1983 SKYROCKETS

Wellington High School varsity football team's season begins Friday with the traditional opener against Hollis.

## Rockets Open Season Against the Fighting Tigers at Hollis Friday

Wellington Skyrockets open their 1983 season against the Hollis Tigers Friday, Sept. 2 in a game that is expected to be tougher than most teams like to start the season with. It will be played in Tiger Stadium, starting at 8 p.m. This will be a game between two teams that were headed toward the state championship in 1982 before they were stopped.

"We're expecting a tough game, for they have a lot of returning starters from last year," declared Wellington Coach James Williams, but a few minutes later he was talking about Rocket preparation and said "if we can execute (our plays) we can play with them, but we're going to have to move the ball on offense."

Hollis will be depending on the experience of Williams and Whitman, two

outstanding running backs, and the experience of Quarterback Metcalf, who does an excellent job of both throwing the ball and running with it.

Tiger Coach Larry Palmer is looking at his own worries, however. Earlier in the workouts, he said the heat was bothering his boys and the Tigers hadn't been able to get a lot done.

"We don't have many starters set for this year's team. All of our line positions are open. As yet no one has surfaced in the line."

"Our backfield will be strength. However, for us to have a successful season, our linemen will have to do a good job of blocking."

The Skyrockets will go into this game outweighed.

"They'll probably outweigh us 10 to 15 pounds per man in the line, and in

the backfield outweigh us 10 pounds per man," Williams estimates.

Last year Wellington lost more starters by graduation than did Hollis.

Looking farther back, to the season opener between these two rivals, Coach Williams reminds that Hollis won over Wellington for the first time in several years. They have a little

momentum from this and they're ready to win again. The game is also being played on Hollis turf this year.

Skyrockets are going into the game with some bruises collected in the Wheeler and Hale Center scrimmages and two players are questionable for action. Eugene Mote has a shin

## Friday Last Day To Hold Tickets

Holders of Skyrocket reserved seat season tickets in 1982 have until Friday, Sept. 2 to notify the school business office if they want those same seats again this year, according to Tommie Watts, school business

manager.

"If we have not been notified to hold the seats, names of last year's occupants will come off and they will be sold on the first come, first served basis.

Tickets are \$2.50 per game, and because there are only three home games this year, season tickets will be \$7.50. Mrs. Watts pointed out.

Season tickets may be picked up at the school office, and may be held by calling the office, 447-2511.

Mrs. Watts also announced that advanced tickets for the Wellington-Nocona game at Vernon may be bought here, effective immediately. The price is \$2.50 for adults and \$1.50 for students if bought here. All tickets will be \$2.50 at the gate, for the Nocona game only.

night," he added.

"We also stress that the Rocket Booster Club is for women as well as men and we encourage them to come.

The organization is to help athletics in Wellington High School, and the more members we have the more money we will have to help athletics in Wellington High School," Reeves declared.

## Barbecue Tickets on Sale

Tickets for the Collingsworth County Fair Barbecue, sponsored by the Samnorwood Volunteer Fire Department, are now on sale and may be purchased in both Samnorwood and Wellington, according to Kenneth Martindale, fire chief.

"They are being sold at the chamber of commerce office, Wellington State Bank and City State Bank, Martindale said. In the Samnorwood area, they may be purchased at the school

or from any member of the fire department.

Firemen are due to be in Wellington Friday or Saturday to sell tickets in the business area.

The barbecue will be held in Ellison Park, with serving to begin at 12 noon, Martindale said.

This will be a beef barbecue with Turk Swett of Chuck Wagon Barbecue in Shamrock preparing the meal.

It will include barbecued beef, potato salad, pinto

beans, stewed apricots, tea, and with onions and pickles.

Martindale said that proceeds from the barbecue will go back into the fire department, being applied to the amount still owed on the newer fire truck, or toward upgrading the older truck, which is under way. The tank is being sandblasted, and the truck will be upgraded to pump more efficiently.

Cost of the tickets will be \$4.00.

## City Passes Record Budget; Approves Sheriff's Budget

In a called meeting Monday night, Aug. 29, Wellington City Council members passed a record budget totaling in round figures \$777,000 for fiscal year 1983-84. This is \$100,000 above the budget for FY 1982-83, which amounted to \$677,000.

To make up this difference, the council elected to keep the same tax rate but to increase the charges for water, sanitation and sewer by a total of \$5 per month.

"We felt it would be easier for people to pay \$5 per month more than to raise taxes they would pay all at one time," said city manager Glen Taylor.

In a separate action, the council approved the sheriff's budget of \$88,632.71, representing the city's half of the cost of the combined law enforcement program.

This is also included as a part of the general budget of \$777,000.

The sheriff's budget is up \$6,847, from that for FY 1982-83. The sheriff's budget allows for a salary increase of \$40 per person per month for the four deputies, the four full time dispatchers, and two part time dispatchers. Sheriff Kenneth Maxwell did not receive a salary increase.

The total law enforcement budget is \$177,265.42, and the county had approved its half of the expense during the regular meeting of the commissioners court held Aug. 12.

Taylor explained that the city's overall budget of \$777,000 will allow for a \$27,000 cushion to cover unforeseen expenses.

It is a part of the \$100,000 budget increase, which was necessitated by a variety of increased expenses.

City employees were allowed a 5% salary increase, which will amount to approximately \$10,000, which necessitates an approximate \$750 increase in

social security taxes.

Insurance, including workman's compensation, hospital and building will amount to \$10,000 additional.

A new cost will be the firemen's retirement fund, which was mandated under a law passed by the legislature last year. This will cost the city \$12,000.

"Utility bills will increase by something like \$25,000," Taylor explains.

Cost of street lights alone will jump from \$580 per month to \$2300 per month under the recent increase in electric rates. The city took measures to cut the cost as much as possible with the change in type of bulbs used in the street lights from incandescent lights to so-

dium lights, with mercury vapor lights being used around the square and around the schools.

"Without the change, our cost would have been about \$3,000 per month," Taylor said.

Another new expense will be reworking the sewer lift station that is located at the southeast corner of Ellison Park. The cost is estimated at \$20,000.

Repair of the lift station has been a constant problem for several years, and some pipe had become so thin workmen feared a major problem.

"These costs had to be put in the budget. Everything else is minimal," said the city manager.

The lift station will be

rebuilt completely, with work to begin within 60 days.

In other business, the council accepted the bid of Wellington State Bank as depository for city funds for the next two years. The interest rate on money borrowed by the city will be 55% under the prime.

The council also voted to take bids on gas and diesel purchased during the next year.

No changes will be made in the operation of the landfill, Taylor said. This, too has become a problem. Gates are left open during the day, and this privilege has been abused by those who bring loads of junk, debris or other items and

## Cancer Society to Host Fun Fair Ice Cream Booth

The Collingsworth County Chapter of the American Cancer Society will sponsor an ice-cream and baked goods booth at Fun Fair Saturday, Sept. 10 in lieu of a door-to-door fund-raising drive this year.

Chapter spokesmen urge individuals and businessmen to donate to the booth whatever amount they would normally donate on a fund drive.

The chapter is asking for donations of ice cream and baked goods to be sold at the booth. The chapter also needs cash donations to purchase supplies and materials for the booth.

The booth will also accept cash donations, and will give receipts to those who need them. Donations are tax deductible.

The American Cancer Society funds research on cancer public education, and provides outpatient supplies for cancer patients such as wheel chairs, hospital beds, and special supplies. The society also helps with family and patient counseling.

"In this county right now, the society is paying for colostomy supplies for two cancer patients," Rita Owens, chapter president, said.

"If cancer has struck your

family or if you have been a victim, we urge you to join our group," Mrs. Owens said. "The society has not been active here in recent years, and we urge you to join this year. We need board members, and anyone interested in volunteering should contact us."

Anyone who wants to donate a freezer of ice cream or baked goods to be sold at the Fun Fair booth should

contact Mrs. Owens at Wellington State Bank, 447-2551 or at home 447-2636, by noon on Friday, Sept. 9.

"We'll come pick up your item for the booth on Saturday if you'll give us a call," Mrs. Owens said. "We'd like to encourage people to make donations at the booth since we won't be coming around to knock on your door this year."

## More Parade Entries Asked

WANTED!

More float entries for the 1983 Collingsworth County Fair Parade Friday, Sept. 9 at 10:30 a.m., declared Billy Jackson, parade chairman.

"Let's not let the hot weather interfere with our making this the biggest and best Collingsworth County Fair and Parade ever," he added.

Let's get away from the attitude of "Let someone else do it. I'm too busy," he urged.

Anyone interested in entering a float should call the Chamber of Commerce, 447-5848. The deadline for entries is Sept. 8, at 5 p.m.

Jackson announced that

Mrs. Ronnie O'Rear is chairman of the bicycle decorated division of the parade.

Other divisions are commercial, adult organizations and youth organizations, those that usually have the most elaborately decorated entries. Any others who wish to decorate may do so. These include motorcycles, mopeds, horses, horse drawn vehicles, farm equipment, Ambulance Service, Fire Department, Sheriff Department reserve officers, antique cars, and possibly others.

The Veterans of Foreign Wars are being invited to lead the parade.

## Play Day Big Fair Event

The final 4-H Horse Club Play Day will be held Saturday, Sept. 10, in conjunction with the Collingsworth County Fair, according to Jack Campbell, who has been in charge of the play-day series. This will be in the VFW arena in northeast Wellington.

Boys and girls from several area towns will compete, including Wellington, Wheeler, McLean, Childress, Pampa, and possibly Amarillo, Campbell said.

Events will start at 9 a.m.

and should be over by 1:30 p.m., as Home Grown Fun Fair gets under way.

Age divisions will be those of the other play days in this series: 5 years and under, 6-8 years, 9-11 years, 12-15 years and 16 years and over, as of January 1, 1983.

Events will include barrels, poles, flag race and stake race.

The rescue race has been eliminated and in its place there will be the goat ribbon pull for the smaller children and goat tying for the older

groups.

The concession stand will be open.

Awards will be presented to the winners of the Sept. 10 events.

After this play day, total points for the season will be tallied, and winners will receive silver buckles at a supper, with the date to be announced.

Assisting Campbell have been his wife, Frankie Campbell, Mrs. Jim Hendard, secretary and Mrs. Pat Gulley, concession chairman.

## Boosters Elect Reeves, Start Membership Drive

Skyrocket Booster Club members met Tuesday, Aug. 30, to organize for the 1984 year and set up plans for a membership drive to begin this week.

Don Reeves, county extension agent, was elected president, after serving as vice-president last year. He succeeds Denzil Lacy.

Kent Holland was elected vice-president; Mary Lou Souder, secretary and Charlie Lee Watts treasurer.

Meetings will be each Tuesday night at 8 p.m. through the non-conference games, and at 7:30 after conference play starts.

The meetings are held in the Farm Bureau Hospitality Room.

Each week game films of the week before will be shown and coaches will comment on the upcoming game.

Danny Gray and Mark Killian were named as the committee to work with the punt, pass and kick contests at the Home Grown Fun Fair Saturday, Sept. 10 at Ellison

## Ricky Martinez Fund, Booth Set

A Ricky Martinez Account has been set up at both Wellington State Bank and City State Bank for the benefit of the 18-year-old Wellington youth who received a severely injured left leg in a hit-and-run accident early Saturday, August 27.

The funds will be used to help with hospital and medical expenses.

Anyone wishing to give a donation should make

checks payable to the Ricky Martinez Account, said Mrs. Herb Duncan, one of those working on the plans.

A Ricky Martinez Booth will also be set up at the Home Grown Fun Fair Saturday, September 10, and proceeds from the sale of all items will go into the fund, Mrs. Duncan said. Other booths are also due to earmark funds for his benefit.

dump them anywhere that is convenient instead of taking them onto the landfill itself.

A man will be on duty who will insist that those bringing their own trash put it where it needs to be.

A part of the \$2 per month increase in sanitation cost will be used to pay the cost of having a man at the landfill.

In this department also,

Taylor pointed out that the city spent \$3,000 during the last fiscal year to replace the garbage containers placed in alleys, and an estimated \$6,000 will be required this year.

"The system is 9 years old and it is wearing out and we will have to have money to replace what does wear out," said Taylor.

## CJC Classes Remain Open

Mrs. Melvin Cardwell has announced that three Clarendon College Courses have been assured for Wellington, but there are several classes in which more membership is needed if they are to be offered. Classes assured are:

Tuesday nights: child psychology 204 and College Algebra 113.

Thursday night: data processing 205 (Computers), a four college hour course.

Typing (business administration 113) set tentatively for Thursday night, can be changed to another night. This also needs more members.

It is possible to take as many as 13 hours with this schedule.

Tuition is: 3 hours \$50; 6 hours \$75; 9 hours \$111, and 12 hours \$148; 13 hours \$152. Books are additional.

Registration will be Thursday night Sept. 1 at 7 p.m. It is important that we know who is going to register by then, said Mrs. Cardwell.

"We need some more students for the Monday night class, sociology 212 (social issues); also the proposed nutrition 113 class on Wednesday nights," Mrs. Cardwell said.

## City Receives \$12,596 in Tax Rebate

The City of Wellington has received a check for \$12,596.37, representing from the office of State Comptroller Bob Bullock representing the city's rebate on the sales tax which it levies.

## Lions Hunting More Terrapins

Wellington Lions Club will sponsor its annual terrapin race at the Collingsworth County Home Grown Fun Fair Saturday, Sept. 10, according to Candy Reyes, president.

The event returns to Ellison Park, where the race will be held at 1:30 p.m.

"We need help in collecting enough terrapins for everyone who wants to participate in this fun race," says Reyes.

We will certainly appreciate it if, when you see a terrapin, you will bring it in and drop it off with any Lions Club member.

The cost for participating in the race will be \$5 per terrapin again this year, said Reyes. The donor then has the opportunity of picking out his own racing

terrappin, or the club will pick out one for him.

For many years, this has been one of the major Saturday fun events of the fair.

## Old Settlers to Gather Sept. 10

Old Settlers Reunion will be held this year at the RSVP Center, Friday, Sept. 9 after the Collingsworth County Fair parade. The location is 702 East Avenue.

Anyone living in the county 25 years or longer is considered an old settler.

Those attending may register before the parade. A basket lunch will be served at noon.

Plaques will be given to the person coming the longest distance, the oldest person currently living in the county, the oldest person attending the reunion and the person with the most grandchildren.

## Fourmentin To Exhibit at Tri-State Fair

Patricia Fourmentin, 4-H member, will show two calves in the Junior Steer Show division of the Tri State Fair Friday through Monday, Sept. 2-5, according to Extension Agent, Don Reeves.

Her Seminal cross steer, a year old and weighing about 700 pounds, will be entered in the feeder calf division, while her purebred Hereford, 950 pounds, will be in the market class.

Patricia bred the feeder steer, while the Hereford came from Martin Herefords at Panhandle.

Patricia is the daughter of Mr. and Mrs. Richard Fourmentin and has shown steers in the Wellington show as well as in major shows of the state.

This will be the first time the two calves have been shown.

splint and is under the doctor's care. It is questionable if he will see any action at all in the Hollis game.

Another Rocker, wingback, Jimmy Barber has a bruised knee from the Hale Center game. "We're not sure about him for Friday night," said Williams. "We're going to be a lot younger than Hollis, and this will be a real challenge for us. We're hoping to improve as we go along, but this first week is a real test. In fact, the whole non-conference schedule is a challenge."

"But I think we've prepared ourselves and prepared well, and we've scouted them pretty well."

The coach remarked that the good showing in the two scrimmages, with Wheeler and Hale Center, won't count for anything this week. This is the real thing.

"We think our kids are ready for a football game and we're going out there and do our best."

"I guess you would say this will be the big Texas-Oklahoma shootout."

"Occasional flashes of silence make conversation delightful." —Sydney Smith

## Christian School Head Announced

The head of Abundant Life Christian School was announced this week by the Rev. Jim Horton, superintendent of the school and pastor of the church.

Mrs. Sherry Jo Horton will be the supervisor, serving as overall head and leader of the school, Horton said.

Several monitors will be selected from within the fellowship.

Mrs. Horton has a bachelor's degree from Hardin Simmons University, with an all-level art education major. She did most of her undergraduate work at Texas Tech and also holds a Master of Education degree from Sul Ross State University, Alpine.

She has taught on the college level, and holds a Texas teacher's certificate.

Rev. Horton received a B.S. degree in agricultural

education from Texas Tech and also has a Texas teacher's certificate.

The school will open Tuesday, Sept. 6 with 16 students, in grades one through 11.

Any other parents wanting to enroll children in the school should contact Rev. Horton for the possibility of enrollment and for information.

The school is located in the classroom building of the Abundant Life Fellowship at the corner of 9th and Haskell Streets. Some remodeling was done for the school opening and more is planned later, Rev. Horton said.

John Rolfe, husband of Pocahontas, brought the seeds of Spanish tobacco from the West Indies to the colony at Jamestown to start tobacco commerce in America.

## State FHA Advisor Honored

Edna Crow, state FHA (Future Homemakers of America) advisor, was honored recently at the vocational teachers conference held in Stillwater.

Crow was presented an engraved plaque and one dozen long-stemmed red roses in front of approximately 2,200 vocational teachers. The presentation was made to Crow in behalf of the 16,000 Oklahoma FHA members in appreciation of the hard work and leadership she provided in helping the state FHA organization raise over \$102,000 for the new national FHA headquarters building in Reston, Virginia.

Oklahoma with the largest delegation of 221 members, attended a leadership meeting in Washington, D.C. in July where they were honored for being the top delegation in contributions to the national building fund effort. For their fund raising efforts, the state organization was honored during the leadership meeting by receiving the largest room in the new headquarters building. The room was appropriately named the "Oklahoma Room."

### FHA RECOGNITION

Carolyn Cotton (right), FHA advisor, Bristow, presented Edna Crow, state FHA advisor, with an engraved plaque and roses recently in appreciation of her leadership to the organization. Under her guidance, Oklahoma was top contributor donating over \$102,000 to the National FHA Headquarters building fund.

Crow has served as a

classroom teacher, president of OVA, district home economics supervisor, and for the past eight years she has been state FHA advisor.

### Friends Honor Strong Sat.

Friends of Miss Pearl Strong surprised her with a party on her 93rd birthday Saturday, Aug. 27.

They went to her home in the Abra community, carrying angel food birthday cake and punch.

During the afternoon, Miss Strong showed them a silk handkerchief her brother had brought her from France at the end of World War I, and shared a favorite recipe, many years old, for her bread and butter pickles.

Those helping her celebrate were Doris Elder,

### Young Family Continues Participation in Study

The 59th annual Young Family Reunion continued that groups' participation in medical research into a rare hereditary disease. Hereditary familial Amyloidosis—usually referred to as Amyloid by both the family members and study team members.

The study is being carried on at the Thorndike Memorial Laboratory of the Department of Medicine, Boston City Hospital and Boston University School of Medicine.

This year, 45 members of the family, all over 21 years of age, were given tests which must be used in making a diagnosis of the disease.

Results of the tests will be studied in Boston and sent to the family members.

Giving the tests were Dr. Caryn A. Libby, who was present for the first study of the family in 1980 at its Los Angeles reunion. With her were Dr. Ann Sigsbee and

Minnie Tate, Bonita Myers and her niece, Kathy Tate of Twitty, Etta Breeding and Karon Tate.

Miss Strong has lived in Collingsworth County 91 years.

### Merrihearts Hold Meeting

The Merrihearts met Tuesday, Aug. 23, in the Fellowship Hall of the First United Methodist Church for their monthly luncheon.

The Rev. Tom Thomson gave the opening prayer, and the group sang "Happy Birthday" to the two members with August birthdays.

Mrs. Rosa Roberson gave a reading "The Model Church", and the group sang two old-fashioned songs together. Then everyone drew places to act out something for the others to guess. This was a period of fun and laughter.

Attending were Mrs. Florence DeArmond, Miss Maudie Coffee, Mrs. Mamie Terry, Mrs. Ruby Ball, Mrs. Jennie Holcomb, Mrs. Louise Vaughan, Mrs. Mary Jones, Mrs. Ava Van Pelt, Mrs. Bettye Conant, Mrs. Rosa Roberson, Mrs. Pearl

Dr. Mary Ferraro. Two young doctors in the family work with them, Dr. Neal Lowry, Abilene and Dr. John Young.

Testing began at 9:30 a.m. Saturday morning at the Community Center and doctors worked throughout the day. Fifteen family members received an additional test Sunday morning.

Assisting the doctors were Willie B. Harwell, retired laboratory x-ray technician; Collingsworth General Hospital staff members, Tommy Murdock and Dianne Manuel, R.N. and Rita Anderson, R.N. of Memphis. Dr. Carter Holcomb and Dr. P.K.N. Kumar offered their cooperation.

Tests given were the ultra sound echo test, cardiograms, skin test, fatty test and blood test.

Amyloidosis was diagnosed in four of the brothers and sisters, Mrs. H.L. Lowry and Mrs. Jack Lowry, who have died in the last 15 months, Henry Young of Portales, N.M. and James Young of Irving.

Amyloidosis appears in this family after members are 60 years of age, but in other families, it may appear as early as 20.

"Amyloidosis is a very rare disease caused by an abnormal amount of a normal protein that is deposited in different organs of the body," Dr. Libby has told the family.

Reeves, Mrs. Ann Fires, Mrs. Marie Golliugh, Mrs. Florrie Graham, Mrs. Marguerite Bartlett, Rev. Tom Thomson, Rev. Bill Hankins, Dr. J. Frank Johnson, Roy Horn, Frank Anderson and the steering committee, Mrs. J.B. King, Mrs. Pauline Masten, Mrs. Wayne Reynolds, Mrs. Mary Ruth Jones, Mrs. Robert Owens, Mrs. Wayne Cummings and Susan Cummings of Childress.

Abigail Fillmore, wife of President Millard Fillmore, arranged for the purchase of the first cooking stove in the White House. She also set up the first White House library.

## Family Members Come from Coast To Coast for 59th Young Reunion

The 59th annual Young Family reunion was held Friday night through Sunday, July 29-31, in Bura Handley Community Center, with 115 members and guests attending.

Reunion visitors ranged from 6-months old Stephanie Lowrie of Grand Prairie, to Mrs. John Deger, a 94-year-old family friend.

Stephanie is the great granddaughter of Mrs. Rufus (L.C.) Sweat and the great great granddaughter of the late Mr. and Mrs. P.E. Lowrie.

Family members and visitors came from 7 States...from the Atlantic Seaboard to the Pacific: Mississippi, North Carolina, New Mexico, California, Virginia, Arkansas, and Texas.

The reunion last year was cancelled due to the closeness of the time to the death of Mrs. Jack (Mitt) Lowry on June 21, 1982, but because this reunion is a part of a study of a rare hereditary disease Hereditary familial Amyloidosis, being conducted by a group of doctors from Boston University School of Medicine, Boston, Mass., it was agreed that the doctors should come to check the remainder of the family for symptoms of the disease this year, although another sister, Mrs. H.L. (Roxie) Lowry, died of the disease on June 2.

All members of Mrs. Jack Lowry's family were present, as were most members of Mr. Grover (Arlice) Young's family. Four generations of Mrs. Rufus (L.C.) Sweat's family attended.

This 59 year old reunion is for the children and other descendants of the late Mr. and Mrs. J.H. Young, long-time residents of the Lutie community.

The oldest grandchild present was Orville Young, of Alamo, son of Jason Young. The youngest grandchild was Don Sweat of Houston, son of Mrs. Rufus Sweat. Additionally there were great-grandchildren and great-great-grandchildren.

The late Mr. and Mrs. J.H. Young had 12 children, 6 of whom are living and all 6 were present.

Meals were served at Bura Handley Community Center Friday night, Saturday and Sunday.

Visiting, a talent show and singing provided entertainment.

Those attending by families included:

--Mrs. Grover (Arlice) Young of Arlington and her family: Bennie G. ## 30th Session of Langley Family Reunion Brings Together 170

BY IDA LANGLEY STUCKY

On August 19, 20 and 21st the 30th session of the Langley Family Reunion was held at the reunion grounds 11 miles west of Wellington on the Memphis highway, with 148 relatives and 22 visitors in attendance.

It seems the Crows were a little more eager to get started this year than usual, as there were at least a half dozen campers on the grounds by Wednesday night, then by Thursday night 35 or 40 were there for supper.

The weather was much nicer this year, however, we didn't get the rain so many expected and we thought with Alicia blowing in on the south coast we might have a chance of a real good rain, but it wasn't to be.

Mrs. Maude Clay and Mrs. Joyce Harris were unable to cook for us this year, and we missed them so much, it was like part of the family was missing, as they had been with us 21 years and did a wonderful job. We really did miss you girls.

However, Mrs. Jessie Alston and Mrs. Betty Byrd came to our rescue and did a magnificent job. We hope they will be with us again next year. We had our usual games for entertainment, dominoes, 42, Bridge, Wa-Hoo, horseshoes, and of course picture taking and visiting, winding up with our song service on Saturday night.

Our business meeting was held Saturday evening right after supper. Bobby Hartsell was still our president for another year and Janice Aarn, secretary and treasurer, as they were elected last year for a two year term.

Jerry Lowe of Memphis was elected as our new director, replacing Bobby Haven, who has served his three years. Mrs. Vera Haven donated a quilt she had made containing the names of the 10 brothers and sisters embroidered on the blocks with date of birth, and date of all those deceased. It brought \$200

from Sharon Chaney of Paris. She is the daughter of J.W. and Jo Langley.

Our white elephant auction was a big success again this year, giving us a lot of good laughs and it was very profitable.

Lois and John Barnhart presented each of us with a 39 page supplement of our History Book of new articles and pictures they had collected together with articles that Loyd and Mildred Langley had found in the old records of their trip to Arkansas this summer.

Those attending according to families were:

Nannie Davis family: Edward and Norma Davis; Mrs. Ellen Crow; Eddie and Patty Crow and Edie, Farmington, N.M.; Vera Haven, Milton and Pat Haven and Preston, Regina, John, Bob and Connie Haven, Crystal and Bobbie, Clarendon; Dianne and Loyd Bentley, Oklahoma; Gus and Lois Haven, Kari, Kelly and Starlyn, Sweetwater; Dwayne and Terry Crow, Norton, Kans.; Harvey and June Price, Rickey and Tammie Price and Wade, Clarendon; Margaret Harwell; Jan Ferguson, Roby and Tina; Tommie and Janice Harwell, Lee and Billy, Childress;

May Lowe, Mariette, Ok.; Floyd and Cozette Lowe; Jerry and Tamara, Michelle, and Melissa; Lary and Janice Arnn, David, Tangela and Nathan, Memphis. Lonnie and Audrey Burns, Durant, Ok.; Bobby and Susie Hartsell and Clayton Langley, Colorado Springs, Colo.; Russell Hartsell and Ashley, Weatherford, Ok.; Lucille Wivel, Lakewood, Ca.; Aubrey and Norma Lowe, Okla. City, Ok.

Jack and Sarito, Hester, Del Rio; Luree Claxton, Faye Rendino, Kimberly Rendino, Fresno, Ca.; Lee Carmen, Houston; Jimmie Hester, Lael and Jason, Boston, Mass.

## DAR Notes Treaty

WASHINGTON D.C. - Mrs. Walter Hughey King, President General of the Daughters of the American Revolution, today announced plans for DAR activities to commemorate the bicentennial of the Treaty of Paris, which established the sovereignty of the United States.

Mrs. King has just returned from Paris where she made arrangements for the DAR to host a midnight supper at the Palace of Versailles on September 2, following the Sound and Light Show, which will feature fireworks and lighted fountains. Dignitaries from France, England and the United States will be guests at this event.

The National Society DAR will also dedicate a bronze tablet in memory of the American Peacemakers - John Adams, Benjamin Franklin and John Jay - who negotiated and signed the definitive treaty of September 3, 1783. This tablet will be placed in Yorktown Square near the tablet placed by the DAR in 1932, listing the Frenchmen who died in Yorktown.

Mrs. Gavin C. Barr, Chairman of the NSDAR Treaty of Paris Bicentennial, who accompanied Mrs. King to Paris, noted that more than 3,000 chapters in all 50 states, the District of Columbia, France and other

overseas units will hold special programs on the Peace Treaty during a year-long observance. The 210,000 members will participate in numerous projects and activities to "perpetuate the memory and spirit of the men and women who achieved American independence."

## Lydia Group Meet Aug. 30

Members of the Lydia Group, United Methodist Women, met for a business session Tuesday, Aug. 30 at 10 a.m. Mrs. A.V. Lowrie presided, and plans were made for the group's division of the 1984 UMW year book.

Upcoming events were discussed. These included the UMW general meeting to be held Tuesday, Sept. 13 at 12 noon in the church fellowship hall. A study of "The Great Physician," based on the Biblical book of Luke, will be given at a meeting of the Esther and Lydia groups at 10 a.m. on Fridays, Sept. 9, 16, 13 and 30 at the church parlor.

Visitors are welcome to this study.

The Lydia Group will hold a regular meeting in the church parlor Sept. 19, with Mrs. A.V. Lowrie as hostess and Mrs. E.F. Bartlett presenting the program.

One woman from the Lydia group will be chosen to receive the life membership pin.

New officers were elected in the August 30 meeting with Mrs. Fred Covey chosen chairman, Mrs. C.R. DeArmond, co-chairman, Mrs. Chester Fires, secretary-treasurer; Mrs. Bob Hightower, reporter; and Mrs. R.R. Crawley, telephone chairman.

The Lydia Group will be hostess at the general meeting on Tuesday, Nov. 15 at 12 noon in the church fellowship hall. This will be a covered dish luncheon.

## Letter From The People

Dear Editor:  
I read in the paper that no one could enter anything in the fair unless they lived in Collingsworth County.  
I agree with that except for Loco and Arlie Communities.  
Loco and Arlie have been consolidated with Collingsworth County since 1936. We are part of Collingsworth County. We pay thousands of tax dollars there.  
What about the boys and girls in school that enter their articles in the fair that live in Childress County?  
It is not fair that they cannot enter just because they live in Childress

County and have to go to school in Collingsworth.  
I finished school in Wellington in 1935 and Wellington will always be my home town. I am always for Wellington and not Childress.  
I would not enter anything in the Childress fair because I do not know but a few people there.  
I have been told three times by the Collingsworth Chamber of Commerce I could enter in the fair. The last time I called was about a week ago.  
Please consider this again.  
Louise Bouchelle

## Senator Bill Sarpalius Reports

### Reports

#### New Laws Take Effect

AUSTIN — A large number of bills passed during the recent legislative session became law on September 1. New State laws usually become effective 90 days after the end of the legislative session.  
Many of these new laws are of particular benefit to the residents of the Texas Panhandle. The following is a summary of a few of these bills that are of local significance to our District.  
We were pleased to sponsor passage of new laws authorizing the creation of the Palo Duro and Buffalo Lake Water Districts. Another bill creating the Wheeler County Water Supply District took effect earlier this summer.  
Also taking effect are the several bills we sponsored that authorize the creation of juvenile boards in Sherman, Hartley, Lamb, Bailey, Farmer, Castro, Swisher, Dallam, and Hansford Counties.  
On the statewide level, our new work release program has also become law. This program, which was modeled after one in use in Potter County, will help ease the problems of prison overcrowding by allowing non-violent offenders to participate in restitution centers. The statewide program will allow these offenders to pay for their part-time incarceration and also allow them to repay the

victims of their crimes.  
A bill creating a voluntary adoption registry has also taken effect. This new law establishes a centralized network where consenting adoptees older than 21 and consenting birth parents could seek assistance in locating one another.  
Dogfighting, which has become a big business in Texas, will now be classified as a more serious offense. Under the new law, anyone convicted of staging a dogfight for financial benefit will be guilty of a third degree felony. Spectators of this illegal activity would be subject to arrest and fine under a class C misdemeanor charge.  
Of course, this is just a sampling of some of the more important bills that became law on September 1. Many others, including our new DWI law, will not take effect until January 1. We will devote a column to these important bills at the proper time.  
As we look back at the accomplishments of the last regular session, and look toward the next, we realize how important the help all of you gave us has been. But we still need to hear from you to plan an effective legislative program for the future benefit of the Panhandle. Please write to Senator Bill Sarpalius, P.O. Box 12068, Austin, Texas 78711.

#### SAFETY LEGISLATION

AUSTIN — Texas children under the age of five are dying in motor vehicle crashes at the rate of 90 a year.  
The National Transportation Safety Board identifies Texas as leading the nation between 1978 and 1981 in the number of traffic deaths involving children four years old and younger.  
Studies have proven that the use of child safety restraints or car seats can significantly reduce, if not eliminate, the risk of death for children in automobile accidents. Nevertheless, many parents don't place their children in safety seats because many consider them an inconvenience. It is estimated that only 7 out of every 100 children are properly restrained while riding in an automobile.  
Legislators have heard many horror stories at the State Capitol about the staggering number of children killed and maimed in automobile accidents. Texas may be on the verge of enacting significant child safety laws during an anticipated second special session of the Legislature. The Texas Senate

approved legislation earlier this year which would have required Texas residents to secure children younger than four in a safety seat while riding in a car or light truck in Texas. The legislation did not pass because the bill was never presented to the full House of Representatives for a vote. The Governor, however, has indicated he is considering placing a child safety bill on a second special session agenda.  
The proposed child safety seat legislation would penalize Texas residents for transporting young children without the use of safety seats. Proposed fines would be dropped if the person who is fined proves, within a certain period of time of being ticketed, that he or she has obtained an appropriate child restraint seat. Volunteer groups around the state say they are willing to buy safety seats for loan programs. More than 20 states have approved child safety laws similar to the one introduced during the regular session of the Texas Legislature.

## Cavitt to N.M. School Workshop

Garland Cavitt, superintendent of Samnorwood Schools, will attend a workshop for school superintendents to be held at Pendaris, N.M. northwest of Las Vegas, from Tuesday, Sept. 6 through Friday, Sept. 9.

Sponsored by the District XVI Service Center, the workshop will follow the theme of "involvement of the dynamics of good leadership and development of the personal profile

system." It will cover improving supervisory skills, and improvement in school management.

The workshop director will be Thos. Sheppard of Meridian Management Associates consultants, El Paso, and working with him will be Dr. Kenneth Laycock and David Cole, both with the service center.

Approximately 40 superintendents will attend from schools throughout the Panhandle.

## Samnorwood Firemen Put Out Two Fires

Samnorwood Volunteer Fire Department was called to put out two grass fires in the last 10 days, Chief Kenneth Martindale reported.

A fire was set in a shelterbelt area on the Baxter farm three miles north of Samnorwood Saturday, Aug. 20, when a power highline broke, and dropped to the ground. An approaching motorist saw the incident and notified the Norwood department. As there was little wind, only a few acres of grass burned.

The second fire, Friday, Aug. 26, was at the Johnny Morgan home, also north of Samnorwood. Because roads surrounded it the fire was held in a limited area, however it was only a short distance from approximately 40 round bales of hay according to Martindale.

## Lemon Roll at Fun Fair

A new event at the Collingsworth County Home Grown Fun Fair will be the Lemon Roll, Loretta Wright, chairman, announced.

It has not been seen at community fairs in this part of the county before but is one of the more popular events in fairs through the Middle West which Mrs. Wright visited this summer.

All other Home Grown Fun Fair events are progressing, she said. Because of the number of food booths already scheduled, those who attend can eat their way through the afternoon, while watching such fun things as the watermelon seed spitting, bed race, bucket brigade, three legged race and many others.

The places for food booths are almost filled, but there is plenty of room for all other events, Mrs. Wright emphasized.

The Lemon roll sponsor is Wellington Business and Professional Women's Club.

Signing up to participate in the roll will begin at 2 p.m. Six contestants will compete at each race and there will be as many races as are needed.

"The object is to push a lemon a specified distance and you'll have to see it to believe how it's done," declared Mrs. Wright.

## Linda Tutt Gets Masters Degree at TWU

A former Wellington woman, Linda Marie Karnes Tutt, received a Master of Arts degree in counseling and guidance from Texas Woman's University during the summer commencement on Aug. 13.

Mrs. Tutt, who lives in Sanger, received a Bachelor of Business Administration degree previously.

She is the daughter of Mr. and Mrs. Leonard Karnes, 1111 East Avenue, and the wife of Wayne Tutt, Sanger.

TWU awarded 90 bachelor's, 205 master's and 37 doctoral degrees. The largest university for women in the nation, TWU grants more doctoral degrees to women than any other university.

Both women and men attend the Graduate School and the Institute of Health Sciences at TWU's campuses in Denton, Dallas and Houston.

There is no limit to the number of people who can sign up to enter and the cost is 25 cents per person. There is no age limit.

"You can enter as many times as you would like," said the chairman. All rules will be explained as the contestants sign up.

The winner of each heat will receive a blue ribbon, and the person winning the most blue ribbons for the afternoon will receive a special prize.

## Red Cross Asks Funds For Victims

The American Red Cross has launched an emergency appeal for funds to assist the victims of Hurricane Alicia in the Gulf Coast area and Collingsworth County Chapter is appealing for funds to help.

Earl Hunter, chapter chairman, said that all contributions will be used to help Texans who are hurricane victims.

Checks are payable to "American Red Cross Disaster Relief" and mail to Charlene Poteet, Sec./treas. American National Red Cross, c/o County Judge's Office, Courthouse, Room 1, 2nd Floor, Wellington, Texas 79095.

## Bicycle Entry Rules Announced

"Decorate your bicycle and join the fair parade," Margaret Vines urges young riders of Collingsworth County.

She announced the rules covering this portion of the parade:

-Enter your bike and pick up your number at the Chamber of Commerce. Deadline to enter is Thursday, Sept. 8 at 5 p.m. You may register by phone, 447-5848.

-Decorate your bike and have your number secured on the bike in a position

## REV. J.L. WOOLMAN Dodson Church Slates Revival Sept. 6 to 11

Revival services are scheduled to begin on Tuesday, Sept. 6 at the Dodson Nazarene Church and run through Sunday, Sept. 11.

Rev. J.L. Woolman will be the evangelist for these special services.

He is a graduate of Bethany Nazarene College and has served as a pastor and evangelist for 50 years.

Rev. Woolman has pastored churches in Oklahoma, Texas and Arkansas and served for 14 years on the Southwest Oklahoma District Advisory Board. "He places strong emphasis on the experience of heart holiness and holy living."

The services will begin each evening at 7:30. The public is invited to attend any or all the services," said Rev. C.M. Huff, pastor.

## Indian Creek Reunion Visitors From 4 States

The Indian Creek Community reunion was held in Bura Handley Community Center Saturday, August 20.

This annual meeting included visiting with friends and relatives, with old time music played from time to time throughout the day. During the business meeting, those present voted unanimously to hold the next reunion August 25, 1984.

E.B. Seale was elected president; Amy Seale secretary; Gladys Cartwright treasurer. Mrs. Seale and Mrs. Cartwright will be the co-ordinators.

Registration began at 10 a.m. and continued through the day under the direction of Mrs. Seale and Mrs. Doc Pritchard.

Clyde Hall of Lubbock, president, welcomed the group at 1 p.m. Visitors were recognized, Mrs. Clyde (Juanita) Hall read the minutes of the 1982 reunion and Mrs. Cartwright gave the treasurer's report.

Mrs. Lois K. Ratliff, a former teacher in Indian Creek School, read "Do You Remember" and Mrs. L.C.

Sweat read a poem, "The B.C."

Music was presented by Jack Dalton, Doc Pritchard, Jessie Lou Pritchard Kirk, E.B. Seale, Ura Lee Seale Beall, Mildred Joy Seale Smith, Jimmy Smith and Lyndel Smith.

A special guest was Ray Wells of Canyon, another Indian Creek teacher.

Former Indian Creek residents came from Louisiana, Texas, Arizona and Kansas.

Those who registered were Ray Wells of Canyon, Thomas Earl Seale and Mrs. Jessie Seale of Weatherford; Mr. and Mrs. Clyde Hall, Lubbock;

Mr. and Mrs. Hermet Rogers, French Settlement, La.; Mr. and Mrs. James Eiland, Stanton; Mr. and Mrs. Doc Pritchard and Monte Pritchard, Glendale, Ariz.;

Mr. and Mrs. Robert Scott, Lindsborg, Kas.; Mr. and Mrs. Alfred Isaacs, Lubbock; Mr. and Mrs. Gene Winters, Kennedale; Mr. and Mrs. Billy Joe Seale, Vega; Mrs. Mildred Smith, Lyndel Smith and Jimmy Smith all of Sweet-

water; Traci Eldridge, Clarendon; Mr. and Mrs. Joe Pritchard and Hilarie, Dallas;

Mr. and Mrs. Jack Pritchard, Shamrock; Jay Cartwright, and Mr. and Mrs. John Cartwright, all of Claude; Jessie Lou Kirk, Shamrock; Mr. and Mrs. Bob Hill with Sandy and Dusty, Spearman; John A. Horton and John Ed Horton, Arlington; and Jason Cartwright, Claude.

Those attending from the Wellington area were Mr. and Mrs. E.B. Seale, Mr. and Mrs. E.B. Peeples, Mrs. Lois Ratliff, Mr. and Mrs. Bud Seale, Mrs. Gladys Cartwright, Mike Ray,

Mrs. Betty Barbee, Mrs. Margaret Seale, Mr. and Mrs. Everett Fain, Mr. and Mrs. Lonnie Needham Jr., with Bud and Sam, Wesley Bast, Stephen Seale,

Mr. and Mrs. Alvin Horton, Mr. and Mrs. Doug Seale with Mandie and Spencer, Mr. and Mrs. Henry Langford, Mrs. Cindy Davis and Michael, Mrs. L.C. Sweat, and Mr. and Mrs. Walter Deger.

## Square Dance on Tennis Courts Friday

The Wellington Texas Twisters Square Dance Club will host an annual outside dance Friday, Sept. 2 at 8 p.m. on the tennis courts of Ellison Park, announces Carolyn DeVoss, one of the sponsors.

"We have something special this year for the Wellington people. The Triple-T-Cloggers from Elk City, Okla., will be here to

perform for the public," said Mrs. DeVoss. "We are trying to promote square dancing in Wellington one last time."

The Texas Twisters need the support of our town to help keep square dancing in Wellington."

Anyone interested in taking lessons is urged to come to the tennis courts and sign up Friday night. At least 20 to 24 people are needed for lessons.

Nicky Boone of Hollis will be the caller Friday. Those wanting information may call Mrs. DeVoss 447-5536.
