### TWO DEATHS IN FAMILY

Mr. and Mrs. Ben Hext returned home Sunday after attending funeral services in Fort Worth for Mrs. Hext's sister, Mrs. Paralee Currie, whose death occurred Friday.

A few hours after arriving home they received word that Mrs. Hext's brother, Wesley Turner, had just died of a heart attack. His home was in Fort Worth, and services for him were held Tuesday. Attending the funeral from here were Mr. and Mrs. Ben Hext and Mrs. Jack Hext.

### LOCAL BOY TO BE ORDAINED ON SUNDAY

Durward Rutland, son of Mrs. Irene Rutland, will be ordained into the Baptist ministry on Sunday, Sept. 19 at 3:30 p. m., at Llano, Texas. Rev. Clifford Nelson, former Eldorado First Baptist pastor, will bring the charge. Durward has served about a month as pastor of the First Mission Church of Llano.

Mrs. Rutland and Barbara will go to Llano for the ceremony and possibly other friends from the local church where Durward began his Christian service. He was reared in Eldorado and attended school here. His friends are invited to be present at the ordination services.

### DEMOCRATIC DELEGATES LEAVE FOR CONVENTION

Delegates to the State Democratic Convention at Mineral Wells left early this week to represent the Democratic voters of Schleicher County. Thanks to a lot of effort in getting a record turn-out at the last general election, this county earned three votes instead of the usual one at the state convention. At a county convention held July 31, a resolution endorsing Gov. Shivers and his policy of "Texans for Texas" was passed by a large majority.

Delegates were to go unopposed but were to vote as a unit. Six delegates with 1/2 vote each were thought to be more effective than three single votes.

Those elected were: Mr. and Mrs. Edwin M. Jackson, W. M. Patterson, Jr., Joe Wagley, T. C. Meador and Frank Bradley.

### Post Script

This writer is very happy to report that after a week's hospitalization in Angelo, and 12 days at home confined to bed, for heart trouble, Mrs. Fred Gunstead has been released by her doctors from strict confinement and will be "up and around" again from now on. A more moderate schedule has been laid out permitting her to come back to the shop for an hour each morning and evening. Also the "new freedom" will include a certain amount of light housework, and this writer takes that to mean the boiling of eggs, oatmeal and potatoes—none of which he was so hot at in these last two troubled weeks.

The Tisdale Chevrolet Company on south Main street has been a sort of magnet lately attracting countless scores of young folks—as well as old—to see the new Chevrolet Corvette—the first, to be displayed in Eldorado.

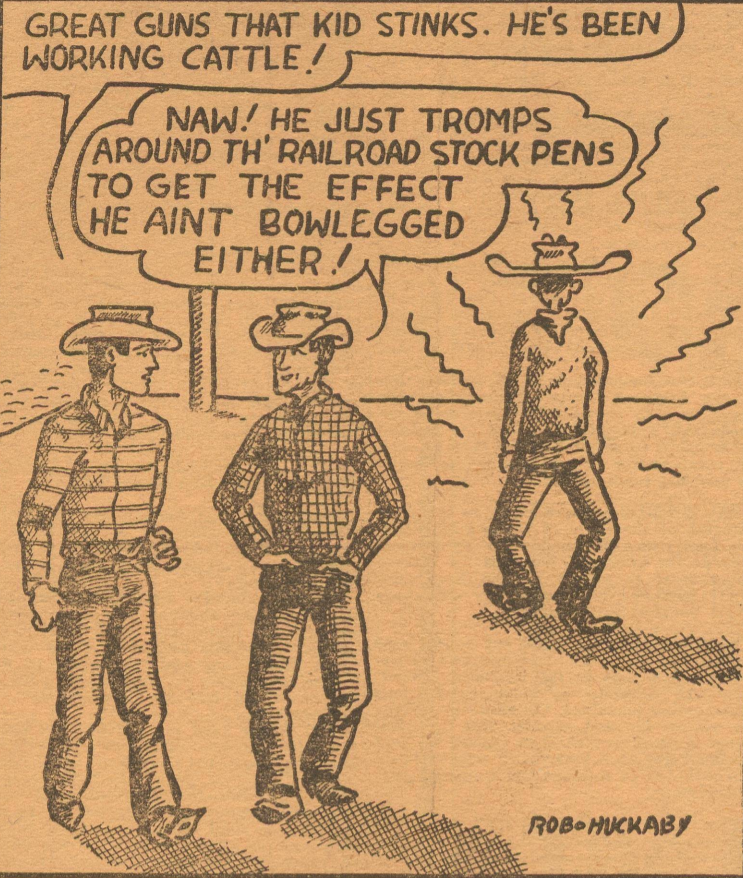

Chevrolet describes the vehicle as "the first all-American sports car" and declares that if you are "young in heart" you'll enjoy driving it. Judging from the large number who have been stopping by to see it, there are a lot of people in Schleicher who are young that way. A mere \$3200—minus—and you can drive it out.

We were also curious about a new building going up down in the Chevrolet neighborhood. There is a small building with high concrete foundation—real small windows—reminded one of a jail. But it proves to be a paint and body room being erected by Carpenter Vaughan for Tisdale Chevrolet.

General Telephone Company has been having men in Eldorado making a survey of the city's likely growth and plans for the necessary expansion of phone service.

A registered cow on the V. G. Tisdale ranch is 19 years old and recently gave birth to her 16th calf. This ought to be something of a record.

## RECOS PETE THE FAKER

### Eldorado Students Scatter Out To Colleges Of State

Mid-September arrives and the college-minded section of Schleicher population departs for the various institutions of learning all over the state. From the large group leaving here one would be safe to predict that our community will be well educated in coming years.

Texas Tech and Baylor seem to be first favorites, with the State University and nearby San Angelo College neck and neck for second choice. Of the 1954 graduating class, some are married and some working, and some have gone elsewhere; but a majority are continuing their education. A fairly complete list shows the local students divided as follows:

To Baylor: Ebba Jean Blaylock, Jack Mund, Jack Stanford, Janice Cales, Billy K. Cheek, Glen Biggs.

Howard Payne: Jerry Perry. San Angelo Bus. College: Grace Crosby.

A&M: Raymond Mittel. San Marcos: Gretchen Mund.

A. C. C.: Nell Williams, Ann Williams, John Phillips.

S. A. C.: Myrl Sudduth, Billy Jack Ethridge, Bill Bearce, Trudy Gaylor, Jerry Johnson.

U. of Texas: Truman Biggs, Retha Nell Lloyd, Wilma Jean Lloyd, Ray Long, Pay Davis.

Texas Tech: Howard Parker, Pinkney and Barbara Craig, Jim Thornton, May Runge, Stuart Williams, David Powell, Chester Faight, Wilson Humphrey, Charlene Atkinson, George Ochsner.

### COURT MEETING

The Commissioners Court met in regular session on Monday to transact routine business.

They approved the 1954 tax roll, granted Phillips Pipe Line Co., permission to lower a pipe line where it crosses a lane in the Reynolds community; appointed L. L. Watson to serve as election judge in place of Frank Reynolds (Adams box) who has moved. They transferred some funds from the general fund to the officers salary fund, and approved the cancellation of some tax certificates.

### OIL NEWS

Dalton H. Cobb No. 1 Wilbur Brown, three miles southwest of the Butler Canyon sand pool in Schleicher County, was abandoned at 6320 feet in barren Ellenburger, topped at 6110 feet.

Taylor Oil & Gas No. 2 Sheen Brothers, section 66, EL&RR survey, third producer in the Fort McKavett Strawn gas area, has been shut in after flowing approximately 1,000,000 cubic feet of gas daily, plus a spray of distillate, through perforations from 4,194 to 4204 feet.

### FUNERAL LAST THURSDAY

Funeral services for little Judy Blaylock were held last Thursday afternoon at 4:00 o'clock at the First Baptist Church, where she was a member.

Rev. Hancock conducted the ceremonies and interment was in the Eldorado Cemetery.

Judy, 9 years old, the youngest daughter of Mr. and Mrs. W. A. Blaylock and had two sisters, Ebba Jean and Jerry and one brother, Billy Frank Blaylock; besides many other relatives. Afflicted with a heart ailment since birth, the child died in a Dallas hospital.

### AREA GIRL SCOUT OFFICIALS TO BE HERE SUNDAY

Girl Scout officials from the San Angelo, Ozona and Sonora areas will be guests of Eldorado Scout workers Sunday, Sept. 19 from 3 to 5 p. m., at the Memorial building.

This will be a district meet for the purpose of planning and organizing Scout work for the fall and winter. The group has been asked to meet here in order to better acquaint local people with Girl Scout work. All workers and adults in Schleicher County are urged to attend. Each phase of Girl Scouting will be explained.

Three active troops of girls are already organized here and are working under local troop leaders. Girls from this county attended area camp last July at Camp Sol Mayer. It is now necessary to organize a town committee of adults who will assist and guide local troop leaders and integrate local work with the district work being done.

Girls interested are urged to come on into the organization. It is not too late to join. Brownies from grades two, three and four meet each Thursday at 4:15 at Mrs. Jack Shugar's residence.

Intermediates in grades five and six meet each Thursday at 4 p. m. at the Memorial building.

Seventh and eighth grade intermediates meet on Mondays at 4:00 p. m. at the Memorial building. Their next meeting will be September 20th.

### 345 Bales Of Cotton Ginned Here To Date

345 bales of cotton had been ginned at the Eldorado Gin at a late hour Wednesday. This is a gain of 206 bales over last week's 139.

With cotton on the plains opening and offering better picking, the larger groups of pickers seem to be moving out. Gathering the local crop will still move right along if the present weather holds out as there appears to be plenty of pickers still available.

One cotton farmer in the Reynolds area, with large acreage, reported this week that he expected to get one bale from about 5 1/2 acres. This is considerably less than had been estimated around August 1st.

### TS&GRA TO MEET IN JUNCTION SEPTEMBER 18

San Angelo.—The fourth quarterly meeting of the Texas Sheep & Goat Raisers' Association will be held in Junction, Saturday, September 18, Walter Pfluger, Eden (Association president, has announced. All producers in that general area and especially those in Kimble and surrounding counties are invited to the meeting, he said.

Discussions will be held on the recently passed legislation which will affect both wool and mohair growers beginning next year, and on other subjects important to the sheep and goat men.

Committees and the general meeting will be held in the Junction High School building, Pfluger added.

Mrs. C. W. Warren is receptionist at the Eldorado Clinic while Mrs. Bill Oglesby is on vacation.

### Eagles Take First Game

## Tough Competition Due When Melvin Comes Here For Game Tomorrow Nite

### Funeral Held For Les Galbreath Here On Monday

Funeral services for Leslie Galbreath, 64, were conducted by the Rev. Hancock at the First Baptist Church, Monday afternoon. Mr. Galbreath died of a heart attack Sunday night at his ranch home five miles east of Eldorado.

Reared in Brady and Menard Mr. Galbreath moved to Schleicher County in 1924. He had been a deputy sheriff in McCulloch County and served in the same capacity in Schleicher County, where he ranched until 1940.

Survivors include the wife, two sons, Billy of Sonora and Bobby of Eldorado; two sisters, Mrs. Hye Snearly and Mrs. Will Wagner, both of Brady, and two grandchildren.

Interment was in Eldorado cemetery with Ratliff Funeral Home in charge of arrangements. Pallbearers were: A. G. Clark, Payne Robinson, Fred Smith, Hoot Nix, Pat Finley and Horace Linthicum. Honorary pallbearers were: Roy Andrews, Frank Meador, Claude Meador, Bill Ellis, Robert Sproul and E. H. Sweatt.

Mr. Galbreath was a member of the Baptist Church.

Mr. and Mrs. E. E. Newlin went to San Angelo to be with their grandson, Newlin James, who had surgery recently to straighten an arm broken in a car wreck.

### School News

A preview of the Eagle football team in 1961 will be staged at the local field tomorrow night prior to the Eldorado-Melvin football game. The boys in the 4th, 5th and 6th grades will be divided according to ability, age and weight into two teams. These two teams will have a scrimmage at 6:30 p. m. The boys, coached by Ken McAllister, will play 6-minute quarters and use a 6-2-2-1 defense.

So for a preview of the future Eldorado Eagles come out early tomorrow night. The players are to report to Coach McAllister at the gym at 5:00 p. m. Friday.

The 7th and 8th grade elected the following cheer leaders: Jeanie Mund, Penny Childers, Becky McAngus, June Williams, and Pam Walston. Twirlers elected were Janis Sofge, Margo Mittel, Emma Lou Menees, Judy Wyatt, and Linda Bess Love. The 7th and 8th grade has four games scheduled: September 23, Ozona here; October 7, Sonora, there; October 21, Ozona there; and October 28, Sonora here.

The Future Farmers of America had their initial meeting and the following officers were elected:

Ronnie Mittel, president; Jim Steward, vice president; Herman Phillips, treasurer; Jimmy Whitten, secretary; Tony Kerr, sentinel; Sonny Moore, parliamentarian; Mike Moore, reporter. Mr. Burk is sponsoring the club.

The Future Homemakers of America met and elected the following officers:

Pres: Colleen Hicks V-Pres: Jean Kuykendall Secretary: Donna McCormick Treasurer: Bessie Thigpen; Parliamentarian: Janna Walker Historian: Patsy Taylor. Pianist: Frances Parker Reporter: Juanita Phillips Song Leader: Gainell Belk.

Mrs. Lacey, Mrs. Perry, Mrs. Kuykendall, Mrs. Faight, Mrs. Hicks, Mrs. Bradshaw and Mrs. Taylor were chosen as club mothers. The installation of officers will be held Monday night at 7:30 in the auditorium. The public is cordially invited.

Mrs. Vida Kreklow sponsors the Homemaking Club.

Supt. and Mrs. T. E. Holcomb entertained the school board and faculty with a reception Thursday, September 9th. The purpose of the reception was to acquaint the board with the faculty and to introduce the new board member, W. V. Lux. A social hour followed the reception. Light refreshments were served.

The Eldorado Eagles opened the 1954 football season here last Friday night by romping over the inexperienced Rock-springs Angoras to the tune of 38 to 7. It was Eldorado's game all the way and the score could just as easily have been 60 to 0.

Eldorado scored three times in the first quarter, and went on from there to add a tally in each of the other quarters.

Coach Algood used a lot of his second string after the first quarter. Curtis Stockton and Jerry Pennington were outstanding for the home team. Stockton scored twice in the first period on running plays of six and two yards. Pennington managed a 28-yard run for his touchdown. Rudy Minor converted twice.

Rock-springs, accustomed to playing only six-man football in recent years, was unable to push across but one touchdown. It was on the strength of David Dixon's running and Donnie Merritt converted the extra point.

Score by quarters:  
Rock-springs 0 0 0 7—7  
Eldorado 20 6 6 6—38

Results from some of the neighboring towns from last Friday night are as follows:

Big Lake 12; Ozona 6.  
Junction 38; Santa Anna 0.  
Ballinger 20; Sonora 14.  
Melvin 12; Menard 6.

### Melvin Here Tomorrow

Last Friday night by a score of 12 to 6 the Melvin Bulldogs defeated Menard—considered one of the three top teams in 6A this year.

Tomorrow night Melvin comes here in a non-conference tilt with the Eldorado Eagles, and it is expected that the local boys are going to have their hands full.

### REVIVAL MEETING UNDER WAY

The revival meeting at the local Fundamental Baptist Church has been in progress since Sunday. Under the direction of the Rev. W. E. Krueger of Dallas it will continue through the 19th. A good attendance is reported and every one is invited to attend the remaining services, which are held at 7:45 each evening.

Sunday services will be as usual, Bible school at 10:00; Morning worship at 11:00 and evening evangelistic service at 7:45.

Dr. and Mrs. William H. Lindsey and children have moved from the West rent house on the highway to their new home on Dorris Ave, recently purchased from A. B. Thomsen.

### The Military

Cpl. Aaron Kumler Mund with the 34th AAA Brigade at Mannheim, Germany, writes home folks that he spent a 10-day leave in Garmish, Germany. It is about 50 miles south of Munich on the Austrian border, located in the Alps and was nice and quiet. He enjoyed the swimming but his attempts to water-ski were not very successful. He expects to return to the States about the middle of November.

Draft Board 110 met at the Court House in Sonora September 7th and re-classified the following Schleicher County boys:

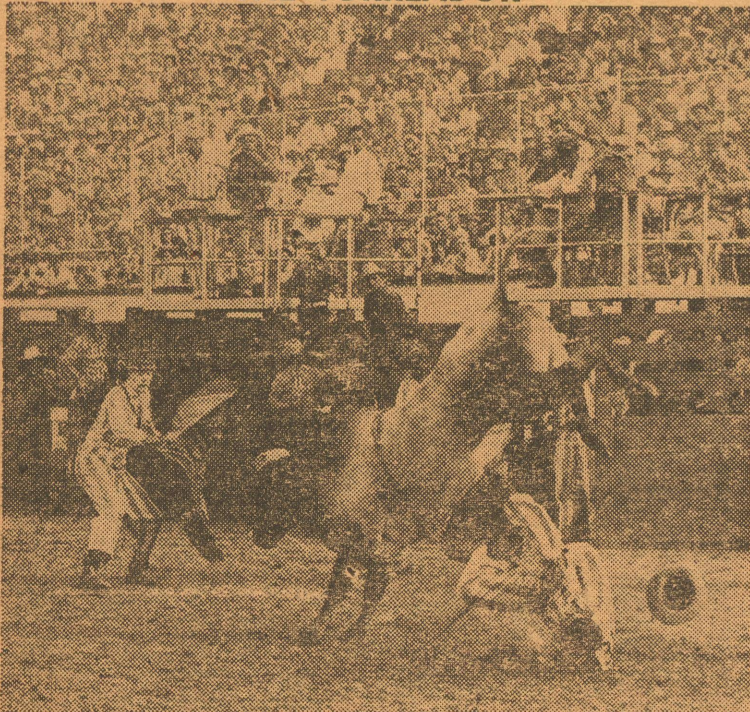

James C. Doyle 1-A  
Jerry L. Johnson 1-A  
Jerry A. Donaldson 1-A  
Alva L. Harris 1-A  
Frank S. Williams 1-A  
Donald R. Dannheim 1-C Disc  
Harlan C. McAlpine 1-C Disc

There were no calls for physicals or inductions from Schleicher County this month.

Ray Long, son of Mr. and Mrs. Geo. Long, arrived in Eldorado for a brief visit over the week end, after having received his discharge from the air corps earlier in the week at Othello, Washington.

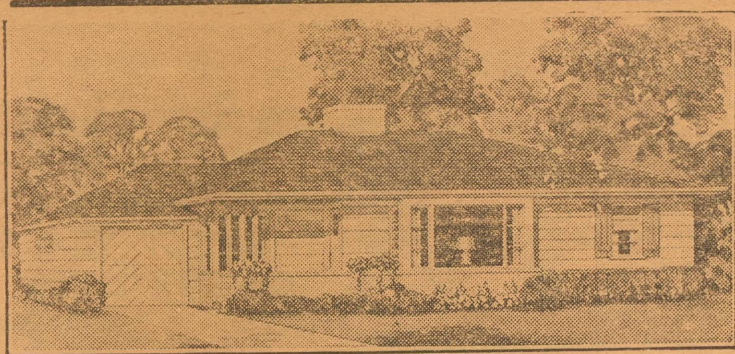

Ray attended Eldorado schools, graduating with the class of 47 and went on to Tarleton before enlisting in the Air Corps. Mr. and Mrs. Long took Ray to Austin Wednesday morning where he had already enrolled at the University of Texas.

### THE TORREADOR

Rodeo clowns, long hailed as doing the most dangerous job in the sport, take all the chances of the professional bull fighter and then some when they face range bred Brahma bulls. Convict clowns perform the same chores in keeping the rampaging beasts from attacking fallen inmate riders at the annual Prison Rodeo. This year the penitentiary show plays five big performances, each Sunday in October, Prison Stadium, Huntsville.

# You're Invited to Enjoy Humble's Comprehensive Program of FOOTBALL Broadcasts and Telecasts

There is no real substitute for a "seat in the stands" at a football game. Neither radio nor television can capture the full flavor of the game, with its dramatic moments, its color, its crowds. You will want to see as many football games as you can.

When you can't, you're invited to enjoy Humble's comprehensive program of football on the air:

#### RADIO:

Southwest Conference games will be brought to you every weekend. The schedule includes broadcasts of both non-conference and conference games. Kern Tips again heads Humble's staff of able announcers.

#### TELEVISION:

Live! Humble will bring Texans live telecasts of outstanding college games every Saturday afternoon during the season, and on Thanksgiving Day. These are telecast under the program of the National Collegiate Athletic Association. Tentative schedules include four Southwest Conference teams.

On film! Humble's weekly television program, *Texas in Review*, will feature highlights of Southwest Conference play. This appears on Monday or Tuesday nights over 14 Texas television stations. Special arrangements enable you to see Saturday's action as early as Monday night.

Go to the games with

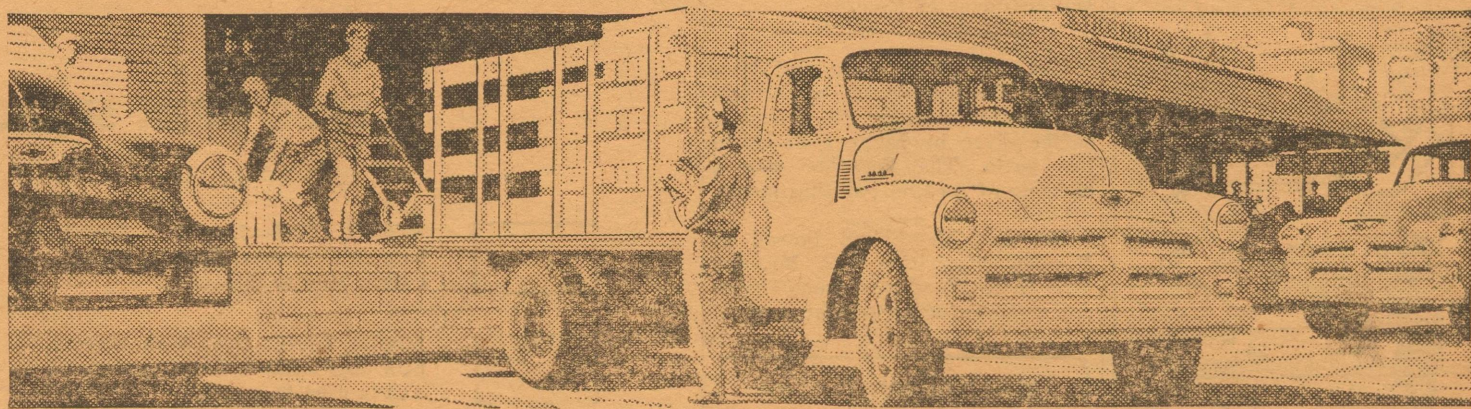

HUMBLE OIL & REFINING COMPANY

drive to as many as you can; tune in Humble's broadcasts and telecasts of those you can not see.

Farmers in the Eldorado Divide Soil Conservation District are busy harvesting the best feed crops they have raised since 1950. Cooperators contacted by SCS technicians, assisting the District, state that their best feed and cotton is above their terraces and in the lakes.

Clemens Sauer considers the 1,167 lbs of maize per acre on a sixteen acre field to be a good yield for this year. Clemens states, "the first twenty rows above the terraces produced at least twice as

much grain as the areas just below each terrace. These areas which were not benefitted by water held by the terraces didn't have enough moisture to produce good grain."

Most of Clemens terraces, on the sixteen acre field, are old terraces which he does some maintenance work on each year. His best yield was on the area helped by a terrace which he constructed last year with his farm tractor and plow. Clemens said, "the increase in yield on the area above this terrace more than paid for my part of the cost of constructing the terrace."

Last year Clemens maintained his terraces with his farm tractor and plow. More end closure was added on most of the old terraces to hold all of the water that falls above the terraces when it falls. He plans to do more maintenance work on the terraces this year and add more end closure so the terraces will be completely closed.

Clemens has received good rains this year. Most of the rains fell slow, giving it a chance to go into

the soil. In spite of this, one of his lake areas which does not have enough terraces above it, got too much water and the cotton was hurt by water standing too long on the land. The cotton will still make a good crop. "If there had been not terraces at all on the land above the lake the cotton might have died from having too much water on it," Clemens believes.

Clemens is well pleased with the small patch of blue panic grass he planted the last of June. He got a good stand on all that was planted just before the good rain the 26th and 27th of June. The grass has been plowed and hoed and is making good growth. Clemens hopes to harvest enough seed from the blue panic this fall to plant several more acres next spring.

The blue panic grass will be used in Clemens crop rotation for grazing and soil improving crop.

#### ON ADVISORY COUNCIL

Dallas.—The Southwestern Medical Foundation, with headquarters here, has announced the appointment to its advisory council of W. O. Alexander of Eldorado. Alexander will represent Schleicher County on the Council during the ensuing year, according to R. R. Gilbert of Dallas. Gilbert, a banker, is chairman of the Advisory Council.

The Southwestern Medical Foundation is a non-profit, philanthropic organization. It works to improve health and combat disease in the Southwest.

#### TOM J. SAMMONS CADET OFFICER AT A & M

Cadet office of Headquarters 3rd Bn., 2nd Regiment, in the Corps of Cadets at Texas A. and M. for the 1954-55 school year have been announced.

Unit commanders with rank of captain include Tom J. Sammons of Van Horn—one time student of Eldorado High.

#### NOW AT CORPUS

Friends will be interested in learning that Mrs. F. B. Faust is now living at 3341 Carol Drive, Corpus Christi, where she moved this summer with her daughter Mrs. Earl Ralston and family. Mr. Ralston accepted a better position there with a new Rest-Haven Memorial Park. The family have joined the First Methodist Church in Corpus Christi.

Lt. John D. Ochsner spent Thursday and Friday with his parents Mr. and Mrs. L. D. Ochsner, going on to Slaton to visit other relatives and friends.

#### RHONDA SPROUL IMPROVING

Friends of Rhonda Sproul, recent polio victim, will be glad to hear that she is improving and will be moved to Gonzales in a couple of weeks. She is the daughter of Mr. and Mrs. Carrol Sproul. Grandparents are Mr. and Mrs. Robert Sproul and Mr. and Mrs. Dick Bearce.

#### NAMED DISTRICT CHAIRMAN

Dallas.—R. T. Caperton, Chevrolet dealer in Sterlin City, has been named as chairman of Dist. 24 on the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$775,000 in Texas this year. This district includes: Sterling, Coke, Tom Green, Irion, Schleicher and Sutton counties.

#### ATTENDING MEETING OF COUNTY TREASURERS

Mrs. Mabel Parker, Schleicher County treasurer, left this morning (Thursday) for Corpus Christi to attend the 6th annual state convention of county treasurers.

Meeting will be held in the Driscoll Hotel and will last through the 18th and 19th of September. Interesting speakers, reports Mrs. Parker, make attendance at these conventions worth while and educational.

#### PRESBYTERIAN CIRCLES

Circle No. 1 of Women of the Church met Monday afternoon at 2:30 in the home of Mrs. B. F. Cox with six present. Mrs. H. A. Ringle gave a talk about religious education in Africa. Mrs. Joe Edens gave the Bible lesson in the absence of Mrs. Jackson. The next meeting will be with Mrs. James Spencer.

Circles 2 and 3 did not meet.

#### MERRY MAKERS 42

The Merry Makers 42 Club elected their officers for the coming year on August 26, when Mrs. Orville Conner was hostess at the Memorial building. Miss Chris Enochs was elected president and Mrs. Ben Isaacs vice president. Mrs. Jud Brannan was re-elected as reporter.

Mrs. Arch Crosby was hostess on Friday Sept. 10 with three tables of 42. Guests were Mrs. Ruth Finnegan, Mrs. Geo. Williams and Mrs. Coulter.

Mr. and Mrs. Arthur Mund Jr., and children moved to San Angelo on Monday. Arthur has enrolled at S. A. C. to continue his education which was interrupted by military service.

### News From Our Neighbors

#### Scouring Plant Move?

Members of the advisory committee of the Texas Sheep and Goat Raisers Association will ask the Texas A & M College System to move its wool scouring plant to Sonora as a first choice and if not to Sonora, to Junction, according to a release by Ernest L. Williams, executive secretary of the TS&GRA.—Devils River News.

#### Propositions Pass

All four issues in the elections held simultaneously in the city last Saturday passed. Voters approved the \$25,000 swimming pool bond issue, granted permission for the issuance of a natural gas franchise, continued the dog vaccination and licensing law and the spraying and fogging program.—Junction Eagle

#### Members Favor Carnival

Ozona P. T. A. met in a called session last Monday at 9:00 in the north Elementary auditorium and voted 18 to 8 in favor of having the annual P. T. A. carnival. Dates for the carnival and other plans will be decided later.—The Ozona Stockman.

#### No Decision On Rate Increase

A hearing on General Telephone Company's rate increase request came to an abrupt halt at last Thursday night's City Commission meeting when representatives of the telephone company declined to give certain information until such time as their attorney could be present.

The information which the company representatives declined to

furnish the city group concerned the company's financial structure, according to Joe S. Moss, attorney for the city.—Post Dispatch.

#### Car Accident Fatal

INTERESTING FACTS ABOUT TEXAS

**GOVERNOR JAMES S. HOGG and WILLIAM JENNINGS BRYAN ON PANTHER HUNT IN 1899**

Texas best hunting grounds are located in the eastern part of the Edwards Plateau, with its timbered hills and spring-fed streams. It is estimated that the total deer kill in Texas during the fiscal year ended August 31, 1950, was 38,720, and the turkey kill was 19,097. One of the most prolific and valuable of the game birds is the dove. Its annual kill is close to 3,750,000.

### OIL FIELDS WEAR HALOS —OF RADIOACTIVITY

Using a radiation detector called a scintillation counter, scientists have discovered atomic "halos" of radioactivity that pin point oil pools deep in the earth and can be spotted from a helicopter. If an interesting change in nuclear count pops up on dials of the scintillation counter, the helicopter may go down for closer study. If the scintillometer still verifies an unusual pattern, geophysicists may tramp over the fields for special readings, even digging a trench and sticking the instruments right into the soil. Thousands of readings must be

made before oil men feel they know the device's possibilities, but many are experimenting with it to better their chances of oil discovery. It's another progressive example of a progressive industry.

"Bubba" Alexander phoned his parents Mr. and Mrs. Claude Alexander, Monday morning from West Palm Beach, Florida, stating that he will be there for some time but was as yet unassigned.

### Electricity Never Forgets —Do You?

It's too bad that a fallen wire doesn't have a little sign that pops out with, "Do Not Touch" on it.

A wire on a rural line broke and fell near one end of a corn field recently. A device protecting this portion of the line automatically shut off the circuit. The property owner was cultivating corn, working his way slowly toward the fallen wire.

Not wishing to drive over it and perhaps damage it, he dismounted from his cultivator, picked up the end of the wire, carefully rolled it up and hung it over a fence post near a power pole to which it was attached.

He had no more than turned it loose and stepped away when this coil of wire suddenly became "alive" and arced and burned its way through all the strands of the wren wire fence.

Now let's go back and see what happened:

Our farmer friend wasn't the only one who had an interest in that fallen wire. The local power company had been notified that service in the area had been interrupted and promptly dispatched a repairman to investigate.

Unaware of the actions of each other:

The farmer stopped his tractor at almost the same time the repair truck drew up some distance away.

The farmer started to roll up the wire.

A repairman started to climb the pole to check the switch.

As the farmer finished rolling up the wire, the repairman decided to test the line.

The farmer hung the loop of wire on the fence post and turned away. The repairman closed the switch.

And the farmer had missed death by seconds!

Electricity is a relatively new miracle to many rural areas in the country. When handled properly

it is, beyond any doubt, one of the wonders of the world. But it can become a deadly weapon when it isn't handled correctly, as the farmer almost found out. In order to protect yourself and your families there are a few simple procedures that should be followed at all times:

1. Consider every fallen wire as dangerous.
2. Keep a safe distance from any fallen wire.
3. Telephone wires and electric wires look the same—don't try to tell them apart.
4. Notify the proper authorities as soon as you spot a fallen wire.

5. If necessary, post a guard by the wire to keep others from coming into contact with it.

It's the big **Success** today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the **Beautiful Buy** right now

It's the "High Resale" car for years from now

No Wonder—

**Buick Sales are Soaring!**

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.
