Students Are Given Awards

Bob, Dick Schmidt And Chloe Dawson Get All-Westerner Boy, Girl Titles

The Lubbock Senior High school "I-wonder-who-will-get-it" guessing game of the past four months came to a close this morning at 9 o'clock when approximately 150 high school students received 1947-48 Westerner awards. Announcements of leading awards had been kept confidential since secret balloting in January.

Held in highest anticipation during the months has been the All-Westerner awards, and the All-Westerner boy title turned out this morning to be something of a double honor when Bob and Dick Schmidt, twins, were tabbed for the All-Westerner boy honor. Chloe T. Dawson, secretary of the senior class, was named as All-Westerner girl.

The All-Westerner student awards, chosen by secert faculty ballot, are made on the following considerations: service, loyalty, citizenship, and secondarily, scholarship.

Dick Schmidt served during the year as Hi-Y vice-president and senior class vice-president, while Bob was "L" association secretary and president of a cappella. Both boys were members of the Westerner football squad and both were members of the South Plains delegation to boys' state. Chloe, in addition to serving as secretary of her class, was Y-Teen president and very active in school musical presentations.

The Senior Favorites

Billy Tatum, president of the senior class, and Shelley Furr, roundup favorite, were named as senior favorites. Charles Galey,

Settlement Of Quarrels Seen As Possibility

Kremlin Told That Americans Solidly Back U. S. Policy

(By The Associated Press)

WASHINGTON, May 11—Moscow's response to a plain-spoken American bid for "decent and reasonable" relations with Russia gave a sudden boost today to hopes that the world's two top powers may be able to settle their quarrels.

The Soviet union, Radio Moscow said, is ready to pursue a "policy of peace and cooperation with the United States."

Agrees To Proposal

Furthermore, Foreign Minister Molotov has agreed, the broadcast said, to a proposal it ascribed to the United States for "discussion and settlement" of differences which have split the postwar world.

From neither Moscow nor the State department, however, came any hint as to when or how representatives of the two countries might get together. And American diplomatic authorities—veterans of two years of conference table sparring with the Soviet foreign minister—were inclined to extremely cautious optimism.

Moscow characteristically disclosed the latest turn of events and gave its own version. Thereupon the State department early today published a 1,400-word dispatch from Ambassador Walter Bedell Smith detailing a face-to-face approach he made to Molotov a week ago on direct instructions from Secretary Marshall.

U. S. Holds To Hope

What he told Molotov, Smith reported, was that the United States holds to its hope for a "decent and reasonable relationship" with Russia—and:

"As far as the United States is concerned, the door is always open for full discussion and the composing of our differences."

Molotov, in his formal reply five days later, was quoted by the Russian news agency Tass as saying:

"The Soviet government views favorably the desire of the government of the United States to improve relations as expressed in (Smith's) statement and agrees to the proposal to proceed with this end in view to discussion and settlement of differences existing between us."

People Behind Policy

Smith's reminder that the door to an American-Soviet conference remains open, followed a bluntly worded declaration that the American people are solidly behind

Communist Party Accused Of Plan To Use Violence

(By The Associated Press)

WASHINGTON, May 11—The Communist party of the United States was formally accused today of advocating "the overthrow of our government by force and violence."

The House committee on un-American activities made the accusation and called upon the executive branch of the government for "vigorous enforcement" of existing laws to curb Communist activities.

Plan For Tomorrow

"What the Chinese or Greek Communists are doing today is what the American Communists plan to do tomorrow," the committee declared.

In a 160-page report distributed to members of the House, the committee said it has voluminous evidence that:

"1. The teachings of Marx, Engels, Lenin, and Stalin constitute the credo of the Communist party, U. S. A.—in fact of the Communist movement throughout the world. The doctrine of forceful and violent overthrow of anti-Communist governments is a basic premise of these teachings.

Forms Basic Guide

"2. The model party of the American Communist is the Communist party of the Soviet union, whose history forms a basic 'guide' or textbook for American Communists on the practice of force and violence.

"3. The American party is now and always has been under the direction of an international Communist organization dominated by the leaders of the Communist party of the Soviet union.

"4. The Communist party, U. S. A., and its leaders, both present and past, are on public record as advocates of the forceful and violent overthrow of the American government, despite their recent disavowals. Many of these leaders have received training in Moscow on the practical application of such methods.

"5. The Communist party, U. S. A., has encouraged, supported,

Railroads Running As Usual; Emergency Embargoes Lifted

(By The Associated Press)

WASHINGTON, May 11—Army Secretary Royall, boss of the railroads under government operation, said today he will name a union-management advisory board to help him run them.

Royall reported to a news conference that the roads are operating in normal fashion. Bans against shipment of perishable goods—such as livestock and fresh produce—were lifted. Most railroads put on such bans last weekend because of the strike called by three operating brotherhoods for 6 a. m. (local railroad time) today.

Got Court Order

The unions withdrew their strike order last night after the government seized the railroads and got an order from Federal Judge T. Alan Goldsborough forbidding a strike.

While Royall was talking with reporters at the Pentagon building, leaders of the three unions were holding their own news conferenc at a downtown hotel. The main points they made:

1. Only a wage settlement can entirely remove the possibility of a rail strike. Arthur J. Glover, president of the switchmen's union, said emphatically that the anti-strike court order secured by the government was what stopped a walkout; seizure of the roads alone would not have stopped a strike.

Lookin, To Royall

2. They are looking now to Royall to settle their wage dispute.

3. They hold considerable resentment because of the government's moves. Glover said: "Now management knows that every time they get in a dog fight the government will step in and act as a strike breaking agent."

The three union leaders said they are waiting to hear from Royall what he proposes about the wage dispute. They were to confer with him later.

Royall told his news conference that for the time being the Army will make no attempt to settle the dispute.

Asked how profits would be handled, he said they would be dealt with as they are today.

Case Not Ended

The rail unions called off the threatened strike in compliance with a court order from Justice T. Alan Goldsborough—the federal judge who twice fined John L. Lewis for contempt in mine strikes.

But the long and bitter railroad case is not ended.

Goldsborough's "temporary restraining order" (a type of injunction) expires May 19, eight days from today. The judge set hearing for that date on the government's request for a longer injunction. The three unions will have their chance

Close Guard Promised During Paris Visit

Jewish Underground Plot To Kidnap Or Assassinate Princess Elizabeth Hinted

PARIS, May 11. (AP) — Published rumors of a Jewish underground plot to assassinate or kidnap Princess Elizabeth during her visit to Paris this week are reported under French police study today.

A British spokesman described the reoprts as highly improbable. He said rumors that Irgun Svai Leumi extremists might make an attempt against the princess "seem to spring from the assumption that Paris is the headquarters for the activity of this gang."

French police said security agents will maintain a close guard over Elizabeth and Prince Philip during their four-day sojourn in the French capital. They are due here Friday.

The newspaper France-Soir said yesterday French police had received orders to arrest "an individual who may make an attempt on the life of Princess Elizabeth."

GOP ALREADY AT WORK ON BILL

Truman Plans Talk To Get Farm Vote

(By The Associated Press)

WASHINGTON, May 11—President Truman laid plans today to send Congress a message his supporters hope will put the farm vote in the Democratic column next November.

But Republican farm leaders on Capitol Hill quickly said they already are at work on the very thing the chief executive is expected to stress—a long range agricultural program.

"I do not see anything in the present picture requiring a special message on the subject," said Chairman Capper (R-Kas) of the Senate agriculture committee.

Statement Issued

Capper issued a statement shortly after it became known Mr. Truman will send a farm message to Congress this week.

The word came from Senate Democratic Leader Barkley of Kentucky who with three other party leaders and retired Secretary of Agriculture Anderson went over the matter with the President at a White House conference yesterday afternoon.

Barkley provided no details. But close associates of Anderson said the Democrats see an opportunity to force the Republican-controlled Congress to act on a farm measure or run the risk of being "put on the spot" with farmers during the coming presidential campaign.

Because time is running short and because of the split in the so-called farm bloc over the butter-margarine issue, Anderson has indicated he expects no action this session on a permanent farm program.

Political Weapon

In that event, he maintains, Mr. Truman could tell the farmers that his administration tried to get a measure for them, but the Republicans did nothing about it.

Through Anderson, the administration has outlined a program which includes permanent price and income supports for most

Thirsty Crops Aided; Roads Are Blocked

Heavy Downpours Reported; Flood Warnings Given

(By The Associated Press)

Rain fell in varying degrees over a wide area of Texas today, ranging from beneficial showers in West Texas and the Panhandle to gully washers in North and Central Texas.

In the Southwest Texas sheep country a drouth of nearly three years was broken by a fall of more than an inch, while flood conditions developed in North and Central Texas from downpours ranging up to seven inches.

Highway Is Blocked

Near Hillsboro in Hill county state highway 171 was blocked between Hubbard and Malone by high water. Three hundred yards of the road was under a foot of water. D. A. Pryor, highway maintenance foreman, said it was the highest water that had been in that section during his 21 years with the highway department.

Four inches fell at Itasca, Hill county, and many acres of corn and cotton were reported damaged. Seven bridges on farm roads in that area were washed out. The fall in Hillsboro measured 3.45 inches. In the northeast part of the county the fall was reported unofficially at six inches.

Crops Are Damaged

Waco reported rains of one to three inches damaged some crops in that area but generally cheered farmers and ranchers. The fall at Waco was 1.70 inches.

Cars were stalled in high water in crossing highway 81 at Elm Mott underpass following a downpour of more than three inches. A two-inch deluge at Clifton stalled busses for a brief period.

The downpour covered the Bosque watershed. More than three inches fell at Hubbard. Martin reported a two-inch fall there would benefit tomatoes.

Worth Two Million

McLennan county agent said: "You've heard of a million dollar rain—well this one was a two million dollar rain. It is a boon to oats, wheat and other small grains and corn."

The weather bureau warned of a "mild overflow" of the Trinity river and its tributaries following overnight rains that measured nearly four inches in the upper watershed.

The fall at Dallas measured 3.85 inches. Trinidad reported

TO NEGOTIATE UNTIL TONIGHT

Auto Workers Set Strike Wednesday

(By The Associated Press)

DETROIT, May 11.—The CIO United Auto Workers today set 8 a. m. (CST) Wednesday for a walkout of 75,000 Chrysler Corp. employes in the absence of a wage demand settlement.

Meanwhile, government mediators continued talks with company and union negotiators in efforts to head off a strike of workers in 16 plants.

Norman R. Matthews, national UAW-CIO Chrysler director, announced the hour for the strike with only 24 hours remaining to reach an agreement.

To Continue Talks

Matthews said the union would continue negotiations until 5:30 p. m. (CST) tonight when the UAW representatives must report to the union's 100-man national Chrysler conference.

The conference was called to meet on a "stand-by" basis to receive any Chrysler offer or map strike strategy.

Matthews did not rule out the possibility of further negotiations with Chrysler following the union report tonight to the conference.

Hopes of averting the automobile industry's first major strike in two years rested precariously on mediators' attempts to resolve the UAW's demand for a 30-cent hourly raise and Chrysler's refusal of any increase at all.

Actually, however, the difference standing in the way of an agreement is only 12½ cents. Chrysler offered a six-cent raise several weeks ago but withdrew it after the union rejected it. And to get the proposal the union scaled its demand down to 18½ cents.

Creation Of A $3 Bill To Be Asked

WASHINGTON, May 11. (AP) —Congress will be asked to create a $3 bill to honor the late Franklin D. Roosevelt.

Rep. Klein (NY), who describes himself as a Roosevelt Democrat, said today he will introduce an authorization measure this week.

Klein said a $3 bill would perpetuate the name of the late president because—among other things—it would signify his tenure of office: three terms, plus three months of his fourth term.

The Treasury department confined its comment to an observation that major changes in currency are rare.

Military Plan Gets Approval

WASHINGTON, May 11 (AP)—A volunteer plan for 18-year-olds to get training as a military reserve was approved today by the Senate armed services committee.

The Senate group is working on military manpower legislation which has two main aims:

OKEYED BY COMMITTEE

WASHINGTON, May 11 (AP) — The Senate armed services committee today approved a draft of men 19 to 25 for the armed services. The legislation also provides for training 161,000 18-year-old volunteers.

1. A draft of men in the 19-25 age group for regular service in the armed forces.

Called A Substitute

2. Training of 161,000 18-year-olds as a reserve. This has been called a substitute for universal training.

The decision to let the 18-year-olds volunteer for training reversed an earlier view that they must be taken by lot because they would avoid a longer two-year term imposed on men 19 through 25 years by the stopgap draft.

This change was agreed upon as the Senate committee awaited a final conference with Secretary of Defense Forrestal later today.

They want to go over their bill with Forrestal before final action on it.

Across the capitol, the House passed a compromise bill design

Convicted Burglar Pardoned By Jester

A conditional pardon was allowed Olan McKaughan this morning, by Gov. Beauford H. Jester, the Associated Press reported from Austin.

McKaughan was sentenced July 22, 1946, by Judge G. V. Pardue of 99th district court of Lubbock county, to serve five years for burglary Aug. 13, 1945, of property controlled by J. E. Hancock. The indictment was returned Sept. 21, 1945, by a grand jury of which Homer E. Hunt was foreman.

McKaughan had been allowed suspension of sentence, but then District Attorney Burton S. Burks moved the court to set aside the suspension inasmuch as McKaughan, during the term of the suspension, had been convicted of robbery in Dawson county. The Lubbock sentence was pronounced to run concurrently with that in Dawson county.

Several Injured In Chemical Explosion

SPRINGFIELD, Mass., May 11. (UP)—Several workers were injured, two seriously, today in an explosion and flash fire at the plastics division on the Monsanto Chemical Co.

Hospitalized with third, second and first degree burns were Joseph Arnold and Henry Beck, both of Springfield.

The fire occurred when dust in a color room in the resinox department was touched off by a spark from machinery. Damage was not extensive.

Rutherford Chosen As Lions Governor

AMARILLO, May 11 (Special)—Bill Rutherford, editor and publisher of the Moore County News, was elected district governor of district 2-T-1 of Lions International in the convention here today. Rutherford defeated K. L. Riggs, Lubbock insurance man, for the post.

ARRIVES IN OSLO

OSLO, Norway, May 11. (AP)—Winston Churchill arrived today at Oslo to visit King Haakon VII and Crown Prince Olaf for five days. He flew from the Netherlands.

President Of Italy Chosen

ROME, May 14 (AP)—Vice Premier Luigi Einaudi, 74-year-old banker-economist, was elected first president of the new Italian republic tonight.

Even before the count on the fourth ballot was completed, Einaudi had the required majority of the 900 votes of both houses of Parliament.

With about 200 votes still to be tallied, he had received 451.

Einaudi, 74, backed by the dominant Christian Democratic party, is a political independent. He is budget minister and governor of the Bank of Italy.

More Than Majority

On the third ballot of a joint session of the Senate and Chamber of Deputies, Einaudi received 462 votes. The constitution provides that if the first three ballots are unsuccessful a simple majority rules on the fourth. The Christian Democratic support gave Einaudi more than a simple majority of the 900 votes of the two houses.

Foreign Minister Carlo Sforza, one of the Communists, withdrew from the race last night after a day of bickering and two unsuccessful ballots.

De Nicola Retiring

Provisional President Enrico De Nicola, who had the support of the Communist-led Popular Front, had been ahead on the first ballot. De Nicola already has announced his wish to retire.

The Communists cast blank ballots, in most cases, against Einaudi, and there were indications that other political groups, including possibly Giuseppe Saragat's moderate Socialists, did likewise.

STRONG SHOCK FELT

LIMA, Peru, May 11 (AP) — A violent earthquake shook the Arequipa department at 3:55 a. m. eastern standard time today. Reports from Arica, a port in northern Chile, said the shock was strong there.

Today's Cotton

Prices on the Lubbock spot cotton market today:

Middling 13/16 32.00; middling 7/8 33.00.

DIDN'T LIKE SCHOOL—Randall Green, 17, was charged with burning down the $650,000 Weston, Mass., high school so he "wouldn't have to go to school." He is being held in $10,000 bail pending further investigation.

Southern, Western Coalition Urged

AUSTIN, May 11 (AP) — Texas' Gov. Beauford H. Jester today suggested a coalition of southern and western Democrats to give these regions a louder voice in party affairs.

Jester said he has already obtained tentative approval of the plan from Gov. William Lee Knous of Colorado, Gov. Roy Turner of Oklahoma and Gov. Thomas J. Mabry of New Mexico.

Former Secretary of Agriculture Clinton Anderson has also shown interest in the idea, Jester said at his press conference today. He has written to all southern governors about the matter.

South's Demos Map Strategy

JACKSON, Miss., May 11 (AP)—States rights Democrats, having repudiated President Truman at their conference here, fashioned a weapon to wield in the forthcoming Philadelphia convention.

The weapon is the declared threat to hold a southern conference of accredited states rights delegates to "take all necessary and appropriate action" if the Democratic party in the Philadelphia convention continues endorsement of the civil rights program and those candidates who support it.

To Be In Birmingham

Clarifying the resolution term "all necessary and appropriate action," Horace C. Wilkinson of Birmingham, Ala., chairman of the resolutions committee, told newsmen that the threatened conference would not necessarily be a nominating body. But, he added, it "would be able to do anything the American people can do in a convention."

The conference would be held in Birmingham on July 17, or at any time set by the convention's permanent chairman, Gov. Ben Laney of Arkansas.

Later in an interview Wilkinson expressed confidence that the President elected this year would be a states' rights supporter.

Meet "Recessed"

By resolution the Jackson confrence also recommended that the Democratic party in each state se-

Postmaster Problem Faced In Levelland

WASHINGTON, May 11 (AP) — Levelland, Tex., has a postmastership problem.

Mrs. Lona M. Hasha now has the $4,000 a year job. She was appointed by the Postoffice department, pending filling of the job through civil service procedure.

So, civil service asked for applicants. There were two, Leonard B. Mitchell and Reginald E. Spence. Mitchell later withdrew his application. Today, civil service announced Spence isn't eligible for the post. It didn't say why.

The Postoffice department now can ask for another civil service examination, which would mean a new invitation for applicants.

Second Man Sought On Assault Charge

HOUSTON, May 11 (UP) — A statewide pickup order was issued today for the second of two young men charged with rape in an attack on a 21-year-old hitchhiking mother Sunday night.

The man being sought was James Fikes, 18, of Ballinger. The woman told officers he attacked her while his companion, Milton Leport, 22, of Big Spring, kept her husband behind the car with their three-month-old baby.

The couple gave the sheriff's office the license number of the car. Lepord was arrested when a local garage notified deputies the car was picked up with motor trouble. Fikes escaped before officers arrived.

Lamesa Youth Is Held Here

An 18-year-old Lamesa youth, one of two charged by Lynn county indictment with burglary, had been transferred to Lubbock county jail, records showed this morning.

He was committed as Glynn Boone.

A 54-year-old Lubbock man was held for Upshur county officials under investigation of felony theft, records showed.

Fines Are Assessed

A 21-year-old Littlefield man, Lionel O. Roberts, was fined $50 and county court costs after County Judge Walter Davies had accepted a plea of guilty of drunk driving, and Virgil Haney, about 45, of Lubbock, was fined $1 and costs for check law violation, County Attorney John Steele's records showed.

Sheriff A. M. Bennett, of Lamesa, reported last night that there had been no new developments in an attempt to solve a $20,000 robbery there last Thursday night. The loot, mostly in large denomination bills and bonds, was stolen from the office of Bob Huff, Lamesa attorney.

Numerous materials were reported stolen from a house under construction by A. L. Walker, of near Wolfforth. The property missing included a hot water heater, sink, paint and other items, the value of which was not determined.

Roland Nabors, of 219 North College, reported burglary of his residence during the week end. Between $5 and $6 was missing.

See YOUTH HELD Page 10

Stay Of Execution Granted By Jester

AUSTIN, May 11 (AP) — The customary 30-day constitutional stay of execution was granted by Gov. Beauford H. Jester today to John Amos Coleman, sentenced to death for rape in Gregg county.

Coleman was originally scheduled to die in the electric chair at the state prison June 18. The governor's action makes the new execution date July 18.

Beautiful 2-dia. "Bulova Lorna" $71.50. King's, 1020 bdwy. adv.

The Weather

WEST TEXAS — Mostly cloudy in Panhandle, South Plains, and from Pecos valley eastward. Fair elsewhere this afternoon, tonight and Wednesday, warmer Panhandle and South Plains Wednesday.

EAST TEXAS — Cloudy; scattered thundershowers in east and south portions this afternoon, extreme east and south tonight and near upper coast Wednesday. Warmer northwest and extreme north Wednesday, to fresh southeasterly winds on coast.

EXTENDED FORECAST: Texas Gulf Plains, Northeast Texas: Temperatures will average 3-5 degrees above normal. Warmer north portion Wednesday. Slightly warmer interior Thursday. Little change Friday and Saturday. Precipitation moderate except light in Rio Grande valley. Scattered thundershowers Friday or Saturday.

Texas west of Gulf Plains: Temperatures will average 2-4 degrees above normal Panhandle and South Plains and 3-6 degrees above elsewhere. Warmer north portion Wednesday. Slightly warmer Thursday. Little change Friday. Cooler Panhandle and South Plains Saturday. Precipitation light to moderate Panhandle South Plains, and upper Pecos valley, and little or none elsewhere. Scattered thundershowers about Friday.

Same Questions Asked About Jap Fleet Are Being Raised

Strange Behavior Of Russian Merchant Fleet Puzzles Americans; "Iron Curtain" Is Drawn

(By The United Press)

NEW YORK, May 11 — The strange behavior of the Russian merchant fleet is "a prime source of mystery" to American shipping men, the American Merchant Institute said today.

The institute said an "iron curtain" had been drawn on even routine Russian shipping information.

Of 600 ocean-going ships under the Russian flag, only 110 are listed in such standard references as Lloyd's register, according to a statement issued by the institute, which is a trade association composed of 60 American steamship companies.

"Just where and why the fourth largest merchant marine in the world operates in the strange manner that it does raises almost asked about the Japanese merchant fleet prior to Pearl Harbor," the statement said.

The institute said reports are received only on those Russian ships that touch foreign ports. Therefore it presumes the bulk of the Soviet fleet operates Russian or Russian-controlled ports where censorship hides ship movements.

Only 23 of the 87 American ships now under the Russian flag through lend-lease and State department sale can be located, the announcement said. Among the unreported are 27 Liberty ships.

"Following no schedule and maintaining no regular services, the Russian ships whose movements can be traced appear to be engaged on long and uneconomic voyages," the institute said. "As an example, a Russian ship will sail from the Black sea with a cargo of manganese for Baltimore. After discharging, it will call at several Atlantic and Gulf ports.

KFYO Tune in 1340 Kc.

Civil Rights Battle In Senate May Erupt Ahead Of Schedule

WASHINGTON, May 11. (AP)—The Senate's long-pending civil rights battle showed signs of erupting ahead of schedule today.

Senator Morse of Oregon said he wants his Republican colleagues to stand up and be counted. "My party can't take a walkout power," he said.

The issue immediately before the Senate is this: Shall Congress forbid the segregation of whites and negroes in regional universities which 15 southern states want to set up?

Sponsored By Southerners

Morse thinks it should. He has proposed an anti-segregation amendment to a bill giving congressional approval to an interstate compact providing for such universities.

The bill is sponsored by southern Democrats, headed by Senator Holland of Florida. They contend Congress has no power to ban segregation because to do so would invade states' rights.

The southerners, with the pledged support of some Republicans, say they have enough votes to beat Morse's amendment.

But if that happens, Morse told reporters, "the whole question of civil rights then has got to be raised."

Will Offer Changes

To do that, he said he will offer the amendments to the compact approval bill such specific items in President Truman's civil rights message as anti-lynching, anti-poll tax and anti-job discrimination.

It was this program that touched off the Dixie rebellion against Mr. Truman and prompted a promise from the GOP leadership to air the issue this year.

Morse left one avenue open for averting an immediate showdown.

He said he might move to send the compact approval bill back to the judiciary committee because "we have to let time enough lapse to let the Republicans realize what is involved."

Test Said Overdue

But Morse declared that he thinks a test of GOP sincerity on civil rights platform planks is overdue.

"My party either means it and is prepared to fight for its position or else it stands before the people of this country who believe in civil rights as a party of hypocrisy," the Oregonian said.

"Whether they like it or not the Republicans in the Senate of the United States in this issue are up against the whole civil rights problem. And as far as the junior senator from Oregon is concerned, they are going to have a chance to meet it in full."

GLOBAL GAL — Alexis Smith, Canadian-born screen star, will reign as "Miss World Trade" during National World Trade Week, May 16-22. The blonde actress will be official hostess at the events arranged by the Los Angeles Chamber of Commerce, which originated the week in 1927.

CONVENTION OPENS

DALHART, May 11 (AP) — The 28th semi-annual convention of the Panhandle Firemen's association opens here today with Olin Culberson, railroad commission member, scheduled to deliver the main address.

When Costa Rica declared war on Japan in World War II, its army contained only about 500 soldiers.

Federal Court To Convene Saturday

U. S. District Judge Joseph B. Dooley, of Amarillo, has informed U. S. District Clerk George W. Parker that he will call the docket of the Lubbock division of the Northern Texas Federal district here at 10:30 a.m. Saturday, in preparation for a busy two-weeks term commencing Monday.

Judge Dooley further asked that the clerk send him an order for a 60-member jury panel to report here at 9:30 a.m. Tuesday, when civil jury cases will be started, and asked that counsel be notified.

The criminal docket will be taken up the second week of the term, commencing May 24.

The court also will examine and sign minutes for the closing term of court. He will open the May term Monday.

There are 56 cases on the civil docket, 30 of which call for a jury. Motions are pending in 15 cases. In addition, there is a light criminal docket, it was announced from the office of Mrs. Olive Fluke, deputy district clerk, of Lubbock.

You Just Have To Know Your Rolls

BEVERLY HILLS, Calif. May 11. (AP)—It didn't cost Dr. Frans Polgar a dime to pick up a $500 check at a dinner at the Knife and Fork club. In fact, if the good doctor hadn't found the check he'd have been out $500.

His fee for addressing the dinner was $500. He agreed that if the couldn't find the check the club could keep it. The diners knew the check was secreted in a parker house roll, and they knew the right parker house roll.

It took Dr. Polgar, a doctor of psychology who studied under Sigmund Freud, just three minutes to locate the check. He had the diners concentrate on its location. Then he "picked" their minds.

It's simple if you know your parker house rolls.

Couple Must Live In Same Apartment

LOS ANGELES, May 11 (AP)—Movie actor George Stone must not annoy or molest his blonde wife, Marjorie, pending trial of her divorce.

Mrs. Stone, who is living in the same twin-bed single apartment with her husband, must leave him alone, too.

That was the domestic relations court ruling yesterday on their squabble which arose when the Mrs. tried to have Stone evicted, and he asked the court to oust her.

They'll just stay on, housing conditions being what they are, and Stone must pay his wife $40 weekly alimony, meanwhile. Her lawyer says she has heart trouble and cannot follow her career as a model. Stone's lawyer told the court that the actor, too, has heart trouble and shingles.

Mrs. Stone alleges her husband has been cruel to her.

Australia has started a drive against fake gasoline ration coupons.

Movie Actress Chili Williams Denies She Posed In Nude; Artist's Wife Files Suit

LOS ANGELES, May 11 (AP) — Movie Actress Chili Williams says she didn't pose in the nude for artist Earl S. Moran.

Chili Williams

Moran's wife, Mura, who sued for separate maintenance of $1,200 monthly, testified yesterday that she walked in the 53-year-old artist's studio one day, found Miss Williams nude and Moran attired only in shorts, socks and shoes.

"I was fully dressed that day," testified Chili. "Mr. Moran was in shorts. It was a hot summer day. Like other artists, he painted in shorts, but they were sport shorts."

Miss Williams admitted, as Mrs. Moran claimed, that she went to an artists' and models' convention in Minneapolis in 1943, but—

"I was never alone with Moran at any time, and I had my own quarters there and enroute."

Moran, contesting his wife's suit, is asking for a divorce.

WILLIAM, WHEREVER YOU ARE

Dear, I'm just plain ashamed of my bad temper. Poor you . . . it must have been terrible all those months I was so cranky and unreasonable. Darling, now you'd see a big change. What a blessing it's been to find that there is a sensible way to end constipation caused by lack of bulk in the diet! The answer is to eat right. Now, every morning, I have a bowlful of *KELLOGG'S ALL-BRAN* which supplies plenty of bulk. And I drink lots of water. Isn't that a delicious way to escape taking harsh purgatives? And, Bill, what lovely muffins *ALL-BRAN* makes—I'll have a big plateful waiting for you when you open *our* front door! ANNE.

Excursion Is Set By Scouts

Plans for an excursion to New Mexico to be made by Boy Scout Troop 3 from June 4 through 11 were discussed at a quarterly dinner attended by approximately 130 Scouts and their parents Monday night in the annex of First Baptist church.

The troop is to go to Ruidoso and spend four nights, then to Mescalero Indian reservation, to Alamogordo and the White Sands, to Cloudcroft, the Sacramento mountains, Carlsbad caverns and a potash mine.

Charter Presented

Sam Henry, jr., scoutmaster, presided at the supper. Dr. F. B. Malone, representing the South Plains Boy Scout council, presented the troop charter for another year to J. L. Teal, church representative to the troop and chairman of the troop committee. Teal presented cards to members of the troop committee, Clyde C. Gibson, Lester O. White, Mack Mead, S. C. McCarty, Carl Hart, sr., and T. C. Ingram, and to the scoutmaster, Henry, and assistant scoutmaster, Jesse A. May, Joe Boyd and W. G. McMillan, jr. The cards qualifies them for another year of work in their respective positions with the troop.

Miniature eagles were presented to mothers of Carl Hart, jr., Wayne Walker and J. A. White and to wives of Sam Henry, jr., and Jesse A. May.

Students were presented by Panther, Bat, Bear and Seal Gull patrols.

A colored film, taken on a Scout Jamboree, was shown.

Mothers of troop members served the supper.

The scoutmaster recognized J. A. White for having been an outstanding member of the troop in being a member of the winning the state Interscholastic League Conference AA debate team in tournament.

Dean White led in singing Scout songs.

SWAN GIVES BUS THE BIRD—What a glorious day for stopping traffic," this swan must have said to itself, as it flew in from a river and alighted on a busy street in Mitcham, England. And stop traffic it did, until a policeman took it into custody. The bird was returned to the river, its yen to be a traffic cop presumably cured.

Doris Marie Prater To Enter Contest

A Lubbock county girl will compete with the nation's top farm youth in the National Junior Vegetable Growers association annual $10,000 competition, it was announced Monday.

Doris Marie Prater of Lubbock has entered the association's production-marketing contest, which offers $6,000 in agricultural scholarships provided by the A & P Food Stores and stresses good growing and handling practices as applied to vegetable crops.

The NJVGA program includes two other major contests. The Vegetable Growers Association of America sponsors the judging-grading - identification contest, which necessitates an ability to identify common kinds of vegetable diseases, insects and the grade defects in both Irish and sweet potatoes.

The National Demonstration Contest stimulates careful planning, production practices, marketing methods and the preparation for the use of the many vegetable crops. Prizes for this contest are offered by the W. Atlee Burpee Seed Company of Philadelphia.

Other Lubbock county junior gardners may compete for these prizes by contacting their local 4-H Club leader or by writing to Prof. Grant B. Snyder, University of Massachusetts, Amherst, Mass.

Dr. Hill Is Honored Here By Ex-Students

South Plains ex-students of West Texas State Teachers college held a 'Flowers for the Living' banquet last night at Hotel Lubbock in honor of Dr. J. A. Hill, retiring president of the institution. Dr. Hill has been head of the college since 1918.

Guest of honor also was Dr. James Cornette, the new president of West Texas State Teachers college.

'Flowers for the Living' speech was given by Emmett Hazlewood, new president of the ex-students' association.

Toastmaster for the occasion was Miss Marie Miles. Approximately 150 persons attended the banquet.

Finland will ship 2,000 tons of synthetic wool to Russia this year.

17 Groups Plan Mexican Tours

MEXICO CITY, May 11 (AP) — Seventeen tourist groups, most of them from Texas, plan to visit Mexico during the next seven months.

Among the tours will be the Better Business bureaus from Galveston, May 14; Azafar shrine, San Antonio, May 27; Optimist International clubs, Shreveport, La., June 26; Optimist International club, San Antonio, June 29; Chamber of Commerce, Houston, July 9; 300 persons including the Business and Professional Women's club from Fort Worth, July 10;

A tourist group from Shreveport, La., July 10; Southwest Texas State Teachers college from San Marcos, July 12; Texas State college for Women from Denton, July 15; tourist group from Shreveport, La., July 16; Group from Trinity university from San Antonio, July 16;

Chamber of Commerce from Waco, July 21; members of state department of education from San Antonio, July 27; tourist group from Birmingham, Ala., July 31; 50 members Panamerican club, Tulsa, Okla.; tourist group from Shreveport, La., Aug. 12, and chamber of commerce from Amarillo, Nov. 3.

ALL THREE HAVE A HEART

NEW YORK (U.P.)—Max Luman appeared in court to collect $11 from James Hammond for damage to Luman's automobile. When Hammond said he couldn't pay, Magistrate Hyman Bushel suggested the matter be settled by both Luman and Hammond sending $5 to the New York Heart Association. Hammond agreed on condition that the magistrate donate $5 also. The heart association got $15.

PIN-WORMS CAUSE FIDGETING AND THAT AWFUL ITCH

One of the warning signs of Pin-Worms is a nagging rectal itch which often causes fidgeting and broken sleep, and may lead to even more serious distress.

It is no longer necessary to put up with the trouble caused by Pin-Worms, because science has at last found a way to lick these stubborn pests easily and safely.

Get JAYNE'S P-W at the first sign of Pin-Worms. P-W is a medically sound treatment based on an officially recognized drug element which has proved very effective in dealing with this ugly infection. The small P-W tablets act in a special way to destroy Pin-Worms. P-W means Pin-Worm relief! Adv.

Hawaii Methods Give New York Women Ideas About Reducing

NEW YORK, May 6 (U.P.) — Momikai, who comes from Lahaina, is showing New York how they trim down a waistline in Hawaii.

All you have to do is ami, uebe and kalakua.

All Hawaiian girls are adept at ami. That's what Momikai says and she adds it explains the slim waistlines and shapely legs of the hula dancers.

Uehe and kalakua help out too. So if you want to look like a kahini (girl) or kane (man) on the beach this summer, listen to Momikai's revelation of the secrets of her islands.

Ami is really very simple," said Pearl of the Sea, which is what Momikai means. "It's the circular motion of the hips in the hula. It's supposed to represent the ceasless rolling of the sea up on the shores of the islands. It's the basic hula step and we sometimes call it 'around the island'."

It's Like This

She flashed a little smile of white teeth and pinned a carnation into her black, glistening hair.

"Like this," she said. Her hips revolved in a fluid rhythm first clockwise and then counter-clockwise.

"See my waist?" she queried. See how slender it is. This motion works off all the excess fat."

Momikai recommends grabbing two bedposts or standing in a doorway holding on to each side. Now move the hips to the left and around to the right and around and around. Try to keep the upper body still, leaving the rotation to the midsection.

But how about the legs, Momikai?

"Ah," she said, "the legs. That's where uehe comes in. You do it like this."

She parted her hula skirt and customers of the Hawaiian Room of the Lexington Hotel promptly crowded around Momikai, who was flown from Honolulu by the management, apologized because her grass skirt was ersatz, instead of the traditional ti-leaves.

"Flat on your feet," she instructed, "now bend your knees slightly, like a quarter knee-bend. Then suddenly snap on to your toes. Straighten up and repeat. But all this time you must remember to keep your hips moving in ami. Done well its beautiful and practical."

Everybody watched Monikai's hips until they were pleasantly dizzy.

"Those two are all you need," she said, "to keep in shape—along with proper food. But if you want to make sure you can do the kalakua, stand erect doing the ami. Then step forward on your right foot, rest your weight on it an instant. Push with the right foot and spin about face. Then forward on the left foot. Repeat the process."

But don't forget to do that ami all the time.

GOT QUICK RHEUMATIC RELIEF WITH MERTOX

"For the past 15 years I have been bothered with frequent rheumatic pains in my left shoulder. This trouble later spread to my right shoulder also," writes Mr. J. C. Kirkland of Dallas. In my work I have to use my arms a lot, and my shoulders were beginning to stiffen up. After taking Mertox Compound for a short time this condition was quickly corrected, so that now I am free from rheumatic trouble and free of the aches and pains. I was also troubled with gas and bloat, which were very painful. I felt tired and rundown; just seemed to have no life or pep at all. Had severe headaches, too. The gas would seem to press against my heart and lungs and make it hard to breathe. Now I can eat anything, even meat, which was impossible before taking this splendid medicine. My bowels are now regular and I do not have to get up at night as I did before."

You can get Mertox Compound from any Texas druggist at the new REDUCED price. Adv.

BRITISH PEERAGE GROWS

LONDON (U.P.)— Since 1939, 103 new peers have boosted the number of British lords to 926, Debrett reports. Newcomers pay $420 each for their coat of arms. Baronets number 1,530, including eleven Americans. Debrett is Britain's official blood directory.

Truck exports amounted to 260,000 units in 1947, or 21 percent of the total production of the truck industry.

All over America... Smokers Report

NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

—because PHILIP MORRIS is

DEFINITELY LESS IRRITATING

than any other leading brand!

Sure it's a pleasure to smoke. But *not* when you've got "cigarette hangover"—*that stale, musty taste in your mouth—that dry, smoked-out feeling in your throat.*

When that happens . . . it's time to CALL FOR PHILIP MORRIS.

Like millions of smokers everywhere, you'll find a milder smoke in PHILIP MORRIS, a fresher, cleaner smoke than you've ever known before!

That's why we say...If every smoker knew what PHILIP MORRIS smokers know, they'd all change to PHILIP MORRIS!

Remember: *PHILIP MORRIS is the ONE, the ONLY leading cigarette recognized by eminent nose and throat specialists as definitely less irritating.*

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT!

Read What One of America's Top-Ranking Doctors Says About PHILIP MORRIS

"It is a pleasure to state the truth with a clear conscience. This office has oftentimes recommended to patients with throat irritation that they change their brand of cigarettes to something milder, and whenever the question is asked 'What is milder?' our answer has been, 'PHILIP MORRIS'"

From one of a series of PROFESSIONAL STATEMENTS by EMINENT NOSE and THROAT SPECIALISTS.

CALL FOR PHILIP MORRIS

You'll be glad TOMORROW you smoked PHILIP MORRIS TODAY!

Social Problems, Bible And Missions Are Studied By Church Women Monday

Bible and mission studies, problems of politics, of prisons and continuation of lessons from books were features of women's church society meetings here Monday.

Circles of First Presbyterian Woman's auxiliary attended afternoon and evening meetings for programs on articles from The Survey on the objectives of the Birthday offering; discussions of the Assembly's Training school and Bible lessons. Meetings were reported as follows:

Circle 1, Mrs. C. M. Trout. Mrs. T. J. Clements directed Bible lesson; Mrs. Elmer Haass, the Survey. Ten attended.

Circle 2, Mrs. R. D. Moxley and Mrs. Walter Chalke hostesses in home of former. Mrs. G. W. McCleary directed Bible study; Mrs. Clyde Moore, Survey lesson. Sixteen attended.

Circle 3, Mrs. A. W. Young hostess. Mrs. J. B. Jackson taught Bible; Mrs. Jack M. Lewis, Survey. Nine attended.

Circle 4, Mrs. R. T. Bucy, hostess. Mrs. C. C. Schmidt taught Bible. Mrs. W. H. Edgett, Survey. Thirteen attended.

Circle 5, Mrs. W. O. Daniels, hostess. Mrs. J. A. Pressley taught Bible and Mrs. H. F. Godeke and Mrs. Charles Read directed Survey lesson. Sixteen women were in attendance.

Circle 6, Mrs. Herbert Bannister, hostess. Mrs. H. A. Davidson taught Bible lesson; Mrs. Alton Hall, Survey. Thirteen attended.

Circle 7, Fellowship hall. Mrs. Neil H. Wright, jr., taught Bible lesson; Mrs. Joe Bob Johnston taught Survey. These two were hostesses. Nineteen attended.

Circle 8, supper at Fellowship hall. Mrs. J. B. Jackson taught Bible. Miss Eula McCorkle talked on Montreat, N. C. A playlet, "Assembly's Training School," was presented by five young girls. Nineteen attended.

Circle 9, Mrs. Hope Austin hostess in the evening. Mrs. H. D. Woods, jr., taught Bible lesson. Miss Peggy Hess directed Survey lesson. Twelve attended.

CENTRAL BAPTIST WMS MEETS FOR LESSONS

When thirteen members of Central Baptist Women's Missionary society met at thechurch, Mrs. Jack D. Welch taught a lesson on "The Work of the Holy Spirit."

Madonna circle met the church for a lesson on prayer taught by Mrs. Boyd Crooks. Ten were present.

GRADUATE STUDENT ADDRESSES WSCS

Ione Ericson, a graduate government student at Texas Technological college, spoke to members of Asbury Methodist Woman's Society of Christian Service on the first of two lessons on "Political Action Primer." Mrs. N. M. Lowrie was in charge and Mrs. Wayne Martin presented a devotion, "Citizenship In the Kingdom of God."

• • •

For St. John's Methodist WSCS, Mrs. Paul Cates brought a lesson which was one of a series on the book, "Committeed Unto Us." The devotion was by Mrs. Tom Gordon.

Approximately 30 persons attended.

PRISON CONDITIONS ARE DISCUSSED

Subject of a lesson given for Fletcher Memorial Methodist WSCS was "Prison Conditions." Taking part were Mesdames Mary Gentry, Wilson Martin and F. L. Reed.

Rev. D. Orval Strong led a prayer.

• • •

Hettie Greer circle of Westminster Presbyterian Woman's auxiliary met with Mrs. V. E. Bell for a Bible study given by Mrs. J. M. Keesee and a lesson by Mrs. Ross McDonald. Eleven members and one guest attended.

Ethel Wharton circle of the auxiliary met with Mrs. E. W. Hester. A Bible study was given by Mrs. T. W. Waddill for the 10 persons who were present.

BIBLE STUDY CONTINUES

A study of the book of Revelation was continued by members of First Christian Women's council who met in circles. Mrs. Harry Sharp taught for Circle 1 in the home of Mrs. E. H. Holcomb; a devotion was by Mrs. O. A. Terry. Thirteen members and one guest, Mrs. O. P. Hankins, attended.

Twenty members of Circle 3 met with Mrs. O. J. Snow for a lesson given by Mrs. Bill Roberts. Mrs. M. O. Owens brought a de-

MARY HAWORTH'S MAIL . . .

Man Who Persevered For Years Until He Gained Favor Of Girl Now Sidesteps Marriage

DEAR MARY HAWORTH: I am very much in love with John, whom I have known for some years. He also is in love with me and we have dated steadily for more than a year.

I very much want to marry him, but he has said nothing about our future, except for a few indefinite statements to which I cling as to a liferaft in the dark, trying to encourage myself.

He must care. He tells me so, and many actions prove it. Also, in years past he pursued me when things looked pretty hopeless for him. But nowadays I secretly feel so discouraged myself that I act gloomy and difficult, which certainly doesn't improve the relationship for either of us.

FEARS TO BROACH MARRIAGE TO HIM

BOTH of us are college graduates. I have a job and he is continuing his education, and between us we would have enough income to live on comfortably. When I see friends of ours happily married and living valiantly on veterans' student-subsidies, I just can't understand why John doesn't marry me.

I want so much to tell him how I feel, yet I am afraid that he might not like my hardihood in usurping the man's traditional right to speak first. Although he knows I have moods, I am not sure he guesses the cause of them. Life is miserable for me this way and something must be done.

Should I hold my tongue and try to be patient for the next two years, until John's schooling is completed. Or should I unburden my soul to him and take the chance of winning or losing? Or should I try tactics? I hate tactics, but they have brought results. Maybe I am the victim of his. He knows so well how much I love him that maybe his confidence needs a jolt. Please tell me what to do; and answer soon.

Signed: L. S.

MAN'S ATTITUDE ISN'T DEVOTIONAL

DEAR L. S.. You say John chased you in years past when things looked pretty hopeless for him, which indicates that he is by no means the first man you've cared for, a fact that is not unknown to him, and this may explain (in part) his evasion attitude toward your stark hunger to marry him.

Although he cares for you in a way, as his actions signify, obviously his intentions aren't matrimonial, and the fact that his schooling isn't yet completed to his satisfaction has nothing to do with it.

More likely the crux of the matter is that he has romantic ideals of marriage, thinks of his wife-to-be as an "old fashioned girl," and you don't fit the picture.

In his biography, "Years of Enjoyment" (Harper & Brothers), Max Eastman illuminates the dual attitude of masculine nature toward the opposite sex in reporting two simultaneous love-interests entertained in his grammar school days.

EASTMAN'S STORY LIGHTS THE TROUBLE

TO PARAPHRASE and condense the pertinent gist of his recollection, "I loved one girl from the time I saw her until our family left the town, and I love her still . . . Side by side with that, and not a bit the same, I felt a lustful yearning for another. . . .

"I did not dream that my two feelings toward these two different girls might some day be focused on one, and what a birth of the universe that would be. A great many American boys of my generation—and boys everywhere, I guess—never do succeed in combining these two feelings, and that is one of the troubles with the life of love."

In my opinion, Eastman's instructive candor strikes to the core of your "trouble" with John. You evoke a feeling in him quite different from love, as he thinks of love; and thus I believe your crusade to marry him will never succeed, no matter how much pleading, patience or "tactics" you might bring to bear. So my advice is: Don't waste more years of youth on him.

M. H.

A meeting of Dorcas society of Seventh Day Adventist church was held in the work center on East Broadway. The seven women who were present quilted.

Plans were made to hold a pie and cake sale at 603 Broadway Thursday afternoon.

LESSONS TAUGHT FOR WSCS CIRCLES

"Great Prayers of the Bible" was topic of lessons taught for First Methodist WSCS circles. A morning meeting of Korea circle was held in the home of Mrs. A. N. Gamble with Mrs. John Lee Smith as co-hostess. Fourteen members, four guests and two new members attended. The program included a lesson by Mrs. Cecil R. Matthews, a devotion by Mrs. Charles A. Ross and a solo by Mrs. Aubrey Woodfin. Brazil circle met Monday morning with Mrs. J. P. Elms for a lesson by Mrs. Hazel Butler. Six members were present. Eleven members of Bolivia circle met with Mrs. Troy Harber for a lesson taught by Mrs. T. C. Root.

A meeting of Cuba circle which was attended by nine members and one guest was held in the home of Mrs. Roy Furr. Teacher for the group was Mrs. Tom Foster. A solo was by Mrs. O. B. Trinkle and a devotion by Mrs. Jack Ray. Mrs. Bill Stapleton was hostess to 11 members of Japan circle; Mrs. John Shropshire taught for the women. Teaching for 13 members of Mexico circle in the home of Mrs. R. C. Odom was Mrs. L. V. Risinger, sr. Co-hostesses were Mrs. M. A. Welch and Mrs. B. W. Scarbrough.

Meeting with Mrs. Willie Lockwood were 11 members and two guests of Chile circle. The lesson was by Mrs. W. E. Alderson and the devotion by Mrs. T. A. Rogers. Alaska circle had six members to meet in the home of Mrs. Royal Furgeson. Mrs. Cecil R. Matthews spoke for the group. A lesson for six members of Panama circle was presented by Mrs. John Steele. Circle hostess was Mrs. C. R. Hurmence. Mrs. Reginald Rushing and Mrs. Ira L. Spann taught for eight members of Puerto Rico circle in the home of Mrs. W. G. Tarrance. Co-hostess was Mrs. C. L. Dickson.

In the home of Mrs. Mary E. Payne, a lesson for 11 members and one visitor of China circle was taught by Mrs. C. C. Chambers. India circle's lesson was taught by Mrs. C. M. Chandler. Mrs. E. A. Tipton and Mrs. Chandler were hostesses in the home of the former. Twelve members attended. Rev. Cecil R. Matthews taught and Mrs. Ameral Payne gave a devotion for Poland circle. Mrs. S. S. Forrest was hostess to seven members and one guest and Mrs. Arthur Earl Gamble was co-hostess. Meeting with Mrs. Charles Cathey were 11 members of Africa circle. Mrs. C. C. Chambers taught and Mrs. Clay Thompson brought a devotion. Eight members of Peru circle met with Mrs. Fred Litton, jr. Mrs. H. B. Matthews taught a lesson.

• • •

Fourteen members and one guest of College Avenue Baptist WMS met at the church for a Bible study. Prayers were offered by Mrs. J. F. Ricketts and Mrs. Errol Foote and a lesson from Galations 4 was given by Mrs. V. A. Cross.

Mrs. R. A. Pendergrass met with nine Sunbeams.

Baptist WMS Talks Are On Working Together

Calvary Baptist Women's missionary society met at the church Monday afternoon for a program on "Working Together." Mrs. Bill Diggs led a devotion.

Members of Helen Leech circle directed the program which included the following talks: "Laborers," Mrs. J. D. Blethroade; "God's Work," Mrs. O. D. Howard; "Laborers Together," Mrs. C. B. Simpson; "Together With Our Denominations," Mrs. J. W. Ray; "Helpers Indeed," Mrs. Gerald Schantz.

Mesdames Diggs and Simpson sang a duet, "Give of Our Best."

Twenty-five members and three guests, Mesdames O. H. Gruger, T. Stewart and C. Zaffaro of Chicago were guests.

Tea Is Held By Baptists

One hundred fifty-four persons attended the Monday afternoon tea given in the main auditorium of First Baptist church by the Women's Missionary society as a compliment to new women of the church.

Preceding the program and during the tea hour, Mrs. Rex Webster offered organ selections. Highlighting the afternoon was a talk, "Laborers Together With God," given by Mrs. Gradie Bownds, assisted by Mrs. S. J. Nabers who sang "Work For the Night Is Coming" and "My God and I." Mrs. J. Ralph Grant accompanied the soloist. Two songs presented by the Sunbeams under the direction of Mrs. Jimmie Gunn were another program feature.

Group singing was led by Mrs. Charles Moeser and prayers were offered by Mrs. Roy Bass and Mrs. J. M. O'Rear, the Young People's secretary of the WMS.

Mrs. George McCleskey was in charge of the program and Mrs. O. C. Madden directed tea arrangements.

Reception Given To Observe 50th Wedding Anniversary

Traditional gold featured decorations at the reception Mrs. Stanton Rhea, 1627 Eighteenth, gave Sunday afternoon to honor her parents, Mr. and Mrs. C. R. Armstrong, on their Golden Wedding anniversary. Her sister, Mrs. M. C. Burk of Amarillo and her brother, C. E. Armstrong of Fort Worth, assisted in entertaining.

Seventy-two guests registered between 3 and 6 o'clock.

Mrs. Burk greeted guests. Mrs. C. E. Armstrong and Mrs. John Zournas alternated in presiding at the register, which was lettered in gold and contained a poem Mrs. J. C. Sanders wrote in honor of the Armstrongs. A picture of the couple taken on their wedding day was displayed on the table.

In the archway leading to the dining room was a huge horseshoe decorated with yellow net and centered with white satin ribbons lettered in gold with "Charlie and Lula 1890." The refreshment board was covered with a white cloth crocheted by Mrs. Liff Sanders and placed over yellow satin. An elaborated decorated cake topped with a gold bell centered the table and at one end was the crystal punch bowl flanked with golden flowers. Completing the decor were two golden horseshoes centered with white candles to which gold leaves were tied with white ribbons.

Assist In Hospitalities

Mesdames Terrell St. Clair of Hobbs, N. M., and Theodora Zournas cut the cake and Mesdames Winston Reeves and Walter Smith poured the punch. They were assisted in serving by granddaughters of the couple.

Mrs. Otto Tribble of Grand Prairie was in charge of the gift display.

During the afternoon an old music box was played and readings were given by pupils of Mrs. Gladys Sims who were Pat Doidge, Joyce Coffman, Joyce Davidson, Joe McIlhaney, Claudette Hill Ann Gates and Patricia Rhea.

Cards and telegrams were on display. Out-of-town guests registered from Muleshoe, Lamesa, Crosbyton, Amarillo, Artesia, N. M. and Hobbs.

Party Series Is Initiated

Initiating a party series for Miss Elizabeth Ponce, whose engagement to Graham D. Bogel was announced Saturday, Mrs. Fred H. Childress and Mrs. J. Mule Davis gave a luncheon this afternoon at the home of Mrs. Davis' mother, Mrs. D. N. Leaverton.

Pastel colors were used in floral decorations.

A hostess gift marked the honoree's place.

Guests were Mesdames A. B. Davis, Bob Horne of Plainview, J. P. Elms, Thomas E. Pirtle, W. C. Alderson, A. D. Brown, Ella Hoffman, L. M. Austin, Clint Keith, Jerry Nash, Nell Wiley, W. W. Rix, A. L. Strout, Robert J. Allen, Guy Victory, J. L. Barstow, Clayton Carter, A. A. Blakemore, Bert Wallace, Roland E. Ponce, Leaverton, the honoree and Miss Doris Smith of Fort Worth.

The Bogel-Ponce wedding will take place June 6.

Wedding Will Be June 12

Mr. and Mrs. E. W. McFarling of the Levelland road announce the engagement and approaching marriage of their daughter, Betty, to Roy C. Clark, son of Mr. and Mrs. H. M. Clark of Burleson in Belton county.

The wedding ceremony will take place June 12.

Nu Phi Mu Gives Tea As Courtesy To Mothers

Nu Phi Mu sorority gave a tea Sunday afternoon in the home of Mrs. Larry Simmons, 2702 Thirty-second, as a courtesy to their mothers, Mesdames Simmons and Frank Kuhn and Misses Shirley McRee, Mary Small, Alice Gibson and Mary Lou Spence were in the house party.

The tea table was laid with a lace cloth and decorated with pink roses and fern arranged in a crystal bowl and pink tapers burning in crystal candelabra.

Mothers calling were Mesdames R. E. Garrett, A. P. Spence, Oscar Ragland, H. E. Ross, C. E. Simmons, J. C. Martin, Ben Quebe, jr., J. N. Jackson and G. C. Brown.

Members and pledges attending other than those mentioned were Mesdames Terry Waldron, jr., Tom Breeding, Don Warner, and Misses Janet Ragland, Juanita Ross, Nelva Joyce Halbert, Jackie Small and Joan Jackson.

The club will meet tonight at 7:30 o'clock with Miss McRee, 2424 Twenty-second.

Price Daniel Calls Drew Pearson Liar

DALLAS, May 11 (U.P.)—Attorney General Price Daniel of Texas last night called Columnist Drew Pearson a liar.

He made the remarks in reply to Pearson's comments in his syndicated column in which he said Atty. Gen. Walter Johnson of Nebraska "draws $1,500 a month from the oil lobby and spends part of his time in Washington directing its legislative battle, despite the fact that he is supposed to be attending to the law business of Nebraska."

"Pearson lies," said Daniel before the Dallas chapter of the Texas Society of Professional Engineers. "Johnson's work is financed by twelve state governments, including that of Texas."

Compulsory old-age insurance was first adopted in Germany in 1883.

Wesleyan Guild Lesson Is On Foreign Women

Mrs. B. L. Cogdill led a worship service on "Who's Daughters Are Not Afaird," at a meeting of Asbury Methodist Wesleyan Service Guild Monday night at the church. Mrs. C. A. Bickley gave the lesson on "Daughters in the Netherlands, Belgium, France and the Philippines."

A solo, "Calvary," was sung by Mrs. Robert Hamilton, accompanied by Miss Hallie Wall.

A box of clothing valued at $30 was given to Mrs. Tom Cannon, First Methodist church nurse, to be used in welfare work.

Mrs. B. M. Keese and Mrs. Nellie Wall served refreshments to 17 members during a social hour.

Hardin Brothers Are To Give Recital Wednesday

Ned, Larry, Wayne and Al Hardin will be presented in recital at 8 o'clock Wednesday night at the South Plains Music store. They are sons of Mr. and Mrs. Russell Hardin.

The program will consist of solos and duets, trios and quartets.

The boys' teachers are Miss Margaret Huff, piano; Mrs. Don Nichols, Violin; Mrs. James Atcheson, accordionist; Harry Born, clarinet and R. A. Dhossche, flute.

The program is open to the public.

Federation Dance Will Be Open To Public

The dance to be given tonight at 8:30 o'clock at Playmore Dance hall by Lubbock Square Dance federation is open to the public. Admission is 50 cents.

Several Lubbock and out-of-town callers are to attend. Further information concerning the Federation and its dances may be received by calling the City Recreation department, 9346.

Sorority Has Initiation

Kappa Gamma sorority attended a formal initiation and dinner Monday night in the Aztec room of the Hilton hotel. Gladioli and fern decked the table and place cards were in a spring flower motif.

Mrs. Henry P. Jones, hostess, was assisted by Mrs. Lottie Hilton in the formal initiation which followed in Rix chapel. Mrs. Dick Green, sorority president, read the obligation to the new members who were: Mesdames Sybie Brown, Dale Turnkett, Winnie Englert, Lesta Boles, Misses Nila Massey, Kathleen Walthall, Laura Casey and Ruth Griffis.

Members present were Mesdames Maurine Bachman, Virgie Mae Beard, H. C. Burchett, Norma Caldwell, Royce Durham, Rex E. Greer, Frank Gumm, Richard Lisman, June Woodrum, Misses Wildred Boone, Beulah Harmonson, Evelyn Jones, Ann Kelly, Reuby Tom Rhodes and Dr. Pauline Miller.

Gov. Dewey Accepts Stassen's Communism Debate Challenge

BY B. L. LIVINGSTONE
Associated Press Staff Writer

BEND, Ore., May 11—Oregon's Republican presidential primary battle moved toward a dramatic climax today with Gov. Thomas E. Dewey agreeing to meet Harold E. Stassen in a radio debate on the issue of Communism.

The New York governor, barnstorming Oregon for the state's May 21 presidential preference, accepted an invitation to tangle with the Minnesotan under the auspices of the Multnomah (Portland) County Republican committee.

The date was yet undetermined. But less than two weeks remain before Oregon casts its ballots in the last popular primary election before the Republican national convention in Philadelphia next June 21.

Stassen To Arrive

Stassen is due in Oregon this week ahead of schedule to meet Dewey's bid for Oregon's 12 convention votes. The political prestige of both candidadates is at stake in the spectacular Oregon contest.

The outcome may determine the fate of presidential ambitions of both contenders for the Republican nomination.

Dewey accepted the face-to-face debate in a wire replying to Dr. Peter H. Odegard, president of Red college of Portland. Dr. Odegard had offered the college as an impartial debate forum.

The New Yorker set the issue—"Shall the Communist Party Be Outlawed." He suggested a nation wide broadcast.

It is an issue on which he and his Minnesota rival are at bitter odds.

In his town-to-town campaigning, Dewey has hammered at Stassen's original proposal to outlaw ed that it be kept in the open and Communism. Dewey has demandunder control. The New Yorker declared that to outlaw it meant violation of American principles and the constitution. The question, he has insisted, is a major issue of our time.

Raises Interest

Dewey's acceptance of the invitation to debate Communism raised to unprecedented heights the interest already stirred by the clear cut Oregon contest between the two contenders for the Republican presidential nomination.

Stassen forces Saturday ran in reinforcements in the person of Gov. Luther Youngdahl of Minnesota. Stassen moved up by three days his return to Oregon for an intensified windup of his own campaign. He is due in Portland this Friday, the same day Governor Dewey is scheduled to complete a tour of eastern Oregon.

Midshipman Killed By Thrown Javelin

ANNAPOLIS, Md., May 11 (AP)—A javelin hurled by a classmate yesterday killed Midshipman George J. Eliopolus, naval academy athlete.

Capt. E. B. Taylor, navy athletic director, said the 23-year-old victim "was struck in the neck by a javelin that slipped from the hands of Midshipman George B. Stone." Eliopolus pulled the spear from his own neck, but collapsed and died within four minutes.

Taylor said Stone was "hospitalized suffering from shock."

The two boys had been working out together at the Thompson stadium when the mishap occurred. Trainer Billy Fallon and others rushed to Eliopolus' aid at once and medical officers arrived within four minutes, Taylor said. He estimated the spear traveled not more than 15 feet.

Eliopolus, the son of Mr. and Mrs. James G. Eliopolus of Rawlins, Wyoming, was an academy track man and varsity basketball player. He came here about three years ago from the University of Wyoming. Stone's home is in Kingsport, Tenn.

Boy Dies After His Clothes Catch Fire

SUNCOOK, N. H., May 11. (AP)—A six-year-old boy, alone at his home when his nightclothes caught fire, put out the flames, dressed, shut his dog in the barn and went for help.

He died a few hours later in a hospital.

Henry Beard, son of Ralph E. Beard, walked to the office of Dr. B. L. Freeman. Dr. Freeman took him to the Concord hospital where emergency treatment for second and third degree burns failed.

Dr. Freeman described the child's efforts as "superhuman."

2,000-Mile Error Is Made In Phone Call

SPOKANE, Wash., May 11. (AP)—Don't look now, lady but your phone bill is showing.

A woman called police Capt. George Freeman from Cape Girardeau, Mo., early today. She said a man was giving her some trouble and she wanted an officer. Freeman told her to call the local sheriff.

What she didn't know was that she wasn't talking to nearby Spokane, Mo., but to Spokane, Wash. It makes about 2,000 miles' difference.

Three Superforts Make Global Flight

WASHINGTON, May 11 (AP) — Three B-29 superforts left California Monday to circle the globe, the Air Force announced.

The planes headed east from the Castle Air Force base at Merced aiming for Okinawa where they will train with units of the Far East command. They are part of the 93rd Bomb group.

After training, they will return to Merced by way of Japan and Alaska.

The remainder of the 93rd Bomb group, a unit of the 15th Air force, will fly west from Merced to Okinawa, joining the one coming from around the other way, the announcement said.

The flights are part of the Strategic Air command program to train B-29 crews in flying techniques involved in long range, over-water flights.

Fraternity To Hold Final Meet May 18

The Texas Technological college chapter of Sigma Xi, national honorary research fraternity, will hold its final meeting of the year at 7:30 p. m. May 18 in the home of Dr. R. A. Studhalter at 2311 Eighteenth Street, Dr. W. A. Young, chapter president has announced.

Election of next year's officers and a talk by Dr. Young, retiring president, will be features of the program.

The chapter is planning to bring Dr. Joseph Kaplan of the Institute of Geophysics at the University of California at Los Angeles to Texas Tech some time in the fall for a two day lecture period, Dr. Young said. Subject of his lecture to Sigma Xi members and interested townspeople will be "The Upper Atmosphere of the Earth." The two-day arrangement was made so that Dr. Kaplan may have the opportunity to schedule one or more lectures elsewhere in Lubbock if he so desires.

First Performance Of Tech's Varsity Show Gets Enthusiastic Reception Monday Night

The curtain rolled up to display a surprising array of talent as "The Phenomena," 1948 Texas Technological college Varsity Show opened to an estimated first night crowd of 1,100 people in the Lubbock High school auditorium Monday night.

The script, written by Ed Sides and Jack Drain and featuring an all-student cast, was supported with a large variety of novelty numbers that kept the audience in stitches most of the time. Where the script let down the novelties took over and kept things rolling at a brisk pace.

The story centers around a crackpot college psychology professor who believes he has worked out a scientific formula for picking the ideal mate for each man and tries his theory out on a rival professor. With just enough continuity to keep the audience abreast and still leave plenty of space for a great variety of individual acts, the plot moves along at a snails pace and entangles the very unscientific professor a little tighter with each scene. The climax finally comes when the whole scheme backfires on him and he finds himself the pursued instead of the pursuer.

Utilizing the stage for only part of the show, the script is full of surprises and keeps the spectators wondering in which direction to look next for something to happen From the isles, backstage, and even from the ceiling, people keep getting into the act. The latter being an angel of unknown variety suspended from the rafters in a maze of wires and wings but managing to look very angelic indeed.

Hillbilly Act Good

One of the most outstanding acts of the entire two hour and 10 minute production was a hillbilly imitation act by Gene Roy Powers and Martha Cudd who silently imitate records played out of sight back stage. The timing and execution were near perfect and they stopped the show for the only encores of the evening.

Jimmy Carter, a sophomore from Wichita Falls, showed an amazing versatility, taking part in four acts and showing himself outstanding in each. Light as a feather on his feet and a truly beautiful physical speciman, his Adagio act with Patti Jo Musson, his dancing and gymnastics are something to see.

In addition to those mentioned above, there were many who distinguished themselves with outstanding performances including Maxine McCollum, a very scatterbrained redhead with an exciting rumba tap dance; Cora Lee Heckman, singing "The Man I Love" and "Because;" Terry Sanders with his baritone; and the Parlorettes, a girls quartet including Nelrose Griswald, Emeline Rapstone, Lee May Bednorz and Jean Ferris.

Music for the show was arranged and written by college talent also and included a total of twelve songs presented for the first time. It was directed by Vic Williams and Ted Creager with Terry Sanders acting as coordinator and writing several of the songs with the assistance of Paul Green. The 20 piece band lives up to its advance billing.

Between the first and second acts George Ater, director of the show, dedicated the first night performance to Pres. W. M. Whyburn in appreciation for the fine contribution he has made to Texas Technological college during the time that he has served as president.

The "Phenomena" will be presented again tonight and Wednesday night beginning at 8:15 p. m. Tickets are on sale at Dunlap's Hemphill-Wells and in the administration building at Texas Tech and sell at $1.50 for reserved seats and $1. for general admission.

Promotion Of Joseph G. West Is Revealed

Joseph G. West, 42, division engineer of the Slaton division of the Santa Fe Railway has been appointed district engineer of the Santa Fe's Gulf Lines at Galveston, according to announcement made Monday by R. B. Ball, vice president and general manager of the Gulf, Colorado & Santa Fe Railway.

West succeeds William T. Donoho, who has been appointed chief engineer of the Gulf Lines succeeding the late W. H. Rochester.

West began working for the Sant. Fe as an axman in June of 1922 and advanced through various phases of railroad engineering with an outstanding record at Pampa, San Angelo, Amarillo, Clovis, Wellington, Kans., and Slaton. He was appointed division engineer of the Panhandle & Santa Fe at Slaton August 1, 1942.

Ouch, It Hurts! Elk Says As He Promotes Boy Scout Drive

NEW YORK, May 11 (AP)—The event leading up to Dr. Bernard Niflot's aching arms, tender back and happy heart was simply this:

The Benevolent and Protective Order of Elks decided to give every American boy a chance to join the Boy Scouts.

Each year some 700,000 boys want to become Scouts. But the 68,000 troops could absorb only 400,000 of them. World War II veterans among the Elks decided they would sponsor enough troops to take care o fthe other 300,000 lads.

Used To Be Boys

"We used to be boys ourselves," said Dr. Niflot, suppressing an ouch as he sat down. "So we thought it would be a fine idea—great for the kids and great for us, since we would be working with the new generation and maybe a little youth would rub off on us.

"So far I've been rubbing on—liniment."

But Dr. Niflot and the other Elks who went actively into the field with the boys ("where do those kids get the energy," he marvelled) are going through an experience he described as almost exalted.

Even Worth Aches

"We've got 1,475 Elk lodges," he said, "and all of them are sponsoring from one to three troops. As our chief Lafayette Lewis said, this will discourage juvenile delinquency and build real citizens. All you've got to do is look at the kids when they show up for induction and its all worth while. Even (ouch) the aches."

Dr. Niflot, who is dental surgeon to the New York police department, said he was studying Scout lore himself and might wind up with Eagle Scout qualifications—some 20-odd years too late—if he holds together that long. At that, he said, he was no worse off than most other Elks in the program.

Enthusiastic Response

While Dr. Niflot was massaging away the aftermath of his first week-end prowling fields with his boys, Elk officials said the Scout program was drawing enthusiastic response from various lodges. Lewis messaged his membership quoting figures of Admiral Chester Nimitz that 40 per cent of his men and 60 per cent of his decorated heroes had been Boy Scouts.

"With that in front of you what does a charley horse or two men?" queried Dr. Niflot, wincing.

Tired, "All-In"—Listless Feeling Brought To Halt

As Vibrant Energy is Released To Every Muscle, Fibre, Cell

Do you get up in the mornings still tired, feel down-and-out all day? Have you checked-up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wears down the red-blood-cells.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

adv.

Cyd Charisse Will Wed Tony Martin

HOLLYWOOD, May 11. (AP)—Singer Tony Martin and the beauteous Cyd Charisse, who can act as well as dance, are going to be married very soon, probably this week-end.

Miss Charisse said Tony proposed nine months ago but they began going their separate ways. She was seen with plane maker Howard Hughes and others. Tony stepped out with Rita Hayworth, among others.

It will be the second marriage for each. He's Alice Faye's ex, and Alice, of course, is Mrs. Phil Harris. Cyd was married to Niko Charisse, dancing school operator.

"As soon as I can get away from my current picture, we'll tie the knot," Cyd told reporters.

ECA CHINA CHIEF—Roger D. Lapham, former mayor of San Francisco, will supervise the $463,000,000 China aid program, under the Economic Cooperation Administration. He will be chief of ECA's special mission to China.

TIME IS EXTENDED

WASHINGTON, May 11 (AP) — The Senate unanimously passed and sent to the White House today a bill to extend until Feb. 3, 1950, the time in which former members of the armed forces can apply for mustering out pay. The authority expired Feb. 3, 1946, but the Armed Services committee found some former soldiers failed to apply before that deadline.

Progress In Development Of Polio Virus Is Described At Meeting Of Bacteriologists

By FRANK CAREY
Associated Press Staff Writer

MINNEAPOLIS, May 11. (AP)—A New York bacteriologist said today science now has the means of developing good "seeds" for a vaccine against infantile paralysis—but lacks a proper "garden" in which to grow them.

Dr. Herald Cox of the Lederle Laboratories division, American Cyanamid Co., Pearl River, N. Y., said that a technique is in hand for purifying strains of infantile paralysis virus to the point where they could conceivably be used to produce a protective vaccine—but no satisfactory laboratory means has yet been found to grow the viruses in quantity.

Solution Will Come

He said monkeys offered the best bet to date for growing "polio" virus, but that the quantities produced were relatively small compared with those of influenza virus produced in fluids within a hatching hen's egg. So far, it has been impossible to grow polio virus in a hatching egg.

"Our solution to polio will come," he told a reporter, "when we can grow the polio virus in sufficient quantity in animals other than the monkey—possibly in the chick embryo within the hatching egg.

"If we could grow infantile paralysis virus, in its various strains, in a readily-available material like chick embryo, we'd really have something practical in the way of vaccine material.

"Monkeys not only produce relatively small quantities of virus, but they are expensive and sometimes difficult to procure and maintain for research."

Principle Noted

(The principle of any vaccine is to inject either a dose of living, modified active virus or a dose of completely killed virus so that the body will build up resistance against a subsequent attack of the usual form of the disease).

Here to attend the annual meeting of the Society of American Bacteriologists, Dr. Cox made the statements in commenting on a report made last week by a team of polio researchers of the University of Minnesota.

Dr. Cyril S. Stulberg of that university, and a group of colleagues, announced that they had purified a strain of human infantile paralysis virus to the extent that 99.2 per cent of non-virus material associated with it was eliminated.

They also disclosed that they were undertaking studies looking toward the development of a blood test for that particular strain, and of a vaccine to provide protection against it.

Man Is Honest About Putting Up His Bail

PASCO, Wash., May 11. (AP)—A man who spent the night in jail on a drunken driving charge appeared at the police headquarters desk to put up $100 bail.

Patrolman Arden Palmer carefully returned his belongings, wrote out a receipt for the money and showed him the way out. He was back in a few minutes.

"Say, what did you do with the money?" he asked.

"It's in the cash drawer," Palmer replied.

"No it isn't," the man said. "I forgot to give it to you."

He peeled $100 off his roll and handed it to the surprised officer.

CHECKS ARE DELAYED

DALLAS, May 11 (AP)—A total of 200,000 income tax refund checks are being held up in North Texas alone and none have been mailed since May 1, Internal Revenue Collector John B. Dunlap said today. Dunlap said the tardy refund checks are the fault of Congress, which failed to make an appropriation.

KILLED BY LIGHTNING

PARIS, May 11. (AP)—A bolt of lightning yesterday killed Floyd Roberts, 37, a dairy employe. He was driving cattle in a pasture during a heavy rain storm when the bolt struck him.

Ex-Senators In Demo Primary

CHARLESTON, W. Va., May 11 (AP)—Two former United States Senators are seeking the Democratic party's renomination in West Virginia's primary election today.

Forty-two-year-old Rush D. Holt, the "boy senator" of the early New Deal days, and 73-year-old Matthew Mansfield Neely, who served in the House and Senate for over 30 years and ended a term as governor in 1945, are among a field of five Democratic senatorial aspirants.

Senator Chapman Revercomb, who defeated Neely for the Senate in 1943, is opposed in the Republican primary by John Alderson Sims, a Charleston chemical engineer.

Harold E. Stassen is the only major presidential aspirant to appear on the ballot. However the vote is not binding on convention delegates but merely "advises" them of popular sentiment.

Governor Clarence W. Meadows, who may not succeed himself, is supporting Okey Patteson, his former executive assistant, for the Democratic gubernatorial nomination. However one of Patteson's two opponents, former Attorney General James Kay Thomas, has some strong party backing. There are five in the Republican race.

An ash tray, recently invented, is described as providing a break for the non-smoker as well as the smoker. Electrically-operated, it draws the ashes—and the smoke—down into its stand.

SIGNS OF THE TIMES IN JERUSALEM—"No passing, snipers!" warns this sign in Jerusalem. Put up by Jews, it's propped against the framework of a wrecked auto. A Haganah guard stands alongside the warning. (Photo by NEA-Acme staff correspondent Ef Ilani.)

Bridge Builders Bid Closely On Bridge

FRANKFORT, Ky., May 6 (U.P.)—The lone two bidders on a bridge found themselves only 85 cents apart when the state highway department tabulated bids.

Massman Construction Company, Kansas City, Mo., was low bidder on the project, proposing $354,694.85. Harry O. Wyse, Lexington, offered $354,695.70.

Highway department attaches said it was the closest bidding they ever had noted.

Wyoming Demos Go On Record For HST

CASPER, Wyo., May 11 (AP) — Wyoming's Democrats have earmarked their six national convention votes for President Truman but the state's nine vote Republican delegation will go uninstructed to Philadelphia.

Those decisions were reached yesterday at simultaneous state conventions of the parties.

The Democratic delegation was instructed to support Mr. Truman for President and Sen. Joseph C. O'Mahoney (D-Wyo) for Vice President until released by the candidates.

The nine Republican delegates include supporters for Harold Stassen, Gov. Thomas E. Dewey and Sen. Robert A. Taft (R-Ohio), aspirants for the presidential nomination.

Ted Crippa of Rock Springs was elected Republican national committeeman to succeed Frank O. Horton of Saddlestring, who is retiring because of ill health. Mrs. Katherine Meloney of Basin defeated Mrs. Doris K. Reynolds of Sheridan, incumbent, for national committeewoman.

Trace S. McCraken, Cheyenne publisher, and Mrs. Susan Quealy of Kemmerer were reelected to the Democratic national committee.

Temptation To Drive Bus Proves Too Much

DETROIT, May 11 (AP) — Months of cleaning city buses and street cars were too much for 25-year-old Jessie H. Newton.

During lunch hour last Friday he gave in to an "overpowering urge" and drove one of the buses he was vacuuming on a wild trip toward downtown Detroit.

Most pedestrians and motorists ducked out of his way, but police charged Newton's bus clipped two cars before they caught up with him. In traffic court yesterday Judge John D. Watts sentenced Newton to 10 days in the house of correction — out of the way of tempting buses.

Fingerprint Powder To Trap Pranksters

TEANECK, N. J., May 6 (U.P.) — The Teaneck Fire Department plans to combat an epidemic of false alarms with powder. Fire Chief Francis A. Murray said all the town's 65 alarm boxes will be dusted with a special powder which retains fingerprints.

When suspects are brought in after a false alarm, it will be possible to match the guilty one's prints with those left in the dust. Authorities said they think most of the false alarms have been turned in by youngsters.

Jury Is Named To Lay Out New Road

A jury of view was appointed Monday afternoon by Lubbock county commissioners court to assess damages and lay out a public road in precinct 3, based upon a September petition of C. C. Sherrod and others.

Appointed were T. L. Holt, J. B. Mitchell and W. W. Lewis, all of Idalou.

The petition had been granted Sept. 8, under provision that right of way be donated, the court said.

Petition of E. A. Moores and others for a public road in precinct 4 was granted and the road opened, provided right of way be granted and all fences moved at no expense to the county.

At the morning session, the court authorized purchase of a new Allis-Chalmers tractor equipped with bullbozer, for precinct 4. It, costing $6,396.27, will be purchased from the W. T. McClure Machinery company.

Aside from routine business transacted, the court also authorized:

Expenditure of $875 for professional services of Elmer V. East, Lubbock attorney, in connection with his assistance in the marketing of $250,000 in courthouse and jail bonds; $315 to Conley-Lott-Nichols company for a conveyor belt for use in precinct 1; $325.81 for truck parts and repairs purchased from Dickinson Motor company for precinct 3; and $338.33 to E. J. Wallace for installing complete boiler controls in the courthouse.

Commissioners are R. O. Short, Ben Mansker, Ottis Isom, and Pat Corley. County Judge Walter Davies presided. Louie F. Moore, county clerk, kept minutes of the proceedings.

Bailey County Woman To Be Buried Today

MORTON, May 11 (Special) — Final rites will be held today at 3 p. m. at the Morton Baptist church for Mrs. Louise Shifflett, 70, who died at 12:45 p. m. Monday at the home of her son, V. C. Shifflett, of Goodland, Bailey county, Bryan McDonald & Son Funeral home reported Monday. Rev. Archie Beggs will officiate at the services.

Survivors are her husband, W. M. Shifflett; five other sons, H. E. of Polar, Texas, J. H., of Abilene, H. L., of Wasco, Calif., L. B. and A. H. Shifflett, both of Whiteface; one daughter, Mrs. Ethel Womack of Post, and 31 grandchildren.

Do FALSE TEETH Rock, Slide or Slip?

FASTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, pasty taste or feeling. FASTEETH is alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store. adv.

THE LINCOLN

Built as Deliberate Masterpieces

TWO COMPLETELY NEW 1949 Lincolns

IN A CHOICE OF MAGNIFICENT BODY STYLES AND TWO SEPARATE PRICE RANGES

You'll see the subtle difference that means perfection the moment you catch sight of these new 1949 Lincoln cars in your Lincoln dealer's showroom. Here is the look of the car you've been waiting for! The first 1949 cars in any field. The most thrilling news in the entire fine car field for many a year!

Both the new Lincoln and the new Lincoln Cosmopolitan have low, hug-the-road lines—lines that promise sure-footed fleetness in action.

A more perfect engine has never been built! Completely new, 152-horsepower strong, 8-cylinder, V-type, it has been designed with the precision of an aviation engine.

And what beautiful riding comfort! Perfect balance and marvelous super-balloon tires take the sway out of curves. The Lincolns were *built* to "cradle" you gently, and in high style. For you've never seen smarter upholstery and color combinations, nor appointments in finer taste.

We spent years perfecting the new 1949 Lincoln cars. That's why, before you make any car decision, you should look at Lincoln!

Nothing could be Finer—or Newer!

West Texas Gas Company

Between . . . The Lines

— By JOE KELLY —

Texas Tech's football team next fall is going to cause approximately ten teams a lot of trouble. They won't win them all, but they certainly won't lose every game they play. Their backfield is going to be particularly hard to stop and, if the line comes through, there may be some pleasant and unexpected surprises over the course of the ten-game season.

• • •

The practice game Saturday night was impressive to the large crowd of spectators. It was strictly an offensive show, of course, since there was no attempt to develop a defense. Defenses are planned, game by game, for the particular opponent the Red Raiders face and when one squad plays an intra-squad game, that phase of training is forgotten. As a result, it was the back's night and they made the most of it.

• • •

What impressed this writer the most was the speed and sureness of the backfield men. Unlike most of the running seen last fall, the majority of the backs were starting fast and running hard. They didn't wait for the line to open and once up to the line they crashed through. The broken-field running was good, with more backs showing ability in the open than were on hand last season. The halfbacks and fullbacks ran as though they knew what they were doing and as though they knew what they were supposed to do.

• • •

The scrimmage also disclosed a lot of promising material on the freshman squad. Coach Dell Morgan did a wise thing this spring. Instead of separating the varsity and freshman squads, he kept them together. And when the practice game was run off, he used the freshman with the varsity. It gave the freshmen better experience than they could themselves and it also inserted a better feeling in them that they were wanted. The combined squads did the Raiders no harm.

• • •

Another impressive thing about the Tech backfield men was the poise they exhibited and the good quarterbacking. Bill Lyman, Shaff DeGaish and Garland Chessir all handled the ball and showed the type of fakery needed to make the T work. There was little to choose between Lyman and DeGaish and both give indications that Ernest Hawkins will have a rough time making the starting eleven. Tech didn't show a passer in the same class with Freddy Brown, but the short pass worked well and a few long passes connected, even though they were wobbly.

• • •

The lines can't be entirely over-looked, however, even though it was an offensive demonstration. There was hard clashing by the linemen and some of the men stood out above the others. Tackle Don Williams looked like a capable replacement, while John Andrews also did some good work. Dan Pursel topped the guards, as expected, receiving some fine help from Don Orr, Bobby Garner and Bob Hix. Bobby Williams looked pretty good at center and, with more experience, may make a capable replacement for Tuffy Nabors.

• • •

The most impressive defensive work on the field Saturday night was the tackling. Even at this stage of the game it is harder and more vicious than it seemed to be in the majority of the games last fall. The tacklers were hitting harder, cleaner and lower, knocking the ball carrier down hard. It was the kind of bone-shaking tackle that everyone wanted to see in 1947, but rarely did.

• • •

The next most impressive bit of line—and backfield—defensive and offensive work was the blocking the opposition out of the play and giving the backs a chance to get through the holes. The backfield blockers were getting out fast and cutting down the opposing line backers and halfbacks in good style. It was a heartening display and far different from the work of last year, when the downfield blocking was enough to make any coach grow gray hair left and right.

• • •

And finally, the spirit of the squad was as different as black from white compared to the 1947 squad. The players seem to have that love for body contact that marks any good team. They were tackling and blocking hard and the backs were running hard. There was a good-natured jeering along the bench throughout the game, but there also were calls of encouragement to the players going in and coming out of the game. It was a type of spirit seldom seen in 1947 and one which augurs well for the 1948 season. It will be an interesting team to watch this fall.

Longview Extends Lone Star Lead

(By The Associated Press)

Longview's Texans got a break in the weather last night and took advantage of it to stretch their lead in the Lone Star league to two full games over Tyler.

The Texans jumped on Lufkin, 12-9, in the only league game that was played. Rain caused the other three to be postponed.

Irving Clements and Harry Reed hit home runs for the Foresters, but Longview's 15-hit attack was too much. The Texans also clipped off a triple play — Al Kubski to Parino to Landers.

Abilene Loses, To Play Here Tonight

The Abilene Blue Sox, who visit Lubbock for a two-game series begining tonight, missed the boat last night and, as a result, were no table to close the gap between themselves and the front-running Borger Gassers in the West Texas-New Mexico League.

Borger went down to its second defeat in succession at the hands of Lamesa, 17-4, and Abilene, which was only a game and a half out of first, was edged by Clovis, 3-2. Pampa seized the opportunity to go into second place by trouncing Albuquerque, 12-4. Wind and cold weather forced postponement of the Lubbock-Amarillo tilt.

Pampa's Oilers now have won four in a row and have climbed from sixth place to the second spot only a game out of the lead. If Borger continues to falter, and Pampa continues to surge, the Oilers could move into the top position.

Abilene can't afford to lose too often either. The Blue Sockers are still a game and a half out of first place and only half a game ahead of Lubbock's Hubbers. And tonight they come to the Hub City for a crucial two-game series. Should the Hubbers win both those games, Abilene would crawl out of town with no better than a .500 average, while the Hubbers would be in a more challenging spot.

Russell Pitches Tonight

Manager Jackie Sullivan realizes the golden opportunity facing the local nine and is determined to capitalize on it. He will hurl Billy George "Cotton" Russell tonight and return Wednesday night with Red Ramsey, the highly-touted ex-schoolboy, ex-GI hurler.

With the Hubbers continuing their hefty hitting, these two flingers hight loft the Hubbers up as high as second. And with any kind of a break, the Hubbers might go into the league lead.

Borger's second defeat at the hands of Lamesa was a rough one, with J. B. Garland notching his third win, Manager George Sturdivant and Gil Turner hitting home runs and the whole Lobo nine exploding base hits.

Sturdivant Hits Four

Sturdivant had two doubles and two homers for a perfect night at the plate, while Turner, who is joining a team in the Cotton States League, had a farewell party of five for five, including a homer.

Walt Buckel played his first game at shortstop for the Loboes and Tony Fiarito, who sprained his ankle Sunday, is expected to return to action tonight.

The box score:

BORGER	AB	R	H	O	A	E

Tough Relay Card On Tap

COLLEGE STATION, May 11 (AP)—The conference meet this week and then the Coliseum relays in Los Angeles is the schedule for Texas A. and M. college's quartermilers who are claiming the national mile relay championship.

The Aggies are undefeated. They have won every mile relay in which they have entered, and and that includes record times in the Texas and Kansas relays and two other meets.

The Drake relays time was the best—3:15.2—but the Aggies are capable of doing better than that. When Don Cardon, Ervin Bilderback, Ray Holbrook and Art Harnden get together for a lap apiece, the aggregate time may drop very close to 3:12.0.

All Run Under 49

Holbrook several times has been clocked in 47.6 while running the third lap. Harnden has made it in 47.9, and has not been pushed in bringing the baton across the finish line first.

Cardon, who joined the team in time to help with a 3:15.6 record in the Kansas relays, has clicked off a 48.8. Bilderback, No. 2, has run a 48.3.

That quartet probably will not form the mile relay team in the Southwest conference meet in Houston Saturday because Cardon also is a low hurdler, but in the Coliseum relays at Los Angeles on Friday, May 21, those four Aggies will bid for additional honors.

Brady Invitational Play Set This Week

BRADY, May 11. (Special)—Byron Nelson, one of the greatest of American golfers, will play an exhibition match here Wednesday afternoon at 2 as a feature of the Brady Invitational Golf tournament Wednesday through Sunday.

Nelson will play an exhibition match with Billy Maxwell of Abilene, state high school golf champion, Don Cherry of Wichita Falls and Bill Staton of San Angelo. Staton is city champion of San Angelo and Cherry has been a consistent tournament winner.

Admission to the exhibition will be $1.50 for adults and $1 for students, with the golf feature staged by the Junior Chamber of Commerce, the Country Club and the city, which is putting on the tournament.

Gritty Riddle Hits Comeback

By JOE REICHLER
Associated Press Sports Writer

Any doubts over Elmer Riddle's comeback, termed by Pittsburgh's part-owner Bing Crosby as the "greatest since Al Jolson," were definitely dispelled today.

The gritty 31-year-old right-hander, forced to quit baseball four years ago because of an ailing arm, proved his previous stellar performances were no mere flashes in the pan last night when he pitched the Pirates to a 4-2 victory over the Brooklyn Dodgers.

Purchased On Waiver

Purchased last winter from the Cincinnati Reds for the $10,000 waiver price strictly as a gamble, Riddle has turned out to be the ace of Pittsburgh's mound corps. Last night's tiumph was the third in a row for the Columbus, Ga., veteran, his fourth outstanding mound job in as many starts.

The triumph, coupled with Boston's 6-0 victory over the Cardinals in a night game in St. Louis, put the Pirates in a virtual tie for first place with the idle New York Giants and the Redbirds. The Cardinals, however, still maintained a 14-point mathematical advantage, although the three teams are even-stephen in games won and lost. St. Louis has won 10 and lost six for a .625 percentage. New York and Pittsburgh own 11-7 records for .611.

First Card Shutout

Although Johnny Sain of Boston was clipped for 10 hits, he became the first pitcher to shut out the Cards this season. It occurred in a night game in St. Louis. The victory boosted the Braves into a three-way tie with Brooklyn and Philadelphia's Phillies for fourth place, two and a half games behind the leaders. Each team has won nine and lost 10.

The Cleveland Indians strengthened their hold on first place in the American league by outslugging the Red Sox in Boston 12-7. It was the fifth straight triumph for the Indians and the fifth straight loss for Joe McCarthy's disappointing penant contenders.

Larry Doby, hard-hitting negro outfielder, led the Tribe attack. He pounded out four hits including his fifth home run.

The victory enabled the Indians to increase their first place lead over the idle Philadelphia Athletics to 27 percentage points. The teams are tied in games won and lost.

Yanks Swamp Chisox

The third place New York Yankees swamped the Chicago White Sox, 9-3, to keep within a game of the lead. Joe DiMaggio, Bill Johnson and George Stirnweiss each hammered home runs off the White Sox' Bill Wight and Earl Harrist.

Early Wynn registerel his third victory with a five-hit performance as he pitched the Washington Senators to a 6-2 triumph over the St. Louis Browns in a night contest at the capital city. The victory shoved the Senators into the first division with a .500 rating.,

The National league's only scheduled day game, between the Giants and Cubs in Chicago, was postponed because of rain. All other teams in the majors were not scheduled.

Schedule In Texas League Rained Out

(By The Associated Press)

Texas league teams try again today after rain washed out the complete schedule last night.

Beaumont and Fort Worth will make up the postponement with a twilight doubleheader at Fort Worth. Others games will match Shreveport at Dallas, Houston at Oklahoma City and San Antonid at Tulsa.

The teams will shift sites tomorrow.

New Rule Seen On Bowls Bids

DALLAS, May 11. (AP)—The Southwest conference faculty committee, meeting at Houston Friday night, is expected to restrict participation of its members in New Year's day bowl games and to cut in each member of the conference on the proceeds of those that do participate.

A committee has already made its recommendations to the faculty group but what they are was not revealed today by James H. Stewart, conference executive secretary, who said this matter and the question of penalties for violation of the rule on financial aid to athletes would be the major topics of discussion at the annual spring meeting.

Four In Play Last Year

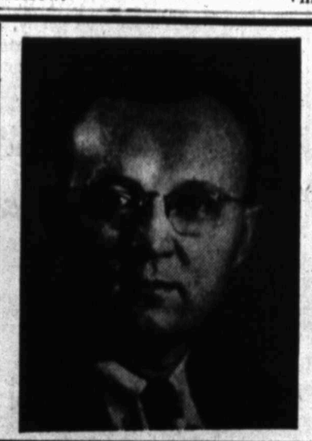

Last Jan. 1 four conference schools had teams in bowl games, bringing the demand from some quarters that there be a limit placed on such participation. There were reports that the faculty committee might not restrict the number of teams but accomplish the objective by reducing the financial haul for the participants. This would be done by cutting in all members of the conference on the money the participating team received.

Stewart has made recommendations regarding control of financial aid to athletes. The rule now in effect limits such aid to tuition, books, room, board and laundry and bans all outside help. Stewart is recommending the penalties that will be invoked for violations.

Leflar Seen As President

Dean Robert A. Leflar of Arkansas is expected to be elected president of the conference. President Gayle Scott of Texas Christian university died recently. Dean Leflar, conference vice-president, has been serving in his stead.

Another question up for discussion is expected to involve elimination of B-team football which has been allowed during recent years as a means of providing competition for as many students as possible during abnormal enrollment. Coaches favor return to the old system of only varsity and freshman teams.

"The Cat" Must Have Shutout "Claws"

Brecheen Just Misses New Record In Third Shutout

By STAN MOCKLER
United Press Sports Writer

ST. LOUIS, May 11—Next thing you know, the fans will be asking if "The Cat" has a shutout "claws" in his contract.

Ace St. Louis Cardinal pitcher Harry Brecheen, only left-hander to win three games in a world series, has opened the 1948 season with three whitewash jobs. And he is getting better all the time.

He applied the brush to the Chicago Cubs twice, beating them at Chicago 1-0, on April 23, and thwarting them at St. Louis on May 1 by a 4-0 count. Brecheen allowed nine hits in the first game and six in the second.

Close Fluke Single

But in his last outing, on Saturday night, he hit the weights. Harry turned back 20 consecutive Philadelphia Phillies as a big crowd looked on with mounting excitement. Then, with two down in the seventh, outfielder Johnny Blatnik, a Wilkes-Barre, Pa., performer last year, sliced a twisting slow bounder down the third base line. Whitey Kurowski charged the tantalizing hopper, gloved it just past the bag and put everything his aching arm had into the long throw.

Rookie first-sacker Nippy Jones flattened out, stretching to the limit for the low throw. But umpire Babe Pinelli wig-wagged the speedy Blatnik safe in a decision as close as 1-1.

Brecheen shrugged, squared his shoulders and went on to set the next seven batters down in order. Thus he missed baseball immortality just by the margin of that dinky grounder.

Last One Was In 1922

Had Blatnik been thrown out, Brecheen would have become the first National league pitcher in 68 years to hurl a perfect game. The last faultless major league pitching stint was turned in by Charley "No-Hit" Robertson of the Chicago White Sox in 1922. The Detroit Tigers were the victims.

Resting after his eight-strikeout near-classic, the 33-year-old Oklahoman displayed a stoic calm. Yes, he knew he had not allowed a runner to reach base when Blatnik got his scratch.

Answering a question, Brecheen said he thought Blatnik was out on the throw. "But," he confessed with a grin, "I'll admit I'm prejudiced."

Despite the disappointment of that game, there are still plenty of marks for the Cat to shoot for. He must pitch two more horse-collar games to tie the major league mark set by G. Harris White of the Chicago White Sox in 1904. And the mark for consecutive scoreless innings in the majors was fixed at 56 in 1913 by Walter Johnson of the Washington Senators.

Good Chance At Both

Most observers believe Brecheen has a good chance to match one or both of the marks. He is at his best with a full four-day rest between assignments, a rest he did not get during the past two seasons.

But this year Manager Eddie Dyer's pitching plans call for a five-man staff of starters. If Howie Pollet, Murry Dickson, Red Munger and Jim Hearn can deliver, there will be no question about Brecheen.

He will do his part.

Power-hitting by Jack Alderson and Billy Tatum gave the undefeated Lubbock High Westerners an 11-5 District 1-AA diamond victory over the Pampa Harvesters Monday afternoon at Chapman field and kept the Lubbock conference win skein unbroken at six consecutive games.

The Westerner nine staged one of its most impressive exhibitions against the Harvesters — Denny Davidson hurled a two-hitter, the fielding was efficient and the Lubbock schoolboys connected for 13 safeties off curve-ball artist George Gamblin. Davidson struck out 10 men during his five stanza mound job to notch his third triumph and only one Harvester reached first base until the fifth inning.

Pampans Take Lead

The Pampans, who had a three won—three lost record until the defeat by the Westerners, had been rated as one of the last two major hurdles blocking the Lubbock drive to a district championship, but after Monday's triumph only Amarillo's Golden Sandies remained as a challenger.

The Harvesters took a slender lead in the tussle in the first frame when Second-sacker Raymond Hernandez banged out a scratchy single to short, advanced to third on a sacrifice and stolen base and then crossed the plate on a passed ball.

The Westerners bounced into the front position in the home half of the initial stanza, however, when Charles Galey and Jack Alderson drew free passes to first and Dorrance Guy, Dwight Moore and Royce Jones slammed successive singles.

Alderson Gets Homer

Continuing to pile up a safe margin, Davidson led off the Lubbock half of the second inning with a walk and Tatum, after Bobby Griffin had gone down swinging, blasted a sharp double. Galey followed with a walk, then Alderson smashed the first of his two round-trippers to deep center field. Guy worked Gamblin for a free pass, Moore was hit by a pitch and Jones ounded out to the mound to end the four-run offensive.

Another Lubbock tally crossed the plate in the third when Tatum singled in Griffin, and the Westerners chalked up a pair of runs in the fourth on Alderson's second four- bagger and bingles by Guy and Moore.

After being set down in order during the second, third and fourth frames, the Pampa nine staged a belated rally that was good for four runs. Davidson, suffering his only control lapse of the afternoon, issued walks to Jim Hyatt and Bob Nash, then Jimmy Cox reached first on a fielder's choice that was bobbled by Galey. Davidson struck out the next two batters—Jimmy Parker and Harold Cox—but walked Hernandez and allowed Gamblin a single. After another pass to Charley Laffoon, Gamblin was tagged at home to end the effort.

Lefty Jackie Martyn took over the twirling chores for the Lubbock nine in the last two frames and set the yisitors down without a hit.

The Westerners are scheduled to meet the winless Brownfield Cubs at 4 o'clock Friday afternoon at Chapman field in their next conference test, officials announced.

The District 1-AA standings:

TEAMS	W	L	Pct.
LUBBOCK	6	0	1.000
Amarillo	5	1	.833
Pampa	3	4	.429
Borger	2	3	.400
Plainview	0	4	.000
Brownfield	0	4	.000

Hand Injury Delays Henderson Fight

This was to have been fight night again for Bill Henderson of Levelland, but an injured right hand has caused cancellation of his scheduled four-rounder in New York City.

Henderson hurt the knuckle on his right hand in his first professional fight a month ago and partially concealed the injury. He insisted on continuing to fight, scoring a knockout, technical knockout and decision in that order.

But Saturday, during a routine training session, he re-injured his knuckle to such an extent that he went to the trainer about the pain. As a result, the fight was cancelled and he will be on the shelf for a while.

J. D. Kirkpatrick had the plaster cast taken off his left hand last week, according to reports from Manager Joe Vella's camp, but the light heavyweight probably won't see action for another two weeks.

War Breaks Out In Pro Basket Circles

CHICAGO, May 11 (AP) — Open war raged today between the National Basketball league and the Basketball Association of America, the nation's two top professional hardwood circuits.

The B. A. A. started the scrap whisking four teams — Minneapolis, Indianapolis, Rochester and Fort Wayne — from the 12-year-old rival loop.

In retaliation, the Natoinal league broke off the year-old joint draft of college players and claimed it would retain title to the players of the four deserting teams.

Thompson Called Greatest Runner

By HAROLD V. RATLIFF
Associated Press Sports Editor

DALLAS, May 11 — Strangely enough, my most lasting memories of little Perry Thompson in sports are of a sprawling figure in hot cinders.

No athlete ever gave me more thrills, none ever accomplished more or contributed as much to sports, as this tiny man of track-dom. He was and is—until Saturday anyway—the greatest runner the Southwest ever knew.

But when I think of Thompson I think of a forlorn little figure biting the cinders of Memorial stadium in Austin and the track at Farrington Field in Fort Worth. Those were the days he really showed what he had inside him—the fightingest spirit and the greatest competitive urge of any man pound for pound in my knowledge.

Occurred In Junior Year

The plunge to the cinders at Austin occurred in Thompson's junior year in high school. It robbed him of a place in the mile run of the Texas Interscholastic league meet. The fall to the track at Fort Worth was in the half-mile of the Southwestern Recreation meet. In each instance Thompson got up and continued the race. At Austin he was too handicapped by a big field of runners to overcome the disadvantage. At Fort Worth he almost won the half-mile anyawy.

I watched and wrote about Thompson from high school through college. I have tried to immortalize him in a book soon to come off the presses. In my mind this little man with the fiercest competitive urge of them all should stand forever as a monument to the best there is in sport.

SPRING TRAINING

The argument continues over whether or not Texas high schools should have a spring training period for football.

Each side has its strong points. The one that impresses me most—and the only one—from opponents of banning spring football has to do with injuries. If doing away with this training period brings more hurts then I say put it back into the program as soon as possible.

Footnotes:

Paul Leming, Beaumont High school's great hurler (he bettered the national scholastic record last week by running the 200-yard lows in 21.4) is going to Texas U. . . . He was a four-sport letterman at Beaumont high—football, basketball, baseball and track — but he'll continue his endeavors in track at Texas . . . Byron Townsend, Odessa's great all-around athlete, says when he high jumps 5 feet 9 inches he broad jumps 18 feet 6 inches . . . meaning he flies through the air that far . . . if he were high-jumping 6 feet 3, I presume, he could also be winning the broad jump if they'd just allow both to be run off at the same time . . . Blair Cherry, University of Texas football coach, says he's going to have a top-flight football team next fall . . . "But it won't be undefeated; no team can do that in the Southwest conference," he says . . . Football Coach Bob Woodruff of Baylor was in Austin for the Texas Interscholastic league track and field meet . . . "Looking for football players?" I asked, mentioning Townsend, et al . . . "No," he grinned, "I'm trying to find a good cross-country man to help out the track team."

Purchases of industrial life insurance in the United States in 1947 amount to just over $4 billion.

Trout, Horne Lead Tourney

The lead in the Lubbock Country Club's Round Robin Golf tournament went to Chick Trout, jr., and Joe Horne on Sunday, when the championship flight golfers turned in a three-point victory over their opponents.

Second round of play in the tourney will get under way this week, with the same pairings of twosomes, but new opponents. The standings, as indicated by plus or minus scores in parentheses, and pairings follow:

Championship bracket: Tripp-Ray Biggers (plus 2) vs. Ross Mitchell-O. A. Terry (0); Lofton Burnett-T. Sampson (0) vs. A. H. Howard-Ted Tripp (0); Ray Marshall--Cecil Horne (0) vs. F. and Trout-Horne (plus 3) vs. Charles Towne-O. G. Wilson (minus 2).

First flight. W. Collier-J. Kattmann (minus 2) vs. Dr. J. H. Stiles-George Carter (plus 2); Tom Murphy-H. M. Chick (minus 2) vs. John Raley-Don Mitchell (minus 3); F. L. McRee-Hugh Anderson (plus 3) vs. Bill Tatum-Bruce Kattmann (minus 1); and Roy Cooper-John Trout (plus 1) vs. L. Raney-Olen Stewart (plus 2).

Second flight: Earl Miller-Bob Harvey, jr., (minus 8) vs. S. Forsythe-C. W. Tatum (0); A. E. Miller-J. A. Raley, jr., (0) vs. T. N. Russell-Guy Brown (0); H. Eidson-F. Baker (0) vs. W. Newton-C. E. Fish (minus 4); and Jack Henry-Bob Harvey, sr., (plus 4) vs. Al Cooper-J. E. Yates (plus 8).

Third flight: George Canon-F. Lindsey (plus 5) vs. John V. Powers-H. H. Holmes (0); H. Patterson-J. Warnick (0) vs. C. N. Woods-C. Clingan (plus 2); W. Granberry-C. E. Merkt (minus 2) vs. Ira Carpenter-E. H. Armstrong (minus 4); and O. D. McCoy-Dave Haynes (plus 4) vs. O. A. Brock-K. Ratisseau (minus 5).

Fourth flight: Hiram Parks-C. O. Campbell (plus 2) vs. Tom Hamm-Sid Claiborne (plus 3); Jack Applewhite-Lewis Keff (minus 3) vs. Jack Stone-Dr. C. B. Batson (minus 5); W. Trotter-P. K. Palmer (plus 5) vs. H. Underwood-T. Ingram (minus 1); and J. B. McCauley, jr.-G. Thompson (plus 1) vs. George Soash-T. Whitehead (minus 2).

Fifth flight: O. L. Slaton, jr.-J. Milligan (0) vs. Leete Jackson-E. H. Holcomb (0); and Robert Maxey-L. O. Robertson (plus 5) vs. G. Aycock-H. Humphries (plus 1).

Ace Hurlers Tie Up In Softball Tonight

Jackie Neel and G. W. Warden, considered the two outstanding hurlers in the South Plains Softball League, will hook up tonight in what is expected to be the outstanding pitcher's battle of the year.

Neel will be on the mound for the Bluebonnet-Sunbeam Laundry nine, while Warden will hurl for the Thomas Tinkers. Warden had a no-hit, no-run game Saturday night in a Texas Softball League tilt.

In the other game, Golden Light Coffee's softball team will tangle with the Cloverlake Dairy nine.

This has been designated Ladies Night at Jumbo Webster Field by the Junior Chamber of Commerce and the ladies will be admitted free, except for an eight-cent federal tax.

Freak Play Sparks Baseball Game

Catcher Uses Wrong Ball But Runner Is Called Out

BY WERNER RENBERG
United Press Sports Writer

DALLAS, May 11—Running the bases:

A funny incident took place in the district 4-AA baseball tournament in El Paso the other day. According to Bob Ingram, sports editor of the El Paso Herald-Post, here's what happened:

A player struck out. The ball got past the catcher. When the masked man went after the ball, much to his surprise he found two balls lying behind home plate instead of one. One of the balls was one that had been fouled off and thrown back to the umpire.

Since the catcher dropped the ball on the third strike, the batsman tore off for first. The catcher then picked up the wrong ball and threw it to first, getting there ahead of the runner. The umpire called the runner out anyway.

Discovering his mistake, the catcher picked up the right ball and fired it to first, too, but too late to catch the batsman.

But the umpire's decision stuck. The man was out.

RUBE NOW MAIL CARRIER

Rube Naranjo, the player San Antonio sold to Dallas but who now a mail man. He carries the never reported to the Rebels, is now a mail man. He carries the mail in Santone. Rube's been put on baseball's suspended list.

BUCS GET CHANDLER

Jinx Tucker, sports editor of the Waco Times-Herald and News-Tribune, has been told that Tom Chandler of the Baylor baseball team has been—or will be—signed by the Pittsburgh Pirates.

Chandler is to report after the Southwest conference season ends. He is to be farmed out to catch for some Buc affiliate. Tom still has one year of eligibility left. But had it not been for the war, his college career would have ended long ago. And he wouldn't stand much of a chance in the majors if he waits too long.

NO MONKEY BUSINESS

It's apparent that Gus Mancuso, pilot of the San Antonio Missions, isn't going to put up with any monkey business.

When Bill Scott, who was supposed to become a mainstay of the Mission pitching staff, was knocked out of the box twice within three days, it got to be too much for him. He'd done some fine chunking in other games.

But Scott probably figured he was through. When the team went north, he wasn't on the train. So Mancuso fined him a hundred bucks and suspended the hurler indefinitely.

And all this, too, when Gus is desperately in need of some good pitchers.

BARRON IS WINNER

NEW ROCHELLE, May, 11. (AP)—Herman Barron, a dark, stocky professional who plies his trade at the nearby Fenway Country club at White Plains, N. Y., was $2,000 to the good today after having administered a sound, honest beating to 15 other pros in the Goodall round robin tournament

TEXAN KOS MACE

NEW ORLEANS, May 11 (AP)—Burt Linam, classy Austin, Tex., welterweight, kayoed Carey Mace of Hartford, Conn., in the second round of their scheduled 10-round bout here last night. The knockout came at 1:28 after Linam had battered Mace against the ropes. Linam weighed 145¾, Mace 146¾.

Dallas Liquor Store Owner Is Jailed After Tavern Shooting

DALLAS, May 11 (AP)—Marshall F. Morris, whose pardon from a conviction of slapping a Palestine nurse brought state-wide controversy, was placed in jail here today after his "best friend" was shot to death in a Dallas county tavern last night.

Killed was A. W. Smalley, 26, of Dallas, employed by Morris, who runs a liquor store.

Conflicting Accounts

Accounts of the shooting conflicted.

Morris told reporters that the gun accidentally discharged. The tavern owner told officers that Smalley was killed when Morris playfully said he was going to shoot off Smalley's hat.

Morris was given a one-year term on conviction of assault for slapping Miss Jimmie Gantt, a nurse. He was pardoned by Coke Stevenson, then governor. Stevenson attempted to revoke the pardon after a delegation of Palestine citizens called on him to protest.

Morris contended Stevenson had no power to revoke the pardon and after nearly two years in the courts, the state supreme court ruled, in effect, that the pardon was valid. Morris was a Palestine resident at the time the slapping took place. Later he moved to Waco and then Dallas.

The Marshall Morris held here identified himself to Dallas county Chief Deputy Bryan Peck as the man in the Palestine case.

Morris today told reporters that Smalley had borrowed a pistol as protection against holdups and had it at the tavern bar. Morris said both he and Smalley were looking at the gun, that Morris picked up the gun and it accidentally discharged.

Owner Tells Story

Lieutenant Howard Miller said the tavern proprietor J. C. Mills, told him this story:

He had refused to serve Morris and Smalley any more beer and both had cheerfully accepted the refusal.

After a time, Morris pulled a German-made automatic pistol from his shirt front, pointed it at Smalley and said, "I'm going to shoot your hat off."

Morris aimed the gun at the hat and fired one shot. Smalley dropped to the floor with a bullet hole his right eye.

The tavern owner said that Morris became remorseful and told bystanders that "I have shot my best friend."

Wife, Man Are Shot By Angry Husband

HOUSTON, May 11 (U.P.)—A 37-year-old cafe owner emptied a pistol through a tourist cabin window last night, critically wounding his 39-year-old estranged wife and shooting a civil engineer from San Diego, Calif.

Joseph A. Spracio was in city jail on two charges of assault to murder and one case of carrying a pistol.

His wife was in critical condition in St. Joseph's infirmary with bullet wounds in the abdomen and a wound in the left thigh.

Putnam Rand Warwick, 35-year-old engineer, suffered a wound in the left shoulder. His condition was not serious.

Spracio told police a man who fled after leaping through a screened window of the cabin "broke up my home."

Services For Infant Set This Afternoon

Graveside services for Morgan Wayne McHam, infant son of Mr. and Mrs. R. L. McHam, jr., of Hale Center will be held this afternoon at 3:30 o'clock in Crosbyton cemetery, Rix Funeral home reported this morning.

The baby, which weighed 2 pounds 11 ounces, died at 9:50 hospital, 35 hours after birth. Its death followed only 30 hours after the death of a twin sister, Margaret, who died about 4 p. m. Sunday, and was buried Monday afternoon in Crosbyton cemetery.

Survivors include the father and mother, a sister, Leona McHam; paternal grandparents, Mr. and Mrs. R. L. McHam, sr., of Ralls; maternal grandparent, Mrs. Opal Crabb of 2801 Ave B.

Rites Indefinite For H. G. Harris

Harvey Gibson Harris, 70, of 702 Ave. R, died at 11:40 p. m. Monday in West Texas hospital. Mr. Harris had been a Lubbock resident for the past 15 years. His wife died in 1944.

He is survived by a daughter, Mrs. H. P. Pricer of Slaton; four sons, J. P., J. A., J. M. and Paul Harris of Lubbock; a brother, Ed Harris of Mt. Calm, 10 grandchildren and 5 great-grandchildren.

The body is at Bryan McDonald & Son funeral home.

Funeral arrangements have not been made.

General Motors Cuts Appliance Prices

DETROIT, May 11.—General Motors announced today that a reduction of 6 per cent in the prices of household appliances and small electric motors used in such equipment became effective Monday.

Included in items affected by this price reduction are such small electric motors manufactured by Packard Electric division, Warren, Ohio, Delco Appliance division, Rochester, N. Y., and Delco Products division, Dayton, and electric refrigerators, electric ranges, automatic washing machines, electric ironers, electric clothes dryers and electric water heaters, produced and sold by the Frigidaire division, Dayton, Ohio.

AMBASSADOR NAMED

WASHINGTON, May 11. (AP)—President Truman today nominated George P. Shaw of California to be ambassador to Nicaragua.

Daily Markets

Stock Market

RECOVERY EXTENDED

NEW YORK, May 11 (AP) — The stock market today reached an average high since last July on stepped-up activity but profit cashing restrained many leaders.

The late recovery of Monday was extended in the forenoon following the calling off of the threatened railway walkout. Reports that Russia had agreed to discuss differences with the United States had bullish aspects although intimidating armament issues such as aircrafts.

Trends turned irregular by midday. Steels came to the fore in the final hour as C.I.O., Chief Murray reaffirmed his union's intention of adhering to its "no-strike" contracts in the steel industry.

Prices improved toward the last. While losers were plentiful at the close, gains of fractions to a point or more predominated.

Dealings were lively from the start and the turnover of about 1,700,000 shares was one of the best since April 23.

On the losing end the greater part of the time were Boeing, Douglas Aircraft, Glenn Martin, Lockheed, United Aircraft, Northern Pacific (reflecting a March net loss), Anaconda, Kennecott, Sinclair Oil, and Gulf Oil.

Peaks for 1948 were touched by Rock Island preferred (on a pleasing dividend), Southern Pacific, Standard Oil (Ohio) (on an earanings jump) and Radio Corp.

Cotton Market

NEW YORK REPORT

NEW YORK, May 11 (AP) — Cotton futures turned lower today, following early gains into new seasonal high ground. Considerable commission house and New Orleans profit taking was encouraged by the earlier advance and traders were inclined to attribute the sell-off to technical reasons.

Some attention was also attracted to Washington trade reports which indicated that ECA will control the export movement of cotton to the extent that domestic mills are assured of adequate supplies.

Nearby May was under moderate liquidating pressure, although it was believed that most of the 78 additional May transferable notices issued today were stopped by leading spot firms.

Futures closed 25 to 60 cents a bale lower than the previous close.

	Open	High	Low	Close
May	37.92	38.05	37.65	37.83
July	37.20	37.32	36.89	370.7-12
Oct.	33.86	33.98	33.60	33.76

Grain Market

CHICAGO REPORT

CHICAGO, May 11 (AP) — Corn and oat prices advanced on the board of trade today, but rallies in wheat were not sustained.

A closing rally in wheat brought prices up and the bread grain finished unchanged to ½ cent higher than the previous close, May $2.43¾-44. Corn was 1⅞ to 4½ cents higher, May $2.25⅝-26. Oats were 1⅛ to 2⅛ higher, May $1.15¾-¼. Soybeans were 2½ to 5 cents higher, May $3.93.

FORT WORTH REPORT

FORT WORTH, May 11 (AP) — Wheat No. 1 hard 2.51¾-56¼.
Oats No. 2 white 1.37¾-40½.
Corn No. 2 white 2.79¾-81¼.
Sorghums No. 2 yellow milo per 100 lbs. 3.93-98.

Livestock

KANSAS CITY REPORT

KANSAS CITY, May 11 (AP) — (USDA)—Cattle 2,500; calves salable and total 300; active, slaughter steers and heifers steady to strong with yesterdays full upturn; other classes mostly steady, 3½ loads fed steers 32.00 the top; 2 loads 1382 lb. Kansas fed included at the price; bulk good and low choice fed steers 29.00-31.50; medium to low good short feds 26.00-28.75; scattered sales good to low choice heifers and mixed yearlings 28.50-31.00; good cows scarce, odd head to 23.50; common and medium grade 18.50-22.00; canners and cutters largely 12.50-17.50.

Hogs 2,500; active, 50-1.00 higher on weights 280 lb. and down; heavier weights and sows steady to 25 higher; top 22.00 to both packers and shippers; bulk good and choice 180-230 lb. 21.50-22.00; 240-260 lb. 19.75-21.25; 270-290 lb. 17.00-18.75; 300-375 lb. 16.25-50; sows mostly 13.00-14.00; few light weights to 14.25; stags 14.00 and down.

Sheep 1000 active, killing classes fully steady; good and choice native spring lambs 28.50; good and choice 106 lb. clipped lambs with No. 1 skins 27.50; medium and good shipments with No. 1 and No. 2 skins 24.50-25.00; load lots good and choice shorn ewes 12.00.

FORT WORTH REPORT

FORT WORTH, May 11 (AP) — Cattle 1,200; calves 400; receipts light; market strong to unevenly higher; medium to good slaughter steers, yearlings and heifers 23.00-29.00; plain butcher grades 17.00-23.00; butcher and beef cows 18.00-23.00; canner and cutter cows at 12.00-18.00; bulls 16.00-23.00; good and choice fat calves 25.00-29.00; common to medium calves 18.00-25.00; culls 15.00-18.00; stocker and feeder calves, yearlings and steers 18.00-27.00; few steer calves and yearlings to 28.00; stocker cows 15.00-18.50.

Hogs 700; butchers and sows steady to mostly 50c above Monday's average; stocker pigs unchanged; top 23.00; good and choice 180-265 lb. butchers 22.50 to mostly 23.00; good and choice 275-375 lb. 18.50-22.50; good and choice 150-175 lb. 20.00-22.75; sows 15.50-16.50; good 80-150 lb. stocker pigs 16.00-19.00.

Sheep 6,000; good shorn lambs 50c-1.00 higher; other killing sheep steady; feeder lambs strong to 1.00 higher; few good and choice spring lambs 26.00-27.00; common and medium spring lambs 17.00-25.00; culls downward to 12.00; medium and good shorn lambs 21.00-25.00; including 100-lb. lambs with No. 1 pelts at the top; common clipped lambs 16.00-18.00; medium and good shorn slaughter ewes 11.00-13.00; few aged wethers to 13.50; cull and common shorn slaughter ewes 7.50-10.00; shorn feeder lambs 16.00-20.00.

Produce

CATTLE: Weak to 75 cents lower; top $32.50.

Enough gasoline and oil to meet the nation's total demand for 1500 years can be manufactured from only a quarter of our known coal reserves, according to recent scientific estimates.

Congratulations To

Mr. and Mrs. Wayne L. Owens, of 1619 Ave. H, on birth of a girl weighing 6 pounds 8 ounces, at 12 p. m. Monday, in St. Mary's hospital. The father is a service station operator.

Mr. and Mrs. W. C. Emery, of 1704 Ave. E, on birth of a son weighing 7 pounds 10 ounces, at 1:15 p. m. Monday, in Porter-Bistrand clinic. The father is an employe of Miller and Miller Truck lines.

Mr and Mrs. H. G. Winningham, of Lubbock route 2, on birth of a boy weighing 8 pounds 13 ounces, at 7:20 p. m. Monday, in Lubbock Memorial hospital.

Mr. and Mrs. W. H. DeSpain of 3208 Twenty-fourth on birth of a daughter weighing 8 pounds 11½ ounces at 11:37 a. m. Monday in West Texas hospital. The father is an auditor for Sears Roebuck and company.

Peace Talks

(Continued From Page One)

United States policy toward Russia.

Their support and determination will not be weakened by the approaching presidential political campaign, Smith said he told Molotov.

And he added that even if an economic crisis—which Soviet propaganda has pictured as inevitable—should occur in the United States it "would not affect in any way our basic productive capacity, nor our concept of the basic factors underlying our foreign policy."

Smith said American concern over Russia's actions has been intensified by the "inexplicable hostility" of the Soviet government to the Marshall plan of economic aid to non-Communist Europe.

Will Not Be Swayed

He stressed once again this country's determination not to be swayed from carrying out the multi-billion dollar recovery program.

Bluntly, the ambassador put the full blame for the current state of world tension on what he called Russia's aggressive actions in eastern Europe and Communist efforts to grab control of countries elsewhere.

At the same time Smith reassured Molotov that "the United States has no hostile or aggressive designs whatever with respect to the Soviet union."

He added that if Communist minorities were to halt their attempts to seize power in non-Communist lands "some of the manifestations of United States foreign policy which apparently are unwelcome in Moscow" would halt with them. He concluded:

Ready To Cooperate

"My government earnestly hopes that the members of the Soviet government will not take lightly the position of the U. S. government as here expressed. They have it in their power to alleviate many of the situations which today weigh so heavily on all international life.

"It is our earnest hope that they will take advantage of these possibilities: If they do, they will not find us lacking in readiness and eagerness to make our own contribution to a stabilization of world conditions entirely compatible with the security of the Soviet peoples."

American officials, while cautious, noted that with Molotov's reply, both of the major postwar antagonists now are on record as willing to open talks looking to a settlement of outstanding differences.

Almost Every Basic Issue

These range over almost every basic issue that has arisen since V-E day—peace terms for Germany and Austria, the Marshall plan, the scope of the United Nations, American efforts to bolster Greece and Turkey, and the future of Korea.

Part of the official caution here stemmed from the Kremlin's delay in delivering the text of Molotov's note, which was summarized on the Moscow radio before it reached the State department.

The summary said Russia now has a "positive attitude" toward improving Soviet-American relations, and is "extremely interested in the development of post-war international economic cooperation."

But Moscow (A) denied any interference in the affairs of eastern European countries, (B) said Russia will continue signing mutual aid pacts with her neighbors, (C) charged the United States once again with "interference" in Greece and elsewhere, and (D) asserted the Soviets object to the Marshall plan only because, as Moscow put it, it fails to respect the national rights of the countries getting American aid.

Dixie Demos

(Continued From Page One)

lect as delegates to the Philadelphia convention on July 12 and elect as presidential electors only those individuals who are in accord with the states' rights cause.

The conference "recessed" yesterday instead of adjourning. It resolved to appoint a permanent campaign committee to spread the ideas of the conference.

One state, Georgia, which was among the 11 represented at the conference, declined to participate.

IN CAPSULE FORM

News Briefs

Dr. Edward M. Whitacre and Dr. R. Z. Abell of Lubbock attended a quarterly business session of district one of the Texas Osteopathic association and auxiliary Sunday at the Herring hotel in Amarillo.

Officials at Lubbock Memorial hospital indicated this morning that Mrs. W. S. Moss, 45, of 1725 Twenty-third, will probably be dismissed from the hospital sometime today. Mrs. Moss suffered complete loss of her scalp Wednesday, April 28, when her hair caught in an irrigation motor at the Moss Farm. She plans to go to Mayo Brothers clinic in Rochester, Minn., for skin grafting and plastic surgery treatment.

Two speakers, one from Guatemala and the other liteutenant-governor of district 7 of Optimists International, made talks at the luncheon program of the Optimist club at Hotel Lubbock today noon. Miss Louise Ohlenbusch, a former Texas Tech student, spoke briefly on Guatemala and her experiences there. Ben Ritchey of Abilene, the Optimist official, told of the work of the Boys' ranch near Abilene. Marvin Pruitt was introduced as a new member.

The 469th composite group and the Reserve Officers' association will meet at 8 o'clock Thursday night in the Texas Tech engineers auditorium to hear Lt. Col. L. C. Adams and a staff of ROTC instructors present a discussion and demonstration on signal communications and equipment and on infantry weapons. All reserve personnel are urged to attend the demonstration, officials announced.

A large frame residence in the Berry addition, near intersection of Thirty-fourth and an extension of East Ave. E, burned to the ground early today, city firemen said. An alarm was answered at 1:35 o'clock. The place was vacant, tenants having moved the day before, firemen were informed. An alarm was answered about 10:30 a. m. today, when someone, seeing the vapor cast by a city insecticide truck, apparently believed the vehicle was afire.

Military Plan

(Continued From Page One)

ed to build up a 70-group Air Force.

No dissent was heard to the voice vote.

The compromise was drafted yesterday by a Senate-House committee after the two branches of Congress had passed different bills.

Only Senate approval is needed now to send the measure to President Truman.

Passed Overwhelmingly

It earmarks $822,000,000 to start building a 70-group air fleet of jet fighters and long range bombers. That fund is part of more than $3,000,000,000 the bill provides for the armed forces, mainly for contract authority to let the Air Force and the Navy's air arm order planes for later delivery.

Both the Senate and the House passed the bill by overwhelming votes, despite the administration's original program for only 55 groups and its later offer to compromise on 66 groups.

Both branches of Congress voted $822,000,000 for 70 groups. The conference committee had only minor differences to settle on other aspects of the bill.

Mrs. C. W. Willis, Ropesville, Claimed

ROPESVILLE, May 11. (Special)—Mrs. C. W. Willis, 71, a resident of Ropesville for the past eight years, died at 10:20 a. m. today in Lubbock Memorial hospital following an extended illness.

Funeral services will be held at the Methodist church here Wednesday afternoon at 3 p. m., with Rev. C. C. Hardeway, Rev. B. W. Allen and Rev. Lloyd Mayhew officiating. Burial will be in Ropesville cemetery, with Rix Funeral home in charge of arrangements.

Survivors include her husband, five daughters, Mrs. N. S. Lane of Haskell, Mrs. E. M. Meeks of Mineral Wells, Mrs. Edna Ballard of Rogers, Ark., Mrs. Cozell Amburn of Aztec, N. M., and Mrs. Fannie Malicoat of Hobbs, N. M.; three sons, W. E. and R. E. Walling and J. N. Willis of Ropesville; two brothers, W. D. Thorp and G. W. Thorp of Lamesa; two sisters, Mrs. E. H. Floyd of Afton and Mrs. J. E. McClure of Lamesa, 26 grandchildren and 10 great-grandchildren.

Schepps Tells Lions That Lubbock Hubbers Will Hit Winning Stride After Slow Start

Assurances that the Lubbock Hubbers will have his continuing support, and that "for the next month at least" he will do little else but try to be of assistance to the club owners, were expressed at the Lions club luncheon today at the Hilton hotel by George Schepps, former owner of the Dallas Rebels in the Texas league.

Schepps, who recently sold the Dallas club, with which Lubbock has a working agreement, believes that the Lubbock club, made up almost entirely of young ball players "who are going some place," is now getting into a winning stride after a slow start.

Patience Urged

Like Larry Larsen, business manager of the club, who earlier had pointed up the youth of the club's players, Schepps urged patience on the part of fans, believing that a tough and impatient fan is the worst hindrance to a young ball player.

Larsen, introducing Schepps, had said that youth was the outstanding feature of the club, and that eagerness sometimes causes errors. He cited the addition of Don Moore as catcher as a move that has settled the young pitchers who are now beginning to win ball games.

Introduced also were Mrs. Sam Rosenthal, club owner, and Hal Rosenthal of St. Louis, brother of the late Sam Rosenthal. Program was in charge of Cy Karkalitts.

Club vice President Elmer East presided in the absence of J. Wm. Davis, who with several members were at Amarillo for the district convention. He announced that the club's annual children's night, which actually, he said, is to be family night, is to be held at Mackenzie park Tuesday night, May 25. The meeting will displace the regular noon luncheon that day. The program will include free rides for Lions and their families at the playground, and a picnic lunch.

R. S. Roberson was introduced as a new member. Visiting Lions included Lewis E. Walker of Spur. Invocation was by Judge Geo. R. Bean.

Reforms Sought By South Texas Group

SAN ANTONIO, May 11. (AP)—Redistricting of the state, establishment of a research laboratory o the foot and mouth disease, legislation returning tidelands to the state, and to help advertise the southwest were objectives outlined today by the South Texas Chamber of Commerce meeting here today.

L. H. Gross of Corpus Christi, presided at the 21st annual meeting today.

Other objectives outlined by Gross included opposition to a large federal civic payroll and any new taxes on natural resources.

Opposition to federal subsidies and gratuities, particularly to agriculture.

Advocacy of a reduction in federal estate taxes and to abolish double taxation on corporation dividends.

In outlining the objectives of the chamber, Gross said a major campaign would be waged through newspapers and radio in support of legislation setting up a commission to redictrict the state if the legislature failed to do so.

Fifty five counties are represented by the South Texas chamber, he said.

Student Awards

(Continued From Page One)

president of the junior class and leading Westerner cage star, was announced as junior class favorite, and Jim Wilson, grid and cage star and sophomore class president, was designated sophomore class favorite.

Well-received by the student audience this morning was the announcement of the dedication of "The Westerner," high school yearbook, to Miss Grace Padley, dean of girls. This selection was made by the editor and assistant editors of the yearbook through a secret vote taken earlier in the year.

18 Students Win Honors

Eighteen students were announced as winning honors in the Who's Who section of the yearbook. Senior Who's Who: Jo Simmons, Claudyne Young, Charlene Laws, Bruce Brown, Dan Davis, Jack Alderson, J. A. White and Bert Nelson.

Junior Who's Who: Frank Poyner, Jeannine Mullens, Francyne Cox, Kara Sam Dunn, Nancy Davis and Edda Lynne Cox.

Sophomore Who's Who: Milton West, Rossie Stiles, J. C. Chambers and Margaret Barrier.

Dan Davis and Charlene Laws, in addition to being selected for the Westerner Who's Who section also were named to receive the annual American Legion citizenship awards.

Billy Wilson received the outstanding boy in physical education award, with the accompanying honor for girls going to Zelmarie Kennedy.

Special recognition was also given to cheerleaders "Bo" Harvey and Maxine Boyd.

Students selected as tops in the various departmental fields are as follows:

BOYS DEBATE, J. A. White and Dan Davis. GIRLS DEBATE, Betty Margaret Smiley and La Vonne Weaver. MATHEMATICS, James Craig and Parker Stuart. SCIENCE, John Pinson and Bruce Brown. SOCIAL STUDIES, Carolyn Bledsoe and Jack Alderson. INDUSTRIAL ARTS, Don Medlock and Elvis Thornton. DRAMATICS, Bert Nelson, Jo Simmons, Aletha McCasland and Nancy Davis. EXTEMPORANEOUS SPEECH, Wanda B. Smith and Fred Stanley. ESSAY, Donna Woolman. AGRICULTURE, Billy Brasell. DECLAIMERS, Billie Bartley and Jimmy Gott. BAND, J. A. White and Kenneth Cox. ORCHESTRA, Patsy Gibbs and Anne Adams. CHORUS, Dorothy Paul and Robert Leonard. LATIN, Claudyne Young, Charlyne Smith and Coleen Baldwin. SPANISH, Donald Smiley, who won the Cervantes essay medal, Zula Taylor, Sue Burks and Margaret Ann Garlin. STUDENT COUNCIL, Dan Davis, Charlene Laws, Kara Sam Dunn and Bert Nelson. TYPING, Shelley Purr, Coleen Baldwin and Carolyn Lipshy.

SHORTHAND, Peggy Terrell, Louise Rogers and Carolyn Lipshy. HOMEMAKING, Janie Dale and Ruth Housour. ENGLISH, Peggy Terrell and Jack Alderson. ART, Jack Crandall. NUMBER SENSE, Jack Alderson and Coleen Baldwin. SHOP, Jerry Sisler. SPELLING, Janie Dale and Jack King. DISTRIBUTIVE EDUCATION, Kenneth Pierce. SIDNEY LANIER award, Jack King. SHAKESPEARE award, Jeanne Moss. SLIDE RULE, Emmett Adair and Jerry Nislar.

WESTERNER, student newspaper, awards went to John R. Duncan, Claudyne Young and John Norcross. WESTERNER WORLD, student yearbook, awards were given Dan Davis, Bruce Brown and Marlin R. Smith.

In the athletic field, track letters are being awarded Jack Alderson, Alfred Adair, W. J. Blake, John Crawford, Charles Curry, Sam Davis, Donald Decker, Norman Dean, Porter Foster, Earl Hutcherson, Richard Johnson, Jim Johnson, Clayton Ross, Ed Strickland, Parker Stuart, Dick Schmidt, James Vernon, Charles Williams, and Malcolm Young.

Junior boys' tennis, Billy Steely, Davis Hopper, George Sewell, James Burgess, Jack McCabe and Bo English.

Juniors girls' tennis, Marjorie Smith and Marjorie Cone.

Golf, Ross Mitchell, Billy Tatum, Edward Bean, George Canon, Jack Whitehead and Clyde Mitchell.

Boys' volleyball, Garnett Reeves, Bass Alvis, Blair Hankins, Bob Rooker, Richard Herchenroeder, James Wilson, George Carpenter.

Girls' volleyball, Joyce Worrell, Lamana Brock, Donna Hall, Delores Ketcherald, Trilby Nickey and Grace Perry.

The intramural basketball championship plaque sponsored by the Westerner World was awarded to Room 186. Buddy Hardwick, room president, accepted the plaque from Marlin R. Smith, sports editor. The plaque is an annual award, which passes each year to the room with the champion aggregation.

New Wealth Said Due To Wheat Research

MANHATTAN, Kan., May 6 (U.P.)—Dr. H. H. Laude, chairman of a nine-state committee for research on hard winter wheat in the Great Plains area, estimates conservatively that there has been a $25,000,000 increase in wealth from wheat because of research in the last 15 years.

Laude, professor of agronomy at Kansas State College, heads a committee of researchers in Texas, Oklahoma, Colorado, Nebraska, Wyoming, South Dakota, Minnesota, Montana and Kansas.

Laude said that, through the research work, 10 new varieties of wheat had been introduced in the last 15 years. Those varieties, planted on 12,000,000 acres, added 25,000,000 bushels to the annual yield.

F. E. Wilborn and others to Elton E. Wilborn, Lots 20 and 21 of block 23, Maddox Add, $300.

Railroads

(Continued From Page One)

then to fight back.

There were other question marks too.

President Truman had to seize the railroads to ward off the strike. The Army thus found itself in technical possession of the country's immense network of railroads.

How would it deal with the unions?

When could it turn the properties back to their owners without risking a new deadlock and an actual strike?

The 11-month-old dispute over wages and working rules is not settled. Presidential Assistant John R. Steelman had labored for days to persuade the railroad operators and the unions to come to an agreement.

But he failed and yesterday's seizure order was the result.

Secretary of the Army Royall planned to confer again some time today with the heads of the three unions: David B. Robertson of the locomotive firemen and enginemen. Alvanley Johnston of the locomotive engineers; and A. J. Glover of the switchmen's union.

Last night, after facing reporters and camermen at frequent intervals all through a dramatic and swift-changing day, the three union chiefs cooped themselves up in their hotel rooms and let a young assistant, Eddie Gloss, make the announcement the country was waiting to hear.

It was 10:20 p. m. when Gloss stepped out of an elevator into the lobby of the sedate Hamilton hotel and said simply to the waiting newsmen:

"The brotherhoods will comply with the court order. Steps to that effect are being taken immediately."

Russian Ships

(Continued From Page One)

picking up cargo at each.

"But instead of returning to the Black sea, as would be the normal steamship practice, the vessel is not to go through the Panama canal and call at several west coast ports before sailing across the Pacific to Vladivostok, a total of 16,000 miles.

"Such an operation raises the suspicion that the vessels serve chiefly as training ships for naval and merchant marine personnel who are thus given an opportunity to acquaint themselves with the oceans and ports of the world."

PAPER IS SOLD

BOGALUSA, La., May 11. (AP)—John Harrah, publisher, announced the sale today of the Bogalusa Daily News to a corporation headed by Halford Houser, former publisher of the Cape Cod Standard Times at Hyannis, Mass.

Entry List Rises To 224 Here For Soap Box Derby On July 5

The entry list in Lubbock's first Soap Box Derby, to be staged July 5, continued to climb today with Derby Director Roy Finley reporting a total of 224 entries. May 18 is the deadline for entries in the race.

Finley also reported the arrival of a shipment of 36 sets of wheels and axles and boys with entry numbers low on the list have been requested to come to Derby headquarters in the showroom of Kuykendall Chevrolet company to get their certificates so that the wheels may be secured from the Firestone store at 1112 Broadway.

Derby entrants are not calling for their booklets, "It's Easy to Build a Soap Box Racer," as fast as they should, Finley thinks. He said the booklets are here and available for all boys who have signed up for the big race to be staged under sponsorship of the Avalanche-Journal, Chevrolet and Lubbock Exchange club.

Racer On Display

A Soap Box racer is now on display in the Kuykendall showroom and boys wishing to inspect it may do so at any time during the day.

Finley announced nine additional sponsors signed by Exchange club members. The sponsors pay a $17.50 fee, which finances a boy's car in the race, and act as advisors to the youth in constructing his car.

New sponsors signed up included: William A. Wilbanks, real estate; Geo. W. Gray Lumber Co, Black Sivalls & Bryson, Inc.; Elliott Taylor, contractor; Lester's Jewelers, Jeff Graham Trucking Contractor, Midway Theatre, The Sanders company and Whiteside Linen Supply.

Additional Entries

Additional entries in the race are:

George C. Carter, 13, son of Mr. and Mrs. Geo. W. Carter, 2804 Twenty-eighth; Jack B. Richard, 13, son of Mr. and Mrs. R. H. Richard, 1507 Twenty-eighth; Jerry R. Whitmire, 11, son of Mr and Mrs. J. [illegible] Twenty-ninth; Cecil W. Couch, 13, son of Mr. and Mrs. W. R. Couch, 508 Ave. N; Paul Ray Modawell, 14, son of J. H. Modawell, 3109 Francis; Joe T. Garrison, 12, son of Mr. and Mrs. T. Garrison, 2617 First; Benzil D. Bl[illegible], son of Mr. and Mrs. S. W. Blair, star route, Lorenzo; Daniel F. Schuette, 11, son of Mr. and Mrs. R. J. Schuette, Posey; Robert H. Miller, 11, son of Mr. and Mrs. H. A. Miller, 2424 Twenty-sixth; Dale Wooley, 15, son of Mr. and Mrs. J. B. Wooley, 2602 North Third; Harold D. Wooley, 1?, son of Mr. and Mrs. J. B. Wooley, 2602 North Third; John Maurice Von Reeden, 14, 2005 Ave. R; and Joe D. Sparks, 14, son of Mr. and Mrs. J. M. Sparks, 2120 Seventh.

Revolt Plot

(Continued From Page One)

and defended, without a single deviation, the ruthless measures of foreign Communist parties to overthrow their legally constituted governments by force and violence. In other words, what the Chinese or Greek communists are doing today is what the American Communists plan to do tomorrow under similar circumstances.

"6. While the United States Supreme court has not yet made a judicial determination on the question, numerous lower federal courts have, with unusual consistency, handed down decisions which characterized the Communist party, U. S. A., as an advocate of overthrowing our government by force and violence."

Threat Is Obvious

The committee said the threat to national security by the "continued, almost unrestricted operation of such a movement within our own borders should be obvious to everyone.

It said countries already subjugated by Communists constitute "a bridgehead from which forcible and violent attacks can be launched against the United States either directly or in cooperation with the American Communists."

Pointing to the recent bloody uprising in Bogota, the committee said "we cannot continue to blind ourselves to the menace of our own Communists who form a greater proportion of our population than the Colombian Communists in the Colombian population."

It said the administration has failed to "appreciate and understand the potentialities of Communist agents within our nation."

The committee said it drafted the report to demonstrate "the urgent need for enforcement of existing laws." It said these provide 10-year prison sentences and $10,000 fines for persons advocating violent overthrow of the government and requires foreign-controlled organizations to register with the attorney general.

GAS TURBINE CAR

BIRMINGHAM, Eng., May 11. (AP)—The Rover Car company has built a gas turbine automobile but denies reports that the model will soon be ready for the market.

Texas Rains

(Continued From Page One)

4.93 and Corsicana 4.06.

Other heavy falls included: Bonham, where flood conditions prevailed yesterday, 7 inches; Gainesville 4.48; Sherman 4.18; Mt. Pleasant 3.97; Llano 3.43; Gonzales 3.89.

Dust over a wide area was settled by good rains in the San Angelo area. The fall at San Angelo was 1.7 inches. The North Concho river there was on a two-foot rise. Southwest and west of San Angelo the rain varied. The sheep raising Sonora country had up to 1.50 inches and the Big Lake fall was one inch. The Southwest Texas country generally had been drouth stricken for nearly three years.

Shortages Are Relieved

The Austin weather bureau reported two to three inches of rain over Travis and adjoining counties, definitely relieving moisture shortages for stockmen and farmers and promising to put needed water storage in Lake Travis.

Other readings were: Hereford .53; Vega .41; Amarillo .15; Abilene .79 and raining; Fort Worth 1.13; Lufkin .25; Texarkana 1.79; Tyler .10; Longview 1.80; Dublin .74 Eastland .53; Greenville 2.80; Henrietta 1.52; Luling 1.03; Waxahachie 1.20.

All sections except far West Texas, the Rio Grande valley and the coastal areas reported rain. Rain continued falling at noon in many sections.

Homes Are Flooded

In the Bonham area, cotton and corn plants were damaged by yesterday's all-day downpour. Bois D'Arc creek, just east of town, was half a mile wide in places. Highway and rail bridges were threatened for a time. Two creeks in the city limits overflowed into nearly a score of homes and flooded a number of streets and low areas.

A light rain fell at Bonham during the night, bringing the total rainfall for the past 24 hours to seven inches. A drizzle continued there today.

Yesterday's rain was heavy all along the Red river from northwest of Wichita Falls to Texarkana.

Crops Are Aided

Farmers and ranchers in the Wichita Falls area, where more than two inches fell, said the moisture was of benefit to their ranges and corn, oats and late wheat crops. Tanks and lakes were filled.

Some damage was feared for the cotton crop in the Greenville area. More than two inches fell at Greenville within two hours from the electric and thunder storms. Floyd Roberts, 37, dairy employe at Paris, was killed by lightning as he was driving in a herd of cattle.

Temperatures Drop

A drop in temperature accompanied the rain. This morning's low readings ranged from 41 at Pampa to 78 at Brownsville and Laredo. Crystal City in the valley was the hottest place yesterday with 99 degrees.

More Thundershowers were forecast for the east and south portions of East Texas. Cloudy skies were in store for the rest of the state.

Youth Held

(Continued From Page One)

Entrance was gained through a bathroom window, police said.

Police were holding a 39-year-old man for the FBI in connection with an alleged Dyer act violation. He was arrested by M. C. McCurry, a police patrolman.

Dr. Allen T. Stewart, a Lubbock physician, had his medical and instrument bag back—minus narcotics and barbiturates that the thief appropriated when he took the bag from the physician's car Saturday night.

The bag was found Monday near the "Five Points" intersection on the Brownfield road, on railroad right of way. A railroad worker, Shelby Evans, found it and reported to a Ropesville telephone worker who telephoned Dr. Stewart.

Farm Talk

(Continued From Page One)

farm products, a so-called "modernization" of the parity formula for determining "fair" prices for farm products, subsidies to boost consumption at home and abroad when surpluses arise and greater governmental aid to rural areas for education, health and recreation.

Price supports on many farm products expire and support levels on others end January 1 unless extended by Congress.

Capper said it is his impression tht Congress will continue the price support program. He said both the Senate and House agriculture committees are working on general farm bills and these may be ready this week.

Soviets Plan To Recognize New Jewish Nation, Reports Claim

BY LARRY HAUCK
Associated Press Staff Writer

LAKE SUCCESS, May 11 — A high ranking United Nations delegate said today that Russia and her satellites plan to recognize the new Jewish nation in Palestine.

The delegate told the Associated Press that it is not certain yet whether such diplomatic recognition will be extended immediately upon proclamation of an independent country by the Zionists. He said the decision would be timed with developments and that some Latin-American republics would join in the move.

Expected Friday

The Zionists have announced they will proclaim a new nation in their section of the Holy Land under the United Nations partition decision. The move is expected simultaneously with a British announcement of the end of the old League of Nations mandate at midnight Friday.

The delegate, who represents an eastern European country, said that regardless of any delay in full recognition the Soviet bloc immediately will grant belligerent rights to the Jewish nation.

This would give Zionist troops the rights of war. Weapons could be legally shipped into the country. Jewish land, sea and air forces would be recognized in international law.

Guatemala and Uruguay, strong supporters of partition, are believed here to be the most likely of the Latin-American group to accord recognition.

Under U. N. Terms

The Zionists are creating their country under terms of the U. N. assembly's 1947 decision to split Palestine into independent Jewish and Arab states. The Arabs, bitter foes of the partition scheme, have indicated they may declare one independent country covering all of Palestine.

The current special session of the assembly has been meeting nearly a month without affirming or reversing the partition decision. The delegates were called together at the insistence of the United States to reconsider the Holy Land problem.

Jorge Garcia Granados of Guatemala told a 12-nation sub-committee yesterday that the best answer would be to go back to partition. The United States said it is still interested in an interim trusteeship.

With four days left before Palestine loses its formal govern- ment, the [illegible] formal proposal on the table. The dozen delegates in the sub-committee are debating a vague plan for a six-man emergency shadow regime.

The six-man temporary control commission would have no police powers or means of enforcing rulings. Arab and Jewish cooperation would be necessary.

The United States opposes the control commission plan on the grounds that it has no legal basis.

The final paragraph of this proposal said the next regular session of the assembly in Paris this fall should take up the question of peace in Palestine.

A And M Will Build Big Student Center

COLLEGE STATION, May 11. —Bids for a proposed million dollar memorial student center building will be received at the July 16-17 meeting of the Texas A. and M. college board of directors meeting.

The directors yesterday called for bids on the proposed center.

In other action, the directors allocated $143,000 for improvements on the main campus and $40,000 for rehabilitation of the annex at Bryan field. They also approved the salary section of the $25,183,-111.95 proposed annual budget for the entire A. and M. system during the next fiscal year.

New haberdashery for MEN... located off the Hilton Hotel Lobby

In "Making Medicine" with the Hilton Hotel for space where we might locate a convenient Men's Accessory Shop, we thought how nice it would be to go along with the Hotel's Indian Motif . . . the Indian Rooms, the Aztec room, Chimayo room, Yaqui and Navajo rooms . . . and of course, the Wall Murals of the Coffee Shop. Now we give you the "MEN'S WIGWAM" located on the East entrance of the lobby, where we will feature shirts, socks, ties, underwear, hats, belts, handkerchiefs and other small haberdashery items . . . we believe a large number of men will find this a convenient shopping place for their accessory needs . . . we invite you to visit us and we hope you approve of our "MEN'S WIGWAM."

Million-Dollar Fund Is Willed To University By Bachelor, 79

ANN ARBOR, Mich., May 11 (AP)—University of Michigan students—present and future—are the recipients of more than $1,000,000 left them by a modest 79-year-old bachelor.

They haven't seen him strolling around the campus for 11 years. Most of them knew only that his name was Mr. Smith and that he lived in a small room in the Michigan union, center of campus activities.

Cash, Securities

The donor was C. C. Smith, once a prominent Detroit attorney, who died March 4, leaving more than $1,000,000 in cash and securities.

University President Alexander Ruthven and the Ann Arbor Trust Co. were named co-administrators of the estate under terms of the will revealed yesterday.

Smith specified that his fortune be used by the Michigan board of regents to establish a fund—without name—"for gifts, loans, scholarships and rewards of merit for University of Michigan students."

He suggested that deserving students should not be chosen by examinations, but should be picked after private inquiry and close observation.

The wealthy attorney arranged to move into his campus room in 1937, saying he was tired of living in the "big city" and wished to spend his later years among students at the school from which he graduated in 1896.

BUILT TO ENDURE

LARAMIE, Wyo. (UP)—All the buildings in a $2,000,000 downtown Laramie fire were destroyed, except for one 78-year-old structure. The wind-whipped flames razed newer structures, but the red brick, two-storied landmark wasn't even singed.

U.S.-Italian Treaty Is Set

WASHINGTON, May 11 (AP) — The United States and Italy have negotiated a precedent-setting treaty guaranteeing a free exchange of information between the two nations.

The pact, first general commercial treaty to be worked out between this country and a European nation since 1934, is before a Senate foreign relations subcommittee. It must be ratified by the Senate before becoming effective.

Designed to provide a basis for cultural, business and trade relations between the two countries, the treaty specifies that both Italian and American citizens, corporations or associations will have the right to gather and publish information in either country.

It would bind the United States and Italy to observe the principles of press freedom and free exchange of information.

Chairman Elbert Thomas (D-Utah) of the Senate subcommittee hailed this provision as "a remarkable victory."

During the group's hearings on the pact, assistant Secretary of State Willard Thorpe said it offers "a minimum standard of treatment which we hope may be included in many bilateral treaties hereafter." He said it should provide "worthwhile protection for American nationals engaged in information activities."

Maureen O'Hara Is Puzzled By Jewels

HOLLYWOOD, May 11 (INS)—Screen star Maureen O'Hara is puzzled today about the man who left her holding the bag, literally, —with $5,000 worth of jewelry that may be "hot."

Miss O'Hara was giving a hand to the two sales girls in her San Fernando valley dress shop Saturday when a man walked in, trying to sell her some antique jewelry.

She declined to buy, while he hung around, plying his sales talk, the star became busy with her own customers and didn't notice until after the would-be salesman had gone that he left the bag.

She called detectives, who had turned up no clues late today.

Movie Bit Player Denies His Confession Of Theft Of $30,000 From Denver Store

LOS ANGELES, May 11 (INS)—Douglas Aylesworth, movie bit part player accused of being a key participant in a $30,000 Denver department store theft, today repudiated the confession police attributed to him.

Aylesworth, whose last role was that of a police commissioner's secretary in "G-Men Never Forget," was hazy on his experiences in Denver, but, he declared, "I do know I didn't make that "confession" they say I did."

Theft Described

The 40-year-old actor is alleged to have obtained $26,000 in checks and $4000 in cash from the Daniel and Fisher department store last month by posing as an armored car guard. He assertedly had a Denver tailor make him a guard's uniform so he could carry out the pose.

Three men named as confederates have been under arrest in Denver since April 20.

Aylesworth attributed his plight to "just a lost weekend in Denver." He said:

"I got high and from then on I don't remember much of what happened."

Started Drinking

The actor described his arrest as "the culmination of a lot of trouble that started when I came out of the Army." He said that both he and his wife had to undergo serious operations, after which he started drinking "and things got hazy."

Aylesworth was picked up at an actor's club, the Masquers, early Sunday. His wife was with him. Police said she knew nothing of his alleged crime activities.

The actor indicated he would waive extradition, saying he would go back to Denver "to see what the deal is.' '

Delegates To Legion Meet Are Selected

American Legion members at a business meeting last night at the Legion hall elected delegates to the 19th district convention to be held at Plainview May 22-23.

Included as delegates were A. C. Jackson, Jack Hall, Chester Hubbard, Jim Goodman, Fred Young, John Steele, H. J. Kendricks, Elmer Tarbox, J. R. Eagan, Arlo Farmer, H. D. Woods, J. Wheat, Wayne Groce, William Lancaster, Floyd Lebow, Dr. L. H. Cooper, and H. J. McCabe, commander and chairman of the delegation.

Entertainment was furnished by the barber shop quartet.

The next meeting of the group is scheduled for May 24, and a joint meeting with the auxiliary has been set May 31.

Australia now has a fuel black market.

STUDENTS FROM LUBBOCK, ISTANBUL—A student of Lubbock, Dick Siewert, left, of 2405 Tenth, works side by side with a student from Istanbul, Turkey, Isik Pinhas, in a textile engineering laboratory at Texas Technological college. Pinhas has a master of science degree in mechanical engineering from the University of Michigan and is studying at Texas Tech for a bachelor's degree in textile engineering. He tis one of 13 students from foreign countries attending Texas Tech. Many others have sought admission.—(State Photo.)

* * *

ENROLLMENT BEING LIMITED

Foreigners Asking Entrance At Tech

Mail to Texas Technological college has an international flavor, as result of inquiries from youths of Palestine and India and other foreign countries as well as from other states in the United States.

The long session enrollment of the current year is 6,689—representing the fall semester figure plus new students in the spring semester—and of that total 168 have registered from states other than Texas and 13 from foreign countries.

A boy from Turkey may work side by side with a boy whose home is in Lubbock, one from India or Africa or Mexico may sit beside one from Tahoka or Slaton or Hale Center.

Limitation In Effect

Considerably more persons from other states and foreign countries have inquired about enrollment in Texas Tech than have been able to attend. A non-resident requirement has been in effect the last two years, limiting enrollment of out-of-state and foreign students on a scholarship basis.

Because of large enrollment, that requirement was placed in effect so that home state students might be accommodated first.

Inquiries from other countries and other parts of the United States represent an indication both of the increasing interest in Texas Tech and of the crowded condition in United States colleges. Some youths inquire first at Texas Tech, some ask first at other colleges then write to Texas Tech.

Several From Palestine

One of the departments receiving numerous requests with foreign postmarks is the textile engineering department. At least a dozen requests have been received from Palestine in the last year, one has been received from Greece, one from a Chinese student who already is in the United States, and various requests from vicinity of Bombay in India, said L. E. Parsons, head professor of textile engineering. Several dozen have been received in the last year, he estimated.

Many requests also come from different parts of the United States, including New England states.

One of the reasons is that there are only 10 textile schools in the United States, and those schools are having difficulty accommodating all students wishing to study textile engineering.

"We have had an unusually large number of inquiries from New England states in the last

See TECH INQUIRIES Page 9

New Yoakum County Oil Test

Operations On Wildcat Start

Operations have started on a 7,500-foot wildcat to test into the lower Permian formations in Southwest Yoakum county, about six miles southwest of Plains.

The project is Fikes and Murchison No. 1 Ellwood Fouts. It is 660 feet from south and west lines of section 575, block D, John H. Gibson survey.

Drilling had reached 1,909 feet in anhydrite and shale, and was continuing. It is adjacent to the small West field, where there are a few producers from the San Andres-Permian lime at around 5,100 feet.

Waiting For Orders

Fikes and Murchison No. 17-C Elliott, on the northwest side of the Wasson 5100 field, and 1,312 feet from south and 1,070 feet from east lines of section 832, block D, John H. Gibson survey, was on a total depth of 7,500 feet, in dry lime, and was shutdown, waiting for orders. It had not developed any possibilities of production down to the current bottom.

Humble Oil & Refining company No. 1 J. G. Givan is to be a 7,500-foot prospector in northwest Terry county, two and one half miles southeast of the closest production in the Slaughter field.

It is 1,980 feet from south and east lines of section 13, block D-11, psl survey. Drilling is to start in the near future.

Will Run Casing

McAlester Fuel company No. 1 M. M. Fisher, north-central Andrews county wildcat, three and one half miles east of the Shafter Lake-Devonian field, was bottomed at 11,297 feet, in the Devonian, and was preparing to run casing and test the top 80 feet of that formation.

The project ran a three hour and five minute drillstem test at 11,248-297 feet. A 2,000-foot water blanket was used. There was a strong blow of air throughout the period.

Recovery was the water blanket; 630 feet of drilling mud and 5,580 feet of sulphur water. There were no appraciable shows of oil or gas.

A Schlumberger survey has been run and operator has ordered the casing run and cemtnted.

This project topped the Devonian at 11,020 feet, on an elevation of 3,163 feet. The sections between 11,015 feet and 11,105 feet, showed some oil on drillstem tests. The project encountered water below 11,105 feet.

Some interested observers think there is a fair possibility that some sort of an oil well can be developed from the section above the water.

This well is 660 feet from south

Section 2

Assault-Slayer Being Sought

CHICAGO, May 11. (INS)—Police today examined a flashlight and a screwdriver as clues in the criminal assault-slaying of a middle-aged Chicago housewife and an attempted attack on her daughter.

Slain was Mrs. Sophie Millard, 42, the wife of a retired waiter, Charles, 60.

Her daughter, Theresa, 18, a waitress, fought the assailant as he attempted to drag her from her bedroom and drove him off.

The flashlight and screwdriver were dropped on the floor of the girl's room by the intruder.

Body Left In Alley

Mrs. Millard's body was found in an alley near her home.

The daughter and father were in a police station telling of the attack on the girl when word of the murder came in.

Police Capt. Harry Penzin quoted three neighbors as saying they heard her quarreling bitterly with another woman in the Millard kitchen early this morning.

The neighbors told the captain they heard "boy friend" and "late hours" in the argument but said they could not recognize the second woman's voice.

Boy Didn't Remember Who Delivered Punch

SPRINGFIELD, Ill., May 11 (AP) Four-year-old Edward (Mickey) Londrigan didn't want his tonsils taken out at the hospital because he wanted to play prize fighter at home with his new boxing gloves and trunks.

But he agreed to go after his mother, Mrs. Estelle Londrigan, told him jokingly that the doctor wanted to enter him in a boxing match against other children at the hospital.

Later, when Mickey—minus tonsils—came out of the anesthetic, he apologized to his mother:

"I don't remember a thing. I don't even remember who the kid was that knocked me out."

REPLACE LOST BRIDGE

TACOMA, Wash., (U.P.) — Construction has started on the $14,000,000 Tacoma Narrows bridge. The new structure replaces the bridge which buckled under a heavy wind in November of 1940 and fell into Puget Sound.

WINS $16,000 RADIO CONTEST—Mrs. Lillian Finneran, 67-year-old South Providence, R. I., grandmother won prizes totalling $16,000 by naming the mystery tune on "Stop The Music," a coast-to-coast radio broadcast.

Banks Handle Large Amount Of Checks

Continued Record Volume Of Business Indicated In City

Two important indices of business activity in Lubbock were given here Monday by two reports, indicating continued record volume of business for the month of March.

One, by the Bureau of Business Research of the University of Texas, showed retail sales in Lubbock for March to have gained 33.3 per cent to lead all larger cities in Texas. Sales here also showed a 30.4 increase from February.

These figures compare with a 20.4 per cent state gain from March, 1947, and 23.2 per cent over the state from February.

Lead In Checks Handled

Lamesa, Dawson county capital, lead all cities of the state in amount of increase from March, 1947 to March, 1948, with a 35.2 per cent gain. Lamesa sales gained 26.8 per cent over February

The other index showed Lubbock leading the entire state in amount of checks handled by Lubbock banks for March and for the first three months of 1948. This report came from figures reported by the Federal Reserve board as analyzed by the American Banker, national daily banking newspaper published in New York City.

Checks handled by Lubbock banks totaled $211,406,000 in the first three months of 1948, a gain of 44.6 per cent over the first quarter of 1947 and 269 per cent over the same period of 1940.

In the entire nation, Lubbock was second in the largest gain during the first quarter of 1948 over 1947, being exceeded only by Bartlesville, Okla., which showed a 50 per cent increase for the quarter.

Lubbock's increase of business

Earl Long Has Day Of Triumph As He Takes Over In Louisiana

Baton Rouge Resembles Big Country Town On Fourth Of July; Celebration Staged

BATON ROUGE, La., May 11 (AP)—Louisianians formed up today for a solid mile to escort Earl K. Long into the governorship.

It was Long's day of triumph and his followers—delegations from all 64 Louisiana parishes (counties)—were out to make it look like one. They had the help of 35 bands, detachments from all the armed services, veterans and other patriotic organizations and labor groups.

Baton Rouge, for all its factories and 100,000-plus population, looked like a big country town on the Fourth of July to the visiting crowds who early began munching picnic-style refreshments—200,000 hot dogs, washed down with 240,000 bottles of pop and 16,000 containers of buttermilk.

The picnic was on the governor's friends, and it was served in Louisiana State university's 48,000-seat stadium. For those who got thirsty on the way, 150 barrels kept full of ice water were spotted on the bunting-decked downtown streets.

Four-Mile March

The parade, headed by Governor-Elect Long and his grand marshal, William C. Feazle, had a four-mile march to make.

For Earl Long, the day was the reward of nearly 30 years' political effort, solace for eight years of political disappointment while he and his faction were the underdogs. His only previous political success had a touch of the bitter—he was lieutenant governor in the years when the Louisiana scandals broke, succeeding to the governorship for a troubled 11 months after Gov. Richard Liche resigned in 1939.

But today Earl Long himself and the faction he heads were riding high on the greatest electoral sweep recorded in modern Louisiana. Only yesterday the new legislature showed its sentiments by naming the men of his choice to top positions in both houses.

Davis In Parade

The retiring governor, Jimmie H. Davis, accepted Long's invitation to ride in the parade.

Long chose a hometown associate, District Judge Cass Moss, sr., of Winnfield, to administer the oath of office on a decorated temporary stage in the stadium.

"Louisiana, My Home Sweet Home," written at Huey Long's request by Castro Carazo, a close associate of the late senator, but never before played publicly.

Just before the swearing in, the Rev. M. E. Dodd of Shreveport was to give the invocation. After the new governor assumed office, W. J. "Bill" Dodd was to be sworn in as lieutenant governor, and Rabbi David Lefkowitz, jr., of Shreveport, was to offer a prayer.

Entertainment Planned

After the inaugural address, Msgr. Carl Shutten of New Orleans was to close the formal ceremonies with benediction.

But entertainment still was planned for the crowds in Baton Rouge—a baseball game between Louisiana State and Southwestern Louisiana Institute, concerts by

Tests Will Be Held In City

Examinations for the annual Dunlap scholarship awards for high school seniors will be given from 9 a.m. until 5 p.m. in the Aggie Memorial auditorium at Texas Technological college Saturday, May 15, James G. Allen, dean of men who will be in charge of the tests, has announced.

The scholarships are awarded from a $3,000 endowment set up by the Dunlap department stores in 1945 for the purpose of awarding 30 $100 scholarships to deserving high school seniors from Lubbock and eight adjoining counties each year. The adjoing counties include Lamb, Hale, Floyd, Hockley, Crosby, Terry, Lynn and Garza.

In selecting the students most eligible, the Dean of Men's office contacts each of the 43 high school principals in the nine counties who submit a list of the three senior students making the highest average in their high school work. These students are then invited to Texas Tech to take the examinations which consist of three objective type test and a personal interview. The 40 students making the highest score on all the examinations are awarded the scholarships, good only if they attend Texas Tech.

Half of the award is paid the student two months after beginning his college work provided that his grades are satisfactory at the half way point in the semester. In order to receive the other $50, which is payable at mid semester of his second term, the student must have made a grade point average of 2.00 for the first semester.

The awards were begun in 1945 with 20 scholarships being conferred. In 1946, 19 were awarded and in 1947 a total of 31 students received them. Rhetha Martin, manager of the Dunlap department store in Lubbock acts as administrator of the scholarships.

Brazil has appropriated over $57,400,000 for aviation this year.

Steelworkers Demand Increase In Nation's Steel Production

BOSTON, May 11 (AP)—After demanding that the country's steelworkers increase their annual production by nearly 10 percent, the CIO steelworkers today opened a convention which is due to shape one of the major patterns in 1949 wage demands upon American industry.

The CIO's biggest union—920,000 members—sent 3,200 delegates here.

They were greeted last night by an official report blasting the steel industry as the nations "real bottleneck" and announcing a union "second front" in politics.

"Phony" Boosts

The report, from steelworkers and national CIO President Philip Murray and other union leaders, attacked the steel industry for "phony" production boosts since 1946.

It turned on American business as a whole for what the report called an attempt to "freeze" wages when profits are "fantastic."

The report said:

"Today steel shortages mean less work for automobile workers, electrical workers, metal fabricators, miners and a host of other workers and industries dependent on the volume of steel supplies."

It called for:

"Immediate expansion of basic steelmaking facilities to support additional annual steel production of at least 10,000,000 tons of ingots . . . We want a real increase and an adequate increase, not a paper one or a puny increase."

Below War Peak

The report put January 1948 ingot capacity at 94,233,460 tons and said that was about a million and a quarter tons below the wartime peak.

The officers' statement said that the union "second front" would be "a deadly serious assault . . . on the political lackeys of business" and added that in this presidential election year:

"Failure of the people to vote is clearly an invitation to disaster at the hands of the servants of corporate wealth and bigotry."

After estimating 1947 net corporate profits in the U. S. as "a new peak" of 17.4 billion dollars, the steelworkers officers added . . . the cost-price-profit picture for 1948 is even more favorable than that for 1947.

Would Tie Wages

". . . Business would like to tie wages to productivity increases while leaving prices and profits free to rise as much as the market will bear.

"It should be remembered by those who insist on freezing the present relationship between productivity and wages that the present balance . . . is one in large part created by business alone prior to the emergence of strong unions in America's mass industries."

The report did not, however, hint at what pay raises the steelworkers may go after next spring when their present contracts with 1,583 mills expire.

Immigration brought a gain of 11,651 to Australia's population last year.

TOIL AND TROUBLE—Police work to free three-year-old Mishael Plantemura, jr., whose leg became caught in a cement drain pipe in Bridgeport, Conn. The woman in the background is not identified. (AP Wirephoto.)

Life Confinement Is Dog's Sentence

WINSTEAD, Conn., May 11 (AP)—Laddie had his life today but was under sentence to a lifetime of confinement and close supervision.

Neighbors sought Laddie's destruction, charging in their petition to the selectmen that the two-year-old collie pet of Barbara Scanlon was vicious and dangerous because it had bitten a newsboy on the porch of the Scanlon home here two weeks ago. The selectmen ruled the dog was not vicious but nervous.

The tawny, black nosed dog went on trial for his life before the board of selectmen last night in a jam-packed hearing room that was lighted brilliantly by photographers' floodlights and tense with partisan feeling.

When the three-hour hearing was finished, the selectmen ruled that Laddie could go back to its owner with the stipulation that Miss Scanlon keep the dog fenced in while at home and on a leash or chain when it moved about the town with her.

Violation of the stipulation, the selectmen decreed, would mean a $25 fine for the dog's owner and the immediate destruction of the animal.

The dog, calm and collected, remained at the side of its mistress throughout the hearing at which approximately 40 persons testified.

Ropesville Resident Is Taken By Death

ROPESVILLE, May 11. (Special)—Mrs. C. H. Lane, 64, resident of Ropesville 23 years, died at her home here at 6:40 a. m. today after an illness of two years.

She is survived by her husband and one son, Wallace S. Pool, 2118 Twenty-eighth, Lubbock.

Funeral services will be conducted at the Ropesville Methodist church at 10 a. m. Wednesday with Rev. Cecil C. Hardaway, pastor, officiating, assisted by Rev. Vic Allen, Baptist pastor.

Burial will be in Quanah, her former home at 5:30 p. m., with Sanders Funeral home of Lubbock directing arrangements.

Local Building Total Boosted

Permit for a two-story and full basement masonry building at 1215-17-19 Avenue J to be occupied by Cobb's Department store accounted for $122,000 of the $178,120 in new construction listed today at the city building inspector's office.

Foundation for the structure will support two additional floors which will be added when need arises, spokesmen for the company said. Buildings which formerly occupied the site, on the northeast corner of Thirteenth and Avenue J, have been razed.

General Offices Here

The establishment to be opened here will be the 12th of the Cobb Department stores. Others are in Northwest Texas, New Mexico and Arizona. General offices are in the Myrick building, Lubock. Joe Telford is contractor for the new building.

Telford also obtained a permit to build a two-story brick and tile residence costing $17,800 at 2428 Thirty-third for Pearl Watson.

Other new permits reported included one for a two-story frame and stucco office building costing $14,000 at 1804 Avenue J for E. Z. Hogan. Residence permits were: Carl Hensley, contractor, and Alvah Doak, owner, 2616 Thirty-second, $7,400; and Carl Owens, 2423 Twenty-fourth, $4,500.

They increased new construction for the month to $389,200 and for the year to $4,608,079.

Service Combined On Two Bus Lines

Revisions on a trial basis of routes of the Sixteenth street-Texas Tech and Fourth street city bus lines have been put into effect under authorization given by City Manager Marlin R. Smith, jr., bus company officials announced today.

Under the previous arrangement, Fourth street buses approached the bus station at Main and Avenue J on Avenue J and then circled via Broadway to Avenue K on the outbound trip to Fourth. The Sixteenth-Tech buses did not unload at the station but circled via Avenue L, Broadway and Texas to Sixteenth and traveled that street to College avenue. Separate buses were required for both lines.

The same buses serve both lines under the new arrangement. The Fourth street line has been removed from Avenue K. Service on L, Broadway and Texas has been discontinued on the Sixteenth-Tech line, which uses the bus depot for terminal unloading. These buses turn from Sixteenth into J to approach the station.

The changes, which already have resulted in a few protests, require city commission approval before going into final effect.

WOMAN STRANGLED

DRYDEN, N. Y., May 11 (U.P.)—Funeral services were held today for Carrie G. Moore, 67, who was strangled when a storm window fell on her neck as she was looking out the window.

Government Rail Seizure Means Little More Than Paper Order

By JAMES MARLOW
Associated Press Staff Writer

WASHINGTON, May 11—What happens when the government takes over the nation's railroads?

Nothing, really, unless there's a strike or trouble. In that case, the government actually steps in.

Otherwise, it just sits back and lets the railroad companies run the trains just as they did before the government took over.

If the workers stay on the job and keep the trains going till their dispute with the railroads is settled—which is what they're doing—everything goes on as before.

Order Is Issued

The President—as in the present case—just issues an order saying the government is seizing the roads.

Then he appoints someone—in this case the Army in the person of Secretary of the Army Royall—to be the railroad boss.

As soon as Royall was appointed he handed the job over to Maj Gen. Edmond H. Leavey, the Army's top transportation man.

What about the money the railroads collect while the government has the roads? Who gets that? The railroads, just as before. Mr. Truman's order said that should be done.

Who pays the workers while the government has the roads? The railroad companies, just as before.

If there's a strike, then the government takes an active hand.

The government could hardly try to run the nation's railroad system with troops. They don't know enough about railroading.

Just Paper Order

In short—unless there's a strike or trouble—government seizure of the railroads is hardly more than an order on a piece of paper.

This is the fourth time in 30 years that the government has seized the railroads. It did it in 1918, in 1943, and again in 1946.

The government took over yesterday 18 hours before the strike was due to start. As a result, it never did start. The workers agreed to obey a court order and stay on the job.

In 1946 workers struck, though the government had taken over the roads six days before.

The strike was broken and the men went back to work when President Truman asked Congress to pass a law drafting the strikers into the Army.

In 1943 there was no strike—but the workers and the railroads couldn't agree on a wage raise.

Just before Christmas that year President Roosevelt ordered the government to take over the roads. It held them until mid-January, 1944.

During the government seizure the workers ran the trains until they reached an agreement with the railroads. Then the government got out.

Seizure In Name Only

In both those cases—1943 and 1946—government seizure was really no more than a seizure in name.

The railroad companies had full possession of their properties.

It was different in 1918. That was during World War I. There was danger the whole railroad system would break down.

From Jan. 1, 1918, until March 15, 1920, the government took over the roads.

In that seizure the government took a very active hand in operation of the roads.

It poured new equipment into the railroad system and hired many thousands of extra workers

President Woodrow Wilson ordered that seizure. And the job of bossing the roads was given to William McAdoo, secretary of the Treasury.

The government lost money on that deal. It had guaranteed the railroads a fixed income while the government ran the roads.

It cost the government about $1,500,000,000 in money it spent on equipment and money it had to pay the roads.

Oil Wells Will Be "Vacuum-Cleaned"

AUSTIN, May 11 (AP)—Sinclair Prairie Oil Co. will soon start vacuum-cleaning the last drops of oil from two Texas leases.

Permission for this last-resort method of extracting oil was granted by he railroad commission yesterday. Sinclair will use vacuum pumps to stimulate production from their M. C. Bruce lease in Stephens county and from the L. P. Moren lease in Young county.

A commission rule in effect since 1933 has prohibited use of sub-atmospheric pressures in pumps extracting oil from reservoirs where the oil has virtually run out. This was a conservation rule designed to prevent the pulling-in of salt water and other sub-surface materials that might damage the field.

Such pressures are permitted, however, when evidence is shown that all other stripping methods have failed or can not be used. These would include repressuring with gas or water flooding.

ENGINE TO SAVE COAL

PITTSBURGH (U.P.) — A new steam-electric locomotive which is expected to use 50 per cent less coal than present units is under development by engineers of Westinghouse Electric.

King-Sized Justice Gets Seminole Chair

ABILENE, May 11 (AP)—Justice of the Peace W. A. (Bill) Ward can hear cases in comfort now. He's got a chair big enough for his 465 pounds plus.

The Seminole Chamber of Commerce heard of Ward's plight several weeks ago. They had a cabinet works turn out the finished product. Yesterday it was presented Ward, who said:

"Now I can sleep when these lawyers talk too long in my court."

PIGGLY WIGGLY preferred by wise shoppers

That Girl on Broadway says those who participate in a religious fight usually don't have enough religion to fight about.

* * *

Some people die natural deaths, while others want to see if that "110" on the dashboard speedometer really means anything.

That Man on Avenue Q says many a boy turns out wrong because his folks don't make him turn in early.

* * *

Women should have cleaner minds than men. After all, they change 'em much oftener!

* * *

FROM the Christian Observer: "Inflation knows no bounds. The human body, once valued chemically at 98 cents, is worth $31.04 on current markets, according to Nick Dallas, curator of Northeastern university's department of chemistry. He bases his estimate on prices the university has to pay for the same chemical compounds present in the human body. Calcium phosphate, for example, which 'used to go begging,' now retails for $5 per pound. Normal body content—3.8 pounds."

* * *

Sudden Thought: A man may be so good as his word and still not be worth a darn!

* * *

AFTER considerable reflection, we've come to the conclusion that this "be a good listener, rather than a talker" stuff is nothing more or less than propaganda on the part of those who want to talk more than their share.

All your life you've heard about "good listeners" being the most popular people, and about how the wisest men and women have the least to say." But have you ever stopped to ponder the situation?

If you do, the chances are you will come to the conclusion that both statements are false.

* * *

Can you imagine anything worse than an evening spent among "good listeners?" A bunch of people who either (1) have nothing to say; or, (2) are too timid to say it?

Who usually gets elected President, or constable, or head of the Rowanis club, or the chamber of commerce? Some strong, silent guy—or one who can talk?

What gal usually has the most dates, and grabs off the "best matrimonial catch" of the season? Some quiet, unimaginative little miss, or a girl who can—and does—talk about everything from how come the Pirates and A's have been going so good, to the possibilities that Russia has the atomic bomb?

What woman heads the P-TA, or the Mentholatum Literary society? You know—the one who can, and does, talk well.

* * *

THE men whose names are on the most minds today are the men with something to say—and who are saying it. Harry Truman, de Gasperi, de Gaulle, Winston Churchill, Robert Taft, Harold Stassen, Ike Eisenhower—why, as Jimmy Durante, another talker, would say, "dere's a milyun uv 'em."

How about Bing Crosby, and Bob Hope, and Eddie Cantor, and Walter Winchell? In fact, it's pretty hard to pick out a "silent" man of any fame at all, with the possible exception of Josef Stalin. And over here, we don't know whether he talks, or not. For all we know, he may yammer a blue streak, all the time!

This stuff about being a "good listener" is very much like the old guff of being a "good loser." It sounds good, but it doesn't work out.

* * *

A successful politician is one who can turn a platform into a springboard.

* * *

That Man on Avenue Q says if she's an average woman, she can't really enjoy a movie unless she can slip her feet out of her shoes.

* * *

A "congenial fellow" is a man who cusses the same things and the same people you do.

* * *

UNLESS all signs fail, the House and Senate soon will be voting on a plan—already approved in committee—to permit entrance into the U. S. of 200,000 displaced Europeans within the next two years.

Leaving out of the discussion whether or not it is our Christian duty to take in some of these "DPs," as they're called, the fact remains that the odds are 10-to-1 that around 200,000 of them will be taken in. This is election year and too many Senators and Representatives are "on the spot" in the "DP" matter. They can't afford to make U. S. religious and racial minorities mad by opposing entrance of the displaced Europeans.

So, since it's a lead-pipe cinch we're going to take some in, the big question is, "which ones?" Are we going to demand that they be people who can and will contribute to our economy and way of life; that they can "do something" for us as well as for themselves?

Or are we going to have the dregs of Europe's last remaining "DPs" pushed off on us?

* * *

As one who has been privileged to see a few of Europe's 1,500,000 persons still in "DP" camps—having visited five such groups in Europe last mid-Winter—The Plainsman can testify that some of them can and will make good citizens here; that some can and will be worthwhile additions to the U. S. A. Conversely, we can testify, too, that others of them are scum, troublemakers, congential loafers and of the type to make political and other trouble just as soon as they reach our shores.

Therefore, for our nation's good, the Congress must have the courage to set up qualifications—and the machinery to see that those qualifications are met—in the matter of the "DPs". These qualifications should be based not on religion, or race, of course. Instead they must be based upon the cultural backgrounds, the respectability of the individuals involved—plus their ability to do work here that needs to be done, so they will not prove a drug on the labor, the housing, or any other market.

* * *

SOME countries—including several in South America, Canada, New Zealand and Australia—already have taken some "DPs". The "DPs" those countries have taken have been "hand-picked" for their talents, as well as for their sane political beliefs and adaptability to change. We should have a similar "DP" program—not just open our doors to 200,000 displaced persons simply because they are displaced.

We can use those trained in several professions — notably medicine and dentistry, nursing, horticulture. We can use some specialty teachers in languages and literature, for instance. We can use some domestic servants—of whom there are many able among the "DPs," and, certainly, some farm workers.

But we can't use—and should not accept—a collection of low-lifers, international tramps, crooked traders and other undesirables who are present among the "DPs," just as they are present among any large collection of human beings everywhere.

Representatives and Senators who are in the happy position of not being "under the gun" of tightly organized racial and religious groups in their districts and states should set themselves up as the guardians of the nation in the "DP" matter.

If they don't we're very likely to wind up with a majority of no-goods among the 200,000 which we may be expected to take in.

BY DREW PEARSON: HE TURNS DOWN STATE DEPARTMENT COMMISSION NOMINATIONS

President Truman Is Touchy About Renomination

WASHINGTON—President Truman has become so touchy about his own renomination that it even enters into job appointments pertaining to the distant islands of the South Pacific.

PEARSON

Some time ago the State department selected two men to serve as U. S. representatives on the new South Pacific commission and to work with Australia, France, England and other countries in helping the war-torn Pacific islanders. The two men were Paul Smith, editor of the San Francisco Chronicle, a Republican; and Richard Wells, New York attorney, a Democrat. Both are able, conscientious citizens, Smith having fought all over the South Pacific.

The State department thought it had made a good selection. However, it reckoned without President Truman and his friend, the ebullient Ed Pauley, who made $1,000,000 gambling on the Commodity market while working for the government. Just as Brig. Gen. Wallace Graham, the White House doctor, continues close to Truman despite his commodity gambling, so Pauley also ambles in and out of the White House whenever he wishes.

So when Pauley heard that Paul Smith was to be appointed to the South Pacific commission, he called on Truman, told him that Smith's San Francisco Chronicle had opposed his (Pauley's) appointment to be undersecretary of the Navy, and demanded that Smith be vetoed.

Simultaneously the State department began to get intimations from the White House that Truman didn't like the Democratic commissioner, Richard Wells.

* * *

The Touchy White House

As the State department's suggestion, Wells had played down the fact that he had such rock-bottom Democrats behind him as Congressmen Carl Vinson of Georgia and Pat Drewery of Virginia. Instead he listed as his chief backer a former assistant Secretary of State, Adolf Berle. Berle, once a strong Truman man, more recently joined the Roosevelt boys (and a few million other people) in hoping Truman would not run for re-election.

Suddenly, therefore the State department phoned Wells, asked whether he shared Berle's views about Truman. Was he likely to come out against Truman? And what were his exact relations with Berle? The White House, it was explained, was touchy on the subject.

Wells, who is not an intimate of Berle's answered all this to the satisfaction of the State department, and was told to get his passport, typhoid inoculation and be ready to leave San Francisco for Sydney, Australia, on May 8.

Meanwhile a strange silence settled over the White House. The State department could get no commissions of appointment for either Wells or Smith. Appointment to the South Pacific commission pays no salary. To serve is an act of pure patriotism. Yet the State department could not get Mr. Truman's OK.

* * *

FINALLY, Undersecretary Lovett went to the White House, reminded the President that the two commissioners had to be in Australia by May 11.

Next day a luncheon guest at the White House was Judge Sam Rosenman, now acting as Truman's unofficial brain-truster. Testily, Truman remarked that he had the papers on his desk making Paul Smith and Richard Wells South Pacific commissioners. Smith, he said, was out because he was no friend of Ed Pauley's. Wells, he added, was a friend of Adolf Berle's.

Then the President proceeded to launch into a tirade against that so-and-so Berle. "I am not," he declared, "going to throw any bones to the Berle boys." And he asked Sam if he knew a good man to serve on the South Pacific commission instead.

Rosenman replied that at the moment he didn't, but later submitted the name of his law partner, Milton Shalleck. Milton had been appointed Judge Rosenman's law clerk at instance of Jimmy Hines, the jailed Tammany leader who had given Rosenman his start as bill-drafting commissioner in the New York legislature.

So Milton Shalleck is now en route to the South Pacific. With him as a co-commissioner is Felix Keesing, an anthropology professor of Stanford university. Anthropology doesn't happen to enter into the economic and social problems of the South Pacific. But much more important is the fact that Keesing is a friend of Pauley's.

Queried by the New York Times just after his appointment, Shalleck said he had never been to the Pacific, knew nothing about the Pacific, had no interest in the Pacific. However, he is for the renomination of Harry Truman.

* * *

Race Problem In Mississippi

This column, reporting on certain race incidents in Mississippi, recently stated that the President's civil-rights message unfortunately had resulted in a reign of terror for negroes in Mississippi.

Since then Congressmen Williams and Abernathy of Mississippi have been good enough to bring certain facts to my attention which show that some of the previous reports were incomplete or erroneous. For instance, while two negroes were badly beaten up by the police of Jackson, Miss., yet both negroes had criminal records, and in one case the negro bystanders came to the aid of the white policeman. Obviously the policeman was conducting no reign of terror.

In the case of two incidents in Kosciusko, that city has an excellent reputation for law, order and fairness to the colored race.

Furthermore, the supreme court of Mississippi recently leaned over backward to give a fair trial to a negro, Sandy Magee, accused of killing a white man. Three times the court reversed a lower court's decision which gave Magee the death sentence.

In view of the above, it is only fair to correct my previous Mistaken Impression about the treatment of negroes in Mississippi which I am delighted herewith to do.

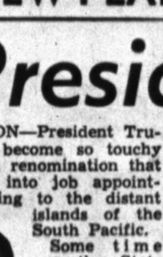

* * *

U. S. Circuit Judge Homer Bone recently told a group of West coast lawyers: "We are led by a group of men who don't know what to do." . . . Bone served a good many years in the Senate with Harry Truman . . . Republicans figured they had a good campaign issue in Truman's back porch—until Congressman Beall of Maryland introduced a bill to revamp George Washington's canal. Beall now wants $40,000 to resurvey the first surveying job George Washington ever did and make the Chesapeake and Ohio canal into a modern boulevard—with hot-dog stands and filling stations . . . Democrats now say that if it's all right for the Republicans to revamp Washington's canal, then it's all right for Harry Truman to revamp the founding father's architectural designs of the White House . . . It was George Washington who laid the cornerstone of the White House.

BY WALTER WINCHELL

Virginia Bruce's Brother To Wed Sister Of Buddy Ebsen

THE Big Town—Winchellebrities: Bing Crosby patrolling the Sherry-Netherland lobby incognito. (Wearing a tie!) . . . The Fred Allens chuckling their way through the B'way throng looking very hoopy . . . Guy Kibbee kibbeetzing a group of excavation workers at Park and 59th . . . Carl Sandburg, the poecher, coming out of the library at 42nd Street with a mountain of tomes . . . Dodger manager Durocher being teased by fans on the street (over the flopping team) with: "Hey, Leo! Need a Shotton the arm?" . . . Violet "Miss Ireland" Nolan (just in from Dublin), one of the best ads Eire has had since the shamrock.

"Got Any Votes On Yuh, Son?"

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

CATTINESS is a characteristic of a woman attributes to other women, never to herself.

Here's a little test to help recognize cattiness in yourself — if there's any there, of course.

When praising something that belongs to someone else do you tack on the phrase, "if you like that sort of thing?"

When commenting on the youthful looks of another woman do you add, "for her age?"

When your husband comments on another woman's good looks do you point out how much she spends for her clothes, or that she dyes her hair, or that she isn't as young as she looks?

Do you ever deliberately take away another woman's pleasure in a new possession by pointing out that it's beautiful but you're afraid it isn't very practical?

* * *

DO you often preface your remarks about others with, "Perhaps I shouldn't say this, but . . .," or "Personally I haven't a thing against her but . . .?"

When praising another person do you let a note of surprise in your voice hint that you really never expected the person to do so well?

When another woman's charm or intellect is receiving favorable comment do you drag in the entirely irrelevant comment, "It's a pity she isn't more attractive looking.

Watch your own conversation for these remarks if you want to know whether or not you indulge in catty comments.

MILLETT

"Try And Stop Me"

SENATOR ED FORD describes a visit to a friend who rather fancied himself as a big game hunter. On the floor was a fine bear rug, and when the host saw Ford looking at it, he expanded his chest and boasted, "I shot that bear myself. He came upon me unawares in the forest. The fight raged for an hour. Obviously, it was a struggle for survival—either the bear or me!"

Senator Ford nodded and said, "I think the bear makes a much better rug."

NEED FOR THE SWIMMING POOL

The efforts being made by the City Recreation council and other City officials to insure the operation of the City swimming pool in Mackenzie State park this Summer undoubtedly meet with the approval of most Lubbock citizens.

It would border on the tragic if the residents of this city, where recreation facilities already are inadequate, should be deprived of this opportunity for pleasure.

No one naturally would favor operating the pool if it endangered the health of those using it and the community. But if adequate sanitation safeguards can be provided, then the pool should be operated.

The responsible officials are to be commended for proceeding cautiously in a matter of this kind, as they have been doing. Their caution offers added assurance that the pool can be used with confidence if its is opened —and the indications are that it will be operating during the vacation months.

BY MARQUIS CHILDS

Vandenberg Is Justly Pleased With His Completed ERP Task

WASHINGTON — Before the 80th Congress winds up and goes home, one more piece of major foreign-policy legislation seems certain to be adopted. It will take the form of a resolution establishing the relationship between this country and the Western European union.

CHILDS

The final form of the resolution, which may be even broader in scope than this suggests, depends largely on one man. That man is Chairman Arthur H. Vandenberg of the Senate foreign relations committee. A master strategist, Vandenberg will follow his own sense of timing in maneuvering the all-important declaration of policy through Congress.

The president of the Senate is looking these days like the canary that swallowed the cat. He has an innocent, genial smile for all visitors. As in the past, every reference to his possible nomination for President is brushed aside good-naturedly.

The Senator from Michigan has good reason to look pleased. The long, difficult business of the European Recovery program ended in complete triumph. Paul Hoffman, who was Vandenberg's choice for recovery administrator, is demonstrating his capacity to put together an effective team to do the stupendous job.

* * *

U. N. Drive Is On

Currenlty, in both Senate and House, there is a drive to make over the United Nations. This drive comes from two directions.

One source is the deep idealism of those, both in and out of Congress, who believe that the U. N. must be refashioned in such a way that the veto power is reduced or abolished and the sovereignty of world government affirmed, at least in part.

The idealists are willing to bring this about even though it should mean the withdrawal of the Soviet Union and her satellites. A second source of support for the drive to make over the U. N. is the fear and hostility of those who hope that such a move will force Russia out of the congress of nations.

No hard and fast line between these two groups can be drawn, so complicated are motives in this era of uncertainty. But when Secretary of State George C. Marshall appeared before the House foreign affairs committee, he addressed himself to both groups. In clear and forceful language, Marshall expressed his conviction that such a move would pave the way to war rather than peace. The end result of driving Russia out of the U. N. would be two rival alliances. The two alliances would almost inevitably move toward armed conflict.

What is more, although Marshall did not express it, is the concern that many western European nations would decline to become part of an American alliance in the event of such a split. Fear would keep them from joining up on "our side."

Senator Vandenberg is in general agreement with the views expressed by Marshall. The two have an excellent working relationship. It was cemented at the conference in Brazil last year when Marshall entrusted to Vandenberg the major back-stage negotiations. The Senator has deep sympathy with the Secretary of State for some of the pounding he has taken, unjustly in Vandenbergs' belief.

* * *

THE resolution that is finally voted upon on the Senate floor is likely to be close to Marshall's own thinking. It will be copper-riveted, just as was the ERP, to insure the acid test of acceptance.

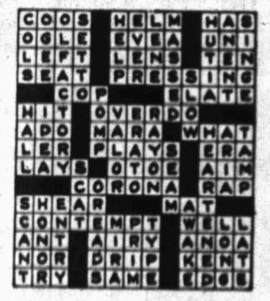

Vandenberg also has a close working alliance with Chairman Charles A. Eaton of the House foreign affairs committee. Between the two is a strong mutual admiration and friendship.

As he proved when well-meaning but confused members of the House sought to distort ERP, Eaton is no mean strategist. When the smoke of battle cleared away, the bill went to the House floor in almost the same form in which it had come from the Senate. Now 80 years old, Eaton has just won a hot primary contest in his home district in New Jersey.

In spite of the reeling and writ-

ing of election-year politics, the foreign policy that has been shaped during the past six months is in large measure bi-partisan. In the day-to-day evolution of this policy, Vandenberg's skillful human engineering contributed more than did any other factor.

Therefore, whether he likes it or not, he looms large before the country in a year of critical decision. The Republican convention cannot ignore the man who has contributed so greatly to unity of purpose and the practical means for achieving that purpose.

CLAIMED BY DEATH

DALLAS, May 11 (AP) — Carl Schonfelder, jr., who rose from office boy in the Texas and Pacific railroad office at Marshall, to freight traffic manager for the entire system, died here yesterday. The retired railroader was an employe of the railway 55 years.

The Gold Coast is shortly to have its first ice cream factory.

Yoakum Test

(Continued From Page One)

and west lines of section 4, block A-36, psl survey, and about 12 miles north of the town of Andrews.

Swabbing To Test

Phillips Petroleum company No. 1 Weddell, north-central Schleicher county wildcat, 17 miles northeast of Eldorado, and in northeast corner of section 72, block M, GH&SA survey, was swabbing to test, on perforated section in the Strawn at 5,630-5,700 feet, which had been re-treated with 1,500 gallons of acid.

After the load and residue from the injection had been swabbed out the project was swabbed for 21½ hours, and recovered 14 barrels of oil, which had a shakeout of eight-tenths of one percent sediment. There was no water. The original acid treatment was a 500-gallon shot.

In Lime, Shale Section

Humble Oil & Refining company No. 1 Alma D. Unsicker, et al, slated 7,500-foot prospector to test the Ellenburger, in north Pecos county, two miles southwest of the shallow Pecos Valley field, and 1,980 feet from northeast and southeast lines of section 15, block 10, H&GN survey, was making hole below 5,702 feet in an lime and shale section, which might be Devonian.

It ran a two hour drillstem test at 5,648-85 feet. There was a blow of gas at the surface after 11 minutes. Maximum volume was at the rate of 92,000 cubic feet per day.

Recovery was 400 feet of gas cut mud, 350 feet of oil and gas cut mud, 650 feet of 42.3 gravity oil, and 300 feet of salt water.

Shutdown For Orders

Stanolind Oil & Gas company No. 1 J. E. Mabee, northwest Martin county exploration, 35 miles northwest of Stanton, 30 miles north of Midland, and in southwest corner of tract 87, league 258, Briscoe county school lands, was on a total depth of 13,416 feet in Ellenburger dolomite, and was shutdown for orders.

This venture entered the Ellenburger at 12,310 feet. It has not found any signs of oil in that formation. Several water zones have already been drilled through.

Fishing For Swab Line

Bankline Oil company No. 1 Butler, southeast Terry county exploration, in northwest corner of section 12, block C-39, psl survey, was fishing for a swab line.

This prospector went into swab the open hole section at 4,910-67 feet, where some slight signs of possible production had been logged.

The hole was about swabbed down, when the swab was lost. When the tool is recovered operator will swab down, then let the well set for a short time, and will probably treat the possible pay with acid.

Drillstem Test Run

Hunt Oil company, et al, No. 1 Allison, southeast Edwards county wildcat, 18 miles southeast of Rock Springs, and in the southeast corner of section 1, block DA-6, GC&SF survey, ran a 31 minute drillstem test at 5,525-47 feet, in the Strawn lime.

Recovery was 60 feet of drilling mud, with no shows of oil, gas or water. The venture is to drill ahead. It is contracted to 6,500 feet, to explore into the Ellenburger.

Business Volume Is High For Lubbock

(Continued From Page One)

in March, 1948 over March, 1947, was sixth in the nation. Bartlesville, Albany, N. Y., Madison, Wis. Tulsa and Beaumont were other cities showing more gain than Lubbock.

March check payment volume in Lubbock totaled $67,131,000, a gain of 40.5 per cent over the same month in 1947 to give the city its best March volume of business in history.

The check debit figures are an important index of business activity as well as of banking service, the American Banker pointed out, since they represent the total of all sums paid by check in business and private transactions through local banks, and are on a comparative basis going back a period of years for each city.

Figures for the state of Texas (000 omitted in dollar figures) are:

CITY	TOTAL DEBITS MARCH 1948 $	Change from MARCH 1947 %	TOTAL DEBITS First 3 Mos. 1948 $	Change from First 3 Mos. 1947 %	Change from 1946 %
Abilene	33,134	+23.0	97,425	+24.9	+286

Tech Inquiries

(Continued From Page One)

two years," said Parsons. Formerly there were few requests from those states, because of textile schools located in the East, which now are full because of increased enrollment since the war.

Referring to frequency of inquiries from India, Parsons said, "There is a great need for many more textile plants in India." The same need applies in some other countries, he said.

The last two years, he has not encouraged foreign students because Texas Tech has been trying to care for Texas students first.

Out-of-state students are taken only if they have a high scholastic average or want to enroll for graduate work.

Jews Are Now On Top In Fight For Palestine, Observers Say

JERUSALEM, May 11 (AP) — Neutral military observers expressed belief today that the present phase of the bloody battle for Palestine has ended with the Jews on top.

These observers said yesterday's Jewish capture of the key northern city of Safad and last night's victory at Bab El Wad reopening of the Jerusalem-Tel Aviv supply route, have put a period for the time being to the struggle.

It will recommence, they believe, when and if the Arab states begin their oft-threatened invasion after the British relinquish their mandate Friday at midnight.

Haganah, the Jewish militia, spearheaded by its crack Palmach commandos, now controls all the territory assigned to the Jews under the United Nations partition vote, plus more than enough to secure Jerusalem.

Only some outlying southern settlements and a few on the Syrian frontier constitute weak points.

Haganah's conquests have placed well-trained, well-equipped Jewish troops athwart all but the southern invasion route into the Holy Land.

Trans-Jordan's Arab legion, if King Abdullah makes good his threat to lead his armies into Palestine, will find the Jews awaiting him in Jerusalem.

Invasion Fears Diminish

Egyptian forces, now reported massing in the Sinai desert for a possible move into the Holy Land, have a virtually clear route into the Negeb (southern desert), where the Jews have 23 agricultural colonies with only token defenses.

In the north, however, Jewish control of Safad gives them command of invasion routes from Syria, while their occupation of Haifa blocks Lebanon's path to Jewish Palestine.

Jewish fears of an Arab invasion have lessened. Haganah is battle-seasoned and equipped with the best available infantry arms. There are reports of bigger guns in their arsenal, also of Jewish fighter and bomber aircraft ready to land in Jewish airfields within hours after Britain's departure.

Haganah can put 40,000 men into the field and still have heavy home guard defenses.

Arabs Counted Out

Its supply lines are tenable and reinforcements can be recruited quickly. Arab states will be hard put, military experts declare, to do as well, and Araby supply lines are long and thin.

Palestine Arab forces have been counted out by military experts as a fighting factor. Their only major victory so far has been the closing of the Bab El Wad road, which succeeded in throttling Jewish Jerusalem.

Yesterday's operation in which the Jews blasted open the road, cancelled out that victory.

Now Palestine Arabs and their volunteer supporters in Fawzi Bey Al Kaukji's Yarmuk army have been relegated to guerrilla status. They probably will operate as such if the Arab states do invade.

If there is no invasion, most observers believe the latest chapter of violence in Palestine's bloody history is well nigh ended.

TRUMAN GREETS ACME LENSMAN—NEA-Acme photographer John Thompson is congratulated by President Truman, after Thompson won the fifth annual "News Pictures of the Year" competition, sponsored by the Encyclopedia Britannica and the University of Missouri School of Journalism. Thompson's winning picture was taken during the Texas City, Tex., disaster, April 16, 1947.

State Highway Department Goes Into Action As Storm Hits

By WILLIAM C. BARNARD
Associated Press Staff Writer

When storms hit Texas, men of the little-publicized state highway department swarm like ants to aid and warn the motoring public.

In flooded North Texas today these men are posted in low areas, watching the threat of high water, closing roads, warning of dangerous underpasses.

We rode with one of these fellows through a blinding rainstorm at dawn today and learned the emergency workings of the highway department.

Became Expert

An engineer of the highway department, W. C. Whitman, a native of Bowie, became a rescue expert when a storm hit the Dallas area.

In his high-riding truck, he pushed stranded motorists out of low areas to shelter, and with practiced eye he watched the rising waters of overflowing creeks.

The thousands of highway department workers in Texas are coordinated by teletype from the main office in Austin. District offices are in every section of the state—generally there are about seven counties to a district.

"When an emergency comes up," Whitman explained to us, "we are ready for it. When a big rain—like this one—comes along, we know where to expect trouble. We know what highways will go out first. When a highway department man finds high water, he puts up signs and then stays right there with it. Generally he finds a few cars stranded and he pulls them to safety.

"It's a funny thing, but some motorists refuse to pay attention to warnings. You can stop a car and tell the driver that the water is too high to navigate and lots of times they just plow right on into it. We have no authority to stop them—if they want to go ahead we can't do anything about it.

"We're not under any obligation to pull them out when they go ahead and get stalled, either, but we nearly always do after we've let them sit there a while."

Asked To Drop Law

TULSA, May 11 (AP) — A proposal that Oklahoma's next legislature repeal criminal statutes which bar negro citizens from state-maintained graduate and professional schools was heard today by the state legislative council.

The proposal was by Rep. John Waggoner, who said in a letter to Sen. James C. Nance, Purcell, president of the council that such a move would "bring our statutes more in line with the letter and spirit of the U. S. Constitution.

His suggestion was referred to the council's judiciary committee.

Tarzan Quip Nearly Causes Fist Fight

HOLLYWOOD, May 11 (AP) — There apparently wasn't any minner in Movieland's latest night-club bout. No punches either.

The friendly principals were Johnny Wiessmuller and Terry Hunt, gymnasium operator who has been conditioning Lex Barker, Weissmuller's replacement as movie Tarzan.

The scene was the Beverly Hills Tropics where ringsiders sipped rum drinks out of cocoanut shells right from the jungles.

What aroused Weissmuller Sunday night was a ribbing about being replaced as Tarzan.

"I wrote Johnny a kidding note," said Hunt. "It was just in fun but apparently rubbed Johnny the wrong way. He came over to the table, grabbed me by the shoulder and shook me a little. I thought he was fooling. When I found out he wasn't, I offered to go outside. Then the waiters grabbed us both. That was all there was to it. I'm sorry it happened. Johnny and I have been pals for years."

This was confirmed by the retiring Tarzan.

Said Johnny: "Terry and I are old friends. I guess I just lost my temper. Maybe he hit a sore spot. It didn't mean anything."

Only Indian tribe in North America in which weaving is a man's art is the Hopi Indian tribe of Arizona.

When The Decision Is Close... You Need Good Eyesight
At the important moments of your life when you have to "bear down" . . . when work must be done and decisions must be reached . . . perfect vision is essential. At work, at play, or at social functions our eyesight brings us 80 per cent of our consciousness of the world about us.
If you are overtired, not up to scratch or have headaches, you should consult your Oculist (eyesight Physician). And if you need glasses ask him about Tillyer lenses. Tillyer lenses are corrected to the very edge of the lens . . . not just at the center . . . so that you see clearly and comfortably without eyestrain. Wherever you look . . . up, down, right or left. Ordinary lenses are corrected only at their centers. So be sure to wear Tillyer . . . they're correct from every angle.
Consult Your Oculist (Eye Physician) About The Care Of Your Eyes At Least Once A Year
