Cheering for the Wolves

Out front cheering the Wolf football team to victory this season will be 5 peppy Colorado High girls. These young ladies have just returned from cheerleading school on the Southern Methodist University campus

in Dallas where they were tutored in yell leading skills and techniques. Shown above, left to right, they are Sue Ann Welter, Cecilia Lee, Sandy Laudau, Gayle Hart and Lynda Kaye Carter.

Patrolmen Note Hike In Licenses

Buddy Hertenberger and Wendell Rehm, Highway Patrolmen for Mitchell County, reminded county drivers Saturday that an increase in license fees has been ordered by the Legislature effective Friday, Sept. 1.

Operator's licenses on and after that date will be increased from \$2 to \$3 for a year period, the commercial driver's license will increase from \$3.00 to \$4.50 for a year period and the chauffeur's license will go up from \$4 to \$6 per year.

The fee for a duplicate of a lost license will remain at 25 cents.

"We urge all county drivers to be sure they send the right amount in with their renewal applications," said Hertenberger and Rehm. "Those which are accompanied by the old fee after Sept. 1 will have to be returned to the sender, causing unnecessary delay and inconvenience."

They said the \$3 2-year operator's license will still be lower than the fees in 12 other states, and will be exactly the same as in 5 five other states. They reported Texas now has 4,838,000 currently-licensed drivers.

"Incidentally," the 2 said "we would like to urge county drivers to take care of their licenses, in spite of the fact that it only costs 25 cents for a replacement. Last year many, many applications for duplicates of lost or mutilated licenses were received in Austin from Mitchell County."

SAYS COACH CHRISTY

Wolves Are Eager But Inexperienced

"I know you're wondering about our football team—well, so are the coaches," Colorado City High School athletic director and head football coach Sam Christy told the Lions Club here Friday.

Christy and assistant coaches Ken Kearns, Caddow Matthews, Jeff Walker, Howell Vineyard and Buddy Caddell were guests of the Lions Club here Friday.

Christy came right to the point in his talk: the question in the minds of most Colorado City citizens—how will the Wolves fare on the gridiron in 1961 after pulling one of the biggest surprises in the state last year by being the District AAAA champion? "I don't know," Christy said, "but I think we'll be surprised."

Christy said the Wolves were one of the best Wolf squads in recent years.

But Christy didn't hold out any high hopes.

"The team is eager and enthusiastic, but at the same time most of the squad is inexperienced—even the junior and senior prospects," he said.

It doesn't matter about a player's classification, Christy continued, if he hasn't played much football he is no more experienced than a sophomore.

Christy said the Wolves were just up from junior high. We lost all but 8 of the 24 varsity squad members from last year and only 1 is a returning starter, he said.

The squad had 31 boys in total but practice when the season opened and has been working on fundamentals. "I don't know," Christy said, "but I think we'll be surprised."

mistakes get fewer," said the coach.

The Wolves found simple mistakes, most due to the lack of experience, what really hurt in Tuesday and Friday night's scrimmages with the Hamlin Pied Pipers. The 2 teams scrimmaged here Friday night and in Hamlin Tuesday night.

Many times the Wolves of a defensive unit would start a drive that appeared destined to go "all the way," but then a mistake would "bug down" the team and the sustained drive, built up by the offense, would be lost.

Christy warned that every player will have to be ready to go "all the way" in every play. "I don't know," Christy said, "but I think we'll be surprised."

Although the Wolves are inexperienced, they are eager and enthusiastic. "I don't know," Christy said, "but I think we'll be surprised."

SATURDAY, SUNDAY, MONDAY

Entries Start Coming in For First Junior Rodeo

A thrill-a-minute is what Western Riding promises at its first annual Colorado City Junior Rodeo here this week.

Entries from the ranks of junior cowboys and cowgirls, ages through 19, have already begun to filter in at Rodeo Headquarters for the 3-day show set here Saturday, Sunday and Monday, Sept. 2, 3 and 4.

Western Riding Club, composed of riding fans from all over Mitchell County, is sponsoring arena on west U. S. Highway 80—just west of Colorado City.

All 3 performances will be at 2 p. m.—the arena, built from "scratch" this year by the club, is not equipped with lights.

The rodeo is open to any one who has not reached his or her 20th birthday the time of the rodeo. Contestants from all over Mitchell County and this West Texas area are expected to take part in the show.

The 3-day affair is sanctioned by the American Junior Rodeo Association—which adds to the prospect list for entries from the many outstanding junior cowboys in this area.

Rodeo Headquarters are set up in the lobby of Baker Hotel, and entries may be made there. Entry blanks are also available from Duquesne Smith, 919 E. 13th St., or Mrs. J. C. Mitchell.

Jackson, 808 E. 20th St. Headquarters phone number is RA 8-3932.

Each entrant must pay an entry fee for each event he enters—but all but 2 per cent will be returned in prize money. The 2 per cent goes to the national association which sanctioned the show.

Buckles already donated include those from Clark Lumber Co., Veteran of Foreign War and RODEO Pg. 2

NOON TO SUNSET

Dove Season to Open on Friday

Dove season opens here in Mitchell County Friday.

Although the county is now under the regulatory control of the Texas Game and Fish Commission, doves are migratory birds and their season does not come under the Commission's regulations, reports Game Warden Mike Hutchinson, who serves Mitchell, Nolan, Fisher and Scurry Counties.

Dove season opens Friday, Sept. 1, and continues through Monday, Oct. 30—both days inclusive.

The bag limit per day is 15 birds with shooting hours from 12 noon to sunset each day. Shotgun must be plugged permanently to 3-shell capacity and may not be larger than 10 gauge, says Hutchinson.

Mitchell County residents do not need licenses to hunt

Plus the prize money for the top finishers in each event, all first place finishers will be awarded belt buckles donated by local businesses and individuals.

Buckles already donated include those from Clark Lumber Co., Veteran of Foreign War and RODEO Pg. 2

\$720 Annual Hike In Teachers' Pay

Board Approves Increase, Budget

By RICK TAYLOR
Record News Editor

Colorado City's public school teachers will receive \$720 more, \$80 per month, based on a 9-month pay schedule, during the 1961-62 school year.

The salary increase was voted Saturday by the Colorado Independent School District's Board of Trustees. The \$720 per year salary increase by the School

Board still leaves the District paying above the state schedule as set by the Texas Legislature. The Legislature recently voted an \$810 per year increase in their base schedule, but the local district last year paid \$200 above that pay schedule and thus, with the increase, remains \$110 per year over the new state schedule.

The board earlier in the year had voted to increase teachers' salaries \$100 annually if no action was taken this summer by the Legislature in Austin.

All classroom and individually scheduled teachers (coaches, band directors and specially scheduled teachers), will receive the \$720 per year increase—or \$80 per month since all pay schedules are determined on a 9-month basis.

The District's administrative personnel also figure in the pay increase. Each will receive an increase of \$80 per month which in some cases will top the \$720 mark, but not more than \$960 per year.

Administrative personnel are on different pay schedules, 9, 9½, 10, 11 and 12 month schedules. Each will receive an \$80 per month increase for each month of his pay schedule.

The new increases are expected to cost Colorado Independent School District an additional \$100,000 per year.

Mrs. G. M. Lee, Loraine housewife, who lives on Rt. 2, said the increase is a relief.

Mrs. Sanford Bowlin cashed in on the next-to-last week of the Colorado City Record's Ad-Rime Contest and won first place prize of \$10—to become eligible for the \$50 grand prize.

All first-place entries over the 26-week period the contest has covers will spend a suspenseful 7 days now waiting for the announcement of the grand prize winner for the best weekly winning entry along with this final week's winner.

Our first-place winner this week is an employee of the local State Welfare Department and is a housewife. Her winning entry reads:

"Add expense to purchase tag."

If out of town you go to fill your shopping bag."

Second place went to Joe Earnest, attorney, several times Ad-Rime winner, who wrote:

"The 'bargains' you find on an out-of-town jag."

Add expense to the purchase tag."

Mrs. G. M. Lee, Loraine housewife, who lives on Rt. 2, said the increase is a relief.

IN RAPE TRIAL

'Selection of Jury To Start Monday

A special jury venire has been called for 9 a. m. Monday in 32nd District Courtroom in Mitchell County Court House in the rape trial of 4 Sweetwater men.

Approximately 140 persons are named on the venire. From that list, attorneys will attempt to select a jury to hear the case that was transferred here from Sweetwater. All listed on the venire were notified this week.

The trial was moved from Nolan County (Sweetwater) Thursday, Aug. 17, when District Judge Eldon Mahon granted a motion for change of venue in the trial when only 11 jurors were selected from a 150-man venire in Nolan County.

The 4 defendants, Dyan Ronnie Houston, Alford Richard May, Archie Dean May and Jimmy Wayne Rogers, were transferred to Mitchell County jail late Thursday afternoon.

They are charged with the June 25 rape of a 32-year-old Sweetwater woman near Blackwell, a small town about 25 miles south of Sweetwater.

Defense attorneys Clay Cogins of Roby and Tom Reid of Abilene made a motion for the change of venue when the trial opened in Sweetwater Monday, Aug. 14. The defense attorneys made the motion claiming that widespread publicity and fixed opinion might prevent the selection of a fair and impartial jury in Nolan County.

Mahon granted the change of venue motion Thursday after only 11 jurors could be selected from the 150-venire issued.

The 4 entered pleas of "not guilty" before Mahon the day the change of venue was granted. It was a necessary technicality before the site of the trial could be changed.

District Attorney Weldon Kirk said early in the week that he expected the trial to be completed here this week. He estimated that it would probably take 2 days to select the jury from the special venire.

Prosecution attorney Kirk will be assisted here by special prosecutor Charles R. Griggs.

100 Expected to Make Farm Tour

More than 100 Mitchell County businessmen and farmers are expected to make the annual Farm Tour in Mitchell County, sponsored by Colorado City Chamber of Commerce, here on Tuesday, Sept. 12.

Jack Burkhalter, Mitchell County Agent; Bob Post, chairman of the Chamber's Agriculture Committee; A. V. Sheppard, manager of the Mitchell County Soil Conservation District office; and Dick Kendall, Chamber manager, met Friday in a planning session in the Chamber office for the tour.

The group named Travis Turner and Jack Pylan to the subcommittee to handle arrangements for the barbecue luncheon that will end the tour at noon.

The tour is open to all Mitchell County businessmen and farmers and ranchers. It is designed to bring about a closer understanding between the county's businessmen and the agricultural population of the county.

Due to the great monetary contribution the farmers and ranchers make in the economy of Mitchell County, we feel that the tour allows a better understanding between the two groups as well as allowing businessmen to do the county's agricultural people.

The tour first began in 1954. It has been a success ever since. It is a feature as timely as tomorrow—explaining the age-old mysteries of science.

of the farmers and ranchers—the tour attempts to tighten the bond between the groups.

The tour opens at 8:30 a.m. on the 12th in Civic House in downtown Colorado City with a coffee and doughnut "breakfast" for all touring parties.

Loraine farmers and businessmen will join the tour there. A discussion of the meaning of agriculture to the community and the importance of the community to the farmer will be the highlight of the coffee session.

The touring party will board buses at 9 a. m. to begin the tour that will include sightseeing of much of the county's farmland and several stops at farms along the way for a first-hand inspection.

Commissioners Set Hearing for Budget

Mitchell County Commissioners have called a public hearing Thursday on the proposed 1962 Mitchell County budget.

The hearing will be conducted in the Commissioners Court Room in Mitchell County Court House from 1 to 3 p. m.

The 1961 county budget totaled \$100,000. The 1962 budget is expected to be slightly higher than that figure—but not much since the county is not yet out of the recession.

estimated \$65,000 annually. But a large share of the increased costs will be borne by the state.
The state will pay an estimated \$60,000 of the added expense the salary increases will cost the District in its budget.
The Board also approved Saturday the District's 1961-62 budget—a total of \$765,000.
The teachers' salary increase will not increase local taxes. Earlier in the year the board set this year's local tax rate at \$1.50 evaluation—the same as the preceding year.
The division of the tax dollars, nevertheless, was revamped.
For the 1961-62 year, it was set with \$1.20 going for maintenance and operation expenses and 30c to retire bonds. Last year, the tax division called for \$1.17 for maintenance and operation and 33c for bond retirement.
The District also pays its share of the Social Security program for any excess over the state schedule. In this case \$110 annually, or a maximum of \$144 annually per teacher. The District began in the program 3 years ago after a request for such action by a majority of teachers.

RODEO—

Wars post and City National Bank. Two "hard luck" bucks will also be awarded—they will be donated by Lardau's for the cowboy and Max Beriman for the cowgirl.
Competition for both the boys and the girls will be divided into 3 age groups—under 12, 13 through 15 and 16 through 19.
In the under 12 group, both boys and girls may compete for prizes in barrel racing, pole bending, break-away roping and flag racing. The boys in this group will also have a calf scramble event of their own.
The 13-15 group will feature 5 events—all open to both boys and girls. They are barrel racing, pole bending, ribbon roping, tie-down roping and flag racing.
Girls in the 16-19 group will compete in barrel racing, pole bending and flag racing. Events open to boys in the 16-19 age group are tie-down roping, ribbon roping and goat hair pulling.
The lack of bucking chute facilities prevented steer riding and bronco riding events from being included. Club officials say they hope to include the events in next year's show.
Admission prices will be 90c for adults and 50c for children 12 and under.

tour of agriculture practices and prospects.
The tour will journey north out of Colorado City and then turn northeast and east and swing back on a south line that will take it through the Lorraine area and then end in the southeast part of the county south of Lorraine.
The group will then attend a 12 noon barbecue, dutch-treat luncheon, site still not chosen, to close the tour. The buses will then return to Colorado City about 1:30 p. m.
Sheppard is in charge of arrangements for buses.

WOLVES—

Continued from page 1
in physical size, "overall we're faster" and that will make up for a lot of the lack of size, he said.
The highlights of practice so far can be wrapped up into a 4-player package.
Heading that list is Darrell Davis, the teams only returning starter, who has right guard sewed-up at the present time. "He's a good boy," said Christy. "I wish I had a bunch as tough."
Others are center Larry Oliver, right tackle Jerry White, left tackle Steve Hill, house. All are expected to be the mainstays of the Wolf line.
Hillhouse is one of the brighter spots for Christy since this is his first time out for varsity football, he's a senior, but has virtually won the starting right end spot already.
Left guard is a big question mark with Mike Robinson, Don Free, Lee Shafer and Bill McGuire all battling for the post.
Larry Hamner is making a good try for the offensive left tackle post—but is getting some stiff competition from Stanley Post. The spot is still undecided.
Left end is "up for grabs" too, said the coach. Maxie Connell, Ken Stinson and Don Harrison are battling for the post. "I could put Mike Andrews into the slot and he'd do a fine job," said Christy. "but we're working with him at quarterback now."
If Christy could only melt down his 3 quarterback prospects and mold 1 man-under out of them, he'd have no worries there. But it can't be done.
David Lewis is the best field general and "take charge" guy trying for the post, but he isn't a passer or a runner. Danny Latimer, too, can be moved to tailback if needed.
And Andrews, although at a new position, is the best passer and shows promise to be a top-notch one possibly.
Ken Northeutt, who'll "get better game-by-game," Bill Boren and Charles Houston now injured, are the tailback and fullback prospects. Northeutt is a speed-demon.
Roger Richards and Jimmy Womack are expected to share the wingback posts—with Jerry Mayo expected to see some action there too.
"We're hurting mostly for backs," concluded the coach.

HUNTING—

continue through Dec. 5. The limits are 1 buck and 1 gobbler with hunting hours starting at 1/2 hours before sunrise and ending 1/2 hour after sunset. Rifles using 22 caliber rimfire ammunition are legal, says Hutchinson.
The game warden also gives this reminder to all county hunters—a license is required to hunt deer or turkey anywhere in the state.

No Injuries Reported in 3 Accidents

Five cars were damaged in 3 accidents on Mitchell County roads last week end, but no injuries were reported.
A 1955 Chevrolet driven by Joe A. Barrera of Roscoe collided with a 1956 Pontiac driven by William Renfro of Colorado City 7 miles east of Colorado City on U. S. Highway 80 at 5:45 p. m. Saturday.
Damages to Barrera's car were estimated at \$150 and at \$200 to Renfro's auto.
At 12:55 a. m. Sunday, a 1954 Ford driven by Darrell C. Mize of Colorado City hit a guard post below an Interstate 20 (U. S. Highway 80) overpass 3 miles west of Colorado City.
The mishap occurred when Mize lost control of his car and hit a guard post on Farm Road 1229 that passed under the overpass. He was traveling west on an access road at the time.
Damages were estimated at about \$250.
A 1950 Plymouth driven by Victor Lelora of Lorraine was in collision with a 1961 Chevrolet driven by Jack H. Brewster, Lorraine City Marshall, in downtown Lorraine at 2:15 a. m. Sunday.
The accident occurred just west of the intersection of Farm to Market Road 644 and Loop 316 Highway 80 in downtown Lorraine. Brewster's car had an estimated \$200 in damages and Lelora's auto about \$150 in damages.
The mishaps were investigated by Wendell Behm and Budie Greenberger, Texas Highway Patrolmen for Mitchell County.

Wonderful Dream Land...

Sure, a kid's dream world is wonderful... wonderful make believe where he puts his own heroes in the time and places he alone chooses.

And how often we wish we could escape into the same pretense... get away from the realities of life. For life, unlike a child's dream world, has its hard knocks, setbacks, uncertainties and sorrows... as well as fun.

FAITH, though, is better than make believe. It is real strength. It makes a man... or a boy... better than himself, greater than his dreams. So, seek FAITH... seek it by worshipping with all your family in your church.

IN OAK STREET BAPTIST

Miss Nowell, Ronny Taylor Solemnize Wedding Vows

Wedding vows were solemnized Saturday night between Miss Joyce Elaine Nowell and Ronny Dale Taylor.

Ceremony was performed at 7:30 p. m. in the Oak Street Baptist Church.

Bride is the daughter of Mr. and Mrs. Clifford Nowell of 926 Marshall Street and groom is the son of Mrs. Lola Mae Halton, 1336 Pine Street.

Rev. E. V. Brooks, pastor of the church, read the double-ring rites before an altar backgrounded by a cathedral arrangement of white candles at the was placed a white

tulle heart centered with love love birds on a swinging garland of smilax. Spiral candlebras flanked the altar which was centered by a fan shaped arrangement of white gladioli and pink angel lilies. Garland of smilax draped the pink brick background and tapered to tall emerald trees on either side. Pews were marked with pearlized hearts and garlands of garlandias and the church was decorated throughout in the bride's chosen colors of pink and white.

The bride's aunt, Mrs. J. M. Lytle and Miss Virginia Mc

Clure, both of Weatherford, had charge of church decorations.

Given in marriage by her father, the bride wore a ballerina-length gown of chantilly lace over satin designed with 3-quarter length sleeves. The fitted basque bodice modified the scoop neckline edged in natural lace scallops and embroidered in sequins and seed pearls. The bouffant skirt featured a scalloped hemline. Bride carried a bouquet of white cattleya orchids showered with stephanotis accented by handmade lace glamour leaves.

An open chantilly and tulle heart studded with pearls and iridescent crystals, matching the bride's tiara, formed the background for a tiny venetian glass blue bird of happiness. Mrs. Jesse E. Garrett, accompanied by Miss Marie Brooks, sang "Always" and "The Lord's Prayer."

Attending the bride as matron of honor was Mrs. Larry Roberts of Arlington. She wore a creation of pastel pink cotton satin with matching pink lace around the sleeves. Neck and bodice of her dress was accented with miniature pink buttons. She wore white accessories and carried a pink lace heart which held a cascade of pink elfie roses.

Freddy Montis of Gallup, N. M., served his cousin as best man.

Ushers were Don Thomas and Marvin (Quail) Dobbs.

For her daughter's wedding, Mrs. Nowell chose a dress of beige polished cotton with lace top and jacket. Mrs. Halton, the groom's mother wore a navy sheath dress. Both women wore white accessories and corsages of purple cattleya orchids.

Home of Mr. and Mrs. R. J. Porter was setting for the reception following the ceremony.

Bride's table was appointed with crystal and silver and centered with a white cupid candleabra bearing white tapers and garlands of smilax and pink gardenias. Tiny tulle hearts of pink and showers of stephanotis were attached to the corners of a tiered white net table skirt. The 3-tiered

wedding cake was topped with a miniature bride and groom. Members of the houseparty were Misses Sheila McAdams, Judy McGuire, Gayle Stone and Mrs. Ernie Omnas.

Leaving for a honeymoon trip to Odessa, the bride wore a white dress with fitted bodice and a full pleated skirt. The high scoop neck and lowered waistline were accented with white embroidered lace. She wore white accessories. Couple will make their home in Fort Stockton, where the groom is employed with Robert H. Ray Geographic crew.

Bride has attended Colorado High School for the past 3 years and will be a senior this fall at Ft. Stockton High School.

Bridegroom is a graduate of Colorado High School. Out-of-town guests were present from Ft. Stockton, Las Vegas, Nev.; Weatherford, Midland, Arlington and Gallup, N. M.

IN FRIDAY EVENING RITES

Miss Peggy Merle Williams Married to Eddie James

First Baptist Church of Lorraine was the setting Friday evening at 7:30 p. m. for the marriage of Miss Peggy Merle Williams to Eddie Carl James of Gail.

Mr. and Mrs. L. E. Williams, Rt. 1, Lorraine, are parents of the bride and the groom is the son of Mr. and Mrs. E. C. James, Star Route, Ira.

Rev. Mac Farrington, pastor of the church, performed the double-ring ceremony.

Church decorations consisted of a white arch centered with 2 large wedding bells and

flanked by baskets of white gladioli. Background featured an array of white candles. Nuptial music was presented by Miss Jo Ann Wallace, soloist, and Miss Virginia Templeton, organist. Miss Wallace, accompanied by Mrs. Doris Martin, sang "I Love You Truly" and "I Love You Always" followed by the reading of The Lord's Prayer by Rev. Farrington.

Bride, given in marriage by her father, wore a formal gown of nylon organza over

white taffeta and net. Applique bows of lace with iridescent sequins accented the skirt. Bodice featured a scalloped neckline formed of applique bows with sheared sleeves. Her gown was fashioned with a pointed waistline which formed a large bow in the back.

Scalloped fingertip veil of tulle fell from a tiara of sequins and seed pearls. Bride wore white mitts which came to a point over the fingers with a velvet bow at the wrist over a ruffled cuff. She carried a white orchid nestled in sheared carnations atop a white Bible covered in satin.

Mrs. James Martin, cousin of the bride, was matron of honor. She was attired in an emerald green sheath dress of silk organza fashioned with an overdress. A wide belt emphasized the waistline.

Bridesmaids, Mrs. John Mayse of Lubbock and Miss Dora Griffin of Lorraine, wore dresses of Nile green color styled identical to that of the matron of honor. They wore satin shoes dyed to match the color of the organza material. Their wide-brim hats were fashioned of organza and all bridal attendants carried bouquets of white carnations on a fan.

Best man was Wayland Colwell of Snyder. Jack Roemisch of Hermleigh and Gene Holmes of Gail were groomsmen. Tommy Williams, brother of the bride, Colorado City, and John Mayse of Lubbock served as ushers and candlelighters.

Newlyweds were honored after the ceremony with a reception in the educational building of the church.

Bridal table was covered with white lace and centered with a 3-tiered wedding cake topped with white satin wedding bells. Flowers on the table were attendant's bouquets.

Members of the houseparty were Mrs. Orbie Ray Linder of Colorado City; Mrs. Glen Linder of Sweetwater; Mrs. Ray Furlow of Lorraine; and Miss Nancy Hardin of Snyder.

For a honeymoon trip to Ruidoso, N. M., the bride changed into a black acetate and nylon dress featuring a Sabrina neckline. Her accessories were in white.

Couple will reside in Gale. Bride is a graduate of Lorraine High School and was formerly employed at Colorado City Hall. Groom is a graduate of Snyder High School and is an employee of Texas Highway Department.

Out-of-town guests were from Gale, Colorado City, Sweetwater, Ft. Worth, Lubbock, Hermleigh and Snyder.

Football Contest To Open Monday

An opportunity for Mitchell County area boys to compete in a football punting, passing and place-kicking contest, with trips to National Football League games among the prizes, was announced today by J. S. Craddock, Jr., partner of Craddock-Witten.

Craddock said the Mitchell County competition is part of a nationwide program sponsored by Ford Division of Ford Motor Company in cooperation with the National Football League. Known as "P. P. & K." — Punt, Pass and Kick — the competition will culminate with all-expense trips by 5 national winners and their fathers to the National Football League Championship game, and an official reception at the White House.

Selection of the National Champions will be made as a result of televised competitions at a home game of each of the 14 National Football League teams.

The Mitchell County P. P. & K. competition is open to grade school boys aged 6 through 10, and will be held early in October. Registration for the event will be at Craddock-Witten, Colorado City from Mon., Aug. 28 through Mon., Sept. 25.

There is no cost, but entrants must be accompanied by a parent or guardian. Each entrant will receive a P. P. & K. badge, an instruction book written by NFL stars Johnny Unitas, Yale Lary and Paul Hornung, and an official 1961 NFL Guidebook.

After the Mitchell County competition is held, the scores of the most skillful punters, passers and place-kickers — one in each age group — will be compared with the scores

After the Mitchell County competition is held, the scores of the most skillful punters, passers and place-kickers — one in each age group — will be compared with the scores

of boys in the other competitions held in the area covered by telecasts of the Dallas Cowboys.

The top 5 boys in this region and their fathers then will be given an all-expense trip to see a home game of the Dallas Cowboys. And the boys will punt, pass and kick at the stadium either just before the game starts, or during half-time.

The 5 top winners in the Mitchell County contest, whether or not they qualify for the national eliminations, will receive National Football League type football uniforms, the 5 boys who place second will receive warm-up jackets, and third place winners will receive footballs.

Scores of competitors in the 14 NFL regions will be compared to determine the 5 National Champions. Special arrangements will be made to play off all ties both regionally and nationally.

Craddock said the P. P. & K. competition had been developed by Ford Division and the NFL to give every boy a chance to take part in football competition, and to encourage physical fitness. He pointed out that early development of physical conditioning on the part of the nation's youth is one of the prime objectives of the President's Council on Youth Fitness. The Council, he added, will present letters of commendation to the 5 National Champions during their White House visit.

The date and site of the Mitchell County competition, and the judges and other officials, will be announced in the near future, Craddock said.
