

MEN-MACHINES BEGIN SCHOOL CONSTRUCTION

Contrary to most modern beliefs, automation has not completely taken over in the world today. This is proven by the above photo. Full-scale construction operations on the new elementary wing for Olton schools began recently. Both men and machines have been digging foundation trenches for the past two weeks and cement is scheduled to be poured tomorrow, weather permitting. Digging has also begun for foundation laying of the cafeteria expansion and new gymnasium.

John Willis Dennis, Olton Pioneer Succumbs Monday

Last rites honoring the memory of John Willis Dennis, who had lived in Olton since 1925, were held in the Olton First Methodist Church Tuesday afternoon at 2 p.m.

Mr. Dennis was 82 years old. He died in Community Hospital Monday at 2:45 a.m., after an extended illness.

John Willis Dennis was born to Sarah and Creighton Dennis in Saint Jo on December 20, 1875. He married Miss Sarah Jane Robison of Rocky Knob, Tenn., on December 28, 1893. From this union, ten children were born.

Four of the children preceded their father in death. They were Jewel, a daughter, died in infancy at Leapwood, Tenn., March 12, 1900; Marie Harris, a daughter, died at Delhi, Okla., May 10, 1933; Maggie DeArmon, a daughter, died in San Angelo, May 12, 1957; and Floyd, a son, died in Plainview, February 13, 1949.

The Dennis family moved to the Olton Community in 1925, from western Oklahoma, in the Indian Territory. They lived there in 1906, one year before Statehood. Mr. Dennis had been a member of the Olton Methodist Church and helped with the progress and development of the community for 33 years.

Rev. Russell McNally, pastor, and Rev. R. H. Campbell, Olton, former Olton pastor, officiated at the funeral service. Burial was in the Olton Cemetery under the direction of Parsons Funeral Home, Olton.

Funeral services were held at 2 p.m. at the Olton Cemetery. Burial was in the Olton Cemetery under the direction of Parsons Funeral Home, Olton.

Survivors preceded her husband in death on October 31, 1950.

Survivors include two sons, Rev. A. L. Dennis, Austin, and Buddy Dennis, Albuquerque, NM; four daughters, Mrs. Fred Cornelius, Texico, NM, Mrs. LaVelle Jones of Los Animas, Colo., Mrs. Louis Hair, Olton, and Mrs. Pauline Haydon, Plainview; two sisters, Mrs. Cora

George and Mrs. Virgie Clifton, New Castle; one brother, J. T. Dennis of Quannah; twenty-two grandchildren; and nineteen great-grandchildren.

C. D. Kirkpatrick

Kirkpatrick Runs For Shrine Post

C. D. Kirkpatrick will be a Shrine ring candidate next Saturday at a Masonic gathering in Lubbock.

He is being sponsored by the Plainview Shrine Club. His campaign managers will be Tom Woodward and Ray Lowe of Plainview and Louis Hair of Olton.

Mr. Kirkpatrick is a York Rite Mason and is a past master as well as past secretary of the Olton Lodge. He has been a member of the Masonic Lodge for the past 17 years.

Sides, Poteet Attend Red Cross Convention

G. T. Sides and Clovis Poteet will go to San Antonio to attend an American Red Cross convention.

Mr. Sides is chairman of the Lamb County chapter and Mr. Poteet is vice-chairman.

Mrs. Lynn George Condition Critical

Mrs. Lynn George, wreck victim of several weeks ago, is in very critical condition in Lubbock Methodist Hospital, according to her daughter-in-law, Mrs. Fred George.

Mrs. George went into shock after undergoing a second operation Tuesday morning. The operation was a bone transfer. She is under oxygen.

VanDoern Rites Held Today

A long-time resident of Springlake, Joseph Floyd VanDoern, 54, died in Castro County Hospital at 10:45 P.M., Tuesday.

Funeral services for Mr. VanDoern will be held today at 2 P.M. in the Springlake Church of Christ. Officiating will be Morgan Sturgess of Tulsa. The body will be interred in Springlake Cemetery.

Mr. VanDoern had lived in Dimmitt since 1957. Previously he had lived in the Springlake area since 1924. He moved there from Olustee, Okla.

Mr. and Mrs. VanDoern were married in Elmer, Okla., Sept. 12, 1925. They are members of the Earth Church of Christ.

Surviving Mr. VanDoern are his wife; six daughters: Mrs. Joe Campbell, Springlake; Mrs. J. E. Berry, Rankin; Mrs. M. C. Presley, Fritch; Mrs. Neal Thurman, Dimmitt; Miss Faye VanDoern and Miss Mary VanDoern, both of Dimmitt;

One brother, Lester of Fletcher, Okla.; three sisters: Mrs. Bessie Tittle, Mrs. Zola Langford and Miss Ester VanDoern, all of Dimmitt; and 12 grand children.

The body was taken to the family home, 501 Lee St., in Dimmitt until service time this afternoon.

Funeral services will be under direction of Lemons Funeral Home of Plainview.

ATTEND MEETING

Wayne Cooper, manager of Olton Chamber of Commerce and Agriculture, will attend a Chamber of Commerce managers' meeting in Levelland over the weekend.

Rain Delays Harvesting Of Area Bumper Cotton Crop

More than 27,000 bales of cotton have been ginned in the Olton area.

A survey of the six gins serving the Olton area this morning revealed the actual total number of bales ginned was 27,406.

Comparing this number with those same dates of 1957 and 1956, the cotton harvest is holding its own. In 1957, on Nov. 21, the six gins had ginned only 7,107. But, in 1956, 36,543 bales had been ginned.

One local expert this week said the final number of bales harvested in the area would probably equal, or exceed, the 1956 bumper crop. He said the '56 crop was just earlier, not heavier.

Rains last night, with low-hanging clouds today have stalled field operations for at least a day or two in the immediate area.

One man at Thompson Gin, where .50 of an inch was reported by three different farmers, said strippers would probably not be able to move until early next week.

Light Amount Locally Olton received a much lighter amount of precipitation, with only .20 of an inch falling.

Government loan on cotton seed this week stands at \$44.10 per ton. This amount is 60 cents higher than the first week the loan was offered, three weeks ago. New loan prices are released each Monday by the government.

Some gin operators estimate almost half of the cotton has been harvested from the fields in the area. If so, Olton will contribute approximately 55,000 bales of cotton when the gins are put in wraps until next season.

With mechanical strippers moving at full pace recently, no complaints about labor have been heard by gin operators in more than two weeks. One local field is reported to have had four machines in it this week.

Gin Employee Is Injured Recently

Robert Teel received a broken rib recently when a stick broke. Teel, an employee of Olton Co-Op Gin, was working on the gin's seed house and had the door propped up with a stick. The stick broke, door slammed shut on Teel, and his 10th rib on the right was fractured.

LONG WAY TO GO

Shown here looking over reports from volunteer workers are Clovis Poteet (right), Olton United Fund campaign chairman, and Owen Norfleet (seated) chairman of the advance gifts drive. Some \$1,500 still is needed for Olton to reach its goal.

United Fund Drive Collections In Olton Reaches Two - Thirds Point

Mid-week found Olton's United Fund drive still far short of the \$4,500 quota set for this community.

Clovis Poteet said the campaign will continue until the goal is reached. Mr. Poteet is campaign chairman.

As of Wednesday morning only \$3,099 had been collected. This was only about two thirds of the goal.

The United Fund drive was kicked off here Monday morning. About 20 workers participated that first day. An advance gifts drive was conducted last week. Owen Norfleet was in charge of that phase.

Mr. Poteet stressed that the campaign is just what is indicated by the name, "United Fund."

The participating organizations which will receive support from the fund include the Red Cross, Girl Scouts, Boy Scouts and Salvation Army.

"We will not be called upon to donate to the support of these organizations again this year," he said.

Olton has an especially active Girl Scout organization.

The campaign chairman said he believes Olton will go over the top on its drive. "A lot of people have not been contacted," Mr. Poteet reported. "We have every reason to believe that they will give generously when they are contacted," he said.

Lions View Film On Investments

Harold Close and H. D. Thomas were principal speakers at the Tuesday noon luncheon meeting of the Olton Lions Club this week.

Mr. Thomas formerly lived in Olton before moving to Lubbock. Both men are with FIF, a mutual investment firm.

They showed a film which described the workings of a mutual investment company. In a short talk before the film, Mr. Close said 92 percent of all Americans reach the age of 65 and find themselves financial failures.

He said ability to save is closely tied to financial success.

In business proceedings Tuesday, the Lions Club voted to hold its annual Christmas party the night of December 9.

Will Hold Bazaar

Women of the Methodist Church will sponsor a bazaar Nov. 21 and 22 at Granbery Insurance Agency. Proceeds will be used for something special. Mrs. Gene Wilson is chairman.

Snakes?---None Here, Thank You!

Some Olton parents were alarmed this week after published reports that four rattlesnakes had been killed on the school playground near Olton grade school.

"Nothing to it," scoffed School Supt. Joe Harper.

Here are the facts, ma'am!

The snakes were killed in the sand hills by workmen who are hauling sand from a sand hill site to a construction project on the school campus.

Actually, the venomous reptiles never came within miles of the Olton school yard.

TAGS, VACCINATIONS ARE SLATED FOR PET POOCHES

Stray dogs must go.

Olton city council Tuesday night laid plans to rid the town of stray dogs and ensure vaccination of dogs owned by city residents.

Authorities said a veterinarian will be here on a date to be announced. Owners may have their pets vaccinated and tagged.

The city plans to improve a pound and will employ someone to catch all untagged dogs. At the end of a time prescribed by law, dogs not claimed will be destroyed.

Councilmen acted after receiving complaints that packs of stray dogs are roaming the city posing a health menace.

Trash Hauling

City dads Tuesday night gave a green light to A. N. McDonald of Hillsboro, who is contemplating a trash hauling service here. Mr. McDonald said he is planning once a month, twice a month and twice a week service.

He plans to contact potential customers sometime within the next two weeks in an effort to establish his service here. City councilmen were quick to point out that Mr. McDonald will be on his own in the venture and the city will not be responsible for the project.

Mr. McDonald is a spray pilot. He worked with Merrill's Farm and Ranch Store here during the fall.

Delinquent Taxes

The council reaffirmed an earlier decision to take action in collection of delinquent taxes. City Attorney Frank Day already has written letters to persons in arrears more than \$100.00 on city taxes.

Authorities say suits now will be filed in such cases.

Phone Franchise

General Telephone Company's request for a 35-year franchise came under heated discussion during Tuesday night's council meeting.

The council appeared split on whether to grant a franchise at the present time. None of the councilmen appeared to be in favor of granting the 35-year franchise as requested.

However, some of the city dads are strongly in favor of granting the telephone company some type of franchise at an early date. No representative of General Telephone Company was present.

No action was taken on the franchise request. Mayor D. Y. Ray appointed Councilmen A. D. Adams, T. M. Campbell and Lynn Fite to contact other towns of comparative size and determine the types of franchises customarily granted in such cases.

Fire Department

City Firechief Tom Smith asked the city to purchase several pieces of equipment for the volunteer fire department. The council agreed to purchase the equipment requested.

He requested the purchase of two hand lights for the two fire trucks, new fire plug wrenches and two salvage tarps. He pointed out that the salvage tarps are badly needed.

They may be used, for instance, to cover furniture in a room while water is being sprayed on flames in the overhead attic. A salvage tarp may be used to cover a hole in a roof that has been opened by firemen to get at a blaze. This would prevent weather damage while the owner makes arrangements for permanent repair.

Mustangs Name Outstanding Foes

An All-Opponent team was selected this week by the Mustang football team.

Abernathy placed three players on the team, followed by two each from Dimmitt and Floydada.

Hemphill of Littlefield and Ratcliff of Dimmitt were named to the end positions; Shipley, Floydada, and Halcomb, Dimmitt, tackles; DuBose, Abernathy, and Wright, Mulshoe, guards; and center, Griffith, Lockney.

Backs included Vickers, Floydada, as quarterback; fullback Shipp of Hale Center; and Watson, and Smith, both of Abernathy, halfbacks.

Russell Grimes

Grimes Elected Post Commander

Russell Grimes was named commander of the Olton American Legion post Tuesday morning as that group held its annual American Legion breakfast.

Mr. Grimes succeeds Howard Hall as top man in the Olton post. Employed as mechanical superintendent for The Olton Enterprise, Mr. Grimes has been active in civic affairs here for the past two years. He is immediate past secretary for the Olton Chamber of Commerce and Agriculture board of directors.

Other Legion officers named include Guy Watson, vice-commander; Gene Trotter, adjutant; Glen Godsey, chaplain; Joe Harper, sergeant-at-arms; and G. H. Bley, historian.

Legionnaires Tuesday discussed remodeling of Legion Hall in conjunction with several other Olton civic clubs. Commander Grimes was empowered to appoint a committee to work with representatives of other clubs in furthering the project.

The new commander said an intensified membership campaign will be carried out. Another breakfast meeting of the Legion will be held at 6 o'clock the morning of Nov. 25 at Legion Hall.

Golfing Rules Are Listed

(Continued From Week Before Last)

Rule 23—LIFTING BALL

A ball to be lifted under the Rules or Local Rules should be lifted by the owner or his partner

or either of their caddies.

FOR IDENTIFICATION—Except in a hazard, the player may, without penalty, lift his ball in play for the purpose of identification, provided he lifts and replaces it on the spot from which it was lifted in the presence of his opponent in match play or marker in stroke play.

Cleaning Ball—A ball lifted

from a water hazard, an unplayable lie, casual water, ground under repair, or under Rule 32 may be cleaned; otherwise, during the play of a hole a player may not clean a ball, except to the extent necessary for identification or if permitted by Local Rule.

Stroke Play—Lifted before holed out—If a competitor or his caddy lift his ball before it is holed out, except as provided for in the Rules or Local Rules, he may replace it under a penalty of two strokes, provided he does so before he has played a stroke from the next teeing ground, or, in the case of the last hole of the round, before he has left the putting green. If he fails to replace it, he shall be disqualified.

Rule 24—Ball interfering with play

Match Play—Balls Within Two Club Lengths—When neither ball lies on the putting green, if the player's ball lie within two club-lengths of the opponent's ball, the player may require the opponent to lift his ball, without penalty. The opponent shall replace his ball after the player has played his stroke.

Ball Outside Match—If the ball of anyone not engaged in the match interfere with play, it may be lifted and shall be replaced after the competitor has played his stroke.

If the owner of the ball refuse to comply with this rule when requested to do so, the competitor making the request may lift the ball, and the owner of the ball shall be disqualified.

Ball Accidentally Moved—If a ball be accidentally moved in complying with Clause one or two of this Rule, no penalty shall be incurred and the ball so moved shall be replaced.

Lie of Lifted Ball Altered—If the lie of a ball lifted under Clause one or two of this Rule be altered in playing the other ball, the lifted ball shall be placed as near as possible to the spot from which it was lifted and in a lie similar to that which it originally occupied.

Rule 25—A Moving Ball
Playing Moving Ball Prohibited

SCHOOL GETS EDUCATION CAR

A player shall not play while his ball is moving.

When the ball only begins to move after the player has begun the stroke or the backward movement of his club for the stroke, he shall incur no penalty under this Rule, but he is not exempted from the provisions for: ball moving after removal of loose impediment; ball moved accidentally by player; ball moving after it has been addressed.

Ball Moving in Water—When a ball is in water, the player may, without penalty, make a stroke at it while it is moving, but he must not delay to make his stroke in order to allow the wind or current to better the position of the ball.

A Parent's Guide To Children's Reading by Nancy Larrick, Pocket Books, 35c.

This is a new and highly recommended handbook which gives detailed answers to the questions parents and teachers ask about children's reading. It was prepared in consultation with advisors from eighteen national organizations—educational, civic, youth, and business.

Wise parents who are interested in helping their children do better in school and meet life's problems with knowledge and courage will find this book very helpful.

My only regret is that it did not appear sooner. Such questions as "How can I get my child interested in reading? How can TV become an aid to reading? What about phonics? What

books shall I get to give my child the advantages of a good home library?"—all this and much more valuable information is in this easy-to-read paperback.

And other helpful, quality paperbacks available are—A Baby's First Year by Benjamin Spock, MD and John Reinhart, MD. Photographs by Wayne Miller, Pocket Books, 50c.

This should be a very helpful, reassuring book for the young mother with her first child. It is worth the money for the photographs alone.

Baby And Child Care, Dr. Benjamin Spock, Pocket Books, 50c.

Over 8,000,000 copies of this highly recommended handbook for parents have been sold.

A Complete Guide To Gardening by Montague Free, Pocket Books, 50c.

Everything from how to care for house plants to how to care for lawns and shrubbery the whole year round is yours for the reading in this lavishly illustrated guide.

The Toastmaster's And Speaker's Handbook, by Prochnow, Pocket Books, 35c.

This one I need to read. It is a step-by-step guide to dynamic speech, plus hundreds of stories, quotations, jokes, introductions, and model speeches—according to the cover.

How To Stop Smoking by Herbert Brean, Pocket Books, 25c.

On the cover it reads, "Money-back guarantee. Read this book through. You'll enjoy it, and if you don't give up smoking, you can get your money back and no questions asked."

Ben Hogan's Power Golf, Pocket Books, 25c.

I have not read this one either, but it says it is a proven method to reduce your score.

And speaking of reducing reminds me. A woman who bought Better Homes And Gardens Diet Book (Meredith Publishing Co., \$2.50) told me she lost ten pounds and felt better while on the book's recommended diet.

Elem. Teachers Art Education Meeting Set

An art education meeting for elementary teachers from the Panhandle, South Plains, and Eastern New Mexico will be held on the Texas Tech campus Saturday, Nov. 15.

The meeting, sponsored by Tech's applied arts department, will be in the Home Economics building from 9:30 AM to 2:30 PM. Registration will begin at 9 AM.

Tech elementary art education students are busily preparing exhibits, displays and demonstrations for the meeting. The student exhibits and demonstrations will be on display for the teachers from 9:30 to 12 AM and from 1 to 2:30 PM. These projects have been planned for art activities in elementary schools. "Why Art Today?" will be discussed by Dr. Emilio Caballero, head of West Texas State College's art department at 10 AM. His talk will be repeated at 11 AM for

teachers who attend other sessions. "Because of the success of past conferences we feel this conference is meeting a need of the teachers. We believe this is a way to become better acquainted with the teachers and the problems they face," said Dr. Bill C. Lockhart, associate professor of applied arts at Tech, who is in charge of the conference.

Large Crowd Attends Baptist Church Loyalty Dinner Wednesday Night

Addressing the 263 persons gathered at the school cafeteria for the First Baptist Church Loyalty Dinner Wednesday evening, the Rev. Howard Lyons of the College Heights Church in Plainview emphasized that "in the field of church finance, the Forward Program is the best thing that has happened to us."

As the largest congregational dinner in the history of the local church, the loyalty dinner was the inspirational climax of the four-week stewardship campaign currently underway. The church recently voted a \$94,570 budget which it hopes to subscribe by Victory Day on November 23, the official closing of the Forward program.

The Rev. John E. Lewis, who is beginning his fourth year as pastor of the Olton church, served as master of ceremonies and introduced the steering committee and committee members of the Forward program. Members of the steering committee are James Covart, Basil Sherman, Milford Lambright, Hubert Waldrop, W. C. Gunter, Jr., Mrs. Robert Edwards, Frank Cornelius, Mrs. Walter Schreier, Mrs. Athol Light, Mrs. Lee Simmons, Mrs. R. L. Hipp, and Mrs. C. S. Silcott.

James Covart, general chairman, described the procedure to be followed on pledge Sunday, November 16, for the mass pledging service.

Others on program were Hubert Waldrop, giving the invocation; James Simmons and W. E. Miller, meditations; and Merrill Brigrance, benediction. "The Solid Rock" was sung by Mrs. Gene Cade, Mrs. William DeBerry, and Mrs. Merrill Brigrance. Harold Carson accompanied the trio and played organ selections during the dinner. Group singing and a choir number were directed by Mr. Carson, accompanied by Miss Judy Price.

In charge of the loyalty dinner were Mrs. Silcott, Mrs. George Bohner, and Mrs. R. G. DeBerry. Tables were decorated with arrangements of fresh fruits, pyranthea berries, and varied Fall materials. Flanking the speakers' table were huge goal report boards and overhead was a large banner proclaiming "All pledging! All titling! All rejoicing!"

During the dinner a children's party at the church was attended by 65 children.

E. JOHNSONS HAVE BABY BOY

Mr. and Mrs. Erschel Johnson have a baby boy, born November 6. He weighed over 8 pounds. The Johnsons named their little son, Stephan Michael. The little lad has three big sisters.

Mr. and Mrs. J. A. Johnson are paternal grandparents, and Rev. and Mrs. M. O. Evans of Holiday are maternal grandparents.

Bishop Martin To Speak At Church Sunday

Bishop William C. Martin of the Dallas-Fort Worth area will be the guest speaker at the Olton Methodist Church this Sunday.

The Bishop speaks at one or two churches in each District each year, and he will come to the Olton church this year for his visit in the Plainview District.

Bishop Martin is a well-known figure in world-wide Methodist circles. He has been president of the World Council of Churches, and has traveled extensively in an effort to prepare himself for more capable leadership.

"Bishop Martin is recognized as one of the greatest leaders of Methodism in this generation," Rev. Russell McAnally, local pastor, said.

"We feel indeed fortunate in having him as our speaker for the 11 o'clock hour this Sunday," Rev. McAnally remarked. "Every interested person is invited to hear him speak. Several families of the church will have the noon meal at the church following the worship hour. Others are invited to eat at the church if they wish."

Dr. Luther Kirk, Superintendent of the Plainview District, will accompany Bishop Martin on his visit to the Olton church.

Hear "Ransomed Shall Come With Songs"

SPRINGLAKE—The WMU of the Baptist Church met Tuesday night at the church for a business meeting and Royal Service Program.

Mrs. Robert Riley directed the program. "The Ransomed Shall Come With Songs" was the name of the program. Mrs. Troy Blackburn presided over the business meeting.

Members present were Mesdames Leslie Watson, Arnold Washington, Clifford Jester, Edwin Jones, Ernest Baker, W. T. Clayton, Billy Watson, Lowell Walden, Robert Riley, Troy Blackburn, Harlon Watson and G. H. Miller.

Sing At Meeting

Girl Scout Troops 205 and 204 met in the Scout house Monday. The girls sang songs.

Present were Frances Ann Dodson, Debbie Cade, Deana Gayle Scruggs, Donna Gale Carlisle, Susan Norfleet, Sharon Busby, Carla Choate, Ro-Rita Duncan, Judy Miller, Frankie Waldron, Charlotte Howard, Iva Tanner, Francine Struve, Nancee Buchenau, Brenda Boykin, Mrs. Owen Norfleet and Mrs. Pat Choate.

Girls Basketball Team Preparing

Extensive workouts began recently as the Olton High girls' basketball team prepares for the season opener, Nov. 18, against the powerful Hart team.

Four of the six 1956-57 regulars have returned to the tutelage of Coach Jeff Smart. Of the 17 members of the team, only two are seniors.

Seniors are Charla Granberry, guard, co-captain, and all-district last year, and Linda Clark. Both were regulars last season.

Juniors listed on the squad are Pat LaFrance, forward, co-captain and a regular last season, Gayle McAnally, forward, Gayle Machen, forward and regular last season, Sue Witten, forward, Sharon Dennis, forward and Janice Campbell, guard.

The two sophomores on the team are Bobbie Campbell, forward, and Welda Edwards, guard.

Freshmen are Nancy Bryant, forward, Beverly Crowder, forward, Jean Avon Harper, forward, Barbara Kirkpatrick, guard, Jean Martin, guard, Myra Wells, forward and Bobbie Aron, forward. Managers will be Barbara Gray and Kay Gregory.

The team failed to win a district contest during the 1956-57 campaign.

Judy Pinson Directs G. A. Program Tuesday

Judy Pinson was in charge of the program on Taiwan (Formosa) at the meeting of the Intermediate Helen Parks Girls Auxiliary Tuesday.

Plans were made for an all night party Friday night. The girls will study, "Dawn", a mission book about Thailand. A Siamese supper will be prepared by the girls.

Elaine Lewis led the closing prayer, then Sharon Brigrance served Cokes to Sharon Miller, Carolyn Carson, Barbara Fancher, Judy, Lavon Estes, Joanna Lewis, Elaine, and Mrs. W. E. Andrew, counselor.

TIAWAN IS DISCUSSED BY PANEL

A panel discussion was given at the meeting of the Woman's Missionary Union meeting Monday at the First Baptist Church.

On the panel were Mesdames Robert Edwards, John Lewis, Gene Reynolds, J. G. Estes, Milford Lambright and Roy Hooper. The discussion was on Baptist work in Tiawan.

Congratulations To:

Mr. and Mrs. Gilbert Chapa, Edmonson, on the birth of a daughter, Ester, weighing 6 pounds, 1 ounce, at 2:10 AM Thursday, October 6, in Community Hospital.

Saunter With Sue

BY SUE MAY

Things could be worse. Suppose your errors were tabulated and published every day, like those of

a ballplayer.

Meet Sue Polk. She and her husband Charles, bought Ann's Flower and What Not Shop. Sue is a very friendly gal and has two charming little pre-school daughters. She is pretty, too!

It's possible! That is to live in the same town with someone for years and never have chance to meet them. Just met Mrs. Bill Kemp the other day. Now I know why every-

one talks about her so much—she IS very sweet and cute.

A successful man is one who can make more money than his wife can spend. And a successful woman is one who can find that kind of a man.

Maxine Struve, not liking to bowl and not having all her hobbies? Russell McNally, not looking as young as his sons? Sonny Bryant, not aggravating someone?

Helen McClure, not looking younger than her years? Saturday night marked the beginning of a Young Couples Bridge Club. The group will meet twice a month—on a Saturday night.

Members are Messrs. and Mesdames Don Waltrip, Jack Coleman, Max Malone, Jim Brown, Jackson Dodd, Dwayne Wilks, Bob Gullett, Joe Hall, Billy Smith and Edd Lynn Burrus.

(P.S. If you are interested in a Couples Bridge Club, guess you'll have to organize your own, because the one above has a limited membership!)

Dorothy (Gray) James and her husband, Ted, were in Olton Saturday.

Saw their baby daughter, Dana Kay, for my first viewing. (She is a little doll.) But strange as it may seem, it just doesn't seem possible for Dorothy to be a mother.

Dee and I used to go everywhere together, "fore Husband separated us by marrying me. It seemed easy enough for me to believe I was a mother when Scott was born. But Dorothy—well, it just doesn't seem possible.

It doesn't seem so impossible with the girls I see once or twice a week . . . see them in maternity clothes . . . hear them anxiously talking of the forthcoming event . . . help give them a shower . . . even hear them anxiously talking about the their talk on names . . . or help them pack for their hospital stay . . . and so on. In reality, I become as excited as they when the time comes for the little fella to arrive.

But with Dee in Olney, then Seminole, (and the doctor said she couldn't make the drive home to Olton for any visits) well, it seems pretty impossible to have seen her with a "flat" tummy last March—then with a "flat" tummy and a month-old baby Saturday night!

Scott, (who was 1½ yesterday—Wednesday) noticed Dee's little daughter with more curiosity than he's seemed to ever notice a baby before.

He looked her little tiny hands over, then kissed them—he pulled up her little dress and looked at her little, but long, feet and looked at her frilly diaper pants—he felt of her hair and kissed it—then insisted upon kissing her smack-dab on the mouth!

We let him hold Dana Kay for a minute (I was actually holding her, but he thought HE WAS) and his eyes didn't wonder from her—they just traveled up and down her tiny body and face.

At the moment, he wouldn't have traded her for a kitty-cat!

Someone else said it, I didn't. Some men who desert their wives shouldn't be charged with desertion. Most of them in reality are refugees.

Mealtime is when the kids sit down to continue their eating.

ELECTRIC HEATING...

as easy, safe and clean as switching on a light bulb!

That little man-of-all-things, Reddy Kilowatt, is ready to heat your home just as easily as he now lights your home. Electric heating is so easy, so safe, so clean—well, it's just like a light bulb—responds instantly to the touch of your finger on a control switch. Imagine, turn on a switch and a light lights up—turn on another switch and you have instant, comfortable, clean electric heat.

P. S. Electric heating is really easier than turning on a light bulb. With thermostatic control you just set it and forget it.

FREE BOOKLET

"The Inside Story of ELECTRIC CLIMATE CONTROL"—a new booklet that tells the facts about modern, convenient electric heating. If you're building or remodeling, you'll want this booklet. Your Public Service manager has a copy for you.

**For Vegetable Growers,
For Leveling Land, Production
of Fine Seed Beds and
Efficient Irrigation**

Here is a machine that helps Vegetable Growers obtain smooth, level land, ideal seed beds and efficient irrigation. In the same operation the Eversman levels land, prepares a firm, well packed seed bed which is ideal for precision planting, close cultivation, and more efficient operation of mechanical harvesters. Makes possible planting of costly seed at precisely the right depth to insure full germination and superior stands with resulting high yields.

**For Filling Pot Holes
And Improving Drainage**

With your own tractor and an Eversman you can move dirt, fill

swales and pot holes, build grass waterways, improve drainage of your fields, level and smooth the surface and prepare well packed seed beds. All this work is done with the same machine which works fast and efficiently.

**For Cattlemen In Developing
Better Permanent Pastures**

The Eversman is being used by cattlemen throughout the nation in preparing ground before planting permanent pastures. The Eversman finishes off land so it is smooth and level, producing a fine seed bed that gives better stands with less high priced seed and fertilizers. Makes land easy to irrigate, eliminating the high spots and low spots, saving water, time and labor, giving more production from each acre. Come in today for full details,

500 killed -- 3000 wounded!

Quite a slaughter, isn't it? That's a reliable estimate, however, of those who will be killed or injured by accident this hunting season. There's only one tragic explanation for it—MISTAKEN IDENTIFICATION. Experienced hunters seldom cause these accidents.

If you hunt only once in awhile, be doubly sure:

1. That your vision is good enough.
2. That you hold your fire until you are sure.

Don't kill or injure your hunting friends. Have your vision examined by a professional optometrist EVERY year.

THE WORLD'S
MOST
BEAUTIFULLY
PROPORTIONED
CARS

are packed
with surprises!

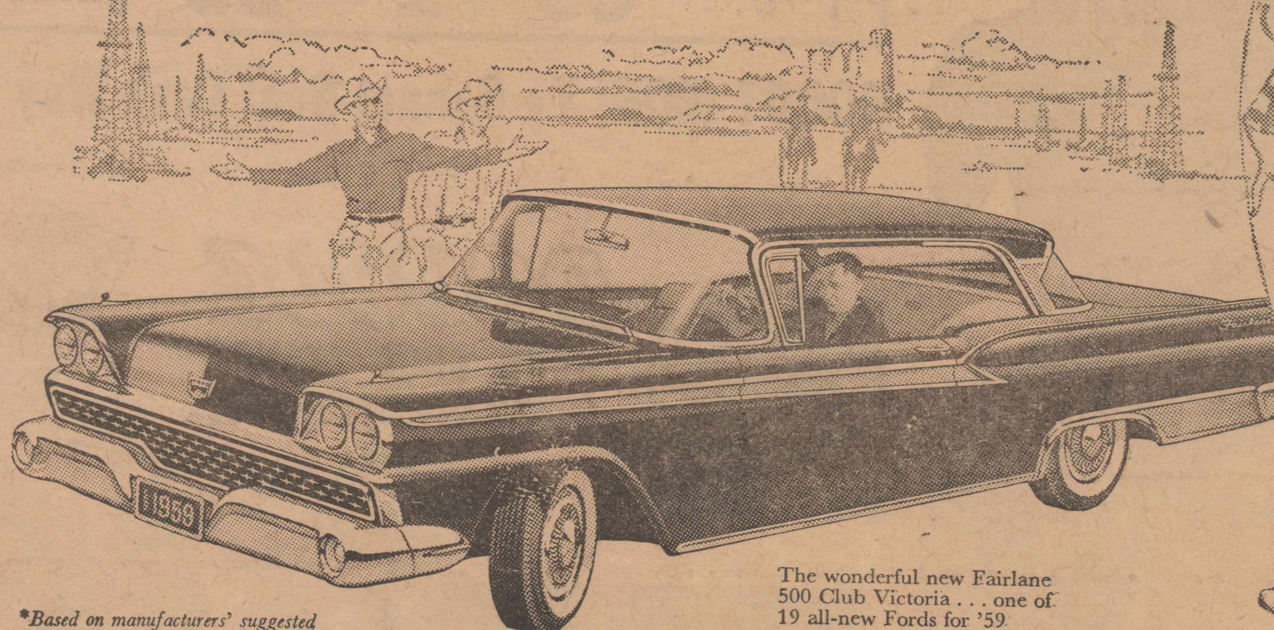

Expect to be dazzled when you see these totally new Fords! Each one of Ford's 19 new models is completely and refreshingly changed in every square inch. Each, in its own way, is the world's most beautifully proportioned car. Each has Thunderbird elegance.

Look for something new and just right in size . . . and you'll find it! The lowest-priced Fords are 6 stunning inches longer . . . have 2 extra inches of smooth-riding wheelbase.

Expect something wonderful in savings. For instance, Ford prices for '59 are traditionally down-to-earth prices. (Every model's priced below the equivalent model of Ford's nearest competitor.) Ford's aluminum mufflers—standard equipment—last twice as long as conventional mufflers. Ford's standard V-8 and Six save up to 5¢ a gallon because they require only regular gas. Ford cars need oil changes only every 4000 miles. And Ford's new super enamels never need waxing.

Look for something special in performance. New V-8's concentrate their new punch at speeds from 30 to 70 mph, where you need it most.

Look for newness everywhere . . . right down to the new Tyrex tires. Let your Ford Dealer show you. You've never had it so new!

MUSTANG TALE

By Gayle McAnally

Several daters on the list for last week were Freddie Riney, Juanelle Andrew; Harold Featherngill, Beverly Crowder; Bobby Brown, Myra Dell Wells; Jerrell Young (Halfway), Lawana Oliver; Arno Hall, Wanda Traylor; James Ray Hyatt, Janet Oak; Melvin Lewis, Nell Smith. (Melvin is from Dimmitt.)

Joe Bob Anderson (Plainview),

Doris Cruce; Donnie Findley, Marilyn Young; Jackie Peterson (Plainview), Jane Thurman.

Me thinks that there was an awful lot of dating done Saturday and Friday nights! Only one trouble . . . can't get the names of who was with who. Here are the names for Friday night that I was able to get.

David Hamm, Johnny Crawford; Royce Bodkin, Kay Gregory; Lonnie Miller, Becky Bearden; Coy Carlisle, Glenda Hall; Jim Moss, Janet Oak; Jimmy Robins, Gayle McAnally; Elmer

Houston, Maenette Dennis; Houston Hamby, Sharron Dennis; Doyle Eubanks, Barbara Gray.

Saturday night: Winfred Hair, Ronda Robertson; Phil Neinst, Jean Williams; L. H. McAdams, Donna Whitfington; Jack Hysinger, Gayle Machen; Jimmy Robins, Gayle McAnally; Wally Stewart, Patsy Moss; Houston Hamby, Sharron Dennis; Freddie Gordon, Gayle Ann Parsons; Jim Moss, Prissy Bostick; Butch Hulsey, Joyce Curtis; Wendell Scribner, Becky Hall. And who was Charla Granbery with Saturday

night? Eh?

m-t
Noticed Randee Buchenau and Linda Gail Thompson together one night this past weekend. Didn't I?

m-t
Nancy Hester is a new junior girl. She enrolled about a week ago. She is taking English III and American History, for two subjects. Anybody know what else this lovely gal studies?

m-t
CAN YOU IMAGINE??
Charlie Giles or Carl Nafzger without a smile on their faces?

Beverly Crowder and David Cole as a couple?
Edwin George having his American History assignment?
Glenda Miller noisy?
Charlene Taylor and Shirley Venable not together?
Nancy Critchfield not happy?
Coy Carlisle and Glenda Hall not blushing?

m-t
Congrats to Gayle Machen and Billy Bryant who were named Zaniest boy and girl of OHS in student elections recently. (Look for their pictures in the paper sometime soon.) Also to Glenda Hall and Coy Carlisle upon being voted OHS' Cutest Couple.

m-t
Would like to give a word of praise to the OHS cheerleaders. These girls really did a good job and each improved throughout the season. Until late in the season, OHS had one of the best cheerleading teams in this area. Also orchids go to the majorettes who were so sharp . . . and will continue to be, we hope! Did you know that the Littlefield twirlers requested that our girls teach them the routine to "St. Louis Blues"?

m-t
Basketball is here now . . . and the captains of the girls basketball team have been elected. They are Charla Granbery, senior; and Pat LaFrance, junior. Charla is a guard and Pat is a forward.

m-t
By the way, cheerleaders are Ellen Jones, head and a senior; Linda Clark, senior; Gayle Machen, junior; Linda Gail Thompson, sophomore; and Jean Harper, freshman.

Twirlers are Charla Granbery, senior and drum majorette; Jean Williams, Sharron Dennis, Koenia Schenck, and Joyce Gray, juniors; and Becky Hall, sophomore.

m-t
Was so proud of our school this past week as OHS backed the football team to its utmost during

THE OLTON ENTERPRISE

the preparation for the Olton-Abernathy game. Let's have more of this!

m-t
Attention!! An Abernathy school official said Tuesday that Olton was one of the hardest playing

teams that Abernathy had played this season. Said that Olton just wouldn't give up!

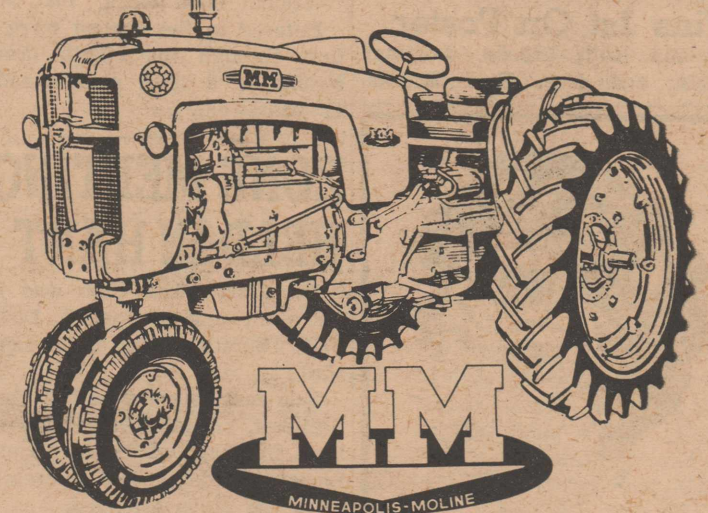

Mrs. Jack Estes and Letha are planning to spend the weekend visiting her son and family, Mr.

and Mrs. Johnny Mack Estes and John Robert, in Portales, NM.

STUDENTS ARE HONORED

Gayle McAnally and David Hamm were recently named "Citizens of the Month" for October in Olton High School. Each month two high school students are named for the honor. Gayle, a junior, is the daughter of Rev. and Mrs. Russell McAnally. David is the son of Mr. and Mrs. Ralph Hamm, and is a senior.

ZONE MEETING HELD IN HART

The Hart Lions Club was host for a meeting of Zone 2, District 2T-1, Thursday night at the Legion Hall.

This zone is composed of Earth, Amherst, Springlake, Littlefield, Hale Center, and Hart. About 20 Lions presidents and secretaries from the clubs attended.

The meeting was conducted by Elroy Wisian of Springlake, zone chairman. Wisian was assisted by deputy governor, D. D. Zimmerman of Hereford.

Representing the Hart Lions, other than President Norlan Dudley and Secretary Sherd Davis, was Casey Jones, new druggist in Hart, who is a former Lions president of the Roaring Springs Club and former deputy district Governor from district 2T-1.

Hart Lions were recognized for having increased in membership by 100 percent in the last three months.

BISHOP MARTIN TO VISIT HART

Bishop W. C. Martin of Dallas and District Superintendent Luther Kirk of Plainview will visit the Hart Methodist Church, Sunday.

The public is invited to attend.

Longhorns Lose Heartbreaker; Meet Vega At Hart Friday Night

Hart's talented quarterback, Gene Varner, put on a great show Friday night as the Longhorns fell to the powerful Lazbuddie eleven 20 to 18. Extra points was the margin of difference.

The Longhorns came out in a new formation, a single wing, leaving the split T. Varner ram-bled 62 yards for a touchdown. Extra point try fell short.

Minutes later in the first quarter, Varner skirted right end for 33 yards and another TD. Extra point try again failed.

In the second period Hart was forced to punt from their own 20 yard line. Lazbuddie blocked the kick and took over on Hart's six yard line. On the first play from scrimmage Lazbuddie's Watkins went over for the marker on a reverse play. Attempt to convert failed.

Hart took the kickoff and with Clark and Varner carrying went to the six and Clark carried over for the TD. Bad luck still hounded Hart's extra point attempts.

Halftime score was 18 to 6 in favor of Hart. The Longhorns pierced to the Lazbuddie nine in the third quarter but lost the ball on downs. Lazbuddie powered 91 yards for a tally. Lazbuddie then converted for two points.

After an exchange of punts in the fourth quarter, Hart fumbled and Lazbuddie recovered on the 10-yard line. Lazbuddie then made a final score of the ball game clinching a 20 to 18 victory.

Hart received the kickoff with four minutes left in the game. Varner carried twice for 20 yards. Next play Varner hit Myrick on the five with a pass. Two plays netted three yards and then a penalty cost Hart 15. Two more plays failed to make the yardage needed. With less than a minute to go, Lazbuddie took over and ran out the clock.

Hart is at home this week, playing host to Vega. Both teams are winless in district play and will be fighting to get out of the cellar. Hart's season record is one win and eight losses.

Church Board Schedules Wed. Night Programs

Wednesday evening programs were scheduled for the month of November by the Hart Methodist Church's board recently.

Their schedule is as follows: The first Wednesday night of the month, the Methodist Men will meet.

The second Wednesday night of the month will be given to the Commissions and Church Board. Each of the five commissions will meet at 7 PM to conduct their business. The church board will meet at 8 PM and try to be through by 9 PM.

On the third Wednesday night Family Night will be observed. A covered dish supper will be served in the Fellowship Hall. Afterwards, the children will be told Bible stories, sing, and play games while the adults will share in a program sponsored by one of the Commissions.

The fourth Wednesday night, the Sunday School workers will hold a conference and visitation program.

SORRY!!!

To the teachers and all former students in Hart: I apologize for an article I had in a recent paper. I stated that we now have General Science, Biology, and Chemistry being taught in the Hart High School for the first time.

This is an error. I am sorry. I understand these subjects were taught several years ago in our school.

Doug Smith Named "Cadet Of Week" And Heads Student Body At T.S.C.

The Tarleton State College's Military Department's Cadet of the Week is Major Douglas Smith, forestry major from Olton. Tarleton is located at Stephenville.

Elected president of the TSC student body this year, Major Smith is the son of Mr. and Mrs. Tom C. Smith. From an article in his college paper, they described Smith as "probably best known as the guy who is always busy with student activities."

Smith is a member of the Los Caballeros social club, the Wainwright Rifles, the Food Council, and serves as a ramp master in Bender Hall.

"I think the ROTC helps to develop leadership ability and coordination in the individual. It's good experience in helping one learn to express himself in front of a group people," Smith says.

Smith plans to get his degree in forestry from Colorado State University. After graduation, he hopes to go into some branch of the Forest Service. The next two

summers, Smith plans to spend exactly as he did the past summer—working as a forester's aide. Last summer he worked in Kaibab National Forest, located just north of Grand Canyon in Fredonia, Ariz. His job consisted of pruning and scaling trees, working on a fire look-out, and serving as a fire guard.

Douglas is a 1957 Olton High School graduate.

URAN® Nitrogen Plow-down Pays Off!

It pays to plow-down straw, corn stalks and other crop residues with URAN Nitrogen Solution. This nitrogen helps soil organisms speedily break down coarse residues into nitrogen-rich, water-absorbing organic matter to feed your next crop better and to improve your soil. Liquid ARCADIAN® URAN supplies quick-acting and long-lasting nitrogen the fast, easy way.

Use liquid ARCADIAN URAN before you plow for fall crops and spring crops alike. There's no faster, easier way to give your crops the extra nitrogen they need to build big yields and profits. Just pump ARCADIAN URAN into your applicator, and spread it on many acres per day the easy, economical way. Or have us do the application for you. It pays to use ARCADIAN URAN!

See us for **Arcadian URAN®**

Will your milo stubble be converted to humus by an adequate supply of nitrogen—or will they become a plowing problem next spring and summer?

One pound of nitrogen will retain 20 pounds of organic matter in form of humus one year later—You can't afford not to apply nitrogen to your stubble during plow-down.
