ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, MARCH 3, 1955

NUMBER 9

## Saturday Is Deadline Date For City Election Filing

Two incumbents have announced they will withdraw as aldermen at the close of their present term, and two new names have been submitted for a city election ticket which will be made up this week end.

Saturday night is the deadline for submitting names to the city secretary.

Terms expire in April for Mayor Eldon Calk, and Aldermen Gus Love, C. C. Henderson and Jerry Pennington.

Henderson and Love announced yesterday that they will not seek

re-election. A check at the city office at the same time shows the following have announced for places on the ticket:

For Mayor: Eldon Calk, for re-election.

Aldermen: Jerry Pennington, for re-election; and Edw. Meador and Joe Muller Christian.

This makes a full ticket without competition. There is some street talk of other names being presented, but none have come forward at this time. We repeat: the deadline for submitting names is Saturday, March 5.

## Stock Show Balloons Released At San Angelo

Six balloons were released from a Goodfellow Air Base B-25, Sunday, February 26. The first one to find a balloon and call Phone 6758, San Angelo, collect, will receive free hotel, meals, rodeo tickets for all four days of the Stock Show and Rodeo plus a free ride on a Trans-Texas Airliner if on that route.

Friday, March 5, is School Day. All school age children are admitted to the grounds free and rodeo tickets are half price. Rodeo performances are daily at 2 p.m.

## Post Script

Cameron's are putting up a two-bedroom house in the west part of town. The house adjoins the two new houses which the company built last year and which are now owned by Billy Dan McAngus and Frank Reynolds.

Another new house for the county: W. V. Lux started work this week on the foundation for his three bedroom farm residence, which will be of frame construction.

Edwin Jackson has recently returned from San Antonio, where he attended the Livestock Exposition as Schleicher County Ambassador and chairman of the West Texas area of 21 counties. Friday being West Texas Day (including Eldorado) an unusually large number of West Texans were in attendance. 350,000 people attended the ten-day exposition.

Prices paid for stock were good, and the FFA and 4-H boys had outstanding exhibits, reports Mr. Jackson. He stressed the fact that the show was for everyone, and that the present boys' dorm facilities would be expanded with this year's proceeds and that officials hoped also to build a sheep barn.

In another column we carry a report of a new gasoline plant for the Page field.

In case some of our readers get confused about it, perhaps we should explain that TWO gasoline plants have been under consideration in Schleicher County.

The speculation and gossip on the streets of Eldorado in the last three weeks revolves around a proposed large plant in the Huldale field which will serve a number of oil companies. The Page field plant will be a smaller affair designed to serve Cooper Gas only. We hope we will be able to confirm the Huldale story, too, before long!

Another new housing development may be in the making! Jack Shugart has bought the Wilber Benton block in the northwest part of town adjoining Sam Oglesby's. Mr. Benton reserving only one 100 x 140-foot lot on which his house stands. There are seven other lots, five 100 feet wide—two others larger, and with irregular frontage.

The tract includes all of Block 48. Mr. Shugart announces that he will start construction of a fine new residence on one of the lots soon. The sewer will have to be brought to the lots as one of Shugart's first projects in carrying out his plans.

Mrs. Ammer Carter has returned home after a five week stay in a San Angelo hospital.

## Oil News

Delta Gulf Drilling Co. et al will drill an 8,500 foot Cambrian wildcat in this county. It will be located 18 miles southwest of Eldorado and seven miles west of the Buckhorn Field, which has two wells. The prospect will be known as No. 1 Sol Mayer, and work will start immediately.

Located on a 160-acre lease, the test is 660 feet from south and west lines of 35-GC&SF.

It is also 2-3-8 miles west NW of Humble Oil & Ref. Co. No. 1 B Sol Mayer; this test was plugged and abandoned in late 1954 at depth of 8195 in Ellenburger. It had slight shows of oil between 652-62 feet, and recovered 20 feet of slightly gas-cut mud at 7840-90 feet.

L. E. (Low) Scherck of San Angelo has filed application to drill his No. 3 Minnie Wilson, offset to the sole producer in the Nancy S. (Canyon) field of this county.

Location is 330 feet from the north and 1650 feet from east lines of 14-1-GH&SA.

It will be 10 miles northwest of Fort McKavett. It will be drilled with combination tools to 4300 feet, beginning at the time the permit is received.

It is about 1660 feet north of the discovery which was finalized May 15, 1954, for daily pumping potential of 211 barrels of 31.5 gravity oil. Top pay was picked at 4032 feet.

A Schleicher wildcat near Eldorado, Tucker Drilling Co. No. 1 Mary C. Weir et al has been plugged and abandoned at 7412 feet. Location is in 80-A-HE&WT.

## Ohio Returning To Huldale Field

The Ohio Oil Company announces that it will drill its No. 24 Thompson in section 80 of the Huldale field; work to start by March 15.

The project will be an east offset to Ohio No. 8 Thompson. It will be a west offset to Sinclair wells on the Davis estate.

## New General Employee Serves Sonora District

F. Ted Maxwell, formerly of San Angelo, became Sonora District Manager for General Telephone Company of the Southwest on March 1, according to John E. Robbins, Jr., Division Manager in San Angelo.

Maxwell replaces Euston S. Wouliard, Sonora District Manager since April 1, 1954, who now has been transferred to Del Rio to become Del Rio District Manager.

In his new position, Maxwell will direct commercial activities in the Sonora district which includes Sonora, Barnhart, Big Lake, Blackwell, Bronte, Christoval, Eden, Eldorado, Forsan, Mertzon, Miles, Ozona, Rowena, Robert Lee, Sterling City and Texon.

## ROYSTER RE-OPENS CAFE BUSINESS, INVITES CALLERS

D. C. Royster, experienced cafe man, and long-time resident of Eldorado, announces that he has re-opened his cafe at the junction of the Mertzon and San Angelo highways, and that he will be glad to have his old friends call.

He closed the cafe last year for a much-needed rest, and leased the fixtures to Maxine Yardley who closed her business after operating it a few months.

Re-opening the cafe has been a major project as the fixtures had to be taken out of storage, moved back to the Royster building, and put in operation again.

## Free Dinner On The Ground; Big Roof To Go Up Saturday

Saturday, March 5 is going to be a big day with the people of the East Side Baptist Church.

For weeks now, working members of the congregation (and some paid help) have been erecting the walls of the new church building. Windows and doors have been set in as the walls arose, and the project has now reached the point where the next step will be the construction of the big roof for the entire structure.

Pastor Joe Dossett says the day is to be organized into one big grand working day with dinner on the ground. Anybody—everybody—with a flair for carpentering is invited to come and help—and earn a free dinner. Fred Logan and Marion Dacey have been engaged as boss carpenters and all others will work under their direction.

"We're going to try to put that big roof in one day," the pastor declares.

## Guests On Program At Lions' Club Meet

The Lions Club met Wednesday noon in the Memorial building with 52 members and four guests present.

Mr. Crawford of Ft. Worth, representative of the Caravan on Sale of Goods manufactured by the Blind of Texas, was a guest. He spoke to the club on the sales caravan which will have a truck in Eldorado April 16. All merchandise on this truck is made by the Blind of Texas and they will benefit by the profits.

Another guest was Mr. Bennett, director of the Social Security board of San Angelo. He spoke to the club on social security, stressing the 1954 amendments to the law.

## CO-OP SAFETY MEETING IS HELD WEDNESDAY

Luther Burleson, who is with the insurance company, led his regular first-of-the-month safety meeting Wednesday morning, in the offices of the Southwest Texas Electric Co.-Op.

The group, in session yesterday, heard the Co-Op's report that with the crew of manager, ten outside men and two office employees, a total of 37,470 man hours had been put in without accident—as of the 28th.

Another regular safety meeting is held during the last week of each month, taught by George Sheets, of the job training and safety division, College Station.

Mr. and Mrs. Glenn Spann and Nancy of Irving, Mr. and Mrs. Wallace Price and Debbie Lou of Rankin, and Mr. and Mrs. J. T. Ratliff of San Angelo visited A. G. McCormack this week.

## New Babies

Mr. and Mrs. Paul Hamby of Dallas are parents of a daughter, their third child, born on the 9th in a Dallas hospital. The baby weighed six pounds at birth and has been named Brenda Louise. The couple's other children are Keith, age four, and Ann, nearly two. The mother is the former Frankie Thompson, daughter of Mr. and Mrs. Jess Thompson of Eldorado; another grandparent is Mrs. Hamby of Dallas.

## PROCLAMATION

Whereas, Texas Public School Week will be observed during the week of March 7-11 throughout Texas;

Whereas, the local public schools will join with other schools in Texas in a combined effort to bring the school and community closed together by school visitation;

Now, therefore, I, Eldon Calk, Mayor of the City of Eldorado, do hereby proclaim the week of March 7-11th as Public School Week in Eldorado, Texas, and I urge our citizens to observe this week in visiting our public schools.

Eldon T. Calk

## Accident Victim Being Moved To Dallas Hospital Today

A. G. McCormack, who has been flat on his back in the local clinic and paralyzed in all four limbs ever since February 8th, was moved out by ambulance early this morning and was to enter Baylor Hospital in Dallas some time today, where he would begin receiving treatments from two Dallas nerve and bone specialists—Dr. Barnes and Dr. D'Erico.

Mr. McCormack, a Cooper Gas employee for several years, was brought to the Eldorado Clinic on Tuesday, Feb. 8, with a severe spine injury, following a truck-jeep accident on the lease. During his three weeks' hospitalization here, several out-of-town specialists have been called in for consultation, and when still no improvement was evident, the move to Dallas was decided upon.

Accompanying him in a Ratliff ambulance today were Dr. Jack Mowrey, M. D., and Mrs. H. C. Hixson, nurse. In a family car which followed the ambulance were A. G.'s wife, Danelle McCormack, and Mrs. Leslie Baker, Buddy Baker and Robert McWhorter.

## ★ The Military ★

Schleicher County boys reclassified March 1 were: Carey Webster Frisby, I-D; William David Holcomb, I-S(H); Robert Eck Moore, I-S(H).

## Cooper Gas Co. To Set Up Gasoline Plant For Page Field

Tom Williams, Trustee, reports this week that the Cooper Gas Co., will put in a gasoline plant in the Page field within about 90 days, equipment now being on order.

The company's own crews will be in charge of construction, Mr. Williams stated, and explained that construction was mostly a job of assembling since most of the plant will be pre-fabricated.

Cooper Gas owns about 45 wells in the Page field and the new plant is being installed for the express purpose of serving these wells. A crew of about 11 men is now regularly employed by the company and it is not likely that any additional men will be needed, Mr. Williams stated.

According to estimates made by company officials, the new plant will be expected to process between five and six million cubic feet of gas per day, from which they will expect to recover about 100 barrels of fluid per day which is described as "36-lb. Reid vapor pressure natural gasoline." The gasoline will be delivered to the Rancho Pipe Line.

The plant is expected here within 90 days. Two or three weeks will be required to put it into operation after its arrival.

## All Set For Public School Week

Next week is Public School Week in Texas!

The week opens Monday throughout the state and will close on March 11—but in Eldorado the visiting week will close March 10 because of the fact that the teachers will be attending the teachers' meeting in Brownwood that Friday.

School officials, in pointing out the value of the proper observance of the week, stress the importance of visiting the school some time that week and seeing the county-wide plant in operation.

Much good has been accomplished

in the past, they state, through the contact which parents make with the teachers and pupils as they go about their daily routine tasks. Eldorado has taken part each year in this observance.

The general value of public school education is stressed, as is also the obligation of enlightened citizens to know the democratic influence which public schools exert throughout the nation.

Mayor Eldon Calk has issued a proclamation, setting next week aside as Public School Week here, and this proclamation appears in this issue of Success.

Mr. and Mrs. Ernest Finnigan and Mrs. Ben Hext left this morning on a trip to South Texas. Mrs. Hext will visit her son Joe and his family at Lamarque and the Finnigans will go on to Galveston where they will be special guests at a weekend outing sponsored by Gulf for their consignees and families.

Mr. and Mrs. Fred Watson and Joe Wagley attended an Insurance Sales Congress in San Antonio last Thursday and Friday. While there they attended the Fat Stock Show.

L. M. Hill is reported to be in a serious condition in Veterans' Hospital in Big Springs.

## City Announces Clean-Up Week

Now is the time to start picking up that trash in the business and residential areas of the city, in preparation for City-wide Clean-up Week, which opens Thursday, March 10, and continues on thru the 19th.

City trucks will pick up the trash and haul it away free of charge. It will greatly facilitate handling of trash if residents will place it in boxes or other containers along the roadside where it will be easily accessible to trucks, state Mayor Eldon Calk and members of the city council who are in general charge of the drive.

"An early start on this clean-up job will assure getting it done in time," states Mr. Calk, who fur-

ther adds that after the clean-up closes, trash will be hauled away at the owners' expense.

The need for this general city-wide clean-up can be seen at a glance. With winter drawing to a close there is an unsightly accumulation of dead limbs, children's discarded toys, tin cans, paper and dead weeds all over town—a thorough cleaning of premises, burning of such trash as can be burned, and stacking up of the remainder for hauling away will do much to improve the appearance of the town and facilitate keeping down of disease.

The first truck load will be hauled away on the morning of March 10—one week from today.

## Oil Field Explosion Kills Three, Two Others Are Badly Injured

Three men were killed and two others were injured in an explosion at 3:00 Monday afternoon at a test in the Toenail area.

The dead are C. R. Boyd, 25, and Raymond Earl Ridley, 25, of Snyder, and V. V. Floyd, 39, of Electrica.

Injured critically was Hollis Boyles, 16, of Oklahoma City; and his father, C. W. Boyles, 37, who was less seriously injured.

The explosion occurred when the men were preparing to drop a torpedo in an abandoned well, Mayfair Minerals No. 1 Harkey.

H. J. Brady, engineer at the well, and C. E. Knight, of C. E. Knight & Co., hydraulic casing pullers, were sitting in a car 100 yards from the well, but neither was injured.

San Angelo ambulances were called to move the dead and injured to San Angelo.

It is understood that the nitroglycerin was of a type which required detonation, and that it would not go off by itself.

It is thought that one of the men must have hit the percussion mechanism.

The well had been abandoned several months before, and the men started pulling pipe Monday.

The bodies of the dead were taken to their respective homes for funeral services and burial, and the injured are still hospitalized.

The tragedy is the worst which has ever occurred in the county's comparatively new oil fields.

IT'S IN WEST TEXAS — not Frenchman Flat; it's a peacetime sign—not hydrogen bombs. It's a Shell Oil Company seismic crew using a new shooting method in their constant search for new oil reserves. The insert shows a crew

member setting one of the 5-pound

bounce back from underlying strata and are picked up on sensitive recording instruments. Interpretation of these records give clues to where structures which may contain oil are located.

By Vern Sanford  
Texas Press Association

Austin — Insurance bills have lagged. Water conservation measures are embroiled in dispute. And virtually no start has been made on a taxing program in the legislature.

As a result, lawmakers are eyeing a possible special session.

Theoretical date for such a session is May 11. On that date the legislators' pay for the regular session stops.

It has been suggested that Gov. Shivers may have foreseen a bog-down in the regular session, and therefore has not pushed his administration program. During a special session, he would have full control of subject matter which may be introduced.

#### Tax Bill

Rep. Jerry Sadler of Percilla introduced the biggest tax bill of all.

Promising a lot of controversy, the bill would levy a one-cent per gallon processing tax on all gasoline and distillates produced in Texas. It would: Raise an estimated \$160,000,000 a year, repeal the present four-cent gas sales tax, and head off the administration's two-cent gasoline tax increase.

Sadler said its effect would be to reduce the price of gasoline to Texans three cents a gallon. Sixty per cent of the gasoline is exported, tax-free, he said.

Meantime, Rep. Charles Murphy explained he hadn't yet asked for committee hearing on the administration's two-cent gas tax bill, wanting sentiment to jell.

#### Some Fared Better

Passed by the House were bills outlawing sale of lewd and depraved comic books; permitting women to serve on juries; and regulating leasing for uranium and hard metals.

Amendments to the women's jury service bill narrowed considerably, the list of those who may be called to serve.

Furiously debated, the uranium bill was attacked as a "give away." Rep. Walling of Wichita Falls added two amendments. One will limit each lease to 80 acres to prevent one minor development from freezing exploration on large tracts. Another limits the primary term of leases to five years.

Interest was heightened by reports of a real uranium ore strike in Karnes County.

Rep. Maury Maverick's bill to prohibit cross filing of candidates by two political parties won a favorable report in the House.

Also favorably reported was Rep. Tom Joseph's bill to bring trust companies under supervision of the State Banking Department.

#### Not Faring So Well

Stymied in a House committee was a bill to increase the filing fee of candidates for the Legislature to \$300.

Killed by a Senate committee was Sen. Crawford C. Martin's omnibus water conservation bill. It embraced nine subjects carried in the series of administration bills offered by Chairman D. B. Hardeman of the water resources committee.

Martin warned that unless the Senate reconsidered and kept his bill alive, all others would be subject to being knocked out on a constitutional point of order.

#### Grand Juries Take Over

Meanwhile, three Grand Juries have stepped in on the veterans' land investigations.

Bexar County's grand jury was the quickest on the draw, with two felony indictments. Then the DeWitt Co. grand jury at Cuero fired a double-barrel broadside of 195 indictments against six persons. DeWitt County Attorney Wiley Cheatham started the whole land inquiry.

Travis County grand jury, with venue in every veterans' land transaction, had piles of ammunition and District Attorney Les Proctor had his thumb on the hammer.

Grand Juries in 10 other counties have had some contact with the question.

Work by the Senate investigating committee had dribbled down to a schedule of sessions only every other Thursday.

In intensive hearings each weekend, the House committee approached the question of administration and operations in the Land Office and Veterans Land Board.

Attorney General Shepperd predicted there will be "hundreds of indictments," and indicated more civil suits were in prospect.

#### Education

UT President Logan Wilson told the legislative finance and appropriations committee the university must have more money, or face the problem of halting its growth or

lowering standards.

Requested, for two years for its main establishment, was \$9,700,000. The governor's budget recommendation cut this by \$2,400,000.

University and college students were to gather in protest of a bill by Senator Otis Lock. Hearing was set for March 2. The bill would authorize a compulsory \$20 per semester student activities fee.

#### Fair And Calmer

Austin's weather bureau has been in a tizzy answering the many telephone calls from weather wary Austinites. To calm the atmosphere in the tower at Municipal Airport, a mechanical telephone answering device has been installed.

Callers now are told, "Your call is being answered automatically because the forecaster is busy." A complete weather report follows.

#### New Highway Maps

Issued by the Highway Department are 500,000 state highway maps for 1955, with a new and simpler fold.

D. C. Greer, State Highway Engineer, pointed out that the old wheeze about needing another map as a guide for refolding an opened travel map, is no longer true.

Auto license purchasers can obtain a special card for use in requesting a copy of the new map.

#### RESEARCH WORKERS REPORT ON WHEAT PASTURE POISONING

College Station — Salt, cottonseed meal, mineral mixtures, silage and various dry feeds, either fed alone or in combination, gave little protection against wheat pasture poisoning. Presumably, acting as a diluent, they may lengthen the time necessary for the attack to occur, reports Associate Veterinarian F. H. Sime and Animal Nutritionist H. R. Crookshank at PanTech a Field Laboratory. The laboratory is a unit of the Texas Agricultural Experiment Station in cooperation with Texas Technological College.

Their studies show that poisoning on wheat occurs primarily in mature cows, two years of age or older, which are in the late stages of pregnancy or with calves at side. Most cases developed after 60 and before 150 days of wheat grazing, and before the calf was 60 days of age.

The research workers list the usual symptoms as beginning with undue excitement, incoordination and a loss of appetite. As the condition progresses, viciousness, staggering and falling develop. If the animal is not treated, convulsions with periods of relaxation occur, then finally death. It is usually from 6 to 10 hours from appearance of the first symptoms until the animal goes into a comatose condition. If treatment is not begun before the coma sets in, there is little chance of recovery. The symptoms have been observed by laboratory personnel in beef, dairy and crossbred cows.

The best treatment seems to be the injection of a calcium gluconate solution fortified with magnesium and phosphorus. Recovery may be speeded by removing the cow from wheat pasture for a few days. Recurrence of the condition has not been noted in any animal which has recovered from initial attack.

The complete report on the studies is carried in Progress Report 1739 and is titled "Wheat Pasture Poisoning in Cattle." Copies may be obtained from the Agricultural Information Office, College Station, Texas.

#### TEXAS FARM POPULATION SINKS

College Station — Texas' farm population is lower than at any time since the 1870's. The number of persons living on farms and ranches last year was 1,126,000 compared with 1,387,000 in 1950, reports W. G. Adkins and R. L. Skranbanek of Texas A&M. That means a decrease of about 260,000 or 18.8 percent in the last four years.

The two agricultural economics and sociology professors conducted the statewide survey in cooperation with the U. S. Department of Agriculture's Agricultural Marketing Service.

The decline in Texas farm population is a continuation of a trend which began in 1934 when the number of farm residents reached an all-time high of 2,423,000.

While farm population declined the total civilian population of Texas increased rapidly and in April, 1954 was about 8,200,000. Farm residents now comprise only 13.7 percent of the total population. In 1930 more than 40 percent of the state's citizens lived on farms and ranches.

U. S. farm population also has decreased steadily since 1940, though not as rapidly as in Texas.

The change in farm population has been a fairly accurate indication of changes in other farm characteristics. The survey shows that the number of farms in Texas has decreased from 332,000 reported by the 1950 census to 281,000 last year. The average farm of 517 acres is more than twice the size of farms in 1930 and well above the 438 acre average recorded in 1950.

The 1940 average of more than five persons residing on each farm has declined to almost four.

#### Miss Ellington Presents Her Piano Pupils Sunday In Recital

Miss Mae Ellington presented her piano pupils in a recital in the Club room of the Memorial Building Sunday afternoon.

The following program was presented to about 40 guests: "I Hear a Bluebird", Frankie Nell Blaylock; "Porkie Pig at the Ice Show", "March of the Space Patrol", and "Yosemite Sam Rides the Range", Rickie Jones; "Swing Low! Swing High" and "Parade of the Lollypops", Pam Jones; "Down in the Valley", Kaye Harkey; "The Song Sparrow", Kay Peters; "A Folk Song", Mary Ann Page; "Irish Washerwoman", Kenneth Isaacs; "A Spanish Dance", Jan Davis; "A Tropic Island", Francis Lancaster; "Santa Lucia", Gayle Woodward; "Air de Ballet", Judy McGregor; "Swing Prelude", Linda Jones; "Rhapsodie", Ruth Parker; "Over the Waves", Linda Merle Nixon; "Can-Can", Linda Bess Love; "Rumba", Judy Wyatt; and "Haymaker's Frolic", a duet by Linda Bess Love and Judy Wyatt.

#### Junior Girl Scouts At Regular Meeting

The Junior Girl Scout troop met last Thursday in the Memorial Building with 19 members and three leaders present.

The girls were presented Tenderfoot pins. They discussed the Father-Daughter banquet which will be Saturday night.

Mrs. Roy Taylor served refreshments.

#### Intermediate Girl Scout Troop Meets

The Intermediate Girl Scout troop met last Friday at the Memorial Building with 14 members present.

The girls made invitations for the Father-Daughter banquet.

#### ROY LYNN CELEBRATES HIS EIGHTH BIRTHDAY

Mrs. Gus Love was hostess at a party honoring her son Roy Lynn on his 8th birthday, February 24.

Birthday cake and ice cream was served to 20 small guests.

#### Texas' Calf Crop Was New Record

The USDA figures just released on Texas' calf crop in 1954 indicate a total of 4,259,000, about 1% above the 1953 total of 4,211,000. It was the biggest calf crop on record, according to the department.

Expressed percentage-wise as the numbers of cows and heifers two-years old or older, it meant that the crop was 87%. This unusually high percentage came about despite drought. Calf crop was 85% in 1953, and average for the past ten years was 80%.

In the United States 42,210,000 calves, or 3% more, were raised in 1954. The 1953 total was 40,947,000. It was also an all-time record.

#### Fed Cattle Lower At Ft. Worth

Fed cattle were 50 cents and some bids \$1 lower at Fort Worth Monday. Heavy supplies at Northern markets, plus the fact recent prices grade for grade at Fort Worth have been above the Corn Belt averages, was credited with weakening of the prices.

Choice steers topped at \$24. Cows were steady, and bulls unchanged. Calves were 50c to \$1.00 lower, heavyweights to \$21 and \$21.50, and mostly \$20.50 down. Stocker calves sold from \$22 down.

#### Hogs Top At \$17 In Monday Trade

Butcher hogs opened at a top of \$17 at Fort Worth Monday. This was steady to 25 cents lower than last week close. Buyers again were emphasizing the meat-type hogs and paying the better prices for those kinds. Sows were steady at \$15.50 down.

Ralph Fowler was home last weekend from Corpus Christi where he is employed.

Mrs. Bert Page was admitted to a Brady hospital Wednesday for a medical check-up.

Mr. and Mrs. Alvin Atkinson and son have moved from the former Burleson house in the west part of town to the Ben Biggs residence.

Louie Woodward of Brownwood spent the weekend with Mr. and Mrs. O. L. Woodward.

Mr. and Mrs. George Williams spent Sunday at Brady.

The St. John's Episcopal Guild will meet March 7 at the Memorial Building with Mrs. Bob Roberts as hostess.

# ELECTION NOTICE

AN ELECTION HAS BEEN CALLED  
FOR TUESDAY, APRIL 5, 1955  
IN THE CITY OF ELDORADO FOR  
THE PURPOSE OF ELECTING  
A MAYOR AND THREE ALDERMEN.

ALL CANDIDATES FOR THESE OFFICES  
MUST FILE THEIR NAMES WITH THE  
CITY SECRETARY NOT LATER THAN  
MIDNIGHT, MARCH 5, 1955.

tion would not have to pay back the additional \$2.3 billion that the Government will have to borrow if the bill is finally enacted. The burden of repaying that additional debt would simply be passed on to future generations to worry with. The public debt already stands at around \$278 billion. Interest alone on it is \$7 1/2 billion annually.

The move is unfortunate, too, because it is precisely the kind of action that promotes inflationary forces, just at a time when the price level has achieved stability.

The \$2.3 billion tax-cutting rider was attached to a \$2.8 billion revenue-raising bill. The latter was an extension of the wartime temporary 5% increased rate on corporate income and an extension of the high temporary excise rates on liquor, cigarettes, etc. Except for this extension of the 52% rate on corporations, that rate would automatically drop back to its normal of 47% on April 1. That extra 5% accounts for \$1.8 billion in revenue annually.

What the tax-cutting rider amounts to is to add the \$2.3 billion to the estimated \$3 billion deficit, thereby making the budget unbalanced to the tune of nearly \$5.5 billion. But the Senate is expected to rise to the occasion and kill this unfortunate folly. In the meantime, we can only hope that we can get more help this year from other Members in our economy efforts and thereby enable

the Congress to balance the budget and give the people some badly-needed tax relief that will mean something.

In speaking of what it calls "the \$20 handout", the New York Times stated: "it will be up to the Democrats of the Senate to save the Democratic Party from itself, and to save the Nation from as crude an example of playing politics with the Nation's fiscal structure as we have seen in several years."

#### Junior Woman's Club

The Jr. Woman's Club met last Thursday in the Club room of the Memorial Building.

In the business meeting the president appointed Mrs. Elmer Peters as parliamentarian to replace Mrs. W. H. Lindsey who resigned.

Mrs. T. P. Robinson Jr. reviewed "The Giant". Mrs. Roy Phelps and Mrs. Marvin McAngus were hostesses and served refreshments to members and Mrs. Jerroll Sanders and Mrs. Charles Love, guests.

A play, on the subject of Bridge, will be the program at the next meeting, March 10. Mrs. Bill Bier-schwale and Mrs. Dick Preston will be hostesses.

Mr. and Mrs. L. Steen returned home Tuesday from Dallas where Mrs. Steen had a medical check up.

**Miscellaneous Shower Honors Bride Monday**

Mrs. Arnold Gene Clark was honored with a gift tea at the Memorial Building February 28.

In the receiving line were the honoree, her mother, Mrs. Claude Stone, and her mother-in-law, Mrs. A. G. Clark.

Mrs. Rose Doyle and Mrs. Ernestine Cook were at the register.

The table, covered with a lace cloth over green, and centered with a tiered cake on a reflector, was set with the silver service. Yvonne and Charlene Logan, Willa Higgins and Ann Alexander served cake, coffee and tea.

Micky and Terry Phelps sang, accompanied by their mother, Mrs. Roy Phelps. Barbara Fought played a piano solo.

Out-of-town guests were Mrs. J. B. Hefflin and Glenna and Mrs. Barbara Mahew of Sonora.

Hostesses were Mrs. Ruth Alexander, Mrs. Jewel Hodges, Mrs. Frances Edmiston, Mrs. Rose Doyle, Mrs. Ernestine Cook, Mrs. Ruth Bradshaw, Monetta Bradshaw, Charlene Logan, Yvonne Logan, Willa Higgins, Helen Taylor and Ann Alexander.

**Newton Gibbens Dies Recently At Mobile**

Newton Gibbens, former resident of Eldorado, died recently in a hospital in Mobile, Alabama. He was a native of Turtle Creek and attended school there and at Kerrville.

He and George Lowrance at one time lived in Eldorado, where they owned the water works and a garage.

In 1918 Gibbens and his wife, the former Anna Elizabeth Bird, moved to Mississippi, and ten years ago to Mobile, where he was a government employee.

He suffered a severe heart ailment some time ago, and underwent surgery just three days before his death. He played the violin as a hobby and was much in demand for his ability to play.

His survivors include his widow and three daughters, who live in Alabama, his mother, a brother and six sisters.

**"42" CLUB MEETS**

Mr. and Mrs. Edgar Spencer entertained the 42 Club at their home Monday night.

Mrs. Spencer served cherry pie and coffee to three tables of players, including two guests, Mr. and Mrs. Richard Jones.

Mr. and Mrs. Fred Logan visited his parents in Sonora last Sunday.

Claud Ditmore and Mr. and Mrs. D. Ditmore of Temyson and Mr. and Mrs. Raymond Ditmore of Abilene spent Sunday with Mr. and Mrs. Elton McGinnes.

Mrs. Lamon Hazelwood, Mrs. Vernon Hazelwood, Mrs. Hicks and Mrs. Whiteley visited in San Angelo last Saturday with Mrs. Ben Biggs and Rev. Baltis Matthews.

Carol Ann McDougal of Burnet spent last weekend in the Fred Logan home.

Johnny Miller and his mother, Mrs. Julia Miller of Ballinger, were at LaGrange Monday and Tuesday on business.

Mr. and Mrs. J. C. Whiteley, Mr. and Mrs. Vernon Hazelwood, Mr. and Mrs. Vernon Carroll, Shirley, and Mrs. Lamon Hazelwood visited Mr. and Mrs. Tom Carroll in Ozona last Sunday. Mr. Carroll was in the Ozona hospital following an accident in which he received serious injury to his hand.

Mrs. Richard Cheatham visited in Seminole from Thursday to Sunday with her daughter and family, Mr. and Mrs. R. B. Glasscock and children.

Mrs. Anderson and daughter of San Antonio and Roy Staveley of Dallas spent the weekend with Mr. and Mrs. Lum Davis and Mr. and Mrs. Rance McDonald.

**School News**

The FFA boys will show their lambs in the San Angelo Show this week. The livestock judging team will also participate. Members of the team are Jimmy Whitten, Ray Pilant, Bobby Williams, Billy Williams, Rex Enochs, and Tony Cheatham.

Schleicher County won the second place award for neatness at the San Antonio Show.

The FFA Chapter will present a program in Assembly Friday, March 10th.

The National Honor Society will initiate its new members in assembly tomorrow. Requirements for the society are Scholarship, leadership, character, and service. Present members are Ronnie Mittel, Jerry Pennington, Bill Holcomb, Pat Higgins, and Jean Kuykendall.

Coach Ken McAllister has announced the following Jr. High Lettermen in Basketball: Dan Mittel, Abel Sanchez, Farris Nixon, Demetrio Bellman, Donnie Smith, Joe Stanford, Kyle Donaldson, Arnie Westbrook, Jerry Doyle, John Robledo, Alvin Atkinson.

The track team will enter the Ft. Stockton Relays Saturday, March 5th. Boys making the trip are Jerry Pennington, Bill Holcomb, Bob Ratliff, Monty Hill, Jimmy Harris, Harold Lloyd, Herman Early, Reyes Robledo, Selwyn Taylor, Bob Steward, Curtis Stockton, Ronnie Kerr, and Ken Love, and Billy Sam Hale. Results of the meet will be given next week.

Coach W. A. Allgood attended the annual coaching school at Rice Institute in Houston, Feb. 24-26. Jess Neely and his staff conducted the school which included lectures, demonstrations of all phases of football and coaching.

Films of some of Rice's games were viewed by those in attendance. The Coaches were permitted to come onto the playing field to watch the blocking assignments and defensive tactics. Coach Allgood said that it was one of the best schools of this type that he has ever attended.

**Homemaking**

The Betty Crocker Homemaker of Tomorrow in Eldorado High School is Jean Kuykendall.

She received the highest score in a written examination which tested the homemaking knowledge and attitudes of the senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow. She also received a golden award pin, cook books for herself and the school.

The national winner in this search conducted among 187,000 young women in 8,000 of the nation's public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

General Mills is the sponsor of this program designed to assist schools in building in young women a deeper appreciation and understanding of the American home and the personal qualities necessary to successful homemaking.

Each girl who took the test received a 24-page homemaking guide which will assist her in pursuing the career of homemaking.

**MERRY MAKERS MEET**

Mrs. Orval Conner entertained the Merry Makers 42 Club last Thursday at the Memorial Building.

Guests of the club were Mrs. Ruth Williams and Miss John Alexander.

The hostess served cherry pie and whipped cream.

Mr. and Mrs. J. D. Hallmark and Eulon visited her father, W. H. Monroe, in a Del Rio hospital last Sunday.

Mr. and Mrs. Harvey Dannheim and boys of San Angelo visited Sunday with her parents, Mr. and Mrs. Otto Sauer.

**Mardi Gras Visitors Are Back In Eldorado**

Mr. and Mrs. Dick Preston and Mr. and Mrs. Hollis McCormick are back from a holiday Mardi Gras trip to New Orleans, where they mingled with the Mardi Gras crowd and spent a delightful five days doing the city.

They left Eldorado early on the morning of February 16, the McCormicks and their guests arriving back in Eldorado early Thursday morning of last week, and the Prestons driving in several hours later. They report it a 17-hour drive.

The McCormicks and Prestons were joined in New Orleans by Mrs. McCormick's brother and sister-in-law, Mr. and Mrs. Ben Angelo of Fresno, California, who had gone to Flint to pick up a new car, then had done sight seeing in New York and Washington before going south to the Mardi Gras city.

The Mardi Gras crowd was larger than usual, and the vacationers report that the biggest sights were the elaborate parades and the costumed people who mingled with the visitors. Parking space being at a premium, they had to take in the sights on foot most of the time.

Special events which they enjoyed were the horse races and shows by Ted Lewis and Rudy Vallee, in addition to the numerous elaborate parades. Cooler weather made the wearing of coats necessary much of the time. Restaurants were crowded but they enjoyed the food.

Since their return home they have had many ask them if they took part in the big riot featured in Monday's news. They explain that they saw the beginning of it when some youngsters seemed to be getting out of hand, but did not stay.

The Angelos stayed here with the McCormicks until Monday morning, when they left on their return trip to California.

—The Success \$2 year—anywhere

Guests in the E. N. Edmiston home last Sunday were Mrs. Ora Sapp and Erlene Johnson of Midland.

Mr. and Mrs. R. V. Lay of Austin spent the weekend here with Mr. and Mrs. Pete Ringle.

Mr. and Mrs. Bob Fought and Mrs. L. R. Damron spent Saturday in San Angelo.

B. O. Bridgeman returned home Sunday after a stay in the hospital in San Angelo.

Guests in the home of Mr. and Mrs. Ben Hext last Thursday were Mrs. Glynn Gibson and Debbie of Shawnee, Oklahoma.

Mrs. Julia Miller is spending the week with Mr. and Mrs. John Miller.

Mrs. Joe Faull, Mr. and Mrs. McGrath and Bryan visited Mr. and Mrs. Norman Fought and Mr. and Mrs. Jack Hinton in Hobbs, New Mexico, last weekend.

Mrs. E. H. Nimitz spent last week at McAllen with relatives.

Mr. and Mrs. Jocoy have moved from the Millard Smith house to the McClatchey apartment.

**No gasoline—no, not a single one—has higher octane than**

**New 1955 GULF NO-NOX**

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

but octane alone is not enough ... New No-Nox burns clean!

Only a gasoline that burns clean can make its full octane power really work for you.

Instead of trying to fight harmful deposits with so-called "miracle additives"—inside your engine—Gulf believes in preventing them from forming in the first place; removes the cause—the "dirty-burning tail-end" of gasoline—at the refinery.

The plates in the photo show what a difference Gulf super-refining makes!

and clean-burning No-Nox gives your engine...

**more complete protection!**

Gulf treats new NO-NOX to protect every part it touches against harmful deposits.

See for yourself: Compare clean piston "A" from engine using new NO-NOX with piston "B" from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons, at left, from Gulf test engines, ran the same number of hours under the same conditions.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts. You'll get:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness . . . instant starts . . . fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

It's super-refined... to burn clean!  
The '55 gasoline for all high-compression engines

**GULF'S PLEDGE to the motoring public**

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by all the resources—and the integrity—of the Gulf Oil Corporation.

**"The High And The Mighty" Ranks With All-Time Great Productions**

**THE HIGH AND THE MIGHTY** is highly entertaining, widely appealing, and handsomely mounted — high wide and handsome in every sense of the word. This is one of the great pictures of our times. Played with fast pace, steadily mounting suspense, it contains every emotion from humor to tragedy. The 2400 miles from Honolulu to San Francisco Bay that bared all the passions a man or a woman ever tried to hide. Beautifully photographed in WarnerColor and using the breadth of CinemaScope, it gives the public something it cannot get on TV. It makes a trip to the movies a big event for any family. It received four Oscar Award nominations, and the Boxoffice Blue Ribbon Award. The latter is given the twelve pictures of the year most suitable for all-family entertainment.

Don't miss **THE HIGH AND THE MIGHTY** starring John Wayne and Claire Trevor playing Sunday and Monday, March 6 & 7 at the **EAGLE DRIVE IN**. Starting time 7:15. Adm. 40c & 10c. (adv)

**City Clean-Up  
-NOTICE-**

Beginning Thursday, March 10 the City of Eldorado is putting on a city-wide clean-up drive, which will be conducted at no extra expense to property owners and renters in the city's residential and business areas.

Everyone is urged to pick up all trash and pile it out along the streets and alleys where it will be accessible to city trucks. The trash will be hauled away free of charge—it may consist of anything such as tree branches and other unsightly debris which spoils the appearance of a place.

Every person is hereby notified to start now getting his trash ready, so it can be hauled away when the trucks start out March 10th on their clean-up trips.

Any burnable rubbish placed in alleys after March 20th will be hauled off AT THE RESIDENT'S EXPENSE.

**DROUTH HAY PROGRAM**

Half a loaf appears to be better than none as far as the drouth relief hay program for Texas is concerned. According to a survey made by the Texas Department of Agriculture, the program which paid a part of hay transportation cost to drouth areas proved to be of some benefit to hard-hit cattlemen, but it could stand some improvement.

March 31 marks the final phase of the present program inaugurated jointly by the state and federal governments. Should it be continued in 127 counties designated in the disaster area? The department wanted to find out and sent questionnaires to leading agriculturists in each county.

Some 200 replies to the first question "Should the program be continued", leaned heavily towards extension beyond March 31, especially if additional rains were not received. Seventy-five said "yes", indicating drouth conditions were still serious in those counties. "No", said 63 letters and "perhaps, if no rain comes", declared 66 others.

Judging from the answers and other sources, many of the counties have fair to good prospects for spring grass at this time. Most moisture is still needed, however, before adequate pastures are assured.

Was the hay program adequate? Fifty-seven flatly stated "no", 91 said "yes", and another 57 said some benefits were derived from it but the program should be improved if it is continued.

In reply to suggestions for program improvement, a Palo Pinto man summed up the general feeling by requesting a cheaper source or supply of hay with less red tape and more aid in freight rates.

But a Stonewall farmer recommended that the department take the only sure method of drouth relief.

"Have it rain more!", he said.

**IT'S THE LAW**  
★ in Texas ★  
A public service feature  
of the State Bar of Texas

**Start Simple Records Now, Save Tax Headaches Next Year**

There is no time like the present, while last year's tax problems are fresh on your mind, to start a procedure that will aid you with next year's income tax calculations. That is to maintain a record of your income and outgo. Such a record can be simple and brief but it may save you tax dollars.

The average man who works for a wage or salary doesn't have to concern himself about keeping books and records—at least so he thinks. His employer keeps a reliable record of his earnings and Uncle Sam looks primarily to the employer for information on his earnings and for the withholding of various taxes out of his wages.

But whether or not you run a business of your own, you have a partner who each year is claiming a substantial interest in your personal income. And the law requires that you keep books for him in case he ever asks for an accounting.

Perhaps you own your home or are paying it out in installments. It's likely that some day you may sell that house. When you do you will want to be able to prove whether you realized a gain or a loss on that sale. If a gain in capital resulted, it probably will add to your income tax. If a loss was suffered, it probably will reduce your income tax.

You may have made certain capital improvements on the house while you lived in it, but unless you can show what out-of-pocket expense you incurred while making them, you may not get credit for them in your cost basis so as to prove that you had no capital gain or that you had a loss.

Or perhaps you received that little summer cottage on the lake as a gift from your father. If you ever sell it, you should be able to show Uncle Sam not only the cost of improvements you made on it while you owned it, but also what its fair market value was at the time Dad gave it to you.

It may be that you are receiving an annuity on an insurance policy. If so, do you know how much that policy costs and how much of that cost you have recovered tax-free to date?

There are many kinds of transactions you enter into that may some day affect the computation of your personal income tax. The best proof of the cost of anything you've purchased is a receipted bill or canceled check. If one of these pieces of evidence relates to any transaction that may affect your income in later years, it's a good idea to keep it. Your "auditor" may some day ask to see it.

(This column, based on Federal law, is written to inform—not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

**WHAT PRICE SPEED?**

Speed—excessive, reckless speed is the greatest killer stalking the Nation's highways today.

In one out of every two driver accidents resulting in deaths and injuries, speed is directly responsible for this carnage on the highways. Other lethal causes, such as cutting in and out, passing on curves and hills, driving off the roadway, are indirectly the result of quick bursts of speed.

And the speed death toll is climbing! Faster roads, super-powered cars urge drivers beyond their human limitations to a quicker and more frequent rendezvous with Death.

Rural highway fatalities due mainly to speed soared from 22,000 in 1949 to 28,200 in 1952 and over 31,000 in 1953. Those are the dead—and for every death count fifty injured, maimed, crippled for life.

Is this the price you and others are ready to pay for the momentary thrill and the ever-present danger of death from speed? It takes only a split second to change speed exhilaration into speed tragedy.

The decision is in your hands—be sane, be sensible, slow down and live!

**SLOW DOWN—LIVES ARE IN YOUR HANDS!**

Rev. Thomas E. Cook

First Baptist WMU Groups In Session

The First Baptist WMU, meeting Monday at the Church, voted to serve breakfast each morning during the Youth Revival which begins March 27.

Circle 1 had charge of the program which was on Cuba. Mrs. W. O. Alexander was leader and Mrs. A. E. Kent led the opening prayer.

Mrs. R. E. Cheatham brought the devotional. Mrs. W. N. Ramsay sang "How Long Must I Wait".

Others taking part were Mrs. Finigan, Mrs. Hudson, Mrs. Ashmore and Mrs. Stigler. Refreshments were served to 20.

All members are urged to attend the all day meeting March 7 beginning at 10 a.m. at the Church. There will be a covered dish luncheon.

The G A Girls met Monday at the First Baptist Church with 12 members and one leader present.

They started their mission study on the book "Gold in Alaska". Refreshments were served by Mrs. Elzey.

The Bykota class met with Mrs. Melvin Hargrove Feb. 24 for a covered dish luncheon. In the business meeting Mrs. J. D. Hallmark was selected group leader to replace Mrs. R. A. Bownds who has moved away.

PYF ON TRIP The Presbyterian youth fellowship class will join the Youth fellowship class of the First Presbyterian Church of San Angelo on a chartered bus trip to Ft. Worth Friday where they will attend the Spring Rally. The class will be accompanied by John Miller and will return home Saturday.

EAST SIDE WMU The East Side Baptist WMU held a Day of Prayer meeting Tuesday at the church. The nine members had a covered dish luncheon at noon.

Webb-Edmiston Rites Are Held In Via Acuna

Ruby Webb of Goldsmith and Frank Edmiston were married February 11, at 8 p.m. in Via Acuna, Mexico. Bobby Galbreath was the only attendant.

Ruby, daughter of Mr. and Mrs. J. S. Webb of Goldsmith, graduated from Odessa High School and attended Odessa Junior College and Eastern New Mexico University.

Frank, son of Mr. and Mrs. E. L. Edmiston of Odessa, graduated from Eldorado High School and attended Texas University and Odessa Junior College.

They are at home in the Edmiston apartment house. He is employed by Delta Gulf Drilling Co.

Mrs. E. H. Dammheim is visiting in Waco with her daughter and son-in-law, Captain and Mrs. Dale Peterson.

Sonora Grocer Dies

Funeral services were held last Saturday in Sonora for Vernon F. Hamilton, 57, who died at his home following a heart attack.

Survivors include his wife, his mother, Mrs. George Hamilton, two sons, Clayton, a Sonora bank employee, and George V., office deputy in Sutton sheriff's office; two grandchildren, all of Sonora; and a brother, George B. Hamilton of Wisconsin.

Local relatives and friends attending the funeral were Mrs. Ed Hill, Mr. and Mrs. Raymond Shrank and Gordon, Mr. and Mrs. Bill Wyatt, Mrs. Morris Whitten, Mrs. Billy McCravey, Mrs. C. C. West, Mrs. Carson West and Ed Meador.

Mrs. Bill Brown of Odessa and Mrs. J. F. Murchison of San Angelo, guests in the Hill home, also attended.

LEAGUE SALE

Bargain hunting West Texans are invited by the Young Women's Service League of San Angelo to come and browse or buy at the League Sale which begins Wednesday, March 9, at 1417-19 West Beauregard in San Angelo. Sale hours are 9:30 a.m. to 8 p.m.

The Sale will be held through Saturday, March 12, and is being sponsored by the league to raise funds for the League sponsored and supported Handicapped Children's Treatment Center, which has been in operation two years, and the Baby Clinic, which has been in operation six years. The Clinic and Center are both located at 115 W. First St. in San Angelo.

Guests in the home of Mr. and Mrs. Walter Warren are her parents, Mr. and Mrs. H. H. Stephens of Iowa.

Sunday guests in the home of Mr. and Mrs. A. P. Thigpen were Mr. and Mrs. Earl Thigpen and Mrs. Wilkerson of San Angelo and Mr. and Mrs. Joe Brooks of Eldorado.

Mrs. Dora Mae Powell and son of Sonora moved into a Gus Love apartment this week. She is employed at the West Texas Cafe.

Mr. and Mrs. Harold Scherz of Sonora spent Sunday with her parents, Mr. and Mrs. L. D. Ochsner.

Mrs. Arthur Brooks has returned to her home at Alto after a two weeks visit with Mr. and Mrs. W. A. Brooks and boys.

Mrs. J. D. Ashmore spent last week in San Angelo with her daughter and family, Mr. and Mrs. W. E. Terry.

AT SUL ROSS

Alpine, Texas — Charlene Atkinson and Kenneth C. McAllister of Eldorado are among the new students registered in Sul Ross State College for the spring semester.

Miss Atkinson, daughter of Mr. and Mrs. A. E. Atkinson of Eldorado, is a Junior majoring in Physical Education. She is a former student of San Angelo Junior College.

Mr. McAllister is a Graduate student majoring in Business Administration.

EATON'S Corrasable Bond, legal size, at Success Office.

Presbyterian News

Beginning this Sunday at the Presbyterian Church there will be a week of Evangelistic Services each evening at 7:00. The special speaker for the occasion is the Rev. Thomas E. Cook, Assistant Pastor of the Ridglea Presbyterian Church of Fort Worth, Texas.

Mr. Cook was born and reared in Washington, D.C. He earned his B.A. Degree from North Carolina State College in Psychology. He attended Union Theological Seminary, Richmond, Virginia and Austin Presbyterian Theological Seminary, Austin, Texas, receiving his Bachelor of Divinity Degree from Austin last year.

The public is cordially invited to hear Mr. Cook each evening beginning Monday the 14th and concluding with the evening worship on Sunday the 20th.

This Sunday night there will be a special religious movie, "Korean Victory".

The Young People of the Presbyterian Church will attend the regular Spring Rally of Youth Fellowship in St. Stephen Presbyterian Church in Fort Worth Friday and Saturday. Those attending will be Martha Dell Williams, Ann Ballew, Monetta Bradshaw, Nancy Jo Jackson, Becky McAnus, Willie Lueddecke, Cecil Mack Walston, Nancy LeFaux, Tommy Jones, and Mr. and Mrs. John S. Miller, Counsellors. They will go with Young People from San Angelo on a chartered bus.

First Baptist News

The young people made the grade again at the Youth Rally this past Saturday night which met at Carlsbad Baptist Church. They brought back one of the banners.

The month of March will see a number of activities come into our church. Beginning March 6, thru March 11, Miss Sunshine Rogers will help us with our Training Union work. March 21 will be the time for our Father-Son Banquet of the brotherhood. A layman from First Baptist Church, Brownwood will be the speaker. March 27 will be the date for our Spring Youth Revival, ending April 3. This will be a Youth led and directed yet Church wide Revival.

March seems to be a fine month for everyone. Let us do our best in church work this month in order to get the best out of it.

The Pastor of First Baptist Church would like to take this means of expressing his personal appreciation to each of the ladies who gave of their time and effort to gather the information in the census recently taken for the Ministerial Alliance.

Go to church somewhere next Sunday, it may mean the difference.

Thought For The Week Ministerial Alliance

"Examine yourselves, to see whether you are holding to your faith. Test yourselves." II Corinthians 13:5.

Paul urges the Christians at Corinth to examine themselves. His plea might well apply to us in our day. Christians must continually keep themselves under the judgement of Christ. We must do more than accept the Christian faith; we must live for it.

Let us examine ourselves in the light of Christ, who died for us. What do we believe? The loss of Christian belief has serious effect on moral conduct. Our real beliefs are what we live by. Do we believe in God enough to worship Him? Do we believe the Bible enough to study it? Do we believe in the Church enough to attend regularly? Do we believe that Christians should live like the people of the world or like Christians?

If we fail to pass the test, let us repent and make a new start in Christian living. Above all, let us "Examine yourselves, to see whether you are holding to your faith." —Rev. Doyle W. Morton.

Kathy, Kara Lynn, and Bob Rogge of Sonora spent the weekend here with their parents, Mr. and Mrs. J. W. Davis.

Advertisement for Esso Extra gasoline. Features the headline "Engine KNOCK signals power-loss... STOP KNOCK" and "with Esso Extra for '55". Includes an image of an Esso gas pump and a can of Esso Uniflo Motor Oil. Text describes the benefits of Humble Esso Extra gasoline for '55, highlighting its anti-knock performance and superior lubrication. The ad concludes with "No. 1 in Texas" and "HUMBLE HUMBLE OIL & REFINING CO."

**News From Our Neighbors**

**Women On Jury**

First women called for grand jury and petit jury service have been summoned for 10 a.m. next Monday morning when regular term of 112th District Court will be convened here by Judge Jim C. Langdon of McCamey.

Twenty-eight of the 56 summoned are women.

Asked if they seemed surprised when called officially, Sheriff J. O. Wright replied, "Most of them." Queried about whether any of them seemed to feel flattered, he said, "A few." —Junction Eagle.

**City Offices Sought**

Three additional candidates have announced for posts on the governing body of McCamey this week, Tom Nevinger, City Secretary, stated yesterday.

Olin Smith has announced his candidacy for mayor. Smith is currently serving as mayor; he was appointed to the position when Jimmy Rutherford resigned this last year. —Junction Eagle.

**Curbs Requested**

Up to Thursday morning, 18 persons had signed up to have curbs laid around their property before paving is completed. Amount of footage to be curbed could not be determined for sure, as some of the signers had not made known the amount they wanted.

Estimated cost of the curbing is \$1.50 per running foot. This includes stand-up curb and gutter. Total width will be 18 inches. —Bronze Enterprise.

**School Accepted**

Robert Lee's new school building was completed last week. The structure was turned over to the school trustees Friday afternoon by the contractor, Houston Hill, of Midland.

Moving operations were carried on over the weekend and classes were taken up in the new building Monday.

All members of the school board were present Friday to make a final inspection of the building. —Robert Lee Observer.

**New Homes Constructed**

Two new homes and a duplex are under construction in Robert Lee. A couple of other homes are expected to be started very soon, indicating considerable residential expansion in the city this year. —Robert Lee Observer.

**School Census Is Down**

The Mason Independent School District this week completed its annual scholastic enumeration and final figures show a drop of 18 scholastics from last year. Last year there were 906 children in the district between the ages of six and 18; this year there are 888. Actual attendance figures in the schools are up despite the decrease in the census. The district stands a chance to save about \$3000 next year by way of earning another teacher on state support if attendance remains good. —Mason Co. News.

**Chinese Native In Menard**

Studying ranch and farm operations in Menard county since Monday has been Chia-po Wang, 31-year-old resident of Napua Village, Sinhwa Chen, Tainan, Taiwan, Republic of China.

He has been in the United States since November 18 for the purpose of studying animal husbandry here in search of methods, information and techniques with which he may return to his country and improve the work of his department there. —Menard News.

**Curfew Suggested**

Parents are urged to enforce a self-imposed curfew on their children in a four-page report issued this week by the Brewster County grand jury.

The grand jury also recommended that "in any activity where mixed groups are thrown together, parents should volunteer as chaperons and sponsors." —Alpine Avalanche.

**Flood Control Studied**

Although what final recommendation will be made will not be known for perhaps several weeks, local citizens and officials were greatly encouraged in their hope that the application for Soil Conservation Service aid on the flood control project of the Johnson Draw watershed will receive favor-

able action after a visit here last week of SCS engineers.

Hope that the project may be justified on a cost-benefit basis was raised with the establishment during the visit of the engineers of the facts of four major floods on the watershed in the past fifty years. This was new information for the Sedvick and one which local flood control committees viewed as an important development toward favorable consideration by the national agency. —Ozona Stockman.

**Money Is Stolen**

The Sonora High School was entered some time early Saturday morning and \$197.15 taken from a jimmied filing cabinet. The theft was discovered about 7 o'clock Saturday morning by Willie Lopez, janitor, when he investigated after noticing the office door had been forced open.

The money represented various miscellaneous receipts, kept in a locked filing cabinet in the main office. Sheriff's officers reported a crow bar appeared to have been used. —Devils River News.

**Roxa Tinning's Picture In Dayton Newspaper**

A picture of Roxa Tinning, of Covington High School, in Ohio, appears along with several other girls, in scenes taken at the Dettmer Hospital—the spread of pictures and story appearing in a recent issue of the Journal Herald, Dayton, Ohio.

One of the pictures shows Roxa carrying a tray to a patient as one of her duties as nurse's aid at the hospital. The program includes 55 Miami County girls who are putting in 50 classroom hours at the hospital and 50 on the floor this year, in addition to carrying their regular high school courses.

The girls, who are known as Dettmer Dolls, wear green checked uniforms, and receive no pay except meals while on duty. They drive to work with parents who take turns with their cars.

The family lived here before moving last year to Ohio. Roxa is a grand daughter of Mrs. Virge Tisdale.

**World Day Of Prayer Is Observed Friday; Program Is Presented**

Various churches of the city participated when the World Day of Prayer was observed in Eldorado Friday afternoon at the Presbyterian church, under auspices of the United Church Women.

Mrs. Ray Tisdale, president, opened the meeting with prayer, and greeted the audience, noting the fact that Congregational Methodist members were there for the first time.

Mrs. Walter McGregor read the minutes, then the meeting was turned over to Mrs. Edwin Jackson, program chairman. Mrs. Jas. Page was organist for the musical numbers.

Readers of the leaders' parts in the litany were Mrs. Luke Thompson, Mrs. W. T. Huber, Mrs. John Williams, Mrs. Lillian Crosby and Rev. James Spencer.

Prayer was offered by Rev. Doyle Morton, pastor of the Methodist Church, and Rev. James Spencer, pastor of the Presbyterian Church. Rev. Alanson Brown, pastor of St. John's Episcopal Church in Sonora, principal speaker, used the subject of prayer as his sermon topic, and listed projects in the United States and foreign countries for which the world wide offering would be used. He also dismissed the congregation with prayer.

Readers for a drama telling the story of the projects were Mary Tisdale and Elizabeth Ballew, and other characters in six scenes were Mrs. W. T. Panker and daughter, Nancy Jo; Dorothy Campbell and Cecil Fay; Martha Dell Williams and Mrs. B. F. Cox; Mrs. Forrest Runge and Martha Ellen Topliffe; John Miller, Jimmie Lindsey and Jim Runge; and Mrs. Joe Edens.

Mrs. Oliver Teele, public school music teacher, played for the songs which 18 Latin American first graders presented. Mrs. Connie Smith of San Angelo was pianist for two songs, "Angels Keep Watching Over Me," and "God Bless America," and was also soloist, with 12 pupils from the Eldorado negro school.

Four girls, Nancy Jo Jackson, Myrta Topliffe, Thomasine Jones and Becky McAngus, had a part in the litany.

The Eldorado Woman's Club will meet March 8 in the home of Mrs. J. E. Tisdale. Mrs. Tisdale and Mrs. Keno Ogden will be hostesses. The program will be on Civil Defense with Palmer West as guest speaker.

Rev. Spencer took Mrs. Spencer to Laredo Monday where she will stay with her mother for two weeks. Rev. Spencer returned home Tuesday.

Mrs. Annie Craig is visiting in Abilene with Mr. and Mrs. E. W. Craig.

Mr. and Mrs. Frank Crawford and two children of Big Lake visited Mr. and Mrs. Houston Thigpen last Friday.

**Susan Hill Celebrates Her Fifth Birthday**

Mrs. Jo Ed Hill was hostess at a party honoring her daughter, Susan, on her 5th birthday last Friday at the Corral.

The Western theme was carried out in decorations and the children all came dressed in western style.

The boot shaped cake, decorated in brown, yellow and green, was served with Cokes and bubble gum. Favors were guns.

Mrs. Wilson Page directed the games and other assistant were Susan's grandmothers, Mrs. Ed Hill of Eldorado and Mrs. Gene Horton of Ft. Worth.

Lesa Whitehead of Del Rio was the only out of town guest of the 35 attending.

Mr. and Mrs. Boots Corbell of Midland spent the weekend with Mrs. John Luedecke.

Ann Elizabeth and Craig Morris of Lubbock visited from Wednesday of last week to Monday of this week with their grandparents, Mr. and Mrs. George Cales, while their parents attended a Medical Convention in Houston.

Janice Cales of Baylor arrived home last night for a visit with her parents, Mr. and Mrs. George Cales.

Mrs. Frank Van Horn and Mrs. Fannie Fury spent Sunday in Ft. Stockton with Marcus Fury.

A weekend guest in the home of Mr. and Mrs. Ed Hill was her sister, Mrs. Bill Brown of Odessa.

Mrs. Fred Riley reports that her daughter in law, Mrs. Odes Davis, is improving at her home in Midland after being seriously ill last week.

Mr. and Mrs. Tommy Kent of Alpine spent the weekend here with Mrs. A. E. Kent and Mrs. Frank Spencer and other relatives.

Mr. and Mrs. D. K. Neill and two children of Odessa spent the weekend with Mr. and Mrs. Marvin McAngus and other relatives.

Weekend guests in the home of Mr. and Mrs. Jack Shugart were Mr. and Mrs. Glenn Spann and Nancy of Irving. Sunday guests were Mr. and Mrs. Wallie Price and Debora of Rankin.

Mrs. Gus King of Abilene spent the weekend with Mr. and Mrs. G. J. King.

Mr. and Mrs. R. E. King of San Antonio spent the weekend here with Mr. and Mrs. C. O. Neff and Nell.
