Nationalist China Leaves Nanchishan Island To Reds

Shivers Will Meet Butler, Talk Harmony

AUSTIN (AP)—A meeting aimed at restoring "harmony" between Texas conservative Democrats and the national party was arranged here today between Gov. Allan Shivers and Democratic National Chairman Paul M. Butler.

The meeting was announced by John E. McKelvey, Electra attorney, who called himself an "unofficial" self-appointed emissary interested in bringing the two politcal forces back together.

McKelvey had just returned from Washington where he had talked to Butler about the Harmony move.

No specific date was set for the meeting, but McKelvey said he hoped it could be arranged "in the next two or three weeks."

He said it would either be during Shivers' next visit to Washington, not yet dated, or when Butler comes to Texas to speak at a meeting of liberal Democrats in Dallas in April.

McKelvey said he thinks there is a good chance that the national Democratic Party might be willing to make concessions to conservative Democrats to win them back to the fold to beat President Eisenhower next year.

"Mr. Butler is in the mood to make party harmony," he said.

Shivers broke with the national party three years ago and led Texas' conservative presidential vote into the Republican column for the second time in the state's history.

McKelvey had just come from a conference with Shivers when he announced arrangement of the Shivers-Butler meeting to newsmen.

"The governor authorized me to say he would be very glad to meet with Mr. Butler. He said he thought it would be in the interests of all concerned and that he feels harmonious views can be worked out," McKelvey said.

Jury Assesses Prison Terms

Three men were assessed prison terms yesterday afternoon by a district court jury before which they pleaded guilty to grand jury indictments of armed robbery.

Abuary C. Tatum, 19, was sentenced to five years; Jim E. Tryon, 23, and George Miles, Jr., 21, were sentenced to 11 years each. All were Colorado City Negroes.

The trio was charged, each separately, with armed robbery of Mr. and Mrs. H. W. Severin on Christmas Eve and were also charged jointly with burglary of the Severin home shortly before the robbery.

The sentences given were on the armed robbery convictions, although testimony in the trial concerned also the breaking and entering of the Severin home, a few miles southwest of Hermleigh.

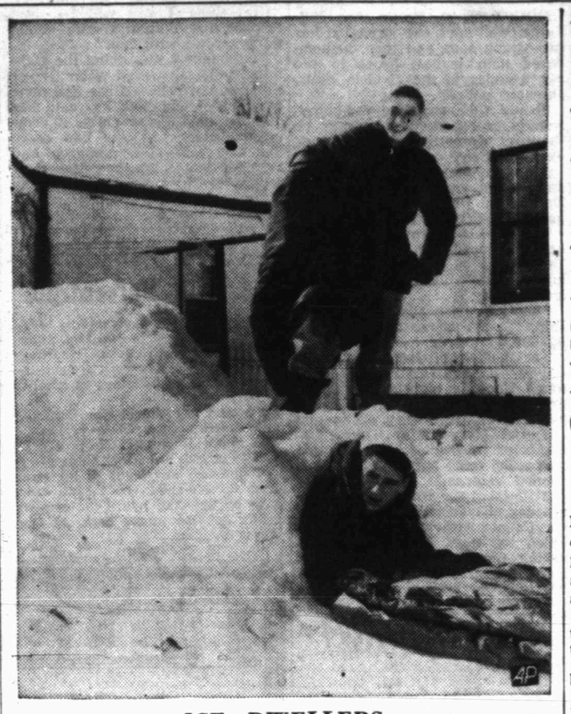

Prosecution was by Renal Rosson, district attorney. Fred Auforth of Snyder was court-appointed defense attorney.

Jurors were Ernest Sears, Woodrow Worthington, Fred Overman, Howard Hogue, Truman Black, Charles R. Baker, Jack Sparks, Lester Gladson, Earl Bentley, Fred Gary, P. J. Collins, and J. G. Galyean.

Dumas Man Named To Head ASC Committee

WASHINGTON (AP)—The Agriculture Department announced today the appointment of Robert G. Shrauner, Dumas, Tex., as chairman of the Texas Agricultural Stabilization and Conservation Committee.

Shrauner, a member of the committee since early 1954, succeeds Claude K. McCann, Victoria, Tex., who resigned from the committee. McCann's place on the committee will be taken by Clarence L. Dankfels, Rosenberg, Tex.

ICE DWELLERS

Stephen Weld and Bruce Billing, both 13, tunneled out of bed after spending the night in their makeshift igloo in Minneapolis, Minn. It wasn't an igloo along classical designs, but it did the job for a couple of adventurous boys. Bruce, standing on the igloo, and Stephen built their snowhouse in the Welds' backyard. They set up housekeeping with wooden stools, cots, sleeping bags and Army blankets, and said they didn't get cold at all. The temperature outside reached 4 below zero.

First School Contracts Let

Contracts totaling $293,717 for construction of 13 additional classrooms and a combination physical education-speech arts room at the the 18 - classroom West Elementary School building were awarded low bidders by the school board yesterday afternoon.

The general building contract was awarded Suggs Construction Co., Big Spring, for $251,991. The mechanical contract (ventilation, heating, plumbing, etc.) was awarded J. B. Bollinger, San Angelo, for $31,150. The electrical contract was awarded C&D Electric of Big Spring for $10,576.06.

Preliminaries of construction started today by the contractors and actual construction at the site will be under way during the first week of March, according to Fred Buford of the Dallas architectural firm of Buford & Feinberg, author of the plans.

All bids were exceptionally good, the board agreed, being below anticipated figures; and the bids accepted were approximately $45,000 below the total estimate.

The work contracted yesterday composes the first construction phase of a $2-million building program for the school district, which will enlarge all facilities except the present new high school building. The program was authorized by voters of the district in a bond election held in December.

Other general bidders and their bids were: R. F. Ball Construction Co., San Antonio, $303,000; Templeton-Cannon, San Angelo, $278,500; Jones Construction Co., Big Spring, $309,052; Warner Construction Co., San Angelo, $256,454; Rose Construction Co., Abilene, $268,000; Boyd J. McDaniel, Abilene, $278,780; A. P. Kasch & Son, Big Spring, $278,311; West Texas Builders, Lubbock, $266,526; and R. J. Bell & Co., Lubbock, $269,991.

Other electrical bidders: Abilene Service, $15,800; Basin Electric, Midland, $11,668; Callaghan Electric, El Paso, $17,220; Gilliland Electric, Big Spring, $13,195; Boss Electric, Snyder, $12,195; Phillips Electric, Midland, $11,420; Seminole Electric, Seminole, $14,879.59; and Howell Electric, Snyder, $11,247.16.

Other mechanical bidders: Bowen Plumbing, San Angelo, $38,737; Samson Plumbing, Lubbock, $37,642; R. M. Wells, Quanah, $35,000; A. P. Kasch & Son, $37,920; Rountree Plumbing, Lubbock, $34,629; Anthony Co., Lubbock, $31,500; and Lucian Webb Plumbing Co., Abilene, $36,060.

The board has also given tentative approval to plans for the enlargment of the Central Elementary School (which now is divided as two schools, Central Elementary and Central Primary, sharing the junior high building and using one small elementary building).

Final plans on this phase are yet to be approved but are nearly ready.

The final plans have been approved for the next phase of construction, additional athletic facilities at the high school and construction of two classrooms and a combination assembly and physical education room at East Elementary School and construction of the combination room at North Elementary School.

The athletic facilities at the high school will include enlargement of the stadium, building a new lighting system, restrooms, and concession stands for it, and the construction of a field house.

Bids for the next letting are to be opened March 22.

Mercury Range Short

Yesterday's temperature range was short, the maximum recorded being a cool 47 degrees. Overnight the mercury fell to 28 degrees, and had risen to 29 degrees by 7:30 a.m. today.

German Parliament Puts Down Effort To Stifle Pact Debate

By BRACK CURRY

BONN, Germany (AP)—Parliament today defeated overwhelmingly a new attempt by the Socialist opposition to suspend debate on the Paris treaties to free and rearm West Germany.

It was the second such unsuccessful maneuver by the Socialists since the three - day debate on treaty ratification started yesterday in the Bundestag lower house.

A spokesman for Chancellor Konrad Adenauer's Christian Democratic party told the deputies that the Saar, whose future "European" status under the Paris pacts touched off a rebellion by two parties of the governing coalition, is "German territory."

The spokesman, Otto Lenz, said it was "regrettable that France has linked the Saar agreement with the Paris treaties." But he said nobody had any better solution for determining the future of the Saar. That industrially rich territory, German before World War II, now is virtually autonomous but tied to France economically.

But he emphasized the Saar will have an opportunity to decide its own political future at a plebiscite.

Lenz declared that the Saar government of Premier Johannes Hoffmann has "consistently pursued an anti-German attitude."

Lenz spoke at the Bundestag reached the midway point of the debate on ratification of the Paris pacts. With the debate running behind schedule, the semifinal vote originally set for today may be postponed until tomorrow. The final vote will be held soon thereafter.

Heavily armed and reinforced police numbering 1,300 braced themselves for another day of street demonstrations by Red agitators shouting anti-American slogans. Hundreds of Communists, including 120 imported from the Ruhr for the occasion, tried to cause trouble at key points yesterday. Police cooled their ardor with water cannon which drenched them during a snowstorm. A dozen were arrested.

Some shop windows were broken before downtown squares were cleared after dark.

As two government coalition parties—the Free Democrats (FDP) and the Refugees (BHE)—defied the Chancellor's stand on the Saar, Adenauer marshaled his own Christian Democrats behind the plan. Under it, the Saar, German before World War II and now virtually autonomous but tied to France economically, would be put under a neutral commissioner.

Adenauer was ready to make an impassioned appeal for the Saar plan as the price for freeing West Germany and allying it with the West.

With debate running behind schedule, the semifinal vote on the Saar pact originally set for today may be postponed until tomorrow. The final vote will be held soon thereafter.

Despite the wholesale desertions by his allies, Adenauer still claims a slim majority in the 487-member Bundestag (lower house) for the Saar pact. It must be accepted in the Paris "treaty package" if the French are to approve West German rearmament. Thus the question of whether 500,000 Germans will be armed for Western defense hinges on Adenauer's victory in this fight.

The Chancellor's Christian Democrats hold 244 seats in the Bundestag—a one-vote majority and he probably can depend on the fourth party to the coalition, the German party with 15 votes. The defiant Free Democrats and Refugees combined have 34 votes, most of which undoubtedly will oppose the Saar pact. The Socialists, main opposition group with 151 seats, have fought bitterly the government's entire program to rearm West Germany before seeking talks with Russia on unifying Germany.

There are three independent members of the Bundestag.

In yesterday's 9½-hour debate, government and opposition clashed over the biggest question of all: Will ratification of the Paris treaties hinder reunification of Germany? The Socialists insist it will.

But there was remarkable agreement on one point. All parties joined in a demand that the Adenauer government be invited as an equal to any Western big power talks with Russia on Germany.

The four government parties and the Socialists also called in a joint resolution for the immediate establishment of an Allied-West German commission to "examine all peaceful means" of ending Germany's partition.

SEATO Meet Ends On Note Of Optimism

By MILTON MARMOR and DON HUTH

BANGKOK (AP)—The eight-nation Manila Pact conference ended today on a note of optimism that progress has been made in strengthening the area against aggression.

U.S. Secretary of State Dulles told the closing session of the three-day meeting:

"The way of the aggressor has been made harder."

Gathered to implement the treaty signed in Manila last September, the delegates established a permanent secretariat in Bangkok and set up committees on military, antisubversion and economic matters to put teeth into the pact.

The eight nations are Pakistan, the Philippines, France, United States, Great Britain, New Zealand, Australia and Thailand.

Dulles told the delegates:

"We have taken decisions which will make the council (of representatives) an effective working party within the three areas dealt with by the pact, namely, defense against open, armed aggression; defense against subversion from without; and promotion of economic and social well-being."

In what seemed a reference to the touchy Formosa problem, Dulles said, "We have exchanged opinions about the over-all position in Asia. . . . There has been recognition of the gravity of the danger that confronts us and of the urgency in dealing with it.

"I am confident that sense of urgency will be carried into the work of our permanent representative and of our political, military and economic experts."

Dulles and British Foreign Secretary Anthony Eden discussed Formosa at length last night. Unofficial sources said Eden expressed the belief Red China would not invade Formosa. He is also understood to have urged that the coastal islands of Quemoy and the Matsu complex be abandoned by the Chinese Nationalists.

Dulles, honored by the delegates on his 67th birthday today, told the final session, "The independence of the treaty countries and the liberty of the peoples of the treaty area are more assured now than they were before we came. To turn that probability into a certainty will be a continuing task.

"It is one, however, that I am confident will be achieved provided that we retain the spirit which has been manifested by our gathering here."

Flu Changes School Slate

A minor but widespread epidemic of influenza which has affected most of Texas and many other states for the last two weeks was partially responsible for the closing of school in Snyder today.

The communicable disease was not the primary reason for the closing, but was a contributing factor. Administrators and faculty members had scheduled a work conference for a week from today but decided to hold the conference today instead, inasmuch as several teachers and a large number of students were ill.

About 500 of the 3,600 students enrolled in the school system were absent with flu yesterday, and seven teachers were ill. Wednesday, nine teachers were absent because of the flu.

An incomplete breakdown of absentees in the various schools showed that at 10 o'clock yesterday morning 494 students were absent because of the disease. The numbers and the schools were 155 in high school, 82 in junior high school, 35 in East Elmentary School, 83 in West Elementary, 40 in Central Primary, 42 in Central Elementary, and one in Abraham Lincoln School. There were more absentees by noon, but the figures were not definite.

A program planned tonight to crown a high school Spanish fiesta queen was postponed.

Approximately 170 administrators and teachers attended the conference at the high school building today.

Snyder Gets Fire Insurance Credit

Snyder insurance agencies have been notified that a five per cent fire insurance credit will be given on this year's fire insurance premiums because of the good fire record here last year.

During 1954 there was a total of less than $8,000 in insured losses from fires here, Ivan Gatlin, fire marshal, said.

The five per cent credit is the maximum credit a city can receive in one year, but extremely heavy fire losses in one year can cause as much as 25 per cent penalty. In 1951 Snyder received a 20 per cent penalty, after having enjoyed a 15 per cent credit in 1950.

Last year the city received a five per cent credit for low fire losses.

BAMBOO FLAGSHIP

The Union Jack decorates the raft carrying Princess Margaret, right, and Lady Hugh Foot down the Rio Grande River in Jamaica. The raft trip was the highlight of the royal guest's last day in Jamaica. The princess was to leave for the Bahamas, last stop on her Caribbean tour.

Both Sides Hopeful In Tax Cut Voting

BULLETIN

WASHINGTON (AP)—The Democratic plan to cut income taxes $20-a-person won in the first House test today.

A standing vote of 197-192 defeated a Republican motion to knock the income tax cut out of a package bill which also would continue present corporation income and excise tax rates.

By CHARLES F. BARRETT

WASHINGTON (AP)—Hopeful but uncertain claims of victory came from both sides today as the House approached a showdown vote on the Democratic drive to cut income taxes $20 a person next year.

The Democrats, with a 29-vote majority of the House membership, appeared to hold a slim but far from sure margin over all-out opposition from House Republican leaders and President Eisenhower.

Democratic leaders repeated predictions they would win the test. Republican leaders expressed growing confidence they would defeat the tax cut. Minority Leader Martin (R-Mass) said in Philadelphia last night he was "quite confident" of victory.

But other key GOP members said privately they thought they were licked.

Neither side appeared very sure.

Battling to the wire, Martin and House Speaker Rayburn (D-Tex) planned to close the floor argument today.

Democrats conceded they might lose 15 to 20 of their 232 members on the issue, mostly Southerners. Republicans said they would lose 6 to 12 of their 203 members. But mostly it was an old-fashioned, relatively rare party-line scrap with big political chips at stake.

The Democratic bill would provide a $20 tax cut for each taxpayer and each of his dependents—$100 annually for a family of five. It would relieve about five million taxpayers with low incomes or large families from any federal income tax bill.

Democrats made this tax cut part of a package bill which also would continue present corporation income and excise tax rates for one more year.

Under present law the corporation rate is scheduled to drop from 52 to 47 per cent April 1. And on the same date excises are due to drop on automobiles, cigarettes, gasoline, liquor, beer and wine.

Continuing these rates would save almost three billion dollars a year in federal revenue. The income tax cut would cost about $2,200,000,000 over a full year.

In five hours of stormy debate yesterday, Republicans assaulted the tax cuts as "blackjacking . . . cheap politics . . . unpardonable irresponsibility." They said it would increase the federal deficit, already estimated at $2,400,000,000 for the year beginning July 1, and thus bring more inflation and higher prices.

But Democrats retorted that Republicans pushed through even bigger tax cuts last year when the estimated federal deficit was even bigger. They said the GOP tax program favored corporations and the wealthy, and their tax cut would restore "justice for the little fellow."

No Change In Living Costs

WASHINGTON (AP) — The government reported today that living costs were unchanged in January from December.

There were slight increases in the cost of food and some other items but these rises were balanced by drops in prices of clothing and house furnishings during January sales.

The Bureau of Labor Statistics said its January index remained at the December level of 114.3. This is a fraction of one per cent below January, 1954, and one per cent under the October, 1953 living cost peak.

There was insufficient change in the index to require any pay adjustment for about one million workers in the auto and aircraft industries whose pay rates are geared to the index by union contracts.

No Interference In Evacuation

By SPENCER MOOSA

TAIPEI, Formosa (AP)—The Nationalists completed today without Red interference a military withdrawal from Nanchishan and reports persisted tonight that the garrison there was taken straight to offshore outposts in the Matsu group.

The Matsus, 100 miles northwest of Formosa, are 20 miles off the Chinese mainland and guard the approaches to Foochow.

The Nationalist Defense Ministry refused to divulge the number of troops involved but the regulars and guerrillas on Nanchishan had been estimated at around 5,000.

A ministry spokesman said the island's fortifications were blown up before the withdrawal and all supplies and equipment were brought to Formosa.

The entire civilian population, a little more than 2,000, chose to leave rather than come under Red rule, the spokesman told a news conference. All arrived safely in Formosa.

"Not a single person remained behind," he said.

Nationalist spokesmen insisted right up to the end that Nanchishan would be defended.

The operation began at 7 p.m. Wednesday and ended at noon today. Nationalist warplanes flew a protective umbrella over the convoy to Keelung harbor.

Nanchishan, 140 miles north of Formosa and 23 miles off the Red mainland, was the northern anchor of Chiang Kai-shek's chain of offshore island outposts.

Its loss followed by less than three weeks the evacuation of the Tachen Islands, 200 miles north of Formosa. The Tachens were surrendered without a fight after the Reds stormed and captured Yikiangshan, eight miles to the north.

The evacuation of Nanchishan rolled the civil war front southward to the Matsu complex, 100 miles northwest of Formosa and about 20 miles off the mainland. Besides the Matsus, the Nationalists hold only Quemoy Island outside the U.S.—protected Formosa defense zone, which includes Formosa and the nearby Pescadores.

The Matsus are opposite a red port, Foochow, just as Quemoy is off Amoy, another Red port.

The Nationalists decided to abandon three-square-mile Nanchishan because of U.S. refusal to aid in its defense.

The Communists were expected to move into the island quickly just as they did the Tachens after those islands were evacuated with U.S. 7th Fleet assistance.

In the view of Washington officials, Nanchishan had strategic value to the Nationalists as a radar post from which to watch Red air and sea movements along the coast. It has considerable psychological value to the Reds as a place to be exploited as evidence of Communist invincibility in the Far East.

Even while pulling out of Nanchishan, the Nationalists maintained the tempo of their air strikes in the area.

Official reports said Nationalist warplanes last night sank four Communist vessels between Nanchishan and the Tachens. Other planes bombed Red-held Peilungshan, 12½ miles north of Nanchishan.

Col. Hsiung Eng-teh, Defense Ministry spokesman, told the news conference the evacuation of Nanchishan was planned at the same time as the Tachen pullout. The plan was kept secret, he said, for security reasons.

That brought some blunt questions from foreign correspondents regarding frequent statements by Nationalist spokesmen that Nanchishan would be defended.

One correspondent charged the press had been "deliberately misled." Another declared, "You used the world press to fool the Reds." Still another expressed resentment at having been "gratuitously informed" yesterday that Nanchishan would not be abandoned—at the very time the evacuation was in process.

Reporters and photographers went to Keelung harbor this morning to cover the expected arrival of the garrison. After hours of waiting they were told the destination was elsewhere in Formosa.

The civilians, however, were landed at Keelung and quartered in the same schools and buildings that housed the Tachen refugees. Most of those from the Tachens are being dispersed to other parts of Formosa.

Hsiung said there were no Americans stationed on Nanchishan, as there had been on the Tachens.

Light Rains Due In State

By The Associated Press

The weather was clear and cold in West Texas Friday and cloudy and balmy in the rest of the state.

The Weather Bureau said temperatures would rise slightly over the weekend. And weathermen expected some light rain in the state Saturday.

Shortly before dawn, Texas temperatures ranged from 22 at Dalhart to 62 at Brownsville. South Texas temperatures were mostly in the 50s and in the high 30s and 40s in North Central Texas.

Light rain was forecast for almost all the state through Saturday. At midmorning, light rain had fallen at Brownsville, Longview, Laredo and El Paso.

Another cold front is due in the Panhandle Saturday, but the Weather Bureau said it was too early to say how it will affect the rest of Texas.

WEATHER

NORTH CENTRAL TEXAS: Considerable cloudiness this afternoon, tonight and Saturday. Warmer tonight and Saturday. Some light rain, mostly in southeast portion Saturday.

WEST TEXAS: Considerable cloudiness, warmer in Panhandle, South Plains and upper Pecos Valley eastward this afternoon and tonight. Turning colder in Panhandle Saturday. Light rain in Del Rio-Eagle Pass area.

SOUTH CENTRAL TEXAS: Mostly cloudy and mild this afternoon, tonight and Saturday with some light rains. Moderate northeasterly winds on the coast, becoming fresh southeast Saturday.

Land Deal Evidence Found In Eight More Counties By Jury

CUERO, Tex. (AP)—DeWitt County Atty. Wiley Cheatham today said a grand jury probing transactions in the veterans land program had found evidence of questionable deals in eight other counties.

The grand jury Wednesday returned 159 indictments against 6 men, ranging from forgery to giving false notary certificate, in connection with the land sale probe.

Cheatham said the inquiry on which the indictments had been returned involved land in DeWitt, Guadalupe, avala, Dimmitt, Lee and Webb counties.

He said other information found by the grand jury would be turned over to the district attorneys of Wilson and McCulloch counties.

Cheatham said he did not know of any information being forwarded or to be forwarded to the Travis County district attorney.

The six persons named in the indictments Wednesday have made or are in the process of making these bonds:

Cletus Ernster, $27,000, S. Ledbetter, $10,200, Ted Preusser, $8,500, W. T. McLarty, Bryan, Tex., $15,000; T. J. McLarty, Denver, $26,000, and Henry (Shorty) Robinson, $,500.

All are present or former residents of Cuero.

Four state agencies and 13 county grand juries have been probing certain "block" sales in the veterans land program for evidence of fraud.

In Austin, the Austin American said Dist. Atty. Wayne Hartman of Cuero told one of its reporters by telephone that DeWitt County grand jurors instructed that "all information" they had turned up in their veterans land probe was to be turned over to Travis County Dist. Atty. Les Procter.

Hartman was quoted as saying the grand jurors' instructions called for making the information "immediately available."

The Travis County grand jury has also been questioning witnesses in the veterans land program troubles.

By BO BYERS

AUSTIN (AP)—The special House committee investigating the veterans land program was told yesterday former Land Commissioner Bascom Giles traveled in South Texas with a state appraiser once or twice.

The testimony came from T. B. Sullivan, head of the Veterans Land Board legal section. He also said he believes 75 per cent of the "block deals" in South Texas received priority treatment.

Sullivan said it was his understanding that H. Lee Richey, who recently resigned as South Texas appraiser for the board, "made one or two trips with Mr. Giles in that Winter Garden section."

Richey was the appraiser in a number of block deals—those involving several veterans as purchasers—in which the state recently has filed suit to recover money on an allegation of fraud.

Giles resigned as land commissioner Jan. 1. In that capacity he had served as chairman of the Veterans Land Board, on which the other members are the governor and attorney general.

Sullivan, who said some deals were closed over his protest, said it was his "opinion" that Richey "got instructions from Mr. Giles and Mr. Lawrence C. Jackson" on making appraisals for block deals.

Jackson resigned last month as executive secretary of the Veterans Land Board.

Sullivan was one of four witnesses called yesterday. Others will be heard when the committee resumes its inquiry at 2:30 p.m. today.

J. Paul Little of Crystal City declined to testify yesterday and also refused to turn over part of his records on land transactions.

Now a defendant in several of the state's recovery suits, Little invoked his constutional right not to give testimony which might tend to incriminate him.

Little called attention to "some five or six civil suits involving sales under the veterans land program" in which he has been cited. His connection to many of them is "trivial," he said.

Little previously had answered questions of the Senate Investgating Committee in an executive session but said he feels that "I cannot now under the circumstances that have developed volunteer any additional information which might be used against me."

He said he anticipates additional suits being filed against him.

Sullivan and Bill Ennis, a clerk for the Veterans Land Board, testified Richey was one of the few appraisers who was in the state office in Austin much of the time.

Ennis said he had been told many times to give priority to deals that were "distinctly out of chronological order."

AREA OIL ROUNDUP

Wildcats Slated In Four Counties

Operators have announced plans to drill new wildcats in Borden, Dawson, Mitchell and Nolan Counties.

J. D. Wrather, Jr., of Dallas will drill the Borden County project as the No. 1-8 T. J. Good. Location is 660.7 feet from north and 1,980 feet from west lines of 8-32-t3n-T&P, three miles northeast of Vealmoor. That is three miles northeast of Vealmoor. Contract depth is 8,700 feet, with operations to begin at once.

Gulf Oil Corp. No. 1 Jessie Chappell and others is to be an 8,500-foot wildcat 24 miles south of Colorado City in south Mitchell County. Site is 1,980 feet from south and east lines of 39-18-SP, nine and three quarter miles southeast of the Albaugh-Pennsylvanian field.

C. L. Norsworthy, Jr., and R. L. Foree of Dallas will drill a 7,700-foot wildcat 10 miles southwest of Maryneal in southwest Nolan County. Location is four miles northeast ot the McCabe-Pennsylvanian field, 1,980 feet from north and 660 feet from east lines of 52-1A-H&TC.

Union Oil of California will dig the No. 1 Evelyn Daniels as a 7,300-foot wildcat six miles south of Roscoe and two miles west of the Lake Trammell-West E'lenburger field in West Nolan County. Site has been set 660 feet from north and east lines of 93-23-T&P.

In northwest Dawson County, George R. Gibson No. 1 H. E. Wells is to be a 10,000-foot wildcat. A location has been made 330 feet from north and 1,058.9 feet from east lines of labor 30, league 4, Taylor County school land survey. That is about nine miles northwest of Lamesa.

FIELD COMPLETIONS

Humble Oil & Refining Co. has reported completion of No. 14-B-AC-1 J. E. Sorrells in the Diamond M-Wolfcamp field for a 24-hour pumping potential of 37.89 barrels of 44.6-gravity oil plus 90 per cent water. The oil is coming through perforations at 5,460-464 feet, and production is natural. Top of the pay was at 5,460 feet, with casing cemented at 5,514 feet.

Drillsite is 660 feet from south and 990 feet from west lines of 97-25-H&TC.

C. T. McLaughlin No. 13 Wellborn, Sharon Ridge 1700 project, pumped 40 barrels of 26.3-gravity oil plus 57 per cent water in 24 hours on the final test. The production is through perforations at 1,750-777 feet, where 5,000 gallons of acid had been used. The well is 990 feet from south and west lines of 162-97-H&TC.

Honolulu Oil No. 5 Newman Brothers, drilled in the SMS field of northwest Kent County, pumped 134 barrels of 40-gravity oil with no water in 24 hours. The production is natural through perforations at 6,057-066 feet. Gas-oil ratio was 296-1.

The well is 330 feet from south and east lines of section 2, scrap file 12660, J. B. Ward survey.

DRILLING REPORT

Ada Oil No. 1 R. H. Odom, Scurry wildcat, is drilling in lime and shale below 4,094 feet.

In Kent County, Sunray and Seaboard No.4 Spikres is drilling in lime and shale below 4,375 feet.

Magnolia No. 1 Jesse York in east Borden County is drilling in shale below 6,702 feet. Tennessee No. 1 Fambrough is continuing to pump for tests. A 24-hour test returned 33.16 barrels of fluid, one per cent water and one per cent basic sediment.

Progress Of Rotary Cited

Delbert Downing, manager of the Midland Chamber of Commerce and member of the Rotary Club there, was main speaker last night for the Rotary Club ladies night program here.

Downing spoke on 50 years of progress in the Rotary Club, now celebrating its golden anniversary.

Rotary, Downing said, was begun in Chicago in 1905 by a lawyer, Paul Harris. At that time, Rotarians had only a selfish motive in their club, in that members joined together in trading with each other and influencing their friends to do the same. Later, however, the club adopted the motto, "Service Above Self," and began to take on projects for the good of the community.

There are now 8,509 Rotary Clubs throughout the world.

Rex Miller, president of the club, served as toastmaster.

The club next week will hold its regular meeting in the high school cafeteria as a part of the schools' Texas Education Week observance.

House Approves Bill To Give Exemptions To Women On Juries

AUSTIN (AP)—The House approved overwhelmingly yesterday a bill to give women sweeping exemptions from jury service that would otherwise be required by a constitutional amendment adopted last year.

There was no immediate effort to gain final passage.

Other House action included passing and sending to the Senate a compromise uranium leasing bill after two days of bitter debate. The final vote was 98-42.

The Senate met only 20 minutes, heard introduction of four bills, including one to require all college students to take a course in American history, and then adjourned for the weekend. The House also quit for the weekend.

Rep. DeWitt of Corpus Christi, author of the women jurors bill, said House amendments had so riddled his measure that probably not more than 10 per cent of Texas women would be obligated for jury service.

March Of Dimes To Benefit From Games

The March of Dimes will benefit from three basketball games to be played tonight in the Hermleigh High School gymnasium.

Two of tonight's games will match teams from the City League in the opening games of a tournament. The third game will be played with a Negro team from Colorado City.

Play will start at 6 o'clock, with admission prices a donation to the March of Dimes.

Tax Views Of West Texans Vary In House

By EDWARD H. HARTE
Daily News Austin Bureau

AUSTIN — Two divergent views of progress in taxation were expressed by West Texas members of the House Revenue and Taxation Committee this week.

Rep. W. G. Kirklin of Odessa, vice chairman of the committee, sees no delay or cause for alarm.

"We're starting hearings soon on some serious tax measures," he said. "The first is the beer tax, set for March 2."

Kirklin believes that both the beer tax and his proposed 1-cent tax on cigarettes will pass. He doubts that Rep. Jerry Sadler's 1-cent-per-gallon on all gasoline at the refinery will pass. And he thinks none of the taxes on natural gas will get anywhere. "We get some of them ever session," he said. "They never stand up."

Kirklin buys the Governor's program in its entirety, including the highway spending, and believes the Legislature will raise the money to put it over. Estimates of the need for new taxes range between 135 and 160 million dollars for the next two years.

"If we say our roads are all right as they are and do nothing for another two years, I'm afraid we'll find that by the time the Legislature meets again maintenance of our rural roads has fallen off and our main arteries are overcrowded."

He does not believe the 2-cent gasoline tax will pass.

* * *

Rep. L. L. Armor of Sweetwater, also a member of the Revenue and Taxation Committee, sad he feels the Legislature hasn't been very serious about taxation as yet.

The only tax bills he thinks will pass are the cigarette and beer taxes. Of the two, he favors the beer tax.

"Both are about 25-cent items," he said. "The state presently taxes beer about three-fifths of a cent, but cigarettes four cents."

* * *

Rep. Robert R. Patterson said responses to his poll of Texas district judges for their ideas on judicial redistricting revealed that most of them favor the plan put forth last session by the judges and the bar association, which failed.

It has been introduced again as House bill 536 by Yancy.

C. T. McLaughlin of Snyder and R. M. Wagstaff of Abilene visited in the House Thursday. Also visiting in Austin this week were Sen. David Ratliff's wife and his son Johnny, both of Stamford.

Cub Pack 27 Holds Blue And Gold Banquet

Cub Pack No. 27, sponsored by the First Methodist Church, held its annual Blue and Gold banquet in the Fellowship Hall of the church.

Attending the event were 145 Cubs and parents. Guests were the Rev. and Mrs. Lenol Hester.

Tommy Graves, Cubmaster, presided. He was assisted by O. B. Lindsey, assistant Cubmaster.

Den mothers for the pack are Mrs. Frank Feather, Mrs. Harold Bennett, Mrs. Tommy Graves, Mrs. James Babcock, Mrs. H. H. Bearden and Mrs. C. W. Meyer.

Fine Is Assessed In County Court Here

Jesse Otis Bunch, 30, Rig Motel, paid a fine of $48.50, including court cost, when he pleaded guilty this morning to a county court charge of driving while his license was suspended.

Bunch was arrested yesterday by Bill Zimmerman, highway patrolman.

Bunch pleaded guilty in county court here Feb. 3 to a charge of driving while intoxicated and paid a fine of $73.50, including cost, and was sentenced to three days in jail. His Colorado driver's license was suspended at that time.

Students estimate that 750,000 Americans will lose their sight before they die.

Woman Wants Death Penalty For Slayings

HOUSTON (AP)—Pretty Ann Williams, who says she strangled her two young sons and then dismembered their bodies, hopes to end her troubles in the electric chair, she told police.

Should the attractive red-haired woman be executed, she would be the first woman to die in Texas' electric chair.

"I wish they'd electrocute me and get it over with," she told Dr. C. A. Dwyer, Harris County psychiatrist, yesterday.

Dwyer said two examinations had convinced him the Pasadena, Tex., dime store clerk is "absolutely sane" although "running from reality."

"She has poise and bearing," he said, ". . . above average intelligence."

The bodies of her two sons—Calvin, 9, and Conrad, 8—were found Tuesday night in a shallow grave near Algoa, Tex., in adjoining Galveston County. A young friend of Mrs. Williams unwittingly buried the bodies after she told him the four bundles contained spoiled venison.

At present the woman faces four murder charges, two here in Harris County, where she says she killed the boys, and two in Galveston County, where the bodies were found. Prosecutors decided last night, however, that Galveston County would handle the case.

Mrs. Williams, 28, broke down and cried several times as Dwyer questioned her in her jail cell yesterday. The psychiatrist described her as belligerant at first. "I'm not going to answer," she told him. "Everything I say will be used against me. I know there's something wrong with me."

"I thought I was doing the right thing," she answered when Dwyer asked if she believed she had done anything wrong. She has said she dreaded having the children grow up in poverty as she had done. She also said other children had taunted her boys because their father was in a federal prison for interstate transportation of a stolen automobile.

Lost 72 Pounds With Barcentrate

"I lost from 220 pounds to 148, taking Barcentrate," writes Mrs. Rose Collins, 228 Lenox Street, Houston 11, Texas. "I can now get around so much better and clothes fit nicely now."

"I can't say enough for Barcentrate," writes Mrs. Chess McLean, 206 South Robinson, Cleburne. "I lost 16 pounds using four bottles."

If the very first bottle of Barcentrate doesn't show you the way to take off ugly fat, return the empty bottle for your money back. At all Texas druggists.

Heavy Door Tagged

WASHINGTON (AP) — Many persons have wrestled in vain with the heavy door to the Senate Agriculture Committee room and turned away believing it was locked. The staff now has placed on the door a sign which reads: "Door Unlocked. Push Hard."

BEAUTICIANS VISIT SHUT-INS

Being confined to a wheel chair doesn't keep Mrs. C. T. Glenn, 1012 Thirtieth Street, from enjoying a morale-lifting beauty treatment each week. Pauline Johnston, shown above with her, visits her periodically to do the work. Snyder beauticians are observing National Beauty Salon Week this week along with beauticians throughout the nation, partly to call attention to such services rendered without charge by hairdressers and cosmetologists throughout the year. Special projects this week have included visiting local hospitals and the homes of shut-ins to give manicures, shampoos and sets, and other similiar services. (Lee Watson photograph).

WOMEN

Quinn Likes American Way Best

By BOB THOMAS

HOLLYWOOD (AP) — Anthony Quinn is back after a couple of years of making films abroad and he has a new appreciation of Hollywood.

Says the Oscar winner: "In Europe, they make pictures to live. Here we live to make pictures."

Quinn returned for a difficult role in "The Brass Ring," but he doesn't seem to mind the hard work.

"The 9-to-6 routine is stimulating," he said. "I had almost forgotten how seriously we take our work here. It's good.

"The method of making pictures in Itay is alluring. You show up on the set around noon and work at a leisurely pace until 8 in the evening. Then you go to some lovely outdoor cafe and have a fine time. It hardly seems like work at all.

"But I like our way better. Here you feel as though you're doing something important. Over there, they seem to make movies only as a way to 'earn a living."

Quinn went on to defend American culture.

"Europe is supposed to be the center of culture," he remarked, "but I notice it is the Americans who buy up the old masters and bring them here.

"In Rome there is no real theater. There are a few places that offer plays, but they would be considered off-Broadway houses in New York. Only Vittorio Gassmann is attempting anything really important on the stage.

"Opera is supposed to be big over there, but the opera companies are barely getting by. None of them is on a scale of the Metropolitan.

"And I don't think we have to make any apologies for our movies, either. A picture like 'On the Waterfront' can compare with the most artistic of the European films."

Where American films fail, Quinn feels, is in attempting an assembly-line production of too much product. But he thinks that this is becoming a thing of the past "now that the creators are taking over."

He referred to the growing tendency for top directors, producers and stars to set up their own units with virtual autonomy. Quinn himself is establishing his own production company.

Mrs. Edmonson Is Auxiliary Hostess

Mrs. Della Edmonson was hostess to the North Side Baptist Church Women's Auxiliary last night in her home.

Participating in a program on Friendship were Mrs. Austin Jones, Mrs. Willard Gladson, Mrs. Harold Goforth and Mrs. Cecil Caswell. Refreshments were served by the hostess to 16 Auxiliary members and one guest.

Demonstration Given In Color Selection

A demonstration on color selection in clothing was given Tuesday afternoon by Ruby Butts, home demonstration agent, for the Fluvanna 4-H Club. Four new members were welcomed into the club, with 17 other members attending. Margaret Ann Miller is to be hostess for the next club meeting.

Second Prayer Day Observance Is Set Tonight

The second of two World Day of Prayer observances here will be held at 7:30 tonight in the First Christian Church. This program and a morning meeting were arranged by United Church women to mark the worldwide special day.

Mrs. E. L. Kubala will be organist for this evening's program, opening the service with "Holy, Holy, Holy." Mrs. Billie Youree will give the call to worship and adoration, to be followed by a duet by Mrs. R. B. Fulcher and Mrs. Bill Ballard. Mrs. Harry Lee will direct the scripture reading and meditation.

Projects to be undertaken by the general department of United Church Women of the Council of Churches of Christ in the U.S.A., will be outlined and an offering taken for them before the meeting is closed with the benediction.

Bride-Elect Is Shower Honoree

A bridal shower honoring Juanita Wilson, bride-elect of Charlie Eckert, was given Tuesday night in the home of Mrs. Owen Dickey on the Roby highway.

Miss Wilson is the daughter of Mr. and Mrs. Jim Wilson, route 2. Mr. Eckert is the son of Mr. and Mrs. Miles Eckert of Fluvanna. They are to be married March 11.

Refreshments of cake, coffee and punch were served to about 35 friends and relatives during the evening.

Artist Finds Her Work In Houston Museum Enjoyable

HOUSTON (AP) — As a little girl Ruth Pershing Uhler dreamed of being an artist surrounded with paints, brushes, easels and canvases.

Although she did have her own studio for many years, Miss Uhler says she would much rather have her present position of curator of education at the Houston Museum of Fine Arts because she enjoys it tremendously. One can frequently find her in the museum as early as 7:30 a.m. and as late as 11 p.m.

Miss Uhler joined the museum staff in 1938 to teach two classes in design. She was named curator of education in 1941.

In the years since then she has done almost everything connected with the museum's program except handle memberships. She knows where everything is located and is often interrupted during a conference to help someone find an article.

As curator of education, she directs the museum's art school which offers classes for adults, high school and teen-age students and children. There are 14 day and evening classes which include design, drawing, painting, encaustics, still life and portraits and jewelry.

Miss Uhler teaches only one class now—a painting and design course for museum members and the college women's art group.

Of the many museum activities her pet is the art cart project for patients at the Veterans' Hospital. She sends exhibits to the hospital and museum volunteers wheel them through the wards, giving talks on artists and exhibits.

A native of Pennsylvania, Miss Uhler came to Houston in 1909 with her parents. She returned to Pennsylvania in 1914 to attend the Philadelphia School of Design for Women. After five years of study she opened a studio in Philadelphia where she painted and taught.

She returned to Houston in 1926 and opened another studio. For two years before joining the staff of the Houston museum she had a studio in Santa Fe, N. M. While there she did a series of nine paintings she calls "earth rhythms."

In 1934, she painted the mural for the Central Library, called "the first subscription committee." In 1940 she assisted in painting the mural on the ceiling of the City Hall in Kansas City and the ceiling of the Rozelle Court in William Rockwell gallery.

A genial person, Miss Uhler is a good cook too. She specializes in dishes seasoned with wine and those that require a long time in cooking.

NEWS FROM DUNN

By ELWANDA STEWART

Mr. and Mrs. Paul Johnston of Houston visited recently with her parents, Mr. and Mrs. C. A. Moon.

The Rev. Harvey Carrell of Wink attended funeral services for J. T. Biggs here Monday afternoon and also visited his sister, Mrs. Paris McPherson, and family.

Mr. and Mrs. Carol Locke and children of Snyder visited Mr. and Mrs. Jessie White Sunday.

The RA and GA groups met at the church Tuesday for their regular programs with their sponsors, Mrs. Ray Linsford and Mrs. Buck Woolever.

Mrs. Eddie Harbough of Roswell, N.M., is visiting this week with her mother, Mrs. W. S. Linsford, and her brother, R. C. Linsford, and his family.

Mr. and Mrs. J. B. Adams, Jr., of Lamesa spent Thursday night with Mrs. J. B. Adams.

The Annie Armstrong home mission program is to be held Monday at the Union Baptist Church. An all-day service is planned, with a covered dish luncheon at noon.

A group of women from the Union Baptist Church visited Wednesday evening with Mrs. Ruthie Davis to wish her a happy birthday on her eighty-first birthday. They presented her a birthday cake on behalf of the church.

Mrs. Adrian Sanders has entered a Houston hospital for what is expected to be a long period of treatment.

Ever add a little powdered thyme to hamburger meat? It's good!

There's something extra-special about meat loaf when you frost it with cream mased potatoes and put it back in a very hot oven so the tipes of the potatoes are tinged with golden-brown.

FINE FOR LENT
. . . old-fashioned macaroni and cheese

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5486.

Are you acquainted with old-fashioned macaroni and cheese? The custardy kind in which cooked elbow macaroni is baked with a full-flavored cheese, eggs and milk. If this dish was served at your house when you were very young, you'll probably pounce on this recipe. If you do not know it as an old-time standby, follow these directions and see what you've missed.

One of the requisites of this macaroni casserole is to use a fine-flavored natural cheddar cheese. Shred the cheese on a grater that is on the coarse side because semi-soft cheese will cog a fine grater. For the size of the baking dish specified, you'll find that a square cake pan, 9 by 9 by 1¾ inches deep, is fine for the water bath that helps keep the macaroni and cheese at its custardy best.

OLD-FASHIONED MACARONI AND CHEESE

1 tablespoon salt
3 quarts boiling water
2 cups (8 ounces) elbow macaroni
2 cups grated sharp cheddar cheese, packed down
3 eggs
2 cups milk
1 teaspoon Worcestershire sauce
3 tablespoons minced onion, pulp and juice
¼ to ½ teaspoon salt

Add one tablespoon salt to rapidly boiling water. Gradually add macaroni so that water continues to boil. Cook uncovered, stirring occasionally, until tender. Drain in colander; turn into 2-quart ungreased casserole. Add cheese and mix well; fingers are best here. Beat eggs vigorously a few minutes; add milk and beat enough to combine. Stir in Worcestershire sauce, onion and ¼ teaspoon salt. Taste and add more salt if desired — depending on saltiness of cheese. Add to macaroni and cheese and mix well. Place casserole in pan of very hot water, have water come up sides of casserole as far as possible. Bake in moderate oven 1½ hours or until knife inserted in center shows you custard mixture is set. Makes six servings.

WHAT'S GOING ON

Recent visitors in the home of Mr. and Mrs. L. D. Rutledge, 503 Thirty-fifth Street, were Mrs. H. Simpson of Hobbs, N.M., Eleanor Simpson of Fort Hood, E. W. Simpson of Hobbs, and Mr. and Mrs. Jack Simpson of Spokane, Wash., Jack Simpson has just returned from Guam where he was stationed for some time.

Mrs. C. E. Trussell, 2311 Twenty-seventh Street, spent the past week in Fort Worth with her son and daughter-in-law, Mr. and Mrs. Dale Glover. Mr. and Mrs. J. H. Trussell of Hale Center joined them there Sunday to celebrate Mrs. C. E. Trussell's birthday.

Mr. and Mrs. C. H. Whittington and daughter of Denison are visiting this week in the home of Mr. and Mrs. Henry Biddy, 910 Twenty-sixth Street.

Mr. and Mrs. Clarence Myers of McCamey spent last weekend with Mr. and Mrs. Lester Gladson, 1005 Twenty-first Street, and Mrs. Hettie Gladson, 3000 Thirty - eighth Street.

Mr. and Mrs. Foy Higgins of Fort Worth spent the weekend visiting their daughter and son-in-law, Mr. and Mrs. A. W. McCarley, 1106 Twenty-fifth Street.

Mrs. Van Meador, North Avenue R, has been transferred to Methodist Hsopital in Lubbock by Bolger ambulance. Mrs. Meador had been hospitalized in Cogdell Memorial Hospital here.

NEWS FROM CANYON

By MRS. MARGARET RILEY

About 17 men from this community met at Kenneth Smith's farm Monday to break his land. Mr. Smith has been hospitalized for several weeks and is unable to work. McCormick & Sons of Snyder furnished fuel for the tractors. Several women of the community served lunch at the Smith home.

Mr. and Mrs. Alton Sumruld and sons and Huston Kimbrell and family attended the basketball game in Snyder Saturday.

Mr. and Mrs. Weldon Ford of Abilene, Sue Wishert of Ira and Betty Koonce of Snyder attended services at the Canyon Baptist Church Sunday.

Visiting Mr. and Mrs. Bruce Kerley Sunday were Mr. and Mrs. W. C. Kerley of Hermleigh and Mr. and Mrs. Garth Boyles and Jo Etta of Snyder.

Guests of Mr. and Mrs. Ed Taylor Sunday were Bobbye Taylor and Betty Taylor of Lamesa, Mr. and Mrs. J. R. Meadows and daughter of Fluvanna, Mr. and Mrs. S. D. Hayes, Jr., of New Mexico, and Mrs. Ethel Lynn Mitchell and Billie of Lamesa.

Mrs. R. E. Adams went to Hermleigh Friday to visit Mrs. Wayne Rogers. There she met her sister, Mrs. G. O. May, of Sweetwater.

Mrs. Laura McKay and Vera McKay of Abilene and Mr. and Mrs. Raymond May and family of Hermleigh visited Mr. and Mrs. R. E. Adams Sunday. Mrs. Adams spent Monday with Mrs. T. J. Weaver in Snyder.

Mrs. Myrtle Burrow, Mrs. L. F. Stirling, Mr. and Mrs. T. M. Pherigo and Mr. and Mrs. R. E. Adams attended funeral services for J. T. Biggs at Union Monday.

Visiting Mr. and Mrs. L. F. Stirling Saturday night were Mr. and Mrs. Marshall Martin and their four sons from Levelland.

Mr. and Mrs. John Layne visited recently with Mr. and Mrs. Tom Holmes in Snyder.

Mr. and Mrs. Jud McGaha have had as guests Mr. and Mrs. Joe McGaha of Levelland.

Mr. and Mrs. Bill Labenske and Debby spent the weekend with Mr. and Mrs. Wesley Labenske and Mr. and Mrs. Noah Pruitt, Sr., in Bronte.

Among those attending the ball game in Ira Monday night were Mr. and Mrs. Nathan Shepherd, Mr. and Mrs. Ed Taylor, Mr. and Mrs. Sam Martin, Mr. and Mrs. Alton Sumruld, Mr. and Mrs. Jud McGaha, Gerald McGaha, Mr. and Mrs. Jim Stirling, Mr. and Mrs. Orville Taylor, Mr. and Mrs. Grady Moore, Huston Kimbrell, Clifton Thomas and Mr. and Mrs. Kermit Ford.

Pampa Tries For Trip To State Meet

By JOE BENHAM
Associated Press Staff Writer

Dallas Crozier Tech, sure of a second straight trip to the state basketball tournament, leads the list of interested observers Friday as Pampa tries for a third straight journey to the Austin meet.

Tech wrapped up its bid to the March 3-5 competition with a 48-35 victory over Fort Worth Polytechnic Thursday night. The victory was Tech's second straight in the best-of-three bi-district series.

Pampa, winner of two straight AAAA and the team that beat Tech in last year's finals, seeks a similar decision against El Paso Jefferson at Pampa.

The Harvesters of District 1-AAAA hold a one-game advantage over the 2-AAAA champions as a result of a 58-43 victory in the opener of their best-of-three bi-district series Tuesday night.

If a third game is necessary, it will be Saturday night at Pampa.

The other teams finished up bi-district competition last night with victories that meant bids to the state meet.

Beaumont of District 8-AAAA finished off Houston Jeff Davis of 7-AAAA 46-36 and Kilgore's 4-AAA titlists whipped Sherman of 3-AAA 80-70.

Beaumont's victory gave the Royal Purple its first trip to Austin in 27 years. The Purples led all the way, stretching a 10-8 lead at the end of the first quarter to 26-15 at halftime and 32-25 at the three-quarter mark.

Max Kimmel's 23 points led Kilgore to its second straight decision over Sherman and the Bulldogs' 30th victory of the year against two defeats.

Sherman took its third defeat of the year after compiling a 26-1 regular season record.

A .C. Black, Crozier Tech's skyscraping center, paced the Wolves to victory over Poly with 17 points. It was the second straight year for the 4-AAAA Wolves to beat Poly's 3-AAAA champs in post-season play.

In other games Friday night, Waco of 5-AAAA and Laredo of 6-AAAA renew their 3-game series at Laredo. Waco took the first game 58-38 Tuesday night.

Plainview of 1-AAA, 7-62 victor over Brownwood in the first game of their series, moves to the 2-AAA team's home court to continue the competition.

Tigerettes Win In Big Spring Meet

The Snyder High School Tigerettes were to meet Fort Stockton in the second round of the Big Spring volleyball tournament at noon today after winning out in the first round.

The Snyder girls first round team downed Monahans 31-26 last night. It was the Monahans team which last week defeated Andrews before the Andrews team beat Snyder in the Odessa tournament.

The Tigerettes led most of the way in the game. At halftime, they were ahead 23-10. During the second half, with about three minutes to go in the game, they were leading by only one point, but they moved on out for the five-point win.

Sandra Scott and Carla Swan led Snyder scoring with nine points each, while Oneta Forguson had five, Ramona Thompson and Carol McKinney three each, and Lynda Smith two. One regular starter, Mickey Gillean, was out because of illness.

The locals, by winning today, could advance farther and have a game tomorrow afternoon in the tourney. There are 21 teams entered. Mrs. Bertie Machel coaches the team.

In other games yesterday afternoon, Sweetwater won over Bg Spring junior high, Imperial took Andrews, Levelland won over Pecos by forfeit, Lamesa defeated Big Spring B, and Fort Stockton downed Forsan.

Howard County Goes To National Meet

AMARILLO, Tex. (AP)—Howard County Junior College of Big Spring will represent Region 5 of the National Junior College Athletic Assn. in the national basketball tournament next week at Hutchinson, Kans.

Howard County won the regional tournament here, defeating Connors (Okla.) A&M 69-68.

Marciano's Match With Cockell Set

NEW YORK (AP)—Everything is set for Rocky Marciano to defend his world heavyweight title against Don Cockwell, a pudgy Englishman, May 19 at San Francisco's Kezar Stadium. Only the formal signing remains.

All the financial details were ironed out yesterday at a conference in the office of Jim Norris, President of the International Boxing Club. Marciano will get 40 per cent, Cockell 20 per cent of gate recepts and any extra TV or movie money.

Marciano was due down from camp at Grossinger, N.Y., to sign the papers before the British heavyweight and his party return to England. They are booked to sail tomorrow.

In case Cockell should upset the champ, there is a rematch clause in the agreement calling for another match within 90 days with each fighter getting 30 per cent.

Although Norris held out a shade of doubt about San Francisco as the positive site, promoter Jimmy Murray, who will join with the IBC in staging the scrap, has been naming dates for weeks. It is likely the fight will be seen only on theater television although those details still must be arranged.

ABOVE THE BLEACHERS

By DALE WALTON

Bill Herring of Snyder is one of two lettermen returning from last year's Border Conference championship tennis team at Hardin-Simmons.

Herring and Donnie Campbell of Brady took the Class B division doubles last year, while Herring took the singles title in that division.

Otho Polk, H-SU tennis coach, has four others on his tennis team. They are Jerry Goad of Sweetwater, former team member returning from the Air Force; Freddie Kniffen, freshman from Clyde who took the Class A singles in the state meet last year; Jerry Caddell of Colorado City, squadmen on last year's team; and Tucker Graham of Glendale, Cal., transfer from Glendale Junior College.

The team has matches scheduled at 10 places before going to the Border meet at Tempe, Ariz., in May.

• • •

The Sweetwater school board may be ready to pick a successor for Pat Gerald soon. Its next regular meeting comes up March 10, and a coach is needed for spring training there. Gerald will probably be busy planting a crop during spring training time. He's a farmer now, you know.

• • •

Midland and Big Spring track teams, both of which will be here March 12 for the third annual Canyon Reef Relays, held a dual meet the other day.

Kenneth Shrum of Midland got a time of 10.3 on the 100-yard dash, which is not bad for this early time. He ran 23.1 on the 220, while a teammate got 53 seconds on the 440. On the mile run, Fuller of Big Spring ran 4:53.8.

Midland's mile realy team finished in 3:42.2. On the pole vault, Midland's Larry Palmer lifted to 12 feet, four inches, which is better than the Canyon meet's record of 11 feet, six inches.

That's the only record in the local meet Midland has bettered so far, but many of the teamsters are getting close to the records.

The Midland team may be quite a contender for the title in the relays here this year.

Suggs Leads Fem Tourney

SARASOTA, Fla. (AP) — Louise Suggs was riding high in the Sarasota Women's Open Golf Tournament today while her old rival, Babe Zaharias, sat on the sidelines, a victim of illness and exhaustion.

The Babe, in bed with a virus attack the first three days this week, struggled through Thursdays opening 18 rounds. Then her husband, George Zaharias, said she was withdrawing from the tournament on doctor's orders, but that she would resume her golfing "after a good rest."

Miss Suggs zipped over the 6,282-yard par-74 Bobby Jones course in 67. She had a 3-stroke lead over Betty Hicks of Palm Springs, Calif.

Miss Suggs sank a 40-foot put for an eagle, piled up five birdies and was never over par for any hole.

After these two the field bunched up. Jackie Pung, playing out of Cincinnati, Betty Jameson of San Antonio, Tex., and Carol Bowman of Oakland, Calif., tied at 72.

In another tie at 72 were Patty Berg of Chicago, Marilynn Smith of Wichita, Kans., Betty Rush of West Palm Beach, and the low amateur, Pat Lesser of Seattle.

The 72-hole event ends Sunday.

Zaharias said the Babe should not have played at Miami Beach last week or tried to play here, but that she felt she should because she was defending champion.

He would not guess how long the Babe's withdrawal might last, but added: "It won't be long. She is not thinking about anything else but golf, but she needs a good rest."

The Babe herself said: "I tried my best to compete but, man, I do feel awful."

Outfielder Del Ennis of the Phillies failed to get a base hit in 26 times at bat against Milwaukee Brave pitching n Philadelphia in 1954.

Horned Frogs Have Better Grid Team

FORT WORTH — If no ill luck befalls Charles (Chuck) Curtis, the gangling junior quarterback from Gainesville, the TCU football team of 1955 is going to be "very good."

Such was the verdict of Coach Abe Martin at the conclusion of spring practice this week after a delay because of bad weather.

On the plus side, the Frog skipper listed these items: Great improved passing and receiving; stronger line play; two very happy switches in top personnel; deeper, more experienced reserves.

The passing game was No. 1 on Martin's program. Last fall, the Frogs hit only 44 of 123 passes for 737 yards, an all-time low for a Christian team. Improvement in that throwing department was listed as a "must."

With the six-foot, three-inch Curtis on the mound and with such receivers as O'Day Williams, Jim Cooper, Don Sanford and Ray Taylor showing sharp improvement, the Christian passing looked much more potent this spring.

But that fact is closely linked with the Frogs' deepest concern. None of the other lads tried at quarterback approached Curtis in passing, ball-handling and play selection. The most promising understudy was Frank Windegger, a junior holdout from St. Louis.

"To be really good next fall," Martin said, "Curtis will have to stand up all the way. I know most good teams are 'one quarterback' outfits and we may be too. However, I was pleased with Windegger and maybe one or two others will develop. Right not, it's Curtis, period."

The personnel changes that were so pleasing sent Vernon Hallbeck, junior from San Benito, from guard to fullback, and Joe Williams, junior from Greenville, from center to left guard. Their work was outstanding all spring.

Hallbeck, a 210-pounder with terrific drive, held the No. 1 spot all the way. Right now he's a sure starter. With Buddy, Dike, the fine soph performer of 1954, still doubtful because of that kidney injury, Hallbeck gives the team top insurance.

The switch on Williams, a blond 210-pounder of fierce spirit, seems to have "made" the line.

On the No. 1 line, which was impressive in all departments were Capt. Bryan Engram and O'Day Williams at ends; Norman Hamilton and Dan Cooper at tackles; Joe Williams and Jay McCullough at guards and the great Hugh Pitts at center. All are lettermen.

A second line, made up of Everett Salley and Don Sanford at ends; Dick Laswell and John Groom at tackles; Bill Yung and Vernon Uecker at guards; Jim Ozee at center, also flashed promise. Groom and Ozee are sophs and the others lettermen.

Among the players who caught Martin's eye during the drills were Harold Pollard, junior fullback; Jimmy Shofner, soph halfback; Orville Neal, squadman tackle. And he was much impressed by a group of small, fast halfbacks.

Virgil Miller of Anna, Carlos Vacek of Tidehaven, Fred Armstrong of Sweetwater, Joe Allison of Henderson drew special priase.

Demaret Is Leading In Houston Open

HOUSTON, Tex. (AP)—Jimmy Demaret, who has broken par only six times in 25 rounds in the eight-year-old Houston Open, was the surprising leader today as the second round began in the winter tour's richest tournament.

Demaret took four strokes off par on the back nine yesterday to post a 6-under 66 for the 7,200-yard Memorial Park course.

Ed Furgol, National Open champion from St. Louis, was the only other player to match Demaret's 32 on the final nine and for the first time in the history of the tournament the colorful Jimmy led the field.

The 66 left Demaret one stroke ahead of Bill Trombley, of Dallas. Tied at 68 were Furgol, Jack Burke Jr., who works with Demaret at Kiamesha Lake, N. Y., and Wesley Ellis, young Riverside, N. J., pro making his first swing of the winter tour.

In seven previous tournaments, Demaret, 44, has finished no higher than third and has collected only $1,611 in prize money. He finished 73rd last year.

But he had his putter working beautifully yesterday.

He missed five greens on the front nine but made the turn with a two-under 34 by taking birdies on the first green with a 25-foot putt and on the eighth with two putts.

Eight strokes off the pace at 74 were Dave Douglas, the defending champion from Newark, Del., and Cary Middlecoff, the pretournament favorite from Kiamesha Lake.

Rex Baxter Jr., Walker Cup alternate from the University of of Houston, was the day's leading amateur. Grouped with him at 69 were Doug Ford, Kiamesha Lake; Eric Monti, Los Angeles; John Barnum, Grand Rapids, Mich.; Joe Jiminez, Midlothian, Ill.; Mike Dietz, Lake Orton, Mich., Tom Burke Jr., Pasadena, Tex.; and Ed Carpenter, San Antonio.

Turman Wins 10-Rounder Over Harvey

DALLAS (AP)—Buddy Turman of Tyler dropped Sporty Harvey three times in 10 rounds last night to cop a unanimous decision over the San Antonio Negro.

Some 2,252 fans watched as Turman took the decision in the first mixed boxing match held legally in Texas.

Turman, trimmed to 177 pounds, spotted the veteran San Antonio truck driver 19 pounds but never was in danger although Harvey landed more than a half dozen jolting body punches in the close-in battling.

Turman fought his best at long range, using his strong left hook with telling effect. He caught Harvey with the punch midway the first round and that was enough to teach Harvey he had to stay in close.

Harvey carried the fight to Turman in the second and drove the white boxer into the ropes with body punches.

The 8-round semifinal stole the show with unbeaten George Carter of Fort Worth scoring a unanimous decision over LaMoine (Babe) Vance of Quinlan.

Henry Miramontes, former Texas Golden Gloves bantamweight champ, spotted Selso Hildago, 125-pound San Antonio veteran, seven pounds and went on to score a unanimous decision.

Henry Johnson, Dallas Negro welterweight, racked the only quick decision of the card by scoring a first round technical knockout over Tony Castillo of San Antonio.

In the 6-round opening match Gilbert de la Garza, 158, San Antonio, posted a unanimous decision over a New Orelans veteran, Buster Price, 162.

C-City Wins Loop Title

Colorado City's girl basketball team took the title of District 2A-4 last night in a game with Rotan here.

The Colorado City team won 42-3 and is now preparing to go into a bi-district game with Burkburnett. C-City and Rotan had played two games of the two-out-of-three series, with each team winning one.

The lead switched several times. Rotan led 17-11 at the end of the first quarter, while C-City had a 27-23 lead at the half. Rotan was back on top again as the third ended, 35-34, but C-City managed to move out front in the final period and win by three points.

Kay Stewart and Juanell Bynum led C-City scoring with 1 points each, while Jane Hargrove led Rotan with 23, followed by Nelda McCright with nine.

Two Alternates On GG Chicago Team

FORT WORTH (AP)—At least two alternates will box with the Texas Golden Gloves team that goes to Chicago's Tournament of Champions next week.

Billy Bruton, Austin light heavyweight stationed at Bergstrom Air Force Base, will take the place of Art Belback, TCU student who decided to concentrate on his studies.

Belback was to have taken the place of Roy Harris, Cut and Shoot, Tex.l who was the light heavyweight champion.

Harris is going to Chicago and box as a heavyweight. Jack Hale, the Texas heavyweight titlist, could not leave Baylor because of his studies there.

The Texans leave here Saturday for Chicago. The tournament is set for Monday, Tuesday and Wednesday nights.

Other Texans making the trip, all champions, are Flyweight Anastacio Mendoze, El Paso; Bantam Frank Valdez, San Antonio; featherweight Reynaldo Terrazas, El Paso; Lightweight Jake Martinez, El Paso; Welter Melvin Barker, Austin, and Middleweight Tommy Barron, Dallas.

Hoyt Wilhelm, kunckle-ball relife hurler for the Giants, received the Purple Heart during World War II for wounds in the Battle of the Bulge.

City League Tourney To Begin Tonight

Brooks Oil Well Service won two games in the city basketball league last night.

The Brooks team downed Gail 62-40 in a regular league game and took Hermleigh 56-48 after Hermleigh's opponent failed to show up.

That rounded up practice play in the league, which will start a double elimination tournament in the Hermleigh gymnasium at 7:15 o'clock tonight.

In Brooks' game with Gail, the Brooks team was leading 30-17 at halftime. Bobby Shipley led scoring for the team with 30 points, while James was leader for Gail with 18. In the game with Hermleigh, the Brooks team had a bare lead of 27-24 at halftime but managed to increase its lead during the last half. Couch led the team that time with 20 points. Voss led Hermleigh with 16.

Six of the league's seven teams entered the tournament, which will determine championship of the league. In tonight's 7:15 game, Hermleigh will meet Gail, while Chuck Wagon and National Guard will be matched in the second game.

Monday night, the tourney will continue, with Brooks and D&H to meet in one game and the losers of tonight's games to clash. On Tuesday night, the winner of Monday night's consolation game will take on the loser of the Brooks-D&H match, while the winners of Brooks-D&H and Hermleigh-Gail will meet in a second round championship game.

Play will continue in the tournament until next Saturday night.

IRA GETS CAGE CROWN IN DISTRICT 16-B PLAY

The Ira girls got themselves a district basketball title last night, and plans will be made tonight for a bi-district clash with Hobbs.

The Ira team edged out Westbrook 43-41 in last night's game, the second game of a two-out-of-three series. Monday night, Ira had won the first game 59-49.

Last night's game was much closer, with Westbrook almost catching up as the game drew to a close. Ira stalled during the last two minutes.

Leading scoring for the Ira team was Baleria Eubank with 27 points, followed by Peggy Taylor with 12. Don led Westbrook with 20, while Mahan had 13.

Last night's win gave Ira a season record of 29-4. Miss Betty Gandy coaches the team. Its title is in District 16-B.

Hobbs has a 23-6 record. Last week that team took Highland in two games in a series for championship of District 15-B. W. C. Herring is coach of that team.

Ira superintendent Bill Allen said this morning the bi-district game between Ira and Hobbs will be played Monday or Tuesday night.

At stake in the bi-district game will be the right to travel to Canyon next weekend to the regional girls Class B tournament.

Marquette Is Called Most Consistent

By The Associated Press

You can't beat consistency and if Marquette's Warriors aren't the most consistent outfit in college basketball this season they'll do until something better comes along.

The Warriors, No. 5 in this week's Associated Press poll, collared their 21st consecutive victory last night by defeating Notre Dame 84-74. It wasn't quite as easy as some of the others, but Marquette still has the season's longest winning streak in hand after dropping its opener to Michigan State.

Notre Dame had a 37-25 lead at the half and was holding on for a 49-49 tie before Bon Walczyk two foul shots to put the Warriors out front to stay with 11 minutes to go.

Walczyk was high with 27 points.

Maryland and Georgetown got involved in a double-overtime scrap, finally won by the Terps 57-49 as Georgetown managed only a single point in the second extra period.

Furman, the nation's top scoring team, sank 47 field goals—seven more than Maryland and Georgetown combinedwhile clobbering Clemson 124-87 in its final regular season game.

Darrell Floyd, leading major college scorer, had 56 points as the Paladins went over the 100 mark for the 12th time in 26 games. They ended with a 17-9 record.

Hamilton Player

HAMILTON (AP) — Coach Carl Voyles of the Hamilton Tigercats said last night he has signed Franklin Bons, 190-pound end from Austin College, Texas, for the 1955 Big Four Football League season.

Voyles also confirmed reports that Tigercats have acquired Austin quarterback Don Watson, bringing to four the number of players from the Texas College signed by Hamilton. The others are center Jack Taylor and tackle Ken Durham.

All five members of a Norwood, Ohio, bowling team had a 156 average midway through the 1954-55 season.

Jack Anderson Is Palo Duro Assistant

AMARILLO, Tex. (AP)—Jack Anderson, 30, has been named backfield coach of Amarillo's Palo Duro High School at $5,000 a year.

Anderson, a graduate of Oklahoma City University and a graduate student at the University of Oklahoma, is the third Oklahoma coach hired for the new school scheduled to open next fall.

National Hockey League referees handed out approximately 100 minutes more in penalties this season for the first half of the schedule as compared to the same period a year ago.

Sandy Takes On Red Top

By MURRAY ROSE

NEW YORK (AP)—Featherweight champion Sandy Saddler finally takes his crown out of the deep freeze tonight against little old Teddy (Red Top) Davis in a title 15-rounder in Madison Square Garden.

This is the skinny, 28-year-old champion's first title defense in 41 months and he's a surprisingly low 7-5 favorite to beat the 31-year-old ex-railroad cook from Hartford, Conn.

On their records, Sandy (139-12-2) should be at least 3-1 over Davis (59-47-2), the "losingest" challenger of all time. If he wins, Red Top will be the oldest guy ever to capture the 126-pound diadem.

Maybe the odds are so small because virtually everyone has forgotten there's such a thing as a featherweight king. The National Boxing Assn., as a matter of fact, says there isn't. It lifted the New Yorker's crown for not defending it within the required six-month period but didn't name a successor. Tonight's victory, however, will be recognized as champ by the NBA.

There will be $30,000 added to the pot tonight from the radio-television receipts. A crowd of some 7,500 will pay about $30,000 at the gate. Saddler gets 40 per cent and Davis 20.

Saddler, as usual, declined to make any prediction but Manager Charley Johnston wasn't hesitant.

"Sandy will flatten him like a 50-year-old dime," said confident Charley. "What's he got to beat Sandy with?"

"Skill, experience and a solid chin," was the valiant reply of chubby Mushky Salow, Red Top's manager.

"I've been around a long time and I never figured I would ever get a chance at the title," said Davis. "I'm going to beat him. I've just got to. I've been around too long to blow it now."

With so many defeats on his record, including five by kayos, it's not surprising that Red Top never got a shot before.

But get it he did by the very simple process of whipping Percy Bassett in a 12-rounder in the Garden last Nov. 26. Percy was the No. 1 contender then and had licked every other featherweight of note around.

That was Davis' last fight and made his record six wins out of six for 1954.

Saddler has fought four times for the title, all with Willie Pep, winning three and losing one. He stopped Willie the last time in the ninth round on Sept. 26, 1951.

He went into the Army in 1952 and got out in April 1954. He refused to defend his title until he had enough tuneups and felt he was ready.

North Carolina's basketball teams of 1922-23 played without a regular coach and compiled a record of 26 victories against 10 defeats.

RICHER COFFEE INSTANTLY

...at a 3-way saving!

1 PAY LESS than you do for other fine instant coffees... much less than for regular coffee.

2 USE LESS because Edwards is "Deep Roasted" to bring out *all* the richness of finest coffee beans.

PREPARING FOR COUNTY SHOW

Trimming lambs in preparation for the Scurry County Junior Livestock Show next week are several Hermleigh Future Farmers. They will enter 35 lambs in the show. Left to right are Charles Smith, T. J. Hillis, E. J. Walton, Kenneth Lofton, and Dick Etheredge. (Lee Watson photograph)

Iraq Takes Post In Western Defense

BAGHDAD, Iraq (AP)—Iraq took up a post in the Western defense lineup today after signing a mutual defense pact with Turkey. She was the first Arab state to forsake a neutral role in the East-West cold war.

In Cairo, a high government spokesman promptly declared Egypt would call a meeting of all Arab League nations except Iraq and demand the expulsion of the Baghdad government and revision of the league agreement.

If the demand is not heeded, he added, Egypt will either withdraw from the eight-nation group or renounce any commitment to defend Iraq. The Arab League is a collective security alliance. Egypt, generally acknowledged as its leader, has insisted the Arabs should stick to their neutralist position and depend on themselves for defense.

Defying Egyptian threats, Iraqi Premier Nuri Said signed the agreement with Turkey last night after six hours of almost continuous discussions with Turkish Premier Adnan Menderes. Menderes flew here Wednesday for the ceremony.

Turkey is a member of the North Atlantic Treaty Organization. Her pact with Iraq is the first to link an Arab state specifically for defense against any Communist aggression in the Middle East.

The other Arab League members are Egypt, Syria, Lebanon, Jordan, Saudi Arabia, Yemen and Libya.

The two premiers and their advisers worked out last - minute revisions of the pact, some believed aimed at meeting objections voiced by other Arab states.

An informed source said one clause provided that no other country could join the alliance without the agreement of both original signers.

One nation previously mentioned as a possible member was Syria. But the Syrian Parliament last night gave Premier Sabri Assali a 66-53 confidence vote on his decision to stay out.

There have been reports that Lebanon, Syria and Iran were negotiating with Turkey and Pakistan to form a middle East defensive alliance against communism.

New Nuclear Sub Nearing Completion

By ELTON C. FAY

WASHINGTON (AP)—The nation's second nuclear submarine, the Sea Wolf, probably will be launched within the next two or three months.

The sister of the 3,000-ton Nautilus—but with improvements in design and an atomic engine of different type—has been building since June 1953.

On the basis of time required for building the first hull, the Sea Wolf apparently will be scheduled to go down the ways at the Electric Boat Division of General Dynamics Corp. at New London, Conn., sometime in May.

If the Nautilus pattern is followed, the Sea Wolf will have when launched the framework and some other components — although not the fuel load—of the atomic furnace.

A land-based model of the Sea Wolf's engine was started at West Milton, N.Y., in 1953 by the General Electric Co., under contract with the Atomic Energy Commission.

Presumably that test plant—a copy of the one that will be installed in the Sea Wolf—is about ready for trials, if not actually in operation. The AEC and Navy declined today to say.

The nuclear power plant in the Nautilus, built by Westinghouse Electric Corp., and that for the Sea Wolf are of different types.

The AEC and Navy decided, at the outset of the nuclear submarine program, to build both types and then decide which design was the more efficient and easier operating. The Nautilus has been under trial since last month. The Sea Wolf probably will not be ready until sometime in the spring of 1956.

Capitalistic Corn Okayed By Soviets

By STANLEY JOHNSON

MOSCOW (AP)—The Communist party today called on its youth division to spearhead a vigorous campaign to grow corn in the American style.

This was in line with a speech by party chief Nikita S. Khrushchev last month praising American farming methods, particularly in planting more corn to feed livestock. Failure in the field of agriculture was one of the main reasons cited by Georgi M. Malenkov when he resigned as premier Feb. 8.

The appeal to young farmers was made by the Central Committee of the Young Communist League (Komsomol). It was described by Tass and published in all Soviet newspapers.

Western observers have expressed scepticism over the ability of Soviet agriculture to copy the American system of corn-hog production, due to climatic conditions in this country. The Komsomol appeal does not admit this difficulty, saying:

"Corn is truly a wonderful plant. . . . It grows excellently in the South of our land and also, under conditions, in the North."

The statement called on Komsomol members and other rural youth "to start actively growing corn in every corner of our country."

The Komsomol statement coincides with the thunder of recent criticism in the Soviet press against the poor performance of agriculture. It said that "growing corn everywhere is the key which opens the door to a storehouse which is rich with milk, meat, and butter." It declared that meat production "is lagging behind" other industries.

"The Communist party is paying first attention to the upsurge of heavy industry, which forms the firm basis of all national economy and the impregnable defensive capacity of our land," the statement added.

The appeal told young farmers to get together with leaders on collective and state farms to follow the best methods for increasing corn production. Among the specific methods advised was sowing corn in square fields to facilitate maximum mechanization. This approximates the American method and differs from the scattered strip method hitherto used widely in Russia.

CORNY BUT NICE—For easy corn waffles, drain can of whole kernel corn—use liquid in making batter—fold in kernels before baking.

For wonderfully delicious coffee, serve AIRWAY—the whole-bean coffee with the mellow Brazilian flavor.

AIRWAY's choice Brazilian blend gives you smooth mellow flavor without harshness or bite—but with all the refreshing pick-up of fine coffee.

Enjoy it often—and enjoy *all you want!* It's the *mellow* coffee in the *yellow* bag—AIRWAY

at SAFEWAY

Quan Yin Is Moving Into A New Home

LOS ANGELES (AP)—Quan Yin is coming up in the world. She's moving to Beverly Hills.

Quan Yin, a five-foot clay statue of the Chinese goddess of mercy, has stood in Los Angeles' "Old China City" since 1937.

She was ankle deep in the Pond of Promises and in the dreams and wishes of lovers and tourists who threw pennies at her feet.

But today Quan Yin is on the way out. Old China City, with its twisting streets and curio shops, is being torn down.

Frank Martin, one of the owners of the property, said the city will be razed to make room for a parking lot. He intends to put Quan Yin in the back yard of his Beverly Hills home.

Quan Yin stood at the entrance of the tiny walled replica of old China, built when the Union Station crowded many shops out of the older Chinese quarter.

Millions of tourists have walked past the statue and into the crooked streets of the city. They have passed down alleys that smacked of streets off Bubbling Well road in Shanghai, explored shops, taken rickshaw rides. They have eaten the great Irish dish of chop suey, served up with chopsticks at the Fong Fung house.

Today it's a different scene. Walls are coming down. Electric saws whirr through timber. Nails cry as workmen pull them like teeth.

Quan Yin stands alone in the Pond of Promises. A few goldfish undulate past her feet. No pennies splash about her.

But maybe it's all for the best. After all, how long can a girl live on promises?

Tickets For Scout Circus Go On Sale

Tickets are now on sale by members of all scouting organizations here for their annual Scout Circus, which will be held in the Snyder junior high gym at 7:15 o'clock next Thursday night and in Colorado City junior high gym the next night.

Bob Eastus, district scout executive here, said the same circus will be presented in both places and that all boys in the district will participate in both circuses.

The tickets are 50 and 25 cents, prizes for a ticket sale contest being conducted by scouts. The boy turning in the most money, if his leader gets in the money and report before circus day, will be awarded a complete scout uniform. Second prize is a haversack, while third will be a flashlight and fourth a scout knife.

Funds raised in the circus will go back into unit programs, expense of the circus, and for the district's subsidization of subscriptions for boys to Boys Life Magazine, official scout publication.

On the circus program will be included such events as a carpet race, first aid demonstration, Noah's ark, bicycle drill, signalling, pyramid building, cub balloon bursting contest, cub lariat, bull whip, scout games, camping and pioneering.

Joe Marshall is circus director. The committee includes Bill Vestal, as committee chairman, Lyle Deffebach and Ralph Lee of Colorado City on arrangements; Frank Hood of Colorado City, Bill Smallwood, and Jesse King on tickets; and Charles Duran on finance.

On the circus staff will be Frank Weaver, Pat Falls, Coke Williams, Herman Trigg, John Conley, Dr. Carl Dillaha, Phil Burns, all of Snyder, and Skeet Harkins of Colorado City. Williams and Harkins will be ringmasters. Announcers will be Bill Butler and Jim Pylant of Snyder and Porter Richardson of Colorado City.

The junior high band of Snyder, under direction of Tim Dennis, will play a 30-minute concert to open the program. At the C-City circus, the high school band there will play.

Event directors for the Snyder show will be Jim Kincaid, Rex Miller, D. M. Foree, Kenneth Wheeler, Bernard Bartels, Rudy Crabtree, D. V. Merritt, Jr., A. J. White, Ray Devers, and Bob Weeter.

During the critical labor shortage of World War II, there were never less than 400,000 unemployed people in the United States.

Mystery Novelist Held In Hospital

LA JOLLA, Calif. (AP)—Mystery novelist Raymond Chandler — creator of private eye Philip Marlowe — is under observation in the psychopathic ward of San Diego County Hospital.

The 66-year-old writer was taken there after police found him sitting on the floor in the shower bath of his home Tuesday with a revolver in his lap.

Police Capt. Bruce Weston said Chandler had fired two bullets into the ceiling after calling police and saying he intended to shoot himself. Weston said Chandler had been despondent since his wife's death in December.

Conscience Fund Gets Contribution

CHICAGO (AP)—Ernest J. Sauber, Chicago director of the Internal Revenue Service, yesterday received $237.80 from a taxpayer who also sent a letter. It read:

"I am more confused than ever. But I must keep a clear conscience. I am sending you $237.80. C. Cleary.

"P.S.: The C is for Conscience and the Cleary for Clear."

Sauber said the money would be added to the service's "conscience fund."

A train that traveled 127 miles an hour in 1905 still holds the U.S. railroad speed record.

THE POWER OF POSITIVE THINKING

Physical Activity Is Good Heartache 'Prescription'

By NORMAN VINCENT PEALE

CHAPTER 11.
PRESCRIPTION FOR HEARTACHE

"Please give me a prescription for heartache."

This curious and rather pathetic request was made by a man who had been informed by his doctor that the feelings of disability of which he complained were not of a physical nature. His trouble lay in an inability to rise above sorrow. He was suffering from "an ache in his personality" as a result of grief.

His doctor advised him to secure spiritual consultation and treatment. So, continuing to use the terminology of medicine, he repeated his question, "Is there a spiritual prescription which will reduce my constant inner suffering? I realize that sorrow comes to everyone and I should be able to meet it the same as others. I have tried my best but find no peace." Again he asked with a sad, slow smile, "Give me a prescription for heartache."

There is indeed a "prescription" for heartache. One element in the prescription is physical activity. The sufferer must avoid the temptation to sit and brood. A sensible program which substitutes physical activity for such fruitless brooding reduces the strain in the area of the mind where we reflect, philosophize, and suffer mental pain. Muscular activity utilizes another part of the brain and therefore shifts the strain and gives relief.

An old country lawyer who had a sound philosophy and much wisdom told a sorrowing woman that the best medicine for a broken heart is "to take a scrubbing brush and get down on your knees and go to work. The best medicine for a man," he declared, "is to get an ax and chop wood until physically tired." While this is not guaranteed to be a complete cure for heartache, yet it does tend to mitigate such suffering.

Whatever the character of your heartache, one of the first steps is to resolve to escape from any defeatist situation which may have been created around you, even though it is difficult to do so, and return once again to the normal course of your life. Get back into the main stream of life's activities. Take up your old associations. Form new ones. Get busy walking, riding, swimming, playing — get the blood coursing through your system. Lose yourself in some worth-while project. Fill your days with creative activity and emphasize the physical aspect of activity. Employ healthy, mind-relieving busyness, but be sure that it is of a worth-while and constructive nature. Superficial escapism through feverish activity merely deadens pain temporarily and does not heal, as, for example, parties and drinking.

An excellent and normal release from heartache is to give way to grief. There is a foolish point of view current today that one should not show grief, that it is not proper to cry or express oneself through the natural mechanism of tears and sobbing. This is a denial of the law of nature. It is natural to cry when pain or sorrow comes. It is relief mechanism provided in the body by Almighty God and should be used.

To restrain grief, to inhibit it, to bottle it up, is to fail to use one of God's means for eliminating the pressure of sorrow. Like every other function of the human body and nervous system, this must be controlled, but it should not be denied altogether. A good cry by either man or woman is a release from heartache. I should warn, however, that this mechanism should not be used unduly nor allowed to become a habitual process. Should that happen, it partakes of the nature of abnormal grief and could become a psychoisis. Unrestraint of any kind should not be allowed.

I receive many letters from people whose loved ones have died. They tell me that it is very difficult for them to go to the same places they were in the habit of frequenting together or to be with the same people with whom they associated as a couple or as a family. Therefore they avoid the old-time places and friends.

I regard this as a serious mistake. A secret of curing heartache is to be as normal and natural as possible. This does not imply disloyalty or indifference. This policy is important in avoiding a state of abnormal grief. Normal sorrow is a natural process and its normality is evidenced by the ability of the individual to return to his usual pursuits and responsibilities and continue therein as formerly.

The deeper remedy for heartache, of course, is the curative comfort supplied by trust in God. Inevitably the basic prescription for heartache is to turn to God in an attitude of faith and empty the mind and heart to Him. Perseverance in the act of spiritual self-emptying will finally bring healing to the broken heart.

This generation, which has suffered fully as much if not more heartache than people in preceding eras, needs to relearn that which the wisest men of all time have known, namely that there is no healing of the pain suffered by humanity except through the benign ministrations of faith.

One of the greatest souls of the ages was Brother Lawrence, who said, "If in this life we would know the serene peace of Paradise, we must school ourselves in familiar, humble, and loving converse with God." It is not advisable to attempt to carry the burden of sorrow and mental pain without Divine help, for its weight is more than the personality can bear. The simplest and most effective of all prescriptions for heartache is to practice the presence of God. This will soothe the ache in your heart and ultimately heal the wound. Men and women who have experienced great tragedy tell us that this prescription is effective.

Another profoundly curative element in the prescription for heartache is to gain a sound and satisfying philosophy of life and death and deathlessness. For my part, when I gained the unshakable belief that there is no death, that all life is indivisible, that the here and hereafter are one, that time and eternity are inseparable, that this is one unobstructed universe, then I found the most satisfying and convincing philosophy of my entire life.

Tomorrow: How To Draw Upon That Higher Power

Millions Join In Observance Of Prayer Day

NEW YORK (AP) — Today may seem no different than the rest. The same sounds and moyements in the streets, the same routines in offices, homes and workshops. But something special will be going on.

It may be unseen, soundless and hidden in men's thoughts. Or it may be whispered, or spoken aloud before crowds. But whatever the form, millions of people around the earth today are making a great, concerted prayer.

This is the World Day of Prayer, and Christians in nearly every country—130 of them—and in most towns and cities in the United States—more than 20,000 of them—are joining in.

At various hours of the day, in various settings—in churches, hospitals, colleges and factories—groups will gather to bow their heads, to kneel, to give voice to the worldless, universal language.

The praying began at daybreak in the Fiji and Tonga islands, just beyond the international dateline.

In the United States, special proclamations were issued by many mayors and governors, calling attention to the observance. It is sponsored nationally by the 10-million - member United Church Women.

Started in 1887 by a small group of Brooklyn women, the movement has spread gradually until now interdenominational bodies in nearly every nation observe the occasion on the same date—the first Friday in Lent.

In hundreds of churches, special evening and noontime services are scheduled. Many other institutions have set aside intervals during the day for prayer.

Missionary To Speak

The Rev. L. D. Wood, a home missionary from San Antonio, is to speak at the Sunday morning service of the First Baptist Church. The pastor, the Rev. G. M. Cole, will speak at the evening service.

Vacation Church School Leaders To Meet Here

Vacation Church School leaders from throughout this district are to meet for a training school Monday at the First Methodist Church. The meeting is to open at 9 a.m. and continue until 5 p.m. Persons who attend this school will instruct workers in their home churches in preparation for summer projects.

All You Need for Child's Cough

When colds, measles or flu leave your child with a croupy cough get Creomulsion quick because chronic bronchitis may develop. Creomulsion soothes raw throat and chest membranes, loosens and helps expel germy phlegm, mildly relaxes systemic tension and aids nature fight the cause of irritation. Get milder, tastier Creomulsion for Children in the pink and blue package at your drug counter.

CREOMULSION FOR CHILDREN

relieves Coughs, Chest Colds, Acute Bronchitis

Special Service Is Held Wednesday Night

A special service in observance of Ash Wednesday, the first day of Lent, was held Wednesday night at St. John's Episcopal Church. Services are to be held at 7:30 each Wednesday night during Lent, with lay readers to be in charge. The public is invited to attend these services.

"No Other Gods"

THOU shalt have *no other Gods before me,"* Exodus 20:3. God said it and God meant every word of it... three friends tell another. The trio of church workers know the imperious need of the personable young man is a love for God and the Church. "Other Gods," have snatched his interests and dominate his life. The way we go and the road we travel make a difference. We are commanded to keep the Sabbath and honor father and mother. We must not murder, hate, lust, steal nor covet. We are commanded to worship the Lord our God, and the church is a wonderful place for that. When God's commandments become our commandments and God's way becomes our way... we'll have "No other Gods before Him."

You In The Church... The Church In You—
Form a combination for good. Every man, woman and child needs the influence of the CHURCH. Be a faithful worker. Attend every service.
© William Hornaday Features Fort Worth, Texas

CHURCH NEWS

SERMON TOPICS

Ted Norton, minister of the Twenty-fifth Street Church of Christ, has selected for his Sunday morning topic "The Grace of Giving (not money)." At 7 o'clock Sunday night his sermon will be "And Books Were Opened." Bible study in classes is conducted at 9:45, and evening classes begin at 6 o'clock.

• • •

"Conviction with Courage" will be the message of the Rev. Glenn Ricketts at 11 a.m. Sunday at the First Christian Church. At 7 o'clock, he is to present a sermon entitled "On the Suburbs of Christianity."

Religious Census Will Be Taken Here Sunday

A city-wide religious census is to be taken Sunday afternoon by members of Southern Baptist churches here. Workers who are to participate in the census are asked to meet at 1:30 in the auditorium of the First Baptist Church for instructions and assignment to the areas in which they will work. The results of the census will be made available to other churches, David Oglesby, music and education director of the First Baptist Church, said.

Youth Fellowship Banquet Is Slated

A sub-district Methodist Youth Fellowship banquet is to be held Monday night in the fellowship hall of the First Methodist Church.

Registration will be held from 7 to 7:30 p.m., with the banquet to begin at 7:30. About 100 persons are expected to attend.

The Official Board of the church, which is also scheduled to meet on Monday night, will assemble in the church basement.

Methodist Youth Group To Buy Band Uniform

About 200 persons were served at a chili supper sponsored Wednesday night by the First Methodist Church youth groups. Part of the money will be used to buy a uniform for a McMurry College band member when the band goes to Europe this summer. Each uniform costs $100. The remaining money will be used for improvements in the department's classrooms.

Prayer Service Set At Union Baptist Church

Women from the Ira Baptist Church and the Union Baptist Church will meet for an all-day Week of Prayer service Monday at the Union church.

Mrs. J. D. Hoc r will be leader for the program, scheduled to open at 9:30 a.m. A covered dish luncheon will be served at noon.

BERT TIPPETT

Student At Seminary To Speak Sunday

The First Presbyterian Church will have as its guest minister Sunday morning Bert Tippett, a senior at the Austin Presbyterian Theological Seminary in Austin. Tippett will conduct the morning worship and deliver a sermon, "God Never Tires," based on I Corinthians 13.

A native of San Benito, Tippett graduated from high school there in 1949. He was graduated from the University of Texas with majors in English and journalism. Since entering the seminary he has been active in student projects and has served as the assistant pastor of the Highland Lakes Presbyterian Parish and of the First Presbyterian Church in Orange.

Tippett is the brother-in-law of Harry Van Slycke who was formerly associated with KSNY here.

Delegation To Attend Meet In Big Spring

A delegation of men from the First Christian Church is to attend a meeting of the men of District 4 Christian Churches in Big Spring Monday. Supper will be served at the beginning of the meeting. The reactivation of the Christian Men's Fellowship will be the main subject for discussion during the business session.

Who Is A Christian? (No. 2)

A CHRISTIAN IS A DISCIPLE OR A FOLLOWER OF THE CHRIST. The very first time the term is used is in Acts 11:26, and here the Holy Spirit says, " . . . the disciples were called Christians first in Antioch." He did not say, "First Christians."

THE NAME "CHRISTIAN" HAS BEEN APPLIED TO SO MANY THINGS, so much so that there is danger of its losing any definite meaning! Some will call a man a Christian if he is at all religious; but there were many religions before the Christ came, and there are many religious people now who do not refer to themselves as Christians but exalt other names instead. A few will call a man a Christian if he shows good sportsmanship and good moral principles. But there are good moral people who do not want to be called Christians.

CHRIST SET UP CERTAIN STANDARDS FOR THOSE WHO DESIRE TO BE HIS DISCIPLES. Jesus made love a test of discipleship: "By this shall all men know that ye are my disciples, if ye have love one to another." (Jn. 13:35). The disciple must love Jesus above everything else (Lk. 14:26; Matt. 10:37).

JESUS MADE OBEDIENCE A TEST OF DISCIPLESHIP (Jno. 14:15; 15:14; Matt. 7:21-23). Those who obey the will of the Father are as close to Jesus as brother, sister, and mother! (Matt. 12:47-50). Jesus once asked: "And why call ye me Lord, Lord, and do not the things which I say?" (Lk. 4:46). That eliminates the authority of any man or a hierarchy! The disciple must bear his cross (Lk. 14:27).

JESUS MADE FRUITBEARING A TEST OF DISCIPLESHIP. "Herein is my Father glorified that ye bear much fruit; and so shall ye be my disciples." (Jno. 15:8). Another test: "Go ye therefore, and teach ("make disciples" A.S.V.) all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world." (Matt. 28:19,20). This is Jesus' way of making disciples, and disciples are Christians.

NINETEEN HUNDRED YEARS AGO THE CHURCH OF CHRIST WAS ESTABLISHED! Today, she has the same name, worship, organization, doctrine, and life. "The churches of Christ salute you." (Rom. 16:16).
