Coleman Is Host To Hill Country Firemen Tuesday

Menard Is Selected as Meeting Place for Convention in May

Approximately 200 firemen and members of their families were present at the quarterly meeting of the Hill Country Firemen's Association which was held in Coleman Tuesday.

The morning was taken up with a business meeting when the annual election of officers was held.

Chief John M. Hankins of Junction, who has been president of the association during the past year, presided at the meeting.

Officers elected were: Lamar Thaxton of Mason, president; Oscar Vehle of Menard, 1st vice-president; Irvin Hurd of Brady, 2nd vice-president; John M. Hankins of Junction, secretary-treasurer; and the Rev. L. B. Gilberts of Menard, Chaplain.

At the business meeting, it was voted that the next meeting which will be held in May, will be held in Menard.

During the afternoon, races were held. Brady won first honors; Miles, second; and Menard, third.

One of the highlights of the day was a banquet served at 7:30 Tuesday evening by the Coleman Fire Department for the visiting firemen. An interesting and entertaining program had been arranged and was well presented.

Those attending from Junction were: Chief John M. Hankins, Assistant Chief Leon R. Powell, Fred Coleman, Perry Dechert, Russell Lavelle, Astor Wallace, Howard Blackburn, Mitchell McLendon, Dillard Motley, George Savage, Flem Felps, More Weiser, Charles Barnes, Ollie Floyd, Carl Nelms, and Mesdames W. P. Riley, Sam Woodward, H. G. Hubert, and Ollie Floyd, and Misses Mary Hubert and Blix Hankins.

GIRLS BASKET BALL TEAM LOSES GAME TO TEACHERS 26 TO 28

An interesting feature of this week's sports activities was the basket ball game between the girls' high school team and the faculty which ended in the score of 26 to 28 in favor of the teachers. At the half, the score was 18 to 5 in favor of the girls. After the half the high school team was made up of substitutes, with the exception of one player. The contest was exciting from start to finish.

The teachers who played were Mrs. Grady Kendrick, Mrs. Astor Wallace, Miss Eleene Newby, Miss Juanita Dickey, Mrs. Earl Bowers, Miss Gussie Boone, Miss Louise Knight and Miss Cecelia Merchant, and Mrs. Earl Bowers was the referee.

Mr. and Mrs. E. R. Borden and children returned Sunday from a trip to North Texas. Roy has been ill since his return. He had an attack of flu before leaving for the trip and it is probably a relapse of the disease.

FEBRUARY 12

Like a true Horatio Alger tale, the life of Abraham Lincoln gave a pattern to our American boy to follow. He was one of the first to demonstrate that in America the

humble can rise to fame if he desires to put forth the effort. Aside from being a great statesman, and politician, Lincoln was a great man in character. We celebrate his birthday now because he was a great American.

Pioneer Couple Celebrates Golden Wedding Anniversary

Five Sons and Five Daughters Meet at Parents' Home February 6

Coming from their homes in various sections of Texas, the ten children of Mr. and Mrs. J. B. Fisher assembled at the paternal home last Friday to celebrate with their parents the fiftieth wedding anniversary.

On February 6, 1881, Mr. and Mrs. Fisher were married in Llano County. They lived for a while in that county and then moved to Mason County, but moved to Kimble County in the spring of 1903 where they now live in one of the best ranch homes in the county.

In their early married life, Mr. Fisher spent considerable time freighting, but later became interested in the sheep industry. He has also raised some fine cattle, and he says that his wife has some goats. He is a successful ranchman and has

prospered financially. He has a fine ranch 12 miles east of Junction and has also assisted his sons and daughters, who are interested in ranching, to secure ranches.

Mr. J. C. Murff was called to the ranch home Friday to take pictures of the family.

Mr. Fisher is 72 and Mrs. Fisher 66. The day was spent in family reunion with all the children bringing something toward the food for the noon meal.

The sons are: W. K. Fisher, R. W. Fisher, A. S. Fisher, O. B. Fisher, all of Kimble County, and O. C. Fisher, lawyer and county attorney of Tom Green County.

The daughters are: Mrs. B. B. Reese, Kimble County; Mrs. Ben Dechert, Menard County; Mrs. F. C. Hodges, Menard County; Mrs. Sellars Spence, Sulphur Springs, Texas; Mrs. J. N. Jordan, Jr., Childers. All were present for the happy occasion.

Attend Baseball Meeting

Messrs. John M. Hankins and Perry Dechert attended a meeting of officials of the Hill Country Baseball League which was held in Fredericksburg Wednesday evening.

Last year Junction was extended an invitation to join the league, but lack of financial backing kept them out.

The officials voted to retain the status of the league, and it is likely that Junction will not be in the Association this year.

MARRIAGE LICENSES

L. T. Sofge and Miss Irene Whitworth.
Clarence Bierschwale and Miss Annie Mae Russell.

LA JUNTA STUDY CLUB WILL MEET WEDNESDAY

The La Junta Study Club will meet Wednesday afternoon, February 18, at the home of Mrs. G. W. Crabb at 3:00 o'clock for its regular meeting.

Fur Business Reaches Low Ebb In Kimble

Mr. J. N. Hodges reports that this has been an unusually light season on furs. The prices were low and the catch light. He has paid out about \$3,000 on furs during the season that closed February 1.

The following is a summary of the hides bought by the Schriener-Hodges Company:

Coons	272
Foxes	578
Ringtails	575
Skunks	587
Opossums	827
Civet Cats	54
Bob Cats	17
Wolves	15
Badgers	5
TOTAL	2,931

Mr. I. O. Weldon is slowly improving after his extended illness the past few weeks. His many Junction friends will be glad to know that he will soon be able to come to town.

County and District Attorneys Convention To Be Held in March

District Attorney Weaver H. Baker of the 112th Judicial District announced that the County and District Attorneys' Convention scheduled to meet in Junction on February 20 and 21 has been postponed until some later date in March which will be announced later.

Several members of the association could not attend the meeting in February and requested that it be held in March. The district is composed of 101 west Texas counties and the sheriff, county judges, justices of the peace of the 112th judicial district and representatives of the Federal Immigration Service, International Border Patrol, State Game Wardens, Texas Rangers and others interested in the enforcement of the laws of Texas have promised to be present at the meeting when it is held in Junction.

City Bakery Continues Giving Dollar Coupons

For some time the City Bakery has been putting a coupon in one loaf of bread each day which is good for one dollar if brought to the City Bakery.

This has created a demand for Junction bread and the proprietors of the City Bakery are glad to co-operate with the people in giving away a dollar a day.

The following have brought coupons to the bakery and received dollars:

T. P. Porter, C. M. Self, John D. Hickerson, Ches Goodwin (2), Mrs. Flora Hardin, Irvin Jarvis, Mrs. P. Joseph, Mrs. E. H. Horne, J. T. Johnson, Mrs. J. W. Boone, Jose Zapata, Ed Hazelwood, Dr. J. Holt Smith, and Mrs. George Cavanness and Severa Piedras.

Rotarians Emil A. Loeffler, R. H. Loeffler, G. W. Crabb, A. G. Farmer, V. P. Emmons, C. W. McCarrall, Geo. R. Pepper, and Joe Fritz visited the Rotary Club at Kerrville yesterday to hear the address of Dr. Charles E. Barker of Grand Rapids, Michigan. Dr. Barker has been a Rotary lecturer for more than ten years.

Pioneer Citizen Dies at Home In Eastland County

E. G. Hill and Family Attend Father's Funeral At Rising Star

Mr. and Mrs. E. G. Hill and family were called to Eastland County last week on account of the serious illness of Mr. Hill's father, Mr. G. W. Hill, who died Wednesday morning at his home a few miles north of Rising Star. The funeral services were held at the Rising Star Baptist Church Thursday morning with the Rev. S. C. Steel, an old friend and fellow pioneer in charge, assisted by the Rev. Ed Anderson of Gorman. After the services at the church the Masons took charge and buried the remains in the Rising Star Cemetery.

The following eight grandsons were active pallbearers: Norman Hill, Gravel Hill, C. E. Hill, George Hill, Gene Hill, Claude Hill, Aubrey Hill, and J. C. Childress. Eight granddaughters were flower girls: Earl Deen Swift, Mozell Hill, Eula Hill, Gertrude Cooper, Lucille Bouldand, and Laverne Childress.

G. W. Hill, known among his many friends as 'Uncle George' was 81 years old. He has been in ill health for many months, but was confined to his bed for three weeks before his death.

Mr. Hill left Parker County more than 50 years ago and settled first north of Sipe Springs. A few years later he purchased the land, a part of which comprises the Hill ranch, and built a home a few miles north of

Banquet At Methodist Church Friday Night

Beginning last Sunday with a special sermon by the Rev. Bolton Boone at the Methodist Church, the Boy Scouts of Junction are celebrating the 21 anniversary of the founding of the order in America. It is also the fifth anniversary of the Concho Valley Council of Boy Scouts.

Flying flags on the court yard this week have called the attention of everyone to the anniversary week. Flag drills and other activities of the local scouts have also reminded the people that the boys are celebrating this week.

A father and son banquet is scheduled at the Methodist Church Friday night. On this occasion the scouts will furnish the greater part of the program. This will be an enjoyable occasion.

Superintendent Guy C. Moses is the scout master of the troop here and is ably assisted by the Rev. G. W. Crofoot and Mr. Astor Wallace. The Kimble county Commissioners' Court have provided a room in the court house and the boys have furnished it. There are four patrols in the local troop with the following membership:

Beavers: Freddie Ramsey, Leon Turner, Keidel Sheppard, Overby Smith and James Lee Hammett.

Bears: Virgil McCoy, Bill Barnes, Verlan Skaggs, Leslie Crabb, and J. W. Lowry.

Buffaloes: Jarvis Jordan, Roy Bierschwale, Clifton Schraub, Louis Jordan, Udell Gebau, and Tyrus Holland.

Ravens: Warren Roberts, J. F. Kropff, Russell Oliver, Melton House, and Carleton Massie.

Court Appoints New Election Officials For Next Two Years

At the regular term of the Kimble County Commissioners' Court this week the election officials for the next two years were appointed. In the list given below the first named is the presiding officer:

Precinct 1.—E. Holekamp, John Mann, Lanan Bissett and Chris Schraub.

Precinct 2.—Roscoe Stevenson and W. H. Cavness.

Precinct 3.—Gully Cowsert and J. F. Ragsdale.

Precinct 4.—A. Ware and W. A. Bannowsky.

Precinct 5.—Wiley Fisher and Edgar Ivy.

Precinct 6.—L. W. Puckett, Rex Lavelle, Jack Ake, and Arthur Adams.

Precinct 7.—S. H. Parker and Tom Phillips.

Precinct 8.—Wm. Fairchilds and Burl Kirkpatrick.

Precinct 9.—John Graham and O. T. Murr.

Precinct 10.—Joe Gardner and Will Allison.

Precinct 11.—August Kirchoff and Alvin Kensing.

Packed House Hears Little Theatre Plays

More than 30 people had parts in the Little Theatre plays presented at the Texan Theatre last evening under the direction of Mrs. Conde Harde-man. Three one act plays were presented and each one was well rendered and enthusiastically received by the packed house.

These plays given by Mrs. Harde-man reveal two things, viz that Junction has some unusual talent and that this talent is well directed. The theatre is always full when Mrs. Harde-man announces that the Little Theatre will stage a program.

Local Red Cross Asks For Clothes and Shoes

Some families in Kimble County are in need of clothing and V. P. Emmons, county chairman of the Red Cross, is making an appeal for clothing and shoes for these people. He asks that anyone having clothing and shoes please call him at the West Texas Utilities office.

There are families who have good clothing that their children have outgrown that would be serviceable for those who need clothing. Mr. Emmons is anxious to get in touch with anyone who has clothing and shoes to contribute.

Mr. and Mrs. Will Graham of Kingston, New Mexico, are here for a visit with relatives and friends. They left here more than 20 years ago, but find many old friends here and still speak of Kimble County as home. Their old friends are glad to see them after their long absence. They are visiting Mr. and Mrs. T. B. Phillips, and this is one time all the women can do is listen for both the men talk all the time.

FEBRUARY 22

Shortly we will celebrate the birthday of George Washington; statesman, soldier, and financier. Typifying the real American spirit, through his life, Wash-

ington not only identified himself with his contemporaries, but won for himself an exalted place in posterity.

Neither his "cherry tree" nor his wealth, endeared him to the people so much as his sterling character.

JOURNALISM CLUB HAS SUCCESSFUL MEETING

Monday morning the Journalism Club had a meeting in the study hall, which was proclaimed by the members as the most successful meeting the club has ever had. Hazel Lister, the president was in charge. The program consisted of the following: Mrs. McCarrill's Rhythm Band—two selections; talk on the Boston News-Letter—Harrie Ethel Hubbell, talk on the influence of Benjamin Franklin on our Journalism by Arthur Stockton; reading—by Paulette Linn; reading—Marie Sheppard. An interesting program has been planned for the next meeting Monday.

Freshman Class News

Miss Bennett's eighth grade history class is making notebooks which are composed of all the maps which have been drawn and several outlines. They are collecting all of the pictures which refer to the topic which they are studying. The vocational agriculture class is experimenting in the making of cheese. Evelyn Boyett entered the Freshman Class here Monday.

GIRLS' BASKETBALL NEWS

The basket ball girls have been practicing hard before the game scheduled with the faculty team Wednesday. They have also planned to play Cedar Hill Saturday of next week, if the arrangements are convenient with Cedar Hill. The coach is trying to get a game with Rock-springs or Sonora this week.

HEALTH LECTURE

Friday morning from 11:30 to 12:00 Miss Louise Knight gave a health lecture on "Our Water Supply and Health" to the high school students.

SENIOR ISSUE

Last year the custom of making one entire issue of the paper a Senior edition was begun. The paper for next week will contain the Senior edition. All articles must be written by a senior.

SPANISH CLUB MEETS

Monday morning the following program will be rendered at the Spanish Club: "Dia de Contratendencia Americana and Orador yanquis hablado espanol."—Lucille Motley; Impresiones contradictorias.—Lorena Coe; Obra social en Colombia.—Marie Dechert; Jokes.—Ralph Meador; and Dialogo: "Por la Manana."—Miss Bennett.

SIXTH GRADE REPORT

On the Sixth Grade program which was given January 25, the first number was by Olga Jones. A reading was given by Athlene Millsap, a play by Olga Jones, Lela Bell Amick, Iva Ferris, Verlan Skaggs, Wilson Buster, Letha Faye Taff, Lella Rossent; and a joke told by Morgan Taylor. The Sixth Grade program for last Friday consisted of only one number. Lorean Henderson amused the class by putting on a radio program.

Personal

Lois and Shreves Goodwin spent Sunday in Kerrville. Among those who visited the high school last week are: Carl Witt, Lawson Johnson, Reuben Loeffler and Howard Lister. Evelyn Boyett is a new pupil in the eighth grade. Lois Goodwin was the guest of Margaret Hubbell Monday night. Miss Kelley is again teaching her classes after a seige of illness last week. The students want to compliment Mr. Moses on being re-elected superintendent. La Rue Newby and Sherman Hendricks visited school last week. Miss Newby has one student and Mrs. Wallace two students ill with the chicken pox. Miss Gildart has been sick for the past few days. Mrs. Olney Patterson is substituting for her. Rose Mary Secrest and Mary Farmer are the only sixth grade pupils who were on the reading honor roll last month. There were none on the roll in the 7th grade. Lucille Taylor went to Kerrville Saturday.

SENIOR SPECIALS

Blake Chenault, who is six feet two, is the tallest boy of the Senior Class. He has blue eyes, brown hair, and weighs 157 pounds. "Chimney" has gone to the Junction schools ever since he was in the first grade. He can still remember "way back when the 'kids' went to school in the goat shed. When in the ninth grade he attended school in San Antonio. He was a member of the Journalism Club here last year and is now secretary of the club. This year Blake is studying English, history, typewriting, and geometry. This tall senior is especially fond of pet dogs and Chaucer. He is a letter man on the high school foot ball team, playing left tackle. After graduating from high school he intends to go to college and study electrical engineering.

Yes, there's a "Nig" in the senior class. However, his real name is Wilbur Jeter. We suppose he acquired this name because he is such a decided brunette. Almost all of the girls envy him, because he has that sun-tan complexion they tried to get last summer. He has black hair and brown eyes, is 6 feet and eleven inches tall and weighs 168 pounds. While in the first and second grades he attended school here but moved to Brady and attended there for five years. He started to school here again in the 7th grade. "Nig" plays center on the high school team, and has also played basket ball. He is vice-president of the Journalism Club and is a member of the staff. In the years to come, he intends to be a civil engineer.

Senior Class Meets

The seniors ordered their invitations last Friday. They sent their orders early so that each of them will receive a "Commencement Memory Book" that was promised them. Wednesday the seniors held their regular class meeting with Raymon Schneider, the president, in charge. The program consisted of music and readings. Two reports were made by Sarah Schneider and Marie Dechert during the health education period last Friday.

CIVICS CLUB REPORT

Tuesday morning the Civics Club had its regular meeting. Each person was supposed to have a current event on some happening in a foreign country. Raymon Furr made an interesting talk on events happening in Italy.

PATHE CLUB MEETS

Monday, the Pathe Club met and the members gave some interesting reports. In the future the reports are to come not only from the Literary Digest but also from other magazines and newspapers. Any topic of national or international interest may be acceptable as a club report.

New Calendar Of All Courts In Kimble Co.

With the beginning of the New Year there were a few changes in the personnel of the officers of the various courts of this county, and the Eagle is giving the calendar of those interested directly or indirectly in the different courts that meet in Kimble County.

District Court
Hon. G. Montague, District Judge.
Hon. Weaver H. Baker, District Attorney.
U. D. Kindrick, District Clerk.
The Court meets on the fourth Monday in February and the second Monday in August each year.

County Court
Roy King, County Judge.
J. B. Stevenson, County Attorney.
U. D. Kindrick, County Clerk.
Frank Patterson, Sheriff.
The County Court meets the first Monday in February, May, August, and November of each year.

Justice Court
Walter Buck, Justice of the Peace.
The county attorney and sheriff also serves this court which meets on the last Monday of each month.
Commissioners Court
Roy King, County Judge.
J. L. Wright, Commissioner of Precinct No. 1.
R. H. Spiller, Commissioner of Precinct No. 2.
G. W. Hardesty, Commissioner of Precinct No. 3.
R. B. Moore, Commissioner of Precinct No. 4.
The court meets the second Monday in each month.

ICE BOX COOKIES
Ice box cookies can be made from any stiff cookie dough. Instead of rolling out the cookies and cutting them into fancy shapes, roll the dough into a cylindrical piece, cover it with a clean cheese cloth, and store it in the ice box overnight to become firm. With a sharp knife slice the cookies off thin when ready to bake them.

The fifth grade reading honor roll is as follows: Billy Goodwin, J. W. Lowry, Zella Wahl, Febajene Riley, Evelyn Patterson, and Mavis Roberts.

Marjorie Whitworth was absent Tuesday on account of illness.

Christine Schraub was absent last Thursday.

Lee Ola Hodges spent the week-end in San Antonio.
Eleanor Highsmith spent Saturday in San Antonio.

The new Ford is an economical car to own and drive

Low first cost, low cost of operation and up-keep, and low yearly depreciation mean a distinct saving to every purchaser

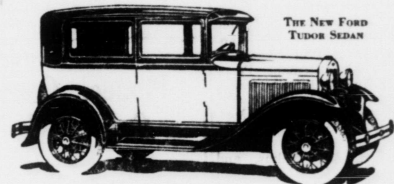

THE NEW FORD is a splendid car to own and drive because of its attractive lines and colors, safety, comfort, speed, reliability and long life.

There are, in addition, three other features of importance to every far-seeing automobile owner... low first cost, low cost of operation and up-keep, and low yearly depreciation.

During the life of the car, the day-by-day economy of owning a Ford will amount to considerably more than the saving on the first cost. You save when you buy the Ford and you save every mile you drive.

The reasons for this economy are simplicity of design, high quality of materials and care in manufacturing and assembling. Many vital parts are made to limits of one one-thousandth of an inch. Some to three ten-thousandths of an inch. Throughout, the new Ford is an outstanding example of fine craftsmanship in automobile engineering.

The more you see of the new Ford—the more you talk to Ford owners and experienced mechanics—the more certain you become of this fact... It brings you everything you want or need in a motor car at an unusually low price.

LOW PRICES OF FORD CARS
\$430 to \$630

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can purchase a Ford on economical terms through the authorized Ford Finance Plans of the Universal Credit Company.

LONDON LOCALS

(By G. Lewis)
Howard and Rawleigh Kothmann were in from the ranch Monday of last week. The 4-H Motorcade came in on time Tuesday, 3rd, led by Mr. R. E. Lomann, our county agent. They were a fine bunch, and seemingly everyone was enjoying the trip. Such a get-together as that is good for people. Just anyone can go out on a trip like that; they even had Joe Bisset and Judge Roy King with them. I wish I could have gone too. They had a barbecue spread prepared for them at Walton Kothmann's ranch. Rev. Lewis Cooper took dinner in the Lewis home Tuesday of last week, but those who saw him at the Kothmann ranch said they couldn't tell. Come again, Brother Cooper; you will always find a welcome whether much to eat or not.

O. D. Price was in from his farm Friday. He says he has plenty of wood to winter on if it will only turn cold and people will buy it.

Mr. P. A. Hensley and family formerly of this place but who have resided in west Texas for several years, came in last Friday and expect to remain.

A. S. Price was in town Friday. He is delighted with the condition of pasture and farm.

We were informed that a young man was chained to a car here Friday night at the dance. You may know I am one who believes if these would-be tough fellows were taken to jail and assessed a fine and made to work it out on the streets or public roads they would soon decide it is not popular to act tough. I also believe that if ones conduct justifies being chained up like a wild beast it would justify filing a complaint and the assessment of a fine.

The above is not intended as a criticism or reflection in any degree. It was intended to only voice my personal ideas relative to these things.

We have drifted into the habit of treating the criminally inclined with so much courtesy and respect that it does not even humiliate them when they are caught up with. This custom has the tendency to encourage transgression of law rather than discourage it. I believe it more wise to follow a rigid enforcement of law and let the transgressor know that he must pay the penalty of transgression.

The writer had a card from Mr. D'Witt Walton Saturday. D'Witt is our neighbor and our friend, the son of Mr. and Mrs. J. H. Walton. He is making good in the U. S. Navy. He is now at Panama and says the sun is rather hot down there. They are off on a general maneuver and having a general good time. This young man is one who has applied himself and realizes he is much better off by having come into contact with the Navy.

My wife and I went out for our accustomed drive late Sunday evening, and having a paper I wished Tate Jarvis to examine and sign, we called there. It being the feed hour, Dorothy was feeding her pet calf and naturally we looked over him as he stood in his stall and can say truthfully he is a fine calf. And Dorothy is as proud of him as I was of my first store purchased clothes, and that is putting it strong, as I wore clothes until I graduated from school having completed the McGuffie's Fourth Grade Reader and Blue Back Speller in clothes made from the home grown wool. Home spun thread spun on a home made spinning wheel and woven into home jeans on a home made loom, then cut out and made at home. Well, you can imagine how proud I was to get into a new ready made store bought suit. Dorothy may well be proud of her calf.

At this home we met R. W. Fisher, Duck Wooten and Doug Jarvis. Another pleasure of this call was, after Mrs. Jarvis looked my wife over, she decided she must be hungry. She took her out in a turnip patch, the tops of which were knee high and gave her enough turnips and greens to last a week. Dad and Mrs. Price, Howard and Mrs. Horn fed us last week and that may be why I can imagine I can see the dawn of a better day and try to get others to see

it too.

Roosevelt Round-Ups

(Too late for last week)
Roosevelt is still as well as can be, but all the ranchmen are anxious to see the rain. Everything is greening up and stock is doing fine.

Mr. and Mrs. Leo Ferrington and son, Joe Neal of Van Horn, visited relatives in Roosevelt.

Mr. John Surber was the guest of the Philip Lutheringer home Sunday.

Mr. and Mrs. Jones have a new auto and are the happiest people in Roosevelt at present.

A large crowd met Sunday evening at school and enjoyed a good basket ball game.

There will be church services here Sunday at 11 o'clock.

Mr. and Mrs. L. M. Taylor and daughter, Miss Vina, attended services at Copperas Sunday.

Miss Leo Hart, primary teacher of Roosevelt School, returned from a week's visit at Miles.

Mr. Williams visited the August Simon home Sunday.

Mr. and Mrs. Phil Lutheringer and son, Philip Aubrey, and Miss Hattie Lutheringer were Junction visitors Wednesday.

Mr. W. O. Dickerson went to San Antonio on business last week.

Mr. and Mrs. Miers of San Antonio visited Mr. Dickerson at Roosevelt. Mrs. Miers will remain for a week or more.

Roosevelt has found a new kind of weed around here since the rise. We all call it the bitter weed and it kills stock.

Mr. and Mrs. Burl Fisher, Mr. and Mrs. Ross Goodall and Clarence Simon were guests at the Harry Thiers home Tuesday night.

The Roosevelt Society met Friday night and had a good meeting.

Principal of Ivy School
Several of our children are out of school this week because of a chicken pox epidemic that began to develop here last week. No one has been very sick with the disease.

Hollan Walker is holding a position at the McCaleb ranch. Ray Amberson is at home for a few days.

Messrs. G. W. Hardesty and T. J. Lange have been doing some good work on the roads with their maintainer. If it keeps raining as it has, they will be rather busy as the vehicles keep the road bed torn.

This section of Kimble County looks fine at present; plenty of woods of all kinds and if the warm days continue, the trees will soon be putting out new leaves.

The Ivy School will present two short negro comedies entitled "Whar's de Groom?" and "Dr. Cut Up" on the night of February 20. The public is urged to attend. After the program we shall have a sale of all kinds of cats, including sand-wiches, coffee, cakes, pies, candy etc. This is our first time to make an attempt to raise any money for the school and we shall highly appreciate a liberal amount of patronage from all who will come. The proceeds will be used for the benefit of the school and we promise you value for what you spend with us. Come and see the negro wedding and treat yourself and friends to something good to eat.

The sunshine of the past few days has been very welcome. Guy Cummins, a resident of the Red Creek community for many years, returned from San Antonio Saturday where he underwent, lately, a major surgical operation. We are glad to see him looking so well and hope he is soon strong and well again.

Marvin Lange and Roy Robbink will represent our school tennis, (singles) at the county meet and they will stage a hard fight as they are doing some good practice.

We think a great deal of the Junction Eagle for many reasons; because it is our home paper, because it is newsy, because it works for Kimble County unselfishly and—because we like to read it. Three cheers for the Junction Eagle.

Lose Fat Safely and Quickly

Kruschen Salts—(a perfect combination of the six mineral salts your body should have to function properly) purify your blood of harmful acids, and aid the kidneys and bowels to throw off waste material—the continual formation of which is probably the cause of your fat.

In this modern age of living, it's impossible to get those salts from the fancy foods you eat—but don't worry just as long as you have Kruschen Salts.

Take a half teaspoon every morning before breakfast in a glass of hot water, little by little that way fat disappears, you'll feel better than ever before—years younger, more energy. You'll soon possess that enviable beauty, clear skin, sparkling eyes, superb figure which only perfect health can impart.

An six bottle (lasts four weeks) at Heyman's Drug Store or any progressive drug-gist in America. Money back if Kruschen doesn't convince you that it is the safest, quickest, easiest way to lose fat.

A Hartford woman writes, "I'll tell the world Kruschen Salts is wonderful stuff to reduce." An Ohio woman lost 10 pounds with one bottle.

Electricity Assures Dependable Refrigeration

To SAFELY preserve perishable foodstuffs—to protect them from spoilage or bacteria infection—a method of refrigeration which will maintain a constant temperature of less than fifty degrees is a vital necessity. In no other way can you be sure that the foods you are serving are safe beyond the shadow of a doubt.

Electric Refrigeration is as certain as Electricity itself. Regardless of where you are, dependable and efficient electric service guarantees the constant low temperature advocated by leading medical and food authorities. Foods may be left without attention in the Electric Refrigerator for an indefinite period without harmful effects.

A Trained Salesman will be happy to go into further detail regarding the Frigidaire's many features of Health, Convenience and Economy—entirely without obligation, of course. You owe it to yourself to benefit by the many advantages of this modern Household Necessity.

MRS. BUNDY IS HOSTESS HIGHLAND STUDY CLUB

Mrs. S. S. Bundy was hostess of the Highland Study Club on Friday afternoon February 6, 1931.

The topic for discussion was "Industrial Art," each member answering roll call with a modern industrial invention. The leader, Miss Elizabeth Hall, gave interesting facts on this subject, also a paper worked up on the "Industrial Arts of the Indians." No subject is more fascinating than the origin of art among the Indians. Mrs. R. H. Tobin added much to the program giving points on the art of rural advertising and to follow that discussion, Mary Jane Ridenhower had picturesque scenes of roads and highways in Texas.

It is the aim of each club member to try planting bluebonnets, red bud, shrubs, as well as any native flower, in order to make our state more beautiful. Tea was served to Mesdames Tobin, Ridenhower, Wright, Stewart, Bundy, Cowser, and Misses Louise Marshman, Isabelle Quinn, Elizabeth Hall, Mary Jane Ridenhower, Jane Bundy, Marie Faires.

SMALL WOODEN BIBLE HAS MASONIC SYMBOLS

PEORIA, Ill.—An interesting curiosity is in the possession of Henry Ziegler, printer, and a similar one is owned by a Past Master of a Peoria Lodge. It is a very small Bible carved of wood with the Square and Compasses resting thereon, and with the Bible turned to Ecclesiastes 12.

Mahogany was used in the delicate piece of workmanship by the maker. The uniqueness of the Bible has attracted a good deal of attention. The pages are thin sheets of mahogany shellacked together, and the print is on gum tape which was also shellacked in place.

Pioneer Citizen Dies?

(Continued from page 1)

Rising Star. In the early day in Parker County he experienced Indian raids. His home in Eastland County was a pioneer home for many years. In that early day he had few school advantages and his main education was gained from the school of experience. He always took an active part in the advancement of the community and Uncle George was a leader in his community.

Mr. Hill was married twice, his first wife dying in 1882. He was later married to Miss Rebecca Platt who survives him. Henry Hill who lives near Rising Star, is the only surviving child from the first marriage. The following children survive the second marriage: Walter and Carl Hill of Rising Star, Earl Hill of Junction, Mrs. H. A. Childers of Cross Plains Mrs. Ira Swift and Mrs. W. E. Cosper of Rising Star.

The homegoing of Uncle George removes another one of the pioneer landmarks of West Texas. He was a devout Christian, a good citizen, and a loyal Mason. While he had passed his four score and ten years his death is sad and he will be mourned by his loved ones and his hundreds of friends will miss him. His place in the community is vacant, but his influence for good will continue to live in the lives of all who knew him.

Misses Lela and Lucille Taylor spent Sunday in Kerrville.

Mr. and Mrs. P. Joseph returned Thursday from Fort Worth and Dallas, where they purchased spring goods for their store.

Mrs. Pierce Hoggett and son, Jack Carleton, left Thursday for Austin, where they are visiting Mrs. Beatrice Wright and Mr. and Mrs. Coke R. Stevenson.

County Attorney O. C. Fisher and family of San Angelo visited in the home of Mr. and Mrs. J. B. Fisher last Friday when the golden wedding of Mr. and Mrs. Fisher was celebrated.

Garden And Flowers

This beautiful spring weather is making those who want pretty yards and valuable gardens begin preparations. The weather is ideal this week for work of this kind. As people make these preparations the neighbors' hens are also making joyful noises as if they knew that they will have fine places to wallow and also tender flowers and vegetables to eat. People who are not prepared to keep chickens enclosed in pens would do their neighbors a favor by disposing of them. Chickens do well in flower beds and gardens, but flowers and vegetables cannot survive the ravages of chickens.

COUNTRYSIDE BROADCASTINGS

By Rev. G. W. Crofoot Pastor Junction Presbyterian Church

WE COUNTRY people pay too much for what we buy and get too little for what we sell. We do not set the price either for what we buy or what we sell. We buy too much and produce too little of the things we consume. Too many of us have an automobile scale of expenditure on a buggy income. It is better to drive a buggy than to go in debt for an automobile.

THE GOLDEN AGE of agriculture was a time when the country people produced practically everything they consumed. We need to practice the slogan, "Live at Home." It is an entertaining exercise, even better than working cross word puzzles, to sit down and do a little figuring about our own farm life problems. Try this: make four lists. In the first list put everything your community buys; in the second list put everything your community sells; in the third list the things which the farmers buy that they might produce; in the 4th list the things which the community buys for which it might produce a substitute.

WHEN MEN made fortunes on the farm and built the wonderful homes which still stand as memorials of the golden age of agriculture, a variety of products were produced to meet the needs of the family. The production of these things afforded reasonable tasks for all the year. One of the curses of the single crop system is that it works the farmer and his family to death for a few weeks and leaves them in comparative idleness for the rest of the year.

A PROFITABLE agriculture makes it possible to have prosperous country churches. A functioning country church is a vital factor in promoting a good agricultural community. A country church which adequately serves a community in providing religious opportunities and privileges, makes for better lives, wiser living and more sa-

gacious expenditure of the disposable income.

KIMBLE COUNTY'S Agent, R. E. Homann, is certainly doing a commendable work. He is tireless in his efforts and his enthusiasm is reinforced by his ability. Evidence indicates that he is more than willing to help everyone in order that we may "Live at Home."

Being a vaporish review of words that pop into print

FLAW... An inherent defect; a weakness; crack. Sound the "F" above your "C." Hold it. That crack in your voice is the flaw.

There is reference in the Old Testament to the Law and the Prophets. But according to Emil A. Loeffler trouble lately has been a flaw in the profits.

WICKERSHAM... A new word that has popped into prominence. The name of the chairman of Mr. Hoover's Commission on Law Observance and Enforcement. Dissection reveals wick, that substance in a lamp which conveys the illuminant to the flame—a bringing to light; wicker, a pliant young sprout; sham, from sham battle, a harmless skirmishing war of words, friction, each faction claiming victory, vox et praeterea nihil (voice, and besides that nothing).

A composite view appears to be bringing to light of a merry-go-round sort of feverish activity accompanied by friction and fruitless wrangling. Some of us seem to think America is doing considerable "Wickershaming" on the liquor question.

As for the "pliant young sprout," take "My Word" for some things must be left to the imagination.

CONCAVE, CONVEX... (Con'cave, con'vex) facing the subject squarely: concave is hollow like a cave; convex is bulging like a vexed (angry) person. (Towering) rage. One's back being up.) The class will now go to the blackboard: "What is a boy before dinner?" Clifton Schraub's answer is "con'cave." Correct. "What is a man who on Sunday morning cannot find his golf clubs?" "A father" calls out James Hodges. Class is dismissed.

LEAGUE OFFICERS HAVE COUNCIL MEETING HERE

Thursday evening, February 5, the officers of the Epworth League held their regular council meeting at the Methodist Church. The president of the League was unable to attend and Raymon Schneider, vice-president, presided.

A motion was made that the League buy a bulletin board to be placed in front of the church. This motion was carried, and in order to finance this gift, the League will have a sale every Saturday during court.

Those present at this meeting were Eleene Newby, Pairalee Linn, Anna Bomba, Mrs. Ovie Buster, Veola Wahl, Eleanor Highsmith, Bennett Kindrick, Ramsey Randolph, Rev. Bolton Boone, and Raymon Schneider.

CHURCH SERVICE AT ROOSEVELT AT 7:30 P. M.

A cordial invitation is extended to everyone to worship next Sunday night at 7:30 at the Roosevelt school house. The Rev. G. W. Crofoot, pastor of the Junction Presbyterian Church, will preach.

TABERNACLE NEWS

Large crowds are attending the services every night at 7:30 o'clock at the Full Gospel tabernacle which is located 3 blocks south of the Junction State Bank. The services consist of singing, testimonies, and preaching. Every body is welcome. Old time gospel messages, souls saved, and sick prayed for at every service. Chauncey Merwin, Pastor Evangelist.

ORDER PURE LINE PLANTING SEED

The pure line seed campaign sponsored by the Kimble County Chamber of Commerce last year was so successful that the organization is co-operating again this season with County Agent R. E. Homann in furnishing these pure line seed at cost to farmers and ranchmen interested.

Mr. Homann urges everyone interested in pure line seed to get in touch with him at once as these seed must be contracted for at an early date. Last year some, who did not place their order early, were unable to get seed. On account of the drought last year desirable pure line seed is harder to obtain this year, and it is necessary for everyone wanting seed to place orders with the county agent now.

Painful Condition "WHEN I was just a girl at home," writes Mrs. R. F. Riggan, of Baird, Texas, "I took Cardui for cramping and pains in my side and back, and it helped me at that time. "After I was married, I found myself in a weak, run-down condition. I suffered a great deal with my back, which was so weak it hurt me to get up or when I would stand on my feet. I fell off in weight. "A friend of mine, seeing how bad I felt, advised me to take Cardui, which I did. By the time I had taken two bottles, I felt stronger and better than I had in a long time." Junction Trade Notes

(By G. G. Co.)

The old residence moved this week from Junction's main street to make room for the local march of progress, was a pretentious dwelling nestled in a mesquite forest 40 years ago. It was built by John Wilson, according to E. Holekamp, who is keeper of local records and seals. . . . Will Graham of Kingston, New Mexico is renewing old acquaintances and kinship in Junction, after an absence of 20 years. . . . Mr. and Mrs. Chas. Lucke of Del Rio are in Junction this week on a visit to the beloved old home.

After delay, due to wet weather, Bermuda onion plants and Early Wakefield cabbage plants are in stock this week. Yellow Dent and Sure Cropper seed corn in stock. "Chobber" and "Triumph" seed potatoes to arrive this week. Gann Grocery Company, Pickled pigsfeet, in kits.

The Mudge Oil Company, after being shut down at contract depth (2500 feet) is making ready to resume drilling, it was stated. . . . In West Texas some speculative buyers are offering 5c lb. on unborn lambs full delivery, but are not getting any business. . . . In Arizona, some sales of spring wool are reported at 20c. . . . J. W. White of Mason has bought of McMillan Bros. for spring delivery 400 coming steer yearlings at \$35.

New items in stock: Empson raw kraut, in tins; Del Monte green asparagus; fresh prunes (or black plums) in tins, whole ripe figs in tins; assorted jams and preserves at new lower prices; strawberry and assorted jams in family-size tins, cheaper than home-made. Gann Grocery Company. Most items in the grocers' shelves are 20 to 30 per cent cheaper than a year ago.

The volume of advertising in leading magazines and newspapers is considered an index of the condition of industry and trade. On the average it is said advertising is now running about 15 per cent below the same period last year, which is not such a bad showing. . . . In California hundreds of horses purchased in Arizona and New Mexico at \$10 are being fattened in alfalfa pastures for slaughter. Packing houses pack the meat in tin for shipment to European countries where horse meat is regarded as a delicacy. Something else to worry over: Traffic accidents claimed 32,500 lives in the U. S. last year, and increase of 4 per cent over 1929.

Members of the Junction Volunteer Fire Department were in attendance at the district firemen's convention during the week, absorbing advanced ideas and methods of fire protection. Chief Hankins and his co-laborers are due every measure of praise and assistance in their unselfish efforts to reduce local fire hazards. . . . And every one who has the civic advancement of Junction at heart appreciates the splendid work of the Methodists who sponsored landscaping of the church premises.

WEATHER REPORT

A good rain last Saturday kept up the reputation that 1931 has set in raining each week. The rainfall was light but fell slowly all day. A north-easter Sunday and Monday brought the temperature to the freezing point Tuesday morning. This (Thursday) morning it is warmer and prospects are good for rain. Ranching and farming prospects are fine at this time.

Junction streets need paving.

DISTRICT GOVERNOR ADDRESSES LIONS CLUB

Lion Notable Discusses Progress Of Organization in Past 15 Years

At the regular meeting of the Junction Lions Club Wednesday noon at the club room at the Baptist Church, District Governor W. L. Dugger of San Antonio was the principal speaker. Dugger made an address to the club stressing the service which Lions Clubs are rendering throughout the world. He also pointed out the phenomenal growth of the Lions International in the 15 years since its inception, telling that Texas leads in the number of clubs. Other visitors present were: Messrs. W. B. Buster, Chris Schraub, and Guy C. Moses, all of Junction.

One of the features of the program was the presentation of the Lions Club Quartet, composed of Lions K. G. Durst, H. E. Wright, Walter Buck, and Norman K. Farmer. The quartet sang several short numbers.

The club voted to extend an invitation for the next group meeting of Lions Clubs of this district to be held in Junction in May.

Let Your Livestock Buy Your Feed----

A VISIT to calves now being fed by the 4-H Club boys and girls and the vocational agriculture boys convinces the officers of this bank that more feed should be grown in Kimble County and should be marketed through the livestock of the county. Many demonstrations have proved that the best way to market home-grown feed is through homegrown livestock. A visit to our own club calves will convince the most skeptical.

IT IS THE belief of this bank that our farmers and ranchmen should grow all the feed possible this season. The experience of those who are growing feed and feeding it to livestock proves that it is profitable. It brings more money when fed at home and the fertilizer enriches the land.

CONGRATULATIONS to our 4-H Club Members.
