NUMBER 4

Benefits Held For Polo Team

Raise some money and THEN RAISE SOME MORE—that is the aim of the Eldorado Riding Club as they tackle the big job of providing themselves with funds so they can enter the Palmetto Polo Tournament for World Championship in Florida March 21-24.

The club has already made a nice start on their enormous project. In addition to selling tickets for future events, they staged a dance last Saturday night at Fort McKavett at which they cleared \$105. In addition to being financially profitable, the dance provided entertainment for a large crowd of people. "We were surprised and very pleased with the turn-out," states a Riding Club member. Jack Hext donated a Salad Master to be auctioned off during the evening.

In the immediate future the date of Sunday, the 27th of January, beginning at 2:30, is an important one—at that time Eldorado will play San Angelo, at Sonora. This polo game is expected to attract rooters from the three towns and surrounding countryside, and the profits are to go for the Florida trip.

On February 3 in Eldorado at the local arena there will be an amateur calf roping. A prize of \$25 is offered for the 3-calf average, and there will be a jackpot.

On February 17 at 2:00 p.m. there will be a Palmetto polo game here. The highlight of the entertainment will be presentation of a gate prize, a double barrel 20 ga. shotgun, gift of Foxworth-Galbraith Lbr. Co.

On Sunday, March 3, there will be another polo game here, at which a \$200 saddle will be given away. One thousand tickets have been printed for this affair and a spirited sale is now under way.

These are some of the benefit events on the agenda as the club announces part of their plans for the late winter activities.

Ten players, with their wives, hope to attend the world championship meet, each of five cars pulling a two-horse trailer. While the players will have to have only five men on hand to make up a team, they hope to transport five subs, in addition. Estimated cost is \$300 per couple, though that is just a guess.

LIONS CLUB NEWS

Dr. H. M. Anderson, chest specialist of San Angelo, addressed the Lions Club yesterday on the subject of tuberculosis. He was introduced by Russell Heaner.

The program next Wednesday will be presented by Miss Betty Hanks of San Angelo. She will tell about the trip to Spain which she made last summer as the goodwill ambassador from San Angelo. Her address will be illustrated by colored slides which she took during the trip. She will be introduced by Dick Preston.

NOT ENCOURAGING

The only operation going on at this time in the Mozelle shallow oil field at Eldorado is the Western Drilling Co., No. 1 B. E. Moore. It passed the 2200-foot level several days ago without encountering pay, and they were drilling this morning (Thursday) at 3290. They are scheduled to continue to 3500 ft.

Post Script

A. L. Westbrook, who recently bought the Bearce apartment house from the First Baptist Church, has removed the second story from the building, salvaging the lumber and moving it to his lots in the northwest part of town. The remaining first floor was roofed last week, then was moved also to the lots where it is being extensively renovated—for a rent house, we understand.

O. L. Sims of Paint Rock was here Monday in the interest of the Open House at the Indian paintings on his ranch next Sunday afternoon from 1:30 to dark. There will be a fee per car, proceeds to be used for March of Dimes benefit.

Mr. Sims has this open house each year so that interested people may see the 1500 Indian paintings a mile from Paint Rock. About 210 cars visited them last Sunday, the first of the two Sundays designated as visitin' gdays. There will be escorted tours and lectures. The remainder of the year the gates will be closed and locked, so that the paintings will be undamaged by vandals.

Mr. Sims states that the motorist can drive right up to the site, and that there is no climbing.

After considerable inquiring we learn of the status of the new stretch of highway from Fort McKavett to the Sutton County line. Confronted with a 5-months' job, with four more to go, the contractors are doing some major road bed work at present, grading up the bed, cutting down the tops of hills and removing rocks. Quite a lot has already been done and there has been frequent blasting as the work progresses—it's open country, sparsely settled and much of the right-of-way is new. Those who have seen the lay-out say it will some day be a fine highway.

The annual county statement of receipts and disbursements for '56 appears in this issue of the Success on page two, and we invite the attention of our readers to it.

In addition a statement on the bonded indebtedness of the county is given, showing the various issues with amounts paid on them during the year, and the amount still owed.

Bauer Jewelry is selling their entire stock of goods at half price, in preparation for closing the store and leaving the city. They opened the store in Eldorado in the spring of 1947.

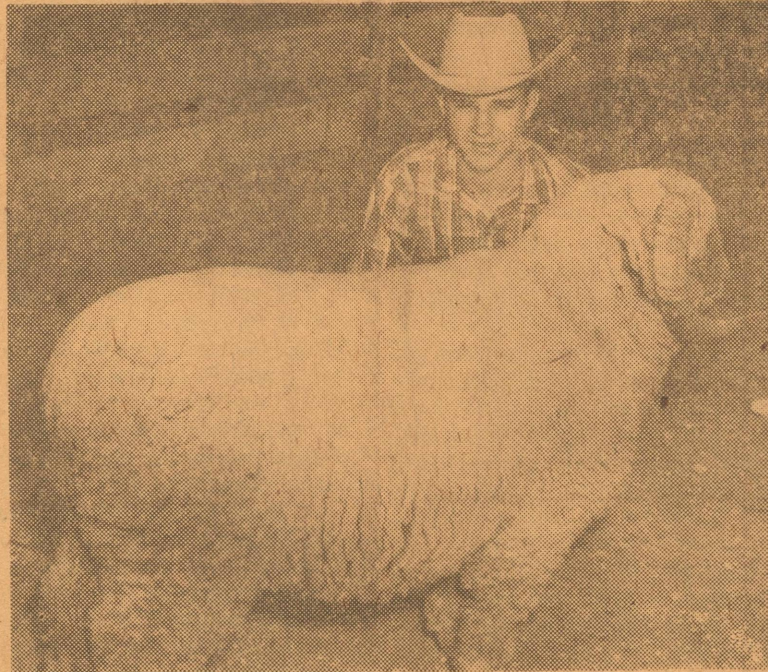

Mr. and Mrs. E. K. Bauer and children Karl, Helen and Benje expect to return to Niagara Falls, N. Y., where the couple formerly lived and where Mrs. Bauer's father Louis Yaseen, operates a large jewelry store.

The Bauers have placed their residence in the schoolhouse neighborhood on the market, and expect to leave Eldorado in about two weeks if they can close out their business by that time. Their closing-out ad appears on page three of this issue of the Success.

The West Texas Utilities Company this week announces new office hours, allowing them to be closed all day Saturday. New office hours are week-days from 8:00 to 5:00 Monday through Friday. Trouble shooters will continue to be on call even when the office is closed, as announced in their ad on page three.

This new ruling is in line with the trend toward Saturday closing for businesses of that type.

Sheep Show Will Be A Highlight Saturday At Dedication of New Agricultural Center

Jimmie Whitten is shown here with his champion buck, of the Ram lamb class in last year's sheep show. Jimmie will be one of the exhibitors in the show this Saturday.

ROUTINE BUSINESS TAKEN CARE OF BY CO. COMMISSIONERS

The first regular meeting of the Commissioners Court saw a good deal of routine business accomplished Jan. 14th, but did nothing especially new. The following paragraphs bring out some of the business transacted.

Approved regular bills. Arranged for clearing of pear from the swimming pool area.

Voted to agree to furnish all required right-of-way and fencing for the Highway Dept. on Hwy. 277 from Eldorado to the Sutton County line. The route has not yet been announced.

Voted that wages for all elected officials and county employees in 1957 remain the same as they were in 1956.

Voted to reduce the road crew to a force of 10 men.

Voted to buy an automobile for the Sheriff's department, and call for bids on same. Notice appears this week on page 4.

FRONTIER COUNCIL OF GIRL SCOUTS MEETS ON SUNDAY

Frontier Girl Scout Council had its quarterly board meeting here Sunday, Jan. 20, from 3:00 to 5:30, at the Memorial Building. Representatives from Ozona, Menard, Sonora, Eldorado and San Angelo were present.

Many problems of the council were worked out at the meeting. The big item concerning this council is finding a camp site suitable for an established camp. At the present time our girls camp at Camp Sol Mayer is the last part of the summer. The coming camp season will begin July 21 and run through most of August.

Miss Virginia Burgess of the Regional Girl Scout headquarters in Dallas will visit our council in February. With the help of our executive director and several volunteers from the various towns, she will conduct a council survey, finding out just what our local needs are.

Ozona has invited all the Brownies and Girl Scouts and their leaders to be their guests at a play day in April. So we can look forward to a good time. —Reporter.

CHARLEEN LOGAN CHOSEN MISS D.A.R. OF ELDORADO HIGH

CHARLEEN LOGAN

Charleen Logan was chosen Miss D.A.R. of Eldorado High school last week.

Each year the high school participates in the D.A.R. Good Citizens contest. The seniors select three girls to present to the faculty as D.A.R. nominees. The faculty elects Miss D.A.R. from these three girls on the basis of dependability, service, leadership, patriotism and scholarship.

Charleen has been active in various school activities. She has served as art editor for the Talon for four years, participated in band, pep squad, Jr. play and the Dramatics club. She has been active in the Homemaking club and served as district recording secretary in 1956.

Charleen wants to be an interior decorator and plans to attend Texas University after graduation. She is the daughter of Mr. and Mrs. Fred Logan.

ADOLPH GREEN DIES

Adolph Green, age past 60, negro veteran of World War I, and an employee of Frank Meador and the postal crew and others for many years, died early this morning, Thursday, of a heart attack. He had been in poor health a number of years and last year had major surgery. Funeral arrangements are pending, as this paper goes to press this morning.

Survivors include the wife, Lovie Jane, a sister at Gonzales and another sister at Houston.

MODEST MOISTURE

A drizzle which fell slowly all day Wednesday totaled nearly a quarter inch of moisture by the end of the day. It covered most of the county.

Mrs. M. L. Potter has returned from a visit with her mother and sisters in San Antonio. She went on to Corpus Christi upon receiving word that her grandson Than Nall had received an eye injury. The accident occurred when a playmate shot at the child, using pellets in a sling shot. Doctors state that they hope to save the eye.

An outstanding event in the history of Schleicher County agriculture is dedication of the new Schleicher County Agricultural Center and presentation of a big annual 4-H and FFA livestock show Saturday at the location of the new building.

M. A. Barber, vocational agriculture instructor of Ozona, will be the judge of the show, which will be held in connection with the formal program.

The program of dedication will open at 9:30 a. m. in the new building. Numbers on the program are:

Band Music.....
Eldorado High School Band
Prayer of Dedication.....
Rev. Russell Heaner
Faith in the Future.....
Gerald Hartgraves
Dedicatory Address.....
Rev. J. C. Hancock
National Anthem.....
Master of Ceremonies.....
Ed Meador

Each boy will enter a lamb to be judged for the best trimmed lamb of the show. This event is sponsored by the West Texas Woolen Mills. The award is a spur clip donated to the winner by the mill.

Two classes of fat lambs will be shown and placed according to market grades. The classes will be fat fine wool lambs and crossbred, the top two lambs of each class to compete for champion lamb of the show. The exhibition of the champion lamb will receive a replica of the Nathan's jewelry award. This trophy is kept on display at the high school with the boy's name engraved upon it. It must be won three consecutive years for permanent possession.

There will be a class of registered rambouillet ewes, and for the winner of this event The Ratliff Store will give a 4-H club jacket or FFA jacket. The Ratliff Store annually sponsors this event.

Boys exhibiting livestock are Jimmie Whitten, Roy Lynn Love, Billie and Bobby Williams, Ernest K. Nimitz, Buzz and Phil McCork.

Parent-Teacher Association Schedules Group Meetings

Are you an "Inquiring Parent"? Do you wonder how to deal with prejudice, moral training, children's allowance, even how to face the fact that each child is different and patterns aren't people?

Tuesday evening, January 29th, at 7:30 in the high school auditorium, the Eldorado P.T.A. will have their first in a series of discussion meetings for any parent, teacher, young person, or other interested persons of our community. The meeting will begin with the presentation of a film entitled, "Parents Are People, Too." Following the film, the group will be divided into the following discussion groups, according to their interest: preschool, elementary, junior high, high school, and Latin American. Each of these groups will have a leader or moderator as well as a recorder. Sitting in with each

group will be counselors in various fields of interest such as education, religion, legal, home, health, and community.

This first meeting will be principally for organization and selection of various problems to be discussed at later meetings. An example of this may be, pre-school—how to prepare your child for entering school, or junior-high—are clashes inevitable?

These are not regular P.T.A. meetings, and they are open to everyone. They are a project of the organization presented with the purpose of enabling better understanding, recognition and correction of unfavorable situations before they become problems, and working on solutions to present problems intelligently.

A nursery will be provided for small children.

Railroad Commission Names Eldorado Field

The two-well field on the C. C. West section adjoining Eldorado, which was brought in Dec. 11th, has been designated by the Railroad Commission as the Mozelle (Queen Sand) field of Schleicher County.

Located about a mile west of the city limits, the field was brought in by R. H. Murray.

It was completed for approximately 80 barrels of 41 gravity oil through perforations between 2,194-200 feet.

Daily allowable is 60 barrels.

HOSPITALIZED

Possum Speck is in the hospital at Sonora recovering from a spider bite. The gray spider, total size of a quarter, bit him on the calf of the leg Monday, and Tuesday morning he entered the hospital when the pain became severe.

Observers Schedule Alert For Jan. 27th

Ground observers of the local unit will participate in an alert this Sunday, Jan. 27th.

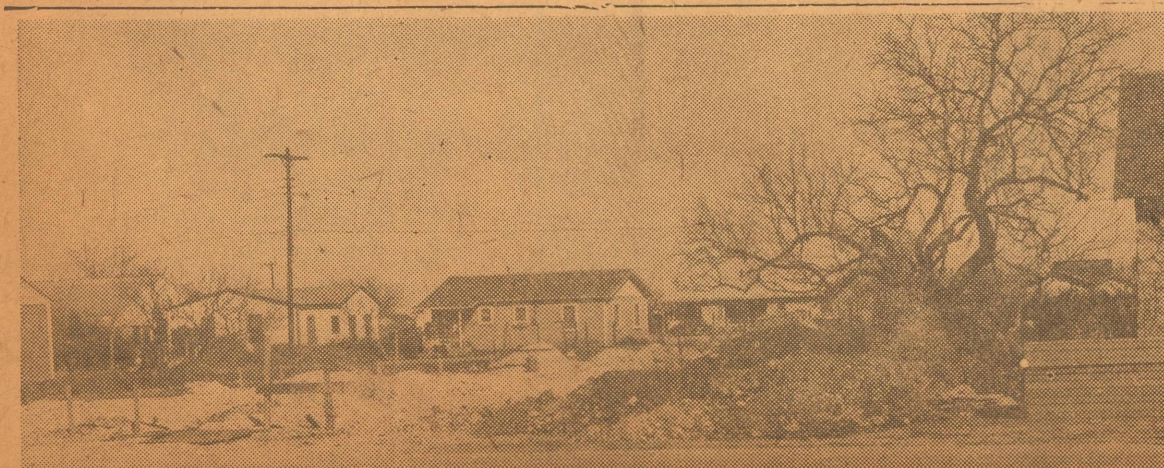

Supervisors were notified recently of a modification in reporting emergency or unusual information. The observer reports in these calls by saying "Aircraft Flash, Special Action Information," when the filter center answers.

The local post is to be organized for the new year at a meeting Feb. 14, at 7:30 p.m. in the Memorial Building. Sgt. Geitner will be present to assist.

TO PORT NECHES

Roger Luckenbach, tank farm gauger here for Shell Pipe Line, was transferred early this week to a similar job for Shell at Port Neches. His family will follow in a short time.

Success anywhere in US, \$2 yr

Construction of Rock Church of Christ new building has been under way this past week. The old building is at the extreme right in the above photo. The new building will be of masonry construction, located across the rear of the lots, facing south.

King-Mund Wedding To Be Held In March

Mr. and Mrs. Thomas C. King of Big Lake announce the engagement and approaching marriage of their daughter, Joan Marie, to A. Kumler Mund, son of Mr. and Mrs. Arthur Mund, Sr., of 2645 W. Harris, San Angelo, formerly of Eldorado. March 25 has been set as the wedding date with the ceremony to be read in the King home in Big Lake.

The bride-elect is a graduate of Reagan County High school. She is employed as office nurse by a Big Lake doctor.

Mr. Mund is employed by the Barnhart Hydrocarbon Corp. He is a graduate of Eldorado high school, and he spent two years in the Army with overseas duty. He formerly was employed on the Bar S Ranch.

HUMBLE TO PRESENT INTERESTING PROGRAM

Viewers of Texas in Review will see several stories of interest next week on Humble Oil & Refining Company's timely program.

An unusual story on "The Town without a toothache" will be a feature of Humble's Texas in Review this week. The story will explain how Hereford, Texas, came to acquire national fame as the town where toothaches are virtually unknown.

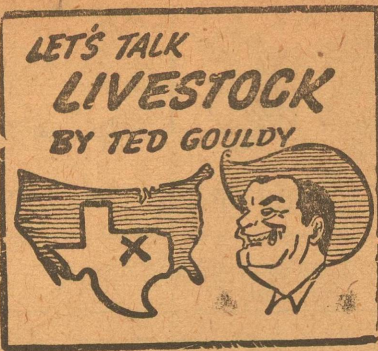

Another highlight of the Humble program will be scenes from the Junior Achievement Trade Fair at Houston where youngsters show and sell a wide variety of products made by their own Junior Achievement companies.

And for animal-lovers, there is a story about Shadow, a wire-haired terrier who likes to "ham" for the camera.

WEDNESDAY BRIDGE

Mrs. Jess Walston was hostess to the Wednesday Bridge Club last week at her home; included with the three tables of members was one guest, Mrs. Gene St. Clair. Mrs. Elizabeth Powell won high and Mrs. Charlie Trigg bingo.

Mr. and Mrs. Sam McGinnes and Mrs. Elton McGinnes and Jimmie and Robbie visited Mrs. McGinnes' father, Claude Ditmore Sunday in the Bronte hospital.

Lambs Sell Stronger Again

Packers completely dominated the trade at Fort Worth Monday as a relatively short supply of 3,500 lambs arrived. Virtually no sheep appeared in the run. Most of the offering was good and choice fed lambs and sold from \$16 to \$18.50. Woolled lambs and lambs with No. 1 and Fall shorn pelts, shared the top figure. No. 2 skins sold from \$17.50 down, No. 3 and shorter skins sold from \$16.50 down. A few feeders sold at \$17.50 down, but packers took everything including choice feeders to kill at higher prices than feeder buyers could afford. A few old ewes sold from \$6 to \$7. Yearlings are quotable \$16 down and aged wethers are quotable \$12 down.

Fed Cattle Weak; Stockers Strong

Fed steers and yearlings and heavyweight fed calves cashed at steady to 50 cents lower prices at Fort Worth Monday, and light and medium weight calves were steady. Cows and bulls were active and fully steady to strong. Stocker and feeder cattle and calves sold from fully steady to stronger, some fed steers and stocker yearlings 25 to 50 cents up.

Good and choice slaughter steers and yearlings cashed at \$16 to \$20.50, the higher figure for a load of fed steers from Ewing Halsell fed at Earth, Texas, that averaged 1,031 pounds. Other good and choice steers and yearlings cashed at \$20 down, and some heavy-weight fed heifers from J. J. Dearing, Tarrant County, topepd at \$19, and a load of choice heavy heifers scaling 1,076 pounds from Exum Ranch Company, Dalhart, cashed at \$18.75. Lower grade cattle sold from \$12 to \$15.

Fat cows cashed at \$11.50 to \$13.50 and canners and cutters drew \$8 to \$11.50. Bulls cashed at \$10 to \$15.

Good and choice slaughter calves

drew \$16 to \$18.50, and lower grades cashed at \$10 to \$15. Good and choice stocker steer calves sold from \$16.50 to \$19, and load lots were quotable to \$20. Steer yearlings in small lots sold from \$18 down. Heifer calves sold from \$17 down, and heifer yearlings sold from \$15 down. Feeder steers sold from \$16 to \$17.50, two loads of 802-pound feeders at \$17.50. A few replacement cows were reported from \$8 to \$12.

Mr. and Mrs. Don McCormick attended the formal opening of the Electric Co-Op at Hondo, known as Medina Electric Co-Op. They spent the night with Mr. and Mrs. Roy Boyer at Uvalde and Monday visited in Austin with their daughter Donna Beth.

I thought For The Week Ministerial Alliance

Are parents criminals? Parents, by virtue of the fact that they are parents, have a grave responsibility. It is not a light thing to know that we have the responsibility of feeding, clothing, and educating our children, but that is not half the job. First of all children belong to God but how many parents take the trouble to make that truth clearly known to their children? Too many of them grow up in ignorance of what the Bible teaches. The wise man of God once said, (Pr. 22:15) "Foolishness is bound in the heart of a child but the rod of correction shall drive it far from him." He also said, (Pr. 29:15) "The rod and reproof giveth wisdom: but a child left to himself bringeth his mother to shame." When parents followed these precepts there was no juvenile delinquency.

Yes, Parents, you are training your children for the future; what sort of future? There is one way to go and our Lord said it. (Mk. 10:14) "Suffer the little children to come unto me." He was not saying, leave them alone and allow them to come if they wish. He made it plain that they—all parents—should bring them up in the nurture and admonition of the Lord. If we parents are not doing just that then we are committing the worst of crimes. —James Spencer.

Parent-Teachers Hold Regular Meeting

EL DORADO CHAPTER D.A.R. MEETS IN V. G. TISDALE HOME

When the El Dorado Chapter D. A. R. met in the home of Mrs. V. G. Tisdale last Thursday afternoon, four generations of the Tisdale family were present: Mrs. Tisdale's daughter, Mrs. Lola Mae Archer, the granddaughter, Mrs. Patsy Ballew Hartgraves, and the little great granddaughter, little Miss Beverley Hartgraves.

In the business session it was reported that Miss Charleen Logan had been selected by the school as the Good Citizenship girl of the year. The goal of the Good Citizenship committee is to inculcate in young people an appreciation of character building as a basis of good citizenship. Each year a girl is selected from the Senior class by the Senior class and faculty, who possesses the qualities of dependability, service, leadership and patriotism. As El Dorado chapter has members in Sonora, Ozona, and Mertzon, a girl will also be selected from schools in those towns. These girls will compete with girls from other schools in the state, and the winner will receive a \$100 savings bond, series E.

Mrs. George Graham (Judy Powell) was elected as a new member of the chapter. The committee on nominations reported as follows: for officers for the year 1957-58: for Regent, Mrs. Frank Meador; First Vice-Regent, Mrs. Luke Thompson; Second Vice-Regent, Mrs. J. O. Willoughby; Chaplain, Mrs. V. G. Tisdale; Secretary, Mrs. J. E. Hill; Treasurer, Mrs. J. B. Montgomery; Registrar, Mrs. W. O. Alexander; Historian, Mrs. J. H. Luedecke; Librarian, Mrs. Mary Coupe. The Regent announced that the El Dorado Chapter had been appointed by the State Regent to be one of the hostess chapters at the state meeting to be held in Mineral Wells March 5th to 9th. Mrs. Montgomery made her report on national defense. She also gave a short sketch of the life of Benjamin Franklin.

The subject of the program was "Historic Places," with Mrs. Lola Mae Archer as leader. Miss John Alexander gave a very interesting paper on Old Trails of the United States.

During the social hour, the hostess, assisted by Mrs. Mabel Parker, served refreshments of coffee, cake squares, nuts, etc. The table was laid with a very lovely hand embroidered cutwork linen cloth, that was sent to Mrs. Tisdale from Hong Kong, China, by her granddaughter, Mrs. Don Byrnes (Lola Beth Ballew), whose husband is now stationed in Guam. The table was centered by a lovely azalea plant; and Mrs. Frank Meador poured coffee and Mrs. Luke Thompson served the cake.

Present for the meeting were 19 members of the chapter and four guests, including Mrs. James L. Spencer, Mrs. Thad Thomson, Mrs. Edwin Jackson and Miss Kitty Buchanan. —Reporter.

PIPER-WOOTTON WEDDING SOLEMNIZED SUNDAY

On Sunday, January 13, at 12:00 noon, August Piper Jr. and Miss Alma Lee Wootton, accompanied by W. I. Taylor and Mr. Taylor's daughter, Mrs. B. V. Rives, drove to Dublin, and were married by the Justice of the Peace W. P. Barnett. Mr. Piper is the son of Mr. and Mrs. August Piper Sr. of San Angelo. The bride is the daughter of Ella Wootton of San Angelo and Arch Wootton of Junction.

The groom attended Lakeview schools and is now employed by the West Texas Packing Co. in San Angelo.

The couple will reside at 1913 N. Emerick in San Angelo.

CIRCLE 1 MEETS

Circle No. 1 of First Baptist church met in the home of Mrs. J. L. Ratliff. Mrs. Luedecke opened the meeting with scripture reading, and Mrs. McAlpine led prayer.

After a short business session Mrs. A. J. Stevens brought the Bible study, "Prayers of Great Men of the Bible."

Mrs. Kinser gave the prayer of dismissal. Refreshments were served to 13 members. —Reporter.

Mrs. Joe Tate and new baby have gone to California to join Mr. Tate, who will be separated from service in July. Arthur Faull drove them to California, and visited relatives in San Diego.

Mr. and Mrs. W. J. Burrus have had as guests their son James and his wife of Mullin.

Gail Mittel, Younger Construction employee, has been quite ill with mumps, but is improved.

Mr. and Mrs. J. C. Hancock attended the Baptist Convention at Fort Worth. They were accompanied by Lavelle Meckel.

This Sunday morning Mr. Leonard G. Boswell, director of Christian Education for Mid-Texas Presbytery will fill the pulpit. Mr. Boswell is not an ordained minister but is urged to preach in the churches that he visits in the Presbytery. He will meet with individuals and with groups of the church school staff at times scheduled by Superintendent Paul Page. At 4:00 Sunday afternoon he will meet with the whole church school staff. This is Mr. Boswell's first visit with us and we are delighted to have him with us as he will be a great help to us in our work. He has only been in the Presbytery three weeks.

Our Spiritual Enrichment week has been set for April 7-14. Our special evangelist for the occasion will be the Rev. George S. Heyer, assistant pastor to Dr. B. O. Wood, First Presbyterian church of San Angelo. Mr. Heyer is a young man, unmarried and planning to return to school next year for graduate study. The Men's Club had him as their speaker last Monday night.

The youth of the church are making their plans to attend the synod-wide youth convention in San Antonio March 1-3. Thousands of young people from all over the state are expected to be there for this convention.

IT'S THE LAW

in Texas

A public service feature of the State Bar of Texas

Future Tense Law

You can tell a lot about people by the way they regard time.

Do they put stock mostly in the past—their record; the present—their direct joy in work or play; or the future—their plans.

Why not use all three dimensions of time? Past experience to guide, the present for zest, and the future to realize dreams.

Lawyers report a sharp shift in the way people regard time and the law: Of old they thought of law in terms of past facts like failures to meet legal duties, misdeeds etc.—facts useful chiefly in lawsuits.

You still have to think of the record, since you may have to go to trial some time. So keep good records of your affairs.

But more and more people now also think of the law in the future tense—in terms of built-in safeguards for plans which they want to go through without legal hitch-ups. Our heavy income and death taxes have made people plan ahead legally, rather than wait for the ax to fall.

Any time you buy or sell a home or a business or make an investment you have choices of how you may do it—some wise, some not, in view of your circumstances. Should you insist on an abstract or accept or offer instead a title insurance policy? (Your lawyer has a definite part to play in either event.)

Should you do business as a sole proprietor, a partnership, or corporation? Do your contracts set out ways of meeting unexpected events? How best may you serve your estate (and also carry out your wishes)—by a will or a trust, or by direct gifts?

While all of these things point forward, the past in the form of court records can serve you by showing where trouble may come from.

As more and more people know the symptoms of legal trouble—where to look for legal hitches in plans before big trouble starts, there will be fewer law suits and better human relations.

And where does trouble sometimes start? Most often where you lack a clear grasp of your relationship, your rights and duties, and your own and other fellow's resources—in transactions involving large personal or financial stakes.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Plentiful Foods List For February Is Given

College Station—The feature spot on the USDA's plentiful foods list for February for the southwestern area goes to eggs. Supplies of this highly nutritive food are heavy and prices attractive. Consumers are urged to take advantage of the situation.

Beef, lamb, broilers and fryers, and ocean perch and haddock fillets are also listed by the USDA as plentiful supply.

Other foods expected to be plentiful during February include rice, milk and other dairy products, potatoes, canned sweet corn, canned purple plums and dried prunes.

A monthly survey made by the southwest food distribution division, Agricultural Marketing Service, USDA, forms the basis for determining the plentiful foods list for the southwestern area.

YARBOROUGH ANNOUNCES FOR U.S. SENATE RACE

A Texas vacancy in the United States Senate occurred on January 15, 1957. I hereby announce as a candidate for that vacancy.

By this action I am answering tens of thousands who have requested me by telegram, post card, letter, petition and public resolutions to be a candidate for that vacancy.

With gratitude for these generous messages, I pledge a campaign of honor and truth, based upon a genuine desire to be of service to Texas, America and all mankind.

All the cunning delay of the political bosses will not beat the people of Texas out of this election. The task of the people of Texas is to arm themselves now to win this victory for honest government by buying poll taxes now.

Pay your poll tax before the deadline—January 31, 1957. Without a poll tax, you cannot vote. —Ralph W. Yarbrough.

New County Salary Schedule Set Salaries of county officers were fixed, as required by law, at the January meeting of the Commissioners Court this week.

Four raises in salaries were effected by the new action, that of the county treasurer, from \$2,500 to \$3,150 per year; the county attorney from \$3,600 to \$4,200 a year; the deputy assessor and collector of taxes from \$4,050 to \$4,500 a year; and the chief deputy sheriff from \$4,125 to \$4,425.

Other salaries were left as last year: The county judge, county and district clerk, and sheriff at \$6,750 a year; the Commissioners at \$3,625 a year and the justice of the peace at \$1,500 a year. Deputy pay will be \$4,500 a year for deputy clerk, \$3,000 a year for the assistant deputy assessor and collector, and night deputy sheriff, \$4,125. —Ozona Stockman.

Construction Begins on Grocery Construction has started on a 60 by 100 foot building that will house a new grocery store in Fort Stockton and completion is expected within 90 days.

The building, fixtures, equipment and stock will represent an investment of approximately \$160,000 when completed. The building itself will cost about \$60,000. It is to be constructed of cinder tile, cement and steel. No wood is being used. R. J. Campbell of Fort Stockton is the contractor. — Ft. Stockton Pioneer.

Tax Bulletin Available For Farmers; Reports Due By February 15th

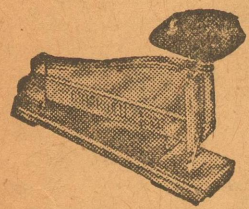

College Station. — February 15, 1957 is the income tax report deadline for Texas farm and ranch families who did not file an estimate and payment before January 15, 1957, warns C. H. Bates, extension farm management specialist.

Farmers and ranchers should not overlook the fact that certain livestock sales made under drouth conditions need not be reported in taxable income provided the animals are to be replaced within one year, says Bates. An extension of this 12-month provision may be obtained from the District Director of Internal Revenue if drouth conditions continue, he adds.

Bates says all operators with a "net farm profit" of \$400 or more must file a return and pay a 3 percent social security tax whether any income tax is due or not. Operators with less than \$400 net profit, but over \$600 gross farm income may use two-thirds of their gross income for determining self-employment tax up to \$1200, says the specialist.

The Farmers 1956 Tax Guide Bulletin is free from your county agent or the Internal Revenue staff. Also, suggests Bates, ask your county agent about a farm record book designed for income tax and social security purposes which is available for a small charge from the Exchange Store, College Station, Texas.

The High School basketball team entered the Ozona tournament last Thursday and Friday. In the first game Eldorado beat Grandfalls 43-42, only to fall in the second round to Sonora 58-44. The score was close most of the time. At the half time the score was tied 23-23. The Eagles attempted 65 shots from the field, but only hit 15, which is about 24%. Herman Phillips was the most consistent for Eldorado; he hit 18 in the first game and 13 in the second.

Our next home game is Friday (tomorrow) night. Sonora will come to town for a district game. The Eagles have won one and lost one for their district record. They have beaten Junction, and lost to Menard Tuesday night by a score of 35-32.

New Enlistment Program Is Announced By Navy

A brand new program of enlistment in the Navy was announced today by Chief John F. Sessions, recruiter in charge of the Navy Recruiting station in San Angelo, for men who have been discharged from the Navy for a period of less than 90 days. Ex-Navy men enlisting within 90 days will be paid an enlistment bonus of one month's pay for each year they enlist. The Navy Recruiting station in Houston will pay this bonus immediately upon enlistment, also grant 30 days advance leave, plus travel time which can be taken prior to reporting to new duty station. In addition, ex-Navy men may elect the coast of his choice for initial assignment. All ex-Navy men getting back on the Navy payroll may travel to their new duty station in their privately owned vehicle if desired, and will receive their new pay record in Houston, thereby being able to receive their regular pay while on leave by presenting it at any military installation in the United States. All men enlisting under this program will receive advance travel pay prior to departing Houston.

Chief Sessions said this program has just gone into effect and no other branch of the Armed Forces is authorized, as yet, to grant the above benefits to men re-entering the same branch of service from which they were discharged. For complete details of this new program, all ex-Navy personnel are urged to contact their local Navy recruiter located in Room 205, Post Office Building, in San Angelo.

Attending the recent convention of Soil Conservation District supervisors in Tyler were J. Forrest Runge and Ben Hext, who are supervisors in the local SCS unit.

The L. D. Ochsners have been visiting recently in Sonora with their grandson, Dorr Scherz, age seven, who has been quite ill with mumps-meningitis. He is reported this week to be better.

Mr. and Mrs. Cecil Mackey and boys spent the weekend with Mrs. Mackey's parents at Tow, returning home Sunday night.

MAJOR GENERAL LUEDECKE VISITS MOTHER HERE

A guest in the home of Mrs. John Luedecke is her son, Major General Alvin Luedecke of Washington, D. C., who came in by plane Wednesday for a several-day visit. Another visitor in the Luedecke home is his sister Mrs. A. C. Pruett of Hobbs, New Mexico.

1957 Egg Production Likely To Exceed 1956

College Station. — National egg production in 1957 is likely to exceed the 1956 record output of 169 million cases by 2 percent, according to Texas A&M Extension economists and poultry marketing specialists. Lower egg prices observed in late 1956 are expected to continue through the first quarter of the new year.

In the first half of 1957, output will come from about the same number of layers as a year earlier, but with a higher per-bird rate of lay. Present outlook indicates 1957 summer and fall prices will likely be near 1956 levels, since production after late summer probably won't be up much from the 1956 figures.

Woman's Club Studies Problems of Farmers

Mrs. Edwin Jackson was hostess to the Eldorado Woman's Club Tuesday afternoon at her home, and presided over the business session. After the flag salute and roll call, a short business session was held at which Mrs. Ernest Hill, vice president for next year, asked the members to be thinking and let her know what they would prefer for next year's study and programs.

Mrs. Ochsner led the program on Things We Should Know, Mrs. Ringle gave the first talk on "The Farmers mold our National Fibre," emphasizing the importance of the farmer and his products. Mrs. Edens explained the incentive of competition; Mrs. Ochsner told how to "rent land to Uncle Sam."

Mrs. Huber gave an outline of the history of irrigation in Schleicher county, which was followed by discussion. Mrs. Ochsner, having lived in an irrigated area as a child, gave an interesting history of the use of water on the Plains and brought out the fact that it has lowered the underground water level badly in that area. She also brought out the fact that neighbor states have laws to control and protect the use of irrigation water and brought out the need of such control in Texas.

The club was dismissed by repeating the collect. Refreshments of cake and coffee were served to 17 members and one guest, Mrs. Reece.

CIRCLE MEETS

The Business Women's circle of the WMU of the First Baptist church met with Mrs. Bernard Carr Monday night. The president, Mrs. N. G. Hodges, had charge of the meeting.

The Royal Service program on Missions in the Mississippi Basin was given. Eight members and one visitor, Mrs. Clara Biggs, were present.

The next meeting will be at the home of Mrs. Buster Gunn.

TODDY CELEBRATES BIRTHDAY WITH PARTY FOR TWELVE

Honoring her little daughter Toddy on her seventh birthday, Mrs. Wm. Bierschwale entertained 12 of Toddy's classmates with a party at the family home in Glendale, Friday.

The children played games and were served ice cream and decorated birthday cake with punch. Favors were valentine pins.

Mr. and Mrs. Lewis Chancey spent the weekend at Medina with the former's brother Ralph, who was made deputy sheriff while they were there.

Guests in the home of Mr. and Mrs. Leonard Lloyd this weekend were their daughter Retha Nell Lloyd of Austin and Mrs. Lloyd's parents Mr. and Mrs. J. C. Hoffman of Paint Rock.

Mr. and Mrs. V. G. Sudduth visited Sunday in Eden with Miss Stella Sudduth.

Mrs. L. Wheeler has recovered from her recent illness.

Marcus Fury of Fort Stockton spent Sunday with his mother Mrs. Fannie Fury and his sister Mrs. Frank Van Horn, and was a dinner guest in the home. Guests in the home last week were Mrs. Jessie Phillips and Mr. and Mrs. Powell of Menard. Mrs. Phillips is a cousin of Mrs. Fury.

Duval Plunderbund Plucked \$7,187 From Benavides Schools in One Day

By--FREDERICK HODGSON

SAN DIEGO, TEX.--One of the Federal Government's experts working on the sticky financial morass that is Duval County figures the cost of operating a political machine such as this at about \$1,000,000 a year.

This doesn't include what goes into the pockets of leaders through big "deals" which otherwise wouldn't have been possible. John Ben Shepperd has estimated the total of "money diverted from intended, lawful purposes" in Duval County has been four or five million dollars a year for the past ten years.

That's a lot of money even for Texas where millionaires are supposed to hide behind every hui-sache bush.

Political machines fall apart when something interferes with the free flow of cash. Attorney General John Ben Shepperd and District Attorney Sam Burris have turned off the faucet in Duval.

Donato Serna, a determined little Latin-American who can spot a crooked ledger a mile away, now sits in the Courthouse at San Diego as County Auditor. Serna doesn't like George B. Parr one little bit. And for good reason. Parr once gave him a thorough going over with a five-cell flashlight, a beating so severe that one of Parr's then deputy sheriffs, Manuel Amaya, was forced to intervene and disarm the Boss.

"Our County is not in a very good financial condition," says Serna.

Only one county in Texas has a higher tax rate than Duval. The County, with a population in the neighborhood of 12,000, has a bonded indebtedness of \$3,113,000 and a \$2.55 tax rate.

The adjoining county, Webb, another political hot spot, has a \$2.65 rate.

In contrast, Val Verde County has a 58 cent rate. Perhaps the avenging shade of Judge Roy Bean, "the law West of the Pecos," who held court in a Val Verde saloon, keeps sticky fingers out of the public till. There's nothing like a little fancy embezzlement to shoot a tax rate sky high.

Beside my typewriter are two documents, Donato Serna's current annual report on Duval County finances and an affidavit signed by Diego Heras, former acting secretary to the board of trustees of the Benavides Independent School District.

The two documents complement each other perfectly, the latter providing a good picture of the financial shenanigans responsible for the "not very good financial condition" of the County of Duval.

In just one day, October 19, 1950, nimble fingers lifted \$7,

187.80 from the school district treasury.

The chubby Mr. Heras lists 101 checks made out to fictitious names, the whole batch amounting to \$67,414.17. His affidavit makes interesting reading.

"I know George B. Parr of San Diego, Duval County," Mr. Heras swore. "Although he has dominated the Board of Trustees for many years, and has taken it upon himself to countersign all vouchers issued by the District, Mr. Parr has never within my knowledge been an employee of Benavides Independent School District. W. M. Benson of San Diego, who keeps Mr. Parr's books, and who offices in Mr. Parr's office across from the Courthouse in San Diego, has served as 'auditor' for said Benavides School District for many years."

"B. W. Milligan is Superintendent of Schools in the Benavides Independent School District, and W. F. Reed is Principal of the Freer Schools in said Benavides District. During the years I worked for the Benavides District, the method of handling Teacher Retirement moneys was to make up the teacher contribution lists from the payrolls, and then to issue vouchers against the School District to Mr. Milligan or Mr. Reed for the amount of the Teachers' contributions. These men in turn were to purchase cashier's checks to be remitted to Teachers Retirement System."

"I have carefully examined annual report of School Funds to Texas Education Agency submitted by Benavides Independent School District for the year ending August 31, 1950, and have also examined a like report submitted for the year ending August 31, 1951. These reports were prepared and submitted by the Texas State Bank of Alice, the depository for Benavides Independent School District. In these reports I have found many irregularities. On Exhibit A to this affidavit, I have listed a number of vouchers issued by Benavides Independent School District to fictitious persons. The persons so listed as fictitious are actually fictitious, never existed, and of course never performed the services for which the vouchers purportedly were drawn. Many of these vouchers were issued at the express direction of W. M. Benson. At times I would deliver the vouchers to Mr. Parr or Mr. Benson. At other times, I would present them at the depository bank, where I would be handed an envelope containing money. This envelope would then be delivered to Mr. Parr or Mr. Benson."

"On Exhibit B to this affidavit, I have listed another group of vouchers which were issued in the same manner and under the

same direction, to actual persons. However, none of these listed persons who are payees in the listed vouchers ever performed the services for which the vouchers were purportedly issued, and these persons did not receive such vouchers. Such vouchers were handled in the same manner as those issued to fictitious persons.

"On Exhibit C to this affidavit, I have listed another group of vouchers which were issued, in the same manner and under the same direction, to actual persons. However, none of these listed persons who are payees in the listed vouchers ever worked for said Benavides District."

There you have it. And this sort of thing has been going on in Duval County for half a century.

The Diego Heras affidavit tells but a small part of the story of how the plunderbund operated in one school district during one short period of time. More of the Benavides story can be found in the transcript of the trial of D. C. Chapa, tax assessor and collector for the district. Chapa is now free on bail pending a hearing on his appeal from a five year prison sentence.

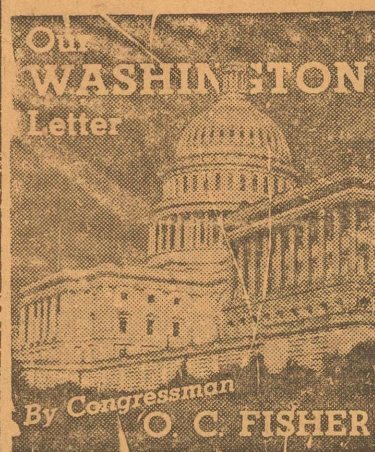

Equally enlightening facts can be seen in the official transcript of the trial of B. F. Donald, former cashier of one of Parr's banks put out of business by Shepperd in 1955. Donald, too, recently was given a five year prison sentence for conspiracy to steal Benavides school funds.

It is no wonder that evidence-destroying bonfires blazed like a Fourth of July celebration all over Duval County when Attorney General Shepperd arrived on the scene with a small army of assistants, including State Auditor C. H. Cavness. County records vanished in all directions.

A political boss on plunder bent must have a machine so well armored that no dent can be made in it. But machines grow old and rusty and the engineers sometimes get careless. This happened in Duval. Some of the thick rust crust flaked off, revealing the bright metal of loot beneath. It is no wonder that the Parr machine fought with every legal, and semi-legal, weapon at its command to keep an honest auditor out of the Courthouse in San Diego. It took the full power of the State of Texas thirteen months to put Donato Serna into office in Duval.

The result, according to Attorney General John Ben Shepperd, is the first honest audit of Duval books in more than half a century. And, to quote Shepperd, "Nobody can steal anything else in the county without getting caught."

George B. Parr's two banks, one in San Diego and the other, the Texas State Bank in Alice, Jim Wells County—the bank mentioned by Diego Heras as the depository for funds of the Benavides School District—are both out of business. "In Liquidation" signs posted on the windows.

Ike's Texas visit, the Mid-East crisis, the annual budget message, the pending inauguration, and a new Senator for Texas—all figured in front page Washington news last week.

Certainly the drouth got the spot light as a result of the Presidential inspection. It was front-page news all over America, and even abroad. The British press took note of it and even expressed fear that not enough is being done

to alleviate the suffering of the dry weather victims.

Upon his return to Washington the President said he will ask for more money in his emergency fund to be useable for relief measures—without revealing in just what way it would be used. And he endorsed a more expanded, realistic government loan program for the benefit of hard pressed farmers, ranchers and businessmen. Details of all this remain to be spelled out.

In my talks with the President while he was in San Angelo, I urged consideration for a deferred-grazing program, a more realistic long-range loan plan at low interest rates, a more adequate emergency feed arrangement, and more emphasis on water conservation and flood prevention in the drouth area.

* * *

The Congress will soon be wrestling with the biggest peace-time budget in history—a \$72 billion request. I predict a reduction after Congressional committees have a chance to search for fat that can be pared. But the trouble is that

the Congress has so often made non-essential commitments which must be followed up by appropriations—and then it is found that the ones who howl the loudest about the high cost of government are the very ones who previously voted for such commitments. That means little chance for tax relief this year.

The biggest slice, of course, goes to national defense, accounting for 59c out of each dollar. The Defense department, I am informed, is still giving the defense budget items a going-over before committee hearings begin.

William Blakley of Dallas was sworn in as the new Junior United States Senator from Texas. An Eisenhower Democrat, appointed by Governor Shivers, he was praised in the highest terms by Speaker Rayburn and Senator Johnson. Modest and humble, the new Senator would never lead a stranger to think of him as a man of great wealth. He owns a ranch in Irion county, and says that must qualify him as my "constituent."

Erle Cocke, Vice-Chairman of the Board and Chief Executive Officer, Fulton National Bank, Atlanta, Georgia; President, American Bankers Association

Today Americans earn more, spend more and live better than ever before in our history. And, to keep that prosperity healthy, I think each one of us should have a sound and balanced savings program.

I recommend that part of that program be regular investment in U. S. Series E Savings Bonds. And here are three good reasons why.

- You're *sure* of your principal in Savings Bonds. Your investment is not subject to fluctuation.
- You're *sure* of your returns. Your Government guarantees both principal and interest to holders of U. S. Savings Bonds. And even after your Bonds mature, they go on earning for 10 additional years.
- You're *sure* of the future when you invest regularly in U. S. Savings Bonds. There's nothing like the feeling of security—that comes from a backlog of savings—including safe, sure U. S. Savings Bonds.

As a patriotic service, banks everywhere in our country sell U. S. Savings Bonds. Stop in regularly where you bank and make a payment on your own future security by buying a U. S. Savings Bond.

Schleicher County Agricultural Agent

DID YOU KNOW???

That Schleicher County was organized in 1904 and named after Gustave Augustus Schleicher, who was the original surveyor of the county? Schleicher County was originally part of Crockett County.

That the average yearly rainfall from January 1, 1950 to January 1, 1957 has been 10.88 inches? This was approximately 50 per cent of normal.

That within the last 10 years the number of producers has declined from 262 to 240?

That 204 operators have sheep and goats? Sheep numbers have steadily declined since 1949 from 220,214 to 90,000 in 1956.

That there was a slight increase in cattle numbers from 1949 to 1954 with a general leveling off to 7,600 cows in 1956?

That during the last seven years of drouth goats have shown an increase to approximately 25,000 nannies, with a clip of 150,000 pounds of mohair?

That 75% of all land is under lease agreement with a rental of \$1.00 per acre or approximately \$672,060.00 paid in rentals yearly? Bonus average is approximately \$10.00 per acre; including block leases made prior to the opening of oil fields in the County; otherwise, the bonus will be approximately \$15.00 per acre.

That approximately 63% of all school and county revenue comes from oil?

That 3,220,773 barrels of oil was produced in 1955, and that 1500 cu. ft. of gas was produced with each barrel of oil? The average price of produced was \$2.90 per barrel. Very little gas was sold but should be estimated at 8c per 1000 cu. ft.

That the total number of producers working off the farm 100 days or less is approximately 50 percent; with 91 working 100 days or more?

That in 1956 12 irrigation wells and 9 producers irrigated 800 acres of cotton?

Chopped parsley and chopped chives make a nice addition to squash.

The Chinese and the French are admittedly the best vegetable cooks in the world. They take far more trouble to see that the vegetables are in their prime and cooked right than they do with their desserts. They always cook vegetables in little, or better still, no water. They cook vegetables in the butter and seasonings. They try to save the true flavor of every vegetable and this is hard to do if the flavor has been cooked out. Too many of us can remember when the vegetables were on to cook by 10:30 in the morning and the fire was kept chunked up good and high until 12. They tasted good all right, but I think the salt pork had as much to do with that as anything. Anyway, we know today that it's cheaper to eat our vitamins than to take them and they taste much better in their natural form.

If you would like to do a nice thing for a 4-H club boy or a Future Farmer take a box of cookies, some doughnuts, sandwiches, a pie or cake to the Agricultural Center Dedication program on Saturday morning. These boys and their mothers are in charge of the concession stand and the money they make from coffee and food sales will go into their treasuries and will be used to further the work of these two worthy youth organizations. They will gladly welcome any and all donations of foods to sell.

Methodist News

The sermon subject next Sunday morning will be, "The Way of the Cross." It will be based upon the text, Luke 9:23. This is the fourth in a series of 12 sermons built around the theme, "What We Believe." Each sermon is illustrated by a beautiful stamp in full color which is given out in Sunday school. All members of the church are urged to belong to some class in the Sunday school and all who attend Sunday school are invited to stay for morning worship.

During the first three Sundays of the Nelson Attendance Plan our Sunday school attendance has maintained a new high level. The attendance last Sunday was 148, as compared with 85 a year ago. Mrs. Palmer West is the superintendent in charge of membership and attendance.

Last night the Commission on Missions met under the leadership of its chairman, Mrs. Robert Milligan, and completed plans for the church-wide School of Missions. This will be the first church-wide school of missions ever held in our church. The study this year will be, "South of the Himalayas," and will be taught by Mrs. R. R. Heaner for four successive Sunday evenings, beginning the first Sunday evening in February.

The Executive Committee of the Woman's Society of Christian Service, under the leadership of its president, Mrs. J. E. Hill, will meet next Wednesday at 3:30 p.m. in the parsonage.

At the Official Board meeting last Monday evening, it was voted unanimously to join with the Min-

isterial Alliance in sponsoring the showing of a motion picture film, "I Beheld His Glory," on April 18th. The Board agreed that our church would pay its share (\$15) to make it possible to show this movie of the life of Christ free of charge to the school children and to the general public on that evening in the high school auditorium.

Also, the Official Board voted unanimously to join with the Ministerial Alliance in sponsoring an interdenominational revival meeting here in Eldorado and to ask Dr. Carlyle Marney, pastor of the First Baptist church in Austin, to preach.

The Methodist Men will meet Monday evening, January 28, at 7 p.m., in the educational building. Elton Mims of Water Valley will speak on the first objective of the Methodist Men. He will bring along his pastor, Roy Shilling, Jr., as a guest of the Methodist Men for the evening. The entertainment committee this month is composed of Luke Thompson Jr., and Bill Lester. All men who are members or friends of the First Methodist Church are invited to attend.

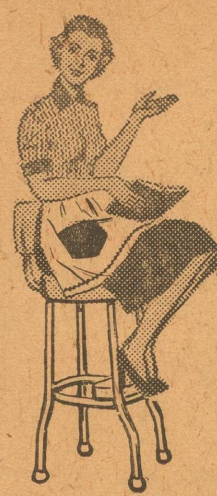

W. R. Bearce, president of the Methodist Men, is in the hospital at Sonora recovering from an operation.

The choir, under the direction of Bob Burkart, will rehearse next Wednesday at 6:30. The Commission on Membership and Evangelism will meet in the study at 7:30.

The Sub-district young adults will meet next Tuesday at the Angelo Heights Methodist church, at 7:30 p.m. A good meeting is in store and all of our young adults should attend.

Guests of Mr. and Mrs. George Williams Sunday were Mrs. Williams' brother and sister-in-law, Mr. and Mrs. James Masey and son and the Williams' daughters and families, Mr. and Mrs. Charles Orr of Brownwood and Mrs. Glyndon Aldredge and baby of Abilene.

Guests of the E. W. Munds Sunday were Mr. and Mrs. O. M. Nicks and Martha of Fort Stockton, Mrs. Alvin Hodak and children of Santa Anna and Sammie Stewardson of Coleman.
