FARM TOUR - D Billy Warrick, right, of San Angelo, an agronomist with the Texas Agriculture Extension Service, speaks to a group participating in the annual Mitchell County Farm and Ranch Tour Thursday. The tour was sponsored by the agribusi-

ness committee of the chamber of commerce and included six stops to allow residents a chance to view local crops and crop demonstrations. The tour concluded with a luncheon at the civic center.

Brutality charges denied

City officials are denying charges of police brutality in connection with the Sept. 3 arrest of a 16-year-old youth here.

Michael Diaz, 16, has told officials of the local League of United Latin American Citizens that Fire Marshal Billy Ray Williamson shoved him against a police car door and hit him in the back several times in the Sept. 3 incident.

City Manager Brenda Hammond met with Diaz's grandfather, Ernesto Diaz, and local LULAC president Oscar Ortiz on Wednesday. It was reported that she said that she believes the family's concerns have been satisfied.

Williamson has denied Diaz's allegations and said he pushed Diaz, who was kicking and spitting, up against the inside of the rear car door to keep him from kicking. He also placed Diaz's

head against the rear of a front seat to keep Diaz from spitting at officers, Williamson has said.

Hammond said that Williamson, a former part-time police officer with the Colorado City Police Department, is still a certified peace officer and may respond to any police emergencies.

Hammond explained that on Sept. 3, the police officer responding to the scene requested backup assistance. Williamson, who lives nearby, responded.

Diaz was fighting with another youth before the arrest and was charged with criminal trespass, resisting arrest and assault of a peace officer, said Ortiz who appeared before the City Council Tuesday night to air the complaint on behalf of the youth's family.

At Tuesday night's council meeting, Ortiz said he had been

asked by the youth's grandfather to speak to the council about what had happened. The council took no action on the matter, but instead asked the city manager to meet with the family on Wednesday. Ortiz asked and was given permission to attend the Wednesday morning meeting between Hammond and the Diaz family.

Ortiz said in an Abilene newspaper that his group is considering bringing civil rights violations charges against the city.

Williamson was no-billed by a grand jury for the fatal May 13, 1988 shooting of Sammy Gomez. At the time, Williamson was a part-time patrol officer with the police department.

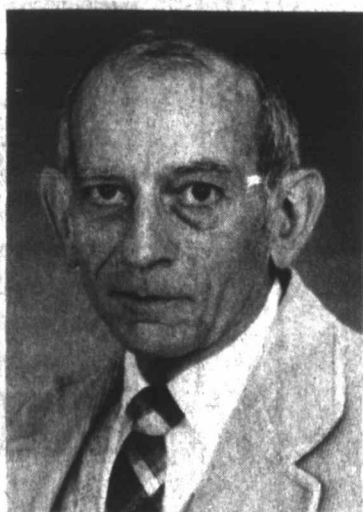

A second grand jury is expected to hear the Gomez case again after repeated calls for new investigations by LULAC.

Physician recruited to C-City

A new physician soon will open a practice in Colorado City, Mitchell County Hospital Administrator Richard Murphy said Friday.

Dr. Frank Kretsinger, D.O., a 43-year-old physician from Bonham will open a practice here sometime after the first of October, said Murphy.

Kretsinger has been in Bonham three years and prior to that was a physician in the U.S. Air Force for 10 years. He is a board certified family practitioner.

Kretsinger, who soon will be married, was in Colorado City last Sunday and met with the hospital board. He signed a contract Thursday.

Kretsinger's fiancée is a pharmacist and will likely be employed at one of the local pharmacies, said Murphy.

Early deadline delays reports

Because of a early printing schedule Friday, football game reports for Colorado City and Loraine could not be included in today's Record.

Reports from the Friday night games will be in Thursday's Record.

Also, because of the early deadline caused by the printing schedule, a report on the in-

dictments returned by the grand jury could not be included in today's issue and will be in Thursday's Record issue.

"We apologize for the inconvenience," said Record Publisher Earl Plagens. "We should be back on schedule this week."

Junell to open office here

State Representative Robert Junell (D-San Angelo) is planning to open an office in Colorado City.

Junell said he hopes to have the office, located at 2135 Hickory Street in the Medicine Place building, opened by Oct. 3.

"We're shooting for Oct. 3," said Junell. He said staffing will be on a part-time basis.

He said purpose of the office will be to allow residents to stop by or call the office when they have a question about state affairs or if they need information about legislation or other matters.

Junell, who will be in the office periodically, said he is looking forward to having an office in Colorado City because "Mitchell County means a lot to me."

Paintings to be exhibited

Beginning Monday, Sept. 18, watercolor landscapes and wildlife portraits by Jack Womack can be seen in the lobby of the City National Bank.

Womack worked in the bank from 1941-43 prior to entering the armed services. He is a 1939 graduate of Colorado High School and is bringing the exhibit to coincide with the 50th anniversary of his graduating class scheduled for Sept. 29-30.

After three years in the service in the European theater, Womack

entered Texas Tech, graduating with a degree in advertising. In 1951 he started an advertising agency in Odessa and during 37 years expanded the business to include offices in Lubbock, Dallas and San Antonio.

With a view toward developing a hobby for retirement, Womack began watercolor painting in

1982 with night classes at SMU. He has studied with well-known watercolorists, Jim Powell and Bud Biggs of Dallas, and Ivan McDougal and Finis Collins of San Antonio.

Womack and his wife, the former Mary Price of Colorado City, are moving this month from San Antonio to Kerrville.

Defensive driving course set

A defensive driving course is scheduled for September 26 and 28 at the Wallace Center in Colorado City sponsored through Western Texas College in Snyder. The classroom sessions offer pointers in preventing accidents in spite of the incorrect actions of others and adverse driving conditions.

The course will have two sessions on Tuesday and Thursday nights from 6-10 p.m. Films and other visual aids will be used to demonstrate how to improve driving skills.

Persons completing this course will be eligible for a reduction in insurance premium rates, also for possible ticket removal. The fee for persons 60 and over is \$20. Others pay a fee of \$25.

You may register at the Wallace Community Education Center by September 25. For more information call 728-2392.

Concerned citizens

TO THE EDITOR: Concerned Citizens of Colorado City and Mitchell County. There has been an organization formed by the people for the people. This organization is formed to help improve Colorado City and Mitchell County. We, the citizens, need to start getting involved now before it's too late. Our elected officials

need our input so that they can make decisions that will fit our needs.

Without the citizens' input, our elected officials can only guess what the people want. So, it is our duty to help our elected officials as much as possible. Our first meeting will be Monday, Sept. 18, 1989 at 7 p.m. at the Lone Wolf Medallion Room. We need every concerned citizen to be there.

Thank you for your support, and your community will thank you.

Molly Bruce
and Rick Thompson

Helping Hand assists those in need

The purpose of the "Helping Hand" is to help those who find themselves in a time of need because of illness, loss of job, etc.

The "Helping Hand" is supported by churches in Mitchell County. It also receives help from scout troops, community clubs, etc., especially at Christmas time. Those who work on the days the "Helping Hand" building is open

are volunteers from churches in the county. Those who would like to help in this endeavor should contact a church pastor or someone at the "Helping Hand".

Members of the "Helping Hand" met Sept. 7. It was decided to open the building once a month, instead of every week, except December when it will open twice. Hours will be 9-11:30 a.m.

Days it will be open are Sept. 21, Oct. 19, Nov. 16, Dec. 7 and Dec. 21.

When they prepare the list of families who could use help at Christmas, many Sunday School classes, circles, clubs, etc., choose a family from the list and prepare Christmas baskets for them. Those who work with "Helping Hand" prepare baskets for all

those left on the list, that they have enough money and food for. They gave 30 Christmas baskets with turkeys last December, plus many more families were given good.

Jo Ann Staley, director, said if everyone in the community works together with the list, then there will not be duplications or families left out.

Cancer society hears committee reports

The Mitchell County Unit of the American Cancer Society had its first meeting of the new year Thursday at noon at the Villa Restaurant.

Outgoing president Anna Staats welcomed the members

and then turned the program over to Ray Mayo, newly elected president.

Mayo thanked Mrs. Staats for her service and dedication to the organization. She will continue to serve as treasurer of the local unit

and she also has accepted an office in the area organization.

Reports were given by Sue Dossey, patient services; Mrs. Staats, business drive; Ann Soliz, memorials; and T.P. Fowler, treasurer. The minutes were approved as read by Mary Ann Williamson, secretary.

Members discussed setting a goal for the year and decided to plan a special event to help raise additional money to help fund the various services provided by the American Cancer Society. Mayo

appointed Mark Waldrip, vice president, to be in charge of the special event. This year's crusade chairman will be Connie Simpson.

Others present were Mildred Free, Rhea Webb and Edna Harben.

The next meeting will be Thursday, Oct. 12, at noon at the Villa Restaurant for a dutch-treat luncheon. All interested persons are invited and encouraged to attend, said Mayo.

Stevens grabs bass tourney honors

Morris Stevens of Abilene found fish on a structure he couldn't identify, on a lake he had never seen before, to capture first prize in the eighth annual Colorado City Bass Club Open Tournament. Don't get the idea that Stevens didn't know what he was doing though. Three bass weighing a total of 11 pounds and 11 ounces didn't just accidentally strike a lure which was haphazardly tossed into the depths of one of Mitchell County's two reservoirs.

True, he was fishing Lake Champion, located south of Colorado City for the very first time. In fact, much to the dismay of the 168 other fishermen competing for the top thirty places, he explained after the weigh-in was over, "I've never even been on

Lake Champion in my life before today." True, too, is the story that he asked one local angler just what the line of brush he was fishing was formed by. It turned out to be a submerged stock tank dam which had been covered when the lake was first impounded in the 1970's. It just so happened that the dam was holding the three hungry bass which bit the Abilene angler's bait.

San Angelo's Trevor Romans caught three bass from Lake Colorado City which tipped the scales at 10 pounds, 8 ounces for second place. Byrle Chapman led all locals with a fine stringer of 10 pounds and three ounces for third place.

Turnout for the tournament was down considerably from last year's record crowd of 261. Tour-

nament officials blamed the thunderstorms which raked West Texas Friday night, low lake levels and the slowly recovering economy for the drop in numbers. The fish, however, cooperated fairly well. Sixty-two fishermen weighed in at least one fourteen inch large mouth bass which totaled 247 pounds.

Fourth place went to Jerry Dudley of Big Spring whose two fish total of 8 pounds, 7 ounces included a healthy six and half pounder. Dudley's bass was easily the largest of the day as it outweighed Romans' largest by a pound and a quarter.

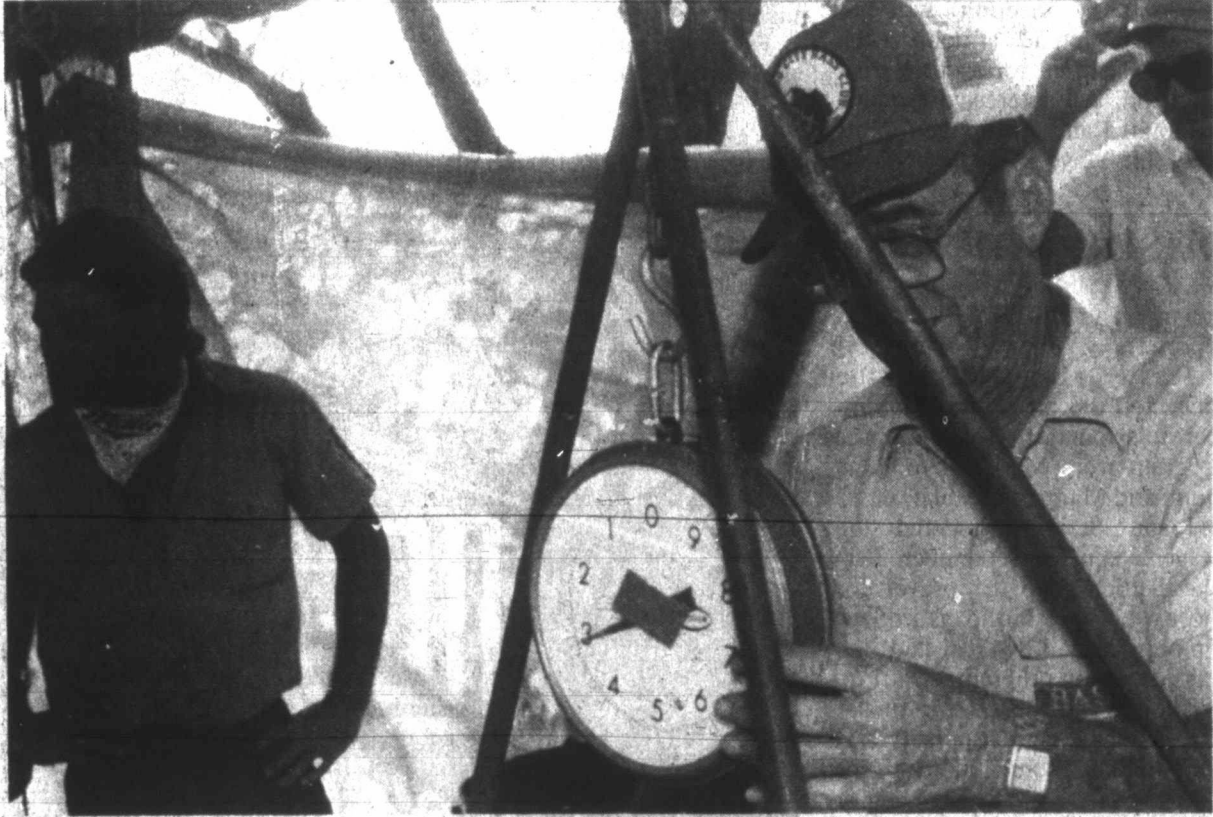

Rounding out the top ten were Bill Doggett of Sweetwater, 7-14; Blane Dyes of Gail, 6-15; Dewey Nichols, Merkel, 6-12; Marty Whetzel, Forsan, 6-12 (tie);

Wayne Maples, Odessa, 6-7; and Kelly Estes, Sweetwater, 6-0.

Eleventh through thirtieth places were as follows:

Allan Wilson, San Angelo and Billy Christian tied at 5-11; Roy Elliot, San Angelo, 5-7; Bob Hayney, Lubbock and James McElvaney of Colorado City tied at 5-4; Randy Wilkinson, Blackwell, 5-0; Sam Wright, Sweetwater, 4-13; Rick Howard, Snyder, 4-7; and Gary Burt, Big Spring, 4-5.

Tied at twentieth place were Jackie Rutherford of Merkel and Frank Frizzell of Snyder at 4-4. Kenny Hammond, Colorado City tied Paul Sims of Midland with 4-3; Stan Goff, Sweetwater, 4-2; Ricky Peoples, Sweetwater, 3-15; Dennis Jones, Buford, Kay Morris of Sweetwater, and Randy Doverspike, Odessa, all weighed in 3-12; L. W. Pinkerton, Snyder 3-11 and Don Ritchey, Big Spring, 3-10.

BO MERKET checks the scales as a nervous Jerry Dudley of Big Spring looks on. Dudley weighed in over 8 pounds of the total 247 caught in last Saturday's tournament. Photo by Cliff Vlasin.

Pastor Mike Foster and the members of First Assembly of God Church would like to introduce to you Jesus Christ.

I Samuel 10:22 - Saul was called to become the king of Israel but when Samuel came to anoint him as king, Saul couldn't be found. After prayer (v. 22) "...And the Lord answered, behold, he hath hid himself among the stuff."

We today are being called by God to be his light in Colorado City but when we should be lighting the world instead so often we are hiding among the stuff.

Sin always compels people to hide among the stuff of this world. Adam and Eve hid among the stuff after the fall in the garden.

Neighbor if you find yourself hiding among the stuff the world is offering--Come out from the world and be we separate (II Corinthians 6:17) TRY JESUS!!

God Bless You,
Pastor Mike Foster,
