ELDORADO LIONS HONOR TEACHERS WITH BANQUET

Dr. R. M. Cavness of San Angelo College was guest speaker at the Lions' Club annual banquet honoring the faculty, Tuesday night in the banquet room of the Memorial Building.

Supt. T. E. Holcomb and the principals, Joe Andrews and Charles Love introduced the visitors and the faculty.

The presiding officer was Lions' Club President W. G. Godwin and program chairman was Ed Meador. Mrs. Teele, public school music teacher, presented a trio, composed of Joe Stanford, Nancy Jo Jackson, and Peggy Spencer.

The speaker, introduced by Meador, addressed the group with words of commendation for the generosity of the Lions. "It is always good to express appreciation," he stated, "because appreciation helps us to grow."

Stressing the theme that education is big business, he quoted Thomas Jefferson's famous remark to the effect that people cannot be ignorant and remain free.

He pointed out that the state needs to give more thought to education, and to spend more to make the profession more attractive as a life-long occupation. He called attention to the number of married women who had been teaching, and stated that without them the public schools would have suffered severely.

He urged his listeners to vote for Amendment 4 as a step which would bring the antiquated retirement system, voted in in 1937, up to date.

He gave helpful advice to the teachers, and emphasized the importance of such virtues as courtesy, tact, graciousness, and cooperation.

COMPLETION OF SWIMMING POOL DRAWING NEAR

The Hayden Sales Construction Co. of Junction will probably complete its part of the construction of the county swimming pool in another week, according to men at work there yesterday. They have been on the job since the middle of June.

Local contractors have the job of building the bath houses out of concrete tile and this work is now proceeding. Landscaping and fencing of the property will eventually complete the project.

THANKSGIVING UNION SERVICE IS SCHEDULED

There will be a union Thanksgiving service Wednesday evening, November 21, under auspices of the Ministerial Alliance. The service will be held at the Congregational Methodist Church, starting at 7:00, and Rev. Alanson Brown of Sonora, Episcopal minister, will be the speaker. All churches of the city will participate.

Mrs. Teele, public school music teacher, will have charge of the music.

Two Games Tonight Against Sonora

There will be two ball games tonight, in Eldorado, announce school officials. Both games will be against Sonora. The Junior High will play Sonora here beginning at 6:30, and the B team will play Sonora beginning at 7:30.

These games are announced for tonight, Thursday, in Eldorado.

ATTENDS PRINCIPALS' MEET

Joe Andrews, principal of the Eldorado High School, returned Tuesday evening from San Antonio where he attended a three-day meeting of principals of the schools of the state.

He reports the largest attendance in the history of the organization. The group spent their time discussing current problems.

Post Script

Work on the sewer system and water extension project is going along rapidly. Also material is beginning to arrive for the storage tank and the pump station in the west part of town.

—ps—

Lum Burk is leaving Wednesday for Lubbock to attend a several-day training school for tax assessors of cities, schools and counties. The meeting, which opens Wednesday and closes Saturday, is being held under sponsorship of the Texas League of Municipalities, Texas A&M and Texas Tech.

—ps—

On page six of this issue is a copy of the general election ballot which you will vote with on November 6th. The ballot this year is so long that we had to remove the top part in order to get it into our newspaper page. We printed and delivered the ballots recently.

—ps—

From the county clerk's office we learn that there have been 11 absentee ballots called for up to yesterday.

—ps—

The small ballots for the election on Nov. 13th have also been delivered to the county officials. This is the deal where you vote on one constitutional amendment giving the Legislature power to provide assistance to the needy.

18 years of age or older. The reason this amendment comes up by itself a week after the general election is because someone "goofed" down in Austin in typing it up.

—ps—

A bit of news, which the reporters failed to pick up last week because of early publication, was damage done by lightning on the P. K. McIntosh Ranch. The lightning struck a tree on the ranch, and killed five cows, a bull and a calf. We have not heard of any other damage. All other reports about the rain have been good.

An improvement which will be welcomed by Sinclair employees is surfacing of the road which loops around the new plant in the Huldale field. This will give all-weather access to the plant, as it will connect with the road leading to the San Angelo Highway, built some time ago by the county and the oil companies.

The new job, which is being done by Sinclair, will be a black-top loop around the block on which the plant is located.

—ps—

An extensive remodeling project, which has been under way for some time at Parker Foods, is nearing completion, with prospects of finishing the job next week. Yesterday workmen were busy installing attractive new neon signs for the exterior. There is still some decorating and painting to do, but the store crew feel that they are "over the worst of it."

—ps—

In getting news about various jobs it seems to us there is an impressive list of construction projects going on when you count them up: (1) swimming pool; (2) city sewer and water jobs; (3) School district stock barn; (4) Bailey Ranch farm to market road; (5) Sinclair black top road at new plant; (6) Parker Foods remodeling job; (7) Telephone extension work.

Large and appreciative crowds saw the two performances yesterday of the Tex Carson circus, which was held in the large vacant area across from the Sunset Acres addition, on the Mertzon highway. A number of school children and others saw the matinee performance at 2:00, while still others went to the 8:30 show.

Whit Smith is back in Eldorado after spending the past several weeks in California with relatives.

Earl Parker Motors, dealer in Dodge and Plymouth cars (Chrysler products) is branching out in the irrigation supply business—having recently sold a Chrysler V-8 industrial engine and Red Head pump for a well in the Reynolds community. He also can supply GMC diesels and Climax engines, he says, and hopes to be able to equip more wells as irrigation spreads over this county.

THE BROWNIES of the Eldorado Girl Scouts are shown here with their leader, Mrs. Claude King.

Left to right on the front row are: Claudia King, Doris Sue McDonald, June Deaton, Norma Kay Mund, Jan Wagley, Judy Saljee.

Back row: Linda Smith, Karen Sue Parker, Linda Sue Coleman, Judy Ann Davidson, Kathy Carlman, Kay Sanders.

Not shown are Jacquelyn Davis and the assistant leaders, Lou Coleman and Doris McDonald.

GASOLINE PLANT CARRIER CIRCUIT IS BEING BUILT

Workmen started last week to build a telephone carrier circuit from the main highway to the new Sinclair gasoline plant in Huldale. There will be phones provided for eight, including the office, the company houses, the loading rack on the railroad, and others.

The system will be connected with the General telephone exchange in Eldorado.

The plant and company houses were without telephone service during the time the plant was being built. The new circuit will be convenient to use for business purposes, as it will not be in any way connected with a rural line.

CONCRETE BEING RUN ON FOOTINGS FOR NEW F.F.A. BARN

Lines were laid out Tuesday and foundation footings were being run yesterday on the new FFA stock show barn which is being built by the school district on land adjoining the Eagle field southwest of town.

Joe B. Tharp of San Angelo has the contract for construction, and some local carpenters and laborers are employed on the job.

The structure will be 207 feet long and 50 feet in width. At one end there will be a show arena occupying a space 60 x 50 feet. This will be provided with bleachers on two sides.

Through the center of the building will be a space 107 feet long which will be devoted to pens and stalls, and the other end will contain feed bins and granary, taking up a space about 44 x 48.

AMERICAN OIL FAMILIES PICNIC AT CHRISTOVAL

Employees and families of American Oil and Pipeline had a family picnic October 20 at Christoval Park. Serving of the barbecue started at about 5:00, and the group spent the evening at the park following the barbecue supper.

Present were Mr. and Mrs. John Sedberry, Mr. and Mrs. Charles Hubbard and family, Mr. and Mrs. I. L. Zaleski and family, Mrs. W. B. Banta and son, Mr. and Mrs. Bruce Burton, Mr. and Mrs. Cecil Mackey and family, Elton Donaldson and son Gary, Mr. and Mrs. John Haney and family, Mr. and Mrs. Jerrill Sanders and family; Mr. and Mrs. W. A. Van Dusen and family, Mr. and Mrs. Weldon Hall and Barbara of Snyder, David Kuykendall, Monty Robinett, Mr. and Mrs. John Coleman and Linda Sue, Mr. and Mrs. B. E. Barnes and family of Fort Worth, Mrs. Palmer of South Texas, Mr. and Mrs. Leidecker of Christoval.

Episcopal Bishop To Dedicate Church

The Right Reverend Everett Holland Jones, bishop of the West Texas Episcopal Diocese, will be in Eldorado Sunday, to dedicate the new church at special services at 11:00 a.m. Members of the church are assisting with arrangements for the dedication service, which will be followed by luncheon at the Memorial Building.

The church was recently completed in the west part of town, and the congregation have been holding regular services there this fall.

ELDO POLO PLAYERS WILL PLAY WINNER OF WEEKEND GAME

Eldorado Riding Club will go into the finals at some date to be selected soon, according to officials of the polo club. Lubbock plays Albuquerque Saturday and Sunday, and the winner of that game will be the team which Eldorado will play.

The final game decides the championship of the Western States Polo Association. The winner will receive a nice trophy, which will be presented at the annual convention of the American Association of Sheriff Poses and Riding Clubs at Lubbock. Also the champions will probably be invited to take part in the world's champion tourney in Florida some time in March.

It is expected that interest will run high in the final game, date for which will be set soon.

Wildcat Operation N. W. of Eldorado

Miami Operating Co., Inc., of Abilene has filed application to drill an 8,000-foot Ellenburger wildcat in Schleicher County, 11 miles northwest of Eldorado. It will be drilled as the No. 1 Paul Klatt.

Location, on a 612-acre lease, is 6,231.4 feet from the south and 660 feet from the west lines of 7 3/4 J. R. Lay survey.

The prospector is one mile northeast of Antone Oil, et al No. 1 Moore, a 7,676-foot failure, plugged and abandoned June 14, 1952, on elevation of 2,489 feet.

The deal was worked up by Jones & Lyons which retained an undisclosed interest. Sinclair Oil & Gas Co. and Suniland Oil Corp. are dry hole contributors.

THYROID SURGEON DIES

Dr. James A. Hill, 84, one of the pioneers in developing thyroid surgery in America, died at 7:50 p.m. in a hospital after a three weeks' illness.

Since retiring from active surgery in 1953, Dr. Hill had been making his home in Alpine with his niece, Miss Sarah Miltia Hill and nephew, Dr. Malone V. Hill. —Alpine Avalanche, Oct. 19.

Republicans Organize In Schleicher Co.

About 15 persons interested in a Republican organization for Schleicher county gathered at the Gus Love residence Friday night and elected Gus Love as chairman and Mrs. Thad Thomson as assistant.

Mrs. Charles Browne of Sonora presided at the meeting and discussed the coming Presidential election, distribution of literature and other material, and told how the party should be organized on a county-wide basis. She pointed out that a small group could form the nucleus for the party organization, and that for the time being all backers should work to put over the coming campaign. The Texas Democrats for Eisenhower are prominent in the state again as they were in 1952.

In looking toward the 1958 election year, Republicans can and should hold precinct and county conventions in order to be represented at the state convention, it was pointed out.

DR. PENNINGTON TO CELEBRATE 90TH BIRTHDAY

Dr. H. Z. Pennington stated this week that he will celebrate his 90th birthday at his home on Sunday, November 4th, "if I can hold out that long."

He plans to hold an open house for relatives and friends and neighbors from 1 to 5 p.m. that day, and will have a special register for all persons 80 and older to sign.

District President Visits Local Club In Official Capacity

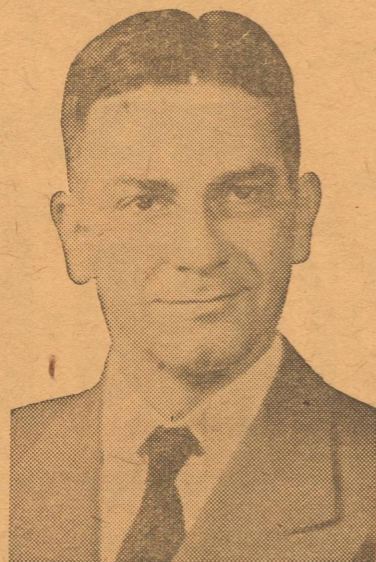

Mrs. Edwin Jackson was presiding officer and lesson leader when the Sixth District president of federated clubs paid her official visit to Eldorado at the meeting of the Woman's Club Monday night. The Junior Woman's Club members were guests.

Mrs. Gilbert Theriot, district president, addressed the group on the opportunities afforded club women for personal and community improvement. She was accompanied by Mrs. Russell Hawley of San Angelo.

Mrs. Edwin Jackson gave an address on the United Nations, its accomplishments and purposes. She mentioned a slogan contest, winner of which submitted the slogan "Vote, you lucky Americans."

Autumn flowers were the decorations. The hostess, Mrs. Archie Mittel, served a dessert plate.

JOE BURKETT WILL ADDRESS ELDORADO LIONS

JOE BURKETT

Edwin Jackson, county Democratic chairman, will present a program on the proposed constitutional amendments at the regular meeting of the Lions Club next Wednesday. Rev. Russell Heaner is program chairman for the club.

The program will consist of an address by Representative Joe Burkett of Kerrville, who will give explanations, with arguments pro and con, on all of the amendments. Mrs. Mabel Parker, treasurer of Schleicher County, will speak on the allocation amendment.

A good attendance is desired at this meeting.

Pennington Is Student At Schreiner Institute

Jerry Lyn Pennington of Eldorado is attending Schreiner Institute in Kerrville. He has recently attained the rank of captain and is in charge of Company A in the Battalion. Also he is one of the mainstays in the Schreiner football team. Weighing 190 pounds, he has proved his adeptness both on offense and defense.

He played fullback on the squad last year but was shifted to center when he established his ability to back up the line. Pennington is fast and noted for his hard charging defensive style.

GETS SILVER AWARD

Noel Dannheim, son of Mr. and Mrs. Harvey Dannheim, and a grandson of Mrs. L. T. Dannheim and Mr. and Mrs. Otto Sauer of Schleicher county, was awarded the Silver Award, the highest rank in Explorer Scouting, at a court of honor held last week in San Angelo. Noel is connected with Troop 6 in that city. He was a member of Eldorado's Troop 18 before moving with his parents to San Angelo several years ago.

Mrs. John Luedecke left Friday for Hamilton to visit her daughter Mrs. T. S. Redford, and returned home Sunday afternoon.

D.A.R. MEETS IN HOME OF MRS. MCINTOSH

The El Dorado Chapter, Daughters of the American Revolution, was entertained with a luncheon on Tuesday, in the ranch home of Mr. and Mrs. P. K. McIntosh, with Mrs. C. M. McWhorter and Mrs. Ernest C. Hill as co-hostesses.

At the business session, Mrs. W. F. Meador Sr. presided in the absence of Mrs. Mary D. Coupe, the regent. The chapter was opened in regular form with Miss John Alexander acting as chaplain. Reports were heard from the various standing committees. The regent read the message of the President General, after which Mrs. Montgomery reported on national defense.

The subject of the program was "Organization of the Daughters of the American Revolution" with Mrs. J. E. Hill as leader of the program. Mrs. J. O. Willoughby talked on the organization of the National Society and Mrs. W. F. Meador, Sr., gave a paper on "How to become a member of the D. A. R."

Guests for the luncheon and the meeting were Mrs. Sweeney of Taylor, Texas, cousin of Mrs. McIntosh, and Mrs. J. L. Spencer, Mrs. Russell Heaner, Mrs. Thad Thomson, Mrs. Walter Ramsay and Miss Kitty Buchanan.

NEWS FROM AFRICA

From the Kenneth Doyles in Africa come frequent letters to local relatives. Here are a few paragraphs from a recent letter, written by Mrs. Doyle:

"Joan has Arabic lesson three times a week and French two times. A lady from Jerusalem teaches her. She is also a member of the English Brownies.

"Wayne and I visited in Mohammed's home Thursday. He is our Arabic bus driver. He invited us to go so we did. Wish you could have seen what we did! Poor thing, he has a very small room to live where many more Arabs live. All he and his wife own is put in this room, no stove, no ice box. His wife was painted up so it was pitiful. She had heavy wool orange socks on, wide bracelets on her ankles, junk jewelry around her neck, big ear screws, and her arms were full of bracelets. She wore blue satip rompers with a big wrap tied around her waist; one around her shoulders, then a vest on top all that. She was very good to us. We also met his mother, two sisters and a sister-in-law, and one brother.

'Thought For The Week Ministerial Alliance

How much should I give to God's work through the Church? This question is in our minds this time of year as we approach Loyalty Sunday. This is the time of year when once again we face the tasks set before us as Christians for the year following. Our churches ask us to pledge of our means for the support of God's work here and overseas.

Do we answer this question on the basis of what I think I can afford? Or do I see my giving to the support of God's work as a return to Him for the many blessings bestowed upon me?

Have I given up because of the drouth and closed my mind to the needs of God's people? The Almighty has blessed us with many wonderful resources. He has given us strong bodies and healthy minds to use in His Service. He has given us the earth with the minerals under it and the grass on the surface. He has blessed us with a stable and strong government so that we can live in peace and enjoy the abundant life that is ours. Consider these blessings when you are asked to give through the Church to God's work in the world. Give a proportionate share of what God has given you and your faith will take on new meaning and depth. What we do with our money is a spiritual matter and only when we see that it is do we really come to grips with our responsibility as Stewards of God's County. —The Rev. Alanson Brown.

COOPER GAS H. D. CLUB

The Cooper Gas Home Demonstration club met Wednesday, Oct. 17, in the home of Mrs. A. A. Clark with five members present.

Mrs. Kreklow gave a very good demonstration on the different cuts of meat, and the latest method of cooking a roast. An interesting note is that it was cooked uncovered at a low temperature for the entire cooking period. "Lower and slower" seems to be the modern slogan for cooking a roast.

Refreshments were served to Mrs. Kreklow, Mrs. Arch Edmiston, Mrs. Arch Ory, Mrs. Bill Wyatt, and Mrs. Hal Whitten. —Reporter.

Mrs. Jack I. Mowrey and daughter visited recently in Lawton, Oklahoma, with her grandparents Mr. and Mrs. W. O. Hounshell.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off.

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude.

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right.

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill.

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Cooperators of the Eldorado-Divide Soil Conservation District, who pitted pasture land this year, lost very little water from these areas from the rains of last week.

Luke Thompson, Jr., is well pleased with the way his pitted pasture land held the water. Luke states, "I did not lose any water from the pitted land but I lost a big part of the water from the unpitted land."

Checks were made Friday of last week by Luke and Lloyd B. Johnson of the Soil Conservation Service to see how deep the moisture had penetrated. The moisture was 18 inches deep in the pits and 5 inches deep in the area between pits. In the same vicinity on unpitted land the moisture was only 3 inches deep. In the area with the 3 inches penetration there was not enough moisture to make a mud ball.

Luke plans to pit all of his pasture land that will do to pit. He plans to use the cropland for grazing and defer his pasture land as

much as possible.

Most of the pitting done on Luke's rangeland was done with an old disk plow he converted into a pitting plow.

Luke is receiving assistance through the County Agricultural Conservation program in carrying out this practice.

The 1.90 inches of rain received on Ross McAngus place three miles west of Eldorado was the first good rain he has received since he pitted part of his pasture land last spring.

Ross states, "If I lost any moisture from the pitted land it was very little. If I had not had the land pitted I am sure I would have lost 75% or more of the rain received," Ross added.

Ross pitted and seeded approximately 20 acres of his pasture land last spring. He has deferred this area and plans to continue to defer it until he has a good cover of grass.

"It's the water you keep that counts."

phosphorus utilization greatest during the early stages of plant growth when phosphorus is being absorbed most actively. The first small amounts of nitrogen cause the greatest increases in the fertilizer phosphorus over the soil phosphorus.

Scientists explain this as a plant phenomenon whereby one fertilizer is more readily absorbed by the roots of a plant when negative ions are in the presence of NH₄ positive ions.

Americans spent nearly twice as much money in 1955 on the sport of fishing (2 billions) as they did on dental care (1 billion), on medical and hospitalization insurance (1.1 billion), on personal legal service (1.1 billion)—or even on funeral and burial expenses (1.2 billion).

The County Agent's column will not be published the week of October 28 to November 3. The agents, Mrs. Ida Kreklow, CHDA, and myself will spend the week at A&M College studying what's new in agriculture and home economics at the annual conference of county agents and CHDA of Texas.

NEW DEPARTMENT HEAD

R. E. Kennedy has been selected to head West Texas Utilities Company's new Public Service department, according to an announcement made today by Cal Young, WTU president.

The new department was formed by the consolidation of the Advertising and Industrial departments following the retirement of R. M. Fielder October 1. Mr. Fielder had served as head of the company's industrial department since 1946.

"One of the principal functions of the new department," Young said, "will be to assist and cooperate with local and area organizations and agencies in achieving the fullest development and utilization of the tremendous resources of the area served by this company."

Mr. and Mrs. Russell Sallee had as guests their parents, Mr. and Mrs. H. E. Crumley of Salt Gap and Mr. and Mrs. Guy Sallee of Brady.

TAXPAYERS CAN SAVE MONEY BY VOTING FOR AMENDMT 2

One of the proposed Constitutional Amendments offered in the November 6 General Election presents taxpayers of Texas a rare opportunity—that of saving some money, according to County Judge W. R. Bearce.

The proposed amendment would allow Commissioners Courts to reallocate the amounts levied for their four regular operating funds—General Fund, Jury Fund, Permanent Improvement Fund and Road and Bridge Fund—on its annual basis. Now the amounts that can be levied for these funds are fixed by the Constitution and cannot be changed except in reallocation elections, which must be held every six years or oftener.

The proposed amendment guarantees that the total tax rate could not be raised, for it sets the same maximum as now provided, 80 cents on the \$100 valuation.

No private business could long exist if it had to guess six years in advance on its fiscal operations. Adoption of this amendment would free the counties to operate on a more efficient, business-like basis.

The people, by adopting this amendment, therefore, can save in two ways: First, their Commissioners Courts will be given the opportunity to operate their fiscal affairs in a modern way which will make for economy, and, Second, they will save the cost of expensive

reallocation elections every few years.

The proposal, undoubtedly, is the most progressive step toward better, more efficient, more businesslike county government that has been taken in one hundred years or more.

It deserves the support of every taxpayer.

Methodist Men Plan Charter, Ladies Night

The re-activated Methodist Men met Monday night at the educational building and adopted a constitution and made plans for charter night next month.

There were about 21 in attendance Monday night and they enjoyed a ham supper prepared by Mr. and Mrs. W. G. Godwin and Mr. and Mrs. W. R. Bearce. Included in the assemblage was one visitor, Edwin Jackson.

Chairman W. R. Bearce presided and he presented the proposed constitution which was adopted. Russell Heaner reviewed the objectives of the organization. It was agreed to designate the November meeting as charter night and ladies' night, and a committee was appointed to handle arrangements. The group meets on the fourth Monday night of each month.

Hats off to our District Soil Conservation Supervisors for sponsoring 4-H and FFA Grass Judging and Range Management contests in our county. These sponsored contests are most useful in spreading range management information. They have resulted in a new found appreciation for range plants and range management for practices have been changed in order to utilize the new knowledge.

In our county grass judging contest a boy is given one minute to identify each specimen; to tell whether it is an annual or pre-annual; whether it grew in warm or cool seasons; whether it is native or introduced and what was its grazing value.

Supervisors of the Soil Conservation District are: J. F. Runge, B. E. Moore, Ben Hext, Fred Boulware, and Ernest Foster.

According to the Texas Health Bulletin, the stings of ants and wasps killed as many Texans last year as did rattlesnake bites.

Two persons died of wasp stings, two died of ant stings, one of a scorpion sting and two succumbed

to being bitten by rattlesnakes.

Small amounts of organic insecticides may be found on plants for as long as 30 days after applications. The residues of these insecticides are too small to give effective insect control seven days after treatment but do present a health hazard to the consumer.

The number of days recommended after the last insecticidal application before grazing or harvesting of foliage crops and pastures are: Toxaphene, DDT, Toxaphene + DDT, Aldrin or Heptachlor, 30 days for dairy cattle or animals that are to be slaughtered. All other animals 14 days.

Malathion—10 days; parathion—21 days; methoxychlor—7 days as a dust, 30 days as an emulsion concentrate.

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did: They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brackets, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

Keep it under your space helmet!

Newlyweds Honored With Coffee Wednesday

Mr. and Mrs. S. E. Etheredge of Midland were honored with a miscellaneous shower and coffee Wednesday morning at the home of Mrs. Patton Enochs, with Mrs. R. L. Ballew and Mrs. Jack Etheredge assisting Mrs. Enochs, as co-hostesses.

In the receiving line were the bride's mother, Mrs. T. E. Caldwell of Midland, the bride, the groom's mother, Mrs. Evans Etheredge, and his grandmother, Mrs. Jeff Enochs.

Assisting with the serving were Kathy Kerr and Burnell Doyle. Gaynell Belk sang, accompanied by Mrs. Patton Enochs, and there was background music on the record player. Mrs. Vernal Sudduth registered guests.

The serving table was centered with an arrangement of bronze, brown and red foliage and flowers, carrying out the autumn motif. A silver service was used in the pouring of the coffee and tea.

Among those here from out of town attending the coffee were Mrs. W. E. DeLong of San Angelo, Mrs. Jerry Perry of Ozona, and Mrs. Caldwell. About 75 called. Gifts were displayed on tables and other furniture at the rear of the residence.

The young couple spent Tuesday night here with relatives, and on Wednesday young Etheredge reported for his physical at San Antonio. Mrs. Etheredge expects to remain here until she can join her husband.

DEATH REPORTED

Word has been received of the death of Leonard Hampton, brother of Mrs. Bertha Shugart. It is expected that burial will be made here, but definite arrangements have not been made. His death occurred in Missouri.

Oil Is Top Factor In Stockton

Pecos County, the southernmost of those making up the fabulous oil-producing Permian Basin of West Texas and eastern New Mexico, is a considerably more important factor in the overall economy of Texas than its sparse population would indicate.

With an estimated 12,000 people spread over the second biggest county in the world, the county ranks seventh in all-time oil production in a state whose principal economic prop has been the oil and gas industry. Ft. Stockton Pioneer.

Radar Station At Mason

We have received some official information about that rumored radar station to be erected in the Blue Mountain area. From Tinker Air Force Base at Oklahoma City comes a letter stating that the Mason County project will be an auxiliary station on a half-acre site (it is located on the Gilbert Jordan ranch) which will include one building. The station will be unmanned with the exception of the maintenance personnel who will visit the unit about every two weeks.

This will be one of ten similar stations located at various points in Texas. Located at Tinker Field is the 33rd Air Defense Division whose job is detection, identification, interception and destruction of enemy planes. —Mason County News.

TEST DRIVE MADE BY FORD

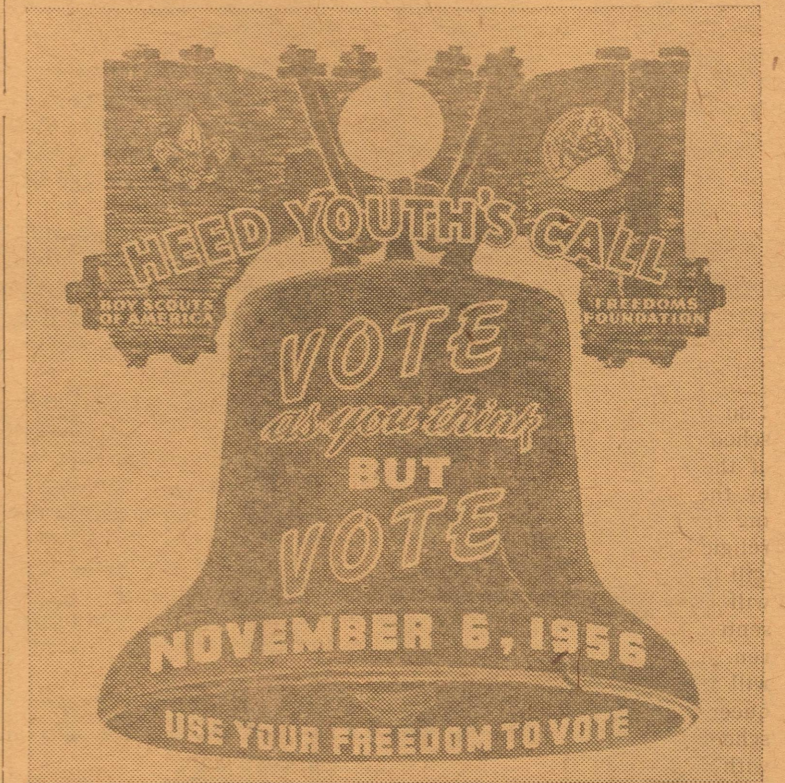

A 1957 Ford has traveled more than 50,000 miles at an average speed of more than 108 miles per hour on the Bonneville, Utah Salt Flats to capture all records from one mile up to 50,000 miles for a total of 458 national and international marks. This totals more records than ever have been held by any other stock car, George Humphrey, Ford dealer at Eldorado, announced today. Mr. Humphrey said that the same type of 1957 Ford

may be test driven by Eldorado residents, and he issued an invitation to the public to try America's most rugged car.

"The Ford's Bonneville run be-

gan at 1:50 p.m. September 9. In the next 19 days the car traveled a distance equivalent to more than twice around the world at more than 108 miles an hour."

Boy Scouts to Visit 35 Million Homes

Just before Election Day, November 6, the nation's 4,175,134 Cub Scouts, Boy Scouts, Explorers, and their leaders will place on the doorknobs of 35,000,000 homes Liberty Bell hangers, shown above, urging every citizen to vote. The Scouts' "Get-Out-the-Vote" campaign is being conducted in cooperation with Freedoms Foundation of Valley Forge. It is entirely non-partisan, without reference to any candidate or party.

Dick Preston, Cubmaster of the Eldorado Cub Scout Pack, has announced that the Cub Scouts will place Liberty Bell hangers on every house in Eldorado on Saturday, November 3, urging citizens to exercise their privilege of voting in the November 6 general election. They will join Cubs, Scouts, and Explorers all over the nation in this get-out-the-vote enterprise.

Dr. Arthur A. Schuck, Chief Scout Executive, said that "the greater number of people that turn out to vote, the greater will be true democracy in action."

"Recognizing the importance of free elections," Dr. Schuck continued, "nearly four million members of the Boy Scouts of America are participating in a nonpartisan Get-Out-the-Vote campaign. Scouts will demonstrate that they are participating citizens by doing their best to instill in adults a determination and responsibility to exercise their rights as free people taking an active part in our government."

"This Get-Out-the-Vote Good Turn, and the spirit which prompts it, can reach deep into the hearts

of boys, helping them to become more thoughtful members of their community and their nation. We are eager that Cub Scouts, Boy Scouts, and Explorers shall receive spiritual values of dedicated citizenship through participating in this project."

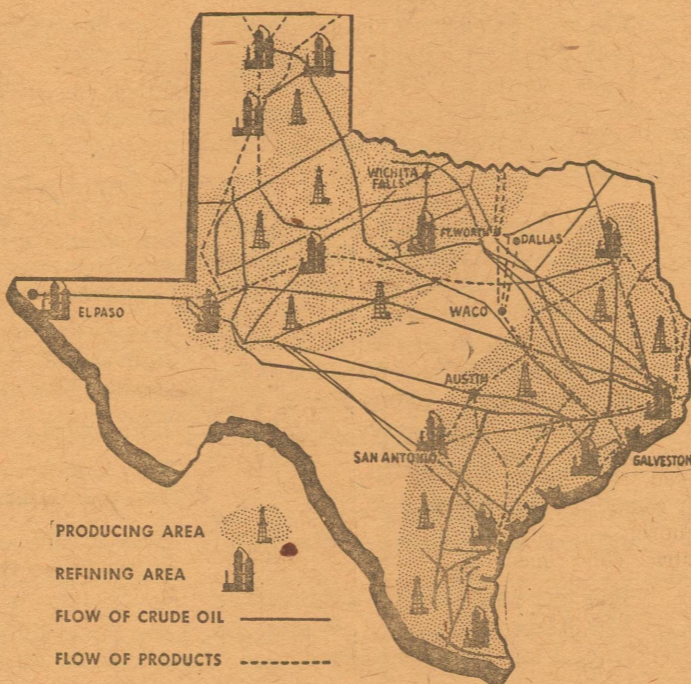

Dr. Kenneth D. Wells, president of Freedoms Foundation, says:

"The 1956 Get-Out-the-Vote program, involving more than four million Boy Scouts and leaders in all precincts in America, is the greatest single effort for good citizenship in the principles and duties of our American system. It will vastly enlarge the total vote in every state in the nation."

Scout leaders believe that organized boyhood can exert a strong influence among parents, relatives, and neighbors in doing their share in rolling up a record vote this year.

They feel that while the campaign hopes to stimulate adults to meet their responsibilities of good citizenship by voting, the Scouts themselves will also get a lesson in their duty to vote when they come of age.

Oil Industry Installations In Texas

Texas ranks first in the production of crude oil in the U. S. with a daily average production of 2,900,603 barrels. There are 57 refineries scattered throughout the state, which have a daily average crude oil output capacity of over 2,273,000 barrels. About 51,000 miles of crude oil and products pipe lines form a network throughout the state.

Indicated on the above map are Texas' producing and refining areas and the general flow of crude oil and finished petroleum products by pipe line.

Halloween Carnival Is Next Week

Since the season for goblins and jack-o-lanterns is just around the corner, be sure and get ready to attend the annual PTA Halloween Carnival on Wednesday night, Oct. 31, at the west side of the school building south of the school auditorium. There will be a parade starting from the front of the court house to the school grounds at 5:45 p.m.

Plans for the carnival have been under way for many weeks with the mothers from each room planning their respective booths. This is the only fund raising project of the year for the P-T-A.

One of the highlights of the evening will be a program which will be sponsored by one of the grades. The program will begin at 7:30 p.m. and will be held in the school auditorium. The first part of the program will be presented by the Ministerial Alliance. During this part of the program the religious significance of Halloween will be explained. The second part will be two Halloween skits presented by some of the school children. The final part of the program will be presentation of kings and queens of each grade in the entire school. The students will be seated with their grade before the program starts and as the royal pair of each grade is presented on the stage their fellow students who are in masquerade will pass on the stage to be judged for the best costumes. Prizes will be given for the best costumes in each grade. Prizes will also be given to the pre-school masqueraders who will also be presented on the stage during the program.

There will be a variety of booths on the grounds—among them the following:

Latin American first grade, hot tamales, both to be eaten at the carnival and by the dozen to take home.

First grade: a kiddy park with all sorts of rides for the children. Balloons will also be sold in the kiddy park. This will be located between the band hall and the school on the street in this area.

Second grade: a county post office where by paying the postage a package containing a surprise will be given the purchaser.

Third grade: a hat booth where you can purchase a bonnet to help you join the masqueraders.

Fourth grade: a fishing booth just full of surprises from toys to real live fish!

Fifth grade: a cake, pie, and coffee booth where you can buy desserts to eat on the grounds or cake and pie to take home.

Sixth grade: snow cones and a booth of prizes for catching the lucky number in a tub—everyone will get a prize for this game.

List Of Plentiful Foods For November Includes Turkeys

College Station. — A bountiful Thanksgiving feast can easily be prepared from the U. S. Department of Agriculture's November plentiful foods list. Supplies of turkeys, pork and potatoes are so large that USDA is urging the food trades to give extra emphasis to them.

Other meats, in addition to the Thanksgiving turkey, include beef, broilers and fryers as well as lamb and frozen haddock and ocean perch fillets. Also on the plentiful list are eggs, milk and other dairy products, rice and peanut butter.

Fruits and vegetables include such holiday favorites as cranberries, pears, dates, potatoes, cauliflower, cabbage and pinto beans. The plentiful foods list is based on a USDA survey of actual supplies available in the major trade areas of the state.

ATTENDS FUNERAL

Mrs. R. D. McKee went to San Angelo Thursday by bus and was met by her daughter Mrs. Cecil Wootton and daughter Kathy. From there they drove to Sterling City to attend the funeral of Mrs. McKee's aunt, Mrs. Amanda Reed, who passed away at the age of 90.

EIGHT FROM HERE AT WORKSHOP HELD BY P.T.A.

A mental health workshop was held Thursday in San Angelo under auspices of the Parent-Teacher Association. Attending from Eldorado were Mrs. Ed Meador, Mrs. Edwin Jackson, Mrs. Carroll Raliff, Mrs. Luke Thompson Jr., Jerroll Sanders, Mrs. Palmer West, Rev. Russell Heaner, and Mrs. L. L. Watson. The meeting was held in Wood Fellowship Hall.

Taking active part in the workshop were Mrs. Arlice Brooks, city council president, and Mrs. Harold Greer, district president of Water Valley.

On the panel were John McFarland, supt of Vernon schools, representing the schools, E. A. Brodhead of Sonora, school supt., Dr. Everett Sutter of SAC, moderator, Rev. James Christian, San Angelo, representing the churches, Mrs. W. I. Marshall Jr., attorney, representing law, Mrs. Sidney Bolding, district mental health chairman and PTA representative. Bob Garrett, recreational director of San Angelo, also had part on the program.

The theme of the meeting was "mental health for effective living."

The Sunday School council met Wednesday night to plan for the Sunday School Christmas Tree party and other occasions for the Christmas season. The council is composed of Sam E. Jones, Sr., supt. emeritus; Paul Page, general superintendent; A. G. McCormack, assistant superintendent; Mrs. John Williams, secretary; Mrs. Leslie Baker, treasurer and Mr. and Mrs. Roy Collins, sponsors for PYF. All members of the session are ex officio members of the council.

A congregational meeting has been called for Wednesday, Nov. 7 for the purpose of electing the 1959 class of two ruling elders and three deacons. Those who rotate out are Leslie L. Baker and John Williams, Elders, and Eldon T. Calk, Dr. Jack Mowrey, and Paul Page. Since none of these have served a full three-year term they are eligible for re-election. Another item of business is the proposed budget for 1957. It will be submitted by the chairman of the board of deacons, Thomas Richard Jones and the congregation may accept it, alter it or send it back to the board to reconsider it and present it at a later meeting.

Cong. Methodist

Rev. and Mrs. S. W. Harralson will leave Sunday noon for Laurel, Mississippi, to attend a called conference of pastors of the Congregational Methodist Church. They will be away from home a week.

Each Wednesday night, the pastor is teaching the doctrine of Holiness in a session beginning at 7:00. Sunday services include preaching at 11:00 and 7:00, and Sunday School at 10:00.

Mr. and Mrs. Will Doyle visited over the week end in San Angelo with Mrs. Doyle's sister.

Mr. and Mrs. Ned Kirby and Mrs. Ruby Damron visited Chester Damron Saturday evening and night and went on to Ballinger Sunday and visited Mrs. G. S. Robinson and family.

The Ray Boyer family spent the day Sunday in Eden with Mrs. Boyer's parents, Mr. and Mrs. Albert Stoepeler.

Mr. and Mrs. A. P. Waldrip of Melvin visited Monday night with Mrs. Waldrip's mother, Mrs. A. E. Kent.

Attending a fish fry and church rally at Brady Saturday for families of Congregational Methodist churches of the West Texas district were Rev. S. W. Harralson and his family, the Earl Parker family, and Mrs. Ethel Walker and Joy Dodd. A total of 78 were present.

Mr. and Mrs. W. R. Palmer of Cleveland have been spending the week with their son Jerroll Sanders and family. Guests in the home Monday were Mr. and Mrs. Clifford Tubb and family of Ozona.

Mr. and Mrs. Clyde Estes have moved back to Eldorado from Eden and are occupying their trailer house near the Hattie Stanford residence.

Mr. and Mrs. S. D. Harper and daughter Mrs. Norman Cash will leave Sunday for Fort Hood to take their grandchild Gary Wolfe, who will join his parents there. All will spend the day with Norman Cash, who is in basic training at Fort Hood.

Mrs. M. M. Reynolds entered Hudspeth Hospital as a patient early this week.

Fraternity pledge lists released by Texas Tech include the names of two Eldorado students. Billy Sam Hale pledged Pi Kappa Alpha and Ronnie Mittel is Sigma Alpha Epsilon.

Mr. and Mrs. Forrest Runge and Jim and Dick attended the A & M game after stopping at Austin for their daughter Mae, who is employed there. They spent the night with relatives in Galveston. They report that everyone was inconvenienced by the heavy rains during the game.

Bert Page returned home Saturday from Brady Hospital, where he spent several weeks, and is able to be out.

Mr. and Mrs. Jeff Enochs and son Patton Enochs returned Sunday night from a visit with the Ben L. Isaacs family at Sulphur, Louisiana.

Mrs. Dan Burov of Nordheim and Mr. and Mrs. Marcus Steffek and children of Kennedy spent the week with Mr. and Mrs. Jud Brannan and Bill Word.

Guests of the Lum Burks were Mrs. Ned Carter of Dallas, Mr. and Mrs. B. B. Burk of Menard, and Mr. and Mrs. Bill Humphrey and son of Menard. All visited Sunday in Sonora with Mrs. Myrtle Selman.

Mr. and Mrs. Robert Milligan had as guests Thursday and Thursday night old friends Mr. and Mrs. Manley Branch of Milford. Mr. Branch, a mail carrier, is retiring soon and has bought a residence in San Angelo where the couple will live.

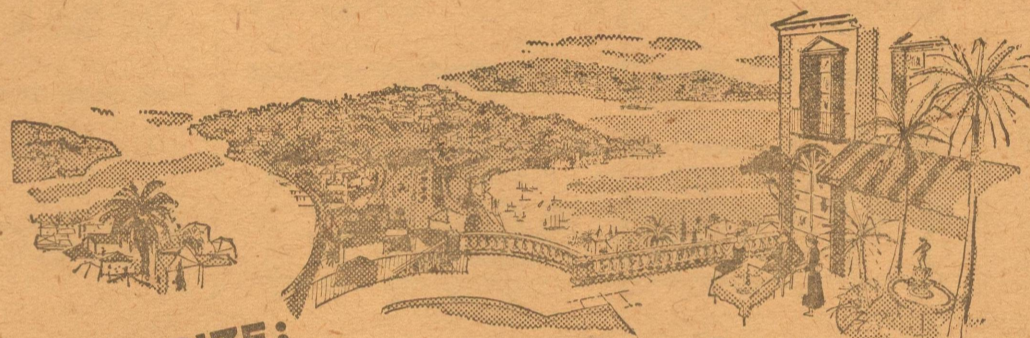

Mr. and Mrs. Bernard Carr drove to Van Horn and were met there by Mr. and Mrs. Jim Cheek, who brought Mrs. B. K. Cheek, their guest, to meet them. The Carrs and Mrs. Cheek returned through the Davis Mountains and crossed the high Pecos bridge between Langtry and Comstock.

Mrs. C. W. Galbraith and Mrs. Roy Andrews spent last week with the Marvin McDonalds at their tourist courts at Buchanan. Others there for the weekend were Mr. and Mrs. Gus Love and family, Mr. and Mrs. C. C. McLaughlin and Mr. and Mrs. Leslie Baker.

Mr. and Mrs. E. D. Walton and son spent from Wednesday to Sunday in Fort Worth and Dallas, visiting Mr. Walton's brother-in-law and sister, Mr. and Mrs. Tommy Bailey at Fort Worth, and attending the State Fair two days at Dallas.
