AROUND MULESHOE

Although the Harmon Forecast was mailed on Tuesday, September 9, it had not arrived at the Journal by Wednesday, September 17.

Games for this week were chosen from a college book of upcoming games.

Mr. and Mrs. Tony Palma, formerly of New York, have purchased the former K-Bob's in Muleshoe.

They have re-named the restaurant. It is now known as *The Hungry Mule Steakhouse*.

Open house will be held in the near future.

Church's Fried Chicken, a branch of Dairy Queen, has purchased *The Chicken Dock* in Muleshoe.

The new owners and manager have instituted very few changes in operation of the restaurant.

Muleshoe Area Retired Teachers will begin the 1986-1987 year with a covered dish luncheon at the new meeting place, the 16th and Ave. D Church of Christ fellowship hall at 12 noon on Friday, September 19.

All retired teachers in this area are invited to attend, and help kickoff another year.

The Jennyslippers will sponsor skating tomorrow, Friday, at the Bailey County Coliseum. Admission is \$1 per skater and all youth are encouraged to attend.

Refreshments will be available.

Sudan's popular Anchor Brothers Band will open the Panhandle-South Plains Fair on Saturday, when they take to the stage on the outdoor stage for a concert at 2 p.m. and again at 9 p.m. Saturday. On Sunday, the Cont. Page C, Col. 2

HERO To Serve Baked Ham Meal For Homecoming

Muleshoe High School's HERO Club will serve the pre-game supper on Friday, September 19, prior to the Muleshoe vs. Hart homecoming game.

Serving hours will be from 5-7 p.m. in the Muleshoe High School cafeteria. Tickets will be \$4 for adults and \$3 for children under 12 years of age.

The meal will be homecooked and consists of baked ham, baked potatoes, green beans, hot rolls, tossed salad, fresh fruit and choice of cherry or apple cobbler, tea and coffee.

This meal is all you can eat, says HERO, so come and fill up before the game!!

Cross Country Teams Show Top Performance

Last Saturday, Coach Jerry Johnson took his cross country teams to Brownfield for competition and came home with three first place wins, and one second place.

Varsity boys placed first of 11 teams competing with 68 points. Individual placings were Rudy Flores, second, 17:19; Norman Perez, fifth, 17:58; Greg Garcia, 10th 18:11; Ramon Sanchez, 23rd, 19:07; Steven Sandoval, 30th 19:18; Miguel Sanchez, 36th 19:34 and Michael Garza, 47th, 19:56.

Varsity girls were second of 13 teams and 97 runners, with 85 points. Individually, Kelly Conklin, 15th, 15:10.6; Norma Castorena, 18th, 15:13.6; Jennifer Green, 21st, 15:18; Heather Hutton, 22nd, 15:19; JoAnn Gutierrez, 23rd, 15:20; Amy Alvarado, 34th, 15:37 and Esther Acosta, 59th, 16:22.

And the junior varsity boys were first of 10 teams with 64 points. Individual placings of the 81 total runners were Richard Ring, third, 18:38; George Alvarado, sixth, 19:37; Ronnie Perez, 15th, 20:37; Hector Reyes, 19th, 20:48; Joel Leyva, 37th, 22:05; Jeffery

CROWNED QUEEN-Sylvia Posadas, daughter of Sr. y Sra. Alfonso Posadas was crowned Queen of the Mexican Independence Festival conducted in Muleshoe last weekend. Her runners-up included Mina Guillen and Maria Vasquez. The coronation and dance topped off a full day of celebration in Muleshoe, which also included a Mexican Rodeo on Sunday afternoon.

Mules, Hart Set Homecoming Bash

It is believed that the Hart Longhorns will come to Muleshoe stomping and snorting -- and hankering to knock the Mules off the throne this Friday. Riding on the crest of two consecutive wins, both teams are expected to be 'up' for the game Friday night at 8 p.m. in Benny Douglass stadium in Muleshoe.

Also, to the Mules advantage may be that it will be homecoming, and a very large group of MHS students, ex-students and football fans are expected to be on hand -- especially since the weather is expected to fully cooperate to produce 'football weather' for the game.

Last Friday night, while the Mules were holding the Boys Ranch Roughriders back -- Hart was busy defeating longtime rival, the Nazareth Swifts, by a score of 31-27. The Longhorns are predicted to be in playoffs this year, according to fourth year head coach Mark Stroebel.

Quite the same attitude guides the Muleshoe Mules these days, as they are jubilant

with two straight wins, starting off the new year, 'just right.'

After two games, the Mules have accumulated 56 points total, while giving up only 27 to the two opposing teams.

And, the Mules have made 92

Cont. Page 8, Col. 5

Australian Farmer Guest Speaker Here

Jimmie Crawford presented a special guest speaker for the Muleshoe Rotary Club on Tuesday at noon. Blake Webster is a resident of Australia, residing in South Wales.

He is a farmer in that community. Webster told the Rotarians that the TV series "The Thornbirds" created a great deal of interest in Australia, as it was filmed in that country.

He also said the Australian dollar is valued less than the U.S. Dollar, and since the decrease in value of wheat, many farmers have sheep and cattle on pastureland, oats and barley.

He also said Australia is the largest producer of sheep and lamb of any country in the world. However, Australians slaughter livestock when it is still very young. Webster added that Australians consume a lot of grain fed lamb and beef.

He pointed out that with 24 inches of rainfall annually, it is very hot in the summer, and it makes it very difficult to compare the two areas, such as the South Plains who has a similar rainfall.

Rotarian James Lee, who served as chairman of the annual Bailey County West Plains Fair, held here the last weekend, was congratulated for his chairmanship of the fair. It was noted that under his guidance, the fair was bigger and better than ever. He said he wanted to especially thank everyone who participated in any manner - exhibitors, contributions of any item or money - and for everyone who attended the two day fair.

Guests at the meeting included Charles Christian, J.E. McKillip, Leon Watson, Ken Harvey and Annette Bond.

It was also announced that another rummage sale is scheduled for Saturday, September 20 in the old Anthony's building just south of Damron Drug on Main Street.

City Adopts New Budget; Ups Rates

Water, Sewer, Garbage Rates Increase; Tax Rate Same

Second Contest Features 'Tie' For Second Slot

It was apparently a wild weekend of college football for last Saturday, as everyone, literally everyone, found the contest to be harder than the first week.

All the top contestants missed five games, and that was the least number missed, as everyone else missed six or more games.

Even with a double tiebreaker score to try to keep from having ties among the top three contestants, this week, there was a tie for second place.

Nona Blake Douglass, who missed five games, was also closest on the tiebreaker score, at 55 points; tying for second place were J.D. Seaton of Lazbuddie and Buck Ragsdale, who was the winner (third place) last week, and in third place was Millie May. The second place tie were each 57 points away on the double tiebreaker score while third place winner, Mrs. May was 58 points off on the tiebreakers.

Mrs. Douglass will receive the first place weekly check of \$6 and 10 points; Seaton and Ragsdale will split second place money of \$3 and six points; and Mrs. May will receive a check for \$2 and four points.

Others who missed five games, and their tiebreaker scores were Armando Porras, 59; Deana Finck, 61; Alene Bryant, 61; Ruth Malone, 63; Richard Engelking, 64; Debbie Weir, 65; Johnnie D. Richey, 72 and one contestant was disqualified for not putting the score on the tiebreakers, while last week's first place winner, Dutch Larue of Dimmitt, was 75 points off on the tiebreakers.

A reminder! Be sure to put a score, such as 35 for one team and 15 for the other, beside each of the teams on the tiebreaker. An entry is disqualified without it. Also, please be sure your entry has your name and address.

CRP Acres Biggest In West, South Plains

Bids on 827,991 acres of land in Texas were accepted by the Agricultural Stabilization and Conservation Service in the U.S. Department of Agriculture's latest Conservation Reserve Program sign up for 1987, according to Jim Lutz, Bailey County district conservationist. Bids were accepted from 2,953 farmers, he said. In Bailey County, \$40 bids were accepted from 168 farmers on 53,642 acres.

Lutz said the state was divided into seven bidding pools. The highest bids accepted from pools I and II were \$40 per acre on 769,656 acres. These two pools make up the western one-third of the state, according to the conservationist.

Bids of up to \$35 per acre were accepted from pool III on 5,019 acres. This area includes Central Texas west of the Texas Blacklands. Bids of up to \$40 per acre were accepted on 33,025 acres in pools IV, V and VI. This area includes the Texas Blacklands, east Texas and part of Southwest Texas.

Bids of up to \$55 per acre were accepted from pool VII on 20,923 acres; this pool covers the Coastal Prairie and the Lower Rio Grande Valley.

Bids now have been accepted on a total of 4,086 farms totaling 1,137,454 acres. The latest sign up period, August 4-15, follows earlier ones held in March and May.

Cropland that is in Land Capability Class VI, VII and VIII or land that was eroding at greater than 3.5 times the tolerance level at sign up time was automatically accepted.

A lot of business was on the agenda for the Muleshoe City Council Tuesday morning when they met in the city hall council chamber. Included in the business was the adoption of six new ordinances for the city.

Ordinance No. 268A was adopted. It is "An Ordinance Approving the Adopting of a Budget for the Fiscal Year Beginning October 1, 1986 and Ending September 30, 1987."

The total budget adopted was for \$1,949,820.00 This breaks down to \$1,218,835.00 out of the general fund for payment of operating expenses and capital outlay. The sum of \$27,681.00 was appropriated from General Debt Service Fund for the purpose of paying accruing interest and redeeming serial bonds and warrants as they mature.

Out of the Water & Sewer Revenue Fund is \$472,250.00 for paying of operating expenses, capital outlay and debt service for the Water and Sewer Revenue Fund. Appropriated out of the Airport Fund for operating expenses and capital outlay of the Municipal Airport was the sum of \$6,825.00.

The sum of \$149,916.00 is appropriated out of the Sanderosa Well Field Fund for payment of the operating expenses and capital outlay of the Sanderosa Well Field. And, the sum of \$74,313.00 was appropriated out of the Waterworks and Sewer System General Obligation 1986 Interest and Sinking Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants, as they mature.

A little good news for taxpayers. The tax is the same as last year for property owners. It was to remain the same at \$.53 per \$100 valuation of property. This was the second ordinance adopted by city council members.

The third ordinance adopted was routine, concerning the Texas Municipal Retirement

System, and providing for annuities for retiring employees and their beneficiaries.

The fourth ordinance adopted concerned amending the 1985-1986 budget for the city of Muleshoe, including approving \$1,162,461 for the general fund; \$443,598 for Water and Sewer Revenue Bonds; \$245,412 for the Airport Fund and \$74,227 for Sanderosa Well Field Fund.

And, now for the bad news. But, the two ordinances approved to increase the water rate and the sewer and garbage rates, does not reflect that large an increase.

The minimum charge, \$5 remained the same for water rates. But water in excess of the minimum will be increased 10 cents per 1,000 gallons. Thus, if you use 10,000 gallons over the minimum, the increase would be \$1 per month.

Across the board, \$1 increase for sewer and garbage rates was approved. This will include both residence and business billings for sewer and garbage. So, to compute your new rate, simply add \$1 per

Cont. Page 8, Col. 5

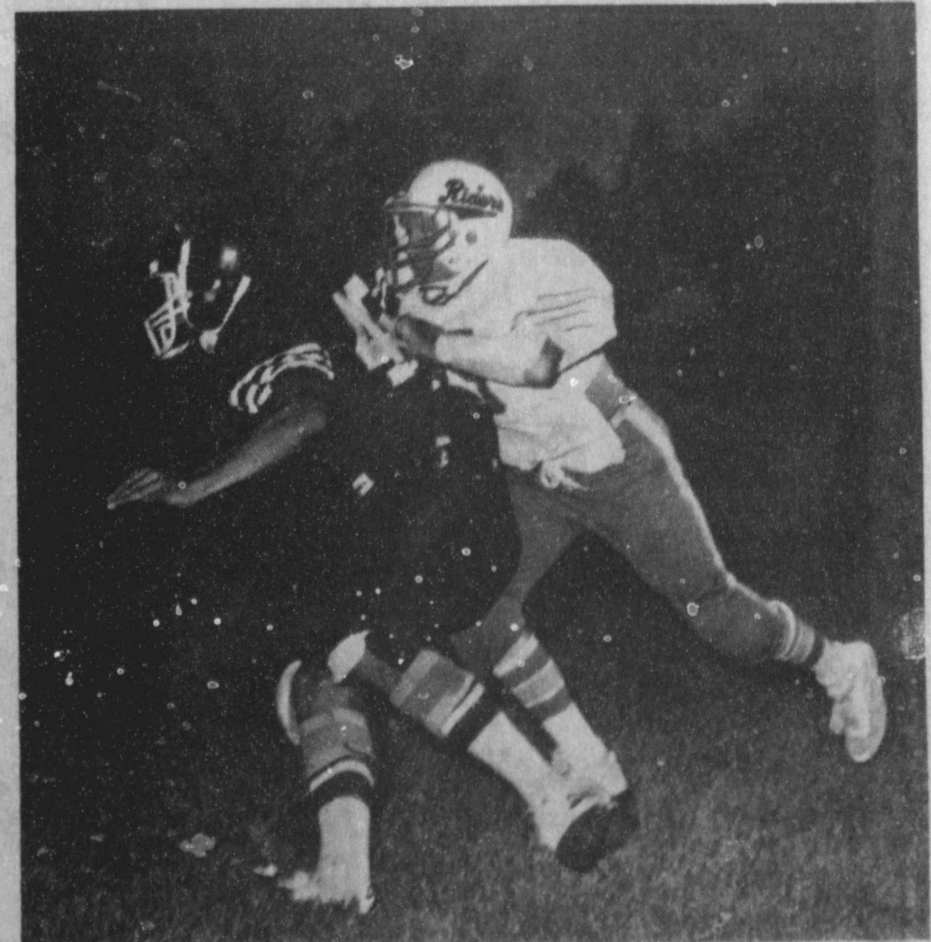

Lazbuddie Ready For Homecoming

Lazbuddie School homecoming activities get underway on Thursday, at 8:30 p.m. with a bonfire and pep rally at the school. All students, parents, and ex-students from the school are encouraged to attend the bonfire and pep rally tonight. Thursday, according to senior sponsor Rick Copp.

Copp said the seniors will be serving a Mexican supper from 5:30-7:30 p.m. Friday and again immediately following the football game with the Happy Cowboys. Included with the meal will be enchiladas, beans and all the trimmings. Tickets will be \$5 for adults and \$3 for children under the age of 10.

Preceding the game Friday night, the Homecoming King and Queen will be crowned at 7:30 p.m. at the football field, said Copp.

Candidates for King include Omar Sanchez, junior; Brian Glover, sophomore; Kurt Miller, sophomore and Kevin McGehee, freshman. Queen candidates are Traci Elliott, senior; Johnness Jennings, sophomore; Ginger Jesko, sophomore and Mia Jennings, freshman.

TAKING ADVANTAGE--A Boys Ranch Roughrider climbs the back of Michael Angeley, No. 46, during the Muleshoe-Boys Ranch football game last Friday night in Muleshoe. Angeley, who took over quarterbacking chores after starting QB Johnny Garcia received a head injury, made two touchdowns and two extra points in the Mules' 34-13 victory over the Roughriders.

Miss Carolyn Nail, Scott Repeat Marriage Vows

Miss Carolyn Sue Nail became the bride of Lee Carroll Scott in a candlelight ceremony at 7 p.m. Saturday, Aug. 2 in the Lazbuddie United Methodist Church. The Rev. Les Burrus read the double ring vows.

Parents of the couple are Travis and Janie Nail and Glenn and Adora Scott, all of Lazbuddie.

Adeana Carlyle of Lazbuddie accompanied Kerry Winders of Lubbock and Jonessa Jennings of Lazbuddie as they sang. Kerry Winders sang, "Longer." "The Candle Song" was sung by both Winders and Miss Jennings. Miss Jennings sang "Up Where We Belong."

Given in marriage by her parents, the bride chose a gown made of silk organza with empire neckline and fitted bodice, accented with silk organza wilked ruffles over the shoulders, embroidery flowers and seed pearls and skirt of same material with embroidery flowers and wilked ruffles flowed around to create the train.

Her hat was made of satin with seed pearls and wilked ruffles with her veil attached to the back of the crown.

Chandra Sanches of Amarillo served as matron of honor. Bridesmaids were Maureen Jesko of Lubbock and Becky Schacher and Sandra Nail, sister of the bride, both of Lazbuddie. Holly Engelking of Lazbuddie served as flower girl.

Noe Gonzales of Lazbuddie served as bestman. Groomsmen were Jr. Sanchez of Amarillo, and Larry Nail brother of the

bride, and Dewayne Ivy, both of Lazbuddie. Michael Nail, cousin of the bride, of Lazbuddie was ring bearer.

Candlelighters were Terry Steinbock, and Amos Nail, brother of the bride, both of Lazbuddie.

Following the ceremony, a reception was held in the fellowship hall. Those serving were: Traci Elliott, cousin of the groom, Cathy Schacher, Kim Gregory and Launa Brockman. Nancy Lueras, sister of the bride, served as receptionist.

Following a wedding trip to Colorado Springs, Colo., the couple are making their home in Lazbuddie.

The bride graduated from Lazbuddie High school in 1985, and is presently attending ENMU in Clovis, N.M., working towards an Associates Degree in Computer Information Systems. Scott is a 1984, graduate of Lazbuddie High School and is now attending ENMU in Clovis, where he is also working towards an Associates Degree in Computer Information Systems.

All flowers were made by Reta Nail, aunt of the bride, and all bridesmaids dresses were made by Louise Engelking.

Xi Omicron Xi Sorority Holds 'Beginning Day'

Tuesday, Sept. 9 members of Xi Omicron Xi Sorority started this year off with a festive "Mexico Night."

Meeting in the home of Jana St. Clair, a mealhosted by the social committee was served. The meal consisted of enchiladas, beans, hot sauce and tea. Pralines completed the meal.

In keeping with the theme Jana St. Clair decorated the eating area with brightly colored streamers. Members attended attired in Mexican dress.

It was reported that everyone enjoyed catching up on each others summer activities.

Following the meal, a business meeting was conducted with Debby Hutto, president, presiding. Members present were: Marilyn Riley, Lindy Schuster, Vicki Black, Gayla Toombs, Ricki Warren, Alice Liles, Debbie Nickels, Annette Bonds and Jana St. Clair.

Cole St. Clair drew Ricki Warren's name to win a brass windchime.

Surprise entertainment was provided by Justin, Adam and Cole St. Clair, who gave the members a lively display of their waterdogs.

No one should be judge in his own case.

-Publius Syrus.

A good and faithful judge prefers what is right to what is expedient.

MR. AND MRS. LEE CARROLL SCOTT
(nee Carolyn Sue Nail)

Mrs. McClanahan Honored With Baby Shower

A baby shower was held recently in the community room of the First National Bank of Sudan honoring Kim McClanahan.

The serving table was covered with a blue cloth and accented with an arrangement of assorted pastel colored flowers.

Cake, punch, mints and nuts were served from crystal appointments as well as "baby" paper plates.

The hostesses presented the

Muleshoe Squares Mary Alice Ramm

Muleshoe Squares met Thursday night, September 11, regular dance night at the American Legion Hall. We had a large club attendance and visiting dancers from Brownfield, Texas, Clovis and Portales, New Mexico. Virgil and Lillie Gillian, Vice-President North District, Tommy and Pat Brashears, State Delegates, were our special guest. Both couples are officers in the Lubbock Area Square and Round Dance Federation. A square from the Terry Twirlers Square Dance Club of Brownfield took our traveling banner. Incidentally, we hope to have a square or two to retrieve our traveling banner and to take theirs! As always we enjoy seeing and visiting with club members, visiting club guest and other visitors. See you in a square.

Muleshoe Squares will cancel their workshop night, September 18, 1986, to attend the Circle Eight Special at Littlefield Texas. Their dance will be held at the Community Center, 3rd & Ripley at 8:00 PM. Dennis Horn will be the caller for the evening.

Virgil Gillian, VP-North District LASRDF, presented badge bar: to club members selling one hundred or more state festival tickets. Those receiving these badge bars were: Bob and Nina Landers, Chester and Elinor Yerby, Lewis Wayne and Wanda Shafer, James and Shelly Turnbow for 1986, and Cathy Embry for 1985.

Club members remember the WTCTA Regular Dance and Marathon Dance is September 20, 1986, at the LASRD Center, Lubbock, Texas. Let our President James and Shelly Turnbow know if you are interested in the Marathon Dance as we need a square or squares to represent our club. To be eligible the same square or squares must dance together during the marathon. It cannot be a square from several clubs. Casual dress is appropriate for this dance.

BAILEY COUNTY SENT EXHIBIT TO WICHITA FALLS STATE FAIR

Committees were busy Wednesday arranging an exhibit to take to Wichita Falls Fair. We won ninth place in Amarillo, and scored high in cotton and corn, fruits and vegetables.

The exhibit that went to Wichita Falls is thought to be better than the one we took to Amarillo.

Bailey County has some wonderful crops this year. Taking the county as a whole we can make the oldest counties in the state take notice.

50 Years Ago

1936
BAILEY COUNTY WINS A \$50 PRIZE AT THE TRI-STATE FAIR, AMARILLO

Bailey county won a \$50 premium at the Tri-State fair at Amarillo this week, according to available information to the Journal Wednesday afternoon.

The exhibit consisted of 35 different crop specimens, all of a very fine quality donated by interested citizens, and was taken to Amarillo last Sunday and placed in the exhibit booth previously reserved.

Next week the same exhibit, with perhaps some fresher additions, will be taken to the South Plains fair at Lubbock.

Creative Living

by Sheryl Borden

Three interesting topics will be presented on "Creative Living" on Thursday, September 23 at 12 noon and repeated on Saturday, September 27 at 2:00 pm. (All times are Mountain.) Deniece Schofield is the author of two books: *Confessions of an Organized Housewife* and *Confessions of a Happily Organized Family*. She has come up with ingenious, easy-to-implement ideas to organize your home, your family and your life. Deniece serves as a spokesperson for Era Plus and will share tips with us on how being organized can save us money. Deniece is from Bountiful, UT.

Candy is the perfect gift for almost every occasion. Zella Junkin is the Manager of Consumer Affairs with Wilton Enterprises in Woodridge, IL, and she will show us how using candy melts and an assortment of creme centers and fillings, there's virtually no limit to the variety of fine candies you can make at home.

Clothes that work for the working woman will be presented by Carol Troy, Style Editor for Family Circle Magazine. Carol will provide some helpful hints for the working woman on what to buy and what to wear.

On Tuesday, September 23 at 9:30 pm creative microwave techniques will be presented by Cathy McCreery, home economist with the Reynolds Metals Co. from Dallas, TX. Also, Jane Schenck, Public Relations Manager for Pellon Corp. from New York will demonstrate how to make a "stitchless" hem that anyone can do, and it features a product from Pellon.

Finally, LaNell Wilkins, consumer cookware consultant for DuPont, Inc. will prepare a recipe in Silverstone cookware that is fit for an Hawaiian luau.

Two topics which pertain to sewing will be presented on "Creative Living" on Thursday, September 25 at 12 noon. Donna Grant is with the Singer Co. from Portland, OR, and she will demonstrate machine monogramming. She will show examples of different fabrics that work well for monogramming and explain how to set up the sewing machine and tell what supplies and equipment are needed.

Another item that will be presented is making soft luggage. It's really becoming popular in today's casual lifestyle. It's lightweight to carry and easy to care for, and it's also easy to make at home. Soft luggage made at home can be from a kit, or from fabric and notions you choose yourself. Susan Wright, Extension Clothing Specialist, NMSU, Las Cruces, will demonstrate how to make several different items of soft luggage.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 95 PBS stations in the United States, Canada, Guam, and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed

materials offered on the show by calling on KENW-TV's toll-free telephone lines. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112. Viewers are requested to call between 8:00 am and 5:00 pm, Monday through Friday.

CANDY FOR EVERY OCCASION

Candy melt coatings are available in light and dark cocoa flavors as well as in different-colored vanilla flavored coatings. You can create your own rainbow of colors and flavors by adding Candy Color and oil-based candy flavors. (Never use alcohol-based extracts.) Directions for dipping and molding are on the candy melt packages. Making luscious centers becomes simple with Wilton's mixes for creme centers, chocolate creme, marshmallow, water and fondant (the basis of creamy mints), and a variety of other delicious flavors such as strawberry and lemon.

BUTTERCREAM CENTERS
1 package Wilton Creme Center Mix, 3 Tbsps. hot water, 1 teaspoon vanilla, 1/4 C. butter or margarine, melted.

Place 1/2 (approximately 1 1/2 cups) of the Creme Center Mix, water, and vanilla in small mixing bowl. Mix at low speed

What About 'Sell By' Dates On Eggs

While "sell by" or expiration dates are not required on egg cartons, they do tell the consumer something about the freshness of the product.

"Most companies use a two-week or three-week period (from pack date to expiration date) for Grade AA eggs and three to four weeks for Grade A eggs," points out David B. Mellor, poultry marketing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

"Use of some kind of dating system on eggs or egg cartons enables store personnel to keep a better check on their stock and to rotate eggs so that some don't get left behind," notes Mellor.

However, he emphasizes that just because eggs have passed their "sell by" date doesn't mean that they are bad.

"Usually, the fresher the egg, the better," says Mellor. "However, month-old eggs that have been kept refrigerated are usually still Grade A."

The specialist points out that eggs are usually washed, sanitized and refrigerated immediately after lay and are shipped as rapidly as possible. Most of the time eggs are purchased by consumers within two to three weeks after lay.

"Use of 'sell by' dates probably does not speed up this process," contends Mellor. "But some type of date or identification is good to assure proper rotation in the store."

for 1 minute, then at high speed for 4 minutes. Add the remaining Creme Center Mix and melted butter and beat at high speed until thoroughly blended. Let set in bowl uncovered for 20-30 minutes.

Generously dust hands with powdered sugar. Pinch off small amount of mixture and roll into centers of desired size (3/4-inch is about right), or roll mixture into a log and cut into uniform pieces. Place centers on waxed paper and allow to air dry at room temperature to form a "Crust" before dipping into Candy Melts coating.

SPECIAL IDEAS: This basic buttercream center can be used for a variety of treats. Add colors or flavors of your choice. How about delicate apricot flavor and color, snuggled inside a cocoa-flavored coat? Or a creamy caramel-flavored center inside a cocoa-flavored coating, or a golden-tan vanilla-flavored coating? Or try one of these:

CHEERRY CORDIALS: Using an art brush, paint bonbon molds with a "shell" of confectionery coating. Refrigerate shells until firm. Drain a can of pitted tart red cherries, reserving juice. Mix 2 Tbsps. juice with 1/2 cup Creme Center Mix. Place small amount of this mixture in candy shell. Then place a single or a half cherry on top, leaving just enough room to seal candy with melted coating. Seal all edges carefully or candy will leak. Refrigerate to set, unmold and store at room temperature (best if aged 2-3 days before eating).

BRANDIED CHERRIES: Follow procedure for cherry cordials, except place drained cherries in a container, cover with brandy and marinate 24 hours. Drain brandy from cherries, reserve juice, and follow procedure as above.

Other recipes for candies are available from KENW-TV. You can request a leaflet entitled "Candy for Every Occasion" from Wilton Enterprises.

Consumers Eating More Chicken

Economy, convenience and nutrition are among the reasons chicken consumption has increased fifty percent in the last decade, says a Texas A&M University Agricultural Extension Service home economist.

According to consumer information specialist Beverly Rhoades, production efficiency has helped control costs so that chicken prices have risen much less than food prices in general over the last 15 years.

Health and fitness concerns have also spurred chicken consumption, she says, since chicken is a nutrient-dense food that's high in protein and low in calories. A three-ounce serving of white chicken meat contains only 160 calories.

Chicken is low in fat, cholesterol and sodium, unless you add these with ingredients when cooking, Rhodes notes. Removing skin and fat from chicken further reduces the fat and cholesterol levels.

Convenience may be one of the primary reasons consumers are choosing chicken more often, she adds.

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 4 de noviembre de 1986. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/255/8683 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Dale Newsom announce the engagement and approaching marriage of their daughter, Marissa Jan to Kevin Wayne Peterson, son of Mr. and Mrs. Wayne Peterson of Muleshoe. The bride elect owns and operates Rissa's Barber/Beauty Shop in Sudan. Peterson is employed by K.C. Mufflers and Mfg. in Muleshoe. An October 24 wedding at 6 p.m. is being planned in the home of the bride's parents. The couple will make their home in Sudan.

New Arrivals

John David Allison

Mr. and Mrs. David Allison of Austin are the proud parents of a son born at 10 a.m. Monday, Sept. 15 in an Austin hospital.

The young man weighed eight pounds and three ounces and has been named John David. He is the first child for the couple.

Grandparents are Johnny Allison of Muleshoe and Rosemary Kubiak of Round Rock.

Great grandparents are Mr. and Mrs. Alvin Allison of Muleshoe, Dr. and Mrs. Richard Archer of Amarillo and Opal Richards of Round Rock.

The judge is nothing but the law speaking.

Epsilon Delta Meeting Held At Earth

Epsilon Delta chapter of Delta Gamma Society International met Saturday, Sept. 8 at the Earth First Baptist Church.

Mrs. Nettie Belle Hilburn presented the program about Texas Education from the early settlers to the present. She reviewed the progress of education with emphasis on Lamb County.

Mrs. Ida Louise Clark, area coordinator, was a special guest. She encouraged everyone to attend the Area XI workshop at West Texas State University in Canyon on Saturday, Sept. 10. Registration will begin at 8:30 a.m. with the General Session at 9:30. The workshop will cover all areas of service in Delta Kappa Gamma. A luncheon will conclude the meeting.

Members attending from Sudan included: Mrs. Susan Baker, Mrs. Joyce Carr, Mrs. Peggy Lowrance, Mrs. Elsie Wilson, Mrs. LaDelta Vernon, Mrs. Georgeann Rasco and Mrs. Jackie McAlpin.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Cur-

rently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

1986 Farm Income Decrease Expected

While 1985 was a tough year economically for Texas farmers, 1986 likely will be worse.

That's the projection by Texas Agricultural Extension Service economist, Dr. Carl Anderson.

"Preliminary data show Texas farm receipts far below levels of the first half of 1985," say Anderson. "When the final bell rings on 1986, I expect overall cash receipts to be considerably less than in 1985, even with some improvement in livestock prices over the last half of the year."

A look at crop prices in the U.S. during the first half of 1986 show a 13 percent decline from levels a year before, the economist points out.

However, all is not bad on the farm front, notes Anderson, as lower fuel and interest costs may partially offset the drop in total cash receipts so that net farm income may be down only slightly from 1985.

And he offers a positive outlook for the coming year. "1987 promises to be a better price and income year than 1986," says Anderson. "The main thing producers need to do is to build their business around financial and price risk management."

Anderson also foresees an end to some of the world's best food bargains for U.S. consumers, especially in meat prices, as the market begins to make a turnaround.

Looking at the last 12 months, the economist notes that crop prices have continued to fall while livestock prices registered gains over 1985 levels. Farmers at mid year got more hogs, cattle, broilers, potatoes and eggs, but less corn, oranges and wheat.

At the same time, prices paid by farmers averaged just under levels of a year ago. Lower prices for feed and fuel were offset by higher prices for feeder livestock and building materials. Fuel prices were the lowest since September 1979.

"Cattle and hog prices in July averaged 10 percent more than a year earlier," Anderson also pointed out. "Hog prices were the highest they have been in four years."

He concluded that poultry and egg prices were up 24 percent compared to a year ago. Broiler prices jumped 8.4 cents a pound to 42.4 cents from June to July, the largest gain since records began in 1940.

Senior Citizen Bus To Travel To Lubbock Fair

Senior citizens are in for a 'real treat' when they attend the South Plains Fair on Senior Citizen Day, September 25.

Glen Williams of the Bailey County Aging Service said the senior citizen van will be available to make the trip to Lubbock for the fair.

Senior citizens wishing to ride the van to the fair should call Edd Harp at 272-4693 or Glen Williams at 272-3647.

Many activities will be on tap for the senior citizens attending the fair, according to Michael Moon, president of the Texas Tech University Health Science Center Nurses' Student Association.

Also, a luncheon will be served to those attending, including hot dogs, chips, fruit, cookies and soft drinks.

Activities will include a talent show, health fair, blood pressure screening, exercise demonstration, regional talent entertainment, games, including dominoes, checkers, dart throw, relay races and others. Also a dance contest is scheduled.

Muleshoe...

Cont. From Page 1

Anchor Brothers Band will perform at 2 and 8 p.m. and at the same times on Monday, September 22.

There will be no charge to attend any of the six concerts. The only charge will be the gate fee and parking for your vehicle.

Tonight, Thursday, the Anchor Brothers Band will open the Something Special IV at the Sudan High School auditorium at 7 p.m.

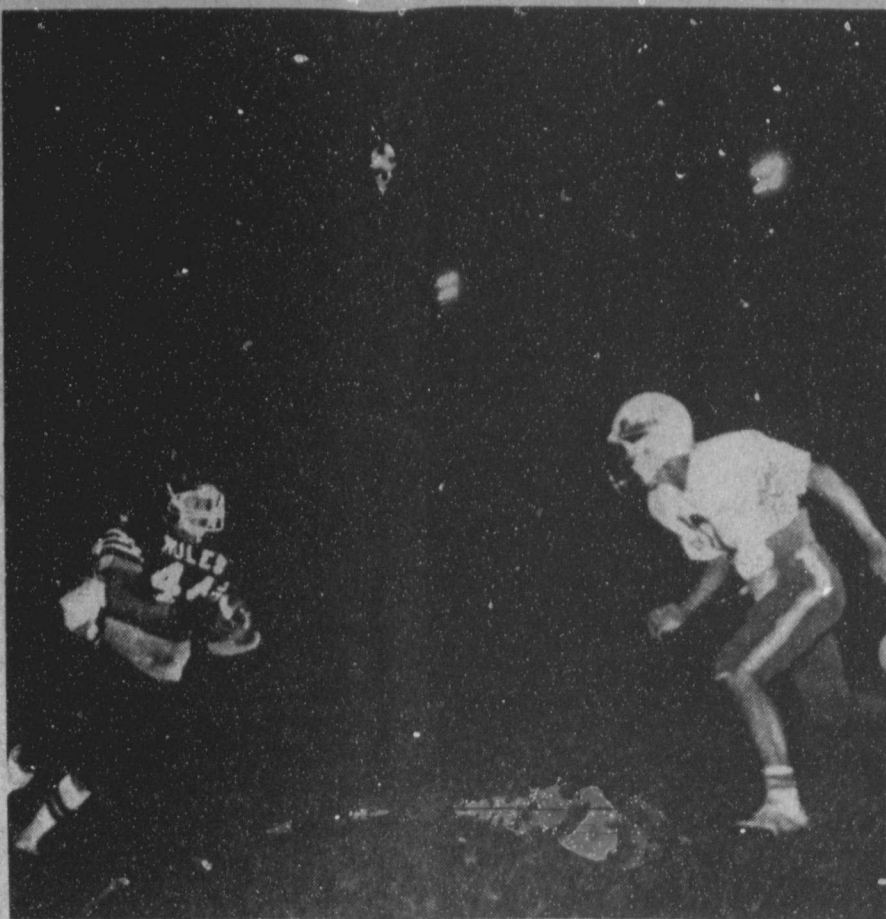

A comedy act will be featured, and special guest singers for the night will be the Gold City Quartet, a nationally recognized gospel group. For several weeks, the Gold City Quartet had the number one gospel song in the nation, just going out of first place during the past week.

Admission will be \$5 for adults for this very special "Something Special" and children under 12 will be admitted for \$2.50.

Army Reserve Pvt. 1st Class Dora J. Black, daughter of Houston M. Black, Sudan, has completed basic training at Fort Dix, N. J.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Alan Greenspan, economist: "There is always a chance (of a recession), but there is no evidence that we are creating the type of imbalances which will tilt us over into one."

HEADING HIM OFF AT THE PASS--Michael Dunham, No. 44, churns out some more yardage in the Muleshoe-Boys Ranch football game in Muleshoe last Friday night. After the game, the Mules were sitting on their second consecutive win of the year, taking the Roughriders, 34-13.

Social Security News & Views

People in the South Plains area who are thinking about retiring at the end of the year should seriously begin making plans now.

And, these plans should include Social Security. There are several considerations.

A person who plans to retire before age 65 should know that if he or she plans to start getting Social Security benefits, these benefits will be reduced. Social Security benefits are permanently reduced for people who start getting them between 62 and 65.

The amount of the reduction depends on the number of months benefits are received before age 65. Also, benefits can be paid only for the months the person is eligible throughout the entire month. This means that unless a person is born on the first or second day of a month, he or she cannot receive a benefit for the month of his or her 62nd birthday.

Also, a person who applies for benefits before age 65 generally cannot get benefits for any month before the month he or she applies. A person who applies after reaching age 65 can get benefits for up to 6 months before the month of application but not before the month he or she became 65.

Other factors can influence a person's decision about retirement. Availability of a company pension can influence the decision. So can a person's ability to continue working.

Once a person decides to retire, he or she should contact Social Security 2 or 3 months before the month benefits are to start. And, even if a person has no retirement plans, he or she should apply for Medicare health insurance 2 or 3 months before his or her 65th birthday to arrange for this protection.

A person needs certain information when applying. This

includes:

* His or her Social Security card or a record of the number.

* Proof of date of birth, preferably an official record of birth or baptism recorded before age 5.

* Form W-2 or self-employment tax return, including Schedule SE, for the previous year.

A person should not delay applying if all this information is not available. Call the nearest Social Security office. The people there may be able to suggest other evidence that may be used. A free leaflet, *Thinking about retiring?*, is also available at the office, located at 1611-10th, Suite 100, Lubbock, Texas 79401. The telephone number is 743-7381.

Committee To Plan Activities For All Muleshoe

Last week, the Muleshoe Chamber of Commerce and Agriculture called a meeting to discuss the formation of an ongoing action committee to plan activities for Muleshoe.

Fourteen businesses were represented at the meeting last Thursday, with C of C president, Charles Moraw, presiding.

The group voted to form a committee of six to plan meetings for the group, but to let the entire group make final decisions on activities. Eddy Morris was elected chairman of the committee, and he will pick the other five committee members.

This was followed by a discussion on ideas, promotions and problems faced by local merchants.

The next meeting will be October 9, at 10 a.m. in the City Hall council chambers. All businesses and professional organizations are invited to attend this meeting to help decide upcoming events for Muleshoe. Please mark your calendar and plan to be at the meetings.

Toni Eagle, manager of the Muleshoe C of C commented, "The Chamber of Commerce is inviting and urging every member to be present, if possible. Coffee and Spudnuts will be served, so come spend your coffee break with us. One thirty minute coffee break a month, spent with the group, could help Muleshoe more than you think."

Mules Homecoming

Cont. From Page 1

rushes on the ground, for 519 yards, while their opponents have 69 rushes for 322 yards. In passing, the Mules attempted 25, completing 11 for 192 yards for a 44 percent completion average, and an average of 17.5 yards per attempt. They have had two interceptions.

The Mules two opponents have attempted 33 passes, completing seven for 132 yards, or a percentage of 21.2 and yards accumulated through passing averaged 18.9.

Six punts by the Mules covered some 227 yards, breaking down to an average of 37.8 yards per punt.

In first downs, the Mules have 28 through rushing and five through passing for a total of 33, while their opponents have 25 total first downs, with 20 through rushing and five aerial first downs.

The Mules have had seven penalties for a total of 85 yards while their opponents have had 10 penalties for 80 yards. The Mules have lost the ball four times through fumbles, and their two opponents have lost four fumbles.

For individual statistics for the first two games of this year, Armando Del Toro has carried the ball 29 times for 179 yards, an average of 6.2 yards each time; Todd Bessire has 18 carries for 144 yards, an average of 8 yards each carry; Michael Dunham has 27 rushes to his credit for 141 yards; an average of 5.2 yards each time; Michael Angeley shows 11 carries for 45 yards; an average of 4.1 yards per carry; Sidney Lewis has carried four times for seven yards, 1.7 each carry; Johnny Garcia has three carries for three yards, 1 yard each time. The Mules now have 92 rushes for their 519 yards rushing.

Johnny Garcia has attempted 17 passes, completing eight for 173 yards, a 47.1 percent completion average, and has had one interception and one touchdown through the air. Michael Angeley has attempted eight passes, completing three for 19 yards, a 37.5 percent completion. Each has been intercepted one time, and each shows a touchdown through the air.

Armando Del Toro is leading

City Council...

Cont. From Page 1

month to your present rate.

City council members approved a resolution authorizing the city manager (Dave Marr) to execute a contract for professional services in the development, purchase and installation of computer software.

Marr will enter into a professional services contract with David Johnson, Municipal Software, Inc. of Arlington.

City council members were shown an artist's drawing of proposed improvements to the Mule Lot at the north end of Main Street, and authorized Marr to secure an estimated cost for Phase I improvements.

Possible improvements will include lighting, trees, a raised brick walkway, moving the water fountain, two permanent picnic tables, islands to restrict through traffic; a raised brick protective border around 'Fete' the Mule, and a brick walkway at the edge of highway 84.

A brief discussion of probable water sprinkler systems at the Sanderosa Well Field were discussed and Marr told the council members that the 'deal' for the airport land east of Muleshoe was closed on Monday, with the City of Muleshoe now officially owning the land for the proposed new airport.

receiver with three for 60 yards, or an average of 20 yards each reception; Jerry Mendoza has caught two passes for 70 yards, and averages 35 yards each reception; Todd Bessire has also received two passes, for 21 yards, an average of 10.5 yards for each reception; Scott Bickel had one reception for 10 yards; Shawn Bussey has one reception for 26 yards; Sidney Lewis has one completion for four yards and Michael Dunham has one reception for one yard.

Johnny Garcia has punted three times for 113 yards, an average of 37.7 yards each punt and Eddie Olivarez has punted three times for 114 yards, an average of 38 yards each punt.

In total yards, Armando has 179 rushing yards and 60 aerial yards for 239 to lead the offensive players; Johnny Garcia has passed for 173 yards and rushed for three yards, to total 176; Todd Bessire has 144 yards on the ground and one yard through the air for 167 yards; Michael Dunham has 141 rushing yards and one through the air for 142; Jerry Mendoza has no rushing yards and 70 in the air; Michael Angeley has 45 yards on the ground and 19 through the air for 64; Shawn Bussey has 26 through the air; Sidney Lewis has seven yards on the ground and four through the air for 11 while Scott Bickel has 10 yards through passing.

Del Toro has scored three touchdowns for 18 points. Michael Angeley has two touchdowns, and one extra point run for 14; Michael Dunham has one TD and two extra point tries for four points, a total of 10 points; Todd Bessire and Sidney Lewis each have one TD for six points. Greg Young has added two points to the score with extra point kicks.

"The enthusiasm of the football fans has really helped the team in the first two games," said head football coach, Dale Keeling. "They feel more like playing when the parents and friends in the stands are really cheering them on. We all appreciate the support we are getting for the team from the hometown."

Coach Keeling said the Mules still have a few problems to work out, but overall, he and his staff are pleased with their performance to date.

Don't forget, gametime is 8 p.m., but coronation of the Homecoming Queen is scheduled for 7:45 p.m.

CRP Acres...

Cont. From Page 1

this land.

Any questionable land that was determined to be eroding at an estimated rate of more than three times the tolerance level with an acceptable bid will be placed in the reserve, continued Lutz.

In determining estimated erosion, SCS personnel use the Universal Soil Loss Equation for water erosion and the Wind Erosion for wind erosion.

SCS Conservationists are now in the process of preparing conservation plans on land accepted into CRP. Cropland will be planted to grasses or wildlife plantings.

For land accepted into CRP, concluded Lutz, farmers will receive their per acre bid annually for ten years. They will also receive 50 percent cost-share assistance for establishing permanent vegetation or trees.

A good and faithful judge prefers what is right to what is expedient.

-Horace.

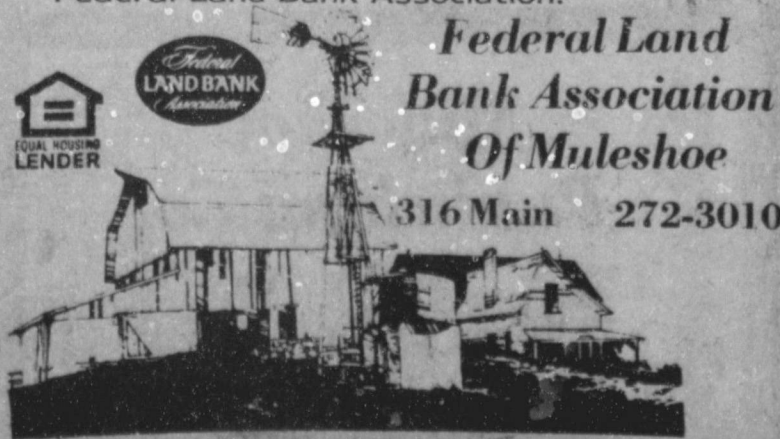

THEY'RE WINNERS--Mrs. Bill Taylor is shown with her 'bear' family that won a top prize during the annual Bailey County West Plains Fair last weekend in Muleshoe.

Ask the Land Bank about...
money to buy land or improve your farm.

Farmers today are looking at ways to increase their productivity...buying or improving land...building or remodeling facilities.

Whatever way you choose to grow, the Federal Land Bank can provide long-term credit to help.

So when you're looking to buy or build, stop in and talk to the long-term farm credit specialist at your Federal Land Bank Association.

Sales, Use Tax County Sales Down This Year

Everyone knows the economy is bad, and recent released figures from State Comptroller Bob Bullock tend to support this theory.

With 123 reporting outlets in Bailey County, gross sales for Bailey County for the first quarter of 1986 are reported to be \$14,950,725, down some 14.7 percent from the \$17,534,918 for the same period last year.

Cochran County, to the south of Bailey County, has reported a 10.3 percent increase for the same period. During the first quarter of 1986, gross sales of \$4,274,520, as compared to the \$3,873,836 reported by the 52 reporting outlets a year ago.

In Lamb County, to the east of Bailey County, the 250 reporting outlets indicate a decrease in gross sales of some 5.9 percent. Sales for the first quarter of 1985 were said to be \$40,959,162, compared to the first quarter sales this year of \$38,536,375.

Parmer County, to the north of Bailey County shows a whopping 47.1 percent decrease during the past year. With 126 reporting outlets, sales of \$31,032,897 were indicated for the first quarter of 1986, down from the 1985 figures of \$58,704,270.

Muleshoe Motor Company became another new business in the flourishing town of Muleshoe in 1927 when they opened their doors to sell the popular Ford automobile.

Robert and Maurine Hooten purchased Muleshoe Motor Company in 1964. They built new facilities and moved into them at their present location in January, 1973, where they continued to offer sales and services on all Ford and Mercury automobiles, pickups, and trucks. In 1983, Robert and Maurine purchased the Plymouth - Dodge - Chrysler franchise, adding it to the present Ford and Mercury series. This made it possible to offer their customers a wider selection of makes and models.

For many years Muleshoe Motor Company has offered sales and service of irrigation engines.

Today, Muleshoe Motor Company continues to serve the Muleshoe area with complete sales, parts, and service facilities.

Longhorn Roundup

By: Lazbuddie Journalism Class

Lazbuddie's homecoming will be Friday night against Happy. The seniors will be serving a Mexican food dinner before the game from 5:30 p.m. to 7:30 p.m. and also after the game. Prices are \$5.00 for adults and \$3.00 for children under 10. Homecoming festivities will begin with the bonfire on Thursday night at 8:30. Then on Friday, the crowning of the king and queen will be at 7:45 p.m., followed by the game at 8:00.

The Lazbuddie School band will be marching in the South Plains Fair parade at Lubbock on Saturday, September 20th. The students will attend the fair. The Lazbuddie band will march with the Texas Tech band at halftime of the Tech game. The Tech game will begin at 7:00 p.m.

Coach James Bartosh had some comments about the Lazbuddie Longhorns. In an interview, he said that the team is young and only has one senior. He stated that the team is progressing rapidly. He said, "Because of the team's youth, they are having a hard time coordinating the offense and the defense." He added that many of the returning players are in different positions than they had last year. "It's going to take at least until district to iron out the kinks on the team," said the coach. He further stated, "We have played two good opponents in Melrose and Springlake-Earth. Melrose could be one of the top teams in New Mexico, and Springlake-Earth is on Muleshoe's schedule as well as ours." The coach said that Tim Lust should be back before the Bovina game which is the first district game. "We have been beating ourselves with our own mistakes," said Coach Bartosh. "This is something we know we can work out because our offense is progressing more every week, and our defense is playing better against the pass."

Jarah and Brice Redwine entered their horses in the Curry County Fair on August 19.

Brice entered the 5 to 7 age group with his "Red". He entered the Western Pleasure and Command Class. He received 3rd in Barrels and 5th in Western Horsemanship.

Jarah entered the 8 to 10 age group with her "Hollywood Jr.". She received 2nd in Western Horsemanship and 2nd in Pole Bending. She also received 6th in Barrels and 1st in Command Class.

Wilbert Wiley Funeral Services Held Tuesday

Funeral services for Wilbert Wiley, Sr., 83, of post were held at 2:30 p.m. Tuesday in Pleasant Home Baptist Church with the Rev. Billy Wiley of Crosbyton officiating.

Interment was in Terrace Cemetery under the direction of Hudman Funeral Home. Wiley died Saturday afternoon at his home following a lengthy illness.

Born July 4, 1903, in Calvert, he was a retired farm worker and a Baptist.

Survivors include his wife, Emma Hyder of Post; two sons, Wilbert Jr. and Billy, both of Crosbyton; three stepsons, Robert Coppage of Lubbock and Edward and Mitchell Coppage, both of Crosbyton; eight stepdaughters, Mabel Willis of Slaton, Texanna Townsend of Muleshoe, Catherine Robinson of Crosbyton, Adra Lee Kennedy and Nell, both of Clovis, N.M., and Willie Lee Lewis, Odessa Lewis and Virdie Lewis, all of Lubbock; and 10 grandchildren.

Entertainment Abounds On State Fair Grounds

When it comes to value and diversity, the State Fair of Texas can't be beat as an entertainment bargain.

Where else could you see an ice show, pig race, high dive show, fireworks display, parade and a variety of concerts, including such stars as Randy Travis, Steve Wariner and Exile—all for \$5 or less?

State Fair general gate admission entitles Fair-goers to attend all of the above events, as well as an assortment of exhibits and impromptu performances by strolling entertainers.

The weekend admission cost is \$5 for adults and \$2 for children aged 5 to 11, with a \$1 discount off both prices on weekdays. Children under 5 are admitted free at all times, and senior citizens are admitted free on Tuesdays.

This year's State Fair runs 31 days, from Sept. 26 to Oct. 26, with a theme of "Texas 150," celebrating both the Lone Star State's Sesquicentennial and the 100th anniversary of the first state fair.

"Pepsi on Ice," an elaborately-costumed ice revue, will be presented at 2, 5:30, 6:30 and 7:30 p.m. each day on an outdoor rink in the center of the Esplanade.

Miller's "Great American High Diving Team" will perform daily at 1, 3, 5 and 8 p.m., with an additional show each Saturday at 11 a.m. Performances will take place in specially-built facilities at the outdoor exhibits area, between the Age of Steam Railroad Museum and the Texas Food and Fiber Pavilion.

Divers will plunge from springboards and ladders, some as tall as 80 feet, into an 8-foot-deep pool of water. Each show will include high dives, acrobatic dives, group dives and comedians.

Pig races, sponsored by WBAP Radio, will take place each weekend of the Fair except Oct. 10-12 at "Porkchop Downs," behind the Swine Barn.

Professional racing pigs, wearing custom-made racing silks, will compete at 6 p.m. on Fridays and at 3 p.m. on Saturdays and Sundays. Music will accompany the races, and celebrity starters will get the race underway.

Each night at 7 p.m. a parade featuring marching bands, floats, beauty queen, horse-drawn wagons and a variety of other participants will circle the grounds. Following the parade a fireworks display is set for 7:50 p.m. nightly.

The U. S. Marine Drum and Bugle Corps and Silent Drill Team will perform at 3:45 p.m. Sept. 26-29 on the Hall of State Plaza and at 4 p.m. Sept. 30 and Oct. 2-13 on the Esplanade Stage. Beginning Oct. 14, the Fourth Marine Aircraft Wing Band will play at 3 p.m. on the Esplanade Stage. None of the Marine groups will perform on Wednesdays.

Other military bands will include the Air Force Band of the West, playing at 11:30 a.m. Oct. 18 and 19 on the Coca-Cola Big Tex Stage, and the U. S. Navy's "Country Current," appearing at 11 a.m. Oct. 18 on Coors Stage 7.

Several concerts will be presented from outdoor stages located throughout the Fair grounds during the 31-day event.

Performers and their dates on the stage at Cotton Bowl Plaza will be T. Graham Brown, Sept. 28; Steve Wariner, Sept. 29; the Steve Wariner, Sept. 29; the Mac Band, Oct. 3 and 10; Keith Stegall, Oct. 4; Jim Collins, Oct. 5; the Maines Brothers Band, Oct. 11; Little Joe and La Familia, Oct. 12; Stallion, Oct. 13; Ultimate Force, Oct. 17; Frenchie Burke, Oct. 18; Exile, Oct. 19; Randy Travis, Oct. 20; Jewel Akens and the Boyz, Oct. 24; Chance, Oct. 25, and Sweethearts of the Rodeo, Oct. 26. Most concerts are at 6 and 8:30 p.m.

Alternating on the Cotton Bowl Plaza stage nearly every afternoon will be the Rob Dixon Band and the John Arnold Band.

At various times during the Fair Coors Stage 7 will feature Texoma, Boyfriend, the Nice Brothers and Swantz-LaFantz,

while performers on the Big Tex Coca-Cola stage will include Hank Thompson, Sazerac Jazz, The Shoppe, Clay and Sally Hart, the Longhorn Singers, Ballet Folklorico, Clyde Foley Cummins and Gresham.

Several square dance groups will perform in front of the Hall of State, and the Band Shell will be the site of the Lone Star Music Fest '86, with programs at 8:30 p.m. on Fridays and Saturdays and at 2 p.m. on Sundays, ranging from Texas swing to gospel and from Tejano to rock and roll.

Strolling entertainers who will perform at various times and in various locations will include Denny the Clown, Brave Combo, Crazy Ray and Garland Parnell's Monkey Business.

Three special events will be held during the Fair but will require tickets purchased in addition to the regular gate admission. They are the Broadway musical "Cats," Sept. 30-Oct. 19 in the Music Hall;

the "Third Annual Cotton Bowl Wrestling Spectacular" at 5 p.m. Oct. 12 in the Cotton Bowl, and the "Incredible Acrobats of China," daily in the Centennial Building.

"Cats," the national touring company production of one of Broadway's biggest hits, is an innovative and unconventional show based on T. S. Eliot's volume of light verse "Old Possum's Book of Practical Cats." Tickets range in price from \$6 to \$40 and can be bought at Rainbow Ticketmaster outlets or ordered by calling (214) 787-2000.

"The Incredible Acrobats of China" will perform eight times daily next to the China Pavilion in the Centennial Building. Admission is \$3 for adults and \$2 for children. The troupe presents amazing feats of juggling, balancing and gymnastics and has appeared on national television.

Wrestling tickets are on sale at Rainbow Ticketmaster outlets for \$25.50, \$18.50, \$15.50, \$10.50 and \$7.50, plus convenience charge. They will also be sold near the entrance to the Cotton Bowl and at the Fair gates on Oct. 12. The matches

will feature Bruiser Brody, Chris Adams, Steve Simpson, Abdullah the Butcher and two members of the well-known Von Erich wrestling family.

BIBLE VERSE

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength."

1. What rank did Jesus give to this commandment?
2. To whom was he speaking at the time?
3. Where may this commandment be found?
4. Can it be found in the Old Testament also?

Answers to Bible Verse

1. He said it was the "first" among all commandments.
2. One of the scribes.
3. Mark 12:30
4. Yes: Deut. 6:5.

The TIE that binds

A true love for our Lord and Saviour binds our hearts in Christian love.

This love encourages us to put our energies and efforts together to serve our Lord at home, at work, and at Church.

A truly wonderful fellowship exists for those who believe and worship together. Attend Church and worship with kindred minds.

"That I may come unto you with joy by the will of God, and may with you be refreshed."

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and for the demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

ORDINANCE NO. 268A
AN ORDINANCE APPROVING
THE ADOPTING OF A BUDGET
FOR THE FISCAL YEAR
BEGINNING OCTOBER 1, 1986
AND ENDING SEPTEMBER 30, 1987.

WHEREAS, the City Manager of the City of Muleshoe has prepared and submitted to the City Council a budget estimate of the expenditures and revenues for the City of Muleshoe of the fiscal year beginning October 1, 1986 and ending September 30, 1987, which has been approved and adopted.

NOW THEREFORE BE IT
ORDAINED BY THE CITY
COUNCIL OF THE CITY OF
MULESHOE, TEXAS.

Section 1. That the budget estimate of the revenues of the City of Muleshoe and the expenses of conducting the affairs thereof for the ensuing fiscal year, beginning October 1, 1986 and ending September 30, 1987, as submitted to the City Council by the City Manager of said City, and as changed or amended by the City Council, be and the same is, in all things, adopted and approved as the budget estimate of all the current expenses as well as the fixed charges against said City for the fiscal year beginning the 1st day of October, 1986, and ending the 30th day of September, 1987.

Section 2. That the sum of \$1,218,835.00 is hereby appropriated out of the General Fund for payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 3. That the sum of \$27,681.00 is hereby appropriated out of the General Debt Service Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants as they mature, on the general debt service bonds and warrants as listed in detailing the budget.

Section 4. That the sum of \$472,250.00 is hereby appropriated out of the Water & Sewer Revenue Fund for the purpose of paying operating expenses, capital outlay, and debt service for the Water & Sewer Revenue Fund, as set forth in detail in the budget.

Section 5. That the sum of \$0- is hereby appropriated out of the Revenue Sharing Fund for the payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 6. That the sum of \$6,825.00 is hereby appropriated out of the Airport Fund for payment of operating expenses and capital outlay of the Municipal Airport, as set forth in detail in the budget.

Section 7. That the sum of \$149,916.00 is hereby appropriated out of the Sanderosa Well Field Fund for payment of the operating expenses and capital outlay of the Sanderosa Well Field, as set forth in detail in the budget.

Section 8. That the sum of \$74,313.00 is hereby appropriated out of the Waterworks and Sewer System General Obligation 1986 Interest and Sinking Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants as they mature, on the City of Muleshoe, Texas Tax and Waterworks and Sewer System Subordinate Lien Certificates of Obligation, Series 1986.

ORDINANCE NO. 271A
AN ORDINANCE BY THE CITY
COUNCIL OF THE CITY OF
MULESHOE, TEXAS, AMENDING
THE BUDGET FOR THE
FISCAL YEAR 1985-86.

WHEREAS, The City Council of the City of Muleshoe desires to amend Sections 2, 4, 5 and 6 and add Section 7 to Ordinance No. 259A adopting a budget for the Fiscal Year beginning October 1, 1985 and ending September 30, 1986.

NOW THEREFORE BE IT
ORDAINED BY THE CITY
COUNCIL OF THE CITY OF
MULESHOE, TEXAS:

THAT Sections 2, 4, 5 and 6 of Ordinance No. 259A, dated September 17, 1985, adopting a budget for the City of Muleshoe for the Fiscal Year 1985-86 be amended to read:

Section 2. That the sum of \$1,162,461.00 is hereby appropriated out of the General Fund for payment of operating expenses and capital outlay of the City Government as set forth in detail in the budget.

Section 4. That the sum of \$443,598.00 is hereby appropriated out of the Water & Sewer Revenue Fund for the purpose of paying operating expenses, capital outlay, and debt service for the Water & Sewer Revenue

Fund, as set forth in detail in the budget.

Section 5. That the sum of \$0- is hereby appropriated out of the Revenue Sharing Fund for the payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 6. That the sum of \$245,412.00 is hereby appropriated out of the Airport Fund for payment of operating expenses and capital outlay of the Municipal Airport, as set forth in detail in the budget.

Section 7. That the sum of \$74,227.00 is hereby appropriated out of the Sanderosa Well Field Fund for the payment of the operating expenses and capital outlay of the Sanderosa Well Field, as set forth in detail in the budget.

PASSED AND APPROVED
THIS THE 16th DAY OF

A. THAT Article 1 of Chapter 17 of the Code of Ordinances, consisting of Section 17-10, is hereby repealed and supplanted, and shall hereinafter read as follows:

ARTICLE I. WATER SY-
STEM SECTION 17-10. WATER
RATES

a. The following uniform monthly rates shall be charged all persons, firms or corporations for the use of City water within the corporate limits of the City of Muleshoe.

1. \$5.00, which shall constitute a minimum charge.

2. For all water, not more than 50,000 gallons during any calendar month, being the next 50,000 gallons at \$1.05 per 1000 gallons.

3. For all water furnished in excess of 50,000 and not more than 100,000 gallons during any calendar month, being the next 50,000 gallons at \$1.30 per 1000 gallons.

4. For all water furnished in excess of 100,000 gallons during any calendar month at \$1.45 per 1000 gallons.

B. THAT if any section, subsection, paragraph, sentence, clause, phrase or word in this ordinance, or application thereof to any person or circumstance is held invalid by any court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this ordinance, and the City Council of Muleshoe, Texas, hereby declares it would have enacted such remaining portions despite any such invalidity.

C. THAT this ordinance shall be effective on and after the 16th day of September, 1986, and the City Secretary is hereby directed to publish the caption of this ordinance twice in the Muleshoe Journal within fourteen (14) days of its passage.

ORDINANCE NO. 269A
AN ORDINANCE LEVYING
TAXES OF THE USE AND
SUPPORT OF THE MUNI-
CIPAL GOVERNMENT OF THE
CITY OF MULESHOE, TEXAS,
AND PROVIDING FOR THE
INTEREST AND SINKING
FUND FOR THE YEAR
1986-87, AND PROVIDING FOR
THE TIME AND MANNER OF
PAYING THE AD VALOREM
TAXES LEVIED.NOW THEREFORE BE IT
ORDAINED BY THE CITY
COUNCIL OF THE CITY OF
MULESHOE, TEXAS:

SECTION 1. That there is hereby levied and there shall be collected for the use and support of the Municipal Government of the City of Muleshoe, Texas, for the year Nineteen Hundred Eighty-six (1986), upon all property, real, personal and mixed, within the corporate limits of said City subject to taxation, a tax of \$0.53 (fifty-three cents) on each One Hundred Dollars (\$100.00) valuation of property, said tax being so levied and apportioned to the specific purpose here in set forth:

For the maintenance and support of the General Government and for the operation of the City Government to be placed in the General Fund, of the total amount received, being \$0.53 on each One Hundred Dollars (\$100.00) valuation of property.

SECTION 2. All monies

collected under this ordinance for the specific items therein named, be and the same are hereby apportioned and set apart for the specific purpose indicated in each item and that the Assessor & Collector of taxes, the City Treasurer and the City Secretary shall keep these accounts so as to readily and distinctly show the amount collected, the amounts expended and the amount on hand at any time, belonging to such funds, it is hereby made the duty of the Tax Assessor & Collector and every such person collecting money for the City of Muleshoe to deliver to the City Secretary and the City Treasurer at the time of depositing any monies, a statement showing to what fund such deposit should be made and from what source received. All receipts for the City not specifically apportioned by this ordinance are hereby made payable to the General Fund of the City of Muleshoe.

SECTION 3. That the ad valorem taxes herein levied shall become due on the 1st day of October, 1986, and may be paid up to and including the following January 31st, with out penalty, but if not paid, such taxes shall become delinquent on the following day, February 1st, and the following penalty shall be payable thereon, to-wit: if paid during the month of February, six percent (6%); during the month of March, seven percent (7%); during the month of April, eight percent (8%); during the month of May, nine percent (9%); during the month of June, ten percent (10%); and on and after the 1st day of July, twelve percent (12%). Such unpaid taxes shall bear interest at the rate of twelve percent (12%) per annum from February 1st, 1987.

SECTION 4. All taxpayers shall be allowed discounts for the payment of taxes under the following conditions: (a) three percent (3%) discount on ad valorem taxes due, if such taxes are paid ninety (90) days before February 1st; (b) two percent (2%) discount on ad valorem taxes due, if such taxes are paid sixty (60) days before February 1st; (c) one percent (1%) discount on ad valorem taxes due, if such taxes are paid thirty (30) days before February 1st.

SECTION 5. The taxes herein levied shall be a first and prior lien against the property upon which they are assessed and the first lien shall be superior and prior to all other liens, charges and encumbrances, and this lien shall attach to personal property to the same extent and with the same priorities as to real estate.

SECTION 6. The liens provided herein shall attach as of January 1, 1987.

SECTION 7. Should any part of this ordinance be declared invalid, for any reason, that invalidity shall not affect the remainder of the ordinance, which remainder shall continue in full force and effect.

ORDINANCE NO. 273A
AN ORDINANCE AMENDING
CHAPTER 9, SECTION 9-5 OF
THE MULESHOE CITY CODE
OF 1974, REVISING GARBAGE
CHARGES FOR RESIDENCE
AND BUSINESSES IN THE
CITY OF MULESHOE.NOW THEREFORE BE IT
ORDAINED BY THE CITY
COUNCIL OF THE CITY OF
MULESHOE, TEXAS:

Section 1. THAT Chapter 9 of the Muleshoe City Code of 1974 is hereby amended by repealing Section 9-5 and adopting a new Section 9-5, which shall read as follows:

Sec. 9-5. Service Charge.

In order to defray the cost and expense of collective garbage, trash and rubbish in the City of Muleshoe, Texas, there is hereby levied and assessed, and there shall be charged and collected from each and every person, firm or corporation, owning, leasing, managing, occupying or operating any premises within the business and residential districts, for making such collection and removals of garbage, trash and rubbish, the following monthly service charges, to-wit:

(1) Residential service charges shall be computed according to the applicable residential category as set out below:

DESCRIPTION: Single family residence, MONTHLY CHARGE: \$6.50;
DESCRIPTION: Multi-family residences or trailer houses, MONTHLY CHARGES: \$6.50 per unit.

(2) The service charge per month for collection and removal of garbage and trash from houses, building and premises used for commercial and business purposes shall be computed according to the applicable category as set out in

the table below:

CATEGORIES [A] Single offices (Insurance, Real Estate, Attorneys, etc.) Automobile Dealer (sales only), Barber Shop, Beauty Shop, Boot & Shoe Repair, Drug Store (small), Finance Companies, Jewelry Store, Plumbing Shops, Recreation Clubs, Service Stations, Ready-to-wear Shops, Cleaners, Radio & T.V. Repair Shops, Shoe Stores, Churches, etc. \$8.00 MONTHLY CHARGE.

(B) Hotel, Appliance (small), Drug Stores (large), Hardware Store (small), Mail Order Stores, Stamp Redemption Stores, Tire Repair and Recapping, Laundries, Public Garages, Clinic, Blacksmith, Upholstery Shop, Machine Shop, Body Shops, Utility Office, Office Supply, Theaters, Bakeries, Restaurants, Post Office, Florist, petroleum Wholesalers, etc. \$11.00 MONTHLY CHARGE.

(C) Appliance Dealers (large), Auto Supply (large), Department Store (small), Hardware Store (large), Variety Store (small), Implement Dealers, Meat Processing Plants, Farm Supply (feed & seed), Newspaper Publishing, etc. \$13.00 MONTHLY CHARGE.

(D) Lumber Yards, Furniture Stores, Office Buildings, Banks, Department Stores (large), Variety Stores (large), Auto Sales and Service, etc. \$15.00 MONTHLY CHARGE.

(E) Special Accounts - If a customer has special conditions which require that individual container(s) be placed at a special location (s), the following rates will be charged: Each 3 Cu. Yard Container \$26.00.

The above charges allow for five (5) pick-ups per week. Any

additional pick-ups in excess of five (5) per week will be charged at the rate of \$7.00 per pickup.

Those customers generally requiring special accounts shall include, but shall not be limited to: Grocery Stores, Schools, Motels, Drive-in Food and Drink, Hotels, Furniture Stores, Restaurants, Court House, Hospitals, Electric Co-op Associations, Seed Cleaning and Delinting, etc.

(3) The service fees herein provided for shall be billed by the City Utility Billing Department and collected from the owner, occupant, tenant or lessee in whose name the water account is carried. Where the owner, occupant, tenant, or lessee has no water account with the City, then billing for garbage and trash collection service shall be rendered to the person, firm or corporation receiving such service. It shall be the duty of the City Utility Billing Department to notify each resident user and bill them for service each month with their water bill and said bill shall be due on the 1st day of each month and payable in the same manner as the water bills are paid, and subject to the same penalties as the water bills. Failure to pay any monthly bill when due shall authorize the City to discontinue the service, and such discontinuance of the service shall not relieve any person from the duty and obligation to remove trash, rubbish and garbage at least once each day in the business districts, and at least twice a week in the residential districts, and refusal to so remove shall constitute a violation of this article.

A&M marketing experts
say top executives
not in tune with sales force

COLLEGE STATION — A survey by Texas A&M University marketing specialists suggests top executives are not in tune with their sales forces in the field.

"Upper level executives, including chief executive officers, regional and national sales managers and vice presidents of marketing, tend to have a more positive feeling about the climate of the organization and control mechanisms while district sales managers at the low end of the echelon consistently express more negative feelings," Dr. James Leigh said after polling more than 400 marketing executives.

Leigh and Dr. Charles Futrell, both of the Marketing Department in Texas A&M's College of Business Administration, surveyed executives who participated in one or more of the college's Center for Executive Development programs. The executives represented more than 100 firms with anywhere from under 100 to over 5,000 employees. Findings appear in the Journal of Business Research.

"Upper management should be particularly concerned by the consistency of these findings because the district sales manager is in charge of the lifeblood of the company — the sales force," said Leigh. "It's imperative that top managers don't assume everything is 'hunky-dory' at the lower levels. Perhaps there should be greater attention paid to views of lower-level managers. After all, what district managers do has a great impact on bottom-line activity, namely sales," the researcher said.

LOUISA'S LETTER

Dear Louisa,
I have a problem I can't cope with. Maybe you can help me.

I am 27 years old and have been married 9 1/2 years, and have two children. My husband stays away from home quite a bit and drinks alot. I asked him what I was doing wrong to make him stay away all the time, but he says I am doing nothing wrong.

About 3 months ago, my brother moved in with us and he is continuously asking my husband to take him to this place to see a girl. She has (my brother's girlfriend) a 13 year old daughter and I have heard that my brother has been making dates with her for my husband, although he denies knowing anything about it. He even denies taking my brother to see her and I have witnesses that have seen them there. He refuses to tell me her name or telephone number.

What should I do? Believe my husband or investigate further myself.

Please answer soon, I need your advice.
-Suspicious--La.

Answer:
If what you say is true it seems to me that your best

plan is to ask your brother to find another home. On the other hand, no husband strays unless he wishes to do so, but the temptation is there if he associates with a young pet. As far as being interested in a thirteen year old girl, a married man involved with a child that age is looking for trouble and can be prosecuted by law officials. Your brother's choice of friends must be a very poor one if they accept a married man as a date for a child. I think your first step should be to ask your brother to leave.

✓ Firm Offer

If the new Farm Bill has you confused about the options you have to market your cotton crop, talk to your ginner about the TELCOT advantage. You'll see why thousands of farmers rely on the cotton marketing leader, **TELCOT**...the window of the marketplace!

MULE'S TALE

Thursday, September 18, 1986

Official Publication of Muleshoe High School Written and Edited by Students of the Muleshoe Schools

Down The Halls

Scott, are you starting a new hair trend? (Keep dreaming)

Johnny Garcia has been sidelined with a head injury. We want to wish him a speedy recovery.

Shannon S. and Michael D., want to elaborate on that back to school party? (In other words, did the nice policeman let you "play" in his car?)

Jodi W., Can you teach my car to roll over and play dead, too?

School day pictures will be taken Tuesday, September 23. Please dress accordingly. Everyone will need to have their picture done for the 1987 Mule-tain.

Congratulations are in order for Sue Haire, who won a free meal at Leal's in Mrs. Wrinkle's Lit Wit contest. Summaries of 25 books were given and Sue was able to name all 25 of them.

Hick's Is Named Sophomore President

The Sophomore Class Officers were elected last week. Incoming officers for 1986-87 are: President-Jeff Hicks; Vice-President-Selina Gonzales; Secretary-Treasurer-Michelle Cox; Publicity Chairman/Reporter-Lisa Noble and Student Council Representative-Michelle Stout. Assisting the class as sponsors will be Dale and Denise Keeling.

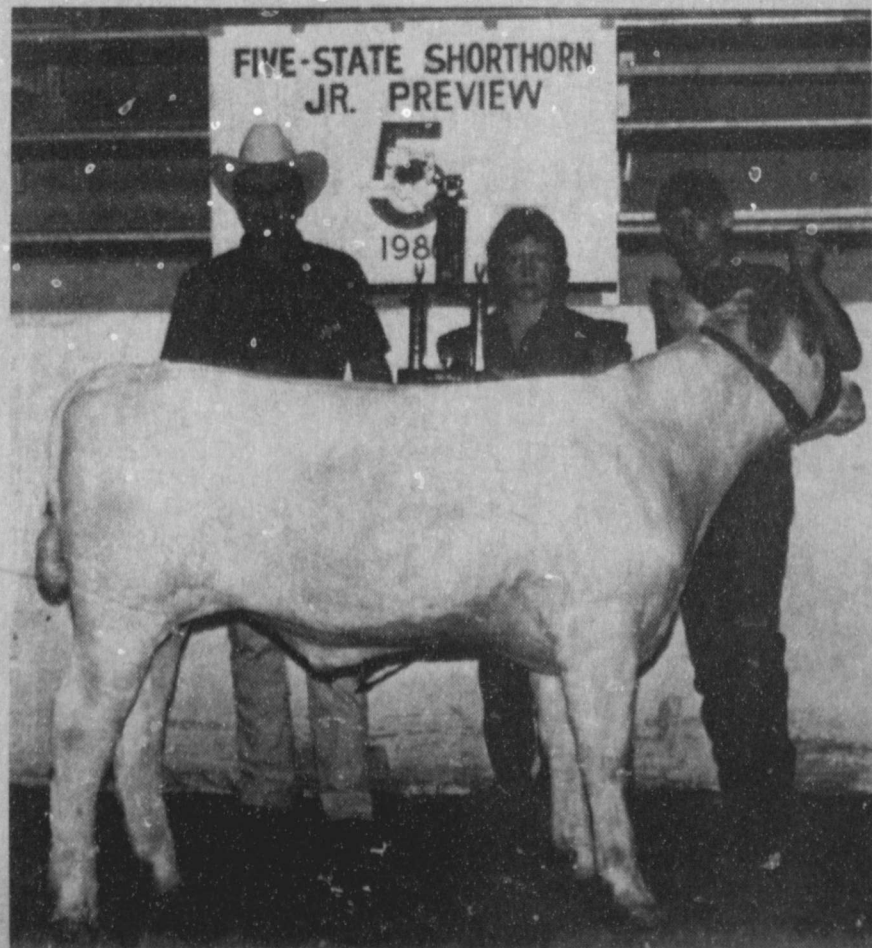

'Little' Mules Win Opener

The Muleshoe 9th grade team is 1-1. The Mules won their opener against Herford 20-0. Doug Chitwood scored two TD's on two "bootleg" passes, and Efrén Herrera scored once on a sweep around the right end.

The Mules never really got started against Plainview. The Bulldog's first three scoring drives began on the Mule's 10, 15, and 13 yardlines. Danny Pollard scored on a 1 yard quarterback sneak for the Mules only score.

Wheeler Wins Grand Champion

Shawn Wheeler has recently participated in the Five State Shorthorn Association Judging Contest and Preview Show in Guyman, Oklahoma. He came out on top with the Grand Champion steer and a check for \$1,000.00. Shawn has been actively involved in FFA for three years and his awards reflect his willingness to work.

Homecoming Candidates Are Chosen

Four young ladies have been selected as candidates for the 1986-87 homecoming queen at Muleshoe High School. The queen will be crowned during pregame festivities Friday night, September 19, at Benny Douglas stadium, prior to the Muleshoe-Hart game. Candidates for the honor are Tisha Cox, Debbie Isaac, Casey King, and Caroline Liles. Candidates will select their own escorts. The MHS Mighty M band will assist with background music for the coronation, which will begin at 7:30 p.m.

Tisha, a senior at MHS, is the daughter of Mr. and Mrs. Butch Cox; Debbie, who is also a senior, is the daughter of Mr.

Mules/ Mustangs In Big Battle

The JV mules traveled to Olton for the first game of the season. They won with a blowout score of 20-0. The mules had 223 yds. total offense. Shannon Simnacher had 150 yds. rushing. Jeff Hicks had one TD from 8 yds. out and Steven Sandoval had 5 catches for 65 yds., 2 were touchdowns. Hicks also had 2 interceptions.

The mules lost their second game of the season to the Boys Ranch Rough riders 12-6.

and Mrs. Charles Isaac. Casey's parents are Mr. and Mrs. Joe King, and she is also a senior; Caroline, a junior student, is the daughter of Mr. and Mrs. Bill Liles.

Various school classes and organizations are preparing homecoming floats, and the winners will be featured at the pep rally, which will begin at 3:30 p.m. Friday afternoon. School patrons are invited to attend the pep rally and it is suggested that they be in the gym by 3:25. HECE is sponsoring a pregame supper, featuring baked ham, which will be served from 5:00 to 7:00 p.m. in the high school cafeteria. Cost is \$4.00 for adults and \$2.50 for children.

Cross Country Has Started With 'Bang'

The beginning of school not only signals the approaching of fall and football season, but also of another challenging sport on the rise at Muleshoe High School: cross-country. Cross-country is unlike other track events in that the race is run on courses through fields, parks, and roads. Boys run a three mile course and girls run a two mile course. Although the sport is fairly new to MHS, both boy's and girl's teams have been very successful at it with the boys participating in the state meet in Austin four times and winning the championship twice, and the girls participating at state for the first time last year. Hopes are high that the end of this year's season will see both teams back in Austin.

Practice for cross-country started on August eighteenth and will continue into November. With thirty-five girls and nineteen boys running, Muleshoe High School has one of the largest teams in Texas. Most of these runners have competed in two meets already. A practice meet was held in Clovis on September third and both girls and boys were victorious. On September sixth, the teams traveled to Levelland where the girls took first place over Dalhart, the team that placed third at state last year. The boys finished second behind Boy's Ranch and Rudy Flores, a Muleshoe Runner, took first place as an individual.

Cross Country teams traveled to Brownfield Saturday, Sept-

This week new teachers are being welcomed to the MHS faculty. The annual staff welcomes them and encourages everyone to make them feel a part of the school.

A new science teacher is Stu Dinwiddie, who teaches physical science and Biology II. He graduated from Columbia College. Mr. Dinwiddie has been married for 17 years and has one daughter, Sheila, who is in the 7th grade. His hobbies include nature photography and woodworking. At present, he is the national director of nature print study for the Photography Society of America.

Mr. Dinwiddie's most embarrassing moment was when he was in the army. He ordered

a general out of his computer van because he did not think he had the proper clearance to be in the van while classified work was being done. He did not know the man was a general when he ordered him out. When asked about his reception at MHS, he commented that he was very surprised as none of the other schools at which he has taught made him feel as welcome as MHS - that goes for students and fellow teachers - and he would like to say "Thanks!"

Micheal Summers, who teaches biology, is another new teacher this year at MHS. He graduated from Wayland Baptist University, and his hobbies include reading, wild-

life, golf, and photography. Mr. Summers says he really likes living in Muleshoe and that he anticipates having a good year at MHS.

Stephanie Barrett teaches Algebra I, pre-algebra, and informal geometry. She taught at Watson Jr. High for the past four years. Mrs. Barrett graduated from Eastern New Mexico University. She and her husband, Robbie, have two children, Robbie and Zack. Mrs. Barrett commented that she is very happy to be a part of the high school and that the faculty and students have been fantastic. She would like to thank them for making her feel so welcome.

Another new face at MHS is Jim Stewart, who is an assistant coach as well as a teacher of English IV, consumer math, and honors US history. He graduated from Baylor University, and last year he taught and coached at Dickinson High School in Dickinson, Texas. Coach Stewart says that he really enjoys living in Muleshoe.

Colleen Tollett teaches introduction to computers, consumer math, and fundamentals of math. She graduated from Eastern New Mexico University. Her hobbies include camping, gardening, softball, and riding her motorcycle. Mrs. Tollett and her husband have two children. Having to pronounce her last name several times before someone gets it right causes her the most embarrassment. Mrs. Tollett says that she loves Muleshoe and that the students are very polite.

Another new teacher at MHS this year is Kyle Carver. Coach Carver teaches U.S. History and assists on the coaching staff. He graduated from West Texas State University. His wife, Shelley, teaches at Watson Jr. High. His hobbies include all sports. Coach Carver's most embarrassing moment was watching himself on Channel 6 when "Meet the Mules" night was shown. His "Hick" accent was too much for him.

Barbara Milburn is the new librarian at MHS this year. She graduated from Panhandle State in Goodwill, Oklahoma. Mrs. Milburn has two children, Jenny Oliver and Bill Milburn, and her hobbies include needlepoint, reading and her grandchildren. Mrs. Milburn is not new to Muleshoe, having lived here for 17 years. She commented that she had rather live here than anywhere else. She taught at Mary DeShazo last year and formerly taught at the junior high level. Mrs. Milburn says that she is impressed with the quality of education and positive attitudes of students and staff at MHS.

Mark Heidel is the new band director this year. He graduated from Texas Tech University, and his hobbies include chess, tennis, hunting, fishing, and reading. Mr. Heidel was a student teacher at Lubbock Monterey last year. He thinks that living in Muleshoe is great and says that he appreciated the community and the faculty/administration of Muleshoe ISD for encouraging and supporting the Mighty "M" band program.

Students and faculty would like to extend a big Muleshoe welcome to all of the new teachers at Muleshoe High School.

SCAC Installs Officers During First Meeting

The Student Community Action Club (S.C.A.C.) met Tuesday, August 26, 1986, in the home of Debbie Isaac for a formal officer installation. Vice-president, Mike Holt, presided over the meeting in place of last year's president, Loy Triana, who was unable to attend the meeting having already left for college.

The meeting came to order as new members were welcomed and the minutes were read by secretary Sherri Stovall. Darren Albertson and Richard Munschmidt reported on the clean up day at the James Ranch House and Muleshoe Depot, which was held in preparation of the openhouse and board meeting conducted by the Muleshoe Heritage Foundation. Jana Brown reported on the open house, where S.C.A.C. served as a welcoming committee. At the open house S.C.A.C. was commended for serving as a support group of the Muleshoe Heritage Foundation, for the enthusiasm shown by the young people, and for the money contributed by the club.

The installation of new officers was then conducted by the outgoing officers. Each outgoing officer presented the incoming officer with a scroll, reading their duties from it, and issuing a challenge. The following officers participated:

Outgoing, Vice-president, Mike

Holt, Secretary, Sherri Stovall, Treasurer, Stacy Smith, Reporter, Susan Lunsford, Historian, Debbie Isaac.

Incoming President, Debbie Isaac, Vice-president Leah Bell, Secretary, Casey King, Treasurer, Darren Albertson, Reporter, Jennifer Green, Historian, Elizabeth Posadas.

The installation was concluded by the formal singing over duties from old officers to new officers. The S.C.A.C. sponsor, Jean Allison, commended the outgoing officers for an outstanding job, and presented each with a gift of appreciation.

Debbie Isaac conducted a short business meeting with the new officers, making plans to meet the third Tuesday of every month. The time and place of the next meeting was adjourned and the hostess, Debbie Isaac, served refreshments to those present, including sponsors Jean Allison and John Gulley.

DECA Names New Leader

Muleshoe high school DECA met Wed. morning Sept. 10, at 8:00 a.m. room 24. Reading DECA activities will be Rudy Flores president. Also serving executive committee are V. President Maggie Navajar; Secretary, Shannon Sides; Treasurer, Chantel Robinson; Reporter Roy Ramos; Historian; Linda Recio; Student Council Representative; Glen Flowers; Parliamentary; Lauri Kinard.

Reyes, 20:48; 37th Joel Leyva, 22:05; 59th Jeffery King, 23:08.

Varsity Boys, 1st Place with 68 points: 2nd Rudy Flores, 17:19; 5th Norman Perez, 17:58; 10th Greg Garcia, 18:11; 23rd Ramon Sanchez, 19:07; 30th Steven Sandoval, 19:18; 36th Miguel Sanchez, 19:34; 47th Michael Garza, 19:56.

Next meet will be Saturday September 20th at Plainview.
