Daniel Resigns As City Manager

City Manager Lyman Daniel submitted his resignation to the City Council Monday, October 21, in order to enter business in Wellington.

His resignation is effective January 1, 1975.

The council voted three to one, with one member abstaining, to accept the resignation on the date Mr. Daniel requested.

He told the council that he has bought the auto parts business formerly owned by Tiny Taylor, but that he will continue to devote his full time to the city manager's job. He said there are projects the city now has under way that he would like to see completed. He named among these the paving project and new sanitary landfill.

Mr. Daniel said that Larry Gollighugh will manage his new business until the first of the year.

In discussion, the council members agreed to begin taking applications immediately for a new city manager. One application has been filed, but the council will wait until they have received others before making a decision.

Also at this meeting, Don Wells of Shamrock, who audits the City's books, presented a series of suggestions concerning the bookkeeping procedure.

The auditor specifically recommended that the city hire a qualified bookkeeper for three or four days each month, and that the person be able to work away from

Services Held Sunday for Mrs. Hugh Painter

Funeral services for Mrs. Hugh Painter of Dodson were conducted at 2:00 p.m. Sunday, October 20, at First United Church in Wellington.

Mrs. Painter died in a Munich, Germany, hospital Sunday, October 13, after being stricken with an apparent heart attack there October 10. She was a member of a group touring several European countries.

The Rev. James Boswell officiated at the services, and burial was in the family plot in Dodson Cemetery under the direction of Kelso Funeral Home.

Pall bearers were Pete Nipper, J.C. Howell, Howard Hunt, Ross Swift, P.M. Scott and Art Kane.

Mrs. Painter, the former Edith Morgan, was born at Electra September 7, 1902, daughter of the late Mr. and Mrs. Joe Morgan. She was married to Hugh Painter March 9, 1920.

A resident of Dodson since her marriage, Mrs. Painter was past matron of the Order of Eastern Star, past president of the Dodson Civic Club and member of the Dodson American Legion Auxiliary and First United Methodist Church, Wellington.

Surviving Mrs. Painter are three grandsons: Roger Painter of DeSoto, Nick Painter of Norman, Oklahoma, and Bryan Painter of Dallas; a great grandson, Trent Painter of DeSoto, two sisters and a brother, Mrs. Don Hopkins and Mrs. Pauline Thompson of Amarillo, and Eldred S. Morgan of Ballinger. Her husband and both their sons, Morgan Painter and Tolbert Painter, preceded her in death.

Samnorwood Carnival, Supper to Be Saturday

Samnorwood Parent-Teacher Association will sponsor an "Underwater Coronation" along with the traditional turkey supper Saturday evening, October 26, Mrs. Glen Thomas announced this week.

This community-wide festivity is held each year during the Halloween season.

Events begin at 5:30 p.m., when the first serving of turkey is dished up, and the climax comes at 8:00 p.m., with the beginning of the coronation ceremony.

The supper will continue until 7:30 p.m.

Beginning at 6:00 p.m. the juniors and seniors will open their fun booths, a whole

school full of things to make people laugh. These include a cake walk, dart throw, basketball throw, fishing pool, fortune teller, and many others.

For the first time, the coronation will go "under water," the sponsors say.

A queen and her escort will be chosen from the princesses and princes nominated by each class. Dukes and duchesses will make their court.

Seniors chose Teresa Ray princess and Doug Coleman, Jr., prince; Robin Rainey duchess and C.B. Bryant Duke.

Junior princess is Karen Lee and Mark Thomas is the

Rural Water Subscribers Must Sign Data Forms

Less than one-half of the Rural Water subscribers have signed the data sheet and easement forms necessary for the Red River Authority to go ahead with planning the size and length of the water lines for this area.

These authorities must know such pertinent information as the number of people, cattle, etc., to be served, so they can be sure

of delivering enough water to please each customer.

Commissioners Attend Meet

Three members of the Commissioners Court and County Judge Zook Thomas were in Houston recently to attend the annual County Judges and Commissioners Conferences.

Attending were Cliff Hartman of Precinct 1, Melvin Seale of Precinct 2, and W.R. Breeding of Precinct 4.

Judge Thomas went by Austin to meet with representatives of the Community Action Program and Regional Planning Commission.

Oatman and Debra Culpepper, seniors and guards; Sharon Childers, a junior guard and Kathy Guthrie, sophomore who has changed from forward to guard.

Other players include Rita Fielding, sophomore, and Melissa Guthrie, Karen Caldwell and Chrissie Torres, freshman.

Quail Teams Start '74 Season Thursday

Quail boys and girls open 1974 basketball play Thursday, October 24, when they travel to Estelline for a double header.

This will be followed by two home games, as they meet Hartley Friday night October 25, and Mobeetie Tuesday, October 29.

"I think both boys and girls teams will be fairly tough," said coach Bill Wilson.

The Bobwhites have four starters returning, Lenora

Pam Vines Awarded Four-H Gold Star

Pam Vines, a 4-H Club member six years, received the Gold Star Award to climax the annual awards banquet Saturday evening, October 19.

This is the highest award a member can receive on the county level.

Only one Gold Star member was chosen for Collingsworth County this year.

Only a few minutes before this honor was announced, Pam received the 4-H Achievement Award for 1974.

The daughter of Mr. and Mrs. Loyd Vines, she is a

Nine-Weeks Report Cards Issued Oct. 23

The nine-weeks report cards for students of the Wellington Schools were placed in the hand of the boys and girls Wednesday, October 23, Melvin Cardwell, high school principal, said.

"We would like for the parents to examine them and return them the next day, or at least by the end of the week," said Mr. Cardwell. If a parent wants to contact the school for a parent-teacher conference, they should contact him.

These are the first report cards issued for the current years, since the school changed to the nine-weeks plan.

PTO Stages Halloween Carnival on Saturday

The Wellington PTO Halloween carnival slated for Saturday night, October 26, promises to be an evening of enjoyment for all ages. Sharing responsibilities for the event are Mrs. Bob Weatherly and Mrs. Earl Lynn Bartlett.

They wish to emphasize that all proceeds for the Halloween Carnival are used to purchase needed equipment and repairs in the Wellington School. This is the only fund raising project the PTO has each year and it takes the efforts of countless parents, teachers, and youth for this to be successful.

The PTO has purchased in the past, library books, film projector, playground equipment for each room, a copying machine, a commercial vacuum, and one year with the help of the school board installed the chain link fence on two sides of the playground.

Many new games have been planned for this year's carnival. The special teachers and aides will sponsor two game rooms this year - "Cartoons" and a "Pre-school Entertainment Room" for ages two to 6, other new games are "Basket Toss", "Hulu Hoop", "Miniature Golf", "Pumpkin Turn", "Penny Toss", "Washer Toss", "Bean Bag Square" and then there will be the traditional "Spook House."

"Go Fishing," "Knock the Hat Off the Pumpkin," "Balloons and Darts," and "Cake Walk." In the cafeteria will be traditional games for all ages, and delicious treats to purchase such as chili dogs, homemade ice cream, candy,

brownies, and coffee and soft drinks.

"We urge the entire community to come and enjoy an evening of fun and at the same time to know you are contributing to your community," said Mrs. Weatherly.

Rockets Travel to Silverton Friday

Wellington Skyrockets travel to Silverton Friday, October 25, to meet a team that is probably as well matched with them as any

they will play this year.

After suffering a rough year in 1973, the Owls have put together a team that, along with Wellington, is tied for second in district standing, with 2-1 records.

Norwood Alamo Catholic Meet In Two Games

Samnorwood Eagles and Eaglettes will meet teams from Alamo Catholic High School, Amarillo, in games scheduled for Friday, October 25, and the following Friday, November 1, Coach Kenneth Martindale has announced.

These games were scheduled after Guthrie High School cancelled games which were on the regular schedule.

Norwood will travel to Amarillo Friday, October 25, while Alamo Catholic will come to Norwood on the following Friday. Game time is 7:00 p.m. for both dates.

Alamo Catholic boys are regarded as one of the top teams in Catholic High School regional play, and are picked either as the winner or among the top ranking teams.

They have played only one game, with the boys losing to Hedley by a narrow 42-39 score, and the girls dropping their game 63-45.

Height appears to be one of Alamo's strength, with such starters as 6-1 Becquet, 5-9 Joe Sharp and Allen Dyess, 6-6 Richard O'Neill, and 5-10 Vernon Conner.

The Alamo girls team also has 5-7 Suzy Powers, a junior who scored 16 points against Hedley. Molly Wilson, the post girl, has 12 points and starting guards were Jeanette Carlin, Pat Miller and Mindy Dyer.

Silverton has an outstanding quarterback in Ken Wood, (6-0, 180), now in his second year in that position. Besides his speed, Wood throws the ball well. All the Owls backs, in fact, are quick and run the wishbone type offense.

Altogether, Coach Weldon McCord has 11 seniors on his team this season.

In district play, the Owls have defeated McLean 26-6 and Claude 30-0. Friday, October 18, however, they lost to Clarendon 35-0.

They also lost their first game this season to Matador, but improved

County Friends Invited to Jack Hightower Coffee

Collingsworth County friends of Jack and Colleen Hightower are invited to have coffee with them Friday, November 1, from 4:00 to 6:00 p.m. at the Hilton Inn in Amarillo.

"Please come. It's informal. There is no cost. It is for the entire District. All citizens are encouraged to attend," said Mrs. John Coleman, county Democratic Chairman.

This information was received from the Amarillo office, Lee McMurtry, coordinator, she added.

Mr. Hightower is seeking election as United States Representative from the 13th District.

Drug Program Due At School Monday

The Jack Brown Assembly, a program relating to drugs and addiction, has been rescheduled at Wellington High School Monday, October 28, at 9:15 a.m.

Mr. Brown is a former prison inmate and drug addict and since breaking his addiction several years ago has devoted his time to speaking engagements trying to help young people.

"I have heard him and several other of our high

school teachers have heard him and he is good," said High School principal Melvin Cardwell.

Brown was sentenced to prison on a drug conviction, as well as for robbery and other crimes.

"He does have something to say to the young people of today. He is humorous, yet he gets to the serious side," the principal added.

If any adults would like to attend, they are welcome, Mr. Cardwell invited.

GOLD STAR AWARD WINNER

Each year, the Gold Star Award goes to an outstanding Four-H Club member, and this year the recipient was Pam Vines, 17, daughter of Mr. and Mrs. Loyd Vines. She has been in Four-H six years.

Here's Why the Big Increase In Sugar Prices

COLLEGE STATION -- "Why the big increase in sugar prices?" is a frequently asked question these days.

Although there is no one answer, one consumer marketing information specialist suggests that the biggest reason for the jump in the cost of sugar is the same reason that has upped many other food prices -- demand has increased.

"As people around the world are becoming more prosperous, they are buying and using more sugar, Mrs. Gwendolyn Clyatt with the Texas Agricultural Extension Service, The Texas A&M University System, pointed out this week.

Supplies are not keeping up with the demand. The sugar industry has not been an expanding business. Historically, sugar has always had a small profit margin, and investors are not anxious to put their money into sugar mills and refineries when other investments promise greater financial returns, she explained.

"This, along with tripled building costs, does not suggest any immediate increase in the building of sugar mills and refinery facilities.

"Another deterrent to building new facilities is the uncertainty of the supply of raw product. The largest part of our sugar comes from sugarcane, with nearly one-third of our domestic supply produced in Hawaii, Louisiana, Florida, Puerto Rico, and the Virgin Islands," she said.

Sugarcane production has decreased about 10 per cent in the last decade. Expansion of sugarcane production is not a speedy process as it takes nearly two years for sugarcane to get into commercial production.

But what can consumers do?

"Sugar can be decreased or omitted altogether in canning and freezing. Ripe fruits may be canned in water, fruit juice, or a light syrup instead of a medium or heavy syrup," Mrs. Clyatt suggested.

Small fruits such as berries can be frozen whole on trays without sugar and then packed into freezer containers.

But the specialist noted that we can't eliminate sugar in jams and jellies because sugar is essential for a high quality product which keeps well.

"Also, with obesity a major nutritional problem in this country, many of us could well afford to cut out some of the sugar in our diets. Many times we add sugar out of habit to foods that really don't need any additional sweetening such as ripe berries and grapefruit.

Another way to reduce the use of sugar is to serve custard, pudding, fresh fruit and other less sweet desserts to replace pies, cakes and cookies, the specialist suggested.

the distractions that occur normally in an office.

More discussion was given to getting the old city dump covered over when the new sanitary landfill is put in operation. So far, the city has had little luck in finding anyone to do the work.

The city will also look into the possibility of contracting the garbage collection, in view of the problem of keeping the garbage truck in working condition.

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

TEXAS UPLAND COTTON production for 1974 is expected to decrease more than 1.5 million bales from 1973 totals, Agriculture Commissioner John C. White reported.

According to the October crop report released this week from the Texas Crop and Livestock Reporting Service, 3.1 million bales are projected for the 1974 harvest.

Despite a record number of acres planted, national cotton production is projected at more than 12.7 million bales -- a slight decrease from the 1973 yield.

OCTOBER OUTLOOK for most Texas grains remains unchanged from the September estimates.

Texas rice production is expected to top 25 million hundredweight bags, according to the latest figures released from the Texas Crop and Livestock Reporting Service. This is a 23 per cent increase from 1973 totals.

South Texas rice farmers harvested a record 563,000 acres and averaged 4,500 pounds per acre.

Nationally, rice production is expected to increase 22 per cent to over 113 million hundredweight bags.

Corn, sorghum and soybean figures have not changed from Sept. Texas corn production is estimated at 69.7 million bushels; sorghum, 295 million bushels; and soybeans, 6.5 million bushels.

White said that 1974 seems to be a good year for pecan production which has been estimated at 40 thousand pounds.

YOU MIGHT have seen the Association Press story not long ago that said farm production in the United States may decline in 1974 for the first time since 1966. Using 1967 as an index, it said that productivity of U.S. farms held steady at 101 per cent (compared to 1967) in 1968, 1969, and 1970. It went up to 108 per cent in 1971, 110 per cent in 1972, and 112 per cent in 1973. Weather and other factors have made the outlook for 1974 less favorable. Productivity, this story said, is a measure of how much farmers produce in return for each unit they put into their operations. Said the writer: "Inputs include hired labor, fertilizer, feed, livestock and all the other items needed by farmers to produce." All of that sounds reasonable and true; but the use of "input" and "output" to describe what a farmer uses and what he produced is a little disturbing. You might have noticed that we seldom have "shortages" anymore but we have "shortfalls." That is the amount between what a farmer produces and what the experts said he would produce. It's enough to give you a digestion lack.

TEXAS CROP and Livestock Reporting Service reported that there were 108,000 sheep and lambs on feed for slaughter October 1 in drylots with a capacity of 2,000 or more each. That is one per cent more than were on feed at the same time in 1973 and three per cent more than were on feed September 1, 1974. Placements of sheep and lamb were 38,000 during September, and marketings during that month were 35,000. The sheep business peaked in Texas in 1940 when there were an estimated 10,069,000 sheep on Texas farms January 1. There were 7,119,000 in 1951, 6,140,000 in 1961, and less than 4,000,000 every year since 1969. Texas had 4,222,000 angora goats in 1966, the peak year since 1900 but had less than 2,000 in 1972 and 1973. Texas leads all states in the production of sheep and wool, angora goats and mohair, supplying about a fifth of the United States' sheep and wool and about 97 per cent of the nation's mohair.

Energy Reserves and half of the electric power By the year 2000, 75 per cent of the total energy consumed in the United States will still come from whatever fossil fuel reserves have not been exhausted.

considerably as the season developed.

"It will be a tough game, because we have to go to Silverton to play them," predicted Coach James Williams. "As to overall talent, I think we are about even. It will come down to who gets ready to play the most."

Wellington's Arnie Ingram, freshman halfback, received cracked ribs in the Claude game Friday when he fell with the ball under him and a Mustang player fell on top of him.

It is not yet known if Ingram will be ready to play, Coach Williams said. "We are holding him out of practice this week," the coach added.

Should Ingram not be able to play, his probable replacement will be Richard Sims or Sammy Gonzales, both of whom have been seeing considerable action.

Top team in the southeast Panhandle, as far as Class A football is concerned, is Memphis, which remains undefeated. The standing in District 2-A play is:

Home Management

By Mrs. Arla Felts

HOME MANAGEMENT

Most homemakers spend about one-third of their food dollars on meat. This isn't a surprise, but with inflation, most of us are looking for ways to hold this expenditure down a little.

When buying beef, consider cost per serving, instead of cost per pound. An estimate of the number of servings per pound is based on ground and stew meat with four servings and boneless steaks and roasts with three servings. Meat

with some bone provides two servings per pound and bony and fatty meat, only one serving. We have a pamphlet available, free from our office, showing numbers of servings per cut of meat.

Another cost-cutting measure is to buy pork liver, which is generally less expensive than beef liver; however, pork liver does provide less iron than does beef liver. Bulk packages of luncheon meats usually cost less than sliced bulk packages or presliced vacuum-packed meats.

Another publication available through our office is one featuring meals high in protein but cost less than the average homemakers meals.

Management is the key to saving money. Plan meals ahead. Buy within a plan that is flexible enough to take advantage of special sales. Eat wisely -- Nutritionally. Do not overeat. When buying any meat consider cost per serving not cost per pound.

SAN ANTONIO -- Your eyes can play tricks on you in the early morning especially Sunday morning.

At just such a time Texas Parks and Wildlife Department game warden Charles Koenig of San Antonio was out on patrol when he came upon three men stuffing what looked like a dead white-tailed deer in the trunk of a car.

Koenig approached the men and asked to see the contents of the trunk.

Acquiescing, one of the trio opened the trunk lid whereupon a very live and scared whitetail doe sprang into the surprised face of the man and bounded down the road with white flag raised.

The men confessed that they thought they killed the animal by hitting it with their car.

Koenig, for the lack of a corpus delicti, lectured the group on the proper use of the state's wildlife and sent them on their way.

Four-H Awards Presented For Outstanding Work

Forty-nine 4-H awards were presented to boys and girls in the county's 4-H Clubs for outstanding work they have done this year, as they and their parents attended the annual Awards Banquet Saturday, October 19.

Their guest speaker was Leslie Garnett of Amarillo, District 4-H Council Chairman, and an award winner many times over.

Appearing later on the program was her father, Ed Garnett, District 1 Four-H Club Extension Agent.

After the Rev. Enoch Fuller gave the invocation and Peggy Popwell, council delegate, led the Pledge to the American Flag and the 4-H Pledge, the guests were welcomed by Joe Baumgardner, vice-president of the Beef Club.

His father, David Baumgardner, responded, telling the boys and girls that they not only benefit themselves with their 4-H projects, but when they get away from home and win, they benefit their county. All this doesn't happen automatically, he pointed out, but through the co-operation of the 4-H members, their leaders and their parents.

Bubbling with enthusiasm, and eager to share her experiences in 4-H, Leslie Garnett urged her contemporaries, teen age and younger, not to be afraid to ask people for help in their 4-H work.

"Most of all, don't be afraid to take a chance," she continued. "Be your best self, and make use of your opportunities." Leslie raises champion sheep, and she delighted her young audience by recounting some of the times she thought she would win and didn't, and the other way around.

4-H AWARDS WINNERS

These 4-H members are among the large group who were presented honors at the annual Awards Banquet Saturday, October 19. Present to receive dress revue pins, in the top picture, were Peggy Popwell, Jennifer Pendleton and Tami Boswell. Below are three who were presented safety awards, Bill Reeves, left, Matthew Hanna and Cheryl Birkey.

A review of Girls 4-H work in the past year was given as a slide presentation by Mrs. Arla Felts, county extension agent.

The final speaker was Mr. Garnett, who called for leaders to work with 4-H members of the county. And to adults who would help, he urged them to look for a project they can work with. "You have as fine a group of 4-H members as I have

seen anywhere," he said as he closed his brief talk.

Don Reeves, county extension agent and master of ceremonies, announced that the present 4-H enrollment in Collingsworth County is 155.

Receiving the top 4-H award on the county level, the Gold Star, was Pam Vines, a member for 6 years.

Other recipients were: Achievement awards: Peggy Popwell, Jim Bob Nall and Pam Vines.

Beef awards: Mark Fourmentin, David Baumgard-

LETTERS FROM THE PEOPLE

To The Editor:

On Sept. 27 my 17 year old son and a friend were driving on one of your county roads in Precinct 4. The road was washed out real bad from the rain we had Sept. 20th. You had to pull over to one side to get by the washout. When he drove over the road fell in about 2 1/2 feet deep. This caused \$233.00 damage to the front end of his car.

I called Mr. Buck Breeding of Precinct 4 and was told the county didn't have insurance to cover the damage to the

car.

Mr. Breeding didn't feel the county was liable because no one told him the road was in this condition. I believe its his job to see that the roads are safe to travel or at least put up some kind of warning signs. People could be killed because of his negligence.

I believe the county is responsible for any damage caused by bad road conditions.

Sincerely

MISS MARY BURKHALTER

November Wedding Plans Made by Mary Burkhalter, Richard Gamble

Saturday, November 23, has been chosen by Miss Mary Ann Burkhalter, 1401 Floydada Street, and Richard Jerry Gamble as their wedding date.

The ceremony will take place in First United Methodist Church here.

Miss Burkhalter is the daughter of Jesse Burkhalter of Oklahoma City and Mrs. Becky Burkhalter of Amarillo. She is also the granddaughter of Mr. and Mrs. Mike Burkhalter, of

1401 Floydada Street.

She attended Palo Duro High School in Amarillo and Draughon's Business in Dallas. Presently she is on the staff of Thomas Nursing Center.

Mr. and Mrs. T.J. Elder of Talequah are the parents of the prospective bridegroom, who is a graduate of Lufkin High School, Lufkin. He also attended Stephen F. Austin College in Nacogdoches, and is presently employed by General Corporation Service.

Wellington OES Observes Seventieth Anniversary of Its Founding October 8

The Wellington Chapter No. 238, Order of the Eastern Star, celebrated its 70th birthday Tuesday evening, October 8.

The program chairman, Mrs. Olean Leggett, was in charge.

Each member present gave a short history of their initiation into the order and their services rendered since then.

After the closing of the chapter, refreshments were served by Mrs. Jack Davis and Mrs. Ethel Lowrie.

The birthday cake bearing the figure "70", and decorated with red and white carnations, was presented by a member, Mrs. Claude McKinney.

Attending were, Miss Maudie Coffee, the worthy matron, and Mr. and Mrs. Jack Davis, Mrs. Jennie Holcomb, Mrs. Roscoe Land, Mrs. Ethel Lowrie, Mrs. Gene Morrow, Mrs. Tom Parker, Mrs. Olean Leggett, Mrs. W.E. Brewster,

Mr. and Mrs. Johnny Parker, Mrs. Nita White, Mr. and Mrs. Roy Jeffrey, Mrs. John Bishop, Mrs. Thelma Lee, Mrs. Bryan Denley, and Mrs. G.L. Jones.

The Wellington Chapter, No. 238, Order of the Eastern Star, was constituted on October 12, 1904, with 19 charter members. The last charter member to survive was Mrs. Olibbia Curtner, mother of Mrs. Ruby Ball.

The first Worthy Matron was Miss Bettie Coker. Serving with her as worthy patron was L.H. Leach. There have been 55 worthy matrons and 24 worthy patrons who have served the charter in its 70 years.

Jack Davis has the honor of serving the greatest number of times as worthy patron, nine. Dr. W.R. Orr held the office 8 times and Ben Hurst 6.

The chapter has had several Grand Officers and appointments through the years. Deputy Grand Matrons were Mrs. Emma Richards, Mrs. Ruby Ball, Mrs. Eva Starr and Mrs. Dorothy Davis.

Quail Club Hears Of Boys Ranch

The Quail Friendship Club met in the school Homemaking Cottage Thursday, October 17 at 3:00 p.m.

The program was "Boys Ranch". The club has two quilts ready to be quilted for Boys Ranch, and the usual donation will be given Christmas.

Mrs. Mary Clay, hostess, served refreshments to these members: Mrs. Roy Pegram, Mrs. John Bishop, Mrs. Orbie Hartman, Mrs. Jennie Oatman, Mrs. June Haynie, Mrs. J.W. Canada, and Mrs. Ira Morgan.

Grand appointments and committee members have been Jack Davis, Roscoe Land, Mrs. Ball, Mrs. Mary Sue White, Mrs. Mary Jones, Mrs. Starr and Mrs. Mary Jo Jeffreys.

B&PW Observes National Business Women's Week with Tea Oct. 24

Wellington Business and Professional Women's Club will join the 170,000 members through the nation to observe National Business Women's Week beginning Sunday, October 20 and continuing through Saturday, October 26. Mrs. Zook Thomas, president, has announced.

Highlighting the week will be a coffee for business men and women and their employees Thursday, October 24, in the county library. The hours are 9:00 a.m. to 4:00 p.m.

"We celebrate the combined energy of America's working women this week, National Business Women's Week," said Mrs. Dudley Phipps, first vice president.

"In this, we honor women who contribute their talents to America's work force.

Founded in 1919 to promote the interest of working women, BPW, then as now, strives toward full participation for all our nation's working women. Forty-four percent of America's work force cannot be ignored; it is only fitting that the people who comprise it -- the women -- should be honored."

This year's officers, with Mrs. Thomas and Mrs. Phipps are Mrs. Lynn Wright, second vice president; Mrs. Mark Killian, secretary; and Mrs. Billy Williams, treasurer.

Appointees include Mrs. Truman Estes, pianist; Mrs. Ernest Harwell, chorus director; Mrs. H.L. Jenkins, reporter; Mrs. Raymond Patton, hospital-ity chairman; Mrs. Claude McKinney and Mrs. Rob Isbell, telephone committee; and Mrs. Gary Killian and Miss Ann Smith, yearbook committee.

More of the B&PW work is carried out by committees, and the chairmen are Mrs. Wright, membership; Mrs. Phipps, program; Mrs. Lonnie Neeley, personal development; Mrs. Estes, civic participation; Mrs. Ben Ratliff, world affairs; Mrs. Williams, finance; and

Mrs. Jack Lowrie, legislation; Mrs. Isbell, public relations; Mrs. J.C. Hartman, parliamentary; Mrs. Rufus Sweat, women in government. Miss Myra

The chapter has been honored by giving five 50-year honorary membership certificates to Mrs. Mae Hix, Mrs. Hattie Scott, Mrs. Ethel Strong, Mrs. Ball and H.E. Sherwood.

Hays compiles the club's scrap book and Mrs. Gary Killian was chosen Young Career Woman.

Besides the programs that accompany the regular dinner meetings, the Wellington Club has a number of special events on its schedule, besides National Business Women's Week tea.

The progressive dinner, that has become a Wellington institution, will be on November 12, while the Christmas party is planned for December 10.

The guest banquet will be February 11 and the senior roundup March 25. Club members will honor mothers, their own and others, on May 13, and on May 27 they will install new officers. A summer highlight will be the state convention, which members always attend.

The Wellington Business and Professional Women's Club was organized in 1938, but at present there are no charter members still active. Miss Myra Hays became a member in 1946, and next in years of membership is Mrs. Bura Handley, who joined B&PW in 1949.

Other members of the club this year are Mrs. Pearl Aaron, Mrs. Gary Brewer, Mrs. Truman Estes, Mrs. Joan Flint, Mrs. J.C. Hartman, Mrs. Lester Harwell, Mrs. Ernest Harwell, Mrs. Dan Henard, Mrs. Carter Holcomb,

Mrs. Glenna Ingham, Mrs. Rob Isbell, Mrs. H.L. Jenkins, Mrs. Gary Killian, Mrs. Mark Killian, Mrs. Drury Lacy, Mrs. Jack Lowry, Mrs. Claude McKinney, Mrs. Joe Montgomery, Mrs. Tommie Murdock,

Mrs. Lonnie Neeley, Mrs. Raymond Patton, Mrs. Dudley Phipps, Mrs. Ben Ratliff, Miss Ann Smith, Mrs. Rufus Sweat, Mrs. Louise Templeton, Mrs. Zook Thomas, Mrs. Stanton Trimble, Mrs. Doc Turner, Mrs. Billy Williams, Mrs. Fred Yarbrough, and Mrs. Lynn Wright.

PROCLAMATION

for

NATIONAL BUSINESS WOMEN'S WEEK

WHEREAS working women constitute 33 million of the Nation's working force, and are constantly striving to serve their communities, their states, and their nation in civic and cultural programs, and

WHEREAS major goals of business and professional women are to help create better conditions for business women through the study of social, educational, economic, and political problems; to help them be of greater service to their community; to further friendship with women throughout the world, and

WHEREAS all of us are proud of their leadership in these many fields of endeavor,

NOW, THEREFORE I BILL HATCH MAYOR OF THE CITY OF WELLINGTON by the authority vested in me, do hereby proclaim October 21-26 as

NATIONAL BUSINESS WOMEN'S WEEK

sponsored by the National Federation of Business and Professional Women's Clubs, Inc., and urge all citizens in Wellington, all civic and fraternal groups, all educational associations, all news media and other community organizations to join in this salute to working women by encouraging and promoting the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic, and cultural purposes.

CONSERVE ENERGY With Proper Insulation

Proper insulation helps to keep OUT heat in the summer, cold in the winter, helps to reduce outside noises, and absorbs inside sounds.

Adequate insulation can save over 40% on energy costs annually. You should have at least 4" in walls and 6" in ceilings. Heating and air conditioning duct-work should be wrapped with insulating material.

Insulation can pay for itself with the savings from operating costs in about 1 1/2 years. Your home will be cleaner because insulation will help to keep dust and dirt pollution from sifting in.

SAVE ENERGY WITH CAULKING AND WEATHERSTRIPPING

Check all windows and doors. If a cold draft indicates you are losing heat, install weatherstripping and caulking where needed. It will save on both heating and cooling costs.

An almost invisible 1/4" gap at the base of a standard 36" outside door is equal to a nine square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

Fix-It Tip

Manufacturers have devised a number of fasteners that make the chore of putting things on walls fairly simple and reliable. What you want is something that will go on with a minimum of trouble, will hold the object and will do the least damage to the wall.

Obviously pictures require less support than shelf brackets and working on a plaster wall differs from working on one of concrete.

The picture hook with a nail that goes in at an angle is still around. The angled nail is less likely to break the plaster or to pull loose. These are rated by weight and are used for pictures and mirrors.

Mr. and Mrs. Martindale at Home In Pampa After Sept. 21 Wedding

Wedding vows were exchanged by Miss Glenda Jean Lowe of Shamrock and Kim Grogan Martindale of Pampa Saturday afternoon, September 21, in the home of Mr. and Mrs. George Hooten, Shamrock. Mrs. Hooten is an aunt of the bride.

The Reverend Bill Rushing, pastor of Samnorwood Baptist Church, performed the ceremony.

The bride is the daughter of Mr. and Mrs. M.O. Lowe, of Shamrock, while the bridegroom's parents are Mr. and Mrs. James Martindale of the Abra community.

The setting for the ceremony was decorated with pedestal baskets of white and orchid chrysanthemums at each side of the satin covered prie dieu.

Wedding selections were presented by Mrs. Hubert Moore, organist.

Mr. Lowe gave his daughter in marriage.

She wore an empire gown of white bridal satin, with full sheer sleeves ending in self-cuffs with illusion and lace overlays. The bodice was covered with illusion and accented with lace and the floor-length skirt was a-line style. Her fingertip illusion veil was held by a lace band encrusted with seed pearls. She carried a bouquet of miniature rose buds and white carnations on a white bride's bible. White satin streamers were tied in love knots.

The bride was attended by Miss Crystal Asmusen. She wore a floor-length orchid dotted swiss dress, designed with an empire bodice and victorian collar edged with lace. The long full sleeves were of orchid sheer with lace accenting the dotted swiss cuffs. She carried a nosegay of white chrysanthemums tied with orchid ribbon.

Joel Dean Rainey of Samnorwood was the best man.

Amy Hooten, cousin of the bride, was the flower girl.

After the ceremony, Mr.

The Dorcas Sunday School Class held its monthly "42" party in the Heritage Room Monday night, October 14, with Mrs. Olean Leggett as hostess, and Mrs. Mattie Lindsey and Mrs. Mary Jones assisting.

The Halloween theme was carried out in decorations. Pie and drinks were served, after which "42" was played. Attending were Mrs. Maude Vaughn, Mrs. Mary Karnes, Mrs. Jennie Holcomb, Mrs. Pearl Franks, Mr. and Mrs. Earl Alexander, Mrs. Ruby Ball, Mrs. Mayme Somerville, Mrs. Pearl Aaron, Mrs. Emma Jones, Mrs. W.E. Brewster, Mrs. Bea West, Mr. and Mrs. Eddie Smith, Rev. and Mrs. Jim Boswell, Mrs. J.F. Michael, and the hostesses.

Who's New in the Wellington Area

Mr. and Mrs. Danny Waters of Plainview are the parents of a son, Jeremy Drew, born in Collingsworth General Hospital October 15. He weighed seven pounds, eight and three-fourths ounces.

A son, Boe Merdith, was born to Mr. and Mrs. Jackie Byron Bell of Dozier, in Collingsworth General Hospital October 21. His weight was six pounds, five and three-fourths ounces.

Mr. and Mrs. Ronnie Dean Pennon are the parents of a daughter, Korona Michelle, born October 21, in Collingsworth General Hospital. She weighed seven pounds.

and Mrs. Lowe were hosts at the reception honoring the couple, with Mr. and Mrs. Hooten assisting.

The bride's table was laid with a white linen clothedged with lace insets. Orchid gladoli and baby's breath were arranged in a milk glass bowl to form the centerpiece. On each side were lighted tapers in milk glass holders, which were entwined with orchid sweet peas.

Mrs. Joel Rainey of Samnorwood and Mrs. Con Allison, sister of the bride, served the guests.

Upon returning from their wedding trip, the couple will live at Pampa.

Both were graduated from high school this spring, she at Shamrock and he at Samnorwood. Mr. Martindale is now employed by Cabot, Inc., in Pampa.

Girls Attend Ice Capades

A trip to the Ice Capades in Amarillo Saturday, October 19, was given members of Junior Girl Scout Troop 139 and their sister Brownie Troop.

After seeing the skaters, the girls attended the Doll Show, also held in the civic center auditorium.

Members of Troop 139 going were Lisa Nix, Monica Foster, Kim Morgan, Lynette Spillman, Lisa Hartman, Debbie Cleveland, Dana Jameson, Becky Saied, Angie Watson, Valerie Van Pelt. Brownies attending were Michelle Black, Lori Lacy, Marcia Lindley, Mindy Morgan, Debra Pepper, Deda Seal, Stephanie Snow, Vanda Wood, Cindy Barton, Veronica Foster, Marilyn Hamilton, Lisa Powell, Amy Williams, DeAnne Williams, and Stacy Scott.

Leaders were Mrs. Jim Morgan, Mrs. Leon Hartman, Mrs. Farris Wood and Mrs. Don Lacy.

Mothers and other guests were Mrs. Jerry Nix, Mrs. Duggie Jameson, Mrs. Paul Spillman, Mrs. Don Van Pelt, Mrs. Kenneth Foster, Mrs. Doug Seal and Derik, Lana Lacy, Linda Lacy, Debra Wood, Cheryl Spillman, Bryan Van Pelt, Jamie Morgan and Mrs. Dudley Seal.

Miss Greenway Party Honoree

Suzanne Greenway, daughter of Mr. and Mrs. Danny Greenway, was honored by her mother with a birthday party Thursday, October 17.

Assisting Mrs. Greenway was her sister, Mrs. Harry Garrison.

The children played games and Halloween decorations were used throughout the house.

The same decorative theme was used on the table, where birthday refreshments were served.

Attending were Susan Lewis, Marcia Lindley, Paula Reynolds, Lori Lacy, Deda Seale, Debra Pepper, Veronica Foster, Stacey Scott, Vanda Wood, Michelle Black, D.J. Greenway, and Greg Garrison of Shamrock, and the honoree, Suzanne Greenway.

Happy Homemaking

Enamel on kitchen appliances, sinks, stoves or refrigerators, does chip easily so to touch up those unsightly gaps, try applying two or three coats of aluminum paint but permit each coat about three days to dry before applying the next. After it has thoroughly dried, cover with white "touch-up" paint and the results should be most satisfactory.

1924 STUDY CLUB PRESIDENTS

Along with the current president of the 1924 Study Club, these pictures include women who have served in that capacity in the past. At top from left are Mrs. John D. Glenn of Canadian, Mrs. E.K. Jones of Amarillo and Mrs. Morris Wells of Midland. Below, standing in the patio of Hay Camp

Country Club, are Mrs. J.D. Coleman, left, Mrs. Chester Fires, fourth president of the club and the earliest president attending, Mrs. Ralph Owens, the current president and one of the youngest to serve, and Mrs. Clark Anderson of Amarillo, the first hostess in 1924 after regular meetings began.

Luncheon, Return of Past Presidents Marks Fiftieth Anniversary of 1924 Study Club

The 1924 Study Club, oldest study club presently active in Wellington, observed its fiftieth anniversary recently with a luncheon at Hay Camp Country Club, and marked by the return of four past presidents now living elsewhere.

A program followed the luncheon, in which each past president attending told something of her tenure.

The returning past presidents were Mrs. Morris Wells of Midland, Mrs. E.K. Jones and Mrs. Clark Anderson of Amarillo and Mrs. John D. Glenn of Canadian.

Mrs. Anderson was the only charter member present. She could not recall if this were a fact, but an original yearbook, for 1924, showed that she was the very first hostess.

The 1924 Study Club was organized to meet a need. The only other study club at that time, the Domestic Science Club, limited its membership to 10, the group was told.

Mrs. J.W. Harper helped to organize the new club and was its first president.

Other presidents had these memories:

Mrs. Chester Fires told of the depression years, work with the community building, and establishment of a loan fund for girls attending college, which has been used 18 times.

Mrs. Glenn gave overall memories of her term as president. Mrs. Wells told of the club's

work with St. Joseph's Hospital Auxiliary.

The club, which had dropped its TFWC affiliation, was re-federated during Mrs. Jones term, and work was begun on founding the 1954 Study Club.

Mrs. James Sullivan read this quotation: "Vision without a task is a fantasy; a task without vision a drudgery."

Mrs. B.M. Sims recalled the Cavalcade of Cotton sponsored by the club, and selection of Mrs. Bernice Welch as Teacher of the Year. Mrs. Sims was Club Woman of the Year.

Other memories were of the time the club studied Shakespeare, held a three-day art exhibit, and learned new math. They also learned to refurnish furniture and studied ESP and hypnosis.

Mrs. Velman Warrick told of the organization of Campfire Groups, and the time the group saved gift stars -- which were out of date when the time came to redeem them.

Other high points were an art show, lesson in Creold cooking, patriotic programs, bridge tournament, children's art ex-

Lydians Hear Mrs. G. Owens

The Lydia Sub-Group of United Methodist Women met in the home of Mrs. R.R. Crawley Monday, October 21.

Mrs. A.L. Elliott gave the opening prayer, Mrs. Bob Hightower conducted the business meeting, when officers were elected for the new year.

Mrs. Hightower was re-elected chairman; Mrs. Crawley, secretary-treasurer; Mrs. Fred Covey, reporter; Mrs. J.D. Wilson, telephone chairman; and Mrs. Elliott, Christian Global concerns chairman;

Mrs. Elliott read a poem, He Sent Leanness, then Mrs. Gorman Owens presented the program, "Take Kindly the Counsel of the Years," from "Go Placidly Amid the Noise and Haste," a study book.

Mrs. Jim Boswell gave the dismissal prayer.

Refreshments were served to three guests, Mrs. J.F. Michael, Mrs. Boswell and Mrs. Owens, and to these members, Mrs. Elliott, Mrs. Hightower, Mrs. J.B. Stevenson, Mrs. Wilson, Mrs. E.F. Bartlett, Mrs. Covey, Mrs. A.V. Lowrie, and the hostess, Mrs. Crawley.

Shower Given Mrs. Mark White

Mrs. Mark White was honored with a pink and blue shower October 12, in the home of Mrs. D.R. Langley of Quail.

The hostesses were Mrs. N. E. Childers, Mrs. Don Jones, Mrs. Roy Canada, and Mrs. Langley.

Approximately 30 guests attended.

Mrs. B.M. Sims, federation counselor.

Other members are Mrs. J.D. Coleman, Mrs. Kent Clark, Mrs. Dennis Cudd, Mrs. R.R. Crawley, Mrs. Chester Fires, Mrs. Charley Hill, Mrs. Roy Jeffrey, Mrs. J.B. King, Mrs. Truett Holland, Mrs. J.R. Ross, Mrs. Don Van Pelt and Mrs. Velman Warrick.

Mrs. Gorman Owens Guest Speaker As Belles Lettres Club Opens Year

The first meeting of the new year for the Belles Lettres Club was held recently in the home of Mrs. Joe Thompson, the new president. She also served as program chairman for the day.

Mrs. Gorman Owens was the speaker, giving "Meditations on the Desiderata" from the book "Go Placidly Amid the Noise of Haste," by Granville T. Walker. This was planned to give a lift for living, reminding the listeners that this is still God's world and He is in control.

Mrs. Bryan Denley, a former member, was welcomed back by the club.

Refreshments were served to Mrs. E.F. Bartlett, Mrs. A.B.

Clark, Mrs. W.F. Harbin, Mrs. F.A. Hatch, Mrs. J.H. Wood, Mrs. Denley, Mrs. Bob Hightower, Mrs. Dick Richards, Mrs. Coy Vaughan, the guest, Mrs. Owens, and the hostess, Mrs. Thompson.

Church Classes Hold Tacky Party

The Junior and Primary departments of the Fundamental Baptist Church met Saturday night, October 19, at the church for a "Tacky Party."

Games were played and refreshments were served to approximately 35 members and their guests.

A "tackiest" girl and boy were picked.

Students Present Patriotic Program For La Paisana Chapter, DAR, Monday

A regular meeting of La Paisana Chapter, DAR, held Monday evening, Oct. 21 at the Cherokee Inn Restaurant, was called to order by the Regent, Mrs. W.L. White. Hostess for the meeting was Mrs. Richard Fourmentin.

Following the ritual opening led by Mrs. White, a program of Patriotic theme was presented by Mrs. Gay McAlister and a group of students of her Speech Class, including Becky Burba, Kathy Kersten, Jenny Earnest, Robert Wolf and Joe Porter.

Minutes of the last meeting of September 23, were read and corrected. Members discussed a tree planting project for the County Park north of Wellington on Salt Fork River.

Mrs. Jack Davis gave an informative program on National Defense. She pointed out that while the United States defense budget has been cut, the Soviet defense budget has increased spectacularly, particularly in the critical Research and Development area.

The United States has reduced its forces worldwide, including great cut backs in

the Navy program, while the USSR has vastly expanded and modernized the Soviet Navy, she said.

Soviet and American economies have been intertwined, but the United States is buying for the most part, raw materials, whereas, except for wheat, the Soviet Union is buying technology which might one day be used against the United States and its allies. The Russians have been eager for loans and technological know-how, and so far have received some of both.

Members present at the meeting were Mrs. White, Miss Hattie D. Wells, Mrs. Fourmentin, Mrs. H.H. Bowen, Mrs. Melvin Seale, Mrs. Louise Templeton, Mrs. Davis and Mrs. Frank Fourmentin.

Nutrient labeling can help in making meaningful comparisons between substitution foods. Values for fresh whole milk might be compared with chocolate milk; canned tuna with peanut butter, and cream cheese with American cheese.

Claude B Squeezes
By Junior Varsity

A completed pass play with 20 seconds to go in the game gave a victory to Claude B team over the Skyrocket Junior Varsity Thursday, October 17.
The 20-14 game was played at Claude.
The Mustang B offense centered on a 6-3 sophomore playing split end in a red-shirt situation, and described by those who saw the action as "real good."
"Actually, this was a real tight game," said Coach Robert Hicks. "They didn't move the ball on the ground. We had them stopped there. But they would throw to this end and we were too small to cover him on these plays. Overall, this was what defeated us."
Claude scored first, about five minutes deep in the first quarter, on a 22-yard pass. The try for extra point failed. There was no more scoring and the first quarter ended 6-0.
In the second period, Wellington scored on a three yard run by Halfback George Darton, and on the next play he ran the two point conversion. The action setting up this score was a series of dive plays up the middle, since Claude had the Rockets covered wide. The score at halftime was 8-6 Wellington.
The third quarter was scoreless. Both teams moved the ball well, but never got in scoring position.
Wellington's Darton scored early in the fourth, on a 45 yard dive left. On the attempted pass conversion, Craig Needham connected with Tony Cox, but the ball ended short of the goal line. Still Wellington led 14-6 halfway through the final period.
On Claude's next series of downs, the Mustangs scored

on a 32 yard pass, then went for two points and made it, again through the air, and tied the game 14-14 with a minute and 22 seconds remaining.
Wellington had possession of the ball, picked up two first downs, but couldn't move farther.
With less than a minute left, Wellington held Claude in a third and 6 situation on their own 40. On the next play they completed a long pass, followed it with another long pass to score. The try for extra point was no good, and Claude led 20-14.
Although Wellington was in possession of the ball, the Rockets could not get in position to score before time ran out.

First Methodist Women Plan Flea Market and Sale

The flea market and rummage sale sponsored by the women of First United Methodist Church began Monday, October 20, and will continue for several weeks.
The location of the sale is the American Legion Hall, at the corner of Amarillo and 10th Streets.
Members of the committee co-ordinating the flea market and rummage sale are Mrs. Calvin Hurst, Mrs. Fred Covey and Mrs. Barney Glenn. A large number of other women of the church will staff the market.
Money raised from the flea market and rummage sale goes to the church's new building fund. The flea market was first held during the summer months, then shut down until fall.

AWARD RECIPIENTS
A variety of 4-H activities are represented by these award recipients. In the top picture are the girls who were given food-nutrition pins: Verita Simon, left, Leigh Myrick, Sylvia Hummcutt, Wanda Chambers and Karen Caldwell. Below, Sharee Bailey, left, was a dress revue award winner, Geney Morrow, center, received the leadership award and Beverly Orr the bread award. Several of the girls received honors in more than one division.

J. C. Emmerts Host Relatives

Guests from the east coast and the west coast were recent visitors in the home of Mr. and Mrs. Clyde Emmert.

Seventh Grade Defeats Strong Clarendon Team

Wellington's youngest men on the gridiron, the Seventh Grade, defeated a Clarendon 7th Grade team 8-0, at Clarendon Thursday, October 17.
The young Firecrackers got the ball on the kickoff, and on the first series of plays, James Thomas ran 40 yards to make a touchdown. Alvin Pennon scored the two-point conversion.
There was no more scoring in the first period and none in the second, and Wellington went into halftime with an 8-0 lead.
Early in the third period, Clarendon drove the ball and got inside Wellington's 20 yard line three times. However, the Firecracker Okla., visited Mrs. W.E. Thomas.
Mrs. Buck Judd, Amarillo, Mr. and Mrs. Troy Cass, Calif., Mrs. Iona Jones of Brownfield, Mrs. Thurman Emmert, Kansas, Roy Cass, Calif., and Mr. and Mrs. Kenneth Cass of Friona visited Mr. and Mrs. Leborn Goswick.

Visiting out of the home over the weekend were Mrs. Bessie Lowrie, Mrs. Dora Marsh, Mrs. Gertrude Wolf, Mrs. W.E. Thomas and Mrs. V.J. Simpson.

defense tightened and held the opponent.
Clarendon did not threaten again, but neither could the Wellington boys score, and the game ended 8-0.
"Some of our boys had a real good offensive game -- Marty Warrick, James Thomas, Alvin Pennon, Craig Darter and Richard Archer," said Coach Ronny Glenn. Outstanding defensive players included Baldo Nevarez, Roy Outley, Dane Dodge and Haskell Bonaparte.
"We think we played a fine game, and we've really come along and made a lot of changes in offense and defense, and we feel like we are going to win the next three ball games," Coach Glenn declared.
The starting offense included Marty Warrick, quarterback; James Thomas, fullback; Baldo Nevarez and Kevin Needham, halfbacks; Robert Powell and Richard Archer, ends; Haskell Bonaparte and Kirk Patterson, tackles; Dane Dodge and Jerry Henry, guards; and Craig Darter, center.
Defensive players include: Outley and Patterson, ends; Dodge and Bonaparte, guards; Pennon and Thomas, cornerbacks; Warrick and Nevarez, linebackers; and Needham, Archer and Robert Powell, free safety halfbacks.
Mrs. Margaret Bryan and Mrs. Bessie Boyd of Madisonville visited recently with Mr. and Mrs. Raymond Ross and their ranch north of Quail and with Mrs. Frank Bourland in Thomas Nursing Center.

Norwood Opens with Win Over Mobeetie

Samnorwood Eagles and Eaglettes won a double header over Mobeetie Friday, October 18, to open their 1974 season.

Norwood girls were victors 51-30 while the boys won 62-37.

"I felt our girls played the first quarter exceptionally well," said Coach Kenneth Martindale. "We scored 23 points before Mobeetie girls scored. They did not hit a field goal in that period, but

got three free shots. Defensively, we thought our guards did a real fine job."

The Eaglettes made 11 field goals in the first period, most of that off a forward press. From the second period on, Coach Martindale began sending in substitutes to play the remainder of the game.

He praised the Mobeetie girls, a young team made up principally of freshmen and sophomores -- and only two seniors. "One day, they will be good competition for anyone," he added.

The score at half time was 35-11, and at the third 42-17.

Samnorwood starters were Cindy Coleman, Alethea Ray and Mable Bryant, forwards, while the defensive unit was Teresa Ray, Judy Bell and Ethel Bryant.

Other girls seeing action were Ida Beth Stice, Pat Segura, Vonnice Knoll and DiAnna Schaub, forwards, and Debbie Simpson, and Margaret Sanderson, guards.

Scoring honors went to Alethea and Mable with 18 points each. Cindy added 8 points, Vonnice three and DiAnna four.

Mobeetie's Kimberly Hathaway and Carrol Seitz had 13 points each and Zana Corse four.

Mobeetie now has a 1-1 record, having won their opening game from Lakeview 39-30.

EAGLES - MOBEETIE

Samnorwood boys led all the way, although the game was close at times. In a fourth-quarter surge, the Eagles outscored Mobeetie 32 to 15. The score at the end of the first period was 9-5 for Norwood; halftime, 21-11; third quarter, 30-21.

Doug Coleman is the only senior on the team, with Robert Cruz, a sophomore and Richard Lee, Ricky Bentley and Dale Turner freshmen.

"They all looked real good for their first game and to be so young," Coach Martindale said.

Starters were Coleman, Clinton Oldham, Clifford Oldham, Leo Segura and Gary Skinner. Others playing were Cruz, Bentley and Turner.

Top scoring player was Coleman with 21, while Segura had 15, Clifford Oldham 11, Clinton Oldham, 7, Skinner and Lee four each. Bryan McCurley had 14 points for Mobeetie, Steve Corse, 9, Seitz and Billy Howard 6 each and Doug Hankins two.

Mrs. A.V. Mote, Mrs. Frances Williams and Mrs. Delta Winters of Los Angeles, Calif., went to Omaha, Nebraska, recently to visit Mrs. Mote's daughter and son-in-law, Mr. and Mrs. W.S. Buchanan.

ACHIEVEMENT AND HORSE WINNERS

This group won two of the most coveted 4-H Club awards, those relating to overall achievement and those who excelled in horsemanship. Peggy Popwell, left, and Pam

Vines received the Achievement awards, while the Horse Club awards went to Bart Patterson and Lisa Nix.

Mr. and Mrs. Kenneth Davis, Kacy and Nancy, went to Northfield over the week-end to visit Mr. Davis' sister, Mr. and Mrs. Billy Paul Simpson and Tanya.

Mr. and Mrs. Ronald Kersten were in Amarillo over the week-end visiting their daughter and son-in-law, Mr. and Mrs. Sam Rutkowski, and children.

Only One Game Due at Powell Field Thursday

Only one football game will be played at Powell Field this week, and it will feature the Wellington Firecrackers vs the Silverton Eighth Grade. Game time is 8:00 p.m.

The Skyrocket Varsity will travel to Silverton to meet the Owls.

The Junior Varsity was scheduled to play the Childress B team, but it developed that Childress also had a district game scheduled with the Quanah Indian B. To hold to the district schedule, the Bobcat B cancelled their date with Wellington, Coach Robert Hicks said.

The Seventh Grade team

Ninety Attend Meetings on Good Nutrition

Wednesday, October 16, approximately 90 persons attended the two special interests meetings sponsored by the Family Living sub-committee of the County Extension Service.

The first of these meetings was a program on good nutrition and fad diets sponsored by the Texas Agricultural Extension Service in connection with the county Retired Senior Volunteer Program's monthly Birthday Dinner. The group heard a discussion on these topics lead by Mrs. Mary Sweeten, Foods and Nutrition Specialist of Texas Agricultural Extension Service. Mrs. Sweeten gave a side presentation to emphasize various parts of her talk.

The afternoon program emphasized diets for persons on low sodium, low fat, and diabetic diets. Both programs were educational and interesting in nature.

Mrs. Sweeten provided handouts for those present. Anyone interested in receiving some of those remaining may get them free of charge in the County Extension office or by calling 447-2313.

Memphis Hosts Cotton Bowl Enduro Oct. 26-27

The American Motorcycle Association has announced that for the 3rd year Memphis, Texas will be the only Nationally Sanctioned motorcycle enduro to be held in Texas. The Cotton Bowl National Enduro (name of the Memphis race) will cover over 125 miles throughout the Red River area of Hall County. The Amarillo Track and Trail Sport Riders Association of Amarillo will again sponsor the event and the Memphis Chamber of Commerce will host the weekend activities of the race. This is one of only 6 National Enduros located west of the Mississippi River.

Members of the Wellington Motorcycle Club will ride as a group in the parade, according to Pat McAlister, president.

All AMA (American Motorcycle Association) members may sign up for the October 27th enduro by writing the Amarillo Track and Trail Sport Riders, P.O. Box 9251, Amarillo, Texas 79105.

Last year's Cotton Bowl National Enduro attracted over 480 contestants representing 19 states across the nation. Texas style Hamburger Feast, Cotton Bowl National Parade, and Cotton Bowl National Trophy Girl contest will highlight the Saturday afternoon activities.

Everyone is welcome to come to Memphis Texas on the weekend of October 26 & 27th for the 3rd Annual Cotton Bowl National Enduro.

Three Hurt in Accidents on County Highways

The Texas Highway Patrol investigated three accidents on rural highways in Collingsworth County during the month of September, 1974, according to Sergeant D.E. Womack, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and three persons injured.

The rural traffic accident summary for this county during the first nine months of 1974 shows a total of 32 accidents resulting in no persons killed and 18 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September, 1974, shows a total of 471 accidents resulting in 17 persons killed and 213 persons injured as compared to September, 1973, with 601 accidents resulting in 24 persons killed and 364 persons injured. This was 130 less accidents, seven less killed, and 151 less injured in 1974 at the same period of time.

The 17 traffic deaths for the month of September, 1974, occurred in the following counties: two each in Libscomb, Moore, Parker, Haskell, and Parker; and one each in Castro, Deaf Smith, Hartley, Oldham, Randall, Hale and Lamb.

The accident report for other area counties includes: Childress: 5 accidents, no deaths, one injury.

Cottle: 7 accidents, no deaths, four injured.

Donley: 7 accidents, no deaths, one injured.

Gray: 16 accidents, no deaths, 7 injuries.

Hall: 6 accidents, no deaths, four injuries.

Hemphill: 5 accidents, no deaths or injuries.

Wheeler: four accidents, no deaths or injuries.

Mrs. Ruth Crawford is under medical treatment in Methodist Hospital, Lubbock.

Baptist General Convention to Be in Amarillo

DALLAS-- A record \$20-million budget and a proposal to strengthen Baptist owned institutions will highlight debate and discussion during the annual meeting of the Baptist General Convention of Texas Oct. 29-31 in Amarillo.

A number of members of First Baptist Church will attend, according to Rev. Roy Collins, pastor.

More than 3,000 messengers from most of the 4,200 churches and missions are expected for the 89th annual meeting to be held in Amarillo Civic Center.

The record budget commemorates the 50th anniversary of the Cooperative Program, the plan whereby Baptists support work in Texas, in the nation and around the world.

Currently, the 2-million member BGCT functions on a \$17-million budget. The budget provides support for 26 institutions, including homes for the aged, hospitals, child care facilities and nine educational institutions.

Messengers also will discuss a proposal to strengthen the 26 institutions by creating two coordinating boards to oversee their operation.

The convention marks the first time in 27 years the convention has been held in Amarillo.

In 1947, when it was last held in the Panhandle city, 3,140 churches were affiliated with BGCT, totaling one million members. The annual budget was \$4 million.

Currently, there are 4,200 churches and missions, with an aggregate membership of two million. The budget, if adopted, will be \$20-million. Speakers at the annual

FOUR-H ACHIEVERS

These two groups include winners of clothing awards and bicycle awards at the annual 4-H Awards Program Saturday night, October 19. Receiving clothing awards, top were Tracy Gassiot, left, Stacy Weatherly and Renee Lacy. Below, bicycle awards went to Kathleen Reeves, left, Sandie Morris, Greg Neeley and John Birkey. The latter awards were given for the first time and came from the bicycle safety program offered during the summer.

Parade of Homes Will Be Nov. 24

Some of Wellington's loveliest homes will be open to the public Sunday, November 24, as the 1924 Study Club holds its Parade of Homes.

The visiting hours will be 2:00 to 5:00 p.m.

This is a benefit event, with the proceeds from ticket sales going to the Collingsworth County Historical Museum.

Norwood Junior High Opens Play

Samnorwood Junior High basketball teams will open their schedule with a double header on their home court Thursday October 24.

Their opponents will be Lela boys and girls junior high teams. Game time is 7:00 p.m.

meeting -- expected to be attended by more than 7,500 persons -- include Dr. Jaroy Weber, president of the Southern Baptist Convention and pastor of First Baptist Church of Lubbock; Dr. Warren Hultgren, pastor of First Baptist Church of Tulsa, Okla., and Dr. James H. Landes, executive secretary of the state convention.

Dr. Ralph Smith, pastor of Hyde Park Baptist Church in Austin, is president of the BGCT. He is expected to be re-elected to a second term during the convention.

The annual meeting will be preceded by meetings of the two auxiliaries: The Woman's Missionary Union and Texas Baptist Men.

State Troopers Training School Begins Feb. 11

A training school for 110 new State Troopers with the Texas Department of Public Safety will start February 11, 1975 Major C.W. Bell, Regional Commander, announced today.

"We have several new benefits to offer qualified applicants," Bell said. "For instance, the pay during training is \$651.00 per month. Upon commission this salary is increased to \$743.00 per month; after six months of law enforcement duty this is elevated to \$768.00 and further advanced to \$820.00 upon completion of twelve months' law enforcement experience.

"Also our selection methods are more liberal, and qualified female applicants are now being accepted for

the uniformed services of the DPS. In addition, the Department has been increasingly successful in hiring persons from minority groups."

To qualify for employment in the uniformed services of the DPS, an applicant must be between the ages of 20 and 35; good moral character; excellent physical condition; weight proportionate to height; visual acuity of 20/40 correctable to 20/20; a citizen of the United States; and a minimum of sixty semester college hours.

"Among the many benefits that troopers enjoy," Bell pointed out, "are two weeks' annual vacation; all holidays provided for by the Legislature; modern, liberal retirement system; group hospitalization and life insurance plans; traveling expenses; longevity pay; and uniforms with all the necessary equipment to perform their duties."

For complete information concerning the position of trooper, training and benefits, Bell asked that those who are interested contact the nearest DPS trooper or DPS office.

CREMATION CLUBS

A flourishing "body disposal" business has developed in California over the strong objections of traditional funeral directors. The "cremation clubs" offer only simple cremations and burial at sea for as little as \$250. But now the California state legislature is considering a bill requiring the "cremation clubs" to be licensed by a board dominated by their arch-rivals, the morticians.

Forest Lawn Cemetery has established a reputation of expensive funeral elegance in California. But cost-conscious Californians have enthusiastically joined in the "cremation club" concept. One profit-making group has conducted over 1,000 low-cost cremations since starting in 1971 and has 10,000 members eligible for the service. Over 30 more clubs have gone into operation in California and several are getting ready to expand into other states.

Funeral directors have battled the "cremation clubs" concept since the first one opened its doors. But now they admit there is a market that cannot be denied. In fact, funeral homes are offering cut-rate cremations of their own.

The question of licensing has been the big point of controversy. The cremation clubs bypass California law simply by not advertising themselves as "funeral directors." Licensed morticians believe the cremators should be licensed for health reasons and the cremators agree but wish to be licensed by the state health department rather than by the California Funeral Directors and Embalmers Board.

The majority of the cremators are operating at a healthy profit, although their fees and "memberships" are only a fraction of the \$1,886 that the Federal Trade Commission estimates is the average cost of a funeral in the U.S. The cremators hold costs to the minimum by leasing most of their equipment, such as hearses, crematoria and yachts for scattering ashes.

Services Held For Jack Harper

A number of Wellington people were in Childress to attend the funeral of Phillip Vernon (Jack) Harper, 66, which were held at 4:00 p.m. Saturday, October 19, in First United Methodist Church.

Burial was in Childress Cemetery.
Mr. Harper died at 11:10 p.m. Thursday in Childress General Hospital. He had recently undergone heart surgery in Amarillo.

Mr. Harper lived in Wellington a number of years and was married to Nina Blair Hardy on September 18, 1927. They moved to Childress in 1938.

He worked from 1946 until his retirement in 1969 in the Fort Worth and Denver Shops. Since then he operated his own upholstering shop.

He was a member of First United Methodist Church, Masonic Lodge 695, and was a 32nd Degree Mason and member of the Scottish Rite Consistory at Lubbock.

Survivors are his wife; a son, P. Vernon Harper, Jr. of Houston; a daughter, Mrs. Clara Louise Broadie of Amarillo; four brothers, V.O. (Babe) of LaMarque, Marvin

Card of Thanks

We wish to express our deepest gratitude to all who were so thoughtful at the passing of our loved one, Carrol Blevins, and your concern for the recovery of our daughter, Ginger Holton. Your sympathy through the food, flowers, cards and prayers in our behalf have brought us comfort.

May God bless you.

Deck's Didactics

—by Deskins Wells

IT IS to be regretted that we could not have received two inches of all this fall moisture the first week in August and another two inches early in September.

THE continued rain and cool weather is also disturbing those who would like to be harvesting their peanuts or see their cotton and milo maturing in sunny weather. A little change could have made such a difference in the quality and quantity of our crops as well as the bank accounts of a lot of people.

WE MIGHT as well look at the brighter aspects of the situation. First we never receive quite enough annual rainfall in this section of Texas. We may receive too much fast and we may not receive any for too long a period; but year in and year out we do not receive adequate rainfall. So lets be thankful for the rain that will make wheat pasture for the hard pressed cattlemen and put reserve moisture in the subsoil.

THE PEOPLE who believe in clearing the air and the water in our streams and lakes, who believe in restoring the land to a natural condition as good or better than it was when strip mining is practiced, who believe in keeping our harbors and sea shores free of pollution may be considered our saviours 50 or 100 years from now.

IT WILL cost billions but our vast deposits of coal can be mined all over the continental United States as well as Alaska without ruining the ecology. It is being done in Texas now and the land is being restored to greater usefulness and beauty than it knew formerly. We can drill for oil offshore profitably; but rigid precautions must be enforced or our valuable fishing industry and our beautiful beaches will be ruined.

THIS MAY be nostalgia; but there is another practical way in which our air can be kept cleaner, our water purer and our countryside more beautiful. That is the return of a revitalized mass transportation.

When I was a boy we were linked to the rest of the nation by rails over which people rode and great quantities of grain, cotton and cattle were shipped to market and these same rails enabled passengers to go anywhere they wanted to travel. Outside of transportation by water these rails of steel still provide the most economical method of transportation. And they used up only a few feet of right of way as compared to the four lane and six lane highways we know today. But they have been so sandbagged by government regulations and union featherbedding, that it will take drastic revisions and perhaps subsidies like those given the airlines and the steamship lines to restore them to competitive effectiveness.

The straw that broke the camels back was when the government took the mail delivery away from the passenger trains and gave it to the airlines. By this act, they eliminated the traveling Post Office which was the old mail car on the passenger trains where mail was assorted and delivered as the train passed along its route. A letter mailed in Ft. Worth

FIRE ANT COLONY CALLS IT HOME--Around 100,000 fierce fire ants may live in a mound of this size which begins with one queen and takes three years to reach two to three feet in height. According to Agriculture Commissioner John C. White, the ants infest more than 20 million acres in Texas. They can ruin pasture and hay, destroy small animals and have been known to attack human beings.

Quail News

By Mrs. G. T. Stephens

The peanut harvest is under way. The pretty sunshine we had last week matured the crops a lot. Some of the farmers are combining the feed and others are baling hay. The cotton is also opening up and the farmers are repairing their machinery and getting ready to harvest the cotton in the near future. So everyone is busy as usual in the harvest time of the year.

On Sunday, October 13, there were several visitors at the Church of Christ. They included Mrs. Audrie Taylor Vaughan; the former Kay Woods of Childress; Mrs. Blanche Hutton of Lubbock; Mr. and Mrs. Howard Blevins of Amarillo; and a number of the descendants of the Blevins family down to the 3rd and 4th generations.

Mrs. Vaughan said, "It was the first time I had been to church at Quail since 1918. However, I found the same families or some of their children attending, such as the White family, the Blevins family, Mr. and Mrs. T.C.

at 9:00 in the evening was delivered to Wellington by 9:00 a.m. or to Amarillo by noon the next day. Try to get something like that done today.

AS A MEANS of people traveling, the railroads are gone from areas like ours probably forever; but fast train travel could still be practical in heavily populated areas where pollution is the worst and they could cut down on the pollution to a highly beneficial extent.

HENRY and I had lunch with Steve Owens Tuesday and Henry was fascinated with Steve's dissertation on the price of farm implements and the price of the products raised on the farms. Steve's main point was that the high prices of cotton, milo and wheat were the only ones the farmers had experienced in recent years that would enable them to buy new tractors.

WELCOME to Wellington: Mr. and Mrs. Truett Holland and Mr. and Mrs. Osa Black. Glad to have you.

Crabtree and others. So, the little church at Quail is still active and carrying on after approximately 65 years since it was established."

Guests in the home of Mr. and Mrs. A.B. Boyett from Thursday to Monday were his brother, I.L. Boyett of Atoka, Okla., his sister, Mrs. Edith Stokes of Joplin, Mo., and Mr. and Mrs. A.W. Boyett of Clarendon. They brought their mother, Mrs. Mary Boyett, out to spend the day Sunday from Thomas Nursing Center in Wellington. Other guests Sunday night and Monday were Mr. and Mrs. Charley Neeley of Amarillo.

Guests in the home of Mr. and Mrs. W.A. Gollighugh were Mr. and Mrs. Terry Streill and Robin of Midland. Mrs. Streill will be remembered as Terry Brown and the sister of Mrs. Evon Gollighugh. Also visiting were Mr. and Mrs. Evon Gollighugh, Jodi and Jennie of Amarillo.

Mr. and Mrs. Walter Camp and children of Dodson were guests Sunday in the home of Mr. and Mrs. Ick Fielding, Rita and Ralph.

Kelly and Dennis Howard of Mobeetie came home after the ballgame Friday night at Mobeetie with their grandparents, Mr. and Mrs. W.A. Gollighugh. Their parents, Mr. and Mrs. W.F. Howard, and Bill came for the boys Sunday.

Mr. and Mrs. R.L. Davis came home Friday, October 11 after spending 10 days visiting with cousins at Gladstone, N.M. and Durango, Colorado.

Mr. and Mrs. Tommy Oatman of Ripland, Wis., came last week for an extended visit with his parents, Mr. and Mrs. Ross Oatman, and his grandparents, Mr. and Mrs. Clay Oatman. The couple have lived in Ripland since Tommy was dismissed from the Army after serving 2 years. His wife is a native of Ripland.

Mrs. W.L. Rethmisch of Thayer, Mo., who had been visiting with the Blevins families, who are her relatives, returned home

Experience Cited In Loving Campaign

The 10 years that Dan Loving of Dumas has served on the Dumas school board have developed some working ideas of how Texas Schools can best serve their widely varying areas, and the veteran trustee is asking on Nov. 5 for a chance to use that experience as a member of the State Board of Education in District 13.

The state school job pays no salary and Loving, a dental surgeon, keeps a pretty full schedule --- but is enthusiastic about serving on the state-level school body. "You can get pretty involved in education when you have five children spread out in all levels of school," Loving explains. "The things you learn working in local system school can carry over into the state board, which has much the same responsibility but on a lot larger scale."

District 13, one of 24 places open this year on the State Board of Education, corresponds to the 33-county 13th Congressional District. Loving is the Republican nominee for the District 13 place on the state board, in general election voting on Nov. 5.

One of the areas he would like to see expanded in Texas public schools is that of bi-lingual education, notable and program in Spanish language starting in the lower grades, for students whose first language is English.

"Bi-lingual education has been required of Texas schools for several years, but the program largely has been limited to teaching English to students who primarily speak Spanish," Dr. Loving declares. "This is a two-way street; a good public schools education today should have

students qualified in two languages, and Spanish is the logical one for the southwest."

The State Board of Education is responsible for application of some \$1-billion in "foundation" funds for state secondary schools, funds to assure all schools a basic level of education. The \$1-billion is just part of the almost \$2½ billion dollars that Texas will spend this school year, from state funds and local taxes.

Murray Greer Has Surgery

J. Murray Greer, of Glendale, Calif., who has visited Wellington regularly for many years, is scheduled to undergo major surgery Thursday, October 31, Mrs. Greer has written The Wellington Leader.

"Murray has had three major surgeries, two abdominal and one for an inguinal hernia which finally put him in the coronary and intensive care unit," she said.

The Greer family owns land southwest of Wellington. Their last visit here was a year ago.

Wellington Dumps Claude 41 to 8 at Powell Field

By Charles Waugh

The Wellington Skyrockets proved to be superior to the Claude Mustangs Friday night at Powell Field. The Rockets wrapped the ballgame up in the first quarter of action as they jumped out to an early 20 to 0 lead. Claude was outmanned and outplayed by the Rockets for this third game of district play. Five of the Mustangs did not make the trip to Wellington due to illness. Regardless of circumstances, Wellington had their best offensive performance of the season. The final score of 41 to 8 did not tell the whole story, however. Wellington now is 2 and 1 in district play and 3 and 3 on the season. Serving as co-captains were Neal Cochran and Edward Thomas.

The Skyrockets received the opening kick-off from the Mustangs and on the third play from scrimmage Jessie Davis broke a 62 yard run for the initial touchdown of the night. Tony Martinez converted the point after attempt by receiving a pass from quarterback George Brewer. The ballgame was just under way and Wellington was on top 8 to 0.

The Mustangs received the kick from Wellington and began play from their own 30 yard line. Three plays from scrimmage proved that it was going to be a long night for the Mustangs. They were forced to punt the ball away to the Rockets giving them good field position at their

own 49 yard line.

A broken play on the opening down of this series put the Skyrockets back to their own 40 yard line. Three more attempts at a first down and the Skyrockets turned the ball over on downs to Claude.

Claude picked up their first down of the night on a pass completion from quarterback Wayne Campbell to running back George Jaramillo. The play was good for 11 yards from the Claude 48 yard line to the Skyrocket 41 yard line. On a fourth down and five from the Skyrocket 36 yard line Claude failed to pick up enough yardage for the first down, thus turning the ball over to Wellington.

However, quarterback George Brewer fumbled the ball on the Rockets second play in this series of downs and Claude's Jeff Cartwright recovered the ball at the Rocket 45 yard line. Brewer redeemed himself very quickly, however, as he intercepted a Wayne Campbell pass. A clipping penalty against the Rockets put them back to their own 15 yard line.

The Rockets quickly moved the ball to the Mustang 48 yard line where George Brewer hit Edward Thomas on a pass over the middle and Thomas went untouched for the score. The point after attempt by Kelly Cook fell short leaving the Rockets with a 14 to 0 lead.

After receiving the Wellington kick-off Claude was

again unsuccessful in moving the ball against a tough defense of Wellington. Quarterback Wayne Campbell fumbled the ball away to the Rockets as Tony Martinez recovered the ball at the Claude 16 yard line.

On third down and two from the Mustang 12 yard line, quarterback Brewer hit Arnie Ingram in the end zone for his first of two touchdowns for the night. Kelly Cook missed the point after leaving Wellington in front 20 to 0.

Claude just couldn't get things moving in their next series as three major penalties put them deep in their own territory of play. With fourth down and long yardage to go the quarter ended with the Skyrockets in command 20 to 0.

In the second quarter of action both teams got on the scoreboard for a touchdown. Wellington struck first on a 22 yard run by Arnie Ingram which followed a 35 yard run by Jim Bob Nall. Kelly Cook converted the point after making the score 27 to 0.

Claude came right back with their only touchdown of the night. Quarterback Wayne Campbell set it up on a 33 yard scamper to the Rockets 22 yard line. Campbell then hit end Jeff Cartwright for the score. Offensive back George Jaramillo hit Tony Stephenson in the end zone for the conversion leaving the score Wellington 27, Claude 8.

FRESNO SCHOOL IN 1927

This is the Fresno School during the 1927 school year, with 72 students and three teachers present the day this picture was made. A few days ago, the picture was found at the Wellington Dump Ground by W. W. Baker, who believed someone would like to have it. Mr. and Mrs. Ernest Nunnelley undertook to complete the identification. Although they contacted a number of people who lived at Fresno during that time, some of the boys and girls could not be identified. Listed by numbers and beginning with the back row, they are: 1. Ernest Nunnelley; 2. Ernest Nunnelley; 3. Cordie Graham; 4. Vernice Braboy; 5. Kathleen McCaskill; 6. Laura Graham; 7. Irene Scott; 8. Charlie Colson; 9. Inez Clement and 10. Bob Sexton. Cycle Club Members Make Foliage Tour

Eighteen members of the Wellington Cycle Club went on the Annual Foliage Tour at Canadian on Sunday, October 20.

Among these were two members of the club who live at Canadian, Mr. and Mrs. Billy Thomas. A former Wellington resident, Mr. Thomas is a highway patrolman at Canadian.

The group took pictures and attended an arts and crafts show.

Cycle Club members making the Foliage Tour were Mr. and Mrs. John Alf Thomas, Mr. and Mrs. Jack Needham, Mr. and Mrs. Pat McAlister, Mr. and Mrs. Leon Martin, Jimmy Reynolds, Troy Thomason and daughter, Jannon, Mr. and Mrs. Jackie Barnett, Mr. and Mrs. Kenneth Foster, Red Caldwell of Clarendon and Mr. and Mrs. Billy Thomas.

Chad Nabors, son of Mr. and Mrs. Don Nabors of Lubbock, is visiting this week with his grandparents, Mr. and Mrs. Wayne Cudd.

Methodist Women Plan Art Auction

The women of First United Methodist Church are sponsoring an art auction to be held Saturday, November 16, with proceeds to benefit the church organ fund.

Mrs. Wayne Cudd, chairman, said that Methodist artists have been invited to donate a picture or sculpture to the auction and all other friends of the church are also invited to participate.

The tentative location for the auction is Bura Handley Community Center.

The art sale and auction will be held along with the

Methodist Women's Bazaar, and additional plans for both events will be announced. Serving with Mrs. Cudd on the art auction committee are Mrs. Richard Nall, Mrs. Henry Sullivan and Mrs. John Holton.

Mr. and Mrs. Jack Cameron of Amarillo visited Sunday with her mother, Mrs. Bryan Denley, and her sister, Mr. and Mrs. Jerry Settle and children. They also came for their sons, Darren and Bryan, who had visited in the Settle home since Thursday.

JACK HIGHTOWER

JACK HIGHTOWER was born and raised in the Panhandle and Northwest Texas. He understands this area and its people, offering voters the choice of a Congressman—for a change—who can represent everyone in the 13th District. He is extremely well qualified to serve as your new and effective voice in Washington.

JACK HIGHTOWER knows how to trim budgets and work hard for the best government services at the lowest possible cost. He will work to halt inflation, high interest rates, and bring down the high cost of living.

JACK HIGHTOWER will fight for tougher criminal laws, supplemental water supplies, better educational opportunities.

JACK HIGHTOWER recognizes needs and responds quickly to constituent problems. He can handle tough jobs with fairness and integrity. Elect him to help you get things done in Washington... for a change.

Eighth Grade Downs Claude 38-20 Thursday

Wellington Eighth Grade Firecrackers out-scored Claude 8th Grade 38-20, on their opponents field Thursday evening, October 17.

Claude, however turned out to be by far the best team Wellington has played this year, and at halftime the score was tied 20-20, according to Coach Bruce Dollar.

Ricky Jones again led the scoring, this time with three touchdowns. Ermino Nevarez, David Baumgardner and Carl Taylor added one each.

Jon Sessions scored the only point after touchdown on a pass from Taylor.

Jones made his initial touchdown on the first play of the game, with a 50 yard run. Upon Wellington's punt to Claude, that team, on the game's second play, also scored.

Baumgardner also scored in the first period on a 50 yard pass play and the quarter ended 14-6 in Wellington's favor.

Jones scored again in the second quarter, and Claude scored two times more, once on a long pass play and again from about five yards out. This tied the score for the game's mid-point.

In the third quarter, Taylor ran about 35 yards for the touchdown and Jones scored again. Both attempts at the extra point failed.

Nevarez scored in the fourth period running from mid-field.

"Claude had the best team we have played so far," said Coach Dollar. The Firecrackers made a lot of mistakes,

but even so, the offense performed well. Coach Dollar noted Carl Taylor's play especially, saying this was as good a game as he has had all year. In addition, he also intercepted one of Claude's crucial passes.

Mr. and Mrs. A.L. Robinson were in Amarillo from Tuesday until Thursday to visit their son, Jess Robinson, who was a patient in a hospital there. He is doing fine and will go home soon, they report.

Former Quail Man Rides Bicycle Daily

This article from The Lawton (Oklahoma) Constitution tells of a former Quail man, the Rev. C.W. Squyres, who is the father of Mrs. Albert Gollighugh.

"I'm a native Texan and proud of it," announced C.W. Squyres, Sr., 906 W. Lee Blvd., Lawton, "I was 91 years old Christmas Day and I'm still going."

A tall lean man, Brother Squyres, a retired Baptist preacher, rides a bicycle every day "when the weather's nice." The shining green and silver bike, a gift from his children, has more than 200 miles registered on the odometer.

Commenting on his Health, Brother Squyres said, "The good Lord has just been good to me. I've prayed to him to let me live as long as Moses -- 120 years. And so far, I'm doing just fine."

From his ordination, which, he will tell with a quick memory for names and dates, was Sept. 16, 1908. Brother Squyres served in 26

churches in Texas and Oklahoma. He retired in 1951, but still expresses strong opinions about society and churches. "Years ago you had to do something positive to stay in church," he said with feeling. "Now you can do anything you want as long as you've got the money."

He attributes much of his happiness to his 13 children. "My wife raised three Baptist preachers. I think that's pretty good for one family. I just don't know what I'd do without my kids."

Hightower Says Restrictions on SS Work Should Be Removed

AMARILLO, October 17 -- Senator Jack Hightower, candidate for Congress in the 13th District, told a group of senior citizens in Amarillo Thursday he favors removal of employment income restrictions from Social Security benefits.

"If a person is able and wants to work he or she should not be penalized on Social Security benefits. The Democratic candidate also stressed that he is not for a so-called "veto-proof" Congress.

"I certainly agree with

President Ford that the legislative branch should not be stronger than the executive branch nor should the judicial branch be given unrestrained powers," Hightower said.

"Our Constitution calls for clear separations of powers between the three branches of government, and I will work to make that an equal separation. We must never again allow the executive to become all-powerful as we have seen in recent years," Hightower said.

He told the senior citizens that persons on fixed incomes are among those hardest hit by inflation.

"I will work to bring down the high cost of living because it has eaten away at the value of a dollar and shaken our confidence in government," Hightower added. "It is the worst problem we face today."

Jack Hightower Itinerary, October 24-26:

Thursday, October 24: Campaigning at West Texas State during morning and Amarillo during afternoon. Speaks at noon meeting of Amarillo Chamber of Commerce Committee of Legislative Affairs in Wyatt's Cafeteria.

Friday, October 25: Campaigning in Vega, Adrian, Boys Ranch, Hartley and Dalhart. Radio and newspaper interview.

Saturday, October 26: Campaigning in Amarillo all day.

Mrs. Richard Nall was in Lubbock from Friday until Sunday to be with her father, C.C. Jones of Flomot, who underwent surgery in a Lubbock Hospital. He is doing well.

Visiting Mr. and Mrs. Sam McGill was their daughter, Jan.

Food Industry Can Turn Around Prices

AUSTIN -- Positive action by all food related industries can help make a turn-around in the cost-price squeeze that is crippling our economy and contributing to inflation today, Agriculture Commissioner John C. White said recently.

"I am urging every segment of the food chain to look at all production and sales methods for ways to cut costs" said White. "Today, there is too wide a gap between what the farmer receives for his products and the prices being paid by consumers at the retail level."

Commissioner White said he was grateful that his two weeks of negotiations with ranchers and dairymen recently had helped prevent mass slaughters of calves in Texas.

An earlier appeal this year by White to national food chains brought about some renewed efforts to generate sales of meat at competitive prices. "All food stores, wholesalers and processors must take a hard look for methods that will reduce expenses and then pass the savings on to the consumers," White declared. "The gap between farm and retail prices is wider than at any time in the past 30 years.

could be decreased by revision of shipping methods and removal of some inhibiting and costly national legislation," he said. "Also, some unnecessary national regulations on manufacturing and processing could be deleted and help reduce retail prices.

"Farm prices have dropped at least 18 per cent in the past year and are below production costs in many cases. Yet, corresponding drops have not taken place on food costs. The farmers and the consumers both need a fair break in the market place but the whole system is not responding as it should," White added.

Commissioner White said the Texas Department of Agriculture is working with other state departments and federal agencies in an effort to correct current inequities. "But it requires cooperation from every segment of the food industry," he noted.

On the international level, White has met with representatives of several oil producing countries in an effort to reduce fuel costs for agriculture. "We received a very favorable reception for the idea from representatives of two countries and hope to continue negotiations on cheaper fuel supplies.

We Can Enjoy Our Country's Autumn Beauty — Briefly

In a few days, Collingsworth's native trees will be in their lovely fall colors, rich yellows and browns, with touches of red, that make our country in the fall such a joy to see.

There are unpublicized areas near Wellington that compare in beauty to trails elsewhere that have brought their towns recognition. It is indeed a pleasure to search these out.

This is fleeting beauty, sometimes cut short by only one night of hard wind. It is something each of us should experience, something that will draw us closer to our own land.

Most of our county roads are in good condition, so one day soon, drive out along them, looking for these pockets of brilliance. They will be along Elm Creek, in the "high country" of our county the northwestern most part, the rolling hills in the southwest corner, along Salt Fork or Buck Creek, or to a place of your own choosing.

Veterans Day Date Confusing

The "war to make the world safe for democracy," World War I, ended with an armistice arranged to take effect at 11 a.m. on Nov. 11, 1918, a "magic" 11th month, 11th day, 11 a.m. combination.

For decades afterward Nov. 11 was celebrated as Armistice Day, with school children gathering for an assembly and observing a minute of silence at precisely 11 a.m. Then Congress started meddling, first changing Armistice Day to Veterans Day, then in 1966 voting to move the observance to the fourth Monday of October.

Although the 1966 law applied only to federal employees and only to the District of Columbia, before long 48 states followed suit and Veterans Day appeared to be irrevocably changed, adding a three-day weekend to the list of federal holidays observed on Monday.

Since then, under pressure mainly from veterans groups, 40 states have moved Veterans Day back to Nov. 11, but the federal observance remains on the fourth Monday of October. But maybe not for long. The Senate has passed a law moving Veterans Day back to Nov. 11 but although the Senate vote carried 50-4 there's no guarantee the House version will make it out of the Judiciary Committee.

Veterans groups are working hard to get action, however. Perhaps Nov. 21, 1975 again will be Veterans Day. If limiting pleasure driving is worthwhile as an energy saver, perhaps other Monday holidays also should be changed as well.

Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

AUSTIN — Statewide interest in the general election may be running at a near low, a check of local officials across Texas indicates.

Even optimistic forecasters place the turnout in the 50 per cent range. Many doubt the 30 per cent showing of last May's primaries will be improved on much. There are an estimated 5.5 million registered voters.

About 55 per cent of eligible voters participated in the 1970 off - presidential - year election, 48 per cent in 1966. The spotcheck produced these estimates on the turnout:

Harris County (Houston) — 40 per cent.

Dallas County — 35 to 50 per cent.

Tarrant County (Fort Worth) — 30 per cent.

Bexar County (San Antonio) — 35 to 40 per cent.

Travis County (Austin) — 45-50 per cent.

El Paso — Fewer than 30 per cent.

Even in counties where local candidates are slugging it out, voters don't seem turned on. The governor's race between Democratic incumbent Gov. Dolph Briscoe and Republican Jim Granberry has attracted limited attention.

Observers report voters are burned out politically by Watergate scandals and President Nixon's hasty departure from the White House under fire.

Many voters are said to distrust politicians and proposed political solutions to such major issues of concern as runaway inflation. So— apparently — they will sit home November 5, and leave it to a minority to decide who gets elected.

INSURANCE HIKE DUE— State Insurance Board staff members recommended a whopping 16.8 per cent increase in auto insurance, but the Board indicated it may not go for the full amount.

The insurance industry asked for 18.3 per cent average state increases on private auto coverage.

Board Chairman Joe Christie noted that accident and claim data used by the staff cut off Dec. 3, 1973—before speed limits were reduced from 70 to 55 miles per hour and before peak of the winter gasoline shortage.

He used consideration of more-recent data. No decision will be made on the rates, to be effective January 1, until late November, Christie indicated.

Under the recommendations, full coverage comprehensive policies would increase 22.3 per cent on the statewide average, property damage liability 21.4 per cent, bodily injury liability eight-tenths of one per cent and no-fault medical payments 2.8 per cent. Uninsured motorist coverage cost would be reduced 20.1 per cent.

ALLOWABLE UNCHANGED—The November state oil production allowable will remain at 100 per cent of potential for the 32nd straight month.

Texas Railroad Commission agreed on that last week after noting that major buyers asked for 17,582 barrels a day (4,075,201 barrels) less than in October.

Commission Chairman Jim Langdon said leased acreage for exploration is about as high as it has been in 15 years and drilling applications have increased 40 per cent. Actual increase in drilling is about 15 per cent. Langdon said the increase would be far greater if it were not for a shortage of pipe and drilling rigs.

AG OPINIONS—Waiver of a city-owned utility's obligation to make payments to the parent city is not an unconstitutional gift but merely a rate reduction, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- Copies of tests and test results on mobile home tie-downs should be made public on request.

- Public officials must confer with employees over grievances.

- Child care facilities operated by local mental health units or other political subdivisions are exempt from licensing requirements.

CROPS FORECAST—Texas upland cotton production this year is expected to decrease more than 1.5 million bales from 1973, to a level of 3.1 million bales, according to Agriculture Commissioner John C. White.

However, White said the

October outlook for most Texas grains—rice, corn, sorghum and soybeans—remains good. Rice production is expected to top 25 million hundred weight bags in the state—an increase of 23 per cent from 1973 totals.

The Commissioner sees corn production at 69.7 million bushels, sorghum at 925 million bushels and soybeans at 6.5 million bushels. He said 1974 will be a good year for pecan production, estimated at 40 million pounds.

Weather—drought, followed by a cool, wet September—was blamed by White for the decline in the cotton yield. HERITAGE DAY OBSERVED—October 14 was Family Land Heritage Day honoring Texas farmers and ranchers whose families have worked the same land for 100 years or more.

Nearly 1,500 attended special ceremonies at the Department of Agriculture Food and Fiber Pavilion at the State Fair in Dallas.

Five hundred and sixty two individuals and families have qualified for the inaugural program. Registration for the 1975 Family Land Heritage Program will open next spring.

RECORDS SET—The state last year received the highest annual oil and gas royalty income from its lands—a 64 per cent increase—in history, according to Land Commissioner Bob Armstrong.

The receipts increased from \$27.7 million last year to \$43.3 million for 1973-74 on school lands. Armstrong said the figure reflects higher prices for stripper oil, new oil prices, and settlement of six fair market value lawsuits against major oil and gas producers.

Oil and gas receipts on University lands increased by 75 per cent, from \$18.3 million to \$32 million, Armstrong said.

SHORT SNORTS

Fifteen more Texas cities and counties were designated National Bicentennial Communities. They are Ballinger, Beaumont, Breckenridge, Commerce, Farmers Branch, Flower Mound, Greenville, Jefferson, Killeen - Harker Heights, Marshall, Moody, Port Arthur, Weslaco, Wheeler County and Winkler County.

Governor Briscoe asked Secretary of Agriculture Earl Butz to declare Bee, Presidio and El Paso Counties disaster areas due to recent winds, hail and rains.

October 20 was set as deadline for plow-up and stalk destruction by cotton farmers in the Upper Gulf Coast area.

Attorney General Hill named an advisory committee on bail bond and forfeiture laws.

The U. S. Supreme Court referred back to the U. S. Circuit Court in New Orleans a Texas suit challenging presidential impoundment of \$6 million in water pollution control funds.

Tizzy

"I think Richard is handsome, intelligent and dreamy — the trouble is he thinks so, too!"

British Warships

Anglo-Saxon King Alfred built the first English warships at Portsmouth, home port of the British navy, in 897. A contemporary chronicler wrote that the 60-oared galleys "were of a peculiar build, higher, swifter and steadier than those of the Danes or the Frisians."

Dear Editor:

I see where one of our numerous gangs of people protectors has now zeroed in on cereals which contain more than 10 percent added sugar.

They want a law to protect people with a taste for sweetness from getting diabetes or rotting their teeth out.

Which could give everybody a government job, standing behind each other every morning at the breakfast table to see that nobody eats over-sugared cereals or puts a cup of his own sugar into the bowl with the boxed and pre-sugared hay.

There is much commercialism today in Jordan and Israel. Prices are very high for the traveler. Jerusalem was the highlight of the trip since we spent 3 days there. There is very little Christianity there. The Moslem religion and Judaism are the prominent religions.

We stayed in Old Jerusalem, the Arab sector, and we visited freely among the people. Since English is a required subject in their schools, we could talk freely. Most merchants especially speak English.

Signs of the Six-Day War remain.

AUSTIN* (Spl.) -- The U.S. State Department has tapped a University of Texas professor to be Counsellor for Cultural Affairs in the American Embassy in New Delhi, India.

Prof. James R. Roach, a specialist on the government and politics of South Asia, will be on leave in New Delhi for two years.

To accept the embassy appointment, Dr. Roach has resigned as dean of UT's Division of General and Comparative Studies. Named to serve as acting dean of the division is Associate Prof. Elspeth Rostow, who on Sept. 1 becomes the only woman academic dean at UT Austin.

Lyman Daniel
Owner of Lyman's
Automotive

Lyman Daniel this week announced that he is now the owner of Lyman's Automotive, formerly Tiny's Auto Supply, a long-time business institution.

Mr. Daniel has been City Manager of the City of Wellington since coming here in June 1972. He submitted his resignation in a meeting of the City Council Monday night, October 21, to become effective January 1, 1975. He said there were several projects which the city has under way that he would like to complete before leaving

Glen Taylor operated Tiny's Auto Supply for 14 years, coming here from Crowell where he was a coach and administrator in the schools.

Mr. Daniel announced that Larry Gollighugh has been retained as parts manager, and will be in charge of the business until the new owner takes over its operation.

He said that new stock is being added to the business daily and that the same standard lines will be carried.

He invited the patronage of both long-time friends of the business and those who are not now customers.

Mr. and Mrs. Bill Hill were in Dallas late last week for Mrs. Hill to have a medical checkup.

Q. I have heard you don't like Revival Meetings. Is that true?

A. You must remember that I am a Catholic, liberal, Englishman, brought up in huge cities all my life, and worshipping in vast Gothic cathedrals. The Revival is very foreign to me, therefore, and makes me uncomfortable. I respect the people who have them, but would rather worship God in my own native way. If I may poke some fun at my dear Baptist friends; only someone who is unconscious or nearly dead needs revival. That's why we never have them.

Q. Does the Church have any objection to hunting animals?

A. I don't think there is any official stand on this matter. The Church would be opposed to cruelty or to wanton slaughter of animals just for fun. The Bible gives man dominion over all other animals, but man should treat animals with the humaneness he would normally accord his own species. I personally do not approve of hunting as a "sport", but a certain amount of it is necessary for other reasons.
