Eisenhower Repeats '52 Sweep With Bigger Landslide

County and State Follow Nation In Giving Texas-Born Republican Nod For Second Four-Year Term

Schleicher county voters went along with Texas and the nation Tuesday in giving Republican President Dwight D. Eisenhower the nod for four more years in the White House. The county gave Ike 471 votes to Stevenson's 336, while T. Coleman Andrews of the Constitution party received four votes.

Local Presidential Returns		
	Adlai	Ike

2. Cooper	23	28
3a Co. Barn	6	26
3b Adams	3	17
4a Mittel	24	32
4b Reynolds	20	14
Absentee	23	42
Totals	336	471

It is interesting to note that Eisenhower carried all voting boxes of the county except No. 4b, Reynolds.

Governor's Race

The county followed the state in giving overwhelming support to Democratic nominee Price Daniel with 596 votes. The Republican candidate, William R. Bryant, received 51 votes and W. Lee O'Daniel received 173 write-in votes. O'Daniel made an equally poor showing on the state level in his write-in campaign. He was defeated in his try for the Democratic nomination last summer.

In other state races the county voted as follows:

Attorney General	
Wilson (Dem)	762
Duran (Rep)	49

Supreme Court	
Calvert (Dem)	729
Anthony (Const)	8

Railroad Commissioner	
Murray (Dem)	734
Rummler (Const)	5

Comptroller	
Calvert (Dem)	729
Brown (Const)	5

State Treasurer	
James (Dem)	735
Logan (Const)	11

Ag. Commissioner	
White (Dem)	729
Singleton (Rep)	66

Other Democratic nominees from the Congressional level down through county offices were unopposed, so experienced no difficulty in being elected.

90th Birthday Finds Doctor Somewhat Ailing

Members of his church—the West Side Church of Christ—came loyally to his assistance Sunday when Dr. H. Z. Pennington observed his 90th birthday with open house at his home here during the afternoon.

Inclement weather and the frailties of advanced years had the venerable doctor feeling "really poorly" Sunday at the very time he had counted on being up and around greeting his house guests. But his fellow church members were on the job, greeting visitors and serving refreshments and the visiting hours were pleasantly spent by the large number who came by to pay their respects. Over forty-five names were on the guest register and many others failed to sign.

Out of town visitors were Mr. and Mrs. Elgin Pennington (nephew) of Uvalde, and Dr. and Mrs. Charles F. Browne of Sonora.

Dr. Pennington thanks all of the visitors for their interest and especially thanks the West Side Church members for their help. The doctor was back in town again Wednesday.

Junior McLaughlin of SAC, San Angelo, came home sick Sunday, but was able to return to his school work Wednesday.

All Const. Amendments Get Overwhelming Nod

Texas and Schleicher county gave overwhelming support to all eight constitutional amendments which were on the general election ballot. Voting here went as follows:

1. Aid To Mis-Sentenced		
Approval	579	
Against	119	
2. Tax Reallocation		
Approval	463	
Against	212	
3. College Fund		
Approval	404

Mr. and Mrs. Elton McGinnes and Wayne and Jimmie and Mr. and Mrs. Don McCormick attended the game Saturday at Austin. Robbie and Linda McGinnes stayed with their grandparents Mr. and Mrs. Sam McGinnes while their parents were away from home.

Post Script

Starting about October 15th, this area has had a series of small to medium rains which has prevented the top soil from completely drying out at any time since.

Monday, October 29th brought rains that measured over an inch in most places, and the month of November was ushered in with another rain of about ½ inch.

Church goes awake Sunday morning to find rain pelting down, and by Sunday school time it had measured up to 2-tenths of an inch, leaving soil muddy underfoot and creating parking problems at the Episcopal and Methodist churches, where special programs were scheduled.

On every hand we hear our people speculating and hoping that this will be the winter we'll get "a bottom season."

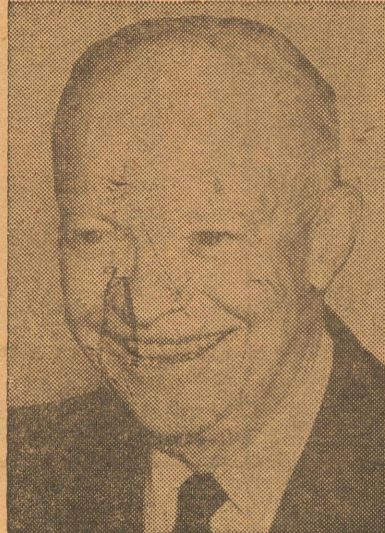

Pico Drilling Co. last week moved a rotary rig on to the C. C. West section just west of the city limits and have started digging a wildcat, several hundred east of a dry hole which was dug several years ago. The test at that time went to 3,000 feet and encountered several showings on the way.

The nearly 900 votes cast in this county in the gubernatorial race in Tuesday's general election will entitle the county to three delegates to the 1958 Democratic state convention, it was pointed out this week by Edwin Jackson, county Democratic chairman.

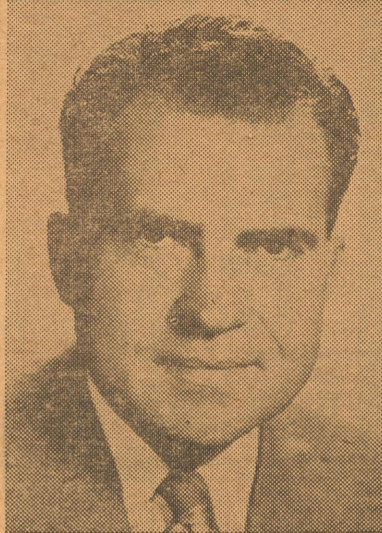

A county's allotment is determined by the vote in the previous general election. This past spring Schleicher county had only one vote at the state Democratic convention because of a light turnout in the 1954 general election (two attended from Schleicher with half a vote each). The ratio is one delegate allowed for each 300 votes.

It is assumed that the newly organized Republican organization in the county will be allowed at least one delegate to the state Republican convention in 58, provided local party members hold precinct and county conventions then, the same as the Democrats.

POLO TEAM DOWNS LUBBOCK TO WIN WESTERN TITLE

The Eldorado Polo team journeyed to Lubbock last week and played two games for the championship of the Western States Palmetto Polo Association, coming out the winner by a slim margin of two points. The Lubbock team was the winner in the first game by a score of 10 to 5 to take the two game series by the total score of 13 to 11. This will complete the season for the Eldorado team.

Eldorado has won 15 games without a loss in the playoff to win and also has two tournaments to its record. Also the Eldorado team won the game with San Angelo at the show and rodeo in San Angelo. These add seven more games making a total of 22 games won by Eldorado.

The world's championship matches will be played in Florida this coming March. As of now the details are unknown.

The Eldorado club would like to express their appreciation for the backing they have received from the Eldorado fans and hope they will continue next season.

Scores in the two games were made by Phillips, Alexander and Lintinich with Phillips accounting for one two pointer. Those making the trip were Mr. and Mrs. Louis Whitten, Ollie Phillips, James Alexanders, Tucker Clarks, Arch Orys, Bob Skurlocks, Dee Loves, O. B. Singletons, and Hal Whitten, Sam Henderson, Curtis Short and Horace Lintinich.

LONE AMENDMENT TO COME UP FOR VOTE NEXT WEEK

A light voter turnout is expected next Tuesday when Texans go to the polls to vote on the constitutional amendment on subject of compensation to the disabled. This week state voters approved eight amendments which were at the bottom of the general election ballot, and it was through an error in drawing up the ninth that it had to be carried over in a special election.

Next Tuesday's election is on "The Amendment giving the Legislature the power to provide for assistance not to exceed Twenty Dollars (\$20) a month out of State funds for each needy individual, eighteen (18) years or older, who is a resident of the State of Texas and who is permanently and totally disabled by reason of his mental or physical handicap."

Voting places in the county will be the same as last Tuesday.

Will Faught Dies

Will Faught, father of Thaxter (Bob) Faught, Milton Faught, and Mrs. H. A. Belk of this county, died this morning at the home of a daughter in Lampasas where he had been staying for some time.

Further details were unavailable as the Success went to press this morning, and funeral arrangements are pending.

Visiting here Sunday were Mr. and Mrs. Virgil Potter of Melvin, who were guests of the former's brother M. L. Potter and Mrs. Potter.

Eagles To Menard Tomorrow

Junction Crushed 44 to 0 In Game Here Last Friday Night

The efforts of the inexperienced Junction Eagles were downright feeble when they contested the Eldorado Eagles here last Friday night and lost to the time of 44 to 0. Eldorado rolled over the visitors unmercifully and rolled up so many scores that it became almost monotonous.

The pattern for the game was pretty well set in the first few minutes of the game. Eldorado received. Their first play was good for a first down, and their next one went all the way for a touchdown.

Junction received; fumbled on their first play and the ball was recovered by Eldorado. The locals ground their way through two first downs, and then went over for their second touchdown. Once again Junction received; on about their second play they fumbled again, and again Eldorado recovered. The locals went through their regular routine—two first downs and then a scamper across the goal line.

Junction's next effort was a long pass, but it was scooped out of the air by Whitten who ran 55 yards for Eldorado's fourth T. D. All of this in the first quarter that

ended 24 to 0. In the second quarter the locals added two more touchdowns as well as the two extra points, making it 38 to 0. The most noteworthy occurrence in this period was that Eldorado lost the ball on downs, for the first time.

A lot of the second string players were put into the game in the second half and Eldorado added only six more points to its score.

Score By Quarters

Eldorado	24	14	0	6	44
Junction	0	0	0	0	0

This was the third straight defeat for Junction, who had been beaten previously by Menard and Sonora in district play.

On To Menard

Competition will probably be much tougher for the Eldorado Eagles tomorrow when they meet the Menard Yellow Jackets on the Menard grounds.

The Jackets gave a good account of themselves last Friday even though they lost to Sonora 14 to 32. Tomorrow's game will be a feature of Menard's homecoming and their team will be expected to give their all for good ol' MHS. What the Eagles do to them remains to be seen.

Starting Lineup

The starting lineup for the Eagles tomorrow night at Menard will probably be as follows:

1. end	Bobby Jeffrey
1. tackle	Bob Steward
1. guard	David Kuykendall
center	Ken Pennington
r. guard	David Holden
r. tackle	Herman Phillips
r. end	Dick Runge
r. half	George Sofge
l. half	Reyes Robledo
fullback	Jimmy Harris
quarterback	Rony Kerr

LEGION MEETS

The American Legion post met at the Memorial Building last Thursday night, with Bill Rountree in charge.

Plans for the Legion Christmas tree on the courthouse lawn the night of Friday, December 21, were discussed. Legionnaires will again distribute candy and fruit to children 12 and under at the event.

About \$31 was made on the recent circus here, it was stated.

Ceremony Unites Young Couple

Miss Beth Birdwell became the bride of Gerald Hicks in a double-ring ceremony Saturday morning Oct. 27 in the First Baptist Church parsonage of Snyder, Texas. Parents of the couple are Mr. and Mrs. A. B. Ervin of Bend, Oregon, and Mr. and Mrs. Earl Hicks of Eldorado. The Rev. J. T. Huckaby, pastor of the church, performed the ceremony.

Miss Birdwell is a graduate of Snyder High School. Mr. Hicks is an Eldorado High School graduate and attended Sul Ross State College where he was a member of the Sul Ross Lobo football club. He has served two years with the U. S. Army, sixteen months of it being in Korea. He is now employed with the Halliburton company in Snyder, Texas.

GIRL SCOUTS MEET

The Girl Scouts met last Saturday, Nov. 3, in the Memorial Building, and made emblems. They received one new member, Margaret Haney. The next meeting will be Nov. 17 at which time they will plan their Christmas project.

Just Thinking: "The man at 'outs' with his neighbor, is usually at 'outs' with God too."

Thought For The Week
Ministerial Alliance

"My Country, 'Tis of Thee"

One of the most familiar hymns known to the people of America today is the song with the verse beginning:

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side
Let freedom ring.

These words were written by Samuel Francis Smith, born in Boston, October 21, 1808. He later became a Baptist minister. It was while looking over a collection of German songs for children in the year 1832 that Smith found a song with a patriotic theme that he felt an urge to write a poem of a patriotic nature about his own country, America. He said, "I wrote at once, probably within half an hour, the hymn America. I never designed it for a National Hymn. I never supposed I was writing one."

Many of the best things come in just that unconscious way. Many people are so intent to leave their mark on the world that they fail completely. Why? Perhaps we can see a part of the reason by looking at the circumstances of the writing of the hymn "America." It came as an overflow from a busy man using his developed talents productively. This was a man that would not stop. At the age of 86 he was looking for a text book with which he could begin a study of the Russian language! If we will just take what God has given us and develop it to the fullest and then continue to use it for his glory we will have a much better chance of making our mark on the world. For Jesus said, "But he that is greatest among you shall be your servant." Matt. 23:11.

OHIO BARBECUE SERVED THURSDAY TO BIG CROWD

Members of the families of the 30 men here with Ohio Oil Co. had a barbecue Thursday on the courthouse lawn. Plates were served to 190 people, including the families and invited guests. Buster Hale welcomed the group and told about the company, and Rev. J. C. Hancock gave the invocation.

The group spent the evening visiting.

BACK FROM MISSISSIPPI

Rev. S. W. Harralson, pastor of the Congregational Methodist Church, has returned from a ministerial meeting for pastors of all of the churches, at Laurel, Mississippi.

The ministers made plans for making changes in the discipline, to be presented to the general conference in 1957. Rev. Harralson, Rev. Jody Rouse and Rev. L. M. Woods, all of this district, represented churches farthest west in the conference.

Rev. Harralson was accompanied by his family.

ATTEND CHURCH DEDICATION

Mr. and Mrs. Joe Edens were among those attending dedication services Sunday for the Divide Presbyterian Church, a chapel located between Mountain Home and Rocksprings. The church had been organized since 1908, using a church in Kerrville for a meeting place.

A cousin of Mr. Edens, a member of the church, invited them to the dedication and the supper. The president of Schreiner and other gifted speakers had part on the program, report the Edens.

The Alfonse Orsak family spent Sunday at Midland with Mrs. Orsak's brothers Burl and W. R. Pringle and their families.

Large Crowd Attends Dedication Services At St. Mary's Church Here

The new St. Mary's Episcopal Church was formally dedicated at special services Sunday morning at 11:00—136 Episcopalians and friends of the church witnessing the impressive ceremony.

The Rt. Rev. Everett H. Jones, Bishop of West Texas, of San Antonio, was here for the service and received into membership a confirmation class of five, including Mr. and Mrs. John Gilmore, Louise Burk McRae, Ernest K. Nimitz and Dick Runge.

Assisting the minister were the Rev. Alanson Brown, priest-in-charge; Robert Oglesby, Eldorado lay reader; Stanley Gaynor, bishop's warden, the choir and organist from St. John's, Sonora; and Lea Roy Aldwell, lay reader from Sonora.

During the service memorial gifts, of which there have been a large number, were blessed.

Present, in addition to members, were others from this county, also visitors from Brady, Menard, Fort McKavett, San Angelo, Sonora and San Antonio. After the morning service 150 were served dinner in the Memorial building.

The bishop's committee, which had an active part in the making of plans for the building, is composed of Stanley Baynor, Capt. Thad A. Thomson, Robert Oglesby, Mrs. W. T. Parker, Mrs. W. S. McGregor, Mrs. George Long, Mrs. Lillian Crosby, Mrs. Forrest Runge and Mrs. Elizabeth Powell.

Before 1951 Schleicher County Episcopalians worshiped in other places, most of them going to Sonora. On October 8 of that year, the Eldorado Guild was organized, with Mrs. Jim Willoughby as first president, and the home of Mrs. Thad Thomson as the meeting place.

The efforts of these and other Episcopalians resulted in establishing of St. Mary's mission June 5, 1955, by the Rev. Jones. Rev. Alanson Brown of the Sonora church, was chosen to be the vicar in charge. Fourteen people attended the first meeting. Lay readers Robert Oglesby of Eldorado and Lea Roy Aldwell of Sonora conducted many of the services which followed.

It is not often that a church so small—there are 28 members—handles a building project of this type. The members were resolved that while the building could not be large, it should be of good construction, and finished in excellent taste—in that they have succeeded possibly beyond their fondest dreams.

The 136 who attended the service Sunday could be accommodated only by addition of several rows of chairs.

Trudy Gaynor has the distinction of being the first bride married in the new church. John Gilmore was the first to be baptized, Judy McGregor was a member of the first confirmation class while the church was still a mission, and Jim Runge and Mr. and Mrs. Sam Ezell were confirmed after organization of the new church as St. Mary's.

Nancy Jo Elder, student at Austin, spent the weekend here, returning to Austin Sunday afternoon. Mrs. Jack Elder, her mother, spent ten days here, and left Sunday afternoon by bus for Water Flow, where Mr. Elder is employed.

FOR RENT OR SALE: Our self serve laundry, known as Eldorado (Williams) Laundry—Geo Williams Phone 22921.

MOTHER-DAUGHTER TEA WILL LAUNCH GIRL SCOUT DRIVE

A mother-daughter tea this Saturday afternoon from 3 to 4:30 at the Memorial Building will mark the start of the annual Girl Scout fund drive, workers stated here this week. Mrs. Carrol Ratliff has charge of arrangements for the tea.

All workers on the drive will meet at 9:30 Monday morning at the Java Junction to launch the drive. There will be a jar at the drug store for out-of-town contributors, it was stated.

More Rains!

Schleicherites are rejoicing over receiving a little more rain, most of it falling Thursday night and Sunday morning. The rains totaled about 3/4 inch in Eldorado and were spotted over the county.

The moisture, following two other recent rains, has left the earth soaking wet.

Where else it rained:
Claude Doyle 1.50
Roy Rowntree50
Mrs. T. F. Green50
Owen Fry 1.30
Weldon Davis40
Howard Derrick 1.35
Edw. Martin Jackson40
L. Kent40
Tom Henderson61

A favored spot in the county is the Josh Ewing Ranch, which received 3.45 inches in the last two rains, bringing the total up to over eight inches in the four rains of the month. Also favored was neighbor Carroll White, with a total of 2 1/2 inches Thursday and 1/2 inch Sunday. They report draws running.

"It's the wettest it's been since we moved here 10 years ago," state the Ewings. The entire county is looking better, with general rains leaving the soil in good condition for early winter.

The drouth is not broken, but a start has been made.

SINGING SATURDAY

The Congregational Methodist Church announces singings every Saturday night, beginning at 7:00. Everyone is invited.

Visitors in the home of Mr. and Mrs. Otto Sauer and Mr. and Mrs. Fred Gunstead, their parents, are Mr. and Mrs. Wm. Sauer and children Paul and Louise. William returned home Tuesday, and the others remained for a visit of several days.

Most of the social and economic gain in this country has come from the efforts and initiative of the individual and not from government planning. Fulton invented the steamboat; Bell developed the telephone; Whitney designed the cotton gin. Without the work of the individual, we would still be living under a feudal system that allowed us a bare subsistence. It is the accomplishments of the individual that has lifted us to present levels, not the accomplishment of government.

Predictions of rainfall cannot be made on the basis of weather cycles of "wet and dry years." Recent studies of rainfall records at 31 locations dating back 89 years in Texas high and rolling plains show that cycles play little or no part in annual rainfall figures.

Now is the time to treat trees for the borer. Place PDB crystals in a narrow circular band about 2 inches from the trunk. Place several shovels of clean soil over the crystals and mound the earth into a cone shape pile about six inches high around the base of the tree. Compact the soil with the back of the shovel. Remove the earth mounds in early Spring. For 2-3 year old trees use 1/2 oz. crystals; mature trees, 1 ounce.

Ethylene dichloride emulsion may also be used. Follow the directions on the label in diluting and applying the chemical.

Purchase of cows by Mexico with funds loaned by the Export-Import Bank has been announced by the United States Department of Agriculture. The 5-million-dollar program is designed to help hard pressed cattlemen in drouth areas, reports the Cattlemen's Association Publication "Cow Business." The Mexican government will buy breeding cattle to help upgrade herds in that country.

Some people think that a good neighbor is one who keeps hammers, screw-drivers, monkey wrenches, saws, hatchets, lawn mowers, and other things for loaning purposes only.

All bruises are costly—costly in waste of labor used to trim the carcass, and costly in devaluation of the carcass that results from the

unsightly trimmed appearance. Nearly all bruises are man made or at least caused. Why? Simply because livestock will not bruise itself. It's when man enters the picture that bruises begin to occur. Remember when livestock bruises, everybody loses.

Remember that livestock is alive. Since they are alive, they become confused and frightened under strange surroundings as they leave the home ranch, feed lot or farm.

FRONTIER COUNCIL MEETS
The quarterly meeting of the Frontier Council from ten counties was held in Eldorado Sunday afternoon, the group making plans for Girl Scout work for the coming quarter.

Mrs. Jerroll Sanders was one of the new officers elected—she was chosen for the post of secretary. The group spent the afternoon in business session, and a covered dish supper was served afterward.

RETURN FROM TRIP

Mr. and Mrs. L. M. Hoover have returned from Lampasas, where they attended the Golden Wedding anniversary of Mr. and Mrs. Clem W. Hoover at the home of a son Maurice Hoover, a daughter assisting. Mr. Clem Hoover is L. M. Hoover's nephew. The honoree is a Church of Christ minister at Boerne.

Present were visitors from Houston, San Antonio, Dallas, Ozona, Austin, and many other places. 150 attended.

The Hoovers returned home Monday. They report heavy rains between here and Lampasas Sunday.

CIRCLE MEETS

The Ethel Hardy circle of the First Baptist church met with the chairman, Mrs. J. D. Ashmore, Nov. 5, with 10 members, three new members, and one visitor present. Meeting was called to order with prayer by Mrs. Wagley.

Mrs. Meckel had charge of the program, and in her devotional on "What I Can Do For the World Enterprise" read several scriptures and stressed prayer, especially for our missionaries and service men living in lands that do not know our savior. A letter from Miss Maybell Taylor, a missionary, to Mrs. Hoover, was read. Miss Taylor is a native Eldoradoan.

After a short business session and visits to prospectives, refreshments were served to the 14 present. —Reporter.

WCS GENERAL MEETING IS HELD ON TUESDAY

The general meeting of the WCS was held at the Methodist Church Tuesday afternoon. Present were 11 members and two guests, Mrs. Loyse Bagley of New Mexico and Mrs. Charles Clark.

Mrs. Luke Thompson presented the lesson on the United Nations. Coffee and cookies was served during the social hour.

Methodist Notes

The Rev. R. R. Heaner is at Mount Wesley in Kerrville for the three-day Town and Country Conference. He is a delegate from the San Angelo district.

The meeting of the Commission on Education was postponed until next Wednesday evening, when two commissions will meet—the Commission on Education and the Commission on Finance.

The sub-district Methodist Youth Fellowship council will meet here in Eldorado Sunday afternoon at 2:00 o'clock. This will be followed by a general meeting of all of the sub-district MYF members at 2:30. "Far from Alone" is the religious film on the subject of alcohol which will be shown to the sub-district general meeting.

Those attending the district conference at Ozona last Monday were Mrs. Robert Milligan, Mrs. Keno Ogden, Lawrence Steen, the Rev. and Mrs. R. Russell Heaner, and Sarah.

GOOD NEIGHBOR CLUB MEETS

Mrs. Thomas Baker was hostess to the Good Neighbor Club Thursday, Nov. 1, with eight members and two visitors present.

Mrs. Gene Edmiston and Mrs. Aaron Steward gave a demonstration on Christmas decorations and gift wrapping. The Halloween

theme was carried out in decorations and refreshments.

The next meeting will be at the home of Mrs. Ben Hext Nov. 15. —Reporter.

Mr. and Mrs. Paul Page are among those who plan to attend the game at Dallas this weekend.

Farmers At Work

Widespread rains, though generally light, put farmers to work day and night. It was a chance to get winter crops in before the soil dried out again. But it wasn't soon enough, say agriculture experts, to prevent a hard winter for livestock owners.

"It's pretty late in the year for enough winter grazing to be produced—herds will require heavy supplemental feeding," said a spokesman for the Texas Agricultural Extension Service. "But with additional moisture, farmers and ranchers can begin their 'come-back' next spring and summer."

Mrs. C. W. Galbraith and Mrs. H. L. Galbreath visited Tuesday and Wednesday in Brady with Mrs. Paul Johnson and others.

Sam Houston Shrine

Another request of the Legislature, this one from Huntsville, will be laid before both houses in Austin, come January. Asked for will be \$82,000 to add three new wings to the Sam Houston Memorial Museum, plus a \$3,000 appropriation increase for maintenance.

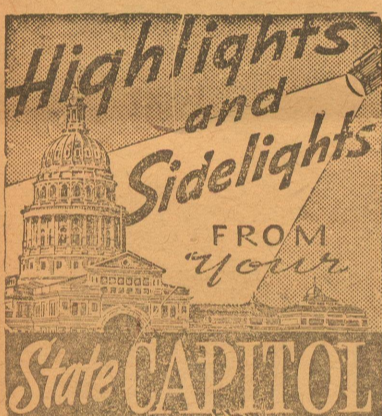

Christmas Is White Hope

Despite a steady four-months sales decline, Texas merchants still think Christmas will cure the year's average.

Opinion surveys by the University of Texas Bureau of Business Research show that "typical merchants are confident that holiday business will surpass 1955 and that satisfactory volume can be expected well into 1957."

Latest figures pointed the other way. September sales were down 12% from a year ago, and the year as a whole was 6% under 1955. Slipping significantly from last year were: automobiles, 28%; food stores, 18%; furniture, 13%; building materials, 13%.

Already approved by the committee is a proposed \$10,000,000 appropriation to buy storage space in federal reservoirs.

Three other proposals are being re-written and will be taken up at a December meeting. They are (1) an anti-pollution bill to deal with contamination of underground water supplies, (2) a constitutional amendment to set up a \$100,000,000 bond fund to finance local conservation projects and (3) an enabling bill to finance the bond revenue.

Also still being considered is a three-cent property tax with proceeds marked for water conserva-

Oldsmobiles For '57 To Come Out Nov. 9

Oldsmobile for 1957 has completed the most sweeping model change in the past 20 years, with distinctive styling innovations and mechanical improvements in every one of the 17 body styles in three series of cars. The body is completely new, creating a fashion-new exterior appearance with deeper bumpers and a redesigned grille. Mechanical and structural advances include a new wider and heavier chassis, new "pivot-poise" front suspension of a design that resists dipping, improved rear suspension, a new 277 h.p. "Rocket" engine, known as the T-400 due to its high torque throughout the driving range, and new 14-inch wheels.

Outstanding styling note is the accent stripe, an Oldsmobile exclusive, that runs more than half the length of the car's side panels between narrow chrome moldings. This marks the first new style trend in exterior color application since Oldsmobile introduced two-tone color styling in the body in 1954. The accent stripe permits a new two-tone effect, with the car painted one color and the accent stripe in a contrasting color. However, the conventional two-tone styling is still available as an optional extra.

The 1957 Oldsmobiles will go on display in dealer showrooms throughout the nation on Friday, November 9, including Wagley Motors in Eldorado.

The streamlined 1957 Oldsmobile silhouette, more than 2 inches lower and nearly 5 inches longer than last year, presents as its most salient styling motif the new accent stripe. The accent stripe is available in eight colors that contrast with the body color. It originates just forward of the dip in the belt line and sweeps downwards and then through the rear fender panel to the taillight trim. Another styling innovation is the twin "Sky-line" heading that originates at the top of the windshield on each side of the roof and sweeps rearwards through the struts that divide the rear window into three glass areas and thence across the rear deck almost to its base. The twin strutted rear windows give a distinctive appearance to the rear view. The sculptured rear fenders also forecast a new styling trend, their graceful surfaces helping to accentuate the long rear fender crown.

The Oldsmobile front end styling is entirely new, with a "hi-lo" bumper incorporating massive upper and lower bumper bars for double protection, closely spaced horizontal louvers to direct air into the engine compartment, chrome block letter spelling out the Oldsmobile name across the grille and unique parking lights adapted from Oldsmobile's 1956 "dream car." There is a new hood ornament, rocket fender emblems on each front fender and a windshield that is deeper, wider and contains up to 18 per cent more glass area. The hooded headlamps have a wider visor.

Roadability and ride of the '57 Oldsmobile have been improved through the new "wide-stance" chassis, incorporating a wider and heavier frame, and the improved front and rear suspension. The frame is eight inches wider than in 1956. The "pivot-poise" front suspension design embodies "counter dive" which prevents the front end from nosing down when the brakes are applied. Rear shock ab-

sorbers have been moved outboard of the frame to a position outside the leaf springs in order to obtain a wider spring base and reduce roll on curves. The new 14-inch wheels and larger tires also contribute to the improved riding qualities.

The 1957 "Rocket" engine has been boosted from 240 to 277 h.p. and the four-barrel quadri-jet carburetor is now standard on all series. Engine displacement has been increased from 324 to 371 cu. in. by lengthening the piston stroke and increasing the bore diameter. Compression ratio has been raised to 9.5 to 1.

School News

The Eldorado Schools will observe Thanksgiving the last Thursday of the month. The Thanksgiving holidays begin Thursday, November 29 and continue through Friday, November 30.

The school board in its regular meeting authorized the purchase of whirl pool bath. This piece of equipment will be installed in the gym as part of the athletic department. The whirl pool provides hydro therapy treatment for athletic injuries such as pulled or bruised muscles.

The Eldorado Junior High team will meet the Junction Junior team in the last home game of the season tonight. The B team will play Junction's B team. Eldorado won both games from Junction in previous games. Kick off time will be 5:30 p. m.

The plant and range contest for the Concho District FFA was sponsored by the Eldorado Divide Soil Conservation District and was held on the Martin Bros ranch east of Eldorado, Saturday, Nov. 3. There were not as many teams entered as had been expected. The results were as follows:

- Senior Division:
- 1. Eldorado ----- 1024 points
- 2. Ozona -----with 684 points
- 3. Robert Lee ----- 484 points

- Junior Division:
- 1st Ozona ----- with 817 points
- 2nd Eldorado ----- 730 points

High individuals in the senior division were: 1st Jimmie Whiten, 2nd Farris Nixon, 3rd Dick Runge, 4th Ernest Nimitz, (from Eldorado) 5th Joe Pierce, 6th Chris Hagelstein, 7th Joe McMullen (from Ozona) 8th Buf Burron from Robert Lee.

Junior division high individuals were: 1st Jim Williams, 2nd Bill Petty (Ozona), 3rd Jimmy Mackey (Eldorado) 4th Pierce Miller (of Ozona), 5th Kenneth Townsend, 6th Kyle Donaldson (Eldorado), and 7th Muggins Good, Ozona.

It is hoped to make this an annual contest in the Concho FFA district. The North Concho Soil Conservation District has agreed to sponsor the contest in 1957.

The leadership teams will begin work this week. The Eldorado FFA will have only one leadership team this year and that will be the radio contest.

Work on the new barn is progressing on schedule. Most of the concrete will be in place by Wednesday. The frame work for the grain pens is up.

The Eldorado Jr. High football team toppled the Junction Jrs 33-0 Nov. 1st in Junction. Led by John Robledo with three touchdowns and three extra points, the Eldorado boys were never threatened by Junction. The opening TD came midway in the first quarter when Robledo, taking a pitchback from Jerry Don Johnson, scampered 65 yards untouched behind a wave of downfield blocking. To open the second quarter, Elisio Garza took a pitchback from Johnson and with the lineman furnishing the necessary blocking, Garza waltzed 45 yards for a score. Later in the second quarter, Robledo again went wide, picked up his blocking and left a stunned group of Junction Eaglets far behind as he

sped 78 yards for his second TD of the night. Robledo converted after one TD the first half and Eldorado led 19-0 at that time.

In the third quarter, to open scoring Carl Parker, Eldorado fullback, intercepted a Junction pass and returned it 30 yards for a score. John Robledo converted and Eldorado led 26-0. After kicking off, Eldorado forced Junction to punt, and Robledo, playing in the safety slot, fielded the ball and again fell behind a wave of devastating blocking and went 60 yards for the score. He then converted and Eldorado led 33-0. The bench was cleaned in order to try to hold down the score. As soon as the second team got possession of the ball, Jim Runge, quarterback, went into a spread formation, making guard Kenneth Hicks eligible for a pass. Runge faded back and hit Hicks with a pass for a TD, but it was nullified by a penalty. The second team then finished the game by running time consuming plays.

The Jr. High record is now three wins and no losses. They have scored 74 points while allowing only 7. Their next game is a return engagement with Junction in Eldorado on the 8th of November.

WOMAN'S CLUB TO MEET

The Woman's Club will hold their regular meeting next Tuesday afternoon at 2:30 with Mrs. W. N. Ramsay as hostess. The program will be on Thanksgiving.

Mrs. J. W. Walker of Plainview, was in Eldorado this week visiting in the homes of her mother, Mrs. D. C. Hill, and her brother Ernest C. Hill and Mrs. Hill. She was accompanied by her son and his wife, Mr. and Mrs. J. W. Walker, Jr., of Washington, D. C.

HUNDREDS ATTEND SCHOOL CARNIVAL HALLOWEEN NIGHT

Hundreds were in attendance when the PTA, of which Mrs. Edward Meador is president, held their annual Halloween carnival last week.

The evening's festivities started with a parade from the courthouse to the school grounds. The various booths featured games, prizes, food and fun.

The ministers of the city were in charge of the first part of the program on the religious significance of Halloween. Mrs. John Stigler's third grade presented a play, "The Littlest Witch," after which Mrs. Teele's elementary choral club presented a musical skit "The Pumpkin Who Wanted to Dance."

A high light of the evening's celebration was presentation of the Halloween court. Kings and queens were:

- L. A. 1st: Louis Sanchez, Nina Vasquez.
- 1st: Gary Derrick and Marilyn Mowrey.
- 2nd: Danny Halbert and Nancy Jarrett.
- 3rd: Larry McGinnes and Kay Harkey.
- 4th: Danny Halbert and Frankie Nell Blaylock.
- 5th: Garry Whitten, and Jane Sanders.
- 6th: Dannie Holden and Dianne Lackey.
- 7th: Jim Runge and Ilene Clayton.
- 8th: Judge Whitten, and Gail Woodward.
- 9th: Walter Donelson, Sandra Hall.
- 10th: Jimmy Mackey and Margo Mittlel.
- 11th: Monte Robinett and Joy Dodd.

12th: Walter Van Dusen, Herma Whitten.

Costume winners were: preschool, Linda Hubbard; L. A. 1st, Sammy Pasquez; 1st Clifford Schooley; 2nd Kathleen Smith; 3rd Paty Gail Johnson; 4th Stanley Calcote; 5th Barbara Johnson; 6th Jerry Mackey; 7th Johnny Dalbert; 8th Bryan Edmiston, Phillip Parker, 10th Arnie Westbrook.

The organization cleared \$355 on the carnival.

Mr. and Mrs. W. A. Van Dusen have had as guests the latter's parents Mr. and Mrs. W. L. Reed of Yantis, who were here a week. Mrs. Van Dusen and children Joe and Johnnie took them home Friday, and returned home Sunday after visiting also in Quitman, Tyler and Denton.

First of GMC's Blue Chip Money-Makers for '57: Pound for pound, it's...

the most powerful truck ever built!

New GMC light duties with 206 h.p. and new styling advances
how to no passenger car on any point of roadability

HERE, headlining GMC's 1957 Blue Chip Money-Makers, our new light duty becomes a truly phenomenal vehicle.

It has one horsepower for every 15½ pounds of its weight.

You'll be bossing around engine power usually found only in trucks rated at *more than four times* this truck's capacity.

You'll be getting flashing response to pedal demand—high-mileage efficiency from an unstraining engine—work capacity that won't drop off after a few months.

And you'll be very definitely in pocket, too. THIS light-duty engine cannot be overtaxed in normal use. So there's little chance of parts failure, no excessive wear, or repair needs due to engine strain.

If money-making power is what you want, here it is! Come in and see us for all the facts.
