THURSDAY, MARCH 29, 1956

NUMBER 13

Good Friday Morning Services Set By Ministerial Alliance

The Union Good Friday service will be held at 10:00 a.m. at the Presbyterian church, tomorrow.

The program will be a brief message on each of the last seven words (statements) of Jesus on the cross by the members of the Ministerial Alliance. The whole program will not be longer than one hour.

States one member of the Alliance: "The public is cordially invited to attend this service. There would not be room enough if people would only stop to think what it meant to us when our Lord hung on the cross for our sins. Surely we have time to give Him one hour when He gave us all."

Ohio Rig Moves To Tatum Location

When an Ohio Oil Co. rig left the county recently a number of families moved with it to the new location near Tatum, New Mexico. The regular tool pusher, Clete Lynch, had gone to Odessa to take a special course at Odessa College, and Hoyt Smith was put in charge as acting tool pusher.

Men moving are: F. G. Collier, J. H. Lychmann, R. J. Lackey, T. A. Flippen, T. J. Kornegay, B. E. Duggan, J. J. Williamson, C. P. Boone, D. W. Green, A. K. Estep, L. W. Wyllis, W. T. Rush, L. W. Stafford (family in Iraan), Calvin Henderson, Sam Sartain (single), Bobby Locker, Charels Neithercut, Ernest Boone, Wm. Hubble, and Smith.

REVIVAL CONTINUES

The Eastside Baptist revival, with the Howard Payne Jackets for Jesus in charge, has been so successful that the revival did not close Sunday night as scheduled, and continues on to an unnamed closing date. Crowds have been good and response has been excellent.

Letters From THE PEOPLE

TO THE TAX PAYING VOTERS OF SCHLEICHER COUNTY:

This letter is written to inform you in the forthcoming Bond Election. There are two propositions to be voted on in this election.

The first proposition on the ballot is for \$35,000 for a Home for Aged (Poorhouse). This home would be built by the County and either maintained by the County or leased to a responsible party. If leased, and the operator was unable to maintain it financially, it would revert to County maintenance. To enter the home, an individual would have to give up any old age assistance. There is no guarantee that if the home were built there would be any applications for admittance. It is within the legal rights for a County to establish such a home, but this is rarely done in Texas. An establishment such as asked for under this bond election would require a minimum of \$1,500 per month to staff and operate.

The second proposition on the ballot is for \$35,000 for Park Improvement Bonds. This is for a County Swimming Pool. In the petition circulated, the location of the pool was to be on the Courthouse Square adjacent to the Memorial Building. If this proposition carries, it is left to the discretion of the Commissioners' Court as to the location. Under the plans brought forth for this, a concession stand and bath houses will be provided. The swimming pool could be maintained by the County or leased to a responsible group or civic organization. There would have to be an admission charge for swimming under either plan. The admissions and the profit made from the concessions should pay all expenses and maintenance.

If both the above propositions pass, it will necessitate the increase of present taxes; however, if either proposition fails to pass it will be possible not to increase the taxes by the means of re-allocation of the present existing taxes.

County Chairman Edwin M. Jackson;
R. E. Preston,
Precinct No. 1;
Harry A. Ringle,
Precinct No. 2;

FIRST BAPTISTS OPEN REVIVAL ON EASTER SUNDAY

Outstanding young people are in charge of the First Baptist revival, opening Sunday.

Jack P. Kirby, who will lead the music and direct the young people's choir during the revival, was reared in East Texas and graduated from Longview high school. He has served churches in Longview and Dallas, before becoming minister of music education at the Harris Avenue Baptist church in San Angelo on Dec. 1, 1954.

Mr. Kirby is a student at San Angelo college and will graduate in June. He is a member of the religious council, the Phi Theta Kappa, the A Capella choir, the band, and past president of the Baptist Student Union of the college.

Evangelist Charlie Masseege, a Junior student at Hardin-Simmons University at Abilene is the speaker for the week. During his high school years in Ranger he played football, baseball, basketball and track, attaining the honor of All-District three years and All-State one year, in football.

During his Freshman year at HSU Masseege won honorable mention, All-Border conference. Last season, which was his Sophomore year, he made second team All-Border conference and week Honorable Mention for Back of the Week in America. During the football season he gained about 600 yards on the gridiron and was Hardin-Simmons' leading pass receiver.

Mr. Masseege has been president of the Ministerial Council and vice-president of the Cowboys for Christ, and also a member of the Life-Service Band. He has been preaching for about three years and has spoken in over 65 Baptist churches, having preached in over 30 revivals. For a year he was pastor of the East Side Baptist church in Ranger, but is now doing strictly evangelistic work.

Services will begin Sunday evening, April 1, and will continue throughout the week, with breakfast being served for all the young people at 7:00 in the morning, and regular night services at 7:30 p. m., preceded by a 7:00 prayer service. Miss Margo Mittel will be the organist and Perry Cox will be the pianist. Pastor J. C. Hancock urges and invites the general public to worship in each of the services next week.

NEW SINCLAIR PUMPER

Mr. and Mrs. Elmer Anderson and family moved their household goods from Andrews to Eldorado Sunday and are occupying an Earl Parker rent house in the west part of town. Mr. Anderson is a Sinclair pumper and took over his job on the Sinclair University lease Monday. This job was formerly held by George Gandy, who has bid in a similar job in Irion county. The Gandys will continue to reside in Eldorado. Mr. and Mrs. Anderson have two school-age boys and a smaller girl. The family belong to the Methodist church.

Kenneth Doyle writes home folks that he has been staying at a hotel at Liba, Tripoli, Africa, awaiting arrival of the Delta Gulf rig on which he would eventually be employed at a location 800 miles farther on. He mentioned the fact that he was 6500 miles from Eldorado, and that he was eating Italian cooking. His family will join him as soon as school is out. Another Eldoradoan on the job there is David Williams whose wife and child will also make the trip. There will be 10 or 15 families from this area.

THE SENIOR PLAY CAST posed for this picture before giving their well-received production of "Rest Assured" last Thursday night in the high school auditorium. Standing are, left to right, Junior McLaughlin, Ila Jean Boyer, Kathy Hemphill, H. L. Turnbow, Helen Kaye Taylor, Frances Parker, Monty Hill, and Barbara Spencer. Seated are Burnell Doyle, Herman Early, Carolyn Hall, Gainell Belk, Willa Higgins, and Bob Ratliff. Not shown are Bill Gaynor and Billy Parker; the director, Mrs. Wynne; and other classmen who helped backstage.

RIDING CLUB LOSES 1, WINS 1 SUNDAY P. M.

The Eldorado polo club lost one and won one in their matched games Sunday with Sterling City at the local grounds. The A team lost 2 to 9, and the B team won 5 to 2.

A large crowd of players were given some valuable experience in this game, in which 18 or 20 participated. Skeet Mace and another from Sterling City were the referees.

This was not a conference game. A good crowd of rooters was present to lend support to the Eldorado Riding Club.

District Games Scheduled
Members of the team and the squad of subs are all practicing regularly, in preparation for their first district games, which will be in Eldorado, at the arena, under lights, on the night of the 6th of April.

FOX HAD RABIES SAYS REPORT FROM STATE DEPARTMENT

A fox head sent from the county to the Health Department, Rabies Control Unit, at Austin by Tucker Clark was pronounced positive, and other instances have been reported recently of wild animals acting abnormally.

County officials, such as the Commissioners, the county agent and others, warn that all who have dogs and cats should give serious consideration to the annual vaccination of these animals against rabies.

Dr. Mowrey, county health officer, says that all wild animals seen to acting strangely, should be killed and the head sent to the health department at Austin.

A suspicious animal should be shot through the body, the head cut off and packaged in a container. This container should be soldered to make it air tight. Set the container in a larger one, pack in ice package, and send to Rabies Control Unit, Austin, Texas.

The County Commissioners passed an order recently to pay a bounty of \$1.00 for each fox tail brought to Jud Brannan at the court house.

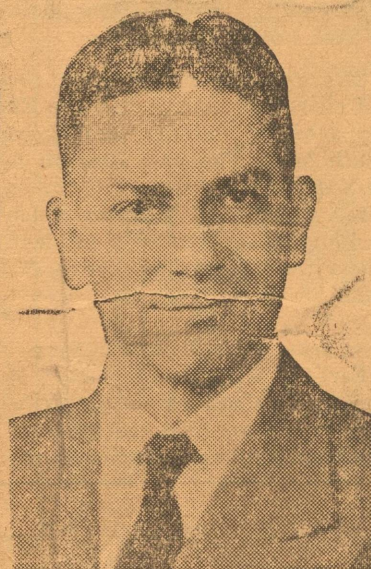

It is pointed out that it is every citizen's duty to safeguard the health and safety of his own family, as well as his neighbor's in an undertaking of this nature. The vaccination of your dogs and cats lessens the danger, officials state.

LIONS CLUB MEETS

Eldon Calk reported at yesterday's Lions club meeting, on plans for the annual club broom sale which will take place tomorrow, Friday. It was stated that J. H. Mace, C. C. McLaughlin, Palmer West, and Ed Meador would be team captains for the sale, assisted by other Lions club members.

R. L. Wood and Mr. Lassiter of the Wood Music center rendered a program of several selections played on steel guitars.

Deputy District Governor Bill Vines was on hand to help with the zone meeting, which followed the regular club meeting.

JOE BURKETT, JR.

JOE BURKETT ANNOUNCES FOR RE-ELECTION

Joe Burkett, Jr., has announced his candidacy for re-election to the office of State Representative from the 78th district, subject to the action of the Democratic Primary. The Kerrville man has earned an outstanding reputation while in Austin, for his leadership, ability, and integrity.

During the last session of the Legislature, he served as chairman of the House special investigation committee and chairman of the House insurance committee. He also served on the Revenue and Tax committee, the Conservation and Reclamation committee, and on the Labor committee.

Joe Burkett, Jr., is a firm adherent of local self-government, and a staunch supporter of the principles of Democratic government. He is convinced that state taxes should not be increased for any purpose except as the people of the state voluntarily authorize tax levies upon themselves for a specific purpose. He has lived in the "Hill Country" for 25 years, and feels he can properly and sympathetically represent the people of this entire district in a comprehensive legislative program.

Joe Burkett, Jr., is a veteran of World War II, and has served the people of his home county with distinction, starting with Justice of the Peace, then as County Attorney and as County Judge. He is married and the father of two children.

Joe Burkett, Jr., hopes to make a personal solicitation of the vote of each constituent during the campaign, and he especially solicits the influence and support of every man and woman in the district who believes in economical state government.

GRAND JURY SUMMONED

Summoned for grand jury, to report Monday morning, April 2 at 10:00 are the following:

Mrs. W. A. Blaylock, L. B. Burk, James A. Page, Roy Collins, C. O. Dewey, Mrs. Jewel Hodges, Mrs. J. C. Doyle, S. E. Jones, Jr., E. H. Nimitz, Mrs. Grace White, Robert Martin, Bobby R. Sykes, Jack Wade, Mrs. Lavelle Meckel, Otis Deal, H. W. Linthicum.

Four On Ballot For Two Places on Board of Trustees

Yesterday, March 28th, was the final day for filing as a candidate for school trustee in the election which comes up on Saturday, April 7.

Edmiston and Lux are the two trustees whose terms expire. Edmiston has filed for re-election, while Mr. Lux has declared he will retire from the board.

Others who have filed for places on the ballot are: Joe Muller Christian, W. C. (Bill) Lester, and Earl Parker.

There will be one voting box which will be located at the school house.

Post Script

The city street department has been at work recently applying a coating of asphalt emulsion to several of the Eldorado caliche streets.

The coating is applied for the purpose of keeping down dust and is in the nature of an experiment by the city. If it makes a satisfactory job, more streets will be treated along as the city pocket-book can afford it.

Remember, there is a city election coming up next Tuesday. Even though there is no competition we should go cast a ballot—and give the boys our endorsement.

George Humphrey, proprietor of Humphrey Motor Company, has been cited by the company for special honors for his outstanding sales performance during the year 1955. In special recognition of his unusual sales record, the Ford Motor Company has presented him with a wrist watch, equipped with an alarm and a special Ford emblem—and to make the honor complete Mrs. Humphrey also received a wrist watch from the company!

Both are hoping their friends will ask them what time it is—often! And that callers will be sure to notice the plaque which commemorates the event!

Among new people here are: Mr. and Mrs. Elmer Anderson, here with Sinclair as pumper, renters in an Earl Parker house; Mr. and Mrs. G. C. Stephens, renters in an Atkins house; A. E. Burrus, in a Gus Love rent house.

—ps—

The stretch of highway from the Schleicher County line to Sonora, due for re-working, will get under way soon. Bids were opened and read in San Angelo recently and Angelo Construction was low bidder. The bids have gone to Austin for confirmation and final approval, after which construction may start at any time, since most of the fencing is already completed. Later, possibly as a 1958 project, the work of straightening the highway will come on into this county.

—ps—

Janice Cales arrives home this evening from Baylor to spend the holidays with her parents, Mr. and Mrs. Geo. Cales. She will return to her college work Monday.

SENIORS OFF ON ANNUAL TRIP TOMORROW

Early Friday morning, March 30, seventeen members of the Senior class of 1956 will board a chartered bus in front of the school house and set out on the first lap of the senior trip. They will be accompanied by Joe Andrews, Eldorado high school principal, and Mr. and Mrs. Dick Wynne, faculty members. Driving approximately 10 hours, they plan to arrive in Galveston, Texas, around noon, where reservations at the Jack Tar hotel have been made.

Seniors making the trip will be Burnell Doyle, Gainell Belk, Carolyn Hall, Nancy Elder, Willa Higgins, Barbara Spencer, Ila Jean Boyer, Jerry Caldwell, Harold Lloyd, Monty Hill, H. L. Turnbow, Herman Early, Ralph Taylor, David Jeffries, James Clark, Bill Gaynor and Charles McLaughlin.

The city of Galveston has set aside the period from April 1st to June 1st as High School Time. During these weeks they have many visiting senior classes, and the tourist facilities of the city make special efforts to cater to these young people. The Galveston Chamber of Commerce, in a letter to the Eldorado senior class, stated that they sponsor many activities, such as wienie roasts, beach parties, special tours of the city's many historical points of interest, and the like, for the benefit of visitors and school groups. The Eldorado senior class members have worked all year to raise the funds for their trip, and now that the time has arrived, both they and their sponsors expect to have a very enjoyable Easter vacation.

NEWPORT'S MOTHER DIES

Mrs. Rosie Newport, age nearly 80, mother of L. V. Newport of this city, died Sunday at Cyril, Oklahoma, where she made her home. Mr. Newport had gone to San Angelo to visit his wife, a patient at Clinic Hospital, when the word of his mother's death reached him.

He left for Cyril that day, to attend the funeral, which was Wednesday at Fletcher, where her husband is buried.

The couple's daughter Jean is staying with friends here in the absence of her parents.

Mrs. Newport had been in a serious condition at Cyril since she fell and broke her hip.

NOTICE OF BOND ELECTION

THE STATE OF TEXAS

COUNTY OF SCHLEICHER

TO THE RESIDENT QUALIFIED PROPERTY TAXPAYING VOTERS OF SCHLEICHER COUNTY, TEXAS:

TAKE NOTICE that an election will be held on the 7th day of April, 1956, in said County, in obedience to an election order duly entered by the Commissioners Court on the 20th day of March, 1956, which is as follows:

WHEREAS, the Commissioners Court deems it advisable and necessary to submit to the qualified voters of Schleicher County who own taxable property in said County and who have duly rendered the same for taxation, the proposition hereinafter set forth:

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF SCHLEICHER COUNTY, TEXAS:

That an election be held on the 7th day of April, 1956, in Schleicher County, Texas, at which election the following proposition shall be submitted:

PROPOSITION

Shall the Commissioners Court of Schleicher County, Texas, be authorized to issue bonds of said County in the sum of Thirty-five Thousand (\$35,000.00) Dollars, payable at such times as may be fixed by the Commissioners Court, serially or otherwise, not to exceed fifteen (15) years from their date, bearing interest at a rate not to exceed three and one-half (3½%) per cent per annum, and to levy a tax sufficient to pay the current interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of establishing and constructing a Home for the Aged (Poor House) in said County, as authorized by the Constitution and Laws of the State of Texas, including particularly Chapter 2, Title 22, Vernon's Civil Statutes, as amended.

The polling places, presiding officers and special canvassing board for canvassing ballots of absentee voters, shall be as follows:

Precinct No.	Voting Place	Presiding Officer
1. Courthouse in Eldorado, Texas	J. H. Mace	J. H. Mace
2. Cooper Gas Co Field Office	Howard Derrick	Howard Derrick

Girl Scout Camp At Mason Talked

A Girl Scout camp in Mason county for the Pioneer council area, embracing ten counties, is a possibility—if the land can be obtained.

This project was suggested at the Lions Club Tuesday by Miss Gerene Stansbury, executive director of the Pioneer area, and J. P. Williamson, finance chairman, who spoke to the club on Girl Scout work.

"We have always thought Mason county would be the most desirable place for a campsite," Miss Stansbury said. "We would need about 100 acres, and if we could get the land we could finance the necessary building and improvements elsewhere."—Mason County News.

Famous bulletin from Mobilgas Economy Run

FORD WINS IN ECONOMY TOO!

V-8 WINS CLASS A

In this year's Economy Run a new Ford V-8, with Fordomatic, was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field.

This latest Ford victory was scored over a rough and rigorous 1,468.8-mile route running from Los Angeles to Colorado Springs. Through the heat of Death Valley and over chilling mountain heights . . . through gas-eating city traffic and over the straight-

line open road . . . Ford proved anew its traditional reputation for economical performance.

The winning Ford was a regular-production model taken right from the assembly line. It was no different than thousands of '56 Fords you see on the road and in dealer's showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too!

The "ton-mile" formula is used by contest officials to insure equal chance for all cars in each class, regardless of size or weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by the number of miles traveled, divided by number of gallons of gasoline consumed.

The FFA judging teams have been active the past week competing in contests at San Angelo College and Abilene Christian College. The San Angelo contest was used as the district contest for the Concho FFA District.

The local team did not place in the top three teams at San Angelo but Billy Williams was high point man in the sheep judging.

Eldorado placed first in the district with Ozona second and Robert Lee, third. The live stock team is composed of Jimmie Whitten, Billy Williams and Bobby Williams.

Of the three teams entering the Abilene contests only the plant identification team placed in the top 10 teams. Forty-one teams were entered and Eldorado placed 7th. Dick Runge, Farris Nixon and Ernest Nimitz are members of the plant team.

Eldorado defeated Mertzon in a tennis match Tuesday. Jessie Hixson won his set 6-0 and Cecil MacWalston won his set 6-0. The doubles team did not play.

Monetta Bradshaw lost to Wanda Wistingler 4-6 in girls singles and Mary Jo Parker and Myrta Ann Topliffe lost to the girls doubles team 6-2.

In the volley ball the A team lost by a score of 17-34 while the BZ team defeated 24-20. The Jr. High team lost 24-29. The teams will meet again next Tuesday.

The Eldorado Senior track team competed against Lakeview in a dual meet Tuesday. The boys were hampered by a strong wind and no points were recorded. Ratliff and Harris placed second and fourth in the 100 yard dash for Eldorado. Joe Stanford won the 440 yard dash and Dick Runge and Rony Kerr placed first and third in the 220 yard dash. Eldorado ran the mile relay in 3:50 and Jimmie Harris tied for first in the broad jump. Curtis Stockton won the shot put with 39 feet, 9½ inches. The boys will enter the Texas Relays April 5, 6 and 7th.

The Junior High boys had a triangular meet with Menard and Lakeview Tuesday. Eldorado won the 440 yard relay, broad jump, and tied for first in the high jump. The local boys won second in the 50, and 100 yard dash, second and third in the 75 yard dash, and second, third, and fourth in the shot.

Music News

The High School Glee club, Girls and Boys Sextette, and Boys quartette gave an assembly program Tuesday. The program was a Hit Parade program. They sang the top seven tunes, plus a few extra numbers.

The Junior High choral sang a special Easter number for chapel Wednesday. It was called "Christ Arose."

The High School and Junior High Choral will make their annual trip to San Angelo April 9 to see and hear Texas Christian University school of fine arts present "One Touch of Venus." This program is sponsored by the Philhar-

Speech News

Thursday night, April 5th, 25 members of the Masqueraders, dramatics club sponsored by Mrs. Wynne, will make a trip to San Angelo to see the Community Theater production of "A Trip To Bountiful." The students plan to eat at Zentner's Steak House before the play. This will be the spring social event for the club, and funds for the trip were made when the Masqueraders presented the play, "A Christmas Carol" last December.

Elementary School

Anglo-American first grade visitation will be made on April 16th. Please bring your child to school at 11:00 a.m. and leave him until 2:00. At 2:00 all parents of beginning first grade children will meet and enroll the child for the next school year.

Latin-American visitation will be on April 17th, followed by the same schedule as April 16th.

The Pre-school clinic will be during the afternoon of April 19th.

Six-Weeks Exam Schedule

Six-weeks exams begin Tuesday, April 3, running as follows:
Tuesday 6th per. classes
Wednesday 3rd & 5th
Thursday 2nd & 4th
Friday 1st

COOPER GAS H. D. CLUB

Mrs. Clifford Bly was hostess to the Cooper Gas H. D. club March 21. The meeting was called to order by Mrs. Arch Edmiston, president.

After a short business session, Mrs. Kreklow prepared a lemon meringue pie, discussing each step of pie making.

Refreshments were served to 10 members and one guest. The next meeting will be April 4 at 2 p.m. at the home of Mrs. Tucker Clark.

BARBECUE AT CHEEKS

Mr. and Mrs. Kenneth Cheek were hosts at a family barbecue supper at their home Saturday night. Among those attending were the Bernard Carrs' guests Mr. and Mrs. Lawton Brevard and two sons of Andrews, the Cheeks' son Billy Kenneth and wife and baby of Waco, who spent the weekend here, the Bernard Carrs, Bud Davidson and family of Eldorado, Mrs. Lorna Hoffman of San Angelo, who was visiting her step-daughter Mrs. Kenneth Cheek, and Mrs. Carl Anderson of San Angelo, the Bud Davidsons' guest, mother of Mrs. Davidson.

JUNIOR WOMAN'S CLUB

The Junior Woman's Club met at the Memorial Building Thursday night for an evening of study of parliamentary procedure. During the business session, it was voted to meet during the spring at 8:00 instead of 7:30.

The lesson on parliamentary procedure was given by Mrs. Paris Burnham, who presented it during the business session rather than as a separate program.

METHODIST NOTES

There will be regular services Sunday, both morning and night, with the Easter theme stressed in the morning sermon. There will be special music, and there may also be baptism of infants and reception of members.

All are urged to attend services on this most important day in the Christian church calendar.

Mrs. E. R. Bryant spent a day and a night recently in Sonora with her daughter Mrs. Sid Rogge and her family.

Junction Men's Class Schedules Easter Story

Next Saturday night, two hours before midnight on the eve before Easter, the people of Junction and of Kimble county—all Hill Country folks—will present their sixth annual Easter pageant, the one and only truly Easter pageant in Texas. Soft music will be broadcast throughout the earlier hours of the evening.

This holy spectacle is staged one mile southeast of Junction on the rocky slope of Lovers Leap mountain, below the Ever Burning cross.

The presentation is in pantomime, with changes of scenes as flood lights are directed upon first one and then another of the several stages and settings that have been arranged among the rugged, projecting rocks. Loud speakers carry the voices of the readers over the area at the foot of the mountain. Parking spaces have been provided for the spectators, who may see and hear from the comfort of their cars.

The production was originated by and is sponsored by the Men's Bible class of Junction, a non-sectarian, consecrated group of men who meet weekly in a downtown theater. Costs of staging have all been borne by unsolicited contributions. No admission price is charged. Parking is free and programs are free. Free coffee is served from an old-time chuck wagon, which is in charge of a captain of the Texas Rangers.

MERRY MAKERS "42" CLUB

Mrs. Arch Crosby was hostess to the Merry Makers "42" club when they met last Thursday. In addition to the regular members there were four guests, Mrs. Bernard Carr, Mrs. Perry Mittel, Mrs. Buster Gunn, and Miss John Alexander. Refreshments were served.

WOMEN OF CHURCH

Presbyterian Women of the Church met Monday, with Mrs. Wilson Page in charge of the program, assisted by Mrs. John Mayo and Mrs. Marvin McAngus. Hostesses were Mrs. Mayo and Mrs. Edwin Jackson, Jr.

EASTER EGG HUNT

An Easter egg hunt for the nursery and kindergarten children of the Methodist church will be held tomorrow (Friday) afternoon on the church grounds, beginning at 3:00 o'clock.

RUDD CLUB MEETS

The Rudd Home Demonstration Club met in regular session for an all-day meeting Monday at the home of Mrs. Forrest Runge. There was a demonstration of making of bread, and luncheon at noon at which bread, ham, vegetable salad and Swedish tea rings was served. Nine members and two guests attended.

After the luncheon Mrs. Joe Kreklow gave a demonstration on the making of a lemon meringue pie. During the business session, presided over by Mrs. A. B. Thomson, Mrs. Carrol White was elected delegate to the THDA meeting. The next meeting will be at the home of Mrs. Bob Sykes April 23.

REYNOLDS-ALEXANDER CLUB MEETS TUESDAY

Eight members and two guests, Mrs. Otto Sauer and Mrs. W. V. Lux, attended when the Reynolds-Alexander Home Demonstration Club met at the home of Mrs. Milton Faught Tuesday.

The women spent most of their time making two dress forms. During the business session it was voted to make Mrs. Otto Sauer, Mrs. Alma Bruton, and Mrs. C. M. Reynolds honorary members of the club.

The next meeting will be at the home of Mrs. M. L. Potter, the hostess to give a demonstration on making of hats, April 10.

PIONEER CIRCLE MEETS

Mrs. M. C. Stearns was lesson leader and Mrs. Ed Hill was hostess when the Pioneer Circle of the Methodist WSCS met in regular session Monday afternoon at the church.

Mrs. Stearns led the lesson on the United Nations, Mrs. W. H. McClatchy having charge of the devotionals.

All of the circles will attend when the WSCS meets Tuesday in regular 1st Tuesday joint session at 3:00 p.m.

Guests of Mr. and Mrs. J. D. Ashmore Sunday were their daughter Mrs. W. E. Terry and family of San Angelo. They were joined at dinner Sunday by another daughter, Mrs. Edgar Spencer and family of Eldorado.

ATTEND FEDERATION MEET

Mrs. Ernest Nimitz, Mrs. F. B. Gunn and Mrs. Edwin Jackson were among the Eldorado federated club women who attended district meetings at the convention in San Angelo Monday and Tuesday.

Mrs. Nimitz attended the presidents' dinner Monday evening and was present at other sessions of the convention. Mrs. Gunn and Mrs. Edwin Jackson, official delegate, attended sessions Tuesday.

The Eldorado Woman's Club received second place award for best outlined program on international affairs (Mrs. Carl Stevens was program committee chairman). Also the local club was commended for 100 per cent subscriptions to the Texas Club Woman. It was also interesting to the women to note that of the 15 or 20 on the memorial list for the year, Eldorado had four: Mrs. Bert Page, Mrs. D. E. DeLong, Mrs. Claude Meador, Jr., and Mrs. R. A. King.

Interesting talks were made by Safety assistant, Conner, on "Am I My Brother's Keeper," and Mrs. Perkins of Eastland, chairman of the department of education, on "Pursuit of Learning."

Mr. and Mrs. Lilbura Hazelwood and children of Temple spent from Friday to Sunday with their parents here. They brought their guest Mrs. Greenhaw with them to visit a week with her daughter Mrs. Martha Jo Morgan before returning to her home at Lubbock.

Wool Incentive Applications

The County ASC Office is now accepting applications for the 1955 wool incentive payment.

To be eligible for the incentive payment, sales documents for wool shorn after January 1, 1955, and sold from April 1, 1955, through March 31, 1956, must be filed with your local ASC office and the application completed by April 30th. Growers who shear early may sell their 1956 wool by March 31 and be eligible for payments under the 1955 wool program. Payments for the 1955 marketing year, which ends March 31, will be made some time this summer. If the sale is made in the 1956 marketing year, April 1, 1956 through March 31, 1957, the payment will be made in the summer of 1957.

Growers who have not sold their 1955 wool may carry it over and sell it in the 1956 marketing year and still be eligible for payment.

The time of shearing is not a factor in the eligibility for payments under the new wool program, except that the wool must not have been shorn prior to January 1, 1955. The payment under the wool program will be made at the rate established for the marketing year in which the sale is made.

It is important for growers to get the best market price possible for their wool. The wool program incentive level for both the 1955 and 1956 marketing years is the same, 62 cents, and the payments are to

be made at a percentage rate, (the percentage required to bring the national average price received by producers for the particular marketing year up to the incentive level.)

The above dates also apply to mohair and applications will be accepted based on mohair sales documents; however, due to mohair selling near or above the support level, 70 cents per pound, it is not anticipated that an incentive will be made on mohair.

A board of review consisting of E. W. Brooks as chairman, and Gus Love and Bill Gunstead as members met with the troop Monday night and approved three Scouts for the second class rank, and two for first class.

Joe Charles Christian, Dale Haynes, and Dean Williams were approved for the second class rank, while Jim Runge and Herman Walker were approved for first class.

It is planned to hold another board of review within three or four weeks, to be followed by a court of honor later in the spring at which badges of rank and certificates will be given out.

Mr. and Mrs. (Patsy Kinser) Charles Collins moved recently from the Kinser home to a rent house owned by the Nolan McDonalds.

News that the fox killed out on Page ranch had rabies focuses attention to the fact that pets should be vaccinated against rabies — at once. That is something that should be seen to each year—too bad it has to take an outbreak of rabies to get action.

Mrs. Dick Wynne, who coached the Senior class play, deserves much commendation for her Seniors' production of "Rest Assured." Granted that she had a good play and a snappy, intelligent cast, it still takes a good coach to put on a production as good as that one was. It is much to Mrs. Wynne's credit that the production was so smooth—only thorough training could have done it. We thoroughly enjoyed it and we know many others did too.

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth.—Cattle movement to market was again smaller Monday than a week ago, and was well behind last year at this time. However, salesmen at Fort Worth found their efforts to raise prices unavailing in the face of stern buyer resistance.

The trade was slow and just about steady on both slaughter and stocker varieties of cattle and calves. The continued dry conditions in many parts of the Southwest has caused increasing concern and this factor is reflected in the more narrow outlets for replacement stock.

Comparative prices: Good and choice slaughter steers and yearlings \$15-18; heifers \$17.50 down. Common and medium grades \$12-15. Fat cows \$11-12.75; canners and cutters \$7-11; bulls \$10-14.50; good and choice slaughter calves \$16-19; lower grades \$10-15.50; stocker steer calves \$19 down and steer yearlings \$18 down; feeder steers \$16.50 down; stocker cows \$10-13.

The Rev. Alanson Brown of Sonora will be here Sunday morning, Easter, to conduct communion services at the St. Mary's Church, in session at the Memorial Building. He will hold services at the Sonora church at 6:00 and 11:00 that morning.

Mr. and Mrs. F. M. Pool and three children of San Angelo visited a while yesterday with Mrs. J. E. Tisdale and Mrs. Rex McCormick, stopping by in their new double-engine airplane. Mrs. Vester Hughes of Mertzon was here also and met them at the airport.

Fertilized Pastures Produce More And Better Grazing And Hay

College Station.—Producing pasture plants remove plant food from the soil and unless the losses are replaced, production and the quality of the forage drop, says E. M. Trew, pasture specialist for the Texas Agricultural Extension Service.

A ton of grass hay contains about 30 pounds of nitrogen, 10 pounds of phosphoric acid and 30 pounds of potassium or the equivalent of 100 pounds of ammonium nitrate, 50 pounds of 20 per cent superphosphate and 50 pounds of muriate of potash. A ton of legume hay contains about 25 per cent more of each plant food element than grass, says Trew.

To keep pasture yields and quality high, the specialist suggests using plenty of the proper kinds of fertilizer. A soil test is suggested as the best means of determining fertilizer requirements, and is described by Trew as the best fertilizer dollar which can be spent.

He says phosphate and potash should be worked into the soil either ahead of or at planting time with temporary pastures and as a part of the renovation or cultivation of permanent pastures. This is especially true on blackland or other heavy clay soils which are high in lime and where phosphate and potash should be banded for most efficient use.

Nitrogen may be applied to the surface and should be used when adequate moisture is available. Dry fertilizers containing nitrogen should not be applied when plants are wet, explains Trew.

Warm season grasses in permanent pastures such as Bermuda or Dallgrass may be fertilized in the fall or winter or in the spring before the summer plants begin growth. Additional nitrogen applied in the spring and summer will stimulate growth and increase the protein content of the plants. From 30 to 60 pounds of actual nitrogen an acre is recommended each time the plants are grazed down and when the soil is moist. Cool season grasses such as fescue should be fertilized in the early fall ahead of the growing season.

Mixed fertilizers should be applied on temporary pastures before or at planting time, says Trew.

Short Snorts

George C. Menzies died from rabies, last January, while working on an experiment with bats. He left a wife and four children. Austin friends of the former State Health Department scientist have started an education fund for the children. Spearheading the drive is W. N. Colson. So far less than \$3,000.00 has been collected. More money is needed. Contributions may be sent to Colson at Box 691, Austin, Texas.

Six insurance companies owned by W. Lee O'Daniel and his family, have fewer policies in effect than the new law requires for continued operation. So reports the insurance commission. Included are the W. Lee O'Daniel Life Insurance Co. and five others, of which O'Daniel's son, Pat, is president.

NEW 1956 EDITION OF TEXAS HIGHWAY MAP IS AVAILABLE

Austin.—The new 1956 edition of the Official Highway Travel map is now available. D. C. Greer, state highway engineer, announced today in Austin.

The map has many new features and contains a wealth of information on Texas, Greer said. Most of the topographical relief was removed from the map last year so that more essential information can be read easily and quickly. The growth of the Texas Highway system at the rate of about 3,000 miles a year has made it necessary to gradually remove some of the less important information to make room for the increased mileage, he said.

In addition to the highways and the mileages between various

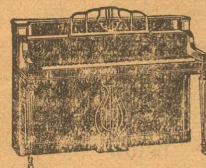

points, the Travel Map shows state parks with recreational facilities, historical state parks, roadside parks, altitudes, and the Highway Travel Information bureaus. The pictorial side of the map features scenes of general interest both to Texans and out-of-state tourists, with every section of the state represented.

The Austin office of the Highway Department, the 25 district offices, and the seven Travel Information Bureaus near the state's borders all have maps available for distribution. Special map cards for requesting a map may be obtained at the tax collector's office when license plates are purchased.

"REST ASSURED" IS BIG SUCCESS; CAST IS SMOOTH

That the Senior play, "Rest Assured," produced last Thursday night, was one of the best given by a Senior class in years is the opinion expressed by many. Character work was clear and sustained and the young people maintained the group spirit which is necessary for a smooth performance and well oiled moving-on of the plot to the climax and denouement.

Junior McLaughlin, portraying a middle-aged crotchety businessman, probably had the most lines to memorize and the most difficult part, as he was on the stage most of the time and was always master of the situation. Sharing action with him, even in scenes from "another world," was Monty Hill in the character of the middle-aged Italian; he was most appealing as the thwarted lover's father, and entered into his part with animation and zest. Teamwork of these two was responsible for many of the hilarious situations of the play.

Carolyn Hall, Gainell Belk, and Willa Higgins, as young girls, were charming in their respective roles as daughters and secretary respectively. Ila Jean Boyer, as the maid, portrayed her comedy part well, furnishing many laughs in her contact with the others.

Bill Gaynor as the doctor and Bob Ratliff as the lawyer were professional men who ably helped to develop the plot and the humorous situations. Herman Early was partly responsible for the love interest around which much of the plot centered. Burnell Doyle, as the down-trodden wife, was convincing and appealing in her matron's part.

Six "out-of-this-world" characters completed the cast. Each of the six portrayed a minor character so clearly that he helped to further the plot and produced a characterization that will long be remembered by the audience. These "shadows from Hades" were Barbara Spencer, M. L. Turnbow, Kathy Hemphill, Billy Parker, Helen Kaye Taylor and Frances Parker.

Between-act numbers included a song, "Easter Parade" by Terry Phelps, Tissy Enoch and Georgia Pena, and a solo by Kenneth Isaacs. Gus Love presided over the cake auction, the sale of cakes bringing in a good amount, due to spirited bidding.

A good crowd attended, and the amount cleared on the play, assured the class of enough funds for their Easter holiday trip.

The play was directed by Mrs. Dick Wynne, high school speech teacher and a Senior class sponsor.

New Babies

Karla Gay is the name given the new infant daughter of Mr. and Mrs. Roger Luckenbach, born on March 22 in San Angelo. She weighed seven pounds and four ounces at birth. The baby has two sisters, Kathryn, age five, and Carolyn, who is three. Grandparents are Mr. and Mrs. Herman Ellebracht of Mason and Mr. and Mrs. Ben Luckenbach of Hext, and a great grandfather is Jim Rogers of Menard. Kathryn and Carolyn are staying with their grandparents at Hext, while the other grandparents arrived here Monday, Mrs. Ellebracht remaining for the week.

A baby daughter, named Kathryn Marie and weighing nine pounds and four ounces, was born Sunday, March 25, to Mr. and Mrs. Warren Nutter of Midland. Grandparents are Mr. and Mrs. S. W. Frisby of Eldorado and Mr. and Mrs. Harry Nutter of Big Lake; greats are Mrs. Paul Brummett of Eldorado, Arkansas, and others who live in Sanderson.

Mr. Frisby spent Monday and Tuesday with the family in Midland, Mrs. Frisby remaining until after mother and babe can be brought home from the hospital.

Price Drops Faster On Farm Than In Store

College Station.—During the last quarter of 1955, the farm value of choice grade beef was down an average of nine cents a pound, while the retail price dropped only 3.5 cents a pound.

A beef study by the U. S. Department of Agriculture shows that the difference between what the farmer receives for U. S. choice grade beef on the hoof and what the consumer pays for the meat has fluctuated widely during the seven year 1949-1955.

Retail prices remained relatively stable during the latter half of 1954 when farm cattle prices were rising, and during 1955 when farm prices generally declined. Marketing margins, therefore, narrowed substantially below the long-run average in the latter half of 1954. In 1955, however, they widened markedly, exceeding the high levels of 1953. The comparisons are based on the price of a pound of beef at retail and the price of its equivalent weight of 2.16 pounds in the live animal. Marketing margin is the difference in price received by the livestock producer and that paid by the consumer.

During 1955, the spread between the farm marketing price and the retail marketing price was about five cents a retail pound more than at the start of the seven year period. In the last quarter of 1955, the margin was 27 percent wider than in the same quarter of 1954.

A series of studies is now under way in the Department of Agriculture dealing with the cost of processing and distributing food. This particular report analyzes the trend of prices and margins for U. S. choice grade beef at different stages in marketing process. The report states that fluctuations in dollar margins come about because cattle and beef prices do not maintain a fixed relationship to one another at any point in the marketing channel.

Mr. and Mrs. Leonard Lloyd are spending the week at their farm at Batesville.

Dial Mercer and his family of San Angelo spent from Friday to Monday with his mother Mrs. Mae Mercer.

Michael Hale, son of Mr. and Mrs. Buster Hale, and David Parker, son of Mr. and Mrs. Glenn Parker, are new chicken pox cases.

Perry Cox, associate pastor of the First Baptist Church of this city, was in Big Lake last week directing song services at the First Baptist revival. He concluded his work Saturday night.

Mrs. Mabel Parker spent the weekend at Robert Lee with her parents.

Mr. and Mrs. Ray May of San Antonio, have returned home after a weekend visit with Mrs. May's sister, Mrs. Clyde Keeney. They brought Mrs. J. D. Tant, mother of the women, to spend the summer, after a winter with the Mays.

Billy Gene Edmiston arrives home today from Kingsville for a four-day Easter holiday visit with his parents Mr. and Mrs. Gene Edmiston.

Mrs. Hal Whitten has as a guest her twin sister, who lives in San Angelo.

FIRST BAPTISTS' EASTER CANTATA IS SET FOR SUNDAY

The choir of the First Baptist Church will present their Easter cantata, "The Easter gospel according to St. John" Sunday morning at the regular 11:00 o'clock hour, Lavell Meckel directing, and 19 participating in the production.

Soloists will be: baritone, David Kuykendall, Joe Ray Stanford; tenor, Joe Muller Christian, Perry Cox; Soprano, Mrs. C. C. Townsend; alto, Mrs. Roy Phelps. The director will also have a solo part. A mixed quartet will be composed of Mrs. Townsend, Mrs. Phelps, Perry Cox and David Kuykendall.

Here is the program:

1. Grace and truth come by Jesus Christ, bass solo, David Kuykendall, choir;
2. The Way, the truth and the life, tenor solo, Joe Muller Christian;
3. The Story of Palm Sunday, from St. Drostan, choir;
4. Behold the Lamb of God, alto solo, Mrs. Phelps;
5. Pilate and the King of the Jews, from St. Cross, bass solo, Joe Ray Stanford, tenor solo, Joe Muller Christian, with an interwoven choir arrangement.

6. At the Cross, from the Stabat Mater, quartet, choir;
7. The fulfillment, from Passion Chorale, choir;
8. God so Loved the World, women's trio and chorus;
9. The story of the resurrection, from Last Uns Erfreuen, soprano solo, Mrs. Townsend, tenor solo, Joe Muller Christian, choir;
10. I am the resurrection and the life, three-part chorus and choir;
11. Peace I leave with you, solo, Lavell Meckel and choir;
12. The lamb upon the throne, from Dia Demata, choir.

The organist will be Mrs. Joe Muller Christian. The choir has been working on the production since they finished with their Christmas music, and a smooth performance is expected. The director has lived here since 1941, taking charge of the choir soon after his arrival here. He has directed an Easter and a Christmas cantata each year since he came and has also arranged special music for Thanksgiving and other special occasions in each church year.

Mrs. Joe Edens has been staying with her sister, who has been ill in San Antonio. She expects to be home for the Easter holidays.

Weekend guests in the P. K. McIntosh home were Mrs. May Mason and Mrs. Laura Mittel of Port Arthur.

Mr. and Mrs. Jerroll Sanders had as guests Mr. and Mrs. R. B. Allen of Silver and Mrs. Sanders' sisters, Mrs. Bill Archer and children and Mrs. Walter Jones and children of San Angelo.

Mrs. O. C. Webb of Ozona is here this week with Mrs. H. F. Webb, who is again on the sick list. Other visitors in the home Thursday were Mrs. H. L. McDonald of McDonald and three friends, all of Menard.

★ The Military ★

Major Paul Davis, who is well known here, and who has a number of relatives living in Eldorado, is starting soon on a two-year tour of duty as a flying administrator at La Paz, Bivivia, South America. In preparation for his service there he recently took a course in Spanish at George Washington College, near Washington, D. C. He has been in service since 1941 and expects to continue with it as a vocation. His sons live in Waco.

James Logan, who recently completed his basic training at Fort Ord, California, arrived home Sunday night for a 13-day leave with his parents, Mr. and Mrs. Fred Logan. He will report back to Fort Ord for further assignment.

Elton Harris, who returned to Fort Dix on the 18th, after spending his leave with his parents, Mr. and Mrs. Odie Harris, sailed Monday for Germany, according to information received by the family here. He has completed his two years of service and since his recent reenlistment has another three years to serve.

The Harris' son-in-law, Carlos Brawley, reported in San Antonio for induction on the 22nd, his orders going in from Bonham. His wife, the former Ruthie Dee Harris, is here with her baby to remain until after he completes his basic when she hopes to join him. The young people have been living in Seminole where Carlos has had employment with a seismograph company.

Mrs. Edna Henry of Menard is here to nurse Mrs. J. A. Whitten.

Visitors in the George Williams home Sunday were their daughter Mrs. Glyndon Aldredge and family of Abilene.

Mr. and Mrs. James Williams and three children are leaving Friday morning for Belton to visit Mrs. Williams' sister Mrs. Elmer Hill and her husband, and another sister Mrs. Lee Heitman at Cameron. They will return home Monday.

Anita Runge, whose work with Talon Educational Service took her to Dallas recently, arrives home today to spend the holidays with her parents Mr. and Mrs. Forrest Runge. Her parents will take her to San Angelo Sunday to catch a plane for Dallas.

Mrs. Elmer Peters returned Thursday from a hospital in San Angelo and is doing well. Her little son is also making good progress.

Russell Turnbow and his family of Barnhart spent from Friday to Sunday with his parents, Mr. and Mrs. Walter Turnbow.

Mr. and Mrs. Roy Boyer of Uvalde spent Thursday and Thursday night with Mr. and Mrs. Ovid Wade and other Schleicher County relatives.

Mr. and Mrs. E. L. Ehrens of Laredo are spending the week with Mrs. Grace O'Harrow on the O'Harrow Ranch in the Rudd community.

Visitors in the Alfonso Orsak home have been Alfonso's brothers Raymond and Willie of Deming, New Mexico, who also visited relatives in San Angelo.

Mr. and Mrs. James Page and Mrs. Bob Page returned Tuesday from a visit in Galveston.

Guests of Mrs. C. M. Reynolds Sunday were Mr. and Mrs. L. L. McFaul of Mertzon.

Mrs. C. E. Springstun and Mr. and Mrs. Richard Springstun of Big Lake were recent visitors on the Koy and Springstun ranches.

Mrs. Joseph Faull has as dinner guests Sunday her son Howard and his family of Abilene and W. O. and family of this county.

David Powell of Texas Tech arrives home today from Lubbock to visit until Monday afternoon with his mother Mrs. Elizabeth Powell.

Ollie Alexander Jr., math instructor in Corpus Christi University, arrives home today with his wife and children, Ollie III and Rachel, to spend the Easter holidays with home folks.

ABIGAIL ADAMS was no clinging vine.

Wife of one United States President and mother of another, she exercised great influence on both the social and political life of her time. Besides, she did the Adams' family washing and ironing and cooking and dishwashing—and raised four children, practically alone, while her husband was away for long periods of time on business.

She hung her laundry in the White House East Room!

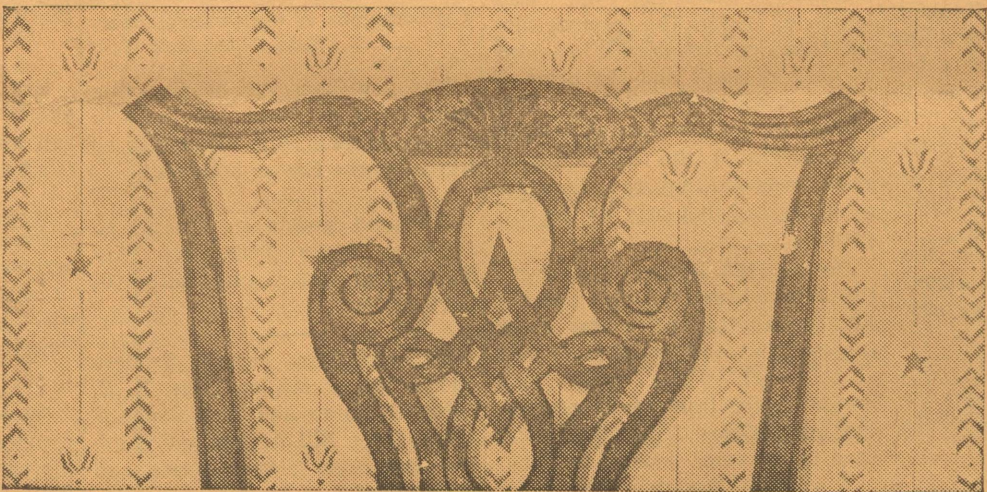

AND ABIGAIL did even more. She was an excellent business woman. She managed her husband's modest estate with such discretion and skill that John Adams was able to retire from public service to a life of comparative ease. And this was in distinct contrast to the poverty that embittered the closing years of some of his illustrious contemporaries.

John Adams is said to have had "the clearest head and firmest heart of any man in Congress"; but one can't help but wonder just how clear that head and firm that heart would have been without the invaluable help of his devoted wife Abigail.

AND THE SAME could be said about many successful men today. Many American wives not only inspire their husbands to set worthwhile goals—but also aid them in attaining them. And a family's sound financial standing is dependent as much upon a woman's ability to manage money as it is her husband's ability to make it. That's why a savings program should be a family program—as much the wife's responsibility as it is her husband's.

Many wives today are encouraging their husbands to invest regularly in U. S. Series E Savings Bonds on the Payroll Savings Plan. It's the easiest way to save—and one of the safest. Once you sign up for Payroll Savings, you can relax and know that your saving is being done for you automatically. Each payday your money goes into Savings Bonds—where the principal is assured and your returns guaranteed.

So help your husband gain financial security tomorrow—by inspiring him to start investing in U. S. Savings Bonds today.

For the big things in your life. be ready

Each year, in a never ending cycle, we find ourselves in a period of dust storms. Dust storms seem to increase in severity with each successive year.

Most people feel dust storms are caused by droughts, which is true only in the respect that the chances of having a severe dust storm are greatest during a critical dry period. It is at this time of the year that we have winds of great enough intensity and duration to create these storms. Also falling at this time of year is the period when protection for the soil is at its lowest ebb.

It's true that more rainfall would help hold the soil down; but this is West Texas and it isn't very likely that we will have sufficient moisture in the soil at all times to keep it from blowing. Anyway, water in the soil won't always keep the dust down. The top layer of the soil dries out very rapidly—especially during windy periods when the

rate of evaporation is very high.

The answers to the problem of wind erosion all have one thing in common. Effective control can be secured only through the use of vegetable cover. Mechanical practices designed to turn up clods and leave the fields rough are a hit or miss proposition. Continual cash cropping of land followed by grazing removes the material which binds your soil together. Trampling by livestock and continuous plowing and cultivation leaves the soil in an ashy condition all ready to be picked up by the next wind.

A quick check of different fields following a wind will show the reasons why some blow with the slightest wind and others little or none at all. Fields that are well protected by good stands of stubble withstand the worst winds with no more than minor damage. Compare these to fields with all the stubble grazed off.

The solution to the dust storm problem lies in proper use of the land. Use it according to its capabilities. Plan to leave some of the stubble from this year's feed crop for soil protection next spring. Leave part of next summer's growth of grasses in your pastures to cover the soil and hold that rain drop. Not all of the dust flying around came off of fields. A good bit of it was also picked up in pastures.

It is well to remember that the stubble and old dead grass left on the ground will return dividends other than that of soil protection. Old residues serve to keep the soil open, keeps it from crusting, and once it deteriorates it molds the particles of soil together. Soil that has organic material incorporated in it takes up water more readily and holds more of it. This additional moisture will give the farmer a chance to grow better crops, more grass, and leave more cover on the soil.

A good plan for giving good protection to land planted to cotton is to plant in alternate strips with feed crops. Planting land to Guar or planting occasional strips of grass is also suitable. The Eldorado Divide Soil Conservation district has equipment for use by co-operators in providing suitable mulching of stubble. For assistance or information contact the local office of the Soil Conservation service.

Ronnie Mittel of Texas Tech arrived in Eldorado Wednesday to spend the Easter holidays, until Monday, with his parents Mr. and Mrs. Archie Mittel. He accompanied a friend from Del Rio.

Marshall Bailey and family of Midland visited Mrs. A. K. Bailey Saturday.

LOCAL YOUTHS ARE WEDDED TO CALIFORNIA GIRLS

Two Schleicher County boys, now in service, were married to California girls in a double ceremony on March 14, according to news received by local relatives.

Pvt. 1-c Bobby Daniel, son of Mrs. W. O. Faull, was married to Jean Jackson of Anaheim, formerly of Wyoming; Pvt. Sherrill Posey, son of Mrs. Ada Posey, was married to Maxine Jackson of Anaheim, the ceremony taking place in a chapel. A reception followed the wedding, which was held at 7:00 p.m.

The two couples spent their honeymoon at a mountain resort near their base at Fort Pendleton. The young men had five-day leaves, after which they started house-keeping with their brides in Ocean-side.

Both Daniel and Posey attended high school in Eldorado.

HOW TO BE A BETTER COOK... and save money too!

AS FEATURED IN LIFE

A Springtime Dinner guaranteed to please! That's my newest recipe for Ham Ring with Creamed Vegetables. Try it tonight!

HAM RING WITH CREAMED VEGETABLES

(Makes 4-6 servings)

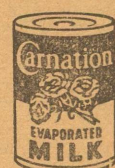

1 pound ground ham
1 pound ground beef
1/2 cup fine crumbs
1 cup undiluted Carnation Evaporated Milk
1/4 teaspoon salt
1/4 teaspoon pepper

1/4 teaspoon celery salt
1/4 cup chopped onion
1/4 cup chopped green pepper

Blend Carnation and all other ingredients thoroughly. After blending, place in 8-inch ring mold. Bake in moderate oven (350°F) about 1 hour. Allow to stand about 10 minutes. Turn on serving platter. Fill center with Creamed Vegetables.

To cream vegetables, blend 2 tablespoons flour and 2 tablespoons butter with 1 teaspoon salt over low heat. Slowly add 1 1/2 cups (large can) undiluted Carnation. Stir until thickened and smooth (about 3-4 minutes). Pour sauce over 2 cups well-drained cooked vegetables, such as peas and carrots.
