The Rockport Pilot

THE ONLY NEWSPAPER PUBLISHED IN ARANSAS COUNTY

Vol. No. 92

ROCKPORT, ARANSAS COUNTY, TEXAS, THURSDAY, JUNE 29, 1961

No. 13

Along The Waterfront

Mary Lou, party boat fishing news. Hugh Johnson, skipper. Albert Mikulencak of Elgin, Texas, and party, 207 trout. George M. Anderson of Houston and party, 283 trout. Mr. Doug Brown of Dallas, and party 306 trout. Leo Jahn of Schulenburg and party, 310 trout. On Wednesday morning, June 28, the new 54' Mary Lou made her maiden voyage. On this trip, R. V. Hardegree of Temple, and party brought in 306 trout.

Rattlesnake Point reports: Joe Danysh of San Antonio caught 67 trout, drum and gafftop. Scoots Roberson, Odem, caught 10 flounder and one 7-pound trout. C. D. Wilder and son Raviy of Runge, and Dale Cummins of Ingleside, caught 57 trout. The Kalogie party of Falls City caught 168 reds and trout. Mr. and Mrs. Frank Hunt of Odessa, caught 21 trout. J. R. Jackson and son Jim, of Uvalde, caught 29 reds, weighing 12 pounds. The others averaging 6 pounds, each and 198 trout from 1 1/2 to 3 pounds. The Tom Thorpes of Center Point caught 10 reds, averaging 6 pounds and 15 trout averaging 4 pounds.

Chili Pursley and Cummings Suggs, of Hearne, caught 115 trout. Paul Carn and nephew, V. Perkins, of Hearne, caught 12 trout. Frank Sims of Odem caught 10 nice trout. Bill Ploch of Pasadena caught 112 large trout.

Scoots Roberson of Odem caught 6 trout — 1 weighing 6 pounds. Trout fishing is real good at Port Bay, the Turners report. Mr. and Mrs. Orin Ferrell, of Sinton, caught a nice string Sunday, with the largest weighing in at 6 pounds. Jim McElroy of Kerrville caught six reds, averaging 4 pounds 8 ounces, and several trout weighing four to six pounds.

John Dicehep of Houston, 30 trout. V. J. Barnes, of San Antonio, seven trout weighing from 2 1/2 to 5 pounds. M. E. Ellison, San Antonio, 18 trout and one 40-pound drum. A. J. Moye, Denver, Colo., 22 trout, several of which weighed around four pounds, and four nice reds. Col. Robert E. Smith, Austin, Austin, one 6-pound trout and fifteen small ones. L. E. Harris, Corpus Christi, 13 trout, 2 to 4 pounds. M. I. Thompson, Corpus Christi, nine trout.

The bay at Good Luck Pier in Fulton, is in fine shape and the water has its summertime hue. More and more fishing is being done at night and some fine catches have been made. The former nightman, Ollie Dunn and his brother-in-law, Rex Slater, had splendid luck the four nights they fished. In all they reported two hundred and fifteen trout, with the largest catch made last Friday night, of 111.

Mr. and Mrs. Ed Mundine, Dallas, had a well-filled stringer of trout. Mr. and Mrs. J. D. Harper and wife reported 45 trout to take home to Grandview. L. E. Northern of Edna, 25 trout. Ed Masgko of San Antonio, returned this week and caught a 4 1/2 pound trout.

Mayor R. A. Dailey of Randolph Field and J. C. Palmer of Gulfport, Miss., strung up 18 trout. V. Farth of San Antonio, reported a 2 1/2 pound trout. Mr. Canfield of Dallas, caught 26 trout Sunday and Jake Pierce, of Pierce Courts, who accompanied him, landed 16 trout.

JUNE ONE OF WETTEST WE'VE HAD IN YEARS
This June is one of the wettest we've had in a long, long time, according to Paul Clark Sorenson, local weather man.

Total rainfall for the month was 11.42 inches. Tuesday accounted for 1.6 inches of this.

Houston Power Squadron To Be Here July 3

Seventy-five boats of the Houston Power Squadron will start arriving here Monday, July 3, after a two-day trip during which they made overnight stops at Freeport and Matagorda. They will be met here by other boats from Corpus Christi.

The Houston boats have been making this cruise annually for some time, and a round of festivities have been planned for them during the two days they will spend in Fulton Harbor, and the day each that they will spend at Port Aransas and Bahia Azul at Ingleside.

An evening party is planned for Monday, July 3. Tuesday, July Fourth, the fleet will remain in the harbor at Fulton, with a beach party planned for that night.

On the morning of the fifth, the boats will leave Fulton and move to Port Aransas, where another party for them will be held. Thursday, July 6, the fleet will move to Bahia Azul, at Ingleside, and tie up there and in the North Shore marina.

A barbecue will be held at Bahia Azul that night, ending the cruise which over 225 persons are expected to make.

Local arrangements are in charge of Richard N. Spencer, of the Wilson Tower, Corpus Christi, who has been assisted by Harry Cole, of the Mayflower Hotel, and Bill Weller, of Bahia Azul.

Spencer said that undoubtedly some of the boats would visit Corpus Christi after the cruise officially ended on Thursday, July 6.

VFW Has Meeting

Stewart-Wendell VFW Post 3904 met Tuesday night, June 27 with Nick Carter, acting commander, in charge.

Nine new members have been added to the flag detail. They include: Bill's Sporting Goods, Gene's Magnolia Service Station, Schindler's Texaco Station, Rockport Pottery and Produce Co., Bill's Humble Service Station, Rockcrete Products, Hayden's Service Station, Paul Ward Realty Co., and Key Service Station. This brings the total number of members to 49. Our aim is to get 75 members.

H. C. Mullinax and Chester Johnson are in charge of the July 4th flag display.

Bill Gray, representing the Rockport and Fulton fire departments, thanked the local VFW post for their cash donation to the departments.

Chester Johnson, who was recently appointed to the "All Texas as Team of Post Commanders", will be our delegate to the state VFW convention, which to be held in San Antonio June 30-July 2.

County Council meeting is to be held in Sinton Monday night, July 3. Members will meet in front of the VFW Hall and go in a body from Rockport.

G. A. Smith lost the attendance prize by not being present. The prize next meeting is \$7.50 cash.

Next Post meeting is Tuesday night, July 11 at the local VFW Hall. We are making an all effort to get more of our 126 members to be more active in post functions.

FIRE DEPARTMENT MAKES AIRPORT AREA RUN SUNDAY

The Rockport and Fulton Fire Departments answered a call Sunday about 11 a.m. to the brush south of the airport, where they extinguished a brisk brush fire.

Hampered in their operations by crowds of spectators, the boys in the Fire department were considering obtaining a lot of sacks that could be wet down, then presenting every spectator with one, requesting that they help fight the fire.

PRESBYTERIAN PARENTS INVITED TO ENDING OF VBS

Parents of children who have been attending the Vacation Bible School at the First Presbyterian Church are invited to be present next Friday morning, when the school will close. Mrs. Charles A. Roe, Jr., has been in charge.

PILOT TO BE CLOSED TUESDAY

The Pilot, along with most of the rest of Rockport, will be closed Tuesday, July 4, and open for business again on Wednesday. Those having news for next week's paper are asked to get it in as soon as possible, as some of the paper will have to be printed Monday.

Latin American To Form Lions Club Here

A new Spanish-American Lions Club is to be formed here at an organizational meeting on July 3 in the cafeteria at Rockport Elementary School.

This will be a Ladies' Night meeting, and out-of-town guests are expected from Lions Clubs at Taft, Aransas Pass, Fulton, Corpus Christi and other area clubs.

District and state Lions Club officials have also indicated that they will be present.

Tom Kirkham, state secretary, will be the principal speaker, and he and his wife will spend the Fourth of July weekend touring this area. They will also be present at the Rockport Lions Club barbecue on the Fourth.

The new Lions Club will fill a need in the Rockport area, as membership will be predominantly Spanish-speaking, and thus able to better understand the needs of a large section of our population. The Lions motto: "We Serve" will thus have a broader scope with two clubs working in Rockport.

Present plans are for evening meetings. The name and roster of the new club will be announced at the July 3 meeting.

All Lions and other interested people are urged to contact Manuel Betancourt, P. O. Box 673, city chairman of the organization committee, if they plan to attend, in order to facilitate planning, or Carl M. Osborn, of the Rockport Lions Club, the sponsoring group.

Reading Workshop To Be Held Here

MRS. PAULINE WHITTINGTON Will Conduct Workshop

Supt. J. D. Gray announces that a reading workshop will be held at the Rockport Elementary School on July 5-6-7.

Mrs. Pauline Whittington, a graduate of Southeastern State College, Durant, Okla., and holder of the Master's Degree from Oklahoma University, will conduct the workshop. A highly successful primary teacher in Atoka, Okla., Mrs. Whittington has had twenty-five years' experience in both elementary and secondary teaching.

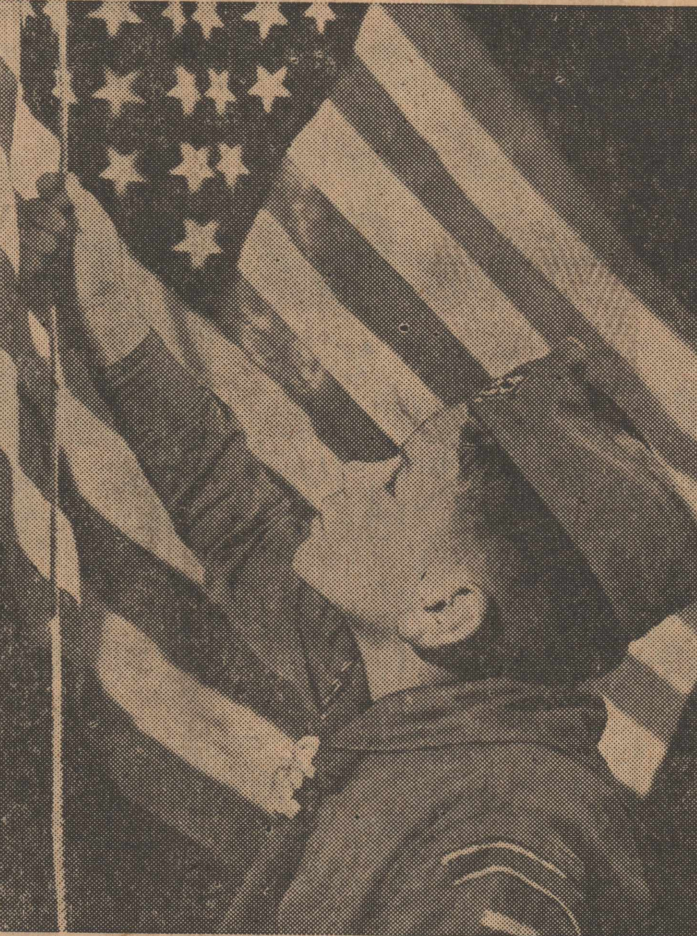

Her experience as a reading consultant includes many summer workshops in several states, in addition to college workshops at Southeastern State College, Durant, Okla., Mammoth, Ill., and Northeastern State College, Tahlequah, Okla.

During the workshop, Mrs. Whittington will explain and demonstrate the use of Phonetic Keys to Reading for grades one, two, and three and Keys to Independence in Reading for grade four. She has been teaching the program for several years.

This series of readers is used widely not only in Texas but throughout the United States. Each year many new school systems, determined to do something about the current problem of pupils who cannot read, are adopting this method of teaching reading. Sessions will begin each day at 9 a.m. and will be dismissed at 3:30 p.m. Time will be allowed at each session for a question and answer period, during which all teachers may feel free to participate. The workshop is provided free of charge by The Economy Company, publishers of Phonetic Keys to Reading and Keys to Independence in Reading. Interested teachers are invited to attend and take advantage of the opportunity to learn more about this outstanding material and the phonetic approach to teaching reading.

Miss Delores Etheridge of Alice has been visiting friends and relatives here.

Boy Scouts Urge All to Display U.S. Flags

The nation's five million Cub Scouts, Boy Scouts, Explorers and adult leaders embark on a campaign to encourage all citizens to fly the United States Flag at their homes on holidays. The Boy Scouts of America has always required its members to know the history of the United States Flag and the proper ways to show respect for it.

Group to Plug Copano Causeway

Five men—Judge John D. Wendell, Mayor Herman Johnson, Chamber of Commerce President Seth H. Steele, Aransas County Water Committee Member Harold Picton, and Paul Ward, chairman of the C. of C. Industrial Committee, will appear before the Texas Highway Commission in Austin Thursday, to request that a new causeway be constructed over Copano Bay on State Highway 35.

The request for appearance before the commission was made some time ago by Judge Wendell.

Aransas County Commissioner W. B. Allen said the proposed bridge would replace one in use since 1930 which was built on floating pilings and is "too narrow and too rickety." The bridge is a little over two miles long.

Game Wardens Hit Ten Shrimp Boats

Ten shrimp boats operating out of Aransas Pass were apprehended by game wardens early this week for fishing in closed waters.

Earl Sloan, local game warden, said the boats were apprehended Saturday night and Monday night by officers operating a Game and Fish Commission boat.

Sloan said he did not wish to release the names of the boats involved because some of the charges against them had not been filed.

All charges were filed in the county courts of counties in which the alleged offenses occurred.

Six have been filed in Kenedy county, one in Kleberg county, and three will be filed in Nueces county, Sloan said.

Attorney R. D. Hatch, who is representing some of the boat owners, said the fishermen are charged with operating too close to shore.

"No shrimp fishing is allowed in Texas waters," Hatch explained, "So boats have to stay a little more than ten miles out."

A Game and Fish Commission chart has been issued which shows the depth of water at points which are the legal distance out from shore.

For example, the chart may indicate that, in a given area, a boat is within Texas waters when it reaches water which is only 11 fathoms deep.

Hatch said his clients indicated that they believed they were operating just outside the line designated by the charts.

According to Sloan, officers confiscated both shrimp and shrimp nets from the boats charged with fishing in closed waters.

Miximum fine for conviction under the charge is \$500, but Sloan said the catch and the nets would be returned to the boat owners only if they win their cases.—Aransas Pass Progress.

Visiting in Rockport last weekend were Mr. and Mrs. A. W. Ahn, of LaCoste, and their son, Wayne Merrill Ahn, who is the fiancé of Miss Mary Lucille Jackson.

Accompanying them were Mr. and Mrs. E. A. Arnim, of Flatonia, who are Wayne's uncle and aunt.

Beaches Rendered Safe From Speeders

When uncontrolled speeders endangered the lives of bathers on Rockport's beach, the Aransas County Navigation Board arrived at an efficient and inexpensive solution of the problem.

The maintenance foreman simply took a big maintainer and cut ditches about eight inches deep across the beach from the water's edge to the road that parallels the shore. These ditches, about a hundred yards apart, discourage even the most persistent speeders.

They may hit the first one hard but, if their car holds to pieces that long, they have definitely slowed down before they come to the next one.

The result is that children and adults can come out of the water without taking their life in their hands.

Nicest part about the whole thing is that the cost is minor. Protection for the mile-and-a-half long crescent required expenditure of less than \$20 and the ditches are easily removed if that becomes necessary.

Dr. Poteet Installs Rotary Officers

At a Ladies Night dinner Wednesday night, District Governor, Dr. Ernest H. Poteet, president of A. & I. College, installed officers of the Rockport Rotary Club for the coming year.

The invocation before dinner was offered by Rev. Cecil Lang, pastor of the First Presbyterian Church, and incoming president.

Guests were introduced by retiring president Shelley Roaten, and included Richard Hatch and Frank Belken, both from Aransas Pass Rotary Club; Mr. and Mrs. Hugh Morrison, Mr. and Mrs. Jack Baughman, and Miss Sandra Pounds, all of Rockport.

Six past presidents of the 10 still in Rockport Club told what Rotary meant to them. They were Travis Bailey, Ed Beasley, Jack Horton, B. T. Hardeman, J. B. Jackson, and R. R. Rice.

President Roaten then introduced the District Governor, Dr. Poteet, in a short talk before the installation, pointed out that with the retirement of Shelley Roaten, there would be eleven past presidents still active in the Rockport Club, which was started only thirteen years ago, and he complimented the club on its outstanding record.

He then installed the new officers, which included Rev. Lang as incoming president, Terrance Leary, vice president; George Dickey, secretary, and Delmar Hiller, as treasurer.

In taking office, Rev. Lang paid graceful tribute to Roaten as a president who got things accomplished, and presented him with a bound copy of the Rotary Bulletin published while he was in office, a past president's pin and a lapel button.

Mr. and Mrs. J. T. Stenner and family of Aransas Pass, were guests at a surprise birthday party for Linda Stenner, at the home of Mr. and Mrs. L. T. Carney Monday night.

Rockport Lions Plan Barbecue, Installation

The Rockport Lions Club will hold its annual Fourth of July barbecue at the Lions Pit in the park at the Yacht Basin, all profits from the project to be used for civic and charitable activities and to help maintain the Lions Club Camp for Crippled Children, to which several Rockport youngsters have gone in the past. Two more are scheduled to go this summer.

The club members are famous for their barbecue, and in other years have been highly complimented on their food.

In general supplies for the barbecue have been bought, but from time to time donations have helped increase the profits. Club members are always grateful for such help, for the greater the profit the more good the club can do.

None of the profit goes for administration, as this is paid for by members dues, therefore everything cleared at the barbecue goes directly into action to aid those less fortunate.

The barbecue dinners can be eaten at the tables in the park or packed to take home.

Several families have already contacted members of the club and are planning to entertain visiting friends with a real Texas barbecue.

Serving will start at 11 a.m. Tuesday, July 4, and continue until all the meat is gone. Any Lion will be glad to take orders for quantity take home dinners.

The following officers for 1961-62 will be installed by Deputy District Governor W. B. Thompson, at a Ladies Night dinner to be held Thursday evening at the VFW Hall:

Cecil Cole, president; A. B. LeFevre, first vice president; Melvin Hull, second vice president; Dick Picton, third vice president; Dr. H. Steele, secretary-treasurer; H. F. Elliot, tail twister; Jack Hagar, lion tamer; Directors: Dr. Leonard Goldman, Sheriff A. C. Shivers, Charles A. Roe Jr., Rev. A. H. Bankert, and Chester Barre.

Radio Hams Try Emergency Stations

About 20 Corpus Christi Amateur Radio Club members set up three emergency radio stations at Rattle Snake Point on Copano Bay at 4 p.m. Saturday as part of Amateur Radio Week, Gene Henderson, president, said.

Henderson said that the drill was a 24-hour field day held annually by the club. It was conducted under emergency conditions.

During drill, members contacted many other hams throughout the country. Last year, the club even contacted several foreign countries, Henderson said.

The purpose of the field day was to test equipment and operations which might be used in times of emergency of disaster. The club furnishes communications for civil defense, the Red Cross, military and civil authorities in emergency situations.

"The most recent test of our efforts was last year when a tornado struck Calallen area," Henderson said. During that time the club furnished communications between evacuation shelters and the Red Cross Headquarters, 1116 Laredo, Corpus Christi.

"We also helped in the disaster training display recently put on by the Corpus Christi fire department," he said, "providing communications between the display site and the Red Cross."

"During the Calallen disaster our transmitter at the Red Cross location was too weak, so we are installing a new one which will take care of any emergency," Henderson said. The new transmitter is 500 watts, while the old one was 60 watts.

Both voice and International Morse Code were used in Saturday's drill, said Henderson, on AM and single side band operation. The latter is the newest facet of amateur radio, he said.

Henderson explained that single side band operation utilizes more different frequencies in a smaller space than AM. Another new thing in amateur work is television, he said. There is an amateur television station in Corpus Christi.

Corpus Christi has about 100 ham operators. "But only about 50 or 60 of these are active and nearly all of them belong to the club," Henderson said.

Local hams did not take part in the exercise.

City Council Creates Park Board Monday

At the meeting of the City Council Monday night, an ordinance creating a board of Parks and Recreation was passed; a Board of Equalization was appointed; and parallel parking was discussed.

The new park board will be composed of seven members interested in public parks and recreation, and at least two of the members must be women, and will be appointed by the mayor, subject to the approval of the Council.

The new board will act as an advisory committee to the mayor and council in development, supervision and administration of the affairs of the Department of Parks and Recreation of the City of Rockport.

One of its duties, as set forth by the ordinance, will be to make a complete survey of the parks of Rockport, and to make recommendations that it deems proper with reference to improvement, management, development, supervision and administration of the city's parks.

The Council has also asked the Board to investigate and report upon the extension of the parks and recreational facilities in the City of Rockport, giving attention to establishing of new parks, and development of recreational activities.

Appointed to the Board of Equalization were Paul Ward, Chester Johnson, J. P. Hanway and C. L. Thomas.

Parallel parking was also discussed at the meeting, without arriving at any definite conclusion on the matter. One councilman suggested that it be tried for six months and then, if found as unsatisfactory as everyone seemed to think it would be, the Highway Department be petitioned to remove or narrow the islands in the center of the street.

Postmaster J. Reid Simmons was also heard. He discussed the projected home mail delivery later this fall, and asked the Council if it would erect more street markers. This request was taken under advisement by the Council.

CHAMBER OF COMMERCE COOPERATING IN HOUSE NUMBERING CAMPAIGN

The Chamber of Commerce and the Junior Chamber of Commerce are cooperating in a house numbering campaign to have numbers on residences to facilitate house-to-house mail delivery later this year.

According to Mrs. Mary Juer-gen, manager of the C. of C., she has the plat of the city in her office, and those who wish to consult it to learn their proper house numbers can do so.

JUDGE, COMMISSIONERS AT CONVENTION IN CORPUS CHRISTI

County Judge John D. Wendell and County Commissioners W. B. Allen and Jack Sparks have been attending the convention of the South Texas Association of County Judges and Commissioners in Corpus Christi.

BOWLING ASSOCIATIONS TO BE FORMED AT ARANSAS PASS

Representatives of Coastal Bend Bowling, Inc., the new sixteen lane alley, due to open in Aransas Pass in August, were in Rockport today, laying the groundwork for formation of a bowling league in Rockport, Aransas Pass, Ingleside and surrounding towns.

A meeting is scheduled for all interested parties at the Lone Star Park building on Thursday, June 29, at 8 p.m., for the purpose of organizing men's and women's bowling associations, and potential bowlers are urged to attend.

NO GARBAGE PICK-UP TUESDAY, JULY 4

There will be no garbage pick-up in the city next Tuesday, July 4, according to Mrs. Jean Tuer, city clerk.

WE INVITE —

We invite Dell McLain and guest to see "Hound of Baskerville" and "The Facts of Life," playing Sunday and Monday at the Cove Drive Theatre.

This clipping from The Pilot (good for person named above only) will serve as your admission.

Scouts Take Initiative On Flag Display

Jos. F. Wolff of Corpus Christi,
president of the Gulf Coast Coun-
cil, Boy Scouts of America, has
announced that 17,500 boy mem-
bers and adult leaders of the coun-
cil have taken the initiative in a
new effort to display the United
States Flag at their homes,
especially on holidays.

The scouts and leaders are also
encouraging all citizens to do like-
wise.

"Over the years, the Boy Scouts
of America has encouraged the
use and display of the flag of the
United States as an external sym-
bol of the freedom and privileges
we enjoy as citizens," said Mr.
Wolff.

"Our five million present and
twenty-eight million former mem-
bers," he continued, "have come
to know the Flag as a symbol of
the ideals, hopes, goals, and his-
tory of our people."

It is an interesting fact, Mr.
Wolff points out that virtually

every one of the nation's 130,368
Scout and Explorer units has its
own United States Flag. These
play an important role in the
citizenship training aspects of
scouting, he said. The flags oc-
cupy positions of highest honor
at unit meetings, courts of honor,
all sorts of scouting functions and
especially at scout camps with the
raising and lowering of the colors
each day.

"We feel that in these days of
world crisis, the American people
will want to display their National
Colors as a symbol of their faith
in our democracy," Mr. Wolff
said.

Since its beginning in 1910, he
said, the Boy Scouts of America
has required proper ways of show-
ing respect for it.

GET A LIFE PRESERVER

Every person who steps on a
boat should check to see if there
is a life preserver on board for
him. Although boat owners are
required to have them, a double

New Type of Fishing Comes to Rockport

An abandoned farm and the
heavy rains of last fall and this
spring and summer have combined
to give Rockport some of the most
unusual fishing it has ever had,
of a sort most people know little
about.

The result is that sportsmen
in this area have been dining
to live. However, they were just
coming in with as many as thirty
to fifty frogs a night, some of
which will measure 18 inches
stretched out and weigh more than
a pound.

There have always been some
frogs on Live Oak Peninsula, but
never very many or very large,
mostly because there wasn't too
much permanent fresh water.
Ponds would dry up in the summer
time, and there was just no place
to live. However they were just
common or garden variety frogs,
and never seemed to get very big.

Then, six or seven years ago,
Walter Paugh, a former resident
of Rockport, got the idea that he
was going to start a frog farm
and raise these table delicacies.

Walter, who moved back to
Oklahoma a couple of years ago,
learned about frogs the hard way,
starting in 1949, when he built
his first dams, and in 1950, when
he put his first breeding stock in
the ponds.

He knew people liked frog legs,
but he hadn't realized that coons,
snakes, possums and other varm-
ints were also connoisseurs and

before he knew it, he was feeding
a lot of them with frogs worth
about \$4 apiece.

Then his tadpoles started dis-
appearing from the ponds, and he
learned that old bullfrogs were
snapping them up.

Walter worried along with his
farm for a number of years, in his
spare time, for he was a foreman
for Heldenfels Brothers of Corpus
Christi until he retired and he
and Mrs. Paugh moved back to
Oklahoma, abandoning his farm
and frogs.

He used to say that frogs would
produce one crop of young in nor-
mal years, but if the fall was
warm and there were late rains,
they may spawn in March and
April, and again in September.

Local sportsmen are speculating
if this isn't responsible for the in-
flux of frogs and frog legs. Wal-
ter's frogs, they reason, turned
loose and left to shift for them-
selves, probably survived in some
numbers around his old ponds.
Then, when the rains came, they
started to breed and spread over
the peninsula around Rockport
until it's no trouble at all any
more to catch a big bunch in a
night.

ROCKPORT TEAM EXTENDS THANKS

GAYLE GRIFFITH TO STUDY IN MEXICO FOR MONTH

Gayle Griffith, daughter of Mr. and Mrs. T. E. Griffith, leaves Saturday, July 1, for Morelia, Mich., Mexico to stay one month in the home of Mrs. Cristina Bernal. She will leave by plane from Matamoros for Mexico City. Mrs. Bernal will meet her and seven other girls from this area.

They will go from Mexico City to Morelia by train and will arrive Sunday morning. The trip is educational as well as for pleasure.

Two hours instruction in Spanish will be given each day. Besides becoming acquainted with customs of Mexico there will be sight seeing, swimming, horseback riding, and, on the weekends, fiestas.

Gayle will return to Matamoros July 31.

CLASS OF 1956 HAS REUNION

The Senior Class of 1956 held their five-year class reunion at Big Tree Lodge this week, with fifteen members, one sponsor and three room mothers present.

Philip Baldwin, class sponsor called the roll, and the original Class history and prophecy were read by Jo Helen May Jackson, and Deanna Casterline. Jimmy Mills was master of ceremonies.

The following attended and enjoyed dinner and dancing:

Mr. and Mrs. Leslie Cole, of Sinton; Mr. and Mrs. Rex Leach, Taft; Mr. and Mrs. Melvin Beyer, Aransas Pass; Mr. and Mrs. Cecil Casterline, Waco; Mr. and Mrs. Jimmy Mills, Port Lavaca; Mr. and Mrs. Leo Forish, Point Comfort; Mr. and Mrs. Mike Vargo, Corpus Christi; Mrs. Betty Brinley, Houston; Mr. and Mrs. W. O. Young, Mr. and Mrs. Jordan Weber, Mrs. Elva Mullinax, Mr. and Mrs. Philip Baldwin, Mr. and Mrs. Isha McElveen, Mrs. Wanda Wallace, Mrs. Joe Helen May Jackson, Mrs. Jean Schindler, and Mr. and Mrs. Elton McCabe, all of Rockport.

Mr. and Mrs. Charles Lancaster and children, Cynthia, Chris and Kathleen, of Hammond, La., are visiting Mr. Lancaster's mother, Mrs. Minta Lancaster, this weekend.

Lions Elect International President

Per Stahl of Eskilstuna, Sweden, was elected International President of Lions International at the Association's 44th Annual Convention in Atlantic City. Lions International has 620,000 members in 112 countries or regions, is the world's largest service club organization.

Lions International is best known for its many youth programs, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the globe completed more than 200,000 individual community service projects.

Little League Standings as of June 27

Braves	5 1/2	1/2
Cardinals	3	3
Dodgers	3	3
Indians	3	3
Cubs	2 1/2	3 1/2
Giants	1	5

There will be a meeting Friday night, June 30, after the final game for the managers, scorekeepers, announcers, and all Little League help. Please attend.

The scheduled game for the coming week are:

Friday, June 30: 6:00—Cardinals vs. Cubs; 8:00—Giants vs. Dodgers.

Tuesday, July 4: 6:00—Braves vs. Indians; 8:00—Cardinals vs. Giants.

The Tuesday night games next week falling on a holiday should bring out a good crowd. Celebrate your day of freedom by coming out and supporting these boys who love and enjoy the freedom of playing and participating in a sport America loves.

CLUES TO PLAY FOR TEENAGE DANCE JULY 1

There will be a dance for the teenagers on Saturday night, July 1, at the Youth Building, beginning at 8:30 p.m. The Clues, popular dance combo from Woodboro, will play. Admission will be 75 cents per head.

B. B. BETTELL SUFFERS FROM HEART ATTACK

B. B. Bettell, en route to the west coast and Canada with his granddaughter, Miss Niki Dick and her friend, Miss Azalea Shivers, was stricken with a heart attack in Gallup, New Mexico, Wednesday. His daughter, Mrs. H. H. Dick, of Fulton, flew there Thursday, and had intended to bring him to Corpus Christi on an ambulance plane Friday. However, he suffered another attack Friday.

Rockport Youths Attend Seminary

Three Rockport youth, Roy Rogero, Jr., Walter Lassiter, and one other whose name was not available—have been participating, along with some 240 other boys from 13-17 years old, in a new Corpus Christi program this summer, a seminary priesthood for those who think they might like to enter the priesthood.

The workshop is sponsored by the Corpus Christi Diocese and is held at the Corpus Christi Minor Seminary at Saratoga and Kostoryz. Boys from all over South Texas and the Rio Grande Valley have attended this summer.

The workshop is divided into three periods of one week. There are four teachers, a vocational director, and the Rev. Robert E. Clark is administrator.

Clark said the program is planned for every summer, although it may not be expanded too much from its present size.

The boys get up every morning at 6:30, have morning prayer and meditation and attend mass. After breakfast, there is a general cleanup session followed by a study period.

Classes are held before lunch. There are four — Latin, English, history and religion.

After lunch, there is a spiritual reading time followed by study. A work period takes up part of the afternoon, as does recreation and sports. In the evening there is entertainment, such as films or talks.

Mrs. J. W. Schiller Honoree At Coffee

Mrs. J. W. Schiller, of Caldwell, was honor guest at a coffee given by Mrs. Fred A. Bracht at her home last Saturday.

Mrs. Schiller, who has been visiting here, is the former Clarice Johnson of Rockport. She was married in this city 46 years ago this June.

The table centerpiece was an antique cut-glass pitcher holding an arrangement of summer flowers in variegated shades. Punch, coffee, and cake were served.

Mrs. James C. Bracht took pictures of the event with a Polaroid camera and presented them to the honoree as a memento of the occasion.

The guest list included friends of Mrs. Schiller's in this area. Attending were: Miss Mabel Bracht, Miss Genevieve Bracht, Mrs. Byron Bushart, Mr. and Mrs. Travis Bailey, Mrs. Alberta Nugent, Mrs. Gladys Bruhl Gibson, Miss Iris Sorenson, Miss Vivian Picton, Miss Velma Picton, Miss Grace Smith, Mrs. Floy Kennedy, and Mrs. Fred Clobertants.

McClendon Gets Big Contract In Corpus Christi

The Corpus Christi City Council, at its regular meeting, awarded a \$93,000 contract to McClendon & Company, consulting engineers of Corpus Christi and Rockport, for preparation of plans for a new sewage disposal plant to cost \$1,650,000.

The new plant, which will handle five million gallons of sewage a day, will be located at the site of the present Oso disposal plant, and the construction contract, when awarded, will include some rehabilitation of the old facility.

Turner and Collier, consulting engineers of Houston, and specialists in sewer plant design, will be associated with McClendon on the project.

According to W. W. McClendon, head of the Corpus Christi firm, whose office is on Henderson Street in Fulton, north of Rockport, plans and specifications for the work will be started immediately, and are scheduled to be completed by April, 1962. He said that construction contracts will probably be let in May of next year.

ROCKPORT STUDENTS ENROLL IN UCC

Three students from Rockport have enrolled for the first term of summer school at the University of Corpus Christi.

Barbara McLester, daughter of Mrs. J. Olga McLester, is a freshman majoring in history and minoring in music.

Celia Aldape is a freshman majoring in religious education.

Abraham Aldape is a sophomore majoring in Bible and minoring in Spanish.

PURPLE MARTINS RAISE FAMILY AT NOLAN HOME

When John Nolan, after two or three years of persistent effort, got purple martins to nest at his home near Copano Bay, he started something, for Wednesday morning the martin population had been increased by three and perhaps four.

H. A. Tenney, who lives across the road and who also has martin boxes erected, called Mrs. Jack Hagar Sunday to say that he had seen the martins carrying food to the Nolan box. Then Wednesday, Papa and Mama Martin had three little martins sitting on a perch in front of their home, squalling for food and taking an interest in the big, wide world.

MRS. J. V. FERGUSON HAS DOUBLE-FOUR CLUB

Mrs. J. V. Ferguson was hostess to the Double-Four Bridge Club at her home on Wednesday afternoon. Summer flowers were used in decoration, and a dessert course was served.

The hostess was high score winner; Miss Winona McFall was second.

All members were present except one, and Mrs. Ed Whitfill, of Lockney, was a special guest.

MR. AND MRS. N. F. JACKSON HONOR MR. AND MRS. AHR

Mr. and Mrs. Norvell F. Jackson were hosts for a backyard barbecue on Saturday evening, honoring Mr. and Mrs. A. W. Ahr, of LaCoste, who are parents of Wayne Merrill Ahr, the fiancé of Miss Mary Lucille Jackson.

In addition to the honoree, the occasion included Mr. and Mrs. E. A. Arnim, of Flatonia, uncle and aunt of Wayne; Mr. and Mrs. J. D. Porter of Austin, maternal grandparents of Miss Jackson; and Mr. and Mrs. S. F. Jackson, of Rockport, her paternal grandparents.

Others in the group were Miss Angel Porter, of Austin, and the immediate family of the host and hostess.

WOMAN'S CLUB NEWS

Last Monday's card party was well attended in spite of threatening weather. High canasta score was won by Mrs. Grace Donnell, Rockport; high bridge score was awarded to Mrs. Sally Smith of Rockport; Miss Mabel Bracht, also of Rockport won low prize; Mrs. Evelyn Haynes of Fulton won the bingo prize.

Hostesses for the afternoon were Mrs. Jimmie Hunt and Mrs. George Dickey.

All are invited to attend next Monday's party which will begin at 2 p.m. in the Woman's Club building.

Khaki is a Hindustan word meaning "dust colored."

**NOTICE TO BIDDERS AND ALL
INTERESTED PARTIES**

Sealed bids, in duplicate, addressed to ARANSAS COUNTY NAVIGATION DISTRICT NO. 1, will be received at P. O. Box 426, Rockport, Texas, until 11:00 o'clock A.M., July 7, 1961, and then publicly opened and read for the lease of a tract of land fronting 250 feet on Cove Harbor and approximately 155 feet in depth, being more particularly described as Lots 33, 34, 35, 36, 37, 38, 39, 40, 41 and 42, at Cove Harbor, in Aransas County, Texas, according to the preliminary plat of said Cove Harbor on file in the office of Aransas County Navigation District No. 1 in Rockport, Texas.

All bids shall be submitted in sealed envelopes and shall be marked in the lower left hand corner as follows:

"Do not open in Mail Room; Bid on lease of Lots 33 through 42 at Cove Harbor, in Aransas County, Texas; to be opened at 11:00 o'clock A.M., Friday, July 7, 1961."

The specifications required in such bid are on file in the minute book of ARANSAS COUNTY NAVIGATION DISTRICT NO. 1, contained in resolution dated June 7, 1961.

All bids must be accompanied by a Cashier's or Certified check upon a State or National Bank in the sum of the first year's rental, payable to ARANSAS COUNTY NAVIGATION DISTRICT NO. 1, or a bid bond in the same amount from a reliable surety company, as a guarantee that the bidder will enter into a lease and contract with said ARANSAS COUNTY NAVIGATION DISTRICT NO. 1 within Fifteen (15) days after notice of award. Bids without check or bid bond will not be considered.

The right is reserved, as the interest of ARANSAS COUNTY NAVIGATION DISTRICT NO. 1 may require, to reject any and all bids and to waive any informality in bids received.

**Two Big Events Scheduled
For Mustang District**

Two big events are on the schedule for Boy Scouts and Explorers of the Mustang District, it was announced today by Seth Yarbrough, District chairman.

On Saturday and Sunday, July 8 and 9, Junior leaders of the annual Junior Leader Training Skill Camp. The camp and training program is under the direction of Joe Benson and Stanley Brinkoeter, both, Sinton, Ron Schultz, Rockport, R. B. Hester, Ingleside, and James Henry, Refugio. The training program will begin at 1 p.m. Saturday and will conclude at 1 p.m. Sunday. Units will do their own cooking under the supervision of their adult scout leaders.

Among the subjects that will be covered during the two-day event will be axmanship, compass and mapping, pioneering, personal first aid and tracking. Some 100 Troop Junior Leaders and their adult leaders are expected to attend.

On Saturday, July 8, Explorer Scouts of the Gulf Coast Council will gather at Camp Karankawa for the annual summer Explorer field day. The afternoon program will feature fifteen competitive events including, rifle shooting, field archery, log cutting, swimming, boating and canoeing events, and rope climb.

Check in time for the program will be 12:30 p.m. and will conclude after the evening meal. Explorers are to bring a sack lunch for supper but drinks will be furnished by the Exploring committee of the council.

Certificates and plaques will be awarded to all winning teams and

and individuals. Some 300 Explorers and their adult leaders are expected to take part.

Tamara Camehl is visiting in Dallas, for 2 weeks.

ENGINEER'S NOTICE

Interested parties are hereby notified that application has been made to the District Engineer for a Department of the Army permit for a structure in navigable waters in this Engineer District, by Charles M. Smith, P. O. Box 523, Rockport, Texas.

Location: Little Bay, on the west shore, opposite Lot 24 of Little Bay Shores, at a location approximately 2 miles northeast from Rockport, Texas.

The applicant proposes to construct a wharf at the above location. The wharf would be 4 feet wide and would have a 4 by 8 T-head, the bayward face of which

would be 100 feet from shore. The wharf would be parallel to the property line extended. The wharf would have a deck elevation of 4½ feet and the bayward face would be out of the water at mean low tide.

**CHURCH OF CHRIST
HAS MANY VISITORS**

The local Church of Christ has had a number of visitors this past week. Among them were:

Mr. and Mrs. Ollie Dunn, Morton; Kenneth and Bobbie Bradshaw, Aransas Pass; Mrs. W. B. Sewell, Seagoville; Mrs. Lorene Emmert, San Antonio;

Mrs. Marshall McDougall, Houston; Mrs. Albert Slack, Lufkin; Mr. and Mrs. A. J. Lassbery, Uvalde; and Mr. and Mrs. Max Palmer, Corpus Christi.

CHECK STATIONS FOR DEER KILL ARE DISCONTINUED

Austin, Tex. — Deer checking stations generally over the state will be discontinued during the next hunting season. This has been announced by H. D. Dodgen, executive secretary of the Game and Fish Commission.

Last year a full-scale deer check station was maintained at Llano, and others in Northeast Texas.

They were manned by biologists seeking information about the age and other characteristics of the deer killed. These check stations also established the number of deer taken, both in does and bucks, and the number of hunters who took them.

"They have served their purpose in many areas, and we feel little more good can be accomplished by them, except in a few counties where of this kind is not available," he said.

Maintaining the check stations is expensive to the Commission. Also, in many instances, it has meant that hunters had to go out of the way to check their kill.

"The results, however, were most helpful and helped us to establish biological information necessary to our research work," the director said.

See Texas First Highway Dept. Advises Texans

Why not see Texas this year from a tourist's point of view?

That is the vacation suggestion offered to Texas residents by the State's official tourist agency, the Texas Highway Department.

"Many Texans have never seen their own State through a tourist's eyes," explained State Highway Engineer D. C. Greer. "Some Texas residents plan out-of-state vacations because they are unaware of the wonderful variety of scenery, recreation, and historical attractions in Texas."

Greer offered these vacation hints:

For more relaxation and enjoyment, plan your vacation early. For help in planning it, write to the Texas Highway Department, P. O. Box 5064, Austin 31, Texas.

The Highway Department maintains a complete file of descriptive and informative literature on points of interest and special events throughout the state. This material, including Highway Department publications such as the 1961 Official Highway Travel Map, is available free of charge to prospective Texas vacationers.

Vacation outings ranging from full-fledged trips of a week or more down to shorter drives on holidays or weekends can be planned with the help of these free informative pieces. Vacationers writing for information should specify the area of the State they wish to visit and indicate their preference of things to see and do.

Once the vacationer is on his way, more than 60,000 miles of smooth Texas highways make quickly and easily accessible points of historical, scenic, and recreational interest.

Texas has one National Park (Big Bend), four National Forests, more than 600 miles of coastline, more than 50 mountains over 6,000

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Malcolm Bocquet announce the engagement and approaching marriage of their daughter, Robbie Wilhelmina, to Mr. Gary Lee Andrew, son of Mr. and Mrs. Milton L. Andrew of Guilford, Connecticut. The wedding will take place August 19.

REBEKAHS HAVE DEGREE WORK

There were twenty-eight members of the Rockport Rebekah Lodge present Thursday, June 22, at 8 p.m. for the regular meeting.

Mrs. Guadys Reed, noble grand, presided, Mrs. Loretta Raulerson is ill and Mrs. Annie Jean Rosillas is in San Antonio.

The Rebekah degree was conferred on Joyce Ivy.

The committee, Mrs. Marie Condy, Mrs. Somerville Ballou, and Mrs. Alice Ballou served delicious punch, sandwiches, and cookies.

On the 5th Thursday, June 29, at 7:30 p.m., there will be a covered dish supper and game party for all members and their families of any branch of the IOOF Lodge in this District.

BABIES OF WILD PICKED UP AT YOUR OWN RISK

Austin, Tex.—Despite warnings to refrain from picking up young of the wild, the practice persists in many areas, according to J. B. Phillips, assistant director of law enforcement of the Game and Fish Commission.

"Wardens all over the state have been notified to make arrests where violations are reported," he says. "Too many people are inclined to pick up baby animals, especially fawn deer. These animals have a much better chance of survival in their native woods than they do in the city, even when bottle fed."

He also pointed to the danger of having these animals for pets when they grow up. There are many instances where the animals will revert to the wild and seriously injure the person who raised them.

Phillips also warns against molesting nesting birds or tampering with other young wild game.

"Some heavy fines have been paid in recent weeks by persons who failed to heed this warning," he said. "We hope it stops."

OFFICERS' WIVES' CLUB NEWS

The Rockport OWC held their June meeting in the officer's club with Mrs. Pete Tedder as hostess.

A committee was appointed to make plans for a beachcombers' party to be held in the officer's club during the month of July.

Newcomers on the station are Lt. and Mrs. Cook and their three children. Lt. Cook was last stationed in Oklahoma City, Okla.

Recent visitors in the home of Capt. and Mrs. R. H. Davis, were Mrs. Davis' parents, Mr. and Mrs. Chester Gray and sister, Lilly, from Chandler, Ariz.

Capt. and Mrs. Charles M. Davis and family have returned from vacation. They visited with relatives in Gadsden, Ala., Atlanta, Ga., and Florence, S.C.

McMILLANS HAVE HOUSE GUESTS

Mr. and Mrs. S. L. McMillan have had as their guests this week, Mr. and Mrs. Vince Ransleben of Monahans, Texas, Myrtle Lee Bell, Mrs. Bell Holms, both of Odessa; and Mrs. Mahan, Kerrville; Miss Minnie Valdez, and Miss Alice Bell, both from Austin; and Captain Arthur Bell and son, from San Antonio.

Gene Smith of Dallas, son of Mr. and Mrs. Austin Smith, is expected this weekend for a visit with his parents.

Freddie, Eddie, and Dennis Hart Close of Dallas are visiting their maternal grandparents, Mr. and Mrs. Roy Lee Hart.

Indians, Braves Win Games

By Schultz

The Friday, June 23, Little games resulted in a 6-2 victory by the Indians against the Dodgers; the second tilt, a action-packed battle between the Cardinals and Braves, the Braves winning by one run 10-9. The spectators say "Mighty" Mike Jeffers, who had been injured in the first inning when he and Worden clashed, came up to bat in the fourth after returning from the doctor's with a stitch in his lip and knocked over the outfield fence his third home run of the season. He missed the \$10 bonus for his team by eight feet. "A stitch in time saves nine" might be apt here!

In the opening game between the Indians and Dodgers, Grant, the Indians' pitcher saw Arispe and Barnard score in the top of the first, while his own team came back in the bottom of that inning with Morales, Brundrett, and Crabb scoring to lead at the end of the first, 3-2. Casey and Lusby, the Indians coaches, watched Grant pitch three batters out in the top of the second leaving two runners standing. Johnny Stevens and Bobby Landrum, Dodger coaches, returned with Barnard in the bottom of the second, allowing two single hits to be left on the bags. At the end of two complete innings, the score remained 3-2 favor of the Indians.

The third inning for the Dodgers brought three up and three down, and the Indians left two runners in their half of the inning when they tried to widen their slim lead. In the fourth, Grant pitched himself out of trouble when he left Arispe, Barnard, and Taylor on bases with no needed runs scoring. The Indians rallied in the fourth when Cortinez substituting for Stewart walked (and scored), Rinche, doubled (scored), Grant was safe on an error, (and scored), Morales popped out, Brundrett out at first as did Crabb—showing three runs on one hit and none left on. Score now stood 6-2. The Dodgers made a desperate attempt to shrink the margin in their last bat, but Casterline, Court, and Wolf on the bases by walks just couldn't get home, so the scorebook shows 6 runs, 6 hits for the Indians against 2 runs, 19 hits for the Dodgers. Both Grant, who struck out 8 batters and walked 5, and Barnard, who walked 2, striking out 7, pitched well-controlled games.

The second duel of the evening, was the thriller for the spectators as well as the team who fought hard to win. It was anybody's

Cubs Beat Dodgers 8-5

By Schultz

In the opening game Tuesday, June 27, at 6 p.m., the Wendell boy finally did it when he hit a bonus home run over the Smith Landscaping sign for \$10. The run was valuable but not enough to take the tilt, as the Dodgers lost to the Cubs 8-5.

Thibodaux, pitching for the Cubs with 5 strike-outs and only one walk, led off the game with a walk from Shelby, the Dodger pitcher who allowed 4 strike-outs and 4 walks. Jackson followed with a single scoring Thibodaux. The score now 1-0 for the Cubs. When Bell was put out at first, Jackson scored (2-0). The next two batters struck out, so at the end of the top half of the first, the Cubs led 2-0—2 runs, 2 hits, and one base-runner left on. The Dodgers came right back on their half with 3 runs when Garcia led off with a single, Arispe was safe on first by error, scoring Garcia (2-1), Barnard flied out to Jackson, Shelby singled scoring Arispe (2-2), Iles hit a double, Honeycutt struck out, Casterline walked, and Wendell struck out, ending the inning for 2 runs on 3 hits with the bases loaded. The score at the end of one complete inning tied 2-2.

An uneventful second inning produced 3 up and 3 down for the Cubs, and the Dodgers leaving a runner in the bottom half. Score still stood 2-2. The Cubs back in

game right from the beginning, when the Cardinals in the bottom of the first, drove in two runs on two hits and left on base. The Braves had already gone the inning 0-0, when Rouquette singled, Worden walked, Thibodaux tripled for the two scores. Tedder then walked, and two were out at first. It was this inning that took Jeffers out of the game with his lip injury, the Braves shifting their line-up by putting Yates in as S.S., and Silchenstedt replacing Yates in the field. The score now stood 2-0 for the Cardinals.

The top of the second for the now-behind Braves, brought in four runs for the Braves on two hits. Martinez, Garcia, Harris, and Edwards scored, the last three on a triple by Sparks who was left on when the side retired. The score is now 4-2, Brave's favor. The Cardinals were not to be underrated, for in their half of the second they brought in five runners on five hits and still left three on the bags. Rouquette singled, Worden singled, and Thibodaux walked when Tedder drove a double scoring two runners. McDavid drove in Thibodaux and Tedder, Rinche singled, Cole walked these three left on when the dust cleared the air to the 7-4 tune of the Cardinals.

The third inning for the Braves began with Roaten walking, Martinez safe at first on a fielder's choice, Carvarubius walked, Garcia drove in Martinez with a double (score now 7-5), Harris walked, Edwards singled to second, Carvarubias and Garcia scoring (the score now read 7-7 tie). When Harris came in safe at home, the Braves were ahead 8-7 at the end of their third. The Cardinals went down in order, Samora, Rouquette, Worden. So the third complete inning showed 8-7 score, Braves leading.

Jeffers had been returned to the game in the pitching position, and led the top of the fourth with another of his "over-the-fence" home runs (he is the only Little League home run batter). Martinez tripled, Carvarubius walked, Garcia doubled and at the end of the Braves' fourth bat, the score stood 10-7 with a wider Brave lead. The Cardinals made a near-successful attempt to tie or win in their half of the 4th when Thibodaux led off with a single, Tedder safe on an error, then with a series of wild throws, Thibodaux scored, McDavid struck out. G. Rinche put out at first on fielder's choice brought in Tedder. Cole, with the weight of his team on his lean shoulders, bit the dirt under Jeffers' careful pitching. The Braves took a "too close for comfort" win 10-9.

the scoring column third time around when Jackson singled, Bell walked, Samora walked and Jackson stole home for leading run 3-2. When Rinche walked, the Dodgers put Barnard on the mound where he saw Roe out at second on a fielder's choice, Bell scored for a two-run lead 4-2. Huerta then struck out for the inning—2 runs on one hit and 2 left on, the score now 4-2 Cub's favor. The Dodgers scored one run in the bottom of the third when Honeycutt singled, and Wendell later doubled scoring Honeycutt, score now reading 4-3.

Those Cubs, not satisfied with a one run margin, drove back in the fourth as Eaton made first on an error, Thibodaux struck out, Jackson singled (his third hit of the game), Bell singled scoring Eaton and Jackson, the score now widened to 6-3 Cubs. The Dodgers came up with nothing in the fourth when only Barnard got on safely.

The Cubs resting on their three run lead, went out in four batters with only Huerta on the sack by way of a walk. Those determined Dodgers struck back in the bottom of that inning when Honeycutt singled, Dye replacing Casterline, struck out, and the giant of the game Wendell, came up, swung, and swung, and cleared the Smith sign for the fourth home run of the season, following in Mike Jeffers' shoes (who has the other three HRs). This took the score to 6-5 at the end of five innings.

Wallace Mahley and Gene Hawland, Club managers, sent their Cubs right back in the final sixth inning to stretch their lead. After Taylor went down, Thibodaux singled, Jackson batting 3-3 made it 4 for 4 by driving a double. Thibodaux and Jackson scored after Bell was put out at first and Samora tried to stretch a double into a triple. The scorebook showed a 8-5 score. The Dodgers, who had fought an uphill battle had to watch their last bat go down scoreless in the last half of the sixth, leaving a final score of 8 runs, 8 hits for the Cubs against 5 runs, 9 hits for the losing Dodgers.

The second bill of the two-game ticket brought the Giants against the Indians where the Indians slipped in one more run than their opponents for a 5-4 victory. The Giants led off in the first with three quick outs only Lanfair walking to a base. The Indians went down fast with only Morales with a single left on. At the end of one, the score was 0-0.

The top of the second produced three runs for the Giants on a balking siege for Steward the Indian pitcher. Crawford singled, Valdez and Ramirez walked, and Lanfair safe on an error, brought in three runs. 3-0 stood the score when the Indians, unable and Naventport a single. The second inning final score 3-0.

The Giants went 3 up and 3 down in the top of the third, giving the Indians a chance to score which they did when Morales went out at first, Brundrett doubled, Crabb singled, (Brundrett out at home), Davenport singled scoring Crabb, Holder out at first. One run for the Indians brought the scoreboard to 3-1 favor of the Giants.

The Giants still not able to get in scoring position went down in order in the top of the fourth, while those Indians encouraged by a score, ran their gamut this way: Garza hit a long fly ball to the right fielder, Rinche doubled, Allgood batting for Roy was hit by a pitched ball then relieved by Cortinez who ran the bases. Steward was safe at first when they put Rinche out at home on a fielder's choice. Morales doubled scoring Cortinez (score now 3-2), Brundrett and Crabb walked, Steward scoring to tie the game 3-3. Davenport doubled scoring Morales and Brundrett (5-3 the score) Crabb was caught at home for the inning. 4 runs on 3 hits for the Indian lead.

The Giant half of the fifth got on run as Lanfair came across the plate, the score now 5-4. With Johnny Allen now on the mound for the Giants, the Indians went down in order in the bottom of the fifth for a 5-4 lead, slim though it be. When the Giants came up in the sixth, they knew it was their last chance, but the Indian pitcher, William Steward gave them no chance as he put them down—Crawford, Valdez, Ramirez on three strikeouts. The final score, 5-4 for the Indian victory. Steward went the game on 10 strikeouts, 4 walks—allowed 4 runs on two hits. Smith and Lanfair went the circuit for the Giants giving five runs on eight hits.

TWO SEA CAPTAINS JOHNSON AND SOME OF THEIR FRIENDS

By Hobart Huson

(continued from last week)

The Plummers were a family which while not living at Lamar, was well known there and to a large extent identified therewith. They lived on Copano Bay a few miles east of El Copano. Joseph E. Plummer, Sr., built the first house at the old town of Copano, but later moved up the bay to what is better known as the "Plummer homestead." Joseph E. Plummer Sr., and his children lived on St. Joseph's Island in the 1840's and 1850's and were among the earliest settlers there. Colonel Samuel A. Plummer, brother of Joseph E. Plummer, was an intimate friend and partner of President Lamar. They had projected a townsite on Copano bay at the mouth of Copano Creek.

Samuel Adams Plummer, son of Joseph Plummer was one of the most intimate friends of President Mirabeau B. Lamar, and was his business associate and legal counselor. He was a partner with Lamar in the proposed townsite on Copano Bay. Samuel A. Plummer served in the Texas army in the Revolution, and after the accession of General Lamar to the presidency, was appointed first captain; then colonel of Texas cavalry. Colonel Plummer was a lawyer and surveyor, and practiced at Victoria in 1839-1840, and also at New Orleans. He was born in Burke County, Georgia, June 22, 1802, and died at New Orleans, Louisiana, September 11, 1846. He never married.

Colonel James Power, empresario of the Power and Hewetson Colony, has his principal home at Live Oak Point, across the bay from Lamar. Power died and was buried at this home. Long before we came to Lamar, Mrs. Tomasita Power, the Colonel's widow, and her children has moved across the bay to El Campo, and were living there when we arrived at Lamar. Her daughter, Eliza Power, attended Mrs. O'Connor's school. Her youngest son, Philip Power, was well known at Lamar. As I have already stated, Phil carried the mails for the Confederacy between Lamar, Copano and St. Mary's. Frances Bower, who afterwards became the wife of James Power, Jr., was for several years a student at "Lamar Academy."

William R. Leonard B., Thomas and George M. Roberts, were the sons of Captain William R. Roberts, an Englishman and sea-captain, who lived on St. Joseph's Island. It is my recollection that all of these sons were born on the island. However, all of them later lived at Lamar. The wife of Captain William R. Roberts was Sarah Brundrett, who was born in Michigan. George M. Roberts, also became a sea-captain. When a young man he was a licensed bar pilot. He afterwards became mate of the schooner "Frances," under

Captain Charlie Johnson. In time he was owner and captain of his own vessels, and for many years was a bar pilot at Rockport. He married Jennie Teal, daughter of John Teal, of Lamar. His descendants still live at Rockport.

Moses Simpson, who became my father-in-law (1. marrying his daughter, Sarah,) was another remarkable man. He was born in Armagh, Ireland, on August 15, 1814. His life was an adventurous one. At the age of fourteen he immigrated to Canada. He then came to the United States. He served in the Indian wars under General Andrew Jackson, and came to Texas with General Taylor's army in 1845. After the Mexican war he was discharged at Corpus Christi, and thereafter made southwest Texas his home. He then embarked on a filibustering expedition, probably Walker's first campaign against Nicaragua. In 1866, he joined the Fenian Brotherhood's expedition against Canada.

Moses Simpson married Margaret Manuel at Refugio on May 11, 1851. His wife was a native of North Carolina. She died at Refugio, February 6, 1918.

Moses Simpson settled at old Copano prior to 1856 and built a concrete home at the eastern extremity of the town. Here he had a wharf and engaged in shipping hides and tallow. After the Civil War he and his family moved to Lamar, where they lived for several years. He then moved to Refugio where he and his wife conducted the principal hotel until Simpson's death. He was mayor of the town in the early 1870's, and was alderman in 1875, 1879, and from 1881 to 1890. He died in Refugio, June 26, 1880.

The children of Moses Simpson and wife, Margaret Manuel, were: 1. Catherine (Kate) Simpson who was born at Lamar, April 21, 1852. She married S. Gay Carter. She died at Refugio, February 14, 1883.

2. Martha Elizabeth Simpson, born at Copano, August 17, 1854. She died ten day later.

3. Mary Penelope Simpson, born at Copano, February 2, 1856. She married E. W. Wheeler, prominent merchant at Refugio. She died at

4. Belle Simpson, born at Copano May 17 1857. She married George Strauch, lumberman and former mayor of Refugio. She died at Refugio, September 17, 1908.

5. Moses Findley Simpson, born at Copano, June 15, 1858. He died at Refugio, July 16, 1924.

6. Sarah Cecelia Simpson, born at Copano, April 29 1860. Married Peter A. Johnson (myself). She died at Refugio, December 16, 1933.

7. Charles E. Simpson, born at Copano, January 25, 1862. He married Elizabeth Henarie, at Brenham, Texas, in December, 1899. He was an old Trail Driver and was post master at Refugio from 1894 to 1913, and from 1921 to 1929. He was assistant postmaster from 1913 to 1921. He died at Refugio November 29, 1929.

8. Henry Albert Simpson, born at Copano, June 29, 1866. He died March 3, 1893.

9. Henrietta Simpson, born at Refugio, December 29, 1869. She married J. D. Bell. She died at Corpus Christi, Texas, on September 7, 1927.

10. Lula C. Simpson, born at Refugio, May 15, 1872. She married William M. Baumgartner, who was county treasurer of Refugio County from 1900 to 1914.

John Smith, who had been stage driver for Captain Peter Johnson on the islands, accompanied our family to Lamar and settled there. He served in the Confederate Army. After the war he moved to Goliad and was killed by a cyclone there.

(continued next week)

Mrs. Alva Freeman and children, of Littleton, Colo., are visiting her parents, Mr. and Mrs. Austin Smith. Mr. Freeman is expected Saturday. He will accompany his family home.

Mr. and Mrs. Grant Thompson of Dallas, will occupy their new home in the north part of town for the summer. Mrs. Thompson is the sister of Mrs. Henry Camelh.
