Don't forget to bring something to exhibit at the Loraine Community Fair, which will be held on Friday and Saturday, September 27-28. It would help a lot if you will bring in what you can on Thursday afternoon, the 26th, so that everything will be in readiness for the judges Friday morning. Some volunteer help could certainly be used also. If you are willing to help in any way at the fair, let Bill Scarber know.

The report of Governor Connally's committee on education, if adopted by the Legislature and put into law, will wreck every town in the area except a very few. The committee recommends to the legislature that no school district in Texas be allowed to operate its own school unless a minimum of 2600 pupils are in daily attendance. I don't think of but four towns in our immediate area that could meet the minimum - Big Spring, Snyder, Sweetwater and Abilene. Every other town in the area would lose its school and hence lose one of the main incentives for a town.

The committee says by operating school districts of this size the state can save \$20 million dollars a year. They fail to mention, however, that in saving 20 million for the state the towns in the state would lose billions of dollars in property values.

I have always been for progress, and I still am, but I see that movement as a step backward. Too many people are already concentrated in cities. If the legislature puts this recommendation into law Texas will become a state of only a few big cities. This would tend to increase lawlessness for where a greater number of people are concentrated part of them are not law abiding citizens.

I do not know exactly what can be done by the various towns in the area that would be affected by the ruling to prevent it from happening, but I am convinced they should do what they can.

I am for the best education for children, but I am not yet convinced that a concentration of a large number of children would necessarily improve their education.

LORAIN COMMUNITY FAIR PLANS NEARING COMPLETION

Bill Scarber, general chairman of the Loraine Community Fair, activities, announced chairmen of various divisions of the fair this week.

Mr. Scarber and all who work to make the fair a good one each year, are anxious to see this one surpass them all.

All who live in Loraine and this community are asked to read these divisions and see what you can enter in each of them, or as many as you can. Farm exhibits should be plentiful this year, and fruit has been in abundance, though some say most of the fruit is gone now.

Moody Richardson and Edd Small are chairmen for grounds, and Woodrow Pratt is overall chairman of booths.

Wiley Walker is parade chairman and is making plans to make this one of the best parades. Royce Mahon is head of the entertainment and will be announcing what you may look forward to in the way of entertainment.

J. W. King is chairman of

farm exhibits; Fay McCollum, and Mrs. Bud Shepherd, canned goods; Dr. Bruce Johnson, antiques; B. W. Tartt, farm implements; Mrs. Wiley Walker, flower show; Mrs. Tommy Linnam, art show; Jack Coffee, coin show; Archie Scarbrough, publicity; Mrs. Twyla Bates, bake goods; Vance Dickenson, dog show; Mrs. Hershel Williams, needlework; and Royce Beights, horse show.

Rules for exhibits, time schedule for various entries to be brought in, and other details will be given next week.

J. Wiley Walker, again chairman of the parade for the Fair, stated this week he wanted to make this one the best ever staged. Mr. Walker said he appreciated the support from citizens of the community in past years, and wants you to plan now to enter a float or other entry in the Fair on Sept. 28 at 10:30 a.m.

Prizes of \$15, \$10 and \$5 will be given.

ASC Community Committee Election Deadline Nears

The approaching election of ASC Community Committees for Farm Program Administration in Mitchell County was announced today by Curtis Latimer, chairman, Agricultural Stabilization and Conservation Community Committee. He called attention to the fact that community committee elections this year are being held during the third week of September in all agricultural communities throughout the nation in an effort to increase the awareness of this important farm-program function on eligible voters.

The Farmer-Committee system is a unique means of administering national agricultural programs and policies. The community committees assist the ASC County Committee in administering the price support, acreage diversion, agricultural conservation and other farm-action programs in the county; they are particularly responsible for keeping their neighbors informed about the programs. The county committee supervises the ASC County Office and is responsible for the local administration of the various programs.

Voting will be by mail, the chairman explained, and ballots are being sent to each known eligible voter. In case eligible voters fail to receive a ballot through the mail, ballots will be available in the Mitchell Co. ASCS office. Generally, a farm owner, tenant, or sharecropper is eligible to vote if he is eligible to take part in one or more of the programs administered by the ASC Committees. Eligibility to vote or to hold office as a committeeman is not restricted by reason of sex, race, color, religion, or national origin.

Envelopes containing marked ballots may be mailed or returned to the ASCS County office anytime before Sept. 19th. Ballots will be tabulated publicly by the County Committee Monday, Sept. 23rd, at 8:30 A.M. at the ASCS office, Colorado City, Texas. The public is invited to witness the vote counting.

Following are the slates of nominees for ASC Community Committees:

A COMMUNITY

J. B. Autry, Harry Dockrey,

Rex T. McKenney, R. E. McMillan, Pat McPhaul, Tommie C. Moore, A. Preston Morris, Linden Solomon and J. K. Williamson.

B COMMUNITY

Warren Anderson, A. M. Beights Jr., T. A. Cotton, J. R. Erwin, Everett W. Haggerton, A. K. McCarter Jr., Hubert Meadows, Perry Mitchell, D. M. Pieper, Kelly Treadaway and O. B. Trulock, Jr.

C COMMUNITY

A. J. Barron, Travis S. Branch, T. L. Finley, Tommy Fuller, Robert G. Holman, W. H. Redwine, Travis P. Turner and Thomas Vest.

For each committee, three regular members and two alternates will be elected. The chairman, vice chairman, and third regular member of the elected ASC community committee will also serve as delegates to the county convention to be held later this month. The alternate committeemen are alternate delegates to the convention. Delegates to the convention will elect farmers to fill vacancies on the ASC County Committee, and they will also determine which of the regular county committeemen will serve as chairman and vice chairman for the coming year.

Questions on eligibility to vote and to hold office or on the election procedure will be determined by the ASC County Committee subject to appeal to the ASC State Committee.
