Talking Birds To Appear In Assembly Program

Owen's Talking Mynah Birds

One of the most fascinating programs available in school assemblies is Owen's Talking Mynah Birds. These are among the most beautiful and intelligent birds in the world. Their plumage is all iridescent black with the exception of the white bars on the wings. The beak is a beautiful orange color and the head wattles and legs are lemon color. They are natives of Indo-China where they are known as the "Indian Greater Hill Mynah." The word Mynah means "to perform."

Mynah birds cannot be imported because they are fruit bud eaters. They do not eat seed, for, unlike

other birds they have no gizzard. In captivity they are fed meat, fruit and vegetables that are cut up very finely and mashed for them.

The Mynah is perhaps the most intelligent of birds. They react to their cues and answer the commands in a voice that is startlingly like that of a human being. They talk, whistle and perform on command. The Owens have been presenting this program for a number of years and its unusual quality has made it a favorite on school assemblies.

The date is Thursday, Dec. 10 at 1:00 p. m.

To Appear In Eldorado Saturday Morning, December 5

Representative Crowd Attends Early Service Thanksgiving Morning

A representative congregation, including members from most of the churches of the city and others, attended the Union Thanksgiving service Thursday morning at 8:00 in the school auditorium.

Congregational singing of America the Beautiful, invocation by Rev. Charles Bruce, Presbyterian pastor, congregational singing of Faith of Our Fathers, Reading of the 23rd Psalm by Rev. J. C. Hancock, and congregational singing of Lead On O King Eternal, opened the service. Lewis Joran was song director, and directed the choir from the school, who lead the group songs and rendered as a special "We Praise Thee, O God."

In his sermon, Rev. Hancock pointed out the fact that there is change in everything except God from whom all good things come. At Thanksgiving time, he stated, it is well that we remember His eternal provision for the happiness of people, as expressed in the Beatitudes.

He stressed two of these, quoting, "for everything give thanks, for this is the will of God." He closed his sermon with the admonition to act like the children of God, and a prayer of Thanksgiving.

To Parade Main Street at 10 a. m. Free Candy Promised

Santa and his famous reindeer will pay an official visit to the people of Schleicher County Saturday morning at 10:00.

Santa and four reindeer, Dunder and Blitzen, Dancer and Prancer, will parade in down-town Eldorado beginning at 10:00 Saturday morning, and are expected to bring out a record crowd of the young and not-so-young of this area.

Underwriting the appearance of Santa are the retail merchants and other businessmen of this city, who made last-minute arrangements for Santa's visit, and are purchasing the candy which Santa will distribute to the small fry of the county who will line the sidewalks to take part in the celebration.

Judging from advance reports on Santa and his reindeer who have already visited some other places they put on quite a show as they drive down the streets of the city, with the reindeer prancing and tossing their antlers from side to side as they pull the bright red sleigh.

The reindeer wear Christmas

red harness with their names imprinted in brass nameplates. It is part of the show to watch for the reindeer and pick out the names as they drive along. Their pace is slow to help watchers identify them, and to give each person a good look at the famous Christmas visitor and his equipage.

This very same genuine Santa Claus and his reindeer and sleigh are scheduled to appear later in the day elsewhere, which accounts for the fact that his appearance in down-town Eldorado is a morning event. Anyway, it will be on Saturday—no school and ample time to make it to the Eldorado business district, even after sleeping late!

The Eldorado merchants and other business folk who are sponsoring this Christmas event urge that everyone attend. Santa has free candy for the children, and grown people are never too old to get a thrill out of a good Christmas Santa Claus show!

Remember—it's Saturday morning, December 5 on the main streets of Eldorado at 10 o'clock.

4 More Wildcats Staked In Schleicher County

Locations for four new wildcats have been reported for Schleicher County, all to start in the near future.

The Atlantic Refining Company No. 1 Oliver Teele will be an 8,000-foot exploration 11½ miles southwest of Eldorado and 1980 feet from north and east lines of sec. 190, block A, HE&WT survey. It is two and three-eighths miles southwest of Atlantic No. 1 Roberts, gas-distillate discovery from the Ellenburger and Cambrian formations, and now shut in to complete.

Another wildcat in the same general area will be the American Trading & Production Corp., No. 1 Otto Sauer, an 8,000-foot rotary project. Location will be 660 feet from north and east lines of 191-A HE&WT, on a 320-acre lease. It will be drilled one mile west-northwest of Humble No. 1 Spencer, shut-in Strawn gas-distillate discovery; and 1 1/8 miles southwest of Atlantic No. 1 Roberts, multipay gas-distillate discovery. Drilling on No. 1 Sauer will start Dec. 15.

Homer E. Egden and associates No. 1 E. B. Willoughby will be a 1500-foot cable tool project 9½ miles southwest of Eldorado. The drillsite is 2250 feet from south and 330 feet from east lines of section 180, block A, HE&WT.

E. O. Meadows No. 1 Thomson is the fourth wildcat. It is 660 feet from south and 1080 feet from west lines of section 68, block A, HE&WT survey and 10 miles south of Eldorado. It is to go to 650 feet.

Oil, gas and salt water were recovered on a drillstem test in the Palo Pinto at Dudley T. Dougherty No. 1 Luke Robinson, wildcat in central east Schleicher county, 13 miles east of Eldorado. Test was from 4983 to 5014 feet. Tool was open two hours. Gas surfaced in 50 minutes. With no gauge or estimate made on volume. Recovery was 130 feet of clean oil, 230 feet of oil and gas-cut mud and 90 feet of salt water. Flowing pressure ranged 15 to 210 pounds and shut in pressure in 20 minutes was 975 pounds. More hole was being made below 5223 feet in sand and shale. Location is 935 feet from north and 662 feet from east lines of section 59, block I, GH&SA.

Plymouth Oil Company is pre-

paring to start testing to try to complete a producer and a discovery at its No. 1 H. A. Thomson estate, central south Schleicher Co wildcat almost on the county line. This exploration drilled to a total depth of 7155 feet in barren Ellenburger dolomite. It then plugged back to 4,144 feet in the Pennsylvanian and cemented 5½ inch casing at that point.

The wildcat had a good show for possible production in the Sisco section of the Pennsylvanian at 3404-41 feet and it had a fair show in the Wolfcamp at 3202-23 feet. Operator is expected to test both those possible pay zones before making final completion. The prospect is 10 miles south of Eldorado and in section 37, block A, HE&WT survey and 330 feet north of the south line of the county.

Panuco No. 1 Henry Moore in the Reynolds community was bottomed at 5806 feet, and preparing to take another drillstem test.

Ohio will drill No. 23 T. W. Thomson, a 5800-foot step-out in the Huldale field. Location will be 1801 feet from north and 972 feet from east lines of 81-TT-TC RR.

How to send a letter from Santa...

to your Child

Just imagine how excited your child would be if he got a letter from Santa Claus in answer to his own—especially if this letter would come direct from Santa's home in Santa Claus, Indiana.

Why not give your child, or any of the children on your Christmas list, the thrill of a life time, not just with a letter from Santa Claus, but a letter that carries the official United States postmark, proving that it actually comes from Santa Claus himself.

We have six different styles of Santa Claus letters. Each is done in full color and contains a personal message from Santa Claus to your child, complete with its own colored envelope.

Why not select a letter for your child, write his name and address on it, and mail it in our special mail box. That's all you have to do. We will have it mailed from the famous Santa Claus Post Office in Santa Claus, Indiana, and your child will receive his letter actually mailed from Santa's home—with the proof right in the postmark.

But, Remember, Dec. 10th is the Deadline!

First Baptist News

The Stewardship study is in progress this week and the teachers report that interest is good. We are expecting fine results from this study.

The reports from both of our missions were heartening. We are proud of both of them. A number of people have asked for the designation of our Missions. We speak of the new one as Anglo Mission, from the term Anglo-Saxon, meaning white, and the other as Spanish or Mexican Mission.

We are happy because of the changes made around the church lately. Opening the new nursery has given considerable lift to the young folk and their workers. Everyone is co-operating wonderfully in the expanded-nursery program. The nursery is open to children whose parents wish to attend the new Mission. There is still some furniture needed in the nursery. If you would like to provide some of it, see Mrs. Perry.

Sunday, December 6 will be the time for our Lottie Moon offering for foreign missions. Let's make a worthy offering this year.

Sunday, December 20, at the evening service, the adult choir will present their annual Christ-

mas music program. Also we will take our benevolent offering (orphans) at that service. Lavelle Meckel will direct the choir.

Mr. Christy and several of the young people attended the music convention at Ft. Worth this past week. We have not received a full report from them as yet; when we do we will report it to you.

We extend a cordial invitation to everyone who is not in church and Sunday school services somewhere to attend one of our missions or our first church every Sunday.

Go to church somewhere next Sunday.

WOMAN'S CLUB MEETS

The Woman's Club met with Mrs. J. E. Spencer, with Mrs. Ernest K. Nimitz as a co-hostess. Mrs. A. J. Mund, chairman of the committee to revise the constitution, and Mrs. Edwin Jackson, club Councillor, who attended the General Federation meeting, made reports.

The program on poetry included favorite quotations or favorite authors, and a talk by Miss Jewel Shelton, of the High School faculty, on early and modern poetry and poets. Fifteen members and two guests, Miss Shelton and Mrs. Hollis McCormick, attended.

TEXAS BAPTISTS HOLD CONVENTION ON B. T. U., MUSIC

More than 13,000 Texas Baptists met in Fort Worth over the Thanksgiving holidays for the 63rd Training Union Convention and the Third Music Festival and convention.

In the Training Union convention plans were made to enlarge the Training Unions in the local churches to the sizes of each Sunday school. The better speech contest was also a part of the agenda. John Christy, local educational director, served as a judge in this contest.

"With Christ there is more Beyond" was the convention theme. Some of the speakers for the convention were Dr. J. D. Grey, New Orleans, La.; Dr. H. H. Hobbs, Oklahoma City; Dr. Otis Strickland, Decatur Baptist College; Dr. R. G. Lee, Memphis, Tenn.; Dr. O. Bryan Richardson, San Angelo and many others. Dick Baker and Bob Norman were the music directors for the convention. Dr. Sterlin Urice was in charge of the convention.

There were some 1,000 entering the music contests. From First Baptist Church of Eldorado there were three 1st place ratings, and three 2nd place ratings. Patricia Christy, junior song leading; Frances Christy, adult song leading; John Christy, adult song leading, were rated A superior. The First Baptist Sextet, Intermediate Vocal; Goodwill Trio, Adult Vocal; and Waldine Midgett, young people hymn playing, were rated B excellent.

The Eaglettes opened their basketball season last Tuesday night by slipping past Christoval 39-33 in the last few seconds of an exciting fourth quarter.

Throughout the first half and into the third quarter, the Eaglettes trailed Christoval from 7 to 10 points and abruptly the local boys woke up and gave Christoval keen competition. The half time score found the neighboring team 20-14 ahead of the locals.

With three minutes of playing time left to go, Dan Mittel sank a field throw for 2 points, tying the score up. Reyes Robledo sank another 2 points putting the locals ahead. Christoval's Johnny Edgar made three free shots good, putting his team in the lead with one point. With about 15 seconds of playing time left, Buster Brock made a field goal, winning the game for the Eaglettes by one point.

Wayne Solomon of Christoval was high scorer of the game with 14 points. Buster Brock led the Eldorado boys with 13, Dan Mittel and Reyes Robledo with 11 points each, Johnny Ohlenburg and Farris Nixon with 2 points each. Other Eaglettes seeing action were Dick Runge, Abel Sanchez, Teddy Doyle and Cecil Walston.

News From Our Neighbors

Co-Op Reorganized

All nine directors for the Central Texas Electric Co-Op, as proposed by the investigating committee, were swept into office last Saturday at Fredericksburg by overwhelming majorities. Two writie-in candidates, G. R. Wittig and James Eckert, received 41 and 39 votes respectively, while the committee-backed slate received votes of from 882 to 937. Rubin Doebbler, who was on the nominating committee slate but not on the investigating committee ticket received 56 votes.

The new directors voted to reinstate Ralph Swanson as manager and W. C. McWilliams as assistant manager, both of whom had been ousted by the old directorate. —Mason County News.

Successful Hunting Trip

Local nimrods returned last week end from a successful hunting trip on Mrs. John F. Nunn's ranch near Kent. Seventeen deer were bagged. Most of the hunters were veterans at the game, but this was a new experience to Rev. Jack London, who came here last year from Chicago to accept the pastorate of the First Presbyterian Church. He brought down his deer—a nine-pointer. Mrs. Nunn also bagged a buck.—Big Lake Wildcat.

Six Veterans In Family

Calvin Pope, son of Mr. and Mrs. Frank Pope, returned home recently after several years service with Uncle Sam's military forces. That in itself isn't so unusual, perhaps. The interesting part of the story, however, is the fact

that the recently discharged GI is the sixth son Mr. and Mrs. Pope had in the service during World War II and following.

Findel, Abner, Tully and Chester all served during World War II, while Calvin and Alvin entered the service during the Korean conflict. The latter was awarded the Bronze Star for action in Korea. Not only did all of the boys enter the service, but all were on overseas duty at one time or another. Three, Abner, Findel and Calvin, were across twice. Calvin, just discharged, served in France for 18 months.—Menard News.

Room For Six More

Providing a home for six nephews and nieces, in addition to two children of their own, is the task that is being undertaken by Mr. and Mrs. R. C. Koerner of Robert Lee.

The children range in ages from 16 months to 16 years. Their mother, Mrs. Lois McDowell, died Nov. 13 at Phoenix, Ariz. She was 39 years of age and a cancer victim. She also leaves a husband and an older son.

The Koerners reside on the R. C. Patterson place in Friendship community. They moved here two years ago, Mr. Koerner being employed as a welder's helper on the gas plant construction project at Silver.—Robert Lee Observer.

Homecoming a Success

The first Homecoming at Fort Stockton high school was attended by over 300 ex-students. The ex-students were organized and a committee was appointed to work with the high school student council in planning next year's homecoming. Miss Freddie Jean Ellis was crowned homecoming queen at the Fort Stockton-Crane football game.—Ft. Stockton Pioneer.

Eden Lights Up

Eden will be in its Yuletide dress come Thanksgiving Day evening when the many streamers of Christmas lights will be turned on for the gay season ahead, reports Geo. Chrisholm, local manager of the West Texas Utilities Co. Street decorations were put up last week end. Lights were installed by West Texas Utility crews.—Eden Echo.

Hunters Lost and Found

One of the largest searches in years in the Big Bend region for a missing deer hunter developed Saturday night and Sunday morning. A young hunter from Alpine, Norman Miller, became lost late Saturday afternoon and picked up by neighboring hunters who in turn had a man missing. Miller spent the night with these hunters and joined the search Sunday for the missing man. In the meantime the other missing hunter was found by his party around 10:00 p. m. He had built a fire and the only damage suffered was hunger. —Alpine Avalanche.

Mr. and Mrs. Shelby Dugger of Dallas spent Thanksgiving with the Walter Popes in this county.

Mary Lou Alexander of SAC was a holiday visitors in the home of her parents Mr. and Mrs. Ray Alexander.

Mr. and Mrs. Milton Baugh were in Abilene Monday attending a Hereford sale.

Mr. and Mrs. Josh Ewing had as guests Ben Ewing and family of Austin and Mr. and Mrs. John Sutton of San Angelo and family.

Mr. and Mrs. Arthur Mund visited in Ballinger during the holiday week end.

Whipping The Cost-Price Squeeze

College Station.—Texas farms and ranches produce commodities for consumption, but due to declining prices farmers have been caught in a cost-price squeeze.

The purchasing power of farm prices for all products a year ago was 103 percent of parity. Today, the national average is 92 percent. With agricultural prices trending downward, C. H. Bates, farm management specialist, says it is more important today than before to avoid costly haphazard methods of production.

It is expected that production outlays including cost of machinery, fuel, feed, fertilizer and labor will gradually decline with farm prices, Bates says. But, while this adjustment is coming about, he adds, the state's agriculturists are suffering a hardship and less efficient operators feel the pinch more

than others.

What steps can farmers take to broaden the gap between outlay and production?

First, says Bates, study market reports and livestock information to benefit from wise selling and more profitable marketing.

Use moderate judgement and look for places to cut expenses. Don't overlook the use of machinery to save labor costs, but buy the design of machine suited to specific needs. Wages now are four times as high as in 1941. In comparison, he points out, farm machinery has only doubled in price.

Use credit to the best advantage, but use it wisely.

Don't operate your farm with too much labor and machinery. All too often lower unit costs can be gained by handling more land or keeping the maximum number of livestock that can be handled.

Take advantage of price supports where they are available. Keep a complete set of records. Farming is a business and deserves the best managerial practices, Bates says.

"And, don't be afraid to make changes," Bates concludes. "Don't be the last to accept new and improved agricultural practices."

Students Attend Thanksgiving Dance At Memorial Building

Honoring Billy Jack Etheredge, son of Mr. and Mrs. Jack Etheredge, and Elizabeth Ann Ballew, daughter of Mr. and Mrs. R. L. Ballew, their parents entertained with a supper and evening of dancing Thanksgiving night from 7:00 to 12:00 at the Memorial building.

Decorations in the party rooms were in school colors of green and white. The buffet table was centered with a cornucopia of fruits and nuts, and white candles in silver candelabra.

Included in the group of high school young people were the following from out of town: Nancy Le Feaux of Dallas, Betty Jo Kirby of San Angelo, S. E. Etheredge III of San Angelo College, Bill Bearce of A&M, Bryan, Texas, Mr. and Mrs. Wilson Humphrey, and Jim Thornton of Lubbock.

Fundamental Baptist

It is indeed a blessing and privilege to every American that we live in a nation where we have the freedom and opportunities that are ours. May each of us show our appreciation and thanks unto God for these blessings that are ours by attending the church of our choice this coming Lord's day.

Rev. Krueger, pastor of the Maple Lawn Baptist Church in Dallas, will be preaching this Friday night, Saturday night and Sunday morning at the 11 o'clock hour. Everyone is welcome to come and hear these messages.

The Bible conference and Fellowship meeting at the Trinity Baptist Church of Big Spring is to be long remembered. Preachers were present from many parts of Texas and the power of God was manifest in every message.

We are thankful for the way our young people are taking part in their meetings every Sunday evening at 6:30. If you have not attended these services you are missing a blessing. May we all continue to pray that our young people will be blessed of God in a mighty way.

Sunday school 10 a. m. A class for every one. Bring your Bibles and study God's word with us.

Morning worship 11:15. Rev. W. E. Krueger, Dallas, will bring the message.

Young people's meeting 6:30 p. m. Eccl. 12:1 "Remember Now thy creator in the days of thy youth."

Evening evangelistic 7:30 p. m. Wednesday, Bible study and prayer service 7:30 p. m.

Thursday: Teachers and workers meeting at 7:00 p. m.

Cliff McDougal, pastor.

Methodist Notes

Last Sunday was Recognition Day for the Mission Home and Training School, a home for unwed mothers. The congregation were given facts concerning the home and the work it is doing, and a collection was taken.

The Men's Brotherhood had supper Monday night at the church, meeting in regular session, and heard M. D. Hines and Foots Walker present a program on the work of Alcoholics Anonymous.

Next Sunday is Commitment Day, when members will be asked to make commitments to total abstinence from all alcoholic beverages.

WSCS Activities

The circles of the WSCS met December 1 at the church with the Dorcas Circle presenting the program and serving refreshments.

The theme of the program was "For unto us a child is given." Refreshments were served from a table decorated with a centerpiece in the Christmas theme. 19 members were present.

December 15 was set for the WSCS Christmas party. The Dorcas Circle will meet at the church on December 9, but the others will not meet again until early January.

WOMAN'S CLUB

This will be the regular Christmas meeting, but instead of the usual exchange of gifts there will be a free-will offering for charity. The social committee will be in charge of the meeting. It is understood that the project of furnishing a kitchen, which the Woman's Club has sponsored with other clubs, will be completed by that time.
