GERMAN SERIOUSLY HURT IN POST SHOOTING

ERMAN FLIERS FAIL IN TRANS-ATLANTIC ATTEMPT

TWO SHIPS ARE TURNED BACK, OCEAN STORMY

PLANE FLIES TO WISH COAST BEFORE TURNING BACK

(By Associated Press)
Germany's first bid for trans-atlantic aerial honors failed.

The metal monoplane Bremen, which left Dessau at 10 o'clock Sunday night, turned to the airfield and landed at 4:20 o'clock (Monday) afternoon.

Her sister ship, the Euro, the second in the aerial row of junkers planes, already landed, being forced to turn about by trouble and dense fog over the North Sea.

The Bremen, which was badly damaged but not seriously hurt, was returned here this afternoon.

Her sister ship, the Euro, was damaged at the Dessau airfield this afternoon.

NINE AIRSHIPS READY FOR HOP IN DOLE FLIGHT

ERWIN IS ONLY ONE NOT YET FULLY QUALIFIED FOR BIG DERBY

(Special To The Avalanche)
OAKLAND, Calif., Aug. 15.—The first long distance aerial race in history, over a trans-oceanic course, 2,400 miles out in the Pacific will get under way at noon tomorrow when nine planes will start for Oahu, main island in the Hawaiian group.

Seventeen men and one woman—Miss Mildred Doran, 22 year old Michigan school teacher—will travel towards Wheeler field, near Honolulu for a \$25,000 first prize and a \$10,000 second award, the gifts of James Dole, of Hawaii.

Early today, but one plane lacked official approval. The "Dallas Spirit" piloted by Captain William F. Erwin, distinguished war-time flier, which arrived here a few days ago was ready for navigation tests prescribed by Lieutenant Ben H. Wyatt and expected to qualify before noon.

Official certification to the Dole starting committee, Captain Erwin's plane has passed the department of commerce tests and confidence was expressed in A. H. Eichwald, Alameda navigator, who will accompany the "Dallas Spirit" to pass the tests. The "Dallas Spirit" will be the ninth starter, eight having qualified previously.

S. M. U. COACH HURT IN WRECK

McINTOSH AND HIS WIFE HURT IN COLLISION NEAR TEXARKANA

(By Associated Press)
TEXARKANA, Texas, Aug. 15 (AP)—Injuries sustained in an automobile accident near Texarkana Sunday when their car overturned after colliding with one driven by M. H. Gore of Pharr, Texas.

McIntosh received a slight fracture of the skull, cuts and bruises, and his wife sustained a fractured shoulder and face and scalp wounds when their car overturned after colliding with one driven by M. H. Gore of Pharr, Texas.

McIntosh was thrown from the automobile in the crash and landed on his head several feet away. A passing motorist brought the injured to the hospital here.

ELBERT H. GARY DIES TODAY IN N. YORK HOME

ILLNESS OF MONTH IS FATAL TO U. S. STEEL MAGNATE, 80

(By Associated Press)
NEW YORK, Aug. 15.—Elbert H. Gary, for 25 years executive head of the United States Steel corporation, died at his Fifth Avenue home today. He was 80 years old.

Death, which followed an illness of a month and from which only two weeks ago he was reported to be recovering, occurred at 3:40 a. m. but was not officially announced until mid-forenoon.

It was believed in Wall street that the intention had been to withhold news of Mr. Gary's death until after the close of the stock market, but there should be a break in prices, but when persistent rumors at last brought official confirmation there was only a slight flurry of selling.

Details Not Yet Given

First definite announcement of Mr. Gary's death gave only the time, the place and the cause of death.

It was said that more detailed statement would be issued later.

Interest was centered on the contents of this statement because of the possibility that it might indicate who would succeed Mr. Gary as chairman of the board of the steel corporation.

Mr. Gary's body will be taken Wednesday to Chicago for burial near his old home at Wheaton, Ill.

Reports of Mr. Gary's death first began to circulate in the Wall street district in the middle of the morning. Confirmation was not immediately available at the offices of the United States corporation, but when reporters went to the Gary home at 1130 Fifth avenue an announcement was made.

SIX DIE WHEN HOUSE BURNS

FIVE OTHERS INJURED WHEN BLAST WRECKS MONTREAL HOME

(By Associated Press)
MONTREAL, Que., Aug. 15.—Six persons were killed and five injured by flames, smoke and debris from an explosion which blasted its way through a wall and incited an apartment house in Selwyn street early today.

Vinzenzo Collette, 36, lost his life while searching for his wife and four children who had escaped.

Smoke entering the second story of the building, which was a few feet from the street, killed the members of the Macdonald family who were sleeping there.

Woman Found On Roof

Mrs. James MacDonald escaped and was discovered exhausted on an adjoining roof. Neighbors were responsible for saving the lives of at least three members of the Macdonald family.

Firemen were trying to solve the mystery of the explosion.

It was at first thought leaking gas may have been responsible.

The finding of another body, that of an unidentified Italian, increased the death-list to six.

ED BRACKEN, HELD IN COUNTY JAIL, SAYS ARGUMENT AROSE OVER SALE OF INTOXICANTS

(Special to The Daily Journal)
POST CITY, Aug. 15.—The law of the six-gun was brought into rule here yesterday afternoon for the second time in ten days and, as a result, R. S. Redding, a barber, and Homer Smith, a cotton mill worker, are in a serious condition in a local hospital, while Ed. L. Bracken is being held in the Garza county jail, facing a charge of attempt to murder.

The shooting took place on a residence street in the south part of the city, about 4 p. m., and climaxed an argument between Redding and Bracken over the sale of beer, officers say.

Redding, the most seriously injured of the two, has a bullet in his left thigh and another in the stomach, while Smith, an "innocent bystander," was struck in the jaw by a stray shot from Bracken's gun. He was 50 yards away from the shooting and had no part in the argument, officers said. This is the second shooting in Post City in the past ten days, the first being fatal to Marvin Breeding, 22 year old waiter, and resulting in a playing charge being filed against Will Luman, ranchman, who is at liberty on bond.

No bond had been set in the case against Bracken at noon today.

Prisoner Dead Tarrant Man Is Thought Killed In Jail Scrap

(By Associated Press)
FORT WORTH, Aug. 15.—The body of Wiley Bedwell, 48, which was found covered with blood in a locked cell of the Tarrant county jail late Sunday was being held at an undertaking establishment today, awaiting communication with relatives believed to live in San Antonio.

Police, who arrested Bedwell from the floor in which Bedwell and J. T. Farrar, 26, gnashed ex-soldier, had been confined, the former on charges of intoxication and the latter pending lunacy hearing, said that Bedwell was killed when his head was battered on the stone floor of the prison.

Killed in Fight

They expressed belief that Bedwell was killed in a fight, that a key which he had been given in his captivity as a trustee in charge of Farrar, had been taken from his pocket and that the body had been locked in the cell in which it was found.

Since no motive for the crime could be found, the killing must have been the work of a mugger, incited by some unknown party, Justice of the Peace Faulkner said today, returning an inquest verdict.

When Faulkner and others visited Farrar in the insane ward of the prison today, he was mumbling incoherently and could give no explanation of the killing. Attendants said Farrar never had given signs of being violently demoralized.

Leaf Worms Appear In Idalou Section

Leaf worms are playing havoc with the older cotton in the Idalou section, according to a report this morning from D. F. Hatton, county agent.

Crosby and Scurry counties are suffering loss by the prevalence of the worms, county agents report.

"There'll be no general outbreak of leaf worms," Mr. Eaton said. "They are showing up in spots and if farmers will start fighting now, there should be no serious result.

There are about 20,000 lbs of poison in this county with which to combat insects, and if the condition necessitates the county agent said that he will start a fight on the leaf worms.

WOMAN SHOT IN FAMILY FUSS

(By Associated Press)
FORT WORTH, Aug. 15.—Police said today that Mrs. Rita Curry, 22, admitted at the station where she is being held that she shot her husband Samuel C. Curry, 28, over family trouble Sunday night. Officers said she refused to give further details.

She is said to have made another statement to Assistant District Attorney Rawlins Sunday night following her arrest.

Curry is at a hospital where attendants said he had a fighting chance to live. He had been shot in the shoulder and ranging downward.

According to detectives, Curry had returned home from a drug store when his wife, hidden behind a partition, opened fire on him.

Wound Inflicted 18 Months Ago Fatal

NEW ORLEANS, Aug. 15 (AP)—A shot wound inflicted by his wife more than 18 months ago has resulted in the death of Sydney Edward Dyer, 32 of Bonomeka.

Dyer, who served in the navy during the world-war, died yesterday at the Veterans hospital at Algiers where he had been a patient for several months.

The coroner said death was caused by infection caused by a gunshot wound inflicted by his wife in February, 1926, at Beaumont, Texas, since that time he was divorced from his wife.

The bullet penetrated the abdomen and a part of the spine.

Local Youth Hurt In Fall Under Car

Worth Gamel, age 12, son of Mr. and Mrs. Gamel, 1505 Main, was run over and painfully injured when he fell from a strip-down roadster on which he was riding Sunday afternoon about 6 o'clock, near the canyon east of the city.

He was rushed to the Lubbock hospital by a passing autoist, where a minor operation was performed to determine extent of his injuries. He had received a severe blow upon the head, but his condition had improved through the night so that he was able to return home this morning.

Riding with him on the car were Carl Thorp, J. B. Wilson, Tom Hutchinson, and Graham Holmes, all about his own age.

Two Rangers Are Sent To Childress To Quell Race Riots of Saturday Night

(By Associated Press)
AUSTIN, Aug. 15.—Two Texas rangers late last night were ordered to Childress to quell riotous race riots, it was announced at the governor's office today.

Will P. Jones, Childress mayor, appealed for aid. He said trouble brewing for some time, culminated in several fights between negroes and whites Saturday night.

Private C. O. Moore and M. T. Gonzales from Fort Worth were those sent.

citizens took the situation in hand and in a short time the city was quiet.

No More Disturbance

Sunday morning there was no disturbance and Monday morning conditions were normal. Requests were made for state rangers and Governor Dan Moody ordered Sergeant M. T. Gonzales and Ranger C. O. Moore to Childress. Ranger Moore arrived Monday morning and Sergeant Gonzales will be here at 5 o'clock.

A court of inquiry is now in progress. Several white boys are in jail. The situation is well in hand but other arrests will follow.

Out side Labor

Farmers have big cotton crops, not only in Childress but adjoining counties and apparently the scheme was to effect bringing in of outside labor into these counties.

It is expected the rangers will be here for some months as hundreds of laborers are flocking into this territory, due to the oil fields in Gray and Wheeler counties, also construction of new railroad out of Childress.

K. Carter Reported Slightly Improved

The condition of K. Carter, 14 year old son of Mrs. K. Carter, 1412 Avenue L, is slightly improved, according to an announcement from the West Texas hospital this afternoon.

Young Carter, who has been confined to the hospital for the last 19 days, is suffering of inflammatory rheumatism which involved the heart.

CUBS SWEEP REDS SERIES AND OPEN FATEFUL EASTERN INVASION

GIANTS DEFEAT PHILS AS BUCS SWEEP ALLOP CARDS

GIANTS BEAT SENATORS TIGERS TAKE 5-4 FROM BROWNS

(By Associated Press)
A home stand that netted 17 runs in 17 games, the Cubs were enroute east to an invasion, the success of which probably will determine the fate of the National League leader Joe McCarthy's budding out-scheduled to meet Brooklyn on Philadelphia, New York, and Cincinnati in order to return to Chicago September 4.

The Cubs made a clean sweep of three game series with Cincinnati by winning yesterday 7 to 2. Ray Jones, left hander, was in-able after the first inning, when Red Cummings were accused of having pounded Red Lucas out in seventh with a rally that clinched victory.

Giants Near Third
The defending Philadelphia, 2 to 1, the Giants pulled up to within one game of the third place St. Louis Cardinals. The game was played in a struggle. Larry Benton allowed four hits, two of which were un-answered. Ferguson of the Phils did not score after the second in-ning.

Kramer's airtight pitching did not much for the Cardinals and Pittsburgh strengthened its hold on second place with a 5-1 victory. The home field world champions' six hits and kept them scattered. The Cubs collected only six safeties. E. Snider, H. Holt and McGraw all delivered at opportune moments. "The Pirate" now two games ahead of St. Louis.

Brooklyn Goes to Braves
Brooklyn failed to end its losing streak and returned home to take a 4 to 0 beating at the hands of Red Greenfield and the Boston Braves. The Kentuckian held the batters to four hits and never was in difficulty. Three home runs spoiled the downfall of Jess Petty, the Red Sox pitcher. H. W. Smith and manager hitting for the circuit. Fourner's drive came with a runner on base. In the last three games Petty worked the Robin-sonians to score a single run.

The New York Yankees chalked up their 43rd victory on the Washington Senators, 6 to 2. Waite Hoyt allowed the Harrisonians only five hits. The Senators' was ineffective. Hoyt and Gehrig failed to do anything about their home run dispute, each got a hit.

Tigers Beat Browns
Detroit made it give in a row over St. Louis, the Browns being tossed out 10 to 4. Melillo's three errors paved the way for the St. Louis victory.

The White Sox finally broke their losing streak by knocking in the Cleveland Indians, 7 to 2. Blanshard was in good form and was up only in the ninth. Nels, formerly of Cleveland, knocked in three runs in the sixth with a dou-

Huggins Sees A Hundred Victories And A Certain Pennant For Gotham

BY BILLY EVANS

Miller Huggins, mite manager of the New York Yankees, is of the belief that his club will win 100 games this year.

Which is just another way of saying that he is positive his club will again win the American League pennant. Last season the Yanks needed only 91 victories against 82 defeats to win the title. As a matter of fact, it wouldn't surprise Manager Huggins if his club set a new mark for victories in the American League. The Boston Red Sox in 1912 won 105 games to capture the championship, the best mark.

When the first 100 games of the present schedule were completed the record of the Yanks showed 73 wins against 27 defeats. There then remained to be played 54 games.

In order to make good the prediction of Manager Huggins that his club had a great chance to win 100 games, the Yanks need only capture 27 of the remaining 54 games. In other words, the club needs only to play the ball to reach the century mark in victories.

In order to break the American league record of 105 games, established 15 years ago by the pennant-winning Boston Red Sox, New York would have to win only 32 games while losing 22, considerably below the early season average of the club.

There is a remote chance that New York may top the major league record of 116 victories made by the Philadelphia Athletics in 1906. The Cubs that year made a runaway race of it in the National League and were top-heavy favorites to win the world championship, yet were beaten by the Chicago White Sox, then known as the "Hitless Wonder."

To break the major league record for victories over the 154 game schedule it would be necessary for the Yanks to win 43 of the remaining 54 games to be played. This would call for 300 baseball, which is better than the record of the New York club to date.

While there is some doubt as to the ability of the New York club to win 116 games or more, it feels that Manager Huggins will make good on his prediction of 100 victories for the Yanks in the winning of the 1927 pennant.

The success of the New York club in coming back last year, after dropping to seventh place, after winning three championships in a row in the American League, is a tribute to the managerial judgment of the Yankee pilot.

When the Yanks slipped to a lowly position in the second division, Huggins decided that it was time to rebuild and set about to complete his task. His success is best attested to by the Yankee victory in 1926 and the almost certainty that he will repeat this year.

The extraordinary showing the New York Americans have made this year is all the more remarkable when it is considered the club has suffered any number of serious injuries to its star players. The Yanks have refused to slump regardless of the stars who have been forced out of the lineup because of injuries.

There is no getting away from the fact that the New York Yankees comprise a formidable ball club, one of the best in the history of the majors, and in Miller Huggins as manager the club has one of the smartest leaders in the game.

There has been but little or no talk in connection with the career of Miller Huggins, yet he has delivered in a most pronounced manner—a big league pilot.

LOCALS BEAT ABERNATHY 4-3

AUTO-BARBER TEAM OF CITY LOOP WINS BY EARLY SCORING

It was too much "Lefty" Smith for Abernathy nine yesterday afternoon and the Auto-Barbers defeat of the Hale county combination at Abernathy in a very interesting contest with a score of 4 to 3. The local city loop crew smashed out eight safe hits against the offerings of Skipman, ace moundman of the Abernathy staff.

The Auto-Barbers started early scoring by registering one run in the second frame, and two in the third. In the third session the visitors counted one run and led by the sixth 4-1. The last session rolled around the Abernathy nine started a rally that brought in one run. Todd and Heath, both connected for successive hits to score the last run counted by the Auto-Barbers.

Skipman used a high under hand delivery all the way on the Auto-Barbers and struck out seven of the local hitters. Lefty Smith, ace pitcher of the Lubbock Laundry outfit, who worked for the Auto-

Son Of Minister To Give Up Ring In Queer Wager

(By Associated Press)
BEULAH, Mich., Aug. 15.—With a knockout at the hands of Dora Haswell, Beulah boxer, as his record in a bout Saturday afternoon, Billy Lamance, 20, son of the Rev. W. M. Lamance, Methodist minister, today prepared to make good a promise that he would study for the ministry if he failed in Saturday's contest.

Young Lamance, central A. A. U. boxing champion, after arranging with his father to serve as his manager for the fight, made an agreement to take up prize fighting as a profession if he was successful, and to enter the ministry if unsuccessful.

The Rev. Mr. Lamance arranged for a license for the fight. Haswell tapped Lamance for the count in the third.

Games Halted In Respect To Dunning

DALLAS, Aug. 15.—Texas league baseball games will halt for two minutes in the seventh inning today in respect to Guy Dunning, Beaumont outfielder, who died at Shreveport Sunday of an attack of cramps. The Beaumont-Shreveport game was called off.

Dunning was seized by an attack of cramps Saturday. His body was sent to Dixon Mills, Ala., his home. He is survived by his widow and a three year old daughter.

More Rain Falls Adding To Flood Threat In Kansas

(By Associated Press)
KANSAS CITY, Aug. 15.—More rain fell in Kansas today to add to the flood threat in the central and western portions of the state. Rivers continued to rise to offer new danger of overflows both in eastern and central Kansas. At Iola the Neosho river began rising after having fallen this morning. Rain at the rate of 2-4 of an inch an hour was falling there. Cottonwood river was also reported rising.

Smoky Hill river in the central part of the state continued its rise after having invaded several towns Saturday. At Fort Scott, in the eastern part of the state, the flood was receding.

No Missouri Pacific or Missouri Kansas Texas trains have operated out of Fort Scott for 48 hours. The Erie was attempting to operate but was experiencing difficulty.

"What Martinelli Says Won Me to Luckies"

Regan Stewart remarks to Grace Dalton as he lights a Lucky Strike while waiting for a group of guests at The Riding Club.

Giovanni Martinelli, famous tenor of Metropolitan Opera, says:
"We who sing must be extra cautious about our throats. I get my greatest enjoyment from Lucky Strikes because I find they do not affect my voice."

Perfect Batting Mark Sends This Rookie To Phils

(By NEA Service)
PORTLAND, Ore., Aug. 15.—There's one tale that "Deacon" Van Buren, contractor here during the winter and scout for the Mission Pacific Coast league club in the summer, can tell that's hard to beat.

It is how Van Buren was traded by the Brooklyn Dodgers when he was boasting a perfect batting average.

Soon after starting in baseball, Van Buren was sold to the Dodgers. He scratched the bench many days before he got his chance, but he delivered when it came—three hits in his first game.

Quite happy was he as he pranced about the hotel lobby that night. It looked like he'd be in the big show quite a few years if he kept that up.

In his ramblings, he encountered his manager. The manager beckoned him over, presumably, thought Van Buren, to praise his hitting of the day.

But instead came the order to leave for Philadelphia in the morning, and Van Buren realized that he had been traded to the Phils, despite his perfect batting average.

JOHNSON WINS OVER BOYNTON IN GOLF MEET

AMARILLO AMATEUR IS VICTOR OVER LOCAL ENTRY 12 UP AND 11

AMARILLO, Aug. 15.—Elli Johnson added another title to his already long string of trophies when he took Benny Lee Boynton of Lubbock over the hurdles and won the match without effort at 225 holes, 12 up and 11 to go, in the amateur championship final play of the Panhandle and eastern New Mexico here yesterday. It was just a case of the best man winning and there was no dispute about that. Old Man Par as well as Boynton was given a good licking.

The score of the flight was:
Johnson: In—53 54 33—33 out—43 44 34—35: in—53 54 42
Boynton: In—54 64 34—40 out—54 54 35—40: in—54 54 42

Johnson Under Par
Par on the Amarillo course is 36 and Johnson shot three under on the first round and one under on the second. Boynton it will be admitted by even the most partisan Johnson adherent that Ben Lee is a good sportman, that never let-ters; no matter what the odds against him may be, that he did the best he could under the circumstances, but he was simply out-classed.

The best medal round of golf Boynton ever played in any golf course was "Saturday" forenoon against Walter Sikes in the first half of their semi-finals match. He turned in a 70 then.

Where Johnson defeated Ben Lee was up to the hole and down. Boynton stated that his usual game was around 75 to 74 and when he bucked against Johnson who turned in a card of 68—something is up.

Gunn Fears Jones In Big Golf Meet

NEW YORK, Aug. 15.—Walter Gunn stands a good chance of winning the national amateur meet this year if some other kind entrant eliminates Gunn's fellow townsman, Bobby Jones.

Of course someone will have to eliminate Jones if anybody but Jones is to win, but it is necessary that some other than Gunn do the eliminating.

Simple because Jones is Gunn's bugaboo.

Game to the finish Gunn is not to be bluffled out of any match, but when he meets Bobby, then he is an inferiority complex and does you think of it, you can't very well blame him.

SEVENTY MILES, AVERAGE NATIONAL SURVEY BY PEDIOMETER SHOWS

(The Associated Press)
 Aug. 15.—The average distance walked in the United States is seventy miles a day, a national survey by pedimeter shows. The survey was made by the National Association of Foot Health, which recently held a national convention in Chicago. The survey was made by the use of pedimeters, which are small instruments that record the number of steps taken. The survey was made in many cities, including New York, Boston, Chicago, and Philadelphia. The results of the survey are as follows: In New York, the average distance walked is seventy miles a day. In Boston, it is sixty miles a day. In Chicago, it is fifty miles a day. In Philadelphia, it is forty miles a day. The survey shows that the average American walks about seventy miles a day, or about one mile every three or four minutes. This is a very large amount of walking, and it shows that the American people are very active. at night a steward in a grill room walked 12 1/2 miles. On average shopping days, the land a conductor walked seven miles picking up tickets. Yet from Boston to Chicago he walked but five miles, although he walked nine miles on a run from Boston to New York. The difference was due to the fewer stops made. Some other walks were cited. Seventy-five miles in a week was the distance covered by a salesman. A letter carrier walked 22 miles a day, a department store buyer, seven, and a soldier during 18 holes walked 1 1/2 miles. Girls in business outfits walked 47 miles in a week, and a stenographer walked 42 miles in a week although riding to and from work. A dancer in an act in the theater walked a mile and a sports girl registered 4 1/2 miles a day.

Jack Lockwill at Summer Camp (Creator of Frank Merriwell) By Gilbert Patten

Longpine's canoe, rakish and beautiful, was painted bright red. The Indian boy wielded the paddle with skill and grace, his long, steady strokes sending the light craft skimming over the bosom of the placid lake. Boldly, he headed for the landing float at the camp of the white boys, and the approach of the red canoe caused the young campers to gather in groups and watch it.
 With a sweep of the paddle, the young Indian brought his canoe up to the float, and Jack sprang out. "Goodby, Lockwill!" cried Tom, dipping his blade again.
 But Longpine wasn't far from the float when three canoes, each manned by two boys with paddles, shot out of the cove into which Laughing Brook emptied.
 Buke Saunders and Lizard were in the leading canoe. "Don't let the injun get away, fellers!" Saunders yelled to the others. "We'll take his canoe and keep it till he pays for the one he ruined." They responded by putting all their strength into their strokes. Twin Rose had shifted into the prow of the red canoe. Looking back at his pursuers, her brother laughed. (To Be Continued)

TEXAS ZONING PLAN IS GIVEN

EXPERTS TO AID CITIES WHICH ARE MEMBERS OF TEXAS LEAGUE

(By Associated Press)
HOUSTON, Aug. 15.—A zoning survey is planned for Texas cities by the league of Texas municipalities. Harvey W. Draper, executive secretary of the league, has announced.

The organization is planning to add to its staff men who will be qualified to make zoning surveys and advise cities in carrying out their zoning plans in accordance with laws recently passed by the legislature and also plans that will conform with those recommended by the highest authorities on city planning.

Only For Members
"This service is only for the league members," said Mr. Draper, "city planning for Texas cities will be handled in such a way as to get full advantage of similar efforts that have been put forth by various municipal bodies of America, always with a view of avoiding errors made in past city planning efforts in other states."

Arrangements have recently been made with municipal engineering firms to construct a department which will be in the organization's official machinery, and municipal engineering problems will be dealt with in this column by a responsible municipal engineer who is amply qualified to render answers to practically every engineering problem that may confront any Texas municipality. This service goes with membership in the league.

To Solve Problems
"Arrangements have been made to conduct a similar department each month in the magazine which will have to do with municipal accounting. It will be the aim of this department to answer questions and solve problems of accounting for Texas municipalities holding membership in the league."

"In this connection and because of having on its staff the most qualified public accountants, the league will be prepared to secure auditors for its member cities at a cost that will prove attractive to the municipal officials who want to have their city's annual audits made at a reasonable cost."
