Merchants Offer Guest Tickets For Big Circus

Through special arrangements
made between the Ochiltree County
Herald and the management of the
Seal Bros. Circus which is coming
to Perryton next Monday, September
16, local merchants and business
firms are in position to offer free
guest tickets to their customers
which will entitle the holder to one-
half price admission.

Instead of paying the regular
twenty-five cents admission for
children and fifty cents for adults,
the people of this section may at-
tend the circus with one of the free
merchants' guest tickets for the low
admission of fifteen cents for chil-
dren and twenty-five cents for ad-
ults. This low rate is extended to
those people holding merchants' re-
quest tickets, all others being re-
quired to pay the regular prices.

Over fifty local business insti-
tutions are prepared to offer their
customers these free tickets, a com-
plete list to be found on another
page of this issue of the Herald.
These merchants will give these
tickets away absolutely free to any-
one requesting them, so come to
town early, get your tickets while
you are trading at these stores and

then attend the circus and enjoy
the afternoon and evening.

The merchants especially urge you
to get all the tickets you need for
yourself and family as early as pos-
sible. The supply of tickets is un-
limited but it is possible that with
a last minute rush, some of the
firms may run out of tickets and
not have time to get more before
the circus starts.

Seal Bros. circus comes to Perry-
ton well recommended as having
a very pleasing and entertaining
performance, one of the outstand-
ing features is the mammoth free
menagerie where wild animals cal-
lected from all over the world are
on exhibition. The circus will ar-
rive in Perryton, Sunday, from Lib-
eral, Kans., and will exhibit after-
noon and night, Monday, September
16. Guest tickets are good for both
performances. They show at Bor-
ger and Pampa after the local en-
gagement.

A liberal number of free seats
will be available to circus visitors
while those wishing choice reserved
seats can obtain them for twenty-
five cents extra. The guest tickets
are good only for general admission
to the menagerie and circus.

CAR CRASH IS FATAL TO BOY

TWO CARS HIT HEADON NEAR
NOTLA SATURDAY EVEN-
ING; OTHERS ARE
INJURED

Muriel Bridwell, 18, Canadian, died
instantly in a headon collision of
two automobiles near Notla in the
south part of the county at about
9:00 o'clock Saturday evening. Three
other occupants were rushed to hos-
pitals for treatment of injuries not
considered serious while six escaped
with only very minor injuries.
The Canadian youth is a nephew
of Mrs. L. F. Guffey and Mrs. Geo.
Jackson of the Wolf Creek commu-
nity. He was killed instantly when
he was thrown from the rumble
seat of the car he was riding in, his
skull being crushed by a blow on
the forehead, when he was found
sixty feet from the wreckage in a
ditch.

"Shorty" Owens, owner and driver
of the car and Raymond Bridwell,
brother of the crash victim, were
taken to a Canadian hospital, suf-
fering from cuts and shock. Ernest
Harison, a fourth member of the
party, escaped injury.
Mrs. Guy Flinn, Bartlettville, Okla.,
was the only one seriously injured
in the other machine, receiving
severe cuts and bruises and a dislo-

SUNDAY RAIN IS ALMOST THREE-QUARTERS OF INCH

The rain which fell over most
of this territory Saturday night
and Sunday totaled .67 of an inch
here in Perryton according to the
official gauge maintained by At-
torney Jack R. Allen. However the
heavy downpours continue to be
localized. In parts of the Perry-
ton trade area, as much as 10
inches of rain has fallen in the last
months, while other parts
have had only light showers. In
many sections the ground is
ideal for the planting of wheat
and thousands of acres are al-
ready planted, much of it being
up.

School of Expression

Mrs. Frank Boyle Has Studio At
School Again This Year;
Group Classes

Mrs. Frank Boyle, teacher of ex-
pression in the Perryton schools an-
nounces the opening of her studio
at the school for the enrollment of
pupils. An innovation in this city
teaching of expression in this city
is being made by Mrs. Boyle. She
will accept pupils for group classes,
45 minute periods, at a very low
rate. Mrs. Boyle is also establish-
ing classes for children of pre-
school age. Her studio at the
school is open in the mornings only.

TO PLAY HOME GRID GAMES ON LIGHTED FIELD

Thirty - Two Big Lamps

Over A Thousand Dollars To Be
Spent On Ranger Field Improve-
ment This Year

Night football will be introduced
into Perryton this fall with the
Rangers playing their home sched-
ule on a brilliantly illuminated field.
Equipment for lighting Ranger field
was ordered this week and is ex-
pected to be here ready for installa-
tion within ten days.

The installation will consist of
eighty six foot poles, four on each
side of the playing field. A brace-
et of four lamps will be placed on
each pole, each lamp having 1,500
watt capacity, a total of 6,000 watts
to the unit. The total for the
field will be forty-eight kilowatts
or 48,000 watts.

The cost of lighting the field will
be well worth over a thousand dol-
lars according to estimates, all of
this to be paid out of the school
activity fund. None of the cost
will be paid out of the regular
school budget, but instead the other
sources such as revenue from ath-
letics, dramatic productions and the
like will be used in making this im-
provement.

The first home game will be play-

TOTAL OF 719 ENROLLED HERE

MANY MORE EXPECTED SOON
WHEN FALL WORK LETS UP;
POST GRADS ENTER
NEXT WEEK

During the first three days of
enrollment in the Perryton schools,
a total of 719 pupils registered ac-
cording to figures announced by
Supt. W. B. Irvin on Thursday noon.
Many others are expected next week,
the fall farm work keeping a good
many boys from attending.
While these figures are slightly
under the total for last year when
745 pupils were enrolled during the
same period, it is thought that
late enrollments will bring the total
up to and possibly over the 1934
registration.

No post graduates have been per-
mitted to enroll this year which ac-
counts for part of the decrease. Such
pupils will be accepted Friday and
all next week.

Of this total figure, 210 are classi-

House Of David Team To Play Here Tuesday

W. R. Cayler, manager of the Per-
ryton baseball club, succeeded Wed-
nesday in scheduling a game be-
tween the local team and the House
of David players. The two teams
will meet on Ranger Field at 3:30
p. m., Tuesday, September 17.

Many people of this community
availed themselves of the opportu-
nity to see this wonderful club in ac-
tion when they defeated the locals
on September 21 of last year. The
score of that game was 16-4 in favor
of the bewhiskered boys. The game
drew the largest crowd of the sea-
son and the attendance should be
even larger this year.

Frank "Sandy" Clift, a former
member of the Perryton team, is
now playing his second season with
the House of David players. "Doc"
Tally, manager of the club, has been
a member of the Israelite House of
David at Benton Harbor, Michi-
gan since 1914, and has been a play-
er on the team since it was organ-
ized.

John Tucker, first baseman, joined

the colony when a lad in 1915.

He has been a regular player since

Plan Red Cross Drive

National Representative Here Mon-
day Working With Local
Chapter

The annual Red cross Roll Call
membership campaign which will be
held on November 11 to 28 was the
subject of discussion at the local
chapter executive board meeting
held at the Plainview Hardware &
Furniture company on Monday af-
ternoon of this week. Paul Partridge,
St. Louis, Mo., national Roll Call
representative was present for the
meeting.

Preliminary plans for conducting
the local drive were laid at the
meeting, the need for a good strong
membership in the local chapter
seen from the many demands that
will be made on the organization
this winter when FERA relief is
stopped and employables transferred
to WPA. All unemployables will
be placed on local charity and this
demand will be heavy.

C. W. Claybaugh will serve the
chapter as Roll Call chairman and
in the near future will announce
the complete committee which will
be composed of about thirty volun-
teer workers.

Miss Myrtle Conley was named
secretary of the chapter at the
board meeting to fill the unexpec-
ted term of Mrs. Tandy who has
moved to Wichita, Kans.

Mr. and Mrs. H. H. Balzer and
Joan, Kenneth and Lyndon return-
ed Friday from a two weeks visit
with Mrs. Balzer's mother, Mrs. J.
C. Stanley, Rollinsville, Colo.

ONE HALF OF STATE TAXES BE REMITTED

Elections Will Be Held In Every
Voting Precinct In County
To Create District

Everyone Should Vote Sat.

Commissioners' Court Would Be
Governing Body of District
If Election Carries

Voters of Ochiltree county will go
to the polls next Saturday, Septem-
ber 14, to decide whether or not the
entire county shall be created into
a Wind Erosion Control District.
This is a very important question
and one that should carry over-
whelming. The regular polling
places in each of the 14 voting pre-
cincts of the county will be open for
the election.

Many questions have been asked
as to the need of such a district.
In the first place, if such a district
is carried by the voters, then one-
half of the state taxes for the years
1935 and 1936 will be remitted to the
district. This will amount to ap-
proximately \$8,000 yearly. The part
of the state taxes remitted does not
include the portion set aside for
schools and Confederate pensions.

The funds remitted to the county
may be used by the Commissioners'
Court for road repairs where dam-
age is caused by wind erosion and
there are plenty of roads where the
bar pits are filled with blow dirt
and many miles are covered with
sand and dirt that has blown from
adjoining fields. The county is
badly in need of these funds and the
road and bridge levy has been re-
duced to 5c and the income from the
sale of car licenses is greatly de-
creased on account of economic
conditions.

The Commissioners' Court will be
the governing body of such propo-
sed district, and they will be empow-
ered to enter upon any lands in the
district that are causing damage to
adjoining lands and treat same for
the purpose of stopping the blow-
ing. The expense of treating such
lands will not be paid by the dis-
trict but will stand as a first lien
against such lands.

How often during the last few
years have we heard the complaint
of many farmers that their land was

CORN-HOG PAY- MENT AT ONCE

CHECKS AMOUNTING TO AL-
MOST FIVE THOUSAND DOL-
LARS TO BE DISTRIB-
UTED TO PRODUCERS

Checks totaling \$4,665.00 will be
received within the next few days
by the Ochiltree County Corn-Hog
Production Control Association for
distribution to Ochiltree county co-
operators in the reduction pro-
gram. This distribution sheets on
these payments were received yester-
day and the checks are expected
at once.

The first consignment of wheat
allotment checks are sure to be here
within the next few days, so offi-
cials of the county allotment com-
mittee think. Adjoining counties,
both in Oklahoma and Texas, are
receiving their checks, so it is
thought that it will be just a short
time until the Ochiltree county pay-
ments start.

New Hope Home Demonstration Club Wins First Place In Annual County Club Fair; Ochiltree 4-H Girls Take First

Hundreds of people thronged the
Perryton Canning Kitchen building
Saturday viewing the wonderful ex-
hibits of the Women's Home Dem-
onstration and Girls 4-H Clubs of
Ochiltree county in their annual
county fair competition.

The New Hope club was awarded
first place in the fair on total
points. The Blodgett club finished
second with the Missouri Avenue
club in third place.

In the girls 4-H Club division, first
place honors went to the "Busy Bee"
club from the Ochiltree community.
The "Clover Leaf" girls from Twich-
ell were second with the McMillen
Fairies in third place.

The exhibition of canned fruits
an vegetables, fresh vegetables,
sewing, and other domestic arts was
truly wonderful and especially when
one takes into consideration the ad-
verse conditions under which house-
wives have labored this year in the
care of their gardens. It shows
what some people can accomplish

in the face of apparently over-
whelming odds.

We cannot refrain from paying a
tribute to those fine women and
girls who contributed to the exhibits
displayed. They are truly home-
makers and in times of crop fail-
ures, they are carrying on a "live at
home program" by keeping the pan-
try shelves filled with good whole-
some food, raised and canned at
home.

Small cash prizes were given
through the generosity of the Per-
ryton Chamber of Commerce and
the Commissioners' Court. Pro-
ducts placing will be displayed at
the Amarillo Tri-State Fair. Win-
ners were as follows: Women's De-
partment

WOLF! WOLF! WOLF!

The puzzle is—just how long can even one of the largest magazines in the United States work hoax after hoax on the general public and still retain any belief in its reliability.

When caught up with such untruthful and highly miscolored, and we presume, bought published articles as the following describes, how can anyone place any confidence in any statement they may make.

Yes, they tell about a poor farm woman in Missouri who while trying to eke out a meagre existence from her farming operations, became so heart-broken and annoyed by the continuous "snoopers" of the AAA that she turned from being a faithful, reliable and continuous old time Democrat, yes she turned even to the extent of sitting down to her kitchen table and with a school tablet on her knee, wrote far into a cold bitter March night in unburdening herself of all the dire evil things that Franklin D. Roosevelt had brought upon her.

Yes, this poor and bedraggled farm woman, although just a novice at writing, unburdened herself of her grief, and to whom? From her kitchen table somehow her great sorrow reached Mr. Arthur M. Hyde, Mr. Hoover's Secretary of Agriculture, and this masterpiece by this common farm woman somehow found its way to the Saturday Evening Post and was published under the title "Where Do We Go From Here?"

Then the egg hatched, but seemingly it shouldn't have as there was something quite close and akin to rottenness within its confines.

It seems that this seemingly very staunch Democratic woman came by her fallacy of being a Democrat naturally enough as her father was a Democrat, but wait, her husband has always been a Republican, and wait again, she openly supported Hoover in 1928. Yes she was a real old time staunch Democrat, this Mrs. Simmons was, because in her county in Missouri last fall she made stand-pat speeches clear up to Malta Bend just before the polls closed and made them under the auspices of the Saline County Republican Committee.

Yes, staff writers from eastern magazines uncovered a few things.

They also found that the Simmons' 174-acre farm is devoted to the raising and sale of chickens and its so labeled with a sign. The house is a comfortable two-story structure, with electrical equipment of every kind, baby grand piano, modern plumbing, radio of course and two-car garage.

Although the average farm woman may have these too, they found other things which set her apart. Opening out from the living room is a study. Here are typewriters, desks, bookcases, filing cabinets and piles of copy paper. Here since 1922—13 years—Mrs. Simmons has been something other than a farm woman. She has been what is called a newspaper columnist.

That six times a week for 13 years

she has written a poultry column of 1,000 words. This column is published simultaneously by the Chicago Daily Drovers' Journal; the Omaha Daily Journal-Stockman, the Kansas City Daily Drovers' Telegram and the St. Louis Daily Live Stock Reporter.

As a political messiah, Mrs. Simmons' role as a simple and extremely modest farm woman demands that she gloss over her career as a newspaper columnist, just as her role as a thorough-going Democrat requires that she make no allusions to the campaign of 1928.

It really was too bad how in her humble abode with school pad on her knee she let her typewriters set idle and did not use this copy paper that such publications demand before acceptance, just because her duty was so plain and she could not shirk it, despite the pain it gave her to cast aside the tenets of Democracy which had been so dear to her all of her life before this horrible dictator President Roosevelt just made things so rotten she could no longer stand it.

Of course making speeches for the GOP some years before she decided to do all of this unburdening stunt might seem a little peculiar to some staunch old Democrat, but not to the Saturday Evening Post and somehow it also seems that there was something about Mr. Hyde's sponsorship of Mrs. Simmons at the "Grass Roots" convention and then by the way, do chickens eat corn? Yes, during Mr. Hyde's mistake under the Hoover blunder she could buy corn for 20 cents a bushel while now this tyrant Roosevelt is letting, allowing and even stooping so low as to help farmers to get 80 cents a bushel for this corn that even Missouri chickens eat. Yes things are awful! Something awful!

And again—How Long Will The Public Swallow Such Bunk even if put out by such a large magazine and how long can it continue in this line and hold any prestige it may have?—R. W. Miller in Dumas News.

Editor John L. McCarty and his able staff of the Dalhart Texan are to be complimented for the 92 page "Development" edition that they issued on August 30. The issue played up the development of the Dalhart country giving special emphasis to the work now in progress by the Federal Soil Conservation Service. Much informative data as the great value of terracing, contour listing and strip cropping for the preventative of erosion of soil by wind and conservation of moisture was published. It was a splendid paper and John and his co-workers, with the co-operation of the business firms of Dalhart in the purchase of advertising space, can justly be proud of their accomplishment.

Roy Sanford left Friday for Norman, Okla., to enter O. U. for his second year. His brother, Herbert, left the first of the week for his second year at the Oklahoma City University.

CCC Camp News

By W. H. Phillips,
Company Clerk

Our Company Doctor, Lt. Oscar Schofield, saw his first jack rabbit upon arriving in Perryton. Lt. Schofield is from New York. He went hunting and began looking for one big enough to ride, being told that jackrabbits grew as big as horses out here on the plains. He ran across one that was dark complexioned and had a stripe down his back. Lt. Schofield says that if all jack rabbits are like that he is going to put his gun up until qualification season.

The camp is beginning to look different altogether now. The side walks are nearing completion and all of the fire buckets have been painted. Our painter, Maurice Holland, has the buckets looking altogether different from the August complexion.

Our Mess Sergeant, P. McClen-don, is all smiles now. The mammoth refrigerator for the mess hall has arrived. He says the refrigerator should save lots of food for the boys.

The camp orchestra was organized Tuesday night. We are very fortunate in having some men who have broadcast over several radio stations. Some of our men are also experienced in playing with orchestras before coming to the camp.

Some of the new arrivals from down south way heard that on a clear day the people in Perryton waved to the people in Liberal. These boys have been waiting for that day and some of them believe that somebody was spoofing them.

The members of this camp wish to take the opportunity to thank the good people of Perryton and the members of the Herald staff for the splendid cooperation given, and we hope that in the near future we can return the favor.

USE OF CHINESE BILLS CAUSES COMPLICATIONS

The Federal Bureau of Engraving, the Federal Banking Commission, and other official sources had to be called to the aid of the cinema recently to provide a "prop" for a picture.

It all happened when a Chinese banknote, face value of five dollars, was needed. It was supposed to be on a certain bank in a certain province, and bear an official Chinese symbol. It was to be used in Metro-Goldwyn-Mayer's production, "China Seas," which opens Sunday at the Ellis Theatre, with Clark Gable, Jean Harlow and Wallace Beery as the stars.

Because it's as illegal to counterfeit foreign money in the United States as it is to counterfeit American currency, the work had to be done by the Bureau of Engraving. First a certificate from the studio was necessary, setting forth that the note was for motion picture purposes only. Then the plates were applied for, and were inspected by the Federal Banking Commission. Enough identifying marks had to be used to make it impossible of passage as real money and still have it look as nearly like the real thing as possible for the camera.

All because it's illegal to photograph real money!

Will Rogers Reveals True Self In Letter To His Dead Friend

A typical word picture of Will Rogers that figuratively shines with his personality, has been received by C. E. Woods, cashier of the Perryton National Bank, from a friend in Mississippi.

Entitled "Rogers' Letter to a Dead Friend," additionally touching because of the beloved humorist's recent death in a plane accident in Alaska, when his friend, Wiley Post, world famous flyer, also lost his life, the message is as follows:

Rogers' Letter To Dead Friend
One of the cherished memories retained by those who listened to the Rev. Dr. J. Whitcomb Brougner's eulogy of Will Rogers was his reading of Rogers' foreword to the volume, "Trails Plowed Under," from the pen of his old friend, Charlie Russell, Montana cowboy and artist.

Russell had asked Rogers to write something, Rogers put it off and Russell died before his book was published. So Rogers wrote his message in the form of a letter—a document flavored with faith and hope, wistfully gay, and touched with sublimity—a true expression of his own personality. Here it is:

"There ain't much news here to tell you. You know the Big Boss sent a hand over and got you so quick, Charlie. But I guess He needed a good man, pretty bad. I hear they been workin' short-handed over there pretty much all the time. I guess it's hard for Him to get hold of good men.

"They're just scarce everywhere. . . . I bet you haven't been up three three days until you had cut your old pencil and was drawing something funny about some of the old punchers.

"I bet you, Mark Twain and Bill Nye and Whitcomb Riley and a whole bunch of these old joshers was jest waiting for you to pop in with all the latest ones.

"What kind of a bird is Washington and Jefferson? I bet they are regular fellers when you meet 'em, ain't they? Most big men are. I would like to see the bunch that is gathered around you the first time you tell the one about putting the limburger cheese in the old nestor's whiskers.

"Don't tell that, Charlie, until you get Lincoln around you. He would love that one. I bet you and him kinda throw in together when you get well acquainted.

"When I get to thinkin' about all them top hands up there, if I could just hold a horse-wrangling job with 'em, I wouldn't mind following that wagon myself. . . .

"You'll run onto my old Dad up there, Charlie, for he was a real cowhand. And I bet he is running a wagon. And you will pop into some well-kept ranchhouse over under some cool, shady trees and you'll be asked to have dinner and it'll be the best one you ever had in your life.

"Well, when you are thanking the women folks you jest tell the sweet-looking little old lady that you knew her boy back on an outfit you usta rep for and tell the daughters that you know their brother and if you

Welding

... the best way to make a perfect union of two pieces of metal is by welding them together.

... and the best way to get a more pleasing flavor and a better taste in a cigarette is by welding together the different types of tobacco ...

That is just what we do in making CHESTERFIELD Cigarettes—the three types of mild ripe home-grown tobaccos, that is tobaccos grown in this country, are welded together. Then they are welded with aromatic Turkish.

When these tobaccos are welded

together you get a combination which is entirely different from one type of tobacco.

It is this welding of the amounts of the right kind of tobaccos that makes CHESTERFIELD a better-tasting cigarette.

The CIRCUS COMES TOWN

MONDAY, SEPT. 16th

SEAL BROS. BIG 3-RING WILD ANIMAL CIRCUS

**You And Your Family Can Attend At One-Half
Regular Admission Price!**

Through the cooperation of the Ochiltree County Herald and the merchants and business places of Perryton, special arrangements have been made with the Seal Bros. Circus whereby every man, woman and child in this trade territory may attend the circus at half price.

Every Perryton business firm listed on this page has a quantity of guest tickets and upon request they will give you with their compliments, enough tickets for you and your family. These guest tickets are good for 25c on adult tickets and 10c on child tickets. Instead of paying the regular 50c adult admission, any man or woman will be admitted to the circus upon presenting his or her guest ticket and paying 25c. In the case of children the regular admission is 25c but with a guest ticket, the child is admitted for only 15c.

There are no strings attached to this offer. Your merchants will be pleased to give you any number of tickets you may desire, without any cost to you. It is merely a courtesy they are extending to the public.

They do request however, that you come in early and get your tickets. Don't wait until the last minute for the supply of tickets may be exhausted and if you go to the circus ticket wagon without a guest ticket, the regular admission price of 25c and 50c will be charged.

Married At Home

Miss Claudia Zirkle became the bride of Mr. Rufus Bolerjack in a beautiful ceremony, read by Rev. W. B. Vaughn, Methodist Pastor, in the home of the bride's parents, Mr. and Mrs. Clarence Zirkle, on Sunday morning, September 8, at 8:00 o'clock.

The bride was becomingly gowned in a dress of dusty pink crepe with white accessories. She is a graduate of the Perryton high school and attended Texas Tech one year. For the past two years she has been employed as stenographer for the Ochiltree National Farm Loan Association. During her school days and since she has been especially interested in dramatics, spending a great deal of her time in church activities and making many friends by her happy disposition and willingness to be of help to others.

The groom is a son of Mr. and Mrs. E. J. Bolerjack, Perryton, and came here from Willow Springs, Mo., six years ago. For the past five years he has been employed as grocery clerk for the Bryan & Son store, where his chummy disposition and many sterling characteristics have made him a valued employee.

A wedding breakfast was held after the ceremony for the immediate relatives and a few intimate friends who were present for the vows. The newly weds left about nine o'clock for a honeymoon trip to various points in Missouri. After which they will be at home to their friends in the Browning house, 710 Southwest Seventh Avenue.

Going Away Party

A group of friends gathered in the home of John Pletcher Tuesday evening, September 10, for a surprise farewell party in honor of Billie Pletcher, who is leaving for Abilene to attend Simmons college.

The evening was spent in playing games until a late hour. Delicious refreshments were served to the following: Veda Fern Schwab, Leata Wagoner, Eileen Holdeman, Opal Rowe, Wanda Campbell, Mary Madolyn Sherman, Esther Lewis, Annabeth Bowen, Esther Pletcher, Robbie Lee Kille, Herman Wagner, Harold and Truman Garrison, Alvin and Lee Edge, Virgil, Arley, and Donald Schwab, Philo Butler, Dalton Pattison, Lowell Wernske, Worley A. Dair, Noah Pletcher, Harvey Pletcher, Mr. and Mrs. Wood Tallferro, Mr. and Mrs. Grant Harryman, G. P. Garrison, Mrs. J. B. Smith, Mrs. Susan Pletcher, the host and hostess, Mr. and Mrs. Allen Wagner, and the honoree.

Had Bridge Party

Mr. and Mrs. W. B. LaMaster had guests in for a pleasant evening of progressive bridge, Friday night, at their home two miles southwest of town.

A tasty refreshment plate was served at the close of the play. Awards for family scores were given and Mr. and Mrs. Hudson played high and Mr. and Mrs. Woods second high.

Seate for the games were Mr. and Mrs. W. B. Irvin, Mr. and Mrs. C. E. Woods, Mr. and Mrs. H. I. Hudson, Mr. and Mrs. H. C. Sanford, Mr. and Mrs. R. T. Correll, Mr. and Mrs. R. H. Prewitt, Mr. and Mrs. H. J. Bolder, Mr. and Mrs. A. H. Nichols, Mr. and Mrs. W. C. Herndon, Mr. and Mrs. P. T. Sherman, Mr. and Mrs. L. L. Lance, Mr. and Mrs. Herbert Shindler, Mr. and Mrs. Otis Shearer, Mr. and Mrs. H. W. York, Mr. and Mrs. R. P. Hurn, Mrs. A. J. Kelly and Mr. LaMaster.

Dorcas Social

Mrs. A. K. Wooten and Mrs. Luther Wade were hostesses for their Sunday school class social in the Wooten home Tuesday afternoon. The business hour was given over to the discussion of plans for the home coming banquet which will be held at the October social.

Delicious refreshments were served to Mrs. Geo. Lewis, Mrs. J. R. Thomas, Mrs. W. J. Brewer, Mrs. Paul Bowen, Mrs. Earl Miller, Mrs. H. I. Hudson, Mrs. Johnny Peterson, Mrs. R. C. Johnson, Mrs. Cora Lawrence, Mrs. J. C. Brown, Mrs. Robert Lawrence, Mrs. Oscar Flowers, Mrs. H. E. Shotwell, Mrs. I. R. Buchanan and Mrs.

Circle Three

The Thursday meeting of Circle Three of the Baptist W. M. S. was held in the A. K. Wooten home with Mrs. Wooten and Mrs. W. T. Wright sharing the hostess duties.

"Lifting the Banner Through Stewardship" was the interesting study with Mrs. J. R. Thomas as leader. Refreshments were served during social hour to Mrs. G. I. Horne, Mrs. Johnny Peterson, Mrs. Ike Sharpe, Mrs. Charles Selby, Mrs. Hugh Shotwell, Mrs. Robert Lawrence, Mrs. J. C. Brown, Mrs. J. S. Slaughter, Mrs. I. R. Buchanan, Mrs. Oscar Flowers, Mrs. J. R. Thomas and the hostesses.

Rogers-Eads

Miss Opal Eads and Mr. Robert E. Rogers, Farnsworth, motored to Liberal, Kans., Saturday, September 7, and were united in marriage at seven o'clock that evening.

Mrs. Rogers is the daughter of Mr. and Mrs. W. T. Eads, who live on a farm just west of Perryton. She is a graduate of the Perryton high school and during her school days was one of the star forwards of the Rangerette team. She later attended business college at Dodge City, Kans.

Mr. Rogers is also a P. H. S. graduate and has had three years college work at Texas Tech, Lubbock. He is a son of Mr. and Mrs. E. W. Rogers, Farnsworth, and is a native of Ochiltree county. Besides being associated with his father in wheat farming, Bob manages the Farnsworth Supply company.

Mr. and Mrs. Rogers returned to Perryton Saturday evening and moved Monday to Farnsworth, where they are at home to their many friends.

Circle Two

Mrs. Ira Ferguson and Mrs. L. L. Lance were joint hostesses for the Thursday afternoon meeting of Circle Two of the Baptist missionary. Mrs. Paul Bowen was leader for the lesson on "Stewardship". Mrs. Lance, Mrs. Wade and Mrs. Ferguson discussed special topics.

Delicious refreshments were served after the program to the five members present.

Circle One

Circle One of the Baptist Missionary was entertained Thursday in the country home of Mrs. Beulah Stark for an interesting lesson study. Mrs. F. M. McGee assisted Mrs. Stark with the hostess duties.

Mrs. J. W. Penn was leader for the discussion on "Tithing". Refreshments of cake, ice cream and punch were served to Mrs. J. M. Andrews, Berger, a guest, and Mrs. Leonard Wright, M. A. H. Lanham, Mrs. C. E. McLarty, Mrs. Weldon Rogers, Mrs. Irvin Gerlach, Mrs. W. J. Newberry, Mrs. Orval Jacobs, Mrs. J. E. West, Mrs. Earl Miller, Mrs. Fred Lewis, Mrs. J. W. Penn and the hostesses.

West-Humphrey

Miss Juanita Humphrey and Mr. Jack West, Woodward, Okla., were united in marriage at Canadian Thursday, September 5, and went on to Wichita, Kans., where they will make their home.

Mrs. West has been making her home in Perryton the past six years with her uncle, Mr. and Mrs. E. J. Bolerjack.

Herald want-ads bring results.

Farnsworth Club

Mrs. John Luthi very charmingly entertained the members of her bridge club for their social afternoon last Thursday at her home south of Farnsworth.

After several hours of play prizes were presented to Mrs. Hargrove, high, and Mrs. Peckenpugh, second high.

A delicious refreshment course was served to Mrs. L. R. Conner, Mrs. Ray Chase, Mrs. Dean Conner, Mrs. Herman Hargrove, Mrs. H. C. Brown, Mrs. Steve Hargrove, Mrs. Ben Peckenpugh and the hostess, Mrs. Luthi.

Sorosis To Meet

The Home Economics department of the Perryton Sorosis club will meet in the home of Mrs. W. E. McMillen Wednesday afternoon, September 18. All members are requested to be present.

Honored With Party

Bobby Whippo entertained friends for a lively party Saturday night as a farewell courtesy to Jack Woodward, who leaves soon for school. Games of bridge and ping-pong were enjoyed for several hours. Mrs. C. E. Whippo then served the guests with ice cream, cake and punch.

Guests present to help Jack celebrate were Miss June Phelps, Miss Imogene Pitts, Miss Nelda Rose Wright, Miss Mary Lee Wilson, Miss Jerilee Slaughter, Miss Doris Cofer, Miss Avis Lee Wooten, Joy Hergert, Clyde Jones, Ray McWilliams, R. C. Johnson, Leroy LaMaster, and Dick Nies.

Pre-nuptial Shower

Miss Molina Caldwell, Miss Pauline Spencer and Miss Ruby Neufeld were joint hostesses in the F. C. Spencer home Friday afternoon when they entertained with a shower tea from three to five o'clock for Miss Claudia Zirkle, who was married on Sunday to Mr. Rufus Bolerjack.

A pink and white color note was used throughout the receiving rooms and baskets of fragrant fall flowers were an attractive aid. The dining table, covered with a lace cloth over pink, was centered with a lovely bouquet of white sweet peas and clematis. Tall white tapers burned at each corner.

Sixty-five guests called during the receiving hours and admired the gorgeous array of miscellaneous gifts for the bride elect, gave her their timely advice and best wishes and were served with a light refreshment course.

The honoree, dressed in an early fall creation of crepe with white trim and accessories of blue, greeted her friends in her usual quiet and courteous manner, and extended to each her thanks and appreciation.

Miss Rosamond Jarvis and Miss Mary Beth Johnson are leaving Friday for college. The former will attend Baylor Woman's college at Belton and the latter Baylor university at Waco.

Attend Wedding

Mr. and Mrs. H. C. Brillhart and Veneta, Mr. and Mrs. Paul Bowen, Mr. and Mrs. R. H. Prewitt and Dr. T. J. Wright were among the seventy relatives and friends present in the B. F. Tepe home, Canadian, Sunday for the wedding of Miss Velma Tepe to Mr. George Carver. Rev. Brimberry, a former Christian pastor of Canadian, officiated. Miss Vera Tepe and Mr. Noel Carver were the attendants.

A reception was held after the ceremony.

Celebrate 19th Anniversary

Friday, September 6, Mr. and Mrs. D. D. Shanks celebrated their nineteenth wedding anniversary and in the evening, following church services, sixty-five friends, members and former members of Mr. Shanks' Sunday School class, gathered at their home for a surprise celebration.

As the honorees descended from their car, Miss Ruby Neufeld played Lohengrens wedding march, a veil was arranged for Mrs. Shanks and she was given a bouquet as she marched down the walk beside Mr. Shanks to a flowery archway where a mock ceremony was performed by Rev. W. B. Vaughn. Nancy Dodd and Diane Kent were flower girls and Verlon Hartman carried the ring. Two vocal solos, "I Love You Truly," by Mrs. Vance Apple and "O, Promise Me" by Addison Cutter were enjoyed.

After the wedding, the gifts, which had been arranged on the side lawn, were viewed and punch and cake were served during an en-

joyable social hour. During this hour, music was furnished by Mrs. L. C. Boston and four of her pupils. At a late hour each departed for their home after wishing Mr. and Mrs. Shanks many more happy anniversaries.

Chi Sigma Phi

Miss Elizabeth Richardson was hostess for an evening session of the Chi Sigma Phi club Monday at her home, 502 Southwest Fourth street. Bridge was enjoyed with Mrs. Rogers receiving the prize for high score.

A dainty refreshment course was served by the hostess at the close of the games to Mrs. Harold Thrush, Miss Bessie Littleton, Mrs. Henry Richardson, Mrs. LaRue Norris, Mrs. Cromwell Rogers, Mrs. Seldon Caradine and Miss Johnny Helen Gray.

Dorrance and Jack Woodward left Wednesday morning for Stephenville to enter John Tarleton agriculture college for the winter.

Mrs. Chas Hobbs and son, Vincent, returned Monday from Shattuck, Okla., where they visited over the week-end in the home of Mrs. Hobbs' parents, Mr. and Mrs. F. E. Walton. Her nephew, Bill Walton, accompanied them home for a few days visit.

Mrs. A. J. Kelly, Miss Kathleen and Ellis Kelly and Miss Pauline LaMaster were in Amarillo Thursday and enjoyed the program by the Marine band.

Advertise it if you stock it.

R. H. Gamel Jr. returned last week from Fort Sill, Okla., where he has been stationed several months. He received a medical discharge from the army.

Dalton Pattison, Gerald Jarvis, and Billy Pletcher are leaving the last of the week for Abilene to enter Simmons university for the winter.

Mrs. Fred Corbin was able to return to her home at Gray, Okla., Friday. She has been staying in the home of her mother, Mrs. A. C. Williams, Perryton, following an operation.

Cyrus LaMaster went to Oklahoma, Okla., Sunday to take his winter term. He returned by Omaha City and brought home Misses Virginia Correll and Apple, who had spent the week at the J. W. Wilson home, Oklahoma City.

Mr. and Mrs. C. E. Whippo moved to Liberal, Kans., Monday to take their son, Charles, who left for Columbia, Mo., where he will be senior at the University of Miss-

Yes!
We Sell
Stamps

No, we do not make a cent a million on them. Selling stamps is just another of the services we are glad to be in a position to offer to our neighbors. While it is one you can see and, we hope, find convenient, there are many other services, not so obvious, but far more important, that we invite you to make use of.

Our trained skill in the compounding of prescription—our experience in the selection of the drugs and chemicals, which insures the purity and efficiency of your medicines—our convenient location—the long hours during which we are at your service ready to aid your physician to relieve your pain and suffering. All these are services for which you pay no premium—services as freely given as is the sale of stamps—services which do not enter into the price we charge for the compounding of your prescriptions.

May we, in turn, be permitted to solicit a service from you? We would greatly appreciate your patronage for all your drug store requirements. We assure you of standard merchandise with no premium in price added for our trained experience in their selection.

TIMOTHY

Lesson XI—Sept. 15, 1935
2 Tim. 1:1-14.

Memory Verse: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth." 2 Tim. 2:15.

I. Greeting From A Great Apostle
"Paul an apostle of Christ Jesus". What words. Not Paul the persecutor, but the servant of Christ. Invested with the office of an apostle, commissioned to speak with the authority of an ambassador of heaven, empowered to utter words of inspiration that will live forever—this is the man who tenderly writes this, his last letter, an affectionate farewell to his beloved son in the gospel.

Timothy was very dear to Paul. If the apostle lost Mark on the first missionary tour, he gained Timothy on the second. Through sunshine and shadow these two companions had gone. Braving the avalanche of the Devil's persecution and opposition, they had pressed on together, leaving the banner of the gospel planted in every community they visited and a band of faithful Christians to keep the spiritual home fires of each congregation burning.

II. Paul's Memory
The apostle to the Gentiles did not forget. Into his heart Timothy had come as an own son. What a beautiful fellowship aged Winter and youthful Spring had together in these two preachers. An old warrior folds a beginner in his arms and blesses him. A great missionary remembers every effort, sacrifice, every tear of his son. Would to God it were always so! What a close comradeship should exist between the old and the young. How each group ought to look to the other's welfare. Young preachers ought to love and honor the old warriors of the cross, and in turn should receive the blessings and counsel of the aged pilgrims. What a combination Paul and Timothy made. Sunrise and sunset, seed time and harvest, fleetness and firmness all in beautiful harmony.

And Paul didn't forget Timothy's parents. That mother and grandmother had guided the boyhood feet and trained the childish heart in the right way. So the apostle pays tribute to a mother's influence and spreads it for all eternity upon the white pages of Holy Writ. The words ought to be an inspiration to all Christian mothers to guide the feet of their children in proper paths. Paul could have easily claimed all the credit for Timothy's success. Had he been of the same ambition as some of us to-day, he would have never mentioned Eulice nor Lois, but would have instead pointed out his own part in the wonderful development of the young evangelist. But one of Paul's marks of greatness was his deftness of staying in the background wherever possible and giving credit to others when he might justly share it himself.

III. Timothy's Gift
Paul had laid hands upon Timothy, imparting some spiritual gift (See Act 8:17; 19:6; Rom. 1:11). This particular measure of the Holy Spirit could be had in no other way. That is why people to-day do not possess miraculous power. There are no other apostles living to impart it.

But this gift of Timothy's must be stirred up by the youthful evangelist. It must not lie dormant and inactive. With it Timothy will be able to prove his ministry, for we must remember that in those days the New Testament had not as yet been completed, and much information must be given through inspiration, directly to the evangelist. Now that the perfect law of liberty, the gospel has been completed, direct revelation is no longer necessary. In the first century

the message was in men. Now it is in the written gospel.

We all have some kind of talents, however. We must stir them up. It is dangerous to bury them. We shall have to give an account some day for the way we treat the opportunities God has given us.

IV Timothy's Calling
Paul calls it a "holy calling". The young man had been called to become a Christian. As a Christian he was called to preach, but not by the modern method. Timothy was called by the gospel. The things which he had heard of Paul among many witnesses, were to be committed to faithful men who should be able to teach others also (See 2 Tim. 2:2).

Paul's call to the apostleship was according to the eternal purpose of God. Jehovah blue-printed the plan of salvation and planned the work of the apostles and the part they should play in making known to the world the unsearchable riches of Christ. Hence the apostle could endure all things, for he surely knew him whom he believed and was persuaded that Christ was able to guard that which had been committed to him against that day.

V. Soundness Urged and Commended
Time and eternity measure our words. Therefore they should be sound and true. Timothy had received the pattern for these sound words from Paul and knew that to follow such a model would be pleasing to God's sight. Paul spoke the oracles of God and firmly condemned any addition or subtraction to the divine message. Nay, even an angel from heaven dare not preach any other gospel than that which had been received.

So precious were the gospel treasures that had been committed to Timothy that he was urged to ground them through the Holy Spirit who dwells within us. More precious than gold are the pearls of truth. More dazzling than rubies are the promises of our loving Father in heaven. How we ought to treasure them. How we ought to hold that fast which we have that no man take our crown. Had Paul known of riches grander or wealth more worth while, he would have told Timothy so. But nothing could outweigh rubies of truth.

LUTHERAN CHURCH ITEMS

"More Power Needed"

The story is told of a professor who wanted electric light in his study. There was in the house an electric battery that was used for the ringing of various bells. Knowing very little about electricity, he fancied that if the battery could ring a bell it could make a light, and so he ran wires from the battery into his study. Then he adjusted an electric bulb, turned the switch and was disappointed to find that he got no light. He consulted an electrician, saying: "I have a battery in my house that has been ringing all the bells for a long time. I thought that this battery that could so well ring bells could light my study. I tried and it failed. What is the matter? The electrician looked at him and said: "Do you not know that it takes more power to make a light than it does to ring a bell?"

Friend, here is a truth worth pondering over again and again: More power is needed to make a light than to make a noise. If you are a professing Christian, apply it to your life. Does your Christianity consist merely in noise, or has it the power necessary to make a light? Is your life a guiding light to others? Remember: It takes more power to live that your light may shine before men in such a way that they shall glorify your Father, than to be active in dozens of organizations or to make a lot of noise carrying on various drives, civic reforms and other movements.

We extend a cordial welcome to the public to worship with us in our humble little church building north of town. Morning services begin at 10 o'clock and will be followed by Sunday-school and Bible Class.

H. W. Hartenberger, Pastor.

CHRISTIAN SCIENCE

"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 15.

The Golden Text is: "Ye had compassion of me in my bonds, and took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance" (Hebrews 10:34).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The eternal God is thy refuge, and underneath are the everlasting arms" (Deuteronomy 33:27).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit is the only substance, the invisible and indivisible infinite God. . . . As mortals begin to understand Spirit, they give up the belief that there is any true existence apart from God" (pages 335 and 283).

FIRST METHODIST CHURCH

W. B. Vaughn, Pastor

There's lots of room in the FORD V-8

EVERY ONE who steps into the Ford V-8 for the first time is surprised at its roominess. There's exceptional seat room, leg room and head room in all body types—the whole car gives you a feeling of substantial size.

The Ford gives you extra body room because of the compact design of the V-8 engine—an exclusive Ford feature at a low price. This V-8 engine takes up less space in the hood and permits more of the car's length to be used for passenger comfort. Many a car selling at a higher price does not give you as much interior room as the Ford V-8.

Rear seats are wide and restful... three people can ride comfortably in the front seat of the Fordor Sedan, Fordor Touring Sedan, Convertible Sedan and Phaeton, and in the Coupes and Roadster. The seat of the Ford V-8 Roadster is 52 inches wide. A ride in the Ford V-8 will show that it combines unusual body room with fine-car performance, safety and comfort.

county, talked on the subject of "What the Home Demonstration Agents Are Doing to Make Farm Life More Attractive."

Friday night an open forum was held, with short talks by a number of speakers, including R. S. Rodgers of Lubbock and S. P. Britt of Shamrock, directors of the F. C. A. of Houston; Homer D. Wade, secretary of the Texas Cooperative Council, and L. T. Mayhew, president of the Texas Cooperative Council. At this session, two girls and two boys, Gold Star winners in 4-H Club work in Wheeler county, were presented by Miss Viola Jones, home demonstration agent of Wheeler county, and Jake Tarter, county agent of Wheeler county. These boys and girls told of the demonstrations in which they won the Gold Star honors.

Saturday, the first speaker was S. R. McWhirter, field coordinator of the F. C. A. of Houston, who spoke on the "Coordination of National Farm Loan Associations and Production Credit Associations." C. W. Moehring, comptroller of the F. C. A. of Houston, talked on National Farm Loan Association accounting records. National Farm Loan Association accounting records. National Farm Loan Association examinations was the subject of Gardner Thomas, examining division, Farm Credit Administration, Washington, D. C.

A. C. Hargis, assistant treasurer in charge of the collection department of the Federal Land Bank of Houston, spoke on collection.

The program of the Farm Resettlement Administration was the topic discussed by Morris M. Blair, Economic advisor of the Farm Resettlement Administration.

Real estate sales was the topic discussed by E. R. Elland, assistant treasurer in charge of the real estate department of the Federal Land Bank of Houston.

The principal reasons for delays in consideration of applications for loans was the subject of A. P. Graves, vice president and chairman of the loan committee of the Federal Land Bank of Houston.

A resolution thanking the West Texas State Teachers College for the use of the college buildings and equipment and another resolution expressing appreciation to A. C. Williams and other officials of the F. C. A. of Houston who made the short course possible, were adopted Saturday.

Those attending the short-course included secretary-treasurers and directors of a number of National Farm Loan Associations and Production Credit Associations; representatives from the Extension Service of A. & M. College, teachers of

Vocational Agriculture, officials of institutions discounting paper with the Federal Intermediate Credit Bank of Houston, representatives of Farmers' Cooperative organizations in the Panhandle, and others. Mr. Lawrence reports that all those in attendance were enthusiastic in their comments on the shortcourse.

Your Child's Health

Diphtheria and Smallpox Immunization Prevents Absence from School Duty

Austin, Texas, Sept. 10.—The beginning of another school year is at hand. The weeks have provided for school children the opportunity for mental rest and relaxation; they have likewise made for physical growth and development. Thousands of boys and girls will advance to a higher grade as they turn toward the schoolhouse. In addition a new group of children, escorted by parents or older children, will be entering school for the first time.

The years spent in school represent training for life work. Such training accomplishes most when administered to pupils and students with clear minds and sound bodies. Moreover, this training must go on without serious interruption. Other things being equal, the school with a fine record for attendance is more apt to approach a high standard of education than the school with poor enrollment due to avoidable disease, declared Dr. John W. Brown, State Health Officer.

It is unfortunate from any standpoint when children are kept away from school because of illness; doubly so when sickness is due to preventable causes. No school need have its attendance record shattered because of an outbreak of smallpox or diphtheria. Parents in increasing number are having their children safeguarded against these diseases in the first year of life. Likewise, through child health conferences, for preschool children, more and more attention is being given to work of immunization against preventable diseases and to the correction of dental and other remediable physical defects. Such measures will go far toward assuring good health and regular attendance throughout the period of school life. See your physician about diphtheria and smallpox immunization.

Mr. and Mrs. A. B. Hammon and sons spent the day Friday in Liberal, Kans.

ALLRED LAUDS STATES RIGHTS

GOVERNOR DEFENDS RIGHTS OF STATE IN ADDRESS TO VETERANS OF CONFEDERACY

The tribute paid by Governor James V. Allred to the Confederate Veterans last week before their 45th Annual Reunion at Amarillo is full of stirring praise for the brave deeds of the South in defense of their ideals of state rights. Because we cherish the memory of the Confederacy and because possibly the last reunion of the thinning grey ranks was held in our state, the following excerpts from Governor Allred's speech should be of interest to our readers.

JAMES V. ALLRED

"As we catch the torch of Jeffersonian Democracy from your falling hands," the Governor said to the Veterans, "we renew our pledge to you to pass on to our posterity the creed of our forefathers—to fight and die, if need be, for the principles of state sovereignty as guaranteed by the Constitution!"

"I think it was Joseph Weldon Bailey, the great states rights defender of Texas history, who said, 'No triumph or defeat can change the immutable principles of free government!' That truth was never more evident than today—70 years after the surrender of General Lee at Appomattox . . .

"The greatest discussion in the history of the nation has waged throughout the land in recent

months over proposed or threatened changes in this government which has been handed down to us from the time that our early forefathers gathered in groups to discuss the ratification of the Constitution. Suggestions have emanated that in America's hour of distress we should give up all that the framers of the Constitution insisted should go into it, that we should amend it so as to give the federal government the power to regulate intricate and minute details of personal life and business. Small wonder indeed that turbulent thoughts should be aroused and seethingly churned in the minds of those who believe in the principles of state rights!

"The eternal principles of right and of good government are eternal and everlasting. You may change the application of a rule to changing conditions, but time brings no necessity for altering time-tried and time-proven rules of good government. It is inevitable and natural that slow and gradual change shall take place in this living constitution by construction and the change of the people themselves, but up until now we have preserved that essential characteristic, an American Republic, from the fatal experience of all the other forms of government. We have guarded against strong national government; we have adhered to the theory of states rights!

"To you immortal heroes of the Confederacy, I say that we in Texas pledge our allegiance to the cause of states rights—that true Democracy for which you so nobly fought. Texans, with the memory of the blood so illustriously shed by our fathers in the immortal defense of the Alamo, probably more than the citizens of any other state be-

lieve in states rights and local self-government.

"As descendants of a proud and fearless, free and independent republic which recognized tribute to no nation, we would be unworthy of the proud heritage we claim should we stand firm for the sovereign principles of state government so expressly granted by the United States Constitution."

Disabled Given Aid

American Legion Auxiliary Spends Over Half Million to Assist Disabled Veterans

Approximately \$665,000.00 has been expended by the American Legion Auxiliary this year in its work for the disabled World War veterans. Mrs. Hugh Shotwell, chairman of the rehabilitation committee of the Perryton Unit of the Auxiliary, has announced. This money was used in work for the welfare of veterans in hospitals and to bring aid to those struggling to re-establish themselves in life after discharge from government institutions.

Actual expenditures of \$350,000.00 for aid to disabled veterans in their communities have been reported by the Auxiliary's 8,600 local units. State organizations of the Auxiliary have reported \$125,000.00 spent for occupational therapy, material comforts, entertainment, recreational activities and emergency relief for disabled men. Hospital visiting committees expended \$45,000 for material comforts and \$15,000 for entertainment for men in hospitals.

At Christmas, gifts from the Auxiliary went to approximately 125,000 veterans in hospitals at a cost of \$100,000.00. Contributions of dimes by Auxiliary members raised a

special national rehabilitation fund of \$30,000.00, from which \$25,000.00 was donated to the Legion to aid prosecution of claims for federal compensation.

W. D. Thompson and son, Elmer, went to Mineral Wells Friday for Mrs. Thompson and Neil, who have been spending several weeks there. Mrs. Elmer Thompson who has been visiting with her folks at Midlothian, joined them there and they all returned home Sunday.

HOME CANNING EXHIBIT SOON

MISS GLADYS KIMBROUGH TO OFFER DEMONSTRATION HERE WEDNESDAY, SEPT. 18

"Home Canning An Art" is the theme of the canning demonstration which will be held here on September 18 by Miss Gladys Kimbrough, home economist from the Ball Brothers company, Muncie, Ind.

MISS GLADYS KIMBROUGH

The demonstration, which was originally announced for a two day affair, has been changed and will be held only on the one day, Wednesday, September 18, starting at 2:00 o'clock in the afternoon, in the Perryton Canning Kitchen. Various canning problems, instructions for preparation of materials and equipment, different methods of canning and actual demonstrations will be presented.

Miss Kimbrough, who is a member of the educational department of Ball Brothers company, has had wide experience in foods, having taught home economics both in rural and city high schools, worked as home demonstration agent, managed a school cafeteria and later a large commercial cafeteria, acted as foods editor for a magazine, broadcasted tested recipes of southern cookery and served five years as educational director for a national organization of millers. She is generally known as an authority on cookery and has specialized in canning and food preservation, making it a career.

Miss Kimbrough has taught home canning to large groups of women in twenty-four states for several years and has met most of the questions that can be asked about the subject and includes the answer to the more usual ones in her lecture-demonstration. This period is always followed by taking up the individual canning problems of those who attend.

Menus, food values, proper servings of canned goods, storage, diet are frequently related to her informal and entertaining way of telling how and showing how to keep summer's goodness for winter's table.

Rural home makers and all interested in canning and preserving are urged especially to attend the home canning school on September 18 and hear Miss Kimbrough's lecture-demonstration.

Mrs. E. R. Jarvis, Miss Rosamond and Gerald Jarvis and Randal Jones were visitors in Amarillo Friday. Miss Rosamond remained in Borger on their return trip and spent the week-end with Miss Helen Louise Montgomery.

BLODGETT CLUB

Mrs. Ralph Blodgett, Reporter
"Make a sieve to grade your peas before canning," was a statement made by Marie Ludwick, Ochiltree County Home Demonstration Agent, to the Blodgett Home Demonstration Club, which met in the home of Mrs. J. F. Sim, Monday, September 2.

A sieve to grade peas through can be made from half screen, a piece 12 inches square, and fixed similar to the sieve used in sifting gravel. In using a sieve you have your peas graded, thus separating the young tender ones from the older ones. Heat your peas thoroughly before putting in the jars. Have three-fourths shelled and one-fourth snap. These were points stressed by Miss Ludwick in her demonstration on canning peas.

Mrs. Earl Church, Mrs. Ruth Nitschke and Mrs. W. M. Deck will serve as club delegates, Friday at the judging of the club products.

Those to enjoy the dinner in the J. F. Sim home were Mr. and Mrs. J. B. Monroe, Mr. and Mrs. E. C. Hooper, Mrs. W. M. Deck and Mrs. Ruth Nitschke. In the afternoon, Mrs. J. M. Blodgett, Mrs. Earl Church, Mrs. Deta Blodgett and Miss Marie Ludwick were present.

NEW HOPE CLUB

Mrs. John Budock, Reporter
"Peas should be canned as soon as possible after they are picked," stated Miss Marie Ludwick, Ochiltree County Home Demonstration Agent, to the New Hope Home Demonstration Club in the home of Mrs. Lloyd Furnish, September 4th.

"Spread the peas in a cool place until shelled. As the peas are shelled they should be sorted according to size and maturity and canned separately so the under ripe ones will not be over cooked. The peas should be placed in a brine of one tablespoon salt to one quart water as soon as they are shelled. This prevents them from souring or discoloring but should not be left in the brine more than two hours before they are washed and canned," continued Miss Ludwick.

Mrs. Fred Furnish expansion chairman reported garden vegetables given to seven families. Our council delegate announced a home canning demonstration would be held September 18th in the Perryton canning kitchen by Miss Gladys

Kimbrough, home economist from the Ball Brothers company. Plans for the county exhibit was discussed.

Members present were Mesdames A. A. Johnson, Fred Furnish, O. E. Carter, John Budock, R. E. Taylor, J. E. Cudd, Carl Carter, J. E. Yaddon, Lloyd Furnish and Miss Marie Ludwick. Visitors were Lucille Cudd, Roberta Furnish, Dorothy Budock, Susie Yaddon, Faye Johnson and Esther Cudd.

NEW HOPE CLUB MEETS THURSDAY, SEPTEMBER 19

The New Hope Home Demonstration Club will meet Thursday, September 19, at 2 o'clock in the home of Mrs. A. A. Johnson. This meeting was changed from September 18, in order that the members may attend the canning demonstration to be given by Miss Gladys Kimbrough, Home Economist of the Ball Brothers Co.

4 IN 1 CLUB TO HOLD REGULAR MEETING TODAY

The 4 in 1 Home Demonstration Club will meet today, September 12, with Mrs. B. L. Barnes, with a dyeing material demonstration at this time, instead of the next meeting, as Miss Marie Ludwick is unable to meet with the club at the usual time this month, but will meet with them September 19th at 1:30 p. m. in the home of Mrs. J. L. Bryan for a demonstration on canning peas.

WAKA HOME DEMONSTRATION CLUB WILL MEET

Mrs. Reuben Burger will be hostess to the Waka Home Demonstration Club, Tuesday afternoon, at two o'clock, September 17. All members are urged to be present as Mrs. Wilson, our first year demonstrator, will give a dyeing demonstration. A hearty welcome awaits all visitors.

COUNTY COUNCIL TO MEET SATURDAY ONE O'CLOCK

A call meeting of the County Council of Ochiltree home demonstration clubs will be held Saturday afternoon, September 14, one o'clock, at the court house. All short course delegates are requested to be present with their reports.

Mr. and Mrs. Dan Moore and son came in Monday from Washington, D. C., for a few weeks visit with relatives here. Mrs. Moore is a sister of Mrs. M. R. Todd, Mrs. Joe Scholtenbarger and John Lovett.

PLANT FALL GARDEN

The last few rains received in the Panhandle has given the gardeners an opportunity to grow a fall garden, according to Hugh Thomson, horticulturist of the Panhandle Agricultural Experiment Station, Godwell, Oklahoma.

The seed must be sown in the next few days in order for the vegetables to attain most of their growth before frost. Some of the most common vegetables that can be grown in the fall are radishes, lettuce, mustard, spinach and turnips.

There are many varieties of the above vegetables that can be grown. The following has proven the most desirable: Scarlet Globe, French Breakfast, and White Icicle, are the most popular radishes. Grand Rapids, Hanson's Improved, and Black Seeded Simpson are good varieties of lettuce. Giant Southern Curl is a good variety of mustard to plant.

There are several varieties of spinach that will do well; Victoria Long Standing Bloomdale, and Prickly or Winter. The Turnips can be thinned to be used as greens, as the foliage is large enough they can be planted thick, and as early as the Milan Varieties are good flat varieties, while Purple-top White Globe is a standard in the globe-shaped type.

TRI-STATE TO OPEN SATURDAY

BIGGEST FAIR IN TEXAS AT AMARILLO THIS YEAR; RACE PROGRAM TO START FRIDAY

Amarillo, Texas, Sept. 10—Saturday of this week marks the opening of the Tri-State Fair in Amarillo. Then follows seven days packed with excitement and entertainment, ending Saturday, September 21.

Horse races, a daily feature of the exposition, start a day earlier—Friday, September 13.

From every standpoint, fair association officials predict, this year's exposition will be the most interesting, instructive and intriguing ever held in the Southwest. With no state fair this year at Dallas, it will be the largest.

All exhibits with the possible exception of a few livestock herds from distant states, will be in place when the fair opens.

"Every effort will be made to have the exposition as complete on the opening day as on the closing day," said Wilbur C. Hawk, president, who predicts more attendance than during any of the 12 previous years. In addition to thrilling races every day, there will be other major attractions.

Sadler's three-ring circus, featuring Jack Hoxie, screen star, who will appear in person at each performance, will be at the fair beginning Monday, September 16.

Beckman & Gerety, owners and operators of the largest midway shows in the United States, will come direct from Detroit and probably will open a day before the fair.

There will be other amusements, too.

O. L. "Ted" Taylor, secretary-

manager, declared every department of the exposition would be complete, revealing the best in agriculture, industry and art in the Southwest. "Livestock exhibits especially will be unsurpassed anywhere," he said. "Visitors to the Tri-State Fair will see the same noted herds entered at the American Royal in Kansas City or at the International in Chicago."

Many of these herds are sent to the exposition by foremost breeders from distant states.

"Make arrangements now to attend the Tri-State Fair and spend more than one day on the exposition grounds if possible," suggested Mr. Hawk. "The Tri-State Fair is too large to be seen in one day, particularly if you want to view all of the exhibits and attend some of the many attractions."

Many visiting delegations, accompanied by bands, will come to Amarillo during exposition week.

These delegations will come by special train and motor caravans. "Nobody left in Groom but the city marshal" is the slogan of that town for its day at the fair.

Other towns have issued official proclamations, setting aside certain days to visit the fair.

WALLACE BEERY'S DAUGHTER MAKES HER SCREEN DEBUT

Wallace Beery's tiny four-year-old daughter, Carol Ann, makes her screen debut with her famous daddy in "China Seas", the stirring new Metro-Goldwyn-Mayer feature opening Sunday at the Ellis Theatre.

The picture stars Clark Gable, Jean Harlow and Beery, and is hailed as a triumphal success. Carol Ann plays a tot who is torn from her parents as a typhoon strikes a ship off the wild southeast coast of Asia, and is rescued by Gable. Beery intends to foster her career as an actress.

Pope, Oilton, Okla., and Orby McAlister, Bartlesville, and none were seriously injured. The party was enroute to Spearman to be at the bedside of Mrs. Flinn's mother, Mrs. W. L. Pope, who was seriously ill and passed away Tuesday night.

The accident is said to have occurred when Owens was forced to turn sharply across the highway to avoid a deep gash washed in the roadway by recent rains. Both cars were demolished.

ed on Friday, October 4 and every effort will be made to have the installation completed before that time.

Increased attendance and better playing conditions are some of the benefits to be derived from a lighted field. By playing at night there is no interference with the regular school work. Another advantage to be noted is that local business firms will not be asked to close for the games and employees will be free to attend.

In the early season in this section, the weather is usually too warm during the afternoons for perfect enjoyment by the fans and best results by the players. Then too, by nightfall the wind has usually subsided to the point that it does not handicap the opposing teams on the field and makes a better game possible.

Standard plans and specifications for the lighting installation will be followed and it is said that when completed, Ranger Field will be one of the best lighted fields in this section of the country.

not blowing but that their land was being damaged by neighboring lands that were blowing. By the creation of such a district, this common cause of complaint will be solved. The Commissioners' will have the right to enter upon these lands and stop the blowing. Such lands are usually owned and farmed by non-residents, who care little or nothing about the welfare of their neighbor.

Under the laws allowing Wind Erosion Control Districts to be formed, the district has no power to levy taxes and no obligation made by the district can be paid by taxation. Their only source of revenue will be from tax remission grants from the state, outright loans or grants from the state and federal governments, and from collection of liens on lands where they enter and treat for wind erosion.

There is no logical reason why this election should not carry. The Commissioners were petitioned by the farmers of the county to call the election creating the district. The farmers and wheat growers have all to gain and nothing to lose. If you don't understand the proposition clearly, see your commissioner at once, so that you can vote for the forming of the district.

fied in senior high, 220 in junior high and 289 in the grades. Enrollment figures in the grades show 56 in the first, 65 in the second, 48 in the third, 62 in the fourth and 54 in the fifth grade.

Several new courses will be offered this year for the first time. In the eighth grade pupils may take citizenship for the first half year followed by a new course, occupation in the second semester. This is optional with the former history course. Students taking this work will be permitted to take world history next year. Texas history is again being offered in senior high this year.

Such a demand has been made on the manual training department that it was found necessary to open a third section, two offering first year work, the other giving second year advanced work. All of the commercial classes are crowded and two new sections have been added in typing. This course is always in great demand by the post graduate and with these additions the department will be overflowing. The science department is also meeting unusual demands, especially chemistry, with the change in curriculum

requiring a course in laboratory science for graduation.

The opening exercises Tuesday morning were well attended by pupils and school patrons and everything is running smoothly. Classes started regular work on Wednesday morning.

One change in the faculty for the district has been announced, Miss Mildred Hogland replacing Mr. and Mrs. Spencer Whippo at Lone Tree when they resigned in order that they might attend college at Canyon. Mr. Whippo will receive his degree next spring.

REMIT PENALTY AND INTEREST

CITY MAKING DRIVE TO COLLECT DELINQUENT CITY TAXES NEXT SEVEN WEEKS

An opportunity is being extended to city property owners to clean up their delinquent taxes without the payment of penalty and interest charges if settled in full before November 1, according to J. C. Beever, city secretary.

The action to remit penalty and interest was taken at a recent meeting of the city council in an effort to increase tax collections and keep the city on a cash basis. The city is confronted with many obligations and is in need of tax money if it is to continue meeting these requirements.

At the same time, considerable saving is afforded tax payers in getting the heavy penalty and interest charges removed. This offer will expire on November 1 and all delinquent taxes should be paid before that time.

Mr. and Mrs. Ike Kelly, Lipscomb, spent the week-end in Perryton visiting in the home of her parents, Mr. and Mrs. Sam Hergert.

Mrs. A. C. Witt and Miss Pearl Witt left Wednesday for a visit with relatives and friends at Tulsa and Lubbock.

Mrs. E. J. Washer left Tuesday for her home at Kansas City, Mo., after three weeks in the home of her parents, Mr. and Mrs. Frank Dodson, and with other relatives. Her sister, Mrs. P. M. McGee, and Mr. McGee accompanied her to Liberal, Kans.

Drew Ellis left last Wednesday for Fort Worth where he will attend T. C. U. for his junior year. Drew plays guard position with the Frogs football squad.

TEACHERS TO BE HONORED BY PUBLIC RECEPTION

A reception for the school teachers of the Perryton Independent School District has been arranged by the Parent Teachers Association for Friday, September 13, at eight o'clock in the evening. The reception will be held in the auditorium of the Perryton school. Everybody is urged to attend. A musical program will be rendered and refreshments served to all.

SCHOOL TAXES TWO PAYMENTS

BOARD ADOPTS PARTIAL PAYMENT PLAN FOR CONVENIENCE OF TAXPAYERS OF DISTRICT

Mrs. Luther Wade, tax collector for the Perryton Independent School District, announces that by recent action of the board of trustees of the district, she is now empowered to accept 1935 school tax payment on th partial payment plan. To those who pay one-half of their 1935 taxes on or before November 30, 1935, an extension of time on the remaining one-half, will be given until July 1, 1936.

No penalty, interest, or costs will be assessed against the unpaid one-half, if same is paid on or before July 1, 1936. This plan will enable many to pay a part of their taxes this fall and the remainder next year. The school board is in need of funds to operate the schools on a cash basis and they sincerely hope that the taxpayers of the district will avail themselves of this offer and not let their taxes go on the delinquent list.
