Eldorado. Dr. Taylor of Howard Payne college, Brownwood, brought the main message.

This Sunday will be Installation Day in our church. At the morning worship hour all officers and teachers will be formally installed. All are urged to be present.

The evening service will be given to the observance of the church ordinances. Both baptism and the Lord's Supper will be observed. This is an important service for us, come and take part.

Mr. John Christy will begin his work as educational director with us this Sunday. He and Mrs. Christy and daughters will move to Eldorado on October 5th. We have been looking forward to his coming for some time, and wish to welcome them to our church.

Rock Church of Christ

Everyone will receive a warm welcome at the Rock Church of Christ, regardless of what your religious convictions may be, we will be glad to have you with us for any or all the services listed below.

Bible study for all ages at 10:00 a. m. each Lord's day.

Worship at 11:00 a. m.

The Herald of Truth can be heard each Sunday afternoon at 1:00 o'clock over the San Angelo station.

Lord's day evening service at 7:30 p. m.

Women's Bible study Monday afternoon at 4:00 o'clock.

Devotional service will be conducted each Wednesday evening at 7:30 p. m.

Quentin A. Dunn, preacher.

Mr. and Mrs. Elton McGinnes and children were among the Eldoradoans who attended the circus in San Angelo Saturday.

Mrs. Joe Tisdale of San Angelo, accompanied by her daughter Mrs. Robert Baker, went to Mineral Wells recently, where Mrs. Tisdale had surgery. She is now convalescing at the Baker ranch home in Schleicher County.

JUNIOR WOMAN'S CLUB MEETS LAST THURSDAY

Twenty members of the Junior Woman's Club met Thursday night at the home of Mrs. Elmer Peters, with Mrs. Paul Page as co-hostess.

Dr. Jack Mowrey, guest speaker for the evening, addressed the group on "Surgery, yesterday and Today." Mrs. Mowrey is a new member of the Junior Woman's Club. Refreshments were served at the close of the program.

Fundamental Baptist

The West Texas Fellowship of Independent Baptists will meet with the Bible Baptist Church of Coleman, Thursday, October 1 for an all day fellowship meeting. Everyone is invited to attend this meeting.

Our young people are enjoying the study of Acts in our meetings. If you have not attended this service you are missing a blessing. All young people are invited to attend.

You have a cordial invitation to attend all of the following services:

Sunday school 10:00 a. m. All classes studying Genesis 29.

Preaching service 11:15. Subject by pastor "It Is Finished."

Young people's meeting 6:30.

Evening evangelistic 7:30 p. m. Subject "The Narrow Way."

Wednesday, Bible study and prayer service at 7:30 p. m.

Thursday, Teachers and workers meeting 7:30 p. m.

This church is growing; there is a reason. Come and see.

Cliff McDougal, pastor.

Methodist Notes

Fifty people, including the high school football squad, the coaches and several men teachers, attended the annual barbecue given in the Methodist Church dining room Monday night under auspices of Methodist Men, who sponsor this entertainment each year, in honor of the squad.

Elmer Peters, program chairman of the Brotherhood, was toastmaster and presented Charlie Trigg, who talked on sportsmanship as one of the rules of the game. The program followed the barbecue which consisted of goat barbecue, beans, pickles, onions, tea, and pumpkin pie.

Rev. Doyle Morton delivered the invocation. Lawrence Newport is Brotherhood president.

Next Sunday is Promotion Day and World Communion Sunday.

The Promotion will take place in the auditorium of the church as a feature of the opening services. All members of the Sunday School are urged to be present at the opening time, which will be 9:45. Edward Meador is Sunday School superintendent. At the church hour, which is 11:55, there will be the usual sermon by the pastor and other worship features, including communion. Lewis Jordan is choir director. The offering will be used for overseas relief, and partially toward support of the chaplains' program.

Choir practice Wednesday night at 8:00, following the 7:30 prayer service.

Mr. and Mrs. W. A. Schuller and two children, Dwight McDonald, and the H. W. Hunt family were among those from here attending the circus in San Angelo Saturday night.

Mrs. Anna Smith, Mrs. John Allen, and Wilson Smith spent the week end on the ranch in Llano County.

School Supt. Brodhead and his family of Sonora and the Jack Shugart family of Eldorado spent the weekend fishing at Devils River.

Guests in the Delbert Taylor home during the week end were Mrs. W. H. Thomas of Coleman and George Thomas and his wife of Abilene.

Mr. and Mrs. W. T. Mills and daughter were here for the Big Lake-Eldorado football game Friday night, and remained to spend the week end with Mrs. Mills' parents, Mr. and Mrs. Gene Parker.

Cecil McClatchy of Snyder was an over-night visitor in the home of his mother Mrs. W. H. McClatchy.

THE FINE CAR
at half the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it . . . worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over \$4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and for less than half the fine car price!

Look under the hood of the most expensive cars and what do you find?

A V-8 Engine! Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's — by millions — than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car fine.

Automatic shifting, for example. All the fine cars offer it in one form or another because it's one of the things that make a fine car fine. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever — it

gives you exactly the amount of power you want, when you want it — automatically.

Fine car power steering, too. The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it — especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels and just enough to take out the work. You don't relinquish one particle of control — rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. And you don't pay a fine car price for "Master-Guide."

But there is another fine car feature — the Ford ride. Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement — or lack of it! Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day

would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

What about room? Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger bigger inside.

Visibility is another fine car Ford feature. We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match . . . plus side windows that mean every passenger gets room with a view!

How beautiful is a Ford? A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty" — well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree — even our competitors

— that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

But what about Ford quality? Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish — we believe Ford's baked-on enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

How then is it possible to give you this fine car at half the fine car price?

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

FORD

Worth more when you buy it . . . Worth more when you sell it!
