March Of Dimes Drive Opens Here

Bulldogs Lose To Antelopes In District Game

Post Antelopes still hold the jinx on the Tahoka Bulldogs. Tuesday night in a conference basketball game played at Post, the Antelopes ran away with a so-called game 45-18, while the Tahoka Bulldogs stood around and watched the proceedings. Jack Kirkpatrick paced the Antelopes' scoring with 20 points, while Wayne Tekell was tops for Tahoka with five.

The Tahoka boys appeared "frozen up." They were ragged on both offense and defense, and, it seemed, could do nothing right. Fans express the opinion that the local team is just as good as the Antelopes if and when they decide to play ball against them. Coach Jacobs infiltrated most of the B team boys into the line-up, but they could do no better.

The Bulldogs got away to a three point lead, but the score at end of the first quarter was Post 9, Tahoka 4; 17 to 6 at the half; 30 to 16 at the third.

However, Tahoka B team won a close victory over the Post B team by a score of 28 to 26, with Richard Haves scoring 14 points, half of Tahoka's total. Post led at the quarter 8 to 4, but Tahoka had tied the score at 12-12 at the half, went ahead 20 to 19 at end of the third, and scored a (Cont'd. On Back Page)

Airman's Body Is Brought Home

Reburial rites will be held at 3 p. m. today at O'Donnell Methodist Church for Second Lieutenant William Ray DeBusk, who was killed in Rumania during World War II.

Services will be conducted by R. P. Drennon of Fort Sumner, New Mexico, former Church of Christ minister at O'Donnell, and Rev. Longino, Methodist pastor, and burial will follow in O'Donnell Cemetery with full Military rites by the O'Donnell American Legion. Stanley Funeral Home of Tahoka is in charge.

The body recently arrived in the States from Europe, and was accompanied here Thursday from New York by a Guard of Honor.

Ray was born in Parker county July 19, 1917. He came to O'Donnell in 1924 with his parents, Mr. and Mrs. W. O. (Bill) DeBusk. He attended the O'Donnell schools, and graduated from Abilene Christian College. He was married to Claudine Etter at Abilene June 5, 1942. He taught school and coached athletics before entering the Army Air Force.

Lt. DeBusk went overseas early in World War II, and died on August 1, 1943, when his plane was shot down while on a bombing mission over Rumania.

Survivors include the parents; four brothers, Albert and Roy Lee of Holiba, N. M., Lawrence of Big Spring, and H. M. of El Monte, Calif.; and three sisters, Jennie - V. of Hayward, Calif., Opal of Richmond, Calif., and Bertie May of San Leandro, Calif.

Pythian Sisters Plan Benefit

A benefit party open to the public, at which games of canasta, dominoes, and "42" will be played, is being held Monday night, January 29, beginning at 7:30 p. m. at the Legion Hall.

The Pythian Sisters are sponsoring the party, and proceeds will go to the March of Dimes campaign fund for polio victims. Everyone has a cordial invitation to the party. Admission will be 50 cents for each person.

NEW SPEAKER SWORN IN

Secretary of State John Ben Shepperd is shown administering the oath of office to the new Speaker of the House of Representatives of the 52nd Texas Legislature, Rep. Reuben Senterfitt of San Saba. Shepperd officially opened the House of Representatives Tuesday, January 9, and presided until the unanimous election of the San Saba attorney as Speaker. Representative Senterfitt is beginning his sixth full term in the Texas House. He is the senior member of the law firm of Senterfitt, Crump and Jameson in San Saba. The Secretary of State convenes the initial session of each Legislature according to requirements of the Constitution and Texas law. Both Shepperd and Senterfitt, in opening remarks to the legislative body, termed this Legislature as one of the most important and crucial in the history of the state.

JayCee Boxing Meet Opens Next Thursday

Entries have begun coming in, and success of the third annual JayCee Boxing Tournament being held in Tahoka gym Thursday, Friday, and Saturday nights of next week is virtually assured.

In the High School class, there are approximately 15 entries from Tahoka, six from Maple, Bailey county, and Crosbyton may have a complete team to enter. Other schools will send entries, it is hoped.

There will be twenty or more fighters present from Lamesa, but their divisions are not known as yet.

Only a few entries have been received in the open class, but the Jaycees have promises of a number of fighters in this class. The Jaycees stress hope of having quite a few local fighters in this division.

"Babe" Ritchie of Lubbock, once a famous heavyweight, is helping out, and expects to be at the tournament. He thinks a number of fighters from Lubbock and Texas Tech will enter. Also, fighters in Hale Center, Plainview, Petersburg, Lockney, Slaton, and Brownfield, and other towns are being contacted, and the local promoters think they will end up with a big list of fighters in the open division.

More interest is being shown in the fights this year than ever before. The Association would appreciate (Cont'd. On Back Page)

Rotarians View Livestock Picture

An interesting picture entitled "More From What We Have" was presented by Billy Mitchell of the Putina company and Dale Thuren at the Rotary club Thursday night of last week.

The picture dealt with livestock raising and feeding. Rotarians had as their guests a number of farmers at the meeting.

Thuren and Dr. W. H. Stapp are in charge of the January programs.

District Court Opens Jan. 28th

First District Court session of 1951 in Lynn county will open on January 28th. Judge Louis B. Reed of Lamesa has announced.

The Grand Jury will open its session on the same morning, and the following men's names have been drawn for service thereon, according to District Clerk W. S. (Skip) Taylor:

S. M. Clayton, Jr., Dick Franklin, W. A. Fulford, D. W. Hancock, Graham Hensley, E. J. Hewlett, Leon LaGrone, G. L. Nelson, J. W. Owens, Boyd Peabworth, R. M. Thomas, Wilmer Smith, Price Seely, John T. Tippitt, Lynn West, and George Claud Wells.

Plan Two New Oil Tests

Charles Ware, T.H.S. Student Wins Third In National Poetry Contest

Charles Ware, English III student in Tahoka High School, who entered his poem, "A Grandmother's Reveries" in the National High School Poetry Association contest in which there were 300,000 entries, has won third place in the final judging.

The prizes were \$1,000.00 cash first prize; \$650.00 cash, second prize; and an eight weeks trip to Chicago or six weeks trip elsewhere in the United States, to the third place winner.

Charles plans to go to Pennsylvania in July, stopping in Baltimore for two days to visit a friend and the family of Wm. Tregoe, band di-

rector here. He will also be given an opportunity to talk with President Truman for 45 minutes.

Charles, who is a son of A. E. (Pete) Ware, attributes his success to his English teacher, Mrs. Lillian Bartley, who urged him to enter the contest.

Tahoka Cemetery Is Improved

Tahoka Cemetery has undergone considerable improvements in the past few months and is in better condition than in many, many years.

City water has now been piped to the Cemetery, and with the cooperation of members of the Cemetery Association, Tahoka's City of the Dead may be made into a beautiful resting place, states Garland Pennington, president.

Last June, the Association employed Otto Zedlitz as caretaker, and Mr. Zedlitz has done an excellent job in cleaning up and improving the place. The grounds have been plowed, graves reshaped and lots cleaned off, and the trees and shrubs pruned.

Citizens of the county having loved ones buried there, are urged to drive out and view the progress that has been made since Mr. Zedlitz went to work on the Cemetery.

About two years ago an evergreen hedge was planted on the west and north sides of the plot, which will eventually add to the Cemetery's attractiveness. Other improvements can be made now that sufficient water is available. (Cont'd. On Back Page)

C. of C. Is Planning Annual Banquet

Plans for the annual Chamber of Commerce banquet were made Monday night at a meeting of the directors with President Maurice Bray and Secretary Russell McGee.

Present plans are to hold the banquet on February 22 if the entertainers can be here on that night. Definite announcement of the affair will be made later.

Renew Activity In Exploration For Oil In County

Two new deep wildcat oil tests with operations to begin immediately have been announced this week for Lynn county.

Mid-Continent Petroleum corporation expects to test the Ellenburger at a location five miles east and a little less than three miles north of Tahoka on the Calloway Hufaker farm. The test will be known as the Mid-Continent No. 1 W. C. Hufaker, located 660 feet from the north and west lines of section 517, block 1, GC&SF survey.

Preliminary work has already started at the site of another test 12 miles west and 2 miles north of Tahoka on the Mrs. W. D. (Annie) Nevels ranch. This test will be made of the Ellenburger by Standard Fryer Drilling company of Dallas, Max Percy and Elisha Walker, Jr., both of Chicago, will be known as the No. 1 Mrs. W. D. Nevels, and is located 660 feet from the south and east lines of section 4, block C-42 PSL survey.

The Sunray Oil corporation No. 1 Sunray-Scho-Ernest wildcat test in northwest Lynn county about midway between Lakeview and Pettit is rumored to be a failure. Early this week the test was reported drilling at 9,869 feet in time and scale without encountering any signs of the reef.

In Southeast Lynn county, the Magnolia No. 1 W. W. Caswell, west offset to their Lynn county discovery well, was reported drilling at 9,223 feet in time and cost. After encountering difficulty in their original hole and finding no pay, the operators side-stepped the old hole and went down again to retest.

Cooperation Sought In Survey At New Home

New Plan For Crop Insurance

Persons having an interest in cotton crops in 1951 in Lynn county have only until January 31 to make application for All-Risk Federal Crop Insurance.

In order to be covered by this cotton insurance, each interested person must sign an application. This includes landlords, tenants, owner-operators, sharecroppers, etc. This insurance program is being offered in this county for the first time since 1947. The insurance protects the farmer from unavoidable losses due to drought, hail, freeze, insect infestation, excessive rain, fire, tornado, flood, wind, and frost.

For full information on this program, farmers are urged to contact the local PMA office.

J. N. Gardenhire, 92, Buried Wednesday

Funeral services for J. N. Gardenhire, 92, former longtime resident of O'Donnell, who died in Austin Monday, were held at 2 p. m., Wednesday in the Church of Christ in O'Donnell. Glenn Bishop, minister, officiated, and burial was in the O'Donnell cemetery.

Gardenhire, a native Texan, was a retired farmer and had lived in Austin the past nine years. Survivors include two sons, W. L. and Gene both of O'Donnell.

A service was held at the Cook Funeral home in Austin Tuesday before the body was transported to O'Donnell.

H. B. McCord, Jr., an upperclassman in Texas Tech, has been elected treasurer of the Tech Management Association. H. B. expects to graduate from Tech this spring in Business Management.

WINNER IN CONTEST—Pictured above are Dale Thuren, local Putina dealer, and Billy Mitchell of Lubbock, company representative, making the award to J. A. Peabworth, Sr., local farmer, who won first place in the recent Mike & Ike Contest. Mike and Ike are two pigs, one of which was fed on Putina hog chow supplements and grain and reached a weight of 209 pounds, while his twin was fed on wheat shorts and grain and reached a weight of only 163 pounds. Customers buying feed were given raffle tickets, and six contestants were drawn from these 3,000 tickets. These six men participated in the quiz, in which Mr. Peabworth was the winner.

DORCAS CLASS MEETS IN HOLLIS HILL HOME

Members of the Dorcas Class of the First Baptist Church met in the home of Mrs. Hollis Hill Tuesday, January 9, for their regular monthly business meeting and social. Mrs. A. D. Riddle assisted with hostess duties.

Singing of the Class song introduced the program, after which Mrs. Clyde Spruill rendered prayer, and Mrs. Dave Polk gave the devotion on the Miracles: Water made wine at Cana, and doberman's son cured of fear.

A business session followed, after which refreshments were served to Misses T. R. Riddle, Dave Polk, Hollis Hill, A. D. Riddle, Hayette Hodges, Clyde Spruill, Lawrence Harvick, Dale Williams, and one guest, Mrs. Lennie Blair.

Go To Church Sunday.

MORE and BETTER COTTON

Why do some of the cotton seeds you plant fail to come up? Seed rot is the answer in a great many cases. Disease organisms in your soil attack the seeds and make them rot or decay, before the seeds have any chance to sprout or germinate.

The rot-producing organisms can attack your seeds in any kind of weather. Their effects are worst in a spell of cold, damp weather shortly after planting time. But even in fine weather, they can cut down your cotton crop before it ever starts to grow.

There are several kinds of harmful bacteria or fungi that can live in your soil. You cannot see them without a microscope. But you can see their effects all too clearly, by scooping up some dirt from a spot

One Didn't Get Away

BEN HARDESTY, national professional bait and fly-casting champion, proudly displays piscatorial patriarch of one of Northern Michigan's trout streams. Scene is from new 20-minute sound and color film "Fishin' For Fun" which stars trout, bass, bonefish, sailfish and tarpon. Film, just released, may be obtained free by clubs and organizations from Fisher Body Division, General Motors Building, Detroit 2, Michigan.

Make plans now to attend the Tahoka JayCee 3rd Annual Boxing Tournament, January 25-26-27.

MERCHANTS SALES PADS at The News office.

SEED ROT kills many cotton seeds before they can sprout

where you planted seeds that never came up. Just by looking at them, you can plainly see how the seeds have decayed.

Fortunately you can prevent much or most of this seed decay, and at a low cost for the chemical—less than 10¢ per acre. Just treat your seed (or have it treated) before planting, with an organic mercury dust. This will protect your seed from the bacteria that cause decay. Ask your County Agent about the value of treatment and where you get your seed treated.

JOE BAILEY H. D. CLUB HOLDS MEETING

The Joe Bailey Home Demonstration club met January 12 with Mrs. John Ragan with five members present.

Miss Hard gave the interesting and helpful program entitled "Purposes and Characteristics of Comfortable Living Rooms."

A refreshment plate of spiced tea and cake was served at the close of the meeting.

Nickname for a Navy depth charge is "ash can."

A Preacher's Point of View—

By Lee Ramsour

Consistent Religion

Reports from over the nation reveal that more people are attending church, particularly the morning service, now, than at any time since World War II. It is to be noted that there is always a marked increase in church attendance during times of national stress, be it war, financial panic, or depression. Many questions come to mind, or perhaps one question with a multitude of answers. The question is, "Why?"

Regardless of the answer at which one would arrive, the fact stands out that the same reason prevails all of the time if we will but be consistent in our thinking. We need God in peace and in war. We should worship Him in prosperity and in adversity. He is altogether worthy of our worship. He is worthy of a consistent expression of our religion in our worship and our living.

NEW HOME P-TA WILL HOLD BENEFIT PARTY

New Home P-TA is sponsoring a benefit Canasta and "42" party in the high school building there next Thursday night, January 25, at 7:30 o'clock.

Admission will be 25 cents. Everyone has a cordial invitation to attend.

HERE'S THE NEW '51 DODGE

*New Inside...New Outside
with a Completely New Kind of Ride*

NEW in more ways than cars costing up to \$1,000 more

AT A SECRET PREVIEW THESE FAMOUS AMERICANS SAID:

TED WILLIAMS—"When I first saw this new 1951 car, its smart good looks and its new engineering advances made me put it in the expensive car class," says Ted Williams, baseball's great left-handed slugger.

BETTY HUTTON—"It's so big, so roomy, with greater visibility for every passenger," says Betty Hutton, famous for her own exuberant way of putting over a song. "And so luxuriously appointed, inside and out!"

DALE CARNEGIE—"I think I know what influences people, and this new car will do it," says famous author of "How to Win Friends and Influence People" and "How to Stop Worrying and Start Living."

Soon to be seen in Cecil B. DeMille's "THE GREATEST SHOW ON EARTH," a Paramount Release; Color by Technicolor

Now YOU can see it! The new 1951 car that thrilled hundreds in secret previews coast-to-coast! Yes, famous Americans and people in all walks of life—engineers, stylists, architects, mechanics—were excited by its stunning new beauty and host of engineering improvements... were amazed that any car offering so much sells for so little!

New Riding Principle! New Onflow shock absorber system brings you a truly new kind of ride... lets you "float" down roads that stop other cars. Here's a new kind of smoothness—over the same roads that jarred and "hammered" you in the past! Whether it's cobblestones or country ruts—wheels stay on the ground.

New Watchtower Visibility! Here's visibility for all passengers through the new wider windshield and deeper, wider panoramic rear window—for greater safety, comfort. Here's new spaciousness inside to let you ride relaxed, uncrowded. Yet outside, its new beauty is sleek and trim for easier handling and parking.

See the New 1951 Dodge January 20th! Step in at your Dodge dealer's. Learn how you could pay up to \$1,000 more and still not get all the new beauty, extra room, famous dependability of this great new Dodge!

Miss Joyce Jones Weds Leldon Renfro

In a beautiful single ring ceremony read Sunday, January 14 at 2:30 p. m., Miss Joyce Jones became the bride of Leldon Renfro. The vows were repeated in the Petty Baptist Church with Rev. J. R. Turner officiating.

The bride is the daughter of Mrs. C. B. Jones of Petty, Mr. and Mrs. Clyde Renfro of Petty are the parents of the groom.

Mrs. Floyd Roan of Lubbock, pianist, accompanied Miss Carolyn Roan of Lubbock who sang "Because" and "Always" introducing the bridal party.

The bride was given in marriage by her brother H. M. Jones. She chose an aqua satin street length dress and carried a bouquet of sweet peas on a white ribbon.

Miss Geraldine Jones, sister of the bride served as maid of honor, wore a dusty pink crepe dress with a corsage of pink carnations.

Billy Don Renfro served his brother as best man.

The ring was carried on a

white satin heart shaped pillow by Billy Frank Rodgers and rose petals were dropped on the aisle by Corlene Taylor.

Ushers were Douglas Renfro, brother of the groom; Glenn and Calvin Wright, Foy Rodgers, all of Petty, and Glendale and Jimmy Lowe of Lubbock.

A reception was held following the ceremony in the home of the bride's mother, Miss Betty Turner, New Home, registered the guests. Mrs. C. J. Renfro, Petty-Tahoka, sister-in-law of the groom presided at the punch bowl, assisted by Mrs. J. R. Turner, New Home and Miss Betty Brown, Amarillo, who served the cake to lace table cloth. The two-tiered seventy-five guests.

The table was covered with a wedding cake was topped with a miniature bride and groom, and was elaborately decorated.

Both the bride and groom were students in the New Home High School.

For going away, the bride chose a black and white checked suit with white accessories.

After a short wedding trip, the couple will be at home in the Petty community where Mr. Renfro is engaged in farming.

Texas Venture

In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

Lawrence Sullivan Ross, one of the most colorful figures in early Texas, did much to establish the A. and M. College of Texas as a ranking educational institution, and put it on the way to the position it holds today. "Little Sul" as he was affectionately known to Texans of the '90s, had made his reputation as an Indian fighter, Texas Ranger, sheriff, soldier and statesman, before he came to the presidency of A. and M. Among his more noted exploits had been the recapture of Cynthia Ann Parker, his rise in the Confederate Army from private to General in four years and his effective term as Governor of the state. In the eight years from his inauguration in 1890 to his death, he enhanced the popularity and the stature of the college tremendously. The Sul Ross statue in the center of the campus is today a college shrine, while the Ross Volunteers, oldest student honor organization in the state, serve as a constant reminder of his place in the story of Texas A. and M.

MARK S. WATSON

HISTORY OF WORLD WAR II—
Volume I of the history of the War Department in World War II was issued December 15. It is entitled "Chief of Staff: Pre-war Plans and Preparations." When the history is completed it will embrace nine volumes. The author of the first volume is Mark S. Watson, well-known newspaperman whose dispatches to the Baltimore Sun won him the Pulitzer Prize for international correspondence in 1945.

In 1933, when Hitler was rising to power, the author states, the U. S. Army was at its lowest effectiveness since World War I, standing seventeenth among the world's armies.

"In the thirties," the author adds, "when war clouds were mounting both in Europe and Asia, the Army had ample time to rebuild itself, but no money. When war broke out in Europe late in that decade, the Army was given more and more money, but time, far more precious than money, now was lacking."

The book is sold to the public by the Superintendent of Documents, Government Printing Office, Washington 25, D. C., and will be available at most Federal depository libraries throughout the nation.

DR. STUART A. MACCORKLE

The Texas Economy Commission's newly appointed executive director, Dr. Stuart A. MacCorkle, will have a year's leave of absence from the University of Texas, Austin, where he is head of the Institute of Public Affairs. He will direct research and recommendations for efficient and economical reform of the Texas state government.

Top 4-H Honors Awarded Two Texas Boys

Bruce Gibson Perry Walker

National honors in the 4-H Home Grounds Beautification program went to Bruce Gibson, 20, of Turkey. His all-expense trip to the 4-H Club Congress held in Chicago recently was provided by Mrs. Charles R. Walgreen, horticulturist, of that city.

Bruce began this project in 1944, setting out elm trees around the house and leveling the yard. He keeps the buildings painted and in good repair and has inspired others to beautify their home grounds. Young Gibson led his local club in a community clean-up campaign, and has given over 200 talks on 4-H activities. An adult leader, he is now enrolled at Texas A. & M. college.

Perry Walker, 20, of Big Spring, was chosen national winner in the 4-H Meat Animal program, and was awarded a trip to the Chicago Club Congress where he received a \$300 college scholarship from Thos. E. Wilson, veteran supporter of club work.

Young Walker has won 64 ribbons and \$2,000 in cash prizes on his beef cattle and judging of both livestock and grasses. A sizeable income was derived chiefly from handling 189 beef animals on the family's 1,400-acre ranch. A capable junior leader, Perry trained several other members in showing and judging livestock.

These activities are under the direction of the Extension Service of the State A. & M. college with USDA cooperating.

1951 MAID OF COTTON — Miss Jeanne Holland of Houston will represent the cotton industry as she tours the United States, Europe and South America. A senior student at Texas State College for Women in Denton, Miss Holland is in New York City where she is being outfitted with a new cotton wardrobe.

ROLLIN MCCORDS ATTEND MASSEY-HARRIS MEET

Mr. and Mrs. Rollin McCord returned home Sunday from Racine, Wisconsin, where they attended a Massey-Harris convention.

They left Tahoka on Tuesday by car, but at Kansas City they boarded a special train carrying 300 men and women to the convention city.

Naturally they had a great time. Rollin says they were royally entertained, and also picked up many pointers on the Massey-Harris products for which he is dealer in Tahoka.

There are now 75,000 Units of Cub Scouts and Explorers in the Boy Scouts of America.

JayCee Boxing Tournament begins Thursday, Jan. 25 and lasts for three nights.

There's one thing about money — it talks, but it never gives itself away.

There are 692,325 adults serving in the Boy Scouts of America as volunteer leaders.

DR. BENOV GATTIS AND WIFE VISITING HERE

Dr. and Mrs. Benov Gattis have recently been in Tahoka visiting his parents, Mr. and Mrs. I. I. Gattis, and other relatives. They are now visiting her relatives in Oklahoma.

Benov recently graduated in optometry from a Nashville, Tennessee college.

I. I. suffered a heart attack several weeks ago. Though he is still confined to his room, he has shown improvement.

Now is the height of the season for pruning, watering and fertilizing many of the shrubs and trees used in landscaping the farmstead.

TAHOKA P-TA HOLD S INTERESTING MEET

Tahoka Parent-Teachers Association held its regular meeting in the school lunchroom last Friday afternoon, January 12.

Mrs. Lenore M. Tunbelle spoke to the group on "The Value of Reprot Cards."

Mrs. Deck Dunagan's room won the prize for having the most cookies served by the Second grade teachers.

The largest encampment in the Western Hemisphere was held in 1950 when 47,163 Boy Scouts and leaders held their National Jamboree at Valley Forge, Pa.

High Honors for Texas 4-H'ers

HIGH HONORS were accorded 4-H'ers recently for having the best records in the 1950 National 4-H Dress Revue, Canning, Safety and Poultry programs. Their awards—trips to the National 4-H Club Congress, Chicago, Nov. 26-30, were provided by the program sponsors. Highlights of their club careers are told below.

4-H means "No Accidents" to Earl Lloyd West, 14, of Memphis, Tenn. and Home Safety champion. His efforts to make home and farm a safer place in which to live and work, won for Earl the General Motors trip award. Probably the most ingenious of his safety gadgets is a staff with a snap at one end, which enables him to catch an escaped bull without entering the corral. Earl also built a small door in the corral fence which enables him to water the bull without entering the stall. Repairing gates, fences, and machinery, as well as checking fire hazards inside and out, have made his farm home a model for safety. Through many radio and public speeches, he has carried the cam-

Earl Lloyd West

Geraldine Campbell

Fred Fiebrich, Jr.

Ivy Kastner

paign for safety to the community. During four years in 4-H, Earl followed safety rules in carrying out all of his projects. His exemplary record includes two years each as leader and president of his local club.

From the original design to the finished garment has proved both fascinating and rewarding to Geraldine Campbell, 15, of Graham, who was judge winner in the Dress Revue program. Her dark green cotton pima cloth dress is made on simple lines. The cuffs, pockets and belt are tucked to add interest. To complete her costume she wears tooth colored calf shoes, straw bag and string gloves. Geraldine has been president of her 4-H Club for two years. In recognition of her abilities, Simplicity Pattern Co. sent Geraldine to the Club Congress—all expenses paid.

Fred Fiebrich, Jr., 16, of Red Oak, has been selected as one of the Extension Service of the State Agricultural College and USDA co-operating.

Long range food preservation plans won for Ivy Kastner, 16, of McDade, high honors in the Canning Achievement program. A 4-H'er for six years, she has completed 32 projects, and canning has been her favorite. Because she learned how to select and preserve fruits, vegetables, poultry and meat produced on the farm, Ivy has been able to reduce the family food bill considerably. Use of home-canned food also provided well balanced meals the year round. From the garden Ivy helps plan, plant and care for, she has canned 1,960 jars of fruits and vegetables. The young homemaker has made 60 canning exhibits, winning many honors. She serves her local club as Junior Leader and is vice-president for the County 4-H organization. For her fine record, Kerr Glass Mfg. Co. provided Ivy's trip to Chicago.

CARD OF THANKS

I want to thank every one that was so kind and thoughtful during my illness and shut-in days resulting from injuries I received in a fall early in September. I appreciated the lovely flowers, the many cards and letters and every visit from my friends and loved ones. I pray God's richest blessings on you all. —Mrs. J. F. Rackler.

Wilburn and Kenneth Reagan of Portales, N. M., were here last Sunday visiting their grandparents, Mr. and Mrs. J. R. Wyatt. Wilburn, who has been employed as a Linotype operator on the Portales Daily News, expected to leave Wednesday for service in the U. S. Navy.

The practice of self-feeding a mixture of salt and cottonseed meal is aimed at reducing the amount of labor normally required for feeding supplements to range cattle.

The two worst cotton seedling killers are regular leaf spot and scab. Chemical treatment of the planting seed will help control both diseases and will also improve the stand.

Fire Damages Cafe Building

The Club Cafe building, owned by A. I. Thomas, had a narrow escape from complete destruction by fire at about 1:00 a. m. Sunday morning, but quick arrival of the Tahoka Fire Department saved the building and contents.

Pete Shaffner happened to pass the building shortly before 12:30 o'clock, detected the fire, and turned in the alarm.

The fire evidently started in the ceiling near the kitchen and is presumed to have been caused by defective wiring. Considerable damage was done to the building interior, but there was little damage to the furnishings.

Ira Carter had the building under lease and owns the furnishings, but the cafe was being operated by Mrs. "Slim" Morgan and her daughter, Mrs. Lena Cain.

Mr. Thomas was visiting in Anson at the time of the fire, but on arrival here Monday told The News that the building would be repaired as quickly as possible.

Congratulations:

Mr. and Mrs. A. L. Holder of Wilson on birth of a daughter weighing 7 pounds 2 ounces at 12:25 p. m. Saturday in a Lubbock hospital. The father is cashier of the Wilson State Bank.

Mr. and Mrs. F. W. Chapman of Tahoka on the birth of a son weighing 8 pounds 3 ounces at 5:32 a. m. Saturday in a Lubbock hospital. He has been named Gregory Shepherd.

Mr. and Mrs. J. B. Jones of Post, route 2, on the birth of a daughter weighing 6 pounds 11 ounces at 8:40 p. m. Tuesday in a Lubbock hospital.

School Students Plan Clean-Up

Next week will be Clean-Up Week on Tahoka High School campus, according to Principal Jim Foust, and students of the school will make a special effort to clean up the campus and the school building.

The clean-up program was really started Wednesday morning of this week when the Seventh and Eighth grade students engaged in a contest to see which could pick up the most broken glass from the campus and football stadium.

The Eighth grade was the winner by a wide margin. They picked up 488 pounds of broken glass, while the Seventh grade gathered 170 pounds, a total of 658 pounds. The Eighth grade students really did the job up to perfection, however the Seventh graders claim their opponents fudged on them a little by getting some glass elsewhere. Anyway, the desired objective was reached.

MRS. JENNIE LANKFORD HAS HEART ATTACK

Mrs. Jennie Lankford, 76, suffered a severe heart attack on Friday of last week, but early this week was reported to be improving nicely.

Her children have been at her bedside most of the time since her illness. Among those here have been: Mr. and Mrs. T. C. Beard, Brownwood; Elmo Lankford and family, Denison; Melvin Lankford and family, Electra; Gene (Bud) Lankford, Abilene; and Grady Lankford, Mrs. Sam Miller, Mrs. Dan Cruise, and Mrs. Lee Martin, all of Tahoka.

Mr. and Mrs. J. B. Hosking left this week for a few weeks visit at Waco and other down-state towns.

ENTRY BLANK

MY NAME is _____, will you list it on your entry list for the 3rd Annual Tahoka JayCee Boxing Tournament, Thursday, Friday, Saturday, January 25-26-27.

My Age is _____ My Weight is _____

Signed: _____

(Mail All Entries To Tahoka JayCees, Tahoka Texas)

Garden Club Starts New Year's Work

The Tahoka Garden Club met in the REA building on January 16, 1951, starting a new year's work.

There were three new members added to the growing club. They were: Mrs. W. F. Vaughn, Mrs. G. R. Milliken and Miss Robbie Milliken.

Mrs. V. F. Jones, chairman of the year book committee presented the club-members with the new year books with a beautiful Tahoka Daisy design on the front. Frank and Billy Hall and their staff are to be complimented on the nice work done on these books.

Mrs. Albert Morrow, Counsellor for this district, reviewed the book, "Road to Survival," by William Vogt. The author brought before us the fact that we must stop waste of all kinds—through education of the people for better ways of farming, research for better methods of soil and water conservation, control of our population, and reclaiming every acre of lost farm land, can we survive starvation in fifty years.

Mrs. R. C. Bargett from Lubbock accompanied Mrs. Morrow, who is from Morton, Texas.

Mrs. E. R. Edwards gave an informative talk on the growing of Ivy and African Violets. Some points brought out were: Charcoal will keep the water fresh where you have Ivy in water; just add fresh water, and the leaves must be kept clean. There were three varieties of African Violets, and the thing important in their care is to protect the leaves from clay pots by wax paper or aluminum foil. Thin the leaves often to keep from crowding the blooms and each leaf can be rooted. —Reporter.

CARD OF THANKS

We wish to express our sincerest thanks for the visits, cards and flowers which we enjoyed while Hoyette was in the hospital and after returning home; also, for the deeds, which are too numerous to mention. Never will your kindness and thoughtfulness be forgotten. —Hoyette and its Hodges.

Mrs. Reyes Gonzales is seriously ill in Tahoka Hospital.

New Home Wins Several Games

New Home basketball team took two easy victories Tuesday night at New Home over Union High School of Terry county.

New Home boys won 41 to 17, with Kenneth Rogers scoring 17 points for the Leopards, and New Home girls were victorious by a 30 to 17 score with Joan Harrison scoring 10 points for the winning team.

Last week-end, both teams participated in the Meadow tournament, New Home boys taking second place. They won over Wellman and Sundown B, but lost in the finals to Meadow 47 to 37. They received the second place trophy.

The girls dropped two games by three points, one to Wellman and one to Ropes, the latter in an overtime period.

Rogers of the boys' team scored 55 points in the four week-end games, and Ann Cowan of the girls team scored a total of 43 points.

There will be a Freshman boys game and two girls games at New Home tonight.

Miss Gloria Ballard Weds Lorenzo Man

Gloria Ballard of Tahoka and Luther Peterson of Loreto were married in a double ring ceremony January 7 in the home of Rev. J. T. Clinton in Lubbock, the officiating minister.

Gloria is the daughter of Mrs. Ardy Anderson of Brownfield, and Luther is the son of Mrs. Peterson of Loreto.

The bride wore a brown suit, beige blouse and hat and a corsage of white carnations. Mrs. McNeely was dressed in Navy blue and wore white carnations.

Those attending the wedding were: Mr. and Mrs. W. R. McNeely and daughters, Barbara and Sandy, of Tahoka; Mrs. Andy Anderson of Brownfield; Mrs. Polly Yandell and daughter, Lynn, Dixie Moon, Mrs. Launa Dove, Wanda Short, all of Tahoka; Delores Thompson of O'Donnell; Mrs. and Mrs. Glenn of Loreto; Mrs. Glenn being the groom's sister. Mrs. McNeely served as bridesmaid, and Mr. Glenn as the groom's best man.

Following a wedding trip to New Mexico, the couple will be at home at Loreto, where Mr. Peterson is engaged in farming.

Mrs. Peterson was employed with the Southwestern Associated Telephone co. here for eight years.

Junior Team Wins Trophy

Tahoka's junior basketball team brought home the second place trophy from the Dawson Junior Tournament, held last week-end at Dawson High School gym.

The Tahoka Bullsips, made up of eighth grade boys, defeated Seagraves 25 to 12 in their opening game and Klondike 30 to 24 in the semi-finals, but lost to Dawson 27 to 19 in the finals. Roy Sherrod and Donald Parris were outstanding players on the Tahoka team.

Coach Tom Bartley's boys went to Slaton Monday night, where they took two easy victories from the Slaton Tiger Kittens, 46 to 10 in the eighth grade game, and 34 to 3 in the Seventh grade game.

Garland Huddleston ran up the amazing total of 32 points to take top scoring honors in the Eighth grade game. Gordon Smith scored 14 points in the Seventh grade game.

Slaton Juniors will play Tahoka here next Monday night.

John Yoakum Weds Miss Ima Corley

John Yoakum and Miss Ima Corley were united in marriage at the home of the bride's parents, Mr. and Mrs. Bill Corley, at Wilton on Wednesday night, January 10, Rev. West, Baptist pastor at Anson, officiating.

The bride was attended by her little sister, Joy, as bridesmaid, and her brother, O. B., was the groom's best man.

After a brief wedding trip to New Mexico, they are making their home at 2208 14th street in Lubbock.

The bride was reared near Wilton and attended Wilton schools and a Lubbock business college. She is employed as a bookkeeper at Kaykendall Chevrolet Co. in that city.

Mr. Yoakum was reared at Hillsboro, but had been living in Tahoka for about three years prior to January 1. He has been market manager here for Tahoka Grocery, but has accepted a similar position in Lubbock.

JayCee Boxing Tournament begins Thursday, Jan. 25 and lasts for three nights.

Mrs. Wilson King is a medical patient in Tahoka Hospital.

Many Purina Range Checker Feeders Get BIG CALF CROPS

Many cattlemen get 90% calf crops, or better, by feeding Purina Range Checkers to cows when range is poor. Checkers have what it takes to bring cows through in condition to drop strong calves. Checkers help cows have plenty of milk to get calves off to a fast start, too. Range Checkers have a variety of proteins, cottonseed, linseed and soybean oil meal, plus minerals, and molasses—a fine conditioner.

Please see us before you buy or book feed. **PURINA RANGE CHECKERS ARE PRICED RIGHT... made right for results you'll like!**

DAVIS & HUMPHRIES — OWNERS & OPERATORS

ODDS AND ENDS

(By E. I. The Elder)

We guess everybody is pretty well fed up on War news, especially the kind they have been handing out to us lately. But, really, at this moment, the situation looks a little better to me on both the home front and on the foreign fronts than it has looked for some time.

As for Korea, perhaps I should

say that the situation doesn't look quite as desperate for our forces as it has been looking for the past few weeks. Still, nobody can guess what a day may bring forth until tomorrow's news may be the worst ever. Right now we have a feeling, however, that if the Reds do succeed in driving our forces clean out of Korea they will do it at a terrible cost of life and equipment.

In the first place, according to estimates given out by General Willoughby, head of the Intelligence Department, the invading Red army is not nearly as large as was estimated by General MacArthur soon after they came pouring over the Manchurian line—500,000 in number, according to his estimates, with 500,000 more on the march from Red China to the Korean border. The estimate has now been cut down by Willoughby and others to about 250,000 while the opposing American forces number about 150,000 and with a much stronger air force than the Reds have. Of course the Reds may continue to increase their numbers and may succeed in driving us clean out of South Korea but not without paying for it heavily.

As for the situation in Europe, we are greatly encouraged by the fact that General Eisenhower is now over there and we'll bet he does a good job in preparing for any eventuality that may arise in that area. We are further encouraged by the fact that a large majority of Congress, in spite of the gutter-snipers, seem determined to back up Eisenhower, Truman, Marshall, and Acheson in the major part of the program recommended by President Truman the other day. Approval on the part of patriotic Republicans and Democrats alike seemed to be overwhelming. And so the policy to be established and carried out with reference to international affairs seems to have been largely cleared up and stabilized.

Ex-President Herbert Hoover's proposed plan to withdraw all our troops both from Korea and Ger-

Echo Canyon

many and to draw a defense line out in the Pacific and the Atlantic, seems to have met with no favor. It is true that there is considerable sentiment in favor of withdrawing from Korea, and at least of sending no more American troops over there at this time, in order that we may concentrate on the defense of Western Europe, and that seems to be the course favored by Marshall and Acheson, and that course probably will be pursued.

Some, both Democrats and Republicans, have been expressing the opinion, however, that we ought to extend financial aid to Chiang-kai-shek, and authorize him and the Nationalist Chinese to join us in fighting the Chinese Reds. The Administration and such powerful Democratic leaders as Tom Connolly, on the other hand, have lost confidence in the probity and the leadership of Chiang-kai-shek and have opposed such a course. It does seem to us,

however, that we ought to turn all the dogs loose at our command to fight off those fierce Red wolves.

There is one group of Republicans led by Thomas E. Dewey, of New York who would like for our country to move even faster and further in our defense program than Truman, Marshall, and Acheson propose. He wants full and immediate preparation for all-out war and a bigger army than Truman proposes, an army of 100 divisions and consisting of some 5 million soldiers.

Senator Taft is a little hard to please. For months—even years—he has been an intemperate and bitter critic of practically every thing that Truman proposes or advocates. So bitter has he been that not long ago when a fellow Republican suggested that a consultation with the President concerning some matter under consideration be had, Taft flew off the handle and said he wanted no more consultations with Truman. "It is not the business of Republicans to consult with him," he said, "it is our business to criticize him." And Taft has certainly done his share of it. Just the day before Truman addressed Congress, Taft made a speech criticizing Truman for having sent troops to Korea in the first place and also opposing the proposal to send more troops

Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID QUICK RELIEF OR NO COST Ask About 15-Day Trial Offer!

to Germany. Old Joe Stalin grinned a hellish grin at news of that and set his radios working sending the speech to the very corners of Russia and throughout his puppet nations. It was good news for Old Joe. The next day after Truman's address, Taft, too en-

vicious to approve anything Truman had proposed, got himself interviewed by newspaper men and proposed a substitute plan, in which he opposed the sending of ground forces in any considerable numbers to Europe but

"Nothing like it for a

These days it's only smart to put your money in an all-new 1951 car—and the 1951 Mercury is the buy of the year. "The buy of your life" in fact! Steady, trouble-free running, low operating costs, long dependable service, high resale value—there's nothing like the new Mercury!

Nothing like it for enduring beauty!

Admiring glances follow when Mercury whisks by—for that 1951 Mercury look is long, low, lively, and lovely. The kind of practical style that will stay popular for years! And the Mercury rides just as sweet as it looks.

Nothing like it for lasting power!

Mercury owners will tell you the wonderful story of thrift, power, and performance with Mercury's great, 8-cylinder, V-type, "Hi-Power Compression" engine. But get the facts for yourself—drive the new 1951 Mercury!

3-WAY CHOICE!

Mercury now has a triple choice in transmissions. Merc-O-Matic, the simpler, smoother, more efficient automatic transmission—or Thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also Silent-Ease synchronized standard transmission.

JOIN "MARCH OF DIMES"

MRS. BARTLEY HOME FROM CORPUS CHRISTI

Mrs. Susie Bartley and daughter, Allene, recently came back to Tahoka, after having lived in Corpus Christi for the past 14 or 15 months.

Allene's husband, who has been in the Navy for 16 years and who has been stationed at Corpus during the time they lived there, expects to go to sea soon and they decided to come back to Tahoka.

Mrs. Bartley says the Plains is not dry at all compared with that country. In 14 months, rainfall at Corpus has totaled little over an inch. It's so dry down there that liveoaks are dying, she says. Also, she says the people there are scared of everything and it's a sight, although they have no earthquakes as we know them.

Texas 4-H Orators Win State Awards

Don McGinty

Frances Jean Mullins

Don McGinty, 14, of Spur, and Frances Jean Mullins, 16, of McAdams, have something to talk about. The ability to say it fluently, convincingly and clearly, has won them state honors in the new 4-H Public Speaking program. In public talks about personal 4-H experiences and accomplishments they have been able to inspire others to do things worth while. Don's award is a beautiful 17-jewel gold watch. Frances' gift a lovely set of silverware, both presented by the Pure Oil Company.

The great value of 4-H work, which can never be measured by dollars and cents was one of the underlying thoughts of Don's speech. The friendship of interested adults, the benefits from democratic organization, the glamorizing of agriculture, and the deterring of juvenile delinquency—all these are the rewards of 4-H work, according to Don. His speech ended with a poem expressing the role mature adult leadership can play in molding 4-H youth.

Miss Mullins' speech dealt with the role 4-H members can play in promoting good government, by taking the fullest advantage of their education, and by taking an active interest in American government. She expressed the belief that America's youth can become even greater leaders than their forebears.

This activity is under the direction of the State Extension Service with USDA cooperating.

WINTER SUNTAN

Winter sunshine is the best of all, says this eye-catching Florida vacationer who has migrated south to escape the ice and snow. To absorb her quota of Vitamin D, the pretty sun worshipper wears a trim, strapless short-sleeved outfit. She made the mid-colored shorts suit from dyed cotton flannel and a contrasting striped skirt and jacket from gaily striped feed bags.

"Broncho" is Spanish for "wild" or "untamed" which is certainly the kind of horses that will be seen in the world's greatest indoor rodeo at the Southwestern Exposition and Fat Stock Show in Fort Worth, Jan. 26 through Feb. 4. This bronco and cowboy suddenly parted company during last year's rodeo.

Some 375 of the greatest cowboy contestants will seek to cope with the wildest of stock for \$50,000 in prizes in magnificent Will Rogers Memorial Coliseum. Verne Elliott, "Mr. Rodeo," again is the producer.

Sugar and Spice—And Very Nice!

The children in your family can play at being Hansel and Gretel if you prepare the delicious "Cookie House" suggested by Durkee Famous Foods as a winter party centerpiece.

Nicest feature of the novel centerpiece is that it can be eaten after it is used. Made with the aid of a cut-out pattern, the spice house is a miniature replica of a snow-covered cottage. Your local grocer can tell you how to obtain the pattern and recipe for this centerpiece.

COTTON QUIZ

HOW DOES KING COTTON SERVE THE ARMED FORCES?

ANS—MORE THAN 11,000 ITEMS FOR MILITARY USE ARE MADE OF COTTON!

Storage batteries left on motors which aren't used often tend to lose their charge and if they are not recharged regularly during the winter months, they may freeze and crack when the temperature drops to near zero.

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL and by taking HADACOL she is helping her system overcome deficiencies of Vitamin B₁₂, B₆, Nicotin and Iron, which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 56 years old."

© 1950, The Lettec Corporation

Since 1910, more than 17,750,000 American boys and men were active in the Boy Scouts of America.

JayCee Boxing Tournament begins Thursday, Jan. 25 and lasts for three nights.

The 7th World Scout Jamboree will be held in the summer of 1951 about 35 miles south of Salzburg, Austria.

"It's a Matter of Good Taste"

More pleasure per cup—More cups per pound

that he was playing right into the hands of the Russians, he strutted his stuff by pompously asserting that he was in favor of definitely saying to the Russians, "If you attack Western Europe, you will find yourselves at war with us." A terrific warning indeed after telling them that we will have no army over there to meet them!

But Taft, and that other phlegmatic, narrow-minded little Senator from Nebraska, Whiting Wherry, and the thoroughly discredited and disgruntled Senator McCarthy from Wisconsin, were about the only members of the Senate that voiced any bitter criticism of the President's proposals. We are not saying that

Truman deserves no criticism. We are sure that he has made some serious blunders. We are sure that Adlai Stevenson is a Communist or a sympathizer of the Communists. We believe that both are patriotic Americans. And President Truman is the leader of our country in this time of great trial; at this time when we are facing possibly the most powerful and the most diabolical gang of outlaws that ever faced any country. For the sake of our country we should give him our cooperation and support. Surely we should not criticize him at a time and in a way that would be harmful to our country.

These who do criticize intemperately, from selfish or partisan motives, thereby afford aid and comfort to the enemies of our country and certainly should pause and think before pursuing such a course longer. I for one, therefore, am going to oppose those who maliciously abuse and slander the President and those who are associated with him in the Government. I believe most of you will do that too.

Our own state legislature is in session again. The last legislature did a considerable amount of constructive legislation, but it thereby made it necessary to spend a lot of money. This legislature, therefore, must be economical if it would serve our people well.

There are some things, however, that should be done. Some of our state hospitals need to be improved. There is an institution for children of sub-normal mentality down here at Mexico that needs some new fireproof buildings. Perhaps a thousand children or more are being cared for down there in frame buildings that are highly combustible. If a fire should break out on some cold, windy night, scores of them might be burned to death. We hope that Governor Shivers submits that matter to the legislature for attention.

Under the constitutional amendment adopted by the people two years ago, the legislature must redistrict the state into congressional, senatorial, and representative districts this year. If it does not do so, it will then become the duty of a board of state officers to do so. Because of the fact that any fair and equitable redistricting bill will involve the abolishment of some of the existing districts and radical changes in others, there will probably be a lot of sparring and bickering over any bill that may be introduced, but we hope that a

THANKS FIRE BOYS

Tahoka Fire Department is due a lot of credit for the fine work they are doing, and without pay. I wish to publicly thank them for the fine work they did Saturday night in saving the Club Cafe building from possible total destruction. The volunteer firemen are doing one of the finest jobs of public service of any group in Tahoka. —A. I. Thomas.

ALL-STAR LINE-UP FOR '51!

FIRST DISPLAY SATURDAY

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by

the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare- and heat-reducing glass and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.

winning field goal in the last few seconds to make the final score Tahoka 28, Post 26.

Defeat Seagraves

The Bulldogs won two and lost two games in play last week-end, and the B team won the only game it played.

Thursday night here, both the A and B teams defeated the Seagraves Eagles. The A team won its game 51 to 38, with Wayne Dekeil pouring 21 points through the basket for Tahoka to take the high-point honors. The Bulldogs hit 11 of 14 free shots. They led all the way—9 to 7 at the first quarter, 21 to 13 at the half, 34 to 27 in the third.

The B team defeated the Seagraves B 42 to 26. This was a close game for a half, the score being 6-6 at the first quarter, 20-17 at the second, and 28-19 at

the third. Jackie Sloyer was high for Tahoka with 14, while Stafford of Seagraves scored 17 of his team's 26 points.

Abernathy Tournament

In the Abernathy tournament Friday and Saturday, Tahoka defeated New Deal but lost to Sudan, and Abernathy, two of the top teams of the entire Plains. However, the Bulldogs were presented a trophy for best sportsmanship shown by any boys' team in the tournament.

Lynn Hadamicek was named to the all-tournament team along with Jack Kirkpatrick of Post, Philan of Loveland, Harlan Pickett of Sudan, and Riley Wooten of Abernathy. Sudan took first, Loveland second, Abernathy third, Tahoka fourth, and Somerville beat Post for consolation honors.

The Bulldogs won their first game Friday afternoon over New Deal 38 to 21. Morgan Howie was high point man with nine points.

That night, Tahoka met Sudan, the ultimate champion, against whom they played an excellent game, but height and experience was out in the end for the Sudan Hornets, who scored 49 points to the Bulldogs' 28. Highlight of the game was Hadamicek's guarding of the great Harlan Pickett. Lynn scored 10 points while holding Pickett to 14.

Saturday afternoon, the Bulldogs met Abernathy, who had been tossed out Friday night by Loveland, but were "cold" and went down in defeat to the tall Antelopes 45 to 25. Wooten and Hadamicek tied for high point honors with 11 each. This was Abernathy's third victory over the Bulldogs, the two other games being by 35-31 and 44-38 scores. Only other games lost by the Bulldogs have been to Sudan, Sandown, Denver City, and Post.

Tulsa Tournament

This week end, the Bulldog squad, only two of whom are Seniors, are getting more experience in the annual Tulsa tournament. They were to meet Lockney in their first game Thursday at 2:00 p. m.

Next Tuesday night, the Bulldogs will play Slaton in their "crackbox" gym, which always puts a visiting team at a great disadvantage, and on next, Friday they play the Brownfield Cubs at Brownfield.

Cemetery

(Cont'd. From First Page)

Heretofore, the Cemetery has had to depend on two weak water wells for water, and it has been impossible to improve the cemetery as it should be improved.

Also, those having relatives buried in Tahoka Cemetery have been very lax in payment of dues. In fact, there are only about 200 paying dues into the Association, which is not nearly enough. If the caretaker is to be retained and if water is to remain available to lot owners.

The City of Tahoka has spent about \$2,000.00 in connecting the Cemetery with the City water system. Now the Cemetery must pay for the water used.

Just how this will be done has not been decided. Mr. Pennington told The News. However, it will be necessary either to levy an additional blanket assessment on all members, or levy an assessment on those who use the water and allow no use by those not paying.

Boxing

(Cont'd from front page)

fore by fighters from other towns and fight promoters, radio stations, newspapers, and by the Tahoka JayCee members working on the event.

This week-end, members of the JayCees will visit a number of South Plains towns to inform and invite fighters to the event and to get all possible entries.

Wednesday has been set as the last day for entries. Weighing-in will be Thursday afternoon from 1 to 5 o'clock. Elimination bouts will be held Thursday and Friday nights, with the finals coming on Saturday night.

Tickets are on sale at both drug stores here and are \$1.20 for adults and 60c for students. Ring-side reserved seats are 30 cents extra. Proceeds will go to the High School Athletic department and to the JayCees.

Adult Typing Class Planned At School

At the request of several local ladies, Tahoka High School is considering offering a night course in typing to begin at an early date, if sufficient adults are interested.

Floyd Tubb, commercial teacher, would conduct the class which would meet three nights a week for two months. It will be necessary for 16 people to sign up for the course at \$15.00 each.

Anyone interested in the course should call Principal Jim Foust at the High School immediately.

An O'Donnell woman cafe operator was fined \$200 and costs in county court here Wednesday on a plea of guilty to possession of liquor for purpose of sale.

ate an expression of the desire of members, who are asked to consult Mrs. Helen Ellis, secretary-treasurer, at the Deen Nowlin building.

In addition to the two named above, other officers include Mrs. Hall Robinson, vice president; and Calvin Edwards and Maurice Small, directors in charge of maintenance.

At the present time, membership fees are \$5.00 a year, and those having loved ones buried in Tahoka Cemetery and not now paying are now respectfully asked to help out in this worthy cause and not let the loyal members carry all the load.
