YMCA Boxing Club has awards supper

Coach Yarbrough, Chad Riggins and Ronnie Lusby.

The entire Spearman Boxing Club, in their new Purple
Caps and Jackets.

Seminar scheduled on Farm Finances

A Professional Seminar on Farm Finances is scheduled for March 17 and 18, 1983, in Perryton. The Seminar, entitled "Farming for Profit" is co-sponsored by First National Bank and Hi-Plains Ag Credit Corp. of Perryton. The two-day program will be held in the Community Room at First National. It is free to men and women in agriculture from the Texas and Oklahoma Panhandles.

Featured speaker for the two-day event is Ted Abele ("Able e") He is President of American Agronomics of El Dorado Springs, Missouri. The speaker will deliver a series of talks, including "How to Generate More Profit From Your Profit and Loss Statement," "Improving Farm Cash Flow," and "Improving Your Financial Statement." He is a frequent instructor with the Professional Farmer Institute of Ames, Iowa.

This will be the third time in twenty-four months that we have organized a two-day program on better manage-

ment and marketing in farming and livestock production. The earlier programs were called, "Survival in the 80's." This time, we're presenting "farm finances", and that's the real difference in survival.

Registration can be made in advance by contacting Carl Ellis, Brady Year, or Larry Orman at the bank. The free program begins Thursday, March 17, at 9:00 a.m.

Free catered lunch will be served both days, courtesy of First National Bank to all registered participants.

John Cluck, President of FNB, said: "National Agriculture Week is March 18-24. We're recognizing this week by offering an excellent consultant to agriculture.

The Spearman YMCA Boxing Club held its awards supper Monday, March 14 at the YMCA.

A delicious supper was enjoyed by the boxers and their families and guests following the invocation by Monte Black.

Jackets, caps and boxing glove hat pins were presented to the boxers by coach, Eugene Yarbrough.

Four year boxers: Will Black, Brian Beck, Chad Riggins and Mark Eakin;

Three year boxers: Matt Archer, Matt Eakin, Dee Mayfield and Edward Mayfield;

Two year boxers: Stuart Riggins, Cass Lasater, Tony Herndon, and Temp Sheppard;

One year boxers: Schane Schneider, Shawn Moore, Eddie Garcia, Tino Garcia, Paul Huebner, Chris Williamson, Kiley Coombs, Chris Kelp, Mark Love, Danny Lopez and Mac Sheppard.

Coach Yarbrough presented calendar posters, caps and hat pins to Assistant Coaches Butch Lasater and Bobby Archer.

Caps and pins were also given to Ricky Riggins for refereeing matches and for assisting in the corner with the boys, also to Monte Black and Randy Coombs for helping coach during the matches when the boxers went to Hugoton and to Borger the same night.

The boxers presented thank you cards to coaches Butch Lasater and Bobby Archer.

The boxers presented Coach Yarbrough a pair of boots and thank you card and Mrs. Yarbrough a lovely necklace and card for her help during the year.

Special awards were presented by Coach Yarbrough. Most Improved Boxers Awards were received by Cass Lasater and Dee Mayfield.

Sportsmanship Award was received by Tony Herndon and Fighting Heart Award was received by Edward Mayfield.

A special Award was presented this year. A dear friend and supporter of the boxing club, Jr. Lusby, will be greatly missed. The Jr. Lusby Memorial Award was presented to Chad Riggins, for giving 110% in boxing. Coach Yarbrough presented a "Jr. Lusby Memorial Award" plaque to Ronnie Lusby.

Pallbearers were Don Smith, Irvin Davis, Floyd Dry, Owen Pendergraft, Luther Brines, Albert Graves, Donnie Mach and Benny McCullough.

Honorary pallbearers were Lynn Knox, Ed Garner, Allen Ricketts, Larry Dunn, Don Hendricks, Bob Potts, Kenneth Evans, T.C. Kitchens, Jr., Charles Martin, Raymond Kirk and Merrel Johnson.

County junior livestock show

The annual Hansford County Junior Livestock Show and Sale will be held March 18 & 19 at the County Ag Barn in Spearman.

Clubs and chapters participating in the show will be the Gruver FFA, Spearman FFA, Gruver 4-H, Spearman 4-H and Morse 4-H.

There will be approximately 120 exhibitors in the show from the various clubs and chapters.

On Friday, March 18, weighing will begin at 8 a.m. to 10 a.m. for swine and sheep, and 10 a.m. to 12 noon for steers.

The grand opening of the show will be at 1:45 p.m. Friday with the Lamb Show

scheduled to begin at 2 p.m. The Swine Show will follow completion of the Lamb Show.

From approximately 10 p.m. Friday until 7 a.m. Saturday, the barn will be locked with no one in the barn besides the night watchman.

Saturday, March 19, judging of steers will begin at 9:30 a.m. and at 6 p.m. floor prices will be auctioned. The presentation of Showmanship Trophies and Top Gaining Award will be made. Immediately following presentation of awards the auction sale of lambs, swine and steers will begin. They will sell in order: 1 lamb, 1 swine, 1 steer, etc.

Board of Directors are Bobby Nollner, chairman; John

Armes, vice chairman; Jim Smith, secretary; Buddy Lowe, Jr., treasurer; and Norma Jean Mackie, assistant treasurer.

Directors are John Armes, D.A. Cator, Carl Cooper, J.C. Harris, George C. Lowe, Jr., Buddy Murrell, Raymond Walker, Jerry Williams, all of Gruver; Charles Eaton, Jimmy Greene, Carl Kunselman, Glen Ray Mackie, Bobby Nollner, Roger Odegaard, Bill Strawn, all of Spearman and Charles Reid of Morse.

1983 Bookkeepers and Auctioneers are Jimmy Greene, Orville Latham, Melvin Bradley, Roger Odegaard, all of Spearman, Mack Hoel of Gruver and W.B. Dickenson of

Olton. 1983 department superintendents are Steers-John Armes, Lynn Davis; Sheep-Charles Reid, Carl Kunselman, Bill Strawn; Swine-Glen Ray Mackie, Charles Eaton, Raymond Walker and Roger Odegaard.

Judges for the 1983 show are Jim Jenkins of Levelland for sheep and steers. Jim McManagal of Happy will judge the swine.

Vocation Agriculture Teachers are Herman Boone and Burt Williams, Spearman, and Craig Solomon, Gruver. Jim Smith is Hansford County Extension Service Agent.

KYLE WILLIAMS

On behalf of the Gruver FFA-Future Farmers of America-I, Kyle Williams, as President of the Gruver Chapter, welcome you to this dinner. It is time for the 4-H and FFA to show each of you, our appreciation for your support in the past and in the future. This dinner is also to say, thank you, for the money which we can either use for future shows, or for our education in college. When you purchase an animal, you give a chance for the student to show again. This project is a good project, because the animal teaches the student responsibility, this is something that a student needs throughout life. What it really boils down to is that it gives kids self-confidence in themselves, shows them that they can make an animal grow from a baby to a winning grown-up and the awareness of the livestock industry. Livestock is a very important part of American life, especially Texas life. With the experience that an FFA or 4-H member gets, the student then has a better understanding of life in today's society, and becoming a citizen in society, too. Thanks to you, we get this by your support.

I feel that support we get is a great advantage only good communities like ours have to offer.

I again welcome and appreciate your support, on behalf of the FFA.

Thank you
Kyle Williams

WILL JARVIS

I am Will Jarvis, President of the Spearman 4-H Club. I would like to welcome you to this dinner, on behalf of the Spearman 4-H Club. This "Dinner" is in honor of each and everyone of you, the supporters of the 4-H and FFA clubs of Spearman and Gruver. I thank you for your continued support in the past Hansford County Stock Shows and in the future ones.

I'm sure that each one of you has a reason to support the local 4-H and FFA clubs, each very different in their own way. For the kids that don't make the sale and for those that do, each one is very happy and appreciative for your support. For you, the people around Spearman, Gruver and Morse, you know what it means to grow up in a community that is behind you all the way, whether you win or lose. As you support us, we hope someday to support your grandkids, our kids' kids, and so forth, because we will have the experience and know-how to be supporters in the future. These are very special projects, and with your continued support, if we do lose, we have faith in future shows and so forth, because of our supporters.

Thank You,
Will Jarvis

ELDON SPARKS

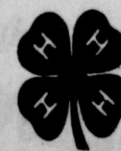

I, Eldon Sparks, am currently a member of the Hansford County 4-H. Presently serving as the President of the Gruver Club. Also I am a member of the Gruver FFA where I am the Vice-President. I feel it is an honor to be here tonight as a representative of the 4-H clubs to express our appreciation. Your efforts have advanced the continuation of our projects. Many of us exhibit animals in at least one stock show a year. Usually the Hansford Stock Show is the one show we strive for. Members buy their animals before December, (except steers, which are purchased before June 3). They are fed daily and exercised for various lengths of time. The time put into the animals varies since all animals require different types of preparation. The weeks preceding a show are usually the hardest. The finishing touches are put on the projects such as washing, grooming, and shearing of the animals. County agents, ag teachers and parents help tremendously, but the members put in the long hours of work.

Finally the day of the show arrives and everyone is ready. They show their animals and they are placed by their quality. If they are placed high enough they have made the sale-parting with the animals is hard because they have become like a friend to talk to who never seems to talk back but listens all the time. But the thought of money makes all hours of work and time spent worth while. The money made from the sale of the animals is usually invested wisely for purposes such as furthering our education, either students will buy another show animal and start all over again or they will graduate and take with them the useful skills they have learned. These skills include the responsibilities of money-management, good sportsmanship, winning with grace, and losing with grace, management of livestock, since some may become beef, pork or mutton producers, and judging abilities.

Through my experiences I have learned that many extracurricular activities are fun but in life will never be used. 4-H and FFA are the two organizations which are fun and can teach us some of the most useful lessons of a lifetime.

Once again I would like to express our appreciation to you the buyers and everyone else who helps us yearly.

Thank You
Eldon Sparks

Editors Note: Kyle Williams, Eldon Sparks, Will Jarvis and Scott Strawn delivered the above speeches at a banquet for the prospective livestock buyers for the Hansford Livestock show. We want to thank each of them as well as all who attended the banquet last Friday nite held in Spearman.

Editors Note: We had a little hard luck and ruined almost all of our pictures that we made at the banquet Friday nite. We are very sorry and will make even more pictures as soon as we learn to use this new and fancy lens we purchased to use at the livestock show...

NHS Installs New Members

NATIONAL HONOR SOCIETY MEMBERS--Left to right: Cathy Sullivan, Oralia Ochoa, Phyllis Lindley, Mary Ann Kenney,

Scott Strawn, Mike Caldwell, Susan Davis and Lea Ann Gibner.

1983 NATIONAL HONOR SOCIETY INSTALLED MEMBERS--Left to Right--Richard Espinosa, Andrea Archer, Rosa Pierce, Mike Brinson, Teresa Tindell,

Connie Gibson, Stephanie Friemel and Cindy Hendrick. These 8 students were installed to Spearman's Chapter of the NHS on Monday, March 14.

Watch for Mini Fest coming April 16th.

The National Honor Society of Spearman High School had their annual installation of new members this past Monday, March 14. The ceremony took place at the SHS Auditorium beginning at 10:00 sharp.

The ceremony started with the student body seated and the guests also seated. The President, Lea Ann Gibner, got the ceremony started. Susan Davis gave the prayer. Then all remained standing for the Pledge of Allegiance to the American Flag.

The members from last year included Lea Ann Gibner, Susan Davis, Cathy Sullivan, Scott Strawn, Mike Caldwell, Mary Ann Kenney, Phyllis Lindley and Oralia Ochoa. Each member had a part in the ceremony. Scott Strawn introduced the speakers of the 4 basics of the NHS.

Mike Caldwell would light a candle, and explain the meaning of that candle. That candle stood for **CHARACTER**. A character of a person has to do with the leadership, courage and honesty of that student. Mike went on to define character as an important part in our lives.

Mary Ann Kenney lighted a second candle and explained its symbolism. That candle stands for **SCHOLARSHIP**. Mary Ann explained that Scholarship is made up of Wisdom and Understanding, another fine quality of an NHS Member.

Phyllis Lindley lighted candle #3. This candle stands for **LEADERSHIP**. Phyllis explained that Leadership in a person is an unselfish motive, a denial of self, a trust in God and self-confidence. Leadership also being a very important part in the NHS.

The final candle lit was the red candle, by Oralia Ochoa. The red candle stands for **SERVICE**. This is where a person serves another out of wantingness not having to, doing the work for the day, and so forth. Another very important aspect of an NHS member.

These are the four main ingredients of being an NHS member, **Character, Scholarship, Leadership and Service**—not particularly in that order, but all four are very important.

The new pledges for 1983 are **RICHARD ESPINOSA, ANDREA ARCHER, ROSA PIERCE, TERESA TINDELL, CONNIE GIBSON, MIKE BRINSON, STEPHANIE FRIEDEL and CINDY HENDRICK**. The NHS Sponsor is Miss Dorothy Roden, also is the Librarian. Congratulations to the new 1983 NHS Members.

Spearman strong competitor at Gruver meet

This past weekend, Gruver hosted a total of 10 schools for another in a long line of track meets that have become tradition in the area and visitors were emphatic in declaring this the best event staged yet.

Coach Nix was glowing with pride in the contest, Monday morning and profuse in his praise for a veritable army of folks who helped mightily with the staging of the track meet and its praised success.

Coach Nix was also loud in his praise for the competing Spearman athletes noting that while they were not big-point winners, they were the next-best thing: strong and plucky competitors!

Of course, Dalhart -- as predicted -- walked away with the points.

Host Gruver placed second at two levels of the meet and fifth and tenth at two.

Spearman ranked third in points at two levels of the

contest and fifth and seventh at two.

Not all schools participated at every level. There were nine at the Seventh Grade level, 10 at Eighth Grade level, seven in the Junior Varsity trials and eight fielding Varsity contestants.

At the Varsity level, final point standings were:

Dalhart, 149; Stinnett, 107; Spearman, 78; Perryton, 64; Gruver, 54; Stratford, 44; Booker, 27; and Boise City, 12.

Final Junior Varsity point ranking:

Dalhart, 119; Gruver, 89; Spearman, 68; Stinnett, 68; Stratford, 62; Perryton, 54.5 and Phillips, 35.5.

Ten Schools entered competition at the Eighth Grade level: Dalhart, 122; Perryton, 110; Panhandle, 106.5; Stratford, 52; Spearman, 43.5; Phillips, 18; Stinnett, 18; Boise City, 12; Booker, 10 and Gruver 4.

Seventh grade point rankings among nine schools:

Dalhart, 195; Gruver 77.5; Panhandle, 50; Perryton, 44.5; Stinnett, 38; Stratford, 36; Spearman, 32; Phillips, 14 and Boise City 6.

In Varsity competition, it looked as if Spearman might top the trials here with Dunlap setting a new record for the meet in the high jump with 6'6" but Dalhart went on to overpower the rest in point standings.

Taking the first three point winners this is the way Varsity competition shaped up:

High Jump: Dunlap, Spearman, 6'6"; Smith, Perryton, 6'4"; Hawkins, Gruver, 6'4".

Shot-Put: Noble, Stinnett, 47'11"-12"; Burk, Spearman, 46'8"-14; Guthrie, Spearman, 45'5". (Burnam, Gruver, 43'6"-3.4.)

Long Jump: Brown, Dalhart, 20'7"-3.4; Mills, Booker 20'7"; Nolan, Dalhart, 20'3"-4". (Field, Spearman, 19'8"-1.2"; Hawkins, Gruver, 19'4"-1.2".)

Discus: Burke, Spearman, 136'5"; Murphy, Stinnett, 130'8"; Godfrey, Perryton,

128'5". (Burnam, Gruver, 121'6".)

Pole Vault: Pool, Spearman, 12'; Snider, Stinnett, 11'6"; Spurlock, Stratford, 11'6".

3200 Meter Run: Lechner, Dalhart, 10:53; McDonald, Stinnett, 10:59; Kear, Perryton, 11:39.

400 Meter Relay: Brown-Pay-Nolan-Thompson, Dalhart, 43.7; Laird-Greer-Williams-Harris, Stinnett, 45.53; Bocox-Blundell-Stapp-Christian, Perryton, 45.67. (Caldwell-Vasquez-Nava-McClain, Spearman, 46.55.)

100 Meter Dash: Mills, Booker, 11.44; Harris, Stinnett, 11.6; Cator, Gruver, 11.84. (Barkley, Gruver, 12.)

800 Meter Run: Sharp, Dalhart, 1:59; Cuno, Perryton, 2:01; Reynolds, Dalhart, 2:02. (Nava, Spearman, 2:08.)

(NOTE: This is where Dalhart began to pick up points placing three men first, third and sixth in the 800 meter event.)

400 Meter Dash: Day, Dalhart, 51.03; Cardona, Boise City, 53; Harrington, Stratford, 53.75. (Collier, Gruver, 53.8; Fry, Gruver, 55.)

110 Meter High Hurdles: Grown Dalhart, 15.25; Greer, Stinnett, 15.39; Smith, Perryton, 16.25. (Sutterfield, Spearman, 16.37.)

300 Meter Hurdles: Nolan, Dalhart, 40.09; Brown, Dalhart, 40.75; Rodman, Gruver, 42.52.

200 Meter Dash: Thompson, Dalhart, 22.92; Cator, Gruver, 23.4; Caldwell, Spearman, 23.92. (Collier, Gruver, 24.8.)

1600 Meter Run: Martinez, Dalhart, 4:55; Reynolds, Dalhart, 4:57; McDonald, Stinnett, 5:00.

1600 Meter Relay: Nolan-Day-Thompson-Sharp, Dalhart, 3:30.72; Thurman-Harrington-Barrett-Cummings, Stratford, 3:36.31; Caldwell-Nava-Sutterfield-McClain, Spearman, 3:36.45. (Cator-Redman-Fry-Collier, Gruver, 3:38.75.)

Junior Varsity competition is listed for first place winner plus Gruver and Spearman placings.

Discus: Bynum, Spearman, 105'10"-first, Cazares, Gruver, 95'5".

Long Jump: Campbell, Perryton, 9'11", Garrett, Gruver, 17'8"½".

Shot Put: Bynum, Spearman, 38'4½"-first, Cazares, Gruver, 36'¾".

Pole Vault: Meek, Perryton, 10'6"-first.

High Jump: Prizales, Dalhart, 5'8"-first.

400 Meter Relay: Vinson-Claborn-Mireles-Koezler, Dalhart, 46.95 - first; Tout-Lopez-Barkley-Garrett, Gruver, 47.51 - second; Morris-Soldizar-Goodheart-Lopez, Spearman, 48.39 - third.

800 Meter Run: Uptergrove, Phillips, 2:15.3 - first; Lopez, Spearman, 2:18.37; Salazar, Gruver, 2:18.69.

Visiting competitors were as loud in their praise of the meet and those that made it a success as Gruver's Coach Nix was.

that night -- of Gruver Drug. "The owner checked it out and found nothing missing," Sheriff McFarlin said. "Clues indicate they might have been scared off soon after forcing entry from the back. It could be, too, that they were looking for drugs and when they

discovered the store had no pharmacy, they gave up."

The sheriff said that other than these and some routine investigation, there was not much activity in his department above the normal patrols and responses to calls for assistance.

A Rape Seminar will be held on Monday, March 21, from 6:30 to 9:30 p.m. at the Gruver High School Auditorium with Diane Baush.

The Sacred Heart Catholic Church will be sponsoring their annual Mexican Dinner on Sunday, March 20, 1983. The Dinner will be from 11:30 a.m. to 2:30 p.m. in the Sacred Heart Parish Hall-901 S. Roland. Tickets are Adults--\$4.00, Children, 6 to 12--\$2.50 and those under 6 years are FREE. Take-out orders available by calling 659-2166. After 11 a.m.

Hansford County Sheriff R.L. McFarlin said the investigation moved swiftly, a suspect was in custody and certain actions have already been instituted against him.

For starters, Jackie Cathey, 19, of Hansford County, faces revocation of probation action. He had just recently received a four year probated sentence after being found guilty on two previous counts of burglary.

Another investigation by the Sheriff's Department that is underway is the March 11 burglary -- sometime during

that night -- of Gruver Drug. "The owner checked it out and found nothing missing," Sheriff McFarlin said. "Clues indicate they might have been scared off soon after forcing entry from the back. It could be, too, that they were looking for drugs and when they

discovered the store had no pharmacy, they gave up."

AGCO burglary suspect held

Hansford County was just a few days into March when it was officially "kicked off" for the Sheriff's Department with burglary of a building at AGCO.

Entry was forced into one of the buildings where a locked car was parked. Entry into the car was forced and a number of items ranging from tools to music tapes was taken from the vehicle and from the building.

Hansford County Sheriff R.L. McFarlin said the investigation moved swiftly, a suspect was in custody and certain actions have already been instituted against him.

For starters, Jackie Cathey, 19, of Hansford County, faces revocation of probation action. He had just recently received a four year probated sentence after being found guilty on two previous counts of burglary.

Eta Alpha enjoys foregin foods

Eta Alpha Chapter of The Delta Kappa Gamma Society met February 19, 1983 in the Home Economics room of Perryton High School. Emphasizing a theme of "Education for International Understanding and Cooperation," the members enjoyed a luncheon comprised completely of foreign foods. Carrying through with this theme, the hostesses, Mrs. Bean Street, Mrs. Ray Castle, Mrs. Dugan Wilson, and Mrs. Allison Unruh had each table decorated with linen and centerpiece appropriate to a foreign country. Also on display around the dining area were souvenirs from foreign travel brought by members of the group.

Mrs. Leo Kirksey introduced the program for the meeting. Mrs. Charles Bridges, who presented an educational overview of Lebanon. Mrs. Bridges described the mixture of Moslem and Chris-

tian elements influencing the Lebanese culture including holidays, feasts, language, and clothing. Mrs. Bridges described their way of life very effectively by using relics, items from their culture, slides, and examples of the Arabic language.

The major item for the business session, conducted by local president, Minta Wilson, was the report from Ruth Williams, Delta Kappa Gamma State President, on the areas chosen by the Legislative Committee to be stressed for the coming year. These areas are: (1) an increase in educators' salaries, (2) the establishment of group health insurance for all members, (3) a duty-free lunch period for all teachers, (4) a cost of living increase in retirement increment, and (5) a certain proficiency requirement as a prerequisite for promotion or graduation.

Those in attendance from Booker were Mrs. Charles Bridges, Mrs. Irene Hollister, Mrs. Leo Kirksey, and Mrs. A.M. Lemons.

From Darrouzett were Mrs. Jerry Robertson and Mrs. Jack Webster.

Mrs. C.R. Burrus was here from Follett and Mrs. Thomas Bergin and Mrs. Carlie Knight attended from Gruver.

Spearman ladies attending were Mrs. Wilma Clark, Mrs. Dick Hudson, and Miss Dorothy Roden.

In attendance from Perryton were Mrs. Jess Brownlee, Mrs. Violet Igou, Mrs. Ray Castle, Mrs. Joe Champion, Mrs. Don Cooper, Miss Darlene Day, Mrs. Robert Fleming, Mrs. Robert Langford, Mrs. James Love, Mrs. Boyce Scott, Mrs. Ben Street, Mrs. Allison Unruh, and Mrs. Dugan Wilson.

Jean Davis named candidate for 'Cover Girl'

JEAN DAVIS

Each year the Texas High School Girls Coaches Association honors one graduating senior from a Texas High School whose high school coach is a member of the Association. This girl is named "Cover Girl" for the THSGCA summer clinic and All-Star Games. Candidates, nominated by their coaches, from all parts of the state are screened by a non-partisan committee, who makes the final selection.

The Cover Girl has many duties during the four day clinic, to be held in Lubbock during July, 1983. Those duties include acting as representative of the All-Star squads to the host city; issuing certificates to the participants of the All-Star Basketball and Volleyball games; being the official hostess of the Association; and having her pictures on the official programs of the Association.

This year one of the candidates for this PRESTIGIOUS HONOR is JEAN DAVIS, daughter of Jim and Linda Davis of Spearman. Jean is an outstanding athlete having participated in basketball and track during her high school years. She qualified for the State Track meet her Sophomore and Junior years, winning the 3rd Place Medal in the 800 METER RUN her Sophomore year.

Jean has a sparkling personality and possesses the poise and character to make her an outstanding candidate for this honor!!

1983 GOLF SCHEDULE

Following is the 1983 Spearman Golf Schedule. The Golf Coach is GARY RAMBO. Coach Rambo said that this is a "Round-Robin" Schedule, each team plays all the teams Golf Course that are in District 1-AAA, then the one with the most wins or points will be the District Champs. The Spearman Golf Girls won the District Crown last year. The Boys were up in 3rd Place. The Girls would love to repeat as the District Champs, while the Boys will be trying to win the District Crown.

HADLEY REED

Hadley Reed is All-Around Cowboy

HADLEY REED competed at the Tri-State High School Rodeo held over at Hereford over the weekend and came home with a 1st, and two 2nd Places, and most important of all the All-Around Cowboy Title!!

Hadley Reed and Mark Pearson were the two Spearman entrants in the Hereford Rodeo, both placed in the BAREBACK Event. Hadley won the event with a score of 72. Hadley is a Junior. Justin Swifes of Canadian placed 2nd with a score of 65; Pampa's Justin Hilton placed 3rd with a score of 63. Lee Lowrey, also of Pampa, placed 4th with a 54.5. Mark Pearson, Spearman Sophomore, placed 5th with a 50 and Scott Turner of Woolforth with a score of 48.

Todd Freeman of White Deer won the CALF ROPING Event with a time of 11.512. Hadley placed 2nd with a time of 12.731 and Bob Arnold of Happy placed 3rd with a time of 12.886.

The TEAM ROPING was

won by Tim Doherty and Will Cantrell of Clayton, N.M., with a time of 10.635. Hadley teamed up with Lee Lowrey of Pampa, and working well together, Hadley and Lee placed 2nd in the event with a time of 10.960. Placing 3rd were Pampa's Shawn Watkins and Wendell Shultz with a time of 11.912. NOTE FROM SPORTS DESK: Team Roping does not have to have the same team members on the two-man team, but it does help at times if the two are from the same school, because they practice together longer. But in some cases a mixed team can do better than a team that has both cowboys from the same school as in the case at Hereford.

The Team Championship went to Canadian with 21 points. And the All-Around Cowboy for the Hereford Rodeo is HADLEY REED.

Hadley and Mark will be in other rodeos leading up to the Hansford Rodeo, so be watching the newspapers for more details.

The Sacred Heart Catholic Church will hold its annual Mexican Dinner on Sunday, March 20, 1983. The Dinner will be from 11:30 a.m. to 2:30 p.m. in the Sacred Heart Parish Hall-901 S. Roland. Tickets are Adults-\$4.00, Children, 6 to 12-\$2.50 and those under 6 years are FREE. Take-out orders available by calling 659-2166 after 11 a.m.

Executive say gas decontrol will benefit consumers.

WASHINGTON, DC--A Texas independent producer today told the U.S. Senate Energy and Natural Resources Committee that, "Natural gas consumers are paying dearly for the market distortions caused by the convoluted system of federal natural gas regulations, but prices will drop if controls are removed."

Independent Rex Fuller, Lubbock, testified on behalf of the 5400-member Texas Independent Producers and Royalty Owners Association in his capacity as chairman of the Association's National Energy Policy Committee.

The Senate Committee, Chairmanned by Senator James McClure, (R-ID), is considering the Administration's plan for decontrol of natural gas, and a variety of other proposals to remove price controls, freeze or roll back prices, or increase current controls.

Fuller said the present system of controls, enacted in 1978 under the Carter Administration, was "formulated on the false premise that America was running out of natural gas." He blamed the complicated natural gas pricing system for disrupting and reducing the natural gas market and said that "the controls are preventing less expensive gas from reaching consumers."

"It is a situation which has made a shambles of the natural gas market. It has reduced the drilling for new

natural gas in Texas," Fuller said, "and has set the stage for another artificial shortage of natural gas."

He explained that at least half of all the natural gas projected for use in 1983 must come from new wells to be drilled between now and 1986. "But they're not being drilled," he said, pointing out that since the first of the year the number of drilling rigs operating in Texas has been dropping by 25 rigs per week, and that the national count is dropping by 80 rigs per week. He quoted the Texas Employment Commission, which said last week, that for every job lost in the Texas oil fields, five jobs are lost in the rest of the Texas economy. "Our state officials are concerned," Fuller told the Senators, "because this places an additional strain on our already-bankrupt unemployment compensation fund."

The TIPRO executive gave three reasons to explain why natural gas prices are rising even while demand is declining:

(1) Government controls which ban the industrial use of natural gas, thereby reducing the market and causing residential consumers to pay transportation costs that were once paid largely by industrial users.

(2) Depletion of reserves of old gas which are being replaced by more expensive

gas at about 10 percent per year.

(3) Importation of foreign gas from Canada, Mexico and Algeria, which command prices almost twice as high as the average prices allowed American producers.

Fuller said he agreed with Department of Energy Secretary Hodel who has said no consumer of natural gas should be forced to purchase supplies at high prices when lower priced supplies are available. "There is a lot of inexpensive gas not going to market because Federal controls have distorted pipeline choices of what gas to deliver. The solutions we seek are in the best interest of both producers and consumers," Fuller testified, "and we want comfortable consumers to produce for. If controls are properly lifted, prices will come down."

While he commended the intent of the Administration's deregulation proposal, Fuller said that TIPRO gives it only qualified support because parts of the plan tend to be "re-control" measures.

"The Administration's bill is designed to end controls by January 1, 1986," he said, "and perhaps some complicated new regulation may be needed during the phase-out, but any attempt to extend that date would make the proposal unacceptable to TIPRO members."

Max Morath in concert Saturday

The Tri-State Community Concert association will present Max Morath in concert Saturday, March 19 at 8 p.m. in the Borger High School Auditorium in Borger.

Max Morath presents an exhilarating tour of turn-of-the-century America—the ragtime years—that is not to be missed. You will be charmed and enlightened by Morath,

with his versatile talents as pianist, singer and comedian.

Happily in tune with another era besides his own, Morath has chosen his material with a knowing eye on today's temper and ideas.

Combining affection for the past with entertainment expertise of the present, Morath offers a bright and exciting trip into an era surprisingly akin to our own.

Lynx Place 3rd at Gruver Meet

The Spearman Lynx Track team traveled to Gruver to participate in the annual Greyhound Relays. They came back with 3rd Place and 78 points, total out of 8 teams--Dalhart was first with over 120 points. The SHS Track Varsity Track team is coached by Ricky Smith.

In the SHOT PUT event, Noble of Stinnett won with a throw of 47-11 1/2. Steve Burke, Lynx Sophomore, placed second with a throw of 46-8 1/4, while Mark Guthrie, Lynx Junior, placed 3rd with a 45-5 throw.

Scott Dunlap, who qualified to State last year and did very well. So Scott, at his first 1983 Track Meet, would see if he had improved or stayed the same, believe me, he improved, by breaking his old 1982 record at the Gruver Meet. Scott jumped 6-6 in the HIGH JUMP--The old 1982 record was 6-4, held by Scott, Perryton's Danny Smith and Todd Washington. Receiving 2nd place was Danny Smith of Perryton with a jump of 6-4, and Monty Hawkins of Gruver, also jumped 6-4, but received 3rd Place.

In the DISCUS Event, Steve Burke, super Sophomore,

made his move on Murphy of Stinnett, and defeated him in the event with a throw of 136-7. Murphy's mark was 130-8. And Godfrey of Perryton placed 3rd with a 128-5.

The Lynx Track team received another first, this time in the POLE VAULT Event. Jeff Pool, did an outstanding job and vaulted 12-0 to defeat his closest opponent--Snider of Stinnett who vaulted a 11-6. Brent Spurlock of Stratford vaulted a 11-6, but placed 3rd.

The next event that the Lynx placed in was the 200 METER DASH. Sophomore Michael Thompson of Dalhart winning by a time of 22.9. Marshall Cator of Gruver was second with a 23.4, and right behind was Lynx Senior, Mike Caldwell with a time of 23.9, losing by .5 seconds.

The Lynx also placed in the 1600 RELAY--Dalhart won the event with a time of 3:30.7. Stratford was 2nd with a time of 3:36.3 and the Lynx Relay Team came in 3rd with a time of 3:37.0--a real close 2nd and 3rd finish.

The Lynx Track Team will be traveling to Stinnett to compete in the annual Rattler Relays. It should be a very good Meet with lots of talented teams competing.

Jean Davis Places 1st in 200 Meter Dash

JEAN DAVIS

The Spearman Lynxette Track Team traveled to Panhandle to compete in the Track Meet this past Friday and Saturday, March 11 and 12. The girls had a very "rough" 1st day, which was Friday. One of the problems was that Jan Davis, a runner who is feared because of her speed, could not compete because she pulled something. Meanwhile, Jean Davis, advanced to the finals in the 200 METER DASH, where she had the

fastest time. Sara Avila also advanced to the Finals on Saturday in her mile-debut.

Jean won the 200 METER DASH, with a time of 26.5. Her opponents were Miss Lewis of Wellington who came in 2nd with a time of 27.0 and Miss Monica Reining of Panhandle, who placed 3rd with a time of 27.3.

The Lynxettes Track team scored 10 points, placing 11 out of 19 teams that entered. The Meet Champion was Dalhart with a total of 125 points. Congratulations to Jean for winning the 200 Meter Dash event with time to spare.

The Lynxettes Track team will be traveling to Stinnett this weekend, March 18 and 19--Friday and Saturday, to compete in the Rattler Relays. Once the Lynxettes Track team, under the direction of Coach Ralph Newton, start playing with the intensity to win, as they will need for the District Meet, the Lynxettes Track Team will be hard to handle.

A Rape Seminar will be held on Monday, March 21, from 6:30 to 9:30 p.m. at the Gruver High School Auditorium with Diane Bausch.

The Sacred Heart Catholic Church will be sponsoring their annual Mexican Dinner on Sunday, March 20, 1983. The Dinner will be from 11:30 a.m. to 2:30 p.m. in the Sacred Heart Parish Hall--901 S. Roland. Tickets are Adults--\$4.00, Children, 6 to 12--\$2.50 and those under 6 years are FREE. Take-out orders available by calling 659-2166. After 11 a.m.

Watch for Mini Fest coming April 16th.

for Sunday's Edition of the HANSFORD PLAINSMAN.

Each team did an outstanding job, getting them ready for the Stinnett Meet. As the Meet goes along, the teams will seem to improve, why, because they have the talent to improve. Do try and make it to some of the Meets and see the local talent get better!

A Rape Seminar will be held on Monday, March 21, from 6:30 to 9:30 p.m. at the Gruver High School Auditorium with Diane Bausch.

Tennis Teams Successful

The Spearman High School Tennis Teams traveled to Stratford to compete in the annual Stratford Tourney. The girls and boys did a wonderful job for Coach John Roller. The girls placed 3rd overall, and the boys 2nd over all.

In the girls side of the tournament, Kelli Crawford was going all out and having a great tournament, the first for 1983. She made it to the Championship of the Girls Singles, her opponent was Tanya Wilson, a tough District 1-AA competitor from Stratford. Kelli hadn't met her so far this year, both players played aggressively, but Miss Wilson was the more aggressive as she won the Singles Championship with a first set win of 6-1 and a second set, win and Match of 6-1, over Kelli. Kelli is just a Junior, and last year as a Sophomore, she made it to the Regionals. Kelli came home with the 2nd Place Trophy, and the Spearman girls team came home with 15 points and 3rd Place altogether.

In the boys side of the tournament, Ross Donahue and Mark Pearson, both Sophomores, were winning all their matches on Friday, which they then advanced to the Boys

Doubles Championship Finals against Mr. Welch and Mr. Fields of Dalhart. As y'all should remember, Ross and Mark won the Boys District 1-AAA Championship and advanced to the Regionals tournament as Freshmen, so they have a long, and hopefully successful 3 more years as tennis players. Ross and Mark met Mr. Welch and Mr. Fields of Dalhart, played a tough 3-set Match game. Ross and Mark won the first set 6-3, then the Dalhart duo, tied the second set at 6-all, so a tie-breaker was in effect, the Dalhart Duo won the tiebreaker, making them win the second set also, 7-6. So now the 3rd and final set would be played for the Match and the Championship. Ross and Mark handled the Dalhart Duo, 6-4, in the final set, winning the Match and the Championship. The Boys, altogether, placed 2nd with 25 points.

The tennis teams will be meeting Perryton today--Tuesday, March 15--at Perryton at 3:30 p.m. Then on Thursday March 17, the Tennis teams will be hosting the Perryton teams at the Spearman Tennis Courts, beginning at 3:30 p.m. Do try and make it, the tennis teams appreciate the support of their local fans!!

JV, 7th & 8th Lynx Place at Gruver

The Spearman JV, 7th and 8th grade Track teams competed in the Gruver Greyhound Relays. NOTE FROM SPORTS DESK: All the Dalhart teams that entered this Track Meet went home with the Championship Trophy averaging 176 points a team.

The JV Lynx Track team came home with 3rd Place. They tied with Stinnett, both having 68 points. Dalhart won the Team Trophy with 119 points, Gruver had 89, winning 2nd Place. The JV team did a fine job in the Meet.

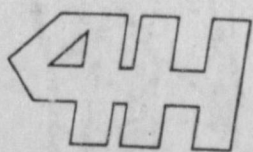

The 7th grade Lynx Track team, coached by Dan Shaver,

came home with 7th place. They scored 32 points. Dalhart won the Team Trophy with 195 points, Gruver was second with 77 1/2 points and Panhandle was third with 50 points.

The 8th grade Lynx Track Team, placed 5th. The 8th graders are coached by Ken Rutherford. The Team Champion was--you guessed it, Dalhart with 122 points. Perryton was second with 110 and Panhandle was 3rd with 106 1/2. The 8th Lynx scored 43 1/2 points. NOTE FROM SPORTS DESK: We will try and get the results from the coaches

Driving course can cut auto premiums

Eight spare time hours--four per night--can decrease your auto insurance premium and increase your prospects for safely driving your car.

Those attending an upcoming Defensive Driving Course with passing grades will be eligible for a 10 percent reduction in your automotive insurance premium.

Class periods will be 6-10 p.m., March 31 and April 5. They will be conducted in the upstairs rooms of the Hansford County Library and taught by Spearman insurance man John R. Collard, Jr.

Collard is one of a few persons expertly qualified to conduct courses in defensive driving outside the educational division of the Texas Department of Public Safety. The course will not be just lectures with enrollees hopefully re-

membered enough to make passing marks.

Those attending will have enough opportunity to learn some very important principles of conduct at the wheel of a motor vehicle developed to teach a motorist how to defend against that dangerous situation that could become an accident otherwise.

Thus a defensive driving student stands to face the toughest test--and make the best grade--out there in traffic.

This two-night, eight-hour course is being conducted by Collard's insurance firm and the Brock Insurance Agency in cooperation with area law enforcement departments.

Questions may be directed to the Spearman Police Department, 659-3707; the Collard Agency, 659-2501 or the Brock Agency, 659-2514.

Eldon Bose Honored By Seed Co.

Eldon Bose of Spearman was honored Monday evening, March 7 as the Texas Irrigated Sorghum Champion, for his entry in the 1982 Golden Yields/Golden Comparison Achievement Awards; a project studying corn, sorghum, and soybean growers who are striving for higher yields.

A plaque was presented at a banquet in Dumas. His yield was 170.5 bu/A. with golden Harvest H-514B.

National winner, Irrigated Corn Division, is Brent

Schmit, Bellwood, Nebraska, with a yield of 219.9 bu./A. with Golden Harvest H-2500. National, Dryland Champion, Corn Division, are the Marxen Brothers, Pipestone, Minnesota. They recorded a yield of 228.1 with Golden Harvest H-2300. National Irrigated Sorghum Champion is James Reiman, Butte, Nebraska, with a yield of 183.9 bu/A. from H-410B, while Dale Dickey of Cedar Rapids, Nebraska, is Dryland Champ attaining a yield of 149.4 with

H-401B. Soybean Champions are Leroy Neiderklein, Tobias, Nebraska with an irrigated yield of 64.7 bu/A. with H-1312; and David Glodowski, Ames, Nebraska yielding 65.0 dryland with H-1285.

To qualify for Golden Yields, the harvest must be taken from an area of at least one acre, corrected to 15.5% moisture in the case of corn, 14.0% moisture for sorghum, and 12.0% for soybeans. Over 2,000 entries were received in this year's event.

SHOPPING FOR CONTACT LENSES

With several types of contact lenses now available, more people than ever are able to wear them successfully. Before buying, however, shop around to find an eyecare specialist who best fits your needs and your budget.

Only ophthalmologists and optometrists may prescribe contact lenses.

Ophthalmologists have medical degrees (M.D.) and specialize in eye diseases and eye surgery. They also prescribe and sell eyewear.

Optometrists, or doctors of optometry (O.D.), are trained to detect eye diseases. They also prescribe and sell eyewear.

A third type of eye specialist, the optician, can fill eyewear prescriptions, but can not examine eyes or prescribe lenses.

Under the "Eyeglass Rule" set by the Federal Trade Commission, an eye doctor must provide you with a copy of your eyeglass prescription after an exam. This gives you the choice of where to have the prescription filled.

Eye doctors are not required to provide you with a copy of your contact lens prescription. So you may have to pay for another lens fitting exam if

you wish to buy your lenses from a different specialist.

Before you decide on an eyecare specialist, you should ask him or her the following questions.

1. "What do you charge for lenses, fitting, adjustments, a lens care kit, and follow-up visits?"

These services may be priced individually or sold as part of a special package. In some cases, the individual charges may add up to less than the "bargain package."

Make sure you know if the actual eye exam is included in the charge.

If later visits are necessary, you may want to select a reasonably-priced package which includes an unlimited number of visits.

2. "What is your refund policy?"

Not everyone can adapt to wearing contact lenses. With a good refund policy, you won't lose your entire investment if you are unable to wear them.

3. "How many types and brands of contacts do you sell?"

A large selection of contact lenses can increase the chances of finding the kind of contact lens that fits and is best for you.

4. "How much do you charge for replacement lenses?"

Contact lenses are easily lost or damaged. Find out how much you will be charged and how long you will have to wait if you need a lens replaced. Ask about replacement insurance, which will cut the cost of a replacement lens considerably.

5. "Will you give me a copy of my complete prescription for eyeglasses and contact lenses?"

Comparison shopping is extremely difficult without a copy of your complete pre-

scription. If you plan on shopping elsewhere for initial or replacement lenses, ask about the doctor's policy in advance.

Investigate thoroughly to find the eye care specialist who offers the products, services, and policies that are best for you. This will require some time, but may save you money and eliminate difficulties.

For more information contact the Federal Trade Commission, 6th and Pennsylvania, N.W., Washington, D.C., 20580, or call 202-523-3428.

EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES REGARDLESS OF SOCIO-ECONOMIC LEVEL, COLOR, SEX, RACE, RELIGION, HANDICAPPED OR NATIONAL ORIGIN.

Dossett's return from valley stay

Mr. and Mrs. L.T. Dossett have returned home after spending 7 weeks in the Rio Grande Valley at Harlingen visiting their children, Buddy and Becky Dossett.

Buddy is an attorney with the Law Firm of Johnson & Davis and Becky teaches in the Harlingen school system.

While there, they visited with the Frank Rogers of Waka, Albert Thornes of Miami and the W.R. Greevers of Spearman.

Golden Spread Center plans Radiothon

March 24, 1983, we as Directors of the Center will be presenting a "Radiothon" for the benefit of the Center from 10:00 a.m. to 4:00 p.m. under the supervision of KRDF-FM Radio Station. This project is necessary to raise funds (money) for a building payment and upkeep plus general expenses.

The radiothon is one way you as citizens of this community can show your appreciation of the Center by your contributions -- so please give from your heart -- it will be greatly appreciated. Last Tuesday evening at the cover-

ed dish supper, there were 50 people present to enjoy an evening of games of their choice.

We are fortunate to have such a caring manager. Anyone who is over 55 years of age and would like to become a member may do so by paying \$10.00 for the year. This fee entitles a member to go on trips in the van and numerous other privileges.

If you are a quilter or interested in making blocks for a quilt, there is a place for you at the Center, coming Monday afternoons. We are getting ready for the Annual Bazaar.

Spearman Buyers Guide planned

The Spearman Chamber of Commerce is making plans for a Buyers Guide.

Each business will have a picture of the business and a list of brands they have and/or services offered to the public for \$100 per page.

The booklet will also feature: Community Profile (facts about Spearman); List of doctors, dentists, hospital, nursing home and locations; Emergency phone numbers; Sheriff's phone number; where to go for Drivers License; Car Tags; Tax Information; Schools & locations;

Defensive Driving Course Set

There will be a Defensive Driving Course held in Spearman on March 31 and April 5, four (4) hours each night from 6:00 - 10:00 p.m. To complete the course, an individual must attend both classes for a total of 8 hours. These classes will be held in the upstairs room of the Hansford County Library.

Anyone wishing to attend the class can contact John R. Collard, Jr. at 659-2501 or contact the Spearman Police Department at 659-3707 or J.L. Brock Insurance Agency at 659-2514.

Churches; Senior Citizens (Golden Spread); YMCA; Swimming Pool; Clubs and Organizations; A little history on Spearman and Hansford County.

These guides will be distributed in motels, hotels and each participating business plus they will be delivered to newcomers.

Businesses that are interested in advertising in the guide should have their check for \$100 and the information for the guide to the Chamber of Commerce by March 21, 1983.

A Rape Seminar will be held on Monday, March 21, from 6:30 to 9:30 p.m. at the Gruver High School Auditorium with Diane Baush.

A "Center Piece"

by Alma Remy

How long has it been since you've visited the Golden Spread Center? Some time I'll bet. Since we've had some horrible weather that kept most people at home unless they were compelled to get out for a good reason.

Well, now since the weather is better you should get yourself on down and see what is being done and join in the fun of getting ready for the Radiothon that will be taking place sometime soon--real soon in fact, the date has been set for March 24.

This will be held for the benefit of the center from 10 a.m. till 4 p.m. under the supervision of KRDF-FM Radio Station. This is an annual program to raise funds for the building payments and general expenses.

For some weeks, now, the ladies have been gathering on Monday for quilting and by the way, that quilt is going to be beautiful. If you haven't seen it--it's worth a trip to take a look and--you might even have a chance to win it as donations for the center will be accepted

and the lucky number drawn will be the winner of this quilt.

Each Thursday is the day for Arts & Crafts and much is being done on projects for the Bazaar which will be held soon. This is under the direction of Marv Hendrickson and with all her talented help, some really pretty crafts are being made.

Each Thursday there is covered dish dinner, so come early, bring a dish and enjoy a luscious dinner. This is under the able direction of Jettie Davis.

We try to eat at noon so join us and not only will you have a pleasurable day but will be helping with preparations for the bazaar to come at a later date. If you care to bring your own needlework you may do so.

Pearl Pierce is the able and caring manager of the Golden Spread Center. She will certainly make you feel welcome.

Watch the paper for more good news from the center soon.

Police Report

INCIDENT REPORT

On Wednesday, March 9, 1983, at approximately 4:40 p.m., this office received a telephone call reporting that a dog had bitten a child. An officer was dispatched to investigate. Upon arrival at the scene, the officer was advised that the child was playing in the back yard of his residence when a dog bit him on the lower portion of his right leg. A complaint was signed and the dog was picked up at the owners residence and the owner was advised of the situation. The dog is being held for observation, which is routine activity in a dog bite case.

On Sunday, March 13, 1983, a Perryton resident entered the Police Department to report that her daughter was missing and supposedly in Spearman. The individual reported that she was attempting to locate her daughter and was concerned about her. The daughter was located and both parties advised this department taken care of and that the individuals would return to Perryton. There is no further information in this case at this time.

There were no accidents to report for the period between March 7, 1983 and March 15, 1983.

Hightower statement on SS Amendments Act

"I was pleased to support and vote for the bipartisan Social Security compromise legislation which passed the House on March 9th. Although I did not agree with every item in the package, I felt it was essential to pass the best measure we could agree on and give needed assurance to this nation's elderly that the Social Security program will be put, and kept, in the black for the foreseeable future."

"I think passage of the Pickle Amendment gradually raising the retirement age from 65 to 67

a phase-in starting in the year 2003, was a much better approach overall than the other option we had of merely raising, again, the Social Security tax burden on both employers and the employed. The average worker is already overburdened by payroll taxes of all kinds. This approach, I believe, will be the least burdensome to our young people, the middle-aged taxpayer, and to the elderly and it helps resolve in a significant way one of the structural problems that had threatened the program's long-term stability."

A Hard-Earned Salute

We congratulate every young man and woman who will take part in the County Livestock Show. They're learning important business lessons, like how to buy, what to feed, when to sell, and how to compete.

We salute their hard work, and we're proud to have helped many of them get started.

The Spirit of America is Free Enterprise

These young businessmen and businesswomen are the real spirit of America. They are proud and free to start a business from the ground up. The whole Free Enterprise System depends on people willing to risk time and money to deliver a product, in return for a fair profit.

The System Isn't Free

The price we pay to compete in this economy comes high. It takes lots of dollars to start a business. It demands years of effort and much courage to make a business grow. The only thing that's free is the freedom to succeed and the freedom to fail. We owe the opportunity to young men and women to become as successful as they are able.

You're the Boss

In a free enterprise economy you have a voice and a choice. Business must work hard for you because you're the customer -- ultimately you're the boss. Support and encourage every business to prosper -- whether it's a first-time livestock raiser or the biggest bank in the area. That way we'll both be here when you need us.

Spring, 1983

On the 21st, the hours of daylight will equal those of darkness for the first time since September. Spring will begin in the northern hemisphere. It's a season awaited eagerly through the winter by many, perhaps the loveliest exhibition of nature during the year.

Spring means new life, which will soon be evident all around us; it brings Easter (April 3), symbol of new life, warmer weather, baseball, the approach of summer holidays, spring fever, and taxes.

The inexorable laws of nature's growth cycle continue year after year as an inevitable process, inviting men and women to enjoy the experience. We also think about the fundamental cycle of life and death.

From March 21 until September, six months hence, our days will be longer than nights. They will be the warmest of the year, at the end of which we'll once again welcome cooler air and brisk days--and prepare again for what nature has in store--or go south.

John Paul II, Pope, on trip to Central America:

"I come to share the pain of a people and to try to understand more closely and leave a word of encouragement and hope, based on a necessary change in attitude."

Anne Burford, Environmental Protection Agency chief:

"I think we'll really make progress because I'm no longer represented by the Department of Justice, and that's gotta be good news."

Chances for being raped in Texas, 1 in 15

CORPORAL DIANNE BOSCH

The chances of being a rape victim in Texas is 1 in 15. That is one reason the Gruver P.T.A. is sponsoring a rape seminar with Corporal Dianne Bosch of the Amarillo Police Department. Men, women and children over 12 are urged to attend the free seminar on Monday, March 21, from 6:30 - 9:30 p.m. at the Gruver School Auditorium.

Mrs. Bosch said, "We explain the types of rapist, their motivation and how to deal with each type. We talk about the myths concerning rape."

Also covered will be juvenile safety and how to talk with your children about sexual abuse. Prevention is a key factor and it will be discussed greatly.

Two years as a nurse at the Amarillo Psychiatric Pavilion and being a mother and stepmother to 7 children help Dianne know how to discuss a taboo subject in a way everyone can understand. Her husband, Larry Bosch, also takes part in the seminars. Laughing is part of what makes her seminars so enthralling!!

Watch for Mini Fest coming April 16th.

Good News Department

A number of legislators are advocating the repeal of the financial interest and syndication rule that prohibits the three networks from receiving any profits from

later broadcasts of their programs after their network viewing. If the networks are hampered in their ability to compete for pro-

gramming with the new and growing pay television media of cable, pay cable and subscription television, experts say, the networks' affiliates will be hampered in

their ability to provide high-quality programming to local television audiences. Viewers may increasingly find that particular televi-

sion programming is available only on pay television. If, however, these Federal Communications Commission regulations are repealed, a number of good things might happen.

For one thing, there may be more good programs available on free TV. Networks will be able to spend more to buy quality programs.

For another, repeal of these anti-competition rules will enable networks to finance the programming of new, small suppliers. That can help the economy and improve the quality of television programs.

Then these small firms can employ young people with ideas on creating better

quality programming. That's something worth watching for.

Finally, getting rid of the anti-competition rules would mean that more major sports events, movies and series will stay on free TV.

TRIUMPHS OF SCIENCE

Gains In Fight Against Viruses

A promising new scientific development offers new hope in the fight against viruses that are resistant to the antibiotic "wonder" drugs.

The product is fibroblast interferon, a human protein. It's being tested clinically as a possible cure for eye infections, herpes, some forms of hepatitis and conjunctivitis.

World scientists are studying the potential of fibroblast interferon as a possible cure for many virus infections...possibly even cancer.

The scientists at Interpharm, a pharmaceutical firm in Israel, believe that careful research over a long period may demonstrate interferon's usefulness in controlling cancer, as well.

Although not available to the public, Interpharm has

begun selling small amounts of interferon to research institutes. Among Interpharm's other current projects is one that may allow children suffering from pituitary malfunction to achieve their proper height.

Another exciting development centers on the use of a protein produced by the human fetus to fight the auto-immune diseases that often lead to loss of muscle control.

17. The decision of the judge will be final.
18. All exhibitors are asked to cooperate with the show officials and to present the animals in the most attractive manner when the class is called. (Classes will be shown according to the order listed in the catalogue and by the schedule.)
19. The sifting will be done by the judge, in the show ring at the time of judging.
20. Animals sent back to the barn or not receiving a ribbon will be no sale animals.
21. These rules or any following rules are subject to change by the Stock Show Board.
22. Each exhibitor will show his own animal unless he has approval of Show Superintendent for someone else to show it.
23. Animals that have been fitted, exhibited and sold at a Stock Show auction are not eligible for this show.
24. Animals passing through the auction sale are the property of the buyer or floor buyer.
25. Hardship cases will be reviewed by the Hansford County Stock Show Board of Directors.
26. All protests must be in writing and be presented to a three member grievance committee. Their decision will be final.
27. Exhibitors may scratch animals from the sale and the next placing animal in the class will then move up into the sale. Scratching steers must be done within 30 minutes of the completion of the steer show. Any hog or lamb that is a no sale, or a companion lamb must be designated 1 hour after the hog show on Friday to Buddy Lowe.

All Grand Champions, Reserve Grand Champions and Breed Champion MUST SELL.

WHAT DOES IT COST TO BUY AN ANIMAL?

Example: 1,000 lb. steer

Purchase Bid \$1.00/lb.-1,000 lb. x \$1.00/lb. = \$1,000.00
* Base Bid .60/lb.-1,000 lb. x .60/lb. = 600.00
Difference .40/lb.-1,000 lb. x .40/lb. = 400.00
Your cost \$400.00 with steer going to floor bidder

Example: 100 lb. Lamb

Purchase Bid \$4.50/lb.-100 lb. x \$4.50/lb. = \$450.00
* Base Bid .50/lb.-100 lb. x .50/lb. = 50.00
Difference \$4.00/lb.-100 lb. x \$4.00/lb. = 400.00
Your cost \$400.00 with lamb going to floor bidder

Example: 200 lb. hog

Purchase Bid \$2.60/lb.-200 lb. x \$2.60/lb. = \$520.00
* Base Bid .60/lb.-200 lb. x .60/lb. = 120.00
Difference \$2.00/lb.-200 lb. x \$2.00/lb. = 400.00
Your cost \$400.00 with hog going to floor bidder

*Base bids or floor bids are sold at the beginning of the sale and will not be exactly like the examples.

If you wish to keep the animal, you will be charged the total sales price.

On Killing Females

An Associated Press report from China tells a grim story about the continuing practice there of parents murdering their female babies. The report says the practice is on the rise.

Girl babies are drowned, strangled, tossed down public toilets, etc. Some are left to die alone in the wilderness. In some villages, according to a Canton newspaper, a bucket of water is kept by the side of the bed of the mother as she gives birth. If the baby is a girl she is quickly drowned. The newspaper reported over two hundred baby girls murdered in only two cities in one China province.

This in a country which has produced nuclear weapons and ballistic missiles! Nothing shows the out-of-balance state of progress and civilization in the Far East today more than this tragic, disturbing practice.

Nothing shows more the need to de-emphasize weapons and armaments in favor of uplifting living and working conditions and opportunities for all who genuinely seek work and a better life.

That's Right . . .

NOTICE

A photo showing two wheelbarrows was incorrectly used in our "Lawn & garden savings for a greener spring" flyer. The description and price correctly identifies the smaller wheelbarrow in the foreground. The wooden handled wheelbarrow in the background was inadvertently shown, and is not a part of this sale. We regret any inconvenience this may have caused.

Farming For Profit:

A Professional Seminar on Farm Finances

March 17 and 18, 1983

National Agriculture Week is March 18 - 24.

First National Bank in Perryton and Hi-Plains AgCredit Corp. honor this week by sponsoring a Professional Seminar on Farm Finances. The dates are Thursday, March 17 and Friday, March 18. Time is 9:00 a.m. to 4:00 p.m. each day. Location is Community Room at First National Bank.

This excellent two-day program features Ted Abele, President of American Agrinomics in Missouri. He will present: "How to Generate More Profit from Your Profit and Loss Statement", "Improving Cash Flow", and "Improving Your Financial Statement."

You will learn ways to boost your farm and livestock profit performance.

The seminar is Free. All men and women in agriculture and services to agriculture are urged to attend from the Texas and Oklahoma Panhandles. Your registration includes free lunch on Thursday and Friday, plus a resource book to keep.

Register in advance by contacting First National Bank at 806/435-3676. See Larry Orman, Carl Ellis, Brady Yeary, or Randy Brillhart.

Take Advantage of an excellent, free program at First Place.
