Chamber Of Commerce Doings: Chamber of Commerce Committees Make Report on Month's Activity

The Chamber of Commerce has been in operation for one month. Listed below is a summary of the calendar of events during the month of June. These projects are listed by their respective committees, showing the work that has been accomplished for our city.

HIGHWAY COMMITTEE:
1. Work has been started on a State highway from Spur to Post. Plans are being laid for a hearing in Austin concerning the project and we hope to have a State highway within the near future. This highway is badly needed for traffic going north and south.
2. The fixing of the Wood and Senn Crossings on the Salt Fork of the Brazos for the oil crew workers. This new project which is almost completed will bring the oil personnel into Spur for their business. It will also serve the people in the southern part of our county.

CIVIC IMPROVEMENT AND CITY DEVELOPMENT COMMITTEE:
1. City lighting project with mercury-vapor lights from the City light plant to Hill Street. This project will beautify our City and will give better vision down Burlington.
2. The new program of extending our city limits to increase our City population. This will bring many new residents into our City and will start a larger expansion program in the City of Spur. This project is well underway and may new residents will be added to our City in the near future.

PARK AND RECREATION COMMITTEE:
1. Plans are being laid for a new and better community park in Spur. Much work will have to be done to beautify our park. New lights are needed, new barbecue pits, tables, and fountains. Grass will have to be sodded, roads repaired leading into the park, and shrubbery planted. A care-taker to look after these facilities will have to be hired. All of this requires much planning and we hope to have one of the best parks in West Texas soon.

Local Youths Attend Baptist Encampment

Junior Boys from the first among the 1036 boys and sponsors of Baptist of District 9 who attended the Baptist Youth Encampment at Floydada this week.

Attending from the local church were Bruce Long, Jimmy Gabriel, Jerry Whitmore, Eddie Don Hagins, Jennings Long, Max Gabriel, Sammie Caudle, Gary Whitmore, Ronnie Ensey, Billy Watson, and sponsors, Ronald Comer, Darvin Callihan, and Joe Long. This group returned to Spur Wednesday.

Ladies from Spur who served in the camp kitchen on Wednesday were Mmes. Elmer Hagins and Melvin Rathel and Misses Bonnie Ijames and Bobbie Morrow. C. Melvin Rathel, pastor of the First Baptist Church, has been teaching the counselors' course at the encampment.

Robert Ensey and Chester Lindsey left Wednesday evening to attend the Intermediate Camp. Ronald Comer and Darvin Callihan remained at Floydada for this camp also.

Dates for other camps have been announced as follows: General Camp, July 3-5; Junior Girls Camp, July 10-12; and Intermediate Camp, July 17-19.

NEW YORK—The largest propellers ever made for a twin screw passenger ship in the United States are shown here enroute from Quincy, Mass., where they will be installed on the new 1,000 passenger liner S.S. Constitution. Each of these giant propellers, one of which is shown in transit aboard a Fruehauf Platform Trailer, weighs 54,500 pounds and has a diameter of 19 feet 6 inches. The cone shaped object is a fairwater cap which is mounted on the end of the propeller shaft for streamlining. The S.S. Constitution and a sister ship S.S. Independence are now under construction at Quincy.

Local Girl Scouts Return From Camp At Las Leonitas

Members of local Girl Scout Troops I and II returned Wednesday, June 28, from the Girl Scout Camp at Las Leonitas at Buffalo Lake in Lubbock. This camp is sponsored each year by the Lions Club of Lubbock.

Lou Ann Comer, daughter of Mr. and Mrs. L. L. Comer, Alice Jo Crockett, daughter of Mr. and Mrs. R. C. Crockett and Carolyn Kelley, daughter of Mr. and Mrs. O. L. Kelley, received their first-class badges just prior to their leaving for camp, Wednesday, June 21.

As First-Class Girl Scouts, these girls were made a part of the "pioneers" unit of the camp. They lived in tents for a week and cooked all of their meals out of doors. Clay modeling was also a part of their work as well as swimming instruction given by Red Cross swimmers. These girls, all members of Spur Girl Scout Troop I, were accompanied by Erma Lou Gannon and Mrs. V. C. Smart, Jr., also of Troop I.

Billy Sue Gregory and Marilyn Miller were the girl scouts representing Troop II at the camp. They participated in the flag ceremonies, hiking and also in the swimming portion of the camp program.

First Performance Of All Girl Rodeo Draws Large Crowd

Cowgirls from all over West Texas and Oklahoma met yesterday June 28, to start off a fast two night All Girl Rodeo at Dickens Koonie Park at 8:00 p. m.

Featured events will be calf roping, barrel race, jackpot cow milking, cutting horse contest, and exhibition bull riding. There will also be a Men's Jackpot roping during the rodeo.

This rodeo is approved by the Girls Rodeo Association of Texas. Entrants are from Amarillo, Gatesville, Plomot, Spur, San Angelo, Oklahoma, Jacksboro, Wildorado, and many more.

Announcers for both nights will be Eric Swenson and Rob Simmons. The admission will be adults \$1.00, and children 50 cents, tax included.

If you want spills and excitement come on out to Koonie Park in Dickens tonight for the last performance of this All Girl Rodeo! states Johnnie Koonsman.

Roaring Springs To Have Gospel Meet At Church of Christ

The Roaring Springs Church of Christ meeting Sunday July 9th. Bro. Ted Norton, for the third summer, will be the evangelist. As he will not arrive until Monday, July 10, Bro. C. V. Allen of Spur (regular preacher) will begin the meeting on the 9th.

Bro. Norton is a fine Christian gentleman and an interesting and sincere gospel preacher. Everyone in this area is invited to attend the services. A good singer is being arranged for. Both morning and evening services will be conducted.

Transient Business Law To Be Enforced

The Civic Improvement and City Development Committee has been considering a City ordinance which was passed in 1939 this week. The ordinance proposed the licensing and issuing of a permit to transient businesses and peddlers. This ordinance requires that a permit be secured before doing business in Spur.

Plans are being made to enforce this old ordinance on businesses which are not permanently established. The enforcement of this ordinance would result in ridding the city of many undesirable peddlers.

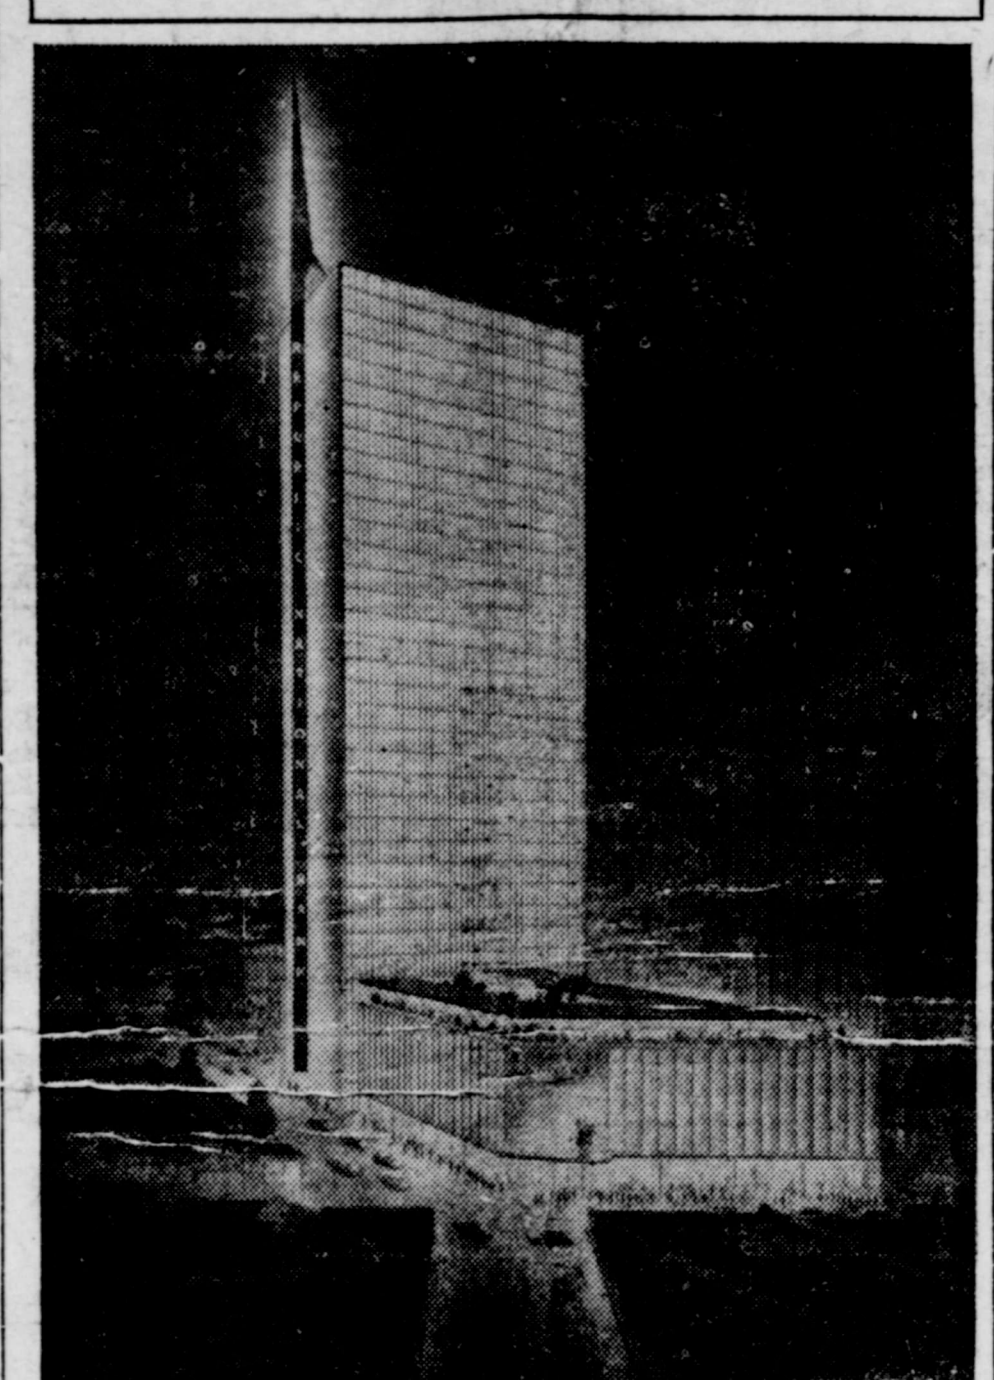

Clean Vacant Lots Urges C. of C.

The Chamber of Commerce requests that property owners who have vacant lots within the City limits will cooperate in cleaning the weeds from these lots. Leon Huff, manager of the local Chamber of Commerce, states that he had numerous calls regarding lots within the city.

Weeds and trash which have accumulated on these lots mar the appearance of the City and create a fire and health hazard to our neighbors. These lots make an excellent breeding place for flies and other insects.

It will only take a little effort on the part of each of us to clean these vacant lots, and it will be worth much to all of us in our City health and sanitation program, states Huff. Let's give some thought and consideration to neighbors and the City by helping keep Spur clean.

TALLEST BUILDING IN THE SOUTHWEST

One of the largest and finest office buildings ever erected in this country, shown above, will soon dominate the skyline of this city. The new Republic Bank Building, announced recently by Fred F. Florence, President of the Republic National Bank, will embody the most modern and advanced architecture, including every convenience possible for both customers of the Bank and tenants of the building. The tallest building in the Southwest, it will soar 440 feet in height. It will be the largest and most modern structure erected in the United States to include a garage and motor banking, together with banking quarters and office building. The main shaft of the building will rise 36 stories above the ground with an additional four stories below the street level. Its tower, extending some 160 feet further into the sky, will give the structure an overall height of 600 feet.

OLD SETTLERS MEET AT DICKENS PICNIC

The Old Settlers Picnic which began today at Dickens will be featured tonight with the last performance of the All Girl Rodeo.

Friday June 30, is the last day of the Old Settlers festivities and the following schedule will be observed, 4 p. m. Fiddlers Contest; 5:30 p. m. Old Settlers Dance; 8 p. m. the Spur 'All Stars' (colored) will meet the 'Red Sox' of Abilene in a baseball game; and 8:30 p. m. Young Folks dance, with Fred Short and his Carolina Tumbleweeds furnishing the music.

The Dudley Carnival which was booked for the two day event, adds extra entertainment and excitement to both young and old.

There will be a prize given to the oldest person attending the picnic.

The Old Settlers Picnic is sponsored by the Dickens Lions Club and plans are being made to make this an annual event.

All roads leading to the Dickens County Old Settlers Picnic, states Jake Varnell.

Last Rites For Mrs. M. F. Norris

Funeral services were held for Mrs. M. F. Norris, 71, in the Methodist Church in Afton, Monday June 26, at 4 p. m. Rev. Berry Baker officiated the services.

Mrs. Norris moved to Dickens County in 1918 and was living with a daughter in Kennewick, Washington when she died.

She is survived by 2 sons L. D. of Afton, J. W. of Battle Creek, Michigan; 4 daughters Mrs. B. H. Shields of Kennewick, Washington, Mrs. Lee Anderson of Ocean Park, Calif., Mrs. W. J. Wilson, Strathmore, Calif., Mrs. L. B. Shields of McAdoo; 1 brother W. M. Spears of Coahoma, 21 grandchildren and 32 great grandchildren.

Chandler Funeral Chapel was in charge of all arrangements. Interment was in Red Mud Cemetery.

Dickens Owls Meet RAF Nine Saturday

The Dickens Owls will tangle with the baseball team of Reese Air Base of Lubbock, Saturday, July 1, at Koonie Park in Dickens. Joe King of Spur will pitch for the Owls. Game time is 8:30 p. m. Admission is 50 cents and 25 cents.

These few rules: When driving, drive defensively. Stop often and rest so that you may remain alert at the wheel. Check your vehicle carefully before starting on a trip. And remember that intoxicating drinks and driving do not mix. If you plan to go in swimming, know the place in which you will swim. Do not swim immediately after eating. Do not stay in the water after you become tired. If you cannot swim, stay out of deep water. If you must use firearms, handle them with care. Know your target, and do not shoot in unprotected places. Refrain from horse play while carrying firearms. If you must celebrate with the aid of fireworks, remember that each little firecracker or skyrocket is potentially dangerous. Remember that fireworks are a very great fire hazard, and when using them, always respect the rights of other people around you.

Each person expects to have a day of pleasure on the 4th of July. It has grown to have that meaning in the minds of each of us and we fail to remember that our holiday might be spoiled by an accident or tragedy involving either ourselves or one of our loved ones. That insurance against accidents is to use care and caution in all daily activities, regardless of how simple they may seem.

The Texas Safety Association states that if each of us would but stop and think and exercise a little care and a lot of good common sense, that many of these lives can be saved. Remember

Death Claims Ray E. Dickson; Final Tributes Paid Wednesday

R. E. Dickson, who long has been closely identified with the agricultural progress of West Texas, and who has been superintendent of the Spur Experiment substation since 1914, died at 3:45 p. m. Monday June 26 in West Texas Hospital in Lubbock. He was 61.

Dickson's death was attributed to coronary thrombosis. He entered the hospital in Lubbock last Thursday after having been stricken Wednesday at his home on the grounds of the experiment substation here.

Spur Legion Downs Brownfield Nine 13-7

The Legionaire nine of Spur managed to squelch a Brownfield attempt at a last-inning rally, pushing the guest team under here Wednesday afternoon with a score of 13-7.

Clyde Blair, Spur pitcher for the first five innings, allowed six hits against the hard-hitting Brownfield nine. John L. Koonsman took the mound in the sixth, allowing three hits to the opposing team in the remaining innings.

Spur took the lead by bringing in three runs in the first inning. Brownfield rallied, however, in the second with one tally and added two more in the third, tying up the ball game 3-3. Stockton, pitcher for the guest nine, allowed eight hits and struck out four. Spur took three runs in the third, four in the fourth, one in the fifth and four in the sixth inning.

Star hitters for the afternoon game were Swarngen of Spur, with three homers and Odell of Brownfield hitting a single, double and triple. Eleven errors were attributed to the Brownfield team with the local boys committing two.

The Spur victory enabled the local nine to stay in the running for the conference championship.

Garbage and Trash Disposal Included In City of Spur Service Now

One of the largest steps taken by our City Commissioners for public health and sanitation is the adoption of an ordinance for the removal and disposal of garbage, trash and rubbish within our City limits.

The ordinance requires all owners, tenants or lessees of all residences, churches, schools, lodges and commercial businesses that are within the city limits to provide garbage containers for garbage and trash.

Employees of the City of Spur will empty containers at regular intervals. The containers must be placed in an accessible place for the convenience of City employees.

A slight charge depending on the class of service and frequency of disposal will be charged by the City of Spur. The charge will be included on the monthly water and sewer bill. It will be shown as the Garbage and Trash, and Sewer Charge.

The City will need the help of each citizen and business in Spur in obtaining these covered containers for the disposal of trash and garbage. Each residence and business establishment should procure these containers now and start making a habit of using these containers regularly for the disposal of trash.

A great improvement of our City when these containers are used for trash instead of cluttering up streets and alleys.

Congressman Mahon Candidate for House

Announcement of his candidacy for re-election to the House of Representatives from the 19th District of Texas is being made formally through the press of the District by Congressman George Mahon, Mahon has met with requirements of all the counties of the District.

Water and soil conservation were his special fields, as well as converting plant material that can be grown on the plains areas of West Texas into the type of meat animals best suited to that section.

Water and soil conservation Discoveries at Spur led to the creation of the present Soil Conservation service of the U. S. Department of Agriculture. The first of a bill was creating this service was written at the Spur station and was used as the basis for two bills introduced by the late Rep. Buchanan of Texas in Congress.

Survivors include his wife, and one daughter, Mrs. Wm. Hillier of Spur, 1 sister, Mrs. W. A. Holly of Greenville. A son preceded him in death several years ago. He has 4 grandchildren.

"Melody Boys" To Sing Friday Night

The "Melody Boys" quartet of Odds (Pop) Echols will be presented Friday night, June 30 at 8:30 p. m. at the Primary Auditorium. They are sponsored by the Highway Home Demonstration Club.

The quartet will present a varied program including the red headed "Toby" act as a feature. Popular western and religious songs will be sung. Everyone is cordially invited to attend this program.

At this time, in addition to his regular assignments, Mahon is aggressively seeking to prevent passage of a pending proposal which would shift a large portion of the West Texas cotton acreage allotment to Central and South Texas in 1951.

Earlier in the session Mahon secured approval by the House of the bill he handles which provided funds for the operation of the Army, Navy and Air Force. The Senate has not yet passed the measure and final agreement between the House and Senate cannot be secured until this is done.

We are now in a very dangerous and difficult time in the history of the nation, and as the representative from the 19th District, I am seeking as best I can to measure up to the terrific responsibilities

American Jersey Show Oct. 13-20

The All American Jersey Show and Junior Jersey Exposition, offering \$10,000 in premiums and trophies valued at \$35,000, will be the featured livestock attraction at the Mid-Century Exposition of the 1950 State Fair of Texas, Ray W. Wilson, manager of the Fair livestock department, has announced.

For the show, destined to be the greatest dairy cattle show in the 65 year history of the State

Fair, are Oct. 13-20. Gates will swing open on Oct. 7 for the Mid-Century Exposition and will remain open through Oct. 22.

Since Texas leads the nation in the number of purebred and grade Jerseys, it is natural that the greatest state fair in the world should be selected at the site for this great show, Wilson said.

Stiff competition is expected when Jersey breeders from 35 states and Canada bring their herds to the State Fair to compete for top place money and trophies. Premiums in all livestock shows total \$72,659, the largest in the Fair's history, Wilson explained.

Cattle will be judged Tuesday, October 17, through Thursday, October 19, in the nation will go on the auction block Friday, October 20, October 19. Jerseys from the top in the Sale of Stars.

An outstanding exhibit featuring the highest producing Jersey cow, Orland Signal Vol. Sable, owned by Chester Elliff of Tulsa, Texas, will be sponsored by the Texas Jersey Cattle Club and the American Jersey Cattle Club.

Officials for the show include W. W. Yapp, Urbana, Ill., judge, and Ted Besh, Cherryville, N. C., associate judge. F. W. Atkeson, Manhattan, Kans., will judge the Junior Jersey Exposition and Paul Jackson, Wilmington, Ohio, will serve as associate judge. M. J. Regan, Columbia, Mo., will score the Junior Judging Contest, Monday, October 16.

With more and more interest

being directed toward the dairy industry in Texas and the Southwest, officials of the State Fair, the Texas and American Jersey Cattle Clubs are going all out to make the All American Jersey Show and Junior Jersey Exposition the biggest and finest dairy cattle show in the nation, Wilson stated.

Texas Employment Commission Has Job Openings

Competitive examinations for positions with the Texas Employment Commission and the State Department of Public Welfare will be given on August 5, according to a statement issued by Cras. S. Gardiner Director of the Merit System Council.

Examinations being offered are for the positions of Clerk-Typist, Stenographer, Field Worker, Interviewer, Auditor, and Tabulating Equipment Operator.

Gardiner stated that there is always a great need for Stenographers in every part of the State. The demand for Typist, Interviewers, Field Workers and Auditors is limited primarily to the smaller cities and towns of the state. Tabulating Equipment Operators are located only in Austin, Texas.

Gardiner pointed out the favorable working conditions in the state departments under the Merit System. The advantages offered include good salaries, permanent employment, promotional possibilities based upon merit, and liberal vacation, sick leave, and retirement benefits.

Qualifications for the positions vary from high school graduation to college graduation. Appropriate

experience may be substituted for the required education in many cases.

Application blanks for these examinations are available at the local office of the Texas Employment Commission or the State Department of Public Welfare. Or you may write the Merit System Council, 1000 San Antonio Street, Austin, Texas. Applications must be postmarked before midnight

Black and White

Lesson for July 2, 1950

A GROCER in Minneapolis received a letter from a former customer who had left the city owing a large grocery bill. "I have been converted in a revival here," the letter said, "and I want to make everything right in my life that has been wrong." Enclosed there was a certified check for the old bill. The grocer wired back: "Who was the evangelist who converted you? We need him in Minneapolis."

Dr. Foreman

Conversion is God's operation on the heart. No one can actually see the heart, but if the operation is successful, the symptoms of disease will disappear and the symptoms of health can be seen by any one. The patient is a new man.

Jacob Black
PERHAPS the most notable case of conversion in the Bible, aside from the Apostle Paul, is the man named Jacob. His life is a study in black and white; up to a certain point hardly anything good could be said of him, but after that point he can hardly be accused of anything bad.

All his younger days he was principally noted for giving trouble to other people and "doing them out of" something he wanted for himself. First he tricked his older brother into selling him the family birthright, for the ridiculous price of a bowl of soup (pottage).

You would not think any one would sell his birthright; but Jacob caught Esau when he was dog-hungry. Then we see him outsmarting his brother again by birthright; Jacob was that time a shameless liar and thief. It became so hot for him at home that he had to leave town.

We have a glimpse of him on his journey, dreaming about a ladder to heaven. Evidently his conscience did not trouble him. Indeed, he proceeds to bargain even with God; if God will prosper him, he says, he will see that God gets ten percent. God did indeed prosper him; but he grew no better for it.

The rest of his life, for the next twenty years, is one piece of trickery after another, he and his uncle Laban taking turns trying to outsmart each other, with Jacob usually coming out ahead.

Jacob White
THINGS came to a climax on the night when Jacob, fearing death at Esau's hands, arranged his family to go ahead of him, keeping himself in the safest place in the rear. . . and there at last he came face to face with God.

The story of his all-night struggle at the brook Jabbok is a strange one; but one thing is certain. After that night even his name was changed, for the man himself was a new man.

He is patient in trouble, no longer resentful. He is not only a good man himself, he does his best to help others. He conducts what can only be called a family revival; he persuades one and all to give up the idols they had been worshipping and turn to the one true God. He offers sacrifices, like his fathers before him.

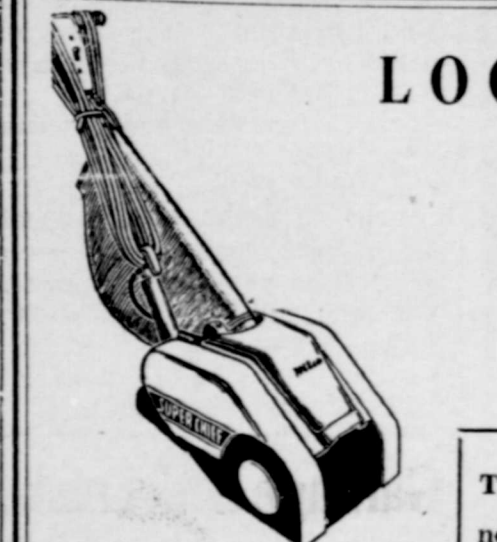

He goes down into Egypt at last, a humble man, no longer the conceited young crook he had been when he went to Padan-Aram. He depends now on God and not on himself.

The God of Jacob
A FAMILIAR Psalm carries this refrain: "The God of Jacob is our refuge." Why the God of Jacob, not Abraham nor Isaac? Well, if it were only the God of Abraham most of us might as well give up. For Abraham was a great genius—a man such as appears scarcely once in a century. Or if he were the God of Isaac only, we would be led to think of him as caring especially for the weak-minded, the lame and the lazy. But Jacob—just a plain man full of meanness! Yes; the same God who changed him can change the meanest of us. The real test of religion is not what support it can give to nobles, or what comfort it gives to the weak. The real test of religion is: Can God turn black into white? Can God take an ordinary, conceited, slippery customer and make a good man of him? The God of Jacob can do this; and he is the God most of us need.

Texas Voters Puzzled on What They Expect of New Governor

Austin, June 24. — A majority of Texas voters can't think of any questions to ask the candidates for governor.

Given an opportunity by The Texas Poll to pose questions for the candidates, only 44 per cent of a representative cross section of voters could think of anything to ask. The minds of thinking voters, however, are not so blank. For candidates to discuss. More questions were raised about money and taxes than about any other subject.

The five top issues, in order of their frequency of mention by voters, are as follows:

1. State finances and taxation.
 2. Old-age pensions.
 3. Veterans' bonus.
 4. Education.
 5. Racial segregation, civil rights.
- Voters of all classes in all parts of the state were personally contacted by trained interviewers. Each voter was told: "If you had a chance to ask the candidates for governor a question or two, what would you ask?"

Here is a sample of the questions raised about state finances and taxation: "What is your method of raising new taxes to operate the state?" "Why does the tax on cigarettes have to be so high?" "How do you plan to curtail government spending?" "When in thunder are you going to lower tax-

es?" "Will you keep from raising taxes, if possible?"

The topic of old-age pensions was brought up by about half as many voters as those who want to know about state spending and revenue. Questions about old-age pensions were all along the same line: "Do you have a plan to raise old-age pensions?" "Why do payments to the old folks have to be cut?"

Almost as many voters express an interest in a state bonus for veterans as seem to be concerned with old-age pensions. They want the candidates for governor to tell how they stand on this issue. And some of them put the question in a most difficult way, like this: "Why doesn't Texas, being the

largest and richest state, give veterans a bonus?"

A sample of the questions raised about education are as follows: "Do you agree with the new system of education?" "When will educational facilities in all schools be improved and equalized?" "How can we get a bookmobile in our county?" "Have the school text books been looked into?—there is too much evolution taught in them."

The thorny issue of racial segregation in raised by both Negro and white voters who want the candidates to discuss their views toward separate schools, F.E.P.C. legislation, and other similar proposals.

Other topics voters want discussed are the tidelands, highway improvements, farm benefits, care of the insane, policies toward labor, oil and gas regulation, socialized medicine, liquor control, law enforcement, states rights, control

of communists, and public health.

There are a number of general questions that some voters want the candidates to answer.

For example: "Are you a Christian?" "Who will you take your orders from?"

"Are you straight and honest, and will you do your duty and not cater to the big bugs?" "Are you a politician or a statesman?"

"If the governor's salary was not so much, would you be interested in the job?"

COTTON QUIZ

HOW DOES COTTON HELP THE LAUNDRY MAKE CLOTHES FRESH AND CLEAN?

ANS.—NEARLY 125,000 BALES OF COTTON ARE NEEDED EACH YEAR TO MAKE VARIOUS TYPES OF LAUNDRY EQUIPMENT.

ONE Look

Yes, a look will show you why it's Ford for Fashion, again for '50! Once again Ford's modern styling earned it the Fashion Academy's coveted medal as "Fashion Car of the Year." No other car at any price has received such an honor 2 years in a row.

ONE Listen

You can hardly hear the '50 Ford's powerful V-8, or its companion in quality, the 95-h.p. Six—both are "hushed" to a whisper. Your ride is quiet, too, because "sound-conditioning" throughout Ford's roomy and sturdy "LifeGuard" Body keeps noise out!

ONE Ride

One "Test Drive" and you'll know the luxury comfort of Ford's "Mid Ship" Ride... the safety of its "LifeGuard" Body and King-Size Brakes... its big car roadability. Then check Ford's low first cost, great mileage, low upkeep and high resale value. You'll agree—Ford's "Big Economy Package" at the low-price field.

DODGE INTRODUCES NEW DIPLOMAT

Sweep-around rear window and new roof contour lend fresh styling treatment to new Dodge Diplomat as seen from side-rear view at right.

Dodge announces that the beautiful new Dodge Diplomat is now in full production. The six-passenger Diplomat has the low sporty lines of a convertible and a permanent steel top. Featuring five new two-tone exterior color combinations, the Diplomat has harmonizing interior color styling and rich new, custom-tailored upholstery fabrics.

Men Beware

Beware, brother, beware! The female of the species will take the shirt right off your back and put it on her own. The newest fad of the season among fashionable girls is to team a man's cotton shirt with shorts for playtime wear. This radiant young lady has swiped her husband's white shirt for wear on an outing during a Bermuda holiday.

OFFICIAL HOARDING

The extent to which surplus inventories of stock are built up by some Federal Agencies was recently pointed out to the House Appropriations Committee by Jess Larson, General Service Administrator. He said one agency had a supply of tracing cloth

which would last them 9 years, enough fluorescent light tubes to last 93 years, sufficient ruled filler paper to last 168 years and a stock of loose leaf binders which would last them 247 years.

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's **EMERGENCY BOARD** recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ... **YES!**

Union leaders' answer to Board is .. **NO!**

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 cents an hour or \$2.48 a day—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified
In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

Chicago Great Western Railway Company
Chicago, Rock Island & Pacific Railroad Company
The Denver & Rio Grande Western Railroad Company
Great Northern Railway Company
The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

"Job-Rated" for easy handling

Drives like a dream!

That's what you'll say once you get behind the wheel of a Dodge truck. It's "Job-Rated" for comfort and convenience...to make driving a pleasure in traffic or on the open road.

Parks like a kiddie car!

Shorter wheelbase and shorter over-all length make parking a snap. Your Dodge truck is "Job-Rated" so you can slip easily into those parking spaces you used to pass up.

Rides like a baby carriage!

Smoo-oo-th is the word for the ride you get in a Dodge "Job-Rated" truck. Extra-long front and rear springs are tough, yet flexible. And they're re-shackled to last a lot longer.

Now! gyrol Fluid Drive!

Available only on Dodge "Job-Rated" Trucks (1/2-ton, 3/4-ton and 1-ton models). Ask for Fluid Drive booklet.

Turns on a dime!

Just a feather-touch to the wheel and you make shorter turns, whether you're backing up, turning around, or parking. "Job-Rated" wide tread front axle and cross-steering make it possible that way!

POWER: ... 8 great truck engines—each "Job-Rated" for P.L.U.S. power.
ECONOMY: ... priced with the lowest "Job-Rated" for dependability and long life.
BIGGER PAYLOADS: ... carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.
EASIER HANDLING: ... sharper turning! Parks in tight places. "Job-Rated" maneuverability!
COMFORT: ... widest seats ... windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.
SAFETY: ... finest truck brakes in the industry ... hand brake operating independently on propeller shaft on all models—1/2-ton and up.

Elect W. O. REED YOUR LIEUT. GOVERNOR

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.
W. O. REED believes our state government, like a family, should live within its income.

WE NEED REED!

Chamber Of Commerce Doing: Chamber of Commerce Committees Make Report on Month's Activity

The Chamber of Commerce has been in operation for one month. Listed below is a summary of the calendar of events during the month of June. These projects are listed by their respective committees, showing the work that has been accomplished for our city.

HIGHWAY COMMITTEE:
1. Work has been started on a State highway from Spur to Post. Plans are being laid for a hearing in Austin concerning the project and we hope to have a State highway within the near future. This highway is badly needed for traffic going north and south.
2. The fixing of the Wood and Senn Crossings on the Salt Fork of the Brazos for the oil crew workers. This new project which is almost completed will bring the oil personnel into Spur for their business. It will also serve the people in the southern part of our county.

CIVIC IMPROVEMENT AND CITY DEVELOPMENT COMMITTEE:
1. City lighting project with mercury-vapor lights from the City light plant to Hill Street. This project will beautify our City and will give better vision down Burlington.
2. The new program of extending our city limits to increase our City population. This will bring many new residents into our City and will start a larger expansion program in the City of Spur. This project is well underway and may new residents will be added to our City in the near future.

PARK AND RECREATION COMMITTEE:
1. Plans are being laid for a new and better community park in Spur. Much work will have to be done to beautify our park. New lights are needed, new barbecue pits, tables, and fountains. Grass will have to be sodded, roads repaired leading into the park, and a swimming pool. A new water tower to look after the facilities will have to be hired. All of this requires much planning and we hope to have one of the best parks in West Texas soon.

Local Youths Attend Baptist Encampment

Junior Boys from the First among the 1036 boys and sponsors of Baptist of District 9 who attended the Baptist Youth Encampment at Floydada this week.

Attending from the local church were Bruce Long, Jimmy Gabriel, Jerry Whitmore, Eddie Don Hagnis, Jennings Long, Max Gabriel, Sammie Caudle, Gary Whitmore, Ronnie Ensey, Billy Watson, and sponsors, Ronald Comer, Darvin Callihan, and Joe Long. This group returned to Spur Wednesday.

Ladies from Spur who served in the camp kitchen on Wednesday were: Mmes. Elmer Hagnis and Melvin Rathel and Misses Bonnie James and Bobbie Morrow. C. Melvin Rathel, pastor of the First Baptist Church, has been teaching the counselors' course at the camp.

Robert Ensey and Chester Lindsey left Wednesday evening to attend the Intermediate Camp. Ronald Comer and Darvin Callihan remained at Floydada for this camp also.

Dates for other camps have been announced as follows: General Camp, July 3-5; Junior Girls Camp, July 10-12; and Intermediate Camp, July 17-19.

Local Girl Scouts Return From Camp At Las Leonitas

Members of local Girl Scout Troops I and II returned Wednesday, June 28, from the Girl Scout Camp at Las Leonitas at Buffalo Lake in Lubbock. This camp is sponsored each year by the Lions Club of Lubbock.

Lou Ann Comer, daughter of Mr. and Mrs. L. L. Comer, Alice Jo Crockett, daughter of Mr. and Mrs. R. C. Crockett and Carolyn Kelley, daughter of Mr. and Mrs. O. L. Kelley, received their first-class badges just prior to their leaving for camp, Wednesday, June 21.

As First-Class Girl Scouts, these girls were made a part of the "pioneers" unit of the camp. They lived in tents for a week and cooked all of their meals out of doors. Clay modeling was also a part of their work as well as swimming instruction given by Red Cross swimmers. These girls, all members of Spur Girl Scout Troop I, were accompanied by Erma Lou Gannon and Mrs. V. C. Smart, Jr., also of Troop I. Billy Sue Gregory and Marilyn Miller were the girl scouts representing Troop II at the camp. They participated in the flag ceremonies, hiking and also in the swimming portion of the camp program.

First Performance Of All Girl Rodeo Draws Large Crowd

Cowgirls from all over West Texas and Oklahoma met yesterday June 28, to start off a fast two night All Girl Rodeo at Dickens Koonie Park at 8:00 p. m.

Featured events will be calf roping, barrel race, jackpot cow milking, cutting horse contest, and exhibition bull riding. There will also be a Men's Jackpot roping during the rodeo.

This rodeo is approved by the Girls Rodeo Association of Texas. Entrants are from Amarillo, Goveville, Elmore, Spur, San Angelo, Oklahoma, Jacksboro, Widorado, and many more.

Announcers for both nights will be Eric Swenson and Rob Simmons. The admission will be adults \$1.00, and children 50 cents, tax included.

If you want spills and excitement come on out to Koonie Park in Dickens tonight for the first performance of this All Girl Rodeo! states Johnnie Koonsman.

Roaring Springs To Have Gospel Meet At Church of Christ

The Roaring Springs Church of Christ begins their Summer Gospel meeting Sunday, July 9th. Bro. Ted Norton, for the third summer, will be the evangelist. As he will not arrive until Monday, July 10, Bro. C. V. Allen of Spur (regular preacher) will begin the meeting on the 9th.

Bro. Norton is a fine Christian gentleman and an interesting and sincere gospel preacher. Everyone in this area is invited to attend the services. A good singer is being arranged for. Both morning and evening services will be conducted.

Transient Business Law To Be Enforced

The Civic Improvement and City Development Committee has been considering a City ordinance which was passed in 1929 this week. The ordinance proposed the licensing and issuing of a permit to transient businesses and peddlers. This ordinance requires that a permit be secured before doing business in Spur.

Plans are being made to enforce this old ordinance on businesses which are not permanently established. The enforcement of this ordinance would result in ridding the city of many undesirable peddlers.

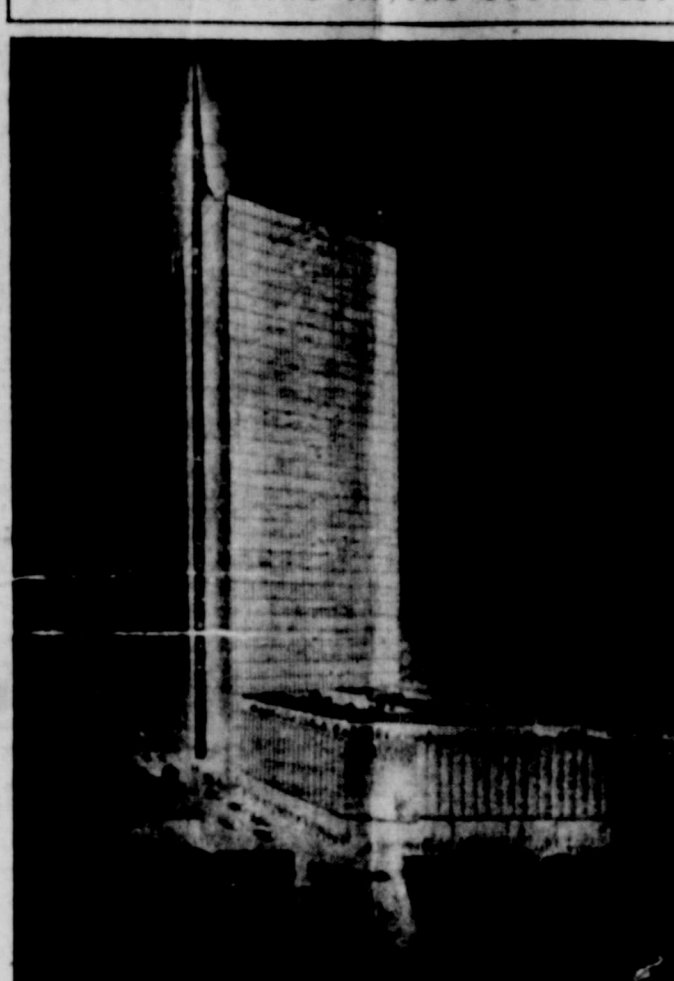

Clean Vacant Lots Urges C. of C.

The Chamber of Commerce requests that property owners who have vacant lots within the City limits will cooperate in cleaning the weeds from these lots. Leon Huff, manager of the local Chamber of Commerce, states that he had numerous calls regarding lots within the city.

Weeds and trash which have accumulated on these lots mar the appearance of the City and create a fire and health hazard to our neighbors. These lots make an excellent breeding place for flies and other insects.

It will only take a little effort on the part of each of us to clean these vacant lots, and it will be worth much to all of us in our City health and sanitation program, states Huff. Let's give some thought and consideration to neighbors and the City by helping keep Spur clean.

TALLEST BUILDING IN THE SOUTHWEST

One of the largest and finest office buildings ever erected in this country, shown above, will soon dominate the already impressive skyline of Dallas, the Southwest's great cosmopolitan city. The new Republic Bank Building, announced recently by Fred F. Florence, President of the Republic National Bank, will embody the most modern and advanced architecture, including every convenience possible for both customers of the Bank and tenants of the building. The tallest building in the Southwest, it will soar 440 feet in height. It will be the largest and most modern structure erected in the United States to include a garage and motor banking, together with banking quarters and office building. The main shaft of the building will rise 36 stories above the ground with an additional four stories below the street level. Its tower, extending some 160 feet further into the sky, will give the structure an overall height of 600 feet.

OLD SETTLERS MEET AT DICKENS PICNIC

The Old Settlers Picnic which began today at Dickens will be featured tonight with the last performance of the All Girl Rodeo.

The Old Settlers Picnic is sponsored by the Dickens Lions Club and plans are being made to make this an annual event.

All roads are leading to the Dickens County Old Settlers Picnic, states Jake Varnell.

Last Rites For Mrs. M. E. Norris

Funeral services were held for Mrs. M. E. Norris, 71, in the Methodist Church in Afton, Monday June 26, at 4 p. m. Rev. Berry Baker officiated the services.

Mrs. Norris moved to Dickens County in 1918 and was living with a daughter in Kennecook, Washington when she died.

She is survived by 2 sons L. D. of Afton, J. W. of Battle Creek, Michigan; 4 daughters Mrs. B. H. Shields of Kennecook, Washington, Mrs. Lee Anderson of Ocean Park, Calif., Mrs. W. J. Wilson, Strathmore, Calif., Mrs. L. B. Pipkins of McAdoo; 1 brother W. M. Spears of Coshona, 21 grandchildren and 32 great grandchildren.

Chandler Funeral Chapel was in charge of all arrangements. Interment was in Afton cemetery.

Dickens Owls Meet RAF Nine Saturday

The Dickens Owls will battle with the handball team of Reese Air Base of Lubbock, Saturday, July 1, at Koonie Park in Dickens. Joe King of Spur will pitch for the Owls. Game time is 8:30 p. m. Admission is 50 cents and 25 cents.

BE CAREFUL ON THE 4th!

TRAFFIC ACCIDENTS AND DEATHS
Once each year, we people of America pause from our every day work and take time out to celebrate our National Independence Day. Many years ago, a group of brave men gave their lives that we might enjoy this land of ours with freedom for the safety of our lives and personal liberties.

On the 4th of July of each year, our pleasure of the holidays take a heavy toll upon us and our loved ones. Hundreds of people die a violent death due to accidents of every imaginable type. On a day of pleasure and joy we compile a terrific record of death and destruction because of the lack of a little planning and care on the part of each one of us.

We people of Texas can expect at least 100 of the citizens of our State to meet a violent death over the holiday weekend, from Saturday through Tuesday. Out of that ill-fated group of 100 men, women and children, approximately 30 will die in traffic accidents on our streets and highways. Drownings, fires, fireworks, homicides, and suicides will take their toll upon the people of Texas.

The Texas Safety Association states that if each of us would but stop and think and exercise a little care and a bit of good common sense, that many of these lives can be saved. Remember

Death Claims Ray E. Dickson; Final Tributes Paid Wednesday

R. E. Dickson, who long has been closely identified with the agricultural progress of West Texas, and who has been superintendent of the Spur Experiment substation since 1914, died at 3:45 p. m. Monday June 26 in West Texas Hospital in Lubbock. He was 61.

Dickson's death was attributed to coronary thrombosis. He entered the hospital in Lubbock last Thursday after having been stricken Wednesday at his home on the grounds of the experiment substation here.

Spur Legion Downs Brownfield Nine 13-7

The Legionaire nine of Spur managed to squeak a Brownfield attempt at a last-inning rally, pushing the guest team under here Wednesday afternoon with a score of 13-7.

Clyde Blair, Spur pitcher for the first five innings, allowed six hits against the hard-hitting Brownfield nine. John L. Koonsman took three hits in the sixth, allowing three hits to the opposing team in the remaining innings.

Spur took the lead by bringing in three runs in the first inning. Brownfield rallied, however, in the second with one tally and added two more in the third, tying up the ball game 3-3. Stockton, pitcher for the guest nine, allowed eight hits and struck out four. Spur took three runs in the third, four in the fourth, one in the fifth and four in the sixth inning.

Star hitters for the afternoon game were Swearingen of Spur, with three homers and Odell of Brownfield hitting a single, double and triple. Eleven errors were attributed to the Brownfield team with the local boys committing two. The Spur victory enabled the local nine to stay in the running for the conference championship.

Garbage and Trash Disposal Included In City of Spur Service Now

One of the largest steps taken by our City Commissioners for public health and sanitation is the adoption of an ordinance for the removal and disposal of garbage, trash and rubbish within our City limits.

The ordinance requires all owners, tenants or lessees of all residences, churches, schools, lodges and commercial businesses that are within the city limits to provide covered containers for garbage and trash.

Employees of the City of Spur will empty containers at regular intervals. The containers must be placed in an accessible place for the convenience of City employees.

A slight charge depending on the class of service and frequency

Proctor's Beats Lions To Take Lead

The league-leading Proctor's softball team nipped a seventh inning Lions rally last Tuesday to take an undisputed first place in the City Softball League.

Proctor's boys came from one run behind to a four run lead in two big innings. The losers rallied for three in the seventh and went out with the tying run on second. Final score: Proctor's 5 Lions 4.

In the twilight game, the Farmall boys beat the V. F. W. 13-3. Last Thursday night the Lions beat McNutt's team 11-4 and Proctor's downed the Fireboys 14-2.

Both games scheduled for next Tuesday, July 4, have been postponed and will be re-scheduled later.

Tonight, Farmall plays McNutt's team in the first game and the V. F. W. meets the Fireboys in the night cap. Next Thursday McNutt's team is scheduled to play the Fireboys.

The Standings				
Team	P	W	L	Pct.
Proctor's	4	4	1	1.000
Lions	4	3	1	.750

Rotary Anns Guests At Chicken Barbecue

The members of the Spur Rotary Club honored their wives, the Rotary Anns, and other guests with a chicken barbecue, Thursday evening, June 22. The get-together was held at the Methodist Round-up.

George S. Link, Sr. gave the invocation preceding the feast of barbecued chicken, baked beans, pickles, onions, ice cream, cake, cookies and iced tea. Olen Arthur prepared the barbecued chicken, assisted by other Rotarians, and Bob Weaver retained his title as the Rotarian "bean cook".

This is the final social event of the Rotary Club with George S. Link Jr. as its president. The new club year will begin soon with L. D. Rittiff as the incoming president.

Approximately 110 Rotarians, Rotary Anns and their guests attended the barbecue.

Funeral services were conducted at 10:00 a. m. Wednesday morning at the First Christian Church. Rev. R. C. Brown of Seymour, former pastor of First Christian Church of Spur, officiated the service. Campbell's Funeral Chapel had charge of all arrangements. Interment was in the Spur Cemetery.

Pallbearers were Dale Young, Paul Marion, Charles Fisher, Lester English, Alvis Bilberry, Marshal Fornby, Lloyd Hindman, and B. C. Langley.

Honorary pall-bearers were: W. L. Stangel, dean of the division of Agriculture, Texas Tech; Don L. Jones, superintendent of the Lubbock Experiment station; R. E. Karper, research director of the station, Dr. Clifford B. Jones, president emeritus of Tech, all of Lubbock; Dr. R. D. Lewis, Gibb Gilchrist, Fred Hale, D. W. Williams, J. M. and L. H. Jones, College Station; Sterling C. Evans, Houston; W. F. Turner, Anglin; Claude McAnally, Trinidad, Colo.; Basil Cairnes, Clairmont; A. B. Conner, Marlin; E. W. Harrison, South Bend; Tom Reed Poole, Greenville; and Dr. P. C. Nichols, Roy Stovall, Fred Jennings, Oscar McGinty, George S. Link Jr., L. R. McNeill, L. D. Rittiff, and Bob Comer, all of Spur.

Congressman Mahon Candidate for House

Announcement of his candidacy for re-election to the House of Representatives from the 19th District of Texas is being made formally through the press of the District by Congressman George Mahon, Mahon has met filing requirements of all the counties of the District.

A great improvement will be seen in the appearance of our City when these containers are used for trash instead of cluttering up streets and alleys.

Water and soil conservation were his special fields, as well as converting plant material that can be grown on the plains areas of West Texas into the type of meat animals best suited to that section.

Water and soil conservation Discoveries at Spur led to the creation of the present Soil Conservation service of the U. S. Department of Agriculture. The first of a bill was creating this service was written at the Spur station and was used as the basis for two bills introduced by the late Rep. Buchanan of Texas in Congress.

Survivors include his wife, and one daughter, Mrs. Wm. Hilley of Spur, 1 sister, Mrs. W. A. Holly of Greenville. A son preceded him in death several years ago. He has 4 grandchildren.

"Melody Boys" To Sing Friday Night

The "Melody Boys" quartet of Odie (Pop) Echols will be presented Friday night, June 30 at 8:30 p. m. at the Primary Auditorium. They are sponsored by the Highway Home Demonstration Club.

The quartet will present a varied program including the red headed "Toby" act as a feature. Popular western and religious songs will be sung. Everyone is cordially invited to attend this program.

confronting our government." Mahon said that he wanted to thank the people for the wonderful support they had given him through the years and that he would continue to do everything in his power to do a good job in Washington for the people of the 19th District.

At this time, in addition to his regular assignments, Mahon is aggressively seeking to prevent passage of a pending proposal which would shift a large portion of the West Texas cotton acreage allotment to Central and South Texas in 1951.

Earlier in the session Mahon secured approval by the House of the bill he handles which provided funds for the operation of the Army, Navy and Air Force. The Senate has not yet passed the measure and final agreement between the House and Senate cannot be secured until this is done.

As your representative in Washington, I have been confronted with many difficult problems, as has been the case with you folks at home. You have cooperated with me and placed your trust in me in matters of greatest importance.

We are now in a very dangerous and difficult time in the history of the nation, and as the representative from the 19th District, I am seeking as best I can to measure up to the terrific responsibilities

these four rules: When driving, drive defensively. Stop often and rest so that you may remain alert at the wheel. Check your vehicle carefully before starting on a trip. And remember that intoxicating drinks and driving do not mix. If you plan to go in swimming, know the place in which you will swim. Do not swim immediately after eating. Do not stay in the water after you become tired. If you must use firearms, handle them with care, know your target, and do not shoot in unprotected places. Refrain from horse play while carrying firearms. If you must celebrate with the aid of fireworks, remember that each little firecracker or skyrocket is potentially dangerous. Remember that fireworks are a very great fire hazard, and when using them, always respect the rights of other people around you.

Each person expects to have a day of pleasure on the 4th of July. It has grown to have that meaning in the minds of each of us and we fail to remember that our holiday might be spoiled by an accident or tragedy involving either ourselves or one of our loved ones. That insurance against accidents is to use care and caution in all daily activities, regardless of how simple they may seem. The Texas Safety Association feels that if these few simple facts and rules are kept in mind, that each of us will be safely back on the job after another enjoyable holiday weekend.

BE CAREFUL. REMEMBER THE LIFE YOU SAVE MAY BE YOUR OWN.

American Jersey Show Oct. 13-20

The All American Jersey Show and Junior Jersey Exposition, offering \$10,000 in premiums and trophies valued at \$35,000, will be the featured livestock attraction at the Mid-Century Exposition of the 1950 State Fair of Texas, Ray W. Wilson, manager of the Fair livestock department, has announced.

For the show, destined to be the greatest dairy cattle show in the 65 year history of the State

Fair, are Oct. 13-20. Gates will swing open on Oct. 7 for the Mid-Century Exposition and will remain open through Oct. 22.

Since Texas leads the nation in the number of purebred and grade Jerseys, it is natural that the greatest state fair in the world should be selected at the site for this great show, Wilson said.

Stiff competition is expected when Jersey breeders from 35 states and Canada bring their herds to the State Fair to compete for top place money and trophies. Premiums in all livestock shows total \$72,650, the largest in the Fair's history, Wilson explained.

Cattle will be judged Tuesday, October 17, through Thursday, October 19, in the nation will go on the auction block Friday, October 20, October 19 Jerseys from the top in the Sale of Stars.

An outstanding exhibit featuring the highest producing Jersey cow, Orland Signal Vol. Sable, owned by Chester Elliff of Tulsa, Texas, will be sponsored by the Texas Jersey Cattle Club and the American Jersey Cattle Club.

Officials for the show include W. W. Yapp, Urbana, Ill., judge, and Ted Besh, Cherryville, N. C., associate judge. F. W. Atkeson, Manhattan, Kans., will judge the Junior Jersey Exposition and Paul Jackson, Wilmington, Ohio, will serve as associate judge. M. J. Regan, Columbia, Mo., will score the Junior Judging Contest, Monday, October 16.

With more and more interest

being directed toward the dairy industry in Texas and the Southwest, officials of the State Fair, the Texas and American Jersey Cattle Clubs are going all out to make the All American Jersey Show and Junior Jersey Exposition the biggest and finest dairy cattle show in the nation, Wilson stated.

Texas Employment Commission Has Job Openings

Competitive examinations for positions with the Texas Employment Commission and the State Department of Public Welfare will be given on August 5, according to a statement issued by Cras S. Gardiner, Director of the Merit System Council.

Examinations being offered are for the positions of Clerk-Typist, Stenographer, Field Worker, Interviewer, Auditor, and Tabulating Equipment Operator.

Gardiner stated that there is always a great need for Stenographers in every part of the State. The demand for Typist, Interviewers, Field Workers and Auditors is limited primarily to the smaller cities and towns of the state. Tabulating Equipment Operators are located only in Austin, Texas.

Gardiner pointed out the favorable working conditions in the state departments under the Merit System. The advantages offered include good salaries, permanent employment, promotional possibilities based upon merit, and liberal vacation, sick leave, and retirement benefits.

Qualifications for the positions vary from high school graduation to college graduation. Appropriate

Black and White

Lesson for July 2, 1950

A GROCER in Minneapolis received a letter from a former customer who had left the city owing a large grocery bill. "I have been converted in a revival here," the letter said, "and I want to make a very-thing right in my life that has been wrong." Enclosed there was a certified check for the old bill. The grocer wired back: "Who was the evangelist who converted you? We need him in Minneapolis."

Conversion is God's operation on the heart. No one can actually see the heart, but if the operation is successful, the symptoms of disease will disappear and the symptoms of health can be seen by any one. The patient is a new man.

Jacob Black PERHAPS the most notable case of conversion in the Bible, aside from the Apostle Paul, is the man named Jacob. His life is a study in black and white; up to a certain point hardly anything good could be said of him, but after that point he can hardly be accused of anything bad.

All his younger days he was principally noted for giving trouble to other people and "doing them out of" something he wanted for himself. First he tricked his older brother into selling him the family birthright for the ridiculous price of a bowl of soup (potage). You would not think any one would sell his birthright; but Jacob caught Esau when he was hungry. Then we see him outsmarting his brother again by birthright. Jacob was by that time a shameless liar and thief. It became so hot for him at home that he had to leave town.

We have a glimpse of him on his journey, dreaming about a ladder to heaven, evidently his conscience did not trouble him. Indeed, he proceeds to bargain even with God; if God will prosper him, he says, he will see that God gets ten per cent. God did indeed prosper him; but he grew no better for it.

The rest of his life, for the next twenty years, is one piece of trickery after another, he and his uncle Laban taking turns trying to outsmart each other, with Jacob usually coming out ahead.

Jacob White THINGS came to a climax on the night when Jacob, fearing death at Esau's hands, arranged his family to go ahead of him, keeping himself in the safest place in the rear... and there at last he came face to face with God.

The story of his all-night struggle at the brook Jabbok is a strange one; but one thing is certain. After that night even his name was changed, for the man himself was a new man.

He is patient in trouble, no longer resentful. He is not only a good man himself, he does his best to help others. He conducts what can only be called a family revival; he persuades one and all to give up the idols they had been worshipping and turn to the one true God. He offers sacrifices, like his fathers before him.

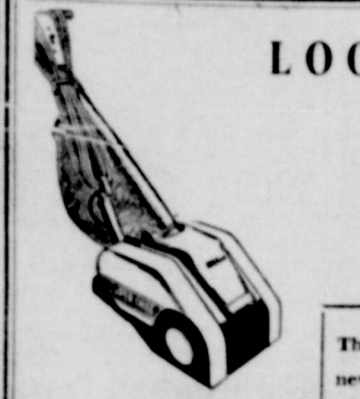

He goes down into Egypt at last, a humble man, no longer the conceited young crook he had been when he went to Padan-Aram. He depends now on God and not on himself.

The God of Jacob. A FAMILIAR Psalm carries this refrain: "The God of Jacob is our refuge." Why the God of Jacob not Abraham nor Isaac? Well, if it were only the God of Abraham most of us might as well give up. For Abraham was a great genius, a man such as appears scarcely once in a century. Or if he were the God of Isaac only, we would be led to think of him as caring especially for the weak-minded, the lame and the lazy. But Jacob—just a plain man full of meanness! Yes; the same God who changes him can change the meanest of us. The real test of religion is not what support it can give to nobles, or what comfort it gives to the weak. The real test of religion is: Can God turn black into white? Can God take an ordinary, conceited, slippery customer and make a good man of him? The God of Jacob can do this, and he is the God most of us need.

Texas Voters Puzzled on What They Expect of New Governor

Austin, June 24 — A majority of Texas voters can't think of any questions to ask the candidates for governor.

Given an opportunity by The Texas Poll to pose questions for the candidates, only 44 per cent of a representative cross section of voters could think of anything to ask.

In the minds of thinking voters, state finances and taxation appear to be the number-one problem for candidates to discuss. More questions were raised about money and taxes than about any other subject.

The five top issues, in order of their frequency of mention by voters, are as follows:

1. State finances and taxation.
 2. Old-age pensions.
 3. Veterans' bonus.
 4. Education.
 5. Racial segregation, civil rights.
- Voters of all classes in all parts of the state were personally contacted by trained interviewers. Each voter was told: "If you had a chance to ask the candidates for governor a question or two, what would you ask?"

Here is a sample of the questions raised about state finances and taxation: "What is your method of raising new taxes to operate the state?" "Why does the tax on cigarettes have to be so high?" "How do you plan to curtail government spending?" "When in thunder are you going to lower tax-

es?" "Will you keep from raising taxes, if possible?"

The topic of old-age pensions was brought up by about half as many voters as those who want to know about state spending and revenue. Questions about old-age pensions were all along the same line: "Do you have a plan to raise old-age pensions?" "Why do payments to the old folks have to be cut?"

Almost as many voters express an interest in a state bonus for veterans as seem to be concerned with old-age pensions. They want the candidates for governor to tell how they stand on this issue. And some of them put the question in a most difficult way, like this: "Why doesn't Texas, being the

largest and richest state, give veterans a bonus?"

A sample of the questions raised about education are as follows: "Do you agree with the new system of education?" "When will educational facilities in all schools be improved and equalized?" "How can we get a bookmobile in our county?" "Have the school text books been looked into?—there is too much evolution taught in them."

The thorny issue of racial segregation, raised by both Negro and white voters who want the candidates to discuss their views toward separate schools, F.E.P.C. legislation, and other similar proposals.

Other topics voters want discussed are the tidelands, highway improvements, farm benefits, care of the insane, policies toward labor, oil and gas regulation, social insurance, liquor control, law enforcement, states rights, control

of communists and public health.

There are a number of general questions that some voters want the candidates to answer.

For example: "Are you a Christian?" "Who will you take your orders from?"

"Are you straight and honest, and will you do your duty and not cater to the big bugs?"

"Are you a politician or a statesman?"

"If the governor's salary was not so much, would you be interested in the job?"

Helen Acker Weds Austin Rose Jr., Friday

Miss Helen Acker became the bride of Austin Rose, Jr. at 4 p. m. Friday, June 23, in the sanctuary of the First Methodist Church in Hereford, Texas.

The bride is the daughter of Mr. and Mrs. C. C. Acker who were hosts at a reception after the wedding in Hotel Jim Hill. The bridegroom is the son of Mr. and Mrs. Austin Rose, Sr. formerly of Afton.

The pews were marked with candles along the center aisle leading to the altar and tied with satin ribbons and white flowers. The chancel and altar were banked with emerald fern trees and baskets of white gladioli and stock, and lighted by white tapers standing in branched candelabra. White satin pillows formed the kneeling bench. Mrs. Glenn Snyder presided at the organ and accompanied Mrs. B. F. Cain, who sang "Thine Alone" and "I Love Thee." She also played "Because" as the mothers were seated and Schubert's "Ave Maria" softly during the ceremony. The traditional wedding marches were used.

Rev. Don Davidson, pastor, officiated at the double-ring ceremony.

Mrs. T. J. Carroll was her sister's matron of honor, and another sister, Kathryn and Miss Martha Blomquist of Austin were bridesmaids. The attendants' dresses were identical with very full skirts of nylon net over tulle worn over hoops and sleeveless tight-fitting bodices of lace over which were caplets of mink. The bridesmaids tended to the waistline in the back. They wore lime green satin slippers and net mitts with lace trimmed bonnet hats of the net completing their ensembles. The honor matron carried a cascade bouquet of purple asters and the

The Judson Circle met Monday, June 26 at 4:00 p. m. in the home of Mrs. Elmer Hagins for their regular meeting.

Mrs. Hagins gave the opening devotion by reading Acts 2:1-8. The mission study program was taught by Mrs. C. P. Scudder and C. M. Rathel. The closing prayer was given by Mrs. N. C. Moffett.

Refreshments of fruit punch and chocolate drop cookies were served to Mrs. Rathel, Scudder, Moffett, Jerry Ensey, O. R. Claude, Ruby Bilberry, Bucking-Cloude, Ruby Bilberry, W. G. Buckingham and hostess Mrs. Hagins.

Mrs. Bud Harris Is Hostess To Cauthen Circle

Mrs. Bud Harris was hostess to the Eloise Cauthen circle of the First Baptist WMS Monday afternoon, June 26. The group met at her home at 524 N. Parker.

The mission program for the afternoon was introduced by Mrs. E. E. Caudle, program chairman. Mrs. Franklin Patrick read scriptures pertaining to the program topic, stewardship. "Your Autobiography" was given by Mrs. Alfred Walker, "Happy Birthday" by Mrs. L. M. Huff, Jr., a reading "The Cooperative Program" by Mrs. Bud Harris, and "Stewards of Ourselves" by Mrs. Grady Lackey. Mrs. Caudle closed the program with a reading "My Dime."

Refreshments of lemonade and spice cake were served to these members: Mrs. Walter Johnson, Carl Risbon, W. B. Steele, E. E. Caudle, Franklin Patrick, Alfred Walker, Jimmy Hudson, L. M. Huff, Jr., Jessie Morrison, Grady Lackey, T. E. Springer, J. B. Morrison and the hostess, Mrs. Bud Harris.

The next circle meeting will be on Monday, July 3, at the home of Mrs. E. E. Caudle, 519 W. First.

bridesmaids carried pink asters. The bride made a lovely picture in traditional white satin as she was escorted to the altar by her father who gave her in marriage. Her gown was fashioned with a tight fitted basque buttoned up the back and coming to a point in the back ending in a bustle. Long fitted sleeves came to points over the wrists and a drop shoulder effect dramatized with bertha fold of satin, accented the tiers to finger-tip length and was set in a crown of tiny seed pearls and orange blossoms. Her only ornament was a triple string of pearls, the gift of the bridegroom, and she carried colonial cascade bouquet of miniature calla lilies and stephanotis.

The bridegroom's attendants were his brother, Nuge Rose, who served as best man, and Richard Buckler of Stratford, and Ed Workman of Tulsa, his roommates at Texas Tech, groomsmen. Ushers were Jim Easley of Santa Rosa, N. M., Fred Close, Clinton Formby of Colorado City and Robert Browder of Fort Worth.

A reception was held immediately following the ceremony at the Hotel Jim Hill ballroom, in Hereford.

Elwanda O'Keefe Weds Norman Earl Hahn

Miss Elwanda O'Keefe, daughter of Mr. and Mrs. C. V. O'Keefe became the bride of Norman Earl Hahn of Girard in a double ring ceremony read at 5 o'clock Sunday June 18 in the home of the bride's parents. The bridegroom is the son of Mr. and Mrs. Earl Hahn of Girard.

Rev. Lee Hollis, pastor of the First Baptist Church of Girard officiated the ceremony with the couple standing before a fireplace topped with a large picture mirror which reflected the entire wedding party. The fireplace was flanked by floor candelabra holding tall tapers. White peonies, gladioli and woodwardian fern were arranged in floor baskets, tied with satin bows and linked to the candelabra with satin streamers.

Wedding music was rendered by Mrs. Wm. Hilley. She accompanied soloist Mary Willis, and Mrs. Dink Hunnicutt. They sang "Always" and "Because." Miss Carolyn Hunnicutt lighted the candles.

The bride, who was given in marriage by her father, wore an original model gown of white imported Chantilly lace over white satin. The gown was fashioned with a scalloped neckline and long molded sleeves tapering to petal points over the hands. Tiny lace covered buttons to the waist accented the fitted bodice above

the full skirt. Her fingertip veil of imported French Bristol illusion was caught to a coronet of mock orange blossoms featured in pearl. Mrs. Hahn carried a cascade arrangement of white stephanotis centered with an orchid. For her something old she carried a lace handkerchief, a new dime borrowed from the Spur Security Bank played a double purpose as her something new and borrowed. She wore the dime in her shoe for luck. She also wore the traditional blue garter.

Attending the bride as maid of honor was Miss Vera Mae Williams of Colorado City. She wore a blue dotted swiss gown styled similar to that worn by the bride. It was designed with a sweetheart neckline outlined with a portrait collar, sleeveless bodice and bouffant skirt. She wore brief white nylon gloves, and a bandeau of white daisies.

The bridesmaids were Miss Angie Davis of Lufkin and Miss Billie Harvey of Sweetwater. They wore dresses fashioned identical to the maid of honor. They were pastel colors of bouquets of white daisies. The bouquets of white daisies. The flower girl was little Miss Hobbs, cousin of the groom. She wore a dress of pink dotted swiss and carried a basket of rose petals.

Dink Hunnicutt of Lubbock served the groom as best man. The bride's mother wore a gown of brown linen with a corsage of white cornations. The groom's mother wore a rose crepe dress with a white corsage.

Carole De Wees Weds Morris Denson, Sunday

Miss Carole De Wees, daughter of Rev. and Mrs. O. L. De Wees of Crosbyton and Morris Earl Denson, son of Mr. and Mrs. Ott Denson of Spur, were united in marriage Sunday, June 18, at 4 p. m. at the First Baptist Church in Spur.

The bride's father, pastor of the church at Crosbyton, performed the double ring ceremony with the couple standing before an arch decorated with simon leaves and white daisies. The arch was flanked by tall baskets of gladioli, blue cornations and branched candelabra.

The bride, who was given in marriage by her uncle, was attired in a white slipper satin wedding gown with a deep round

Immediately following the ceremony a reception was hosted by the bride's parents. The serving table was laid with a lace cloth over blue satin centered with a white three-tiered wedding cake topped with a miniature bride couple beneath wedding bells, various other appointments of crystal and silver completed the serving table. Mrs. Fletcher Rich and Carole Neaves assisted at the table. Guests were registered by Mrs. Dale Hunnicutt and Mrs. Durward Pickens.

Mrs. Hahn is a graduate of the Girard High School and has attended N. T. S. C. in Denton where she was active in extra-curricular activities and was a member of the Press Club.

Mr. Hahn is a 1948 graduate of Girard High School and has attended Texas Tech and N. T. S. C. in Denton.

For the wedding trip to Mexico the bride wore a white linen suit with white accessories and a white orchid. Following their wedding trip they will make their home in Spur where Mr. Hahn is employed by Godfrey and Smart.

toned down the back with tiny covered buttons, and the full skirt extended into a train. Her fingertip veil of illusion was lace trimmed and held in place by a beaded tirs. She carried a white Bible topped with yellow roses and blue rose buds tied with white satin streamers and love knots. For something new she carried a white Bible and something borrowed and blue was a lace handkerchief.

Her matron of honor was Mrs. John Barker, and bridesmaids were Misses Jean McClure and Shirley Bishop of Crosbyton. Their dresses were similarly styled organdy. Mrs. Barker's dress was blue and she carried yellow flowers and the bridesmaids wore yellow and carried blue flowers.

Two small cousins Myrna Bostick and Sandra Caplinger, both of Spur, wearing white organdy dresses with blue sashes carrying baskets of rose petals were flower girls.

Candles were lighted by Betsy Bestick of Minola and Jerry Camp of Hobbs, N. M. who wore pink dresses with white flowers. Lane Bachman served the groom as best man. Ushers were Tommy Alldredge, Lester Morgan, John Barker and Wayne Dunlap.

Organist was Mrs. Melvin Aathel who accompanied C. M. Rathel, pastor of the First Baptist Church of Spur, as he sang "This Day is Our Day." Mrs. George Gabriel sang, "Because." Mrs. Rathel also played the traditional wedding marches and "I

Love You Truly," during the ceremony.

A wedding reception was held immediately following the ceremony in the Education Building. The bride's table was laid with a white lace cloth centered with a three tiered wedding cake topped with a miniature bride and groom. Various other appointments of crystal and silver completed the table. The bride's bouquet and blue satin ribbons trimmed in gold bearing the name "Carole and Morris, June 18," were also on the table.

Those assisting with the serving were Miss Beverly Bostick and Mrs. John Barker. Guests were registered in the bride's book by Miss Zella Watson.

For the wedding trip to New Mexico the bride wore a navy suit with white accessories and a white carnation corsage.

The young couple will make their home in Spur until the fall when they will enter Wayland College at Plainview. The bride is a 1950 graduate of Crosbyton High School. The groom is pastor of two half-time churches near Spur. He graduated from Spur High School and attended Hardin-Simmons University and Wayland College.

NOTICE

I wish to thank the people in Precinct 3 for the kindness and co-operation in helping me enforce the law since I've been constable here and I promise to render the same service if I am elected Sheriff of Dickens County with special privileges to no one regardless of who they are.

Two years ago, when I was elected constable here it was so bad that a decent woman could not go up the sidewalk in Spur without some drunken sot insulting her. I claim the credit for stopping that, but some say I'm hard on them. Folks, if anyone acts a gentleman I believe in treating him like one; if he acts like a thug he is not due the respect of anyone.

So if you people of Dickens County see fit to hire me in July, I will certainly appreciate it and will enforce the law to the best of my ability. H. Burger. 36-16P

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ... **YES!**

Union leaders' answer to Board is.. **NO!**

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 cents an hour or \$2.48 a day—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board, clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

Chicago Great Western Railway Company
Chicago, Rock Island & Pacific Railroad Company
The Denver & Rio Grande Western Railroad Company
Great Northern Railway Company
The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "NO!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Here's the best steer on the market!

Drive **DODGE** ...the only truck that's "Job-Rated" for easy handling

Drives like a dream!

That's what you'll say once you get behind the wheel of a Dodge truck. It's "Job-Rated" for comfort and convenience... to make driving a pleasure in traffic or on the open road.

Parks like a kiddie car!

Shorter wheelbase and shorter over-all length make parking a snap. Your Dodge truck is "Job-Rated" so you can slip easily into those parking spaces you used to pass up.

Rides like a baby carriage!

Smooth-riding is the word for the ride you get in a Dodge "Job-Rated" truck. Extra-long front and rear springs are tough, yet flexible. And they're rear-shock to last a lot longer.

Turns on a dime!

Just a feather-touch to the wheel and you make shorter turns, whether you're backing up, turning around, or parking. "Job-Rated" wide tread front axle and cross-steering make it possible that way!

Now! great Fluid Drive!

Available only on Dodge "Job-Rated" Trucks (1/2-ton, 3/4-ton and 1-ton models). Ask for Fluid Drive booklet.

POWER: ... great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: ... priced with the lowest "Job-Rated" for dependability and long life.

Over 90 Million Dollars cash surplus was in the General Fund of Texas when W. O. REED concluded his term as Speaker of the House of Representatives in 1948. TODAY THERE IS NO SURPLUS.

W. O. REED
YOUR LIEUT. GOVERNOR

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.

W. O. REED believes our state government, like a family, should live within its income.
