French Asking More Arms For Indochina Aid

WASHINGTON, Oct. 13 — (AP) — France was reported today to have made an urgent appeal for a speed up of American arms deliveries to French troops battling the Communists in Indochina.

Diplomats said the request was made to Secretary of Defense George Marshall in a note from the French defense Minister Jules Moch, now in this country to seek U. S. air for France's rearmament program.

BOMBERS ASKED

The French, these diplomats told reporters, urged not only faster movement of scheduled shipments but also a change in future deliveries to include more light bombers, artillery, small landing craft and military vehicles.

This development came as Moch and French Finance Minister Maurice Petsche met at the State Department with Marshall, Secretary of State Acheson and Secretary of the Treasury Snyder.

The two French ministers were accompanied by a 15-man French delegation. Assisting Marshall Acheson and Snyder were 17 American officials including Marshall Plan Administrator William Foster and David Bruce, American ambassador to France who is now home on leave.

LOAN TOO

The French, diplomats said, plan to submit a request for about $770,000,000 to enable France to double defense outlays in 1951.

The plea for faster shipments of arms to Indochina reportedly is based on the hope of bolstering the firepower of the 150,000 French troops there before Communist armies are able to launch an expected new drive in two or three weeks.

The French defense chief was expected to assure Acheson and Snyder that French forces, aided by loyal native units, will be able to check the Communists without troop reinforcements from any other western country if arms shipments are speeded up.

Lamesa Well Gauges 85 In 15-Hour Flow

Fred M. Manning Inc. and Day Petroleum Corp. No. 1 Huddle, Central-Dawson County indicated Spraberry discovery, is shut in after gauging 85 barrels of 36.1 gravity oil and .3 of one per cent basic sediment in 15 hours.

Operator will probably test and complete.

The section being tested is between 7,824 and 8,050 feet. It had been shot with 310 quarts of nitroglycerine, and operators had cleaned out to the plugged back bottom which is at 8,050 feet in Spraberry sand.

There was no formation water with the flow of oil.

The No. 1 Huddle kicked off and started heading to pits after six swabbing runs, which were made previously. During the last nine hours of the 15 hours of flowing, the prospector flowed steadily to tanks through a one-quarter inch opening.

Pressure on the tubing during the flow was 150 pounds. The No. 1 Huddle is 1,980 feet from the north and west lines of section 11, block 36, T-5-N, T&P survey. That makes it one and one-half miles southwest of Lamesa.

GOOD SIGNS

Fred M. Manning Inc. of Fort Worth No. 1 Chester L. Jones, Northeast Howard County wildcat, two miles northeast of Vincent and at the center of the southwest quarter of the northwest quarter of section 5, block 25, H&TC survey, has found some encouraging signs of possible production in the Spraberry sand.

It is contracted to 8,000 feet and is drilling ahead.

The oil shows came in a drill-stem test at 5,033-57 feet. The tool was open three hours.

Gas showed at the surface just as the tool was being closed.

No fluid came to the top while the tool was open.

Recovery was 60 feet of oil-and-gas-cut mud and 1,140 feet of oil. Some of the oil was slightly cut with drilling mud. There was no formation water.

Open flowing bottom-hole pressure through the test was 475 pounds. Shut-in bottom hole pressure after 30 minutes was 1,825 pounds.

The venture is now making hole below 5,145 feet in lower Permian shale. No signs of production have been logged since the project drilled ahead from 5,057 feet.

Top of the Spraberry sand has been called by some observers to be at 4,760 feet.

IN VON ROEDER

Amerada Petroleum Corp. has filed application to drill No. 2 W. Ed Murphy, on the southwest side of the Von Roeder field in Central-East Borden County.

Location is 667 feet from the north and 753 feet from east lines of the southeast quarter of section 93, block 25, H&TC survey. That makes it seven miles west of Knapp.

Music Teacher Held In Death

LONG BEACH, Calif., Oct. 13. (AP) —An inquest is scheduled today into the strange death of 10-year-old Catherine Frances Erickson. The girl's music teacher, Violet Johns Berling, 26, is held on suspicion of murder.

But an autopsy surgeon said the child died by strangling on chunks of food.

Miss Berling, known professionally as Miss Johns, told police she awoke yesterday to find Frances strapped to a chair, murmuring "take the accordion off my lap." She unbound the girl (there was no accordion, she said) and called a doctor, but Frances died en route to a hospital.

TAKES LESSONS

The child's mother, Mrs. Beatrice Erickson, 39, said Frances had been taking accordion lessons from Miss Johns for two years and went to live with the teacher last July when the mother began student nurse training.

Mrs. Erickson said her daughter was very stubborn and that two weeks ago Miss Johns told her: "It upsets Frances too much to have you call and talk to me. She hurts herself. She does things to herself."

Dr. Victor Cefalu, county autopsy surgeon, said there were burns, bruises and bites on the girl's body, but that none contributed to her death. He reported indication of sexual abuse.

Dr. Cefalu said the child might have choked on food regurgitated because of her multiple injuries.

The music teacher told police Frances believed she had occult power to heal herself and tried to prove it by cutting herself and re-opening sores as they healed. The mother, however, said that Frances at home had not gone beyond "bumping her legs against furniture to get sympathy."

Special Class For Children In Agriculture

The Snyder school system's answer to the regulation forbidding children to work in cotton fields during school hours is an extra class, to be held late in the afternoons, especially for children under 16 years of age who are needed in the cotton fields.

This measure was adopted by the school board in a special meeting last night.

AT HIGH SCHOOL

A classroom will be made available at the high school building beginning Monday afternoon at 3:30 o'clock, and the class will be held four hours daily for 60 school days, or more if needed.

The decision was made after a motion by Paul Keaton and second by Raymond Smith to authorize the school system's administration to establish the class and obtain a teacher to be paid from the school funds. It has not yet been decided who will teach the class.

This plan was approved tentatively before the meeting by a field representative of the federal Department of Labor, who explained that if the plan were approved by the school board, it would then become unlawful for farmers to hire children under 16 to work in the fields during the hours of this class.

Without this special class it would remain unlawful to hire children under 16 for farm work during any part of the regular public school hours.

OTHER DISTRICTS

The Snyder school district is the fourth in the county to make some special arrangement for the cotton harvest.

Ira schools dismissed Wednesday for an indefinite period; Fluvanna schools let out today for two weeks; and Hermleigh schools begin a three-week recess Monday.

Wednesday the schools in Loraine also were closed to enable farmers to hire field hands under 16 years of age. Schools there will remain closed until Oct. 30. They also closed in the Westbrook community of Mitchell County. But they have not been closed in Colorado City.

Jilted Woman Is Dangerous

BALLINGER, Oct. 13. (AP) — Police here think a woman scorned is still a dangerous thing.

Yesterday a Negro woman's husband left her for another woman across the street.

So she —

Threw the stove, teakettle, pots, pans and other household goods into the street.

Tore up the bed and mattress.

Threw the radio against the wall.

Went across the street to where the husband and the other woman were and poured kerosene in front of all the doors and windows and set fire to the front door.

Broke down the back door and entered the room with a butcher knife.

The other woman escaped through flames at the front door.

Police arrived in time to (1) put out the fire, (2) save the man from being stabbed and (3) carry both the woman and her husband to the county jail.

President Greets His Sister

President Harry S. Truman is shown with his sister, Miss Mary Jane Truman, on the steps of the Sheraton Hotel in St. Louis after the President arrived to attend a luncheon in Miss Truman's honor. The President has been in St. Louis attending ceremonies of induction for his sister as grand worthy matron of Missouri chapter, Order of Eastern Star.

Salutes Instead of Kisses

Two Marines on a ten day pass from Camp Lejeune, N. C., saluted each other instead of the usual kiss after their marriage at the Church of St. Francis de Sales, Charlestown, Mass. The bride is Pfc. Eileen M. Quinlan and the groom Cpl. Aloysius J. Mahoney, Jr., both of Boston, recently called to active service.

Vishinsky Will Continue To Oppose Re-Election Of Lie

LAKE SUCCESS, Oct. 13. & Soviet Foreign Minister Andrie Y. Vishinsky made it clear today he could continue Russia's fight against Trygve Lie when the question of extending the UN secretary general's term is raised in the General Assembly.

He refused to explain to reporters why Russia cast her 46th veto in the Security Council yesterday to block Lie's re-election to a new five-year term, but said that when the time comes to make more detailed objections he will have someting to say.

Obviously this was a reference to the expected move by the United States and its friends to get Lie's present term extended by the veto-free assembly, possibly for a period of as long as three years. UN legal observers have expressed the opinion such an extension of Lie's present term is legal. Unless it is extended Lie's term expires Feb. 2.

Vishinsky was asked whether Lie's attitude on Korea was at the base of the Soviet objections. The Soviet foreign minister smiled and said "I cannot be more precise at this time." He declined to comment on the other possible candidates including Sir Ramaswami Mudaliar of India and Gunnar Myrdal of Sweden.

Auction of First Bale Tomorrow Afternoon

Benefitting funds for the Youth Center, Snyder merchants will bid tomorrow afternoon at 4 o'clock on Scurry County's first bale of cotton.

Bought by the Snyder National Bank at $1.25 from F. J. Murphree at the Aug. 26 auction, the bale was given to the Youth Center benefit by the bank to raise money for the building now under construction.

Several business enterprises in Snyder have already agreed to bid on the bale as it is auctioned at the northwest corner of the square by Colonel C. H. McCall.

The Rev. Charles Mathes, finance chairman, expressed hope that this auction and Sunday's hot rod races will bring a large sum of money into the fund.

Still in need of more than $4,600, Mathes said $3,500 of the $9,000 bills have already been paid.

No Change in Snyder Physician's Condition

Dr. Dan Harrison, Snyder Hospital Clinic surgeon, who underwent surgery Tuesday at the Lubbock Memorial Hospital, was reported to be in a critical condition today, but attending physicians said he was holding his own.

Abandon Fort To Vietminh In Indochina

By SEYMOUR TOPPING
(Associated Press Staff)

SAIGON, Indochina, Friday, Oct. 13. — The French today announced abandonment of the key bastion of Thatkhe, opening another gap in their weakening defense line along the China-Indochina frontier.

It was the third frontier post abandoned or lost by the French within a month. The withdrawal left some 300 miles of the frontier open to the Vietminh guerrillas of Communist Leader Ho Chi Minh.

A military spokesman said the Thatkhe garrison withdrew from the post Tuesday night toward Langson, French frontier headquarter fortress 50 miles to the southeast. Elements of the retreating Nacham, a French post midway between Thatkhe and Langson, he added.

FIRST RUN

The frontier withdrawals by the French began after the Vietminh in mid-September over-ran the post of Dongkhe, 60 miles northwest of Langson. On Oct. 3 the French abandoned Caobang, another major outpost 100 miles northwest of Langson.

The garrison withdrawing from Caobang and a screening column from Thatkhe were caught in mountainous country by Vietminh forces and most of the 3,500 French and colonial troops were lost. Since then observers had feared an attack on the Thatkhe might result in a similarly disastrous withdrawal.

THREE LEFT

Abandonment of Thatkhe left only three main garrisons on the mountainous frontier between China and North Vietnam—Moncay on the coast, Caobang, and Laokay on the west, almost 400 miles inland from the coast.

The spokesman said he had no information that the withdrawing Thatkhe garrison was being harrassed by Vietminh guerrillas but said he believed the weather was good and that the French air force, in strength, was covering the "delicate and urgent" withdrawal operation.

Meeting Will Be West of Hawaii

HONOLULU, Oct. 13. (AP) — White House officials disclosed today that President Turman will confer tomorrow with Gen. Douglas MacArthur at a point west of Hawaii.

Officials awaited the arrival of Mr. Truman's plane at Hickam Field.

Sawyer Urges Co-operation In Hemisphere

MIAMI, Fla., Oct. 13. (AP) — Nations of the western hemisphere were urged by Secretary of Commerce Charles Sawyer last night to join economic forces in a united front against totalitarian aggression.

Speaking before a Columbus Day meeting of 400 distinguished leaders from virtually every nation in the new world, Sawyer warned that the two continents of the western hemisphere must pool their resources and efforts "to prepare ourselves for whatever emergency may lie ahead."

Sawyer's address climaxed a day of conferences and meetings by leaders who pledged support to a projected $50 million inter-American cultural and trade center to be located in Miami.

The cabinet officer recently completed a week's tour of the Caribbean sea area. He voiced strong support to the center's development.

Sawyer, who heads the newly-created National production Authority—the agency responsible for the country's increased defense and mobilization activity—disclosed a four-point program of stepped up trade and economic relations with Central and South America.

As the United States moves forward in its mobilization program, he said, the four-point program will be kept in mind in regard to our relations with the other American republics:

1. To promote a constantly expanding volume of trade in the Americas.
2. To keep trade balanced and sound.
3. To promote sound private investment in Latin America.
4. To encourage a maximum exchange among all the American republics of scientific and technical information.

Red's Premier Admits They Face Defeat

South Koreans Pulling Surprise Northern Drive From Wonsan

TOKYO, Oct. 13 (AP)—Thirty-seven bombarding warships, South Korean ground forces and allied planes hacked away today at Red Korean supply lines from Soviet Siberia on the blazing new northeastern coastal fighting front.

There still was no evidence of an allied amphibious landing along the heavily bombarded coast.

But the South Korean infantry (ROKS) made it a three-ply attack with an unexpected thrust north from captured Wonsan, port on the Sea of Japan.

PREMIER WORRIES

(Red Korea's Premier Kim Il Sung was quoted by the Chinese Communist radio as acknowledging Wednesday "Now our motherland is in a very dangerous position." It appeared to be his frankest admission that his Russian-sponsored regime faces defeat. Previously he was defiant. The Red China broadcast was heard in San Francisco).

Expected to swing west across the peninsula toward the Red capital, Pyongyang, the ROKS hit straight up the coast instead. Across the peninsula, allied drives toward Pyongyang moved steadily ahead—but fighting was tougher.

The ROKS were 120-odd miles from the 130-mile long northeastern coastal strip where the United Nations bombardment fleet led by the Battleship Missouri poured fire and steel shore Thursday and Friday in continuing big gun and carrier plane assaults.

PLANE SUPPORT

The ROK troops were powerfully supported by fighter planes and the U. S. Cruiser Rochester, a detached unit of the roving heavy bombardment fleet.

On Korea's east coast ground fighting front, AP Correspondent William Jorden reported the South Koreans pushed three miles north of Wonsan Friday against light resistance.

Fighter planes and artillery smashed Red pockets ahead of the ROKS.

Jorden said intelligence officers predicted stubborn resistance south of the next objective they listed—the big chemical center of Hamhung and Hungnam, 50 miles north of Wonsan. Hungnam is one of the world's largest producers of ammonium sulphate. Plants at nearby Hamhung once turned out nitric acid for the Japanese war machine.

In their advance through the hills northwest of Wonsan, the South Koreans captured three Russian-made 40 MM. anti-aircraft guns and large quantities of small arms and ammunition.

REDS DIG IN

Die-hard Reds dug in on small islands in the mouth of Wonsan Bay battered by planes supporting the northward push. The planes started fires on two of the largest islands—Tae-Do and Sin-Do.

Elsewhere fighters and bombers of the U. S. Fifth Air Force shot up Red rail lines, buildings and vehicles. Air Force headquarters reported 259 sorties were flown — 189 in close support of ground troops.

Truman Flying Across Pacific To Conference With MacArthur

PRESIDENT TRUMAN, Oct. 13.(AP) —President Truman flew out over the Pacific toward Hawaii in good weather today en route to his momentous conference with Gen. MacArthur.

The high strategy meeting this week end on the Korean conflict and Asian Communism generally was expected to be somewhere beyond Honolulu.

The site of their first face-to-face parley may be announced late today, Presidential Secretary Charles G. Ross said.

Presidential party members have been saying the meeting will be held at Wake Island. It will cover the final phases of United Nations actions in Korea, including reconstruction and rehabilitation of that war-torn country, and strategy to counter increasing Communist threats in the Far East, including the menace to Indochina.

TALKS WITH BRADLEY

Mr. Truman left on the Independence at 3:13 a.m. EST from Fairfield - Suisun Air Force base, 60 miles east of San Francisco, after a brief conference with Gen. Omar Bradley, chairman of the joint chiefs of staff, and other members of his official party.

The President devoted a good part of last evening to visiting litter cases. Approximately 100 had just arrived from the Korean fighting front at the air base hospital. Mr. Truman talked with each of the wounded men and signed short snorter bills, casts and other souvenirs.

"I was very much impressed by the wonderful morale of these boys," the President was quoted by Ross. "When we have boys like these, then we don't have to worry much about the future of the country."

HARRIMAN PRESENT

Gen. Bradley landed at the California base less than two hours after the President's blue and silver "Independence" arrived. The military chief was accompanied in the "Dew Drop," an Air Force Constellation, by W. Averell Harriman, special presidential assistant for foreign affairs; Secretary of the Army Frank Pace; Philip C. Jessup, ambassador-at-large; and Dean Rusk, assistant secretary of state for foreign affairs.

Mr. Truman is due at Hickam Field, Honolulu, about 8:30 a.m. Hawaiian time. (1:30 p.m., ET). He will remain there until about midnight; then will leave on the last leg of his flight to meet Gen. MacArthur.

MacArthur To Take Off Soon

TOKYO, Oct. 13, (AP) — Gen. MacArthur is expected to leave early Saturday morning Tokyo time for his week-end conference with President Truman in the Pacific, reliable sources here said today.

There has been no official announcement of MacArthur's departure time or the meeting place. Indications here are that it would be at Wake Island.

FIVE AIDES

The general will be accompanied by at lease five top aides in "SCAP" MacArthur's plane. The Constellation transport will be piloted by Lt. Col. Anthony Story, St. Louis.

MacArthur's party is expected to arrive at its rendezvous with Mr. Truman late Saturday afternoon. Presumably the discussion will be held Saturday night and Sunday morning and the conference will brake up Sunday afternoon.

NO HINT

MacArthur has given no indication of the men who will accompany him. They are expected to include his political advisor, Brig. Gen. Courtney Whitney; his intelligence officer, Maj. Gen. Charles A. Willoughby, and his chief of staff, Maj. Gen. D. O. Hickey.

The party will also include Lt. Gen. George E. Stratemeyer, commander of the Far East air forces, and Vice Adm. C. T. Joy, commander of Far Eastern naval forces.

Burma Surgeon Standing Trial

RANGOON, Burma, Oct. 13. (AP) — Burma's government claimed late yesterday that Dr. Gordon S. Seagrave, world-famed "Burma Surgeon," had silenced his nurses about his activities with threats of delivering them to the rebels he is accused of aiding.

Chan Un Aung, Burma assistant attorney general also told a special Burmese tribunal trying the 55-year-old doctor that Seagrave had fired several nurses lest they inform the government about him.

The doctor is charged with committing high treason by aiding Renegade Capt. Naw Seng of the Kachin Rifles Regiment to wage war against the state. Conviction on that count carries the death penalty.

He is also accused of assisting abetting and comforting rebel tribesmen and of failing to report his knowledge about the rebels to the proper authorities. The assistance charge is punishable by banishment.

Dr. Seagrave, who saved countless lives during his 25 years of operating hospitals in Burma, and who marched with Gen. Joseph Stillwell, was arrested Aug. 15 on suspicion of aiding the rebels. He has pleaded innocent.

Cotton Export Curb Probe Being Sought

WASHINGTON, Oct. 13. (AP) — Plans for a congressional investigation into cotton export curbs and the American textile industry are being sought by Sen. James Eastland and Rep. Jamie Whitten, Mississippi Democrats.

The Departments of Agriculture and Commerce ordered a two-thirds reduction in cotton exports because of an indicated 1950 production below expected consumption.

In a communication to Secretary of Agriculture Brannan, Eastland and Whitten said the export cut was "unjust, oppressive and irresponsible."

Philadelphia Numbers Racket Said Preying On The Children

PHILADELPHIA, Oct. 13. (AP) — The Senate Crime Investigating Committee [illegible] from New York to Philadelphia today with plans to throw its spotlight on a $100 million-a-year policy racket preying on school children.

Sen. Estes Kefauver (D-Tenn) chairman of the committee, said the crime probers have reason to believe the major gambling activity in the Philadelphia area is the policy or numbers racket.

Alfred M. Klein, assistant counsel for the committee, estimated the gross annual take of the numbers game here at $100 million, including "the pennies of countless school children."

During a radio appearance last night, Kefauver said he had heard U. S. sources are providing Charles (Lucky) Luciano, deported vice overlord now in Italy, with "lots of currency."

The committee has evidence, Kefauver said, that large amounts of money are being mailed to Luciano and that he "still has his finger in the U. S. crime picture."

At New York, Kefauver said the committee may call former Mayor William O'Dwyer and Brooklyn Bookie Boss Harry Gross.

Later in Philadelphia, Kefauver said, however, the crime probers thus far have uncovered no reason to subpoena O'Dwyer, now serving as U. S. ambassador to Mexico, but added "if we find a reason, we certainly will call him."

The Weather

WEST TEXAS: Fair this afternoon, tonight and Saturday. No important temperature changes.

EAST TEXAS: Fair this afternoon, tonight and Saturday. No important changes. Moderate easterly winds on the coast.

Saturday's Games

GAMES OF OCTOBER 14
By FRANK ECK
AP Newsfeatures Sports Editor

EAST

ARMY to wallop MICHIGAN (Blair to Foldberg too much).
BROWN to rout RHODE ISLAND STATE (By at least six TDs).
HOLY CROSS to outscore COLGATE (Wide open game likely).
COLUMBIA to defeat YALE (Lions don't like 33-7 loss in '49).
CORNELL to crush HARVARD (Big Red by big score).
DARTMOUTH to nip PENN (Clayton's passing the difference).
MARYLAND to rout GEORGETOWN (Terps due to pour it on).
*LAFAYETTE over MUHLENBERG (It could be one-sided).
NAVY to edge PRINCETON (Tars mightier than Tiger).
*NYU to rout BROOKLYN (Easy for the Violet).
*SYRACUSE to upset PENN STATE (Army softened Nittany Lion).
RICE to edge PITT (Owls will find Panther tough though).
TEMPLE to nip RUTGERS (It figures very close).
*Night game.

MIDWEST

*MARQUETTE to conquer DETROIT (It was 24-14 last time).
OHIO STATE to crush INDIANA (Buckeyes have class).
WISCONSIN over IOWA (Badgers won last 35-15).
IOWA STATE to beat KANSAS (It figures close).
MISSOURI to hail KANSAS STATE (Wide open game in prospect).
MICHIGAN STATE over WM. and MARY (Spartans won by 42-13 in '49).
MINNESOTA to defeat NORTHWESTERN (Gophers could tame Wildcats).
PURDUE to edge MIAMI (Florida team on upgrade).
TULSA to beat VILLANOVA (But watch out for D'Alonzo).
*Night game.

SOUTH

WEST VIRGINIA to take RICHMOND (It may not be close).
FLORIDA over AUBURN (Played 14-14 thriller in '49).
DUKE to rout NO. CAROLINA STATE (The Blue Devils are strong).
GEORGIA to take MISSISSIPPI STATE (Bulldogs a big surprise).
*LSU to conquer GEORGIA TECH (Louisiana a Southeast power).
*KENTUCKY to crush CINCINNATI (Wildcats stronger this year).
VANDERBILT to take MISSISSIPPI (It was 28-27 thriller last year).
WAKE FOREST over NORTH CAROLINA (Choo Choo has gone).
NOTRE DAME to crush TULANE (Maybe by 46-7 again).
VIRGINIA over WASHINGTON and LEE (Cavaliers have Papit pitching).
*Night game.

SOUTHWEST

BAYLOR to conquer ARKANSAS (Could be a tight one).
*SMU to beat OKLAHOMA AGGIES (Rote pitching for Mustangs).
OKLAHOMA over TEXAS (Big Dallas game of year).
*TEXAS AGGIES to beat VMI (Might be a one-sided margin).
*TEXAS TECH over TCU (Tech stronger than rated).
*Night game.

ROCKY MOUNTAINS

COLORADO AGGIES to beat BRIGHAM YOUNG (Figures very close).
NEBRASKA to take COLORADO (Won it by 25-14 last year).
WYOMING to rout UTAH STATE (Might even be a shutout).

FAR WEST

CALIFORNIA over SOUTHERN CAL (It was 16-10 last time).
OREGON to trounce IDAHO (They're not in the same league).
WASHINGTON STATE over MONTANA (By about two touchdowns).
OREGON STATE to nip WASHINGTON (Looks like a tossup).
STANFORD to rout SANTA CLARA (Forget last year's 7-7 tie).

RECORD: 44 Right, 12 Wrong, 2 Ties.—Pct.: .786.

130,000 Fans To Dallas For Doubleheader

By WILL GRIMSLEY

NEW YORK, Oct. 13. (AP) — Texas, as the kingsized state, comes up with a king-sized doubleheader tomorrow that promises to give the college grid standings a vigorous shakeup.

Three of the four top teams in the country and a boisterous neighbor which is unbeaten and once-tied square off in a battle of giants in Dallas' Cotton Bowl.

Oklahoma, third-ranked nationally, will throw its 23-game winning streak against ponderous Texas, No. 4, in the afternoon phase of the twin attraction. Southern Methodist and Oklahoma A&M will go out under the lights to complete the job.

RANKED SECOND

SMU is ranked second nationally, just behind Army. Oklahoma A&M isn't rated but here's a team that was good enough to beat Arkansas and Texas Christian and tie Drake.

The two games—with separate admissions—are expected to draw a total of 130,000 fans. A large hunk of Oklahoma's population is moving across the Red River for the doings.

Dallas' doubleheader will snare some of the spotlight from the big game in Yankee Stadium where Army's Black Knights, unbeaten in 22 games, will defend their new No. 1 rating against fired-up, once-beaten Michigan.

LURES 70,000

This game, the season's major attraction in the East outside the Army-Navy extravaganza, is expected to lure 70,000 into Yankee Stadium.

The college campaign really picks up momentum this week with major conference clashes vieing with intersectional skirmishes for the attention of the gridiron goofers. The activities actually get under way tonight with Illinois and UCLA, the 1947 Rose Bowl principals, tangling at Los Angeles.

Michigan's Wolverines are expected to be keyed to the gills for the meeting with Army and to have their best backfield man, Chuck Ortmann, in shape for the first time since the opening game.

STEERS GIVEN EDGE

The Cadets, who boast a racehorse backfield, never have lost to the Wolverines. Last year they snipped a 25-game Michigan winning streak, 21-7.

At Dallas, Texas is rated a touchdown edge over the Sooners, who just squeaked through against Texas A&M last week, and SMU, with Kyle Rote at the throttle, is a solid choice over the Oklahoma Aggies.

Dry Egg Shipment To Be Probed By Unions

SEATTLE, Oct. 13. (AP) — The dispute over 700 tons of Chinese dried eggs on the Seattle waterfront has prompted two congressional committees to promise investigation, Rep. Hugh Mitchell (D-Wash) reported last night.

In addition, the American Federation of Labor, through President William Green, has promised the Seattle local of the Packinghouse, Poultry and Egg Workers Union it will conduct a separate inquiry.

Prepping For Texas University

Here is the backfield which will start for Oklahoma Saturday when the Sooners risk their 23-game winning streak against Texas at Dallas. Working out are, left to right, Halfback Tommy Gray; Fullback Leon Heath; Quarterback Claude Arnold and Halfback Buddy Jones.

Claassen Predictions

By HAROLD CLAASSEN

NEW YORK, Oct. 12. (AP) — And you think that Coach Frank Leahy should feel bad because Purdue defeated Notre Dame last Saturday? That was only one defeat. This pillar of pigskin prognostication had 25 such setbacks the same day—its worst record in eight years.

But Notre Dame hopes to start a new victory string Saturday and the hope is echoed here.

Army vs Michigan: Cadet coaches say that Chuck Ortmann's condition will determine who wins. The Michigan back was hurt in the Michigan State defeat and hasn't played since. But even if he is at his best, the Cadets appear to have the edge. Army.

TEXAS PICKED

Oklahoma vs Texas: Texas is reported to have only mediocre backs but the best line, from end to end, in college football. That should be more than enough to end the Oklahoma victory string at 23. The Sooners had plenty of trouble last week with much weaker Texas A&M, Texas.

Santa Clara vs Stanford: This simply isn't the Santa Clara team of last year which was good enough to go to the Orange Bowl. Stanford.

Ohio State vs Indiana: Vic Janowicz will be too much for the Hoosier sophomores. Ohio State.

Miami vs Purdue: The Boilermakers need not be keyed up for this one but they had better put their clippings aside when the whistle blows. Purdue.

NEW STRING?

Notre Dame vs Tulane: Tulane would like to avenge that 46-7 pasting of a year ago but a new Notre Dame victory string should be started here. Notre Dame.

Mississippi vs Vanderbilt: Bill Wade's passing will bring the Commodores home in front. Vanderbilt.

California vs Southern California: Pappy Waldorf has 33 in shape for this one. He should get almost as many points. California.

Wake Forest vs North Carolina: Wake Forest is out of gas after that 47 to 0 massacre of William & Mary; North Carolina.

Navy vs Princeton: Princeton took its annual "vacation" in the last half of its game with Rutgers and now is ready to travel. Princeton.

MUSTANG SHAVE EDGE

Oklahoma A&M vs Southern Methodist: A night game involving two unbeaten clubs but the Mustangs, despite a heavy injury list have the edge. Southern Methodist.

Mississippi State vs Georgia: The Bulldogs are at home. Georgia.

Holy Cross vs Colgate: Dr. Eddie Anderson has the Crusaders crusading. Holy Cross.

Wm. & Mary vs Michigan State: The Spartans are through patting themselves for their triumph over Michigan. Michigan State.

Cornell vs Harvard: Some Eastern critics think Cornell is Army's equal in football ability. Harvard isn't in that class. Cornell.

British Baby Is Born With Three-Inch Tail

LONDON, Oct. 13. (AP) — The case of a baby born with a tail which he could twitch like an angry cat was reported today in the British Medical Journal.

The baby's anxious mother took him to a London hospital at the age of 11 months. The tail was then just over three inches long when pulled out to its full length.

"When released it would contract, curl on itself, resembling the tail of a pig, and then relax and flick from side to side," wrote P. J. Blaxland, surgical registrar at the Great Ormond Street Children's Hospital.

Highway Patrol Brings Good-News To Motorist

TEXARKANA, Oct. 13. (AP) —This was probably one time a motorist was glad to be stopped by the highway patrol.

Joe Burnett and Joe Gill, both city firemen here, were on their way to Fort Hood to report for active military service when Mrs. Burnett received word that her husband had been given a 30-day deferment. She called the patrol at Tyler, the patrolmen stopped the men, and they headed home immediately.

Second Friday 13th

CHICAGO, Oct. 13. (AP) —Today is Friday, the 13th, the second Friday the 13th of 1950. The first so-called superstitious day of 1950 was last Jan. 13.

Like 1950, in two of the 12 months of 1951, the 13th falls on a Friday. The first is April 13 and the second on July 13.

New Legion Head To Visit Texas Cities

LOS ANGELES, Oct. 13. (AP) — Erle Cocke, new national commander of the American Legion, will stop in three Texas cities on a cross-county tour of legion posts beginning next week.

He will be in Amarillo Oct. 26, Wichita Falls Oct. 27, and Gainesville, Oct. 28.

Ravens will prey on small wild animals, occasionally even on lambs, says the National Geographic Society.

The 1938 Duke football team was not scored upon until the final few seconds of the final game of the season, the Rose Bowl contest.

Snyder Looking for Vengeance In Colorado City Game Tonight

Plucking off a big win in their first district game with Rotan last week, eleven hardy Snyder Tigers are ready to continue this fall's harvest with a heavy bunch of already-ripe Colorado City Wolves.

Both teams will go onto the field in Colorado City tonight with a good season record, having two losses each, the Tigers with three victories and Wolves with two.

Both will use a Split-T offense, which is the hardest thing in football to put up a defense against, Coach Speedy Moffett said this week.

VENGEANCE

The Tigers will attempt to avenge a 28-7 defeat they took from the Wolves last year as they work harder than ever before toward a victory over Colorado City.

The Wolves appear to be quite a match for anyone. In previous games this year they have shown themselves to be good footballers, trained again this year by Coach Clarke Prather and his assistants, J. J. Buxkemper and Rex Kliepper. Prather and his 1949 team followed Rotan in the district last year to hold a second place title.

Both good pass receivers, Prather's ends are Melton Wilbanks and George Swann. Never failing to toss a good pass or make yardage is Quarterback Nathan Corbell, backbone of the team, who also has good aim with his toe in kicking extra points. All good ground gainers are Halfbacks Gene Carney and Charles Currie and Fullback Gene Garner.

Tiger Center Grant Teaff, who was out of the Rotan game with a slight injury last week, will again be in shape for the game with the Wolves.

POINTS SCORED

Out of four games, the Wolves have scored 89 points to the opponents' 61, while the Tigers, in five games, have taken 113 to 50. Colorado City will play its first district tilt as it meets Snyder.

Most of the Tiger scoring this season has been done by three of the teamsters, Halfback Franklin Woods has racked up 36 points, while Quarterback Max Coffee is credited with 24. End Lowell Bearden, who has scored twice on pass interceptions, has picked up 23 points; 11 of them on extra point kicks. Other scoring Tigers were Halfbacks Clifford Green and N. J. Harrison, Fullback Jackie Grimmitt, Tackle W. G. Birt, and Center Grant Teaff.

The only team which both teams have met this season is Winters, which defeated the Tigers 18-6 and lost to the Wolves 41-14. But Speedy Moffett is not using the games with Winters to judge this game, since he thinks the Winters team has not played as good a game with any team as it did with the Tigers in early season. The Wolves defeated the Winters team two weeks ago after they had three other games behind them, while the Tigers took it on as the first game of the season.

Here are the season records for both teams as they now stand

TIGERS

Under Winters 18-6
Under Stamford 12-7
Over Lakeview 34-7
Over Albany 33-13
Over Rotan 33-0

WOLVES

Under Wink 14-7
Under McCamey 26-14
Over Ballinger 26-7
Over Winters 41-14

Of Hialeah's racing officials, Steward John B. Campbell, Starter George Cassidy and Timer Al Nun have worked at the track since the opening in 1925.

Moffett will probably change his defensive line-up, but has not yet announced any change.

OFFENSIVE LINE-UP

TIGERS	No.	Wt.	Pos	Wt.	No.	WOLVES
Bearden	89	163	E	160	73	Wilbanks
Voss	86	150	E	160	67	Swann
Keller	76	182	T	180	76	Gilstrap
Stokes	75	163	T	165	77	Golden
McCormick	67	159	G	215	69	Thompson

Woods	24	147	B	165	58	Currie
Harrison	10	144	B	155	56	Garner

Grimmitt, No. 42, 136, and Harrison will double. Defensive Tiger substitutes are Birt, 217, No. 79, and Thornton, 205, No. 78, tackles; and Sims, 124, No. 22, back.

Alabama's Next Head Says He Is Going To Clean Prison System

TUSCALOOSA, Ala., Oct. 13. (AP) —Governor-nominate Gordon Persons says he is going to clean up Alabama's prison system to eliminate brutality to convicts described in the book "Scottsboro Boy."

Persons said yesterday that criticism by Haywood Patterson, 38-year-old Negro fugitive and author, was true.

"I know," said Persons, whose nomination is equivalent to election in Democratic Alabama. "I've been in the prisons myself."

Patterson is one of nine Negroes originally held in the Scottsboro case, in which two white women accused the Negroes of raping them aboard a freight train in 1931. He spent 16 years in prison after his conviction, and escaped in 1948.

Former School Teacher Gets Death For Rape

AUSTIN, Oct. 13. (AP) — A former Flatonia school teacher, Foley Ford Gephart, was sentenced to death yesterday when convicted of rape by a 98th District Court jury.

He was charged in the rape last November of a seven-year-old Austin girl.

Texas, S.M.U., Rice, Baylor, T.C.U. Are Picked For Wins

By HAROLD V. RATLIFF
(Associated Press Sports Writer)
Associated Press Sports Editor

The feverish eyes of the nation's football millions will be on Dallas tomorrow where, for the first time in history, three of the four top ranking college teams of the country play on the same field within a stretch of eight hours.

It's Texas vs Oklahoma in the afternoon and Southern Methodist vs Oklahoma A&M in the evening, and in the immediate neighborhood of 150,000 fans will be bulging the giant Cotton Bowl at the seams.

LAST STAND

In comparative privacy, Arkansas will be making its last stand and Baylor its start in the Southwest Conference race.

Away from the maddening throng Texas A&M will be playing Virginia Military Institute and Rice will be smashing at Pittsburgh in a couple of games important mostly because they figure in the intersectional standings.

There's never been anything like this Dallas gridiron carnival. SMU, No. 2 in the nation, plays Oklahoma A&M, No. 40; Oklahoma, No. 3, battles Texas, No. 4.

Arkansas, already has dropped one conference game and if the Razorbacks lose to Baylor will be out of the championship running. Arkansas isn't supposed to lose this one but wasn't supposed to lose to either Oklahoma A&M or TCU. Only 17,000 are due to turn out for the game at Fayetteville.

AGGIES FAVORED

Texas A&M ought to beat VMI with one hand tied. The Virginians took a drubbing from George Washington and were far from brilliant in victories over William and Mary and Richmond. The Aggies just last week gave Oklahoma heart failure by leading down to the last minute. A crowd of 25,000 is expected at College Station.

Rice plays a Pitt team that has lost both of its games—to Duke 28-14 and to Ohio State 41-7. The Owls haven't come close to dropping one. They'll have to be mighty chesty and careless to take a licking from Pittsburgh. Some 25,000 will come out to see about it.

Texas Christian meets thrice-beaten Texas Tech and the Horned Frogs should make the home folks in Fort Worth happy in this one.

THE PREDICTIONS

Still trying to hit them all (we have missed one each week of late,) here is HVR's non-guaranteed crystal-gazing for tomorrow:

Texas-Oklahoma at Dallas (2 p.m.)—Texas turns the tide this time; the Longhorns by 10 points.

Rice-Pittsburgh at Pittsburgh (1 p.m.)—If Rice doesn't win this one they might as well start practicing basketball; Rice by four touchdowns

Baylor-Arkansas at Fayetteville (2.30 p.m.)—Arkansas is the favorite so we'll pick Baylor; the Bears by a touchdown.

Texas A&M-VMI at College Station (8 p.m.)—If the Aggies don't win by three touchdowns we'll ignore them in the future.

Southern Methodist - Oklahoma A&M at Dallas (8 p.m.—Anybody who doubts SMU will win this one please stand on your head in the corner; SMU by 20 points.

Texas Christian-Texas Tech at Fort Worth (8 p.m.)—Texas Christian to take this one in stride; TCU by three touchdowns.

Legionnaires Are Gentlemen

LOS ANGELES, Oct. 13. (AP) — The American Legion came to Los Angeles in a fighting mood for its 32nd annual convention, and it left the same way.

The 40 and 8 had its hi-jinks and there was a certain amount of horseplay from time to time near downtown headquarters, but in the main it was a relatively quiet, decorous and sober gathering.

Retiring National Commander George N. Craig of Brazil, Ind., took cognizance of the deportment of the legionnaires by remarking in levity at the convention, just before it adjourned:

"The Los Angeles police chief and the fire chief have told me that this convention was more orderly than the last meeting of the ministerial association."

The Legion had no bill for property damage; it settled for 71 cents the single bit of damage caused at the last national convention.

Wichita Falls Board To Call Married Men

WICHITA FALLS, Oct. 13. (AP) — Married men without children are going to be classified 1-A next week by the Wichita County draft board, Wade Starnes, draft board clerk, announced.

He said married men of the county, in the 19-25 age bracket, who have no children, will be reclassified from 3-A to 1A beginning Monday. He said that some of them "very probably" will be in the 114-man call to report for pre-induction physicals Oct. 27.

The action was necessary, he said, because the list of single men virtually is exhausted.

All-Day Rally At Church Here

About 200 persons attended the all-day fellowship meeting yesterday at the Assembly of God, 1809 Avenue S, the Rev. Robert Owen, pastor, reported.

Four guest speakers from other churches in the South Plains Section of the West Texas District of Assemblies of God were featured on the program.

The Rev. H. M. Tarkington, pastor of the Assembly of God at Sweetwater, spoke at 10 o'clock yesterday morning in the absence of announced speaker and district superintendent, the Rev. J. A. Thomas, of Lubbock.

Speakers in the afternoon were the Rev. A. A. Daily, of Amarillo, and the Rev. A. W. Burdine, of Big Spring.

The evening speaker was the Rev. C. R. Love, of Big Spring. Love, presbyter of the South Plains Section, was in charge of the meeting.

The church served lunch there at the noon hour.

Sunday School Class Guests at a Coffee

Mrs. J. W. W. Patterson, 3111 Avenue V, entertained with a coffee yesterday morning in her home. The occasion honored her Sunday School group, the Lydia Class of the First Baptist Church.

Mrs. Patterson served hot gingerbread with coffee to the following: Mrs. Gene Best, Mrs. B. F. Davis, Mrs. A. E. Duff, Mrs. W. N. Eubanks, Mrs. J. M. Long, Mrs. R. E. Parks, Mrs. C. K Pirtle, Mrs Dell Bynum, Mrs. Art Mayberry, Mrs. F. Mathews, Mrs. S. E. White, Mrs. George Webb, Mrs. Bob White, Mrs. E. J. Hardy, Mrs. Amon Weaver and Mrs. Hollis Jones.

Two-County Brotherhood Holds Meeting

Presides at brotherhood meeting — C. E. McGaw.

About 95 men from 10 churches attended the Mitchell-Scurry Association of the Baptist Brotherhood meeting last night at the new Union Baptist Church west of Snyder.

The Rev. Jesse Davis, pastor of the Second Baptist Church of Lamesa, was the principal speaker.

In an election of officers presided over by C. E. McGaw of Snyder, president, the following vice-presidents were named: Wilbur Althof, Roscoe, attendance; Floyd Wallace, Colorado City, program; and H. L. Wren, Snyder, promotions.

Ray C. Lunsford, Snyder, was named secretary-treasurer, and Billy Joe Poe, Colorado City, was elected song leader.

The advisory committee elected last night includes the Rev. R. Y. Bradford, First Baptist Church of Colorado City; the Rev. A. W. Smith, First Baptist Church of Roscoe; the Rev. Avery Maple, Plainview Baptist Church; former president E. W. Williamson, Snyder; and Everett Henderson, Loraine.

Owen C. Taylor, district brotherhood president of Lamesa, led the devotional, and Williamson made the report on the brotherhood work of the Union Baptist Church.

Before Mr. Davis's address, the brotherhood quartet of the First Baptist Church, Lamesa, gave a program of special music.

Howard-Payne Dean Is Guest Speaker Sunday

Dr. C. T. Howard, dean of the Howard-Payne College at Brownwood, will fill the pulpit of the First Baptist Church Sunday in the absence of the pastor, the Rev. E. K. Shepherd, who is preaching in a revival meeting at Fullerton, Tex.

Mr. Shepherd will return the latter part of next week. Dr. Howard will be in charge of both morning and evening services here.

To The Farmers and Business Men Of Scurry County!

This week is dedicated as "Farm Bureau" Week. A great membership drive is on. There will be one of your neighbors, an un-paid solicitor, who will call on you for your membership. He is trying to help you, as well as himself, and is donating his time free. Help yourself by joining the Farm Bureau.

The FARM BUREAU is the only "Big Stick" the farmer and farm community business man has to keep his business on a "parity basis" with such as the Labor Unions, Corporations, and other similar organizations. The Farm Bureau has paid Lobyist in our State, as do all other organized groups, and in our Federal Capitol. Our membership is NOW big enough, so that our "voice" is heard in all State and Federal planning, and in our Farm programs.

When Agriculture is on top, everything is on top! And vice-versa. We do not get the best things in life handed to us on a Silver-Platter. We have to FIGHT for them.

Once there was a proud father, who had a little girl. And he loved his little girl a great deal.

As he trudged home from work one day he thought of all the things he would like to give her—things that would make her very happy.

But he wasn't a rich father. Until payday all he could afford was a lolly-pop.

As she licked her lolly-pop she smiled at him—and he smiled, too. She was very happy. And he was glad he had given her a lolly-pop!

The next Sunday he took his little girl to Sunday School . . . and he and Mother began attending Church.

Years later, when his little girl had become a "lady", she smiled at him one day—and he smiled, too. She was very happy. And he was glad he had given her more than lolly-pops! He had given her the finest gift of all—faith in God's love.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Limbering Up For Hobo Day

Three high school girls are pictured above in one of the many tasks the home economics students will perform tomorrow to raise funds for decorating and equipping their classroom. In front of the car at the right is Wanda Jean Rainwater. The other two are twins, Marlene Nixon and Darlene Nixon. Tomorrow is Hobo Day, on which the girls will seek employment in a variety of odd jobs.—(J. Lawrence Devers photograph).

NEWS FROM IRA

By MRS. MABEL WEBB

Cotton gathering is getting in full swing this week. Many Mexicans are coming in now.

Several from here attended the open meeting on Child Labor Law in Snyder Monday night.

Mrs. W. O. Webb spent from Saturday until Monday afternoon with her daughter, Mrs. B. F. Eades of Fairview. They spent Sunday night in the J. T. Eades home of Sweetwater, going to Abilene Monday day where Mr. Eades received treatment for his eye.

Sunday, Oct. 22, the Scurry County Singing Convention will meet with the Ira people.

Several from here attended the quarterly conference at Camp Springs Sunday afternoon.

The Rev. Dean Martin of Abilene filled his regular appointment at the Methodist Church Sunday morning and night.

Mr. and Mrs. Edgar Eades attended the workers conference at Hermleigh Tuesday.

E. E. Carlile is the new janitor at the Snyder school.

We welcome into our midst The Rev. and Mrs. Allen who have come to pastor the Church of God.

Mrs. J. D. Smallwood and Mrs. O. W. Halladay, Eula Place Taylor, and Doris Halladay accompanied by the Rev. and Mrs. Allen attended the Missionary Rally at San Angelo Tuesday.

Mr. and Mrs. M. F. Holmes of Texarkana, and Mr. and Mrs. E. E. Clark of Snyder were visiting in our community Friday.

Mrs. Robert Erwin and small daughter of Midland visited her parents, Mr. and Mrs. A. H. Kruse.

Mr. and Mrs. John Mayes and son Larry were in Oklahoma the first of the week. They attended the funeral of his nephew.

Father Knows How To Take Care Of Children

BIRMINGHAM, Ala., Oct. 13. (AP) —Marvin Adkins, a 26-year-old high school student under the GI Bill of Rights, brought his new son to a hospital here.

Gregory Lynn was such a small baby, just a little better than a two-pounder, Adkins explained "You can cradle him in your two hands."

When the child was born Tuesday in a mining community near here, the doctor offered little hope, but the father thought otherwise.

"I started feeding him a formula that I made up myself," Adkins said. "I'd feed him a couple o drops at a time from an eyedropper and keep him well wrapped up."

Doctors at Childrens Hospital say the youngster is in fair condition. His twin was born dead.

A hospital attendant wanted to know how Adkins had been able to take care of Gregory Lynn.

"I was one of 14 children," he said, "and I guess I oughta know."

Infant Boy Burns To Death In Seymour Fire

SEYMOUR, Oct. 13. (AP) — An infant boy burned to death and three other persons were seriously burned in a fire which destroyed the B. F. Tucker farm home 10 miles east of here yesterday.

The nine-month old baby was the son of Mr. and Mrs. B. E. Smith of Paris. He was in the house with his mother and Jack Tucker, three. Smith, Tucker and two sons of Smith were picking cotton in a nearby field.

Legion Elects World War II Vet Commander

By GRAHAM BERRY
(Associated Press Staff)

LOS ANGELES, Oct. 13. — The American Legion has elected a fighting national commander pledged to advance its demands for a U. S. State Department shakeup, universal military training and outlawing of the Communist Party.

Erle Cocke, Jr., 29, World War II hero and airlines executive from Dawson, Ga., was elected by acclamation at the conclusion of the legion's annual four-day national convention yesterday.

FOLLOWS PLANS

He promised to carry out the Legion's two-fisted preparedness program drafted at what delegates described as the most serious, business-like session in the organization's 32-year history.

The 3,277 delegates, representing some 3 million Legion members, were unanimous in favoring UMT and in attacking communism at home and abroad.

But the argument over censuring the State Department was almost as hot as the weather, a sweltering 99 degrees and the hottest Oct. 12 on record here.

TOP TARGET

As finally passed, the resolution did not name Secretary of State Dean Acheson, but left no doubt as to its target. The original wording of "We urge that the President" was changed on the floor to read: "We demand that the President . . . take all necessary steps to reconstitute that the State Department."

The document added "We condemn the failure of the State Department to deal adequately with the grim and bloody advance of communism" and blamed "this failure . . . to a refusal of the secretary of state to evaluate properly the gravity of the dangers of America and all free peoples which communism presents."

American asphalt tile manufacturers have adopted the names of "draycot", a red English marble; "Napoleon", a French marble with a veined light fawn ground, and "breccia sanquina", an Algerian marble with light red patches on a deep red ground.

The valley of the River Jordan is remarkable because of its trench - like contour.

Schoolboys On Road Thursday

(By The Associated Press)

Thomas Jefferson of San Antonio walloped Lanier of San Antonio, 81-6, last night and sounded a warning it was going to be a top contender for a second straight City Conference schoolboy title.

While the Mustange were running up a top-heavy score, a scattering of other games opened a heavy week of action in the three big divisions of high school football — City Conference, Class AA and Class A.

In Class AA tonight, one of the big games of the season matches Lubbock and Pampa. In another feature tilt, Texarkana takes on Longview.

PAMPA UNDEFEATED

Lubbock is unbeaten but tied, Pampa undefeated and untied. Texarkana has a perfect record and Longview has only a tie on its slate.

Big game in Class A matches Mt. Vernon and Mt. Pleasant, two undefeated, untied District 15 clubs.

Last night Forest of Dallas dusted off Grand Prairie, 13-6; Highland Park (Dallas) beat Sunset (Dallas), 14-6; Arlington Heights licked Amon Carter-Riverside in a Fort Worth district City Conference tilt, 34-6, while Jeff Davis ran over Milby in a Houston district game, 32-14.

Jefferson of El Paso whipped Marfa, 45-13, and in Class A Cuero whipped Kenedy, 33-0, and Beeville beat George West, 27-6.

13 AA CLUBS UNBEATEN

In another battle between unbeaten teams in Class AA tonight, undefeated, untied Midland takes on unbeaten but tied Sweetwater.

Other top games in this division match Abilene and Odessa; Breckenridge-Crozier Tech (Dallas); Port Arthur-Miller (Corpus Christi); San Angelo-Big Spring, and Sherman-Waco.

Lamar of Houston, only undefeated, untied team in the City Conference, rips into district play against San Jacinto of Houston.

There are just 13 undefeated, untied teams in Class AA and only four unbeaten but tied elevens.

TALK OF THE TOWN

BY FRANCES BIOW

The universally favorite drink is not coffee, not wine, not cokes, nor punch nor sasperilla, but tea. Whether your lineage is Chinese, Anglo Saxon, Crotan, Dutch, or Navajo, the chances are seven to three that it's tea you'll be drinking of an evening when friends drop in. You may despise the stuff and never take it, but you can't beat the averages. Hot tea attracts definite schools of thought —those rabid against it "except for colds" and those ready to fight for it.

The British Embassy and all of its branches in Washington, D. C., serve tea as a treat to tense workers mid-afternoon daily, rain or snine, war or peace. The little American stenographers there grew to love the custom. In fact, the idea of a pause on a bitter afternoon with a tangy hot drink and suitable nibblets seems very civilized. If you begin or already have the habit, be sure to drink from your best and thinnest china. Somenow, it tastes better.

What to eat with tea has occupied the best English minds, not to speak of tangling up Lin Yu Tang, the oriental philosopher, in pages of discussion. Philadelphia cream cheese was made for hot tea, most think. Snip off the crusts of very fresh bread and spread with garliced cheese, parsleyed cheese, onioned cheese, relisned cheese, and so on. "Tea" can be so spiritlifting.

The era of iced tea for this year has come and nearly gone, excepting the few die-hards who call for it lustily year-out. Everybody's talking, a bit belatedly, about refrigerator tea, which turned up at the recent cooking school. I saw MISS NAOMA STRAYHORN serve it at an Alpha Club party, and its amber hue is as refreshing as the full-bodied brew is tangy. To make, if we have a few more warm fall party afternoons Place four tea balls in 1 qt. of cold water and place in refrigerator for 12 hours. Use the instant type tea bag. Your drink will emerge something glamorous, garnished with mint, lemon or even orange or lime.

Police chief Chester Bairrington and his boys on the force have gone all-out for Friday night's ball game when half of Snyder will drive to Colorado City to root for the local squad who fights their long-time rivals. The Law is furnishing flowers for twirling majorettes who always touch up the scene at the half. . . MRS. BETTY WENDELL SNYDER, in her inimitable style, threw a dinner party last week. Given for four former coworkers, the party was at midnight, because, as Mrs. Snyder explained, that was the only time she had to have it! ROY JOHNSON, DON MORRIS, BOB BILLINGSLEY, and WALTER JACOBSON all teetering on the threshold of transfering to military climes, were the guests. The men are engineers at Radio Station KSNY.

MRS. WALLA FISH is named MOST LOVED BOSS of the week. When her birthday fell Wednesday, all the operators at her beauty salon calmly forestalled all appointments for a half hour, brought out a cake rich in nuts and icing and best wishes, and held a gay coffee 'n cake party for Mrs. Fish, as well as any fortunate customer who chanced in.

MISS NELLIE COTTON donates the recipe for "The $100.00 cake." A friend of Miss Nellie's won that sum from a woman's magazine for the popular recipe, and hence it's name. It's really just chocolate cake made with mayonaise, sans eggs and milk. Good? It's revolutionary!

The next meeting will be in the home of Mrs. Towle, 2802 Avenue U.

Jean Simmons To Wed

HOLLYWOOD, Oct. 13. (AP) — It will be an early 1951 wedding for Stewart Granger and Jean Simmons.

The British film stars announced their engagement yesterday.

It is the first marriage for 21-year-old Miss Simmons, who commented: "This makes my trip to America complete."

Granger, 37, previously wed to Elspeth March, said the ceremony has been planned for some time. Their romance began three years ago when the couple met in a British movie studio.

will appear on the Penn State football schedule for the first time in 1951.

Bombs Rain Near Manchuria

Allied forces pushed ahead toward Pyongyang, Red Korean capital on three fronts as a United Nations naval task group bombarded North Korean coast (D) near Chongjin, rail and communications center 34 miles from the Manchurian border. U. S. troops (A) were driving on Kumchon from three directions. South Koreans (B) overwhelmed Red resistance at Kumhwa, Chorwon and Pyongyang. At Wonsan (C), allies were battling Reds a mile west of the city.

Anti-Red Law Causing Mass Detentions

WASHINGTON, Oct. 13. (AP)—Further mass detention of aliens seeking to enter the United States appeared likely today as government officials sought to write a set of rules defining who may enter under the new anti-subversives law.

State and Justice Department officials said clarifying regulations are being drafted, but they declined to predict when they may be ready. At issue is just who fits the law's ban against members or former members of totalitarian parties and their affiliates.

SCORES DETAINED

Scores of aliens who have arrived since the law's enactment almost three weeks ago have been detained at Ellis Island by immigration officials.

Victor de Sabata, conductor of Italy's famed La Scala Orchestra of Milan was denied entrance to the country yesterday after his arrival on the Queen Mary. He was one of 35 alien passengers taken off the liner and sent to Ellis Island.

14 MUSICIANS

Included in this number were 14 Italian musicians arriving for an Italian-sponsored good will tour. They were released in about two hours, reportedly after the Italian Embassy took up the matter with the State Department.

To head off the arrival of others who might face detention, American diplomatic and consular officials abroad were ordered yesterday to suspend temporarily passport visas granted foreign nationals planning to visit or immigrate to this country. Displaced persons and official government repesentatives were excepted.

Texas Representative Is Refused Airplane Ride In Saudi Arabia

WASHINGTON, Oct. 13. (AP)—The Defense Department said last night that Rep. Robert Poage of Waco, Tex., was refused air transportation in the Near East because he was not on official business.

An official of the department said that three touring members of Congress, Poage, Sen. Pepper (D-Fla) and Rep. Cooley had been in Tehran. They requested a lift by military plane and were given a ride to Dahran, in Saudi Arabia.

That was the nearest point at which the three could pick up commercial transportation, the defense official said. Rep. Cooley proceeded, but Poage and Pepper sought an additional lift from the Air Force.

The official said their request was denied beeause they were not traveling on official business.

Reese Air Force Base Expansion Announced

WASHINGTON, Oct. 13. (AP)—Plans for the expansion of the Reese Air Force Base at Lubbock, were announced last night.

Sen. Lyndon B. Johnson of Texas said the Air Force did not give the extent of the increase but he understood it would be "considerable."

Benefits For Mine Workers

WASHINGTON, Oct. 13. (AP)—Miners' hospital and disability benefits which the coal industry estimates will cost $2 million a month were announced today.

The United Mine Workers Welfare and Retirement Fund, headed by UMW President John L. Lewis, announced schedules of benefits for totally disabled coal diggers, older widows and dependent children of deceased miners, and the extension of hospital and medical services to widows and adult dependents.

COMPLETES PROGRAM

For the time being, this schedule completes the program of benefits to come out of the $150 million-a-year welfare fund collected through a 30-cent royalty on each ton of coal produced. The contract signed last March 5 boosted the royalty from 20 to 30 cents a ton.

The fund was exhausted last year after Lewis and his fellow fund trustees distributed more than $100 million in benefits to miners and their relatives. But it is fast building up again under the 30-cent royalty, and the trustees have tightened eligibility requirements and cut out some of the expensive services of last year's fund.

OTHERS EARLIER

Other benefits were established earlier. They include $100 monthly pensions—aside the government's social security payments—to 60-year-old members of the UMW with 20 years of service in the pits who have worked for the past year in the mines. The pensions were started June 1.

Other benefits previously set up were death payments of $1,000 to miners dependents, beginning April 1; and hospital and limited medical services for miners and their families, started July 1.

Los Angeles Records Temperatures Of 99

LOS ANGELES, Oct. 13. (AP)—Summer came Indian style to Los Angeles this year.

The temperature sizzled to 99 degrees yesterday—hottest Oct. 12 on record here—and the weatherman predicted it would be up around 98 today.

The late swelter—which pushed readings up to 110 in suburban North Hollywood—came after three summer months of little sunshine and heavy fog. Late September heat waves are common here, but there hasn't been an October scorcher in 10 years.

Even on the seashore it was hot 101 in nearby Long Beach.

Weapons Appraisal Will Give Answers To Debated Questions

By ELTON C. FAY
(Associated Press Staff)

WASHINGTON, Oct. 13. — The military high command will soon receive from a military-scientist team of experts an appraisal of the weapons used in the Korean war and the systems for using them.

This probably will mean that for the first time the joint chiefs of staff and the Defense Department's research and development board will get some cold, analytical answers on such hotly debated questions as:

1. How do the new American tanks perform under actual battle conditions?

2. The new 3.5-inch superbazooka?

3. Have the recoilless guns, developed since World War II, measured up to expectations or are there defects to be mastered?

4. Who is right in the continuing argument over the adequacy and efficiency of air support for ground troops on the battle line and the complex system of control needed for such close-in air support?

5. How have jet-powered aircraft worked out for close-in support. Should specialized jet types be developed for this work?

WSEG LOOK

The answers probably will be written into or implicit in final reports to be prepared by five members of the Weapons Systems Evaluation Group (WSEG) who left the Far East war zone a week ago after a prolonged study. They have forwarded to Washington some preliminary reports, but their final, overall assessments will be made later.

As its name suggests, the WSEG is concerned not only with the performance and capabilities of the weapons themselves but with the systems and tactics in which they are applied.

In line with this, the team in Korea worked with ground, air and naval forces. Some of the team went to Inchon to study the amphibious operation there.

PATTON TANK

The WSEG team has had opportunity to see the 48-ton Patton tank operating under fire. The Patton is the latest of the U. S. tank family in production, developed since World War II from the lighter Pershing model. Despite its tonnage and 90 millimeter guns, it still is a medium tank. There are arguments within and outside the Army over the value of a medium tank as against such ultra-heavies as Russia's Giant Josef Stalin III.

The 3.5-inch bazooka rocket launcher, rushed to Korea when the older and smaller 2.37-inch model proved ineffective, has had no trouble penetrating the armor of the T-34 Russian-made tanks used by the North Koreans. The WSEG team presumably has been able to estimate its probable efficiency against heavier armor of modern Russian tanks.

As to the "system" used for bazookas, the team now will have some first-hand observation on any need for increased range and other features. One major problem of all bazookas has been that their comparatively short range required a bazooka man to wait until an enemy tank was almost upon him before opening fire.

RECOILLESS GUNS

While dispatches from Korea have praised the performance of the big bazooka, there has been only occasional reference to the recoilless guns. Within limitations of range and penetration power, these weapons have the advantages of artillery, and are so light they can be man-carried. Their usual calibers are 57 and 75 millimeter. However, they lack the high velocity of conventional artillery. They has been reported to reduce the penetration effectiveness against tank armor.

Although army commanders have commended the air support of infantry, public arguments persist over the scope and quality of close-in support. The WSEG team now will be able to say how tactical air support is operating and whether there are enough planes to provide adequate rocket, machinegun and bomb fire to support a division.

In Korea, jet planes have been used for the first time for close-in support of ground forces. In World War II that operation was conducted by the slower flying, long-range piston-engined types. The Air Force has asserted that jets, equipped with rocket launchers, bombs and machine guns, have proved equal or superior to piston-engined planes for tactical support.

Vivian Ann Smith, of Petersburg, Va., has lived a soldier's life for the past two years being at four different camps with her soldier father and mother. She suffered a deficiency of Vitamins B1, B2, Niacin, and Iron and as a result she was weak and rundown until HADACOL helped relieve these deficiencies.

Here is what her mother, Mrs. Myrtle Smith, said, "Vivian Ann lived a soldier's life as we were at four different camps in two years. These changes apparently had a great deal to do with making the child ill and irritable. She was just skin and bones until seven weeks ago. I really had just about given up hope for her. Her skin was the color of chalk and she would not eat. She was fretful all the time and it made us all unhappy to see her suffering. We heard how much good HADACOL had done so many and now after six bottles she has gained 12 pounds. She has color in her cheeks and her disposition is perfect. She sleeps well. No one can imagine what a change it has made in all our lives."

HADACOL Is Wonderful

in the way it has helped thousands of folks whose systems were deficient in Vitamins B1, B2, Niacin, and Iron. HADACOL is so different because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only $1.25 for Trial Size. Large Family or Hospital Size, $3.50.

Language Recording Firm Takes Cracks At Sloopy Speech

By RAY KOHN
(Associated Press Staff)

NEW YORK, Oct. 13. — A language recording firm took a slap at "sloppy speech" cities and "he who got slapped" took some pokes at the company.

The firm, the Linguaphone Institute of America, said yesterday that Brooklyn heads the "sloppy speech" parade.

Four other cities ranking high in the slovenly conversation derby, it said, are Ypsilanti, Mich., Atlanta, Ga., Chicago, Ill., and Hollywood, Calif.

Said the company about Ypsilanti: "Folks just don't seem to care about their speech."

QUICK RETORT

Replied Ypsilanti's Mayor Dan Quirk: "We are too darned busy getting things done to worry about speech patterns."

Ypsilanti High School Principal Ernest Chappel chimed in with, "we can at least pronounce Ypsilanti."

About Atlanta, the institute said: "Its speech patterns are typical of the lazy South."

Counterattacked Editor Ralph McGill of the Atlanta Constitution: "Atlanta is the one city in the South where one hears relatively little of the deep South's so-called lazy drawl."

News-Editor Dale Clark of Atlanta Radio Station SAGA: "I consider the classification inaccurate. Atlanta's typical speech patterns are much more euphonious than many other sections of the country."

Commenting on Chicago, the institute said: "Most people sound like they are either being chased by gangsters or are running for trains."

CHICAGO FENSE

Chicago's Mayor Martin H. Kennelly cracked back, "All Chicagoans talk like real Americans and educated people."

Of Hollywood speech, the institute said, "they sound as if they are talking with hot potatoes in their mouths."

Hollywood hasn't answered yet, but the citizens probably are doing a slow burn until they can throw verbal cold water on that "hot potato" angle.

The institute didn't say exactly why it chose Brooklyn as the "winner" in its crude diction "awards."

However, a sonorous rejoinder came from the Society for the Prevention of Disparaging Remarks About Brooklyn.

Said Sidney H. Ascher, the society's president:

"Brooklyn always has been an easy borough to attack. Sloppy speech is not concentrated in Brooklyn. To New Yorkers, Bostonians don't speak good English. Every community tarks its language is the best."

Both Parties Happy In Ohio

COLUMBUS, O., Oct. 13. (AP) — Wishful thinking aside, the Ohio Democratic and Republican organizations will be satisfied to retain their present shares of the state's 23-member congressional delegation in November.

Each party now has 11 congressmen, with the Democrats holding an at-large seat as well.

Three districts — the First, Fifth and 11th — were won by fewer than 5,000 votes in 1948, and the at-large seat by only two per cent of the statewide vote.

Some of these races may prove close again — one way or another — and in addition the Second, Sixth and Ninth districts are considered doubtful.

APPRAISAL DIFFICULT

Both sides admit the situation is difficult to appraise because the state for the first time is using the "office" type of ballot, which rules out straight party voting with a single X. Korea and other world issues are conceded to be dominant.

The first district contest sees a former city hall newspaper reporter challenging Republican Rep. Charles H. Elston, who first went to Washington in 1938.

Rollin Everett, Elston's Democratic opponent, is now executive secretary of the Cincinnati chapter of the CIO newspaper guild.

Fifth District — Republican Incumbent Cliff Clevenger may be in the fight of his life to stave off Dan Batt, his Democratic opponent. Two years ago he was able to defeat Batt by a thin 2,874 votes. Democrats claim Batt has an excellent chance.

NARROW MARGINS

Eleventh District — Republican Incumbent Walter E. Brehm wriggled through with a margin of only 1,129 votes two years ago. His opponent, Mell G. Underwood, Jr., is the son of Federal Judge Mell G. Underwood of Columbus. Chalk this district up as a horse race.

At large — this race between Democratic incumbent Stephen M. Young and Republican George H. Bender, whom Young defeated in 1948, may be determined by the general state trend.

Probably the most topsy-turvy district is the 9th (Toledo). Democratic Incumbent Thomas H. Burke is not only fighting a formidable GOP foe in former Rep. Homer A. Ramey, but also an independent Democrat, Frazier Reams.

In the second district (western Hamilton County) former Republican Rep. William E. Hess is seeking a comeback against Democratic Incumbent Earl T. Wagner. The district normally is Republican, but Wagner licked Hess two years ago by 8,094.

Misdemeanor Charges Filed in County Court

Misdemeanor charges were filed in county court against five persons yesterday and one today.

Mrs. Lois Lattion, 34, of 1005 Twenty-third Street was charged this morning with driving a motor vehicle while under the influence of intoxicating liquor. She has not yet been arraigned.

Those charged yesterday were John G. Hopkins, 34, of Lone Star Hotel, who paid a fine of $100 and $23.50 court costs after pleading guilty to a charge of drunken driving; Eugene Shepherd, 44-year-old Snyder Negro, who pleaded not guilty to a charge of illegal liquor possession; Willie Raymond Emmons, 43, of Houston, charged with theft; and two other men charged with swindling by worthless checks but not yet apprehended.

Shepherd was released on a $500 bond. The date of his trial has not been set.

T.E.L. Sunday School Class Holds Social

Miss Mabel Bryan, 2501 Avenue T, entertained the T. E. L. Sunday School class of the First Baptist Church with a social following the business meeting last Wednesday.

Mrs. A. P. Morris, president of the group, presided, with Mrs. W. W. Gross leading the program with a talk on the Hand That Rocked My Cradle. Mrs. Morris spoke on the Bible on the Table. Roll call was answered with each member giving a sketch on a Bible character.

Mrs. Bryan served punch and apple pie to the eleven members present: Mrs. T. S. Worley, Mrs. J. M. Doak, Mrs. J. T. McCravey, Mrs. George Garner, Mrs. L. N. Periman, Mrs. Cora Greenfield, Mrs. J. A. Woodfin, Mrs. Gross, Mrs. Morris, and one guest, Mrs. Cora Hayter, the hostess's sister.

Expansion Is Planned At Ira Schools

The Ira school board voted Wednesday night to call an election on whether to issue bonds totaling $60,000 for enlarging their school plant.

The decision was taken after the school board met with several taxpayers in Ira to discuss the crowded condition of the schools and measures to remedy them.

The proposed enlargements would give four new classrooms, a new cafeteria, and two large inside rest rooms as soon as possible.

CONVERT ROOMS

With only nine classrooms and a study hall in the school building, officials are using their present cafeteria and gymnasium as classrooms. The school enrollment is now about 290, one-third increase over last year's enrollment, Houston Stevens, superintendent of Ira schools said.

Voting to call an election for bonds amounting to $60,000, the school board awarded the bond contract to the Central Investment Co. of Plainview which sent representatives to the meeting.

If the voters of the school district approve the bond, it will be handled by Central at the interest rate of two and one-fourth per cent for the first three years and two and one-half per cent for the remaining years to retire after a period of 14 years.

There are approximately 174 property taxpayers of the school district who are eligible to vote in the election which will be called by the school board at a later date. Plans for the project have not yet been drawn, but board members are now making contacts with architects in preparation to get the plans.

AGRICULTURE CLASS

The additions to the building, if annexed, will extend on two south wings. The funds from the bonds would also pay for a metal agriculture building, which will be placed west of the school building and south of the present lunch room.

Ira school board members are Sam Smallwood, president; Clifton Thomas, secretary; Grady Suiter, Fred Gullet, Woodrow Wilson, Orville Taylor, and Cecil Erwin.

New York Coffee Firm Cuts Down Prices

NEW YORK, Oct. 13. (AP) — Albert Ehlers, Inc., large independent coffee roasting firm, today trimmed its wholesale prices of coffee one to two cents a pound.

This is the first reduction in roasted coffee prices for major brands since late spring.

Korea War In Brief

(By The Associated Press)

SEA-AIR WAR: United Nations fleet of 37 warships, led by U. S. Battleship Missouri, shell North Korean ports on east coast for second day, hitting supply lines along 130-mile front. Attack raises speculation new landing is near. Planes aid in battering Red targets.

NORTH KOREAN BATTLEFRONT: U. S. spearheads within 65 miles of Pyongyang, Red capital, meet savage resistance. Allied troops drive to snap pincers on 20,000 Reds in Kumchon area. South Koreans advance north of Wonsan against light resistance.

Thomas Won't Aid Democrats

WASHINGTON, Oct. 13. (AP)—Sen. Elmer Thomas (D-Okla) said today he has refused to campaign for the Democratic ticket in his state but he'll vote for it on election day because "I wouldn't know how to vote for a Republican."

Thomas was defeated for renomination by Rep. Mike Monroney, who is opposed by the Rev. W. H. (Bill) Alexander, the Republican nominee, in the November election.

Thomas told a reporter the recent Oklahoma State Democratic convention "made it impossible" for him to campaign for the party's slate by adopting a platform with which he vigorously disagrees.

"When the Democratic convention met and didn't mention hydroelectric power development, flood control and irrigation, or parity for the farmer, key things for which I stand and for which Mr. Monroney does not stand, that had to be the end," the senator said.

"If I made any campaign speeches supporting the ticket I'd have to say my position was wrong, and I can't do that—because it isn't."

Bar Meets to Plan New Judicial District

The Scurry County Bar Association held a special meeting last night at the Country Club to discuss the possibility of establishing a new judicial district here.

Besides members of the bar, those attending included Eldon Mahon of Colorado City, district attorney; Sterling Williams, representative of this district in the Legislature; C. S. Harris, county judge of Borden County; and Pat Bullock of Colorado City, state senator.

Of the 69 coaches listed on the varsity football staffs of Big Ten schools, 37 are alumni of the institution at which they coach.

Revamping Of Civil Service Is Being Urged

WASHINGTON, Oct. 13. (AP)—The United States Chamber of Commerce said today that the Korean war "emphasizes an urgent need" for reorganization of the federal personnel system, medical services and the veterans administration.

Although "scores of thousands" of new federal workers have been hired since the beginning of the Korean conflict, the chamber said, "almost nothing has been done to prepare the wasteful civil service system for this emergency."

The report said that "about half" the 350-odd Hoover commission recommendations have been put into effect but those "promising large savings of tax money have been generally neglected."

Of the Hoover plan for unifying four federal hospital systems—Veterans' Administration, Army, Navy and Public Health Service — the chamber said:

"Congress has failed to adopt any of these recommendations and now the shortage of medical talent has been made still more critical by the draft of doctors into the armed services."

The chamber also noted that the 81st Congress did not act on a Hoover Commission recommendation for a general reorganization of the Veterans' Administration. As a result, the report added, "VA today is in no better position to care for its vast and growing veteran population than it was two years ago."

Of proposals to revamp the government's hiring setup, the chamber said Congress did approve legislation aimed at increasing efficiency by setting up a performance-rating system. But this, it added, "did not go to the heart of the problem."

Two Snyder Residents Stricken With Polio

Pamela Gelnar, 18-month-old daughter of Mr. and Mrs. Joe Gelnar, Fowler's Trailer Court, was taken yesterday to the Hendrick Memorial Hospital, Abilene, for treatment of polio.

Attending physicians at the Snyder Hospital said the child suffered spinal type polio, and that her condition was satisfactory. She suffered partial paralysis of the lower extremeties.

The child is the twenty-first polio victim to be reported from Snyder.

The twentieth patient is Miss Billye Wood, 16-year-old Snyder resident, who is a patient in a Big Spring hospital for treatment of polio, according to the Big Spring-Howard County health unit.

Miss Wood is a daughter of Mr. and Mrs. A. N. Wood, 2707 Avenue O.

The health unit reports that she has no paralysis.

In 15 seasons of coaching, Wallace Wade has had only one losing football campaign—1946.

WEEKDAY DINNER

Baked Pork Chops and Onion Rings — Sweet Potatoes
Buttered Broccoli — Bread and Butter
Fresh Pears in Orange Juice* — Beverage
(Recipe for Starred Dish Follows)

FRESH PEARS IN ORANGE JUICE

Ingredients: 2 cups (about) strained orange juice (juice of 4 good-sized oranges), 4 medium-sized firm ripe pears.

Method: Have orange juice ready and chilled. Peel a pear thinly, cut in half and carefully cut out core with small sharp knife from each half; cut into an individual serving dish in thin slices the length of the pear; pour ½ cup orange juice over. Prepare other portions the same way to keep pears from darkening. Serve at once. Makes 4 servings.

Note: The above quantities make 4 hearty servings; the same number of pears and the same amount of orange juice may be used for 5 to 6 servings; just divide an individual serving dishes accordingly.

Pep Rally At High School

A gym full of high-spirited Snyder high-schoolers raised a loud roar this morning at a mid-morning pep rally for the Snyder - Colorado City game.

Students began the noise with a 10 o'clock parade of the 60-piece Snyder High School band and the squad marching around the courthouse square. They returned to the high school gymnasium 30 minutes later and begin the largest and loudest rally of the season.

Harold Bennett, Chamber of Commerce manager told the 600 plus students he had been an old Colorado City resident but was now here to see the Tigers defy the public opinion that the Wolves had a cinch game.

Coaches Speedy Moffett, Mule Kayser, and Jack Blanchard and Captains Max Coffee and Grant Teaff were all before the crowd to tell them the Tigers were going to give all they had to plow the Wolves under and out of favor for district championship.

Newly-elected assistant cheerleaders introduced to the students were Darlene Taylor, Marlene Nixon, Barbara Nichols, and Rose Marie Roe.

Regular yell leaders are Barbara Lewis, Islasu Blakely, Martha Cary, and Betty White.

Liberal Chief Made Association Leader

DALHART, Oct. 13. (AP) — Police Chief Harry Massey of Liberal, Kans., is the new president of the Five States Peace Officers Assn.

A total of 133 officers from New Mexico, Kansas, Oklahoma, and Texas convened yesterday. Colorado was not represented.

Iowa has 31 lettermen and nine starters from the 1949 football team.
