

Eastland Echoes

By Casey

THOUGHT FOR TODAY: "Peace is the happy, natural state of man; war, his corruption, his disgrace." — (Thomson).

This week brings another home game for the EHS Mavericks. It's Granbury who invades our fair city, Friday night. Our team is crippled with injuries and that's all the more reason we should be sure to rally to the lads' support, furnishing a big crowd for the battle this week-end. Let's prove we're staunchly with them.

Two Indians watched the white men building a light-house. One night after it was completed the Indians took up their accustomed stations as a thick fog started to roll in.

"Ugh," said one Indian to the other, "light shine, bell ring, horn blow, but fog come in just the same." — (Gilecraft).

We note that, comparatively speaking, attendance is good in the Eastland churches — which always is a compliment to a town. However, it is a lamentable fact that a far-too-high percentage — anywhere you go — either seldom attend or never darken the church doors. ... What would they think if EVERYBODY quit going? After all, it's something to ponder, isn't it?

Work has been defined as the yeast that raises the dough.

Questions have been asked about when the veterans' housing project is to start here. We're advised that a title remains to be worked out before construction start. That, as we understand it, is the only snag left.

Thief Removes Check Machine At Ceramics

A sneak-thief removed a check protector machine from Horton Ceramics Sunday night.

Sheriff J. B. Williams and Police Chief Ray Laney's departments are investigating.

Chief Laney said: "The theft took place during the time the all-night man was on duty, firing the kilns for the ceramics. Evidently, the thief just sneaked in and carried the machine away."

"It was after 7 p.m. as Horace Horton said he used the machine about that time."

Scranton Vote Impounding Is Authorized

Impounding of vote returns in a school bond issue election which carried at Scranton by 37 to 25 has been authorized by district court order.

Complainants at Scranton had filed affidavits of irregularity with the district attorney's department.

Plaintiffs reportedly allege that insufficient notice of the election had been given, charging that the announcements were not properly spaced to give widespread publicity.

Thus the votes, it was learned, are to be impounded until the investigation goes before judge, grand jury or court trial.

Match Play In City Tourney Started Wed.

Pairings will be complete by tonight in the Eastland City Golf Tournament at Lakeside Country Club.

Thus match play is to start tomorrow. The tourney is to extend over a period of three or four weeks if players wish that much time.

Around thirty-two players are likely to take part. No prize for medal play is offered.

It is expected that there will be four flights.

DEATH OF A FOREST — Powdered ash casts a snow-like mantle of death over this once-proud stand of towering sugar pines in the High Sierras east of Fresno, Calif., in the wake of the worst forest fires to hit the rich Pacific Coast timber lands in years.

EHS Coaches Talk Of Grid to Rotary

Eastland Rotary club was presented a football program Thursday noon by Eastland High Head Coach Carroll Shelton and Line Coach Jimmy Hughes. Irol Inzer, general program chairman, introduced the speakers and Bernard Hanna, president, presided over the meeting.

Coach Shelton described football as "one of the grandest games I know anything about," but added that it has some unfortunate experiences, too, referring to four Eastland lads' having been injured this early in the season.

"However," he pointed out, "I still say that as far as I'm concerned, I'd rather a boy of mine were in a football game than out driving a car or lounging around on the streets, Friday night."

Concerning the schedule, he said: "We had hoped, at the first of the season to finish second, but now — with the injuries stacking up — we'll be lucky to finish last."

Both he and Coach Hughes were highly complimentary of the type of boys who compose the team.

"I've seen better football players but I've never worked with a finer bunch of boys," said Mr. Hughes. "And I believe we're going to win." (Continued On Page Six)

Split-second timing and death-defying stunts are the ingredients of the exciting Joie Chitwood Thrill Show, to be presented in 25 performances in front of the Grandstand during the 1955 State Fair of Texas, Oct. 7-23. Top, a precision driving exhibition at speeds up to 60 miles an hour, center, a hard-headed daredevil, strapped to the hood of a speeding car, crash head-first through a flaming barrier, bottom, the thrilling and dangerous ramp-to-ramp jump by one speeding auto while another car zooms underneath.

Armory Erection, Cisco, Is Nearer

Information has been received by Captain Frank Sayre, commander of Btry. A, 648th Armd. FA Bn., Cisco unit will begin in the not too distant future.

A recent letter from the Texas National Guard Armory Board discloses that Lt. Col. Lyons of the Armory Board will be in Cisco soon to look over the present sites belonging to the state. In Cisco, examine present plans and property deeds and go over plans with local commanders and architects.

It is expected that the new building, which will be considerably larger than the present one, will be built near the old one. The old building will be converted back into the vehicle storage and maintenance shop for which it was originally intended.

The Cisco National Guard unit has accepted several new men for enlistment recently including: Pvt. Harley E. Fox, Jr., son of Mr. and Mrs. Harley E. Fox Sr., son of Mr. and Mrs. John Gray of Eastland; Pvt. Jerry D. Douglas, son of Mr. and Mrs. Robert Douglas of Cisco.

Pvt. Kenyon D. Foster, son of Mrs. Elizabeth Foster of Cisco; Pvt. Ernest W. Fricke, son of Mrs. Anna Fricke of Cisco; Pvt. Thomas E. Hull, son of M-Sgt. and Mrs. George B. Hull, Rt. 1, Eastland.

Pvt. Richard A. Lenz, son of Mr. and Mrs. Alvin O. Lenz, Rt. 2, Cisco; Pvt. Don M. Price, son of Mr. and Mrs. Paul Price of Cisco, Mexico.

Case Dynamite Caps Is Found Near Eastland

A case of dynamite caps whose ownership is unknown was found near Eastland early Tuesday.

The Abilene police department phone Sheriff J. B. Williams that the explosives had been discovered just at the western edge of Eastland by a motorist journeying west and turned over to the Abilene officers.

Sheriff Williams said that he had no lead as to the identity of the possessor of the caps.

Monthly Meet Of Farm Bureau Is Held Here

The monthly meeting of the directors of the Eastland County Farm Bureau was held in the Eastland First Christian Church annex recently with Mitchell Campbell, president, presiding.

He and Ray Norris, secretary, reported on the Farm Bureau Institute held in Mineral Wells. Mr. Norris also reported on the policy development meeting in Brownwood. John Love, chairman of the resolutions committee, urged the members to begin planning resolutions for the state meeting.

Cullen Rogers of Kokomo, Clyde Coats of Cisco and Herman Schaefer of Nimrod were elected to serve on the nominating committee. Lots were drawn for one-year and two-year directors.

Janis Little, queen of Eastland County Farm Bureau, was presented. She gave the talk she gave at the District meeting in Abilene on "Why I'm Glad My Father Is a Farm Bureau Member," and thanked the members present for the honor of representing them as county queen.

Mrs. Andy Taylor sang two negro dialect solos: "Tired" and "Ain't No Fish."

Doughnuts and coffee were served to the 22 present, which included the 14 FB directors.

'56 Ford Trucks Be On Display At King Motor

Ford's 200 new 1956 truck models with greater engine performance and payload capacity to on display in 6,800 Ford dealer showrooms throughout the country September 23.

Many of the new trucks will be displayed at King Motor Company in Eastland.

Two new models have been added to the Ford truck line — a T-750 tandem axle model in the heavy truck series, and a new, longer wheelbase pickup.

Gross vehicle weights extend from 3,000 pounds on the pickup to 42,000 pounds on the heavy duty tandem axle models.

For 1956, Ford's cab design introduces increased visibility of wraparound windshields and optional wraparound rear windows.

Introduced for the first time to the trucking industry are two standard safety features — a safety steering wheel and safety floor latches. Seat belts are optional.

The safety steering wheel is designed with a rim three inches above the horn button to give the driver a better view of the road.

Reservoir For Rising Star Is Being Planned

The City of Rising Star has employed the Marvin Turner Engineering Company of Austin to make a survey and cost estimate with a view of constructing a 100,000 - gallon supplementary water storage reservoir.

The reservoir would be built on the ground on the lot adjoining the city hall and would be equipped with booster pumps to lift the water into the overhead reservoir as needed.

Two types of storage tanks are under consideration, one of concrete and the other of steel and the council will make a decision based on the report of the engineer.

The contemplated ground storage tank would increase the city's water storage for immediate use to 175,000 gallons. This would solve the problem of having adequate water on hand during the high water use periods of the year and would materially reduce the penalty which the city is now charged on its fire insurance rates for lack of sufficient storage. That is five per cent on the key rate of 67 cents per hundred dollars.

The council hopes to have its plans completed in time for construction of the new reservoir so that it will be ready for use soon after the first of the year or in the early spring of 1956, Mayor Walter Smith said.

Busy Session Is Conducted When County Home Dem Council Meets

Nine of the ten home demonstration clubs were represented at the Eastland County Home Demonstration Council Wednesday when it met in regular session at the Texas Electric Conference Room. Mrs. Ernest Scheffer, council chairman, presided.

Plans were made for the Federated Club Tea to be held Sept. 17. Mrs. Leo Franke, Pioneer Club, was to be in charge of the cookies, and Mrs. Bill Tucker, Cheaney Club; Mrs. W. D. Hazel and Mrs. Alice Gorr, Lake Cisco Club, in charge of the table and punch.

The Pecan Bake Show to be held in connection with the Pecan Show was discussed and will be voted on at the October Council meeting.

A short training meeting on annual reports was given by the agent, Miss Minnie Mae Billingsley. Each club will give a report on its year's work at the October Council.

Mrs. Marshall Berry, Pleasant Hill Club and adult 4-H leader, gave a report on the County 4-H Camp held at Lake Cisco this summer.

A nominating committee was elected which consists of Mrs. Marshall Berry, Mrs. Winifred Tucker, Mrs. Bulah Turner, Mrs. John Love and Mrs. Cecil Bostick. They will present nominees for 1956 council officers at the October Council.

Activities reported by the clubs

consisted of demonstrations on "Tomatoes and Tomato Juice", "Picture-Frames, Selection, Hanging"; Family picnics and parties; election of 1956 officers; attendance of home demonstration camp; booths at the Gorman Peanut Festival; fun nights; bake sales; and making money to contribute to the council. The clubs had a vacation month in August and did not meet.

Mrs. John Love, THDA chairman, introduced Mrs. Ed McCollum, North Star Club and Mrs. Bulah Turner, Flatwood Club, and they reported on the state THDA meeting which they attended in Fort Worth in August. Miss Willie Word, Word Club, read Mrs. Cora Plumlee's report. Mrs. Plumlee was also a delegate to the state meeting, but was unable to attend the council Wednesday.

Plans were also made to give recognition to Martha Walker, County 4-H Gold Star Girl in 1954, at tea Sept. 17.

driver's chest added protection from the steering column in case of a crash.

Also, a new safety door latch reduces the chance that doors will open in an accident, providing occupants added protection from being thrown out of the cab.

Tubeless tires, standard equipment this year, increase Ford truck economy. Larger payloads can be carried because tubeless tires and wheels weigh less, which is important to a trucker with as many as 10 tires on his truck. They reduce tire-change time up to 70 per cent.

Ford's short stroke, low friction engine design has been continued this year in eight engine combinations developed for more power, fuel savings and durability.

Horsepower has been increased in all engines, by 12.7 per cent in the smallest 223 cu. in. six cylinder engine rated at 133 hp to 17.6 per cent in the largest 332 cu. in. heavy duty Y-8 engine rated at 200 hp when equipped with a four barrel carburetor.

Mmes. Chaney and Grissom Guests Cisco Luncheon

Mrs. W. E. Chaney and Mrs. Clyde Grissom attended a luncheon recently at the home of Mrs. Paul M. Woods of Cisco, whose honoree was Mrs. Clarence McNeil of Silsbee, state president of the Texas Dental Auxiliary. Mrs. McNeil was Mrs. Woods' houseguest and was en route to a meeting of the 17th district in Midland.

Mrs. Chaney has accepted an invitation to a reception and dinner at 5 p.m. Wednesday honoring Mrs. McNeil at the Abilene Country Club.

County Judge Hart and Dallas Army Men Appear On County Fed. Of Women's Clubs' Program Sat.

"Civil Defense and the Ground Observer Corps" formed the topics for the Eastland County Federation of Women's Clubs' annual program tea Saturday afternoon at the Woman's Club in Eastland.

County Judge John Hart, chairman of the Ground Observer Corps in Eastland County, spoke briefly on the importance of the unit which is being organized in this county.

Judge Hart introduced Sergeant Cobb and Sergeant Walker, both of the Dallas Filter Center, 4768th Ground Observer Squadron, Detachment No. 2, Dallas. Sergeant Cobb gave a 15-minute speech on Civil Defense and the Ground Observer Corps, followed by a colored movie, "Mrs. Jones, Meet Your Partner," on the subject. Lou Ann Corbell, accompanied by Mrs. Andy Taylor, sang a solo.

Mrs. E. E. Todd of Gorman, president of Eastland County Federation of Women's Clubs, presided, and Mrs. Ernest Schaefer of Cisco, Home Demonstration Council chairman, was in charge of the program. The event marked the fall opening of the county federated clubs which is hosted each year by the home demonstration clubwomen.

Mrs. C. G. Stubblefield of Carboon was elected federation counselor and it was voted that the federation would subscribe to the Texas Clubwoman for both the

federation counselor and the secretary, Mrs. Bill Tucker of Cheaney.

Miss Julia LaFaye Mason, assistant county home demonstration agent, presented the Gold Star 4-H girl, Martha Walker, an award of \$5 from the Eastland County Home Demonstration Council. Martha is the daughter of Mr. and Mrs. Vernon Walker of Rising Star.

Miss Minnie Mae Billingsley, Eastland County Home Demonstration Agent, presided at the crystal punch bowl during the refreshment period after the program and business meeting. Centering the table, which was laid with an intricately patterned, hand-drawn linen cloth, was a graceful bouquet of zinnias and cinnamon vine. Purple thistles in woven baskets were used at places of interest throughout the clubroom. A variety of dainty cookies completed the table appointments. The Cheaney Club was in charge of the decorations and the Word Club, the refreshments.

About 60 clubwomen from throughout the county attended.

Eastland - Callahan Counties' Chapter, DKG, Begins Season

A book shower and covered dish luncheon were main events of the opening meeting Saturday of Beta Upsilon Chapter of Delta Kappa Gamma, which is composed of teachers, members in Eastland and Callahan Counties. Scene of the meeting was the new administration building at Cisco Junior College.

The business meeting was held in the lounge of the building with the president, Mrs. Bernice Carter of Cisco, presiding. Planning of the year's work and the program were completed by the yearbook and program committee members.

Following the business session the members went on a tour of the new building, conducted by Miss Mayme Estes, librarian, after which they went to the library where each member presented a book to the college library, which burned two years ago when the administration building, which housed most of the classrooms and the library, burned.

A Cisco teacher served as hostess at each of the six tables in the library where lunch was served

from a large center table, which was adorned by gold chrysanthemums presented by the Cisco Junior College president and his wife, Mr. and Mrs. C. J. Turner.

All of the tables had been laid with exquisite linen cloths, some of which were Italian imports, and each table bore a centerpiece of chrysanthemums in autumn hues.

The invocation was offered by Miss Marie Winston, Cisco High School teacher.

Thirty-six members attended including the following from Eastland: Mmes. Ruth Poe Herring, Modene Turner, Ethel Johnston, Evelyn Whitley and Miss Verna Johnson.

Mrs. Bill Collings, chairman of Group No. 4, Christian Women's Fellowship of First Christian Church, was hostess to this new group of young mothers Monday morning at her home, 200 S. Oak Lawn.

Other officers were elected as follows: Mrs. Howard Gill, secretary-treasurer; Mrs. Charles Beskow, World Call chairman, and Mrs. Jerry McCullough, program chairman.

Plans were made for the year's program "Study on the theme, 'Friendship.'"

Coffee and doughnuts were served by Mrs. Collings. Present were Mmes. Gill, Beskow, McCullough, Bernard Han-

na, A. L. Gallagher, E. K. Henderson, Roy Turner and the hostess.

One look tells everyone you've graduated from the low-price field

Yet you can own a big super-powered Mercury for less than 13 models of the low-price 3*

The neighbors will think that you got a raise—when actually you'll be saving money!

For example, on first cost. You can buy a big 188-horsepower Mercury Custom 6-passenger Sedan for less than 13 models in the so-called low-price field.* And that's only the beginning of what you save...

Record sales let us give you a top allowance for your present car. Mercury is one of the year's hottest cars. Our quick turnover, high volume, lets us give you more for your present car.

You get back more of your investment with Mercury's top resale value. Mercury consistently leads its field for resale

value according to independent market reports of used-car prices.

Remember, too, that Mercury's famous economy and stamina keep operating costs low—help make Mercury one of the lowest-cost cars in its class to own.

In Mercury's lowest-cost Custom series you've got 4 models to choose from. For a few dollars more you have a choice of 7 more models in the Monterey and 198-horsepower Montclair series. (The smart, low-silhouette Montclair hardtop coupe is shown above.)

We invite you to stop in at our showroom to see and try the model that fits your needs and budget best.

NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model (188 or 198 horsepower)—backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montneys
- Ball-joint front suspension for easier handling
- Unique anti-fouling high-compression spark plugs
- Consistently highest resale value in its field

Civil Service Positions Open At Abilene AFB

Appointments to certain Civil Service positions are now available at Abilene Air Force Base, Lt. Col. Jack O. Brown, base commander, said here this week.

Federal employment for a general engineering draftsman with three years drafting experience or equivalent education now exists. Beginning salary is \$4,080 per year, with annual increases.

Those interested should submit Standard Form 57, obtainable at any Post Office, together with an ink original sample of drafting work to Civil Personnel Officer, at the base.

Stenographers are also needed. Beginning salary is \$3,175 per year. Interested applicants for stenographic positions must successfully pass a U. S. Civil Service examination, usually scheduled at Draughon's Business College in Abilene.

Application to take this test may be made on an official card form obtainable at the Post Office or by letter addressed to Civilian Personnel Office in Abilene stating when it would be convenient to take the examination.

Stenographic appointments will be U. S. Civil Service Career-Conditional and will carry employee rights and privileges such as 40-hour week with time and a half for overtime, annual sick leave, holidays, life insurance and retirement provisions.

More Scrap Today - More Steel Tomorrow — DEFINITION OF SCRAP —

"Dormant" scrap is defined as obsolete machinery and equipment—tools, jigs, dies and fixtures, including items that are broken, worn beyond repair, dismantled, abandoned, or in need of parts that are no longer obtainable. It is processed by scrap dealers and shipped by them to steel mills and foundries.

Scrap is commonly purchased by mills and foundries according to the specifications. These specifications include 8 different classes of scrap for blast furnaces, 26 classes for use in basic open-hearth furnaces, 17 classes for acid open-hearth use, 5 classes suitable for electric furnace melting, 13 classes for foundries, 3 classes for Bessemer converters, and 2 classes for miscellaneous purposes.

We are equipped to prepare and ship all scrap to the specifications of the consuming mills and foundries.

(NOTE: The price the dealer receives for his scrap is FOB the consuming point. The dealer purchases unprepared scrap, and prepares it in the grades mentioned, and ships it. Therefore, the local price paid by the dealer for scrap must necessarily be somewhat lower than the price posted by the mills and foundries. It is his only margin of profit.)

NEVERTHELESS, THE PRICE WE PAY FOR YOUR SCRAP TODAY IS HIGHER THAN AT ANY TIME SINCE THE WAR, AND THE TIME TO SELL IS NOW WHILE THESE PRICES HOLD UP.

BRING US YOUR SCRAP TODAY!

Mrs. Jack Arledge, Nee Anna Lou Anderson, Shower Honoree Here

Complimenting Mrs. Jack Arledge of Fort Worth, nee Miss Anna Lou Anderson, formerly of Eastland, a miscellaneous shower was given Saturday afternoon at the home of Mrs. T. E. Stamey, 414 S. Oak Lawn.

Hostesses were Meses Stamey, P. A. Wheeler, M. P. Herring, Lee Wharton, Jack Lusk, Dwain Lusk, Allen D. Dabney, Fritz Huffman, Marvin Brock, Otto Thompson, Hal Courtney and W. D. Spain.

The receiving line included Mrs. Jack Lusk; Mrs. W. A. Anderson, mother of the honoree; the honoree; Mrs. Roy Arledge of Stamford, mother of the bridegroom; Mrs. Jack Anderson of New York, guest in the Anderson home here and sister-in-law of the bride, and Mrs. Stamey.

Mrs. P. A. Wheeler was in charge of registering the guests in the bride's book. Mrs. Courtney presided at the crystal punch bowl and Mrs. Herring served the individual cakes which had been frosted green. Snacks spread with cheese, mints and nuts were other refreshments.

Purple and pink asters and purple grapes in a crystal bowl centered the table, which was laid with a white Madeira cloth. Charreuse grapes, were clustered on two wide purple satin streamers extending from the centerpiece to the front of the table. Purple and pink asters were noted on the coffee table and marigolds were used in the room where the gifts were displayed.

Assisting in serving and showing the gifts were Meses Wharton, Dwain Lusk, Dabney, Huffman, Brock, Thompson and Spain. About 45 attended.

Rangers Work Out Offensive Mistakes

"If we're going to make mistakes, we're going to make them out here on the practice field," Ranger Junior College Coach Stanley Burnham said today as he paced the squad through one of the season's stiffest workout sessions thus far.

Smarting from Thursday night's 12-7 victory over Paris Junior College in a contest that saw the Rangers lose possession of the ball seven times, Monday's lengthy session was dominated chiefly by offensive skirmishes.

The Rangers, however, pulled through the Paris contest in healthy condition. Charles Smith, who was favoring a bruised shoulder before the opening contest is expected to go through only light workouts for the next two days.

Co-captain Bill McCurry, 218 pound tackle, has a slightly injured foot which is not expected to keep him out of practice sessions or Saturday's game with Tyler Junior College. Big Joe Rosenblatt, a 235-pounder and McCurry's mate at the opposite tackle position is also suffering from a foot infection, but likewise will lose no time.

Both Burnham and Assistant Coach Tom Hestand, who scouted Tyler Junior College Saturday night, were troubled over the prospects of Ranger's game there this week.

They described the Apaches as "big and fast."

Coach Burnham said, "We'll have to play good ball to even stay in the park with them."

They made few mistakes and are by far the best junior college team I have seen play this year.

The score of their 7-0 opening win over San Angelo does not indicate the Apaches complete domination of the contest.

Tyler scored early in the first quarter and though they never pushed across another tally, they fumbled on the Rams one and four yard lines on two separate marches, had one touchdown nullified by a penalty and were penalized 15 yards from the Rams five yard line.

The Apaches ran a total of 28 offensive plays.

Utilizing variations of the split T formation, the Apaches completely dominated the game, statistically wise.

That Tyler is a big team is no question, for the linemen in the

Ashton Named White House Conference Head

Dr. Price R. Ashton, president of Ranger Junior College, has been named Resource Chairman of a conference on the needs for higher education to be held in Abilene, October 3.

Mrs. Norman Reed, of Abilene, who is in charge of the meeting, states that the purpose of the conference is to make recommendations which will be submitted to the White House Conference on Higher Education in Washington later this year.

All institutions of higher learning will have representatives at this meeting.

ing to win some games, too, before the season is out."

They predicted that the Eastland-Granbury game Friday night will be a good one, explaining that Granbury "isn't as tough as Cisco or as big as DeLeon."

Guests at the meeting included W. C. Guinn, W. C. Hogue and W. H. McAnally, all Cisco Rotarians.

broke his right arm in a scrimmage game with Comanche and was out for the season before the season ever got under way.

Dick Corbell, an end who had been shifted to the backfield, almost lost an ear during training last week and 20 stitches were required to sew it up. He will be out for at least another game and maybe more.

Wayne Durham and Benny Cates have suffered sprained ankles but they will probably be in condition to play in the next game which is with Granbury in Maverick Stadium Friday night.

Trade at Home -

... is a challenge to shoppers that has plagued business men for years. It looks like a good idea and is, "Can't get it here" is a reasonable answer if wholly true, but too many of us do not try. If we all tried hard enough "to get it here" what a town this would be! Money spent at home usually stays and helps build up our community. If it's insurance your local agents have it—all kinds—and the best that money can buy. Try us and see.
