NUMBER 44

Wolfcamp Oil Discovered In Southern Schleicher County

Plymouth Oil Company appears to have a discovery from the Wolfcamp-Permian lime at its No. 1 H. A. Thomson Estate, central south Schleicher County wildcat, almost on the north line of Sutton County, and straight east of Brushy Top. This prospector, 10 miles south of Eldorado found an oil pay in a drillstem test at 3404-41 feet. The tool was open two hours. Gas surfaced in ten minutes. There were gauge or estimates of volume.

After the tool was closed operator reversed out an estimated 15 barrels of oil and 20 barrels of salt water. Open flowing bottomhole pressure was between 80 pounds and 820 pounds. Shutin bottomhole pressure after 15 minutes was 1,110 pounds.

The project is now making hole below 3,743 feet in lime. It is contracted to 7,500 feet to explore the Ellenburger. It is likely that after the original objective is realized operator will come back up and run a production test on the Wolfcamp section.

It is calculated that the oil water contact in the section at 3401-41 is at approximately 3436 feet. That would give 32 feet of oil pay above the water. This wildcat had previously tested at 3208-3228 feet. The tester was open 90 minutes. Recovery was 20 feet of oil and gas-cut drilling mud, which was estimated to have been 30 per cent oil. Open flowing bottomhole pressure on that test was zero. This wildcat has logged some shows of oil and gas in streaks up to approximately 2450 feet. Location is 660 feet from north and 1980 feet from east lines of section 37, block A, HE&WT survey.

In east central Schleicher Co., Dudley T. Dougherty of Beeville spotted location for No. 1 Luke Robinson, 7,000-foot rotary wildcat. Drillsite is 985 feet from north and 662 feet from east lines of section 59, block I, GH&SA survey and 18 miles east of Eldorado. That makes it 7 1/2 miles northeast of the Baugh field.

American Republics will drill No. 2 F. M. Thomson unit one location southwest of production in the two-well Cox-Brown (Strawn) field of central north Schleicher County. Operator spotted location 330 feet from east and 1344 feet from north lines of section 80, block M, GH&H survey, abstract 822. Site is 13 1/2 miles northeast of Eldorado. The new test is to go to 6600 feet, starting at once.

The Texas Company spotted location in extreme central north Sutton County for 6900 foot rotary wildcat. The explorer will be dug as No. 1B P. K. McIntosh 13 miles south of Eldorado. Location is 2320 feet from south and 453 feet from west lines of section 78, block K, GH&SA survey.

MCM Oil Company No. 1 E. O. Meadows—Thomson Estate, wildcat in west central Schleicher, has been plugged and abandoned on total depth of 610 feet. Location was 330 feet from south and west lines of section 71, block A, HE&WT survey and six miles southwest of Eldorado.

Texas Crude Company No. 1-15 Meador, wildcat in west central Schleicher, was plugged at 7022 feet in dolomite. Site was 660 feet from north and 1980 feet from west lines of section 15, block LL, and six miles northwest of Eldorado.

C. L. Norsworthy No. 1 E. B. Willoughby, failure in southwest Schleicher, was abandoned on total depth of 7,700 feet. Site was in section 131, block A, HE&WT survey.

Part of the rotary for the test on Henry Moore's, Sec. 14, Block A, was moved in during the week end, and work on pits and roads is going ahead this week in preparation for spudding in.

Walter Yarbrough of Kerrville visited over the week end in the home of his sister, Mrs. Claude Doyle and family.

New Babies

Mrs. and Mrs. J. C. Whiteley are great grandparents again. They had two great grandsons, but with the arrival of a daughter in the home of Mr. and Mrs. Edward Whiteley at Lohn, they now have a great grand daughter also. The baby is the first child of the young parents, and the father is a teacher in the Lohn school system.

TURKEY SHOOT DATE IS SET FOR NOVEMBER 7th

The Eldorado Fire Department announces that November 7 is the date for a turkey shoot which the members of the department are sponsoring, beginning at 1:00 that afternoon.

The shoot will be held just east of the city limits, at the rear of the Highway barn on the Menard road. Targets will be live turkeys.

Placards announcing this event will soon be put up in the Eldorado business district and in other surrounding towns. Foxworth Galbraith will give away a model 340 Savage .222 caliber, in a matched shooting to encourage good marksmanship.

Everyone is invited to try his luck at this big turkey shoot.

Junction 48, Eldorado 0

The Eldorado Eagles ran into a higher flying crew of Eagles Friday night at Junction. The Eldorado team dropped their second conference game of the season to a strong Junction team powered mainly by Stanley Britt who scored 2 touchdowns from his tail-back position as well as passing another to Bob Spiller. Wilson also scored 3 TD's for Junction with Billy Hughes crossing the goal line for one TD. Jimmy Randle was unerring in the kicking of extra points as he kicked 6 of his 7 tries.

The loss showed a lack of heads-up ball on the part of the Eldorado Eagles who were consistently caught out of position on most of the plays run by Junction. No Eagle could be picked as a particular stand out as none of them played the brand of ball of which they are capable.

Without a change in the attitude and hustle the Eldorado boys are likely to come out on the short end of Friday night's game when they meet Ozona there at 7:30.

The starting line-up will probably be about the same as it was last week.

Sonora 26; Eaglettes 19

Last Thursday night found the Eldorado Eaglettes following in the steps of their big brothers by losing their third game of the season. Although they lost the game, the young boys looked good at times. They started strong with a touchdown first time they got the ball. Rayes Robledo broke loose for the final 30 yards and a touchdown which was the first of his three TD's for the night. The first score was quickly counteracted by Bernia Vasquez of Sonora whose run tied the score up at 6-6. The Eaglettes then broke Robledo loose again for 60 yards and a touchdown to take a 12-6 lead with 3 minutes to go in the first half. Vasquez was not to be outdone and ran over the Eaglettes again to tie the score up 12-12.

The third quarter saw Vasquez who scored all of Sonora's points, cross the goal twice again. In the last quarter Robledo broke loose again for the last scoring for the evening.

The Eaglettes could not lay their loss completely on the fact that Buster Brock, their full back, was injured in the first quarter; although his services were really needed. Looking very good for the Eaglettes at tackle was Domingo Pena.

The Eaglettes will be at home again Thursday night, meeting Ozona at 7:30 in their final game of the season.

To Serve At Game

The seventh grade has charge of concessions at the Junior High ball game with Ozona, tonight, Thursday. Room mothers will be in charge, with the assistance of the members of the grade. Proceeds will go toward defraying expenses of the Junior High football banquet.

The condition of L. Moore, who has been very seriously ill in a San Angelo hospital, remains unchanged.

Mrs. Nettie Spurgers, who has been with her son Jim at Odessa a month, is at home for a few days before returning there for another visit.

"HEY THERE, MR. BAGPIPER"—Three-year-old Bobby Jo Bailey of Dallas ran to the side of Scottish Bagpiper Bobby Laidlaw and tugged his kilt in a vain attempt to get his attention while he shrilled a tune on the lawn of the Texas Scottish Rite Hospital for Children. Laidlaw and 21 other members of the Plymouth Kiltie Band gave a concert at the hospital in Dallas before 40 tiny patients, including Bobby Jo who is undergoing free treatment for a crippled hand. P. S. There was a happy ending for the two Bobbys. As soon as Sgt. Piper Laidlaw finished the tune ("The Eyes of Texas," no less), he laid down his pipes and talked to the little girl.

SIXTY ATTEND BIG CUB SCOUT PACK MEETING

The October pack meeting of Cub Scout Pack 18 was held on October 22 at the Memorial building. About 60 parents and guests were present. Members of the Pack committee were introduced, as well as the den mothers and den chiefs. The October theme was Indian lore and displays of this nature were shown.

The following Cub Scouts were awarded the Bobcat badge: Michael Blaylock, Ken McAlister, Mack McAngus, B. A. Whitten. A gold arrowpoint and two silver arrowpoints were awarded to John McGregor, while David Childress and Joe Lowe each received a silver arrowpoint. All of the awards were on the Wolf Badge.

Eddie Ohlenburg, Joe Lowe and David Childress each received a Denner award, while John McGregor, Bill Lester and John Griffin received assistant Denner awards.

Fred Watson, Cub committee chairman, explained the meanings of the ranks as he made the presentations. Den Two was awarded the parent attendance plaque.

The November program was discussed and projects were assigned.

Pre-School Clinic Plans Three Sessions

Plans for three two-hour sessions of the Pre-School Clinic were made at a meeting of parents last week. The clinic is to be in session from 2:00 to 4:00 three Thursdays in succession, October 29, Nov. 5 and Nov. 12. A nursery will be provided at these meetings, which will be held in the Memorial building.

Mrs. J. H. Mace is PTA committee chairman sponsoring the group and Mrs. Kenneth Doyle is general leader of the series of lessons.

There will be a lecture and round table discussion at each meeting. All parents of pre-school children are urged to attend.

World Community Day Set For November 6

"Peace" will be the subject for study at the World Community Day program, which will be held at the Methodist Church this year with participating church members in attendance. The meeting is set for Friday afternoon, November 6, beginning at 3:30. Mrs. Bert Page will preside. Mrs. Edwin Jackson will be program leader, assisted by her committee, and there will be election of officers.

Several churches of the city are participating in this movement, and meetings are held three times a year.

Mr. and Mrs. Henry Moore had as guests Saturday Mr. and Mrs. Jack Prather of El Paso who were on their way to Massachusetts to meet their son, a weather observer with the air force, who is returning from Bermuda on furlough. Mrs. Prather and Mrs. Moore are sisters.

Ray Tisdale Shows Film At Lions Club

Two guests were present at the regular meeting of the Eldorado Lions Club Wednesday; these were L. A. Davis, who was introduced as the new shop instructor in the school, and C. C. Smith, whose home is in Christoval.

The program was brought by Ray Tisdale, who showed a film entitled American Harvest, the story of America's wealth in minerals, agriculture, and production in general, all of which make up the American Way of Life.

It was reported that Lions from the Eldorado Club, Joe Muller Christian, Ernest Hill, Gus Love, and Jimmie West were in Christoval Wednesday night, investigating the possibility of reorganizing the Christoval Lions Club.

PTA SCHOOL OF INSTRUCTION IS UNDER WAY TODAY

Officers in the Parent Teacher Association and other members of the local organization are meeting today at the school house for a school of instruction. Mrs. Hazel Green of Water Valley is teaching the one-day course.

Dinner will be served at noon in the school cafeteria.

Guests of Mr. and Mrs. Lige Chrestman were Mrs. Chrestman's sisters Mrs. W. P. Parish of Mankins and Mrs. Bill Wooster of Wichita Falls, also Mr. and Mrs. Henry Jenkins, a niece and her husband, of San Angelo.

Mrs. Leonard Wilson and Mr. and Mrs. O. B. Bradshaw visited their grandfather O. W. Duncan at Calif Creek and a friends Mrs. Tom Bingham at Grady, both of whom have been sick.

YOUR LEGION

To date there are only 12 members lacking to fill the post's quota of 73 for 1954. Every effort will be made to get these members this week. Adjutant Don McCormick will register memberships. All are urged to remember the 21st district convention at San Angelo Saturday and Sunday.

The Military

Alfred Ray Fore, son of Mr. and Mrs. Albert Fore of this city, is at home from the Marines for 20 days, and will report to Camp Pendleton Nov. 5 for further training. He accompanied his mother and his aunt home from Los Angeles, where they went to attend the funeral of a nephew, Robert Westminister of Agora, Calif., age 21, who had been in the Navy four years and who died of a heart attack while he was with his ship on a mission off the coast of New London, Connecticut.

Thad Thomson III, second lieutenant in the National Guard, arrived here Wednesday to visit his parents on the ranch before leaving on his assignment to Korea.

Halloween Carnival Parade Set For 5:00 P. M. Saturday

Post Script

Schleicher County's drouth crop of cotton, gathered from many acres of stunted and scattered stalks, is trickling in to the gin, which has already ginned something over 60 bales to date. People will be surprised, we are told, if the county gets a total of 100 bales.

—ps—

From the office of the county tax collector comes the report that of the \$198,175.52 to be collected, \$130,078.68 has been paid—which makes an average of about 65 1/2 percent. Probably 75 or 80 percent will be paid before the penalty starts. We assume that the city and school would have similar reports.

To date, poll tax payments add up to 148.

—ps—

F. B. Calcote has leased a 1400 acre ranch in San Saba County, and he and his wife will move there soon. He has already stocked the place with 400 head of lambs, and plans to buy some more live stock. Friends will remember that he sold his farm some time ago and put up a house in Eldorado, which he expects to sell.

—ps—

It looks like a gala day Saturday in Eldorado, with Halloween spirit taking over the town. It looks like a good evening for the whole family coming up—complete entertainment at the Memorial building beginning with the parade at 5:00 and closing some time late that night.

And it looks like a good shopping time in the business district, with grocers entering into the holiday spirit too—so the family can shop as well as celebrate Halloween with the youngsters.

—ps—

The City offices have received delivery on a new billing machine and are already putting it into use. It is understood that the city water and gas bills hereafter will be sent out on one card, simplifying the record work in the city hall.

—ps—

Someone has been telling this story:—Schleicher County has become so dry that the Baptists are now sprinkling like Methodists used to do, and the Methodists are using a damp cloth.

—ps—

Ben Joiner has added a line of paint to the Eldorado News Stand stock of merchandise, and is now selling the product which is on display on new shelving.

—ps—

A new section of 90 mail boxes, was moved in last week, and was installed in the post office. The crew immediately began sending out notifications to the many who have been waiting—some of them for many months—to get a lock box. The post office has been short of boxes for several years, and if all call for these boxes who have their names on file, there won't be many vacant ones left.

—ps—

As far as we can tell today, Eldorado is bulging at the seams since several oil crews moved in during the past week or two and houses and apartments are at a premium. In addition a geophysical company, wanting 19 good living units has been trying to get places for their crew members so they can move here.

—ps—

A new street man, who will operate the grader and take care of the streets of the city, is Marvin McAngus, recently employed by the city council.

ELDORADO MAN HEADS USO DRIVE FOR SCHLEICHER

Dallas.—Mr. J. E. (Ed) Hill, Eldorado, has been named Schleicher County Chairman for the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$775,000 in Texas this year.

Mr. Hill's appointment was announced this week by J. T. Davis, chairman of District 24 which includes Coke, Irion, Schleicher, Sterling, Sutton, and Tom Green counties.

Dudley K. Woodward Jr., Dallas attorney, is State campaign chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and young women of the nation's armed forces.

Mr. and Mrs. Aubrey Lackey plan to move here next week. Mr. Lackey is working for Delta Gulf.

Room mothers in charge of booths, meeting at 9:00 o'clock Saturday morning, will complete last-minute details in final preparations for the gigantic school Halloween carnival which will open Saturday at 5:00 with a parade in the business district, led by the band.

Every room will have a booth, presided over by the children and the room mothers, all of them designed to bring in some money for the PTA treasury.

In addition to the usual rooms another has taken its place at the foot of the class (call it minus one)—this is the Pre-School group, who have offered to sponsor a booth in recognition of the fact that their youngsters will be members of the graduating class of '66.

Plans for this Halloween carnival have been in the making for many weeks, and all pupils and the room mothers and other members of the PTA have had part in shaping up these plans since a general outline of the carnival was first presented.

Workers—and there are literally hundreds of them—who have had part in making of these plans urge every person living in the county and adjoining communities to take in this whole evening of fun.

For those who like to fish, there will be two fish ponds—and incidentally anyone who has anything to donate toward these booths is urged to bring the gift items to the classes concerned.

Big Parade

A Big Parade will usher in the Halloween celebration at 5:00 Saturday afternoon, when Charles Ludwig and his helpers will assemble the parade at the Memorial building or thereabouts to trek through the business district.

Mrs. Gus Love, PTA president, Mrs. Horace Linthicum, finance chairman, and their many helpers urged everyone to join in this parade—to get into Halloween costume if possible and drive something, push something, pull something—advertise something—walk or run—and become a part of the howling crowd who will set the tone for the Big Carnival. Six prizes will be offered!

From there on the evening is taken care of: Everyone goes back to the Memorial building, carnival headquarters, to spend the rest of the day. There will be booths all over the place at which foods of various kinds may be bought—and fun galleries at which a part of the evening may be spent.

Queens to Be Crowned

As the entire county knows, a queen's contest has been under way since last week, with one winner to represent the first three grades, one the next three, one the Junior High, and another the Senior High.

Winners of these four races will all be crowned in a special ceremony later in the evening. It is understood that voting for the queens will close at 8:00, which will determine the identity of the four winners—and shortly afterward they will be crowned.

It is planned to decorate the stage in the Halloween motif, with a witch doing the actual crowning—and there will probably be a few other program numbers in connection with his event.

Booths are announced as follows: (Last minute changes may still be made)

- Mrs. Teele's first grade, hot tamales, ring toss, dart game, fish pond.
- 2nd grade, sandwiches.
- 3rd grades, movies and fortune telling booths.
- 4th grades, fish pond.
- 5th grades, candy and popcorn, also a duck game.
- 6th grades, sandwiches.
- 7th, cold drinks.
- 8th, pie and coffee in Corral, also other entertainment.
- 9th, home made candy.
- 10th, cakes.
- 11th, sandwiches and drinks.
- 12th, chili supper, in banquet room.

The following are in the queen's race (with substitutions for 5th grade children who have moved away):

- 1. Christy Moore, Frankie Nell Blaylock, Ernestine Pena.
- 2. Judy Deaton, Sylvia Dunn.
- 3. Carol Tisdale, Jane Davis.
- 4. Janell Edmiston, Judy Hext.
- 5. Linda Jones, Lanette Dunn.
- 6. Judy Wyatt, June Williams.
- 7. Becky McAngus.
- 8. Yvonne Logan.
- 9. Jimmie Dell Williams.
- 10. Jerry Caldwell.
- 11. Pat Higgins.
- 12. Fae Davis.

Carol Lynn Dickens Weds Benjamin Dusek At Methodist Church

Carol Lynn Dickens, daughter of Mrs. Annie Dickens of San Angelo and Reuben Dickens of this city, was married Thursday night at 7:00 to Benjamin D. Dusek, son of Mrs. Frank Dusek and the late Mr. Dusek of San Angelo.

The Rev. Morris H. Bratton, pastor of St. Luke's Methodist Church in San Angelo, performed the double ring ceremony in the presence of about 75 relatives and friends. The bride was given in marriage by her brother-in-law, John L. Barrow of San Angelo.

For the wedding the bride wore a ballerina length dress of off-white vel-ray over white satin. The strapless bodice was trimmed with seed pearls, and the matching bolera had three-quarter length sleeves. She carried a white Bible topped with a shower bouquet of white rosebuds.

Her shoulder-length veil of bridal illusion hung from a coronet cap trimmed with gardenias. For something new she wore a single strand of pearls, the gift of the groom; for something old and also borrowed she carried a handkerchief belonging to Mrs. J. L. Neill, her grandmother, whose mother, the late Mrs. W. T. Conner, made it. For something blue she wore a blue garter.

The maton of honor, Mrs. John L. Barrows, sister of the bride, wore purple iridescent taffeta, bal-

lerina length. It was designed with a fitted bodice, pleated yoke and short puffed sleeves. Her black velvet half hat was trimmed with rhinestones, and she carried a bouquet of pink and white carnations.

Best man was Jimmy Dusek of San Angelo, brother of the groom, and ushers were Buddy Wayne Baker, cousin of the bride, and Wilford Deaton, brother-in-law of the groom, both of San Angelo.

Tall baskets of yellow mums and greenery flanked by white candelabra in graduated lengths provided the setting for the wedding at the altar.

Wedding music was played by Mrs. Horace Linthicum of Eldorado.

Reception Follows

A reception for all of the wedding party and the guests was held in the reception rooms of the Methodist Church, with members of the WSCS as hostesses.

The table was covered with cutwork linen, centered with an arrangement of pink and white carnations, flanked by white candles. At the register table, over which Mrs. Roger Sofge presided, the decorations were yellow nasturtiums, and throughout the reception rooms there were baskets of yellow mums and greenery.

Mrs. Horace Linthicum and Mrs. Keno Ogden alternated at the piano during the reception hour. A display of wedding gifts was arranged on long tables.

The wedding cake, which was two-tiered, and decorated in a wedding motif, was served by Miss

Jarolyn Dusek, sister of the groom, Miss Lou Dell Hegwood served punch.

Mr. Dusek farmed at Rowena before entering the service last March. He received his basic training at Ft. Leonard Wood, Mo., and has recently completed his second 8-weeks schooling at Ft. Belvoir, Va., where he graduated with the highest honors of his class in mechanical engineering. He will report on Nov. 2 to Ft. Lewis, Wash., for further assignment.

Carol Lynn is a reporter on the school paper at Lakeview and is secretary in the high school principal's office. She is a senior at Lakeview and plans to graduate there.

Out of town wedding guests: Misses Juanita Velez, Carolyn Wilson, Nancy Moore, Gwen Harp, Carole Pharr, Nedra Sheehan, Dorothy Neeley, Nina Jennings, and Jarolyn Dusek; Mr. and Mrs. J. B. Self, Mr. and Mrs. Ray Dickens and family, Mr. and Mrs. W. R. Perry, Mr. and Mrs. Wilford Deaton, Mr. and Mrs. John L. Barrows, Miss Lou Dell Hegwood; Mrs. Charles Fitts, Mrs. H. T. Harp, and Mrs. Frank Dusek; Jimmie Dusek, W. C. Wilson and Buddy Wayne Baker, all of San Angelo; Mr. and Mrs. Pete Holuber and sons and Mr. and Mrs. V. C. Urban and family of Rowena; and Mrs. Odéan Brown of Bryan.

Mr. and Mrs. J. L. Neill, uncle and aunt of the bride, entertained with a rehearsal dinner in their home Wednesday evening. A buffet dinner was served to members of the wedding party.

Carol Lynn was honored with two pre-nuptial showers in San Angelo recently. Misses Carolyn Wilson, LouDell Hegwood and Gwen Harp entertained with a surprise miscellaneous shower in the home of Miss Wilson. Cookies and punch were served to eleven classmates of the honoree.

Mrs. Scott Walters honored her with a lingerie shower in her home at 304 S. Van Buren. She was assisted in entertaining by the honoree's sister, Mrs. John L. Barrows. Punch and cookies were served to eight guests.

The cheer leaders and twirlers of Eldorado Junior High entertained local young people and the visiting team after the game last week, with a dance at the Corral.

Bride Is Honored At Tea Saturday

On introductory and gift tea for Mr. and Mrs. Bill Lewis Humphrey was held from 7:00 to 10:00 Saturday night at the home of Mrs. Arthur Mund, with Mrs. Mund, Mrs. Norman Hodges, Mrs. Payne Robinson, Mrs. F. B. Gunn and Mrs. Palmer West as co-hostesses.

In the receiving line were the bride and groom and the latter's mother Mrs. W. J. Humphrey. Mrs. Palmer West and Mrs. Marvin McAngus alternated at the register. Mrs. L. D. Ochsner served the cake, which was decorated with yellow and green, and Mrs. Hodges poured coffee and tea from a silver service. Yellow autumn flowers were used as a centerpiece on the serving table, which was covered with a white cutwork cloth. The yellow candles were in crystal holders.

The newlyweds were in Eldorado for the week end visiting home folks before returning to Alpine, where Bill Lewis is teaching.

Rock Church of Christ

A cordial invitation is extended to everyone to attend the services at the Rock Church of Christ, everyone regardless of religious convictions will receive a warm welcome. This Lord's day evening I will preach on The Church at Smyrna. The text for this sermon can be found in Revelations 2:8-11. Come and hear this sermon. We are preaching a series of sermons on the seven churches in Asia. The texts for these sermons can be found in the second and third chapters of Revelations. It will be well worth your while to hear these sermons each Lord's day evening.

Bible study 10 a. m. each Lord's day. Worship service at 11:00. The Herald of Truth can be heard over the San Angelo station each Sunday afternoon at 1:00.

Evening service at 7:30 p. m. Women's Bible study at 4:00 p. m. Mid-week service at 7:30 p. m. Quentin A. Dunn, preacher.

Mr. and Mrs. Wallis Cozzens came in from Midland to visit Wallis' mother, Mrs. Mattie Cozzens, and the couple's daughter Pam, who has been staying here. Mrs. Cozzens remained for a longer visit.

From where I sit ... by Joe Marsh

It's the Principal of the Thing!

Every autumn our High School has a contest to see who can get the most ads for *The Recorder*—the school magazine. The winner becomes honorary Principal for a day.

Skip Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear voice: "I hereby declare today a school holiday!"

Knowing Miss Gilbert, the real principal, it was no surprise to me that she laughed as hard as anybody else ... and said to go right ahead.

From where I sit, it's no wonder our youngsters think Miss Gilbert's such a wonderful person (even though they know they'll have to make up that day). Her tolerance, her friendly way with people of all ages reflect in everything she does. For instance, at my house Miss Gilbert prefers tea but always respects my preference for a glass of beer. As a real person ... in any community, Miss Gilbert belongs at "the head of the class."

The West is Wild about Ford!

And good looks are just one of the many reasons why you can pay more but you can't buy better than Ford!

When you see the style-setting good looks of Ford's beautiful Crestmark Body ... the huge, curved one-piece windshield ... the smart interiors that blend with the outside colors ... it's hard to believe that Ford's price-tag hasn't moved out of the low-price field. It's even harder to believe when you check the rest of Ford's "Worth More" features!

Ford's Six won the Mobilgas Economy Run! Ford's Mileage Maker ... America's most modern Six ... won over all other cars in this year's Economy Run.

Ford is the only V-8 in the low-price field! Ford's V-8 delivers its high-compression "go" on regular gas, and not much of that, thanks to Ford's Automatic Power Pilot.

Fordomatic is no-shift driving at its best! Has the "go" of automatic gears plus the smoothness of a fluid torque converter!

Ford Master-Guide is America's most natural power steering! Reduces parking and steering effort up to 75% ... retains natural feel of steering on straightaways.

New ride cuts road shock up to 80% in the front end alone! Ford's new ride makes even the roughest roads feel carpet smooth!

State Fair Closes Successful Season

The State Fair of Texas closed its outstandingly successful 1953 exposition with a total attendance of 2,382,712 during the 16-day run of the fair, only 4,428 short of the all-time record set last year.

Rain over the state and threatening skies over Dallas for the last five days of the fair held down attendance during the final few days, and a heavy downpour on the last Sunday evening kept the fair from setting a new record.

However, said General Manager James H. Stewart, Texas needed the rain more than the state fair needed to break another attendance record.

The big Cotton Bowl Religious Festival was moved to the shelter of the Livestock pavilion and went off as scheduled. In spite of the rain, a big closing day crowd of 154,396 showed up.

Stewart announced that dates of the 1954 state fair will be Oct. 9 thru 24. The Texas-Oklahoma football game again will be an opening day feature.

Sammie Redford of Barnhart spent Sunday and Monday with his grandmother Mrs. John Luedicke.

Mr. and Mrs. Earl Cathey had as week end guests Mr. and Mrs. G. S. Cathey of San Angelo, Mr. and Mrs. I. V. Pearson and Nancy of Brady, and Mr. and Mrs. Ronald Patton of Menard.

First Baptist News

Sunday, November 1, a Stewardship revival will be in progress at the First Baptist Church. We will study in classes from 7:00 p. m. until 8:30 the Bible teachings on Christian Stewardship, then all will come to the auditorium for a short evangelistic service of about fifteen or twenty minutes. This will be one of the highlights of our church year, especially this season.

We are encouraged by the attendance throughout October in all of our services. We urge everyone to attend church some where.

The youth program is steadily moving on. Bro. Christy is shaping the Junior choir into a fine singing group. There is still room for more of the junior singers. Come and enjoy this training and fellowship.

The Training Union has been on the increase these past weeks, yet they send out calls for more people. If you are not enrolled in some church school on Sunday you have an invitation to make the best of this opportunity.

The pastor's class is half through its first session. There are twelve enrolled. As soon as this class is finished another will be started.

Sunday evening, Nov. 1, we will have another baptismal service. Everyone is invited.

The influence of the churches is the only reason that most people get to take a breather from work routine, and yet few people recognize them. Do you appreciate it? —Pastor.

Myrtle Lynn Smith of San Angelo has been visiting her brother and sister-in-law, Mr. and Mrs. Millard Smith, Jr.

Children Are Present At 25th Anniversary Of The Albert Fores

The four children of Mr. and Mrs. Albert Fore were here this week to take part in the 25th wedding celebration of their parents at the family home in this city.

Here for the occasion were Glenn Fore and his wife and baby Glenda, of Eldorado, Mrs. Norman Yandell of Kingsville, Pfc Alford Ray Fore of Oceanside, Pendleton Camp, and Mr. and Mrs. Eugene Gibson of Eldorado.

The family termed this a combination anniversary and Thanksgiving dinner, as Alford Ray will not be here at Thanksgiving. Dessert for this roast chicken dinner was a decorated Silver Anniversary cake, iced in white with 1928-53 in pink.

During the evening the following called: Mrs. Trentham and family, Mr. and Mrs. Elton Turnbow, Mrs. Glenn Tipps and children, Mr. and Mrs. Lewis Jordan and children, Mrs. Marguerite Gillispie, and Glowanda Jeffrey.

Wed In Greenville
Mr. Fore was born and reared in Hunt County, near Greenville, Texas, and attended school at Sodom near there. His future wife was a native of Henrietta, and spent most of her early life in Rains County, attending school at Point. Both were children of farm people.

The couple were married at Greenville and started housekeeping on a farm in the Point community, where they lived five years. Later, after spending some time in West Texas, mainly near Andrews where they farmed, they returned to Point for another five-year period on a farm.

In 1941 they moved to Dallas, where Mr. Fore started work at North American, and Mrs. Fore was checker in a grocery store between the years of 1941-47. They then moved to Odessa where Mr. Fore began work in the West Texas oil fields, and since 1948 they have lived here with the exception of a year spent in Eden, Mr. Fore working for Delta Gulf.

"Of all of the places we've called home, we like this town best," say Mr. and Mrs. Fore. The couple have one grandchild.

Plans For Farm and Ranch Homes In Texas

College Station. — Farm and ranch homes styled for Texas families includes special house plans adapted to climate and needs of persons living in this section of the country. Many of the plans collected by specialists for the Texas Agricultural Extension Service, include expandable types. Based on experimental research, the new farm houses consist of basic living room, kitchen, closet space and bath, each big enough to fit a larger house as bedrooms are added. The family grows into bedrooms without growing out of the living room and kitchen by using the expandable type house plans.

One plan, No. 6513 shows a growing farm house for southern conditions with a floor area for the first building of 490 square feet, and details for the first addition of 705 square feet to have a completed house of 1015 square feet of floor space. The porch on the first unit would be 25 square feet in size, and the first addition would grow to 240 square feet.

During the first two stages of development adequate space will be found in the kitchen for dining but when two bedrooms are added in the final wing, the original bedroom adjoining the kitchen might be converted into a dining room.

Plan 6511 is for a permanent dwelling of frame, stucco, stone, adobe, or other construction. If desired, the first unit of 605 square feet may be built without bedrooms, and the living room used for sleeping quarters until the house is completed. Two large closets of the living room add much to its value, and the arrangement with all doors at one end of the room permits efficient use of the space.

If the first unit is to be used for several years before the bedrooms are added, the small bathroom with shower will be especially desirable. That space must be used for other purposes, however, and the bathroom fixtures moved when one or both bedrooms are added.

Other plans included in the publication B-172 Plans For Farm and Ranch Homes in Texas, vary in floor plan size from small to large houses. The specialists give general instructions to families when selecting a plan for meeting their particular needs, as well as a list of supplementary publications. County Extension agent's offices have copies of the publication upon request, and can assist families in getting working drawings for the recommended plans.

From Fort McKavett comes the news that Jimmie Lane, son of Mr. and Mrs. Dennis Lane of Pearsall and grandson of Mr. and Mrs. George Lane of Fort McKavett, is ill with polio in a San Angelo hospital.

Many Baptists Expected At November Convention To Be Held In Ft. Worth

Ten thousand Texas Baptists are expected in Fort Worth November 26-28 for the sixty-third annual Training Union Convention of the Baptist General Convention of Texas.

Dr. T. C. Gardner, state Training Union Secretary, Dallas, reports that the meeting in Fort Worth will probably exceed the attendance of last year's convention in Lubbock when 10,454 were registered. Sessions of the '53 convention will be held in the Will Rogers Coliseum and in the Broadway Baptist Church, site of the first annual convention held back in 1891.

The first general session of the convention will be Thanksgiving morning, November 26, with messages by Dr. J. Ralph Grant, pastor of the Lubbock First Baptist Church, and Dr. H. H. Hobbs, pastor of the First Baptist Church of Oklahoma City. Dr. Sterling Price, pastor of the University Baptist Church in Abilene, president of the convention, will preside, and Dick Baker of Fort Worth will direct the music.

The Walter Barclays and Herma B. Whitten visited Saturday and Sunday in Richland Springs with relatives of the Barclays.

Mr. and Mrs. Melvin Harris of Odessa visited in the Orland Harris home Saturday and Sunday.

The Wiley Hight family spent the week end in London visiting relatives.

Mr. and Mrs. Grover Lee Johnson of Mineral Wells spent from Friday through Monday here with home folks.

Mrs. Ora Davis left Wednesday on a week's vacation trip to Colorado Springs.

L. M. Hill, Delta Gulf superintendent, has been in Snyder several days, getting a location ready for an 8500 foot oil test which his company will drill in that county.

The Merry-makers "42" Club met in the Memorial building with Mrs. Sam Jones as hostess. There were three tables of players. After the games they went to a local cafe for refreshments.

Mr. and Mrs. W. H. Hale and children were in San Angelo Saturday attending the wedding of the former's sister, Tressie Hale, and Harry Collins, formerly of Indiana, and a graduate of Purdue University. The bride has been employed in the office of San Angelo attorneys and the couple will live in Dallas.

C. E. Brewer and his wife and children have moved here from Knox City and have parked their trailer at Mrs. Mattie Cozzens'. Their three children have entered school in Eldorado.

Mr. and Mrs. R. J. Alexander of Vincent spent the week end with the Alexander families here.

MUSIC IS TOPIC AT WOMAN'S CLUB MEETING TUESDAY

Mrs. Jess Walston and Mrs. E. W. Craig were co-hostesses to the Woman's Club Tuesday afternoon at the home of the former. Attending were 18 members and a number of guests: Mrs. Dick Preston, Mrs. Wilson Page, Mrs. John Miller, Marianne and Mary Sue Page, and Dale West.

Mrs. Walston presided, and the meeting opened with pledge to the flag. Mrs. E. H. Nimitz, Mrs. Palmer West and Mrs. Arthur Mund were appointed on a committee to amend the by-laws. Mrs. V. G. Tisdale was made an associate member. Mrs. Arthur Mund was appointed to represent the club to meet with others for the purpose of considering the possibility of providing a kitchen on the main floor of the Memorial building.

Plans were made to attend the Texas Federation convention in Austin in early November. Mrs. Edwin Jackson gave the club councillor's report, and mentioned the fact that the governor has proclaimed November 8-14 as American Education Week.

Mrs. J. E. Spencer was leader and Mrs. James Page was pianist for the program which was on the subject of music's contribution to the American Way of Life, featuring songs by American composers. Mrs. James Page discussed music as it is related to American history, and brought out the various types of music with the following program:

Hail Columbia, Happy Land, solo by Mrs. Wilson Page.
My Faith Looks up to Thee, by the entire group, with Mrs. W. N. Ramsay giving the history.

Yankee Doodle, history by Mrs. Palmer West, duet, Mary Sue and Marianne Page.

Star Spangled Banner, history Mrs. Bert Page, song by group.
Dixie, and Battle Hymn of the Republic, history by Mrs. E. H. Nimitz, songs by group.

Cowboy and Western tunes, Home on the Range and Get Along Little Dogie, history by Mrs. Ken Ogden, songs, Marianne and Mary Sue Page in costume.
Work for the Night is Coming, Mrs. Wilson Page, Mrs. John Miller.

Church in the Wildwood, sung by group.
Change to 20th century: Summer Time, solo by Mrs. Wilson Page, To a Wild Rose, by McDonald, piano solo by Dale West.

Group song, America as group prayer, followed by Club Collect.
The next meeting will be Nov. 10 with Mrs. Bert Page, with Mrs. E. H. Nimitz as program leader on literature, our heritage; Miss Jewel Shelton will be guest speaker.

Mr. and Mrs. O. L. Woodward have returned from Bowser, in San Saba County, where they attended a reunion of the Martin family, at the home of Mrs. Bell Martin, who is still active at the age of 90. The 40 who attended came from many places in Texas. Especially honored were Mr. and Mrs. Jess Woodward and son-in-law and daughter Mr. and Mrs. Al Baughn of Los Angeles, Calif.

Mrs. Joab Campbell entered the hospital Monday at Sonora for treatment.

Mr. and Mrs. Bob Love and Mr. and Mrs. G. B. Moore of Comanche have been visiting in the Dee Love home.

LET'S TALK LIVESTOCK BY TED GOULDY

Ft. Worth.—The belief that the seasonal peak of cattle movement had passed was further enhanced by the lighter runs of cattle and calves around the major marketing circle Monday.

This factor, coupled with rains over much of the Southwest, was enough to spring a stirring rally in prices that wreathed the faces of cow men with smiles all over the stockyards here.

While the advance was uneven and some sales showed more climb than others, the general picture was one of climbing prices. Sales 50c to \$1 per hundred above last week's close were the rule.

Some spots were up considerably more. As an example there 113 small calves of 202 pounds at Fort Worth Monday shipped from the Kokernot Ranch at Alpine. These calves drew \$20. Mates to them a week ago sold at \$15.50 with a trim. While the general advance was not so pronounced as this case, it was typical of the way the stocker trade came to life on the heels of the rain.

Reports of rain from sections of the winter wheat grazing areas could be expected to revive speculative interest in cows, calves and yearlings suitable for such pastures. Some open weather could bring up the green stuff in jig time.

While the runup in prices was most noteworthy on the cattle and calves, other species shared the better tone.
Hogs drew steady to 75 cents

higher prices, small butchers and shippers setting a fast pace and buying most of the top hogs 50 to 75c above last week's close.

In the sheep barn, slaughter lambs and slaughter yearlings were strong at 50c or more higher. Some spots were \$1 or more above the close last week, the kind and condition considered. Feeder lambs drew strong prices. Old ewes were strong to 50c up.

While stockmen in general are jubilant over the rains and the improved market, we'll bet that none of them breathed a bigger sigh of relief than Secretary of Agriculture Benson.

The pressure has been building up on him hour by hour and the Cattlecade organized by the Farmer's Union was a climax that was highly unpleasant for Benson.

Some observers feel that Benson will either have to back down from his previous opposition to high supports or resign in short order. Some Washington observers feel like his tenure of office has only a matter of weeks to run.

However, personal friends say that Benson is not the type to become dismayed and quit under fire. Certainly right now he is getting the test of a lifetime.

Methodists Observe Day of Prayer October 28

The WSCS observed their Day of Prayer at the Methodist church Wednesday, with Mrs. R. O. White the visiting speaker.

The program opened with quiet music by Mrs. J. R. Hudson, and in addition to the congregational songs there was prayer by Mrs. Frank Meador, scripture by Mrs. Ken Ogden, duet, Mrs. Luke Thompson and Mrs. Frank Van-Horn, and report of missions by Mrs. Maynard Welch. Mrs. J. E. Tisdale offered prayer for the mission program, concluding the morning session.

At noon there was a covered dish luncheon in the church dining room, with the business women of the city as guests.

Mrs. Morton offered prayer to open the afternoon session, and Mrs. Luke Thompson introduced the speaker, Mrs. R. O. White, who made the principal address. The offering was for special missions as described by Mrs. Welch.

How to send a letter from Santa... to your Child

Just imagine how excited your child would be if he got a letter from Santa Claus in answer to his own—especially if this letter would come direct from Santa's home in Santa Claus, Indiana.

Why not give your child, or any of the children on your Christmas list, the thrill of a life time, not just with a letter from Santa Claus, but a letter that carries the official United States postmark, proving that it actually comes from Santa Claus himself.

We have six different styles of Santa Claus letters. Each is done in full color and contains a personal message from Santa Claus to your child, complete with its own colored envelope.

Why not select a letter for your child, write his name and address on it, and mail it in our special mail box. That's all you have to do. We will have it mailed from the famous Santa Claus Post Office in Santa Claus, Indiana, and your child will receive his letter actually mailed from Santa's home—with the proof right in the postmark.

Methodist Notes

Rev. Doyle Morton has returned from Rocksprings, where he conducted an 8-day revival at the Methodist Church in that city. He returned home after the Sunday night service.

Next Sunday will be Communion Sunday, in which anyone is invited to take part. Members are urged to be in their places and visitors are welcome.

On Sunday evening the youth choir practices at 8:00. This is followed by the MYF meeting in two groups, Gerald Hartwages teaching the older ones and Mrs. Edward Meador the younger group. All who are interested in these meetings are invited to attend.

Mrs. Odes Jeffrey spent from Friday to Monday in the Eldorado Clinic Hospital, undergoing treatment for a back ailment, and is now at home, where she is still confined to her bed part of the time. Her mother Mrs. B. L. Greenhaw of Water Valley is with her.

Mrs. Myrtle Williams is carrying out an extensive remodeling job on her ranch house, which is being renovated and enlarged.

L. Kents Celebrate Golden Anniversary With Big Open House

Approximately 200 people called Sunday afternoon at the home of Mr. and Mrs. L. Kent near Eldorado, to offer their congratulations to the honored couple on the occasion of their 50th wedding anniversary. Members of the family and some friends were in charge of the Open House.

All of the members of the house party wore corsages of gold and white. The receiving line consisted of the Kents and their children, Ila Jean Boyer registered the guests.

A 3-tiered wedding cake with bells and other decorations in the white icing was a main attraction at the serving table, and was cut and served by Mrs. Arthur Buck of Silver Valley and Mrs. Enoch Hutchinsohn of Eden. Punch was served by Mrs. Glenn McDonald and Miss Katherine Hill.

White tapers flanked the floral centerpiece, which consisted of yellow and white mums. Gold candles and large chrysanthemums decorated the reception rooms.

Others in the house party were Mrs. Marion Wade, Mrs. Neva Boyer, Mrs. Victor Kent, Mrs. Lewis Clark of Coleman, Mr. and Mrs. Cliff McKay of Coleman, Mr. and Mrs. Alvis Waldrip of Melvin, Mr. and Mrs. Grady Clark of Tuscola who remained over through Monday, and Mr. and Mrs. Floyd Skaggs of Fort Worth.

A large assortment of gifts appropriate for the occasion were on display in one of the rooms—including, with other things, china in a complete service for 12.

Mr. and Mrs. Sam McGinnes, Mrs. Floyd McGinnes and Mrs. Elton McGinnes and two boys were in Menard one day last week visiting Mrs. Sam McGinnes' parents, Mr. and Mrs. Sam-Lowe, who were celebrating their 58th wedding anniversary. Present were seven of the Loves' ten children, and a number of grand children and greats.

An aunt and uncle, Mr. and Mrs. M. Dickens of San Antonio, spent the week end with the J. D. Meadors.

School News

Members of the Girls basketball team are making plans to attend a basketball clinic at Howard Payne College on November 7th. Most of the girls are anxious to attend and are hoping to learn a few pointers from more experienced players at the clinic. Let's hope they do.

The enrollment for the Junior High and High School now totals 211. The total for 7th and 8th grades is 78 and the high school has an enrollment of 133. New students are Don and Margaret Ratliff from Odessa; Stephen Colwin from Knox City, and Glendale Burch from Plains, Texas.

The Elementary school enrollment (grades 1 to 6) is now 320 students. Both first grades have 80 students each.

The administration, coaches, and

team wish to express their appreciation for the fans who made the trip to Junction with them, and trust many will go to Ozona with us Friday night. Football is worth while regardless of the score, and we should keep in mind these are still our boys and need our support.—Reporters.

Pep Squad News

What was all the excitement about in the shower room on Oct. 12? In case you haven't heard, the pep squad received their new uniforms that day. The uniforms consist of green battle jackets and matching green skirts. The battle jackets have a white military design across the front similar to the design on the band uniforms.

The Junior High football team will play Ozona here Thursday night at 7:15. The admission will be 15c and 50c.

Next week is National F. H. A. week, and the local organization

will take part in this activity. The club has several activities planned which include planting a rose bush in the front yard (the rose is the national flower); eating lunch together in the cafeteria; wearing the club colors of red and white one day; to to Sonora Saturday, October 31, to attend a district meeting; and attending church service Sunday in a body.

Mr. and Mrs. John Kerr of San Antonio stopped here Wednesday for a visit with Mr. Kerr's brother L. B. Kerr, on their way home from the eastern part of the United States, where they visited their son in New Jersey and their nephew Lt. Lewis Kerr and his wife, who is with the marines and is stationed on the east coast.

Mr. and Mrs. Sam McGinnes, Mrs. Floyd McGinnes and Mr. and Mrs. Elton McGinnes and children were in Eden during the week end visiting in the home of Mr. and Mrs. Walter Lowe.

Fundamental Baptist

The blessings of the Lord were manifest in all services last Lord's Day. We are indeed thankful for those that came trusting Christ. May we all continue to work and pray and stay humble before Him. Psalms 126:6 "He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."

Last Friday night it was our privilege to attend the Youth Fellowship meeting at the Tabernacle Baptist Church of Crane, Texas. Everyone was greatly blessed. Lord willing the youth fellowship meeting will meet with the church here in the near future.

The young people are enjoying the study of Aots in the young people's meeting every Sunday night at 6:30 p. m. If you have been missing this, you are missing a blessing. All young people are invited to attend this time of fellowship. We will be looking for you.

Sunday is Mission Day at the church as it is the first Sunday. All members are urged to be present and bring a mission offering. We will also observe the Lord's supper at this time. Let everyone be much in prayer for this service.

Sunday, Sunday school 10 a. m. A class for all ages. Preaching service at 11:15. Subi. "What Are We Leaving Our Children?"

Young Peoples meeting 6:30. Evangelistic service at 7:30 p. m.

Wednesday: Bible study and prayer meeting at 7:30 p. m.

Thursday: Teachers and workers meeting at 7:00 p. m.

You have a cordial invitation to attend all services.—Pastor.

yield, but it gives every indication of being the highest grade and the best average per acre yield in the county's cotton-growing history. One field in Leon Valley is picking two bales to the acre on the first time over—unusual yield indeed for a single picking. —Fort Stockton Pioneer.

Venison For Diet

Because of generosity of folks who had venison in their deep freezes a critically ill, 7-year old Menard boy has been fed in recent weeks, Game Warden Robert Evins said. Venison was given in response to a radio appeal after it was learned that the child could retain wild meat. The child had been starving because it was unable to retain food, Evins said — Junction Eagle.

Hunting Lease

C. A. Schraub has insured extra "outside" money for Junction this hunting season.

He has just finished leasing the deer and turkey hunting rights on from ten to eleven thousand acres of the P. H. and W. M. Jackson Ranch for about \$5,000! The ranch is about 25 miles out on Highway 83.—Junction Eagle.

Homecoming Set

Second annual Homecoming of ex-students and teachers of the Robert Lee High School is set for Friday of next week, Oct. 30. The committee is expecting fully as big a crowd as last year when 263 persons attended the Homecoming banquet.

Postcards with return reservation blanks were mailed to 300 former students and teachers. —Robert Lee Observer.

The New Look

We've been more than pleased with the warm reception which readers have given The Enterprise with the 'new look.' Almost every body who has commented on it say they like the new size (except for one or two.) One subscriber came in and said he likes it fine, but his wife didn't because it is

now too small to wrap around her churn. Seems she wraps a paper around the churn to keep the milk from splashing all over the place. —Bronze Enterprise.

Railroad Man Retires

After working for the Santa Fe Railway Co. for 29 years, T. L. (Gene) Taylor is retiring at the end of this month, and he and Mrs. Taylor plan to go to Mertzton to make their home. He observed his 65th birthday anniversary on Tuesday of this week. Mr. Taylor, a native of Texas, was living in Mertzton when he began railroading in 1924.—Big Lake Wildcat.

Citizen's Rights In Court Explained

Unless you have a close relative who is a lawyer, your opinion of our courts probably is a mixture of hearsay, rumor, mystery and awe. The average citizen has had little experience with the courts, and is apt to view with a sinking feeling some document requiring his presence in court.

Most criminals have a good idea of their rights in court, but the average citizen, confronted with a traffic ticket or court summons, has little knowledge of the protections provided for him. If you are innocent of the charge and know your rights as a citizen in court, you need have no fear of your appearance before the jury and judge.

Probably the most fundamental and important right is summarized

in the well-known adage, "Every man is innocent until proved guilty." It is up to the prosecuting authorities to prove that the person on trial is guilty—and not the obligation of the person accused to prove that he is innocent. The prosecution must prove your guilt beyond a reasonable doubt, or you will be acquitted. The mere fact that you have been given a ticket or accused of a crime is not even evidence of guilt.

Another important protection is the right to have a witness whose testimony you may need subpoenaed to appear in court and testify. Many people are reluctant to go to court when their own rights are involved, and unless you had a means for compelling their attendance and testimony, you often would be unable to prove the facts necessary for success in your case.

It is the duty of every citizen to testify if he has information important to a law suit and is called upon to do so. The courts can and do enforce attendance in court and the giving of testimony.

Certain other safeguards are valuable to you. A person may refuse to testify in any proceeding if he has a reasonable belief that his testimony could be used as a basis of a criminal proceeding against him. This does not mean, of course, that a confession given freely and voluntarily cannot be used in evidence. But it does mean that an accused cannot be compelled to take the witness stand, nor can his failure to testify be commented upon by the prosecution.

Our courts provide many safeguards for the innocent against false accusations of crime. But many of these rights would be valueless without the assistance of a lawyer, who has been schooled in legal principles and rules of statute or decision involved, to invoke these rights. The "right to counsel" must be granted to every accused person brought before any court in the state. The law provides that an accused person cannot afford to pay for legal counsel and if he cannot, the court must appoint

a lawyer to assist him in his case. Every person charged with an infraction of the law has the right to consult counsel before making any plea. This applies to cases in every court—including justice of the peace courts, municipal courts, traffic courts and district courts. It does little good to consult a lawyer after you have pleaded guilty and paid the fine, for then the damage has been done.

The courts are open to you any

time one of your legal rights has been denied or any of your property has been unlawfully taken. This is one of your most precious rights. The courts are the only peaceful means of enforcing your rights.

(This column, based on Texas law, is written to inform—not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Get your Maryland Club Economy TEST KIT

HERE'S HOW TO FIND OUT WHICH BRAND OF COFFEE IS THE MOST ECONOMICAL FOR YOU TO USE . . .

No two people have exactly the same idea about the strength, or richness, of coffee. What may be a "strong" cup of coffee to one person may be a "weak" cup to another. But everyone can tell the comparative richness of brands of coffee simply by testing them to determine the degree of strength which each brand gives when prepared with an identical amount of ground coffee.

MAKE THIS EASY TEST

- Step 1: Prepare a pot of coffee using Maryland Club and the Special Coffee Measure enclosed in this kit. For each cup, fill the measure only to the top of the yellow bowl but use the same amount of water you ordinarily use.
- Step 2: Prepare a pot of any other brand of coffee. Use the same amount of coffee (up to the top of the yellow bowl only) and the same amount of water you used in testing Maryland Club.
- Step 3: Compare the two cups of coffee, side by side. Note the richer color and aroma of Maryland Club . . . taste its richer, more full-bodied flavor. Now you know, as a result of your own tests, why Maryland Club is more economical to use . . . why you can use less of it than of ordinary brands to make a truly delicious cup of coffee.
