

Government Intervenes To Provide Fuel For Farmers

Mitchell County farmers have been asked to report immediately any critical farm fuel shortages to the ASCS county office.

Don Stewart, executive director of the Mitchell County Agricultural Stabilization and Conservation Service (ASCS) office, reports that in addition to using fuel conserving meth-

ods in their farming operations farmers have also been asked to report critical fuel shortages to ASCS.

Stewart said that if a fuel supply problem cannot be resolved locally or at the state level the shortage will be reported immediately to Washington, D.C., where it will be brought to the attention of the

office of Oil and Gas (OOG), U.S. Department of the Interior.

The OOG operates under the authority of the fuel allocation program which designates farming and other vital activities for priority access to fuel supplies.

Stewart said that if any farmer cannot obtain fuel needed for his

farm operations he should make this fact known to ASCS.

He emphasized that farmers should do everything they can to obtain supplies before requesting assistance. Stewart also urged farmers not to buy more fuel than they need for the near future, as equitable distribution is necessary if all

farmers are to have enough fuel through harvest.

He said some suppliers have not been able to meet farm customers' needs fully, partly because independent and cooperative fuel producers and marketers have not been able to obtain enough supplies.

Stewart said the national concern over fuel is based on two problems: supply and distribution. Demand for fuel has increased steadily, while supply has not. And, some areas are near the end of major petroleum distribution systems, making equitable distribution difficult.

A primary reason for the fuel problem in farming areas is the greater need for farm products. The country's farmers have been encouraged to plant about 40 million additional acres of food and feed crops this year.

Stewart cited the gasoline supply/demand situation as an example. Gasoline demand has risen at an annual rate of about six percent during the past two years, while crude oil processing has risen only three percent annually. Nationally an av-

erage of 47 million barrels of gasoline is used weekly, while only 43 million barrels is purchased.

Dowell Workers Injured

Three Colorado City men were injured Thursday about 1:30 p. m. when they were working on a job for Dowell near Sonora.

Jerry Ellis, Colorado High School Choir Director, John Paul Matthews, and David Wood all summer employees of Dowell, were taken to Shannon Hospital in San Angelo after emergency treatment at Sonora.

The trio was working at a drilling site when a pipe burst, and the pipe, with its contents under high pressure, whipped around and hit Ellis in the small of the back and then hit Matthews and Wood.

Ellis has a broken pelvis and Matthews a broken foot. Wood had minor injuries. See DOWELL Page 7

Barbara Sutton Named To Head Bilingual Program

Mario Castillo, who has been in charge of the bilingual program for Colorado City schools for the past year, Friday announced his resignation.

He will take the position of administrative assistant in the Equal Employment Opportunity Commission in Washington.

School Superintendent Lloyd McKee also announced Friday that Mrs. Barbara Ann Sutton, a graduate of McMurry College will succeed Castillo as head of the bilingual program this coming school year.

McKee also announced that he had received the resignation

of Mike Lippe, a high school football and basketball coach and teacher at Hutchinson Elementary. Lippe will take a teaching position in Killeen.

Mrs. Sutton has a bachelor of science degree with a major in Spanish and minors in English and art.

She will receive certification this summer in elementary ed-

ucation, as she is taking special courses in children literature.

Mrs. Sutton holds a Provisional Texas Teacher Certificate with special endorsements for Spanish, Art, and English.

She has three years of teaching experience having taught in the Albany Schools for two years as a Spanish and English teacher and one year in the Colorado ISD as second grade bilingual teacher at Kelley Elementary.

Mrs. Sutton is bilingual and has a background of elementary and high school teaching. She is familiar with bilingual, ESL and culturally oriented programs. She has served as bilingual teacher and has been actively involved in materials development.

Having collaborated with the former designate in curriculum development, she is able to consult with teachers and diagnose and plan programs for pupils in the appropriate language area, McKee said.

LEGISLATIVE REPORT

By ELMER MARTIN

NO NEW TAXES

The 63rd Legislature kept a conservative eye on state spending for the next two years and passed a \$9.7 billion budget that will not require any new state taxes.

This budget was forged by scrutinizing each and every item of state expenditure and by prevailing on state agencies to hold the line on all requests for money. This was a tough job considering the demand for more and new services, but it was accomplished by tightening the belt and spending each dollar wisely and carefully.

Governor Dolph Briscoe had urged the Legislature to come up with a no new tax budget and it is a credit to a hard working group of men and women that cooperated with that desire.

With the demand for tax dollars growing at all levels of government, the work of the 63rd Legislature will provide a welcome relief for the taxpayers of this state.

TEXAS STATE TECHNICAL INSTITUTE

We are fortunate here in the 61st District to have such an asset as the Texas State Technical Institute in Sweetwater.

This school is providing vocational and technical opportunities to a large number of students in our area and throughout West Texas. During the past session, I was fortunate and proud to be able to introduce and pass an amendment to the Ap-

propriations Bill that will increase the school's budget by \$200,000 in the next biennium. This money will be used to renovate and construct new facilities on the campus and will enable the faculty and students to work in an improved atmosphere.

Downtown Work

Crews for a Dallas firm are in Colorado City making preparations for the installation of new traffic signal lights at Second and Walnut, Third and Walnut and Third & Elm. Completion is expected about August 1. Total cost of the project is \$28,500 to be paid for by the city out of revenue sharing monies.

Starts Thursday

Margie Palmer plays the part of a mute and Pat Reilly plays the part of a young doctor interested in helping her in "The Spiral Staircase," which will be presented by the Colorado City Playhouse, Inc., Thursday, Friday and Saturday at the Opera House. Tickets costing \$1.75 will go on sale Monday and reservations may be made by phoning 728-3491. Curtain time is 8 p.m. each night.

Baseball News

By JOE PHARRIS

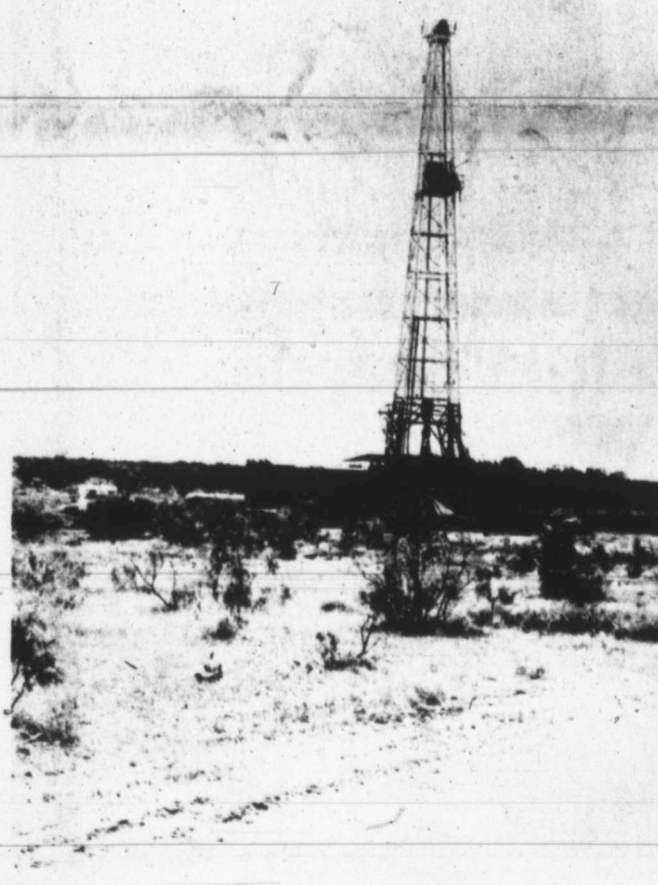

The baseball season is rapidly approaching its ending at the Little League field, but there is still lots of action left in the Junior Teenage League, and the Senior Teenage League.

In Little League action there is only two full weeks of games remaining. Those games will surely be hotly contested because no one wants to end up in the cellar and of course it is still the goal of seven teams to beat one; that one is the DODGERS. Who as of yet are still undefeated! That is really some accomplishment.

Going through a Little League season undefeated is something to be very proud of and the Dodgers are just that, and they will be playing hard to protect their record.

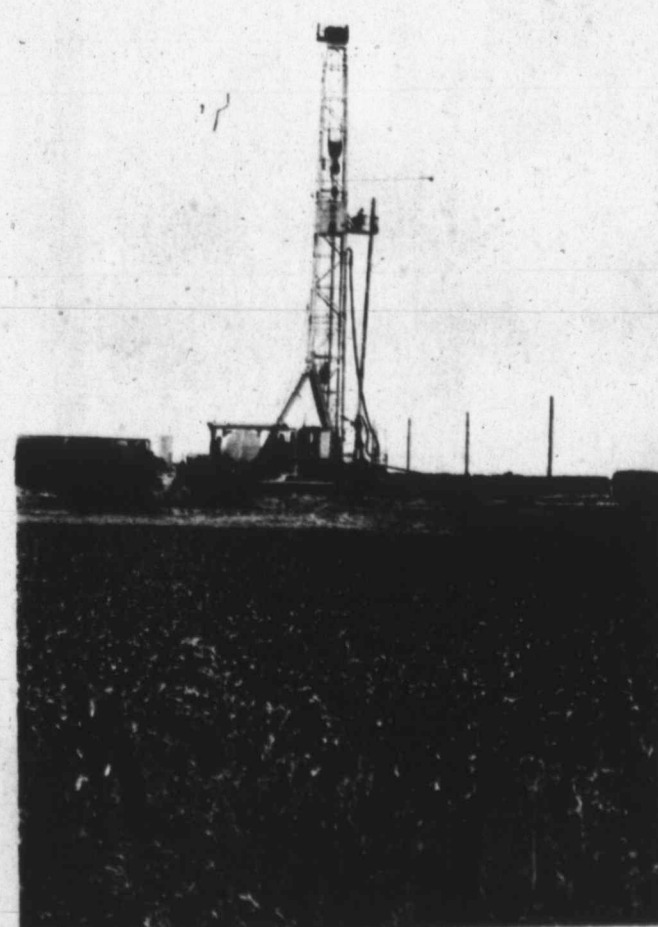

In last week's Farm League action the Steers trounced upon the Mets by a score of 19 to 16. The Steers were led by Dane Powell, Victor Jackson, and Jeff Hammonds. The Cubs defeated the Colts 12 to 9. Winning pitcher for the Cubs was Jerry Pharris. Turning in good hitting performances for the Cubs was Chris McKinney and Keith Ruddick.

This past week also saw the Lions have another winning day by defeating the Blue Sox 14 to 11. Turning in good performances for the Lions were Brent Fite, Stanley Taylor, and Gary Rowe. Farm League action, remember, begins at 4 p.m. on Saturday. This coming Saturday will end the regular season, but See BASEBALL Page 7

Oil Activity

Oil and gas activity in and around Mitchell County is gaining momentum. In top picture a second oil well is being drilled and a third is being planned in Sterling County, just south of the Mitchell County line. Westbrook Class Host Summer Program

A Home Economics Summer Experience Program at Westbrook High School has conducted a nursery for pre-school children.

The pre-schoolers have been meeting in the kindergarten room at the school each morning, June 11-15, 9:30 - 11:30.

There was a time for play and a time for work and experience each morning for the children. They were taught in the program how to play with others, were read stories, music, films, puzzles, a mid-morning snack and a rest period were also items on the agenda.

Members of the Home Economics class participating in the pre-school summer program were Kim Sullivan, Mary

Martinez, Mary Alaniz, Eva Duran, Sandra Rich, Brenda Matlock and Linda Ranne. An average of seven children attended the program.

The Home Economics girls have been studying child development and felt the summer program would further their understanding and increase their experience to work with small children.

Mrs. Ather Ellis, Home Economics teacher at Westbrook, has been in charge of the activities.

A reading program is also being held at the Westbrook school and is a part of the Summer Experience Program.

The session is every morning and began June 4 and will continue through July 27th. The class begins at 10 a.m., through 12 p.m.

During the period, books may be checked out, films are shown records and tapes are played and a time is set aside for the teacher to read stories.

The reading program meets in the study hall and is for pre-schoolers through the sixth grade. A time is set aside for those children who need special help.

Ruth COFFEY'S CONVERSATION CORNER

LONG as you live you are liable to come across bits and pieces of new information which may surprise and confound you.

Discovered the other day, reading a short feature, that Richard M. Nixon, The President, and this country columnist have one thing in common, JUST one. It is the fact that he never carries any money on his person. Nor, sad to relate, does this "little woman".

Reasons are vastly different, naturally, and do not need to be gone into other than to say Secret Service men have money in their pockets for him when Nixon wants to shop. So right there any slight similarity between him and me ends. Period.

LONG as you live you do not have to hunt something to worry about. It hunts you.

Changes in our way of life do not usually worry. Enjoy many of them. Decided, however, to worry some about the direction public and college education is currently trying to take.

Report of a survey among middle school pupils proved the majority of them wanted "More Sex Education and less Physical Education." That might be called a contradiction but we'll let it go at that.

Had the survey been made years ago at least one girl would have demanded "More playground and less math."

WORRIED to some extent about a course called "Death and Dying" at Florida Technological University in Orlando. As an assignment the professor told the class they would be executed at the end of one year. Students were told to write what they would do with that one last year, then write their own obituaries, during the weekend.

The professor's purpose, he said, was to teach the class about living. He was disappointed because most students wrote they would spend that last year doing things like travel, getting

a driver's license, et cetera. Obituaries submitted were short-test college papers on record.

"It did prove to them that they are wasting their lives," he announced, "and had nothing to show for their years."

THINK a course in "Life and Living" could have been more productive, though people learn about life and living by living. Even so, took to pondering, What WOULD you do with one last year while alive and in good health?

Amazing how many just plain frivolous things come to mind first, isn't it? Mean things like "Would try being a blonde...ride on a train once more" and so on.

ACTUALLY it's a shame when there are so many important things to do. Think that whole class was spoofing that professor.

Would you, rather, go to see the old and sick and lonely? Would you express in some way more love? Make time to answer that stack of letters?

Would you take more active interest in church, city, county, state and our befuddled nation? Would you work and pray for peace—real peace—and hope with every breath you'd live long enough to see peace come to stay all over the world?

Would you re-read favorite books and the Bible page by page? Think more? Would you mourn for yourself or for the whole suffering earth? What WOULD you have worthy to put in your own obituary if ordered to write it yourself?

Tell you one thing. Would either flunk that course or withdraw from it and enroll in some other foreign language...or maybe karate.

LIFE, for all its complications and sorrows, has so many happy top-of-the-mountain experiences!

The Smoots, Joe Henry and his pretty wife, Honey of Big Spring, have joined the young grandparent set. Their daughter Mary and her husband Tom Gingerich of Houston have a baby girl born June 7 in Houston and named Kristi Ellen. Joe was born and grew up in C-City as son of the late Joe H. Smoots, Sr. and is among our local boy makes good department. His wife Honey has always been a honey.

HEAR TELL that Charlie Smith of East 9th was recently visited about a week by his only daughter Betsy (Mary) Belew

and her 19-month-old daughter Kristin.

Betsy, her husband Danny Belew and their Kristin live in Wolfthorpe, 10 miles west of Lubbock and where Danny teaches Vocational Agriculture. He works toward his master's degree at Tech this summer. Betsy, born and reared here, holds her bachelor and her master's from Tech and confines her teaching to substituting since Kristin came. Betsy's niece of Ruth (Mrs. Joe) Barnett, by the way.

YOU PROBABLY already know but maybe not that our Dr. Tom Patterson, former First Baptist pastor here, was honored June 10 with the 1973 Elder Statesman Award for long service as executive secretary of Baptist General Convention of Texas.

Dr. Patterson commuted from C-City to the seminary in Ft. Worth while working toward his doctorate and writes a column for the Baptist Standard.

SEEN LATELYS these hot summer days were Faye Bloomer on the downtown shopping scene...Frankie Vann...Harold Maniss.

Swapped greeting with Puddy (Mrs. Rush) Neff, nee Virginia Whipkey, graduate of Baylor University, Waco, who with husband Rush owns and operates Neff Nursery and Colorado Floral Co.

Saw two FPS -- favorite people-- Otto Jones and Marian (Mrs. Dee) Bassham in a smiling conversation on Second St. ...Viola (Mrs. Curtis Sr.) Erwin looking fresh as a daisy in a stylish striped summer frock ...Shirley (Mrs. Don) DeLaney at Corner Drug.

Talked a minute to E.S. Miles of Longfellow Community and learned that Karen (Mrs. Miles) and other relatives had as guests, recently, her youngest brother Carl Shelton and his wife Evelyn of Knox City. Carl Sheltons are former citizens.

Robert Jones, younger son of Loyce and Harvey Jones, called to say hello while visiting at home last week. Robert, employee of the RECORD is teaching in Brown's School for Retarded Children at San Marcos this summer and will be a senior at Southwest Texas University his next semester.

NOTES not from shorthand just from the glad hand--Danny Barber, young attorney, was talking golf and his family. He and wife Regina have a little girl and a six-month-old son.

Had Howdy's from Johnny Grubbs, Joe Leonard, Newby Pratt, Mac McKinnon, George Callender, and sweet-voiced Sally Miller Rogers, receptionist at Berkman Clinic.

Mrs. Dona Reed Represents Chapter N. F. Halls Attend Oklahoma Reunion

Beta Epsilon Chapter of the Delta Kappa Gamma Society was represented by Mrs. Dona Reed of Colorado City at the 44th annual convention of Alpha State organization June 14-19 held at the San Antonio Convention Center.

Theme of the Convention was "Tis the set of the soul that decides the goal, and not the storm or the strife" taken from the poem "One Ship East" by Ella Wheller Wilcox.

Mrs. Marianna Jones, Epsilon Beta Chapter, San Antonio and Mrs. Monta Frost, Zeta Beta Chapter, San Antonio, were convention chairman and co-chairman. Seven San Antonio chapters served as hostess chapters.

The convention opened Thursday with a planning luncheon for Regional Directors followed by a membership workshop conducted by Miss Catherine Rathum, International Executive Secretary.

That evening, delegates were treated to a special Fiesta de la Delta Kappa Gamma featuring a Mexican buffet, strolling mariachis, pinatas and boat rides.

Mrs. Levenne Davis, Alpha State President, presided at the business sessions where committee reports were approved and recommendations were adopted.

Friday evening, after a musical program by the State Chorus, a gala presentation of Chapter Presidents was made simulating a typical San Antonio setting.

Mrs. Magill Speaks To Esther Class

The Esther Sunday School class of the First Baptist Church met Wednesday morning at 9:30 a.m. in the home of Mrs. E.V. Grantland for their monthly business and social hour.

Mrs. Lester Watson presided over the meeting and the opening prayer was said by Mrs. John Bell. The minutes of the last meeting were read and approved. A treasury report was also given.

Mrs. J.B. Magill brought the devotional from the speech given by the president of the Southern Baptist Convention, Owen Cooper. The speech was entitled "Share the World". Refreshments of doughnuts, coffee, fresh fruits and tea were served by the hostesses to the following: Mrs. J.B. Magill, Mrs. E.L. Tiller, Mrs. Lester Watson, Mrs. A.H. Jackson, and Mrs. John Bell. Guest was Mrs. Lynn Burkes.

At the Birthday Luncheon, Saturday, Mrs. Ruby Lee Lafferty presented scholarship recipients and honor chapters. Mrs. Jane Randle presented 1973 State Honorary Members and Miss Marie Taylor presented the 1973 Achievement Award recipients.

The Southwest Regional Conference will be held in Los Angeles July 3 - Aug. 4, and the 45th Alpha State Convention will be held in McAllen June 20-23.

A memorial service in the International Ballroom closed the Convention.

GOD'S FIVE MINUTES

RECIPES FOR GROWTH

If modern science has done nothing else for Christians, it has at least taught us that it is our duty to look at facts in the face; to disallow preconceptions, and never shut our eyes to anything. Modern scientists would do well to approach the Christian faith in the same spirit of fearless openness. In that spirit, I would call Christ a scientist. No man can have the mind of Christ in him without facing life as Christ faced it. He rejected traditions of men and saw things for Himself. He saw embedded in everything about Him evidence of the existence and positive nature of a personal God. And He fearlessly proclaimed it. Science is founded on faith and thus, true science, can walk hand in hand with the Christian way.

To the Editor:

The following is given as an explanation as to why recent decisions were made by the Mitchell County Commissioners Court.

Senate Bill No. 111 - 61st Legislature, as amended by H.B. 1319 - 62nd Legislature, State of Texas, as found in Article 678g, Chapter 324, Page 47 thru Page 54, Vernon's Annotated Civil Statutes, which sets the standards and specifications for the design and construction of all buildings and facilities within the State of Texas, so that those individuals with permanent physical disabilities might pursue their interests and aspirations, develop their talents and exercise their skills.

TITLE OF THE ACT: An Act to require that those buildings and facilities constructed in the State by use of federal, state, county, or municipal funds shall adhere to the principles prescribed by this Act in order to make these buildings and facilities accessible to, and useable by, the physically handicapped; and declaring an emergency.

POLICY 1 Section 1. The provisions of this ACT are enacted to further the policy of the State of Texas to encourage and promote the rehabilitation of handicapped or disabled citizens. It is the intent of this ACT to eliminate, insofar as possible, unnecessary barriers encountered by aged, handicapped or disabled persons, whose ability to engage in gainful occupations or to achieve maximum personal independence is needlessly restricted when such

person cannot readily use public buildings.

Section 2 (a) The standards and specifications set forth in this Act, shall apply to all buildings and facilities used by the public which are constructed in whole or part by the use of state, county, or municipal funds, or the funds of any political subdivision of the state.....

Section 2 (c) These standards and specifications shall be adhered to in all buildings leased or rented in whole or in part for use by the State under any lease or rental agreement entered into on or after January 1, 1972. (The 32nd Judicial District Courtroom, the 32nd Judicial District Judge's office the 32nd Judicial District Court Reporter's office, the 32nd Judicial District Attorney's Office, the Texas State Department of Public Safety office (Highway Patrol) and the Texas State Department Licensing Division office are all State offices and are located in the Mitchell County Courthouse)

Section 3. (a) This Act is concerned with nonambulatory disabilities, semiambulatory disabilities, sight disabilities, hearing disabilities, disabilities of coordination and aging....

Section 4. (1) "Nonambulatory disabilities" means impairments that, regardless of cause or manifestation, for all practical purposes, confine individuals to wheelchairs.

(2) "Semiambulatory disabilities" means impairments that cause individuals to walk with difficulty or insecurity, individuals using braces or crut-

ches, amputees, arthritics, spastics, and those with pulmonary and cardiac illness....

Section 8. At least one primary entrance to each building shall be useable by individuals in wheelchairs. At least one entrance useable by individuals in wheelchairs shall be on a level that would make the elevators accessible.

Section 15. Elevators shall be provided and shall be accessible to, and useable by, the physically disabled at all levels normally used by the general public. Elevators shall allow for traffic by wheelchairs.

Section 21. This Act takes effect on January 1, 1970.

The plans for installing an elevator in the Mitchell County Courthouse, were included in the initial renovations begun in 1963. It was not installed at that time due to lack of funds. The completion of the renovations to the west side of the building was also postponed for the same reason. Money is now available through Federal Revenue Sharing.

In order to comply with S.B. 111, 61st Legislature, and desiring to make all the services of the courthouse available to all taxpayers, the Commissioner's Court authorized the contract for these needed improvements.

It is also felt that this addition would be a great safety factor in transporting prisoners from the ground floor to the District Courtroom on the third floor, where all felony cases are held.

When Senate Bill 369, 62nd Legislature, became law on July 15th, 1971, legalizing the use of a jury wheel for impaneling juries, this made a complete change in the manner of jury selection. The jury summons states that "You are hereby summoned to be and appear in person at the County Courthouse to serve as Petit Juror in

the above named court....your name having been regularly drawn according to law. Failure to appear in accordance with the above summons is punishable by a fine of not less than \$10 nor more than \$100 (Article 2121).

If you are ill or disabled to an extent that will prevent your service, have your physician mail a certificate of that fact, accompanied by this summons to your District Clerk....prior to date of service. Telephone communications cannot be accepted under the law.

If you are exempt from jury service under some provision of the law, and wish to claim such exemption, you may appear at the office of the District Clerk, third floor, at the County Courthouse and file the affidavit necessary to claim such exemption.

No one has the authority to excuse you from jury service, except as above stated, or in OPEN COURT at the time and on the date above specified.

Exceptions to any of the above is possible grounds for reversible error.

There have been several cases granted continuances recently, due to the defendant or witnesses inability to ascend stairs. This causes undue delay in trial procedure.

Signed,
Bill Carter, County Judge

Baptist T.E.L. Class Has Meeting

Mrs. Irene Stewart was hostess for the T.E.L. Class of the First Baptist Church in their regular monthly meeting Monday night.

Mrs. Lester Webb presided over the meeting which opened with the group singing the class song, "I Love Thee" and prayer by Mrs. Pauline Smiley.

Mrs. Leonard Coldewey brought a very interesting devotional on "The Lord's Prayer".

Mrs. Lane McCollum brought the secretary's report and Mrs. Vada Preston reported on the treasurer. Business in the interest of the class was discussed. Mrs. Thomas Riden led the closing prayer.

The hostess served refreshments of coconut pound cake and ice cream to Mmes. Huse Narrell, McCollum, H.G. Denison, Webb, Coldewey, Riden, T. L. Holman, Smiley, Bernice Hallmark, Cullen Payne, Vada Preston and Roy Baird.

German Dish

Sherry Christian, a two year member of Homemaking at Colorado High School, checks on her group's roasted smoked pork loin that was prepared as a German food for their assignment

in the Summer Program which was this past week. Other members not pictured are Becky Hardegree and Cheryl Sayger.

Preparing For Guest

Seleana Bagwell and Delilah Hull set the table for the Greek meal they prepared as a part of their summer program at Colorado High

School. The girls will receive a 1/2 credit for reaching their goals successfully. They are also two year members of Homemaking.

Homemaking Summer Program

Study Of Foods, Customs & Management

A Summer Homemaking Program came to a conclusion at Colorado High School, Friday afternoon.

Those enrolled in the summer program who successfully completed their goals received 1/2 credit.

Students are engaged in individual projects in their homes and communities. They are involved in work at Root Valley Fair Lodge, summer recreation programs and in various Bible Schools.

Home learning experiences include such things as: care of small children, home management, dietary management, food preparation, consumer buying, personal improvement, sewing, home decoration and family relations.

Workshop conducted in the Homemaking Department under the direction of Mrs. Marion Craddock, homemaking teacher was June 18-22 and was concerned with two aspects of food.

One group of girls explored the world of foreign foods and

another group's interest was in entertaining.

A Greek and German luncheon was prepared and served to guests on Friday and an afternoon tea was given by the students at 4 p.m.

During the workshop, students did research work on various countries including customs, foods and points of interest.

Others researched the food management industry from the standpoint of catering, cafeteria and restaurant management. They selected their foods used, prepared, and served them in an authentic setting of each country and kept records of food costs.

Students enrolled in Mrs. Craddock's class were Seleana Bagwell, Voloria Jones, Mitzi Jackson, Jane Maines, Sharon Matthews, Brenda Johnson and Cheryl Sayger.

Also Vicki Crouse, Becky Hardegree, Patty Goodlett, Maureen Vann, Sherry Christian, Wanda Williams, Delilah Hull and Lynn Lee.

A Personal Development Workshop was also held at the

Colorado High School Homemaking Department under the direction of Mrs. Brenda Simmons, June 11-15.

The students activities were of the same types as the workshop held June 18-22.

The students activities included a field trip to Charles' and Sue's School of Beauty in Snyder and a demonstration from Mrs. Gigi Richardson from the Merle Norman Cosmetic Studio.

Diet, nails, posture, and facial areas were studied and work on areas were studied and worked on all during the workshop. Careers in cosmetology were stressed throughout the entire program to the students.

Students participating in the Personal Development Program were Ann Brooks, Shirley Lewis, Teresa Lemons, Belinda Bell, Debbie Walzing and Brenda Bratcher.

Also Jane Ann Burt, Sharon Adams, Kathy Ratliff, Nancy Proctor and Robby Gray.

Afternoon Tea

An afternoon tea was given Friday at 4 p.m. for mothers and friends of the Homemaking girls who participated in the Summer Program held at Colorado High School. Mitzi Jackson and Patty Goodlett entertain and serve the guests. Not pictured is Jane Maines.

Girl Scouts Host Sweetwater Banquet

A banquet hosted by the Girl Scout Senior Planning Board was held at the Holiday Inn at Sweetwater on May 26.

Special guests were ninth grade Cadettes and parents of all the Scouts. Girls from troops in Abilene, Colorado City Sweetwater, Snyder and Lamasa were present.

After the meal was served, Sheila Moss, Senior Planning Board advisor, spoke on "Today's vision--Tomorrow's World". She stated that sharing in GirlScouting was the most important principle.

Mrs. David Rosenkrantz told ninth grade Cadettes what they could expect in Senior Scouting. She then had some Seniors cap the Cadettes.

Cadettes who participated from Colorado City were Ginger Noel, Sharla Caldwell, Leslie Greenlee, Myra Jones and Cindy Bobo.

Mrs. Franklin Pruitt from Snyder spoke to the graduating Seniors. She presented each with a diploma. Those Seniors were Debbie Brame, Colorado City; Yolanda Nelson, Abilene; Jody Hudson and Sharon Bevers of Snyder.

Debbie Brame, president of the Senior Planning Board for the 1972-73 year, introduced the new executive board for the coming year.

The new Public Relations Chairman will be Patti Goodlett of Colorado City; and the new Secretary-treasurer will be Janet Caldwell of Abilene. New vice-president will be Sara Bowser, Abilene; Deborah Pruitt of Snyder. the new president.

A plaque of appreciation was presented to Sheila Moss from the planning board. A gift from the executive board was given to Debbie Brame for all the hard work she did this past year.

Jackson Reunion Held At Lake

The annual Jackson reunion was held Sunday, June 17 at Lake Colorado City.

Those attending the reunion were: Mr. and Mrs. W.C. Stokes Brian and Eric; Mr. and Mrs. John Knight, and Don; Mr. and Mrs. Allen Leslie, Robert and Stephanie; Mr. and Mrs. Dale Byrd, Shanna and Ryan; Mr. and Mrs. John Hart, James and Steve and Mr. and Mrs. Elmo Daniel.

Also Mr. and Mrs. B.A. Jackson and Jack; Rachel Ruffin; Tom and Teresa Jackson; Hollie and Irene Jackson, Mr. and Mrs. Jimmy Moody and Alan and Mrs. Dora Fowler.

Others were: Mr. and Mrs. B. J. Wood and Paul; Mr. and Mrs. Don Wood; Mrs. Ruby Jackson and Robert; Mr. and Mrs. Eldon Ruffin, Debbie, Elaine and Otis; Mr. and Mrs. Alvin Byrd and Mr. and Mrs. Larry Jackson and Laurie.

Evening Lions New Officers

Officers for the 1973-74 year were installed by the Colorado City Evening Lions Club Monday.

--Third Vice-President, Rev. John Mikov

--Secretary-Treasurer, J. Wells Slater

--Lion Tamer, Nial Maytubby
--Tall Twister, Waverly Massingale

--Directors, John Martin, Joe Martin and Don Snow

Wright expressed his thanks to the Evening Lions Club for the support the people of Colorado City have given the Evening Lions Club fund raising projects.

"Without your cooperation, it would not be possible for us to carry out our set goals for the needs of others," Wright said. During the past year, with everyone's help, the Evening Lions have been able to purchase three pairs of eyeglasses give a \$200 college scholarship, sponsor two children at the Lions Crippled Childrens & Diabetic camp and sponsor a teenage baseball team, Wright explained.

"Along with our thanks we would ask you continued support of our club as well as all other valuable civic clubs in our community," he concluded.

Golf Tourney Set Today

The Colorado Country Club Women's Golf Association will hold its first annual golf tourney today (Sunday) at 1:30 p.m. at the country club.

Mrs. Clara Butler Host Ruth Class

Mrs. Clara Butler was hostess for the Ruth Sunday School Class of the First Baptist Church in their regular June meeting at 3 p.m. last Thursday.

The meeting was opened with the group singing "We'll Work Till Jesus Comes" and the prayer was presented by Mrs. Butler.

"Strength For Witness" was the title of an interesting devotional by Mrs. L.E. Crutcher. Scriptures read were from John 1:29, 35, 43 and 46.

Her introduction included the thought of John the Baptist being the "Citizen of the Centuries" - His all absorbing objective to point other people to Jesus.

The Bible passage emphasized three things: "A Great Discovery", friends of Jesus saw

Joseph's son as the Son of God, Savior of the world, 2nd, "A Great Decision", to follow Jesus and 3rd a "Great Demonstration" shown by Andrew.

He went and witnessed to his brother, Simon Peter, who then became a follower of Jesus. The closing thought was that strength for witness is available to each Christian who shares a new life in Christ with others.

After a brief business session and group reports, Mrs. Homer Mearse led in a contest of jumbled New Testament books, and other thought provoking questions, "Happy Birthday" was sung to Mrs. Harvey Leach.

Mrs. Dexter Taylor led in prayer after the class song.

The hostess served frosted cakes and cookies to the group of 7 including Mrs. C.A. Land and Mrs. Hal Bennett.

Meadows Speaks To Class On "Equality"

Mrs. James Bennett and Mrs. Alva Bennett were co-hostesses for the Local Circle of Methodist Women at the church fellowship hall Wednesday morning.

"Take Time to be Holy" was the opening song. Mrs. J.D. Norman led in the opening prayer.

Mrs. S.E. Meadows gave a talk on "Equality", telling about the country of Bolivia in South America. In her talk she told of the three large social groups in that country.

"The woman does most of the work and the men are very dominating. Unemployment is great there," she said.

Mrs. James Watkins told about the liberated women in the Philippines. The women in that country work and help support their families, but they have minds of their own and are

nor ruled by their husbands. Most of the people there are Catholics. She closed with prayer.

Mrs. Watkins presided over the business meeting. Mrs. Taylor reported she had sent \$75 to the district treasurer. Mrs. Crowover gave her report.

Refreshments were served to Mrs. Frank Crowover, J.E. Price, J. D. Norman, Pearl Bruce, K.L. Taylor, S.E. Meadows, C.H. Martin, James Watkins and Martin Dobbs.
