

School Bond Issue Called In Loraine

The Loraine Board of Trustees met Monday evening and gave approval for the calling of a \$525,000 bond issue to renovate the present buildings.

The bond election is scheduled for Dec. 11 in the Lions Club Building. It will consist of roof repair-\$67,000; interior repair-\$305,740; exterior repairs-\$41,000; additions for intercom and handicap accessibility-\$17,800; gym repairs-\$60,000; interest increase and miscellaneous \$32,540, totalling \$525,000.

Breakdown of the proposed construction and cost includes (a) roof repair-\$42,120, replace with 4-ply built-up on existing deck and replace fascia and soffit, also \$7,800 for one extra rafter roofing feet; (b) lower ceilings and replace lighting-\$75,000, provide acoustical suspended ceilings and replace light fixtures to provide proper lighting;

Chamber Sets Light Contest

Christmas is nearing and it's time again for the Annual Christmas Lighting Contest sponsored by the Colorado City Area Chamber of Commerce.

A \$50 prize will be given to the winner of the contest, \$25 will be given for second place and \$15 for third place.

The deadline for entries will be noon on Dec. 20 and the judging will be that night.

Persons who plan on entering should fill out the coupon on page four of this edition and mail it to the Colorado City Chamber of Commerce, Box 242, Colorado City, Texas 79512.

You may also enter by calling the Chamber of Commerce at 728-3403.

(c) Insulation- \$7,200, provide 4" batt insulation above new ceilings; (d) electrical-\$86,400, replace electrical system to comply with National Electric Code and add approximately four convenience outlets to each classroom; (e) plumbing, heating and cooling-\$38,000, rework entire system and replace fixtures (repiping in kitchen only) and \$68,000 to provide combination heating and cooling units in lieu of using old system.

Other proposed construction and costs include (f) flooring-\$5,760, replace approximately 12,000 square feet of vinyl asbestos tile floors; (g) windows-

\$25,380, close exterior windows with metal panels on the exterior and pegboard on the interior leaving the two small windows on each end of the classroom; (h) intercom-\$7,800, provide an audible alarm system and fire alarm and provide security system in the office area; and (i) painting-\$26,000, paint the exterior of each space with epoxy on the walls and enamel on the door and trim.

Others include (j) drainage-\$15,000, provide earth drainage with concrete head walls around southwest end of the building; (k) make building accessible-

See BOND Page 4

District Game Is Slated Here

Local football fans have an opportunity to see two of the better Class B area teams in action at Wolf Stadium at 7:30 p.m. Saturday.

The Sterling City Eagles and Klondike Cougars will be fighting it out for the championship of District 3-B.

Klondike is the winner of the District 3-B West Zone title while Sterling City came out on top in the East Zone of the same district.

The game is being sponsored by the Colorado City Area Chamber of Commerce. The cost will be \$2 for adults and \$1 for students.

Klondike goes into the contest with a gaudy 10-0 season record and a 5-0 mark in district play.

They racked up 373 points in the ten games while allowing their opponents only 52.

They are led on offense by Junior Tailback Lonny Ferguson, who picked up 1,321 yards in 282 carries. Their leading pass receiver is Bobby Hanson

who caught 16 passes for 287 yards.

On defense, the Cougars are lead by Junior Noseguard James Martin who is six feet two inches tall and weighs 222 pounds. Mickey Finley is head coach for Klondike and he is assisted by Ken Jernigan and Corky Cox.

The Sterling City Eagles have an 8-2 season record and went unbeaten in district play with a 5-0 mark.

They are lead offensively by Senior Fullback Bruce Myrick, Junior Halfback Ray Rodriguez and Senior End Tony Dodd.

The defense, which only gave up six points in five district games, is led by Senior Guard Todd Molestubby, Senior Defensive Safety Alan Phillips, Senior Halfback Dusty Demere and by Myrick who also plays linebacker.

The head coach of the Eagles is Ken Barr. His assistants are Bill Littleton and Chris Williams.

THE CROWNING OF THE COTTON QUEEN was the highlight of Saturday's Cotton Festival held in Loraine with events and booths open all day. A downtown parade got everything started! Shown above is Queen Sheila Martin surrounded by runner-ups (left to right) Debbie Brown, Stephanie McAdams, Jana Britton and Vicki Barlow. Sheila was crowned by outgoing Queen Ginger Preston.

Loraine Coronates New Cotton Queen

Despite the cool temperatures, the Loraine Cotton Festival got underway with a parade at 10:30 Saturday morning. Cotton Queen hopefuls donned their wraps to keep warm. The parade consisted of the Loraine band, Colorado Jr. High band, clowns, B&PW's cotton picking float and many other gayly decorated cars and trucks.

Bingo, country music, arts and crafts and lots of food were enjoyed during the day.

Climaxing the evening was crowning of the Cotton Queen and that honor went to Sheila Martin. First runner-up was Jana Britton, second runner-up was Vicki Barlow, third runner-up was Debbie Brown, and fourth runner-up was Stephanie McAdams.

Sheila was presented with a bouquet of red roses and crowned by former queen Ginger Preston and her dad, Bill Preston. Sheila is the daughter of Mr. and Mrs. George Martin of Loraine. She was sponsored by the Cree-Mee Drive In. She is a sophomore at Loraine High School.

Deer And Turkey Become Fair Game On Saturday

Saturday marks the day the primitive ancestry of sportsmen takes over and man's basic instincts will be pitted against nature in a fight for survival as deer and turkey become fair game under state law.

Wildlife biologists

agree this year's deer and turkey hunting season should be outstanding.

The unusually wet spring has created an excellent turkey hatch and abundant fawn crop, Game Warden Ronnie Aston stated.

Bag limits are three

deer, no more than two bucks, and two turkey of either sex.

No person may hunt antlerless deer without first obtaining a legal signed permit from the landowner or agent of the tract where hunting.

Deer and turkey tags are issued with the hunting license. All deer and turkey must be tagged immediately upon being killed. Failure to tag an animal may result in a fine from \$25 to \$200, Aston said.

"Hunters are advised to make certain of the ownership of the property on which they hunt and to obtain permission to utilize the property to hunt," Aston said.

"Trespassing carries an additional fine of from \$25 to \$200," he indicated.

"Hunters are cautioned that night hunting and spotlighting is illegal. The hunting day begins 30 minutes before sunup and ends 30 minutes after sundown," Aston said.

Hunting licenses are available throughout the county at hardware and sporting goods stores as well as in the county clerk's office.

port, all we have to do is sit still and use it," J.O. Dockrey spoke observing the meeting as an interested pilot.

"From the Chamber viewpoint, we need the airport and need to be able to develop it. As it stands now with a clouded title no grant money can be obtained," McKinnon noted.

"No grant money is made available to maintain airports anyway and that is all we need out there now," Dockrey stated.

"This airport issue has been before the council several times. I think what we as a council need to do is decide what direction we are going to take and stay with it," Councilman Macca Finley said.

"We have fought too hard to ever give it up. We are going to keep it forever so the reversion clause does not affect us unless the Federal Aviation people won't accept it. I suggest we approve the contract subject to FAA approval," Councilman Jesse Munoz said.

At this point councilmembers decided to strike the clause binding future councils from condemnation actions, because of the opinion it would violate the city charter, and approve the contract subject to FAA approval.

The meeting continued and Barber was contacted during this time to determine if the changes in the contract would be acceptable.

He stated the changes would not be acceptable.

The matter was then tabled for further discussion.

When asked for a comment Wednesday morning Barber said, "It will cost the taxpayers \$100,000 to \$150,000 anytime this goes to court to get what we're offering them now."

Another item considered was a new city ordinance on peddlers and solicitors. The ordinance was designed to put new teeth into current regulations, Mason noted.

Several points of the ordinance were questioned by the city attorney and the matter was tabled until further study could be made of the document.

A new lease agreement was signed by J.W. Rich for operation of Fisher Park at Lake Champion. Rich requested See CITY Page 4

"WHO DO YOU THINK you are fooling around with here?" Barney Cashman (Carl Beery Moore) yells at Jeanette Fisher (Paula Chastain) as he angrily advances on her during a scene from the playhouse production of "Last of the Red Hot Lovers."

Simon's Comedy To End Season

Reservations may still be made for the remaining two performances of Neil Simon's "Last of the Red Hot Lovers" at the Colorado City Playhouse.

The production, which is the final one of the year at the playhouse, has received an enthusiastic reception thus far and its last performances will begin at 8 p.m. tonight (Thursday) and Saturday.

Tickets for the play are \$3.50 per person and reservations may be made by going to the playhouse or by calling 728-3461.

The playhouse will be open from 1 p.m. to 8 p.m. today (Thursday) and Saturday and from

1 p.m. to 5 p.m. tomorrow (Friday).

The male lead in the play, the part of Barney Cashman, is being played by Carl Beery Moore and he is joined in the cast by Robin Decker as Elaine Navazio, Susan Samuelson as Bobbi Michele and Paula Chastain as Jeanette Fisher.

The time and place of the play is New York City in the late 1960's and the plot concerns a man in his middle forties who makes a belated attempt to have at least one wild fling.

"Last of the Red Hot Lovers" is being directed by Bill Martin and produced by Marsha Moore. The set design is by Porter Richardson.

A presentation by the third grade teachers of Hutchinson Elementary School was the highlight of the monthly meeting of the Colorado City Board Monday night.

The teachers, Earline Sellier, Jean Robinson, Janie Brady, Carolyn Weaver and Karrie O'Reilly presented different aspects of their third grade curriculum and discussed what they were attempting to accomplish with their students. Hutchinson Elementary School Principal Dell Riley was also present at the meeting.

Mrs. Sellier discussed the reading part of the curriculum and a considerable part of the presentation was taken up with this area.

She stated that there had been 135 students who had entered the third grade this Fall and that after testing the students, they had found that about four-fifths of them had reading skills below the third grade level.

This disturbed the board and they questioned the teachers as to what could be done to somehow raise this percentage.

Some of this discussion revolved around whether or not the students could learn more in a blocked reading group or in a self-contained reading group. In a blocked reading

group, which is the way the classes are taught now, the students are tested and then divided up into levels for their reading period. The students who grade the highest in the test will be placed in one group and so on. There are currently five block reading groups of about 27 students each.

With the self-contained group, the students aren't divided into different levels for their reading period, but remain with one teacher all day.

Mrs. Sellier stated that she preferred the self-contained group because the teacher is with the same students all day and if the reading period should require more time, they can go ahead and take it whereas with the block group there is only a certain amount of time allotted for reading and when that period is over the students must go on to something else.

Some of the other teachers stated that they preferred the block reading idea because they thought it challenged the students more to be in a group strictly with students on their level. They also stated they thought it eliminated interruptions since with the block group everybody in the room is in the reading period and the teacher doesn't have to worry about keeping

busy any students not involved in the reading period.

Mrs. Robinson discussed the math curriculum with the board. She stated that the main goal of the curriculum was to give the students confidence in themselves to use their own minds in figuring out the problems and also to make them understand that math was something they had to have to get by in the world.

Bids Awarded On Dump Beds

A total of four bids were opened during Mitchell County Commissioners Court Tuesday afternoon.

These bids were made on one 10 yard truck bed and three, five yard dump truck beds. Bids submitted were: American Equipment and Trailer Company of Lubbock, \$14,602; Fleet Equipment Company of Abilene \$14,820.58; Hobbs Trailers of Lubbock, \$14,185 and King Trailer and Equipment of Lubbock, \$12,145.

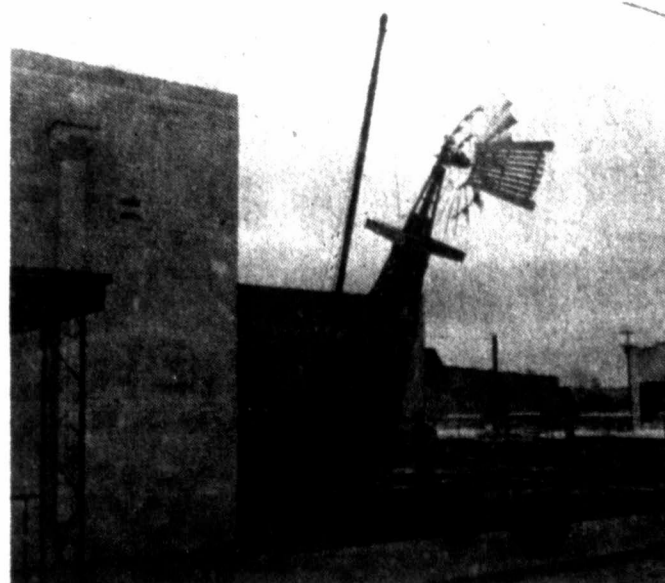

Although the King Company was the low bidder, the bid offered did not meet county specifications. Hobbs Company was awarded the bid.

Ray Dillard of the

She added that one of the other goals was to get the students to the point where they were able to recognize which operation, (addition, subtraction, etc.) would be necessary to the solving of any problem.

She added that by the end of the year a third grade student should be able to add and subtract numbers of three, four and five digits.

Mrs. Brady discussed the Social Studies curriculum. See BUS Page 4

A WINDMILL formerly located on the old 96 Ranch south of Colorado City has been donated to the Colorado City Museum by Louise Geisenberger. The 96 Ranch was owned by Bert Wulfjen, father of Mrs. Geisenberger.

Westbrook Golden Age Club Plans Christmas Program

The Westbrook Golden Age Club met Nov. 6 for their November meeting with 72 present. The group sang "Happy Birthday" to those having November birthdays and also sang "Happy Anniversary" to the Edgar Andrews. The Christmas meeting was discussed and committees appointed by the president. Those appointed to

serve on the Decorating Committee were: Messrs. & Mmes. Houston Kimbrell and Virgil Eaton, Mmes. Eunice Whitehead, Muriel Thurman, Ethel Dunn, Fannie White, Rena Brown, Iva White and Thelma Rogers. Also appointed were Messrs. Willie Bell, Hoyt Roberts, Perry Echols and Wayne Newton. The Food Committee

will be Mrs. Marvin Claxton as Chairman and Mmes. C.A. Oliver, Frances Proctor, Lela Byrd, Sophia Oliver, Cody Hays and Julia Warren.

Those present were: Messrs. & Mmes. A.G. Anderson, G.A. Harmon, Elmo Daniel, W.D. Hays, Edgar Andrews, Kay Morris, Houston Kimbrell, Wyatt Berry, from Garden Grove, California, J.O. McNew, Dock Ellis, Lester Horn, E.L. Ashford and Alvin Byrd.

Also present were H.H. Salley, Earl Massey, A.G. Board, Virgil Eaton, Oren Moore, Marvin Claxton, Douglas Barber and Rev. & Mrs. Bob Manning.

Others included Mmes. Lillie Ward, Jimmie Dickson, Rena Brown, Lillian Bassham, Viola Ellett, Annie Dunn, Ethel Dunn, Marie Bassham, Cody Hays, Bertie Storey, Velma Airhart, Lizzie Lewis, Rachel Ruffin, J.P. Nunn, Theresa Jackson, Alma Rene Claxton, Thelma Rogers, Ruby Banks of Sand Springs, Iva White, Bessie Shaw, P.E. Clawson, Frances Proctor, Julia Warren and Lois Sweatt.

Also were Messrs. Hoyt Roberts, N.W. Stokes, Charles Dunn, Willie Brooks, Wayne Newton and Perry Echols.

Fabric Care Is Discussed

Adelle Morgan, Mitchell County Extension Agent, spoke to the members of the Fairview Extension Homemakers Thursday in the home of Mrs. R. E. McMillan.

Her topic of discussion was "Fabric Care for the Newer Fabrics." "Special handling is required for stains on some of the popular fabrics such as suede, leather and corduroy," she stated. "Read and follow the manufacturer's care instructions after using the first aid for various stains, as compiled by Clothing Specialists from A&M," she added.

Mrs. McMillan, pres-

ident, presided over the business meeting. Roll call was answered by "Special stain problems that I have had recently and how I solved it."

Mrs. Bonnie Hunter gave a report on the plans for the Christmas Luncheon to be held Dec. 13 in the Medallion Room. The Fairview Club will furnish the salads. The Christmas Club party will be on Thursday, Dec. 6.

Refreshments of a fruit plate, doughnuts and tea were served to Muriel Thurman, Bonnie Hunter, Edna Pace, Billie Smith, Adelle Morgan and the hostess Versie McMillan.

Dr. Joseph Stamey To Be Guest Speaker

Dr. Joseph D. Stamey will be the featured speaker both for Church School and for Morning Worship Sunday at First United Methodist Church in recognition of National Bible Study.

Stamey, born in Cisco, is presently Professor of Philosophy and Religion at McMurry College in Abilene. He attended Cisco High School and Cisco Junior College, then received degrees from Southern Methodist University and Bos-

ton University. He is a member of the Northwest Texas Conference of the United Methodist Church and has served pastorates in the Central Texas, North Texas and Northwest Texas areas.

During the church school hour, Stamey will speak on "How and Why to Study the Bible" to a combined group of adults. In morning worship, Stamey will be the guest preacher on "History and Authority of the Bible." There will be special music related to the Scriptures; old, unusual, rare or valuable Bibles will be on display and a wide variety of Bibles will be available for purchase and use by the congregation.

Swift D. Tarver Elected To Receive Degree

Swift D. Tarver of 895 E. 8th St., was elected a 32 Degree Knight Commander of the Court of Honour (32 DEGREE KCCHO) by the Supreme Council of the Ancient and Accepted Scottish Rite of the Southern Jurisdiction of the United States of America in Washington, D.C. on Oct. 15.

He will receive the degree in Dallas on Dec. 1 at the Scottish Rite Temple.

Tarver is a Past Mas-

ter of both the Coahoma Lodge, AF & AM and Mitchell Lodge No. 563, AF & AM of Colorado City. He has worked in the Fifth Degree of the Scottish Rite.

The 32 Degree KCCHO is an honorary degree and is bestowed only on those who have given outstanding service to their lodge, Scottish Rite, Church and community.

Tarver is the third man to be honored in Mitchell County.

Lorraine Nursing Home News

Ben Epperson celebrated his 95th birthday Saturday, Nov. 10. There were five of his children present and some of their families. His children are Mrs. Willis Cornutt, Lorraine; Mrs. Evelyn Glasgow, Buffalo Gap; Mrs. Opal

Carrell, Odessa; Mrs. Maizie Griffin, Weatherford; Blain Epperson, Fort Worth and Payton Epperson, Clyde. Several grandchildren, great-grandchildren and five great-grandchildren were present.

Our Sing-a-long Friday night was well attended and everyone had a great time. We are thankful for our musicians sharing their talents. The next sing-a-long will be Nov. 23.

The Cotton Festival Parade came by our Home and everyone was thrilled seeing it. Those riding in the Leisure Lodge car were Alice Tucker and Ruth Walker. After the parade the Colorado City band came and played for us. We are so grateful for the entertainment they provided.

A big thanks to our Cotton Festival Queen candidate Deloras Martinez. All the residents and employees were very proud of her.

Our Thanksgiving dinner will be Tuesday, Nov. 20 at 6 p.m. Everyone is invited to come and bring a covered dish.

Deep Basins: AMERICA'S NEXT GREAT SOURCE OF NATURAL GAS?

Producers are finding a lot of "super" gas wells in Oklahoma's and Texas' deep basins. A super well produces enough gas in a year to equal the energy in a million barrels of oil. This is enough gas to heat 1,000 homes for almost 56 years!

Exploration of these ultra-deep basins is gaining momentum now that producers have the technology to drill below 20,000 feet. In fact, many industry experts believe the deep basins will be America's next great source of gas.

The average gas well costs about \$300,000 to complete. A deep well can cost up to \$10 million, which explains why it's often necessary to pay higher prices for the gas we buy.

Lone Star has been buying gas from shallower production in the deep-basin areas for years. Our pipeline network will help us buy new gas selectively, negotiate hard for terms favorable to you, and deliver the gas efficiently and economically.

DEEP BASINS

Producers now have the technology to tap enormous, previously unreachable gas reserves in this area's ultra-deep basins.

Gas. It's plentiful, efficient and right for the times.

Lone Star Gas Company

NOV 15 7 9

Congressional Comment

By Congressman Charles Stenholm

WASHINGTON, D.C.—A recent letter from a constituent has remained on my mind, long after the reply was made. The writer raised a question that continues to trouble me: All of the news coming out of Washington is so negative. Isn't there anything positive about our country anymore?

There are many positives. All of the news is not bad news. The good news, however, tends to be the serious problems which the United States is facing. No reassuring words can erase the problems, but I have to agree with the letter's writer that it is time for Americans to place more emphasis on the positives of our society.

We are going to have to forego the luxury of talking about what is wrong with our country, what is wrong with ourselves, what is wrong with other countries and other people, what is wrong with the church, what is wrong with other segments of society and begin to devote all the talent we can possibly bring to bear on what is right with America.

A lot of us have engaged in the passive, expedient and apathetic pattern of pointing fingers at other segments of society. We complain that we have permissive parents, rebellious children, lousy teachers and crooked politicians. Well, we also have good parents,

4-H Reports

Texas 4-H members are beating the high costs of an education with scholarships awarded through the Texas 4-H Foundation. More than \$319,000 will be awarded in scholarships to 67 4-H members this year, says a 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System. Scholarships vary from \$200 to \$6,000 and go to 4-Hers who have achieved recognition in nine program areas.

XXX

A child is about 200 times more likely to be caught in a fire at home than at school, yet fire drills are routinely held at school. Home fire fatalities among children could be sharply reduced if parents would hold family fire escape drills, contends the Texas Agricultural Extension Service, Texas A&M University System.

fine children, excellent teachers and honest politicians.

We hear all of the time that the family as a unit is in trouble. Certainly I realize that there are far too many families with deep, perhaps irremediable problems, but there are also strong families. Good parents are raising good children who will make good citizens in the future.

The reported decline of our educational sys-

tem in this country troubles every concerned parent. And there are unqualified teachers out there who are contributing to that decline. There is, however, a far larger number of dedicated, highly qualified, caring teachers who are doing their best in sometimes impossible situations. They are generally, underpaid, overworked and, even though we entrust them with our most precious resources—our youth—during childhood's most criti-

cal years of development, are often looked upon as no more than paid babysitters by the remainder of society.

And there are honest politicians. But, honest politicians, like good parents, don't make headlines too often.

We cannot realistically ignore the negative aspects of our society. Dealing with those problems and trying to find answers to those problems is an unpleasant responsibility that must

be faced. But through it all, we must retain a sense of balance. Our system is not perfect, but we must not lose sight of the many positive aspects of that system. If the presence of negative factors cries out for the need for change, the positive factors are even more important to add stability and balance. We must never abandon nor neglect our commitment to those positive principles that serve as the foundation for our way of life.

Tourism Is Big Business In Mitchell County

Mitchell County received \$1,879,000 of the State's \$7,032,369,000 travel receipts in 1978, according to the Texas Tourist Development Agency.

The figure reflects an increase of 11 per cent in

travel receipts over 1977.

In addition to gross receipts, the study found Mitchell County in 1978 had 77 of the state's 243,887 travel related jobs, with an annual payroll of \$456,000.

An estimated total of \$76,000 in state and \$18,000 in local taxes were paid by county visitors that same year.

These figures are based on the Center's Travel Economic Impact Model which breaks out

a state's share of the national travel market on a county-by-county basis.

"Thus it includes travel by Texans as well as out-of-state visitors.

The report notes the figure includes home preparation for the trip, the tourists spending enroute as well as that spent at his destination.

The reports estimates that in 1975 Texas had dislodged New York for third place in the nation's travel industry. In 1978, Texas was fourth behind California, Florida and New York.

The purpose of the studies and surveys, according to the report, is to help direct the rapid growth of this "burgeoning industry."

Useton added that in the past the school had used 47 passenger buses but it was felt that the 65 passenger buses would be more economical in the long run because it would probably enable the school to take one less bus on out of town trips.

The board also appointed a textbook committee to review the

Auto Mechanics, Civics and Typing textbooks which will be coming up for adoption for the 1980-81 school year. The committee will consist of Chairman, Charlie Useton; Rick Robinson, Glyndol Dunn, Gayla Williams and Larry DeBuck.

The board also amended the 1979-80 school budget to account for the following changes.

Revenues were increased a total of \$13,480. This included an \$11,340 increase in the Taxes Prior Year Debt Service account and a \$2,500 increase in the miscellaneous revenue account.

The expenditures

were also increased \$13,480. This included an increase of \$6,000 in the building improvements account, an increase of \$7,000 in the transportation cash outlay account and an increase of \$840 in the community education account.

Useton also presented the board with three information items which had been on the agenda.

The first item concerned the recent University Interscholastic League realignment. A listing of the 1980 varsity Wolves' football schedule was presented and it is as follows: Aug. 29, Anson, there (scrim-

mage); Sept. 5, Slaton, here; Sept. 12, Post, there; Sept. 19, Denver City, there; Sept. 26, Ballinger, here; Oct. 3, Coahoma, there; Oct. 10, Coleman, here; Oct. 17, Wylie, there, (district); Oct. 24, Clyde, there, (district); Nov. 7, Stamford, here, (district); Nov. 14, Breckenridge, here, (district).

Useton also brought up the matter of the damage to the Wallace Community Center due to a recent windstorm.

The damage has been estimated at between \$5,000 and \$6,000. The insurance policy on the building has a \$5,000 deductible which means that the school will pay that amount of the damage.

As a final matter, Useton reported on the vandalism damage done in August to Kelley and Hutchinson Elementary Schools and to Colorado Middle School.

The total damage has been set at \$10,840.44. Insurance will pay for \$5,840.44 of that amount. The parents of the youngsters involved in the incident have agreed to pay the remaining \$5,000.

Useton added that of late, vandalism at the schools had become a real headache. Recently there have been several such incidents.

Three tires on a pickup belonging to Useton were slashed as it was parked in the Colorado High School parking lot on the night of Nov. 2.

On Nov. 4, a high powered rifle was fired through a door at the high school. It went through four walls.

Also on Nov. 4, Colorado Middle school cafeteria was broken into, some ice cream was stolen and some glass was broken.

Useton added that of late, vandalism at the schools had become a real headache. Recently there have been several such incidents.

Three tires on a pickup belonging to Useton were slashed as it was parked in the Colorado High School parking lot on the night of Nov. 2.

On Nov. 4, a high powered rifle was fired through a door at the high school. It went through four walls.

Also on Nov. 4, Colorado Middle school cafeteria was broken into, some ice cream was stolen and some glass was broken.

BOND, From Page 1 ble to the handicap—\$10,000.

Renovations to the gym will be new flooring, renovation of the boys dressing area and the concession stand, repairing the exterior to make it waterproof and do some re-wiring for a total of \$60,000.

The total bond issue figure is \$525,000. The firm of Huckabee and Donham-Architect and Planners of Andrews met with the board sev-

eral times in preparation of the proposed renovations. Fred Baker and Associates, Inc. of Lubbock have been employed as financial advisors for the proposed bond election.

Other items approved at Monday evening's meeting was the approval of West Central Texas Education Cooperative Board Policies and a school newsletter each month for parents and students. The newslet-

ter will consist of school activities, functions and other items.

The board tabled the consideration of bids to purchase a pickup and car or to continue leasing.

A textbook committee was appointed consisting of Roddy Clack, Victor Munoz, Albert Shelton, Iris Preston and Glenn Sanders. Mike Hartman, elementary principal will serve as textbook custodian.

CITY, From Page 1 ted the city's assistance in building feeder goldfish stock tanks to allow for the sale of bait. The city will assist in the construction.

A new member was appointed to the ambulance board because of the resignation of Ray Dillard. Dillard recently became Assistant Administrator at Root Memorial Hospital and resigned because of the possibility of conflict of interest. Macca Finley was appointed to replace Dillard on the board.

A Keep Up Contract with Pritchard and Abbott Valuation Consultants was approved during the meeting with an increase in cost of \$1 per unit valued.

Chamber President MacMcKinnon reported to councilmembers on the progress at the rodeo arena. He noted pens and fences had been removed and the area was being prepared for new construction.

He also indicated city advertisement brochures to promote tourism had been distributed to ports of entry and several boxes delivered to Texas Electric for distribution.

"We have had some very favorable reports. People really like the brochures," he said.

Dwain McGuire, volunteer fire department chief, reported the fire plugs were no longer color coded properly. The department was experiencing difficulty in determining which plugs had water pressure before attaching hoses to the plug. The city and fire department will work together in an effort to correct this situation, Mason said.

Police Chief Fred McWhorter reported after December 8 the city will again be without a dog catcher.

"The grant money runs out at that time. I have exhausted every source trying to obtain

other funding. Because we have had a dog catcher funded by grants since 1976, and this is designed as a temporary, six month training program, they have absolutely refused any further funding," McWhorter noted.

He also reported skunks had increased inside the city limits and become a real problem. He requested permission from the council to destroy skunks and dogs when necessary.

"We have had several reports of children afraid to walk home from school because of biting dogs," Mayor Marion Bassham said.

"I feel we certainly need to give the department permission to protect our children," Dillard said.

"Animal control has become a real problem. It is costing the city a great deal of money. We will not destroy any animal unless it is necessary," McWhorter assured councilmembers.

BIDS, From Page 1 local feeders who will purchase steers, most of which will be sold to the 40 students involved in 4-H and FFA Programs, Benson noted. He stated they would fly up, purchase 30 to 40 steers and meet two other feeders there and drive back. The steers will have to be shipped back or other arrangements made to haul them, Benson said.

"Does a boy showing a Montana calf have a better chance to win a show? Just what is the purpose of this trip?" Commissioner Mark Vest asked.

There are not enough steers at the right age to be purchased locally, Benson said. "We will buy the remainder of the steers within the county, probably. The last time we won it was with local animals," Benson stated.

"Kids paid \$400 a piece for steers from Montana last year because we were able to purchase them up North. The average steer, if purchased through the auction here, would cost between \$900 to \$1,000," Benson argued.

"If it is just for this one trip and not a continuing thing, I'd go for it," Commissioner Johnny Shackelford said.

"This is a part of his job and I understand the need to go. I would even pay a hundred dollars out of my own pocket," Commissioner Billy Preston commented.

"Would it be possible to charge a sur-charge of types on the sale of the steers? Say a \$20 fee to cover the cost of your going on the trip," Judge Bill Carter asked.

"I have never charged the kids one cent more than it cost me to buy and haul the calves," Benson noted.

"These kids can afford to pay \$450 for a steer and we have turned down requests from people who really are poor and need the funds. I just can't justify it to myself," Commissioner Mark Vest said.

The commissioners voted for the funding with Vest casting his vote against.

Adele Morgan appear-

ed before the commissioners to request an amendment be made to the original motion giving the Home Demonstration Clubs priority over the Concession Building known as the Quonset Hut.

This was changed to read over the Kitchen area and equipment in the south building. A new lease decreasing usage charges to \$15 with \$100 deposit was also approved.

Commissioners canvassed the results of the November 6 election and approved them for the minutes.

The Keep Up Service contract with Pritchard and Abbott was approved with an increase of \$1

per unit over last years contract. Judge Carter read a letter from the Texas Department of Health which stated the county now qualifies for a food service program for women, infants and children. The letter noted 984 persons within the county are eligible to receive these benefits at no cost to the county.

Commissioners requested arrangements be made for the department representative meet with them at a later date to discuss the program.

Because of legislation recently passed, the Office of the District Clerk is required to have in-

surance coverages not required previously. Commissioners were told a policy had been taken out at a premium of \$637 annually based on a monthly cash flow of \$9,000.

"I would question that \$9,000 figure since the total fees and fines were reported last year were about \$11,000," Commissioner Paul Hunter noted.

Commissioners will try to determine if the figures were accurate in an effort to bring the premium down.

CAUTION CAUTION

ANTI-FREEZE IS A "TASTY" POISON TO CHILDREN AND PETS

DISPOSE OF ANTI-FREEZE PROPERLY. IT IS BIODEGRADABLE.

1. POUR OLD ANTI-FREEZE OR COOLANT DOWN SEWAGE DRAIN, TOILET, OR BATHROOM DRAIN AND FLUSH GENEROUSLY WITH WATER. DO NOT POUR NEAR ANY FOOD AREA.
2. WASH FOR 10 MINUTES ANY ANTI-FREEZE OR COOLANT LEFT ON DRIVEWAY OR CURB GUTTER. WASH TOWARD STREET SEWAGE DRAIN.
3. BE SURE NO PUDDLES OF ANTI-FREEZE ARE LEFT STANDING ALONG CURBING OR ON DRIVE.
4. RINSE DRAIN PAN THOROUGHLY. CAP ANTI-FREEZE BOTTLE SECURELY AND PLACE OUT OF REACH.
5. RINSE AWAY ANY DRIED RESIDUE. IT IS A TASTY POISON TO CHILDREN AND PETS.

Knight, Cox Attend Range Tour At Sonora Agricultural Station

SCS range conservationists Paul Knight and C.W. Cox recently attended a range tour sponsored by the Texas Section-Society for Range Management at the Sonora Agricultural Experiment Station.

The tour began by comparing different grazing systems using cattle, sheep and goats. A four-pasture, three herd rotational grazing system produced greater weaning weights, 100 lbs. heavier for calves and 30 lbs. heavier for lambs, than an equal

size one-pasture, one herd continuously heavily grazed system, Cox said.

A good forage grass, such as Sideoats grama, comprised 26 per cent of the vegetation on the four-pasture system, he stated.

This grass was only in trace amounts when the project started in 1946 and has since been grazed out on the heavily grazed system, he said.

"Poor forage grasses, such as Red grama and

Hairy tridens, comprised 28 per cent of the vegetation on the heavily grazed system but only 6 per cent on the four-pasture system.

"Good wildlife plants, such as Orange zexmenia, Mallow and Copperleaf, occurred on the four-pasture system but not on the heavily grazed system.

"Overall range condition was rated excellent for the four-pasture system and poor for the heavily grazed system," Cox noted.

Bids Are Expected

Bids are expected to be received during November by the State Department of Highways and Public Transportation for the reconstruction of a 6½ mile segment of Interstate Highway 20 in Mitchell County.

District Engineer Roger G. Welsh of Abilene said that the project will provide for the resurfacing of IH 20 from Farm to Market Road 670 to three miles west of Colorado City, as well as the reconstruction of some entrance and exit ramps.

The proposed resurfacing, utilizing an eight-inch recycled asphalt base will increase the load carrying capacity and extend the life of the highway. Other planned modifications include raising the height of the guardrail and eliminating steep sideslopes.

The department's engineer in charge of the project is Joe Smoot of Big Spring.

REST TAKE A BREAK

AUSTIN—Voted two constitutional amendments Tuesday and one which would authorize the state to override laws made by state on certain matters.

Favored some amendments to the method of electing notaries public and creating a

Ezell, 78, Buried Wednesday

Mary E. Ezell, 78, of Colorado City died early Monday morning in Root Memorial Hospital after a lengthy illness. Services were held at 2 p.m. Wednesday at First Baptist Church.

The Rev. Glenn Roenfeldt officiated. Burial was in the Colorado City Cemetery, under the direction of Kiker-Seale Funeral Home.

She was born March 8, 1901, in Leon County. She married Charlie B. Ezell May 18, 1919, in Golden.

He died May 2, 1949. She was a member of the First Baptist Church and was head dietitian at Root Memorial Hospital for 19 years.

Survivors include one daughter, Anita Carroll of Cottonwood, Ariz.; two sons, Charles Ezell of Colorado City and Kenneth Ezell of San Antonio; four grandchildren and one great-grandchild.

Johnson Services In Midland

Dr. Homer B. Johnson, 73, of Midland died early Saturday morning at St. Mary's Hospital in Lubbock. He was the brother of Dr. Bruce Johnson of Loraine.

Funeral services were held at 2 p.m. Monday at the Episcopal Church of Holy Trinity in Midland with the Rev. Sam Hulse, pastor, officiating. Burial was in Fairview Cemetery directed by Ellis Funeral Home.

Born in Loraine, Nov. 11, 1906, he was the son of the late Mr. and Mrs. F.W. Johnson. He was reared in Loraine and graduated from Loraine High School. After graduating from McMurry College in 1928, he entered Baylor Medical School in Dallas and received his M.D. from there in 1932. After his internship at Herman Hospital in Houston, he practiced in Roscoe and Crane and moved to Midland in 1939 where he was co-owner of Western Clinic and Hospital in 1952.

He married Madge McCauley of Abilene in 1934. He served in the Army Air Corps in World War II. He was a member of Texas Medical Association, American Academy of Family Practitioners, Downtown Lions Club, Midland Country Club and was formerly Chief of Staff of Midland Memorial Hospital.

His wife preceded him in death in 1976.

Survivors include a son, Jerry Ray of Donna; two daughters, Peggy David of Abilene and Cynthia Williams of Fort Riley, Kansas; two brothers, Dr. Bruce Johnson of Loraine and Dr. Dale Johnson of Abilene and five grandchildren.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN--Voters approved two constitutional amendments last Tuesday and rejected one which would have authorized the Legislature to override rules made by state agencies on certain matters.

Favored solidly were amendments changing the method of appointing notaries public and creating guaranteed

loans for family farms and ranches.

Boosters of the farm and ranch loan amendment were fearful that the low turnout in rural areas would defeat the proposal, but urban voters in Houston, Austin and Dallas-Fort Worth voted its passage. The bill's sponsor, State Rep. Luther Jones, D-El Paso, had traveled the state seeking edi-

torial backing and was not disappointed.

Legalizing Aliens

Gov. Bill Clements said he thinks the United States and Mexican governments will act soon to remove "illegal" from the term "illegal alien."

The reason: the large population of undocumented Mexican workers in the U.S.—estimated at 3 million—should be documented.

Clements said he expects the aliens to be given visas or work permits for three, six, nine and 12 months. "They would be given a Social Security number, pay taxes, be protected under the law, en-

joy municipal benefits and be paid a fair wage," Clements said.

Such documentation may also take the guesswork out of the problem of educating the children of illegal aliens, an issue recently complicated by a Justice Department brief charging the Texas Education Code is unconstitutional.

The code was amended in 1975 so that only citizens and legal aliens have the right to a free education in the public school system. It's the Texas practice of charging tuition to the illegal aliens that is said to be unconstitutional, a matter under scrutiny

with the 5th U.S. Circuit Court of Appeals.

Special Session Postponed

Clements is keeping legislators guessing again as to exactly when he will call his promised special session of the Legislature to pass his favorite bills.

Last week Clements said he has ruled out next January and will call lawmakers back to Austin for 30 days in either March or September of 1980.

Many legislators seem to be expecting a September call, right before the November elections. Since most incumbents are Demo-

crats, a special session then would keep them busy in Austin while their Republican opponents are campaigning back home. And of course, any vote an incumbent might cast during the Legislature is a fair target for an opponent stumping back home.

Clements, a Republican, has listed initiative and referendum, wiretapping in narcotics cases and tax relief as his main subjects for a special session.

Radioactive Waste

Low-level radioactive wastes from other states are accumulating in Texas because there is

no place in the nation to store them permanently.

Recent shutdowns of radioactive waste dumps in Washington and Nevada have caused the pipes to back up, so to speak and about 2,000 drums of waste per month now arrive in Texas.

Texas Health Department officials say the waste generated from hospitals and labs does not constitute an immediate problem; it may be stored from six months to a year.

Last spring the Legislature defeated a bill which would have created a low-level radioactive dump in Texas

because of the small penalty included for illegal dumping. Some Capitol insiders are now saying such a bill will crop up again in the Governor's Special Session. It may be needed to eliminate the waste already in Texas, and Clements long ago gave his approval for the creation of such a dump.

Lax Controls Charged

State and federal officials attending the National Conference of State Legislators in Austin last week said that shippers of nuclear waste are likely to encounter a federal inspector once every 20 years.

Such shipments of waste are transported on the nation's highways, and Texas does not have enough of its own inspectors to adequately monitor the 2,000 shipments per day to Texas. Texas Health Department officials say there is not enough money or personnel to enforce shipping regulations.

AG Briefs

In a legal opinion filed last week, Attorney General Mark White found there is no violation of the federal Family Educational Rights and Privacy Act of 1974 when a state-supported college provides a student with direct access to his or her medical records as required by the Texas Open Records Act.

Meeting In Abilene

The Abilene Chapter of the Muscular Dystrophy Association will hold its Annual Meeting and Executive Committee election on Thursday, November 15th, at the Triangle Bowling Lanes, at 7:30 p.m. All interested persons are invited to attend.

Hunter Is Key

The hunter is the key person responsible for the quality and edibility of the venison he brings home, says a wildlife specialist with the Texas Agricultural Extension Service, Texas A&M University System. Hunters should select a female deer for less flavor intensity (gaminess). Shooting the deer in the head or neck reduces tissue damage and post-shot stress. Field dress the animal as soon as possible. Storing the carcass in a cooler for about a week will increase flavor intensity.

In Your Hometown Merchants' Football Guessing Contest

Rules For The Game

Colorado City merchants are once again sponsoring a football guessing contest with cash prizes of \$15, \$12 and \$9 for the top three guessers each week.

In addition, there is a bonus prize of \$50 for anyone who guesses the winners correctly on all of the games. There will also be a prize of \$10 for anyone who guesses the exact score of the Wolves game each week.

All you need do is check each merchant's listing on this page for one of the contest games and it's number. Print your choice of the winners of each game in the blank next to the corresponding number of each game on the official entry below. Be sure you select a winner for each game.

On the OFFICIAL ENTRY BLANK print your guess for the exact score of the Key Game (this week COLORADO CITY VS. WINTERS to be used in case of ties). Be sure to print your full name and address. Persons under six years of age are not eligible to enter. Each Entry Must Be Delivered To The Colorado City Record Or Postmarked, If Mailed Before 5 P.M. Each Friday. Winner of each week's contest will be listed on this page the following Thursday.

Last Week's Winners:

1st. (\$15) Bubba Kennedy
805 Vine, C-City

2nd. (\$12) Terry Lewis
Rt. 3, Box 247, C-City

3rd. (\$9) Reval Phillips
Rt. 1, Loraine

Is not the time to buy land? Acquiring the right piece of land with financing through the Federal Land Bank is a pay off when amortized over years with a Land Bank loan. The total cost of the loan can be less than the value of the property. We have the property. Then try to meet that need.

THE WESTBROOK GIRLS' basketball squad is made up of the above players (front row, left to right) Debbie Parrish, Lynn Dawson, Beth Geiger, Jana Shackelford, Teresa Wimberly, Rosie Vigil and Christi Vanderpool; (back row) Coach Bill May, Manager Cindy Bagwell, Rose Lopez, Lisa Anderson, Pat Harris, Sharla Rollins, Teresa Dorn, Manager Debbie King and Manager Sandy Harris.

Stutts Takes Second Place

Vernon Stutts of Lorraine took second place in an area moto cross race in Midland last Sunday.

Stutts took first place in his opening race of the day and ran second in the second race. He placed second overall out of all cyclists in the competition.

He also competed in the Texas National Event at the Rio Bravo track in Houston on Nov. 4.

In his first race, Stutts placed 15th out of 31 cyclists. This qualified him for the second race

in which he finished 1st out of 18 competitors.

He was now qualified for the final race in which he placed 15th out of 41 competitors.

Stutts is working toward the Grand National Championship in the Astrodome in Houston on Mar. 16, 1980 in which riders from throughout the United States and Mexico will be competing.

Stutts rides a 1979 Suzuki RM 80 B model trick competitor bike. He is the son of Mr. and Mrs. Mike Stutts of Lorraine.

WESTBROOK'S CHEERLEADERS for 1979-80 are shown above. They are (front) Kari Stafford, (back row, left to right) Rose Lopez, Lynn Dawson and Debbie Parrish.

Sports Action

SPORTS SCHEDULE

Thursday
-Westbrook Junior High boys' and girls' basketball teams, Divide Tournament.

-6 p.m. Colorado ninth grade football team vs. Big Spring, there.

-7:30 p.m. Colorado junior varsity football team vs. Big Spring, there.

Friday
-6:30 p.m. Westbrook varsity boys' and girls' basketball teams vs. Garden City, here.

Is now
the time to
buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Michael W. Smith
Manager
137 W. 2nd
728-3031

-7:30 p.m. Colorado varsity football team vs. Winters, there.

xxx
Rose Lopez poured through 26 points Tuesday night and the Westbrook varsity girls' basketball team went on to thrash Eula 61-47 and even their season record at 2-2. The contest was played in Westbrook.

In addition to Lopez' 26 points, Teresa Dorn had 15 and Sharla Rollins put through 11.

Westbrook led 16-7 after the first quarter and at halftime were in front 29-20. The third quarter score was 43-33 with the Wildcats still leading.

The Westbrook boys' varsity basketball team were the victims of a terrific second quarter scoring spree by Eula Tuesday night and dropped their contest 64-48.

Westbrook led 17-5 at the end of the first frame but Eula poured through 30 points in the second quarter while the Wildcats could score only 10 to make the halftime score 35-27 in favor of Eula.

The third period score was 51-35 still in favor of Eula.

Larry Dawson and Terry Webb led the Wildcats with 13 points each while Ricky Reyes had 12. Westbrook is now 0-2 for the season.

xxx
According to the latest Harris Poll, the Colorado City Wolves are a seven point favorite over Winters in Friday night's game in Winters. The Wolves have a power rating of 115 to Winters' rating of 107.

In the key game in District 6-AA this week,

Stamford is a 15 point favorite to come out on top of Coahoma. Stamford has a power rating of 139 while Coahoma has a rating of 124.

xxx
The Colorado varsity and junior varsity girls' basketball teams will see their first action of the season Saturday at Wolf Gym when they take on Roscoe in a scrimmage.

The scrimmage will begin at 3:30 p.m.

The girls' basketball teams will open their regular season in Wolf Gym Monday against Snyder. The ninth grade girls will play at 6 p.m. and the junior varsity and varsity teams will play at 7 and 8 p.m. respectively.

The seventh and eighth grade girls will play Snyder there at 4 and 5 p.m. Monday.

xxx
The Colorado varsity volleyball team's bi-district opponent will be Seminole, the winners of District 5-AA.

The bi-district game will be played on Tuesday, the time and site of the game had not been announced when the Record went to press.

Classes To End Hour Early Friday

Colorado City Independent School Systems will close out classes one hour early on Friday, according to Superintendent of Schools Charlie Uselton.

Wolves, Blizzards To End Season

The Colorado City Wolves and Winters Blizzards will go at each other at 7:30 p.m. Friday in Winters in the season finale for both teams.

It is a game that both teams will be trying to win strictly for the sake of pride but as Colorado Head Coach Tom Ramsey stated concerning the game, "We'll be trying to finish it out with a win to give us some carry over for next season."

Winters operates out of a veer set offensive alignment and uses a split backfield. Defensively they go with a 4-3 alignment and shift into a series of multiple sets.

The Blizzards have a quarterback, Toby Gerhart, whom Ramsey stated was probably one of the better ones in the district. They also have a speedy pass receiver in number 80, Robert Johnson.

Winters is 1-4 for the year and 1-5 in District 6-AA play.

Wolves' quarterback, Mark Carter, suffered rib injuries in the Coahoma game and Ramsey stated that it was uncertain whether or not he would be able to play Friday night.

The coach pointed out Carter as having done a good job at quarterback against the Bulldogs and Squeaky Hanks and Russell Noel as having had good performances on defense.

The Wolves will have a lot to look forward to next Fall as they will have nine offensive starters returning and six defensive starters coming back.

When asked about his opinion of the outcome of the Coahoma vs. Stamford game Friday night, Ramsey said that

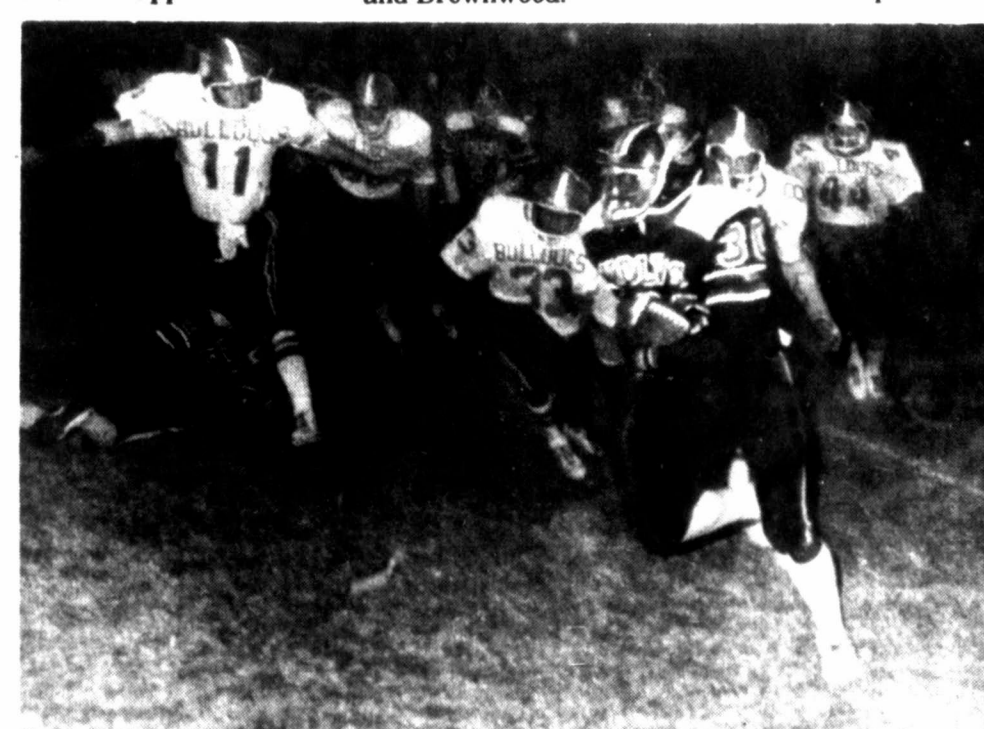

he would have to go with Stamford because there was no doubt that the Bulldogs had the best team.

Champion Gives Up Big Catch

A Lubbock man, Robert Herrington, had what could be called a good day last Sunday while fishing at Lake Champion.

Herrington while fishing at the fish-a-rama at the lake, caught three yellow catfish, one weighed 13½ pounds, one weighed seven and one-half pounds and the last one weighed six pounds.

Raymond Bassinger, 13, of Colorado City also while fishing at the lake on Sunday caught a six pound 10 ounce black bass, a three pound 10 ounce channel catfish and 10 crappie.

THE WOLVES may have lost to Coahoma last Friday night but it wasn't for lack of trying as is shown by this effort by Doug Johnson as he breaks into the clear around his left side. The Wolves will end their season against Winters this Friday.

Boxers Get Ready For Ring Meet

Ring fans will have an opportunity to see some local talent in action this weekend at a tournament sponsored by the Mitchell County Boys' Club and the Colorado City Jaycees.

The tourney will take place at the Wallace Center and will begin at 7 p.m. on Friday and Saturday.

Tickets for the event are \$2 for adults and \$1 for children. They may be purchased from any member of the Mitchell County Boys' Club Boxing Team, any member of the Colorado City Jaycees, a Boys' Club Director or at the Colorado City Record.

Teams taking part in the event will be Colorado City, Abilene, Sweetwater, Ranger, San Angelo, Eastland and Brownwood.

Last weekend about 25 members of the boxing team, ages 14 and under, took part in a tournament at the Boys' Club in Abilene and came home with a number of trophies.

The following boxers came home with first place trophies in their weight divisions: Andrew Cantu, 70-80 pound division; Ricky Arispe, 60-70 pound division; Oscar Martinez, 100-110 pound division; Sammy Rivera, 90-100 pound division; Vince Gaona, 80-90 pound division; Victor Luera, 60-70 pound division and Rudy Arispe, 80-90 pound division. Greg Rodriguez, 50-60 pound division and Gabriel Gaona, 50-60 pound division.

Several other boxers won runner-up medals

and they were Jody Martinez, 50-60 pound division; Chris Molina, 40-50 pound division; David Arispe, 80-90 pound division and Chico Flores, 90-100 pound division.

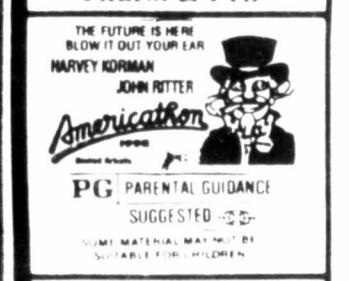

The Mitchell County boxers also won the novice division team trophy at the meet.

Other teams in the tournament in addition to Colorado City were from Brownwood, Eastland, Fort Worth, Ranger, Sweetwater and Abilene.

End Of A Season:

Friday nights appearance by the Colorado City Wolves will be the final for the 1979 season when they face Winters in Winters.

Winters has an improved squad this year and it will not be an easy task, but we are sure our team will want to close the season out on a winning note.

This will be the final appearance in a Wolf football uniform for the seniors that includes Britt Chaney, Johnny Lowrance, Russell Noel, Charles Edwards, Rod Reeves, Scott Cawthron, Chuck Claxton and these who are sidelined due to illness and injury, Lupe Luera, Ricky Ornelas, Clay Hammond and J.D. Lewis.

We want to congratulate them on a good season and wish them the best of luck in the future.

We want to encourage everyone to travel the short distance and see the contest with Winters. It'll be our last meeting with them for the foreseeable future. Go get 'em team. We're with you.

Senator Ray Farabee

State Sen. Ray Farabee of Wichita Falls will be guest speaker for a special 10th anniversary ceremony at Western Texas College Sunday (Nov. 18).

The anniversary observance will get underway Saturday night (Nov. 17) when ex-students and faculty are recognized at the hall of the WTC-South Plains College basketball game in the Scurry County Coliseum. The game begins at 8 p.m. and tickets will be available at the door.

A campus open house is scheduled from 1:30-3:30 p.m. on Sunday. Sen. Farabee will speak at 3:30 p.m. in the Central Courtyard, and a time capsule will also be buried at that time.

The public is invited to attend the anniversary observance. Information about activities may be obtained by calling the college at AC 915-573-8511. Invitations have been mailed to ex-students whose addresses were available and a special invitation is extended to exes who could not be contacted.

in advance. The anniversary observance will replace the homecoming scheduled for this year.

Smith Is Hostess

The C-City Lake Extension Homemakers met in the home of Benita Smith at 1:30 p.m. Monday.

Adele Morgan, County Extension Agent, was guest speaker. She brought a program on the care and cleaning of suede and leather.

Committees were appointed to make plans for a Christmas luncheon and projects.

Attending were Bobbie Norman, Opal Montgomery, Ozella Brookshire, Bea Harlow, Fannie Morris, Billie Patterson, Billie Woods, Frankie Cummings, Benita Smith, Linda Hearin, Candace Griffin, Jessie Dorn, Lucille White and Clydean Kimbrell.

The next meeting will be Nov. 19 in the home of Billie Woods.

Questionnaires Sent By USDA

The United States Department of Agriculture is requesting the assistance of Mitchell County producers in obtaining data which will be used for determining the final acreage, yield and production of crops and end-of-year livestock and poultry numbers for the county.

From mid-November to early January, thousands of Texas farmers and ranchers will receive crop or livestock questionnaires from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff, according to Agriculture Stabilization and Conservation Service Director Don Stewart.

All of the estimates published by the Texas Crop and Livestock Reporting Service are based on the data provided by Texas farmers and ranchers.

This cooperation provides the necessary data which is, in turn, returned to farmers and ranchers in the form of accurate

estimates, which are so essential in making the wisest production and marketing decisions, Stewart noted.

Accurate estimates are also essential to farm organizations and legislators in promotion, planning and enacting wise legislation and are used in establishing acreages and payment levels to producers under the various commodity programs, he said.

Producers interested in obtaining information bulletins may write Texas Crop and Livestock Reporting Service P.O. Box 70, Austin, Texas 78767 or by writing Reagan V. Brown, Commissioner of Agriculture, P.O. Box 12847, Capitol Station, Austin, Texas 78711, Stewart noted.

Focus On Nutrition

Focus on nutrition to celebrate the "International Year of the Child," a foods and nutrition specialist urges.

"Nutritional care is an important part of healthy growth and development—yet more than four million children in the world are seriously malnourished," according to Mary K. Sweeten.

In the United States, malnutrition causes dangerously low birth weights in infants—many born to teenage mothers, she reports.

Obesity is another result of malnutrition, she adds.

In addition, a growing concern includes adequate nutrition for abused children, handicapped children and those suffering from metabolic disorders, the specialist says.

Mrs. Sweeten is with the Texas Agricultural Extension Service, the Texas A&M University System.

Nutrition education is one key in solving some of these problems, she says.

"Better nutritional care and education for the pregnant woman should eat adequate calories and nutrients to provide optimum growth of the fetus.

"In addition, continued maternal nutrition is a must for satisfactory lactation," the specialist says.

On the other hand, poor lactation can result in protein-energy malnutrition, anemia and vitamin A deficiency.

Poor environmental sanitation contributes to malnutrition and compounds the problems, the specialist says.

Our source of nutrition education materials is the County Extension Office, Mrs. Sweeten says.

Free of charge, materials for homemakers are available on all ages of children.

Stock Market Report

The market at Colorado City Livestock Auction was very active on a run of 390 cattle at its sale Sat. Nov. 10, according to Bob McClure, market reporter. He also commented that cattle are up \$2 and 3 on most classes and steady on stock cows and pair.

Cows: fat, \$46-49.50; stockers, \$425-565 per head.

Bulls: bologna, \$56.50-60.50; stockers, \$62-68.

Stocker Steer Calves: choice, \$91-100.

Stocker Heifer Calves: choice, \$68-74.50.

Feeder Steer Yearlings: choice, \$80.50-85. Feeder Heifer Yearlings: choice, \$67.50-74.50.

Cows and Calves: good, \$530-665.

CHS Choir Presents Program To Society

A musical program by the Colorado High School Choir was the highlight of the regular bi-monthly meeting of the Mitchell County Historical Commission Tuesday at the C.C. Thompson Room of the City National Bank.

The choir, which was

directed by Trina Taylor, sang a collection of songs written by Buddy Holly and also a group of songs from the movie, "Grease."

The Mitchell County Historical Commission's next meeting will be at 3 p.m. Jan. 13, 1980 at the Mitchell County Library.

Loraine Area Personals

by Ida Baird

Mr. and Mrs. Charley Hamilton attended the reception Saturday afternoon at the C.C. Thompson Room honoring Mr. and Mrs. Cecil Schafer on their 45th wedding anniversary. Afterwards they journeyed to Andrews to visit with a son and family, Mr. and Mrs. Leland Hamilton and Julie.

xxx

Mr. and Mrs. Jackie Walker returned home Sunday from Lubbock where they had been patients at the Methodist Hospital. Jackie had medical tests and Mrs. Walker underwent surgery.

xxx

Mrs. Trixie West returned home last week after a two month stay in Pampa and Skellyton. She was in the Pampa hospital for twelve days and spent some time with her daughter, Mr. and Mrs. Don Riley in Skellyton before returning home.

Susan Mahon of Midland spent the weekend with her parents, Mr. and Mrs. Royce Mahon.

xxx

Mrs. W.F. James had her three sons, along with a granddaughter and great-granddaughter with her for the weekend. A baked turkey dinner was enjoyed on Saturday. Mr. James was also home from the Claxton Lodge in Colorado City for the Saturday visit.

W. F. James Jr. of Annandale, Va. flew to El Paso and visited his son, W.F. James II and family, Ashley Kay and new grandson, Christopher Eric and with his daughter, Jency. Jency and Ashley Kay accompanied him to Loraine for the visit. The other two sons, Robert and wife from Abilene and Royal from Amarillo were here for the weekend visit. The group spent Friday with the Robert James' in Abilene.

Mrs. Lilla Jiant returned to her home in San Angelo Tuesday after visiting with Mrs. Vanda Martin. Also visiting in the Martin home were Mrs. Emma Land and Ollie Mae Martin of Roscoe.

xxx

Mr. and Mrs. Mark Cook and son, Todd, of Waco visited her grandmother, Mrs. Harvey Leach, Monday.

xxx

Mr. and Mrs. Calvin Forbes visited his sister, Mrs. Bill Jennings in the Midland Hospital Sunday and were in Lubbock Monday visiting her sister, Mrs. Jimmy Black in the Methodist Hospital.

xxx

Mrs. Bonnie Duke of Rotan visited her mother, Mrs. Trixie West and Mrs. C.M. Duke Saturday.

xxx

Mr. and Mrs. Cecil Robinson and children of Aspermont spent the weekend with her parents, Mr. and Mrs. Roy Wells.

Syble Walker Speaks On Thanksgiving

The Methodist Women met in regular monthly Local Circle meeting at the home of Mrs. Ruth Blair at 9:30 a.m. Wednesday.

Mrs. Frank Crownover led the group in singing "My Faith Looks up to Thee."

Mrs. Harold Martin was program leader. Mrs. J.D. Norman led the opening prayer.

Mrs. Syble Walker gave the devotional using "Thanksgiving" as her theme. She read from Luke 18:10, closing with prayer.

Mrs. Martin read "Somebody Needs You," by E. Stanley Jones. "In Jesus' time people lived by the law and there were 3,600 commandments for people to obey, but Jesus reduced these to one, that of Love," she stated.

Mrs. Raymond Wheeler read a poem of Thanksgiving and Mrs. Blair led in prayer.

After the business

meeting, Mrs. Wheeler led the closing prayer.

Present were Mmes. Crownover, Lola Fay Bennett, Martin, Walker, J.M. Templeton, Norman, James Bennett, Percy Bond, Roy Wells, Wheeler and Blair.

Stewarts Are Honored On Golden Anniversary

Mr. and Mrs. Elbert Stewart were honored at a reception from 2 to 4 p.m. Sunday on their 50th wedding anniversary. The celebration was hosted by their children.

The reception was held at the home of a daughter and son-in-law, Mr. and Mrs. Robert Dale Finley of Loraine. Other children co-hosting the party were Mr. and Mrs. Howard Bryant, Loraine; Mr. and Mrs. Gene Stewart, Roscoe; Mr. and Mrs. Gayland Seaton, Abilene and Mrs. Lyn Calvert, Odessa.

Children assisted their parents in receiving guests.

The refreshment table was laid in a gold cloth overlaid with lace runners. The two tiered

Choir Presentation Sunday

The Choir of the First Baptist Church of Loraine will be presenting their Thanksgiving Cantata, "Church Triumph," a festival of songs, Sunday morning at 11 a.m. The choir is under the direction of Steve Roath.

Among the numbers the 26 member choir will present will be "The King Is Coming," "Victory in Jesus," "Family of God," "Learning to Lean," "The Old Rugged Cross Makes the Difference" and "It Is Well With My Soul."

Vida Mae McDaniel, pianist, and Alta Miles, organist, along with a wind ensemble consisting of James Meadows, Vicki Barlow, Pat Terry, Melissa Clifton, Teresa Clifton and Ken Brown, Loraine High School director, will complete the musical group.

"A special invitation is extended to everyone to come and worship through song and prayer Sunday at 11 a.m.," expressed Roath.

A covered dish luncheon will be served after the program and everyone is invited to attend.

Ruth Class Enjoys Thanksgiving Meal

The Ruth Class of First Baptist Church Loraine enjoyed a Thanksgiving luncheon at their November meeting Thursday. The party was held in the church fellowship hall.

The Rev. Luke Smith gave the Invocation. The meal consisted of baked turkey and dressing with trimmings, vegetables, salads and desserts. Rev. Smith, Ray Preston and Loyd Wiggins were guests.

After the meal the class held their regular business session. Mrs. Clara Butler, president, presided. The meeting opened with the group singing their class song,

"I Love Thee" and prayer was led by Mrs. Butler.

Mrs. Harvey Leach read the story "The Fingerpointed Prayer" from the Guidepost Magazine as part of her devotional.

Mrs. Hal Bennett will host the December Christmas party. Gifts will be exchanged.

Present were Mmes. C.A. Land, Mearse, Lorene Mills, Frances Porter, L.E. Crutcher, Clara Butler, Leach, Hal Bennett, Lizzie Neill, Charlie Harris, Vada Preston, Lois Hobbs, Hays, Edwin Hallmark, Pauline Smiley, Angie Furlow and Ida Baird.

Meetings

The Mitchell County Food Service Association met at the Hutchinson School in Colorado City Monday at 2:30 p.m.

Mrs. Witt Hines brought the afternoon program on the early day schools in Mitchell County and how some of them were named.

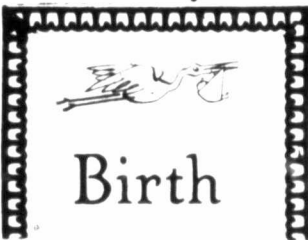

Refreshments of fruited jello with whipped topping, nuts, crackers, coffee and tea were served to the 23 members present.

McDaniels Osberve 30th Anniversary

Mr. and Mrs. Delmar McDaniel observed their 30th wedding anniversary, Sunday. They were married in Colorado City Nov. 11, 1949 and have lived in Loraine since their marriage.

They had their two sons and daughter with them for the weekend. They were Mike McDaniel and son, Dean of Houston, Mr. and Mrs. Jim Bowen and Jana from San Antonio and Mark McDaniel. They also visited their grand-

parents, Howard Preston of Loraine and Mr. and Mrs. R.H. McDaniel of Colorado City.

Birth

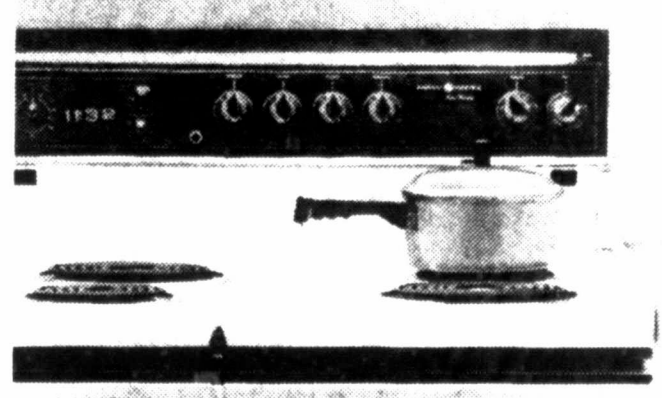

Catherine Ann Wood, daughter of Mr. and Mrs. Ronnie Wood, Box 1053, City, was born November 4 in the Root Memorial Hospital weighing 7 lb. 1 oz.

For every way to use electricity in the kitchen, there's a way to use it more efficiently.

Keeping your heating and cooling costs down are the biggest ways to save electricity, but there are lots of little ways, too.

Your kitchen is a good place to start. Here are a few ways to save.

Use flat-bottomed pans. The flatter the pan the better its contact with the cooking unit. A tight-fitting lid on your pan will reduce cooking time.

Use less water. By cooking vegetables with the least amount of water possible, you'll

improve their appearance and nutritive value, and you'll save electricity.

Reduce cooking time. Thaw meats before cooking them. This will save cooking time and energy.

Make efficient use of your oven's heat by cooking several foods at the same time.

Use your oven timer and

keep the oven door closed. Opening the door unnecessarily causes heat loss and extended cooking time.

Get our free booklet, "Tips To Help You Use Electricity More Efficiently Throughout Your Home." Copies are available in our office or you can request one on the comment portion of your electric service bill.

Smith Announces A Poster, Essay Contest

A conservation poster contest for children under 12 years-of-age and an essay contest on conservation of our natural resources for persons 18 years-of-age and under is being held by the Mitchell Soil and Water Conservation District.

The poster contest subject is "Food, Fiber and Soil Conservation," Vice-chairman D. M. Smith said.

Prizes will be ribbons for the first, second, third and fourth place posters for each classroom submitting posters, he noted.

The top three entries will receive trophy awards, he said.

The theme of the essay contest will be "For-

ty Years of Soil and Water Conservation Districts in Texas," Smith stated.

First place winner will receive \$20; second place, \$15 and third place, \$10.

In making the announcement, Smith stressed this is an open contest and does not jeopardize Texas Inter-scholastic League eligibility.

Entries must be presented by January 15, 1980 and may be mailed to Mitchell SCS District, P.O. Box 910, Colorado City, Texas 79512 or left at the SCS Office in the G-Kell Building on the Snyder Highway.

For further information, please contact SCS at 728-3473.

Western Texas College News

10th Anniversary

Western Texas College will mark its 10th anniversary with ceremonies on the afternoon of Nov. 18 and area residents are invited to attend.

State Senator Ray Farabee of Wichita Falls will be guest speaker for a ceremony planned for 3:30 p.m. near the Scurry County Museum on the south side of the campus. Special guests to be introduced include members of the original steering committee for the college.

A campus open house is scheduled for 1:30-3:30 p.m., with tours of the campus. Visitors are asked to register in the Student Center. A luncheon is planned from 12:15-1:30 p.m. in the college cafeteria. Tickets, priced at \$3 each, are to be reserved by writing Mickey Baird, Student Activities Director, or by calling her office at 573-8511, extension 276.

It was in November, 1969, that Scurry County voters approved by a 10-1 margin the first bond issue which made the long-awaited college a reality. Construction on campus buildings was begun the following year and the college enrolled its first students in the fall of 1971.

The anniversary observance will also include the introduction of

Basketball Thursday

The second annual Western Texas College classic will get underway at 7 p.m. on Thursday and continue through Saturday in the Scurry County coliseum.

Opening the basketball play will be the University of Juarez vs. South Plains College at 7 p.m. on Thursday. The second game of the evening will match the WTC Westerners against the Sul Ross State University JV at 9 p.m.

On Friday at 7 p.m., Sul Ross will play South Plains. Juarez and WTC will meet at 9 p.m.

The Saturday night games will begin at 6 p.m. when Juarez and Sul Ross play. At 8 p.m., WTC and South Plains are scheduled to meet. At half-time, WTC ex-students and faculty members will be introduced as part of the 10th anniversary observance of the college planned for the weekend.

Advance tickets for the Classic are available at the Snyder Chamber of Commerce office, the Athletic Center and the Athletic Department office on campus. Tickets will also be available at the door each night. Tournament passes are \$5 for adults and \$3 for students, with single-night tickets \$2 for adults and \$1 for students.

Garden Tips by Bill Jany

County Entomologist

The home garden is becoming more popular these days as the price of vegetables and fruits increase. Because of this increase in popularity of producing your own food, the problems associated with gardening is also on the rise, according to County Entomologist Bill Jany.

Because of public sentiment toward the use of insecticides and the concern toward irreparable damage to our environment, the number of different methods of managing insects and diseases have increased to the point it nearly takes an expert to understand and use them effectively, he noted.

In view of problems encountered by the home gardener in Mitchell and Scurry Counties, an advisory program tailored to their particular needs may be beneficial.

Such a program might involve a weekly radio program broadcast in both counties; a weekly or bi-monthly newsletter addressing the needs of each county's home gardens; and a weekly or bi-monthly newspaper column.

"But!" he asks, "how would this resource program obtain information of the needs of each county's home gardeners?"

"How can it effectively address the problems of the home gardener if it does not receive input from the gardener," he questions.

A solution to the problem would be to have the home gardener in both counties to contribute to the program by writing in about problems that have been encountered with their gardens, shrubs, fruit trees and house plants and possible solutions to these problems.

These problems and

solutions would then be shared with other gardeners in the county so that all may benefit. The exchange of ideas with the home gardeners would be a direct way of channeling information provided by the Texas Agricultural Extension service directly to the home, Jany said.

Anyone wishing to contribute information or receive information concerning gardening problems, please send name, address and telephone number to: Bill Jany, County Extension Entomologist, P.O. Box 1349, Colorado City, Tx 79512 or call (915) 728-5973

Ann Staats Installs Jo Miles President

The Lois Sunday School Class of the First Baptist Church met in the home of Billie Roenfeldt on Oct. 16 for a salad supper and installation of officers.

Tables for the supper were decorated in a colorful fall motif.

A business session was conducted by President Jo Miles after which Ann Staats installed officers. New officers are Billie Roen-

feldt, teacher; Lena Marcom, assistant teacher; Jo Miles, president; Joyce Wright, ministries; Elizabeth Fuller, Lena Marcom, LaJuanna Solomon, Jan Lemons, Vera Miles and Ruby Jackson, group captains.

Other members and visitors attending were Ernestine Stubblefield, Gena Coldeway and Ann Staats.

ASCS Nominees Selected Recently

Nominees for a new Agricultural Stabilization and Conservation Service Community Committee were selected during a meeting of the current committee Wednesday morning.

Nominating forms were mailed to eligible voters earlier this month. Executive Director Don Stewart stated.

"We received only one nomination from voters and that person was ineligible because he currently serves on the County Committee," Stewart said.

According to regulation, Stewart noted, because no eligible nominations were presented, the existing Community Committee has placed in nomination six persons in each of the three communities.

"Each eligible voter will be sent a ballot for the community in which

his principal farming interest is located," Stewart said.

The election ballot must be returned to ASCS by election day, December 3, in order to be counted, Stewart stated.

Ballots must be mailed by ASCS on December 5. "Farmers should receive ballots about 10 days prior to the election date, Stewart noted, these may be returned by mail or in person to the ASCS Office.

Current Committee members are: Preston Morris, Star Route, Colorado City; Rex McKenney, Route One, Westbrook; Louis Rees, Box Eight, Westbrook; Terry Haggerton, Route One Box 95, Loraine; George Martin, Route One Box 117, Loraine; Robert Holman, Route 3 Box 229, Colorado City; Billy Cornutt, Box 127, Loraine and Lester Finley, Route One, Loraine.

Recruiter In Area Tuesdays

John McMullen is the Navy Recruiter for the Colorado City area and Mitchell County.

He is in our area on Tuesdays from 12:30 p.m. to 1:30 p.m. at the Dairy Queen. You can call him collect at his Sweetwater office (915) 235-8000.

Freezing Temperatures In Sight

Freezing temperatures are just around the corner for much of Texas. Based on historical data, the first autumn freeze across the northern half of Texas should occur by Nov. 15 five out of 10 years. According to agricultural meteorologists at Texas A&M University, this fall has been unusually dry and warm so far and near normal temperatures are forecast through mid-November.
