TWENTY-FIRST YEAR—NO. 39 | COLORADO, TEXAS, FRIDAY, JULY 17, 1925. | WHIPKEY PRINTING CO.

CONSTRUCTION NEW PHONE SYSTEM STARTS AT ONCE

COMMON BATTERY EXCHANGE TO COST $40,000 ASSURED FOR COLORADO.

Officials of the Colorado Chamber of Commerce and Southwestern Bell Telephone Company realized definite settlement of the 3-year telephone controversy here late Thursday of last week when P. K. Baker of Dallas, assistant general manager of the telephone Co., and Mayor R. H. Looney of Colorado affixed their signatures to a resolution prescribing that the common battery exchange and other improvements of the telephone plant at Colorado are to be made. The agreement was signed at the city hall in the presence of officials of both the city and Chamber of Commerce.

Other telephone officials who were in Colorado to confer with city and Chamber of Commerce officials as to the long-drawn out telephone battle were M. P. Caldwell of Fort Worth, divisional commercial superintendent, and H. N. (Dinty) Moore, of Abilene, district manager. Following conferences between these officials lasting throughout the day, the mayor convened the city council in special session at the city hall to consider official action on the resolution proposed by the telephone company. Mr. Baker and a representative of the Chamber of Commerce addressed the city council, requesting that the city act with favor on the pact, thus settling the controversy.

Actual construction of the new telephone plant, which is to be one of the best in Texas, is to begin just as soon as materials can be assembled at Colorado, Baker announced Thursday afternoon. The new switch board to be installed, to be manufactured to order by the Western Electric Company, will cost not less than $[illegible],000. Approximately $15,000 will be expended by the company in constructing new cable lines and extensions throughout the city. The slight increase in rate charges granted the company is not to become effective until the new plant is completed and placed in operation. Under provisions of agreements reached between officials of the telephone company and Chamber of Commerce rural patrons of the company are to receive special attention in the future, and it is believed that much of the trouble experienced by subscribers on farmer lines out of Colorado is soon to be eliminated.

Under terms of the agreement the Company is to offer its semi-party service to residence subscribers at Colorado. This service, though permitting two telephones to be connected to the same line, is so arranged that only the telephone called will ring and when either party signals the central office their is no disturbance of the other telephone. When one party is talking the other cannot "listen-in" as under the present system. The only difference between this arrangement and the individual line connection is that only one phone may be used at a time.

Baker stated that 9,000 of the semi-service phones were in use in the city of Houston, 8,000 in Dallas and 7,000 in Fort Worth. In the city of St. Louis seventy-five per cent of the residence subscribers use this service. This service will be available to the local public at a rate of $2.00 per month, the same price now in

(Continued on page 2)

BROTHERHOOD HEARS TALK BY JUDGE W. H. GARRETT

[illegible]arrett, local attorney, addressed the [illegible]nited Brotherhood at the [illegible]ernoon meeting. He centered [illegible]d as about the importance of removing the cause, rather than effect, if religious and moral standards are to be improved. W. W. Porter, chairman of the program committee, presided. Porter announced that L. W. Sandusky, attorney, would speak next Sunday afternoon. A definite program as the work of the brotherhood is to be committed next Sunday.

CO. PROPERTY VALUES INCREASE NEAR MILLION

Property values in Mitchell county for the current year show the largest increase for the twelve month period than for any year during the past quarter of century, according to county officials. Figures submitted by Roy E. Warren, tax assessor, Monday, place the total county valuations at $7,948,220, an increase of $786,840 over last year.

Warren stated that the bulk of property wealth in the county was due to increase in valuation of oil properties. This property listing alone shows an increase of approximately $500,000 during the year.

The city board of equalization has been in session during the past several days and it is understood that property values in Colorado are to register a precedent for the current year. Property values within the corporate limits of the city last year showed an increase of about $500,000 over those of 1923.

COLORADO PEOPLE INJURED IN CAR WRECK ON HIGHWAY

Col. and Mrs. C. M. Adams of Colorado, Roy Buchanan of South America and Mrs. Carroll Gary of Los Angeles, California, who were painfully injured when the Studebaker sedan of the Adams family overturned on the Bankhead Highway seven miles east of Big Spring Thursday of last week, are improving. The machine was being driven by Mrs. Roy Buchanan and aside from a severe shock she was uninjured.

The party was motoring to Big Spring to visit relatives. The car struck a chug-hole that had been filled with loose sand and gravel and left in that condition by the road hands, which caused the machine to swerve and overturn. The car was badly wrecked.

Mr. Adams sustained a cut on his knee. Mrs. Carroll Gary had one of her lower limbs broken in the crash and Mrs. Adams was painfully bruised and cut by flying glass from the windshield and car windows. Mr. Buchanan suffered a wrenched back. Passing motorists picked up the party and returned them to Big Spring where they received medical attention. Mrs. Gary was placed in a hospital there and the others returned to Colorado Thursday night by train.

The little four-year-old daughter of Mrs. Gary was uninjured.

Mr. Adams stated after returning home that in his opinion it was miraculous that they escaped with their lives or probable serious injury. The handicap of walking with difficulty did not deter the Colonel in following his policy to always be present and on time at the Lions Club luncheon and he was in his place Friday as usual.

OLD LANDMARKS BEING TORN DOWN FOR NEW BUILDINGS

Three Colorado landmarks, residences erected here in 1881, are being torn down this week to give place to modern cottage homes. The property is on Oak street betweenFourth and Fifth and owned by C. H. Laskey. Mr. Laskey stated Saturday that he came to Colorado 42 years ago and that the buildings had been standing three years when he became a citizen of the town.

TWO-DAY POULTRY SCHOOL AT COLORADO IN AUGUST

A poultry school, to last at least two days will be conducted in Colorado during August by an expert from A. & M. College, according to information received from local poultry breeders. A number of citizens interested in poultry signed petition requesting the college to conduct the school.

BERRY-FEE LUMBER CO. BUILDING STORAGE SHED

A new storage shed, 32 by 60 feet, is being erected by the Berry-Fee Lumber Co. on their property in West Colorado the company is also erecting an additional warehouse.

HIGHWAY NO. 101 SOUTH CITY ANNULLED BY STATE

DELAY IN IMPROVING ROADBED ASSIGNED BY COMMISSION AS THE CAUSE.

Designation of Highway No. 101 from Colorado south to intersection with Highway No. 9 at Sterling City, was annulled Friday by the State Highway Department in a statement given Mitchell county officials by Joe Burkett of Eastland, member of the department representing West Texas. Burkett assigned as the cause for this action the fact that the county had failed to take definite steps toward co-operating with the state in improving highways in this county.

This highway, passing from Snyder through Dunn, Buford, Colorado and Spade and connecting three of the most important highways in the State, was authorized several months ago by the highway department, on condition that the counties through which it passes co-operate with the State in improving the roadbed. Scurry county, according to claims of the department, immediately begun work on the highway in that county, but in so far as Mitchell and Sterling counties are concerned, nothing was ever done. The designation from Colorado to Snyder has not been recalled.

Burkett stated that in meeting the heavy demand in scores of other counties over the State for highway improvement, funds had become temporarily exhausted. Allotments have been assigned to counties in which bond issues were authorized by the voters to supplement State and Federal aid. When Mitchell county did not vote the proposed bonds to finance its share of the highway improvement program, funds conditionally allotted to this county went elsewhere.

Burkett stated, however, after January 1st, when the Highway Commission expected to receive additional funds, Highway 101 would be again designated south of Colorado, on condition the people desired to cooperate with the State in improving the road bed.

As to the Bankhead Highway and No. 101 north of Colorado, Burkett stated that the State would allot aid, dollar for dollar, to build a gravel roadbed and then top the surface at no expense to the county. For the Bankhead he proposed a special asphalt paving on gravel base of 12 inches.

In discussing the Bankhead Highway with county officials, Burkett intimated that something definite must be done. In the event this county continues to neglect this highway the State and Federal governments may change designation to go by way of Snyder, Burkett stated. In the event this should be done, the highway commissioner intimated that the new designation would turn northwest at Roscoe, following Highway No. 7 to Snyder and from there go in a southwesterly direction to an intersection with the present designation at Big Spring.

Burkett has announced that he will visit Colorado August 8 and deliver an address on the highway question in this county. At this time he proposes to explain definitely just what the highway department will do in this county and outline the conditions under which this program may be carried out.

EDITOR LEAVES TO SPEND EXTENDED VACATION TRIP

F. B. Whipkey, editor of The Record, and Mrs. Whipkey, left Colorado Monday at noon for Lampasas where they are in camp at the Baptist Encampment. They are traveling by motor car and carried full camp equipment. The editor stated that he was going to be absent from the office several weeks, spending much of the time in camp at Lampasas, Breckenridge Park, San Antonio, in the Davis Mountains, in Oklahoma, Nebraska and California. They will tour several hundred miles, visiting a number fo scenic places in the South and Northwest.

SPEAKERS AND MUSICIANS TO ENTERTAIN C. OF C.

ANNUAL FETE BE ROUSING SUCCESS, COMMITTEE IN CHARGE SAYS

The annual Chamber of Commerce banquet, scheduled to be held in basement of the Barcroft Hotel Thursday evening gave promise of being a big success, according to statement from the committee having the program in charge. Reservations made up to noon Thursday indicated that attendance would be large. An entertainment program, in which local speakers and musical organizations exclusively are to appear, has been arrnged.

Several reservations were available Thursday afternoon, it was reported at the Chamber of Commerce office. The invitation to attend the fete should be accepted as early in the afternoon as possible, in that plates be provided for every guest. Indications are that the banquet this year will be one of the best and most interesting ever held by the organization.

The entertainment program included concert music by the Colorado Booster Band, the Ford Quartete and other numbers. The band will give a concert in front of the hotel entrance from 7:30 to 8 o'clock just before the banquet is called to order.

Edwin J. Clapp of New York, financial editor for the Hearst publications and who is spending a visit in Texas, has wired the entertainment committee that he could not reach Colorado to deliver an address at the banquet. Mr. Clapp, considered one of the best after dinner speakers in America, was scheduled to deliver the principal address.

The president will deliver his annual address, as will also the secretary. These speakers will cover activities of the organization during the past fiscal year and outline some of the programs considered for the future.

Hon. Chas. C. Thompson, county judge, will deliver an address from the subject, "The Chamber of Commerce as a county-wide Organization" Dr. T. J. Ratliff, Colorado physician, will speak from the subject, "Things to Think About." Hon. W. P. Leslie judge of the 32nd judicial district, will deliver an address in the event he is not called from the city Thursday.

Hon. L. W. Sandusky, attorney, will deliver an address on the subject: "Oil Development and It's Relation to Colorado." Sandusky, being attorney for a number of operators in the field, is perhaps closer to the oil situation in this territory than any other person, He has promised to make some interesting announcements as to programs now being completed by some of the large companies operating out of Colorado.

"A Message from the Colorado Booster Band to the Chamber of Commerce," is the subject of an address by M. S. Goldman, director of the prize winning band of which this city is pardonably proud. Following these addresses fifteen minutes will be devoted to general discussion by those present who desire to speak.

A president and 12 directors are to be elected for the ensuing year. The official roster at present is, Dr. P. C. Coleman, president; H. L. Hutchinson, vice president; J. H. Greene, treasurer; W. S. Cooper, secretary; R. O. Pearson, R. P. Price, Joe H. Smoot, G. B. Slaton, T. W. Stoneroad, A. B. Blanks, J. C. Pritchett, L. B. Elliott and J. Riordan. One vacancy exists in the directorate, owing to the recent resignation of O. Lambeth, who has moved to Lamesa.

NEGRO MEETS DEATH WHEN AUTOMOBILE TURNS OVER

Allen Austin, negro, 30 years of age, was instantly killed when the automobile he was driving turned over on the Bankhead Highway six miles west of Colorado late Saturday night. In company with members of his family Austin was coming to Colorado from Westbrook when he lost control of the machine. His neck was broken. Other occupants of the car were paintfully, though not seriously hurt.

CITY COUNCIL RECEIVE CITY HALL SITE OFFERS

The city council will be convened in adjourned session Thursday afternoon of this week at 7:30 to consider proposals on the proposed new municipal building site. Some two or three sites have been suggested but there is no information as to where the building may be located.

Should the site be purchased at this meeting the city plans to go ahead with plans for the new building, bonds for which were voted a few weeks ago. A committee of H. L. Hutchinson and L. B. Elliott, representing the Chamber of Commerce, will confer with city officials as to selection of site for the city hall.

BASEBALL BAT AND KNIFE USED BY NEGROES IN FIGHT

Two dark town belles, Cora Ford and Lena Coleman, demonstrated their fighting blood at an early hour Tuesday morning and were battling one another in good fashion when Chief of Police Dick Hickman intervened. Cora was weilding a long dirk, while Lena used a base ball bat.

According to Cora the trouble came over a ten dollar bill. In discussing whereabouts of the bill, which one of the women was presumably keeping for the other, a gentle hint brought on a few positive declarations as the argument grew and in another instant the war was on.

Cora exhibited bruised places on her body which she claimed were impressions of where the bat in the hand of Lena landed with a thud. As to Lena, she received one or two bad knife stabs, one of them in the side being considered as dangerous. Cora is meditating in the county jail following a complaint charging her with assault with intent to murder. The other woman is under care of a physician at a home in the negro district.

BENEFIT BALL GAME FRIDAY AT WEST COLORADO DIAMOND

The "Lounge Lizards" vs. the "Jelly Beans" is the line-up for the benefit ball game Friday afternoon at 5 o'clock at the ball park west of the Colorado river. Proceeds from the game are to be used by the Parent-Teacher Association in making improvements to the grounds purchased some months ago near the High school building. It was announced Thursday morning that stores and offices would be requested to close at five o'clock for the game.

VISITING METHODIST ELDER PREACHES AT UNION SERVICE

Rev. R. A. Stewart of Sweetwater, presiding elder for the Sweetwater district, M. E. Church, South, preached at the union services at Union Tabernacle Sunday evening. He spoke of the allurments of sin and the final wages to be received by all those who are enticed to evil doing.

Rev. M. C. Bishop, Baptist pastor, presided at the services. "We have a most pleasing combination here this evening," Bishop stated in his preliminary remarks. "We have a local preacher, presiding elder and the Bishop with us tonight, and the unusual is about to happen in that the presiding elder will be introduced by the Bishop. Usually it comes the other way."

"I have expected for some time that all our churches would adopt the Episcopal form of church government," Rev. Stewart stated when he came to the platform, "but I did not expect to find a Bishop in the Baptist church so soon."

NOTICE TO SCHOOL PATRONS.

Notice is hereby given that all patrons desiring to transfer their children from one district to another for the 1925-26 term of school must do so before the last of July as the period during which transfers may be made will end July 31st, Transfers will be made by the County Board at it's August meeting, but all applications for transfers must be filed with the County Superintendent before July 31st.

G. D. FOSTER,
County Supt., Mitchell County. 7-25c

CITY BECOMING CENTER DEVELOPMENT BIG SECTOR

WEST TEXAS OIL MEN MAKING CITY HEADQUARTERS FOR BIG OPERATIONS.

Never before since Texas & Pacific One of the Underwriters Producing and Refining Company, discovery well in this field, was drilled in five years ago, has Colorado become the secene of the pretentious oil development as now. During the past few days new men and new capital have come into the field to add to the already large development program in both the "wild cat" and defined producing territory. For the most part these new concerns will make their headquarters at Colorado.

G. A. Henshaw, Jr., operator of Oklahoma City and associates are to drill five tests in the vicinity of Colorado within the immediate future, Mr. Henshaw announced here Wednesday afternoon. Location for two of these tests have been made and the other three are to be announced within the next few weeks.

Henshaw and John W. Chalk of New York City have made location for test in the southeast quarter of section 34, block 30, T. P. Ry. Co. survey, in Howard county. Contract specifies this well is to be drilled 3,500 feet, unless a commercial producer is brought in a a lesser depth.

Barnum & Henshaw have made location for test in the southeast quarter of section 32, block 17, S. P. Ry. Co. survey, Mitchell county. This location is in the Hyman sector. D. J. Lewis, Colorado drilling contractor, will drill this well.

Chote & Henshaw have made location for a deep test on acreage of the Marland Oil Company in Garza county. This well is to be drilled in block section 55, block 5, C. H. & H. survey.

Chilton & Henshaw announce they are to drill three tests in the field at once, location of which is expected to be announced within the week.

The Magnolia Petroleum Company reports good showings in two Mitchell county tests. Their Foster One, south of Iatan on the Foster ranch, is producing petroleum gas at from 1,600 feet to 1,960 feet. Drilling will be continued. Badgett One of the company, in the northern Westbrook extension, is the other test with showing for production.

Rig materials for Mrs. Harry Hyman No. 1 of the Deep Rock Oil Company, in section 88, Block 29, W. & N. W. survey, are being moved to location from Sterling City. Case and Hoover, drilling contractors, formerly operating in Sterling county, have contract to drill this test. This location is in the Hyman section in southwestern Mitchell county where a large amount of play is scheduled.

Sloan, Owens & Stalker are drilling around 3,000 feet in their Scott No. 1 at Hyman. The hole is in excellent condition, A strong gas showing was picked up in this test at around 1,000 feet and log of the well has been such as to cause the owners to be over optimistic. The Morrison pay level is expected to be reached within a week or ten days.

A good oil showing has been picked in the Co-Operative Lease & Development Company test, just over the line in Sterling county south of Hyman.

Butler 1-2 of the California Company is drilling at 2,645 feet. Adrams 1-9 is drilling at 2,320 feet, Womack 1 at 1,770 feet, Missouri State Life 1 at 1,560 feet and H. C. Miller 1 at 725 feet. All of these tests are on leases controlled by the California Company in the Westbrook producing field.

FAIR ASSOCIATION BOARD HOLDS EXECUTIVE SESSION

The board of directors, Mitchell County Fair Association, were in session Thursday afternoon at offices of the Colorado Chamber of Commerce. Date of the Fourth Annual Fair and other important business was pending, J. H. Greene, president of the Association, stated Monday in issuing call for the meeting.

Miss Jewell Collier visited friends in Midland last week.

Continued from page one.

effect, and twenty-five cents cheaper in those instances in which the subscriber uses a desk phone. Under the new contract there is to be no difference in monthly rental charge as between a wall or desk telephone.

Both Messrs. Baker and Caldwell expressed surprise to note the growth of Colorado. In company with representatives of the Chamber of Commerce the visiting officials were taken for a motor car trip over the city, to the oil field and for an inspection of the refinery. That Colorad was among the best small cities in West Texas and commanding an enviable future, was expressed by the visitors.

Baker referred to this fact in speaking to the city council Thursday afternoon, declaring that the company had agreed to make the improvements demanded. "Your city is yet to small for us to consistently come here and spend the large appropriation agreed upon," he stated, "but we believe that it is only to be the matter of four or five years until you will have a city of 8,000 to 10,000 population. Then, to be sure, the new plant would be a necessity."

One-half the world is talking of money—the other half thinking about it. And we are saving money for the folks who appreciate our efficiency in cleaning and dyeing.

PAYNE NOTES.

Oh, my arn't the crops looking fine There isn't any crops in West Texas any finer than the crops at Payne. Everybody is about through hoeing now.

Mrs. York is on the sick list this week, but is better now.

Miss Grace Williams had an operation last week, but is doing fine now. We hope to see her back at home soon.

Mr. D. D. Hays and family went to Christoval last Friday and came home Sunday. All had a nice time.

Miss Eva Williams is on the sick list this week, but is up now.

Several from this place attended the singing convention at Looney last Sunday, all had a very nice time.

There will be preaching at Payne next Saturday night, and Sunday morning at eleven o'clock.

The B. Y. P. U. from Loraine will render a program for us at four o'clock Sunday afternoon, everybody come. There is one to be baptized Sunday.

There is singing at this place every Sunday night, everybody is invited to come.

Come back, Landers, what is the matter with you? You were not here last Sunday night. Come and help us out with the singing.

Mr. W. A. Storey will leave for Sterling City next week.

Mrs. Lucy Hays has come home after a visit to California.

Everybody be sure and come to the programs and preaching at Payne.

BLUE BONNET.

CONOWAY LOCALS.

The Conoway community is progressing fine. Everybody has a dandy crop. Some fields are white with blooms.

Miss Elsie Walker left last Sunday for Christoval where she will visit her cousin, Mrs. Mae Eaden and also attend Baptist encampment.

Mr. and Mrs. John Kindrecs and family, and Mr. and Mrs. Elmer Rogers of Wichita Falls, Texas, are visiting their mother and sister Mrs. Jessie Jenkins.

Mr. and Mrs. J. D. Felts of Longfellow community visited their daughter, Mrs. Clara Priester Wednesday afternoon. Their granddaughter. Earline returned home with them to spend the week-end.

Miss Mildred King from Big Spring visited relatives in this community last week.

Little Betty Joe, the daughter of Mr. and Mrs. Horace McDonald, died Wednesday after suffering three weeks.

Mr. and Mrs. J. W. Walker and family and Mr. and Mrs. T. E. Conoway returned Thursday from a successful fishing trip on the Concho river.

Miss Myrtle Barber is spending the summer with C. P. Conoway.

The women of Conoway have organized a home demonstration club. Have only met one time but will meet at Mrs. J. N. Caloway's next Friday afternoon, July 17, everybody come.

Last Sunday was a real thrilling Sunday in Conoway. There were a good number who attended church and Sunday school.

Mrs. J. A. Conoway and children, Misses Dolores Hart, Bess Sheppard and Nellie Palmer, Mr. Lawrence Palmer and Mr. and Mrs. G. H. Priester's family attended the singing convention at Looney, where they heard some real singing.

The young folks were entertained Saturday night at Mr. and Mrs. Henry Sheppard. There was a real crowd of folks there who seemed to have a large time.

The men and boys of Conoway and Westbrook helped Horace McDonald work out his crop Wednesday who has been detained on account of his daughter's illness.

PET.

Ni-Late kills insects of all forms, yet non poisionous or harmful to human life. Does not soil most delicate fabrics. Sold by Colorado Drug Company.

NOTICE.

THE STATE OF TEXAS

Estate of R. B. McEntire, Jr., a minor, No. 441, in County Court of Mitchell County, Texas, July term A. D. 1925.

To all persons interested in the Estate of R. B. McEntire, Jr. Notice is hereby given that I, Jas. H. McEntire, guardian of the Estate of R. B. McEntire, Jr., a minor, have this day filed my application in the above styled and numbered cause for an order of the County Court of Mitchell County, Texas, authorizing me, as guardian as aforesaid, to make an oil and gas mining lease, upon such terms and conditions as the court may order and direct, on the undivided interest of said minor in and to the following described real estate, belonging to the estate of said minor, situated in Sterling County, Texas, to-wit:

Four Hundred Acres (400 acres) off the East end of the J. G. Soulard survey Noumber One (1), being all of the said Survey Number One (1) except the part thereof heretofore conveyed by W. R. McEntire to Edwin Fowler McEntire, by deed duly recorded in the Deed Records of Sterling County, Texas.

Said application will be heard by the County Judge of Mitchell County, Texas, at a regular term of said Court, at the Court House of said County in the City of Colorado, Texas, on the 23rd day of July A. D. 1925.

1tc. JAS. H. McENTIRE.

NORMAL BABY BORN TO DWARFED COUPLE OF DUNN

J. B. Billingsly and wife, of Colorado, Texas, are parents of a big baby boy who weighs seven and three quarter pounds, and who will doubtless be larger than either of its parents before many years.

Billingsly, who is in business near Colorado, is 24 years of age, is four feet and six inches tall and weighs 64 pounds, while Mrs. Billingsly is only four feet tall and weighs only seventy pounds.—Lubbock Avalanche

Billingsly is a citizen of Dunn, 14 miles north of Colorado, but is well known here.

HASKELL TO VOTE ON $1,500,000 ROAD BOND ISSUE

HASKELL, July 15.—The good road movement is now paramount in the minds of many in Haskell County for on August 15 an election for a proposed bond issue for $1,500,000 to be used for the building of permanent roads for Haskell County will be held.

Haskell County has 109 miles of state designated highways, two across the county from north to south and one east and west. If the bond issue is approved this county will have one of the best systems of roads to be found anywhere in the State.

STAR PARASITE REMOVER.
A Wonderful Poultry Remedy

Given fowls in drinking water or feed absolutely will rid them of lice mites, fleas, blue bugs, and all destructive insects.

Contains sulphur scientifically compounded with other health-building ingredients; is a good tonic and blood purifier; nothing better for preventing disease. Give it to your fowls one month. If they are not healthier, don't lay more eggs and are kept free of destructive insects—your money refunded. For sale by Alcove Drug Company. 9-17c

PIONEER CITIZEN DIES SUDDENLY AT SWEETWATER

J. W. Herndon, pioneer Nolan county citizen, and well known over West Texas, died suddenly at his home in Sweetwater Thursday night at 11:45 o'clock. His death came as a sudden shock to relatives and friends in this section, as he has been in the best of health, it was stated.

Mr. Herndon appeared in the best of health Thursday. He was in town a portion of the day, and also made a trip to his farm near Sweetwater during the day.

Funeral services were held Saturday afternoon at 2 o'clock at the Herndon home in Sweetwater, Rev. G. C. Farris of Colorado conducted the funeral service at the home. Members of the Masonic order had charge of the services at the Sweetwater Cemetery.

SEVEN WELLS NOTES

Most folks in our community are taking the picnic and fishing fever Pretty soon the entire community will be off "for a glad vacation."

Crops of all kinds are doing fine. The shower Sunday was cooling and refreshing.

There is some sickness in this part of the county right now. P. M. Bassham has been right sick since Saturday.

Mrs. E. M. Reese also Kenny Reese are on the sick list. Mary Wallace has also been sick, but we think all are feeling some better.

Mr. and Mrs. J. E. Wallace spent Sunday in the Lowe community. They report a real good time.

Mr. and Mrs. E. A. Robison visited in L. E. Robison's home Sunday.

Miss Edith Simpson from town is spending the week-end with home folks at Seven Wells.

Quite a crowd spent Sunday with Mr. and Mrs. W. P. Bassham and ate fried chicken. Oh, boy, we always have something real when we go to W. P.'s.

L. L. Bassham and children went to Loraine Sunday night to church. Let's have everything ready for the big meeting at the Tabernacle Aug. 14th.

Mr. and Mrs. A. S. Hutching were down from Sparenburg Saturday and Sunday visiting Mrs. Hutchings parents. They know Colorado is the best town on the map.

THE BUNCH.

CARD OF THANKS.

With heartfelt sympathy and deep appreciation we want to thank our many friends for their assistnce during the illness and death of our baby Betty Joe, and for the beautiful floral offering. May God bless you and may you have the same kind treatment should like trouble overtake you.

Mr. and Mrs. H. V. McDonald
Mrs. Fannie McDonald
and family,
Mr. and Mrs. J. E. Odle
and family.

Law Powell and his folks came down from Colorado to break a crust with us at our annual barbecue last Tuesday. The Powells are another bunch of folks who like to come back to their old stamping ground, and we old timers are always glad to see them come.—Sterling City News-Record.

CONTRACT AWARDED FOR NEW SCHOOL BUILDING AT LOWE

Trustees of the Lowe school district have awarded contract for new two-room building to Walter Ashby of Colorado. The new building will cost $2,800.

Addition of another room to the school building at Spade, making four class rooms, is to be made before opening of school. Another class room will also be added to the school building at Iatan.

Wm. Cooper of Colorado, was here last Tuesday shaking hands with old time friends and attending the barbecue.—Sterling City News-Record.

NOTICE—NO. 454

In the matter of the guardianship of the estates of Ruth Helton and John Helton, minors. In the County Court of Mitchell County, Texas.

Notice is hereby given that I, J. A. Buchanan, temporary guardian of the estates of Ruth Helton and John Helton, minors, have this day filed my application in the above entitled and numbered cause for an order of the County Judge and County Court of Mitchell County, Texas, authorizing me, as temporary guardian of the estates of said minors, to make an oil and gas mining lease or leases, upon such terms and conditions as the court may order and direct, on the undivided interests of said minors, in the following described real estate, belonging to the said minors, situated in Mitchell County, Texas, towit:

All of the SE one-fourth of Section 2, Block 26, H. & T. C. Ry. Co. Survey, containing 160 acres, more or less;

All of Fractional Section No. 24, Abstract 1614, Block 26, H. & T. C. Ry. Co. Survey, containing 84.6 acres, more or less.

Said application will be heard by the County Judge of Mitchell County, Texas, either at a term of said County Court or by said County Judge in vacation, at the court house in the town of Colorado, Texas, in Mitchell County, Texas, on the 11th day of July, 1925.

J. A. Buchanan, Temporary Guardian of the estates of Ruth Helton and John Helton, minors.

NO. 4613.

Alias Citation by Publication
THE STATE OF TEXAS,
County of Mitchell.

To the Sheriff or any Constable of Mitchell County, Texas—Greeting:

You are hereby commanded to summon A. W. Dunn, W. H. Snyder, and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, by making publication of this citation once in each week for four consecutive weeks previous to return day hereof, in some newspaper published in your county, and in the 32nd Judicial District of Texas, to appear at the next regular term of the 32nd Judicial District court of Mitchell County, to be holden at the Court House thereof, in Colorado, Texas, on the eleventh Monday after the first Mnday in September, 1925, same being the 23rd day of November, 1925, then and there to answer a petition filed in said court on the 22nd day of November, A. D. 1924, in a suit numbered on the docket of said court as No. 4613, wherein the City of Colorado, a municipal corporation, is plaintiff, and A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, are defendants.

The petition of the plaintiff, alleges the City of Colorado issued to the West Texas Construction Company, a corporation, a certificate of special assessment dated February, 28, 1924, executed by the City of Colorado to the West Texas Construction Company, and its assigns, for the pro rata part of the cost of improving a portion of Second street, in said city, payable by the true owners of said property, who are the defendants herein; the said property against which the said assessment is levied, being more particularly described as follows, to-wit:

Being a part of Section 44, Block 26, T. & P. Ry. Co. survey, situated in the City of Colorado, County of Mitchell, State of Texas, being the East 25 feet of Lot No. 6 in Block No. 37, of Colorado, Texas, according to Plat of said town of record in Volume "C" page 250, of the Deed Records of Mitchell county, Texas.

The said certificate further certifies that by virtue of an ordinance of the City Council of the City of Colorado, passed on the 4th day of August, 1923, there was levied an assessment and tax in the sum of Two Hundred Ninety-Two and 52-100 Dollars ($292.52) against said property and against the said owners, payable in six equal installments after February 28th, 1924, as follows:

One due in thirty days after said date, and one due in one, two, three four and five years, respectively, after said date, with interest from said date at the rate of six per cent per annum, payable annually, and said certificate recites substantially that all proceedings with reference to making such improvements have been regualarly had in compliance with the laws and the Charter of said City, and the plaintiff specially alleges and charges that all of said proceedings and all prerequisities to the fixing of the lien and claim of personal liability evidenced thereby required or provided by law have been taken, had, done, and performed; that default has been made by the defendants in payment of the first installment, and for such default, the said West Texas Construction Company, the owner and holder of said certificate, has requested the City of Colorado to enforce the same, after having first declared the entire certificate due, both principal and interest, and though often requested the defendant, and each of them, have paid no part of said indebtedness except the sum of Twenty and 46-100 Dollars ($20.46) to plaintiff's damages in the sum of Six Hundred Dollars ($600.00) and attorney's fees in the sum of Seventy-Five Dollars ($75.00).

That the defendants, and each of them, have or claim some right, title or interest in and to the premises, but such claim, right, title, or interest, as they, or any of them have, is subject and subordinate to the lien and claim of the plaintiff, created by said proceedings.

Wherefore the plaintiff prays that it have judgment against the said defendants, and each of them, for the amount of said assessment, together with interest thereon, and a reasonable attorney's fee, costs of suit, and that it have judgment establishing and foreclosing as against all defendants its lien upon the premises securing said assessment, and that the said premises upon foreclosure be sold as under execution after issuance of an order of sale.

Herein fail not, but have before said Court on the first day of the aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same

Given under my hand and seal of said court at office in Colorado, Texas, this the 8th day of July, A. D. 1925.

(Seal) J. LEE JONES, Clerk,
District Court Mitchell County, Tex.

Issued this 8th day of July A. D. 1925.

J. LEE JONES, Clerk,
District Court of Mitchell County, Texas. 8-7c

SHERIFF'S SALE—NO. 4614

THE STATE OF TEXAS
County of Mitchell.

By virtue of a certain order of sale issued out of the Honorable 32nd Judicial District Court of Mitchell County, Texas, on the 9th day of July, 1925, by J. L. Jones, clerk of said court, on a judgment rendered in favor of the C ity of Colorado for the use and benefit of the West Texas Construction Company against C. M. Tucker, the heirs of C. M. Tucker and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, in cause No. 4614, styled City of Colorado vs. C. M. Tucker, et al, in the said District court for the 32nd Judicial District of Texas, wherein the City of Colorado is plaintiff and C. M. Tucker; the heirs of C. M. Tucker and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, are defendants for the sum of Five Hundred Fifty and 40-100 Dollars, $550.40) together with interest form April 23, 1925, at the rate of 6 per cent per annum, and costs of suit, and placed in my hands for service, I, I. W. Terry, as Sheriff of Mitchell County, Texas did on the 15th day of July, 1925, levy on certain real estate situated in the County of Mitchell, State of Texas, and in the City of Colorado, more particularly described as follows, to-wit:

Being a part of Section 44, Block 26, of the T. & P. Railway Company survey, and being the West 40 feet of Lot 6, Block 37, of the City of Colorado, Texas, according to the map or plat thereof recorded in Vol. C, page 250 of the Mitchell County Deed Records, said property fronting 40 feet on the south side of Second street in said city of Colorado, and,

Whereas, said judgment is a foreclosure of a special assessment tax lien as the same existed on August 4, 1923, or at any time thereafter, against all interest held by the said C. M. Tucker, the heirs of C. M. Tucker, and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, in and to the above described property, and said property was levied upon as the property of the said C. M. Tucker, the heirs of C. M. Tucker, and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and on Tuesday, the 4th day of August, 1925, at the court house door of Mitchell County, Texas, in the City of Colorado, Texas, between the hours of 10 a. m. and 4 p. m. I will sell said real estate at public vendue for cash to the highest bidder as the property of said C. M. Tucker, the heirs of C. M. Tucker, the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and on Tuesday, the 4th day of August, 1925, at the court house door of Mitchell County, Texas, in the City of Colorado, Texas, between the hours of 10 a. m. and 4 p. m. I will sell said real estate at public vendue for cash to the highest bidder as the property of said C. M. Tucker, the heirs of C. M. Tucker, the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and on Tuesday, the 4th day of August, 1925

Baptist Notes.

Sunday school attendance was unusually good last Sunday considering the number of our people attending the Christoval encampment. The B. Y. P. U. had their regular meetings, rendering good programs. The pastor will be absent for the next 20 days holding meetings in Runnels county. And because of this, and also due to the fact that the Methodist revival is to start next Sunday, there will be no preaching services at the Baptist church. It is the hope of the pastor that all the people will throw themselves unreservedly into these services and labor prayerfully and earnestly for the master's cause during these meetings.

We feel keenly the need of a great revival in Loraine, and we feel that the words of the Psalmist should be ours, "Wilt thou revive us again; that thy people may rejoice in Thee." There should be a heart cry on the part of the churches for spiritual power and refreshing.

We need growth, prosperity and a deeper spiritual longing throughout Christendom. Greater than numbers, wealth, organization or social influence, is the blessing of a deep, genuine spiritual awakening in the church of God. To do this we must go to our knees, may we not do this.

Reporter.

The series of meetings conducted by the Church of Christ closed Sunday night with a large crowd and much interest. While there were no additions to the church the membership was strengthened and much good done otherwise. The preaching was done by Elder Arthur Holton, president of Thorp Spring Christian College, and the song service was conducted by Prof. McCormick of Oak Cliff. The sermons were instructive and the song services were excellent.

Mr. Malvin Stevenson and family of Sweetwater are visiting in the O. E. Stevenson home this week.

Miss Eloise Foster of O'Donnell is here visiting relatives in the L. D. Teaff home.

Elder L. W. Hayhurst, Christian of Gunter, Texas, will conduct a series of meeting at Champion. beginning Wednesday, July 22nd. Everyone cordially invited to attend these meetings.

Mrs. J. W. Haggard and daughter Wynogene, of New Orleans are here on an extended visit with Mrs. Haggard's parents, Mr. and Mrs. W. S. Erwin and other relatives.

Mr. and Mrs. L. T. Britton entertained as Sunday dinner guests Elder J. F. Richardson and daughter, Mrs. Williams of Robert Lee. Mr. Albert McGaha, wife and children of Mecca, Calif.; Miss Mary Brazil, Cleburne; and Miss Alma Smith, Loraine.

Mrs. J. L. Vivian and children from South Texas are visiting in the Mrs. M. F. Hall home.

J. L. Hall, Stanton; Harry Hall and family, Lubbock, and Editor R. L. Hall of Blackwell News were Loraine week-end visitors.

Mr. and Mrs. Earl Zellner and daughter Emma Louise, have returned from a six weeks visit with Mrs. Zellners mother at La Luz, New Mex.

Mr. and Mrs. D. K. Wray left Tuesday for a visit in the D. H. Langford home at San Angelo. Miss Maud Langford, who has been visiting friends here accompanied them.

Mrs. J. W. Smilesy is spending the summer with her son Mr. Gene Smiley of Lubbock.

Mr. W. R. Clark of Bronte is spending a few days visit here with his daughter, Mrs. Floyd Richey and family.

Mrs. M. G. Martin and daughter Miss Hazel from Abilene are visiting in the G. W. Whitten home.

Mr. Mike Looby has returned from Houston where he has been attending school at Rice Institute.

Mrs. S. W. Givens and family moved in from the country to their home here this week.

Methodist Church Notes

We had on roll last Sunday 283. Subject of our lesson was "Paul's Preaching and Its Effects." Mr. Roy Edwards filled Superintendent J. M. Bruce's place. The Methodist meeting will begin July 19th, with Rev. R. N. Huckeby of Rotan in charge. Everybody is invited to come and take part in the meeting and help to make it a success—Reporter.

J. P. Luttrall and family of Lamesa made a short visit with acquaintances here Monday on their return home from a visit to Abilene.

Elder J. F. Richardson, Primitive Baptist minister of Robert Lee, filled the pulpit at the Presbyterian church here Saturday night and Sunday. The Primitives will not have services next Saturday and Sunday, their regular date on account of the Mt. Olive Association to be held at Regency, Mills county the 17th, 18th and 19th.

Officers elected Friday night at the close of the Scurry County I. O. O. F. Association which met here Friday were: Mr. Wendell of Hermleigh, president, C. M. Jackson, vice president; Mrs. C. M. Jackson, secretary. To be installed at the next meeting of the Association to be held in January at Snyder.

The city council has ordered an election to be held August the 11th for the purpose of voting a $30,000 water bond to supply a water works system for Loraine. A diagram of the water works system to be voted on can be seen at the office of Britton & Smith. It would be well for every citizen to visit the office and look the plan over as the economy and protection against emergencies with such a system can be seen at a glance. Visit the office, look the plan over, think it over, come over and help make it over in Loraine August 11th.

Excavation work expected to be completed this week, began Monday at the rear of the Auto Supply Station where Mr. H. K. Sadler is installing a large underground storage tank of 11750 gallon capacity.

Mr. M. E. Moore of Cisco is visiting his son, D. C. Moore and family.

Mr. and Mrs. W. F. Barrett who have been visiting in the D. C. Moore home returned to Lamesa Monday.

W. A. Jennings and sons are busy with the hay crop on their ranch near Maryneal this week.

Messrs H. A. Foy, Rowland Hall, and A. Foy are seeing after business interests in Tom Green and Reagan counties this week.

Messrs A. G. Furlow and G. A. Hutchinson left Tuesday for points in South Texas to be gone possibly 10 days.

J. C. Davis associated with Philpott, florist, Abilene, visited his grandmother Mrs. Lina McGee and other relatives here Friday night returning to Abilene early Saturday.

Mr. Frank Seger and family are visiting at Brownfield this week.

Messrs. S. V. Sweeney, Hillsboro and W. C. Abbott, Frilby, Florida, who is spending the summer in Texas, have returned to Hillsboro from a few days visit with relatives here.

Mr. and Mrs. W. L. Davis spent the week-end with relatives here leaving Monday for a visit to their ranch home near Sherwood.

Mr. Jno. Reed, wife and children and Mrs. Lillian Reed were here from Sterling City attending the meeting and visiting relatives for the week-end.

Miss Eula Bell Swafford is visiting in Eastland this week.

J. A. Honea and wife are visiting at Abilene this week.

Miss Edna Mae Davis who has been visiting her cousins, Ethry and Armetta Dean for the past month, returned to her home at Brownwood Monday.

Miss Willie Pearl Pendergrass arrived from Beaumont Sunday for an extended visit with her uncle, Mr. W. A. Pendergrass and family.

Mrs. W. S. Thomas returned Monday from a few days visit spent in the J. K. Blackard home at Snyder.

Mr. Emmett Richardson of Colorado has accepted a position in the First State Bank here and he and Mrs. Richardson are at home in the G. W. Hendrick residence formerly occupied by Mr. and Mrs. A. J. Florence, who moved to Pecos City last week. We are glad to add that word has been received from Mr. and Mrs. Florence that they are planning to return to Loraine as soon as a house can be secured.

TO PROPERTY OWNERS

The City Health Officer and the Civic League are asking the citizens of Colorado to do something that will enhance the value of their property, beautify and make more sanitary the town without adding anything at all to their taxes.

The thing we are asking lot owners to do is to cut the weeds on their vacant property. There is a city ordinance (see another column) making this cleaning up compulsory, but we feel that if the owners will only realize how much this cleaning up will beautify the town, what it will do toward abating the fly and mosquito nuisance, and from a health standpoint, they will gladly comply with this ordinance.

Many lots next to business houses are most unsightly and unsanitary. Many in the residence portion are mosquito breeders and most unlovely to look upon. So for the good reputation of Colorado, as an answer to the request of your City ealth officer, and your Civic League, we urge you to cut weeds before the first of August. Do it now without waiting to be made to do so.—The Civic League.

Fishing Crowd Returns.

Mr. and Mrs. Ed Jones and little daughter Gladys, L. H. Gaskins, R. P. Price, Homer Hutchinson Jr., J. W. Shepperd Jr., Willis Jones, Robert Whipkey, James Joyce; Misses Marcella, Loyce and Page Price, Mary Broaddus and Maxine Root, have returned from a ten days fishing and camping on Devil's River near Del Rio. The young people report that they had a jolly time and plenty of fish.

Ni-Late kills insects of all forms, yet non poisionous or harmful to human life. Does not soil most delicate fabrics. Sold by Colorado Drug Company.

Birthday Party

Mrs. J. D. Wulfjen entertained seven little boys and girls on the lawn of Mrs. Everett Winn Monday, honoring the seventh birthday of her little granddaughter, Ina Joe Wallace of Tucson, Ariz., who, with her mother is here for the summer. games were played on the lawn and after the cake, with seven candles, was admired it was served with ice cream. Horns were given as favors. Each little guest left a gift in memory of the pleasant occasion.

Mr. and Mrs. Van Ellis and children have returned from Cisco where they have been visiting Mrs. Ellis parents the past few weeks.

Bro. Bailey and family were visitors in Abilene Monday and Tuesday.

Mrs. Edd Bell visited her father and brother near Colorado from Saturday til Monday.

The play, "The Arizona Cowboy" was staged at the Westbrook school house Saturday night, on account of threatening weather the crowd was small but those present said it was a good play and well rendered.

Mr. Estel Skelton came near having a serious accident Tuesday when he and his father and children were returning from Big Spring. Mr. Skelton had a blow out which caused him to lose control of the steering wheel and the car went in the ditch, several of the children were thrown out of the car and were somewhat scratched up but none of them were seriously hurt.

Mrs. Clyde Miller and children have returned from Cooper, Texas, when they have been visiting relatives and attending the funeral of Mrs. Miller's stop mother.

Last Wednesday at 12 o'clock the death angel entered the home of Mr. and Mrs. Horace McDonald and took from their care and keeping their only daughter, little Bettie Joe, aged 1 year, and 2 months. She had been seriously ill for the past three weeks and at the time of her death was in the home of her grandmother Mrs. Fannie McDonald. Funeral services were held at the Baptist church Thursday at 10:30, Bro. Bailey officiating, after which the little body was tenderly laid to rest in the Westbrook cemetery to await the coming of the One who said: "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven." Among the out of town people who attended the funeral of little Bettie Joe were Miss Bernice McDonald of Abilene; Mrs. Odle of Mineral Wells, mother of Mrs. McDonald, and two brothers, one from Grapevine and the other from Mineral Wells.

Mrs. Cromer of Ft. Worth came in Thursday to visit in the home of her father, Mr. E. S. Hudson for a few weeks.

The revival meeting of the Methodist church started last Sunday. Services are being held at the newly erected tabernacle near the Baptist church. Everyone is cordially invited to attend these services from time to time.

Mr. and Mrs. N. A. Terrell went to San Angelo Sunday to visit Mrs. Terrell's sister-in-law, who is recovering from a serious operation.

Mr. C. A. Hudson and family of Merkel were visitors in the home of E. S. Hudson Monday and Tuesday.

The women of the W. M. U. served chicken dinner with all the fixings at the new tabernacle Saturday. Quite a large crowd were present to partake of the delicious things which were prepared by these good women. More than one of the Methodist men were heard to say that the next time he married it would be a Baptist.

What is Ni-Late? Ask any one at Colorado Drug Co.

The women of the W. M. S. sent a nice box of linens consisting of towels, sheets and pillow cases to the Scarritt Bible and training school at Nashville, Tenn., this past week.

Mr. Syler and wife went to Breckenridge Sunday to visit friends for a few days.

LOCAL OPERATOR AND COLORADO GIRL MARRY

Charles H. Green of Sweetwater and Miss Maude Williams, Colorado, were united in marriage at the Methodist parsonage in Roscoe by Rev. Coppage, pastor of the church at that place, Tuesday night at 9 o'clock.

Green is a son of Mr. and Mrs. J. W. Green of Roscoe, and he was reared in that city. Recently he has been a linotype operator on the Dallas News, but is now operator on the Sweetwater Reporter.

The bride is the daughter of Mr. and Mrs. Ira Williams of Colorado, having moved to that city some time ago from Roscoe, where they lived for several years. Mrs. Green was a teacher in the Roscoe schools for two years.

The young couple are now making their home in Sweetwater. Mrs. Rondo Whorton, a sister of the groom was the only witness to the wedding. —Nolan County News.

ABSTRACTS OF TITLE

With a well equipped abstract plant, with my 30 years experience in land titles, I am prepared to compile abstracts, cure defects in and pass on titles. Your business solicited.

W. S. STONEHAM

CALIFORNIA COMPANY WILL DEVELOP LARGE LEASE TRACT

The Calfiornia Company, holder of twenty-nine sections in Crockett and Reagan counties north of the Humble well on the L. P. Powell ranch, perhaps the largest solid tract under lease by any of the big companies, has not completed plans for development there, W. F. Vane of San Francisco stated Monday.

Mr. Vane is manager of the land and lease department of the California Company was here with R. C. Stoner, also of San Francisco, assistant general manager of the production department; W. M. Simpson California manager in West Texas; L. W. Orynski, J. M. Charlton and E. C. Edwards, all of Colorado, Mitchell county. The party had been to Crockett and Reagan counties and was en route to Culberson county, where the California is drilling a well. The company also is planning to drill in King County. It is probably the largest producer in the Mitchell county field.—San Angelo Standard.

OIL NEWS REPORTED BY THE BIG SPRING HERALD

At the Humble Oil Company's deep test on the Slaughter ranch, northwest of Big Spring, the drill is pounding away in a rock salt formation below 1750 feet. This rock salt was encountered some four or five hundred feet deeper than it was found in the test wells on the McDowell ranch south of Big Spring.

A new steel derrick will be used at the new test on the McDowell ranch, south of this city. A new boiler and engine have also been installed at this location. If no unforseen delays are encountered this well should be spudded in the last of this week.

This test is a little more than a mile northwest of McDowell No. 1.

The chief geologist of the Gulf Co. selected the location for this test.

With the Gulf Production Company getting shaped up to spud in the WNIwv,ai| shrdl cmfwy mfwym their new deep test for oil about one and one quarter miles northwest of the McDowell well No. 1, a small producer for more than three years; with the Marland Oil Company blocking up acreage for five deep tests—several blocks having already been completed, and the Roxana completing a block for a drilling test, it begins to look like the big oil companies have decided to thoroughly test out this territory.

The Humble Oil Co. is making good progress in their test on the Slaughter ranch northwest of this city and at least one other test is being planned northwest of Big Spring.

The Sloan Oil Company is also to make one or two tests southeast of Big Spring and the Deep Rock Oil Company is to make one test.

Within the next ninety days several drilling rigs should be on location to start operations.—Big Spring Herald.

STERLING OIL NEWS

The Hardy Cedar Hill well, 13 miles northwest was drilling past 95 feet a few days ago. A cave-in in the water well slowed up operations for a few days this week.

Operations at the Northup well 13 miles north of here has been suspended for the last week. This well is 2500 feet deep.

J. A. House, head of the local casing crew, reports that he drew 3200 feet of 6-inch casing out of the Mims well 11 miles east of here this week. Mr. House says that straight reaming is now in progress at this well.

Drilling in the Clark well 12 miles southeast of here continues. This hole is past the 2600-foot level.

Drilling was resumed in the Hull well 17 miles southwest of here on the Moses Herrin survey this week.

The Wrightsman prospect on the F. G. Howard survey, 13 miles southwest of here will soon be ready to spud. Nearly all the machinery has been installed, and it is only a matter of days until the drill will start.

The White Eagle Mills No. 1, in H. M. Mills' pasture, 13 miles southwest of here is rapidly taking shape, and in another week the drill will be going at this new location.

Durham well No. 2 still responds nicely to the pump. Oil men say it is a pity to use such a fine grade of oil for boiler fuel.

The drilling is going day and night, and good progress is being made.

Reynolds well, 11 miles west of here shut down at 3002 feet on the 3rd inst. The drillers are anxious to go down on this well, because they stopped at a point where the chances were very flattering for oil.

The crew of the Cogdell & Ford well 5 miles southwest of here is still busy.

For the present, operations are suspended at the Douthitt well pending a hitch in the land titles. Interested parties are anxious to get their titles in good shape before going any deeper. It seems that development of an interesting nature is expected when the drill starts again.

The Magnolia Company is drilling the Mary Foster well No. 1 in W. L. Foster's pasture 4 miles south of Iatan in Mitchell county. They had past the 1250 mark last week. This Company is buying up all the royalties from the owners of the lands surrounding the well. This well is a mile southeast of a well drilled by the same company two years ago, and where a fine showing of oil was encountered past 2600 feet.

The Big Lake and World fields in Reagan and Crockett counties are making the world sit up and take notice. It is now in the producing stage and does not get much publicity.—Sterling City News-Record.

A WISE SPIDER

When Mark Twain was editing a Missouri paper, a superstitious subscriber wrote him that he had found a spider in his paper, and asked Mark if it signified good or bad luck? Twain replied:

"Old Subscriber:—Finding a spider in your paper was neither good or bad luck for you. The spider was merely looking over our paper to see which merchants are not advertising so that he can go to those stores and spin his webs undisturbed."

PROBATE NOTICE

THE STATE OF TEXAS.

To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceeding the date of the notice in the County of Mitchell, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Probate of Will.

THE STATE OF TEXAS

To all persons interested in the Estate of B. C. Kitchens, Deceased; M. P. Kitchens has filed in the County Court of Mitchell County, an application for the probate of the Last Will and Testament of B. C. Kitchens deceased, filed herein, and for letters testamentary thereon; which will be heard at the next term of said court, commencing the First Monday in September A. D. 1925, at the Court House thereof, in the City of Colorado, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said court at office in Colorado Texas, this July 6th, A. D. 1925.

(Seal) J. LEE JONES,
Clerk County Court, Mitchell County, Texas. 7-17c

I hereby certify that the above is a true and correct copy of the original writ now in my hands.

I. W. TERRY,
Sheriff Mitchell County, Texas.

WRITERS' CONFERENCE.

The fourth annual session of the Texas Agricultural Writers' Conference will be held at College Station during the Farmers' Short Course July 27-August 1. The session will be held in the conference room of the Extension building every afternoon of the short course week. The forenoons are left open to enable the press people to attend the several meetings of the short course proper. The writers and school superintendents will dine together as heretofore and the social entertainment will be provided at the noon and evening meals under the direction of Mrs. M. R. Bentley of Bryan, and Miss Violet Short of College Station. The program will allow liberal time to each number to give opportunity for all who attended to take part in the discussion.

HIGH SELLING RECORD

June is another record-breaking month for Hudson and Essex cars, with business good and public demand exceedingly active, according to O. B. Price, local Hudson-Essex dealer.

"This will prove the sixth successive month in which all previous totals of Hudson and Essex business are surpassed," said Price, "Starting with January of this year, Hudson-Essex started in the habit of breaking records. In each month since then it has bettered all former marks.

"In so doing, Hudson-Essex has become the largest and most popular line of six cylinder cars this or any other year ever knew. The more than 100,000 cars which have been made and sold this first sixth months of 1925 would be in fact a most handsome output for an entire year. But the public demand for the cars which has called for this volume is on the increase and still greater Hudson-Essex marks may be looked for in the last half of the year.

"The reasons behind this extraordinary record are of vital interest There is no one single feature of the Hudson-Essex construction on which public interest has centered; but there is all-around standard of well-balanced value whiich we considered unmatched elsewhere—and apparently the public agrees with us.

"The question of delivering cars is a most serious one. We are actually unhappy when business is so active that owners cannot obtain cars as quickly as they want them. We realize that when a man wants a motor car he wants it at once, and we bend every possible effort to accomodate him, even when there is a country-wide shortage such as we have seen this spring.

"With this feeling on our part, and with the Hudson-Essex plant working night and day, we are making every effort to deliver cars on time. This is not always possible, but we do make every effort. It would help a great deal if motorists would place their orders a little time ahead of the day they actually want their car. That would avoid disappointments."

THE DEVIL

The series of Bible studies given by Dr. Rayburn during the revival meeting was a great treat. Two of these studies were on the subject of the devil. We have made a joke about the devil. Many people joke about the the old devil and think of him as a matter to be laughed about. Those who heard Rayburn will long remember the fact that the devil is a reality.

The devil was created but he was created perfect. Sin entered into him and he was changed from his perfection to that of a deceiver, a blasphemer, a slanderer. In the beginning the devil was the morning star, the bright one. Satan was beautiful and doubtless is still beautiful. He is a person just as God is a person. Of course he is a spirit as God is also a spirit.

The devil is called the prince of the power of the air. Think who a prince is and what is his ruling ability. A prince must have a dominion. He cannot be ruler unless he has something to rule. He is the ruler of darkness. There are only two powers in this world—the power of God and the power of the devil. The devil has power of the moral world. He makes blasphemers. He has power over the physical world. He sends the storms and destroys. He kills. He causes sickness and death. Some folks charge God with killing folks. That's the devil's job. For folks to believe that God kills little innocent babies, that's the work of the old devil. God is a constructive person. The devil is a destructive one. Sin is destructive but salvation conserves. The devil rules the nations of the world. Think of the fact that all the nations of the earth are wicked. Not a Christian nation anywhere. Not a prayer offered at the Versailles Conference. The mightiest gathering known to men as far as results were desired. But not a prayer offered. One man suggested that prayers be offered, but Mr. Clemenceau remarked that they had great problems to solve and had no time for religion. The powers of darkness.

The devil is the god of all wars. James asked the question, "Whence cometh wars?" He knew where they came from. They came from the bottomless pit of hell. We read from the pen of an able writer recently an argument that God was the author of war. It was His method of keeping the world from becoming overpopulated. Whenever we believe that statement we are willing to endorse the methods to prevent children from being born into this world. God said to replenish the earth. To multiply. God does not delight in seeing widows made and orphans made at the point of gas or dynamite. The devil rules Europe and they will fight till the judgement day Think of the cruelties of the past in Europe. Has any great change come over them? None whatever. They are still clamoring for territory. Germany hates France; Turkey hates Italy. In fact, all of them hates one another. You leave God out of a nation and you will have hatred. Think of 14 Roman Catholic nations wanting to come into a League with a few Protestant nations. What has been the history of all Catholic nations? Wars. That is the answer. Rayburn stands against the League of Nations because it meant to tie up with the rottenness of all old war soaked, and moral rottenness of Europe. We are with him exactly. America can make Europe behave better from without than she could from within. At any rate we are in favor of America remaining free from any entanglnig alliances with foreign powers. Israel got into trouble by wanting to make an alliance with Egypt. The devil does not want some folks to marry. And forbids some to eat meat. It is all in the Bible. Read it and see for yourself. Some church leaders you have heard of canot marry and some folks refuse to eat meat on certain days. Why? The spirit of the devil rules, according to Paul and Timothy.

BROTHER KENT READS US A LECTURE

(By E. I. Hill in Tahoka News)

After quoting our editorial on the search and seizure law, the Roscoe Times last week proceeded as follows:

We wonder if the News man is one of the number who told us in the last primary and general election that the liquor question was a dead issue and had no place in the campaign? The liquor question is neither dead nor settled, and just as surely as we place sympathizers in our executive and legislative bodies we can expect the kind of legislation complained of above. When the people of Texas refrain from being swayed by passion and prejudice in their voting and elect men who stand four square for the right then and not until then we make progress in suppressing the activities of the bootlegger and moonshiner. The more hatred, strife and turmoil a candidate can stir up the more popular he becomes, and just why otherwise level headed thinking men will be fooled into voting for this kind of man is a mystery to us.—Roscoe Times.

No use to wonder and worry over what the News man said in the last campaign. Just imagine what a mess editor, if your little pee-wee candidate, Felix Dinky Robertson, had become governor. With Zeke Marvin as his political daddy and boss, the gentleman of 100 per cent whiskey prescription fame, we guess the liquor question would have been settled—beautifully settled—with a political machine in power that would have done more to cause "hatred, strife and turmoil" than the Fergusons could produce in a hundred years. The same thing would have been true if your mongrel candidate, Dr. Butte, had been elected. With Creager and Zeke as his political advisers—well, please excuse us. And speaking of "passion and prejudice" if it had not been for the passion and prejudice Felix Dinky would never have been in the race to start with, and even if he had been he would not have gotten enough votes to black the board. Now isn't that the unvarnished truth, Brother Kent?

It is true that the Fergusons have made some mistakes. We expected them to do so, Brother Kent. They made a mistake when they approved this search and seizure amendment, we think. They have made a mistake now and then in filling the appointive positions. They have made a few minstakes, we believe, in the exercise of the pardoning power, but on the whole the Ferguson administration has been good; and if it were not for the "passion and prejudice" that you speak of your bunch would admit it. The fly in the ointment is that anti-mask law. Come to Texas.

DAYTON MADE FAMOUS.

Dayton Ohio, made famous with automobile tires. Dayton, Tennessee will be made famous when Bryan makes a monkey out of Darwin. The monkey may be in a bad way socially here, but as a business man he has this town all worked up.

Dayton, you know, is the town where monkeys cannot climb the family trees.

Young John T. Scopes is going to be tried shortly for intimating that southern chivalry once wore tails.

But the town realizes that because of the lowly monkey it has been getting advertising that many a town would pay heavy money for.

So, when Dayton comes into its own, the monkey won't be forgotten.

Already certain low conductors on the Southern Railway are singing out "Monkey Town" when the train approaches the red-shingled depot labeled Dayton.

Staid merchants who insist the monkey's place is not in the classroom are adopting business crests of a simian trend.

Drug stores are offering "monkey sundaes." You can buy postcards adorned with coy gorillas and leering babboons.

There is even talk of planting cocoanut trees along Main street. Dayton wants its visitors to feel at home.

In fact, the town may be said to have had a dose of monkey glands ever since Scopes was indicted.

You see, Dayton had been more or less asleep for a decade or two. It was a pretty town, a homey town, but as a business center it was in class O-5.

Then came the indictment, and requests for rooms during the trial began to pour in.

Dayton expects to accommodate 5000 guests beginning July 10.

Further, the entertainment committee, headed by B. M. Wilmer, insists the 5000 will be housed comfortably and at a reasonble cost. The top notch price will be $5 a day for room and board.

Every day scores of requests for accommodations come in. Every home in Dayton will be taking roomers.

Now Chattanooga isn't far away. And Chattanooga had always more or less sniffed at Dayton as a back number.

But Dayton has got even. Her entertainment committee has requested Chattanooga to handle the overflow crowds.

Chattanooga was insulted at first. But then she found that some 20,000 people are included in this overflow and that they will pay good money. So Chattanooga has relented.

There is going to be a big midway here during the trial. A dozen fakers have applied to sell monkeys that hop on a string. They want to sell a special brand of hot dog, which they will call "hot monkey." There will be "monkey pop," too, and a bootblack is preparing to give "monkey shines."

All in all, a visitor who can't get into the trial won't miss much entertainment. There'll be plenty of monkeys outside the courtroom.

Dayton's ball park will be lighted all night and guarded by traffic cops and plain clothesmen from Chattanooga. Parked autos and their contents will be safe as if at home.

In a little tree outside the room where the entertainment committee meets, sits a little bird that keeps singing:

"Coo-Koo—Coo-Koo."

Be Not Deceived

Baths are good. Electricity also is good—for light, heat, and power. Never-the-less a person of ordinary common sense knows that neither a bath nor electricity will correct an old chronic defective spinal condition.

Your life and welfare each depend upon the condition of your spine, just as much so as the same depend upon your environment, intelligence, sunshine, air, water, clothing—and food that you eat. This being true, it is the better part of wisdom to use common sense and have that bad spine examined and corrected by a reliable expert in his profession near your own home town rather than go away and spend 3 or 4 times as much more money than is necessary. Think it over.

The Palace and Mission Theatres show our movie films.

PHONE 76 **C. H. LANE** MASSEUR

CLEAN UP CAMPAIGN NOW ON READ FOLLOWING ORDINANCE

We are printing this week some of the Articles of the City Ordinances on cleaning up. The City Health officer, Dr. Barber, together with the Civic League, is not only anxious to have a pretty town but a healthful town as well. This can only be done by all the citizens working together to make it so. Please read the ordinances published below and help to enforce them. Keep your premises clean and thereby you will help to keep out all contagious diseases, helping your own family and your neighbors.—Civic League.

City Ordinance

Article 45—It shall be unlawful for any person owning, occupying or using premises in the City of Colorado to allow tin cans, bottles, broken glass, oil tanks or cans, barrels, boxes, rags, paper, rubbish, trash or filth of any character to accumulate on such premises. Such accumulations when existing as waste material is declared to be a public nuisance, injurious to the health of the inhabitants of this city and violative of this article. If a box, barrel or other receptacle is kept for storing such material, and when full the contents are hauled outside the city limits, or to such dumping ground as may be designated by the City Council, there shall be no violatnon of this article, but decaying animal or vegetable matter shall not be placed in such receptacle.

Article 47.—The growth of weeds and mesquite, cat-claw and other like brush on any premises in or on any street or alley in this city is declared a nuisance, injurious to the health and comfort of the inhabitants of the City and the owner or person in control or possession of any premises in this City, or using or occupying the same, is hereby required to keep such weeds cut down and burned, and such mesquite, cat-claw and other like brush dug up and burned or removed from such premises and from that portion of any street or alley upon which such premises may be situated, between the line separating such street or alley from said premises, and a line extending along the middle of such street or alley and lengthwise the same; and each day that such weeds or other growth herein specified shall be allowed to remain on such premises or in such street or alley shall be a separate offense.

Article 57.—The doing of any act forbidden or the failure to do any act required by the foregoing ordinances shall constitute a misdemeanor and upon conviction shall be punished by a fine not exceeding one hundred dollars.

RELIABLE DRY GOODS CO. PUTS ON BIG SALE THIS WEEK

A sale which promises to be one of unusual interest, is the big sale now on at the Reliable Dry Goods Co. on Second street. This concern has been in Colorado for some time and has built up a nice business. The firm is housed in its own brick building and the proprietor, Mr. Bodzin, has recently completed the erection of a modern home for himself and family and says he is here to stay. Mr. Bodzin believes in advertising, and states that he expects to have an advertisement in the Record next week that will be of interest to all our readers. Watch for this ad and see what this firm has to say to you. What they tell you will be straight goods and you can depend upon it.

A WISE SPIDER

When Mark Twain was editing a Missouri paper, a superstitious subscriber wrote him that he had found a spider in his paper, and asked Mark if it signified good or bad luck? Twain replied:

"Old Subscriber:—Finding a spider in your paper was neither good or bad luck for you. The spider was merely looking over our paper to see which merchants are not advertising so that he can go to those stores and spin his webs undisturbed."

WANTED—To buy fifty old cars for wrecking—Auto Wrecking Co. 7-24p

WANTED—By student just finishing bookkeeping course in one of the State's best schools, position as bookkeeper for gin or business firm. Two years experience. Can give references PRESTON LAWS, 305 E. 14th St., Austin, Texas. 7-17p

FOR SALE—Have for sale 150 eight weeks old pullets, White Leghorns, full blood and fine at $1.25 each. This is a fine buy. See them at Lambeth and Merritt Poultry Farm. tf

DO YOU OWN A HOME?—If not now is the time to buy while cotton is high and you can pay for it. Every day you neglect it is your loss as well as mine. Land will positively get no cheaper but gradually increase in value. Why? Because they have quit making land and our population is gradually increasing. We are now subdividing the Haddaway ranch in Lamb county just 7 miles west of Sudan one of the best tracts of land on the Plains shallow water, good schools on the land no mabe so about it, is on the highway and in a thickly settled farming district, close to town and on R. R. The price is right and the terms cannot be beat, is from five to ten dollars per acre cheaper than anything else on the Plains. See me I am rearing to go.

I also have 640 acre farm in the Capps Lucus ranch about 20 miles northwest of Colorado, 350 acres in cultivation, two houses and 150 acres more tillable land on it, the price is right. Will trade it for smaller piece of land or take in some good clear town property.

I have also just listed with me the Horton ranch in Martin county, 18 miles northwest of Stanton adjoining the Hall land on south, will cut and sell to suit purchaser, this is good land and in shallow water district, good terms with one-fourth cash down. I also have the furnishings of a rooming house in Colorado for sale, reasonable rent and a money maker. Let's trade some.

A. R. WOOD,
Room 200, Colorado Natl Bank Bldg.

Mrs. Edd Bell visited her father and brother near Colorado from Saturday til Monday.

LOCAL AGENT WANTED

We want a man of character, intelligence, and action to explain and sell our monthly installment and prepaid savings shares in Colorado and vicinity. These shares, especially the monthly installment ones, offer a very attractive means for putting savings on a systematic habit basis. All our accounts earn 8 per cent compound interest for savers. There should be an excellent market for these savings accounts among the salaried and professional men and women of Colorado. We have about sixty customers in Colorado already.

This should be of extra interest to some live insurance salesman, as it would give him an attractive side line, and a means of rounding out his service to his insurance customers.

We will furnish full co-operation with the man selected, in the way of advance literature direct from Home Office to prospect, full supplies, and sales suggestions. This is purely a commission proposition, but is sure to yield a return higher than salary to the man that will devote a reasonable amount of time to this work.

Applicant must be able to furnish surety bond, and should be between ages of twenty-five and forty.

Persons interested in this are requested to write

CHARLES H. COPE, Sales Mgr.
Abilene Building and Loan Ass'n.,

BIG METRO SPECIAL AT PALACE MONDAY-TUESDAY

Metro Special at the Palace Monday and Tuesday, July 20 and 21. "Sinners in Silk," a thrilling drama of rejuvenation. A story of an attractive middle aged man who renews his youth by a Steinach operation and who combines the subtility of maturity with the physical buoyancy of young manhood. This is said to be one of the most daring pictures of today, you will meet the most charming people in the world, on board ocean liners, in fashionable country homes, park avenues, in a villa on top of a New York downtown skyscraper, they will amuse you and thrill you with their deep human drama.

Faust sold his soul to the devil to get his youth restored. Ponce de Leon found Florida in seeking the fountain of youth, in every age great men have dreamed of rejuvenation. But it has remained for our day to make this miracle possible. The Steinach operation has injected a new and dramatic thing into life. You will realize how intensely thrilling this new force can be when you see "Sinners in Silk."

Men who are thinking of taking the rejuvenation treatment, stop and reflect a moment, Merrell (Adolphe Menjou) desired to renew his youth underwent the treatment, and fell in love. See what happened to him in "Sinners of Silk."

The local Boy Scouts had a nice outing at the 1-5 hole on Clear Fork Tuesday night, Scout Executive W. S. Barcus and Scout Master C. G. Campbell piloted the boys down there in the late afternoon and they cooked their supper by open camp fire, enjoyed swimming and some sports before returning home for the night. —Rotan Advance.

No raise in prices. Matinee here every day.

Matinee here every day, starting 1:30 p. m. We have our new fans in now and think you will find the show much cooler and better ventilated.

Regular Prices all this Week

The Unexpected Guest Arrives

She Enjoys Hospitality Made Possible By a Well-Stocked Pantry Shelf

"WHAT a perfectly delicious luncheon!" exclaimed the unexpected guest after her hostess had served a meal of tomato soup, creamed chicken, asparagus salad, hot graham muffins, honey and coffee. "I told you not to go to any trouble, and here you have prepared a feast fit for a king!"

"It was really no trouble at all," replied the hostess. "You see the only thing I had to prepare was the graham muffins. Everything else, even to the coffee came out of a can. That is why my friends are welcome at any time. I have dishes from all parts of the world at a moment's notice because I keep my unexpected guest-shelf stocked with canned foods.

"Do you mean to tell me," interrupted the unexpected guest, "That you live on canned foods!"

"Not exactly," laughed the hostess, "But practically. I have learned that all the food elements found in fresh fruits and vegetables, are retained in the same proportions in canned foods. So I no longer waste time peeling, scraping and cooking as my mother used to do. As a matter of fact, I much prefer canned foods to green foods that have been shipped from long distances and lost their freshness.

"I am sure of the canned foods. I know they have been canned while fresh, and only the best has been chosen. And I know that they are cooked at a temperature hot enough to kill any animal or vegetable parasite that might escape my own cooking. I know that the chances of chemical poisons finding their way into canned foods are most remote because nothing is ever put into canned foods to preserve them. They are processed and sterilized by steam which gains a much higher temperature than water.

"I am usually surer of the freshness of a can of peas or asparagus, for instance, than I am if I buy these vegetables in the market. I may be pretty sure, in the latter case, they have been several days if not a week or two, in transit, whereas I know the canned vegetables have been packed within twelve to twenty-four hours after they are taken from vine and ground, and are canned at their very best."

"Well I never dreamed so much deliciousness could come out of cans," exclaimed the guest. "I am going to stop on my way home and stock up for unexpected guests, myself. The unexpected guest is a dreaded event in our house. What shall I get to start my shelf?"

"First of all," advised the hostess, "I see to it that I have plenty of evaporated milk. You can do everything with evaporated milk you can do with fresh milk or cream, even to whipping it. Then I stock up on tomatoes, corn, peas and both string beans and baked beans, because these are always in demand. There are at least fifty ways of using canned tomatoes, and ever so many ways of serving baked beans. One of my favorite recipes is to put half a can of tomatoes with a bunch of fresh parsley when I can get it, two good sized onions, and two or three green peppers, all cut fine, in a casserole. I add a lump of butter and considerable pepper and salt as the vegetables take up a good deal of salt. I cover the casserole and put it in a hot oven for an hour. It is one of the most delicious of vegetable dinners, with which it is not necessary to serve anything else but potatoes—canned sweet potatoes are good—bread, a light dessert and coffee. Salad may be served but is not necessary. Soup is unnecessary as the juice from the vegetables takes its place.

"Other things I am keen about for my guest shelf are the "ready dishes" or more properly speaking, salads, such as canned mixed fruits with peaches, apricots, pears, pineapple and cherries, and the mixed vegetable salad with seven vegetables, all in one can. With the addition of a little orange or grapefruit juice the mixed fruits make a delicious fruit cocktail, as well as serving the purpose of fruit salad with a leaf or two of lettuce and a little salad dressing. One can get a whole meal out of a plate of mixed vegetable salad.

"Of course there are the ready made mayonnaise and various sauces which are indispensable, and cans of tuna fish, which may be served as a salad, or creamed and in croquettes — lobster, shrimp, salmon and sardines, pimientos and soups and spaghetti. Then one must have other protein foods besides baked beans, such as chicken, a la king and boned, corn beef, dried beef and deviled ham, also desserts of various kinds, such as jams, fruits and puddings. I add to these a little caviar and a few cans of sweet potatoes. I find these potatoes delicious for candied sweets and very convenient when sweet potatoes are out of season.

"With a shelf stocked with all these cans of foods the arrival of the unexpected guest gives me no more worry than a rainy day when I have no inclination to go to market."

WITH THE CHURCHES

BAPTIST NOTES.

With many of the folks away on vacations we need all of those at home on the job each Sunday at all the services. No use to say much about it but we want you to be present next Sunday at all the services. We are having a good Sunday school but what excuse shall we make for those who are not present? You come and make your own excuse, please. Then we are having fine attendance at prayer meeting on Wednesday evenings. We expect each one who reconsecrated himself or herself to the Lord during the recent meeting to attend all these services. Some said they were going to stand by the pastor and help him do the work that should be done. We are trusting they will not forget their newly made vows unto the Lord. Sometimes it is easy to make vows and then it seems easy to break the same but we are hoping that none will be so thoughtless as to take these vows in a light vane. The young people, many of them said they were ready and willing to do anything the Lord wanted them to do. It would be natural to believe the Lord would want all these young people to attend all the services at His house each Lord's day. We are real proud of the attendance at the services each Sunday but are just giving a little warning against neglect. You remember the preacher preached a great sermon on the ruin in neglect. Don't lose out by neglect. We will give you a warm welcome, under electric fans next Sunday morning at the Baptist church. Don't forget the union services at the Tabernacle at night. We hope to see a large audience present that night. Some have thought it hardly worth while to continue these services as the interest does not seem enough to justify it. You come and bring a friend with you next Sunday night. The preacher will do his best to help you.

M. C. BISHOP, Pastor.

ASSN. OF TEXAS PIONEERS ORGANIZED HERE MONDAY

An organization to be known as the Mitchell County Association of Texas Pioneers was perfected here Monday by Adolf Hoffmann of El Paso special field representative of the State Association, with headquarters in San Antonio. Similar organizations are being perfected in every county of the State, Hoffmann stated. Texans who have lived in the State forty five years or descendants of such are eligible for membership.

Those entering the organization here as charter members were Dr. P. C. Coleman, Judge Chas. C. Thompson, W. S. Stoneham, F. M. Burns, W. A. Crowder and Mrs. H. B. Smoot. Others are to be added during the next few weeks, the organizer stated. Hoffmann left Monday night for Sweetwater.

Texas made picture will be shown at the Mission Theatre July 20-21. "Warrens of Virginia." This picture was made in San Antonio, Texas. Its a Fox drama of Civil War. Service men of Fort Sam Houston camp in San Antonio worked with the actors in making this picture, more than two thousand men with mule wagons and equipment help make this wonderful production a success. Different scenes were made in Camp Travis, Camp Pershing, and Fort Sam Houston, also other places near and around San Antonio. Don't forget the date. Matinee every day at the Mission.

MEETING OF COUNTY AND DISTRICT SCHOOL TRUSTEES

On Tuesday, August 4th, there will be held a joint meeting of county and district school trustees of Mitchell county. Dr. P. C. Coleman, president of the county board of school trustees will preside over the meeting, which will be called to order at 1:30 p. m. Matters of interest to school trustees and school patrons will be discussed and especial effort will be made to let the trustees of each district know what the other districts are doing.

The program which is being worked out by Dr. Coleman, and the Co. Supt. will include addresses on local school problems, recent school legislation, etc. There will be one speaker from the Rural Aid division of the State Department of Education. While this is primarily a trustee's meeting all patrons of the school and all friends of education are urged to be present.

What is Ni-Late? Ask any one at Colorado Drug Co.

FARM BUREAU SPEAKER BE HERE THURSDAY, JULY 23

C. O. MOSER, Secretary.

A special invitation is being extended the business men of Mitchell County to attend the cotton co-operative marketing meeting which will be held at Colorado, Thursday, July 23, at 8 p. m., according to officials of the Mitchell County Farm Bureau. At this time Mr. C. O. Moser, secretary of the Texas Farm Bureau Cotton Association and Secretary of the American Cotton Growers Exchange, will address the members of the association and other cotton growers of the county. He will go into detail with regard to this cotton marketing program and is an authority on this subject. The Exchange with which he is connected officially handled more than 1,000,000 bales of cotton last season.

"It is seldom that we have an opportunity of hearing such an authority as this may," W. W. Porter, secretary of the Mitchell County aFrm Bureau, said, "and since co-operative marketing is reaching the proportions that it is, it behooves all of us to eccept every opportunity of becoming better informed on it." Porter also stated that "while the cotton growers themselves are specifically interested in the marketing of their cotton, that all business interests are likewise involved for upon the prosperity of the farmers depends the prosperity of the communities and all business in the community." Steps are being taken to bring out a large attendance of both farmers and other business men of the county.

Rising Young Star Fond of Cooking

Claiborne Foster.

Claiborne Foster, that clever little lady who makes Harry Conners play, "Applesauce," the outstanding comedy success of the year, is an extraordinary young woman. She is generally recognized as one of the rising young stars of the American stage and her services and company are always in demand but such is her nature that she shuns the "bright lights" and leads a simple and unostentatious life wherever she may be. She is essentially a home girl, being passionately fond of cooking, an art at which she is very adept, and much of her leisure time is spent in the modest little kitchenette of her apartment. When not playing in some production, Miss Foster may be found at her home a short distance from New York city, where she revels in the joys of cooking for the whole family and her friends and spends her vacations doing the work of the ordinary housewife.

There are two dishes which are regarded with more favor by Miss Foster, than are any others. These are Bronk shrimps and chicken en casserole. She uses the simplest of formulas but insists upon the purest of ingredients, using pure butter, and evaporated milk. The recipes that she uses are:

Bronk Shrimps.

2 cups shrimps, canned or fresh	Yolks 2 eggs
4 tbsp. fat	½ cup evaporated milk
½ tsp. salt	½ cup water
Few grains cayenne	1 tbsp. flour
	2 tsp. lemon juice

Clean the shrimps, and cook in half the fat for 2 minutes; add seasoning and lemon; cook 2 minutes longer. Remove shrimps and make a white sauce of the remaining fat, flour and milk; when thickened add yolks of eggs slightly beaten, stirring in quickly and cooking two minutes; add the shrimps.

Chicken en Casserole.

1 tender chicken for roasting	1 cup evaporated milk
2 tbsp. butter	1 tbsp. chopped parsley
2 tbsp. lard	2 cups chopped mushrooms
Salt and pepper	
1 pint hot water	

Clean chicken, split down back, and lay breast upward in casserole. Spread fat over breast, dust with salt and pepper, add hot water, cover closely and cook in hot oven one hour. When nearly tender put in evaporated milk, mushrooms and parsley. Cover again, and cook 20 minutes longer. Serve hot in casserole.

HOUSES WILL CLOSE FOR BENEFIT BALL GAME

STORY OF INDIAN FIGHT AT PACK SADDLE MOUNTAIN

BEN C. STUART

In August 1873, a desperate encounter took place at Packsaddle Mountain, Llano County, between eight cowboys and twenty-one Apache Indians. The names of the cowboys were William B. Moss, S. R. Moss and S. B. Moss, three brothers, and Ele Lloyd, Archer Martin, Pickney Ayers, Robert Brown and E. D. Harrington. A party of twenty-one Indians had entered Llano County and established a permanent camp on Packsaddle Mountain, from which they began to make raids upon the adjacent ranches. On the evening of August 9, 1873, a cow came up to the ranch of Mr. Moss with an arrow sticking in her body, the first intimation of the presence of Indians the people had.

The next morning the eight cowboys named above, each armed with a Spencer repeating rifle and a six-shooter, left the ranch in search of the Indians. They soon struck the trail of a large party and followed it to the foot of the mountain. Being confident that the Indian camp would be found on the summit of the mountain they cautiously proceeded until about half way to the top, when they discovered an Indian sentinel seated on a rocky ledge with a small mirror in one hand while with the other he was busily engaged in adorning his face with paint. He was so engrossed in making his toilet that he failed to discover the cowboys until they were in a short distance of him, when he dropped glass and paint and with a loud yell dashed away. Following as rapidly as the nature of the ground would permit the cowboys soon came to a small plateau at one end of which was the Indian camp and at the other the horses staked out to graze. The punchers dashed in between the encampment and the horses and dismounting, made ready for battle. The Indians seized their guns and after firing a volley at the boys, rushed upon them in a body to drive them from their position and regain possession of their horses. Four of the cowboys were wounded at the first fire, three of them so badly they were unable to fight, leaving only five to contend against twenty-one Indians. But as the Indians came to close quarters, the cowboys poured such a continuous and deadly fire upon them from Spencer rifles and revolvers that the savages faltered and finally fell back to their old position at their encampment. They however quickly formed again and charged the cowboys with the evident determination of driving them from their position at all hazards, but the Texans stood their ground, and a desperate and almost hand to hand conflict ensued, the Indians again being repulsed. After the repeated charges, all of which were repulsed, the Indians finally retired into some thick undergrowth in the rear of their encampment, and being entirely screened from view the cowboys, supposing they had given up the fight, laid aside their guns and turned their attention to their wounded comrades.

In the account of the battle furnished by an old frontiersman and printed in Wilbarger's work, he says: "While thus engaged, the Indians, headed by their indomitable young chief who had made himself so conspicuous in the fight by his daring, emerged from the thicket, apparently with the intention of making another charge upon the Texans. The latter quickly sprang to their guns, and quietly awaited the onset. But when the Indians saw that the boys were ready to give them the same reception they had met with in their previous charges, they advanced but a few paces beyond the thicket and came to a halt. The young chief then turned and made them a harangue. The boys could hear every word he uttered, but although they know by his vehement features that he was urging his men to make one more effort to drive them from their position. But his harangue was of no avail. The sight of the cowboys and their deadly Spencer rifles leveled toward them was too much, and they refused to advance. At length, finding he could not induce his men to make another charge upon the Texans, he waved them back contemptuously with his hand and turning deliberately advanced solitary and alone toward them. He had a Winchester rifle in his hand, and every few paces he would stop and fire upon the cowboys. In this way he continued to advance until he was within a few yards of the place where the boys were stationed, when he fell dead pierced by half dozen bullets. He had evidently made up his mind to die rather han to return to his people in disgrace. As soon as he fell his men retreated into the thicket, carrying with them in their blankets several of their dead and wounded. The chief and two others were left dead on the ground. The boys did not attempt to follow them as one-half of their number wers wounded, three of them seriously. The Indians lost everything they had but the arms the survivors carried off with them. The boys got all their horses, among them some very valuable ones, a large lot of robes, some fine Navajo blankets, silvermounted saddles, Winchester and Henry rifles and revolvers and camp equipments. Among the saddles was one marked with the name of the maker and 'Tucson, Arizona,' From this fact, as well as the fact that those Indians were much better armed and equipped than the Comanches, it is supposed they came from Arizona. This was the last raid they ever made into Llano County.

You wouldn't dare think of criticising the manner in which the stores and banks are run in your town, but the newspaper, if it is not run according to your thinking is a worthless thing and the editor is too sorry for anything.—Merkel Mail.

SCURRY COUNTY HAS TEN PER CENT INCREASE IN ACREAGE

SNYDER, July 16.—Scurry county has approximately 125,000 acres of land under cultivation this year. This acreage represents a ten per cent increase over last year, according to the county agent approximately 95,000 acres is planted to cotton.

This county had practically no rain until early in the spring and a great deal of the land had not been prepared for planting before the first rains. The fact, in connection with the retarding of the plant life by insects, especially lice and web worms has cut the probable cotton yield in this county by 10,000 bales, according to the county agent. This figure is arrived at by the testimony of experienced farmers who say that the crop was cut short last year 5,000 to 6,000 bales by the ravages of insects. The lice appeared on the cotton this year much earlier than last year, thereby doing much more damage in checking the growth of the plant.

Of the 30,000 acres planted to feed and forage crops the greater portion was planted early in the season. Due to the extremely dry weather in most communities during the past four weeks, it appears that the early feed crop will be light.

Practically all parts of the county have received rain since July 1. The precipitations ranging from six inches in some communities to only one in others. Although spotted, these rains have done a great deal of good where there was any under ground season at all, and where the land had been put in a high state of cultivation. In the sections that are so favored, the crops are in excellent condition with indications that the lice has ceased its destructive work.

The county agent has just returned from an overland trip through Fisher, Jones, Haskell, Knox and Wichita counties and other sections of the State. He says it is his candid opinion that Scurry county has as good crops as any other county he passed through and in many instances much better. Mr. Carmachael the county agent, said further: "With intensive cultivation in the latter part of this month and in August, Scurry county should, with a few more showers, make a heavier cotton crop than last year, despite the rather poor start." There was ginned in this county last season a little over 30,000 bales. According to this statement and the statements of other reliable parties, the present cotton crop looks good at this time for 35,000 bales in this county.

CARD OF THANKS

We take this opportunity to extend to one and all our friends and neighbors for their many and sincere kindnesses extended to us through the sickness and death of our beloved wife, mother and sister, Mrs. Cora Coburn. We are indeed greatful for the floral offerings and words of sympathy extended to us in this sad hour of death.

M. T. Coburn and family,
H. F. McCorkle and family.

John Geer, for some time local manager for the West Texas Electric Company, is to leave Colorado after this week. He is being transferred to Decatur, Wise county. J. W. Carpenter of Dallas, general manager of the Texas Power & Light Company, of which the West Texas Electric properties are a subsidiary, stated Tuesday that a man to take Geer's place here would arrive in Colordo within the next few days.

STATE HIGHWAYS LEAD THRU SCENIC COUNTRY

Texas offers a wonderful mountain drive of 600 miles through a scenic play-ground section of the State. From San Antonio the drive leads westward to the Davis Mountains, a distance of 400 miles and from this point on to El Paso an additional 200 miles. The elevation ranges from 700 feet at San Antonio to 8000 feet at the Davis Mountains. The highway winds through over the hills and mountains where numerous springs break through the rocks to form the waters of the Guadalupe and Llano rivers.

Vacation camps and auto camps offer the opportunity for way-side stops. Through Big Josua Valley, on up and by Phanton Springs, and thousands of acres of irrigated land the 600-mile mountain drive leads going westward into the Balmorhea valley and the shadow of the Davis Mountains.

State Highway No. 2 leads from Dallas south through Waco, Austin and by beautiful Landa Park at New Braunfels, Wonder Cave at San Marcos and on to San Antonio.

Caddo Lake, Harrison County, greatest fishing waters in the Southwest, offers inviting outing and vacation facilities and pleasures. Good state highways lead from all sections of the state to this immense lake preserve, from Dallas to Marshall and thence fifteen miles to Caddo, or from Waco, Austin or San Antonio, the highway affords a splendid motor drive.

Through the columns of the Times the business men of this city are inviting the citizens of this trade territory to try Roscoe first when they are in the market for the necessities and luxuries of life. These men are our personal friends and are anxious that we may all come together in a co-operative way for the upbuilding our town and community. They solicit your business because they know they are in a position to sell you dependable merchandise as cheap or even cheaper than you can purchase it elsewhere. We would ask that our readers first try their home merchant, and if you find that you can get your goods from them then we maintain that it is to your financial interest to do so. Prosperity will not attend us if we flirt with our opportunities. Lets cultivate a spirit of co-operation one towards another.—Roscoe Times.

Ni-Late is used by the State of Texas as disinfectant, germicide and insecticide in all State institutions. Also sold by Colorado Drug Co.

IN SOCIETY AND AT THE CLUBS

COUNTY FEDERATION

The Mitchell County Federation of Women's Clubs met out with the Pioneer Club at the club house. The president, Mrs. Jim Johnson presided. All the reports given by the clubs and chairmen showed that much good work is being done, even though the weather is hot. The library chairman reported some new books had been bought and all were in use most all the time. She stated the library would be open all during the summer. Mrs. Merritt, district chairman of scholarship and loan fund, reported Mitchell county well up with its quota and she had had an application from a grandmother in another part of the district for a scholarship to Sul Ross as she was anxious to have one year's training in this school. Ten dollars was voted for the expenses of the two girls who recently won in the clothing contest, for their trip to A. & M. short course.

Miss Sealy reported the rural clubs were now busy canning and preserving fruits and vegetables for home consumption and fancy packs for the fair.

Besides the splendid reports given by the rural clubs in the way of sales of milk, butter, eggs, chicken and vegetables and the great quantities put up for home use, we were treated to a picture of garden specimens that are grown in West Texas for the needs of the growers and to spare. This club has entered the State garden contest and one of the rules is that two demonstrations of the products must be given within the year. The table was loaded with fresh vegetables grown in the different gardens and back of these were vases of old time flowers that can also be grown in the garden spot of Texas. —Mitchell county.

We are sure we will leave out some of the good things but here is a list our eys caught: Irish potatoes, cabbage, okra, spinach, green tomatoes, ripe tomatoes, squash, cantaloupes, roasting ears, black eyed peas, butter beans, four kinds of beans, carrots, cucumbers, peppers, lettuce, onions, beets.

Following the program the women assisted by their daughters, served plates of English pea salad, fried chicken, bread and butter sandwiches and iced tea garnished with slices of lemon, followed by pie a la mode.

These lovely refreshments were possible because of the beautiful spirit of co-operation and work. One of the fruits being a community spirit. The foundation of this was laid when these club women assisted by their progressive husbands built and equipped the neat little but commodious club house.

It would be a story of itself to tell how this was accomplished but suffice it to say it was done and Mitchell county homes are the richer for it. The inside is finished with restful colors, the floor stained and the furniture consisting of gray chairs, tables, painted by their own hands, shades are at the windows a good oil stove is in one corner, while in another is cabinet in which are dishes and cooking utensils. Not only do the women use this house but the girls of the community use it in their club work.

While we saw and experienced all these good things our hearts beat with gratitude to our far seeing County Commissioners for giving to Mitchell county our home demonstration agent, for verily, she is one of the biggest assets in the county, for as goes the homes, so goes the world.

The next meeting will be August 11th at the American Legion Hut.

Mah Jong and Bridge.

Misses Ruth and Katherine Buchanan entertained with bridge and Mah Jong Tuesday from five to seven honoring Miss Gladys Steadham of Montgomery, Ala., a former high school teacher here and who is here visiting friends. After the games a salad course and orange and angel food cake were served to the following: Mesdames. Ledger Smith, Thos. R. Smith, C. R. Earnest, Roy Buchanan, Claud Hooks, Harry Ratliff, Pearl Shannon, Lois Bennett, Charles Thompson, Thomas Dawes, Floyd Quinney, Misses Martha Earnest, Irma Sealy, Ruby McGill and Mildred Coleman.

Wedding Anniversary

Mr. and Mrs. G. F. Adams celebrated their 42nd wedding anniversary last Sunday with a sumptuous dinner provided by their children. Mr. and Mrs. Adams were lured away from home for a while by two grandchildren and when they returned they found the feast prepared by the loving hands of their daughters. The children present to wish them many more wedding anniversaries were: Mr. and Mrs. T. J. Powell and family; Mr. and Mrs. T. S. Snowden and family; Mr. and Mrs. John Hooks and family; Mr. and Mrs. Homer Johnson and family and Pat Adams.

Sunrise Breakfast

The Little Sisters with their superintendent Mrs. J. B. Dobbs had a sunrise breakfast and swimming party at Round Rock Monday morning. An unusually good time was had by all who went.

Harmony Club.

Mrs. Bradford Landers was hostess to the Harmony club at home of her mother, Mrs. J. E. Chase, Tuesday. The invited guests were Mesdames L. W. Sandusky, Dewey Tidwell, H. P. Slagel, Bill Simpson, Misses Clippie Bennett, Hazel Costin, and Ruth Lane of Kansas City. The hostess served orange cocktail, orange ice in half canteloupes and cheese niblits. Mrs. Lupton will be the next hostess.

Tea for Mrs. Royall Smith.

Mrs. Thomas Dawes poured tea to a few friends Monday afternoon honoring Mrs. Royall G. Smith of El Paso who is visiting relatives and old time friends here. The out of town guests were Miss Gladys Steadham of Montgomery, Ala., and Mrs. Charles Keith of Richmond, Va.

U. D. C.

The United Daughters of the Confederacy will meet with the president, Mrs. R. N. Gary Tuesday, July 21st at four o'clock. The program will be taken from the annual. All members are urged to be present.

Auxiliary to Legion.

The Auxiliary to the American Legion met at the Legion hut last Saturday with the president, Mrs. Merritt presiding. Besides the regular routine business it was decided to press the membership drive till Aug. 18th, the time allotted for that. A letter was read from State president, Mrs. Armstrong, urging this unit to come up with its full quota at the State meeting. As the Legion has employed a janitor the Auxiliary voted to have the windows washed. A social meeting was discussed, plans to be completed at an early date.

Daughters of the King

The Daughters of the King met with Mrs. Almond last Thursday. The subject for the devotional period was consecration. Mrs. Merritt led by reading the 12th chapter of Romans. The chairman of the girls club sponsored by this class reported two of them had won trips to A. & M. short course by winning in the county clothing contest. A free will offering was taken to help defray the expenses. One new member was received. Mrs. Cooper, Mrs. Grant and Mrs. Key were guests. The hostess served ice cream and cake. The next meeting will be with Mrs. H. L. Hutchinson.

Circles Meet.

The Baptist women met in circles Monday. Circle No. 1 met with Mrs. McKenzie for Bible Study. There were six present. The next meeting will be with Mrs. Morgan and the study will be from "Winning to Christ." Circle No. 2 met with Mrs. R. L. Bowen with seven present. Plans were made for the study for the coming year. The Helen Wright pledge was paid. The next meeting will be with Mrs. Seale. Circle No. 4 met with Miss Moeser. There were six present. The July pledge on the Helen Wright fund was paid. The circle decided to study "Doctrine of Our Faith" The next meeting will be with Mrs. Greene.

Home Department.

The Home Department of the Methodist Missionary Society met with Mrs. R. L. McMurry Monday. The pastor, Rev. J. F. Lawlis conducted the devotional exercises. Plans were made to welcome the new members who recently united with the church, each member drew a name and is to be responsible for her being invited to the meetings. Pledges were made by those present to help see Miss Jessie Stell, who has offered her life as a missionary, through McMurry College. The church will be asked to match her life with its prayers and dollars. A representative of the I. Z. T. Morris orphans home was present and presented its needs Several garments for the children were promised. The hostess served two kinds of sandwiches and ice tea. Mrs. Oscar Majors will be the next hostess.

Mrs. Harry Hyman of Hyman has received an appointment from Laura Haines Cook, president in general of the National Society of the Daughters of the American Revolution, to serve as a member of the national committee on Genealogical Research of which Mrs. Harvey Tyson White of Brooklyn, N. Y. is chairman. This is quite an honor conferred upon Mrs. Hyman and is not only appreciated by her but by her friends and citizens of this section in general.

The Sunday school class party of girls of which Mrs. C. R. Earnest is teacher met for a business and social meeting with Mary Dickson Smith Tuesday afternoon. The social hour was spent playing croquet. The hostess served pine apple ice and little cakes. Sybil Kiker and Lady Byrd Fowlkes were guests.

Young Mother's Wesley Bible Class

Mrs. H. L. Lockhart was hostess to the Young Mother's Bible Class at her home Thursday afternoon, when a great number of members and visitors were present.

This meeting marked the closing of the first year's work of the class. The motto has been, "Watch us Grow," and in giving a history of the work done by the class, the teacher spoke of the marvelous growth from a beginning with four members to an active enrollment of sixty-eight having been enrolled during the year. Many visits to sick, together with meals, flowers and letters of cheer were reported as having been sent. Words of appreciation and a vote of thanks were extended the retiring officers and the following new officers elected: Teacher, Mrs. J. E. McCleary; Assistant Teacher, Mrs. W. A. Bandy; President, Mrs. T. W. Stoneroad, Jr.; Vice President, Mrs. J. L. Pidgeon; Secretary, Mrs. R. J. Wallace; Treasurer, Mrs. Oscar Majors; Devotional Leader, Mrs. Ed Womack; Musical Director, Mrs. H. L. Lockhart; Chairman Program Committee, Mrs. Tom Hughes; Chairman Social Service, Mrs. A. B. Blanks.

The social program for the afternoon consisted of piano solos by Mary and Alice Hughes, readings by Edith and Katherine Lockhart and two voice numbers by Mrs. Lockhart, Mrs. Thos. Dawes, accompanying.

Guests were Mesdames Simpson, Douglass, McKenzie, Dawes, Royal Smith and Mahan of El Paso, and Mrs. Wilis of Arizona. Mrs. Simpson received the "surprise package." The hostess served brick cream and cake. Next meeting will be with Mrs. Wallace August 13th.

The class extends a cordial invitation to all Methodist women to become members, and any who as yet have not found their place in Sunday school, and especially urges all to be present for the lesson hour next Sunday morning. You will be a stranger only once.

The week-end visitor who comes to this store will appreciate the values we offer on quality Groceries. Note the prices and come Friday and Saturday.

Everybody else trades here, why not you.

BASE BALL

FRIDAY, JULY 17, 5 p.m.

WEST END PARK

Lets step out folks and have a little fun and recreation and at the same time take care of a worthy cause. The Parent-Teacher Association is fostering the movement to build an athletic field on the school campus that will enable our local high school teams to compete successfully with those of our neighbors. In addition ,the association has already begun work of setting the entire school grounds with grass to supplant rocks, and burrs. No one is asked to make a donation at this time but everyone is offered his money's worth in one of the best ball games of the season.

The above proposition must be taken care of. It matters little how it is done. If you do not believe in the physical development of children, if you believe that we need more cake eaters, if you believe our country will thrive under Jelly Bean rule, if you do not believe in a high standard of sportsmanship and American citizenship as is taught in our modern competitive school sports, if you think more of lounge lizards, jelly beans, cake eaters, sob sisters, morally irresponsible figure-heads than you do of men that are real men who believe in fair play, good sportsmanship, clean habits, clean minds and who know how to co-operate with their fellows in all worthy undertakings and if you want your children to be disobedient to authority and impossible to discipline, then you are not asked to support this cause. Otherwise you will be expected to be liberal in your support of it. What do you say?

We are at your command.

GARBER DRY GOODS CO.

WE SHOW THE NEW THINGS FIRST Colorado, Texas

HYMAN HAPPENINGS

Good showers fell over the greater part of this community last Sunday and the prospects for fine crops continue to improve. Much of the feed is about made, and all of it is doing fine. Lice are bothering the cotton more or less, but they seem to be letting up, and none of the cotton needs moisture. Grass is fine, and stock water is plentiful.

Miss Ruth Espy of Eldorado is visiting her sister, Mrs. A. J. Roach, at Hyman.

Mr. E. R. (Uncle Bill) Kellis of Sterling City was a visitor at Hyman Tuesday of this week. Uncle Bill, who finds time to run the county surveyor's office at Sterling when he is not busy editing the Sterling City News-Record, or representing his county in the legislature, states that this was the first time he has been here since he helped to survey this land in 1913. He says he then knew every trail and branch and corner in this part of the ranch, but he could not find his way around yesterday. Too many houses, windmills, fields, etc. With Mr. Kellis was a representative of Case & Hoover, drilling contractors of Sterling, who report that they have contracted to drill the Deep Rock oil test on Section 88, W. & N. W. Block 29, belonging to Mrs. Harry Hyman. They state that material for derrick etc. will be moved out from Sterling immediately, and they were hunting a short way out for the hauling, the existing roads being many miles out of the way.

Mr. Dan Lewis of Colorado has signed a contract to drill the Bill Scott No. 1 and it is understood that work will begin on this well at once. Derrick has already been built. Water will be obtained from Hackberry Creek, and will be furnished by Mr. John D. Lane, who has lots of water, and a considerable interest in this well as it lies close to his home section. This is the well to be drilled by Barnum & Henshaw, on S. P. Block 17, survey 32. Mr. Barnum of the operating company, has been here several times lately, closing up matters connected with the drilling. There is some very high powered geology on this location, and as it is the closest location so far made to the center of this settlement its progress will be watched with great interest.

Drilling at between 2900 and 3000 feet, the Bob Scott No. 1, of Sloan, Owens & Stalker, has reached a depth where every stroke of the 8-inch bit is an event containing possibilities of great interest to the people here. The Westbrook sand, if it is to be found in this well, should be getting mighty close to the bottom of this hole. It is understood that if oil is not found at a lesser depth 3100 feet, which is the contract depth for this well, it is the intention of Mr. Sloan and his associates to drill deeper; to make a deep test of this location. rGeat care has been taken in drilling to the present depth, thousands of dollars having been spent for straight and underreaming and for extra casing to keep the hole free of salt water, and as a result the well is in such shape that the 8-inch hole can be carried for a long way yet. Messrs. Perry Rawlings and Dock Klinger, who are the drilling contractors in charge of the well, deserve great credit for the way in which this test has been handled.

It is understood that the Magnolia well drilling on land of Mr. Foster between here and Iatan, has picked up an oil showing at something less than 2000 feet. If the report is correct it means a good deal to us here, as this test is a number of miles south of any production, and we are still further on down the line "in the trend." Oil in this well would mean that if there is really such a thing as a "Marathon Fold" with oil possibilities all along the line of it, we are bound to be in line, unless the pesky thing jumps over us or dodges around us. The Magnolia test is north of the middle of this ranch, and a very short distance north.

It is persistently rumored that the Co-Operative Lease & Development Company, who are making a test on land belonging to Mr. Douthit, about a mile and a half south of the S. D. Vowell farm in this settlement, had a good oil showing several weeks ago. The well is shut down for some reason, and has been for several weeks. The operators are reported to be endeavoring to get certain matters connected with their lease in better shape. These men deserve to find oil here if there is any merit in patience and perseverence. It has been several years since the test started. Incidentally ,the land owners have also exercised considerable patience. The test is about 12 miles almost due south of the Magnolia Foster test, and most of these miles pass through this settlement.

Watt Collier of Colorado and Mr. Burrell Taylor of Westbrook are spending a few days at Hyman.

Mr. and Mrs. B. F. King of Lubbock formerly of Hyman, spent a few days here the past week.

Mr. and Mrs. Summerford of Ralls, Texas, spent the week-end at Hyman, visiting the family of their daughter and son-in-law, Mr. and Mrs. I. Smallwood. The Summerfords are just starting on a summer trip to their old home in Alabama.

Mrs. Jim Dawson and family of Hyman has been spending the past week with her mother, Mrs. J. E. Lowe of Colorado. While there she had the pleasure of meeting all her brothers and sisters, some of whom she had not seen for many years. Mrs. Lowe has nine children, scattered as families will ,but on this occasion they all met at the home of their mother, and had a regular family reunion.

Mr. Tom Vowell of route two, Colorado, together with five or six of the boys, has been down for a couple of days helping Mr. Vowell's tenant Santos Gaitan, get out of the weeds. That bunch of boys will sure take any kind of a crop out of the weeds in a few days.

H.H.

New Postoffice Ruling.

Beginning August 1st, any packages mailed which are to be insured or sent collect on delivery must bear in addition to the return request, a written statement on the address side that the sender will guarantee return charges should the package for any reason be undeliverable at the office of address.

Firms and other extensive users of the parcel post should consult the local postmaster as to the proper method of printing address labels.

It is realized that a great many insured parcels are mailed by individuals, other than firms, who do not use typed or printed labels bearing instructions of any kind in addressing their parcels. It will therefore not be required, for the present at least, that these individuals write or stamp the guaranty for return and forwarding postage on such insured parcels, but of course it is expected that such parcels will be treated as though the guarantees were placed on parcels.

If a sender does not desire to guarantee return postage on a parcel he may write upon it, "If undeliverable abandon" and the parcel will be forwarded to the unclaimed parcel post division and the sender will have waived all of his claim to the package.

DUNN NOTES.

Mr. Volley Taylor and daughter are visiting relatives here this week.

Haskell Worley left Saturday for a visit on the Plains.

Mrs. J. P. Billingsley is in Lubbock this week.

The singing Sunday night was enjoyed by all who attended.

The Christian meeting will begin Friday night July 17th.

Mr. J. C. Beakley is in Lamb Co. on business.

J. P. Billingsley and wife announce they are the proud parents of a 7½ pound boy. Jimmie says he has been celebrating the arrival of the young man most every night by walking the floor six or seven hours.

INTERNATIONAL SYSTEM

LONE STAR — TEXAS PORTLAND CEMENT CO. DALLAS - HOUSTON

PORTLAND CEMENT

Bread Baking and Cement Making

These facts every woman knows from experience—

That proper proportions of rich, pure ingredients are only the first step in making a fine loaf of bread,—

That you cannot properly mix these materials dry,—

That without milk and water it is impossible to uniformly coat each particle of flour with exactly the right amount of yeast, salt and sugar.

Cement making is much the same. Uniform quality depends on perfect mixing of the proper materials.

Twenty years' experience in cement making combined with years of painstaking research has resulted in the perfection of the famous International Wet Blending Process. This process is used in the mills of the Texas Portland Cement Company.

Their product, LONE STAR Cement, is a super-grade cement that actually runs over 50% above the U.S. Standard Specifications. Yet it costs no more.

It carries our unqualified endorsement.

Pains Very Severe

"I suffered from womanly troubles which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 9, Gainesville, Georgia.

"I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two.

CARDUI

For Female Troubles

"I taught school for a while, but my health was so bad I would have to stay out sometimes. This went on till I got so bad I didn't know what to do.

"One day I read about the merits of Cardui, and as I had some friends who had been helped by it, I thought I would try it. I began to get better after I had taken half a bottle. I decided to keep on and give it a thorough trial and I did. I took in all about 12 bottles and now I am perfectly well. I do not suffer any pain and can do all my housework."

REVIVAL MEETING AT ROSCOE PRESBYTERIAN CHURCH

A revival meeting is in progress at the Presbyterian Church this week and splendid crowds are attending each service. Rev. W. M. Elliott, pastor of the Presbyterian Church of Colorado, is doing the preaching.

Rev. Elliott is a pleasing speaker, and a good reasoner, and a man with deep spiritual feelings and convictions. He preaches old time gospel in all of its simplicity, and he does it in a simple way, which can be understood and appreciated by all the people. He is profoundly spiritual, and his messages are freighted with a tenderness and pathos which is beautiful and inspiring.

You are missing some real gospel sermons and spiritual treats and blessings if you are not attending these services.

The evangelist urges you to attend; the congregation urges you to attend, and the cause of Christ in Roscoe needs your assistance and cooperation at these services if you are a Christian. If you are not a Christian, you should attend these services because of the great benefit they will be to you in finding Christ is the savior of men.—Roscoe Times.

TEXANS ARE HEAVY BUYERS LARGE INSURANCE POLICIES

At least 149 Texans are insured for $100,000 or more apiece, according to an announcement in the Texas Index, just compiled and issued by W. A. Callaway of the Southland Life Insurance Co. The list in the Index does not purport to be a full list of all those who are insured for $100,000 or more, only those names being used where permission has been given. Callaway estimates that at least 300 and probably 500 Texans are insured for $100,000 or more.

Houston leads the list with 37 insured for $7,745,000. Dallas runs a close second with $7,111,000 written on 35 lives and El Paso is third with 15 incured for $3,205,000. Other cities having at least five who carry $100,000 or more insurance are: Beaumont, Fort Worth, San Antonio, Wichita Falls and Waco. One of the smallest towns in the state, Telephone, in Fannin county, has two men who carry more than $100,000 insurance and the names of two women appear on the list.

"Not all the names of policyholders whose lives are insured for $100,000 or more appear in the Index," says Callaway in a foreword "but the list is growing larger every year as the larger policy holders realize that the Index is an object lesson to the inadequately insured. It is the forward looking man only who insures his life. And these men, whatever the sum of their insurance, give permission for the use of their names as advocates of a great system for self help, they are rendering a distinct service to their community as well as the State as a whole."

University of Texas

Texas Population Increasing.

According to Census Bureau reports the population of Texas has now safely passed the 5,000,000 number and is increasing at the rate of about 100,000 a year. The cities are growing much more rapidly than the country and in many cases this city growth represents a mere shifting of population from the rural districts to the cities. Texas can easily care for four or five times its present population without over-crowding either in the cities or the country, and as the increase at present is only about two per cent a year, there need be no worry about crowding Texans into the sea or over into Mexico for the next few hundred years, and by that time the people will have learned to live in congested areas. Come to Texas.

* * *

Wealth Outgrowing Population.

If a correct opinion may be formed from the income tax reports, the wealth of Texas is increasing much faster than the population. According to the Internal Revenue Bureau, Texas now ranks tenth among the states in the amount of net income reported and twelfth in the amount of income tax paid. While wealth may not be the sole thing by which people are judged, the wealth of a country indicates better than anything else how the people are living, for without reasonable per capita wealth fairly distributed the people can not have the comforts or even the necessities of life. If there is real suffering anywhere in Texas, it is due to the exceptional conditions of a few unfortunates and not to any prevalent lack of necessities.

* * *

Deplorable Conditions in Russia.

Count Ilya Tolstoy, in a lecture in Austin recently, tried to picture the pitiful conditions of the Russian people. He told of planos being burned for the wood, of the bodies of scholars being wrapped in old sacks, of those once wealthy now forced to live on the carcasses of starved horses. He stated that the average peasant farmer of Russia makes an equivalent of $40.00 a year, out of which he must pay $32.50 for taxes, leaving $7.50 for his family support for an entire year. And that too, with clothing and food at such high prices that we in America would think them prohibitive. Try to draw a mental picture of conditions in distressed Russia and then be forever thankful that bolshevism has been unable to grip our country.

* * *

Texas Granite Finding Favor.

In addition to the recently reported contract to furnish Texas granite for the Roosevelt Memorial, the Texas Pink Granite Company, in Burnett county, announces that it is to furnish the granite for the $15,000,000 Edison building in New York. This great building will cover four blocks and will use Texas granite exclusively in all parts of the building where the specifications require granite. When that is done, the great granite mines of Texas will hardly have been touched. Texas is just coming into an appreciation of its own immense resources. Its duty now is to make those resources known to the world. Texas should push its Centennial.

* * *

Certain Money in Peaches.

The peach growers at Athens, Texas, have been offered 90 cents a bushel for their entire crop of Elberta peaches with the assurance that if the crop goes higher they will be paid more. An Elberta peach crop at 90 cents a bushel means a good profit for the growers and should stimulate the planting of more peach trees and the better care of those already planted. Now that the marketing problem appears to be fairly well solved. Texas should turn its attention more to the growing of the fruits and vegetables to which its varied sections are best adapted.

* * *

How About the Town Streets?

The papers almost every day give reports about the conditions of Texas roads. These reports, though, are as to the country roads and do not tell about the streets of the towns into which the roads lead. The tourist in Texas can nearly always tell, even with his eyes closed, when his flivver hits a town, for the car at once begins to shimmy over the bumpy streets. Some few towns are keeping up the streets that connect the highways, but not all of them are doing this. A few places, like Austin, for instance, keep some "show" streets in fairly good condition, but Oh! the jar you get when once you get off these. Not many of the people are tourists or sightseers and the others are more interested in the condition of the streets over which they have to pass every day than in the highways.

* * *

Checker Players to Meet.

The Texas State Checker Players' Association announces that it will hold its thirteenth annual State meeting at the Dallas Y. M. C. A. July 14-15. Lucky fellows! The State Tobacco Chawers' Association has not yet announced where it will hold its next spitting contest.

Eating Hopefully

At Madrid a man found in an oyster a pearl valued at $600. He is said to be eating his way hopefully toward a necklace.—Humorist (London).

Comfort, Convenience and Utility --

That's what your Power and Light Service means.

Comfort: It lightens the work of wife, mother and sister through use of home appliances.

Convenience: It is always ready when you push the button.

Utility: It is the most economical form of power for the factory.

Webster defines Utility in this sense of meaning: "useful, advantageous service".

"Your Electric Servant"

West Texas Electric Company

BOY SCOUTS TO CAMP ON RUDD RANCH SOUTH ROSCOE

The Rudd ranch, lying between Roscoe and Maryneal in southwest Nolan county will be the scene of the annual encampment of Boy Scouts and leaders of the Buffalo Trail council, Nolan, Fisher, Scurry and Mitchell counties, in August, according to Scout Executive W. S. Barcus, who announced Saturday that officials of the council had decided to hold the encampment there.

Council officials have for some time considered the Nolan camp site along with a site near Christoval and another at Camp Springs, Scurry county. Final decision to accept the offer of Dr. Rudd, owner of the ranch who is furnishing this ideal camping place free of charge to the Boy Scouts, was made this week, it was stated.

Scouting officials considered the spot selected as an ideal camp site for the Boy Scouts of the four counties. The camp will be established on the banks of a creek that flows across the ranch, and the geography of the surrounding land is considered well suited for camping purposes. The ranch lands include a well timbered tract, a section of rough, hill country and large open spaces. The grounds are well suited for Scouting, woodcraft and trailing practices, Barcus stated, while the hills furnish splendid opportunity for signal work.

The open grounds along the creek will be made into camp headquarters a city of boys for ten days. A large swimming pool, and cold spring water for drinking purposes are other features of the ranch.

Work will begin the latter part of July of getting the camp arranged for the encampment which will open in August. All tents, kitchen, mess hall, and other camp equipment will be erected about the first of August.

Over 100 Scouts and leaders attended the annual encampment of the council on the Concho river in August last year. With a number of new troops organized during the past year, and with the camp site nearer the center of the district, it is believed that nearly 200 Scouts will attend camp this year.

OLD TRUNK GIVES UP ITS MINING SECRET, IS SAID

From Omaha, by way of Tucson, comes a tale of the discovery years ago of an old mine, the discoverer not profiting, evidently by his find. An old trunk was sold the other day in Omaha by the railway company among unclaimed baggage and the purchaser found rich ore in it and a discription of the find, away down in the wilds of southern Arizona. And now comes the fellow who grubstaked the prospector, who is on a still hunt for the mine. The story goes something as follows:

The finding of the ore in the trunk caused litigation over its ownership. The story was printed in the Omaha papers. J. A. Allen, 72 years old, an inmate of the Dayton, Ohio, soldiers home, saw the story and the description tallied with that of a man he grubstaked 28 years ago, De Estine Shephard. The property according to the grubstake agreement made with Shephard, is now half Allen's or if Shephard is dead as he is believed to be, the entire property reverts to Allen unless there are other heirs.

For many years a prospector and mining engineer, Allen found the call of the lost mine too strong to resist and gathering his meager savings left the soldier's home and started overland by motor for Arizona. According to papers in the possession of Allen, the mine is located within 50 miles of Tucson and the aged prospector left for the hills where he said he would remain until he found it.—Arizona State Miner.

Big Tree Blown Down.

VISAILIA, Cal.—An oak tree having a circumference of thirty-seven feet and four inches and a spread of 150 feet was blown down by a windstorm which struck near here. Known as the giant oak and considered locally as the largest living oak tree in the world, it was thought to be between 700 and 1,000 years old. The storm caused little other damage.

The local Boy Scouts had a nice outing at the 1-5 hole on Clear Fork Tuesday night, Scout Executive W. S. Barcus and Scout Master C. G. Campbell piloted the boys down there in the late afternoon and they cooked their supper by open camp fire, enjoyed swimming and some sports before returning home for the night.—Rotan Advance.

When Better Automobiles Are Built, Buick Will Build Them

P-15-48-A

Question: *Why is it that there are more than a million Buicks in use today?*

Answer: Because Buicks are always popular with new car buyers and also because Buick's dependable construction results in a much longer life for Buicks than is ordinarily the span of service of a motor car.

Max Berman of the Colorado Bargain House has presented each member of the Record force with a beautiful neck tie, selected from a large shipment purchased by him recently in New York. The ties were presented by Mr. Berman in token of his appreciation for having received the Record every week while on a recent vacation trip to New York City, and Chicago. Berman states that his friends in the East declared the Colorado paper to be among the best they had ever seen.

See article from Civic League, also City Ordinances in other places in the paper, and act accordingly.

The City Health Officer and the Civic League are asking the entire citizenship of Colorado to clean up.

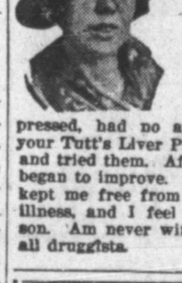

Obituary.

Little Darthie Glenn Ross, daughter of Mr. and Mrs. Charlie Ross of the Buford community heard the Fathers voice saying "come home to me;" and Thursday afternoon went unto Him who said "sufffer little children to come unto me and forbid them not, for of such is the kingdom of heaven." Her short stay of seven months here on this earth won for her the hearts of all who knew her. Yes you will miss her sweet smiles and dimpled cheeks, but how sweet to know you have a little angel in heaven waiting to welcome your homecoming. Weep not young parents. Though she cannot come back to you, you can go to her. The many friends and neighbors join in extending to you their deepest sympathy in this dark hour—Contributed.

Read the Clean-Up Ordinances in another column.

CONSTRUCTION NEW PHONE SYSTEM STARTS AT ONCE

COMMON BATTERY EXCHANGE TO COST $40,000 ASSURED FOR COLORADO.

Officials of the Colorado Chamber of Commerce and Southwestern Bell Telephone Company realized definite settlement of the 3-year telephone controversy here late Thursday of last week when P. K. Baker of Dallas, assistant general manager of the telephone Co., and Mayor R. H. Looney of Colorado affixed their signatures to a resolution prescribing that the common battery exchange and other improvements of the telephone plant at Colorado are to be made. The agreement was signed at the city hall in the presence of officials of both the city and Chamber of Commerce.

Other telephone officials who were in Colorado to confer with city and Chamber of Commerce officials as to the long-drawn out telephone battle were M. P. Caldwell of Fort Worth, divisional commercial superintendent, and H. N. (Dinty) Moore, of Abilene, district manager. Following conferences between these officials lasting throughout the day, the mayor convened the city council in special session at the city hall to consider official action on the resolution proposed by the telephone company. Mr. Baker and a representative of the Chamber of Commerce addressed the city council, requesting that the city act with favor on the pact, thus settling the controversy.

Actual construction of the new telephone plant, which is to be one of the best in Texas, is to begin just as soon as materials can be assembled at Colorado, Baker announced Thursday afternoon. The new switch board to be installed, to be manufactured to order by the Western Electric Company, will cost not less than $25,000. Approximately $15,000 will be expended by the company in constructing new cable lines and extensions throughout the city. The slight increase in rate charges granted the company is not to become effective until the new plant is completed and placed in operation. Under provisions of agreements reached between officials of the telephone company, and Chamber of Commerce rural patrons of the company are to receive special attention in the future, and it is believed that much of the trouble experienced by subscribers on farmer lines out of Colorado is soon to be eliminated.

Under terms of the agreement the Company is to offer its semi-party service to residence subscribers at Colorado. This service, though permitting two telephones to be connected to the same line, is so arranged that only the telephone called will ring and when either party signals the central office their is no disturbance of the other telephone. When one party is talking the other cannot "listen-in" as under the present system. The only difference between this arrangement and the individual line connection is that only one phone may be used at a time.

Baker stated that 9,000 of the semi-service phones were in use in the city of Houston, 8,000 in Dallas and 7,000 in Fort Worth. In the city of St. Louis seventy-five per cent of the residence subscribers use this service. This service will be available to the local public at a rate of $2.00 per month, the same price now in

(Continued on page 2)

BROTHERHOOD HEARS TALK BY JUDGE W. H. GARRETT

W. H. Garrett, local attorney, addressed the United Brotherhood at the Sunday afternoon meeting. He centered his address about the importance of removing the cause, rather than effect, if religious and moral standards are to be improved.

W. W. Porter, chairman of the program committee, presided. Porter announced that L. W. Sandusky, attorney, would speak next Sunday afternoon. A definite program as the work of the brotherhood is to be submitted next Sunday.

CO. PROPERTY VALUES INCREASE NEAR MILLION

Property values in Mitchell county for the current year show the largest increase for the twelve month period than for any year during the past quarter of century, according to county officials. Figures submitted by Roy E. Warren, tax assessor, Monday, place the total county valuations at $7,948,220, an increase of $786,840 over last year.

Warren stated that the bulk of property wealth in the county was due to increase in valuation of oil properties. This property listing alone shows an increase of approximately $500,000 during the year.

The city board of equalization has been in session during the past several days and it is understood that property values in Colorado are to register a precedent for the current year. Property values within the corporate limits of the city last year showed an increase of about $500,000 over those of 1923.

COLORADO PEOPLE INJURED IN CAR WRECK ON HIGHWAY

Col. and Mrs. C. M. Adams of Colorado, Roy Buchanan of South America and Mrs. Carroll Gary of Los Angeles, California, who were painfully injured when the Studebaker sedan of the Adams family overturned on the Bankhead Highway seven miles east of Big Spring Thursday of last week, are improving. The machine was being driven by Mrs. Roy Buchanan and aside from a severe shock she was uninjured.

The party was motoring to Big Spring to visit relatives. The car struck a chug-hole that had been filled with loose sand and gravel and left in that condition by the road hands, which caused the machine to swerve and overturn. The car was badly wrecked.

Mr. Adams sustained a cut on his knee. Mrs. Carroll Gary had one of her lower limbs broken in the crash and Mrs. Adams was painfully bruised and cut by flying glass from the windshield and car windows. Mr. Buchanan suffered a wrenched back. Passing motorists picked up the party and returned them to Big Spring where they received medical attention. Mrs. Gary was placed in a hospital there and the others returned to Colorado Thursday night by train.

The little four-year-old daughter of Mrs. Gary was uninjured.

Mr. Adams stated after returning home that in his opinion it was miraculous that they escaped with their lives or probable serious injury. The handicap of walking with difficulty did not deter the Colonel in following his policy to always be present and on time at the Lions Club luncheon and he was in his place Friday as usual.

OLD LANDMARKS BEING TORN DOWN FOR NEW BUILDINGS

Three Colorado landmarks, residences erected here in 1881, are being torn down this week to give place to modern cottage homes. The property is on Oak street betweenFourth and Fifth and owned by C. H. Laskey. Mr. Laskey stated Saturday that he came to Colorado 42 years ago and that the buildings had been standing three years when he became a citizen of the town.

TWO-DAY POULTRY SCHOOL AT COLORADO IN AUGUST

A poultry school, to last at least two days will be conducted in Colorado during August by an expert from A. & M. College, according to information received from local poultry breeders. A number of citizens interested in poultry signed petition requesting the college to conduct the school.

BERRY-FEE LUMBER CO. BUILDING STORAGE SHED

A new storage shed, 32 by 60 feet, is being erected by the Berry-Fee Lumber Co. on their property in West Colorado the company is also erecting an additional warehouse.

HIGHWAY NO. 101 SOUTH CITY ANNULLED BY STATE

DELAY IN IMPROVING ROADBED ASSIGNED BY COMMISSION AS THE CAUSE.

Designation of Highway No. 101 from Colorado south to intersection with Highway No. 9 at Sterling City, was annulled Friday by the State Highway Department in a statement given Mitchell county officials by Joe Burkett of Eastland, member of the department representing West Texas. Burkett assigned as the cause for this action the fact that the county had failed to take definite steps toward co-operating with the state in improving highways in this county.

This highway, passing from Snyder through Dunn, Buford, Colorado and Spade and connecting three of the most important highways in the State, was authorized several months ago by the highway department, on condition that the counties through which it passes co-operate with the State in improving the roadbed. Scurry county, according to claims of the department, immediately begun work on the highway in that county, but in so far as Mitchell and Sterling counties are concerned, nothing was ever done. The designation from Colorado to Snyder has not been recalled.

Burkett stated that in meeting the heavy demand in scores of other counties over the State for highway improvement, funds had become temporarily exhausted. Allotments have been assigned to counties in which bond issues were authorized by the voters to supplement State and Federal aid. When Mitchell county did not vote the proposed bonds to finance its share of the highway improvement program, funds conditionally allotted to this county went elsewhere.

Burkett stated, however, after January 1st, when the Highway Commission expected to receive additional funds, Highway 101 would be again designated south of Colorado, on condition the people desired to cooperate with the State in improving the road bed.

As to the Bankhead Highway and No. 101 north of Colorado, Burkett stated that the State would allot aid, dollar for dollar, to build a gravel roadbed and then top the surface at no expense to the county. For the Bankhead he proposed a special asphalt paving on gravel base of 12 inches.

In discussing the Bankhead Highway with county officials, Burkett intimated that something definite must be done. In the event this county continues to neglect this highway the State and Federal governments may change designation to go by way of Snyder, Burkett stated. In the event this should be done, the highway commissioner intimated that the new designation would turn northwest at Roscoe, following Highway No. 7 to Snyder and from there go in a southwesterly direction to an intersection with the present designation at Big Spring.

Burkett has announced that he will visit Colorado August 8 and deliver an address on the highway question in this county. At this time he proposes to explain definitely just what the highway department will do in this county and outline the conditions under which this program may be carried out.

EDITOR LEAVES TO SPEND EXTENDED VACATION TRIP

F. B. Whipkey, editor of The Record, and Mrs. Whipkey, left Colorado Monday at noon for Lampasas where they are in camp at the Baptist Encampment. They are traveling by motor car and carried full camp equipment. The editor stated that he was going to be absent from the office several weeks, spending much of the time in camp at Lampasas, Breckenridge Park, San Antonio, in the Davis Mountains, in Oklahoma, Nebraska and California. They will tour several hundred miles, visiting a number fo scenic places in the South and Northwest.

SPEAKERS AND MUSICIANS TO ENTERTAIN C. OF C.

ANNUAL FETE BE ROUSING SUCCESS, COMMITTEE IN CHARGE SAYS

The annual Chamber of Commerce banquet, scheduled to be held in basement of the Barcroft Hotel Thursday evening gave promise of being a big success, according to statement from the committee having the program in charge. Reservations made up to noon Thursday indicated that attendance would be large. An entertainment program, in which local speakers and musical organizations exclusively are to appear, has been arrnged.

Several reservations were available Thursday afternoon, it was reported at the Chamber of Commerce office. The invitation to attend the fete should be accepted as early in the afternoon as possible, in that plates be provided for every guest. Indications are that the banquet this year will be one of the best and most interesting ever held by the organization.

The entertainment program included concert music by the Colorado Booster Band, the Ford Quartete and other numbers. The band will give a concert in front of the hotel entrance from 7:30 to 8 o'clock just before the banquet is called to order.

Edwin J. Clapp of New York, financial editor for the Hearst publications and who is spending a visit in Texas, has wired the entertainment committee that he could not reach Colorado to deliver an address at the banquet. Mr. Clapp, considered one of the best after dinner speakers in America, was scheduled to deliver the principal address.

The president will deliver his annual address, as will also the secretary. These speakers will cover activities of the organization during the past fiscal year and outline some of the programs considered for the future.

Hon. Chas. C. Thompson, county judge, will deliver an address from the subject, "The Chamber of Commerce as a county-wide Organization" Dr. T. J. Ratliff, Colorado physician, will speak from the subject, "Things to Think About." Hon. W. P. Leslie judge of the 32nd judicial district, will deliver an address in the event he is not called from the city Thursday.

Hon. L. W. Sandusky, attorney, will deliver an address on the subject: "Oil Development and It's Relation to Colorado." Sandusky, being attorney for a number of operators in the field, is perhaps closer to the oil situation in this territory than any other person. He has promised to make some interesting announcements as to programs now being completed by some of the large companies operating out of Colorado.

"A Message from the Colorado Booster Band to the Chamber of Commerce," is the subject of an address by M. S. Goldman, director of the prize winning band of which this city is pardonably proud. Following these addresses fifteen minutes will be devoted to general discussion by those present who desire to speak.

A president and 12 directors are to be elected for the ensuing year. The official roster at present is, Dr. P. C. Coleman, president; H. L. Hutchinson, vice president; J. H. Greene, treasurer; W. S. Cooper, secretary; R. O. Pearson, R. P. Price, Joe H. Smoot, G. B. Slaton, T. W. Stoneroad, A. B. Blanks, J. C. Pritchett, L. B. Elliott and J. Riordan. One vacancy exists in the directorate, owing to the recent resignation of O. Lambeth, who has moved to Lamesa.

NEGRO MEETS DEATH WHEN AUTOMOBILE TURNS OVER

Allen Austin, negro, 30 years of age, was instantly killed when the automobile he was driving turned over on the Bankhead Highway six miles west of Colorado late Saturday night. In company with members of his family Austin was coming to Colorado from Westbrook when he lost control of the machine. His neck was broken. Other occupants of the car were paintfully, though not seriously hurt.

CITY COUNCIL RECEIVE CITY HALL SITE OFFERS

The city council will be convened in adjourned session Thursday afternoon of this week at 7:30 to consider proposals on the proposed new municipal building site. Some two or three sites have been suggested but there is no information as to where the building may be located.

Should the site be purchased at this meeting the city plans to go ahead with plans for the new building, bonds for which were voted a few weeks ago. A committee of H. L. Hutchinson and L. B. Elliott, representing the Chamber of Commerce, will confer with city officials as to selection of site for the city hall.

BASEBALL BAT AND KNIFE USED BY NEGROES IN FIGHT

Two dark town belles, Cora Ford and Lena Coleman, demonstrated their fighting blood at an early hour Tuesday morning and were battling one another in good fashion when Chief of Police Dick Hickman intervened. Cora was weilding a long dirk, while Lena used a base ball bat.

According to Cora the trouble came over a ten dollar bill. In discussing whereabouts of the bill, which one of the women was presumably keeping for the other, a gentle hint brought on a few positive declarations as the argument grew and in another instant the war was on.

Cora exhibited bruised places on her body which she claimed were impressions of where the bat in the hand of Lena landed with a thud. As to Lena, she received one or two bad knife stabs, one of them in the side being considered as dangerous. Cora is meditating in the county jail following a complaint charging her with assault with intent to murder. The other woman is under care of a physician at a home in the negro district.

BENEFIT BALL GAME FRIDAY AT WEST COLORADO DIAMOND

The "Lounge Lizards" vs. the "Jelly Beans" is the line-up for the benefit ball game Friday afternoon at 5 o'clock at the ball park west of the Colorado river. Proceeds from the game are to be used by the Parent-Teacher Association in making improvements to the grounds purchased some months ago near the High school building. It was announced Thursday morning that stores and offices would be requested to close at five o'clock for the game.

VISITING METHODIST ELDER PREACHES AT UNION SERVICE

Rev. R. A. Stewart of Sweetwater, presiding elder for the Sweetwater district, M. E. Church, South, preached at the union services at Union Tabernacle Sunday evening. He spoke of the allurments of sin and the final wages to be received by all those who are enticed to evil doing.

Rev. M. C. Bishop, Baptist pastor, presided at the services. "We have a most pleasing combination here this evening," Bishop stated in his preliminary remarks. "We have a local preacher, presiding elder and the Bishop with us tonight, and the unusual is about to happen in that the presiding elder will be introduced by the Bishop. Usually it comes the other way."

"I have expected for some time that all our churches would adopt the Episcopal form of church government," Rev. Stewart stated when he came to the platform, "but I did not expect to find a Bishop in the Baptist church so soon."

NOTICE TO SCHOOL PATRONS.

Notice is hereby given that all patrons desiring to transfer their children from one district to another for the 1925-26 term of school must do so before the last of July as the period during which transfers may be made will end July 31st, Transfers will be made by the County Board at it's August meeting, but all applications for transfers must be filed with the County Superintendent before July 31st.

G. D. FOSTER,
County Supt., Mitchell County. 7-25c

CITY BECOMING CENTER DEVELOPMENT BIG SECTOR

WEST TEXAS OIL MEN MAKING CITY HEADQUARTERS FOR BIG OPERATIONS.

Never before since Texas & Pacific One of the Underwriters Producing and Refining Company, discovery well in this field, was drilled in five years ago, has Colorado become the secene of the pretentious oil development as now. During the past few days new men and new capital have come into the field to add to the already large development program in both the "wild cat" and defined producing territory. For the most part these new concerns will make their headquarters at Colorado.

G. A. Henshaw, Jr., operator of Oklahoma City and associates are to drill five tests in the vicinity of Colorado within the immediate future, Mr. Henshaw announced here Wednesday afternoon. Location for two of these tests have been made and the other three are to be announced within the next few weeks.

Henshaw and John W. Chalk of New York City have made location for test in the southeast quarter of section 34, block 30, T. P. Ry. Co. survey, in Howard county. Contract specifies this well is to be drilled 3,500 feet, unless a commercial producer is brought in a a lesser depth.

Barnum & Henshaw have made location for test in the southeast quarter of section 32, block 17, S. P. Ry. Co. survey, Mitchell county. This location is in the Hyman sector. D. J. Lewis, Colorado drilling contractor, will drill this well.

Chote & Henshaw have made location for a deep test on acreage of the Marland Oil Company in Garza county. This well is to be drilled in block section 55, block 5, C. H. & H. survey.

Chilton & Henshaw announce they are to drill three tests in the field at once, location of which is expected to be announced within the week.

The Magnolia Petroleum Company reports good showings in two Mitchell county tests. Their Foster One, south of Iatan on the Foster ranch, is producing petroleum gas at from 1,600 feet to 1,960 feet. Drilling will be continued. Badgett One of the company, in the northern Westbrook extension, is the other test with showing for production.

Rig materials for Mrs. Harry Hyman No. 1 of the Deep Rock Oil Company. in section 88, Block 29, W. & N. W. survey, are being moved to location from Sterling City. Case and Hoover, drilling contractors, formerly operating in Sterling county, have contract to drill this test. This location is in the Hyman section in southwestern Mitchell county where a large amount of play is scheduled.

Sloan, Owens & Stalker are drilling around 3,000 feet in their Scott No. 1 at Hyman. The hole is in excellent condition, A strong gas showing was picked up in this test at around 1,000 feet and log of the well has been such as to cause the owners to be over optimistic. The Morrison pay level is expected to be reached within a week or ten days.

A good oil showing has been picked in the Co-Operative Lease & Development Company test, just over the line in Sterling county south of Hyman.

Butler 1-2 of the California Company is drilling at 2,645 feet. Adrams 1-9 is drilling at 2,320 feet, Womack 1 at 1,770 feet, Missouri State Life 1 at 1,560 feet and H. C. Miller 1 at 725 feet. All of these tests are on leases controlled by the California Company in the Westbrook producing field.

FAIR ASSOCIATION BOARD HOLDS EXECUTIVE SESSION

The board of directors, Mitchell County Fair Association, were in session Thursday afternoon at offices of the Colorado Chamber of Commerce. Date of the Fourth Annual Fair and other important business was pending, J. H. Greene, president of the Association, stated Monday in issuing call for the meeting.

Miss Jewell Collier visited friends in Midland last week.

CONSTRUCTION NEW PHONE SYSTEM STARTS AT ONCE

Continued from page one.

effect, and twenty-five cents cheaper in those instances in which the subscriber uses a desk phone. Under the new contract there is to be no difference in monthly rental charge as between a wall or desk telephone.

Both Messrs. Baker and Caldwell expressed surprise to note the growth of Colorado. In company with representatives of the Chamber of Commerce the visiting officials were taken for a motor car trip over the city, to the oil field and for an inspection of the refinery. That Colorad was among the best small cities in West Texas and commanding an enviable future, was expressed by the visitors.

Baker referred to this fact in speaking to the city council Thursday afternoon, declaring that the company had agreed to make the improvements demanded. "Your city is yet to small for us to consistently come here and spend the large appropriation agreed upon," he stated, "but we believe that it is only to be the matter of four or five years until you will have a city of 8,000 to 10,000 population. Then, to be sure, the new plant would be a necessity."

One-half the world is talking of money—the other half thinking about it. And we are saving money for the folks who appreciate our efficiency in cleaning and dyeing.

PAYNE NOTES.

Oh, my arn't the crops looking fine There isn't any crops in West Texas any finer than the crops at Payne. Everybody is about through hoeing now.

Mrs. York is on the sick list this week, but is better now.

Miss Grace Williams had an operation last week, but is doing fine now. We hope to see her back at home soon.

Mr. D. D. Hays and family went to Christoval last Friday and came home Sunday. All had a nice time.

Miss Eva Williams is on the sick list this week, but is up now.

Several from this place attended the singing convention at Looney last Sunday, all had a very nice time.

There will be preaching at Payne next Saturday night, and Sunday morning at eleven o'clock.

The B. Y. P. U. from Loraine will render a program for us at four o'clock Sunday afternoon, everybody come. There is one to be baptized Sunday.

There is singing at this place every Sunday night, everybody is invited to come.

Come back, Landers, what is the matter with you? You were not here last Sunday night. Come and help us out with the singing.

Mr. W. A. Storey will leave for Sterling City next week.

Mrs. Lucy Hays has come home after a visit to California.

Everybody be sure and come to the programs and preaching at Payne.

BLUE BONNET.

CONOWAY LOCALS.

The Conoway community is progressing fine. Everybody has a dandy crop. Some fields are white with blooms.

Miss Elsie Walker left last Sunday for Christoval where she will visit her cousin, Mrs. Mae Eaden and also attend Baptist encampment.

Mr. and Mrs. John Kindred and family, and Mr. and Mrs. Elmer Rogers of Wichita Falls, Texas, are visiting their mother and sister Mrs. Jessie Jenkins.

Mr. and Mrs. J. D. Felts of Longfellow community visited their daughter, Mrs. Clara Priester Wednesday afternoon. Their granddaughter Earline returned home with them to spend the week-end.

Miss Mildred King from Big Spring visited relatives in this community last week.

Little Betty Joe, the daughter of Mr. and Mrs. Horace McDonald, died Wednesday after suffering three weeks.

Mr. and Mrs. J. W. Walker and family and Mr. and Mrs. T. E. Conoway returned Thursday from a successful fishing trip on the Concho river.

Miss Myrtle Barber is spending the summer with C. P. Conoway.

The women of Conoway have organized a home demonstration club. Have only met one time but will meet at Mrs. J. N. Caloway's next Friday afternoon, July 17, everybody come.

Last Sunday was a real thrilling Sunday in Conoway. There were a good number who attended church and Sunday school.

Mrs. J. A. Conoway and children, Misses Dolores Hart, Bess Sheppard and Nellie Palmer, Mr. Lawrence Palmer and Mr. and Mrs. G. H. Priester's family attended the singing convention at Looney, where they heard some real singing.

The young folks were entertained Saturday night at Mr. and Mrs. Henry Sheppard. There was a real crowd of folks there who seemed to have a large time.

The men and boys of Conoway and Westbrook helped Horace McDonald work out his crop Wednesday who has been detained on account of his daughter's illness.

PET.

Ni-Late kills insects of all forms, yet non poisionous or harmful to human life. Does not soil most delicate fabrics. Sold by Colorado Drug Company.

NOTICE.

THE STATE OF TEXAS

Estate of R. B. McEntire, Jr., a minor, No. 441, in County Court of Mitchell County, Texas, July term A. D. 1925.

To all persons interested in the Estate of R. B. McEntire, Jr. Notice is hereby given that I, Jas. H. McEntire, guardian of the Estate of R. B. McEntire, Jr., a minor, have this day filed my application in the above styled and numbered cause for an order of the County Court of Mitchell County, Texas, authorizing me, as guardian as aforesaid, to make an oil and gas mining lease, upon such terms and conditions as the court may order and direct, on the undivided interest of said minor in and to the following described real estate, belonging to the estate of said minor, situated in Sterling County, Texas, to-wit:

Four Hundred Acres (400 acres) off the East end of the J. G. Soulard survey Noumber One (1), being all of the said Survey Number One (1) except the part thereof heretofore conveyed by W. R. McEntire to Edwin Fowler McEntire, by deed duly recorded in the Deed Records of Sterling County, Texas.

Said application will be heard by the County Judge of Mitchell County, Texas, at a regular term of said Court, at the Court House of said County in the City of Colorado, Texas, on the 23rd day of July A. D. 1925.

1tc. JAS. H. McENTIRE.

NORMAL BABY BORN TO DWARFED COUPLE OF DUNN

J. B. Billingsly and wife, of Colorado, Texas, are parents of a big baby boy who weighs seven and three quarter pounds, and who will doubtless be larger than either of its parents before many years.

Billingsly, who is in business near Colorado, is 24 years of age, is four feet and six inches tall and weighs 64 pounds, while Mrs. Billingsly is only four feet tall and weighs only seventy pounds.—Lubbock Avalanche

Billingsly is a citizen of Dunn, 14 miles north of Colorado, but is well known here.

HASKELL TO VOTE ON $1,500,000 ROAD BOND ISSUE

HASKELL, July 15.—The good road movement is now paramount in the minds of many in Haskell County for on August 15 an election for a proposed bond issue for $1,500,000 to be used for the building of permanent roads for Haskell County will be held.

Haskell County has 109 miles of state designated highways, two across the county from north to south and one east and west. If the bond issue is approved this county will have one of the best systems of roads to be found anywhere in the State.

STAR PARASITE REMOVER.

A Wonderful Poultry Remedy

Given fowls in drinking water or feed absolutely will rid them of lice mites, fleas, blue bugs, and all destructive insects.

Contains sulphur scientifically compounded with other health-building ingredients; is a good tonic and blood purifier; nothing better for preventing disease. Give it to your fowls one month. If they are not healthier, don't lay more eggs and are kept free of destructive insects—your money refunded. For sale by Alcove Drug Company. 9-17c

PIONEER CITIZEN DIES SUDDENLY AT SWEETWATER

J. W. Herndon, pioneer Nolan county citizen, and well known over West Texas, died suddenly at his home in Sweetwater Thursday night at 11:45 o'clock. His death came as a sudden shock to relatives and friends in this section, as he has been in the best of health, it was stated.

Mr. Herndon appeared in the best of health Thursday. He was in town a portion of the day, and also made a trip to his farm near Sweetwater during the day.

Funeral services were held Saturday afternoon at 2 o'clock at the Herndon home in Sweetwater, Rev. G. C. Farris of Colorado conducted the funeral service at the home. Members of the Masonic order had charge of the services at the Sweetwater Cemetery.

SEVEN WELLS NOTES

Most folks in our community are taking the picnic and fishing fever Pretty soon the entire community will be off "for a glad vacation."

Crops of all kinds are doing fine. The shower Sunday was cooling and refreshing.

There is some sickness in this part of the county right now. P. M. Bassham has been right sick since Saturday.

Mrs. E. M. Reese also Kenny Reese are on the sick list. Mary Wallace has also been sick, but we think all are feeling some better.

Mr. and Mrs. J. E. Wallace spent Sunday in the Lowe community. They report a real good time.

Mr. and Mrs. E. A. Robison visited in L. E. Robison's home Sunday.

Miss Edith Simpson from town is spending the week-end with home folks at Seven Wells.

Quite a crowd spent Sunday with Mr. and Mrs. W. P. Bassham and ate fried chicken. Oh, boy, we always have something real when we go to W. P.'s.

L. L. Bassham and children went to Loraine Sunday night to church. Let's have everything ready for the big meeting at the Tabernacle Aug. 14th.

Mr. and Mrs. A. S. Hutching were down from Sparenburg Saturday and Sunday visiting Mrs. Hutchings parents. They know Colorado is the best town on the map.

THE BUNCH.

CARD OF THANKS.

With heartfelt sympathy and deep appreciation we want to thank our many friends for their assistnce during the illness and death of our baby Betty Joe, and for the beautiful floral offering. May God bless you and may you have the same kind treatment should like trouble overtake you.

Mr. and Mrs. H. V. McDonald
Mrs. Fannie McDonald and family,
Mr. and Mrs. J. E. Odle and family.

Law Powell and his folks came down from Colorado to break a crust with us at our annual barbecue last Tuesday. The Powells are another bunch of folks who like to come back to their old stamping ground, and we old timers are always glad to see them come.—Sterling City News-Record.

CONTRACT AWARDED FOR NEW SCHOOL BUILDING AT LOWE

Trustees of the Lowe school district have awarded contract for new two-room building to Walter Ashby of Colorado. The new building will cost $2,800.

Addition of another room to the school building at Spade, making four class rooms, is to be made before opening of school. Another class room will also be added to the school building at Iatan.

Wm. Cooper of Colorado, was here last Tuesday shaking hands with old time friends and attending the barbecue.—Sterling City News-Record.

Renew Your Health by Purification

Any physician will tell you that "Perfect Purification of the System is Nature's foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs, —once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions, price 35 cts.; trial package, 10 cts. At any drug store. (Adv.)

And to me as Sheriff directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in August, A. D. 1925, it being the 4th day of said month, before the Court House door of said Mitchell County, in the City of Colorado, Texas, the following described land situated in Mitchell County, Texas, to-wit:

All of Lot No. 5 in Block No. 26 of the T. & P. Addition to the town of Loraine, Texas, levied on as the property of

S. W. Altman

And all other persons owning or having or claiming any interest in and to the hereinafter described land or lot

To satisfy a judgment amounting to $35.69 in favor of the State of Texas, with interest and costs of suit.

Given under my hand, this 30th day of June, A. D. 1925.

I. W. TERRY,
Sheriff Mitchell County, Texas
By C. E. Franklin, Deputy.

SHERIFF'S SALE.
THE STATE OF TEXAS
County of Mitchell.

By virtue of an Order of Sale for Delinquent Taxes issued out of the Honorable District Court of Mitchell County on 25th day of June, A. D. 1925 by J. Lee Jones, Clerk thereof, in the case of The State of Texas, versus

C. G. Baumgarner, et al, No. 4565,

And to me as Sheriff directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in August, A. D. 1925, it being the 4th day of said month, before the Court House door of said Mitchell County, in the City of Colorado, Texas, the following described land situated in Mitchell County, Texas, to-wit:

All of Lot No. 5 in Block No. 2 in Whites Residence Addition to the town of Loraine, Texas, levied on as the property of C. G. Baumgarner,

And all other persons owning or having or claiming any interest in and to the hereinafter described land or lot

To satisfy a judgment amounting to $13.45 in favor of the State of Texas, with interest and costs of suit.

Given under my hand, this 30th day of June, A. D. 1925.

I. W. TERRY,
Sheriff Mitchell County, Texas
By C. E. Franklin, Deputy.

NOTICE—NO. 454

In the matter of the guardianship of the estates of Ruth Helton and John Helton, minors. In the County Court of Mitchell County, Texas.

Notice is hereby given that I, J. A. Buchanan, temporary guardian of the estates of Ruth Helton and John Helton, minors, have this day filed my application in the above entitled and numbered cause for an order of the County Judge and County Court of Mitchell County, Texas, authorizing me, as temporary guardian of the estates of said minors, to make an oil and gas mining lease or leases, upon such terms and conditions as the court may order and direct, on the undivided interests of said minors, in the following described real estate, belonging to the said minors, situated in Mitchell County, Texas, towit:

All of the SE one-fourth of Section 2, Block 26, H. & T. C. Ry. Co. Survey, containing 160 acres, more or less;

All of Fractional Section No. 24, Abstract 1614, Block 26, H. & T. C. Ry. Co. Survey, containing 84.6 acres, more or less.

Said application will be heard by the County Judge of Mitchell County, Texas, either at a term of said County Court or by said County Judge in vacation, at the court house in the town of Colorado, Texas, in Mitchell County, Texas, on the 11th day of July, 1925.

J. A. Buchanan, Temporary Guardian of the estates of Ruth Helton and John Helton, minors.

NO. 4613.

Alias Citation by Publication
THE STATE OF TEXAS,
County of Mitchell.

To the Sheriff or any Constable of Mitchell County, Texas—Greeting:

You are hereby commanded to summon A. W. Dunn, W. H. Snyder, and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, by making publication of this citation once in each week for four consecutive weeks previous to return day hereof, in some newspaper published in your county, and in the 32nd Judicial District of Texas, to appear at the next regular term of the 32nd Judicial District court of Mitchell County, to be holden at the Court House thereof, in Colorado, Texas, on the eleventh Monday after the first Mnday in September, 1925, same being the 23rd day of November, 1925, then and there to answer a petition filed in said court on the 22nd day of November, A. D. 1924, in a suit numbered on the docket of said court as No. 4613, wherein the City of Colorado, a municipal corporation, is plaintiff, and A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, by making publication of this citation once in each week for four consecutive weeks previous to return day hereof, in some newspaper published in your county, and in the 32nd Judicial District of Texas, to appear at the next regular term of the 32nd Judicial District court of Mitchell County, to be holden at the Court House thereof, in Colorado, Texas, on the eleventh Monday after the first Mnday in September, 1925, same being the 23rd day of November, 1925, then and there to answer a petition filed in said court on the 22nd day of November, A. D. 1924, in a suit numbered on the docket of said court as No. 4613, wherein the City of Colorado, a municipal corporation, is plaintiff, and A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, are defendants.

The petition of the plaintiff, alleges the City of Colorado issued to the West Texas Construction Company, a corporation, a certificate of special assessment dated February, 28, 1924, executed by the City of Colorado to the West Texas Construction Company, and its assigns, for the pro rata part of the cost of improving a portion of Second street, in said city, payable by the true owners of said property, who are the defendants herein; the said property against which the said assessment is levied, being more particularly described as follows, to-wit:

Being a part of Section 44, Block 26, T. & P. Ry. Co. survey, situated in the City of Colorado, County of Mitchell, State of Texas, being the East 25 feet of Lot No. 6 in Block No. 37, of Colorado, Texas, according to Plat of said town of record in Volume "C" page 250, of the Deed Records of Mitchell county, Texas.

The said certificate further certifies that by virtue of an ordinance of the City Council of the City of Colorado, passed on the 4th day of August, 1923, there was levied an assessment and tax in the sum of Two Hundred Ninety-Two and 52-100 Dollars ($292.52) against said property and against the said owners, payable in six equal installments after February 28th, 1924, as follows:

One due in thirty days after said date, and one due in one, two, three four and five years, respectively, after said date, with interest from said date at the rate of six per cent per annum, payable annually, and said certificate recites substantially that all proceedings with reference to making such improvements have been regualarly had in compliance with the laws and the Charter of said City, and the plaintiff specially alleges and charges that all of said proceedings and all prerequisities to the fixing of the lien and claim of personal liability evidenced thereby required or provided by law have been taken, had, done, and performed; that default has been made by the defendants in payment of the first installment, and for such default, the said West Texas Construction Company, the owner and holder of said certificate, has requested the City of Colorado to enforce the same, after having first declared the entire certificate due, both principal and interest, and though often requested the defendant, and each of them, have paid no part of said indebtedness except the sum of Twenty and 46-100 Dollars ($20.46) to plaintiff's damages in the sum of Six Hundred Dollars ($600.00) and attorney's fees in the sum of Seventy-Five Dollars ($75.00).

That the defendants, and each of them, have or claim some right, title or interest in and to the premises, but such claim, right, title, or interest, as they, or any of them have, is subject and subordinate to the lien and claim of the plaintiff, created by said proceedings.

Wherefore the plaintiff prays that it have judgment against the said defendants, and each of them, for the amount of said assessment, together with interest thereon, and a reasonable attorney's fee, costs of suit, and that it have judgment establishing and foreclosing as against all defendants its lien upon the premises securing said assessment, and that the said premises upon foreclosure be sold as under execution after issuance of an order of sale.

Herein fail not, but have before said Court on the first day of the aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court at office in Colorado, Texas, this the 8th day of July, A. D. 1925.

(Seal) J. LEE JONES, Clerk
District Court Mitchell County, Tex

Issued this 8th day of July A. D. 1925.

J. LEE JONES, Clerk,
District Court of Mitchell County, Texas. 8-7c

SHERIFF'S SALE—NO. 4614

THE STATE OF TEXAS
County of Mitchell.

By virtue of a certain order of sale issued out of the Honorable 32nd Judicial District Court of Mitchell County, Texas, on the 9th day of July, 1925, by J. L. Jones, clerk of said court, on a judgment rendered in favor of the C ity of Colorado for the use and benefit of the West Texas Construction Company against C. M. Tucker, the heirs of C. M. Tucker and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, in cause No. 4614, styled City of Colorado vs. C. M. Tucker, et al, in the said District court for the 32nd Judicial District of Texas, wherein the City of Colorado is plaintiff and C. M. Tucker, the heirs of C. M. Tucker and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, are defendants for the sum of Five Hundred Fifty and 40-100 Dollars, ($550.40) together with interest form April 23, 1925, at the rate of 6 per cent per annum, and costs of suit, and placed in my hands for service, I, I. W. Terry, as Sheriff of Mitchell County, Texas did on the 15th day of July, 1925, levy on certain real estate situated in the County of Mitchell, State of Texas, and in the City of Colorado, more particularly described as follows, to-wit:

Being a part of Section 44, Block 26, of the T. & P. Railway Company survey, and being the West 40 feet of Lot 6, Block 37, of the City of Colorado, Texas, according to the map or plat thereof recorded in Vol. C, page 250 of the Mitchell County Deed Records, said property fronting 40 feet on the south side of Second street in said city of Colorado, and,

Whereas, said judgment is a foreclosure of a special assessment tax lien as the same existed on August 4, 1923, or at any time thereafter, against all interest held by the said C. M. Tucker, the heirs of C. M. Tucker, and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, in and to the above described property, and said property was levied upon as the property of the said C. M. Tucker, the heirs of C. M. Tucker, and the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and on Tuesday, the 4th day of August, 1925, at the court house door of Mitchell County, Texas, in the City of Colorado, Texas, between the hours of 10 a. m. and 4 p. m. I will sell said real estate at public vendue for cash to the highest bidder as the property of said C. M. Tucker, the heirs of C. M. Tucker, the unknown heirs of C. M. Tucker, and the heirs and legal representatives of the heirs and unknown heirs of C. M. Tucker, and the unknown heirs of C. M. Tucker, by virtue of said levy and said order of sale.

And in compliance with law, I give notice by publication in the English language once a week for three consecutive weeks immediately preceding the day of sale in the Colorado Record, a newspaper published in Mitchell county.

Witness my hand this 15th day of July, 1925.

I. W. TERRY,
Sheriff Mitchell County, Texas. By C. E. Franklin, Deputy. 7-31c

Baptist Notes.

Sunday school attendance was unusually good last Sunday considering the number of our people attending the Christoval encampment. The B. Y. P. U. had their regular meetings, rendering good programs. The pastor will be absent for the next 20 days holding meetings in Runnels county. And because of this, and also due to the fact that the Methodist revival is to start next Sunday, there will be no preaching services at the Baptist church. It is the hope of the pastor that all the people will throw themselves unreservedly into these services and labor prayerfully and earnestly for the master's cause during these meetings.

We feel keenly the need of a great revival in Loraine, and we feel that the words of the Psalmist should be ours, "Wilt thou revive us again; that thy people may rejoice in Thee." There should be a heart cry on the part of the churches for spiritual power and refreshing.

We need growth, prosperity and a deeper spiritual longing throughout Christendom. Greater than numbers, wealth, organization or social influence, is the blessing of a deep, genuine spiritual awakening in the church of God. To do this we must go to our knees, may we not do this.

Reporter.

The series of meetings conducted by the Church of Christ closed Sunday night with a large crowd and much interest. While there were no additions to the church the membership was strengthened and much good done otherwise. The preaching was done by Elder Arthur Holton, president of Thorp Spring Christian College, and the song service was conducted by Prof. McCormick of Oak Cliff. The sermons were instructive and the song services were excellent.

Mr. Malvin Stevenson and family of Sweetwater are visiting in the O. E. Stevenson home this week.

Miss Eloise Foster of O'Donnell is here visiting relatives in the L. D. Teaff home.

Elder L. W. Hayhurst, Christian of Gunter, Texas, will conduct a series of meeting at Champion. beginning Wednesday, July 22nd. Everyone cordially invited to attend these meetings.

Mrs. J. W. Haggard and daughter Wynogene, of New Orleans are here on an extended visit with Mrs. Haggard's parents, Mr. and Mrs. W. S. Erwin and other relatives.

Mr. and Mrs. L. T. Britton entertained as Sunday dinner guests Elder J. F. Richardson and daughter, Mrs. Williams of Robert Lee. Mr. Albert McGaha, wife and children of Mecca, Calif.; Miss Mary Brazil, Cleburne; and Miss Alma Smith, Loraine.

Mrs. J. L. Vivian and children from South Texas are visiting in the Mrs. M. F. Hall home.

J. L. Hall, Stanton; Harry Hall and family, Lubbock, and Editor R. L. Hall of Blackwell News were Loraine week-end visitors.

Mr. and Mrs. Earl Zellner and daughter Emma Louise, have returned from a six weeks visit with Mrs. Zellners mother at La Luz, New Mex.

Mr. and Mrs. D. K. Wray left Tuesday for a visit in the D. H. Langford home at San Angelo. Miss Maud Langford, who has been visiting friends here accompanied them.

Mrs. J. W. Smilesy is spending the summer with her son Mr. Gene Smiley of Lubbock.

Mr. W. R. Clark of Bronte is spending a few days visit here with his daughter, Mrs. Floyd Richey and family.

Mrs. M. G. Martin and daughter Miss Hazel from Abilene are visiting in the G. W. Whitten home.

Mr. Mike Looby has returned from Houston where he has been attending school at Rice Institute.

Mrs. S. W. Givens and family moved in from the country to their home here this week.

Methodist Church Notes

We had on roll last Sunday 283. Subject of our lesson was "Paul's Preaching and Its Effects." Mr. Roy Edwards filled Superintendent J. M. Bruce's place. The Methodist meeting will begin July 19th, with Rev. R. N. Huckeby of Rotan in charge. Everybody is invited to come and take part in the meeting and help to make it a success—Reporter.

J. P. Luttrall and family of Lamesa made a short visit with acquaintances here Monday on their return home from a visit to Abilene.

Elder J. F. Richardson, Primitive Baptist minister of Robert Lee, filled the pulpit at the Presbyterian church here Saturday night and Sunday. The Primitives will not have services next Saturday and Sunday, their regular date on account of the Mt. Olive Association to be held at Regency, Mills county the 17th, 18th and 19th.

Officers elected Friday night at the close of the Scurry County I. O. O. F. Association which met here Friday were: Mr. Wendell of Hermleigh, president, C. M. Jackson, vice president; Mrs. C. M. Jackson, secretary. To be installed at the next meeting of the Association to be held in January at Snyder.

The city council has ordered an election to be held August the 11th for the purpose of voting a $30,000 water bond to supply a water works system for Loraine. A diagram of the water works system to be voted on can be seen at the office of Britton & Smith. It would be well for every citizen to visit the office and look the plan over as the economy and protection against emergencies with such a system can be seen at a glance. Visit the office, look the plan over, think it over, come over and help make it over in Loraine August 11th.

Excavation work expected to be completed this week, began Monday at the rear of the Auto Supply Station where Mr. H. K. Sadler is installing a large underground storage tank of 11750 gallon capacity.

Mr. M. E. Moore of Cisco is visiting his son, D. C. Moore and family.

Mr. and Mrs. W. F. Barrett who have been visiting in the D. C. Moore home returned to Lamesa Monday.

W. A. Jennings and sons are busy with the hay crop on their ranch near Maryneal this week.

Messrs H. A. Foy, Rowland Hall, and A. Foy are seeing after business interests in Tom Green and Reagan counties this week.

Messrs A. G. Furlow and G. A. Hutchinson left Tuesday for points in South Texas to be gone possibly 10 days.

J. C. Davis associated with Philpott, florist, Abilene, visited his grandmother Mrs. Lina McGee and other relatives here Friday night returning to Abilene early Saturday.

Mr. Frank Seger and family are visiting at Brownfield this week.

Messrs. S. V. Sweeney, Hillsboro and W. C. Abbott, Frilby, Florida, who is spending the summer in Texas, have returned to Hillsboro from a few days visit with relatives here.

Mr. and Mrs. W. L. Davis spent the week-end with relatives here leaving Monday for a visit to their ranch home near Sherwood.

Mr. Jno. Reed, wife and children and Mrs. Lillian Reed were here from Sterling City attending the meeting and visiting relatives for the week-end.

Miss Eula Bell Swafford is visiting in Eastland this week.

J. A. Honea and wife are visiting at Abilene this week.

Miss Edna Mae Davis who has been visiting her cousins, Ethry and Armetta Dean for the past month, returned to her home at Brownwood Monday.

Miss Willie Pearl Pendergrass arrived from Beaumont Sunday for an extended visit with her uncle, Mr. W. A. Pendergrass and family.

Mrs. W. S. Thomas returned Monday from a few days visit spent in the J. K. Blackard home at Snyder.

Mr. Emmett Richardson of Colorado has accepted a position in the First State Bank here and he and Mrs. Richardson are at home in the G. W. Hendrick residence formerly occupied by Mr. and Mrs. A. J. Florence, who moved to Pecos City last week. We are glad to add that word has been received from Mr. and Mrs. Florence that they are planning to return to Loraine as soon as a house can be secured.

TO PROPERTY OWNERS

The City Health Officer and the Civic League are asking the citizens of Colorado to do something that will enhance the value of their property, beautify and make more sanitary the town without adding anything at all to their taxes.

The thing we are asking lot owners to do is to cut the weeds on their vacant property. There is a city ordinance (see another column) making this cleaning up compulsory, but we feel that if the owners will only realize how much this cleaning up will beautify the town, what it will do toward abating the fly and mosquito nuisance, and from a health standpoint, they will gladly comply with this ordinance.

Many lots next to business houses are most unsightly and unsanitary. Many in the residence portion are mosquito breeders and most unlovely to look upon. So for the good reputation of Colorado, as an answer to the request of your City ealth officer, and your Civic League, we urge you to cut weeds before the first of August. Do it now without waiting to be made to do so.—The Civic League.

Fishing Crowd Returns.

Mr. and Mrs. Ed Jones and little daughter Gladys, L. H. Gaskins, R. P. Price, Homer Hutchinson Jr., J. W. Shepperd Jr., Willis Jones, Robert Whipkey, James Joyce; Misses Marcella, Loyce and Page Price, Mary Broaddus and Maxine Root, have returned from a ten days fishing and camping on Devil's River near Del Rio. The young people report that they had a jolly time and plenty of fish.

Ni-Late kills insects of all forms, yet non poisionous or harmful to human life. Does not soil most delicate fabrics. Sold by Colorado Drug Company.

Birthday Party

Mrs. J. D. Wulfjen entertained seven little boys and girls on the lawn of Mrs. Everett Winn Monday, honoring the seventh birthday of her little granddaughter, Ina Joe Wallace of Tucson, Ariz., who, with her mother is here for the summer. games were played on the lawn and after the cake, with seven candles, was admired it was served with ice cream. Horns were given as favors. Each little guest left a gift in memory of the pleasant occasion.

Mr. and Mrs. Van Ellis and children have returned from Cisco where they have been visiting Mrs. Ellis parents the past few weeks.

Bro. Bailey and family were visitors in Abilene Monday and Tuesday.

Mrs. Edd Bell visited her father and brother near Colorado from Saturday til Monday.

The play, "The Arizona Cowboy" was staged at the Westbrook school house Saturday night, on account of threatening weather the crowd was small but those present said it was a good play and well rendered.

Mr. Estel Skelton came near having a serious accident Tuesday when he and his father and children were returning from Big Spring. Mr. Skelton had a blow out which caused him to lose control of the steering wheel and the car went in the ditch, several of the children were thrown out of the car and were somewhat scratched up but none of them were seriously hurt.

Mrs. Clyde Miller and children have returned from Cooper, Texas, when they have been visiting relatives and attending the funeral of Mrs. Miller's stop mother.

Last Wednesday at 12 o'clock the death angel entered the home of Mr. and Mrs. Horace McDonald and took from their care and keeping their only daughter, little Bettie Joe, aged 1 year, and 2 months. She had been seriously ill for the past three weeks and at the time of her death was in the home of her grandmother Mrs. Fannie McDonald. Funeral services were held at the Baptist church Thursday at 10:30, Bro. Bailey officiating, after which the little body was tenderly laid to rest in the Westbrook cemetery to await the coming of the One who said: "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven." Among the out of town people who attended the funeral of little Bettie Joe were Miss Bernice McDonald of Abilene; Mrs. Odle of Mineral Wells, mother of Mrs. McDonald, and two brothers, one from Grapevine and the other from Mineral Wells.

Mrs. Cromer of Ft. Worth came in Thursday to visit in the home of her father, Mr. E. S. Hudson for a few weeks.

The revival meeting of the Methodist church started last Sunday. Services are being held at the newly erected tabernacle near the Baptist church. Everyone is cordially invited to attend these services from time to time.

Mr. and Mrs. N. A. Terrell went to San Angelo Sunday to visit Mrs. Terrell's sister-in-law, who is recovering from a serious operation.

Mr. C. A. Hudson and family of Merkel were visitors in the home of E. S. Hudson Monday and Tuesday.

The women of the W. M. U. served chicken dinner with all the fixings at the new tabernacle Saturday. Quite a large crowd were present to partake of the delicious things which were prepared by these good women. More than one of the Methodist men were heard to say that the next time he married it would be a Baptist.

What is Ni-Late? Ask any one at Colorado Drug Co.

The women of the W. M. S. sent a nice box of linens consisting of towels, sheets and pillow cases to the Scarritt Bible and training school at Nashville, Tenn., this past week.

Mr. Syler and wife went to Breckenridge Sunday to visit friends for a few days.

LOCAL OPERATOR AND COLORADO GIRL MARRY

Charles H. Green of Sweetwater and Miss Maude Williams, Colorado, were united in marriage at the Methodist parsonage in Roscoe by Rev. Coppage, pastor of the church at that place, Tuesday night at 9 o'clock.

Green is a son of Mr. and Mrs. J. W. Green of Roscoe, and he was reared in that city. Recently he has been a linotype operator on the Dallas News, but is now operator on the Sweetwater Reporter.

The bride is the daughter of Mr. and Mrs. Ira Williams of Colorado, having moved to that city some time ago from Roscoe, where they lived for several years. Mrs. Green was a teacher in the Roscoe schools for two years.

The young couple are now making their home in Sweetwater. Mrs. Rondo Whorton, a sister of the groom was the only witness to the wedding. —Nolan County News.

CALIFORNIA COMPANY WILL DEVELOP LARGE LEASE TRACT

The California Company, holder of twenty-nine sections in Crockett and Reagan counties north of the Humble well on the L. P. Powell ranch, perhaps the largest solid tract under lease by any of the big companies, has not completed plans for development there, W. F. Vane of San Francisco stated Monday.

Mr. Vane is manager of the land and lease department of the California Company was here with R. C. Stoner, also of San Francisco, assistant general manager of the production department; W. M. Simpson California manager in West Texas; L. W. Orynski, J. M. Charlton and E. C. Edwards, all of Colorado, Mitchell county. The party had been to Crockett and Reagan counties and was en route to Culberson county, where the California is drilling a well. The company also is planning to drill in King County. It is probably the largest producer in the Mitchell county field.—San Angelo Standard.

OIL NEWS REPORTED BY THE BIG SPRING HERALD

At the Humble Oil Company's deep test on the Slaughter ranch, northwest of Big Spring, the drill is pounding away in a rock salt formation below 1750 feet. This rock salt was encountered some four or five hundred feet deeper than it was found in the test wells on the McDowell ranch south of Big Spring.

A new steel derrick will be used at the new test on the McDowell ranch, south of this city. A new boiler and engine have also been installed at this location. If no unforseen delays are encountered this well should be spudded in the last of this week.

This test is a little more than a mile northwest of McDowell No. 1.

The chief geologist of the Gulf Co. selected the location for this test.

With the Gulf Production Company getting shaped up to spud in the WNIwv,ai| shrdl cmfwy mfwym their new deep test for oil about one and one quarter miles northwest of the McDowell well No. 1, a small producer for more than three years; with the Marland Oil Company blocking up acreage for five deep tests—several blocks having already been completed, and the Roxana completing a block for a drilling test, it begins to look like the big oil companies have decided to thoroughly test out this territory.

The Humble Oil Co. is making good progress in their test on the Slaughter ranch northwest of this city and at least one other test is being planned northwest of Big Spring.

The Sloan Oil Company is also to make one or two tests southeast of Big Spring and the Deep Rock Oil Company is to make one test.

Within the next ninety days several drilling rigs should be on location to start operations.—Big Spring Herald.

STERLING OIL NEWS

The Hardy Cedar Hill well, 13 miles northwest was drilling past 95 feet a few days ago. A cave-in in the water well slowed up operations for a few days this week.

Operations at the Northup well 13 miles north of here has been suspended for the last week. This well is 2500 feet deep.

J. A. House, head of the local casing crew, reports that he drew 3200 feet of 6-inch casing out of the Mims well 11 miles east of here this week. Mr. House says that straight reaming is now in progress at this well.

Drilling in the Clark well 12 miles southeast of here continues. This hole is past the 2600-foot level.

Drilling was resumed in the Hull well 17 miles southwest of here on the Moses Herrin survey this week.

The Wrightsman prospect on the F. G. Howard survey, 13 miles southwest of here will soon be ready to spud. Nearly all the machinery has been installed, and it is only a matter of days until the drill will start.

The White Eagle Mills No. 1, in H. M. Mills' pasture, 13 miles southwest of here is rapidly taking shape, and in another week the drill will be going at this new location.

Durham well No. 2 still responds nicely to the pump. Oil men say it is a pity to use such a fine grade of oil for boiler fuel.

The drilling is going day and night, and good progress is being made.

Reynolds well, 11 miles west of here shut down at 3002 feet on the 3rd inst. The drillers are anxious to go down on this well, because they stopped at a point where the chances were very flattering for oil.

The crew of the Cogdell & Ford well 5 miles southwest of here is still busy.

For the present, operations are suspended at the Douthitt well pending a hitch in the land titles. Interested parties are anxious to get their titles in good shape before going any deeper. It seems that development of an interesting nature is expected when the drill starts again.

The Magnolia Company is drilling the Mary Foster well No. 1 in W. L. Foster's pasture 4 miles south of Iatan in Mitchell county. They had past the 1250 mark last week. This Company is buying up all the royalties from the owners of the lands surrounding the well. This well is a mile southeast of a well drilled by the same company two years ago, and where a fine showing of oil was encountered past 2600 feet.

The Big Lake and World fields in Reagan and Crockett counties are making the world sit up and take notice. It is now in the producing stage and does not get much publicity.—Sterling City News-Record.

A WISE SPIDER

When Mark Twain was editing a Missouri paper, a superstitious subscriber wrote him that he had found a spider in his paper, and asked Mark if it signified good or bad luck? Twain replied:

"Old Subscriber:—Finding a spider in your paper was neither good or bad luck for you. The spider was merely looking over our paper to see which merchants are not advertising so that he can go to those stores and spin his webs undisturbed."

PROBATE NOTICE

THE STATE OF TEXAS.

To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceeding the date of the notice in the County of Mitchell, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Probate of Will.

THE STATE OF TEXAS

To all persons interested in the Estate of B. C. Kitchens, Deceased; M. P. Kitchens has filed in the County Court of Mitchell County, an application for the probate of the Last Will and Testament of B. C. Kitchens deceased, filed herein, and for letters testamentary thereon; which will be heard at the next term of said court, commencing the First Monday in September A. D. 1925, at the Court House thereof, in the City of Colorado, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said court at office in Colorado Texas, this July 6th, A. D. 1925.

(Seal) J. LEE JONES,
Clerk County Court, Mitchell County, Texas. 7-17c

I hereby certify that the above is a true and correct copy of the original writ now in my hands.

I. W. TERRY,
Sheriff Mitchell County, Texas.

WRITERS' CONFERENCE.

The fourth annual session of the Texas Agricultural Writers' Conference will be held at College Station during the Farmers' Short Course July 27-August 1. The session will be held in the conference room of the Extension building every afternoon of the short course week. The forenoons are left open to enable the press people to attend the several meetings of the short course proper. The writers and school superintendents will dine together as heretofore and the social entertainment will be provided at the noon and evening meals under the direction of Mrs. M. R. Bentley of Bryan, and Miss Violet Short of College Station. The program will allow liberal time to each number to give opportunity for all who attended to take part in the discussion.

HIGH SELLING RECORD

June is another record-breaking month for Hudson and Essex cars, with business good and public demand exceedingly active, according to O. B. Price, local Hudson-Essex dealer.

"This will prove the sixth successive month in which all previous totals of Hudson and Essex business are surpassed," said Price, "Starting with January of this year, Hudson-Essex started in the habit of breaking records. In each month since then it has bettered all former marks.

"In so doing, Hudson-Essex has become the largest and most popular line of six cylinder cars this or any other year ever knew. The more than 100,000 cars which have been made and sold this first sixth months of 1925 would be in fact a most handsome output for an entire year. But the public demand for the cars which has called for this volume is on the increase and still greater Hudson-Es- ma[illegible] may be looked for in the [illegible] year.

[illegible]ind this extraor- [illegible] of vital interest [illegible]gle feature of the [illegible]struction on which [illegible] has centered; but [illegible]nd standard of well- [illegible]whiich we considered [illegible]swhere—and apparent- [illegible]agrees with us.

[illegible]ion of delivering cars is [illegible]us one. We are actually [illegible]hen business is so active [illegible]rs cannot obtain cars as [illegible] they want them. We rea- [illegible] when a man wants a motor [illegible]ants it at once, and we bend [illegible]ossible effort to accomodate [illegible]en when there is a country- [illegible]hortage such as we have seen [illegible]pring.

[illegible]ith this feeling on our part, [illegible] with the Hudson-Essex plant [illegible]king night and day, we are making every effort to deliver cars on time. This is not always possible, but we do make every effort. It would help a great deal if motorists would place their orders a little time ahead of the day they actually want their car. That would avoid disappointments."

THE DEVIL

The series of Bible studies given by Dr. Rayburn during the revival meeting was a great treat. Two of these studies were on the subject of the devil. We have made a joke about the devil. Many people joke about the the old devil and think of him as a matter to be laughed about. Those who heard Rayburn will long remember the fact that the devil is a reality.

The devil was created but he was created perfect. Sin entered into him and he was changed from his perfection to that of a deceiver, a blasphemer, a slanderer. In the beginning the devil was the morning star, the bright one. Satan was beautiful and doubtless is still beautiful. He is a person just as God is a person. Of course he is a spirit as God is also a spirit.

The devil is called the prince of the power of the air. Think who a prince is and what is his ruling ability. A prince must have a dominion. He cannot be ruler unless he has something to rule. He is the ruler of darkness. There are only two powers in this world—the power of God and the power of the devil. The devil has power of the moral world. He makes blasphemers. He has power over the physical world. He sends the storms and destroys. He kills. He causes sickness and death. Some folks charge God with killing folks. That's the devil's job. For folks to believe that God kills little innocent babies, that's the work of the old devil. God is a constructive person. The devil is a destructive one. Sin is destructive but salvation conserves. The devil rules the nations of the world. Think of the fact that all the nations of the earth are wicked. Not a Christian nation anywhere. Not a prayer offered at the Versailles Conference. The mightiest gathering known to men as far as results were desired. But not a prayer offered. One man suggested that prayers be offered, but Mr. Clemenceau remarked that they had great problems to solve and had no time for religion. The powers of darkness.

The devil is the god of all wars. James asked the question, "Whence cometh wars?" He knew where they came from. They came from the bottomless pit of hell. We read from the pen of an able writer recently an argument that God was the author of war. It was His method of keeping the world from becoming overpopulated. Whenever we believe that statement we are willing to endorse the methods to prevent children from being born into this world. God said to replenish the earth. To multiply. God does not delight in seeing widows made and orphans made at the point of gas or dynamite. The devil rules Europe and they will fight till the judgement day Think of the cruelties of the past in Europe. Has any great change come over them? None whatever. They are still clamoring for territory. Germany hates France; Turkey hates Italy. In fact, all of them hates one another. You leave God out of a nation and you will have hatred. Think of 14 Roman Catholic nations wanting to come into a League with a few Protestant nations. What has been the history of all Catholic nations? Wars. That is the answer. Rayburn stands against the League of Nations because it meant to tie up with the rottenness of all old war soaked, and moral rottenness of Europe. We are with him exactly. America can make Europe behave better from without than she could from within. At any rate we are in favor of America remaining free from any entanglinig alliances with foreign powers. Israel got into trouble by wanting to make an alliance with Egypt. The devil does not want some folks to marry. And forbids some to eat meat. It is all in the Bible. Read it and see for yourself. Some church leaders you have heard of canot marry and some folks refuse to eat meat on certain days. Why? The spirit of the devil rules, according to Paul and Timothy.

BROTHER KENT READS US A LECTURE

(By E. I. Hill in Tahoka News)

After quoting our editorial on the search and seizure law, the Roscoe Times last week proceeded as follows:

We wonder if the News man is one of the number who told us in the last primary and general election that the liquor question was a dead issue and had no place in the campaign? The liquor question is neither dead nor settled, and just as surely as we place sympathizers in our executive and legislative bodies we can expect the kind of legislation complained of above. When the people of Texas refrain from being swayed by passion and prejudice in their voting and elect men who stand four square for the right then and not until then we make progress in suppressing the activities of the bootlegger and moonshiner. The more hatred, strife and turmoil a candidate can stir up the more popular he becomes, and just why otherwise level headed thinking men will be fooled into voting for this kind of man is a mystery to us.—Roscoe Times.

No use to wonder and worry over what the News man said in the last campaign. Just imagine what a mess editor, if your little pee-wee candidate, Felix Dinky Robertson, had become governor. With Zeke Marvin as his political daddy and boss, the gentleman of 100 per cent whiskey prescription fame, we guess the liquor question would have been settled—beautifully settled—with a political machine in power that would have done more to cause "hatred, strife and turmoil" than the Fergusons could produce in a hundred years. The same thing would have been true if your mongrel candidate, Dr. Butte, had been elected. With Creager and Zeke as his political advisers—well, please excuse us. And speaking of "passion and prejudice" if it had not been for the passion and prejudice Felix Dinky would never have been in the race to start with, and even if he had been he would not have gotten enough votes to black the board. Now isn't that the unvarnished truth, Brother Kent?

It is true that the Fergusons have made some mistakes. We expected them to do so, Brother Kent. They made a mistake when they approved this search and seizure amendment, we think. They have made a mistake now and then in filling the appointive positions. They have made a few minstakes, we believe, in the exercise of the pardoning power, but on the whole the Ferguson administration has been good; and if it were not for the "passion and prejudice" that you speak of your bunch would admit it. The fly in the ointment is that anti-mask law. Come to Texas.

DAYTON MADE FAMOUS.

Dayton Ohio, made famous with automobile tires. Dayton, Tennessee will be made famous when Bryan makes a monkey out of Darwin. The monkey may be in a bad way socially here, but as a business man he has this town all worked up.

Dayton, you know, is the town where monkeys cannot climb the family trees.

Young John T. Scopes is going to be tried shortly for intimating that southern chivalry once wore tails.

But the town realizes that because of the lowly monkey it has been getting advertising that many a town would pay heavy money for.

So, when Dayton comes into its own, the monkey won't be forgotten.

Already certain low conductors on the Southern Railway are singing out "Monkey Town" when the train approaches the red-shingled depot labeled Dayton.

Staid merchants who insist the monkey's place is not in the classroom are adopting business crests of a simian trend.

Drug stores are offering "monkey sundaes." You can buy postcards adorned with coy gorillas and leering babboons.

There is even talk of planting cocoanut trees along Main street. Dayton wants its visitors to feel at home.

In fact, the town may be said to have had a dose of monkey glands ever since Scopes was indicted.

You see, Dayton had been more or less asleep for a decade or two. It was a pretty town, a homey town, but as a business center it was in class O-5.

Then came the indictment, and requests for rooms during the trial began to pour in.

Dayton expects to accommodate 5000 guests beginning July 10.

Further, the entertainment committee, headed by B. M. Wilmer, insists the 5000 will be housed comfortably and at a reasonble cost. The top notch price will be $5 a day for room and board.

Every day scores of requests for accommodations come in. Every home in Dayton will be taking roomers.

Now Chattanooga isn't far away. And Chattanooga had always more or less sniffed at Dayton as a back number.

But Dayton has got even. Her entertainment committee has requested Chattanooga to handle the overflow crowds.

Chattanooga was insulted at first. But then she found that some 20,000 people are included in this overflow and that they will pay good money. So Chattanooga has relented.

There is going to be a big midway here during the trial. A dozen fakers have applied to sell monkeys that hop on a string. They want to sell a special brand of hot dog, which they will call "hot monkey." There will be "monkey pop," too, and a bootblack is preparing to give "monkey shines."

All in all, a visitor who can't get into the trial won't miss much entertainment. There'll be plenty of monkeys outside the courtroom.

Dayton's ball park will be lighted all night and guarded by traffic cops and plain clothesmen from Chattanooga. Parked autos and their contents will be safe as if at home.

In a little tree outside the room where the entertainment committee meets, sits a little bird that keeps singing:

"Coo-Koo—Coo-Koo."

Be Not Deceived

Baths are good. Electricity also is good—for light, heat, and power. Never-the-less a person of ordinary common sense knows that neither a bath nor electricity will correct an old chronic defective spinal condition.

Your life and welfare each depend upon the condition of your spine, just as much so as the same depend upon your environment, intelligence, sunshine, air, water, clothing—and food that you eat. This being true, it is the better part of wisdom to use common sense and have that bad spine examined and corrected by a reliable expert in his profession near your own home town rather than go away and spend 3 or 4 times as much more money than is necessary. Think it over.

The Palace and Mission Theatres show our movie films.

CLEAN UP CAMPAIGN NOW ON READ FOLLOWING ORDINANCE

We are printing this week some of the Articles of the City Ordinances on cleaning up. The City Health officer, Dr. Barber, together with the Civic League, is not only anxious to have a pretty town but a healthful town as well. This can only be done by all the citizens working together to make it so. Please read the ordinances published below and help to enforce them. Keep your premises clean and thereby you will help to keep out all contagious diseases, helping your own family and your neighbors.—Civic League.

City Ordinance

Article 45—It shall be unlawful for any person owning, occupying or using premises in the City of Colorado to allow tin cans, bottles, broken glass, oil tanks or cans, barrels, boxes, rags, paper, rubbish, trash or filth of any character to accumulate on such premises. Such accumulations when existing as waste material is declared to be a public nuisance, injurious to the health of the inhabitants of this city and violative of this article. If a box, barrel or other receptacle is kept for storing such material, and when full the contents are hauled outside the city limits, or to such dumping ground as may be designated by the City Council, there shall be no violatnon of this article, but decaying animal or vegetable matter shall not be placed in such receptacle.

Article 47.—The growth of weeds and mesquite, cat-claw and other like brush on any premises in or on any street or alley in this city is declared a nuisance, injurious to the health and comfort of the inhabitants of the City and the owner or person in control or possession of any premises in this City, or using or occupying the same, is hereby required to keep such weeds cut down and burned, and such mesquite, cat-claw and other like brush dug up and burned or removed from such premises and from that portion of any street or alley upon which such premises may be situated, between the line separating such street or alley from said premises, and a line extending along the middle of such street or alley and lengthwise the same; and each day that such weeds or other growth herein specified shall be allowed to remain on such premises or in such street or alley shall be a separate offense.

Article 57.—The doing of any act forbidden or the failure to do any act required by the foregoing ordinances shall constitute a misdemeanor and upon conviction shall be punished by a fine not exceeding one hundred dollars.

RELIABLE DRY GOODS CO. PUTS ON BIG SALE THIS WEEK

A sale which promises to be one of unusual interest, is the big sale now on at the Reliable Dry Goods Co. on Second street. This concern has been in Colorado for some time and has built up a nice business. The firm is housed in its own brick building and the proprietor, Mr. Bodzin, has recently completed the erection of a modern home for himself and family and says he is here to stay. Mr. Bodzin believes in advertising, and states that he expects to have an advertisement in the Record next week that will be of interest to all our readers. Watch for this ad and see what this firm has to say to you. What they tell you will be straight goods and you can depend upon it.

A WISE SPIDER

When Mark Twain was editing a Missouri paper, a superstitious subscriber wrote him that he had found a spider in his paper, and asked Mark if it signified good or bad luck? Twain replied:

"Old Subscriber:—Finding a spider in your paper was neither good or bad luck for you. The spider was merely looking over our paper to see which merchants are not advertising so that he can go to those stores and spin his webs undisturbed."

WANTED—To buy fifty old cars for wrecking—Auto Wrecking Co. 7-24p

WANTED—By student just finishing bookkeeping course in one of the State's best schools, position as bookkeeper for gin or business firm. Two years experience. Can give references PRESTON LAWS, 305 E. 14th St., Austin, Texas. 7-17p

FOR SALE—Have for sale 150 eight weeks old pullets, White Leghorns, full blood and fine at $1.25 each. This is a fine buy. See them at Lambeth and Merritt Poultry Farm. tf

DO YOU OWN A HOME?—If not now is the time to buy while cotton is high and you can pay for it. Every day you neglect it is your loss as well as mine. Land will positively get no cheaper but gradually increase in value. Why? Because they have quit making land and our population is gradually increasing. We are now subdividing the Haddaway ranch in Lamb county just 7 miles west of Sudan one of the best tracts of land on the Plains shallow water, good schools on the land no mabe so about it, is on the highway and in a thickly settled farming district, close to town and on R. R. The price is right and the terms cannot be beat, is from five to ten dollars per acre cheaper than anything else on the Plains. See me I am rearing to go.

I also have 640 acre farm in the Capps Lucus ranch about 20 miles northwest of Colorado, 350 acres in cultivation, two houses and 150 acres more tillable land on it, the price is right. Will trade it for smaller piece of land or take in some good clear town property.

I have also just listed with me the Horton ranch in Martin county, 18 miles northwest of Stanton adjoining the Hall land on south, will cut and sell to suit purchaser, this is good land and in shallow water district, good terms with one-fourth cash down. I also have the furnishings of a rooming house in Colorado for sale, reasonable rent and a money maker. Let's trade some.

A. R. WOOD,
Room 200, Colorado Natl Bank Bldg.

FOR RENT—Three furnished rooms nice location, all conveniences, Garage. Phone 11 or see May Morrow 1tc

FOR RENT—3-room unfurnished apartment with bath in connection. Phone 240 for information or see Mrs. Nelson Vaughn. 1tp

FOR RENT—Two choice close in down stairs bed rooms, south and southeast exposure. Board nearby. Phone 26. 1tc

Mrs. Edd Bell visited her father and brother near Colorado from Saturday til Monday.

LOCAL AGENT WANTED

We want a man of character, intelligence, and action to explain and sell our monthly installment and prepaid savings shares in Colorado and vicinity. These shares, especially the monthly installment ones, offer a very attractive means for putting savings on a systematic habit basis. All our accounts earn 8 per cent compound interest for savers. There should be an excellent market for these savings accounts among the salaried and professional men and women of Colorado. We have about sixty customers in Colorado already.

This should be of extra interest to some live insurance salesman, as it would give him an attractive side line, and a means of rounding out his service to his insurance customers.

We will furnish full co-operation with the man selected, in the way of advance literature direct from Home Office to prospect, full supplies, and sales suggestions. This is purely a commission proposition, but is sure to yield a return higher than salary to the man that will devote a reasonable amount of time to this work.

Applicant must be able to furnish surety bond, and should be between ages of twenty-five and forty.

Persons interested in this are requested to write

CHARLES H. COPE, Sales Mgr.
Abilene Building and Loan Ass'n.,
Po. O. Box 1046, Abilene, Tex. tfc

FOR SALE—Nicely furnished bed room for rent.—Mr. and Mrs. W. R. Hickey. 1tc

BLUE BUGS?

Feed the old reeliable Martin's Poultry Tone, formerly Martin's Blue Bug Remedy, to your chickens and paint hen house with Martin's Roost Paint to kill and keep away insects. Guaranteed by Jno. L. Doss Pharmacy. 8-28c

BIG METRO SPECIAL AT PALACE MONDAY-TUESDAY

Metro Special at the Palace Monday and Tuesday, July 20 and 21. "Sinners in Silk," a thrilling drama of rejuvenation. A story of an attractive middle aged man who renews his youth by a Steinach operation and who combines the subtility of maturity with the physical buoyancy of young manhood. This is said to be one of the most daring pictures of today, you will meet the most charming people in the world, on board ocean liners, in fashionable country homes, park avenues, in a villa on top of a New York downtown skyscraper, they will amuse you and thrill you with their deep human drama.

Faust sold his soul to the devil to get his youth restored. Ponce de Leon found Florida in seeking the fountain of youth, in every age great men have dreamed of rejuvenation. But it has remained for our day to make this miracle possible. The Steinach operation has injected a new and dramatic thing into life. You will realize how intensely thrilling this new force can be when you see "Sinners in Silk."

Men who are thinking of taking the rejuvenation treatment, stop and reflect a moment, Merrell (Adolphe Menjou) desired to renew his youth underwent the treatment, and fell in love. See what happened to him in "Sinners of Silk."

The local Boy Scouts had a nice outing at the 1-5 hole on Clear Fork Tuesday night, Scout Executive W. S. Barcus and Scout Master C. G. Campbell piloted the boys down there in the late afternoon and they cooked their supper by open camp fire, enjoyed swimming and some sports before returning home for the night. —Rotan Advance.

No raise in prices. Matinee here every day.

Matinee here every day, starting 1:30 p. m. We have our new fans in now and think you will find the show much cooler and better ventilated.

Regular Prices all this Week

The Unexpected Guest Arrives

She Enjoys Hospitality Made Possible By a Well-Stocked Pantry Shelf

"WHAT a perfectly delicious luncheon!" exclaimed the unexpected guest after her hostess had served a meal of tomato soup, creamed chicken, asparagus salad, hot graham muffins, honey and coffee. "I told you not to go to any trouble, and here you have prepared a feast fit for a king!"

"It was really no trouble at all," replied the hostess. "You see the only thing I had to prepare was the graham muffins. Everything else, even to the coffee came out of a can. That is why my friends are welcome at any time. I have dishes from all parts of the world at a moment's notice because I keep my unexpected guest-shelf stocked with canned foods.

"Do you mean to tell me," interrupted the unexpected guest, "That you live on canned foods!"

"Not exactly," laughed the hostess, "But practically. I have learned that all the food elements found in fresh fruits and vegetables, are retained in the same proportions in canned foods. So I no longer waste time peeling, scraping and cooking as my mother used to do. As a matter of fact, I much prefer canned foods to green foods that have been shipped from long distances and lost their freshness.

"I am sure of the canned foods. I know they have been canned while fresh, and only the best has been chosen. And I know that they are cooked at a temperature hot enough to kill any animal or vegetable parasite that might escape my own cooking. I know that the chances of chemical poisons finding their way into canned foods are most remote because nothing is ever put into canned foods to preserve them. They are processed and sterilized by steam which gains a much higher temperature than water.

"I am usually surer of the freshness of a can of peas or asparagus, for instance, than I am if I buy these vegetables in the market. I may be pretty sure, in the latter case, they have been several days if not a week or two, in transit, whereas I know the canned vegetables have been packed within twelve to twenty-four hours after they are taken from vine and ground, and are canned at their very best."

"Well I never dreamed so much deliciousness could come out of cans," exclaimed the guest. "I am going to stop on my way home and stock up for unexpected guests, myself. The unexpected guest is a dreaded event in our house. What shall I get to start my shelf?"

"First of all," advised the hostess, "I see to it that I have plenty of evaporated milk. You can do everything with evaporated milk you can do with fresh milk or cream, even to whipping it. Then I stock up on tomatoes, corn, peas and both string beans and baked beans, because these are always in demand. There are at least fifty ways of using canned tomatoes, and ever so many ways of serving baked beans. One of my favorite recipes is to put half a can of tomatoes with a bunch of fresh parsley when I can get it, two good sized onions, and two or three green peppers, all cut fine, in a casserole. I add a lump of butter and considerable pepper and salt as the vegetables take up a good deal of salt. I cover the casserole and put it in a hot oven for an hour. It is one of the most delicious of vegetable dinners, with which it is not necessary to serve anything else but potatoes—canned sweet potatoes are good—bread, a light dessert and coffee. Salad may be served but is not necessary. Soup is unnecessary as the juice from the vegetables takes its place.

"Other things I am keen about for my guest shelf are the "ready dishes" or more properly speaking, salads, such as canned mixed fruits with peaches, apricots, pears, pineapple and cherries, and the mixed vegetable salad with seven vegetables, all in one can. With the addition of a little orange or grapefruit juice the mixed fruits make a delicious fruit cocktail, as well as serving the purpose of fruit salad with a leaf or two of lettuce and a little salad dressing. One can get a whole meal out of a plate of mixed vegetable salad.

"Of course there are the ready made mayonnaise and various sauces which are indispensable, and cans of tuna fish, which may be served as a salad, or creamed and in croquettes — lobster, shrimp, salmon and sardines, pimientos and soups and spaghetti. Then one must have other protein foods besides baked beans, such as chicken, a la king and boned, corn beef, dried beef and deviled ham, also desserts of various kinds, such as jams, fruits and puddings. I add to these a little caviar and a few cans of sweet potatoes. I find these potatoes delicious for candied sweets and very convenient when sweet potatoes are out of season.

"With a shelf stocked with all these cans of foods the arrival of the unexpected guest gives me no more worry than a rainy day when I have no inclination to go to market."

WITH THE CHURCHES

BAPTIST NOTES.

With many of the folks away on vacations we need all of those at home on the job each Sunday at all the services. No use to say much about it but we want you to be present next Sunday at all the services. We are having a good Sunday school but what excuse shall we make for those who are not present? You come and make your own excuse, please. Then we are having fine attendance at prayer meeting on Wednesday evenings. We expect each one who reconsecrated himself or herself to the Lord during the recent meeting to attend all these services. Some said they were going to stand by the pastor and help him do the work that should be done. We are trusting they will not forget their newly made vows unto the Lord. Sometimes it is easy to make vows and then it seems easy to break the same but we are hoping that none will be so thoughtless as to take these vows in a light vane. The young people, many of them said they were ready and willing to do anything the Lord wanted them to do. It would be natural to believe the Lord would want all these young people to attend all the services at His house each Lord's day. We are real proud of the attendance at the services each Sunday but are just giving a little warning against neglect. You remember the preacher preached a great sermon on the ruin in neglect. Don't lose out by neglect. We will give you a warm welcome, under electric fans next Sunday morning at the Baptist church. Don't forget the union services at the Tabernacle at night. We hope to see a large audience present that night. Some have thought it hardly worth while to continue these services as the interest does not seem enough to justify it. You come and bring a friend with you next Sunday night. The preacher will do his best to help you.

M. C. BISHOP, Pastor.

METHODIST CHURCH.

Sunday school 9:45 a. m. Had 310 present last Sunday.

ASSN. OF TEXAS PIONEERS ORGANIZED HERE MONDAY

An organization to be known as the Mitchell County Association of Texas Pioneers was perfected here Monday by Adolf Hoffmann of El Paso special field representative of the State Association, with headquarters in San Antonio. Similar organizations are being perfected in every county of the State, Hoffmann stated. Texans who have lived in the State forty five years or descendants of such are eligible for membership.

Those entering the organization here as charter members were Dr. P. C. Coleman, Judge Chas. C. Thompson, W. S. Stoneham, F. M. Burns, W. A. Crowder and Mrs. H. B. Smoot. Others are to be added during the next few weeks, the organizer stated. Hoffmann left Monday night for Sweetwater.

Texas made picture will be shown at the Mission Theatre July 20-21. "Warrens of Virginia." This picture was made in San Antonio, Texas. Its a Fox drama of Civil War. Service men of Fort Sam Houston camp in San Antonio worked with the actors in making this picture, more than two thousand men with mule wagons and equipment help make this wonderful production a success. Different scenes were made in Camp Travis, Camp Pershing, and Fort Sam Houston, also other places near and around San Antonio. Don't forget the date. Matinee every day at the Mission.

MEETING OF COUNTY AND DISTRICT SCHOOL TRUSTEES

On Tuesday, August 4th, there will be held a joint meeting of county and district school trustees of Mitchell county. Dr. P. C. Coleman, president of the county board of school trustees will preside over the meeting, which will be called to order at 1:30 p. m. Matters of interest to school trustees and school patrons will be discussed and especial effort will be made to let the trustees of each district know what the other districts are doing.

The program which is being worked out by Dr. Coleman, and the Co. Supt. will include addresses on local school problems, recent school legislation, etc. There will be one speaker from the Rural Aid division of the State Department of Education. While this is primarily a trustee's meeting all patrons of the school and all friends of education are urged to be present.

What is Ni-Late? Ask any one at Colorado Drug Co.

FARM BUREAU SPEAKER BE HERE THURSDAY, JULY 23

C. O. MOSER, Secretary.

A special invitation is being extended the business men of Mitchell County to attend the cotton co-operative marketing meeting which will be held at Colorado, Thursday, July 23, at 8 p. m., according to officials of the Mitchell County Farm Bureau. At this time Mr. C. O. Moser, secretary of the Texas Farm Bureau Cotton Association and Secretary of the American Cotton Growers Exchange, will address the members of the association and other cotton growers of the county. He will go into detail with regard to this cotton marketing program and is an authority on this subject. The Exchange with which he is connected officially handled more than 1,000,000 bales of cotton last season.

"It is seldom that we have an opportunity of hearing such an authority as this may," W. W. Porter, secretary of the Mitchell County aFrm Bureau, said, "and since co-operative marketing is reaching the proportions that it is, it behooves all of us to eccept every opportunity of becoming better informed on it." Porter also stated that "while the cotton growers themselves are specifically interested in the marketing of their cotton, that all business interests are likewise involved for upon the prosperity of the farmers depends the prosperity of the communities and all business in the community." Steps are being taken to bring out a large attendance of both farmers and other business men of the county.

Rising Young Star Fond of Cooking

Claiborne Foster.

Claiborne Foster, that clever little lady who makes Barry Connors' play, "Applesauce," the outstanding comedy success of the year, is an extraordinary young woman. She is generally recognized as one of the rising young stars of the American stage and her services and company are always in demand but such is her nature that she shuns the "bright lights" and leads a simple and unostentatious life wherever she may be. She is essentially a home girl, being passionately fond of cooking, an art at which she is very adept, and much of her leisure time is spent in the modest little kitchenette of her apartment. When not playing in some production, Miss Foster may be found at her home a short distance from New York city, where she revels in the joys of cooking for the whole family and her friends and spends her vacations doing the work of the ordinary housewife.

There are two dishes which are regarded with more favor by Miss Foster, than are any others. These are Bronk shrimps and chicken en casserole. She uses the simplest of formulas but insists upon the purest of ingredients, using pure butter, and evaporated milk. The recipes that she uses are:

Bronk Shrimps.

2 cups shrimps, canned or fresh	Yolks 2 eggs
4 tbsp. fat	½ cup evaporated milk
½ tsp. salt	¼ cup water
Few grains cayenne	1 tbsp. flour
	2 tsp. lemon juice

Clean the shrimps, and cook in half the fat for 2 minutes; add seasoning and lemon; cook 2 minutes longer. Remove shrimps and make a white sauce of the remaining fat, flour and milk; when thickened add yolks of eggs slightly beaten, stirring in quickly and cooking two minutes; add the shrimps.

Chicken en Casserole.

1 tender chicken for roasting	1 cup evaporated milk
2 tbsp. butter	1 tbsp. chopped parsley
2 tbsp. lard	2 cups chopped mushrooms
Salt and pepper	
1 pint hot water	

Clean chicken, split down back, and lay breast upward in casserole. Spread fat over breast, dust with salt and pepper, add hot water, cover closely and cook in hot oven one hour. When nearly tender put in evaporated milk, mushrooms and parsley. Cover again, and cook 20 minutes longer. Serve hot in casserole.

HOUSES WILL CLOSE FOR BENEFIT BALL GAME

STORY OF INDIAN FIGHT AT PACK SADDLE MOUNTAIN

BEN C. STUART

In August 1873, a desperate encounter took place at Packsaddle Mountain, Llano County, between eight cowboys and twenty-one Apache Indians. The names of the cowboys were William B. Moss, S. R. Moss and S. B. Moss, three brothers, and Ele Lloyd, Archer Martin, Pickney Ayers, Robert Brown and E. D. Harrington. A party of twenty-one Indians had entered Llano County and established a permanent camp on Packsaddle Mountain, from which they began to make raids upon the adjacent ranches. On the evening of August 9, 1873, a cow came up to the [illegible] of Mr. Moss with an ar[illegible] her body, the first [illegible] presence of Ind[illegible]d.

[illegible]ing the eight cow[illegible]e, each armed with [illegible]ting rifle and a six[illegible]e ranch in search of [illegible]hey soon struck the [illegible]ge party and followed [illegible] of the mountain. Being [illegible]t the Indian camp would [illegible] the summit of the moun[illegible]utiously proceeded until [illegible]way to the top, when they [illegible] an Indian sentinel seated [illegible]ky ledge with a small mir[illegible]e hand while with the other [illegible] busily engaged in adorning his face with paint. He was so engrossed in making his toilet that he failed to discover the cowboys until they were in a short distance of him, when he dropped glass and paint and with a loud yell dashed away. Following as rapidly as the nature of the ground would permit the cowboys soon came to a small plateau at one end of which was the Indian camp and at the other the horses staked out to graze. The punchers dashed in between the encampment and the horses and dismounting, made ready for battle. The Indians seized their guns and after firing a volley at the boys, rushed upon them in a body to drive them from their position and regain possession of their horses. Four of the cowboys were wounded at the first fire, three of them so badly they were unable to fight, leaving only five to contend against twenty-one Indians. But as the Indians came to close quarters, the cowboys poured such a continuous and deadly fire upon them from Spencer rifles and revolvers that the savages faltered and finally fell back to their old position at their encampment. They however quickly formed again and charged the cowboys with the evident determination of driving them from their position at all hazards, but the Texans stood their ground, and a desperate and almost hand to hand conflict ensued, the Indians again being repulsed. After the repeated charges, all of which were repulsed, the Indians finally retired into some thick undergrowth in the rear of their encampment, and being entirely screened from view the cowboys, supposing they had given up the fight, laid aside their guns and turned their attention to their wounded comrades.

In the account of the battle furnished by an old frontiersman and printed in Wilbarger's work, he says: "While thus engaged, the Indians, headed by their indomitable young chief who had made himself so conspicuous in the fight by his daring, emerged from the thicket, apparently with the intention of making another charge upon the Texans. The latter quickly sprang to their guns, and quietly awaited the onset. But when the Indians saw that the boys were ready to give them the same reception they had met with in their previous charges, they advanced but a few paces beyond the thicket and came to a halt. The young chief then turned and made them a harangue. The boys could hear every word he uttered, but although they know by his vehement features that he was urging his men to make one more effort to drive them from their position. But his harangue was of no avail. The sight of the cowboys and their deadly Spencer rifles leveled toward them was too much, and they refused to advance. At length, finding he could not induce his men to make another charge upon the Texans, he waved them back contemptuously with his hand and turning deliberately advanced solitary and alone toward them. He had a Winchester rifle in his hand, and every few paces he would stop and fire upon the cowboys. In this way he continued to advance until he was within a few yards of the place where the boys were stationed, when he fell dead pierced by half dozen bullets. He had evidently made up his mind to die rather han to return to his people in disgrace. As soon as he fell his men retreated into the thicket, carrying with them in their blankets several of their dead and wounded. The chief and two others were left dead on the ground. The boys did not attempt to follow them as one-half of their number wers wounded, three of them seriously. The Indians lost everything they had but the arms the survivors carried off with them. The boys got all their horses, among them some very valuable ones, a large lot of robes, some fine Navajo blankets, silvermounted saddles, Winchester and Henry rifles and revolvers and camp equipments. Among the saddles was one marked with the name of the maker and 'Tucson, Arizona,' From this fact, as well as the fact that those Indians were much better armed and equipped than the Comanches, it is supposed they came from Arizona. This was the last raid they ever made into Llano County.

You wouldn't dare think of criticising the manner in which the stores and banks are run in your town, but the newspaper, if it is not run according to your thinking is a worthless thing and the editor is too sorry for anything.—Merkel Mail.

SCURRY COUNTY HAS TEN PER CENT INCREASE IN ACREAGE

SNYDER, July 16.—Scurry county has approximately 125,000 acres of land under cultivation this year. This acreage represents a ten per cent increase over last year, according to the county agent approximately 95,000 acres is planted to cotton.

This county had practically no rain until early in the spring and a great deal of the land had not been prepared for planting before the first rains. The fact, in connection with the retarding of the plant life by insects, especially lice and web worms has cut the probable cotton yield in this county by 10,000 bales, according to the county agent. This figure is arrived at by the testimony of experienced farmers who say that the crop was cut short last year 5,000 to 6,000 bales by the ravages of insects. The lice appeared on the cotton this year much earlier than last year, thereby doing much more damage in checking the growth of the plant.

Of the 30,000 acres planted to feed and forage crops the greater portion was planted early in the season. Due to the extremely dry weather in most communities during the past four weeks, it appears that the early feed crop will be light.

Practically all parts of the county have received rain since July 1. The precipitations ranging from six inches in some communities to only one in others. Although spotted, these rains have done a great deal of good where there was any under ground season at all, and where the land had been put in a high state of cultivation. In the sections that are so favored, the crops are in excellent condition with indications that the lice has ceased its destructive work.

The county agent has just returned from an overland trip through Fisher, Jones, Haskell, Knox and Wichita counties and other sections of the State. He says it is his candid opinion that Scurry county has as good crops as any other county he passed through and in many instances much better. Mr. Carmachael the county agent, said further: "With intensive cultivation in the latter part of this month and in August, Scurry county should, with a few more showers, make a heavier cotton crop than last year, despite the rather poor start." There was ginned in this county last season a little over 30,000 bales. According to this statement and the statements of other reliable parties, the present cotton crop looks good at this time for 35,000 bales in this county.

CARD OF THANKS

We take this opportunity to extend to one and all our friends and neighbors for their many and sincere kindnesses extended to us through the sickness and death of our beloved wife, mother and sister, Mrs. Cora Coburn. We are indeed greatful for the floral offerings and words of sympathy extended to us in this sad hour of death.

M. T. Coburn and family,
H. F. McCorkle and family.

John Geer, for some time local manager for the West Texas Electric Company, is to leave Colorado after this week. He is being transferred to Decatur, Wise county. J. W. Carpenter of Dallas, general manager of the Texas Power & Light Company, of which the West Texas Electric properties are a subsidiary, stated Tuesday that a man to take Geer's place here would arrive in Colordo within the next few days.

STATE HIGHWAYS LEAD THRU SCENIC COUNTRY

Texas offers a wonderful mountain drive of 600 miles through a scenic play-ground section of the State. From San Antonio the drive leads westward to the Davis Mountains, a distance of 400 miles and from this point on to El Paso an additional 200 miles. The elevation ranges from 700 feet at San Antonio to 8000 feet at the Davis Mountains. The highway winds through over the hills and mountains where numerous springs break through the rocks to form the waters of the Guadalupe and Llano rivers.

Vacation camps and auto camps offer the opportunity for way-side stops. Through Big Josua Valley, on up and by Phanton Springs, and thousands of acres of irrigated land the 600-mile mountain drive leads going westward into the Balmorhea valley and the shadow of the Davis Mountains.

State Highway No. 2 leads from Dallas south through Waco, Austin and by beautiful Landa Park at New Braunfels, Wonder Cave at San Marcos and on to San Antonio.

Caddo Lake, Harrison County, greatest fishing waters in the Southwest, offers inviting outing and vacation facilities and pleasures. Good state highways lead from all sections of the state to this immense lake preserve, from Dallas to Marshall and thence fifteen miles to Caddo, or from Waco, Austin or San Antonio, the highway affords a splendid motor drive.

Through the columns of the Times the business men of this city are inviting the citizens of this trade territory to try Roscoe first when they are in the market for the necessities and luxuries of life. These men are our personal friends and are anxious that we may all come together in a co-operative way for the upbuilding our town and community. They solicit your business because they know they are in a position to sell you dependable merchandise as cheap or even cheaper than you can purchase it elsewhere. We would ask that our readers first try their home merchant, and if you find that you can get your goods from them then we maintain that it is to your financial interest to do so. Prosperity will not attend us if we flirt with our opportunities. Lets cultivate a spirit of co-operation one towards another.—Roscoe Times.

Ni-Late is used by the State of Texas as disinfectant, germicide and insecticide in all State institutions. Also sold by Colorado Drug Co.

IN SOCIETY AND AT THE CLUBS

COUNTY FEDERATION

The Mitchell County Federation of Women's Clubs met out with the Pioneer Club at the club house. The president, Mrs. Jim Johnson presided. All the reports given by the clubs and chairmen showed that much good work is being done, even though the weather is hot. The library chairman reported some new books had been bought and all were in use most all the time. She stated the library would be open all during the summer. Mrs. Merritt, district chairman of scholarship and loan fund, reported Mitchell county well up with its quota and she had had an application from a grandmother in another part of the district for a scholarship to Sul Ross as she was anxious to have one year's training in this school. Ten dollars was voted for the expenses of the two girls who recently won in the clothing contest, for their trip to A. & M. short course.

Miss Sealy reported the rural clubs were now busy canning and preserving fruits and vegetables for home consumption and fancy packs for the fair.

Besides the splendid reports given by the rural clubs in the way of sales of milk, butter, eggs, chicken and vegetables and the great quantities put up for home use, we were treated to a picture of garden specimens that are grown in West Texas for the needs of the growers and to spare. This club has entered the State garden contest and one of the rules is that two demonstrations of the products must be given within the year. The table was loaded with fresh vegetables grown in the different gardens and back of these were vases of old time flowers that can also be grown in the garden spot of Texas. —Mitchell county.

We are sure we will leave out some of the good things but here is a list our eys caught: Irish potatoes, cabbage, okra, spinach, green tomatoes, ripe tomatoes, squash, cantaloupes, roasting ears, black eyed peas, butter beans, four kinds of beans, carrots, cucumbers, peppers, lettuce, onions, beets.

Following the program the women assisted by their daughters, served plates of English pea salad, fried chicken, bread and butter sandwiches and iced tea garnished with slices of lemon, followed by pie a la mode.

These lovely refreshments were possible because of the beautiful spirit of co-operation and work. One of the fruits being a community spirit. The foundation of this was laid when these club women assisted by their progressive husbands built and equipped the neat little but commodious club house.

It would be a story of itself to tell how this was accomplished but suffice it to say it was done and Mitchell county homes are the richer for it. The inside is finished with restful colors, the floor stained and the furniture consisting of gray chairs, tables, painted by their own hands, shades are at the windows a good oil stove is in one corner, while in another is cabinet in which are dishes and cooking utensils. Not only do the women use this house but the girls of the community use it in their club work.

While we saw and experienced all these good things our hearts beat with gratitude to our far seeing County Commissioners for giving to Mitchell county our home demonstration agent, for verily, she is one of the biggest assets in the county, for as goes the homes, so goes the world.

The next meeting will be August 11th at the American Legion Hut.

Mah Jong and Bridge.

Misses Ruth and Katherine Buchanan entertained with bridge and Mah Jong Tuesday from five to seven honoring Miss Gladys Steadham of Montgomery, Ala., a former high school teacher here and who is here visiting friends. After the games a salad course and orange and angel food cake were served to the following: Mesdames. Ledger Smith, Thos. R. Smith, C. R. Earnest, Roy Buchanan, Claud Hooks, Harry Ratliff, Pearl Shannon, Lois Bennett, Charles Thompson, Thomas Dawes, Floyd Quinney, Misses Martha Earnest, Irma Sealy, Ruby McGill and Mildred Coleman.

Wedding Anniversary

Mr. and Mrs. G. F. Adams celebrated their 42nd wedding anniversary last Sunday with a sumptuous dinner provided by their children. Mr. and Mrs. Adams were lured away from home for a while by two grandchildren and when they returned they found the feast prepared by the loving hands of their daughters. The children present to wish them many more wedding anniversaries were: Mr. and Mrs. T. J. Powell and family; Mr. and Mrs. T. S. Snowden and family; Mr. and Mrs. John Hooks and family; Mr. and Mrs. Homer Johnson and family and Pat Adams.

Sunrise Breakfast

The Little Sisters with their superintendent Mrs. J. B. Dobbs had a sunrise breakfast and swimming party at Round Rock Monday morning. An unusually good time was had by all who went.

Harmony Club.

Mrs. Bradford Landers was hostess to the Harmony club at home of her mother, Mrs. J. E. Chase, Tuesday. The invited guests were Mesdames L. W. Sandusky, Dewey Tidwell, H. P. Slagel, Bill Simpson, Misses Clippie Bennett, Hazel Costin, and Ruth Lane of Kansas City. The hostess served orange cocktail, orange ice in half canteloupes and cheese niblits. Mrs. Lupton will be the next hostess.

Tea for Mrs. Royall Smith.

Mrs. Thomas Dawes poured tea to a few friends Monday afternoon honoring Mrs. Royall G. Smith of El Paso who is visiting relatives and old time friends here. The out of town guests wore Miss Gladys Steadham of Montgomery, Ala., and Mrs. Charles Keith of Richmond, Va.

U. D. C.

The United Daughters of the Confederacy will meet with the president, Mrs. R. N. Gary Tuesday, July 21st at four o'clock. The program will be taken from the annual. All members are urged to be present.

Auxiliary to Legion.

The Auxiliary to the American Legion met at the Legion hut last Saturday with the president, Mrs. Merritt presiding. Besides the regular routine business it was decided to press the membership drive till Aug. 18th, the time allotted for that. A letter was read from State president, Mrs. Armstrong, urging this unit to come up with its full quota at the State meeting. As the Legion has employed a janitor the Auxiliary voted to have the windows washed. A social meeting was discussed, plans to be completed at an early date.

Daughters of the King

The Daughters of the King met with Mrs. Almond last Thursday. The subject for the devotional period was consecration. Mrs. Merritt led by reading the 12th chapter of Romans. The chairman of the girls club sponsored by this class reported two of them had won trips to A. & M. short course by winning in the county clothing contest. A free will offering was taken to help defray the expenses. One new member was received. Mrs. Cooper, Mrs. Grant and Mrs. Key were guests. The hostess served ice cream and cake. The next meeting will be with Mrs. H. L. Hutchinson.

Circles Meet.

The Baptist women met in circles Monday. Circle No. 1 met with Mrs. McKenzie for Bible Study. There were six present. The next meeting will be with Mrs. Morgan and the study will be from "Winning to Christ." Circle No. 2 met with Mrs. R. L. Bowen with seven present. Plans were made for the study for the coming year. The Helen Wright pledge was paid. The next meeting will be with Mrs. Seale. Circle No. 4 met with Miss Moeser. There were six present. The July pledge on the Helen Wright fund was paid. The circle decided to study "Doctrine of Our Faith" The next meeting will be with Mrs. Greene.

Home Department.

The Home Department of the Methodist Missionary Society met with Mrs. R. L. McMurry Monday. The pastor, Rev. J. F. Lawlis conducted the devotional exercises. Plans were made to welcome the new members who recently united with the church, each member drew a name and is to be responsible for her being invited to the meetings. Pledges were made by those present to help see Miss Jessie Stell, who has offered her life as a missionary, through McMurry College. The church will be asked to match her life with its prayers and dollars. A representative of the I. Z. T. Morris orphans home was present and presented its needs Several garments for the children were promised. The hostess served two kinds of sandwiches and ice tea. Mrs. Oscar Majors will be the next hostess.

Mrs. Harry Hyman of Hyman has received an appointment from Laura Haines Cook, president in general of the National Society of the Daughters of the American Revolution, to serve as a member of the national committee on Genealogical Research of which Mrs. Harvey Tyson White of Brooklyn, N. Y. is chairman. This is quite an honor conferred upon Mrs. Hyman and is not only appreciated by her but by her friends and citizens of this section in general.

The Sunday school class party of girls of which Mrs. C. R. Earnest is teacher met for a business and social meeting with Mary Dickson Smith Tuesday afternoon. The social hour was spent playing croquet. The hostess served pine apple ice and little cakes. Sybil Kiker and Lady Byrd Fowlkes were guests.

Young Mother's Wesley Bible Class

Mrs. H. L. Lockhart was hostess to the Young Mother's Bible Class at her home Thursday afternoon, when a great number of members and visitors were present.

This meeting marked the closing of the first year's work of the class. The motto has been, "Watch us Grow," and in giving a history of the work done by the class, the teacher spoke of the marvelous growth from a beginning with four members to an active enrollment of sixty-eight having been enrolled during the year. Many visits to sick, together with meals, flowers and letters of cheer were reported as having been sent. Words of appreciation and a vote of thanks were extended the retiring officers and the following new officers elected: Teacher, Mrs. J. E. McCleary; Assistant Teacher, Mrs. W. A. Bandy; President, Mrs. T. W. Stoneroad, Jr.; Vice President, Mrs. J. L. Pidgeon; Secretary, Mrs. R. J. Wallace; Treasurer, Mrs. Oscar Majors; Devotional Leader, Mrs. Ed Womack; Musical Director, Mrs. H. L. Lockhart; Chairman Program Committee, Mrs. Tom Hughes; Chairman Social Service, Mrs. A. B. Blanks.

The social program for the afternoon consisted of piano solos by Mary and Alice Hughes, readings by Edith and Katherine Lockhart and two voice numbers by Mrs. Lockhart, Mrs. Thos. Dawes, accompanying.

Guests were Mesdames Simpson, Douglass, McKenzie, Dawes, Royal Smith and Mahan of El Paso, and Mrs. Wllis of Arizona. Mrs. Simpson received the "surprise package." The hostess served brick cream and cake. Next meeting will be with Mrs. Wallace August 13th.

The class extends a cordial invitation to all Methodist women to become members, and any who as yet have not found their place in Sunday school, and especially urges all to be present for the lesson hour next Sunday morning. You will be a stranger only once.

Quality Grocery Sale

The week-end visitor who comes to this store will appreciate the values we offer on quality Groceries—note the prices and come Friday and Saturday.

Everybody else trades here, why not you.

BASE BALL

FRIDAY, JULY 17, 5 p.m.

WEST END PARK

Lets step out folks and have a little fun and recreation and at the same time take care of a worthy cause. The Parent-Teacher Association is fostering the movement to build an athletic field on the school campus that will enable our local high school teams to compete successfully with those of our neighbors. In addition ,the association has already begun work of setting the entire school grounds with grass to supplant rocks, and burrs. No one is asked to make a donation at this time but everyone is offered his money's worth in one of the best ball games of the season.

The above proposition must be taken care of. It matters little how it is done. If you do not believe in the physical development of children, if you believe that we need more cake eaters, if you believe our country will thrive under Jelly Bean rule, if you do not believe in a high standard of sportsmanship and American citizenship as is taught in our modern competitive school sports, if you think more of lounge lizards, jelly beans, cake eaters, sob sisters, morally irresponsible figure-heads than you do of men that are real men who believe in fair play, good sportsmanship, clean habits, clean minds and who know how to co-operate with their fellows in all worthy undertakings and if you want your children to be disobedient to authority and impossible to discipline, then you are not asked to support this cause. Otherwise you will be expected to be liberal in your support of it. What do you say?

GARBER DRY GOODS CO.

WE SHOW THE NEW THINGS FIRST Colorado, Texas

HYMAN HAPPENINGS

Good showers fell over the greater part of this community last Sunday and the prospects for fine crops continue to improve. Much of the feed is about made, and all of it is doing fine. Lice are bothering the cotton more or less, but they seem to be letting up, and none of the cotton needs moisture. Grass is fine, and stock water is plentiful.

Miss Ruth Espy of Eldorado is visiting her sister, Mrs. A. J. Roach, at Hyman.

Mr. E. R. (Uncle Bill) Kellis of Sterling City was a visitor at Hyman Tuesday of this week. Uncle Bill, who finds time to run the county surveyor's office at Sterling when he is not busy editing the Sterling City News-Record, or representing his county in the legislature, states that this was the first time he has been here since he helped to survey this land in 1913. He says he then knew every trail and branch and corner in this part of the ranch, but he could not find his way around yesterday. Too many houses, windmills, fields, etc. With Mr. Kellis was a representative of Case & Hoover, drilling contractors of Sterling, who report that they have contracted to drill the Deep Rock oil test on Section 88, W. & N. W. Block 29, belonging to Mrs. Harry Hyman. They state that material for derrick etc. will be moved out from Sterling immediately, and they were hunting a short way out for the hauling, the existing roads being many miles out of the way.

Mr. Dan Lewis of Colorado has signed a contract to drill the Bill Scott No. 1 and it is understood that work will begin on this well at once. Derrick has already been built. Water will be obtained from Hackberry Creek, and will be furnished by Mr. John D. Lane, who has lots of water, and a considerable interest in this well as it lies close to his home section. This is the well to be drilled by Barnum & Henshaw, on S. P. Block 17, survey 32. Mr. Barnum of the operating company, has been here several times lately, closing up matters connected with the drilling. There is some very high powered geology on this location, and as it is the closest location so far made to the center of this settlement its progress will be watched with great interest.

Drilling at between 2900 and 3000 feet, the Bob Scott No. 1, of Sloan, Owens & Stalker, has reached a depth where every stroke of the 8-inch bit is an event containing possibilities of great interest to the people here. The Westbrook sand, if it is to be found in this well, should be getting mighty close to the bottom of this hole. It is understood that if oil is not found at a lesser depth 3100 feet, which is the contract depth for this well, it is the intention of Mr. Sloan and his associates to drill deeper; to make a deep test of this location. rGeat care has been taken in drilling to the present depth, thousands of dollars having been spent for straight and underreaming and for extra casing to keep the hole free of salt water, and as a result the well is in such shape that the 8-inch hole can be carried for a long way yet. Messrs. Perry Rawlings and Dock Klinger, who are the drilling contractors in charge of the well, deserve great credit for the way in which this test has been handled.

It is understood that the Magnolia well drilling on land of Mr. Foster between here and Iatan, has picked up an oil showing at something less than 2000 feet. If the report is correct it means a good deal to us here, as this test is a number of miles south of any production, and we are still further on down the line "in the trend." Oil in this well would mean that if there is really such a thing as a "Marathon Fold" with oil possibilities all along the line of it, we are bound to be in line, unless the pesky thing jumps over us or dodges around us. The Magnolia test is north of the middle of this ranch, and a very short distance north.

It is persistently rumored that the Co-Operative Lease & Development Company, who are making a test on land belonging to Mr. Douthit, about a mile and a half south of the S. D. Vowell farm in this settlement, had a good oil showing several weeks ago. The well is shut down for some reason, and has been for several weeks. The operators are reported to be endeavoring to get certain matters connected with their lease in better shape. These men deserve to find oil here if there is any merit in patience and perseverence. It has been several years since the test started. Incidentally ,the land owners have also exercised considerable patience. The test is about 12 miles almost due south of the Magnolia Foster test, and most of these miles pass through this settlement.

Watt Collier of Colorado and Mr. Burrell Taylor of Westbrook are spending a few days at Hyman.

Mr. and Mrs. B. F. King of Lubbock formerly of Hyman, spent a few days here the past week.

Mr. and Mrs. Summerford of Ralls, Texas, spent the week-end at Hyman, visiting the family of their daughter and son-in-law, Mr. and Mrs. I. Smallwood. The Summerfords are just starting on a summer trip to their old home in Alabama.

Mrs. Jim Dawson and family of Hyman has been spending the past week with her mother, Mrs. J. E. Lowe of Colorado. While there she had the pleasure of meeting all her brothers and sisters, some of whom she had not seen for many years. Mrs. Lowe has nine children, scattered as families will ,but on this occasion they all met at the home of their mother, and had a regular family reunion.

Mr. Tom Vowell of route two, Colorado, together with five or six of the boys, has been down for a couple of days helping Mr. Vowell's tenant Santos Gaitan, get out of the weeds. That bunch of boys will sure take any kind of a crop out of the weeds in a few days.

H.H.

CARD OF THANKS

To the people of Colorado and Westbrook:

We wish to thank eac hand everyone who assisted in anyway to make our burden lighter in the serious illness and death of husband, father and grandfather, Mr. B. C. Kitchens, especially, do we thank the Masonic lodge for the beautiful ceremonies at the last resting place of our dear one. Only those who have this experience can fully appreciate these kindnesses. We thank you again.

Mrs. B. C. Kitchens
Mr. and Mrs. J. C. Kitchens
M. P. Kitchens,
Mrs. Fannie Steel,
Mrs. Belle Steel,
Mrs. Vera Ballard,
Steel children,
Lieb children.

DUNN NOTES.

Mr. Volley Taylor and daughter are visiting relatives here this week.

Haskell Worley left Saturday for a visit on the Plains.

Mrs. J. P. Billingsley is in Lubbock this week.

The singing Sunday night was enjoyed by all who attended.

The Christian meeting will begin Friday night July 17th.

Mr. J. C. Beakley is in Lamb Co. on business.

J. P. Billingsley and wife announce they are the proud parents of a 7½ pound boy. Jimmie says he has been celebrating the arrival of the young man most every night by walking the floor six or seven hours.

New Postoffice Ruling.

Beginning August 1st, any packages mailed which are to be insured or sent collect on delivery must bear in addition to the return request, a written statement on the address side that the sender will guarantee return charges should the package for any reason be undeliverable at the office of address.

Firms and other extensive users of the parcel post should consult the local postmaster as to the proper method of printing address labels.

It is realized that a great many insured parcels are mailed by individuals, other than firms, who do not use typed or printed labels bearing instructions of anykind in addressing their parcels. It will therefore not be required, for the present at least, that these individuals write or stamp the guaranty for rirn and forwarding postage on su insured parcels, but of course it is expected that such parcels will be treated as though the guarantees were placed on parcels.

If a sender doesnot desire to guarantee return postage on a parcel he may write upon it "If undeliverable abandon" and the parcel will be forwarded to the unclaimed parcel post division and the sender will have waived all of his claim to the package.

LONE STAR — TEXAS PORTLAND CEMENT CO. — DALLAS-HOUSK

PORTLAND CEMNT

Bread Baking and Cement Making

These facts every woman knows from experience—

That proper proportions of rich, pure ingredients are only the first step in making a fine loaf of bread,—

That you cannot properly mix these materials dry,—

That without milk and water it is impossible to uniformly coat each particle of flour with exactly the right amount of yeast, salt and sugar.

Cement making is much the same. Uniform quality depends on perfect mixing of the proper materials.

Twenty years' experience in cement making combined with years of painstaking research has resulted in the perfection of the famous International Wet Blending Process. This process is used in the mills of the Texas Portland Cement Company.

Their product, LONE STAR Cement, is a super-grade cement that actually runs over the above the U.S. Standard Specifications—yet it costs no more.

It carries our unqualified endorsement.

We handle Ni-Late in 30c, and 50c bottles, also by the barrel. Special prices given on bulk lots, also sprays for using. Ni-Late is sold under money back guarantee.—Colorado Drug Co.

Pains Very Severe

"I suffered from womanly trouble which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 9, Gainesville, Georgia. "I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two.

CARDUI

For Female Troubles

"I taught school for a while, but my health was so bad I would have to stay out sometimes. This went on till I got so bad I didn't know what to do.

"One day I read about the merits of Cardui, and as I had some friends who had been helped by it, I thought I would try it. I began to get better after I had taken half a bottle. I decided to keep on and give it a thorough trial and I did. I took in all about 12 bottles and now I am perfectly well. I do not suffer any pain and can do all my housework."

REVIVAL MEETING AT ROSCOE PRESBYTERIAN CHURCH

A revival meeting is in progress at the Presbyterian Church this week and splendid crowds are attending each service. Rev. W. M. Elliott, pastor of the Presbyterian Church of Colorado, is doing the preaching.

Rev. Elliott is a pleasing speaker, and a good reasoner, and a man with deep spiritual feelings and convictions. He preaches old time gospel in all of its simplicity, and he does it in a simple way, which can be understood and appreciated by all the people. He is profoundly spiritual, and his messages are freighted with a tenderness and pathos which is beautiful and inspiring.

You are missing some real gospel sermons and spiritual treats and blessings if you are not attending these services.

The evangelist urges you to attend; the congregation urges you to attend, and the cause of Christ in Roscoe needs your assistance and cooperation at these services if you are a Christian. If you are not a Christian, you should attend these services because of the great benefit they will be to you in finding Christ is the savior of men.—Roscoe Times.

TEXANS ARE HEAVY BUYERS LARGE INSURANCE POLICIES

At least 149 Texans are insured for $100,000 or more apiece, according to an announcement in the Texas Index, just compiled and issued by W. A. Callaway of the Southland Life Insurance Co. The list in the Index does not purport to be a full list of all those who are insured for $100,000 or more, only those names being used where permission has been given. Callaway estimates that at least 300 and probably 500 Texans are insured for $100,000 or more.

Houston leads the list with 37 insured for $7,745,000. Dallas runs a close second with $7,111,000 written on 35 lives and El Paso is third with 15 incured for $3,205,000. Other cities having at least five who carry $100,000 or more insurance are: Beaumont, Fort Worth, San Antonio, Wichita Falls and Waco. One of the smallest towns in the state, Telephone, in Fannin county, has two men who carry more than $100,000 insurance and the names of two women appear on the list.

"Not all the names of policyholders whose lives are insured for $100,000 or more appear in the Index," says Callaway in a foreword "but the list is growing larger every year as the larger policy holders realize that the Index is an object lesson to the inadequately insured. It is the forward looking man only who insures his life. And these men, whatever the sum of their insurance, give permission for the use of their names as advocates of a great system for self help, they are rendering a distinct service to their community as well as the State as a whole."

THE PASSING DAY

WILL H. MAYES
Department of Journalism
University of Texas

Texas Population Increasing.

According to Census Bureau reports the population of Texas has now safely passed the 5,000,000 number and is increasing at the rate of about 100,000 a year. The cities are growing much more rapidly than the country and in many cases this city growth represents a mere shifting of population from the rural districts to the cities. Texas can easily care for four or five times its present population without over-crowding either in the cities or the country, and as the increase at present is only about two per cent a year, there need be no worry about crowding Texans into the sea or over into Mexico for the next few hundred years, and by that time the people will have learned to live in congested areas. Come to Texas.

* * *

Wealth Outgrowing Population.

If a correct opinion may be formed from the income tax reports, the wealth of Texas is increasing much faster than the population. According to the Internal Revenue Bureau, Texas now ranks tenth among the states in the amount of net income reported and twelfth in the amount of income tax paid. While wealth may not be the sole thing by which people are judged, the wealth of a country indicates better than anything else how the people are living, for without reasonable per capita wealth fairly distributed the people can not have the comforts or even the necessities of life. If there is real suffering anywhere in Texas, it is due to the exceptional conditions of a few unfortunates and not to any prevalent lack of necessities.

* * *

Deplorable Conditions in Russia.

Count Ilya Tolstoy, in a lecture in Austin recently, tried to picture the pitiful conditions of the Russian people. He told of pianos being burned for the wood, of the bodies of scholars being wrapped in old sacks, of those once wealthy now forced to live on the carcasses of starved horses. He stated that the average peasant farmer of Russia makes an equivalent of $40.00 a year, out of which he must pay $32.50 for taxes, leaving $7.50 for his family support for an entire year. And that too, with clothing and food at such high prices that we in America would think them prohibitive. Try to draw a mental picture of conditions in distressed Russia and then be forever thankful that bolshevism has been unable to grip our country.

* * *

Texas Granite Finding Favor.

In addition to the recently reported contract to furnish Texas granite for the Roosevelt Memorial, the Texas Pink Granite Company, in Burnett county, announces that it is to furnish the granite for the $15,000,000 Edison building in New York. This great building will cover four blocks and will use Texas granite exclusively in all parts of the building where the specifications require granite. When that is done, the great granite mines of Texas will hardly have been touched. Texas is just coming into an appreciation of its own immense resources. Its duty now is to make those resources known to the world. Texas should push its Centennial.

* * *

Certain Money in Peaches.

The peach growers at Athens, Texas, have been offered 90 cents a bushel for their entire crop of Elberta peaches with the assurance that if the crop goes higher they will be paid more. An Elberta peach crop at 90 cents a bushel means a good profit for the growers and should stimulate the planting of more peach trees and the better care of those already planted. Now that the marketing problem appears to be fairly well solved, Texas should turn its attention more to the growing of the fruits and vegetables to which its varied sections are best adapted.

* * *

How About the Town Streets?

The papers almost every day give reports about the conditions of Texas roads. These reports, though, are as to the country roads and do not tell about the streets of the towns into which the roads lead. The tourist in Texas can nearly always tell, even with his eyes closed, when his flivver hits a town, for the car at once begins to shimmy over the bumpy streets. Some few towns are keeping up the streets that connect the highways, but not all of them are doing this. A few places, like Austin, for instance, keep some "show" streets in fairly good condition, but Oh! the jar you get when once you get off these. Not many of the people are tourists or sighteers and the others are more interested in the condition of the streets over which they have to pass every day than in the highways.

* * *

Checker Players to Meet.

The Texas State Checker Players' Association announces that it will hold its thirteenth annual State meeting at the Dallas Y. M. C. A. July 14-15. Lucky fellows! The State Tobacco Chawers' Association has not yet announced where it will hold its next spitting contest.

Eating Hopefully

At Madrid a man found in an oyster a pearl valued at $500. He is said to be eating his way hopefully toward a necklace.—Homerist (Los Gat).

Comfort, Convenience and Utility --

That's what your Power and Light Service means.

Comfort: It lightens the work of wife, mother and sister through use of home appliances.

Convenience: It is always ready when you push the button.

Utility: It is the most economical form of power for the factory.

Webster defines Utility in this sense of meaning: "useful, advantageous service".

"Your Electric Servant"

West Texas Electric Company

BOY SCOUTS TO CAMP ON RUDD RANCH SOUTH ROSCOE

The Rudd ranch, lying between Roscoe and Maryneal in southwest Nolan county will be the scene of the annual encampment of Boy Scouts and leaders of the Buffalo Trail council, Nolan, Fisher, Scurry and Mitchell counties, in August, according to Scout Executive W. S. Barcus, who announced Saturday that officials of the council had decided to hold the encampment there.

Council officials have for some time considered the Nolan camp site along with a site near Christoval and another at Camp Springs, Scurry county. Final decision to accept the offer of Dr. Rudd, owner of the ranch who is furnishing this ideal camping place free of charge to the Boy Scouts, was made this week, it was stated.

Scouting officials considered the spot selected as an ideal camp site for the Boy Scouts of the four counties. The camp will be established on the banks of a creek that flows across the ranch, and the geography of the surrounding land is considered well suited for camping purposes. The ranch lands include a well timbered tract, a section of rough, hill country and large open spaces. The grounds are well suited for Scouting, woodcraft and trailing practices, Barcus stated, while the hills furnish splendid opportunity for signal work.

The open grounds along the creek will be made into camp headquarters a city of boys for ten days. A large swimming pool, and cold spring water for drinking purposes are other features of the ranch.

Work will begin the latter part of July of getting the camp arranged for the encampment which will open in August. All tents, kitchen, mess hall, and other camp equipment will be erected about the first of August.

Over 100 Scouts and leaders attended the annual encampment of the council on the Concho river in August last year. With a number of new troops organized during the past year, and with the camp site nearer the center of the district, it is believed that nearly 200 Scouts will attend camp this year.

OLD TRUNK GIVES UP ITS MINING SECRET, IS SAID

From Omaha, by way of Tucson, comes a tale of the discovery years ago of an old mine, the discoverer not profiting, evidently by his find. An old trunk was sold the other day in Omaha by the railway company among unclaimed baggage and the purchaser found rich ore in it and a discription of the find, away down in the wilds of southern Arizona. And now comes the fellow who grubstaked the prospector, who is on a still hunt for the mine. The story goes something as follows:

The finding of the ore in the trunk caused litigation over its ownership. The story was printed in the Omaha papers. J. A. Allen, 72 years old, an inmate of the Dayton, Ohio, soldiers home, saw the story and the description tallied with that of a man he grubstaked 28 years ago, De Estine Shephard. The property according to the grubstake agreement made with Shephard, is now half Allen's or if Shephard is dead as he is believed to be, the entire property reverts to Allen unless there are other heirs.

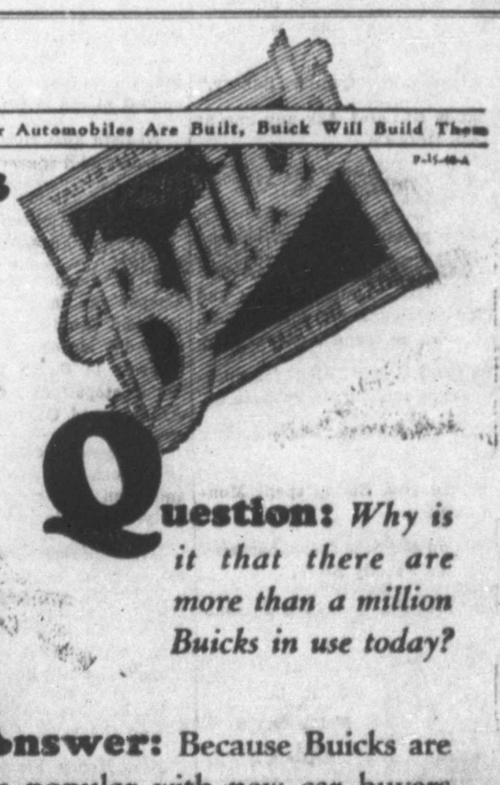

For many years a prospector and mining engineer, Allen found the call of the lost mine too strong to resist and gathering his meager savings left the soldier's home and started overland by motor for Arizona. According to papers in the possession of Allen, the mine is located within 50 miles of Tucson and the aged prospector left for the hills where he said he would remain until he found it.—Arizona State Miner.

Big Tree Blown Down.

VISAILIA, Cal.—An oak tree having a circumference of thirty-seven feet and four inches and a spread of 150 feet was blown down by a windstorm which struck near here. Known as the giant oak and considered locally as the largest living oak tree in the world, it was thought to be between 700 and 1,000 years old. The storm caused little other damage.

The local Boy Scouts had a nice outing at the 1-5 hole on Clear Fork Tuesday night, Scout Executive W. S. Barcus and Scout Master C. G. Campbell piloted the boys down there in the late afternoon and they cooked their supper by open camp fire, enjoyed swimming and some sports before returning home for the night. —Rotan Advance.

When Better Automobiles Are Built, Buick Will Build Them
P-15-48-A

No. 23

Question: *Why is it that there are more than a million Buicks in use today?*

Answer: Because Buicks are always popular with new car buyers and also because Buick's dependable construction results in a much longer life for Buicks than is ordinarily the span of service of a motor car.
