Final Plans Laid For Sea-o-Rama

Final times and plans have been set for Rockport's first Sea-o-Rama, which has been started as an annual event each year, to be held the second Saturday and Sunday in June. Dates this year are June 9-10.

First event on the program is the fishing contest, sponsored by the Rockport Sportsman's Conservation Association, and which will run from June 8 through June 10, with \$150 in prizes given in the various categories.

Saturday morning, June 9, there will be a street parade, with Mrs. Roy Lee Hart acting as parade marshal, and those wishing to enter this should contact her for details. This is scheduled for 10 a.m.

Saturday at 11:30 a.m. there will be a fish fry at Fulton basin, sponsored by the Fulton Lions Club and 2 p.m., in Little Bay Basin there will be a boat parade. This is sponsored by the local Rotarians, who have sent out letters to 300 affiliated clubs asking them to take part.

At 3:30 p.m. Saturday, the Mermaid Beauty Parade in both junior and senior divisions will get underway. Already entries have been received from a number of surrounding towns, and it is hoped that local organizations and merchants will also sponsor entries in the two divisions. Juniors are 13-15, inclusive, while seniors are sixteen and up. Mrs. Hart and Mrs. Eugene Carter, head of the local Jayceeettes, are in charge of this and should be contacted.

Finals on the beauty contest will be held in front of Western Auto that evening at 7:00 o'clock, just prior to the street dance which gets underway at 8 p.m. in the same area.

Music for the dance will be furnished by the famous Light Crust Dough Boys.

Saturday afternoon, there will be shows every hour by Jeanette's can-can girls from Corpus Christi, with interpolations by Stan, the Piano Man.

On Sunday, there will be a barbecue at the Lions Club pit, in front of the Woman's Club on the waterfront, and prizes in the various contests will be presented there at 1 p.m. with the winner of the senior beauty contest, who will be crowned Miss Sea-o-Rama of 1962, making the presentations.

ARANSAS HAS GASSER

William H. Hunt Trust Estate No. 2 Spencer-Kent-Crane, Aransas County Fulton Beach Field rework in Gilliland Survey, A-70, has been completed for a daily open flow of 380,000 cubic feet of dry gas. Production was through perforations from 6,956-64 feet in 7 inch casing at 7,243 feet. Flowing pressure on 16-64 inch choke was 235 pounds and shut-in pressure was 880 pounds.

Sea-o-Rama Group Has Busy Meeting, Finalizes Program

The Sea-o-Rama Committee, at their regular meeting, voted to allow use of their name by a daily newspaper in the area in an effort to assemble a Sea-o-Rama section for the Thursday preceding the festival; discussed a trip to see the Colt 45's play the Pittsburgh Pirates on May 26, incidentally advertising the festival here; laid plans for a booster trip to surrounding towns on June 2; and finalized the times for the two-day fiesta, Rockport's first, to be held here June 9-10.

Homer Faber suggested that as he intended a grand opening of the new Marineland facilities on Highway 35 in order to tie in with the Sea-o-Rama that would be good to utilize his expenditures for advertising, along with those of other merchants in the area, to produce a section in the Corpus Christi Caller that would be devoted to the festival. The Sea-o-Rama committee agreed with him.

Jimmy Kautz, president of the Sea-o-Rama group, then urged members of the committees to push sales of the Sea-o-Rama membership cards, and of the baseball trip, set for Saturday, May 26, to see the Colt 45's play in Houston.

Kautz said that fifteen reservations had already been made for the trip on a chartered bus, and that fourteen more were needed to take advantage of the lower rates that could be made either by calling Mrs. Mary Juergens at the Chamber of Commerce or Kautz. Cost is \$11 for transportation and ticket to the game.

A caravan to surrounding towns for the purpose of advertising the Sea-o-Rama, was planned for Saturday, June 2. Cars wishing to take part are to meet at the Chamber of Commerce by 9:00 a.m. Kautz said that a sound truck, a pep band, and members of the Greenbacker pep squad from the high school would accompany the caravan, which is scheduled to tour Aransas Pass, Portland, Gregory, Ingleside, Taft, Woodsboro, Refugio and Sinton, before returning to Rockport.

The chief of police of each town will meet the caravan at each place, Kautz said, and will escort it in and out of town. He asked for five cars from each civic organization to take part in the caravan.

Discussing the street parade planned for Saturday morning, it was learned that Port Lavaca is sending a float; another is expected from Central Power and Light; others are hoped for from the Women's Club and the Business and Professional Woman's Club.

Also mentioned as possibilities were the Shrine Motorcycle team from Corpus Christi; the ACHS band; a color guard from the Marine unit at the Naval Air Station; Boy and Girl Scouts; the fifteen-man Confederate Army from Corpus Christi; and the Aransas Pass Chamber of Commerce shrimp boat.

In other action, the committee approved participation in the festival by a carnival, and were informed that the Rotary Club had contacted 300 other Rotary Clubs asking them to urge their members to take part in the Sea-o-Rama Boat Parade, being sponsored by the local Rotary Club, as well as in other events.

AC&W Squadron To Hold Open House On Armed Forces Day

"The thirteenth annual Armed Forces Day will be observed by an open house at Rockport Air Force Station," Major Pete L. Tedder Jr., Station Commander, announced today. The station will be open for tours between 1:00 p.m. and 4:00 p.m. Escorted tours will depart from the Community Building on the half hour. Local citizens are invited to see the base radar facilities, including the operations room where radar surveillance is carried on.

During the last thirteen years Armed Forces Day has grown to an important national observance. Armed Forces Day also serves as an opportunity for military installations to become better acquainted with their civilian neighbors.

Veterans Schedule Poppy Day For May 26

The local Veterans of Foreign Wars will be out in full force on May 26 to Sell Buddy poppies.

V. A. Dullye has been appointed chairman of Buddy poppy sales, and will be assisted by the Ladies' Auxiliary of the Veterans of Foreign Wars, and by the Boy Scouts and Girl Scouts of Aransas County.

"We must not forget," said Commander E. H. Carter, "that small deeds and small contributions are important."

"The world will little note nor long remember," Abraham Lincoln said in his speech at Gettysburg.

"Lincoln knew human nature," Carter said. "It is so easy to see our duty and do it, in times of war or emergency. It is not so easy in times of peace or in the absence of any real emergency," the commander pointed out.

"We would not willingly forget," he said, "the sacrifices made by the thousands who defended us on the fields of battle. Nor can we take too much solace in the fact that a grateful government provides hospitals and pensions for those who made the greatest sacrifices. A hospital can be a cold place indeed without a frequent handshake or a cherry hello from those who daily go about their tasks in good health. It is in this field that the VFW Buddy Poppy has accomplished so much — by providing funds for the small gifts, the friendly smile, the warm handshake to those in many VA hospitals throughout this great nation."

"It is heart-warming to know that one penny from the sale of each Buddy Poppy goes to the support of the VFW Home for Orphans of Veterans at Eaton Rapids, Michigan. In these beautiful surroundings hundreds of orphans have grown to maturity to become educated, useful and patriotic citizens."

"Your contribution for a Buddy Poppy may be small—but it means a great deal."

School Board Issues Statement On Initiations

In view of the happenings at the Lettermen's initiation Tuesday night, the Aransas County Independent School Board has issued the following statement, signed by Dr. H. F. Elliot, president of the board:

"On Tuesday, after a picnic near Port Bay, the Lettermen's Association of Aransas County High School held their initiation of new members."

"This initiation has been an annual affair for many years. During the initiation new members were fed rotten eggs and raw liver, and were doused with bone oil on their bodies."

"Though this initiation was similar to other years, there was a marked difference in results."

"One boy became violently ill and required emergency care at a hospital in Corpus Christi. Twelve others were treated at a local hospital. Doctors who treated these boys say that they are all right."

"Their illness was apparently caused by an ingredient of the bone oil, which, taken internally, causes violent nausea and vomiting, but which is not known to be fatal, and does not bear a poison label on the bottle."

"Apparently all of them got some on their hands and in their mouths, in varying amounts during the initiation."

"The school board and administration has investigated thoroughly. It does not condone, nor does it blame anyone for this unfortunate happening."

"But it is the considered opinion of all members that will be no more physical initiations of any kind, in any degree."

DR. H. F. ELLIOT
President, Aransas County Independent School Dist.

Allegro Dredging Contract Awarded

Work Should Begin Within Two Weeks

With Target Date Set For End of July

Developer Carl C. Kruger, Jr., Says

A dredging contract "in excess of \$100,000" has been awarded the Allegro Island, where many an Indian campsite has been found. Of course the big triangular island in front of Rockport will look far different with the houses of a modern, Florida-type real estate development rising from its home sites; but that won't bother the youngsters for their fertile imaginations can conjure up a red skin behind every bush.

No one knows how long the first Karankawas roamed there, but the first Frandolig landed there nearly a hundred years ago. In the diaries kept for many years by the Mercer family, who lived first at Port Aransas and then at Aransas Pass, Napoleon Bonaparte Frandolig came up to Port Aransas from Padre Island "with an ox team and riding a mare."

Whether he was the man who eventually gave his name to the long shell ridge, no one knows, but the first Frandolig to settle there held it in spite of Indians.

Three of the red men who interfered with him were buried there, victims of Frandolig's gun. And, in later years, he told an amateur archeologist, George Martin, that the island had yielded many relics of Indian occupation.

An Indian campsite once existed on its eastern shore, littered with whole and broken arrow points, flint tools and broken pieces of pottery.

The Indians that left these traces were nomads, seasonal dwellers on the coast, living near the water and depending on clams, oysters, conchs and fish, leaving the shell remains from their feasts in big piles where they camped.

Later, after the Indians were gone and the Civil War was over, the island was the site of at least one of the hide and tallow packeries that made this area famous. The beef was pickled for shipment to New Orleans, New York, and even Europe, and the tallow was also an article of commerce.

During the period, as many as half a dozen Morgan ships at a time were docking at packeries on Frandolig Island, in Fulton, and at Rockport. The unloaded silver dollars in kegs to pay for the packing houses' products.

There was so much silver that it wasn't counted, merely measured. Mrs. George Ware Fulton, Jr., is quoted in an early account of this region as saying that bags of silver sat around on the (Continued on page 8)

Alternates are: Mrs. Harold Picton, Mrs. Pat Greene, Dr. H. F. Elliot, Everal West, and Mrs. Eugene Sprinkle.

Absentee voting in the Democratic run-off primary began Monday, May 14, and will continue until three days before the primary on June 2. County Clerk Ed Beasley said there had been no such votes cast early in the week.

The only race of any local interest is between incumbent Tom Andrews of Aransas Pass, and Leroy J. Wieting, Portland city manager, for State Representative.

Msgr. G. J. O'Doherty Commencement Speaker

Monsignor G. J. O'Doherty, pastor of Sacred Heart Catholic Church, will preach the commencement sermon here next Sunday, May 20, at 8 p.m. in the Aransas County High School auditorium.

Assisting with other phases of the program will be Mrs. J. Allen Frye, organist, who will play the processional and the postlude; Rev. Cecil Lang, Jr., of the First Presbyterian Church, who will give the invocation; and Mr. Harry Carter, lay minister of St. Peter's Episcopal Church, who will deliver the prayer for the graduates.

Miss Dolores Mingus will give a special solo for the occasion; and the benediction will be given by the Rev. Ralph Simpson of the Fulton Baptist Church.

There are thirty-seven seniors in the graduating class.

They are: Sue Armstrong, Mary Ann Barber, Jane Benningfield, Glenda Brundrett, Betty Davis, Patty Eickenroht, Peggy Eickenroht, Sue Eller, Sherrilyn Garrett, Pamela Landgraf, Phyllis Meador;

Dorothy Rowe, Sylvia Skoruppa, Betty Stryker, Olivia Torres, Mary Alice Trevino, Carolyn Washington, Jackie Deason, Charles Atchley, John Ballou, Henry Falcon, Gilbert Hill;

James G. Jackson, Roberts Johnson, Charles Johnson, Johnnie Keith, Jimmie Lanfair, Johnnie Hugh, Tommy Mikeal, Garland Nutt, Barney Reed, Cecil Shipp, Mike Smith, Lee West, Gayle Williams, Jerry Wright, and Pat Tedder.

COMMITTEES APPOINTED FOR ALUMNI BANQUET

Committees for the Alumni Association banquet on June 1, at the Elementary cafeteria are as follows: Program, Jeanie Mullinax Schindler; table decorations, Ruthie Mullinax Heasley; invitations, Lorraine Lassiter Close; finance, Charles Roe, Jr., Carol Townsend Prophet and Urban "Blackie" Chupe;

Nominating committee, Berta Shults Little, Etoile Harist Eller and Wanda Rouquette Sparks.

Dues of 50 cents and reservations of \$1.50 should be made by May 25 to the Finance Committee. Time is 7:30 p.m.

Other officers of the association are: President, Carol Townsend Prophet; vice president, Rosa Fay Hamblin Hunt; treasurer, Claudia Domengeaux Bate-man; corresponding secretary, Glenda Dunn Russell; recording secretary, Marvina Davis Wix.

PRESBYTERIAN CIRCLE THREE HOLDS SESSION

Circle No. 3 met in the Church Assembly Room on May 14, 1962, with Mrs. E. H. Carter as hostess. Mrs. Clobertants, chairman, presided and opened the meeting with prayer. Nine members answered roll call with a Bible verse.

The minutes of the April meeting were read and approved. Mrs. Charles Roe, Jr., reported for the treasurer a \$9.12 balance in the Circle fund and that \$9.10 was contributed to the Budget fund in April, indicating that we are approximately \$25.00 in arrears on budget pledges. The latter was discussed and, in an effort to meet our pledge, it was decided that various members personally contact those members who had not been able to attend regularly, expressing our missing their fellowship and financial assistance. We were also reminded that approximately 100 hymnals are still needed.

Mrs. Juergens moved that we buy out of the Circle fund for two pair pajamas for White Cross work. This was seconded and voted on affirmatively.

Seventeen visits by seven members and 23 cards were reported for the past month.

Mrs. C. J. Roy moderated the lesson and Mrs. Mary Juergens gave the Emphasis on Church extension. The meeting was closed with the friendship circle and the Mizpah. Refreshments were served by the hostess.

The next meeting will be on June 11, at the church at 8 p.m.

Special Thursday Friday Saturday **88¢**

Western Auto

- Rockport -

It happened 100 YEARS ago

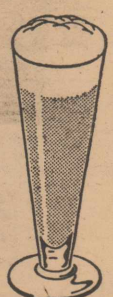

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN TEXAS... the entire state waited, with hopes and prayers, for news of Terry's Texas Rangers, beloved for their courage, daring and skill as fighters. With Albert Sidney Johnston in Kentucky, in and out of Tennessee with Nathan Bedford Forrest, into Georgia with Fighting Joe Wheeler... where there was a battle to be won for the South, the Rangers were there!

And then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

VFW NEWS

Stewart - Wendell Post 3904,

VFW, continue to seek aid with their blood donor program. All veterans of Aransas County, who might be possible blood donors in case of either local or national emergency, are urged to contact either County Service Officer Ed Barnard, at SO 4-2464 or SO 4-8579. If he is not available, contact Vernon Kleypas, VFW post adjutant, at SO 4-2230 or SO 4-2129.

Kleypas said the purpose of the program is to have a ready reference list of blood types, serial numbers and claim numbers of all veterans in Aransas County.

Any veteran not knowing his blood type should contact either Dr. L. G. Wood or Dr. H. F. Elliot. "All veterans should take pride in this program," Kleypas said. "Some day, in case of an emergency, they may be able to help their fellow men in a very worthwhile manner."

MEADOR PLACES IN TWO EVENTS

On Saturday, May 12, Victoria College participated in the Gulf Coast Conference track meet, held at Brownsville. Victoria College won the meet by a wide margin while bringing home the team championship trophy and two relay trophies.

A former Rockport runner, Joel Meador, ran the mile and the two mile run for Victoria College. Placing in both events, he not only won a second place medal in the mile, but also he brought home a second place medal in the two mile run.

Joel had a very successful season at Victoria, where he was one of only six boys who lettered their freshman year.

MEETING THE CHALLENGE OF A GROWING SOUTH TEXAS

Good electric service is our product. Experience, planning and good citizenship help keep it high in quality, low in price.

When you need it most...
Dependable CPL electricity is there!

An emergency? Yes. But knowledge and skilled hands, aided by electricity for light and modern equipment, can prevent a tragedy.

Electric service contributes much to the advancement of medical science and hospital care, just as it lends a hand in every other field of human endeavor. Wherever people work or play, electric service is ready at the touch of a switch

to make the job easier, increase efficiency, add to the enjoyment of leisure hours.

Consider the many ways in which CPL electricity works for you - at home, on the farm, in business, in industry and in the community. Then reflect on the fact that there's always plenty for every need, and that the average price per kilowatt hour is lower than ever before. Can you think of any other service that does so much for so little?

Your wonderful support gave me the lead in this county over all opponents, greatly helping me to go into the runoff as the leading candidate with a 73,000 vote lead. Your continued backing June 2 will be greatly appreciated.

In the runoff election, I shall continue to conduct a clean campaign, stressing my training, experience, record and program, just as I did in the primary. I do not believe in mud-slinging, and I hope you, too, will censure any effort to inject this type of campaigning into this race.

SENIORS GIVEN ANNUAL BOAT TRIP AND PICNIC

The "Jolly Roger" cast off from Jackson Seafood dock, Monday afternoon with 52 Aransas County "Pirates" aboard, destination, the Gulf beach at Port Aransas for a cook-out.

The passengers included the members of the senior class, the sponsors and room mothers (and dads) with Mr. and Mrs. Floyd Smith and Mrs. James B. Jackson, hosts and Mikol Smith and Jimmy Jackson, the honorees.

The invitations stated that the "fare" for the voyage was pirate costume and for several hours dungeones, bandanas, gay sashes and scarves, swinging ear rings, eye patches, cutlasses and skull and cross bones, reigned supreme.

When the pirate ship docked at Port Aransas, the Coast Guard had already spied the "Skull and Crossbones" flying from the mast and repeatedly turned their binoculars until Pat Smith arrived with a large truck in which he transported the group to the beach.

Following the cook-out, the judging of costumes was held, resulting in prizes being awarded to Sylvia Skoruppa for being the champion Pirate Beauty and Charles Atchley, the champion Pirate lover.

In the treasure hunt, Jackie Deason found the treasure chest of lollipops.

Tho the spray drenched and the sand at the beach seasoned the hot dogs, it was a happy crowd that came into the home port about 10:30 p.m.

Sponsors making the trip besides the hosts, were Mr. and Mrs. C. C. Haydan, Mrs. Garvin Mitchell, Mrs. Preston McHugh, Dave Segler, Walter Stryker and additional guests, Pat Smith, Nan Jackson, Freddy Jackson and Raymond Ingersoll, Nino Garcia, captain of the boat and Mrs. Garcia.

Andy McDavid, son of Mr. and Mrs. Jack McDavid, had a tonsilectomy last week and is recuperating at home.

Miss Hettie Weber is now home from Spohn Hospital and can have visitors.

floor of her father's office until he measured the coin to pay off cattlemen from which the Coleman-Fulton Cattle Company had brought beebes.

And Captain Andrew Sorenson, grandfather of most of the present-day Sorensons of Rockport, once told of rolling 14 of these kegs into that same office. There one was smashed open and the waiting cattlemen paid with silver dollars that loaded in their saddle bags.

But the packeries were abandoned, and after 1919 no one lived on the island for many years, although anglers prowled its shores for speckled trout and redfish.

The island belonged to Aransas County Navigation District, who sold it last fall to a group of San Antonio developers headed by Carl C. Kruger, Jr. Since then the change it has undergone is almost miraculous.

Draglines and bulldozers moved in, gouging channels and raising dikes. Behind these dikes will go nearly half a million cubic yards of fill, raising the level of the entire island to six feet above high tide.

Construction on the first phase of Key Allegro, consisting of 235 home sites, with private beach, park and commercial areas was begun in February, and is expected to be completed by mid-July.

Kruger says that overall plans call for 1,000 home sites, additional beaches, parks, a resort motel, marina, private club and shopping center.

"Home owners on Aransas Bay will have their own individual private sand beaches," Kruger said.

All other owners will have the use of two private beaches as well as two parks. A private club with a fresh water swimming pool is planned for residents, with membership available at a nominal cost, and the most extensive marina facility on the Gulf coast is now being planned as a part of the development. Complete service will be provided for the outboard enthusiast as well as the large yacht owner, with both covered and open slips available.
