NUMBER 33

Ground Breaking For New Bldg Features Annual CoOp Meeting

This year's annual meeting of the Southwest Texas Electric Co-Op included ground breaking ceremonies at the site of the new building for the Co-Op, just 20 years after agitation was started here in Eldorado for an electric cooperative.

This and other interesting facts were brought out Tuesday at the annual Co-Op meeting.

Spearheading the movement for a Co-Op back in 1938 were Ernest C. Hill and P. K. McIntosh, both of whom were in hand for Tuesday's ground breaking.

Along with the other directors, they recalled that 1941 was the year that the Co-Op here was chartered, but construction of lines was delayed by the war. Lines were energized and the first annual meeting was held in 1946.

J. Forrest Runge is the only one of the original board of directors who is still serving. Don McCormick has been the first and only Co-Op manager.

Following the ground breaking, the members and families and guests moved to the court house lawn where between 6:00 and 8:00 p. m., over 600 were served barbecue by Orland Harris.

At 8:00 o'clock, the meeting was called to order on the west porch of the Memorial Building, with members seated on the lawn. Mr. Runge gave the secretary's report, after President W. W. Sheen called the meeting to order.

Attorney Lewis Gayer had charge of the election of the slate of directors. The slate consisted of the old members, J. Forrest Runge, Joe Edens, Frank Bond, W. W. Sheen, R. A. Harrell, and Jeff Owens, with one new nominee, Joe B. Strauss. This slate was unanimously elected by the membership.

Three 4-H boys, Dwayne Sauer, Jerry Stigler and Danny Burk, gave a skit on safe kite flying.

Some films were shown to close the meeting.

Manager McCormick pointed out that Co-Op personnel had driven nearly 1 1/2 million miles without an accident.

Rains This Last Week Of Small Benefit

Showers of rain, which made the weather delightfully cool for a short time, fell in Schleicher county last Saturday evening and Sunday mornings, but as far as agricultural crops were concerned it was "too little and too late."

About three-fourths of an inch was recorded on some Eldorado gauges and the same amount was recorded in the Reynolds community, but other areas reported only sprinkles.

Some areas in the east part of the county reported over an inch and it was welcomed as a nice benefit to pasture grass.

Generally speaking the crop situation in Schleicher county is real good and a bountiful harvest of cotton and feed is looked forward to this fall.

Said one observer: "If we could have had about 2 inches of rain three weeks ago, it would have been a big boost. It wouldn't help any now, except the grass."

Junior Rodeo Performances Well Received Last Weekend

Two performances on Friday and Saturday nights of the first Junior Rodeo were well attended by local and out-of-town fans, and promoters are already looking forward to an even greater one next year.

Friday night at 6:00, a parade was held, with several hundred fans lining Eldorado streets.

Showers Saturday night dampened the arena somewhat, but not the enthusiasm of the participants.

Winner of the \$225 Leddy saddle was Keno Ogden.

Winners in Junior Rodeo Senior Steer Riding: 1st, Buddy Brown, Sterling City, belt buckle donated by The First National Bank; 2nd, Mike Lewis, Tucson, Arizona, breast collar by Henry Speck; 3rd, Jon Weddle, San Angelo, pair Levis by Coulter's.

Junior Steer Riding: 1st, Charles Driver, Big Spring, buckle by Foxworth-Galbraith; 2nd, Lefty Garcia, Marathon, breast collar by R. D. Johnson; 3rd, Fred Ramirez, Fort Stockton, Levis by Ratliff store.

DON McCORMICK
Co-Op Manager

Oil News

FINALS SUTTON GASSER

El Paso Natural Gas Co., whose field office is in Eldorado, has finalized the No. 1 Davis as a gas producer 1 1/2 miles south and northeast of production in the Sonora field of Sutton county, three miles north of Sonora.

It was finalized for a calculated daily absolute open flow of 7,700,000 cubic feet of gas, with gas-distillate ratio 121,400-1.

WILDCAT PLANNED

Humble Oil & Refining Co., has filed application to drill a 5,900-foot rotary wildcat in Schleicher County five miles east of the Otto multipay field and 33 miles north-east of Eldorado. It will be drilled as the No. 1 A. T. Cheaney.

Location is 1,980 feet from the north and 810 feet from the east lines of 4-L-GH&SA.

TESTING FOR GAS

Tucker Drilling Co. and L. E. Scherck, San Angelo, were taking a drillstem test in the Strawn lime at the No. 1 Faye Dell Derrick, in 40-A-Abst. 1041, Schleicher county 5,000-foot wildcat, 2 1/2 miles east of Eldorado and 1 1/2 miles southwest of gas production in the Tillery multipay area.

Gas surfaced in 10 minutes, no gauges, on the test being taken from 4585-4615 feet.

Pool To Remain Open Until September 1st

At their meeting Monday of this week, Schleicher County Commissioners voted to keep the county swimming pool open until September 1st, and to honor all outstanding season tickets until that date.

David Kuykendall is pool manager, and Jimmie Dell Williams is assistant. This is the second year for the pool to be in operation.

The pool is located on the county park block in the West Addition. The block also contains Legion field, and plans are under way to add trees and picnic grounds.

Tex. Almanacs at the Success

Mrs. Wade is Injured In Car Crash Near Big Lake

Mrs. Charlie Wade, 49, of Big Lake, injured in a car crash Sunday night which claimed the life of an Austin man, remains in a serious condition in the hospital in Big Lake.

Mrs. Wade suffered a fractured pelvis and internal injuries. Mrs. Dovie O'Brian, 47, also of Big Lake, was transferred to Clinis Hospital in San Angelo Monday, where she was reported in a good condition. Mrs. O'Brian suffered cuts and bruises.

Howard Clyde Wilson, 24, was killed in the car-truck accident 14 miles west of Big Lake.

James Walter Hoiman Jr., 55, also of Austin, suffered broken ribs. Charlie Wade was uninjured. The driver of the truck, William Whit Shuttlesworth, 25, of Fort Stockton, also was uninjured.

Charlie Wade is the son of Mrs. Myrtle Wade of Eldorado.

Absentee Vote Deadline Is Tuesday, August 19th

Deadline for absentee voting in the Second Democratic Primary is this coming Tuesday, Aug. 19th.

Tuesday morning of this week, only two votes had been cast in person, and 10 others had been mailed out.

County Clerk J. P. Enochs emphasized that voting absentee by an elector in the First Primary does not automatically mean an absentee vote application for the Second Primary. Voters must re-apply for a ballot if they wish to vote absentee. Actual date of the Primary is Saturday, August 23rd.

Mr. and Mrs. Johnny Luedecke were here visiting his mother, Mrs. J. H. Luedecke over the past week end.

Post Script

We haven't heard too much lately about progress on the new highway, but City Secretary Lum Burk reports that the City of Eldorado has recently deposited the sum of \$7,000.00 with the State Highway Department for curb and gutter work in the city limits.

City officials point out that this curb and gutter expense will be charged back to the property owners—that they will be assessed at the contract price; whatever that proves to be.

Some time in the near future the Highway Department will publish its notice for bids on this entire job.

On page 4 of this paper the City of Eldorado is carrying a notice, calling for bids on fencing the airport. This is a city-county job and much of the material is already on the ground.

—ps—

Any day now, we expect to see Keno Ogden decked out in new hat, chaps, boots, spurs, and western shirt to go with the Leddy saddle he won at the Junior Rodeo last week end.

2nd, Missie Taylor, Del Rio, breast collar by Robert Nixon; 3rd, Betty Baggett, Ft. Stockton, Levis by Coulter's.

Jr. Barrel Race: 1st, Betty Baggett, Ft. Stockton, buckle by Keno Ogden and Horace Linticum; 2nd, Lois Merck, Coleman, breast collar by Orval Edmiston and Jack Jones. 3rd, Jodie Merck, Coleman, Levis by Coulter's.

Jr. Boot Scramble: 1st, Ronny Williams, wallet by Glenn Edmondson; 2nd, Susan Allison, Levis by Ratliff; 3rd, Jim Kerk Jones, Levis by Ratliff.

All Round Champion, Fred Ramirez, Ft. Stockton, buckle by Jess Koy, \$50 hoots by Leddy's.

Girl Participant in Ribbon Ropings: Sr. Betty Baggett, breast collar by Southwestern Salt & Supply.

Jr. Ribbon Roping Girl: Pam Perner, Ozona, headstall by Southwestern Salt & Supply.

Lees and Levis were given to 2nd and 3rd place girls donated by Lee Riders Co. and Levi Strauss Company.

Hard Luck Cowboy; Bim Jacobs Jr., pair of spurs by Donaho Saddle Co.

All round sport: Gale Miller, watch by Nathan's Jewelry.

EXPLORER SCOUTS on Canoe Trip posed for this photo Wednesday afternoon of last week before they left for Camp Mayer, where they were to spend a night before leaving with 25 others from over the

Concho Valley Council for the Canadian Canoe Trip. Standing, left to right, are David Meador, Joe Charles Christian, Charles West, and Herman Walker. Jim Runge is kneeling by his duffel bag.

New Principal On Job At Local High School

FRANK KEMBLE

On the job as new high school principal is Frank Kemble, who moved to Eldorado last week end to assume his new duties after serving for 10 years as principal of the Groesbeck high school.

Plans for the coming school year are being worked out by Mr. Kemble and by Superintendent A. M. Whitis, and Grade School Principal C. T. Humphries.

Legion To Install Officers In September

Bev McCormick post of the American Legion will hold an installation meeting in mid-September at which time officers for the 1958-9 year will be installed.

J. Walter Janko, state commander from Somerville, has indicated that he will be on hand. The definite date will be announced later.

Arthur Winans of Uvalde will also probably attend the installation. He is district commander.

At their meeting last Thursday night, Legionnaires elected the following slate of officers:

Commander, Don McCormick; Vice Commander, Jack Hext; Adjutant, Dwight Wiedenmann; Finance officer, C. T. Waller; Sgt. at Arms, Joe Logan; Service officer, Patton Enochs; Chaplain, Rev. J. L. Spencer.

The Legion post has charge of improving and beautifying the county park in the West Addition, and several other clubs have indicated interest in helping.

ATTEND 4-H MEETING

Those attending a 4-H meeting in Menard this week were Mr. and Mrs. W. F. Edmiston, Martha Ellen Topliffe and Gayle Woodward. Also attending were Phil McCormick and Danny Eurl.

A. A. Clark who works on the James Page ranch, broke his arm Tuesday, while working sheep.

Eagle Team Counting On 19 Returning Members

Prospects look good for the 1958 Eagle football team, with 13 returning lettermen, and six returning squadmen to form the nucleus for the team.

Head Coach Jim Herridge will be assisted by Earl Barnett and Guy Whitaker.

All returning lettermen and squadmen, as well as Freshmen who are prospective team members, are expected to start getting in shape for actual workouts which get under way in about 10 days.

Returning lettermen this year will include Farris Nixon and Dan Griffin as captains, and Waldron, Stanford, Doyle, Mackey, Bellman, Sauer, Donaldson, Parker, Robledo, Johnson, and Williams.

Squadmen who will be back will include Atkinson, Garza, Carlman, Mittel, Taylor, and Daey.

Last year's graduating class included Dick Runge, a letterman, and Terry Carlman, a reserve letterman.

Some classmen who did not play football last year expect to do so this year. In addition there will be a number of the Freshman stu-

dents who will be coming out. A total turnout of 35 to 40 boys is expected, Coach Herridge stated.

Meeting Friday Night, 22nd

The season gets under way Friday night of next week, August 22nd, when a meeting of team members and their parents will be held, to be followed by physical exams for the team.

The meeting for the team and parents will be held in the high school auditorium starting at 6:30. The program for the coming year will be discussed by the coaches.

After the meeting, the team members will go to the clinic building for their physical exams.

Any boy interested in playing football who has not received a physical examination blank and permission slip by Monday, Aug. 18, should contact Coach Herridge.

Workouts Start Aug. 25th

Team workouts will start the morning of Monday, August 25th, and last throughout the week. Practice periods will be 7:30 to 10:00 each morning, and 4:30 to 6:30 each afternoon.

At least one scrimmage is planned. It will be held at Mason the afternoon of Aug. 30th.

There may be another scrimmage here with the Eden team on Thursday, the 28th.

Eldorado Now In 6-B

The Eagles are now in District 6-B. The season's opening game on Sept. 5 at Rocksprings will be followed by games with Sonora, Richland Springs, Rankin, Robert Lee, Trent, Big Lake, Lorraine, Bronte, and Hermleigh.

This year the school will be playing under the new rule whereby a run or pass for extra point is worth two points, and kick is worth one point.

CASH IN ADVANCE

Please...

Don't phone your want ads to the Success office...

Our charge for the average little ad is only 50c, and with the increase in postage rates, we can't afford to keep books on 50-cent items and mail out bills. Please bring your little ads (including cards of thanks, \$1.00) to the office and pay for them cash in advance.

Exceptions: If your husband is an advertiser, and the item can be charged to his advertising account...

Or if you are a shut-in and too feeble to come to town.

Vacation Bible School Starting At Bapt. Church

The annual Vacation Bible school of the First Baptist church will begin Monday morning, August 18, at 8:30 o'clock and will continue through Saturday, August 23rd. Our day will be over at 11:00 o'clock. Our preparation day will be held in the church auditorium Friday morning the 15th at 9:00 o'clock. All ages will register for the school at that time. We will have refreshments each day as well as handwork for all ages. Mission and Bible stories will be important phases of our Bible school. All children between the ages of 3 and 16 years are invited. Commencement exercises will be held Sunday night at 8:00 during the regular service.

TRAFFIC REPORT

"Six persons died on our rural highways in four fatal traffic accidents during July," said Captain Ray B. Butler, commanding officer of the 24-county Midland Highway district today as he summarized the rural traffic accidents that occurred in July, within the district. In addition to the four fatal accidents, there were 40 personal injury accidents, injuring 59 persons and 92 property damage accidents. The property loss incurred as result of the 136 accidents amounted to a staggering total of \$136,815.00.

LUBBOCK TENNIS MEET

Danny Clayton waded through the complete field in the 13 and under boys' division without losing a game until he reached the finals where he defeated Martin Waldrop 6-2, 6-2 for the championship, recently in Lubbock. He then teamed with John Lenard to win the boys' 13 and under doubles championship.

Ilene Clayton was defeated in the first round by Ann Chism of Wichita Falls 6-3, 1-6, 6-1. Danny was presented two silver loving cups for his efforts. The tournament was sponsored by Tech.

Mrs. Mae Mercer has returned from Carlsbad, N. M., after staying three weeks with her grand daughter and family, the G. L. Adairs. Mrs. Adair has been ill but is improving. The A. G. Clarks drove to Carlsbad Sunday and after making a tour through the Caverns brought Mrs. Mercer home on Wednesday.

Mrs. Mae Mercer visited in San Angelo with Mrs. Mabel Herron and her grandsons Richard and Jim Mercer.

Recent visitors of Mr. and Mrs. Claude Doyle were her sister, Mrs. R. H. Linholm and family of George West, her niece Mrs. Bruce Withers of Houston, and Mr. and Mrs. Alton Keller of Dallas.

Warm Springs Foundat'n Asks Citizens March

Gonzales, Aug. 14.—An urgent appeal for willing workers from Eldorado to give a single evening of effort to an emergency statewide "Citizens March" for the Gonzales Warm Springs Foundation (now the Texas Rehabilitation Center) is being made by R. I. Payne of Dallas, Foundation president.

Unless financial help is forthcoming in the very near future, the famous Texas rehabilitation center is faced with the probability of having to close its doors.

"We earnestly hope there is a civic, church, women's, Scout, or school group in Eldorado which would like to volunteer for this one evening's 'Citizens' March,'" Payne said. If so, its officers are urged to contact the Foundation's executive director, Walter H. Richter, P. O. Box 58, Gonzales, Texas, as soon as possible.

Sheila Harrison is visiting in the home of the Luke Thompsons in Brady. She will return home Sunday.

A group from Eldorado is attending Bloys Camp, near Fort Davis. Included are Mr. and Mrs. R. J. Page, James, Wilson and Paul Page and their families and Bert Page; also the Jack Jones family.

Ellen Wheeler of San Angelo has been visiting her grandmother Mrs. L. L. Wheeler and friends.

Mrs. Bob Oglesby and sister-in-law, Mrs. Lucille Lovelace, of Brownwood, have been vacationing in Colorado.

Thought For The Week
Ministerial Alliance

"Keep Religion In Its Place"
Keep religion in its place and it will take you straight through life and straight to your Father in heaven when life is over.

Religion out of its place in a human life is the most miserable thing in the world. There is nothing that requires so much to be kept in its place as religion.

And its place is what? Second? Third? "First!" Jesus said, "Seek ye first the Kingdom of God and His righteousness."

First the kingdom of God! Make it so that it will be natural to you to think about that the very first thing.—P. R. Heaner.

SINGING CONVENTION

The Kimble-Menard Co. Singing Convention will meet Sunday, Aug. 17th in the First Methodist church at Menard. Everyone is invited. Starting time is 2:00 p.m., according to Mrs. Jess Slaughter, sec.

NEWPORTS ON TRIP

Mr. and Mrs. L. V. Newport and Jeanie left Monday morning for a vacation trip through the western states. They expect to visit points in California and up through Utah, and will be gone about four weeks.

J. C. Johnson of Odessa spent a few days here last week visiting with his father, J. C. Johnson, Sr.

Mr. and Mrs. Harold Scherz of Sonora have been on a vacation trip to Colorado and they arrived in Eldorado this week for a visit with Mr. and Mrs. L. D. Ochsner. Also visiting in the Ochsner home for the week on his George Ochsner of Midland, who works with Tidewater O.I. Co.

Mr. and Mrs. Bob McElroy of San Angelo were guests in the home of her parents Mr. and Mrs. Ben Biggs. Mr. McElroy was recently released from the hospital after a wasp sting. The sting caused a state of shock which made it necessary for him to be hospitalized.

Mr. and Mrs. W. M. Patterson of Abilene visited in the home of Mr. and Mrs. W. E. Bruton the past week.

Visiting Mr. and Mrs. E. R. Bryant are their grand children Kara Lynn, Cathy and Bob Rogge. They are the children of Mr. and Mrs. R. S. Rogge of Sonora.

Visiting in the home of Mr. and Mrs. E. M. Graham, the past week end was their son Billy and friend Dolores Gardon of San Angelo.

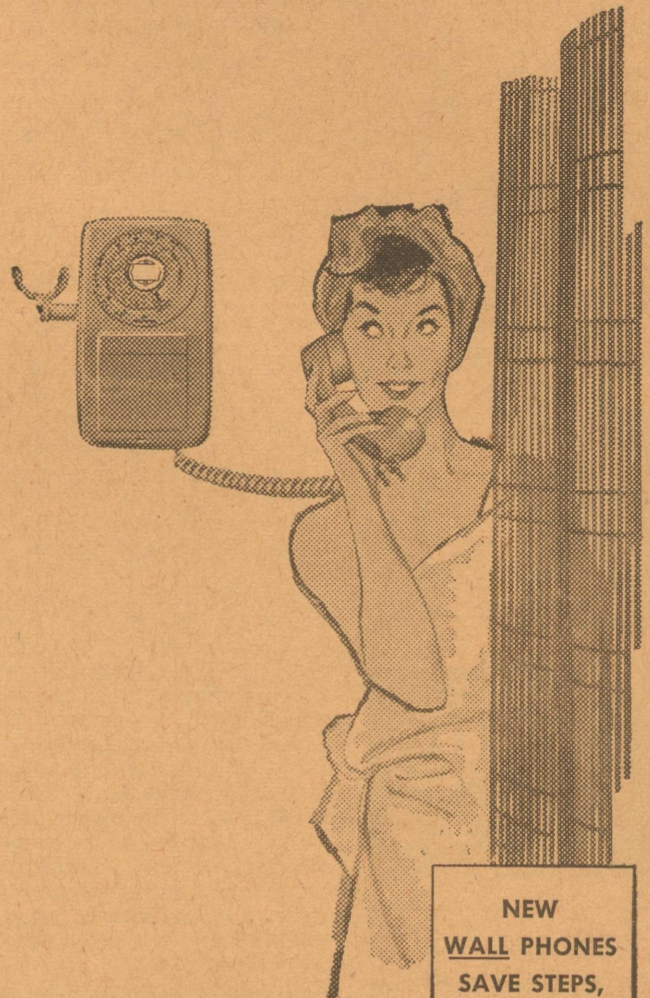

Mrs. J. H. Luedcke is a vacation in Abilene and Sierra Blanca. She is making the trip with her daughter and son-in-law, Mr. and Mrs. T. S. Rorford.

The E. H. Topfiffe family and Mr. and Mrs. Robert Milligan were in Coleman Sunday attending the annual Stewardson family reunion.

Recent visitors in the Byrl Clayton home were Mrs. Clayton's parents, Mr. and Mrs. C. E. Wheeler of Houston and Mr. and Mrs. Elton McPheters and family of Oroville, California. Mr. McPheters is pastor of the Baptist church there.

Mr. and Mrs. Clyde Evans were guests in the home of the Jud Brannans the past week end.

Mr. and Mrs. R. E. Corbell are moving to the Stonecypher (Ebba Finley) house.

Complete Information Is Needed For Licenses

The Texas Department of Public Safety reported recently that it is returning applications and fees for renewal of Texas Driver Licenses at the rate of 1,000 per week, because of information insufficient to identify the applicant.

The wholesale return of DL applications is brought on by the omission of a number of factors that must be included for the proper identification of the person desiring to renew his drivers license. The department reported that it must have the full name of the individual, the person's birth date and current address. The number of the old license is a quick means of identification.

Most of the information needed is already included on the renewal notice that is sent by the department to the motorist prior to the expiration of his license. A space is provided for that license owner to change his address.

H. C. Smith, manager of the DPS License Issuance and Driver Record Section reports that most of the difficulty comes when a person applies for renewal without returning a renewal notice. In this type of renewal application the individual simply writes a letter and includes the fee.

Insufficient information in renewal applications received by the Texas DPS sets up a chain reaction of processes for identification of the individual asking for a new license. But in many instances the search is hopeless.

When a man gives the name of A. B. Smith in his renewal application, file clerks of the Driver License service of the state police organization set to work in an attempt to identify the individual by birth date, address, or other information contained in his permanent file. However, if all identifying information does not correspond, the application must be returned to the individual.

You can imagine the task that awaits a DL clerk who must search through a file that contains more than five million individual records, and more specifically, to look for the name of A. B. Smith in 35 trays with each containing 700 personal record files. There are 36,400 files in the department's massive record system bearing the name of Smith.

In order that it may improve its service of renewing licenses with a minimum delay to motorists, the Texas Department of Public Safety asks that you give complete information.

Texas driver licenses are issued for a two-year period and expire on the date given on the face of the license. The fee for an operator's license is \$2.00, a commercial operator \$3.00 and a chauffeur's \$4.00.

The Texas DPS asks that you check the expiration date of your current license and renew it in time—before you discover you are driving without a valid license. And in making application for renewal, include complete information. Correct, complete information on your renewal will result in a more rapid return of your Texas driver license.

Mr. and Mrs. Joe Hext and son Bryan from LaMarque are visiting Mr. and Mrs. Ben Hext. Another son of Joe's is attending a Texas Association work shop at Alpine, and will arrive here later to visit his grandparents before returning home Sunday.

Gerald Hartgraves, Bobby Sikes and Howard Derrick left Sunday for A&M college where they are taking a beef short course. They plan to return home Sunday 17.

Building Is Now Under Way In Sunset Acres Addition

This summer of 1958 finds building going on in the Sunset Acres building development, with more residences planned in the future by individuals. Construction is under way on Carroll Ratliff's house, and Tom McGill's moved in house is being fitted onto its foundations.

Two other large masonry residences are already in the addition, these belonging to the promoters, Howard Derrick and Paul Page.

It was late in 1954 that Derrick and Page bought the 12-acre tract of land in northwestern Eldorado from John Conner, and announced plans for converting it into a development, with paved streets and utilities.

Two years later, in September of 1956, lots went on sale as the first residence in the addition, Howard Derrick's, neared completion.

The year '57 saw the building of Paul Page's four-bedroom brick home. Sunset Acres has paved streets leading off at right angles to the Mertzon highway. The development lies west of the Finnigan and Glendale additions, and north of

the West addition, of Eldorado.

Restrictions

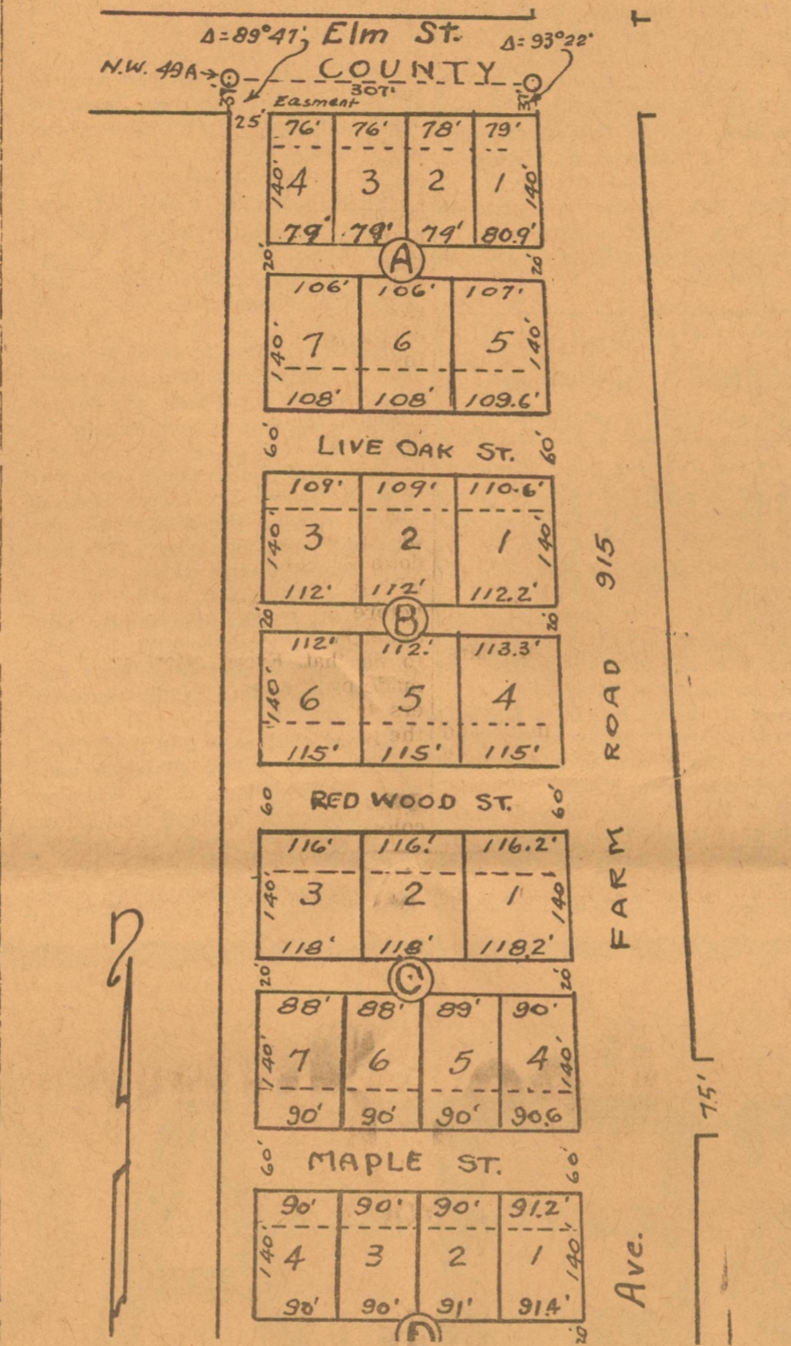

Live Oak and Redwood streets; all homes shall be masonry construction; minimum square area of house proper shall be 1400 sq. ft.; 40-foot setback from property line to home (front); no portion of house closer than 10 feet to property line.

Maple street; all homes shall have a minimum of 10% masonry frontage; minimum sq. area of house proper shall be 1200 sq. ft.; 40-foot setback from property line to home (front); no portion of house closer than 10 feet to property line.

Elm street (North County Road); minimum square area of house proper shall be 1,000 sq. ft.; 40-foot setback from property line to home (front); no portion of house closer than seven feet to property line.

In addition, all streets have designation that no domestic animals are to be allowed, and that no business establishments are to be allowed.

The following is a map of the development:

DRAFT RE-CLASSIFICATIONS

DIVIDEND

Findlay, Ohio.—The Board of Directors of the Ohio Oil Company last week declared a dividend of 40 cents per share payable Sept. 10, 1958, to shareholders of record at the close of business August 8, 1958.

Mr. and Mrs. J. D. Ashmore, their daughter Mrs. B. G. Kennerly and son Pat, of McGregor, Texas, are on a vacation in Colorado this week and visiting J. D. Ashmore Jr., and family. They expect to be gone about ten days, returning by Seymour, Fort Worth and McGregor, visiting other daughters and families, Mrs. John T. Hodges and Mrs. C. A. May. Mrs. Kennerly will return to her home in McGregor.

Recent guests of Mr. and Mrs. Charles Farris were Mr. and Mrs. John Emerck and family and Ben J. Cobb, Jr., of Baytown.

Social Security Law Is Now 23 Years Of Age

August marks the 23rd birthday of the social security law, Floyd B. Ellington, manager of the San Angelo social security district office stated today.

Social security has come a long way since its humble beginning in 1935. At the present time more than 11 1/2 million people are receiving social security benefits. These benefits replace loss in earnings due to old-age death or disability, and provide a valuable contribution to economic stability in many communities.

Here in the area served by this social security district office, 161 beneficiaries received checks early this month amounting to \$6,449. They understand the real importance of social security today.

Ellington concluded by pointing out that just about every American family is now covered by this basic social security insurance protection. If you wish more information, Mr. Ellington asks you to meet with Neil Tarvin the field representative from the San Angelo district office when he makes his regular visit to Eldorado Friday, August 15. He will be in the district courtroom from 1:00 p.m. to 2:30 p.m.

Mrs. J. B. Montgomery was in San Angelo Tuesday, visiting with her sisters Mrs. R. M. Perry who lives in San Angelo and Mrs. A. W. Hedlund of Monahans.

Political Calendar

August 3-19—Absentee voting in Second Democratic Primary.

August 23—Second Democratic Primary.

NINE PROPOSED AMENDMENTS NOW BEING PUBLISHED

Along with other newspapers over the State, the Success is now carrying the full text of the nine Constitutional Amendments to be voted on at the upcoming General Election, Nov. 4. So that you may be fully informed we urge that you read each proposed measure in its entirety, and study all of them carefully before you go to the polls to cast your vote.

A brief digest of the nine different amendments follows:

Number one on the Ballot (HJR 1) — Provides for annual sessions of the legislature, changing the compensation, per diem and travel expenses of members of the legislature and authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol Building.

Number Two on the Ballot (SJR 6) — Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct.

Number Three on the Ballot (HJR 30) — Provides that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election.

Number Four on the Ballot (HJR 31) — Provides that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unserved

more than one (1) year of the term for which he was elected.

Number Five on the Ballot (HJR 48) — Provides that a Home Rule City may provide by Charter Provision, and a City operating under the general laws may provide by majority vote, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, not to exceed four years.

Number Six on the Ballot (HJR 17) — Provides for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas -- and their widows.

Number Seven on the Ballot (SJR 4) — Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas.

Number Eight on the Ballot (HJR 36) — Gives the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance.

Number Nine on the Ballot (SJR 3) — Authorizes the Legislature to create a Hospital District co-extensive with the incorporated limits to the City of Amarillo, Texas, and a county wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas.

Mrs. Taylor's Father's Funeral Held Tuesday

R. E. Johnson, 77, father of Mrs. Clovis Taylor of Eldorado, died Monday in a Santa Anna hospital. A lifetime resident of Rockwood, he had been in poor health about a year. He was a stock farmer and member of the Methodist church and Masonic lodge.

Services were held at 4:00 p.m. Tuesday in Rockwood Methodist church with interment in Rockwood cemetery.

Survivors include his wife; four sons, Robert and Tom Johnson, both of Odessa, Henry E. Johnson of Baytown and L. E. Johnson of Temple; nine daughters, Mrs. Ida Cozart of Whon, Mrs. Elizabeth Straughn of Rockwood, Mrs. Rudy Russell of Ballinger, Mrs. Ada Bell Taylor of Eldorado, Mrs. Alpha Mae Moss of Garland, Mrs. Burt Wood of Hamilton, Mrs. Emily Maness of Brownwood, Mrs. Charlotte Jackman of Dalles and Mrs. Ina Grace Schultz of Cleveland; two brothers, Fox Johnson of Rockwood and Roy Johnson of Christoval; two sisters, Mrs. Kate McVain of Rockwood and Mrs. Blanche Smitherman of Fort Worth; 21 grandchildren and six great-grandchildren.

Those attending services from Eldorado were Mr. and Mrs. Clovis Taylor and children, Mr. and Mrs. Richard Cheatham, Mrs. S. H. Cheatham and Mr. W. L. Taylor.

Stocker-Feeder Calf Sale Is Coming Up Tuesday

A Hereford Stocker-Feeder calf sale will be held in San Angelo, Livestock Auction Company, Tuesday, August 19, 1958.

The sale is sponsored by the Concho Hereford Association. Its purpose is to provide a better market for the better quality Hereford calves, especially for the intermediate and smaller producer. All calves will be sold at auction and sellers will get the full benefit of higher quality.

Steers and heifers will be shown in groups of 10, 20 and carloads of 40 for judging and awards. Producers may show in any group they desire but do not need to show to consign calves in the sale.

The judging will begin at 7 a.m. Tuesday. The sale will begin at 11:00 a.m. August 19.

Although prior entry is not required, entry blanks may be obtained from the Concho Hereford Association, Box 804, San Angelo.

BOWENS BACK FROM TRIP

Mr. and Mrs. Bill Bowen were in Eldorado last week end. They have been on a six-week trip to the western United States and Canada.

They report that they visited 10 United States national parks and five Canadian national parks. They camped part of the time, and went as far north as Edmonton, Alberta, in Canada.

Mr. Bowen reports that he took 2400 feet of movie film. He is speech teacher in the Eldorado high school.

CIRCLE MEETS

Circle No. 1 of the First Baptist church, met in the home of Mrs. Walter Ramsay at 9:00 a.m. Wednesday. The Bible lesson was taught by Mrs. L. M. Hoover.

Scripture reading was by Mrs. J. B. Montgomery, Mrs. J. H. Wagley, Mrs. R. A. Evans, Mrs. E. W. Brooks, and Mrs. Frank Kinsler.

There were nine members and one guest, Mrs. Mattie Cozzens, present.

ATTEND FUNERAL

Mrs. Ray Boyer, Mr. and Mrs. Victor Kent and family, were in Eden last week end visiting Mrs. Albert Stoepler, mother of Mrs. Kent and Mrs. Boyer. They also attended the funeral of Mrs. W. F. Mullens, a long-time friend of the Stoeplers.

ELIZABETH TISDALE ELECTED TO AMERICAN ANGUS ASSN.

Elizabeth R. Tisdale of Eldorado has been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Frank Richards, secretary. This membership was one of the 19 granted to purebred Aberdeen-Angus breeders in Texas during the past month.

Mr. and Mrs. Haskell Hamiter of Abilene were guests in the home of Mr. and Mrs. Albert McGinnis. Mrs. Hamiter is a sister of Mrs. McGinnis. The Hamiter daughters returned home with their parents after a two week's visit here.

LIONS CLUB MEETS

At their meeting yesterday, Eldorado Lions elected George Cales as third vice president to replace Joe Andrews who has moved to Mertzon, and elected Orval Edmiston tail twister, replacing Bob Burkart.

David Kuykendall announced that Lions and their wives were invited to a swimming party the night of Thursday, August 21.

Paul Goodwin introduced Judy Hext, who rendered five piano selections, for the program.

GIRL SCOUT DAY CAMP

Day Camp for the Schleicher County Girl Scouts will be held this year at the Wagley Ranch on the San Angelo highway Monday, August 25 through Friday, August 29. All registered Girl Scouts are eligible to attend. This year a fee of 50c will be charged each girl to help defray the cost. An interesting over all outdoor program has been planned.

Election Set Sept. 4 For ASC Committeemen

Schleicher County ASC committeemen for 1959 will be selected September 4, 1958. The election will be by mail and will follow the same general procedure as for '58.

The County Election Board, namely the county agent, SCS technician, selected the following farmers and ranchers to serve as the community election board: Thomas Richard Jones, Fred Case and John F. Mayo with Thomas Richard Jones acting as chairman.

The community election board in turn selected the following ten farmers or ranchers as candidates for the Schleicher County Community committee:

- Frank Bradley, Jr.
- W. F. Edmiston
- Gerald Hartgraves
- W. V. Lux
- Archie Mittel
- Henry Moore
- R. W. Reynolds
- J. E. Spencer
- L. L. Watson
- John Williams

Anyone wanting to place some other eligible candidate's name on the ballot may do so by submitting the name by petition signed by 10 or more eligible voters to the chairman of the community election board, Mr. Thomas Richard Jones of Eldorado, not later than August 19, 1958.

Ten days before the date set for the return of the ballots by farmers a notice of the election and complete slate of nominees will be posted in the county ASC office, the county courthouse, and the postoffice.

Ballots will be received until 5:00 p.m. Thursday, September 4.

BIRTHDAY PARTY HELD

Mrs. Jack Griffin and Mrs. Floyd Deaton honored daughters Joan and Judy on their 12th birthday with a party August 5th at the Memorial Building.

Cakes were decorated with pastel colors. Ice cream, cake and Cokes were served to about 24 guests.

There was a family reunion at the home of Mrs. H. F. Webb on Sunday, August 10. Those from out of town were Mrs. E. F. Gibson of San Antonio and Mrs. H. L. McDonald of Menard. Mrs. Webb's son, O. C. Webb of Ozona, her brother and family Mr. and Mrs. Mose Bierschwale and son T. J. of Sonora.

Leonard Hight and family of San Angelo, who have been vacationing in Corpus Christi, visited in the home of his brother, Wiley Hight, this week.

Mr. and Mrs. George Cales and Janis were in Waco over the week end. Mrs. Cales' brother, Tom Sparks, has been ill and had surgery on Tuesday, Aug. 12. The operation was reported to be very delicate but successful.

Mary Parker and her guest Brenda Boatler of San Angelo, are attending a ten-day Senior Patrol camp near Barksdale. Senior Girl Scouts from five councils are participating in this primitive camping expedition; the event is the largest single Senior Patrol camp in the state with over 200 attending in preparation for the Senior Girl Scout Round-Up in Colorado in 1959.

First Christian Church

Rev. Jimmy Christinson, pastor of the First Christian Church of San Angelo, will begin a week's revival here the 24th of August. Services will be held in the First Presbyterian Church across from the Municipal building. Services are to begin nightly at 8:00 and everyone is invited to attend.

The First Christian church of Mertzon sponsored a dinner and church meeting last Sunday. Those attending from here were C. L. Martin, Sr., Bernard Carr, Mrs. Charles Young, Mrs. Jo Hodges and son Corky, Mr. and Mrs. Joe West and Debbie and Cathy. Rev. Hubert Chaney accompanied the group over and left after lunch to attend to business in Commerce on Monday morning.

New Control Methods Found For Johnsongrass

College Station.—Johnson grass is an aggressive perennial which infests over five million acres of cropland in Texas. It is difficult to control with normal cultivation methods and is quite a "pain-in-the-neck" to many farmers.

Farmers long have used grazing, mowing, tillage, cultivation, rotary weeding and hoeing for the mass control of Johnson grass. Some have used, but usually have not accepted, pre-emergence chemical treatments, lateral application of chemicals and flaming for this purpose. These methods are effective for reducing stands when they are used persistently.

But the newest, cheapest and most effective method for Johnson grass control is spot-spraying. This practice was introduced by the Texas Agricultural Experiment Station in 1954 and was immediately popular as a supplement to cultural practices, particularly for scattered infestations in cotton.

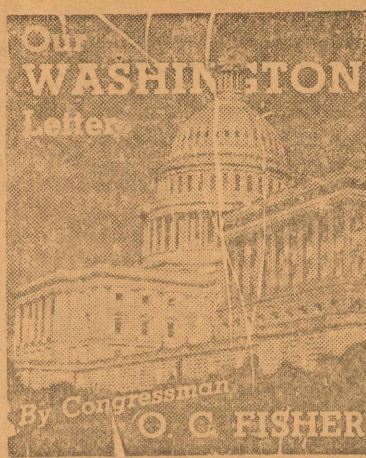

Spot-spraying was used on 89,491 acres of infested cotton land in 133 Texas counties in 1956. Subsequent progress by the Texas Station has increased the efficiency of the practice and extended its use.

The Texas agricultural Experiment Station and Texas Agricultural Extension Service recently released a bulletin entitled "Spot spraying Johnson grass." The author is H. E. Rea, associate professor, Department of Agronomy. This 14-page publication is loaded with information on Johnsongrass as well as spot spraying. It discusses such topics as development of Johnson grass, effect of farming practices, chemicals for spot spraying, spot sprayers and cost of spot spraying.

The bulletin can be very helpful to anyone confronted with Johnson grass. It can be obtained from local county agents or from the Agricultural Information office, College Station, Texas. Ask for Bulletin 902.

Mrs. Essie Nicks of Phoenix, Arizona, is a guest in the home of Mr. and Mrs. J. R. Strickler. She is a sister of Mrs. Strickler. The group plan to visit in Sweetwater this week with Mrs. James Whitaker, a daughter of Mrs. Strickler.

The W. A. Menees family and Jo Lawrence attended a family reunion at Lake Brownwood, the past week end. There were 45 present.

A hike in debt limit featured last week's House actions. If approved by the Senate, this will raise the permanent debt ceiling from \$2.75 billion to \$288 billion and the temporary lid from \$280 billion to \$288 billion by June 30, 1960.

The raise became imperative due to increased spending and reduced income. Otherwise spending for national defense in the months ahead would be drastically reduced, meaning fewer airplanes, fewer missiles, and less preparedness.

A reciprocal trade bill was finally approved and sent to the White House. It extends the present program for four years and gives authority for a 20% cut in tariffs on any imported products. This measure is unusually liberal in the delegation of authority to the State Department to deal with international trade. Already an alarming number of American enterprises are moving abroad where they can enjoy cheaper labor and production costs, and can then send manufactured goods back to the U. S. for sale on our domestic markets. A good many experts think that because of the liberal terms of this extension many other business enterprises will move.

Farm legislation appeared to be dead for this session as a result of refusal of the House to agree to a Senate-passed bill last week. The bill included an extension of the wool program. It appears doubtful that the wool extension will be acted upon in the House before adjournment, although the Senate will probably approve a bill to do that. Every effort is being made by friends of the wool growers to get this done, but fate of the proposed extension is shaky.

MIMEOGRAPH PAPERS: Six colors in stock. —Success Office.

Kenneth Menees and Helen Blair of Artesia, N. M., were guests in the home of his parents Mr. and Mrs. W. A. Menees, over the week end.

Tanya and Randy Yates, age 7 and 6, had a joint birthday party August 4. Twenty-five children were present to enjoy horseback riding and swimming. Refreshments of cake, sandwiches and punch were served. Pop-up toys were favors.

Larue Glascock of Earth, Texas, has returned home after spending two weeks in the Bill Wyatt home. Larue is a cousin of Judy Wyatt's.

Mrs. E. H. Clark of Tulsa, Okla., for the construction of the new 25-unit motel next to Isaac's cafe.

Clark said that concrete work would start this week-end, with some of the forms being in place by today. He and his wife will be owners, builders and operators of the hostelry, as yet unnamed. —The Junction Eagle.

\$2,111 Raised For Fire Department

A total of \$2,111.36 had been raised to put the Sterling City Fire Department in order by Wednesday noon this week. This helps the department fix up two trucks for the fighting of grass fires in the range areas. The city has a hose truck to work in town. —Sterling City News-Record.

Pharmacy Fixtures To Bangs

J. M. Rippetoe is going ahead with his plans to move his drug store to Bangs. He had planned to move the Bronte Pharmacy fixtures and stock to the Brown county town early in June when a fire damaged or destroyed the contents of the building here.

After thoroughly scrubbing the fixtures, Rippetoe moved them and is having them refinished. He will use them in his new location. —The Bronte Enterprise.

C of C Manager

Pete Bishop will become manager of the Alpine Chamber of Commerce on Sept. 1, succeeding D. M. (Nig) Bennett, who has been interim manager for some time.

Bishop was named to the job by the C of C directors Monday night. There were several other applicants, but most could be only a part-time manager, and the board decided that a full-time manager is necessary, according to President Paul Forchheimer. —The Alpine Avalanche.

Hospital Opening Tentatively Set

A clean-up week late this month was designated by the City Council Tuesday night, as it took note of the approach of opening day for Menard Hospital and Retirement Home.

The Council set Aug. 25-30 as clean-up week and designated Wednesday and Saturday of that week as special trash pick-up days.

Opening of the hospital has been set tentatively for Aug. 31, but as that date neared, it appeared doubtful that all would be in readiness by then.

Gov. Price Daniel has been invited to speak, and if he is able to accept, the date of the formal opening will be set to suit his convenience. —Menard News.

News From Our Neighbors

Two Hospital Bldg Contracts Let

A San Angelo contractor, J. D. Burk, was low bidder on a hospital expansion program when Pecos County Commissioners Court last Thursday received bids on proposed additions and renovation of Memorial Hospital in Fort Stockton and General Hospital, Iraan.

Spirited bidding by a total of 16 contractors on various phases of the work marked the hospital letting. —Ft. Stockton Pioneer.

Seismograph Crew Moves To Ozona

Phillips Petroleum Company's Seismograph Party No. 1 is now headquartered in Ozona. Members of the crew have been moving in for the past several weeks and the office was officially transferred here on July 21. The crew is no stranger to Crockett county and Ozona as they have been located in Big Lake for the past four years, and for several months have been driving through Ozona twice a day. The crew's 19 men have, with their families, added a total of 60 people to Ozona's population. —The Ozona Stockman.

Celebrate With Barbecue

A jumbo barbecue for everybody who will come will mark the opening of the El Paso Natural Gas Company's compressor station on the deBerry ranch north of town next Thursday, August 14.

Besides the barbecue supper, which starts at 6:00 p.m., there will be guided tours of the station, which will be in 90% operation by the time of the celebration. —The Sonora Devil's River News.

GOODYEAR TIRES AND TUBES

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

The comparison test of mating progeny tested rams with ewes as compared with untested rams, gave successful results on the Gerald Hartgraves flock of sheep.

The lambs were scored August 1, as to face cover, body conformation, skin folds, weaning weight, and staple length.

Scoring was as follows: Face covering: 1, open; 2, medium open; 3, covered; 4, wool blind. Body conformation: 1, excellent; 2, good; 3, medium; 4, poor. Skin folds: 1, smooth; 2, light wrinkles; 3, medium wrinkles; 4, heavy neck and body wrinkles.

The lambs from the ewes bred by the progeny-tested rams were 7% heavier, 6% longer staple, more open faced, more desirable body conformation and were also smoother.

The test is being carried on by the Range Experiment Station at Sonora, with the co-operation of Mr. Hartgraves under the supervision of Fred Campbell of the Range Experiment Station.

Tested rams were furnished by the Range Experiment Station.

John McGregor and Ferris Nixon left for Junction Monday to attend a week's range school, sponsored by the Extension Service, Range School of A&M College and the American Range Society. John is representing the 4-H club and Ferris Nixon the FFA. John and Ferris were selected on a statewide basis. Each county in the state is allowed to submit entries on two boys to be selected on records by a central committee of the Texas section of the American Range Society. This is the first time for the selection of 2 boys from the same county. It is quite gratifying to realize that there are several 4-H boys with outstanding records in the county.

John and Ferris will be studying range management practices under the outstanding range conservationists in the nation, who give of their time to give the 35 outstanding 4-H and FFA boys the most practical training possible.

Gerald Hartgraves, Bob Sykes and Howard Derrick of the beef cattle committee of the County

program planning committee attended a beef cattle short course at A&M College at College Station on August 11-14.

Evaluation of beef carcasses of cattle slaughtered for producers and 4-H boys entering the carcass contest, recommended practices for improving reproduction in beef cattle, selection breeding cattle, cattle feeding and nutrition, and beef grading, are some of topics to be studied, presented by the best authorities on the subject.

The annual 4-H club registered Rambouillet sheep show will be held Friday, August 29, in the Schleicher County Agricultural Center at 9:00 a. m.

Two classes of registered Rambouillet sheep will be shown: ram lambs and ewe lambs. \$100.00 in premium money will be given in both classes, broken down in each class as follows: 1st \$15.00; 2nd \$12.50; 3rd \$10.00; 4th \$7.50; and 5th \$5.00.

4-H'ers exhibiting will be Joe Stanford, Jimmie O'Harrow, Jimmy Whitten, John McGregor, Charles West, and Ernest K. Nimitz.

The NFLA association spur clip will be given to the boy exhibiting the champion ewe of the show.

Thanks to the merchants and individuals of Eldorado and Schleicher county for your splendid support of the Junior Rodeo sponsored by the Riding Club and 4-H Club. Some 95 junior contestants entered the rodeo events of steer riding, barrel racing (ribbon roping, boot scramble and calf roping.

Close to 1,000 people were present the night of the 8th. Although it was raining Saturday night of the 9th, a good crowd was present and the enthusiasm of the contestants and spectators was terrific. Contestants and spectators remarked that it was the most efficient junior rodeo ever attended in "getting the show on the road, and running the events."

Thanks go to Horace Linthicum, general chairman and arena director, and his efficient committees.

Have your own ideas, but have them ready to change for those which you find better.

Davis Cosden Service

In Those Days

ONE YEAR AGO

Early discovery followed by quick action of the Eldorado Fire department prevented serious fire damage to the First Baptist church building, when a blaze broke out on an upper floor.

Funeral services were held here in Eldorado for Mrs. Fred Gunstead.

The engagements of Miss Retha Nell Lloyd to Robert A. Hasty II, and Miss Janna Sue Walker to Jerry Lyn Pennington, were announced.

The two houses belonging to the school district which were located on the lot designated for the new gym, were sold to janitors Pena and Espinosa for moving off.

FIVE YEARS AGO

Mr. and Mrs. Jack Clark were honored on their 50th Wedding Anniversary.

Grover C. Joiner, 60, proprietor of the Eldorado News Stand for two years, died following a heart attack.

Suzi Linthicum was to represent Eldorado in the "Miss Wool" contest in San Angelo.

Charles Ratliff of Ozona was married to Mabel Woodward.

Mrs. Christina Mittel observed her 80th birthday in Sonora.

Visiting in the home of Mr. and Mrs. W. C. Parks was Mrs. Parks' brothers Bill Turner of Whitney and Mr. and Mrs. Gene Turner of Arlington.

12 YEARS AGO

The annual Co-Op meeting was coming up, and was to include the business meeting in the courtroom with reports by Manager Don McCormick and Treasurer T. W. Johnson. Nominating committee consisted of Jack Ratliff, L. Moore and Chester Kenley. The barbecue was to be followed by the electrical show in the McWhorter building on South Main street.

Service men discharged included Norris Lee Taylor, W. A. Pointer, and Luke Thompson, Jr.

Mrs. Nannie Sellman observed her 81st birthday.

W. T. (Pete) Parker purchased a 195-acre farm from M. B. Holland in the Bailey Ranch community.

35 YEARS AGO

Under the editorship of A. T. Wright, two stories from farther away were played up in the Success issue of 35 years ago. One told of the burial of President Harding at Marion, Ohio. The other told of Lubbock being selected as the site for the technological college.

Newsome, Hines & Galbreath sold 320 acres of unimproved land for A. P. Bailey on his ranch 6 miles west of Eldorado to Ben H. Noland, at \$17.50 per acre.

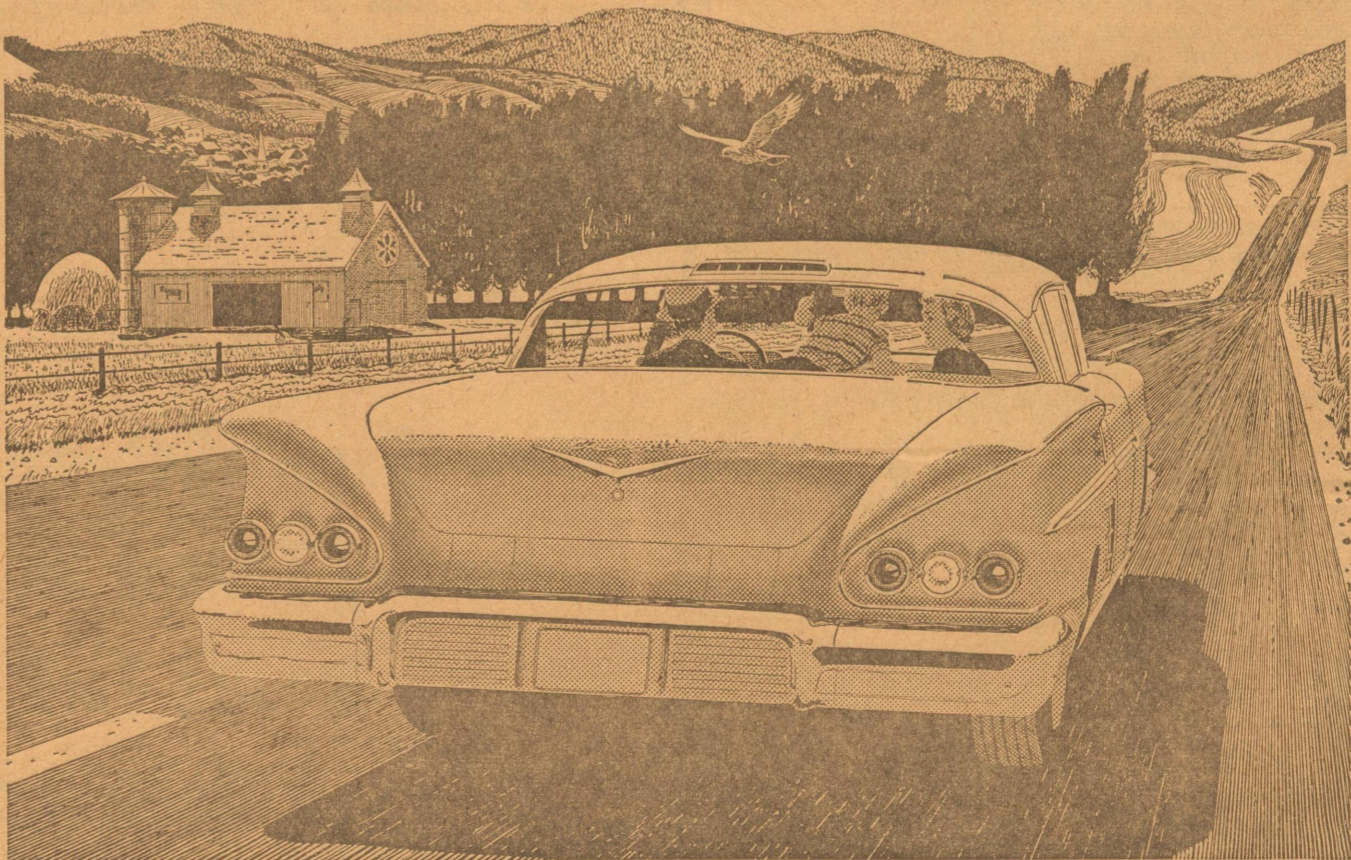

Dr. Patton reports that a daughter arrived at the home of Mr. and Mrs. John H. Rodgers, on August 3. Miss Louise Branch, who has been visiting friends and relatives at Sherwood and Alpine, returned Sunday.

The Good Neighbor Home Demonstration club had a yard party recently with twenty-two attending. The party was at the home of Mr. and Mrs. W. C. Parks, Jr.

The hot sun has really been taking what moisture there was left in the soil during the past few weeks. Checking soil temperatures recently, Bill Rountree, work unit conservationist assisting the district, found that under a sparse cover of grass the temperature was 103 degrees as compared to 119 degrees on bare ground. All the more reason we should operate to keep a good cover of grass on the range at all times.

Ross McAngus, in carrying out his soil, water and plant conservation plan, has just recently plowed under a crop of guar on his acreage reserve land for soil building purposes. Ross received assistance from the local ASC office in the purchase of guar seed for doing this work.

Gerald Hartgraves, operating the V. G. Tisdale ranch 5 miles east of Eldorado, has begun a deferred rotation grazing program on the

ranch. The WUC recently drove over the pastures with Gerald and saw such grasses as side oats, blue stems, and vine mesquite seeding out and gaining in vigor.

Bill Blaylock, co-operating with the district, has just recently completed construction of approximately 3 miles level closed-end terraces on his place 23 miles west of Eldorado. A. B. Thomerson built the terraces with a bulldozer by moving the dirt from the lower side. Bill developed his conservation plan several years ago with the assistance of soil conservation service personnel. ASC shared the cost of building the terraces.

By checking some range land in the past few weeks, it was found that a lot of that green and good looking pasture land we have been seeing is not nearly as good as it would appear from the distance. By looking over your pasture you might find that instead of buying

or keeping those stock, it would be better to sell. This would give the grass that is coming out a chance to grow. A deferred or well managed pasture will be beneficial next winter. We saw what happened during the drought so let's keep a good cover of grass on our range land.

This is the time of year when most fields in this district are beginning to be harvested. So now is a very good time to check all terraces and diversions for repairs or to build new ones. Since the rains of last spring, there should be a lot more thought about taking better care of the farm and ranch land. A thought for us to think about is that the land we let wash away will never be replaced in our generation.

Sideoats Grama

Sideoats grama is a native, warm season, perennial, midgrass with short scaly under ground stems. Growth generally begins in April and the seed stalks which appear from July to September are from 18 to 36 inches in height. The small oat-like seeds hang down uniformly on one side of the seed stem as indicated by the name "sideoats." Leaf blades are flat with hairs and bumps along the edges.

Sideoats is the most widely distributed of the grama grasses and is found throughout the United States east of the Rocky Mountains. It grows on well drained uplands, shallow ridges, and rocky areas. It may be found on soils ranging from deep to very shallow.

This grass produces high quality nutritious, green forage that is readily eaten by all classes of livestock. Sideoats will gradually decrease if continually grazed closer than 2 to 3 inches during the growing season.

Sideoats is a good seed producer which can be harvested with a grain combine. This combined seed has been successfully planted in pure stands and mixtures on thousands of acres of formerly cultivated land. Sideoats responds to nitrogen fertilizer for seed and forage production.

- Suggested Conservation Work**
1. Build terraces on fields where needed.
 2. Maintain old run down terraces.
 3. Leave residues on or near the surface for soil and water conservation.
 4. Decide what pasture to defer this fall.
 5. Develop plan with the District on your farm or ranch.

Summer Band Rehearsal Schedule Announced

J. L. Steed, the new band director for Eldorado high school announces that registration of band students will be held on Monday, August 18th, and sets the following hours for the different groups:

- Seniors register from 8:30 to 9:00
- Juniors register from 9:00 to 9:30
- Sophomores -- from 9:30 to 10:00
- Freshmen ---- from 10:00 to 10:30
- 8th grade ---- from 10:30 to 11:00
- 7th grade ---- from 11:00 to 11:30

The director gives this additional word:

Do not come before your assigned time, please.

Bring your instruments so I can check them over.

7th graders are welcome this year.

Regular band rehearsals will start Tuesday morning at 8:30 and will continue until school starts.

The Arnie Westbrook family visited with relatives in Pixley, Calif., the last two weeks and report a good trip. While there they went to San Francisco, sight seeing, motored down the coast and visited with friends. They also went by the Petrified Forest, Painted Desert, and Hoover Dam.

Mrs. L. B. Burk has returned home from the Sonora hospital.

REFRIGERATOR-FREEZER

that needs

NO DEFROSTING

MADE BY

FRIGIDAIRE

FROST-PROOF FOOD KEEPING - WHERE YOU NEVER DEFROST AGAIN

In the Flowing - Cold Refrigerator... In the Frost-Proof Freezer...

Flowing Cold means super-fast, more uniform chilling for all your fresh foods no matter where you store them — in the refrigerator section or on the door — regardless of outside temperatures.

And Flowing Cold means no more frost! Here's how it works:

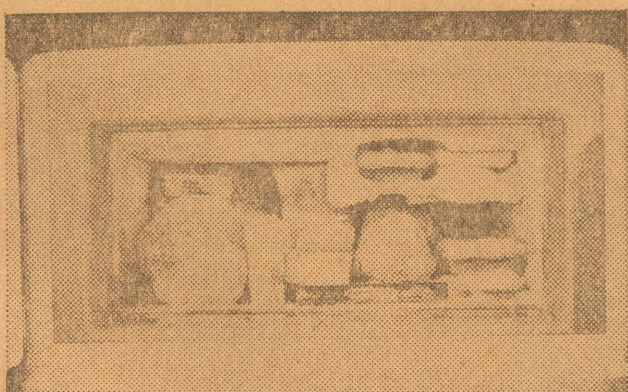

Fresh warm air enters the refrigerator section every time you open the door — and is drawn by a fan up and over the hidden Refrig-o-Plate that cools it and removes the excess moisture after which it comes back in at the top as Flowing Cold.

Best of all, the moisture removed is evaporated automatically — there's nothing you have to do!

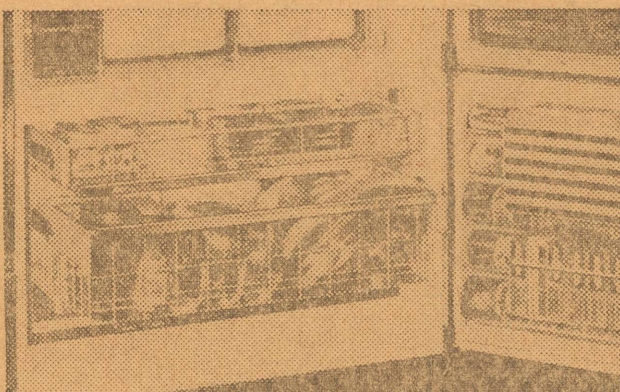

Completely new and revolutionary — completely different from so-called "automatic" defrosting systems. Frigidaire patented Frost-Proof Freezing actually whisks away heat and moisture before frost can form!

Frost-Proof Cold enters at the top, rear, cooling and removing moisture from the entire freezer. Then this warmer, moist air is drawn out of the freezer across sub-zero freezing plate underneath and completely separate from the freezer, where the air is re-chilled, changing warm air into dry, sub-zero Frost-Proof Cold!

And the moisture, of course, evaporates automatically. Frost never accumulates on freezer walls or on food. No more chipping, scraping at a stubborn ice crust. No more melting frost, no more pans to spill!

FROSTED-UP! Ordinary freezer chest after 30 days. Everything has liberal coating of frost! Some types demand do-it-yourself defrosting. Others apply electric heat to freezer to melt frost. Sometimes frost water drips down on food — refreezes on packages. Foods may thaw, then refreeze — lose flavor and vitamins!

FROST-PROOF! Frigidaire Frost-Proof Freezer after months or even years! Not a whisker of frost in sight! The secret is a new kind of circulating cold — dry, sub-zero cold — that's hungry for heat and thirsty for moisture. Carries away warm air and moisture before frost can form! Freezes foods faster — keeps them frozen.
