## Rebels Dump Cooper

The Rivercrest Rebels passed their way to an 18-14 victory September 13 over the Cooper Bulldogs, with quarterback Jimmy Curties completing eight out of 16 attempts for a total of 151 yards. Prime receiver was a junior end Gary Neil, who caught five for 101 yards. Good protection was part of the secret to the success of the Rebel passing game, as the Rebel line kept their heavier counterparts from dropping Curties behind the line, and gave him time to find his target.

The 151 yards gained in passing yardage for the Rebels, added to 101 yards on the ground for a total offense of 252 yards gave Rivercrest a slight edge over the heavier Bulldogs, who accumulated 223 yards rushing and 3 yards passing for a total offense of 220 yards.

The Rebels started slowly in the first quarter, having problems containing the Cooper 185-lb. halfback, Blake Shaw. The Bulldogs gained 66 yards and put six points on the board in that quarter, while the Rebels lost seven yards on the ground and attempted no passes. There was one turnover in the first quarter, when Cooper quarterback Rodney Rainey fumbled on the Rivercrest 23 and Rebel Cecil Johnson recovered. The Rebels were unable to move the football, and Jerry Curties went back to punt with his back to the Cooper end zone. A high snap from center went over Curties hands, and the Bulldogs dropped him on the Rivercrest 10 yard line.

Shaw powered in from the 12 for the Bulldog's first score.

Jimmy Curties found his passing arm in the second quarter, and connected his first attempt with twin brother Jerry for 16 yards and the Rebels second first down

of the ball game on their own 47 yard line. A personal foul against the Bulldogs made it first and 10 from the Cooper 40, and halfback Glenn Fulbright gained nine around the left end on the first down. Quarterback Curties on a keeper gained the first down on the Cooper 40. Curties' only interception of the night came on the next play, when Cooper's Rodney Rainey snatched the ball on the Cooper 15 and returned it to the Cooper 30 yard line.

An unsuccessful series by Cooper followed an unsuccessful series by Rivercrest, when Jerry Curties booted a 40 yard punt to give Cooper possession on their own 23 yard line. Halfback Blake Shaw did most of the damage during the Bulldog drive for their last score, but quarterback Rodney Rainey made the points when he circled left end for the touchdown, then went around right end for the conversion.

An attempt for an onside kick by the Bulldogs backfield and gave the Rebels the football on the Cooper 44 yard line. Curties stood in the pocket and fired three passes, completing one of the three to Jerry Curties for four yards. On fourth down and six yards to go, Curties handed off to Fulbright, who swept left end for 12 yards and first down.

Curties dropped back on the next play and found Gary Neil in the end zone in the last minutes of the first half for the first Rebel touchdown. The try for extra points was no good.

The Rebels kicked off to the Bulldogs to begin the second quarter, but got the ball back on their own 34 yard line following a stymied Bulldog series. The Rebels marched the 66 yards to the goal line in 12 plays, highlighted by a 21 yard pass from Curties to Neil for one first down, and an 11 yard pass to Neil for another

first down. Curties made the next first down all alone on 17 yard run around left end for 13 yards. Glenn Fulbright gained six and four yards for the next first down, and put the Rebels on the Cooper seven with first and goal. On the fourth down, Fulbright struggled in from the two for the score. Curties' pass attempt for the extra point to Jerry Curties was no good.

The Rebel defense forced Cooper to punt the ball away on their next possession, putting the ball in play for the Rebels on their own 39 yard line. Quarterback Curties connected with his longest throw of the night of 30 yards to Jerry Curties, putting the Rebels on the Cooper 31 and in scoring position. A fourth down pass from the Cooper 25 from Curties to Neil was incomplete at the goal line, with the ball going over to Cooper on downs.

Possession of the ball was not long lived, and Cooper punted to Randy Jones on the Rivercrest 30 yard line, who returned the ball to mid-field with a 16 yard run.

A 17 yard pass to Neil put the ball on the Cooper 38, followed by a 20 yard pass that put the Rebels on the Cooper 40. Fulbright took over from there, and ran nine yards, three yards, and then seven yards for the final Rebel score. The try for extra points was no good.

Individual performances turned in by Rebels against the Cooper Bulldogs are as follows: Glenn Fulbright made six first downs, attempted one pass, carried the ball 26 times for a total of 86 yards, returned a kickoff for 14 yards and scored 12 points; Cecil Johnson recovered a Bulldog fumble; Jerry Curties made two first downs, recovered one fumble, caught three passes for 50 yards, lost 25 yards rushing, intercepted a Bulldog pass, returned one kickoff for five yards and punted four times for 130 yards, including one punt of 61

yards and one for 40 yards; Jimmy Curties made two first downs, recovered and lost one fumble, had one pass intercepted, completed eight passes for 151 yards, attempted 17 passes, carried six times for 21 yards, and kicked off four times for 167 yards, and

### Pylant Grocery Celebrates

#### 1st Anniversary

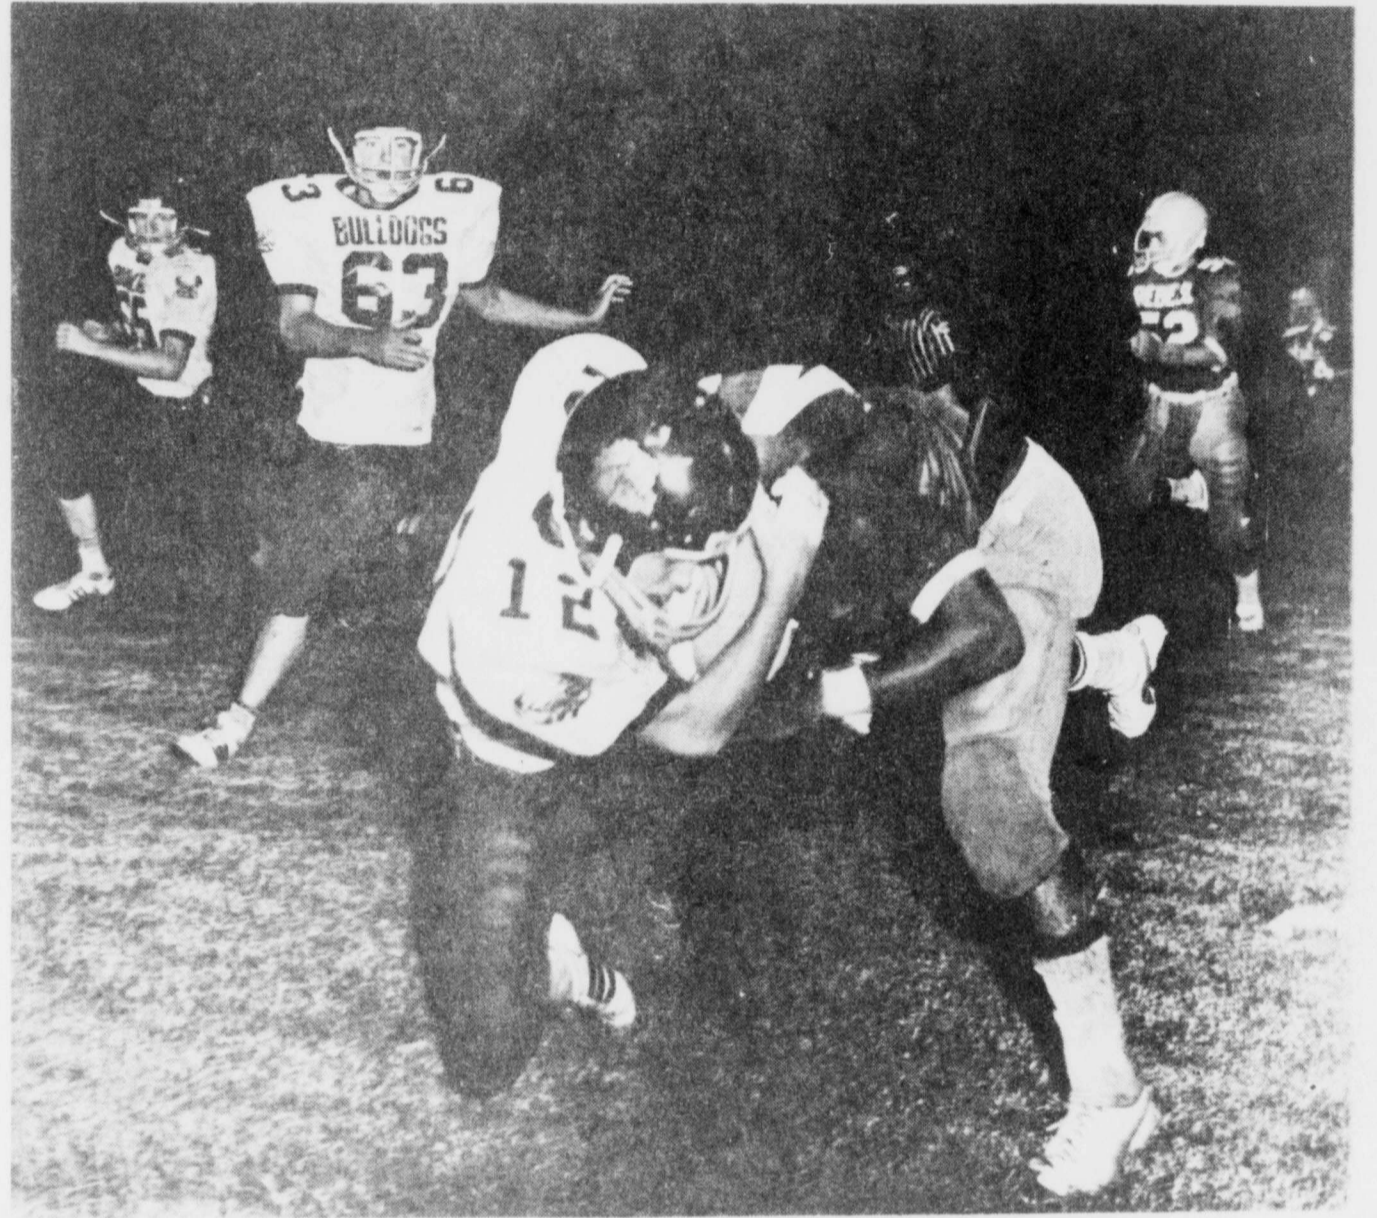

Pylant Grocery, owned and operated by Steve Pylant, is celebrating its first anniversary in business this month.

The Pylants have three children, a boy and a girl of pre-school age and a girl that is nine years old.

Both Steve and Carol Pylant are natives of San Antonio, and are now members of the Calvary Baptist Church in Talco. Don Pylant, a brother, works at the store, and is a graduate of Clarksville High School.

Lynn Carroll has worked as a checker in the store and has been with the business since the opening.

Pylant Grocery is open until 6:00 p.m. except on Friday, when closing time is 7:30 p.m.

THE HARD WAY—There is often no easy way to stop Rebel halfback Glenn Fulbright, so Bulldog end Randy Reynolds just took a blow in the chest and pulled him down. Randy Carroll and Keith Mankins are other Rebels visible. (Staff Photo)

REBEL BAND—Performing at half-time for the first time this season was the 1974-75 Rebel Band under the field supervision of Terri Hanna and directed by Tommy Harris. (Staff Photo)

## Rebels Junior Varsity Defeats Cooper

The Rebel Junior Varsity went to Cooper last Thursday, Sept. 12, and won their first game 12-8. It was a misty and dreary night which caused many fumbles mostly by the Bulldogs. The Rebels scored first by recovering a Cooper fumble on the Cooper 20 yard line. The Rebels drove it down to the two yard line with the running of Milton Scales, Jimmy Patton and Jim Forsyth. Then Chris Potter took it across the goal line himself on a bootleg. The attempt for two points was unsuccessful. The Rebels scored later in the second

quarter with a run by Jimmy Patton. The first half ended 12-0.

The second half saw Cooper take command as they scored quickly to make it 12-6, then the Rebels defense took over with good effort by Mark Hudson, Tom Broadway and Rodney Birchfield. With three minutes left to play and deep in their own territory, the Rebels punter Joe Rhodes took an intentional safety to get the ball out of their end of the field. The Rebel Junior Varsity will play this Thursday night here at 7:30 against Prairiland.

## Local Cystic Fibrosis Drive To Be This Month

Mrs. Dorothy Jones, Talco Cystic Fibrosis Campaign Chairman, announced this week that volunteers would begin a door to door fund raising drive for the month of September. Workers are needed to help with the drive, Mrs. Jones said, and are asked to contact her at 379-2781 in Talco.

Cystic Fibrosis is a disease that clogs the lungs, and is the number one inherited killer of children. Michael Doyle, the 1974 Poster Child for the foundation, is just one of millions of youngsters with lung damaging diseases in America. They all need help, care and the benefits of the research supported by the

### Chicken Dinner Slated At Hagansport

A chicken and dressing dinner will be served at Hagansport Community Center Tuesday evening, Sept. 24, beginning at 5:00. Homemade pies will also be served.

The price will be the same as for daily meals, under age 60, \$1.25; age 60 and above, 75 cents.

Everyone is invited.

## Right-Of-Way Survey Authorized

The State Highway Commission has issued authorization for advance planning to make location surveys and determine right-of-way requirements for the construction of two additional lanes on U.S. Highway No. 271 in Red

River and Franklin Counties. Previous authorization for the same type of planning, which is now under way, has been given for this section of U.S. 271 in Lamar County from Paris to the Red River County line. This authorized work will be under the joint direction of Mr. James B. Hutchison, Jr., senior resident engineer at Clarksville and Mr. Bob B. Baker, senior resident engineer at Mt. Vernon.

The East Texas - Gulf Coast Highway Association is sponsoring the development of the "Green Carpet Route" to complete a four lane highway from the south terminus of the Indian Nation Turnpike at

## Cattlemen Meet With Ag Secretary

A group of Red River County cattlemen were to leave Clarksville Wednesday afternoon for Dallas to board a flight to Washington, D. C. and a meeting with Texas Senator Lloyd Benson and Agriculture Secretary Earl Butts.

The meeting Thursday morning will focus on the government approval of importing beef from foreign sources, thus driving down the cost of domestic beef, while at the same time selling grain and fertilizer to foreign buyers, creating a shortage in

the United States and thereby driving the cost of raising beef up.

The local cattlemen will join others from Northeast Texas, and the full entourage will total 150. Of that number more than 20 are from Red River County, and two are

from Bogata. They are Neil Rozell, Marion Mitchell, Lee Perkins, Bob Harvey, R. L. Moore, W. S. Barber, Otto Moser, Travis Duren, Jo Ed Russell, Whit Haganam, Kyle Harvey, Carl Howland, Elwood Elkins, Dwight Woods, Marion Ogilvie.

## Board Tours New Vo-Ag Facility

The Talco-Bogata School Board took a tour of the new vocational agriculture building at Rivercrest before their meeting September 10.

Vocational Coordinator, Morris Trimm, vocational agriculture teachers, Craig Ingram, Pete Taylor, and Industrial Arts teacher, Kenneth Pirtle conducted the tour. The Board members expressed much pleasure and satisfaction in this excellent facility that is now available to our vocational students. Tentative plans call for an Open House sometime during the school year when these facilities will be shown to the public.

After the tour of the vocational facility, principals Larry Tucker, Robert Giddens, and B. A. Holbrook gave brief progress reports of their individual schools since the

opening of the new school year. From the reports, it appears that school is off to a good start even though there are always areas of concern to the Board and Administration that they would like to see improved. Also, Richard Garrison, Tax Assessor and Administrative Assistant, gave a brief report on the collection of delinquent taxes and other information related to the Tax Office.

In matters pertaining to personnel, June Stanley was approved as a Plan A Aide on the Bogata campus and Dot Morgan was approved as a Plan A teacher at Rivercrest until a permanent teacher can be found for this position. Also, Kenneth Pirtle and Willie Lee were approved as bus drivers and will share a route. In the maintenance staff, Mrs. Bill Stockton and

F. E. Wilson were approved by the Board as part-time janitors. Margaret Foster, who is employed as English teacher in the Bogata School was designated also as girls' basketball coach at Bogata Junior High. Mrs. Foster, in addition to have a teaching field in physical education was also a Rebelette while attending Rivercrest and has

### Plans Formulated By Rivercrest Homemakers

The Rivercrest Future Homemakers met Thursday, September 12, to discuss plans for the coming year. President Lelea Goodroe presided over the business meeting. The 1974-1975 officers were introduced, and new members were welcomed.

The three concerns chosen for the coming year were: (1) Jobs and career opportunities, (2) School citizenship, (3) Nursing home program. Plans were made to attend Six Flags, October 12. Freshmen initiation was discussed, and a committee was appointed to make plans for the September 18 event. Members were also reminded of the Candy Kitchen to be held September 20.

James W. Cravens, the Texas Highway Department's district engineer at Paris, stated that the portion of the "Green Carpet Route" in Lamar, Red River, and Franklin counties will be developed to a four lane facility, in sections, as right-of-way and construction funds are available.

a strong interested in girls' physical education. In other matters, the Board gave consideration to various recommendations made by Rivercrest principal, Larry Tucker, and the high school staff as to policies related to grading and attendance at Rivercrest. Some of the recommendations were tabled and some were approved. Details will be furnished to teachers, students and parents when finalized.

Superintendent Talmadge Morgan gave a brief summary report of the financial operations of the school with the close of the 1973-74 fiscal year. Mr. Morgan reported a balance of \$25,234.00 in the

General Operating Fund and \$8,094.00 in the Interest and Sinking Fund which along with balances in other funds gave a total of \$33,361 at the end of the 1973-74 school year.

In final action, the Board gave approval to the purchase of a new school bus for the 1975-76 school year and approved the various financial reports. Also, there was a brief discussion of the use of school facilities by Ex-Students, use of school vehicles, and the water situation at Rivercrest.

The next regular meeting of the Board will be on Tuesday, October 1, 1974 at 7:30 p.m. at Rivercrest with the public cordially invited to attend.

## Preschool Immunization For Red River County

The Texas State Department of Health, Public Health Region VII office announced plans today for the continuation of a series of monthly immunization clinics for preschool children in Red River County. The clinics will be conducted in the office of the Chamber of Commerce, Clarksville, Texas.

The next clinic will be held September 18, 1974. Clinic hours will be from 10:30 a.m. to 12:00 Noon, and 1:00 p.m. to 2:30 p.m. Future clinic dates will be announced.

The Health Department emphasizes that this clinic is planned for preschool children at least two months of age, and who have not been previously enrolled in the first

grade. School age children will not be eligible to attend, since immunizations are offered through all public schools in Red River County on a yearly basis. This clinic is intended only for those children who do not have a family physician. Immunizations to be offered include measles, rubella, oral polio, and DPT. Parents are reminded to bring the child's immunization record if it is available. All children must be accompanied by a parent or legal guardian.

The Public Health Region VII Immunization Staff is being assisted by the Red River County Hospital Auxiliary in conducting the preschool clinic.

LOCAL DRIVE—Michael Doyle, the 1974 National Poster child of the National Cystic Fibrosis Research Foundation, will always remember his visit with the man who became

the President of the United States. President Ford will declare the month of September the National Cystic Fibrosis Breath of Life Month, and the local door to door drive will begin this month.

### AMERICAN LEGION TO MEET TONIGHT

The American Legion meeting set to discuss Bingo last Thursday was cancelled because of high water, according to S. A. (Nig) Woodall, commander, but will be held this Thursday at 7:30 p.m. at the Legion Hall in Deport.

## OBITUARIES

**Perry Humphrey**  
Perry W. Humphrey, 519 Parr Ave., died at 5:30 p.m. Monday in McCuiston Medical Center. He was a retired farmer.

Funeral services were held at 2 p.m. Wednesday in the chapel of Gene Roden's Sons, Directors of Funerals. Sister Virgie Temple officiated and burial was in Evergreen Cemetery.

Mr. Humphrey was born Jan. 31, 1887, in Biardstown. He was a Methodist.

He is survived by his wife, the former Ida May Smith, two daughters, Mrs. Leo Dodd of Paris and Mrs. F. B. Gunn of Dumas; three sons, T. E. Humphrey of Houston, Jack Humphrey of Houston and Hoyt Humphrey of Paris; a brother, George Humphrey of Pattonville; nine grandchildren; 17 great-grandchildren and three great great grandchildren.

Mrs. Robert Gillis of Bogata is a niece.

**High Heat Ruins Meat**  
Use the coals, not the fire, to cook meat on an outdoor grill. Broiling at low to moderate temperature makes for juicier and more tender meat. It also means more meat to serve and enjoy since high temperatures increase cooking losses. It is important to let the charcoal burn until covered with a gray ash (30 to 45 minutes) before putting steak, chops or burgers on the grill. If coals are spaced about a half inch apart and in a single layer, flare-up is reduced.

Spider lilies like shallow planting with no more than two inches of soil over the tips of the bulbs. They will grow in sun or shade (remember that they have their foliage in the winter and early spring to make blooms for fall), and most types of soil will please them as long as it is well drained. The blossoms last much longer if they bloom in the shade and if ample water is available. Feed them with a good bulb food after blooming (bonemeal is great too) and be sure and not cut the foliage all winter and spring as this will produce the food to make next seasons blooms. They rarely need dividing so they are the lazy gardeners joy, do plant some this week. **HAPPY GARDENING!**

This is the week to start hardy annuals like bluebonnet, pansy, pink, corn flowers, snapdragon, calendula, phlox, larkspur, delphinium, calopsis, gailardia, and for-get-me-nots. Start the

## Gardening Made Easy

By Barrie L. Kridler

The past showers have brought solid masses of red spider lilies out of hiding from under lawns and in flower beds where they have been dormant since spring. These have to be one of the easiest and most "magical" of the bulb tribe we can grow in the fall. The foliage will appear in a few weeks, stay green all winter into spring, and then disappear. Blooms appear as if by magic after a good watering or a heavy rain in September - usually over night! Drifts of them on banks, under trees or as border plantings rival the red azaleas of spring. Try them mixed in solid beds of ground cover such as english ivy, ajuga, maiden hair fern (particularly outstanding!) or liriope's and monkey grasses. This same area planted to daffodils and narcissus will be equally as colorful next spring and all of this is possible with a single planting this fall.

In Japan where the Lycoris (spider lilies) are native there is a legend explaining their origin. A warlord from across the mountains kidnaps a beautiful maiden for his own from the young man she is engaged to. The young man follows their trail over rough and rugged terrain for many days and as he gains ground on the fleeing party they try to elude the young man by taking trails through thorn patches. The young man still struggles on but a sudden mountain storm comes up and erases all traces of the trail. The heart broken man too weary to go on falls asleep under a tree and is amazed to find in the morning light, glowing red lilies in patches marking a faint trail. The young maiden's feet had been torn by the thorns and drops of blood had changed into the beautiful red spider lilies by the rain. The young man ran ahead following the lilies and easily over-came the captors who thought they were saved by the rain storm. Thus a maiden was saved and we are richer for the beauty of the flowers.

Be sure to grow some pansies, for get-me-nots and johnny-jump-ups for filler around your bulb plantings as these bloom months before your tulips, daffodils and hyacinths and will continue for months later to help mask the ripening foliage and give double color to the same area. Contrast with red tulips, blue for-get-me-nots and pure white pansies or yellow narcissus, powder blue pansies and snow white dianthus (pinks). There are dozens and dozens of combinations to work out so try a few this year and do something else if you want next year. With all the new colors and varieties of plants coming along you will never need to repeat yourself ever in the years to come. If you want to be patriotic in the Spirit of '76 try this combination that I saw worked out at the Park Seed Co. field trails and worked well for me last year. 3 white dogwood trees under planted with "Snow" and red "Christian Cheer" azaleas in a semi-circle. In front of these were massed "red Matador" tulips and pure white "Thalia" narcissus. Interplanted like a cloud of sky blue baby's breath were dozens of light blue for-get-me-nots and the whole front bordered with violet blue and pure white pansies. If it sounds like a dream, it was, so get busy with your own dreams and make some plans! **HAPPY GARDENING!**

## your week ahead BY DR. A.W. DAMIS

- Forecast Period: September 22 to September 28
- ARIES** Mar. 21 - Apr. 19  
You should have small difficulty in seeing that members of the other sex aren't "advertised." In other words, take care! You might misread a friendly gesture.
  - TAURUS** Apr. 20 - May 20  
Good things are scheduled to happen to most members of your sign. These "good things" will be hidden, rather than apparent. However, look for a productive week!
  - GEMINI** May 21 - June 20  
Once again, the more light in your eyes—the blinder you become. You face a week of empty promises. So, don't commit your feelings too easily.
  - MOONCHILD** June 21 - July 22  
Delegating responsibility, at this time, is not one of your strong points. Try to lighten your workload—you'll have too many irons on the fire.
  - LEO** July 23 - Aug. 22  
Avoid an emotional explosion. Remember, your temper can get you into trouble and your pride will keep you there. You're prone to hear wrong upon wrong.
  - VIRGO** Aug. 23 - Sept. 22  
A little bit of money might get you into a lot of trouble. How? A down payment, for example, or a promise—could parlay into a long term debt.
  - LIBRA** Sept. 23 - Oct. 22  
We are never treacherous, that is, according to our own light. Nonetheless, you are inclined to manipulate people—who incidentally, won't fit into your design of things.
  - SCORPIO** Oct. 23 - Nov. 21  
Hold your ground against outside pressures. Don't let anyone, including a superior, push you into a hasty decision. Also, overlook provocations that come from the other sex.
  - SAGITTARIUS** Nov. 22 - Dec. 21  
You're highly susceptible to being persuaded by a, rather, shifty associate. Try to check the motives behind the advice you're receiving, this week.
  - CAPRICORN** Dec. 22 - Jan. 19  
Many under your sign are prone to exchange secrets, during this week's cosmic cycle. Remember, what you disclose could trick open "warfare" among your associates.
  - AQUARIUS** Jan. 20 - Feb. 18  
Spending money and speculating, believe it or not, are recommended to bolster your spirits. It seems as though you'll need relief from "budget" pressures.
  - PISCES** Feb. 19 - Mar. 20  
You will undergo a high degree of emotional sensitivity. Avoid the urge to provoke your mate or similar alliance; don't put associates to the test.
- PERSONALITY PROFILE**  
For your Sun Sign Analysis, send the day, month, year and place of birth, plus \$1.00 for postage and handling to Dr. Andrew W. Damis, P. O. Box 12766, St. Petersburg, Florida 33733.

**COOK WANTED**—Experience preferred but not required. To cook with Saladmaster Cookware at new cafe in Deport. Apply in person at McGill's Coffee Shop.

WHERE WOULD YOU GO to find cots, carbide, fondue oil, canary food, washboards, cabinets, lamp chimneys, lamp wicks, bottle caps, scented lamp oil, stove pipes, dampers, elbows, lard cans, and, oh, yes, "beeswax" plus many more hard to find items? Why, I would go to Ace No. 2505, pay cash and save like hundreds of other smart shoppers are doing, and by the way, if you do not have a lamp to burn and enjoy that scented oil, we have those too.

### Shippo Burglarized

Shippo Grocery and Station, located on Hwy. 271 in Deport, was burglarized sometime Monday night or Tuesday morning, with loss of approximately \$200 in money.

A couple of knives, a tear gas pistol and three boxes of teargas shells were also taken.

## Talco Personals

By Joyce Alexander

Mr. and Mrs. John Northam visited Sunday with her sister, Mrs. Beulah Thigpen who is a patient in a Naples hospital.

Mr. and Mrs. Tommy Rolf and boys of Mt. Pleasant were Sunday guests in the home of her parents, Mr. and Mrs. Leo Roberts.

Mrs. W. E. Puckett of Gilmer is spending the week with her daughter, Mrs. Leo Roberts and Mr. Roberts.

Mrs. Clarence Leake has been dismissed from the Titus County Memorial Hospital in Mt. Pleasant.

Rev. Johnny Umphries attended a Youth Seminar at the South Jefferson Baptist Church in Mt. Pleasant, Thursday, Friday and Saturday night.

**CORRECTION**—The Book Lovers Club will meet in the home of Mrs. Ollie Jones on Oct. 4 instead of Mrs. J. H. Weatherall as reported last week. Mrs. Weatherall will have charge of the program.

Sunday luncheon guests in the home of Mrs. Ivy Smith were her mother, Mrs. Willie Mankins of the Red River Nursing Home in Bogata, her sister, Mrs. Tommy Lou Austin of Bonham and her friend, Joe Masters of Dallas, and Mrs. Smith's brothers, Preston and Leston Mankins of Mt. Pleasant.

Robert Wright is home after several days in the St. Paul's Hospital in Dallas.

Mrs. J. F. Swope returned home Wednesday after a three week visit with her sister-in-law and brother-in-law, Mr. and Mrs. Chester Swope of Wilson, with Mr. and Mrs. Tommy Mitchel and Mrs. E. L. Swope in Levelland. While there Mrs. Swope and Mrs. Mitchel went to Kileen where they visited relatives. Enroute home Mrs. Swope visited relatives in Dallas.

Marshall Sikes was in Houston last week for medical treatment at the M. D. Anderson Hospital. He entered the Titus County Memorial Hospital on Monday.

Miss Rhonda Umphries of Texarkana spent the weekend with her parents, Rev. and Mrs. Johnny Umphries, Regina and Lisa.

Mrs. Vivian Westbrook of Talco and Mrs. Alma Lowry were in Blossom Sunday afternoon to attend the ordination services of their nephew and son to the office of deacon.

Mrs. Lena Westbrook left Thursday by plane to visit her nephew and wife, Mr. and Mrs. John Blackwell in Hawaii.

Mr. and Mrs. George Burleson and Gary Joe of

Grand Prairie and James Paul Clark and son Rodney of Mesquite, spent the weekend in the home of their parents, Mr. and Mrs. R. L. Clark. The Burlesons also visited his sister, Mrs. Lloyd Gauntt and family.

Mrs. Wayman Alexander and Mrs. Jay Garretson attended the funeral services of the Rev. Leland Broughton in Mt. Pleasant Wednesday.

Mr. and Mrs. Mack McLemore and children of Commerce visited during the weekend in the home of her mother, Mrs. Dan Seay and Mike and with her sister, Mrs. Charles Roberts, Mr. Roberts, Mona and Jay.

Mrs. Lee H. Loveless and Mrs. Melba Hall of Mt. Pleasant and their mother, Mrs. Cora Cooper, visited here Saturday with Mrs. Wayman Alexander, Mr. and Mrs. Elton Welch and Mrs. Martha Perry.

Dumas Whitney is a patient in the Mt. Pleasant Hospital and Clinic.

Mr. and Mrs. Olen Worthey and children of Mt. Pleasant spent Sunday with his parents, Mr. and Mrs. Roy Worthey.

Mr. and Mrs. E. O. Frye, accompanied by Mr. and Mrs. Paul Truell of Sulphur Springs, arrived home Sunday evening from a fishing trip at Little River Park near Valliant, Okla.

Mrs. Mae Orrill of Winfield spent Monday afternoon with her cousin, Mrs. Gladys Garretson.

Mr. and Mrs. Dale Tiller of

Clarksville visited in the home of Mrs. O. B. Hopwood on Monday.

Weekend guests in the home of Mr. and Mrs. Wilton Kelley were Mr. Kelley's sisters, Mr. and Mrs. Ivan Holiman of Brownwood, and Mr. and Mrs. Don Wimp of Joplin, Mo. Miss Christelle Cato is spending the week with her sister, Col. and Mrs. Jerry Dismukes of Grand Prairie. While there she will visit her nephew, Woody Dismukes, who is still in a Dallas hospital after an accident while riding a horse. He is reported to be improving.

Mr. and Mrs. Bill Jones and boys of Winnsboro were recent visitors in the home of Mr. and Mrs. R. G. Hood.

**NEW COTTON SPECIALIST**  
Dr. Robert B. Metzger has been named to assume the position of cotton specialist for the Texas Agricultural Extension Service on Oct. 1. Metzger has been serving as an Extension agronomist in the High Plains for the past seven-and-a-half years, specializing in cotton production since January 1, 1972.

### Archery Permits

Special archery permits for taking antlerless deer will be issued September 23 by officials of the Texas Parks and Wildlife Department for the October 17 - November 15 archery season at selected locations in eight central Texas counties; Burnett, Blanco, Gillespie, Llano, McCulloch, Mason, San Saba and Travis.

During the special archery season in the counties a limit of three deer may be taken.

### Westbrook New Member Eastern Star

Talco Chapter No. 846, Order of the Eastern Star, met Tuesday night in the Masonic Hall with Worthy Matron, Ivy Smith and Worthy Patron, V. L. Taylor presiding. In the absence of Mr. and Mrs. D. F. Dixon and Mrs. Lou Lee Ledeem, Sidney Frugia, Mrs. Jerry Clemmons and Mrs. Beulah Hammliton protomed for them.

Mrs. Lena Westbrook was voted in to the Chapter by transfer from Mt. Pleasant Chapter.

The death of the Associate Patron's uncle, C. W. Spencer, was reported to the Chapter and a love offering was taken to send flowers to Mr. and Mrs. Dixon.

Worthy Patron praised the officers for their good work and encouraged them to continue studying for still better performance. The secretary, Mrs. Florence Richardson, read an inspiring message, titled "Never be Afraid to Trust an Unknown Future to a Known God" from Worthy Grand Matron, Thelma Joyce Alsop and Worthy Grand Patron, Paul Huffhines.

Six birthdays were observed. They were: Mrs. James Via, Mrs. Jerry Clemmons, Mrs. Ruby Cogburn, Mrs. Jack Thompson, Mrs. Florence Richardson and Mrs. Lena Westbrook.

They were presented gifts as they each contributed a penny for each year of their age in the piggy-bank.

After Chapter closed, birthday cake, sandwiches, chips, coffee and cold drinks were served by Mrs. V. L. Taylor, Sidney Frugia and Mrs. Jack Thompson.

### Freshman Enter "Cardinal Puff"

Being initiated in the Cardinal Puff Club was only part of the fun at the wiener roast held Thursday, September 10, for new freshmen members of the Rivercrest Chapter of Future Homemakers. The event was hosted by the officers of the chapter. Freshmen members attending were Dana Jean, Donna Hancock, Sheila Hopper, Lisa Williams, Lorie Hervey, Mona Roberts, Mary Barela, Karen Pirtle, Kathy Owings, and Lisa Belcher.

Food was served after playing several games. Everyone seemed to have a good time and were looking forward to the coming year in FHA.

## Outwit Winter Weather

### ...with a Heating Check-Up

Now's the time to have your electric heating equipment serviced so that it will operate at top efficiency. By having a qualified heating specialist service your heating equipment annually . . . you can avoid costly repairs and inconvenience during cold weather. Don't forget, dirty filters can cause your heating equipment to work harder and use more energy. They should be examined once a month and replaced or cleaned at least every 90 days.
