Foreign Arms Aid Program in Final Stages

WASHINGTON, June 19. (AP) — Two Senate committees formally approved a $1,222,500,000 foreign arms program today but refused to dip into European recovery funds for part of the cost.

The Foreign Relations and Armed Services Committees voted 12 to 0 to continue for a second year the program to re-arm non-Communist nations.

Chairman Connally (D-Tex) of the foreign relations group said he would try to get a Senate vote on the measure next Thursday if possible.

The senators agreed to limit President Truman's power to give arms aid to nations outside the North Atlantic Pact.

As the measure was originally drafted, Mr. Truman would have had authority to re-arm any nation if he deemed it in the interest of American security. The revised bill limits this aid to Western Europe.

Sen. Lodge (R-Mass), sought to pin an amendment on the bill which would have diverted $100 million of European recovery funds to the arms program. But Connally said this was rejected "by a strong vote."

"The main objection," he said, "was that we didn't want to scramble up the Marshall Plan and the arms plan."

The measure authorizes:

$1,000,000,000 in arms and equipment for the North Atlantic Pact nations—plus $200,000,000 in equipment to be transferred from U.S. surplus stocks.

$131,500,000 for Greece, Turkey and Iran; $75,000,000 for the China area; $16,000,000 for the Republic of Korea and the Philippines.

The China area funds include a secret fund of $7,500,000 for which Mr. Truman would not be required to give any accounting. And on another $27,500,000 he would be required to report confidentially only to the congressional committees dealing with foreign affairs and the armed forces.

On the $40,000,000 balance of China area funds, Mr. Truman would report to Congress in the usual manner to explain how the funds were used.

Connally said the committees eased the restrictions on arms purchases by friendly nations. Under the new bill, he added, they would not be required to pay cash on-the-barrelhead on arms orders but co-pledge securities or otherwise arrange satisfactory credit.

The arms forces chiefs had requested this change to permit friendly nations to pay for arms on delivery—rather than when the contracts were made.

New Reservoir Nears Completion

A new ground storage reservoir with a capacity of half a million gallons will be completed by July 2, according to Dwight Look of the city engineer's office.

The new reservoir, located at Fourth Street and Avenue S, is expected to be a big help in solving Snyder's water problem, which is one of storage as much as of supply, Look said. Present ground storage reservoirs, one behind the city hall, and another on Thirty-second Street, hold 450 gallons.

Civil Docket Is Set As District Court Convenes

District court convened here at 9 o'clock this morning for the setting of the civil docket listing the cases to be heard in the summer term beginning either late this afternoon or tomorrow morning.

The grand jury is scheduled to convene at 9 o'clock tomorrow morning for selection of from nine to 12 jurors from the 16-man grand jury panel. Twelve are usually used, but nine can make a quorum.

The selected jurors will then select a foreman and begin consideration of more than 57 felony charges filed since the last grand jury session in March. After the grand jury indictments are returned, the criminal docket will be set. Trial of criminal cases usually begins with the third week of court.

Nine charges of theft are to be considered, one charge of robbery, three of swindling with worthless checks in excess of $50, four rape charges, one forgery, two charges of sodomy, one of theft by bailee, three of burglary, one of robbery by assault, one of removing mortgaged property, two charges of theft from persons, one charge of fondling a female under the age of 14, and 28 charges of passing forged instruments.

'Hero' of Plane Crash Is in Jail

RENO, Nev., June 19. (AP)—The hero of a flaming plane crash and a five day trek across sun parched Nevada desert? Gosh no, confessed chagrined Allan Lee Pearce, 23, of Oklahoma City, he was the victim of a "lost month" in Reno bars.

It all started, he related from a cell in the county jail, when an Oklahoma City brunet—whom he refused to identify—refused to get out of bed to keep a date.

DRINKS LATER

Many drinks later and about $1,400 poorer, Pearce was picked up Saturday night by Deputy Sheriff Stanley Power of Fernlee wandering in the desert 40 miles northeast of Reno.

He gasped out a story of a flaming plane crash on a flight from Seattle to Albuquerque, N. M., and of five tortuous days walking in the sun-parched desert. At that time he identified himself as John E. Chenau, 24, of Austin, Tex.

"What can they do to a guy for lying," he asked.

Police were noncommittal but they booked him on a holding charge—investigation of airplane theft.

Kent Well Flows 122 Barrels In 2-Hour Period

After an acid injection of 2,000 gallons, Kewanee Oil Co. No. 1-C Wil (Connell), new Canyon Reef discovery in southwest Kent County kicked off and flowed 122 barrels of oil in two hours. The flow was through a one-half inch choke.

Operator plans to test the well through various sized chokes for several days and then complete as a new discovery around the end of this week.

The No. 1-C Wil is six miles northwest of the Cogdell-Canyon Pool and is 1,980 feet from south and east lines of section 3, block 4, H&GN survey.

It topped the Pennsylvanian lime at 6,850 feet on a minus datum of 4,630 feet. Production is coming from perforations at 6,853-71 feet. Five and one-half inch casing is cemented at total depth of 6,880 feet.

TOPS REEF

General Crude Oil Co. No. 1-144 Young, one-half mile southwest of discovery well of the Salt Creek-Canyon Field in West-Central Kent County eight miles north of Clairemont, topped the lime reef at 6,320 feet to give it a minus datum of 4,257 feet and make it 120 feet low to the opener of that field.

It was drilling ahead below 6,360 feet in lime. It had plenty of lime section above the Salt-Creek-Canyon water level to make possible its completing as an oil well.

Location is 660 feet from north and 330 feet from west lines of section 144, block G, W&NW survey.

DRILLS DEEPER

Standard-Fryer Drilling Co., Kingwood Oil Co. and associates No. 1 I. G. Harrell, northeast Scurry county wildcat, nine miles northeast of Snyder and 660 feet from north and west lines of section 81, block 2, H&TC survey, topped the Pennsylvania lime at 6,-

FIRE FIGHTERS—This Army team is preparing a recoiless, anti-tank rifle for test-firing at the site of a wildly blazing oil well near Big Spring, Tex. Maj. Alexander Welcher, sighting the gun and three unidentified soldiers, around gun, fired the weapon and bazooka at the base of the well. The rotor table covering flames was removed, permitting flames to shoot directly upward, simplifying fire fighting operations. (AP wirephoto).

National Gambling Czar In Surprise Guilty Plea

NEW YORK, June 19. (AP)—Frank Erickson, boss of a nationwide, multi-million-dollar bookmaking empire, pleaded guilty today to gambling charges that could send him to prison for 60 years.

The pudgy gambling czar, who never spent a day in jail in his life, entered the plea as he was brought into special sessions court for trial.

The plea of guilty to all 60 counts against him was entered by his attorney, Sol Gelb who told Justice Nathan D. Perlman:

"The defendant wishes to withdraw his plea of not guilty and plead guilty to the information."

MAXIMUM

The maximum penalty on each count of the charge is a year in jail and a $500 fine, which makes the big-time gambler subject to a possible sentence of 60 years in prison and $30,000 in fines.

The information charged one count of conspiracy and 59 counts of bookmaking. Dist. Atty. Frank S. Hogan said he would ask the "stiffest sentence" for the gambler.

Justice Perlman set June 26 for sentencing.

Erickson was continued in $10,000 bail.

After Gelb entered the plea, the judge turned to Erickson and asked:

"Does the defendant plead guilty to each of the 60 counts?"

"Yes," Erickson replied.

His fingers pressed hard against the table top, but his face appeared without emotion.

SEES LONG TERM

Hogan said he saw no reason why the 54-year-old defendant "should not be sent to jail for a long time."

There are reports that Erickson pleaded guilty in an attempt to lessen his penalty, although his attorney had maintained up to the time of th etrial that the defendant would not do so.

Speculation also circulated that the guilty plea was entered as a means of protecting big-money bettors. Some of these businessmen-bettors reportedly wagered up to $15,000 daily through Erickson.

Fighters Will Try to Blow Out Oil Well Fire Thursday

BIG SPRING, June 19. (AP)—An attempt to blow the fire out of a wildly-burning oil well near here was postponed today until Thursday.

Nine days after the well exploded into columns of smoke and flame which killed a geologist, professional oil well fire fighters made careful preparations for the snuff-out job.

M. M. Kinley, Houston oilfield troubleshooter, cleared away the last of the junk around the well and had dikes thrown up around the site. He was rejoined by Paul Adair of Houston, who flew from Big Spring a week ago to help blow out a gas well fire at Renovo, Pa.

An Army weapons team gave the professionals a chance when they scored hits on the rotor table of the well with a 75-millimeter recoilless rifle Saturday night. The rotor table has turned the flaming oil downward—making approach to the hole impossible.

When the table was shelled it allowed the flame to shoot skyward.

In case surface "snuffing" operations on Pan-American No. 1 Holley, blazing oil well in southeast Borden County fails, Pan American has already begun operations on a directional hole in an attempt to "snuff out" the fire from the Canyon Reef core hole, it was reported from Midland today.

The directional hole has been staked 836.5 feet west of the burning well. A rotary derrick has been erected at this location and drilling equipment is now being put in operation.

Operator planned to drill to approximately 2,500 feet and then set surface casing.

Then the hole will veer eastward with the hope of tapping the Canyon reef near the bore-hole of the No. 1 Holley, the burning well.

When the directional hole reaches the reef, heavy drilling fluid will be pumped into the burning well in an attempt to cut off the flow of oil and gas from the No. 1 Holley.

In the event the professional fire fighter caps the fire before the directional hole is finished, Pan American plans to drill the directional hole westward and complete it as No. 2 Holley. Thompson-Carr Inc. has the contract to drill the directional hole for Pan American.

MILTON KATZ, above, a New York lawyer, will succeed W. Averell Harriman as special representative of the U. S. in Europe for the European Recovery Program. He will have the rank of ambassador. Harriman has been named by President Truman as his special assistant in handling foreign affairs. (AP wirephoto).

MacArthur Gives View on Far East Defense at Conference

TOKYO, June 19. (AP) — Gen. MacArthur today outlined America's defense position in Red-menaced Asia for Defense Secy. Johnson and Gen. Bradley. He reportedly called it serious but not hopeless.

The commander of United States forces in the Far East, it was understood, also urged prompt American material assistance to Formosa, last-stand bastion of the Chinese Nationalists, and for southeast Asia.

MILITARY ASPECT

Military aspects of a Japanese peace treaty also were believed under discussion in the momentous three-hour conference with the secretary and the chairman of the U. S. joint chiefs of staff. This would involve the vital matter of American bases in Japan.

The talks here are expected to lay the foundation for decisions in Washington on Far Eastern policy. One informed Japanese source said the Johnson-Bradley visit is being watched with "the greatest anticipation ever placed on any mission from the United States."

Efforts are being increased to reach agreement among Japanese political leaders on the question of future American bases.

Prime Minister Shigeru Yoshida hopes to get all parties—Communists excepted—to support a peace treaty with the Western Powers and continued American use of bases here.

CONFERENCES

To this end former Prime Minister Kijuro Shidehara is conferring with various party chieftains. All opposition parties came out in the June 6 elections for strict "neutrality" and no foreign military installations in Japan.

Both MacArthur's headquarters and Johnson himself have made it plain the defense secretary is only secondarily interested in the political aspects of a treaty.

Col. M. P. Echols, headquarters public information officer, said today Johnson's primary concern is the far eastern command side of MacArthur's dual job.

That means the actual military position of American forces throughout the Orient.

Man Injured When Truck Leaves Road

Howard Parr Wolschlag, 26, of Iowa Park, was injured yesterday when the 1950 International pickup he was driving ran off the roadway on the right and threw him through the windshield into a creek bed.

The accident occurred at 2:30 yesterday afternoon nine and a half miles east of Snyder on the Roby highway. Highway patrolmen E. W. Green and Bill Zimmerman, who investigated the accident, said Wolschlag apparently fainted just before the accident happened.

His father-in-law, James L. Coates, said Wolschlag was afflicted with an illness that caused him to black out at unexpected times.

The pick-up belonged to the John B. Barbour Trucking Co. of Iowa Park. Wolschlag is not an employee of the company, but his father-in-law is.

Wolschlag suffered contusions about the face and head injuries.

Walls Being Built For New Post Office

Henry D. Moreland, acting postmaster, said this morning that construction of the new post office building is under way but he does not know when it will be completed. Walls of the building are already five feet high, he said.

A permit to construct the building, which will be leased to the post office department, was issued to George W. Gray, owner of the Snyder Gray Lumber Co., last week. It will cost about $8,500. The new post office will be located at 2211 Avenue R.

MRS. FDR IN HOLLAND

AMSTERDAM, June 19. (AP)—Mrs. Franklin D. Roosevelt arrived here today from Copenhagen for a two-day visit in the Netherlands.

Eighty-Five Per Cent Complying In Trailer Law

Approximately 85 per cent of the trailer parks in Snyder had secured permits in time to meet the deadline set by the city council, L. T. Barnard, senior sanitarian at the city-county health unit, believes.

Barnard said the 68 courts which secured permits included most of the larger courts in Snyder. He said there were probably 100 trailer parks in Snyder, but that most of those remaining unlicensed probably consist of two or three trailers in somebody's backyard.

Some trailer park operators perhaps are not aware of the city ordinance requiring them to obtain a license, Barnard said, and asked that those operators whom he had not contacted call the health unit.

Barnard said trailer park owners had been exceptionally co-operative in complying with the ordinance, and that he considered an 85 per cent compliance in such a short time unusually good.

The deadline for trailer permits was last Wednesday. Barnard said he had spent most of his time contacting the larger courts, but that he would now devote more of his time to the smaller ones.

Truman Seeks Speed-Up On H-Bomb Work

WASHINGTON, June 19. (AP)—Congressional sources said today President Truman will ask Congress for $300 million to speed up work on the hydrogen bomb.

A member of the House Appropriations Committee, asking not to be named, said the money would be used entirely for construction work at existing atomic energy commission installations, mainly a Oak Ridge, Tenn., Los Alamos, N. M., and Hanford, Wash.

This informant said he understood Mr. Truman's request would be sent to the capitol in a day or two.

Such a request would mark the first time that money had been asked directly for work on the hydrogen "suber bomb."

President Truman ordered the Atomic Energy Commission last January to go ahead with attempted development of the new weapon which might be 1,000 times as powerful as the original atomic bomb.

At that time, figures ranging all the way from $100 million to $4 billion were being mentioned on Capitol Hill as the possible cost of the project.

Man Treated After Collision on 84

Ray Costello, 23, of Sweetwater, was treated at the Snyder Hospital early Sunday morning for minor cuts and bruises received in an automobile accident a mile and a half southeast of Hermleigh.

E. W. Green, highway patrolman who investigated the accident, said Costello apparently went to sleep while driving a 1941 Chevrolet coach toward Snyder on U. S. Highway 84, colliding head-on with a vehicle driven by Robert Earl Moore, 21-year-old Lubbock Negro. Moore was not injured.

Costello was taken to the hospital by a passing motorist.

Raymond Smith Candidate For Commissioner

Raymond Smith, 44-year-old citizen of the Plainview community five miles east of Snyder, announced his candidacy Saturday for commissioner of Precinct No. 1.

A member of the Snyder school board, Smith is a farmer and a resident of the county 21 years, having come here from Anderson County.

Smith is married and has three children, John A. Smith, Scurry County farmer, Mrs. Kathryn Humprey, of Snyder, and Billy Arthur Smith, 16.

He is a member of Blue Lodge of the Masonic Order and is chairman of the board of deacons at the First Christian Church.

WEEK-END ARRESTS

The police department made 24 arrests over the weekend, 16 of them on charges of drunkenness or drinking in an automobile.

Charges also included three of reckless driving, one of shoplifting, three of gambling and one of running a disorderly house. There were 17 prisoners in the city jail this morning.

Thirty-Nine File Names On Democratic Primary Ballot

By noon Saturday 39 persons had met the deadline for filing their names with the county's Democratic chairman, Haskell O. Beard, to be placed on the ballots for the primary election July 22.

Those filing for federal and state offices were George Mahon, incumbent, and Anton Mike Ripps, Big Spring candidates for U. S. representative of Congress District No. 19; Sterling Williams, incumbent, and N. C. Outlaw of Post, candidates for the state representative of District No. 118; Milburn S. Long, for associate justice of the court of civil appeals of the eleventhe supreme judicial district in East land; Eldon Mahon for re-election as district attorney; and E. H. Boulter, of Lubbock for district member of the state school board.

Filing for county offices were Mrs. Eunice Weathersbee, for re-election as district clerk; Edgar Taylor, for re-election as county judge; Ben F. Thorpe, incumbent, and Keith L. Merrick, for county attorney; Mrs. Mollie Pinkerton, for re-election as county treasurer.

Jim Ikard is unopposed in the race for tax assessor-collector to succeed Holly Shuler, and J. P. (Jimmie) Billingsley, for re-election as county clerk, is unopposed. Lloyd H. Merritt, standing for re-election as sheriff, has three opponents, Walter W. Morgan, R. L. (Bob) Terry, and Gordon B. Goss. the late Henry C. Ellerd whose unexpired term is being filled by Parmer. Elmo Herring has announced candidacy for this office in the News but has not filed with the Democratic chairman, according to Beard.

O. O. Dever has announced candidacy for constable of Precinct No. 1, and Oscar L. Parrish has filed for constable of Precinct No. 4. W. V. (Curley) Selman and Earl Shaffer filed candidacy for constable but did not state the precincts in which they sought election.

For county superintendent of public instruction, Forrest W. Beavers has filed unopposed, and M. R. Estes is unopposed in the race for county surveyor.

Candidates filing for commissioner of Precinct No. 1 are Raymond Smith, C. A. (Clarence) Wade, Walter Grant, and W. W. (Red) Trevey; for Precinct No. 2, E. H. Toombs, and F. (Jones) Chapman, incumbent for Precinct No. 3, Ted Haney, incumbent, and J. B. Turner; for Precinct No. 4, Simon Best, Doyle Parmer, Wayne Rogers, and Walter Ellerd, son of W. C. Davidson is unopposed in seeking re-election as justice of the peace in Precinct No. 1, and J. R. Jennings is unopposed for re-election as justice of peace for Precinct No. 2.

The Weather

WEST TEXAS: Partly cloudy this afternoon, tonight and Tuesday with widely scattered thundershowers in Panhandle, South Plains, and Pecos Valley westward late this afternoon or tonight. Not much change in temperature.

EAST TEXAS: Partly cloudy this afternoon, tonight and Tuesday with widely scattered thundershowers in east and extreme north portions. Not much change in temperature. Moderate southeast and south winds on the coast.

Scattered thundershowers held out promise of relief today for many Texas areas which simmered in near-century temperatures yesterday.

The thundershowers, expected in the late afternoon and through tonight, were predicted for the east and extreme north parts of East Texas and for the Panhandle, South Plains and Pecos Valley westward.

Hundred-plus readings ranged from Presidio on the border (107) to Dalhart in the upper Panhandle (101) yesterday. Salt Flat recorded 102, Wink 100, and El Paso 102. Galveston was the state's coolest spot at 88. This morning Dalhart recorded the state's low of 60.

Rain for the 24 hours ending at 6:30 o'clock was negligible except for .58 of an inch at Salt Flat. Other precipitation: Galveston .01 of an inch, Victoria .02, Guadalupe Pass .24, Childress a trace, and Amarillo .02.

West German Roads Mined Against Possible Attack

FRANKFURT, Germany, June 19. (AP)—The western allies are reported mining key roads and bridges throughout West Germany and other parts of Eurpoe to stall any possible Soviet attack.

These preparations came to light yesterday when a German magazine published pictures of a winding highway around famed Lorelei Mountain on the Rhine River in the French zone. The pictures showed a row of holes being drilled in the road and then covered with concrete caps. Explosive charges dropped into the holes would tumble the highway into the Rhine at one of its narrowest points.

NO COMMENT

American headquarters declined to comment. But a French source in the Koblenz area said:

"It is not only on this route on which such measures are taken and not only the French who are making such preparations. It is the allied high command which ordered this."

Plans have been in the books for more than a year for allied occupation forces in western Germany to fight a delaying action, if trouble comes.

The plans call for evacuation of civilians as rapidly as possible. Emergency signals have been given all dependents of U. S. Army and Air Force officials to be prepared to pull out if and when an alarm is flashed.

MASTER PLAN

Indications are that the western defense chiefs have drawn up a master plan for similar defense preparations in other European countries.

The pictures touched off a furor in the Russian-controlled East German press.

The Communist newspapers did not mention any possibility of a Russian attack, but declared the planned destructions were "part of an American aggressor's plan to march against the Soviet Union." One newspaper said the Americans are preparing to follow Hitler's scorched earth policy.

EMERGENCY LANDING—The 7-place twin-engined Lockheed aircraft in which its five occupants escaped injury Wednesday morning is shown here as it landed in a vacant field near the Snyder airport after narrowly missing the screen of the Canyon drive-in theatre. It struck an electric highline pole which clipped off about half its right wing. (Joe Dave Scott photograph).

Parties Join in Senate For Passage of Social Security

WASHINGTON, June 19. (AP)—Senate Democratic and Republican leaders teamed up today in an effort to speed passage of an expanded social security program. Voting on amendments is set to start tomorrow afternoon.

In separate interviews, Democratic Leader Lucas of Illinois and Sen. Taft (R-Ohio), GOP policy leader, told a reporter they expect the social security measure to go through in about the form it came from the Senate Finance Committee.

ONE AMENDMENT

Lucas is pushing for one amendment that would increase the taxable wage base to $3,600 a year. It now is $3,000 with employes and employers each contributing 1 1-2 per cent of wages up to this amount.

Sen. George (D-Ga), finance committee chairman and in charge of the bill, was expected to go along with the Lucas proposal if he and other Democrats would drop other amendments.

The Senate bill would add an estimated 10 million persons to the 35 million now covered by the old age and survivors insurance program.

Both it and a similar measure already passed by the House would sharply increase monthly benefit payments to aged persons, but the Senate committee dropped House provisions for increases in the related old age assistance program.

NEED BASIS

These are the payments to aged persons and others who qualify on a needs basis rather than under the so-called insurance.

Since reaching the agreement to vote Tuesday upon all amendments and then the bill, Senate debate has lagged on social security and this has permitted the Senate to dispose of other matters.

Thus it was possible to open debate today on extension of the peace-time draft act, now set to expire June 24.

Majority leader Lucas hopes to complete action on the draft measure this week and send it back to the House which previously had passed a different extension.

To Keep Cotton Pickers at Home

MEXICO CITY, June 19. (AP)—Matamoros cotton growers have been promised help in their efforts to keep Mexican field workers at home and away from U. S. fields across the border.

Representatives of the Matamoros growers are here to ask Army aid in closing the frontier to 40,000 pickers needed for their record harvest.

They already have been promised aid by the governor of Tamaulipas State, spokesmen for the Tamaulipas Cotton Assn. said.

Every year thousands of Mexicans go to the U. S. to work, some legally as braceros, many illegally as wetbacks.

Seek Two Escapees Through 3 States

WICHITA FALLS, June 19. (AP)—Officers in three states are alerted for two prisoners who escaped from the Wichita County jail yesterday.

The pair, described as "Dangerous," cut through two bars in their cell to gain release. They were awaiting transfer to the state prison.

The fugitives were identified as Billy Wayne Powers, 26, a life term, convict from Wichita Falls, who was brought here for a court hearing, and Edwin Franklin Brewer, 36, of Dallas, sentenced earlier this month to five years in prison for burglary.

Officers in Texas, Oklahoma and New Mexico are looking for the pair.

Pittsburgh Mayor Orders End Of Milk Walkout

PITTSBURGH, June 19. (AP)—Mayor David L. Lawrence summoned representatives of the striking milk drivers union and the dealers to a meeting today with instructions to "end your shadow boxing and resume delivery of milk."

A three-hour Sunday conference failed to end the 12-day-old strike which has cut off milk supplies in seven counties.

The union—AFL Local 205 Milk and Ice Cream Salesman and Dairy Employes representing 3,200 strikers—met yesterday afternoon and last night in an executive board session to consider the mayor's appeal and other business.

Union spokesmen indicated that the settlement terms involving 800 drivers and dairy employes in the Washington, D. C., milk strike would not serve as a pattern for peace here.

The Washington plant employes voted to accept a five and a half day week with plants closed on Sunday. The Pittsburgh union has rejected the greater Pittsburgh milk dealers' proposal for the same thing.

At the last bargaining session the dealers again insisted on arbitration of the dispute and indicated they would consider arbitration of the retroactive pay issue. The contract expired May 1.

The union argued that they would consider arbitration if the dealers would agree to retroactivity.

Kent Well Flows

(Continued from Page 1)

960 feet to give it a minus datum of 4,635 feet.

It ran a one-hour drillstem test at 6,962-7011 feet. Recovery was 30 feet of slightly gas-cut drilling mud. There were no shows of oil or of formation water. The project is drilling deeper. It was originally started to go to 8,000 feet to explore the Ellenburger—unless it makes an oil well from a higher horizon.

NO. 2 LOHMAN

Estil S. Heyser, Jr., of Dallas, and associates, have completed their No. 2 Lohman, Central-West Kent County wildcat, six miles west of Clairemont, for a daily initial production of 480.88 barrels of clean oil. There was no water with the oil.

This new producer is two and one-quarter miles south of Caroline Hunt trust estate No. 1 Young, the discovery well of the Salt Creek-Canyon field. It is located 660 feet from north and west lines of section 114, block G, W&NW survey.

The potential gage of 480.88 barrels of oil was calculated from an actual 6-hour flow of 120.22 barrels of oil, through a three-quarter inch tubing choke.

The production is from section at 6,474-6,534 feet in the Canyon Reef lime.

The zone at 6,474-6,516 feet is producing through perforations in the casing. It had been treated with 6,000 gallons of acid.

The interval at 6,516-6,534 feet is producing from open hole. A 4,000-gallon acid injection had been used in that horizon.

Heyser No. 2 Lohman topped the Canyon reef at 6,470 feet, on a datum of 4,343 feet, to make it 217 feet low on the top of the reef to the same marker in the Salt Creek-Canyon discovery.

This well is one and three-quarters of a mile south of the nearest completed producers in that field.

NO. 3 A. C. MARTIN

Standard Oil Company of Texas has staked its No. 3 A. C. Martin in the North-Snyder Strawn field of Central Scurry County.

The No. 3 Martin will be a one-half mile northeast stepout from prodcution. Drillsite is 1,980 feet from south and east lines of section 386, block 97, H&TC survey, and seven and one-half miles north of Snyder.

Slated depth is 7,500 feet, which should test both the B and C zones of the Strawn.

In the Kelley-Snyder field, eight miles northwest of Snyder, Stanolex has scheduled its No. 1-1 W. R. Bell.

Drillsite is in an undeveloped section on the west side of the Kelley-Snyder field. Exact location is 467 feet from east and 660 feet from south lines of section 395, block 97, H&TC survey.

Sunray Oil Corp. has potentialed its No. 2 L. S. Sentell from the B zone of the Strawn in the North Snyder Strawn field.

Producing from perforations at 7,399-7, 415 feet, it completed naturally for 369.89 barrels of 42.4-gravity oil and no water in 24 hours. Production flowed through a one-half inch choke.

The No. 2 Sentell was nonproductive in lower, or C, zone of the Strawn, so operators plugged back and completed from the upper pay level.

The new producer is bottomed at 7,504 feet. Five and one-half inch casing is set at 7,504 feet. Gas-oil ratio from the upper zone was 425-1.

The No. 2 Sentell is 467 feet from west and 1,679 feet from north lines of the lease in section 26, block 1, J. P. Smith survey.

Chapman & McFarlin Producing Co. has completed its second well in the Cogdell "4900" field in Central-South Kent County.

Chapman No. 12 D. M. Cogdell potentialed naturally from open hole at 4,833-4,852 feet, for 828.6 barrels of 42.7-gravity oil daily. Flow was through a three-fourths inch choke, and no water was developed.

Seven-inch casing is set at 4,830 feet. Gas-oil ratio was 475-1.

The No. 12 Cogdell is one-half mile northeast of the Chapman No. 6 Cogdell, discovery well of the Cogdell "4900" field.

Exact location of the No. 12 Cogdell is 3,258 feet from west and 4,644 feet from south lines of section 716, block 97, H&TC survey.

TESTS FAIL

C. L. Norsworthy, Jr., No. 1 R. H. Jordan, Central-South Nolan County wildcat, three and one half miles northwest of Blackwell had run two drillstem tests without developing any shows of oil or gas.

The first test was at 4,049-75 feet. The tool was open one hour. Recovery was 15 feet of drilling mud. The second test was at 4,490-4,551 feet.

The tool was open 30 minutes. Recovery was 20 feet of drilling mud and 180 feet of salt water. The prospector is making more hole.

It is contracted to 7,000 feet, unless it gets production before reaching that level. Location is 660 feet from north and east lines of section 36, block 1-A, H&TC survey.

IN IRION

Promising shows of oil have been logged in Central-East Irion County at Wilshire Oil Co. and Balboa Oil Co. No. 1 Brooks, slated 7,500-foot wildcat to explore the Ellenburger.

This prospector found good indications of production in the Leonard lime of the lower Permian in cores and drilling samples from 3,766 feet to 3,910 feet.

The zone from 3,766 feet to 3,886 feet was cored and the interval at 3,886-3,910 feet was drilled. The section from 3,910 feet to the Current bottom at 4,000 feet is lower Permian lime.

Texas One of Five States Gaining in Farm Income

WASHINGTON, June 19. (AP)—Texas was one of five states whose farmers' income gained during the first four months of 1950.

As a whole, the Agriculture Department said yesterday, the national figure is expected to be about $10,600,000,000 or nine per cent less the first six months this year than the first half of 1949.

The May and June estimates are tentative, but most states showed a decline for the first four months.

For the January-April period, Texas had a total of $492,264,000, compared to $391,371,000 the same period last year.

The Agriculture Department blamed the national decline on a drop of about six per cent in the prices farmers receive, and a reduction in the volume of marketing.

Receipts for crop marketings dropped about 15 per cent, but livestock receipts were down only about six per cent. Poultry and eggs declined 20 per cent.

In addition, some loss is expected in wheat and cotton income because of smaller crops and lower prices.

The four states other than Texas with gains for the first four months with comparative figures for the 1949 and 1950 periods: Illinois $505,950,000 in 1949; $506,324,000 in 1950; Florida $171,261,000 and $205,077,000; Kentucky $174,896,000 and $176,432,000; Oklahoma $125,771,000 and $135,264,000.

Sympathetic Overweight

PHILADELPHIA, June 29. (AP)—28-year-old John Linton had nothing but sympathy today for eight men who came runing to rescue him when he fell 10 feet into a cellar excavation.

"You'd better get a derrick," he called up to them.

But the six policemen and two park guards said no, they'd try alone.

They pushed and heaved a finally got Linton out of the cellar—all 360 pounds of him.

ARCS HELP AARON

DETROIT — (AP) — It probably would be perfectly all right with Aaron Robinson, catcher for the Detroit Tigers, if the Bengals played all their games at night. Robinson led the American League in 1949 in hitting in night games, posting a .379 mark. His overall batting record was .269.

Driving Charges Are Filed Against 2 Men

Robert Lee Collier, 39-year-old Snyder oil field worker, was charged in county court today with driving while intoxicated. He was arrested about 2 o'clock Sunday morning by E. W. Green, highway patrolman.

Woodrow Weldon Lyons, 35, of Tyler, Tex., pleaded guilty this morning to a charge of driving while intoxicated last week. His fine was assessed at $123.50, including court cost.

Also charged in county court Saturday was Anderson Davis, Jr., 26-year-old Snyder Negro, accused of possessing liquor for purpose of sale in a dry area. Hearing of the case has not yet been held.

West Berlin Holds 57 Russian Barges

BERLIN, June 19. (AP) — West Berlin authorities today detained 57 Russian zone barges in this city's "battle of the canals."

The barges were detained, authorities said, because of improper cargo documentation.

The West Berlin stoppage came after Russian zone Communists had virtually throttled water shipments from West Berlin to West Germany.

Ways and Means To Vote On Heavier Corporation Taxes

By FRANCIS M. LeMAY
(By The Associated Press)

WASHINGTON, June 19. (AP)—The House Ways and Means Committee threw out of its new tax bill today a proposal—once approved—to cut the federal tax on "economy brands" of cigarets.

The action cleared the way for a vote next on whether to boost corporation taxes about $500 million a year.

Some members contended a rise in corporation taxes would put a "veto proof" tag on their bill cutting wartime excise taxes by $1,100,000,000.

WHAT THEY ARE

These excises are the taxes on furs, jewelry, luggage, movies, telephone bills and scores of other things.

The committee voted 13 to 12 against cutting the tax on the "economy" cigaretes. The federal tax is now seven cents a pack of 20 on all cigarets, regardless of their selling price.

During hearings, the makers of "economy" brands—such as Wings, Marvel and Avalon—argued their smokes should have a lower tax than cigarets selling at a higher price.

The committee then decided tentatively to set the tax at 4.9 cents a pack on cigarets retailing for 12 cents a pack or less, exclusive of state and local taxes.

WIPES IT OUT

Today's vote wiped out that tentative decision.

Chairman Doughton, Democrat from tobacco-growing North Carolina, had argued the proposed cut would result in lower prices to farmers. The treasury had figured it would cost the government about $90 million a year in revenue.

Democratic congressional leaders reported after their regular Monday morning conference with President Truman that tax legislation had been discussed.

Speaker Rayburn (D-Tex) told reporters that Mr. Truman was "very anxious to have a tax bill passed" but declined to speculate on whether the President would approve the bill now being shaped up by the Ways and Means Committee.

New Non-Stop Flight Record Established by Mighty Mars

SAN DIEGO, Calif., June 19. (AP)—The giant Caroline Mars ended a 2,609-mile flight from Hawaii yesterday with 144 men aboard. Never before, the Navy said, had so many been carried so far non-stop in one aircraft.

A little later, a sister flying boat—the Hawaii Mars—settled down on San Diego bay with 106 men. She had taken off two hours and five minutes before the Caroline Saturday, flown 2,400 miles to Alameda, Calif., added 5,000 pounds of cargo and then hopped on here.

In these two four-engined craft, which spread their wings 200 feet, the Navy had ferried an entire company of Marine reservists in full combat kit from the islands for training exercises at nearby Camp Pendleton.

The lift made by the Caroline—which has more powerful engines than the other Mars flying boats—wasn't a world record for passengers. That was made by the Marshall Mars last year. She carried 308 men—but on the short 450-mile hop from Alameda to San Diego.

The Caroline's effort cleanly topped the Hawaii Mars' old Hawaii-California mark made in 1946 with 118 men aboard.

Lt. William Nelson of Augusta, Kan., brought the Caroline over in 14 hours 18 minutes in a flight he described as routine.

"The takeoff was smooth. The ride was smooth. The landing was smooth."

Dermott Man Suffers Injury in Accident

Clarence Boone Whatley, 56, of Dermott, was seriously injured in a head-on automobile collision about 2 o'clock Friday afternoon 16 miles north of Snyder on the Polar road.

Whatley suffered a skull fracture when his 1949 Chevrolet pickup truck and a 1949 Chevrolet coach driven by Clarence Bronce Bristol, Jr., 29, of 420 Thirtieth Street, collided in front of Whatley's farm home.

They were taken to the Snyder Hospital by D. S. Caffey, passing motorist and employee of the William Cameron Co. Bristol suffered bruises and lacerations.

E. W. Green, investigating highway patrolman, said the accident occurred as Whatley was preparing to make a right turn into his driveway. Heavy damage was done to both cars, Green said.

A REAL HOT STORY

LEBANON, N.H. — (AP) Associates agree that as a newswoman, Reporter Clara B. Greenough of the Claremont Daily Eagle is pretty hot. She was really on fire when she covered a cottage blaze here. She got so close to the news that a bystander had to tell her that her hat was on fire.

Young Demos Boost Farley For Governor of New York

NEW YORK, June 19. (AP) — Former Postmaster Gen. James A. Farley was picked by the Affiliated Young Democrats of New York State yesterday as their choice for governor in the November election.

Farley declined comment, but the New York Times said it believed the move was made with his knowledge and, at least, without his objection.

The endorsing group is not connected with the official state party organization, but was organized in 1932 with the approval of Farley, then state chairman. The Democratic State Committee has its own youth organization.

The affiliated Young Democrats, meeting in convention here, plumped for Farley only 24 hours after Gov. Thomas E. Dewey announced he would not run for re-election on the Republican ticket.

The Times said Farley was 'receptive" to the move and would make an active campaign for the party nomination if Rep. Franklin D. Roosevelt, Jr., (D-LIB-NY) should enter the race. Roosevelt has repeatedly denied any ambitions beyond winning re-election as a congressman.

Farley, now 62, masterminded President Roosevelt's first two presidential campaigns and served as postmaster general and national Democratic chairman during that time.

He broke with Roosevelt over the third term issue, but retained control of the party in New York as state chairman until he withdrew in 1944. In 1940 he became head of the Coca-Cola Export Corp.

Dulles States Korea Backed By Americans

SEOUL, June 19. (AP)—John Foster Dulles, Republican advisor to the State Department, told the Korean assembly today the American people gave them moral and material support in their fight against Communism.

He added that support was consistent with their "own self respect and your primary dependence on your own efforts."

Dulles, here on a short visit before going to Japan, was one of the principal speakers at the opening of the newly elected assembly, which President Syngman Rhee addressed earlier.

Rhee, 75, and a long time exile in America before returning here to assume the leadership of the southern republic, appealed to the free world to check Communism before its dangerous, sweeping expansion becomes "too great to resist." He said Korea never would fall to the Reds.

Man Charged In Fatal Car Accident

HOUSTON, June 19. (AP) — A Negro driver of a car that struck and killed a Houston man and his wife has been charged with failure to stop and render aid.

The man, Clarence Antoine, 28, was arrested yesterday. He abandoned his car Saturday night after the accident. He sadi he became frightened.

Mr. and Mrs. John D. Poole were hit by the car as they walked across a road toward their parked vehicle.

No Age Limit

LOS ANGELES, June 19. (AP) —If the preacher has a little trouble keeping things straight at a triple wedding next Saturday it shouldn't be surprising, for the brides will be a grandmother, mother and daughter.

They'll stand up this way: Mrs. May Forgy, 64, and Jess Taylor, 70; Mrs. Forgy's daughter, Mrs. Merle Kelly Thomas, 34, and Spencer Ransdale, 29, and Mrs. Thomas' daughter, Miss Darlene Kelly, 16, and Ralph Lester, 18.

The Rev. M. E. Fish of the Christian Church will preside over the chorus of 'I dos."

Man Held After Admitting Rape Of Woman, 60

ROCKWALL, June 19. (AP) — A 25-year-old Negro who confessed that he raped a 60-year-old woman and shot her six times is being held by North Texas officers at an undisclosed jail.

Texas Ranger S. H. Denson identified the man as L. C. Sims. He was arrested yesterday at his home in Josephine, Tex.

Deputy Sheriff William L. Brown said in McKinney yesterday charges probably would be filed early today.

CRITICAL

The victim, Mrs. C. H. Thurman, a farm woman who lives a mile west of Josephine, was in critical condition in a Greenville hospital.

Denson said Sims signed a statement and told officers he threw the weapon used in the shooting into a pool at a cotton gin near Josephine. Denson said a .41 revolver was taken from the pool.

The ranger said Sheriff Levi Browley of McKinney, Collin County, where charges would be filed, was present when Sims made the statement.

Mrs. Thurman's 81-year-old mother, Mrs. A. J. Lee, watched the Negro rape her daughter several times between midnight and 5 o'clock Sunday morning, then witnessed the shooting. Mrs. Thurman was shot with her own gun when she tried to telephone the police.

CLAD IN SHORTS

Clad only in khaki shorts, the Negro entered the Thurman house about midnight. He turned on the lights and said, "this is a stick-up."

The women offered their money and jewelry. Then the Negro ripped Mrs. Thurman's gown from her.

"Don't tell the law for two hours," he told the women as he left about 5 o'clock. Moments later, Mrs. Thurman armed herself with a pistol and tried to telephone officers. The Negro returned, seized the gun and shot her six times.

Model Planes Aid Catapult Study

EL SEGUNDO, Calif., June 19. (AP) — Engineers using a mechanical slingshot and three-foot model airplanes are working to give Uncle Sam the best possible method of catapulting planes from a carrier deck.

There's a built-to-scale simulated flight deck in Douglas Aircraft Co.'s plant here. The little models made of balsa wood and paper are shot across this deck while a high-speed movie camera overhead records the air every movement.

The models are weighed precisely with lead, and all else is to exact scale to simulate what actually happens when a bomber or a fighter shoots off a carrier deck at sea.

Miss Rowland went on to win her match and then upset favored Grace Lenczyk of John B. Stetson University, 5 and 3, in the finals to take the championship. (AP wirephoto).

Another Snyder Scout to Jamboree

Terry Joe Roper of Snyder has been added to list of Boy Scouts who will go to the National Scout Jamboree at Valley Forge, Pa., Phil Burns, who will accompany the group, said this morning.

The boys will leave Colorado City next Sunday morning at 8 o'clock by special train, the Lone Star Scout Special. They will be in Fort Worth at 3:45 Sunday afternoon, and by 11 o'clock the morning of the 27th will be in Washington, D. C.

The trip will include sight seeing tours of Washington, Philadelphia, New York City, Niagara Falls, West Point, and an excursion into Canada.

Other boys planning to attend the Jamboree are Wendell Hess of Hermleigh and, from Snyder, Odell Moore, Hoyle Dean Strickland, Morris Wayne Williamson, Kent Fields, Jimmy Joe Key, Johnny Randolph, Danny Henley, Carl Burns, Hilton Horton and Franklin Minton.

Lipan Teacher Dies In U. S. 80 Wreck

MINERAL WELLS, June 19. (AP) —Harold Ward, 38, vocational agriculture teacher of Lipan, was killed instantly yesterday when his pickup truck overturned on U. S. Highway 80, 25 miles southwest of here.

Ernest Fulcher, also of Lipan, a passenger in the truck, was uninjured.

Daughter of Man Who Built Maginot Line Dies in Wreck

REIMS, France, June 19. (AP) — Miss Francoise Maginot, daughter of the man who built the Maginot Line, died in a hospital yesterday after she was pulled from a wrecked, blazing auto.

The auto struck a tree as she was en route back from Revigny where she saw the unveiling of a new monument to her father, former War Minister Andre Maginot. The monument replaced one destroyed by the Germans in 1942.

Two Republicans Ask Ouster Of Lie From U. N.

WASHINGTON, June 19. (AP)—Two Republican senators said yesterday Trygve Lie should be ousted as secretary general of the United Nations unless he withdraws his proposal for recognition of Communist China.

In a joint statement, Sens. Bridges of New Hampshire and Knowland of California accused Lie of being a tool, if not an actual ally, of the Reds, and called on the administration to seek his discharge if he doesn't stop urging that a Chinese Communist be seated on the UN Security Council.

"Lie says, in effect, if Russia will not accept the rules of the UN, the rules must be changed," their statement said. "He adopts the same tool, if not their actual ally.

"What Lie proposes is more than mere craven appeasement. It is surrender, abject capitaluation."

The two senators said the United States should use its veto, if necessary, to prevent a Chinese Communist from taking a seat on the security council.

Mangrum's Pockets Bulge With 3-Week Take in Prizes

NEW ROCHELLE, N. Y., June 19. (AP) — Wheeling along the road today toward Columbus, Ohio, and the Professional Golfers' Association championship is a guy who will bear watching—and not because he's loaded with fresh money.

Lloyd Mangrum rates as the man to beat in the PGA event as he currently is the hottest thing in golf, with $8,100 in prize money to show for the last three weeks of play.

He picked up $3,000 yesterday by winning the ninth annual Palm Beach Round-Robin tournament, the sum going into the kitty along with the $2,500 he won for finishing second after a playoff, in the National Open, and the $2,600 he pocketed in winning the Fort Wayne, Ind., Open the preceding week.

There was nothing flukey about the dapper guy's triumph. He demonstrated convincingly he was the best of the field of 16 star pros in every phase of the four-day, five-round event.

He had the highest point total, 37, with Lawson Little a distant second with 20 points.

His medal score of 344 for the five rounds was nine strokes better than that of the second low man in that department, Claude Harmon.

He shot one round of 65, tieing the competitive course record.

He was the only entrant to be under par for each of the five rounds.

He beat the two men with whom he tied in the Open—Ben Hogan and George Fazio—by 20 and 21 strokes, respectively. As they suffered a letdown, Mangrum's game blossomed.

Battle of Giants In Rio Grande League

By The Associated Press

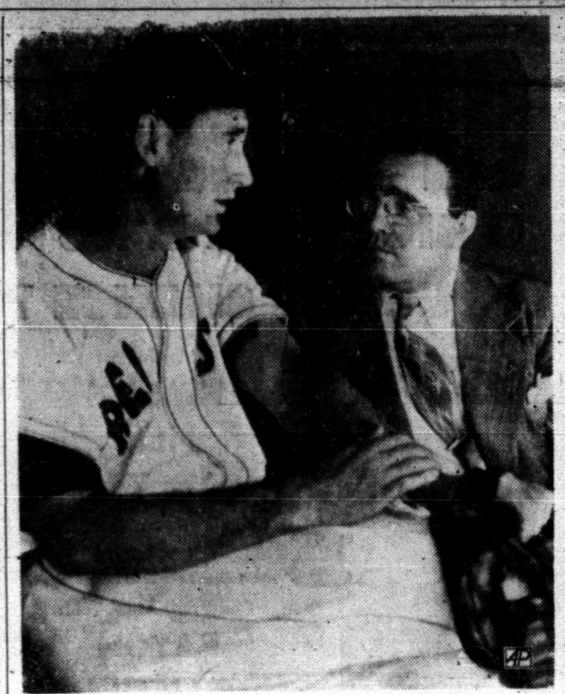

It's a two-club race in the Rio Grande Valley League and those two—Corpus Christi and Harlingen—open a three-game series in Corpus Christi tonight that could reduce it to one.

Leading Corpus Christi beat McAllen 19-8 last night while Harlingen, in second place, held the pace by licking Brownsville 8-6.

Corpus Christi got 19 hits in slaughtering McAllen as Sonny Byrd, the Arkansas schoolboy, won his second game of the season although allowing 11 hits.

Sam Harshaney homered in the fifth with one on to give Harlingen its margin over Brownsville.

Del Rio clubbed Laredo 14-8 with a 16-hit attack. Phil Gaspar of Laredo, however, got the biggest blow. He homered with three on in the ninth.

TED WILLIAMS, Boston Red Sox slugger, talks with Associated Press sports writer Joe Reichler in the dugout in Boston's Fenway Park. Baseball's highest paid performer tells Reichler about his likes, dislikes and ambitions as Reichler digs for facts for his six-story series dealing with Williams' complex personality and humble beginnings. Wins From Red Sox Crucial To Tigers' Lead in League

By JOE REICHLER
(Associated Press Sports Writer)

"If we could only beat Boston we might have a chance."

This was Manager Red Rolfe's stock answer to spring queries regarding Detroit's pennant chances for 1950.

Rolfe knew what he was talking about. His Tigers won only seven games from the Red Sox in 1949 while losing 15. They finished fourth, 10 games behind the New York Yankees.

HOUTTEMAN WINS

The Tigers have met the Red Sox a dozen times thus far and have come off with nine victories. That is two more than they were able to win from Boston in their entire 1949 season. That, in a nutshell, is the chief reason why the Bengals are leading the rest of the American League by two full games today.

Detroit made it nine triumphs in the last 10 games yesterday—the sixth in succession over the Red Sox—by trouncing Boston, 10-2. Art Houtteman went all the way for his eighth victory. He allowed seven hits, but two of them were homers by Ted Williams and Vern Stephens to account for Boston's runs.

Despite the victory, Detroit's first place margin was shaved a half-game by the Yankees, who whipped the St. Louis Browns, 15-5 and 9-0, in both ends of a doubleheader in St. Louis.

Cleveland's Indians ruined "father's Day" for Connie Mack, baseball's oldest daddy, by blasting his Philadelphia Athletics twice, 7-0 and 21-2. After Bobby Feller blanket the A's with two hits in the first game, the Indians scored a record 14 runs in the first inning of the nightcap.

Brooklyn's Dodgers climbed to within a half-game of the National League leading St. Louis Cardinals by whipping the Redbirds for the third straight time, 9-0. Philadelphia's third place Phillies moved to within a game and a half of the top, tripping the Cincinnati Reds twice, 4-3 and 4-2.

REPLAY TONIGHT

The Giants trounced the Chicago Cubs twice, 6-0 and 10-5, to creep up to within a half game of the fifth place Bruins. Boston's Braves won their sixth straight, defeating Pittsburgh 8-6 in the first game of a doubleheader, the second was called after nine innings on account of darkness and a curfew law with the score tied at 8-8. The game will be replayed tonight.

The scheduled doubleheader between Washington and the White Sox in Chicago was postponed by rain.

Cleveland's 14 runs were the most ever made in the first inning. The previous high was 13 made by the Braves in 1900 and the Giants in 1911. The A's held the American League mark of 12, set in 1937. Three other clubs since 1900 tallied 14 runs in an inning.

Feller won his sixth game in the opener. A single by Wally Moses in the first and another one-bagger by Mike Guerra in the eighth were the only hits off the former strikeout king. Mike Garcia won his fifth in the finale.

Tommy Byrne won his eighth game, helping his own cause with a home run and double in the opener against the Browns. Allie Reynolds, his Yankee pitching mate, hurled the shutout in the nightcap.

"B" BOY WINS

Dan Bankhead blanked the Cardinals on six hits for Brooklyn. It was his first major league shutout. Duke Snider rapped four hits while Jackie Robinson batted in four runs for the Dodgers.

The Phils got some fine pitching from bonus kids Curt Simmons and Bob Miller. Simmons spaced seven hits for his eighth triumph in the opener. Miller allowed eight hits to register his fifth triumph without a loss.

Larry Jansen, proud papa of six children, really had himself a father's day. The Giant righthander allowed only three Chicago hits in registering his second straight shutout.

Dave Koslo, helped by homers by West Westrum and Hank Tompson, won his sixth game in the nightcap.

Tommy Holmes drove in three runs to lead the Braves to their first game victory over Pittsburgh.

Look Out!

You may have a big loss on jewelry, baggage, sports equipment and other personal property—while traveling or at home. Insure!

Lubbock Whips Borger Twice

By The Associated Press

The Lubbock Hubbers gained a bit more cushion on their first place lead in the West Texas-New Mexico League yesterday as they trimmed the Borger Gassers twice, 10-8 and 6-5.

The twin killing gave the Hubbers a two-game bulge over second place Pampa which edged Amarillo 11-9 on the strength of Virgil Richardson's two-run homer in the ninth inning.

Lamesa defeated Albuquerque 9-5 in a battle of unearned runs. Hurler Eulis Rosson gave up only one earned run and the Lobos tallied six unearned counters themselves.

Abilene paraded five pitchers to the mound but failed to stop Clovis as they pounded out 22 hits and took a 19-7 victory.

In the Lubbock-Borger tilts, the Gassers pounded Chris Haskins for six runs in the first two innings of the opener, but he went on to win. He collapsed from sunstroke afterward. Lubbock scored six runs off hurler Fred Parker in the first two innings of the nightcap to assure victory.

Bob Lemon On Way To New Batting Record for League

By The Associated Press

Big Bob Lemon, the Oklahoma City belter, isn't just a "Sunday player" but he certainly does his best on that day.

He hit three home runs yesterday to pull ahead in the battle to hang up a new Texas League record.

Battering Bob now has 23, which is two more than Clarence Kraft of Fort Worth had for the same period in 1924 when Kraft set the record of 55 circuiters.

Lemon's homers featured a 31-hit attack Oklahoma City mustered in beating cellar-dwelling Houston in a double-header. The Indians took the first game 14-6 and the second 6-4.

Fort Worth's league-leading Cats were going along unperturbed, downing Shreveport 6-4 to make the current win streak four. Tulsa managed to gain a half-game on the Cats but still is nine and one-half games away. Tulsa licked San Antonio twice, 10-3 and 5-4.

Beaumont tripped Dallas 6-4 to replace the Eagles in the fifth spot.

Fort Worth was outhit by Shreveport but made them count for more.

Tulsa slugged seven runs across the plate in the third inning to beat San Antonio early in the opening game. In the nightcap, Jack Bauhmer hit a three-run homer in the third to furnish the margin.

Beaumont counted two runs in the seventh and one in the eighth to lick Dallas the second time in a row.

The clubs wind up their current stands tonight with Beaumont at Dallas, San Antonio at Tulsa, Shreveport at Fort Worth and Houston at Oklahoma City.

Odessa Adds Finer Touches to Game Against Vernon

By The Associated Press

Odessa's Oilers have that extra oomph. They are making a shambles out of the Longhorn League race by getting just enough runs to win.

Yesterday was a good example. The Oilers were five runs behind going into the ninth. So they just scored six and beat Vernon 11-10.

The other first division clubs also won their games.

Second-place Roswell whammed Sweetwater 15-7, pounding out 21 hits. Roswell slammed over eight runs in the second with a homer with one on by Tom Jordan featuring the splurge.

Third-place Big Spring beat Ballinger 7-4, pushing over three runs in the sixth to gain the decision.

Fourth-place San Angelo licked Midland 14-13 in a game that produced 37 hits with three homers mixed in. Bob Crues got one for San Angelo. Tex Stephenson and Jim Prince parked the ball for Midland.

Spiritual Guide Of Babe Ruth Dies

FORT MONROE, Va., June 19. (AP) — The Catholic educator who guided the early career of baseball's Babe Ruth died yesterday at the age of 85.

The Rev. Brother Paul, C. F. X., was the oldest member in point of service of the Xaverian order, which he had served as superior general for nine years—the first American to gain that distinction.

Brother Paul was superintendent of St. Mary's Industrial School in Baltimore for 18 years. Ruth was a student there during part of that period.

Still recalled is the story of how Brother Paul made a hurried trip to New York one time to bring encouragement to his famous pupil who was having a batting slump. The Babe came out of that one to set a new home run record.

Brother Paul had been in failing health since 1947. Death came to him at the Sacred Heart Novitiate here.

NCAA Tennis Today in Austin

AUSTIN, June 19. (AP) — First and second-round play began here today in the 66th annual NCAA tennis tournament.

Most of the gallery watched the match in which Herb Flam of UCLA, seeded No. 2, opened his bid for the title against Hugh Sweeney of Houston.

Only other seeded player competing during the morning was Tony Vincent, No. 9, of Miami University. He matched strokes with Darrell Winrich of College of the Pacific.

Earl Cochell of the University of Southern California ruled the early favorite to cop the championship despite his seeding of No. 3 behind Jack Tuero, Tulane, No. 1, and Flam.

Cochell, who beat Flam yesterday at Houston for the Texas sectional tennis tournament title, is rated seventh among the nation's amateurs. Flam ranks tenth and Tuero fourteenth. Seedings for the present tourney were based primarily on performance in last year's NCAA meet and this season's college play.

UCLA and USC are co-favorites to win team honors. It could easily be an all-California finals in both singles and doubles. UCLA has four singles entries, two of them among the top four seeded players, and two doubles combines, the Flam, Garrett team seeded No. 2.

Flash Ohio Flood Causes Heavy Damage

CROOKSVILLE, O., June 19. (AP)—Damage caused by a flash flood that made hundreds jobless and temporarily homeless in six southeastern Ohio communities still was being uncovered today.

Best estimates place total damage caused by the flood at more than $2 million but the exact figure probably will not be known before the week is out.

One business block in nearby Roseville was condemned last night after it was found the waters had weakened walls of a dozen business establishments. Some 40 persons also made their homes in the area.

Also in Roseville, the famous "Potter's Alley" which is noted for its artware and novelty ceramic pieces was in ruins. A spokesman for the small concerns said that the flood may mean the end of business for some.

Sunday brought thousands of curious motorists to the 25-square-mile area hit by the flash flood.

Besides Crooksville and Roseville the flood caused damage at Rose Farm, White Cottage, Saltillo and Fultonham.

One death by drowning was reported. Mrs. Alice Adrian, 55, Rose Farm, was the victim.

Mrs. Earle Weaver, Herbert Feather Wed in Big Spring

Mrs. Herbert Feather, the former Mrs. Earle Weaver of Big Spring.

The home of Mrs. Bert Wall, in Big Spring, was the scene Saturday night of the marriage of Mr. and Mrs. Herbert Feather. Mrs. Feather is the former Mrs. Earle Weaver of Big Spring. Mr. Feather is the publisher of the Snyder Daily News.

The ceremony was performed by the Rev. Gage Lloyd, minister of the First Presbyterian Church, Big Spring. Attendants were Miss Louise O'Daniel, bridesmaid, and Frank Feather, brother of the bridegroom, best man.

Mrs. Feather wore an aqua street dress with white accessories and chose an orchid corsage. Miss O'Daniel wore navy and white and had a corsage of yellow roses.

The couple were married at an alter covered with gladioli. Directly following the marriage ceremony, a reception was held around a large table, beautiffully arranged with cut flowers and gladioli. Punch and wedding cake were served.

Driving over from Snyder for the wedding were Mr. and Mrs. Dillard Pope, 3782 Avenue V. Other guests at the wedding and reception were Mr. and Mrs. Joe Pickle, Mr. and Mrs. Bob Whipkey, Mr. and Mrs. Red McMahon, Mr. and Mrs. Marvin Saunders, Mrs. F. B. Blalock, Mrs. Frankie Nobles, Mrs. Effie Meadow, Mr. and Mrs. Doc McClain, Mr. and Mrs. Oliver Cofer, and Harold Canning, all of Big Spring.

Mrs. Feather, whose home is now in Big Spring, will soon join Mr. Feather in Snyder. They will reside in Highland Park.

Mrs. Enfield, Jack Yeaman Are Wed Here

Mr. and Mrs. Jack Yeaman were married in a simple ceremony at the home of the bride, 2306 Thirty-second Street, at 6 o'clock last night. Officiating was Judge Edgar Taylor.

The bride is the former Mrs. Lucie Enfield, long time resident of Snyder. Mr. Yeaman, of Austin, is well-known in this area for his work with the magazine Texas Parade.

Present at the ceremony Sunday night were only close friends and immediate members of Mrs. Yeaman's family, as follows: Mrs. R. H. Curnutte, the bride's mother, Robert Enfield, Mr. and Mrs. Charles M. Seymour, from Fort Worth, Mr. and Mrs. Don Mahler, from San Angelo, Mr. and Mrs. Robert Curnutte, from Seminole, Mr. and Mrs. Fritz R. Smith, Mrs. Edith McKanna, Dan Ed Whatley, and Mrs. Edgar Taylor.

Following the wedding, Mrs. McKanna honored the couple with a reception at her farm home near Fluvanna. Present were more than 100 guests. An orchestra played for dancing on the terrace.

Mr. and Mrs. Yeaman plan to travel extensively in Texas in connection with his duties with Texas Parade. While in this area this summer, they will be at home at Mrs. McKanna's farm home.

Little Girl Swallows Dog

McKEESPORT, Pa., June 19. (AP)—When a man bites a dog, that's news. But when a little girl swallows one, that's trouble.

Five-year-old Carol Ann Moke is in McKeesport Hospital awaiting an operation that will remove from her stomach a small glass dog, about an inch and a half long.

The youngster was playing with the dog in her mouth when she slipped and swallowed it. Doctors said her condition is fair.

Four Japs On Trial For MacArthur Letter

TOKYO, June 19. (AP)—Four Japanese will go on trial tomorrow before a United States provost court for distributing an open letter to Gen. MacArthur criticizing the occupation.

Adverse criticism of the occupation is forbidden by a MacArthur directive and Japanese law.

Japanese newspaper reports describe all four as members of the Communist Party.

The letter first was read at a leftist rally on June 3. It protested the trial of eight Japanese found guilty of assualting five American soldiers ni a Memorial Day demonstration.

Charge of Drunken Driving on Bicycle

WILMINGTON, O., June 19. (AP)—The bicycle he was passing zigged when it should have zagged, so he drove his car into a ditch, a Georgia motorist told the highway patrol yesterday.

TALK OF THE TOWN

BY FRANCES BIOW

Heat waves and summer lethargy have paralyzed most students of clubs for the duration of our hot season, except for energetic, climbing young NEWCOMERS' CLUB, whose special vim and vigor so appeals to the imagination of the settled clubwomen and solid residents that everybody wants to boost them. This week begins a letter writing contest sponsored by the Snyder Daily woman's page, contestants to be the kind of women who belong to Newcomers' Club. Let me clarify it though that a woman entering the contest need not be a member of the club, simply a bona fide newcomer to our parts.

Contest rules: Submit a letter, 100 words or less, on (1) What I Like About Snyder, or (2) What I Don't Like About Snyder, or (3) Suggested Improvements in Snyder. To enter the contest, you must have been a resident in Snyder or Scurry County for not more than two years. Address your letters to Snyder Daily News, Woman's Page Editor, Snyder, Tex.

The contest will continue for one month, the winning letter for this and each week being published, along with two rounners-up each Thursday. Entries must of course, be submitted by Wednesday of each week to qualify for that week's contest. If received later, they will fall into the heap for the following week.

Merchants liked the idea, came through handsomely on prizes for winning letters. This week Woody Wilson, DUNLAP'S manager, magnanimously gives the first prize winner her pick of the luxurious chenille bedspreads so many women are oggling at the air-cooled department store.

For second prize winner, Mrs. Bess Fish VOGUE BEAUTY SHOP, says a $10 cold wave permanent awaits you, and third prize winner has waiting for her at HARRIS PHARMACY a sizeable bottle of cologne made by Germaine Monteil (any of several scents) plus a pair of Commet hose, oh-so-sheer, promises Mrs. Gwynn Hickox, cosmetician there.

When prize-winning letters are published Thursday, peruse the crop to see if your brain child made it and proceed double-quick to the merchant who offers the prize you won. We shall have notified hom to fork over with a smile. Bring simple identification. P. S. Who knows what a letter of constructive criticism might accomplish? You know, "The hand that rocks the cradle rules the world"!

AROUND THE SQUARE: Newly-arrived in Snyder, as well as newly married, are CLYDE DOBBS, clerking at the Fair Store since June 6, and his wife of a week.

MRS. CLYDE DOBBS, clerking at Franklin's, of Carlsbad, N. M., they have settled in at 905½ Twenty-fifth Street and feel this is a good place to begin married life. For best-humored city policeman laurels should surely be handed down to H. L. SHELTON, who is never missing that fourteen caret grin and who isn't too mean, if if you didn't overpark deliberately.

* * *

JOE DAVE SCOTT, son of Mr. and Mrs. J. D. Scott, is busy nursing a new dog out at the west Snyder family residence, Warrencrest. This collie pup is grandson of Joe's old faithful, the grand sire who died a much-lamented death back in May. He has just brought home the new addition to his kennels and his widely-spread amateur photography will no doubt suffer this week while the pup gets on its correct feeding schedule.

* * *

SNYDER GARDEN CLUB did itself proud at the Friday show at the Country Club. Well-frequented by women from Scurry County, perhaps the most eye-catching flower arrangement among many interesting ones, was the rightful first place winner, a yellow galaxy of cut flowers, dished up in a black ceramic bowl with small white figurenes set in their midst. MRS. WORTH SAYNER, 2907 Avenue T, had prepared this one. MRS. R. L. TERRY, 2604 Avenue V, hit the jack pot meaning the horticulture sweepstake ribbon, with her single fragrant specimen—a pink rose, perfectly petalled, and her one specimen of a white lily.

"PAT", agreeable pharmacist and owner of Snyder Drug, got a big laugh when he learned that one of the boys at the soda fountain, was observing a birthday. Mrs. Lynn is the former Miss Ouida Howard, a nurse at Snyder Hospital, who came here from Fayettesville, Ark. Mr. Lynn is associated with the Texas Electric Co. The couple will make their home at 2904 Avenue F.

Mrs. Watson is the former Miss Patsy Ann Ross, daughter of Mr. and Mrs. Dent Von Roeder. Mr. Watson works with Industrial Supply Co. They will make their home in Snyder.

FACTORY SMOKING URGED

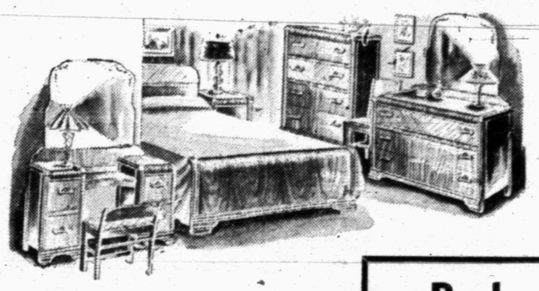

MANCHESTER, England —(AP)— British manufacturers of cotton yarn are being urged to follow an American example and do away with "no smoking" rules in their factories. An eight - member productivity team from the British cotton yard doubling industry made the recommendation in a report on a recent tour of mills in the United States.

The members said they saw mills equipped with glassed-in cubles where three workers at a time could go for a smoke.

Mangrum's Pockets Bulge With 3-Week Take in Prizes

NEW ROCHELLE, N. Y., June 19. (AP) — Wheeling along the road today toward Columbus, Ohio, and the Professional Golfers' Association championship is a guy who will bear watching—and not because he's loaded with fresh money.

Lloyd Mangrum rates as the man to beat in the PGA event as he currently is the hottest thing in golf, with $8,100 in prize money to show for the last three weeks of play.

He picked up $3,000 yesterday by winning the ninth annual Palm Beach Round-Robin tournament, the sum going into the kitty along with the $2,500 he won for finishing second, after a playoff, in the National Open, and the $2,600 he pocketed in winning the Fort Wayne, Ind., Open the preceding week.

There was nothing flukey about the dapper guy's triumph. He demonstrated convincingly he was the best of the field of 16 star pros in every phase of the four-day, five-round event.

He had the highest point total, 37, with Lawson Little a distant second with 20 points.

His medal score of 344 for the five rounds was nine strokes better than that of the second low man in that department, Claude Harmon.

He shot one round of 65, tieing the competitive course record.

He was the only entrant to be under par for each of the five rounds.

He beat the two men with whom he tied in the Open—Ben Hogan and George Fazio—by 20 and 21 strokes, respectively. As they suffered a letdown, Mangrum's game blossomed.

Battle of Giants In Rio Grande League

By The Associated Press

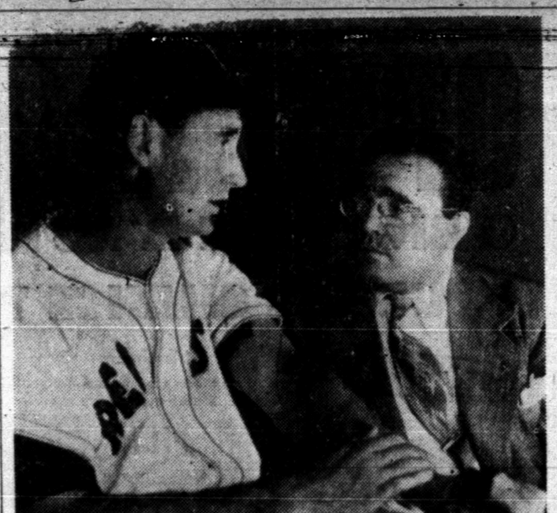

It's a two-club race in the Rio Grande Valley League and those two—Corpus Christi and Harlingen—open a three-game series in Corpus Christi tonight that could reduce it to one.

Leading Corpus Christi beat McAllen 19-8 last night while Harlingen, in second place, held the pace by licking Brownsville 8-6.

Corpus Christi got 19 hits in slaughtering McAllen as Sonny Byrd, the Arkansas schoolboy, won his second game of the season although allowing 11 hits.

Sam Harshaney homered in the fifth with one on to give Harlingen its margin over Brownsville.

Del Rio clubbed Laredo 14-8 with a 16-hit attack. Phil Gaspar of Laredo, however, got the biggest blow. He homered with three on in the ninth.

TED WILLIAMS, Boston Red Sox slugger, talks with Associated Press sports writer Joe Reichler in the dugout in Boston's Fenway Park. Baseball's highest paid performer tells Reichler about his likes, dislikes and ambitions as Reichler digs for facts for his six-story series dealing with Williams' complex personality and humble beginnings. Wins From Red Sox Crucial To Tigers' Lead in League

By JOE REICHLER
(Associated Press Sports Writer)

"If we could only beat Boston we might have a chance."

This was Manager Red Rolfe's stock answer to spring queries regarding Detroit's pennant chances for 1950.

Rolfe knew what he was talking about. His Tigers won only seven games from the Red Sox in 1949 while losing 15. They finished fourth, 10 games behind the New York Yankees.

HOUTTEMAN WINS

The Tigers have met the Red Sox a dozen times thus far and have come off with nine victories. That is two more than they were able to win from Boston in their entire 1949 season. That, in a nutshell, is the chief reason why the Bengals are leading the rest of the American League by two full games today.

Detroit made it nine triumphs in the last 10 games yesterday—the sixth in succession over the Red Sox—by trouncing Boston, 10-2. Art Houtteman went all the way for his eighth victory. He allowed seven hits, but two of them were homers by Ted Williams and Vern Stephens to account for Boston's runs.

Despite the victory, Detroit's first place margin was shaved a half-game by the Yankees, who whipped the St. Louis Browns, 15-5 and 9-0, in both ends of a doubleheader in St. Louis.

Cleveland's Indians ruined "father's Day" for Connie Mack, baseball's oldest daddy, by blasting his Philadelphia Athletics twice, 7-0 and 21-2. After Bobby Feller blanket the A's with two hits in the first game, the Indians scored a record 14 runs in the first inning of the nightcap.

Brooklyn's Dodgers climbed to within a half-game of the National League leading St. Louis Cardinals by whipping the Redbirds for the third straight time, 9-0. Philadelphia's third place Phillies moved to within a game and a half of the top, tripping the Cincinnati Reds twice, 4-3 and 4-2.

REPLAY TONIGHT

The Giants trounced the Chicago Cubs twice, 6-0 and 10-5, to creep up to within a half game of the fifth place Bruins. Boston's Braves won their sixth straight, defeating Pittsburgh 8-6 in the first game of a doubleheader, the second was called after nine innings on account of darkness and a curfew law with the score tied at 8-8. The game will be replayed tonight.

The scheduled doubleheader between Washington and the White Sox in Chicago was postponed by rain.

Cleveland's 14 runs were the most ever made in the first inning. The previous high was 13 made by the Braves in 1900 and the Giants in 1911. The A's held the American League mark of 12, set in 1937. Three other clubs since 1900 tallied 14 runs in an inning.

Feller won his sixth game in the opener. A single by Wally Moses in the first and another one-bagger by Mike Guerra in the eighth were the only hits off the former strikeout king. Mike Garcia won his fifth in the finale.

Tommy Byrne won his eighth game, helping his own cause with a home run and double in the opener against the Browns. Allie Reynolds, his Yankee pitching mate, hurled the shutout in the nightcap.

"B" BOY WINS

Dan Bankhead blanked the Cardinals on six hits for Brooklyn. It was his first major league shutout. Duke Snider rapped four hits while Jackie Robinson batted in four runs for the Dodgers.

The Phils got some fine pitching from bonus kids Curt Simmons and Bob Miller. Simmons spaced seven hits for his eighth triumph in the opener. Miller allowed eight hits to register his fifth triumph without a loss.

Larry Jansen, proud papa of six children, really had himself a father's day. The Giant righthander allowed only three Chicago hits in registering his second straight shutout.

Dave Koslo, helped by homers by West Westrum and Hank Tompson, won his sixth game in the nightcap.

Tommy Holmes drove in three runs to lead the Braves to their first game victory over Pittsburgh.

Lubbock Whips Borger Twice

By The Associated Press

The Lubbock Hubbers gained a bit more cushion on their first place lead in the West Texas-New Mexico League yesterday as they trimmed the Borger Gassers twice, 10-8 and 6-5.

The twin killing gave the Hubbers a two-game bulge over second place Pampa which edged Amarillo 11-9 on the strength of Virgil Richardson's two-run homer in the ninth inning.

Lamesa defeated Albuquerque 9-5 in a battle of unearned runs. Hurler Eulis Rosson gave up only one earned run and the Lobos tallied six unearned counters themselves.

Abilene paraded five pitchers to the mound but failed to stop Clovis as they pounded out 22 hits and took a 19-7 victory.

In the Lubbock-Borger tilts, the Gassers pounded Chris Haskins for six runs in the first two innings of the opener, but he went on to win. He collapsed from sunstroke afterward. Lubbock scored six runs off hurler Fred Parker in the first two innings of the nightcap to assure victory.

Bob Lemon On Way To New Batting Record for League

By The Associated Press

Big Bob Lemon, the Oklahoma City belter, isn't just a "Sunday player" but he certainly does his best on that day.

He hit three home runs yesterday to pull ahead in the battle to hang up a new Texas League record.

Battering Bob now has 23, which is two more than Clarence Kraft of Fort Worth had for the same period in 1924 when Kraft set the record of 55 circuiters.

Lemon's homers featured a 31-hit attack Oklahoma City mustered in beating cellar-dwelling Houston in a double-header. The Indians took the first game 14-6 and the second 6-4.

Fort Worth's league-leading Cats were going along unperturbed, downing Shreveport 6-4 to make the current win streak four. Tulsa managed to gain a half-game on the Cats but still is nine and one-half games away. Tulsa licked San Antonio twice, 10-3 and 5-4.

Beaumont tripped Dallas 6-4 to replace the Eagles in the fifth spot.

Fort Worth was outhit by Shreveport but made them count for more.

Tulsa slugged seven runs across the plate in the third inning to beat San Antonio early in the opening game. In the nightcap, Jack Bauhmer hit a three-run homer in the third to furnish the margin.

Beaumont counted two runs in the seventh and one in the eighth to lick Dallas the second time in a row.

The clubs wind up their current stands tonight with Beaumont at Dallas, San Antonio at Tulsa, Shreveport at Fort Worth and Houston at Oklahoma City.

Odessa Adds Finer Touches to Game Against Vernon

By The Associated Press

Odessa's Oilers have that extra oomph. They are making a shambles out of the Longhorn League race by getting just enough runs to win.

Yesterday was a good example. The Oilers were five runs behind going into the ninth. So they just scored six and beat Vernon 11-10.

The other first division clubs also won their games.

Second-place Roswell whammed Sweetwater 15-7, pounding out 21 hits. Roswell slammed over eight runs in the second with a homer with one on by Tom Jordan featuring the splurge.

Third-place Big Spring beat Ballinger 7-4, pushing over three runs in the sixth to gain the decision.

Fourth-place San Angelo licked Midland 14-13 in a game that produced 37 hits with three homers mixed in. Bob Crues got one for San Angelo. Tex Stephenson and Jim Prince parked the ball for Midland.

Spiritual Guide Of Babe Ruth Dies

FORT MONROE, Va., June 19. (AP) — The Catholic educator who guided the early career of baseball's Babe Ruth died yesterday at the age of 85.

The Rev. Brother Paul, C. F. X., was the oldest member in point of service of the Xaverian order, which he had served as superior general for nine years—the first American to gain that distinction.

Brother Paul was superintendent of St. Mary's Industrial School in Baltimore for 18 years. Ruth was a student there during part of that period.

Still recalled is the story of how Brother Paul made a hurried trip to New York one time to bring encouragement to his famous pupil who was having a batting slump. The Babe came out of that one to set a new home run record.

Brother Paul had been in failing health since 1947. Death came to him at the Sacred Heart Novitiate here.

NCAA Tennis Today in Austin

AUSTIN, June 19. (AP) — First and second-round play began here today in the 66th annual NCAA tennis tournament.

Most of the gallery watched the match in which Herb Flam of UCLA, seeded No. 2, opened his bid for the title against Hugh Sweeney of Houston.

Only other seeded player competing during the morning was Tony Vincent, No. 9, of Miami University. He matched strokes with Darrell Winrich of College of the Pacific.

Earl Cochell of the University of Southern California ruled the early favorite to cop the championship despite his seeding of No. 3 behind Jack Tuero, Tulane, No. 1, and Flam.

Cochell, who beat Flam yesterday at Houston for the Texas sectional tennis tournament title, is rated seventh among the nation's amateurs. Flam ranks tenth and Tuero fourteenth. Seedings for the present tourney were based primarily on performance in last year's NCAA meet and this season's college play.

UCLA and USC are co-favorites to win team honors. It could easily be an all-California finals in both singles and doubles. UCLA has four singles entries, two of them among the top four seeded players, and two doubles combines, the Flam-Garrett team seeded No. 2.

Flash Ohio Flood Causes Heavy Damage

CROOKSVILLE, O., June 19. (AP)—Damage caused by a flash flood that made hundreds jobless and temporarily homeless in six southeastern Ohio communities still was being uncovered today.

Best estimates place total damage caused by the flood at more than $2 million but the exact figure probably will not be known before the week is out.

One business block in nearby Roseville was condemned last night after it was found the waters had weakened walls of a dozen business establishments. Some 40 persons also made their homes in the area.

Also in Roseville, the famous "Potter's Alley" which is noted for its artware and novelty ceramic pieces was in ruins. A spokesman for the small concerns said that the flood may mean the end of business for some.

Sunday brought thousands of curious motorists to the 25-square-mile area hit by the flash flood.

Besides Crooksville and Roseville the flood caused damage at Rose Farm, White Cottage, Saltillo and Fultonham.

One death by drowning was reported. Mrs. Alice Adrian, 55, Rose Farm, was the victim.

Mrs. Earle Weaver, Herbert Feather Wed in Big Spring

Mrs. Herbert Feather, the former Mrs. Earle Weaver of Big Spring.

The home of Mrs. Bert Wall, in Big Spring, was the scene Saturday night of the marriage of Mr. and Mrs. Herbert Feather. Mrs. Feather is the former Mrs. Earle Weaver of Big Spring. Mr. Feather is the publisher of the Snyder Daily News.

The ceremony was performed by the Rev. Gage Lloyd, minister of the First Presbyterian Church, Big Spring. Attendants were Miss Louise O'Daniel, bridesmaid, and Frank Feather, brother of the bridegroom, best man.

Mrs. Feather wore an aqua street dress with white accessories and chose an orchid corsage. Miss O'Daniel wore navy and white and had a corsage of yellow roses.

The couple were married at an alter covered with gladioli. Directly following the marriage ceremony, a reception was held around a large table, beautiffully arranged with cut flowers and gladioli. Punch and wedding cake were served.

Driving over from Snyder for the wedding were Mr. and Mrs. Dillard Pope, 3782 Avenue V. Other guests at the wedding and reception were Mr. and Mrs. Joe Pickle, Mr. and Mrs. Bob Whipkey, Mr. and Mrs. Red McMahon, Mr. and Mrs. Marvin Saunders, Mrs. F. B. Blalock, Mrs. Frankie Nobles, Mrs. Effie Meadow, Mr. and Mrs. Doc McClain, Mr. and Mrs. Oliver Cofer, and Harold Canning, all of Big Spring.

Mrs. Feather, whose home is now in Big Spring, will soon join Mr. Feather in Snyder. They will reside in Highland Park.

Mrs. Enfield, Jack Yeaman Are Wed Here

Mr. and Mrs. Jack Yeaman were married in a simple ceremony at the home of the bride, 2306 Thirty-second Street, at 6 o'clock last night. Officiating was Judge Edgar Taylor.

The bride is the former Mrs. Lucie Enfield, long time resident of Snyder. Mr. Yeaman, of Austin, is well-known in this area for his work with the magazine Texas Parade.

Present at the ceremony Sunday night were only close friends and immediate members of Mrs. Yeaman's family, as follows: Mrs. R. H. Curnutte, the bride's mother, Robert Enfield, Mr. and Mrs. Charles M. Seymour, from Fort Worth, Mr. and Mrs. Don Mahler, from San Angelo, Mr. and Mrs. Robert Curnutte, from Seminole, Mr. and Mrs. Fritz R. Smith, Mrs. Edith McKanna, Dan Ed Whatley, and Mrs. Edgar Taylor.

Following the wedding, Mrs. McKanna honored the couple with a reception at her farm home near Fluvanna. Present were more than 100 guests. An orchestra played for dancing on the terrace.

Mr. and Mrs. Yeaman plan to travel extensively in Texas in connection with his duties with Texas Parade. While in this area this summer, they will be at home at Mrs. McKanna's farm home.

Little Girl Swallows Dog

McKEESPORT, Pa., June 19. (AP)—When a man bites a dog, that's news. But when a little girl swallows one, that's trouble.

Five-year-old Carol Ann Moke is in McKeesport Hospital awaiting an operation that will remove from her stomach a small glass dog, about an inch and a half long.

The youngster was playing with the dog in her mouth when she slipped and swallowed it. Doctors said her condition is fair.

Four Japs On Trial For MacArthur Letter

TOKYO, June 19. (AP)—Four Japanese will go on trial tomorrow before a United States provost court for distributing an open letter to Gen. MacArthur criticizing the occupation.

Adverse criticism of the occupation is forbidden by a MacArthur directive and Japanese law.

Japanese newspaper reports describe all four as members of the Communist Party.

The letter first was read at a leftist rally on June 3. It protested the trial of eight Japanese found guilty of assualting five American soldiers ni a Memorial Day demonstration.

Charge of Drunken Driving on Bicycle

WILMINGTON, O., June 19. (AP)—The bicycle he was passing zigged when it should have zagged, so he drove his car into a ditch, a Georgia motorist told the highway patrol yesterday.

As a result, Kenneth Bosire, 65-year-old cyclist of nearby Blanchester is in city jail here facing a charge of drunken driving on a bicycle.

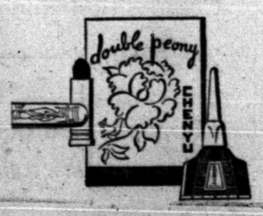

The driver who said he took to the ditch to keep from hitting Bosire is W. J. McGloughlin, 41, of Atlanta, Ga.

TALK OF THE TOWN

BY FRANCES BIOW

Heat waves and summer lethargy have paralyzed most women's clubs for the duration of our Lot season, except for energetic, climbing young NEWCOMERS' CLUB, whose special vim and vigor so appeals to the imagination of the settled clubwomen and solid residents that everybody wants to boost them. This week begins a letter writing contest sponsored by the Snyder Daily woman's page, contestants to be the kind of women who belong to Newcomers' Club. Let me clarify it though that a woman entering the contest need not be a member of the club, simply a bona fide newcomer to our parts.

Contest rules: Submit a letter, 100 words or less, on (1) What I Like About Snyder, or (2) What I Don't Like About Snyder, or (3) Suggested Improvements in Snyder. To enter the contest, you must have been a resident in Snyder or Scurry County for not more than two years. Address your letters to Snyder Daily News, Woman's Page Editor, Snyder, Tex.

The contest will continue for one month, the winning letter for this and each week being published, along with two rounners-up each Thursday. Entries must of course, be submitted by Wednesday of each week to qualify for that week's contest. If received later, they will fall into the heap for the following week.

Merchants liked the idea, came through handsomely on prizes for winning letters. This week Woody Wilson, DUNLAP'S manager, magnanimously gives the first prize winner her pick of the luxurious chenille bedspreads so many women are oggling at the air-cooled department store.

For second prize winner, Mrs. Bess Fish VOGUE BEAUTY SHOP, says a $10 cold wave permanent awaits you, and third prize winner has waiting for her at HARRIS PHARMACY a sizeable bottle of cologne made by Germaine Monteil (any of several scents) plus a pair of Commet hose, oh-so-sheer, promises Mrs. Gwynn Hickox, cosmetician there.

When prize-winning letters are published Thursday, peruse the crop to see if your brain child made it and proceed double-quick to the merchant who offers the prize you won. We shall have notified hom to fork over with a smile. Bring simple identification. P. S. Who knows what a letter of constructive criticism might accomplish? You know, "The hand that rocks the cradle rules the world"!

AROUND THE SQUARE: Newly-arrived in Snyder, as well as newly married, are CLYDE DOBBS, clerking at the Fair Store since June 6, and his wife of a week.

MRS. CLYDE DOBBS, clerking at Franklin's. From Carlsbad, N. M., they have settled in at 905½ Twenty-fifth Street and feel this is a good place to begin married life. For best-humored city policeman laurels should surely be handed down to H. L. SHELTON, who is never missing that fourteen caret grin and who isn't too mean, if if you didn't overpark deliberately.

* * *

JOE DAVE SCOTT, son of Mr. and Mrs. J. D. Scott, is busy nursing a new dog out at the west Snyder family residence, Warrencrest. This collie pup is grandson of Joe's old faithful, the grand sire who died a much-lamented death back in May. He has just brought home the new addition to his kennels and his widely-spread amateur photography will no doubt suffer this week while the pup gets on its correct feeding schedule.

SNYDER GARDEN CLUB did itself proud at the Friday show at the Country Club. Well-frequented by women from Scurry County, perhaps the most eye-catching flower arrangement among many interesting ones, was the rightful first place winner, a yellow galaxy of cut flowers, dished up in a black ceramic bowl with small white figurenes set in their midst. MRS. WORTH SAYNER, 2907 Avenue T, had prepared this one. MRS. R. L. TERRY, 2604 Avenue V, hit the jack pot meaning the horticulture sweepstake ribbon, with her single fragrant specimen—a pink rose, perfectly petalled, and her one specimen of a white lily.

* * *

"PAT", agreeable pharmacist and owner of Snyder Drug, got a big laugh when he learned that one of the boys at the soda fountain, was observing a birthday. Says he, I want you to feel free to go over to the greeting card counter and read all the birthday cards. Of course, I don't want you getting any of them dirty!"

Two Snyder Couple Married in Carlsbad

Married in a double wedding Saturday morning in Carlsbad, N. M., were Mr. and Mrs. Art Lynn and Mr. and Mrs. William Watson.

Mrs. Lynn is the former Miss Ouida Howard, a nurse at Snyder Hospital, who came here from Fayettesville, Ark. Mr. Lynn is associated with the Texas Electric Co. The couple will make their home at 2904 Avenue F.

Mrs. Watson is the former Miss Patsy Ann Ross, daughter of Mr. and Mrs. Dent Von Roeder. Mr. Watson works with Industrial Supply Co. They will make their home in Snyder.

FACTORY SMOKING URGED

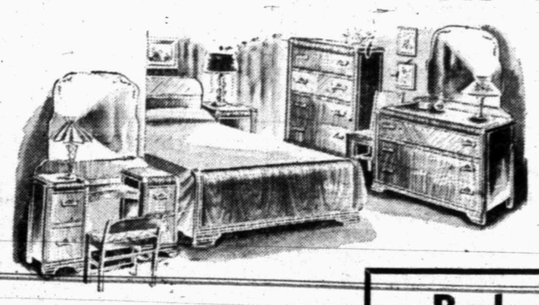

MANCHESTER, England —(AP)— British manufacturers of cotton yarn are being urged to follow an American example and do away with "no smoking" rules in their factories. An eight - member productivity team from the British cotton yard doubling industry made the recommendation in a report on a recent tour of mills in the United States.

The members said they saw mills equipped with glassed-in cubles where three workers at a time could go for a smoke.

BUILDING FUND LEADERS—Officers of the finance campaign for the new education building of the First Methodist Church are shown here in the church auditorium. Left to right, they are Joe York, Ralph Odom, Guy Glenn, and Wayne Boren. The leaders will supervise the campaign activities of 16 team captains and 100 other workers, who will solicit gifts and pledges from the church membership after the campaign kick-off supper next Monday. The building is about two-thirds finished, and about half of the $90,600 necessary funds has been raised.

Transplant Organ From Dead Woman To Living Person

CHICAGO, June 19. (AP)—A kidney from a dead woman has been transplanted in another woman in an operation which doctors said is the first of its kind ever performed.

Dr. Richard M. Lawler said the surgery was performed Saturday morning in Little Company of Mary Hospital and that the patient was in "good condition" early today. Her condition was normal and she had talked to her husband, hospital attendants reported.

Dr. Lawler, a member of the hospital staff and senior attending surgeon at Cook County Hospital, directed the operation. It was begun 10 minutes after the doner of the healthy kidney died and required an hour and a half.

REMOVES KIDNEY

Dr. Lawler removed the diseased kidney from Mrs. Ruth Tucker, 49, of Chicago.

The healthy kidney from the dead woman, in an adjoining operating room, was removed by Dr. James West, also a staff member at Little Company of Mary and associate attending surgeon at Cook County Hospital.

The two surgeons were assisted by Dr. Patrick H. McNulty and Dr. Raymond Patrick Murphy.

Working simultaneously, one team of surgeons removed the diseased kidney from Mrs. Tucker while the other team removed a kidney from the dead woman.

Dr. West handed the healthy kidney through a door to Dr. Lawler and within 45 minutes, the transplantation had been completed and blood was flowing through the kidney placed in Mrs. Tucker.

Dr. Lawler said that as soon as the clamps were removed from the blood vessels, the organ changed to a healthy pink color.

USUALLY FATAL

Mrs. Tucker was suffering from polycystic kidney, a disease in which cysts in the kidney fill with urine which cannot be released. The disease usually is fatal.

Dr. Lawler said the right kidney is functioning only 10 per cent of normal, but it was not removed.

Mrs. Tucker entered the hospital five weeks ago while doctors sought a suitable donor. The woman who consented to give her kidney after death also was 49 years old, of the same physical size and with the same blood type. She died from hemorrhage of the varicose veins of the esophagus and cirrhosis of the liver. Her name was not disclosed.

The operation was photographed and was witnessed by some 35 doctors and surgeons.

Starvation Artists Loses 72 Pound s

FRANKFURT, Germany, June 19. (AP)— Seventy-two pounds lighter, Willy Schmitz has ended his fast in a Frankfurt zoo cage, claiming a new world fasting record of 53 days.

The 48-year-old "hunger artist" came out of the cage at 4:35 o'clock yesterday afternoon to start a diet of crackers and water before tackling meat. Schmitz said he lived on soda water and cigarets since he started his fast April 26. His manager said he weighed 176 pounds then.

At Lille, France, another starvation stunter named Burmah announced he'll remain in his glass coffin, with two pythons to keep him company, until 5:30 o'clock June 26. With 45 days to his credit now, that would break Schmitz' record by an hour, Burmah said. Willy scoffed at the news.

Protestants Denied Appeal In Spain

MADRID, Spain, June 19, (AP) — Public demonstrations and establishment of schools or recreation centers are still forbidden Protestant in Spain.

The ministry of government issued a new statement of its policy Saturday, answering a Protestant appeal to Generalissimo Franco for protection.

Sites for Twelve Locations Listed

Most recent reports from the Railroad Commission of Texas list 12 new Canyon projects in the Scurry County reef area.

Seven of these ventures will be in the Kelley-Snyder field of Central and Central-North Scurry.

On its Honnell lease in section 357, block 97, H&TC survey, Placid Oil Co. has staked three explorations. Placid No. 5 Honnell and others will be 1,980 feet from east and 467 feet from south lines of the section; Placid No. 6 will be 1,916 feet from south and 660 feet from west lines of the section; and No. 7 will be 1,9186 feet from north and 660 feet from west lines of the section.

All three tests will be approximately three miles northwest of Snyder, and operations are to begin immediately.

Pan American Production plans two projects for the Kelley-Snyder area. Its No. 1 J. E. Perry and others will be 467 feet from north and east lines of northwest quarter of section 211, block 97, H&TC survey, and six and two-thirds miles west of Snyder.

Pan American No. 2 G. W. Bynum will be seven and three-fourths miles west of Snyder and 974 feet from east and 467 feet from north lines of section 212, block 97, H&TC survey.

Two miles northwest of Snyder, E. L. Wilson and others have scheduled another exploration on their railroad right of way lease. Wilson No. 2 Reef Oil Corp. will be 420 feet from west and 1,706 feet from north lines of section 178, block 3, H&GN survey.

STANDARD OF TEXAS

Standard Oil Co. of Texas No. 1-8 J. W. Brown will be in the Kelley-Snyder field, eight miles north of Snyder.

Drillsite will be 1,221 feet from east and 660 feet from south lines of the northeast quarter of section 392, block 97, H&TC survey.

Shell Oil Co. has scheduled another exploration on the extreme northwest edge of the Sharon Ridge-Canyon field nine miles northwest of Ira.

Shell No. 3 C. V. Thompson will be 654 feet from west and 670 feet from north lines of section 131, block 25, H&TC survey. Operations are to begin immediately.

Lone Star Producing Co. No. 5 C. T. McLaughlin will be an exploration in the Diamond M-Clear Fork pool, nine miles southeast of Snyder.

Slated depth is 3,600 feet. Drillsite is 1,008 feet from north and 330 feet from west lines of the southwest quarter of section 184, block 97, H&TC survey.

NO. 3 T. W. POLLARD

Tide Water Associated Oil Co. has staked its No. 3 T. W. Pollard in the Diamond M-Canyon filed, eight miles west of Snyder. The No. 3 Pollard will be 467 feet from south and west lines of the northwest quarter of section 214, block 97, H&TC survey. Operations are to begin immediately.

Chapman & McParlin Producing Co. has scheduled its No. 14 D. M. Cogdell, 22 miles northeast of Snyder in the Cogdell Canyon field.

Drillsite will be 2,089 feet from east and 540 feet from south lines of section 771, block 97, H&TC survey.

It will be 1,250 feet north of the same operator's No. 12 Cogdell which produces from an upper pay of 4,900 feet. The No. 12 Cogdell is the only producer in the Cogdell 4,900 field.

Royal Air Force Vet Given Death In Knife Slaying

NAPANEE, Ont., June 19, (AP) — James Fosbracy, 29-year-old Royal Air Force veteran, was sentenced Saturday to hang for the knife-slaying of his pretty young wife.

A jury convicted him in less than an hour after hearing letters he wrote his wife, threatening to kill her and charging her with a romance with another veteran.

The English-born veteran showed no emotion when sentence was passed.

He will be hanged Sept. 21.

West Coast Bread Shortage Looms as Result of Strike

(By The Associated Press)

Bread supplies were vanishing rapidly from grocery shelves in five West Coast cities today with 3,100 bakers out on strike.

The Wholesale Baking Industry in Los Angeles, Portland, Ore., Seattle, Bremerton and Everett, Wash., is tied up with no relief in sight. The bakeries produce about 90 per cent of the bread sold in the areas they serve.

The strikes were called Saturday night by the AFL Bakers Union over a demand for a five-day, 35 hour work week at the same rate of pay the bakers now receive for a 40 hour week.

OVENS COLD

In Seattle and the other two Washington cities, ovens were cold in 70 baking plants, with 800 bakers idle. The closures affect nearly 2,500 other workers in the industry. Union officials are scheduled to meet today with a federal conciliator.

In Los Angeles, where 1,800 bakers have stopped work, Federal Conciliator John Pfau said he will try to get labor and management representatives together today in another effort to settle the dispute. Twenty five plants are shut down in this one. Many other cities in northern California are served by these plants and will have to rely on other sources.

A conciliation meeting is also slated today in Portland, where 500 bakers and 350 AFL drivers are idle.

In all four cities, the strike is not affecting small, owner-operated and non-union bakeries. Most hotels and restaurants are still able to get bread, too.

RUN ON BREAD

But there was a run on grocery stores, and the little neighborhood bakeries were unable to keep pace with the demand.

The Los Angeles Baking Industry Council, an organization of 12 concerns which operate the struck plants, has offered the union a 2½ cents hourly wage increase on a five day, 40 hour-week basis.

The average journeyman wage in all the cities is around $1.90 an hour among the men. Women employes get less. Small, independent bakeries acceded to union demands in Seattle, and the independents are still operating in Los Angeles.

NCAA National Baseball Champs Decided Today

OMAHA, June 19. (AP) — The two remaining undefeated teams in the NCAA baseball tournament — one from the East, the other the West —clash today in a game that will give a solid advantage to the winner.

Rutgers and Washington State are scheduled to meet at 6:30 p.m. (CST). The winner will be the only team in the tourney for whom defeat will not mean elimination.

Last night's play trimmed the field to six. Texas sent Colorado A&M home, taking the Aggies 3-1 and Tufts came from behind to oust Bradley 5-4.

For any one of the four teams who have already lost one game in the double elimination tourney, a second defeat will mark the end of the tournament road.

Texas and Tufts will play the second game tonight at 9 p.m. (CST). That game constitutes a schedule change.

Taking a rest today will be Wisconsin and Alabama.

Texas, defending champion, in beating the Colorado Aggies, picked up two runs in the fifth on singles by Ben Tomplins and Frank Kana, a double by Kal Segrist, a walk and an error.

Strike of Dairy Workers Settled In Washington

WASHINGTON, June 19. (AP)—The eight-day Washington milk strike has now been settled and deliveries are expected to be back to normal by tomorrow or Wednesday.

Nine big dairies, which supply the bulk of Washington's milk, had been shut down since June 10 in a strike over a demand by the AFL Milk Drivers and Dairy Employes Union for shorter week without loss of take-home pay.

The strike settlement came yesterday by an agreement on an average 5½-day week—compared with the previous 6-day week—without loss of pay, effective Sept. 1.

The dairies abandoned their proposal calling for the plants to close on Sundays, and agreed to continue to operate seven days. The union had argued that to close on Sunday would lose customers and thus cut the drivers' commissions.

Dairy spokesmen refused to say whether prices to customers will go up as a result of the agreement. There were estimated it would add 100 to 150 new employes. The striking employes numbered 1,650.

An emergency distribution plan set up to take care of infants, hospitals and other public institutions during the strike, has been cancelled.

Action Delayed On Application For Dr. Sanders

CONCORD, N. H., June 19. (AP)—The New Hampshire board of registration in medicine will not act for at least another week on Dr. Hermann N. Sander's application for restoration of his license to practice.

The 42-year-old Candia physician's license was revoked April 19, a few weeks after his acquittal of a charge of murder in the death of Mrs. Abbie Borroto, 59, a cancer patient.

The board said, in revoking the license that it would consider an application for reinstatement after two months had elapsed.

A spokesman reported yesterday, however, that Dr. John B. Wheeler, board secretary, was out of state and not expected to return until Saturday.

No action can be taken unless all members of the five-man board are present.

Gallup Insists Public Favors Tough Red Policy

LAKE FOREST, Ill., June 19. (AP)—Pollster Dr. George Gallup says the public favors tougher government action against Communists.

He made the statement here at the fifth annual conference of 250 of the nation's public opinion samplers.

"Every poll ever taken shows the public wants to be tougher on Communists than any action the government has yet taken," Dr. Gallup said.

Methods for a more accurate approach to opinion polling at the November election are among major topics of discussion at the session.

Dr. Gallup, who predicted that Gov. Thomas E. Dewey of New York would defeat President Truman in 1948, said "obviously we are learning and must learn by mistakes." He added that "the time factor was most important" in his wrong presidential prediction.

"Most polls did their interviewing in the middle of October," he explained, "and the shift came in the last 10 days of the campaign, particularly in the farm areas as the result of drops in grain prices."

Accident Survivor Improves After [illegible] Grafting

Raymond (Hill) Massey, 19-year-old Fort Worth youth who was injured critically in a 4-car collission fatal to two men near here May 28, was reported improving steadily Saturday in the St. Joseph Hospital in Fort Worth.

In a letter to Miss Ouilda Houst, receptionalist for the Snyder Hospital Clinic, the youth's mother, Mrs. Ethel Massey, said last week that operations and bone grafting had been completed on the youth's arm which had been broken in several places.

Massey's hip joint and several breaks in the pelvis were set Tuesday, and his broken jaw bone was set Thursday, Mrs. Massey wrote.

The accident occurred about 10 miles east of Snyder on the Roby highway when the car driven by Massey collided with the left rear fender of an oncoming vehicle and crashed head-on with another automobile driven by Clarence E. Anderson, 68, of Avinal, Calif., who was killed instantly.

A fourth car was then involved in the accident when its driver attempted to pass the Anderson automobile at the time of the collision.

With Anderson was Arvin B. Gentry, 18, of Caolinga, Calif., who died a few days later in the Snyder hospital.

MINISTERIAL POSTS

DETROIT, June 19. (AP)—The Detroit conference of the Methodist Church announced more than 400 ministerial appointment yesterday, but left a few pulpits to be supplied.

Last Phase Of Sewer Extension

Work will get under way this week to complete the sewer extension program in Snyder. Most of the additional 10,000 feet authorized by the city council will probably be laid in the Warren Crest addition, Dwight Look, assistant to the city engineer, said.

Look said the new disposal plant at the city farm has been in operation for about a week.

Circus Theme In Texas Electric Company's Show

This year's Texas Electric Show, which will open at 6 o'clock tomorrow night on the Sweetwater High School grounds, will feature a circus theme, according to J. E. Blakey, Texas Electric Service Co. manager here.

Some of the circus features will be clowns, a calliope, an old time brass band and a life-size pygmy elephant.

Other displays will include the largest lamp bulb in the world, big as a bushel basket, and the smallest, the size of a grain of wheat; mechanized puppets which will tell the modern story of Ten Little Indians; and a model power plant.

Red (Asa) Woodward and his "Home Town Dudies" will present band music in the Gay Nineties' style. A colored movie, West Texas at Work, will tell the story of the prosperity of cities and towns served by the Texas Electric Service Co. and how electric power is aiding their growth.

The show is free and is being presented by the electric company in co-operation with electrical dealers and distributors. It will continue for three days, from 6 to 11 at night, and will close Thursday night.

Girl Wounds Self After Being Kept From First Date

DETROIT, June 19. (AP) — Fourteen-year-old Hilda Jackson wounded herself critically with a .22-caliber rifle yesterday after her mother insisted that she baby-sit instead of going out on her first date.

Mrs. Mary Lee Jackson told police she heard the shot in Hilda's bedroom soon after telling her daughter to stay home with a four-month-old cousin instead of going to a movie with a boy friend.

Judy Garland Is Suspended For Second Time in Year

HOLLYWOOD, June 19. — Suspension has knocked Judy Garland out of a film role for the second time in a year.

Her studio, MGM, said that she has been suspended for failure to report for work Saturday in a picture in which she was working with Fred Astaire. A replacement for her, said MGM, will be arranged this week.

Miss Garland wasn't available last night but a spokesman said she would have no statement until "we talk to the studio people to see what this is all about," probably today.

Betty Hutton replaced Miss Garland in "Annie Get Your Gun" last year after the latter was suspended.

Autry Interviewed At Wichita Falls Firemen's Convention

Fire Chief N. W. Autry and a group of volunteer firemen who attended the State Firemen's and Fire Marshals' convention in Wichita Falls last week were back in Snyder Friday.

Autry said the group received a hearty welcome, which included an interview with Autry featured on the front page of the Wichita Falls Record News.

A Record-News reporter interviewed "Big Fire Chief N. W. Autry of the oil-booming town of Snyder" in his hotel room and discovered that the "six feet one inch, 220 pound association president" had been a volunteer fire fighter for a quarter of a century.

John Dean of Plano stepped into Autry's place as president of the association and the convention elected Paul Connally of Luling as fourth vice-president. Connally will become president four years from now, in accordance with the association's mode of election of officers.

The Record-News also ran a picture of Autry, with the association's mascot, Reggie Boring, and his sister, Nita Jean, mascot of the ladies' auxiliary.

After being welcomed by Wichita Falls' mayor Harold Jones, the convention delegates heard talks by Carl Smalley of the Arkansas State Fire Prevention Association, Prof. R. E. Jackson of Texas State College for Women, and Col. H. R. Brayton, director of A. & M. College of Texas Firemen's Training School.

Those attending from Snyder, besides Mr. and Mrs. Autry, were the Rev. and Mrs. W. J. Casseday, Mr. and Mrs. Howell McClinton, Mr. and Mrs. W. C. Simpson, Mr. and Mrs. Bill Minnix and Mr. and Mrs. Bill Brown.

Tobin Claims U. S. Licked Problem of Depressions

GENEVA, Switzerland, June 19. (AP)—Maurice J. Tobin, United States secretary of labor, said today the United States has eliminated the secret of depressions by its economic and social legislation.

"I do not believe we will ever again experience a major depression such as we had in the early thirties," Tobin told the international labor conference.

CAN BE AVOIDED

"We are confident of our ability to avoid a major depression because of the great advances we have made in social and economic legislation since 1933. The supports we put under our economy in these years stood us in good stead in 1949.

"They will be equally helpful in protecting our economy against a serious recession in the years ahead."

He mentioned as bulwarks of the American economy old-age and survivors' insurance, free public employment services, unemployment insurance, insurance of bank deposits, minimum wage and hour legislation, agricultural price support, and the development of resources such as the TVA.

MUCH HIGHER

Tobin told the labor, industrial and government leaders gathered here that "real earnings and the standard of living of American workers is now higher than ever before, about 40 per cent above prewar levels."

The recession of 1949, he said, was the "first significant test of the stability of the post-war American economy." He said the test had been met successfully and expressed the belief that the American economy now is able to "assure economic stability to a substantial degree."

High Officials Dedicate Camp For Diabetics

GAINESVILLE, June 19. (AP) — Camp Sweeney, the South's first camp for diabetic children, was dedicated yesterday.

Speakers at the ceremony included State Atty. Gen. Price Daniel, Dr. Edward Bortz of Philadelphia, past president of the American Medical Assn. and an officer of the American Diabetes Assn., and Dr. T. S. Painter, University of Texas president.

Banker Henry Bell of Tyler snipped the strings of an old-fashioned apron held by Sharon Westhafer, 12, of Dallas, who has had diabetes for 10 years, and Law-Anna Batson, 11, of Henrietta, whose diabetes was discovered before she was 21 months old.

SYMBOL

Bell said this symbolized the children's cutting themselves loose from their mother's apron strings and starting out for themselves, despite their ailment.

Dr. J. Shirley Sweeney of Dallas had the idea for the camp. He retired from practice in internal medicine in Dallas to help build it near this North Texas city where he grew up. Gainesville friends helped him find the money and the land.

Dr. Bortz, long-time friend of Dr. Sweeney, said there are four parts to Dr. Sweeney's plan.

FOUR PLANS

"This camp is the first. After that comes a research division of the Sweeney Metabolic Foundation. Then a metabolic laboratory will be built for studies on what diabetics should eat and what they should leave alone.

"The final part," he said, "is a program to educate the public on diabetes. There are more than one and a half million Americans who have diabetes and who do not know it."

Jane Cowl Seriously Ill, Has Operation

SANTA MONICA, Calif., June 19 (AP) — Serious illness has hospitalized Jane Cowl, popular and beautiful stage star of a generation ago and once known as America's foremost "Juliet."

A physician said she entered the hospital 10 days ago and has undergone surgery in an effort to correct a chronic abdominal ailment. The duration of her hospital stay is undetermined.

Miss Cowl, now 65, made her debut in 1903, played "Romeo and Juliet" in 856 consecutive performances in New York beginning Jan. 24, 1923, and starred in such hits as "Lilac Time," "Smilin' Through" and "Within The Law." She moved to Hollywood several years ago.

Miss Cowl is the widow of Adolph Klauber, New York Times drama critic.

McCormick's Flags Straight This Time

LOS ANGELES, June 19. (AP) — The artist who put the wrong Spanish flag on Col. Robert R. McCormick's airplane checked and double-checked this time before he added 28 new miniature emblems.

The remodeled B-17 in which Col. McCormick, editor and publisher of the Chicago Tribune, has flown over the world has been undergoing overhaul and engine replacement here recently.

Artist Ted Grohs accidentally put the flag of the defunct Spanish Republic, instead of the Franco Government emblem, on the plane before McCormick's recent goodwill trip to Spain. That's been fixed, of course, and Grohs has added the new ones including such out of the way places as Andorra, Pakistan, Cyprus, Faroese and San Marino. Sixty-eight countries are now represented by flags on the fuselage.
