Bulldog End Season With Lockney Here

Tahoka Bulldogs will close out their 1956 football schedule to night on Kelley Field here when they meet the strong Lockney Longhorns at 8:00 o'clock.

Lockney, Spur, and Abernathy are all tied with four victories and one loss each for District 2-AA championship. Spur goes to Floydada tonight, and Post to Abernathy.

Lockney, the newest member of this district, last played Tahoka there in 1951 and they defeated the Bulldogs 34 to 13.

The Longhorns, coached by Rudy Halle, were early in the season picked to win the district.

STANDING ON THE CORNER

With P. J.

You pore soul—nothing to be thankful for.

No, things are not as bright as they could be. Johnny broke his leg last week wearing Ma's favorite new shoes and she ruptured a blood vessel because he also broke the heel. Haven't made a crop now in about seven years and debt is really piling up. Still owe on the piano and to make things worse, we can't even get the company to take it back—don't know how long we can stand to hear Susie practice.

Things are looking bad. Prices going up, farm production in Lynn County down. Church is wanting to start a building fund—but I'm not gonna help—what'd it ever do for me?

Things are a mess in Washington and no doubt with the trouble brewing in Egypt, we'll soon be blown off the face of the earth anyway. What have I got to be thankful for?

It's amazing how many people actually have that attitude towards life. Is it because we take so many things for granted, or because we are so selfish that we can't see any further than our nose?

Thanksgiving Day was not established just to add another word to our vocabularies or to put another holiday on the calendar. It was established so that man would stop and take stock of the wonderful things in life that are his, and then to get down on his knees and thank his Creator for them.

To make it one of the most meaningful Thanksgivings in your life, why not start now to count your blessings?

We hear that Otis Spears is really blue. Literally, that is. He helped the basketball girls dye their uniforms Tuesday.

Asking an Expert
A couple of sailors got into a discussion over the kind of animal a heifer was. One sailor claimed that the heifer belonged to the hog family, the other that it was a variety of sheep. Finally, they called in Boatwain Bill. "Bill, wot's a heifer—is it a hog or a sheep?" they asked.

Boatswain Bill bit off a large chew reflectively, then said: "To tell the truth, mates, I dunno much about poultry."

The holidays are just on the verge of beginning, and therefore so are a few short vacations to the homes of friends and relatives. The Highway Department will also begin predicting the number of deaths on the highways there will be in the next few weeks.

The Jaycees in Amarillo several years ago began a project that was, to say the least, very effective. On the highway between that city and Canyon there have always been a large number of traffic

Mrs. I. M. Draper Burial Monday

Mrs. I. M. Draper, 77, a prominent church, farm, and club woman, and a resident of Lynn county for nearly 40 years, died at 1:15 a. m. Sunday in Tahoka Hospital following a long illness with a heart ailment.

Funeral services were Monday at 2:30 p. m. in the Tahoka Church of Christ, with the local minister, Doyle Keley, and S. A. Ribble of Lubbock, a long-time friend of the family, officiating. Burial followed in Tahoka Cemetery.

Eunice Mabel McCaskell was born May 18, 1879, at Florence, Williamson county. She was married at Florence to Isaac M. Draper on January 15, 1900. Mr. Draper's birthday. The couple lived at Florence until 1917, when they moved to Lynn county, and rented the Lockwood farm north of Tahoka. They lived on this farm until 1922, when they moved to the home section in the Midway community which Mr. Draper had bought in 1909. They resided at Midway until about 12 years ago, when they retired and moved to their present home in the southern outskirts of Tahoka.

The couple celebrated their fiftieth wedding anniversary here in 1950. A member of the Church of Christ most of her life, Mrs. Draper was very active in church affairs. In Tahoka, she was a member of the Phebe K. Warner club. Mrs. Draper was a cultured woman, interested in all affairs of her community, state and nation, a loving mother, and a friend to all she knew.

She suffered a heart attack in the summer of 1951, and had been in poor health since. She had another severe attack on October 8, and since that time had been in Tahoka Hospital.

Survivors include her husband, four sons, Howard and Buel, both of Tahoka, Robert of Seagraves, and Tom of Hereford; five daughters, Mrs. Grace Dupre of Leveland, Mrs. Montie McGinty of Spur, Mrs. Mabel McGinty of Tahoka, Mrs. Claudia Palmer of Vernon, Mrs. Marian Filippin of Tahoka; 23 grandchildren, and four great grandchildren.

Also surviving are two sisters, Mrs. Ella Caskey of Florence and Mrs. Belle Kelley of Galina Park.

Joint Service
On Thanksgiving

The First Methodist and First Baptist Churches are planning another joint Thanksgiving service to continue a precedent established several years ago.

The service this year will be on Wednesday night, Nov. 28, at the First Methodist Church, as the place alternates each year. Rev. Clifford Harris, pastor of the First Baptist Church, will deliver the message to the joint congregation. Bob Lewis, educational director at the Baptist Church, will be in charge of the music. The choir from the two churches have been meeting together for the coming Thanksgiving program and also for the Christmas cantata which will also be presented jointly.

Rowe Is Named
To S.C.S. Board

W. L. "Cap" Rowe of Redwine was elected to the board of the Lynn County Soil Conservation District at a meeting of farmers at Draw gin last Thursday night. He succeeds Walter Dubree, whose term expires.

The Monday before, Roy Lee Williams of Lakeview was elected to succeed Kay K. Moore from the northwest section of the county.

Other members of the Board of Supervisors are: O. E. Terry, Ellis Barnes, and Elmer Blankenship.

A new chairman will be elected to succeed Moore at the next regular board meeting on the first Friday in December.

Lynn's Cotton Ginnings Reach 80,000 Bales, 10 To 12,000 Yet To Be Ginned

Estimate on Lynn county's 1956 cotton crop were raised this week to 90,000 bales or more, based on ginning reports.

Lynn county, had already ginned in excess of 80,000 bales up to 9:00 a. m. Thursday, according to reports given The News by ginners. In fact, reports from all but two gins ran the total to 78,500. Local cotton men estimate at least 10,000 to 12,000 more bales will be ginned in the county this year.

Reports were not available from Gordon and Hackberry, where an estimated 4,000 bales have been

ginned, which would bring the total ginned to date in the county to 82,500.

Tahoka's four gins had ginned a total of 11,456 bales Thursday morning.

O'Donnell still leads the county in ginnings with almost exactly 15,000 bales.

Two gins at New Home have turned out 13,400 bales, and the three gins at Wilson have handled 11,000.

Contrary to belief of some, Lynn county picks up very little if any more cotton at O'Donnell, Gordon,

and Hackberry, on the county lines, than it loses to other counties at Slaton, Southland, Union, and Slide.

Texas Employment Commission on Wednesday estimated Lynn county has ginned 79,000 bales and that the total crop will run to 88,000, slightly lower than the estimate made by The News.

This year's cotton crop is running much higher than almost any one would forecast a few weeks ago.

The light frost of two weeks ago and the freeze on Thursday

morning of last week killed the leaves on the cotton and is allowing the unopened bolls to dry out and open up.

However, some farmers report, the green bolls are not opening as rapidly as might be expected.

Although there are still some pulling by hand, much of the remaining cotton will be harvested by mechanical bollpullers.

One Tahoka ginner estimates that another 1,500 to 2,000 bales will be ginned in Tahoka alone, but that two weeks will just about wind up the season.

Five Attend Farm Bureau Convention

Five Lynn county farmers attended the annual convention of the Texas Farm Bureau held in Houston Monday through Wednesday of this week.

Attending the convention were: Beatrice Askew, president of the Lynn County Farm Bureau; Lois Smelser and Guy Smith, both former presidents; T. B. Mason, director; and Earl Cummings, insurance representative.

Miss Joann Vaughn of Tulia, winner of the District Farm Bureau Queen Contest, was the winner of the State contest.

Remodeling Due On Post Office

Tahoka's Post Office building will be completely remodeled under a new five-year agreement, according to an announcement by George A. Bray, Post Office regional director, of Dallas.

Work of remodeling the building, which is owned by Mrs. C. A. (Launa) Thomas, will be done by Everett Nevill, local contractor, beginning after January 1.

A new aluminum front similar to that of the Southwestern Public Service Co. will be built, the front and rear entrances changed, and some of the windows eliminated. On the inside the building will be repaired and completely redecorated, and a new evaporative air conditioner installed.

Postmaster W. E. Smith says the interior arrangement will also be changed to improve working conditions. Service windows will face the front entrance, with the lobby extending across the north side of the building and boxes will be along the east side.

S. B. Mathis underwent major surgery in Tahoka Hospital Monday. He is reported to be in good condition.

The first oil well in the U. S. was built in Titusville, Pa., in 1859.

New Home, Tahoka Win First Places In FFA Contest At Brownfield

The local chapter of Future Farmers of America won two out of three first places in the district F. F. A. leadership contest held in Brownfield Tuesday and Harold Goad of New Home made a grade of 97 in the quiz contest, the highest one made this year in the state.

The local team won first in the quiz contest, first in the junior chapter conducting contest, and fourth in the senior chapter conducting contest. Other Lynn County chapters also made a good showing with New Home taking first place in the senior conducting contest, and second in the quiz contest, and Wilson placing third in the quiz contest.

The district is made up of chapters from nine communities including Post, Wilson, O'Donnell, Brownfield, Plains, Tahoka, New Home, Wellman, and Meadow.

Members of the Tahoka team winning in the quiz contest, who were trained by vocational agriculture teacher Lester Adams, are Lowell Bryan, Danny Uzzle, Bill Ross Smith, Terry Spears, and Leighton Roddy.

On the second place New Home team trained by V. A. teacher Benny Jryor are Hoyt McCullough, Gayland James, Harold Goad, and Gaylord Armontrout.

The Wilson team which won third was composed of Bobby Wied, Buford Rinne, Donald Klaus, and David Bishop. Trainer was Dale Price.

The members of the Tahoka team which won first in the junior chapter conducting contest included Jerry Bragg, Lynn Cook, Gary Brazil, Larry Forsythe, Mickey Owens, David Copeland, Ronnie Walters, James Hicks, Richard Stice, and Bobby Patterson. V. A. teacher V. P. Carter trained the team.

Brownfield won second in this contest and Meadow, third.

The New Home team which won first place in the senior chapter conducting contest was composed of (Cont'd. On Back Page)

New Home Gives \$146.90 to CROP

New Home youth from both the Baptist and Methodist Churches collected a total of \$146.90 for CROP (Christian Rural Overseas Program,) when they went over the New Home community on Halloween night for "tricks or treats."

Following the canvass the group met for fellowship hour at the Methodist Church. About 30 boys and girls took part in the project.

Stores Closing November 29th

The Tahoka schools and most of the local businesses will observe Nov. 29 as Thanksgiving this year.

However, because of Nov. 22 being the legal holiday the post office will be closed next Thursday, W. E. Smith, postmaster, said.

The business institutions adopted the last Thursday in compliance with the State ruling that schools observe Nov. 29.

School will be out on Wednesday at the regular time and the holiday includes Thursday and Friday with classes resuming on Monday, according to High School Principal John Shepherd.

Tahoka Band Enters "Jubilee"

The Tahoka Band will participate in the Gridiron Jubilee, to be held in Jones Stadium at Texas Tech, Nov. 27 at 7:30 p. m.

All people from Tahoka are urged to attend.

There will be approximately 50 bands, and each will be participating for trophies in their classification.

The combined bands in this festival will present a massed band performance before and after the marching contest.

The band is planning to parade through the business section of town to advertise this marching festival.

New Teacher In Tahoka Schools

A new teacher has been secured for Tahoka High School to replace Mrs. Larry Hagood, who resigned.

He is Bill McGlaun and has already begun his duties as teacher of history and science. He and his wife live in Lubbock and he will commute to Tahoka.

Mrs. Hagood began teaching a few weeks ago when Dale Willhoit resigned to enter the armed forces.

Lura Beth Hill, one month old daughter of Mr. and Mrs. Jess Hill, entered Tahoka Hospital Sunday as a medical patient. Her condition at this time is greatly improved, attendants say.

Advertising doesn't cost, it pays.

S. J. Akin, 92, Dies Suddenly

S. J. Akin, 92, a resident of Tahoka for 22 years, died at 5:30 p. m. Friday in Tahoka Hospital. He is survived by 106 direct descendants.

Funeral services were held Sunday at 2:00 p. m. at the First Baptist Church with the pastor, Rev. Clifford Harris, and a former pastor, Rev. George A. Dale of Lubbock, officiating. Burial was in Tahoka Cemetery.

Silas John Akin was born May 1, 1864, during the Civil War. Moving to Arkansas, he was married on February 9, 1889, to Miss Lizzie Gilbreath, who died here in April, 1954.

Mr. and Mrs. Akin first moved to Texas in 1896, moved back to Arkansas, and later returned to Texas. They moved to Runnels county, thence to Lubbock county in October, 1921. They lived on the farm west of O'Donnell for several years, and in 1934 retired from farming and moved to Tahoka. Since the death of Mrs. Akin, Mr. Akin has lived in Brownfield and in Lubbock with children while not in Tahoka. Although infirm for a long time, he had until recently been able to come to town on occasions. A long time member of the Baptist Church, he was the oldest deacon in the First Baptist Church of Tahoka.

Before her death, both Mr. and Mrs. Akin each year enjoyed a great reunion of their many descendants at their home here in Tahoka.

Survivors include two daughters, Mrs. J. D. Swell of Winters and Mrs. Maggie Hunt of Lubbock; six sons, Nathan of Stephenville, Frank of Petersburg, Willard of Dublin, Edd of Tahoka, George of Roswell, N. M., and Marshall of Brownfield; 33 grandchildren, 66 great grandchildren, and five great great grandchildren.

Turkey Shoot At New Home

New Home Civic Club will hold its big annual Turkey Shoot on Friday and Saturday, Nov. 23 and 24, beginning each day at 10 a. m. one and a half miles east of New Home.

Turkeys, hams, bacon, and steaks will be given as prizes, and these will be on hand in a refrigerated truck for immediate delivery.

Shooters may use their own guns, or there will be guns available at the range for those who do not bring guns. Ammunition will also be available at the range.

Shotguns only will be used and low velocity shells fired.

Groups of amateurs will shoot together, and there will be groups of the more experienced shooters. Some of the leading trap shooters of West Texas are expected.

L. E. Reid, colored, is a medical patient in Tahoka Hospital. He was admitted last Thursday.

Ships weigh less when traveling east than when traveling west.

Gift Boxes

Joy spreads over the faces of these two young patients in an Irish hospital as they open a Junior Red Cross gift box sent to them by American students. Each year American Red Cross juniors send thousands of these boxes—containing gifts ranging from toothbrushes to dolls and sewing kits—to youngsters in other countries as a friendly gesture. Last year a total of more than 500,000 gift boxes were sent children in 39 countries.

Phebe K. Warner Observes Birthday

The Phebe K. Warner Study Club met in the home of Mrs. C. S. Thomas Tuesday afternoon and observed the 60th birthday of Texas Federated Women's Clubs.

Each club in Texas will do the same before March, when the state meeting will be held in Waco. The ladies donated money the amount of their waist measurements to be sent to Austin for a new roof for the Women's Federation building.

In conjunction with the study course, "World Affairs are Your Affairs" which the group has been taking this year through Texas Tech, a film on the children of China was shown the group at the Tuesday meeting. Those appearing on the program were Mrs. Tom Gill, who was leader, Miss Ethel Callahan and Mmes. Clifford, R. L. Richardson and H. W. Carter. The ladies, through their different parts, presented the situation that now exists in China.

The next meeting of the club will be Nov. 27 at 4:00 p. m. in the home of Miss Callahan when Egypt will be the topic. A film, "Exotic Egypt," will be shown.

Book Review Is Given At W. S. C. S.

The Women's Society of Christian Service of the First Methodist Church will have its annual silver tea and book review Wednesday, Nov. 21, at 3:30 p. m. in Fellowship Hall.

Mrs. Pete Hegi will review the book, "Face Toward the Spring" by Faith Baldwin. The book is of an inspirational nature which was written to help a person put values in the right places.

The tea will precede the review when all women are invited to attend. The women of the local church are especially urged to attend, according to Mrs. Polly Gibson, president.

Wesleyan Guild Completes Study

The Wesleyan Service Guild of the First Methodist Church here has just completed its study, "Missions, U. S. A."

The course was under the direction of Mrs. W. M. Mathis and extended through four sessions.

The group decided, as a result of the study, to take action in organizing a local project that will aid in home work, in addition to sending money to Vasthi, a Methodist school for homeless girls.

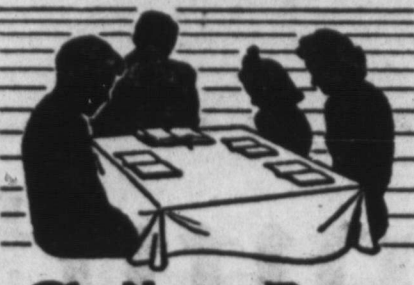

The group, which meets twice each month, will not meet for its last meeting in November, but will instead observe the union Thanksgiving service to be held Nov. 28 at the Methodist Church when Rev. Clifford Harris, pastor of the First Baptist Church, will be the speaker and Bob Lewis, Baptist educational director, will be in charge of the music.

The next scheduled meeting will be Dec. 13.

Mr. and Mrs. "Buddy" Baldrige of Clovis, N. M., were here Monday for Mrs. I. M. Draper's funeral.

First be reconciled to thy brother. (Matthew 5:24.)

Many of us have difficulty feeling a real sense of inner peace. This truth stands out—we cannot build a fence around a little world of our own creation and thereby achieve peace. Isolation only adds to the maze of unrest within us. God made us creatures who need fellowship; we need one another. Our main problem is living in such a way as to be a blessing to others.

One of the greatest helps in achieving inner peace is to make sure that the line between ourselves and our fellow men is cleared of all human meanness that keeps us from God. According to Jesus, we cannot have God's blessings when there is a grievance between a neighbor and ourselves.

Reconciliation brings a lift to living. More than that, it opens many adventurous highways that lead us into the presence of our God, loving, and kind heavenly Father.

Often the price we pay for reconciliation is terrific. But the prize we gain is the peace of God which passes all understanding.

PRAYER

Our heavenly Father, give us largeness of heart to mend the wrongs we have done against Thee and our fellow men. Lead us to Thy blessed altar of peace. In the name of Christ, our Redeemer, we ask it. Amen.

THOUGHT FOR THE DAY
Christ is our peace. William A. Tyson, Jr. (Georgia)

Duplicate Bridge Winners Named

Six and one-half tables played duplicate bridge at T-Bar Country Club Tuesday night when Mrs. J. T. Whorton and Mrs. A. N. Norman Jr. were first place winners.

Second place went to Mrs. D. W. Gagnat and Mrs. Winston Wharton. Both first and second places will receive a free game good for one month.

Third place winners were Mr. and Mrs. Frank Hill and those playing above average included Mr. and Mrs. Larry Hagood, Mmes. J. T. Forbes and Clyde Winons of O'Donnell, Mmes. Leroy Knight and O. C. Elliott, Mrs. Toe Roberts and Johnny Wells, and Mmes. C. W. Conway and Olen Renfro.

Next week, players will draw for partners at duplicate play. However, those who wish may play with their chosen partners by declaring their wish to the director.

Coffee Is Given Former Resident

Mrs. Maurice Huffaker and Mrs. Helen Ellis were hostesses at a coffee held Sunday afternoon in Mrs. Huffaker's home honoring their sister and sister-in-law, Mrs. Paul Bleimeyer, the former Miss Viola Ellis, of El Paso who visited relatives here over the week-end.

About 40 people called when coffee, cookies and mints were served.

The table was decorated with a fall arrangement and a pottery coffee service.

Also here for the occasion were Mrs. Jennie Ellis of San Angelo and Mr. and Mrs. Bill Ellis of Snyder.

Sub-District MYF Will Meet Here

The Spearhead Sub-District Methodist Youth Fellowship will meet here Monday at 7:00 p. m. at the First Methodist Church when the program will emphasize the problem of alcohol.

Methodist young people are expected to attend from churches in Draw, Grassland, Wilson, Meadow, New Home, Ropesville, O'Donnell and Tahoka.

Refreshments will be served. Jerry Church of Wilson is president of the sub-district and Jan Collier of Tahoka is secretary-treasurer.

Mrs. George Nixon, who recently underwent surgery in a Lamesa hospital, is now recuperating nicely at her home here. However, she will not be able to return to work for a while.

Sykes Singers Coming Sunday

Sykes Singers will appear at the Pleasant Grove Baptist Church, colored, Sunday afternoon at 2:00 o'clock.

A colored quartet, the Singers are widely known throughout this part of the country.

Everyone is urged to attend the program.

Wayne Shelton, 11 years old of Wells, is a surgical patient in Tahoka Hospital. Dr. Noble Rumbold was the attendant physician when he underwent an appendectomy here Monday.

Kenneth Stalcup, 16 year old son of Mr. and Mrs. J. H. Stalcup, is a medical patient in Tahoka Hospital.

News is formed from the first letters of North East West and South.

THANK YOU, FOLKS

For the fine response to our Grand Opening last Saturday.

Korean Jump Roper

To the amusement of his fellow students, a Korean youngster tries out a jump rope from a "School Chest" sent across the Pacific by American Junior Red Cross members. Sending these chests is one of the programs carried on by JRC members in the U. S. to help rebuild school systems shattered by wars and disasters. They contain school supplies ranging from textbooks to pencils and soccer balls.

Floyd Tubb, local school commercial teacher, is at his home in Levelland after being told by doctors that he has rheumatic fever. He will be out of school about four weeks, but hopes to be able to return to his classes after that time.

Society And Club

Former Citizen Honored At Party

Mrs. Susie E. Johnson of Lubbock, and formerly of Tahoka, was honored on her 72nd birthday Sunday at the Party House in Mackenzie State Park.

Her children and other relatives entertained her with a dinner. A singsong was held in the afternoon.

Sons and daughters and grandchildren attending were Mr. and Mrs. J. M. Johnson and sons, Johnny and Clifford, of Lubbock; Mr. and Mrs. W. G. Johnson and children, Wynette and Wayne, of Lubbock; Mr. and Mrs. Wayne Crotwell and daughter, Brenda, and Mrs. Cora Crotwell of San Angelo; Mr. and Mrs. Jerry Ford, Lubbock; Mrs. A. D. Scoggins and children, Wynelle, Sonny, and Jo Lynn, of Lubbock; Mr. and Mrs. H. F. Knoy and son, Bob, Lubbock; Mr. and Mrs. Cecil Caraway and son, Don, Redwine; Mr. and Mrs. Pete Dorman, Tahoka; Mr. and Mrs. Jess Dorman and daughter, Donna Kay, Tahoka; and Mr. and Mrs. E. R. Quinsey and son, Glenn, Lubbock.

Several nieces, nephews and friends also attended, bringing total to 51.

Jaycee Ettes Plan Christmas Party

The Tahoka Jaycee-Ettes held their regular business meeting Nov. 13th in the home of Mrs. James Gage. Everyone is urged to turn in their Christmas card orders soon.

It was discussed and decided that the Jaycee-Ettes will again help with the Christmas show on Saturday, Dec. 22. Committees have been appointed and further plans are being made for the annual Christmas party.

The next meeting will be held November 27, at 7:00 p. m. in the home of Mrs. George Glenn.

The losing team in the membership drive will treat the winning team to a Mexican supper.

Tuesday morning Mrs. Charles McClellan and Mrs. Edward Pool sponsored a "come as you are" party, benefits for the Jaycee-Ettes. Refreshments were served to 14 ladies and 21 children.

James Foster, who with his wife and baby, has been visiting here from Camp Carson, Colo., accompanied Wiley Lee Curry to Dallas to the SMU-A and M game. There they met John Foster and John Curry, both students at A and M.

Wiley Curry, who underwent major surgery recently, is now taking treatments in Dallas, where doctors are very optimistic about his condition. He and Mrs. Curry plan to come home over the week-ends most of the time.

Mrs. R. L. Gibson is a medical patient in Tahoka Hospital where she has been the past few weeks. Her condition is reported to be slowly improving.

Mrs. D. T. Palmer underwent minor surgery Monday and is in good condition in Tahoka Hospital.

In a 20-mile race, a man would win over a horse because of his endurance.

"Doodlesack" is a colloquial name for bagpipes.

Maine is bordered by only one other state.

Special Service At Wells Church

The Happy Rhythmic Boys quartet of Lubbock will give a special Thanksgiving program at the Wells Baptist Church Sunday night, Nov. 18, from 6:00 to 8:00 o'clock.

This will be in addition to the regular preaching service, which will be held at 8:00 o'clock, according to Rev. D. W. Copeland, pastor.

Everyone is cordially invited and urged to attend.

Post Antelopes Win 28-0 Over Bulldogs

Tahoka Bulldogs lost a 28-0 decision to the up-and-coming Post Antelopes at the latter school's homecoming celebration last Friday night at Post.

The Bulldogs fumbled or muffed just about every opportunity they had to move with the ball, while the Antelopes took advantage of Tahoka defense lapses to score once in the second quarter, once in the third, and twice in the fourth.

Receiving the kick-off, Tahoka moved from the 28 to the 40, and a bad pass from center on fourth down gave Post the ball on the Tahoka 39. The Bulldogs threw up a fine defense just inside their own 20, however, and took over on their 18. QB Karl Prohl got away around right end to the 42, but here the Antelopes held and Jerry Brown punted to the Post 31.

With Prohl out with a leg injury, Post started moving. In 11 plays, Post was on Tahoka's 13. A pass from QB James Williams was good for seven, and he passed to LH Jack Morris for Post's TD. Charles Morris kicked his first of four field goals for conversion.

First play after the kick-off,

Williams covered a Tahoka fumble, and two plays later Tahoka Linebacker Billy Tomlinson intercepted a Post pass. Tahoka covered its own fumble, and on the next play fumbled again and Post recovered on the Tahoka 19. Then the Bulldogs got mad for a little while and pushed the Antelopes back 16 yards on four plays. Taking over again, Tahoka lost the ball on another fumble. The Bulldogs held the Antelopes again inside their own 20, but could not move themselves, and Brown punted 34 yards out of the danger zone. A Post drive fizzled as the second quarter ended with Post on top 7 to 0.

Early in the second, the Bulldogs stopped another Post drive and took over. On fourth down, Brown got another bad pass and Post took over, moved one yard net, and punted to Tahoka's 12. HB Don Renfro brought out to the 19, and on the first play from scrimmage Tahoka gave Post the ball on the Tahoka 20 on another fumble to set up Post's second TD. Nine plays later, Williams scored over right guard from two yards away. Score 14-0.

On the first play after the kick-off, Post covered a Tahoka fumble on the Tahoka 36, moved to the 25, was set back to the 30 on a five-yard penalty, and then Williams passed to End Noel White over the goal for the third touchdown. Score, 21-0.

Tahoka seemed to have a drive started that was nipped with a 15-yard penalty. Taking the punt on its own 29, Post moved on six plays to the Tahoka 45. A pass to Morris moved to the Tahoka 17, two were incomplete, and then Williams hit LE Howard Jones for the final Post score. Antelopes 28, Bulldogs 0.

New Home Puts Up Close Fight

New Home Leopards put up a great fight at Whiteface Friday night before, losing a 25-14 decision to the undefeated District 4-B league-leading Antelopes. Whiteface has eight victories and a tie this season.

Whiteface scored in the first quarter and again in the second to take a 12-0 lead. But, then Half-back Leon Blackman of New Home scored with a 7-yard run, and the extra point was run over to make the score 12-7.

Whiteface scored twice in the third, once on a 68 yard run and then a 38-yard pass play. New Home still was not out, and came back in the fourth with Left End Barney Castro scoring from seven yards out on an end-around play.

New Home entertains its old rival, the Meadow Bronchos, today at New Home in the final game of season.

O'Donnell Plays Ropes Tonight

O'Donnell Eagles will close out the 1956 5-A football season at Ropesville tonight.

Last Friday, at Seagraves, Coach Joe Palmer's boys played Seagraves to a standstill in a scoreless first half before losing to the Eagles 25-6. In the third quarter, Gerald Barton broke away and ran 65 yards for the first and only score for O'Donnell.

Seagraves bounced right back, however, when Jerry Blakely climaxed a drive with a one-yard scoring plunge and then ran over the extra point to take a 7-6 lead. Blakely scored again on a one-yard plunge and intercepted an O'Donnell pass and raced 65 yards for a third TD. QB Pat McAdoo scored the other Seagraves touchdown on a 11-yard scamper.

The O'Donnell boys put up a fine fight, however, and are out for victory at Ropes tonight.

serious threat as the game ended, moving from the Tahoka 31 to the 46. Prohl found Jay Gurley on a 9 yard pass, and completed one to Jerry Adams on the Post 18 as the game ended.

The Bulldogs put together only 28 successful running plays, and four passes, not counting fumbles and punts, while the Antelopes carried on 52 rushing plays, completed seven passes, had one intercepted, and had 16 passes incomplete. It was another game in which the Bulldogs could get nothing to work right.

Winterize Farm Machinery Now

College Station, Nov. —A hard freeze can play havoc with auxiliary motors, tractor engines and sprayers unless they have been properly winterized, says W. L. Ulich, extension agricultural engineer.

Auxiliary motors should be cleaned; the crankcase drained and refilled with new oil and the motor run for a few minutes to coat all surfaces with oil. The radiator should be drained and flushed with a reliable radiator cleaner and then flushed again with clear water.

Remove the spark plugs. Give them a good cleaning and adjust and oil before replacing them, says Ulich. The upper cylinder walls should be lubricated while the plugs are out. Drain the fuel tank and allow to air dry. Cover the end of the exhaust and breather pipes to prevent moisture from entering the motor. Clean and charge the battery and store it where it will not freeze.

To winterize spray equipment, the engineer advises flushing the entire system. All drain plugs should be removed and the pump operated for a few minutes. Open all valves while the pump is running to release any trapped water and remove and place all valve balls in oil. Drain the oil from the pump and flush with kerosene; refill the pump with new oil. Grease on shafts and bearings and hang hose so all water drains out.

Give all machinery a good cleaning; pack bearings to seal out moisture; remove belts and canvases and store in a dry, rodent-proof container and apply a rust inhibitor to all polished surfaces such as plow moldboards and sleeves. While this job is being done, Ulich suggests a close inspection of all machinery for broken, bent or worn parts. Repairs or replacements can be made during the winter.

Winterizing farm machinery and equipment can save valuable time and money in addition to adding years to the serviceable life of the equipment, says Ulich. Too, the present cost-price squeeze is such that farmers just cannot afford losses which can be prevented.

CARD OF THANKS

We would like for each of our numerous friends and beloved neighbors to consider this a personal note of gratitude for services of kindness rendered in the past several weeks. The doctors, nurses, ministers and others of you have gone "the second mile" for all of us and for our dear wife, mother and grandmother. For the things you have done and said and for compassion too deep to voice we are tenderly and eternally grateful—I. M. Draper, the children and grandchildren.

Meadow Wins Over Wilson

Meadow Bronchos pulled the upset of the 4-B district season Friday night by upsetting the Wilson Mustangs 33 to 0 on the Wilson field.

Wilson was badly crippled and also disheartened by the loss the week before to Whiteface for the district title.

Meadow's James Smith led the game that had Wilson in the hole all the way. Smith scored one TD on a 22 yard run, passed to Henson 20 yards for another, to Norton 30 yards for the third, Barnett ran one over, and Kisor ran the other.

The Mustangs of Coach Rick

Spinks close out their 1956 season tonight at New Deal, where they should improve on their conference record.

Norway, Sweden, Denmark and Iceland comprise the Scandinavian countries.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains
with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Like I say, it was very effective.

With the coming of November also comes the nearing of the end of football in Tahoka. It's always a little sad, too, because you realize how time flies, how kids grow up, and that it won't be but a few more fall seasons before your boy is carrying the pigskin.

At any rate, we'd like to extend our congratulations to Coach Bill Haralson and Dean Wright. There is more than one way to win, and these men have produced high calibre scores on the scoreboard of character.

Another hard worker at the football games, especially appreciated by those who are not very well versed in the game, is Clint Walker. His emceeing adds to the interest of the crowd, and he

certainly deserves a pat on the back for this service he renders for the benefit of others.

In a monthly letter to banks appear these paragraphs:

The Federal Government has on its payroll no less than five million men and women, including some three million in the armed forces. The closest rival is the A. T. & T. with 746,000.

From another angle, one could even say that the Government has toiling away in its behalf 77,000,000 persons—the number of individual income tax payers. As the "American Cattle Producer" observes: "A taxpayer is one person who works for the Government without taking a civil service examination."

"A plain bar of iron is worth \$5.00. This same bar of iron when made into horseshoes is worth \$10.50. If made into needles it is worth \$4,285. Cub Scouts Plan Special Program

Cub scouts of Tahoka will portray life in Puerto Rico, which is the theme of the month, at the pack meeting which will be held Thursday, Nov. 22, at Scout Hall, when various dens present skits and other contributions to the program.

Characters in the skit will be dressed in native costume and the hall will be decorated in island motif for the occasion. Mrs. Joe Bob Billman is chairman of the decorating committee which is composed of one mother from each den.

Den five, of which Mrs. Alton Greer is den mother assisted by Mrs. H. W. Edwards, Jr., will present the Grand March accompanied by Mrs. E. W. Patterson at the piano, who will play the Puerto Rican national anthem and other music throughout the program.

Dens two and six will portray in a skit the history of Puerto Rico. Mrs. A. C. Davis and Mrs. Skiles Thomas are den mothers and Mrs. Thomas is assisted by Mrs. Olen Renfro.

Den three, under the supervision of Mrs. D. R. Jenkins and Mrs. Kermit Brown, will present the skit depicting early Indian inhabitants.

Island music and folklore will be presented in a skit by den four, of which Mrs. Jack Jaquess and Mrs. Charles Whitfield are in charge.

Dens one and seven are responsible for a table display of arts and industries of the island. These den mothers are Mrs. J. B. Stewart and Mrs. Mitchell Williams, den one, and the Rev. Mrs. Hamm and Mrs. C. W. Conway, den seven, the latter of which is a new den.

The program will conclude with a "La Fiesta Feast," when fruits typical of those grown in Puerto Rico and coffee will be served.

Plans were made for the meeting at a recent luncheon of the den mothers when Mrs. Alton Greer presided as chairman. It has also been announced that Mrs. Clifton Hamilton will serve as pack secretary to fill the vacancy made by Mrs. Elvora Curry, who resigned.

Tahoka's seven dens have a total of approximately 45 boys and

Many Changes In Social Security Affect Most Of The Tax Payers

Some of the changes in the Social Security laws were discussed Thursday noon at Tahoka Rotary Club by Jerry Schantz of the Lubbock district Social Security Office.

About all the professional groups are now included in Social Security. Medical doctors, civil service, state and Government employees are still excluded from Social Security.

Women may now retire at 62, but most of them retiring would draw about 20 percent less on retiring at this age than if they waited until they were 65. A wife would draw 20 percent less, but a widow may retire at 62 with no reduction.

Beginning next July, those eligible for Social Security who can show a permanent disability may retire at 50.

Also, payments will be made to disabled persons who became disabled before 18, continued disabled after 18 and who are dependent upon a parent.

A farmer comes under Social Security if his net earnings are over \$400.00. If he fails to make

a crop, there are optional provisions. Landlord farmers are covered if they materially help with the production of the tenant's crop. A farm hand comes under Social Security if he is paid \$150.00 in cash, or works 20 or more days in a year on a time basis.

Social Security payments are also being upped this next year from four to four and a half percent, of which the employee pays two and one-fourth cents and the employer two and one-fourth cents. Self employed persons will pay three and three-eighths percent on incomes up to \$4,200.00.

Mr. Schantz said a total of 125 million Social Security numbers have been issued to date. There are 62,000 John Smiths, but each is identified by a number. Paid into Social Security fund to date is 21 billion dollars, in reserve for retirement benefits.

The speaker was introduced by Derwood Howard.

Social Security Man Is Coming

A representative of the Lubbock Social Security office will be in Tahoka on Nov. 23, 1956 at 9:00 a. m. at the Courthouse and will be glad to assist in all matters pertaining to Social Security.

Some elderly couples will receive their social security benefits this month combined into a single family-check, John G. Hutton, district manager of the Lubbock, Texas, social security office announced today. Wives of retired workers who filed their claims within the last month or so will have their benefit amounts combined with their husbands' old-age and survivors benefits, if they are living at the same address, and are not entitled to old-age insurance benefits based upon their own work records.

Up until now, Mr. Hutton said, retired workers and their wives have been paid their benefits each month in separate checks, although in many cases, one of them would take both of the checks to the store or to the bank to be cashed. Being paid their monthly social security benefits in a single check will make the cashing of checks simpler for many of these couples, and if they have been paying fees to have their checks cashed, they will now have to pay only one fee instead of two. Mr. Hutton emphasized that the combination of the husband's and the wife's benefits into one check in no way affects the right of either individual to his or her benefit, nor the amount of that benefit. Both of them must sign their names on the back of the check before the check can be cashed.

The new method of payment, which is being instituted on a trial basis, is expected to cut the expense of the Government in issuing and mailing checks and to relieve congestion in post offices around the first of each month when social security and other Government checks are mailed out.

Overseas Mail For Christmas

Surface Christmas mails destined for civilians in Alaska, Hawaii and Puerto Rico should be mailed by postal patrons by very early December, Postmaster W. E. Smith said today.

This is necessary, he explained, because of available ship schedules from the port of dispatch, as well as possible delays due to bad weather frequently encountered at this time of year.

Mr. Smith urged postal patrons to send holiday surface mails for Alaska and Hawaii according to the following schedules: residents of the Eastern and Central time zones, not later than December 1, 1956; Mountain time zone, not later than December 3, 1956; Pacific time zone, not later than December 4, 1956. Mail for Puerto Rico should be sent by December 3, 1956.

These, of course, are deadline schedules, the postmaster pointed out. Postal patrons are being advised that even earlier mailing will be an aid to the postal service, as well as provide an addi-

This week, folks, I am going to talk politics. The perpetrator of this Column is alone responsible for the statements made and the opinions expressed herein. No other person connected in any way with publication of this newspaper or interested in the ownership of it can be blamed for any errors of fact or opinions herein after set forth. Furthermore, since the general election of November 6, 1956, has already been held and returns made by the election officers in this state and this nation, what I shall have to say can not in any way change the result of the election one single iota. I do not, suppose they would hardly change it one iota if the election were yet to be held. Nevertheless, like millions of other American citizens, I now have an urge to say what I think ought to be done in the future, in the light of this nation-wide election.

During the recent campaign, I remained almost perfectly silent—as silent as the stars that twinkle in the heavens above us. I remained silent out of respect for the farmers of the plains country, of this state, and of the greater portion of this nation. Nearly all of them seemed to have a complaint against the Eisenhower administration and particularly against Mr. Benson, Secretary of Agriculture, for the Administration's policy respecting farmers' crops. I could not be sure as to whether the criticisms were just or unjust, but naturally I wanted to give the farmers the benefit of the doubt, and if there had not been other grave issues at stake I probably would have voted for a change of administration. But there were other grave issues and other compelling reasons that led me to believe that President Eisenhower should by all means be retained as the head of our Government, and so I voted for the re-election of President Eisenhower and Vice-President Richard M. Nixon. In the matter of Texas officials, I voted for the Democratic nominees straight from top to bottom.

It was a slightly more sweeping victory for Eisenhower than that which he won in 1952. With not

In 1928, when Herbert Hoover the Republican nominee, found himself pitted against Al Smith of New York, the Democratic candidate, one of the hardest-fought races in the history of the country followed, but Hoover carried forty of the forty-eight states, while Smith carried eight of them, Six Southern states, South Carolina, Georgia, Alabama, Mississippi, Louisiana, and Arkansas, and two northeastern states, Massachusetts and Rhode Island. That was another instance when hundreds of thousands of Southern citizens refused to bolt the party and voted for a wringing wet in order to keep their Democratic Record on Straight. Virginia, North Carolina, Kentucky, Tennessee, Florida, and Texas, and most of the other states of the Union voted for Hoover. I voted for him too. That is another time when I scratched a Democratic ticket, and have no apologies to make to anybody for doing so.

That was a splendid victory for Hoover and Righteousness, just as was this victory of Eisenhower last week, an election in which he for a second time split the "Solid South" in two, Texas lining up for Eisenhower in both campaigns.

Now, both Republican and Democratic leaders, newspaper commentators, chimeycorner politicians, and millions of just ordinary folks like this writer are undertaking to tell just how it all happened. And so right here I take my seat on the nail keg and propose to give you some of the Why's and Wherefores.

A lot of the Adlai boosters, seeking to save face, insist that Eisenhower won because of the threat of War in the Near East and in Poland and Hungary. They say that it was the sudden appearance of these dark war clouds that swept Eisenhower back

into the White House. About nine-tenths of this talk is pure fol-de-rol—or as we boys used to say, it is flimsy bug-dust.

The threat of War, of rebellion against the tyranny and deviltry of Communist Russia, did accentuate the necessity for us to be ready for any such eventuality, and confirmed a great majority of the people in their conviction that we should keep a great military leader at the head of our Government. But a great majority of the people had already resolved to re-elect Eisenhower weeks before they received this additional shot in the arm.

Another cause of his almost universal popularity throughout our country was the gentlemanly, fair, and courteous manner in which he dealt with his constituents on all occasions whether they were politicians or private citizens, Democrats or Republicans, rich or poor. The people contrasted his conduct with that of his critics and detractors. Adlai made a beautiful speech on the night of the election after all doubt had been swept away that his boat had been sunk so deep by the Eisenhower flood that had swept the country that he would never be able to float it again on even the most placid political stream. Yes, he made a pretty speech, but that is not the kind he had been making during the campaign. Every speech he made in that campaign was one of carping criticism, cruel insinuations, blatant egotism and nonsense. I thought that Governor Shivers handed Stevenson and Kefauver about the neatest rebuke that I heard during the entire campaign when he remarked that they were asking the people to make them generals in our army when neither of them had ever had on a soldier's uniform and had never served a day in the army in his life. On the other hand they were daily pointing out the "mistakes" of that great general and the Commander-in-chief of our military

forces, Dwight D. Eisenhower.

To tell you the truth, Adlai reminded me of a shining black-plumed jack-daw, flying around over every stock-pen he could find looking for some kind of carrion to pounce upon and take to all his constituents in the North who liked that kind of political food, flapping his wings and crying Caw! Caw! Caw! as he went. He offered nothing to the South, except veiled insults, for he had nothing to offer us.

As for that man Kefauver, who

was Adlai's running-mate, when he was asked a few months ago to join with some 100 Southern Democrats to protest against the recent radical rulings of the Supreme Court, he insolently refused to do so, stating that he did not agree with the protesting Resolution but agreed with the Supreme Court. Thus he repudiated the doctrine of States' Rights and Segregation of the races held from time immemorial by the people of his native state and all the other Southern States, and then

he is put on the ticket with Stevenson and comes down here to Texas to advise the people how to vote. I didn't vote for him, and I am proud of it.

There are other reasons which I might point out as to why the people voted overwhelmingly for Eisenhower and Nixon right here in Texas. Publication of the Texas election results as gathered by the Texas Election Bureau was made in the daily papers Sunday, (Cont'd on Page 3, Sec. 2)

and this report shows that Eisen-
hower carried 134 of the 254 coun-
ties of Texas, and Stevenson car-

Stevenson 884,827; Eisenhower's

Mr. Sam Rayburn, Democratic

gress, is a nice gentleman person-
ally and a successful politician of
long experience, and Senator Lyndon
Johnson is a sufficiently
shrewd politician and "statesman"
as to have been elected Democratic
leader in the Senate; and both of
them pulled all the wires at their
command to carry Texas for their
Illinois Hero and for the Tennes-
see turn-coat, but they were not
able to even keep the Democratic
donkey in the mess-up weedy
old field. It begins to look like
these boys' tricks have all been
used up. For years now they have

him. He would soon become a
power there, I predict. Or, if
President Eisenhower wants to
formulate a bi-partisan cabinet, I
think he would make a ten-strike
by appointing Shivers as Secre-
tary of Agriculture, giving him a
rather free hand in administering
the duties of that office. All the
farmers North, West, East and
South seem to have similar com-
plaints; and since Shivers lives
in the greatest agricultural state
in the Union, Texas standing at
the top in the production of cot-
ton, sorghum grains, stock cat-
tle, sheep, and wool, with a heavy
production also of wheat, corn,
oats, citrus fruits, and numerous
other farm products, I think he
would be ideal timber for the
job which Benson now holds. But,
contrary to the wishes of some of
my best friends, I would like to
see him in the U. S. Senate; for
he knows the South too, and knows
its problems.

Just one other suggestion and
I close. I think our Representa-
tive in Congress, George Mahon,
is as well qualified to represent
Texas in the U. S. Senate as al-
most any other member of that
body. The people of this district
may not realize it, but my convic-
tion is that George Mahon is as
well posted on both domestic and
international matters as nearly
any other member of the House
or Senate. I have not hinted any
such thing to him nor he to me
and I do not know whether he
has any aspirations in that direc-
tion or not, but I think that part
of the time the office ought to seek
the man rather than that the man
should seek the office. Four years
from now, it will be time for Tex-
as to elect another Senator. I have
no thought of trying to run things.
I could not even run a cat up a
tree or a prairie dog into his
hole; but I like to see good men,
honest, able, and well qualified
men representing us in all the
legislative bodies of our country,
and I believe that George Mahon
meets all the requirements. I
merely suggest that you be think-
ing about it folks. One other thing.
George Mahon has held just two
political offices in his adult life,
district attorney of the old 32nd
District and Congressman from
the 19th congressional district,
and I do not suppose that he has
ever scratched a Democratic ticket
in his life. That's all.

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment you let your
eyes wander over this fine car. In a '57 Ford you belong... anywhere.
It's the long, lean lines. There's a greyhound grace to the new Ford.
No useless "fat," no showy "padding." Ford is as trim as a jet fighter.
It's the hardtop styling. Fairlane sedans have the hardtop look of
Victorias! Superthin center pillars are smartly concealed to give hardtop
beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more!
Ford gives you a choice of two new, bigger sizes... longer, lower, roomier!
It's the ride that stays gentle. With a new frame that rides
sweeter and lower, new springs, new suspension all around, even
the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its
Silver Anniversary of V-8 leadership with the
biggest selection of V-8's in Ford history.*
In addition to all this Thunderbird GO,
there's a new and more powerful
Mileage Maker Six.

"Six or V-8,
the going is great!"

Just looking at this Fairlane Club Sedan
is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at
Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than
20 days... an average speed of 108.16 mph, including all pit
stops! Another Ford averaged over 107 mph. Altogether, 458
national and international performance records were smashed
as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomor-
row, a new Ford keeps its value longer. And wonder of
wonders, all this extra strength, extra beauty, extra length is
yours at low Ford prices!

*Included is a special 270-hp Thunderbird 312 Super V-8 engine
available at extra cost. Also, an extra-high-performance
Thunderbird 312 Super V-8 delivering up to 265 hp.

Wise man say:

"MUTT" BRUEDIGAM IS PLAYING WITH TECH

Eugene "Mutt" Bruedigam, star back for the Wilson Mustangs in High School, is reported to be doing very well on the Texas Tech Picadors, Freshman football team. He got in considerable play last Thursday night in the Tech 39 to 19 rout of Hardin-Simmons freshmen on both offense and defense. However, he had a bit of hard luck, at that. The first time he carried the ball for eight yards, but Tech was penalized five yards for offsides. The second time he carried the ball, he went 20 yards, but the play was nullified by a

15-yard clipping penalty.

"Mutt" is reported to be doing fine, now weighs 175 pounds, and has great possibilities for the future.

Methodist Men Hear Williams

The Methodist Men met here Monday night for the regular supper when Mitchell Williams spoke to the group on being thankful.

A nominating committee was appointed by President Tom Gill for the purpose of composing a slate of officers to be elected for the coming year. The committee includes Maurice Small, H. W. Carter and Harold Green.

At the present time the fellow-

ship has only a president and secretary-treasurer, who is Pete Hagl, and the group plans to elect a vice president for next year in addition to the two other offices.

Alton Cain and Dr. C. S. Thomas were in charge of the program and Rush Dudgeon and M. M. Boyd were on the food committee for the Monday night meeting.
