WHAT PRICE SPEED?

Speed—excessive, reckless speed is the greatest killer stalking the Nation's highways today.

In one out of every two driver accidents resulting in deaths and injuries, speed is directly responsible for this carnage on the highways. Other lethal causes, such as cutting in and out, passing on curves and hills, driving off the roadway, are indirectly the result of quick bursts of speed.

And the speed death toll is climbing! Faster roads, super-powered cars urge drivers beyond their human limitations to a quicker and more frequent rendezvous with Death.

Rural highway fatalities due mainly to speed soared from 22,000 in 1949 to 28,200 in 1952 and over 31,000 in 1953. Those are the dead—and for every death count fifty injured, maimed, crippled for life.

Is this the price you and others are ready to pay for the momentary thrill and the ever-present danger of death from speed? It takes only a split second to change speed exhilaration into speed tragedy.

The decision is in your hands—be sane, be sensible, slow down and live!

SLOW DOWN-LIVES ARE IN YOUR HANDS!

Overnight Trip Is Taken By Scouts

Girl Scout troop 2 met Thursday afternoon at the Memorial building from where they left on an overnight camping trip. The leaders took the girls by car to the John Mayo farm where they prepared supper over a camp fire and then camped out for the night.

They enjoyed a camp breakfast at 6:00 a. m. and returned home about 8:30. Included were 18 girls and three leaders, Mrs. Jess Blaylock, Mrs. John Mayo, and Mrs. J.

The next meeting for troop 2 will be June 9 at the Memorial building. At this meeting plans will be made for summer activities.

First Baptist News

The vacation Bible school is in full swing. The boys and girls are having plenty of fun doing the things prepared for them by the splendid group of faculty members Much work and study has pre ceeded the actual school. Those boys and girls who are not now in a vacation Bible school are missing something by not being in school

every day. This past Sunday we had Rev. Perry Cox, May graduate of The University of Corpus Christi, in our services. He will be with us again next Sunday through the vacation Bible school. He is here with a view of becoming our asso ciate pastor. Every member should be here next Sunday to meet him.

The summer camps are to be held this month. The boys' royal ambassador camp will meet June 20 thru June 24. All boys planning to go this year are urged to let the office know in plenty of time to arrange transportation.

The summer time is time for all

Go to church next Sunday, you'll feel the difference.

bouquet of pink carnations, with been swept by storm the day behead dresses of the same flowers.

Miss Mae Runge of Eldorado was maid of honor; Mrs. Carl Kisselburg of Ardmore, Okla., was matron of honor; Mrs. Gene Walker of Sonora was bridesmaid; and Pam Jones of Eldorado, cousin of

the bride, was junior bridesmaid.

Jack Thornton of Midland served as best man for his brother. Groomsmen were Carl Kisselburg of Ardmore, Oklahoma, Billy Gene Edmiston of Eldorado, and Bill Apperson of Lubbock.

Reception Follows

Following the wedding a recen tion was held in the church parlors. The tea table was laid in white net over pink taffeta. Centering the table was a three-tiered arrangement of candelabra on a reflector, the bridesmaids' bouquets serving as a centerpiece with the candelabra. The tiered cake was whitie with trim in wedding bells and tiny white flowers.

Others in the house party were Ann Ballew, Burnell Doyle, Dale West, Thomasyne Jones, Monetta Bradshaw, Jerry Caldwell, Jimmie Dell Williams, and Mary Tisdale. Bob Ratliff played the piano during the reception hour.

After a trip to Oklahoma the couple will make their home in Oklahoma City during the summer months, then will move next fall to Lubbock, where the groom will at tend Texas Tech and the bride will take a business course.

For travel the bride wore a suit of beige shantung with white and coffee-colored accessories.

Mr. and Mrs. W. B. Hopson entertained Friday night with a rehearsal dinner at the Cactus Hotel in San Angelo.

Confirmation Service The Rt. Rev. Everette Jones of

San Antonio will be in Eldorado Sunday, June 5 for Episcopal Church confirmation service at the Memorial building at 3:30.

BERNELL IS HONORED

Mrs. Claude Doyle honored her daughter, Bernell with a surprise Coke party on her birthday last Friday at the Doyle home. Birthday cake and Cokes were served to the honoree and 11 girl friends

An Appeal for 101 Days of Safe Driving

During the summer months-from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success . . . If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

Wherever you drive this summer, PLEASE DRIVE SAFELY

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long-stop when you're tired.
- Observe all highway caution warnings-slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of trainic courtesy: give other motorists the same consideration you'd like for them to give you.

Trigger-Torque power lives up to the promise of Ford's Thunderbird styling

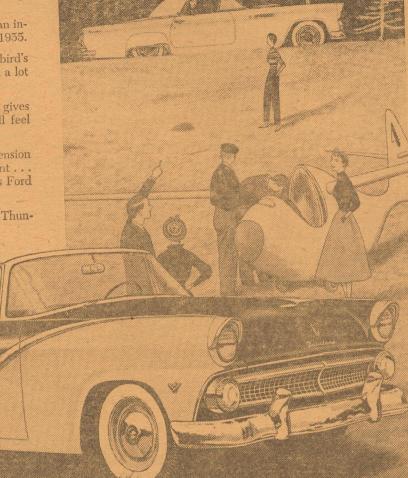

Ford used the long, low Thunderbird as an inspiration for the styling of its 16 models for 1955.

Ford also captured a lot of the Thunderbird's "Go" . . . a lot of its easy handling . . . and a lot of its interior beauty.

You'll find Ford's Trigger-Torque power gives you action right when you want it. You'll feel safer-pass faster.

You'll find Ford's Ball-Joint Front Suspension helps Ford hold the road like a coat of paint . . and a new front suspension mounting gives Ford a silky-smooth Angle-Poised Ride.

Then, Ford interiors, like those of the Thunderbird, are rich, colorful and completely new! Come in and see why Ford's worth more.

You can see the Thunderbird look in the long, low lines of the Ford Fairlane Sunfiner

Make today your day to Test Drive a
